*The Lok Sabha met at Eleven of the
Clock*

[MR. SPEAKER in the Chair]

ORAL ANSWERS TO QUESTIONS

Sea erosion Schemes of West Bengal pending for Central Approval

*401. DR. RANEN SEN: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether a large number of schemes involving about 70 crore of rupees, proposed by the West Bengal Government for fighting sea or river erosion in that State, are pending with the Centre for their approval and assistance;

(b) if so, the main features thereof; and

(c) the reasons for delay by the Centre in taking decision thereon?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) to (c). A statement is laid on the Table of the House.

STATEMENT

Sea Erosion Schemes of West Bengal Pending for Central approval

No scheme proposed by the State Government of West Bengal for fighting sea or river erosion is pending with the Centre for approval. A letter has been received recently from

the Government of West Bengal giving the list of the proposed schemes for tackling sea and river erosion problems in the State, which are estimated to cost Rs. 68 crores, and seeking Central assistance to the extent of Rs. 6 to 7 crores a year from 1973-74.

Majority of the schemes proposed by the State Government are yet to be formulated and a phased programme of implementation of these schemes is still to be worked out by the State Government.

Schemes for tackling sea and river erosion form part of the flood control sector of the State Plan for which, according to the present procedure, Central assistance is provided in the form of block loans and grants without tying them to any particular scheme or head of development. As such, the provision for the sea and river erosion schemes has to be made by the State Government in their Plan.

DR. RANEN SEN: In the question, I wanted to know whether the West Bengal Government has sent any scheme. Now, the statement says:

"A letter has been received recently from the Government of West Bengal giving the list of the proposed schemes . . ."

And then later on, the statement says:

"Majority of the schemes proposed by the State Government are yet to be formulated.."

In view of the fact that there have been various erosions by sea which has affected even the Government

Guest House at Digha and also in view of the fact that there have been serious erosions in Rupnarayan river near Geonkhali, near Haldia, affecting the Haldia port, and also in Dhulian on the banks of the river Bhagirathi near Farakha, which have affected a large number of villages in both the districts, may I know—

(a) whether the Central Government has taken into consideration these factors which have been referred to by the State Government in its letter;

(b) the points raised by the State Government in its letter; and

(c) what is it that the Central Government is doing in the matter?

SHRI B. N. KUREEL: The letter has been received only at the end of November of this year. In that letter they have made a mention of schemes and they have indicated the seriousness of the sea and river erosion problem. They have given names of certain schemes but these schemes have yet to be formulated and prepared by the State Government. They have intimated that the schemes will require about Rs. 60 crores. They have also intimated a phased programme of spending about Rs. 6 to Rs. 7 crores yearly. They have asked the Central Government to keep in view the magnitude of the problem while granting allocations. But I may say that these erosion works are part of the flood control sector of the State Plans, and the assistance from the Centre is given in the form of block loans and grants for the State Plans, without tying them to any particular scheme or head of development?

DR. RANEN SEN: May I know whether it is a fact or not, because we have got it from newspaper reports, that West Bengal Government have specifically requested the Central Government to send an expert

Team who along with the experts of the West Bengal Government could sit together and see the area for themselves and find out the means to formulate schemes, and yet the Government of India have not responded to the request of the state Governments, and if so, the reasons for the reluctance of the Central Government to send a team of experts to go into the details of this erosion and find out the remedies?

SHRI B. N. KUREEL: As far as we are aware, the erosion problem is very serious down Farakka for a length of 50 k.m. It has been suggested to the State Government that they should formulate a comprehensive scheme for tackling these erosion works, keeping in view the recommendations of the team of the expert engineers who visited the spot and the recommendations of the CWPC and the CWP research station, Khadakvasla, Poona and the River Research Institute of West Bengal, which are going to be shortly finalised. So, it is not a fact that the Central Government have not responded to their request. In fact, they are just going to finalise the recommendations.

DR. RANEN SEN: My question was whether the State Government had requested the Central Government to send their team of experts. He has not replied to that.

SHRI B. N. KUREEL: I have just said that the experts from the CWPC, the CWP research station etc. have visited the area. Their recommendations are pending and they are going to be finalised very shortly.

SHRI SUBODH HANSDA: As the hon. Minister has stated, river erosion may be the responsibility of the State Government. But in the case of sea erosion, when the West Bengal Government have asked for certain help to protect the boundaries from sea erosion, is it not the responsibility of the Central Government to look after these things and send experts to examine these things?

SHRI B. N. KUREEL: As I have stated already, the Central Government have responded to their request and a board which has been constituted, is to visit the spot by the end of this month, and they will sit there and formulate the schemes.

SHRI SAMAR GUHA: I have a similar question, namely Q. 408 which relates to exactly the same subject.

AN HON. MEMBER: The hon. Member is too late

SHRI H. N. MUKHERJEE: May I know whether Government are aware that to solve the sea and river erosion problem in West Bengal and contiguous areas, it is essential to have serious hydrological investigations in the continental shelf of the Bay of Bengal? May I know whether any steps have been taken by Government in this regard up to date and if not, why not?

SHRI B. N. KUREEL: The survey has been made already. The hydrological engineering experts and the IIT people have surveyed the area.

SHRI JAGANNATH RAO: Erosion as a result of floods and tidal waves is a recurring phenomenon in our country. Has the Government of India constituted any fund to come to the rescue of the affected States to take measures for prevention of erosion?

SHRI B. N. KUREEL: I have already stated that these works are included in the flood control sector which are the responsibility of the State Government. The Central Government also consider giving assistance to them when the State Governments submit specific reports and say that they are in a tight position regarding funds and that they want some assistance from us; that is being considered.

SHRI DINEN BHATTACHARYYA: May I know whether it is a fact that

because of erosion and silting and due to bad planning the lower Damodar portion, especially two districts of Howrah and Hooghly, are devastated every year or every alternate year and there is havoc of the flood? Flood control is part of the DVC

Due to bad scheming and bad implementation of the scheme every year people have to suffer. Have the Government any concrete plan for the development of this area, for checking of erosion and silting in the lower Damodar river so that there will not be flood every year in that area?

SHRI B. N. KUREEL: Some of the schemes had been taken and the Central Government have allotted Rs 11 crores for these priority works to minimise floods. That has to be spent in the remaining years of the Fourth Plan.

Nation-Wide Drive to Check Theft and Pilferage

*402. **SHRI RAJDEO SINGH:** Will the Minister of RAILWAYS be pleased to state:

(a) whether with the co-operation of the State Government and recognised trade unions a nation-wide drive was launched in January this year to check thefts and pilferages on Indian Railways;

(b) if so, the results achieved; and

(c) whether with the introduction of RPF the thefts and pilferages have increased or decreased?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI) (a) and (b). Yes Sir. Two types of Joint Committee viz. State level Committee and Basic Unit Level Committee were set up during January 72 on each Railway to eliminate the thefts and Pilferages. As the Committees have been functioning only for a few months it is too early to assess the results. However greater consciousness has been created amongst Railwaymen to-

wards reduction of compensation claims and more co-operation is forthcoming from the State Government Authorities.

(c) With the considerable increase in traffic, there is an increase in thefts and pilferages on Railways. The Railway Protection Force has been trying its best to protect and safeguard the railway property and fulfil the other duties assigned to it. The presence of the force has a great preventive effect. Steps are also afoot to reorganise this force to make it a better instrument to reduce thefts and pilferages on the Indian Railways.

SHRI RAJDEO SINGH: The answer to part (c) of the question is not very clear. The RPF is some years old now and the Government must have made some assessment of its performance. In this context, I want to know clearly whether with the introduction of the RPF, and its cost to the Government, thefts and pilferages had proportionately decreased or not?

SHRI T. A. PAI: The RPF was first of all appointed as watch and ward staff of the railways, looking after the properties and only when the proportion of goods that were transported by the railway system increased, they were given certain police status in order to protect this property. Even now you cannot say that they have all the powers to deal with the situation as effectively as we wish. Nevertheless considering that we are transporting about Rs. 8500 crores worth of goods every year, apart from our own assets of Rs. 8,000 crores which are being looked after by the RPF, the losses due to thefts which amount to about Rs. 9 crores cannot be considered to be very much, though one would like to avoid them.

श्री अचल सिंह : क्या मंत्री महोदय को मालूम है कि कुछ वरस पहले केवल तीन करोड़ रुपये का माल चोर होता था और आज दस बारह करोड़ का माल चोरी हो

रहा है ? यदि हां, तो मैं जानना चाहता हूँ कि आप कौन से प्रयास कर रहे हैं ताकि ये चोरियाँ रुक सकें ?

SHRI T. A. PAI: The theft is in proportion to the value of the goods transported. In 1968-69 the claims were Rs. 7.56 crores, which was an increase of Rs. 1.68 crores over the previous years. But in 1971-72 it was Rs. 9.54 crores which was an increase of only Rs. 40 lakhs over the previous years, while the prices of the commodities have gone up. I do not want to say that thefts are confined only to the railways nor do I want to condemn people unnecessarily. Any crime anywhere, whether in railways or outside, should be prevented and it is our duty to protect the property; we are trying to see that these losses are reduced.

श्री इसहाक सम्भली : आर पी एफ के जिम्मे रेलवे प्रापर्टी की हिफाजत करना है । क्या सरकार को शिकायतें मिली हैं और यहां तक कि आज स्टेट गवर्नमेंट्स ने भी शिकायतें क्या की है कि आर पी एफ को खत्म करके जो आर पी को ही रखा जाए और ऐसा इसलिए भी किया जाए कि आर पी एफ में करप्शन है और रेलवे एम्प्लायीज से लड़ने की शिकायतें बहुत ज्यादा मिली हैं? ये जो सुझाव आए हैं कि आर पी एफ को एबालिश किया जाए और जो आर पी के साथ इस पैरेलल आर्गनाइजेशन को न रखा जाए, इन पर सरकार गौर कर रही है ? आर पी एफ के बारे में जो शिकायतें मिली हैं उनके बारे में सरकार क्या करने जा रही हैं, यह भी मैं जानना चाहता हूँ ।

SHRI T. A. PAI: None of the State Governments have asked to disband the RPF and entrust the entire responsibility to them. On the other hand, we are also paying Rs. 3 crores to the State Governments for carrying on policing activities on behalf of Government Railway Police. I am sure one is not the substitute for the

other. If you say that because of this diarchy there is some confusion, I agree with it and therefore, as I told the House, I would like to build up a task force out of these men so that we may take up this question with the State Governments to make this force really effective and we may entrust more responsibilities to them than depending on the Government Railway Police.

श्री रामसिंह भाई बर्मा : छोटे सवाल के उत्तर तो लम्बे चौड़े दिये जाते हैं लेकिन असली जवाब नहीं मिलता है। मैं जानना चाहता हूँ कि रेलवे की जो चोरियां होती हैं वे बाहर के लोगों द्वारा की जाती हैं या सुरक्षा दल द्वारा भी की जाती हैं ?

SHRI T. A. PAI: I am happy this question has been asked. In 1971 (Jan. to Oct.) outsiders were 14,411 out of 15,862, Railway employees were 1272 and RPF staff 179. In 1972, during the same period out of 17,811 people, 16,098 were outsiders; 1522 were railway employees and RPF staff were 191.

MR. SPEAKER: Next question.

SHRI JYOTIRMOY BOSU: May I ask one direct supplementary just lasting 20 seconds?

MR. SPEAKER: No. Don't try to argue like this as if you are selling some goods.

Closure of Nangal Fertilizer Factory Demanded by Punjab Government

*404. **SHRI RAMKANWAR:** Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether Punjab Government have recently demanded immediate closure of the Nangal Fertilizer Factory in order to ease the present power crisis in the State; and

(b) if so, the reaction of Government thereto?

THE MINISTER OF LAW AND JUSTICE, AND PETROLEUM AND CHEMICALS (SHRI H. R. GOKHALE):

(a) The Punjab Government have approached Central Government with a request for further reduction in power supply to the Nangal factory which at present is receiving supply at 98 MW.

(b) The matter is under consideration.

श्री रामकंवर : मैं मंत्री महोदय से जानना चाहता हूँ कि पंजाब सरकार ने केन्द्रीय सरकार से नंगल उर्वरक कारखाने को बन्द करने की मांग की है तो यह कमी कितने दिन से चल रही है और कितनी और बिजली देने से वहाँ की मांगें पूरी हो जायगी और वह पूरा करने में सरकार कितनी देर और लगाएगी ?

SHRI H. R. GOKHALE: The shortage has unfortunately been there for a considerable time, because the supply of electricity is not available to the extent to which the Nangal project was entitled under the contractual arrangements, which was 164 MW. But this is a matter of priority. There is demand for power for irrigation also. There are other reasons like the going down of the lake level for shortage of power. While we certainly do not like that any shortage should be there, unfortunately we have to put up with this position that we carry on with 98 MW only as against 164 MW, which is the contractual supply we are entitled to. We are helpless in this matter.

श्रीमती सावित्री श्याम : इस प्रश्न के उत्तर का संबंध पेट्रोलियम और केमिकल्स मिनिस्टर से ही केवल नहीं है, इस का संबंध इरिगेशन और पावर मिनिस्टर हरयाणा प्रदेश और पंजाब प्रदेश तथा केन्द्र के जो इस के मंत्री हैं उन में हैं क्योंकि जैसा कि मंत्री जी ने बताया कि भाखरा डैम में पानी नहीं

है और उस की कैपेसिटी केवल 40 प्रतिशत यूज में आ रही है, पांच चक्कियों में केवल तीन चक्कियां चल रही हैं तो मैं यह पूछना चाहती हूँ कि क्या उन्होंने हरयाना और पंजाब के इरीगेशन और पावर के मंत्रियों से और केन्द्र के इरीगेशन और पावर मंत्री से बाचचीत की है ? जो एक नेशनल लेवेल पर कान्फरेंस हुई थी इन मंत्रियों को क्या उन्होंने यह निश्चित किया है कि भाखरा डैम के अन्दर व्यास नदी का पानी डाइवर्ट कर के लाया जाय और उस डैम की कैपेसिटी को बढ़ाया जाय, क्या इस प्रकार का कोई डेसीशन सरकार ने लिया है केन्द्र और प्रदेश की सरकारों ने मिल कर ?

अध्यक्ष महोदय : यह तो पेट्रोलियम और कैमिकल्स की मिनिस्ट्री की तरफ से जवाब आ रहा है ।

श्रीमती सावित्री श्याम : प्रश्न तो बिलकुल साफ है...

अध्यक्ष महोदय : प्रश्न तो बिलकुल साफ है, मिनिस्ट्र गलत है । मिनिस्ट्री जो रिप्लाइ कर रही है वह पेट्रोलियम और कैमिकल्स की है, फर्टिलाइजर्स की है ।

श्रीमती सावित्री श्याम : दिम इज राइट सर । लेकिन मंत्री महोदय को कुछ जानकारी अवश्य होनी चाहिए जब कि वह पावर के प्रश्न का उत्तर दे रहे हैं... (व्यवधान)... इन को कुछ जानकारी है या नहीं हाउ टु इन्क्वीज दि कैपेसिटी आफ भाखरा डैम ?

अध्यक्ष महोदय : जानकारी तो कुरील साहब से पूछिए ।

श्रीमती सावित्री श्याम : अध्यक्ष महोदय, जानकारी तो मिल सकती है, कबिनेट रैंक के मंत्री हैं, बता सकते हैं ।

अध्यक्ष महोदय : जिस दिन मैं नहीं बैठा हूंगा, आप पूछ लेना ।

SHRI RAGHUNANDAN LAL BHATIA: Since it is not possible to close the Nangal factory, may I know if it is possible to reduce it further so that the 40 per cent cut placed on the industry in Punjab may be relaxed to some extent?

SHRI H. R. GOKHALE: It is not Possible at all to go down below 98. They have been insisting that we should go down to 60 or 61MW, but it is not only a question of reduction in fertiliser production which is vital, but it is also a question of serious damage to the plant if it goes down below 98 MW.

Recognition of Union of Workers in Chittaranjan Locomotive Workshop

*407. **SHRI S. M. BANERJEE:** Will the Minister of RAILWAYS be pleased to state:

(a) whether the Union representing majority of the workers in Chittaranjan Locomotive Workshop has now been recognised; and

(b) if so, what are the specific reasons for not recognising the Union?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) and (b). Recognition has not been granted to any Union representing the workers in Chittaranjan Locomotive Works. Government have in exercise of their discretion, considered it unnecessary to grant recognition to any Union in any of the Production Units including Chittaranjan Locomotive Works. Negotiating facilities have, however been provided to the staff through the Staff Councils consisting of directly elected representatives of staff.

SHRI S. M. BANERJEE: I would like to know from the hon. Minister, when a particular union represents a majority of workers and it is registered and it fulfils all conditions of recognition, why a decision has been taken not to recognise any union in Chittaranjan Locomotive Workshop

when there are two federations which are already recognised.

SHRI T. A. PAI: In any of the manufacturing units, even the major unions of the Railways have not been recognised. The practice has continued that the interests of employees have been looked after by Staff Councils elected by the employees themselves. Unless the employees now demand scrapping of the Staff Councils and want me to introduce regular trade unions, I cannot myself be thinking of this problem as to how to go about it.

SHRI S. M. BANERJEE: I would like to know from the hon. Minister whether he is aware that in spite of the fact that Joint Consultative Machinery exists at various levels, at the national level, at the departmental level and at the lowest level, consisting of all the Central Government employees, including railwaymen, why there is a deviation in this particular case. Is it a policy of the Home Ministry not to grant recognition or is it a policy of the Railway Board.

SHRI T. A. PAI: In 1966, when the Joint Consultative Machinery scheme was introduced, the Ministry of Home Affairs had abolished the Councils in other organisations. But I find that in the Railways alone these have continued up-to-date. The question of scrapping them has not arisen so far.

SHRI S. M. BANERJEE: There are special rules for recognition. Even in Defence establishments, there are unions which are recognised. It cannot be more strategic than a Defence establishment. Since many labour unions which represent the majority of workers have been clamouring for recognition, I want to know the reason why they have not been recognised. Is there any Home Ministry's instruction that exists in this case?

SHRI T. A. PAI: So far as the Railways are concerned, we are interested in getting the production ensured. We are not interested whether the employees should be represented through their unions or through their Staff Councils, whatever it is. The form is not very important from our point of view. But so far these Councils have continued here and we are now wanting to know why we should not permit unions to enter Workshops also and, instead of Councils, unions take steps to represent their grievances with the management. I have no objection to consider that.

SHRI H. N. MUKHERJEE: In view of the fact that except in extraordinary emergency conditions, the right of the citizens to organise themselves in the form of trade union cannot be impinged upon, may I know how is it that these workers in Chittaranjan Locomotive Workshop are singled out for a treatment as second-class citizens, so to speak, without access to their fundamental rights? They have been agitating for nearly 20 years now for recognition of their union. How can a law of the land be subverted when there is no Emergency? Let them declare Emergency in Chittaranjan Locomotive Workshop and in similar other organisations. Why should the Railways take away the rights of the citizens?

SHRI T. A. PAI: We have not taken away the rights of citizens. In all the Councils, the members are elected by the workers themselves. Now, when I talk of major unions, I have been told that they do not represent the labour because they are not elected properly and the Labour Ministry's verification is not accepted. But wherever they are elected regularly, I am told that this is not proper. I think, we cannot adjust the situation to suit the convenience of anyone. If the workers in a particular unit want me to have a different set of union or a different set of organisation, I do not mind. What I want is that their

interest should be completely protected more than anything else.

SHRI RAJA KULKARNI: Is it the view of the Railway Ministry that Staff Councils are a substitute for trade union and the functions of trade union stand transferred to Staff Councils?

SHRI T. A. PAI: I do not hold any views on this. I only say that the Staff Councils have been doing what the Unions want to do for their employees.

PROF. MADHU DANDAVATE: Some time back, the hon. Minister said that they were concerned with the production aspect only. I would like to know whether it is the thinking of the Government that they are concerned only with the production aspect and not with the social justice aspect. If the social justice aspect is to be respected, is it not necessary that a proper trade union, fighting for social justice, should be recognised?

SHRI T. A. PAI: This country is as much concerned with production as social justice, and social justice is no substitute for production. I would like to have both.

श्री राम सिंह भाई वर्मा : क्या मंत्री महोदय यह बतलाने का कष्ट करेंगे कि क्या चित्तारंजन में कोई रजिस्टर्ड ट्रेड यूनियन है ? अगर है तो वह मान्यता की शर्तों को पूरी करती है या नहीं और अगर करती है तो उस को मान्यता क्यों नहीं दी जाती ?

SHRI T. A. PAI: There are four trade unions registered in Chittaranjan; the CLW Labour Union with 4,000 members; its political affiliation is with CPM; CLW Railway-men's Union, 2200 members affiliated to AIRF; the Chittaranjan Railway-men Congress, 1200, affiliated to NFIR; Chittaranjan Rail Karmachari Sangh, 300, affiliated to Jan Sangh. According to the rules of recognition, the first two Unions

are qualifying for recognition if they are to be given recognition.

SHRI DINEN BHATTACHARYYA: May I draw your attention to the reply of the hon. Minister which is absolutely not true...

MR. SPEAKER: Please ask your question; no argument.

SHRI DINEN BHATTACHARYYA: He has made a statement. He has given the figure of the membership of the Union; 4,000 is the membership of this particular Union which has been asking the Government for long, for 14 years, for recognition. They have fulfilled all the conditions...

MR. SPEAKER: Ask your question.

SHRI DINEN BHATTACHARYYA: I seek your protection, Sir. He has made a statement that this Union does not hold elections for office-bearers which is absolutely not true. The Minister does not know. They have fulfilled all the conditions, but they have not been recognised. (*Interruption*). I want a categorical answer to this, why they are not recognising a particular Union which has a membership of more than 4,000 and which has fulfilled all the conditions.

SHRI T. A. PAI: I am sorry, the hon. Member is making an accusation that I have made a false statement. The whole difficulty about the Unions' recognition to political parties is. . . (*Interruption*).

SHRI DINEN BHATTACHARYYA: No union is affiliated to any political party...

MR. SPEAKER: If you go on interrupting like this, nothing will be recorded. The Minister is on his legs.

SHRI DINEN BHATTACHARYYA: The Minister is new; he does not know. No union is affiliated to any political party.

MR. SPEAKER: If his statement is not correct, there is a procedure for that. Do you think that, by shouting, you can cow down anybody?

SHRI T. A. PAI: The hon. Member seems to know more about the Union than the Railway Ministry itself.

SHRI DINEN BHATTACHARYYA: Yes

SHRI T. A. PAI: He should have given me the correct information if my information was not correct. What is it that I have said? I have said that this Union is supposed to represent the largest number of employees. Whether it represents 4,000 people or 4001 would not make any difference. I have also said that in spite of the fact that this represents the largest number of members, we have not recognised it. That is the question Mr. Banerjee has put to me. I could not understand the reason why the hon. Member should get so much excited about . . . (Interruptions)

MR. SPEAKER: I am not going to allow any arguments.

SHRI DINEN BHATTACHARYYA: Let it go on record that the Minister says that the conditions have not been fulfilled. The statement that one of the conditions, that they should hold elections has not been met with—that is a wrong statement.

SHRI SAMAR MUKHERJEE: It is very important. Please allow me to put one supplementary because I made a representation for Chittaranjan workers.

PROF. MADHU DANDAVATE: No union is affiliated to any political Party. He is new to politics. . . . (Interruptions)

MR. SPEAKER: You wanted the information and he has given the information, right or wrong. . . . (Interruptions)

PROF. MADHU DANDAVATE: Actually, it is a wrong statement.

SHRI SAMAR MUKHERJEE: Please allow me one supplementary. (Interruptions)

MR. SPEAKER: Why should we have disorder in the House? There is a procedure for it. If the Minister has made a wrong statement, you can come under Rule 115, but that cannot be substituted like this. . . . (Interruptions) There is a procedure for it.

SHRI S. M. BANERJEE: We are not making an accusation.

MR. SPEAKER: Two or three Professors on one side and only one Speaker on this side—it is really difficult.

SHRI SAMAR MUKHERJEE: I ask through you from the Minister because I made the first representation regarding Chittaranjan Union to the Minister when he took charge. The same question which was raised here to-day I raised before him on the very first day and it is he who asked the Railway Board Chairman as to why this Union was not getting recognition and he said that recognition depends not upon the authorities but upon the workers. It is not a fact that I asked the Minister whether it is because of the opposition of the bureaucracy and the Railway Board that this Union is not given recognition and are you prepared to change the old policy which you yourself expressed that it is not democratic and fair?

SHRI T. A. PAI: So many things are being put into my mouth. The hon. Member came to me to represent that some people working in Chittaranjan had been transferred wrongly and that I must look into their case and of course, he was urging on their behalf. I said that I would certainly look into it and see what I can do. The question of recognition of a particular unit did not arise because we have three industrial units where this

system of no recognition is continuing. I said I will look into it and if there is a better alternative, I am prepared to consider it.

MR. SPEAKER: Can I give you one

SHRI SAMAR MUKHERJEE: Can you ask Mr. Baliga why this Union was not recognised? I expect an answer from him. I asked the same point which he raised here from the Chairman of the Railway Board as to why this Union was not getting recognition. The Chairman has explained, 'We do not give recognition'. Please be truthful.

MR. SPEAKER: My advice is: the shorter and the briefer the question and the more precise the reply is, it will be much easier for the Minister. And also try to be tactful sometimes.

SHRI SAMAR GUHA: May I know from the hon. Minister whether it is within his knowledge that no trade union either in the public sector or in the private sector is affiliated in the name of any political party? If so, I want to know whether any exception has been made in Chittaranjan? Can he tell me whether any trade union had been registered in the name of any political party in Chittaranjan?

SHRI A. K. M. ISHAQUE: He is not clear in his mind what his question

SHRI T. A. PAI: It was the CLW Labour Union. Its problems were brought to my notice by the CPI (M) Members.

SHRI SAMAR GUHA: I concede that the hon. Minister is a new person and he will take time to prepare the reply.

MR. SPEAKER: I had called you for the next question. You have availed of this opportunity to ask a

supplementary question. I have called you for the next question.

SHRI S. M. BANERJEE: We have been championing for various recognitions, like for example, the admission of China in the United Nations. Here they don't even recognise this union.

MR. SPEAKER: Next question.

Sea erosion threat to Digha Tourist Centre, West Bengal

*406. SHRI SAMAR GUHA: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether the Health and Tourist Centre of Digha in West Bengal is under serious threat of erosion by the sea;

(b) whether the bathing that, a part of the market and some restaurants have already been washed away and whether the Government Tourist Lodge named 'Saikatabas' is now only 10/12 ft. from the sea;

(c) if so, whether Government propose to send immediately a team of experts to devise ways and means to save Digha sea resort; and

(d) the other steps taken or proposed to be taken to save the place?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) to (d). A statement is laid on the Table of the House.

STATEMENT SEA EROSION THREAT TO DIGHA TOURIST CENTRE, WEST BENGAL

(a) and (b). The West Bengal Government have reported that the sea beach at Digha has been subjected to sea erosion during the last few years. It has been observed that the level of the beach has been lowering steadily and consequently the sea is

gradually advancing towards the land and the width of the beach is getting reduced. Very little of the beach is left near Digha market and the high tide level touches the market. Tourist resort 'Saikatabas' at Digha is still at some distance away from the shore and there is no immediate threat to it.

(c) and (d). The West Bengal Government have stated that they have prepared an estimate for checking erosion over a length of 750 Metres of the beach and are also preparing a scheme for the protection of the area in front of the tourist resort. The Members of the Beach Erosion Board, constituted by the Government of India, have proposed to visit the area to examine and suggest suitable measures to combat the problem at Digha, during the next meeting of the Beach Erosion Board scheduled to be held in West Bengal in the last week of December, 1972.

SHRI SAMAR GUHA: Why cannot he read it?

MR. SPEAKER: It is laid on the Table. It is for you to read that.

SHRI SAMAR GUHA: I asked for the benefit of the House. Sir, Warren Hastings called Digha as the Brighton of Bengal. The Digha sea resort is always visited by tourists throughout the year. There is an article published in Statesman with a heading 'Can Digha be saved?' 'Twin threat of erosion and indifference'. Now, Sir, there is continuous erosion and there is indifferent attitude on the part of the Government. What measures are the Government going to take for the investigation of the causes of the sea erosion in regard to Digha? About Saikatabas, what steps are the Government going to take to save Saikatabas which is only 10 to 12 feet from sea now? What are the immediate steps that they are going to take and what are the permanent measures that they are going to take for saving

Digha from erosion of the sea? These are my questions.

SHRI B. N. KUREEL: The West Bengal Government took up the scheme for the development of Digha in 1961. Since then the problem of Digha has been receiving their attention. Investigations and technological surveys have been carried out by the Irrigation Department. Studies have been conducted by the I.I.T., and the Chief Hydrological Engineer of the Calcutta Port Commission, and protection measures have already been taken up, to check erosion. These include the raising up of the slopes of sea beach by sand-trapping and salbulla piling but these have been mostly of an experimental nature and have not proved effective. Casurina trees were also planted to prevent the sand from the beach from rolling away but due to erosion the trees have been washed away. But some measures have been suggested by the State Government and one board has been set up and they have their programme to visit this place towards the end of December, 1972. They will study and make some schemes for the protection of this area.

SHRI SAMAR GUHA: There is a Central Beach Erosion Board. At the moment, there are two causes attributed for the erosion of the Digha beach....

MR. SPEAKER: The hon. Minister may get the information from the hon. Member.

SHRI SAMAR GUHA: The first is the subsidence of the beach itself. I want to know whether the Central Beach Erosion Board have visited any other parts of the country, and if so, the outcome of their study which they can apply here?

SHRI B. N. KUREEL: They visited the Kerala State some time back and they have suggested some programme for anti-erosion work.

SHRI SAMAR GUHA: What is the programme suggested?

SHRI B. N. KUREEL: They are going to visit Digha beach also.

SHRI SAMAR GUHA: It is a problem for not only West Bengal but the whole of eastern India. The low income people rush there. So, I would like to know categorically the measures suggested by them.

He did not reply to any question. I want to know from him...

MR. SPEAKER: Let the hon. Member first address me. What is his categorical question. I have not been able to follow his question.

SHRI SAMAR GUHA: They have constituted a Central Beach Erosion Board. I would like to know whether they have tackled such problems in other parts of the country, and if so, what their findings are and how they have approached the problem of the Digha beach.

MR. SPEAKER: That is what he has replied to.

SHRI SAMAR GUHA: He has not replied to that. He only said that there were some suggestions.

MR. SPEAKER: Will the hon. Minister please repeat his replies. It is always a headache for me.

SHRI B. N. KUREAL: I have already stated that studies have been made by the IIT and a hydrological engineer of the Calcutta Port Commissioners. But this board is to visit the Digha beach to formulate a scheme for protection work.

SHRI SAMAR GUHA: But the Central Beach Erosion Board.

MR. SPEAKER: Let him kindly sit down now.

May I bring it to the notice of the House that the speed is so slow that I have just to grapple with the Mem-

bers to go ahead? We have been able to do more than five questions. Every day, the other Members keep on waiting, and they write to me and ask why their questions are not coming up. I would request the hon. Members and also the hon. Ministers to be brief in their questions and answers.

SHRI SAMAR GUHA: The hon. Minister has not replied in regard to the Central Beach Erosion Board. He was only referring to the IIT. What does he mean by this? Would you not protect my right while the Ministers go astray? He has not replied to my question. Is it not my right to seek your protection?

MR. SPEAKER: The hon. Minister had referred to visits to other parts of the country. Let him come out with a very brief reply.

SHRI B. N. KUREAL: They have simply visited Kerala and they have formulated some scheme for that place. But that is something else, and this is something else. So, they have first to go and see this place and then they will suggest the measures to be taken.

Meeting of Chief Ministers of States in New Delhi to review power and Irrigation Crisis

***409. SHRI P. GANGADEB:**

SHRI P. M. MEHTA:

Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether Chief Ministers of States met in New Delhi on the 18th October, 1972 to review the power and irrigation crisis in the country;

(b) if so, what decisions were taken at the meeting; and

(c) the broad outlines on the suggestions put forward by different Chief Ministers?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) to (c). A statement is laid on the Table of the House.

STATEMENT.

Meeting of Chief Ministers of States in New Delhi to review power and irrigation crisis.

(a) Yes, Sir. A meeting of the Chief Ministers of Northern Region was held at New Delhi on the 18th October, 1972 to review the power supply in the Northern Region. The Chief Minister of Uttar Pradesh, Haryana and Rajasthan were present. Punjab, Jammu and Kashmir and Himachal Pradesh were represented by their Power Ministers.

(b) and (c). The suggestions made and recommendations thereon are summarised below:—

- (i) Surplus power from Satpura and Bassi should go to Punjab and surplus from Delhi should go to Haryana.
- (ii) Every assistance should be given to the early commissioning of thermal stations at Badarpur, Obra and Bhatinda. The construction work on these should be expedited by working three-shifts.
- (iii) Work on the hydro stations under construction at Yamuna Stage II, Rambanga (1st Unit), Jawaharsagar (2nd and 3rd Unit), Upper Sindh and Chenani should be expedited to commission an aggregate capacity of 660 MW by June 1974.
- (iv) Rajasthan's deficit arising out of reduced generation at Chambal from January 1973 should be made up from Rajasthan Atomic Power Project. The surplus should be fed into the Grid.
- (v) The thermal and hydro stations at Faribad (Extension), Beas Unit

I, Ramganga, Harduaganj Extension, Panki Extension, Giribata, Rajasthan Atomic Power Project and Bira Siul spilling over to Fifth Plan should be expedited so that the benefits may come in the first year of the Fifth Plan.

- (iv) Purchase of captive units by private industries either from indigenous suppliers or from import should be considered.
- (vii) Gas turbine units at Kota should be repaired urgently.
- (viii) Important inter-State lines should be expedited.
- (ix) New Thermal and Hydro projects aggregating to 3810 MW should be commissioned in the Fifth Plan.

SHRI P. GANGADEB: I would like to know from the hon. Minister whether the States have agreed to implement the programmes that are necessary for earlier establishment of the inter-State grid systems, and if so, what assistance both financial and otherwise, will be given to these States to implement the rural electrification programme?

SHRI B. N. KUREEL: Rural electrification work is going on very rapidly. In addition to the normal work, the rural Electrification Corporation have also sanctioned some amount to the States. They have so far sanctioned 329 schemes and accelerated work in the rural areas electrifying villages and giving electricity to pumps for irrigation purposes... (Interruptions).

SHRI P. GANGADEB: May I further ask whether States which have surplus hydel power are finding it difficult to make it available to the deficit states and if so, what is the action going to be taken by the Government?

SHRI B. N. KUREEL: The Central Government is taking action in order to supply electricity from surplus States to deficit States and for that we are having programmes to accelerate transmission works. We have 220 KV lines; we are thinking of having stronger lines also, 400 KV. This is our programme to connect the States to supply electricity from surplus States to deficit States.

श्री अटल बिहारी वाजपेयी : अध्यक्ष जी, क्या यह सच है कि उत्तर प्रदेश में जो बिजली संकट पैदा हुआ है, उसका कारण ग्रहण बांध में पानी कम हो जाना नहीं है, एलेक्ट्रिसिटी बोर्ड का प्रबंध है क्योंकि आंकड़े बताते हैं कि जितना पानी उसमें आज है उतना कई साल पहले भी रहा है फिर भी इतनी कम बिजली कभी पैदा नहीं हुई ? क्या यह सच है कि क्षमता से अधिक कनेक्शन दे दिए गए हैं जिसके लिए एलेक्ट्रिसिटी बोर्ड जिम्मेदार है ?

श्री बंजनाथ कुरील : अध्यक्ष महोदय, हममें शक नहीं है कि उत्तर प्रदेश में बिजली का संकट है जिसका एक कारण ग्रहण बांध भी है लेकिन अकेला ग्रहण बांध नहीं है । वहां पर जा क्षमता है बिजली की, जो इन्स्टाल्ड कैपेसिटी है वह भी कुछ कम है । सबसे बड़ी बात यह है कि जो बिजली का उत्पादन है वह भी मशीनों से कम आया है इस साल और उसकी देख-भाल की जा रही है । प्रबंध के बारे में मैं नहीं कह सकता लेकिन यह अवश्य है कि जितनी बिजली पैदा होनी चाहिए, जो इन्स्टाल्ड कैपेसिटी है उससे कम हुई है और इसके अलावा जो वहां पर ट्रांसमिशन लाइन्स हैं उनमें लॉसेज भी आता है । इसके अतिरिक्त सबसे बड़ा रीजन यह है कि डिमाण्ड बहुत हो गई है । वैसे यह खुशी की बात है कि एग्रीकल्चर माइंड में इतनी जबर्दस्त मांग है, जितनी उम्मीद की जा रही थी उससे कई गुना मांग हो गई है लोगों का । तो यह भी उसका एक कारण है ।

श्री अटल बिहारी वाजपेयी : कनेक्शन दिए क्यों ?

श्री गोबिन्द दास रिछारिया : मैं जानना चाहता हूं कि 18 अक्टूबर को मुख्य मंत्रियों ने जो मुझाव दिए थे उनके लिए क्या प्लानिंग मिनिस्ट्री और फाइनेंस मिनिस्ट्री 1963-74 के बजट में पैसे की व्यवस्था करने के लिए तैयार हो गई है ? यदि नहीं तो उनके लिए कहां से पैसा देना चाहते हैं ?

हमारे—जो मुझाव बिजली संकट के लिए मुख्य मंत्री सम्मेलन ने दिए हैं क्या भारत सरकार उच्च स्तर पर उनका मुकाबला करने के लिए तैयार है या नहीं ? भारत सरकार उनके लिए व्यवस्था करने के लिए करने के लिए तैयार है या नहीं ?

श्री बंजनाथ कुरील : अध्यक्ष महोदय, जो मुझाव चीफ मिनिस्टर्स ने दिए थे 18 अक्टूबर की मीटिंग में वह सब ऐसे हैं जिनमें अलग से पैसे की व्यवस्था करने का मुकाला नहीं है । वह तो स्कीम में, योजनाओं में सम्मिलित हैं जो योजनाएं बन रही हैं । उसमें से कुछ तो काम ऐसे हैं जो कंटीन्यूइंग स्कीम है और कुछ नयी योजनाओं के लिए है जो पांचवी पंचवर्षीय योजना के अन्तर्गत लीजायेगी और उनके लिए आंकड़े अभी तैयार हो रहे हैं । वह इसमें अभी नहीं आये हैं ।

SHRI P. K. DEB: The question relates to the meeting of the Chief Ministers regarding the power crisis in the country. We all know that the country is passing through a power crisis. It is because of the inter-State disputes that many of the lucrative hydel projects are being kept in abeyance, and we do not know how long it will take to settle these disputes. Some of the examples are the Krishan-Godavari and Narmada disputes. In view of this fact, may I know whether the Government of India are using their good offices with the Chief

Ministers of Madhya Pradesh, Maharashtra, Andhra Pradesh, Mysore and Orissa to settle inter-State disputes so that the Central Water and Power Commission can give clearance to the various projects which are under study?

SHRI B. N. KUREEL: Efforts are being made already to settle these inter-State river disputes. Some of the disputes have already been settled and some are expected to be settled shortly. Some, of course, will take time. So, we are making efforts to minimise delay in settling these disputes.

SHRI P. K. DEO: No reply has been given about the Krishna-Godavari basin dispute.

SHRI B. N. KUREEL: When it is the term of reference of a commission, how can I say how much time it will take?

Demands of Casual Labourers Engaged on Kathua-Jammu Rail Link

*410. PROF. NARAIN CHAND PARASHAR: Will the Minister of RAILWAYS be pleased to state:

(a) whether five thousand casual labourers working on the Kathua-Jammu Rail link have presented a charter of demands to the authorities of the Northern Railway;

(b) if so, the gist of the demands;

(c) whether they have been accepted by the Railway Authorities; and

(d) if not, the date by which a decision would be taken on these demands?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) and (b). On behalf of the Casual Labourers working on Kathua-Jammu Rail Link pro-

ject, a charter of demands was presented to General Manager, Northern Railway recently. The demands relate to payment of wages at higher rates, absorption against regular posts, payment of wages on regular scales to Store issuers, recovery of rent of Railway quarters at uniform rates as for regular staff and absorption of one injured casual labourer against a regular post.

(c) and (d). The last two demands have already been fully met. Their first demand is under consideration and steps have been taken to come to an early decision. Casual labourers are engaged on works of seasonal intermittent or sporadic nature for short durations and their retrenchment is a continuous process. However all casual labourers who have completed 6 months service on project or non-project works are considered for appointment against regular posts, subject to their suitability being adjudged by screening committees. It is, however, not possible to meet the rest of their demands.

PROF. NARAIN CHAND PARASHAR: May I know the rates of wages paid at present and the rates demanded by the workers? How do they compare with the rates paid to local labour?

SHRI T. A. PAI: The casual labourers are normally entitled to the rates of wages fixed for corresponding categories of labourers by the local authorities. The Kathua-Jammu link passes through Gurdaspur, Kathua and Jammu civil district. The rates of wages payable to these workers should be on par with what are locally applicable.

PROF. NARAIN CHAND PARASHAR: The exact figures have not been given by the hon. Minister. Now

may I know whether the local persons are employed or people are brought from outside?

MR. SPEAKER: He is so near the Minister. He can ask him, because the question hour is over.

WRITTEN ANSWERS TO QUESTIONS

Disruption of I.O.C. Installations at Budge Budge and Paharpur, West Bengal

*403. SHRI INDRAJIT GUPTA: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether he is aware that work at the I.O.C. installations at Budge Budge and Paharpur, West Bengal is being seriously disrupted during the last two months due to rowdy activities of some outsiders;

(b) whether the local I.O.C. management and employees have repeatedly sought, but failed to obtain, necessary protection from the authorities concerned; and

(c) Government's reaction to a continuing situation in which vital oil supplies may get totally disrupted?

THE MINISTER OF LAW AND JUSTICE AND PETROLEUM AND CHEMICALS (SHRI H. R. GOKHALE): (a) On some days work at the I.O.C. installations at Budge Budge and Paharpur, was disrupted during September, October and November 1972, due to interference of some outsiders.

(b) whenever necessary the management of the I.O.C. was able to obtain protection from the West Bengal authorities.

(c) Both the State and the Central Governments are aware of the situa-

tion and are taking necessary steps for improving it.

Reduction in Freight Rates on High Graded Consumer Goods

*405. SHRI C. K. JAFFER SHARIEF: Will the Minister of RAILWAYS be pleased to state:

(a) whether there is any proposal under the consideration of Government to reduce the freight rates of high-graded consumer goods; and

(b) if so, the gist thereof?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) No proposal for a general reduction in the tariff rates for high graded consumer goods is under consideration.

(b) Does not arise.

Tax Appeals in Supreme Court

*406. SHRI G. Y. KRISHNAN: Will the Minister of LAW AND JUSTICE be pleased to state:

(a) the number of Tax Appeals filed in the Supreme Court during 1970-71, State-wise; and

(b) the number thereof which have since been decided by the Supreme Court?

THE MINISTER OF LAW AND JUSTICE, AND PETROLEUM AND CHEMICALS (SHRI H. R. GOKHALE): (a) and (b) A statement giving the information High Court-wise is laid on the Table of the House.

*Statement***NUMBER OF TAX APPEALS FILED IN THE SUPREME COURT IN 1970 AND 1971 AND THE NUMBER THEREOF DISPOSED OF BY THE SUPREME COURT DURING THOSE YEARS, HIGH-COURT-WISE**

Slow Progress of Rural Electrification Schemes in States

*411. SHRI JAGANNATH MISHRA:
Will the Minister of IRRIGATION
AND POWER be pleased to state:

(a) whether the progress of rural electrification programmes in different States has been reported to be at snail's pace; and

(b) if so, the reasons therefor?

THE DEPUTY MINISTER IN THE
MINISTRY OF IRRIGATION AND
2889 LS—2.

POWER (SHRI B. N. KUREEL): (a)
No, Sir.

(b) Does not arise.

बंगला देश को मिट्टी के तेल का निर्यात

*412. श्री बनशाह प्रधान : क्या पेट्रो-
लियम और रसायन मन्त्री यह बताने की कृपा
करेंगे कि :

(क) क्या भारत द्वारा बंगला देश
को मिट्टी के तेल का निर्यात किया जा
रहा है ; और

(ख) यदि हा, तो गत 6 महीनों में बंगला देश को कितना मिट्टी का तेल निर्यात किया गया है और इस व्यापार की क्या शर्तें हैं ?

विधि और न्याय तथा पेट्रोलियम और रसायन मंत्री (श्री एच० आर० गोखले) :

(क) जी हां।

(ख) जून से नवम्बर, 1972 तक 6 मास की अवधि में बंगला देश को 29,321 मीटरी टन मिट्टी का तेल निर्यात किया गया है। इसमें 23,309 मीटरी टन "(हमो-डिटी ग्रांट)" के तेल में निर्यात की गयी मात्रा भी सम्मिलित है। 6,012 मीटरी टन की शेष मात्रा को भारतीय तेल निगम ने सामान्य व्यवसायिक प्रवन्ध के अर्न्तगत निर्यात किया है। निर्यात मूल्य को बढ़ाना भारतीय तेल निगम के व्यवसायिक हित में नहीं है।

New Rail Lines in Kerala during Fifth Plan period

***413. SHRIMATI BHARGAVI THANKAPPAN:** Will the Minister of RAILWAYS be pleased to state:

(a) whether the State of Kerala is not served by the Railways adequately and most of the villages in the State are without Rail Connections;

(b) whether his Ministry is contemplating to have new rail lines in the State of Kerala during the Fifth Five Year Plan; and

(c) if so, the broad outlines of the schemes?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) to (c). As against the all India average of 18.86 Kms. per 1000 Sq. Kms. area, Kerala has 22.90 Kms. In any case Railway development is not envisaged on any

state-wise or region-wise concepts, but on overall considerations in the national interests. Nevertheless, proposals received for new lines from the State Government are given due consideration, and are taken up wherever justified on traffic, financial and economic considerations. Proposals for new lines in the 5th Plan have not been finalised.

Anti-flood Plan for Shahdara

***414. SHRI RAM BHAGAT PASWAN:**
SHRI MADHUKAR:

Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether any anti-flood plan for Shahdara has been drawn; and

(b) if so, the main features thereof and then it is likely to be implemented?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) and (b). The Delhi Administration have formulated Shahdara Drainage scheme at an estimated cost of Rs. 219 lakhs. The Scheme provides for drainage arrangements for benefitting the entire area in the Union territory of Delhi and some areas in Uttar Pradesh on the left bank of the Yamuna. It will benefit 7690 hectares of area in Union territory of Delhi and 6960 hectares of area in Uttar Pradesh. The scheme has been approved by the Planning Commission. The Delhi Administration have taken up works on this scheme.

Inclusion of Waltair and Guntakal Divisions in South Central Railway

***415. SHRI K. KODANDA RAMI REDDY:** Will the Minister of RAILWAYS be pleased to state:

(a) whether the Government of Andhra Pradesh had requested the Centre to include Waltair and Guntakal

kal Divisions in the South Central Railway; and

(b) if so, the reaction of Government thereto?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) Yes, Sir.

(b) The proposal was not agreed to on administrative and operational grounds.

Resignations of Technical new attached to F.A.C.T. and Chief of F.A.C.T. Engineering Division

*416 SHRI S. C. BESRA: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether some competent technical men attached to FACT including the Chief of FACT, Engineering Division, have resigned;

(b) whether foreign experts attached with it go about without any work; and

(c) if so, the reasons therefor and the steps proposed to improve the working of the concern?

THE MINISTER OF LAW AND JUSTICE, AND PETROLEUM AND CHEMICALS (SHRI H. R. GOKHALE): (a) No chief of any engineering division of this undertaking has resigned, though four engineers have done so in the current calendar year.

(b) No, Sir.

(c) While two engineers resigned to improve their prospects, others did so for reasons of their own. Such resignations are a common feature of any large organisation of this type and do not call for any special action.

Setting up of a High Power Technical Advisory Committee for Ganga Flood Control Commission

*417. SHRI D. B. CHANDRA GOWDA: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether a high-powered technical advisory Committee to advise the Ganga Flood Commission has been set up by Government; and

(b) if so, the constitution and functions thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) A Technical Advisory Committee has been constituted by the Government of India for assisting the Ganga Flood Control Commission in all technical matters.

(b) The Constitution and Functions of the Committee are laid on the Table of the House.

Statement

SETTING UP OF A HIGH POWER TECHNICAL ADVISORY COMMITTEE FOR GANGA FLOOD CONTROL COMMISSION

CONSTITUTION

Shri N. G. K. Murti, Ex-Chairman & Managing Director, Water & Power Development Consultancy Services (India) Ltd.	Chairman
Chairman, Ganga Flood Control Commission.	Member
Member (F. & S. C.), Central Water and Power Commission OR his representative.	Member
Chief Engineers incharge of flood control in the State of Bihar, Haryana, Madhya Pradesh, Rajasthan, Uttar Pradesh and West Bengal	Member

Director (Civil Engineering)
Railway Board or his representative.

Member

Director General,
India Meteorological Department, New Delhi, OR his representative

Member

Director General,
Geological Survey of India,
Calcutta or his representative.

Member

Additional Director General (Bridges),
Ministry of Transport or his nominee

Member

Chief Engineer, Inland Water Transport,
Ministry of Transport, New Delhi or his nominee.

Member

Joint Commissioner (S. C.),
Ministry of Agriculture, New Delhi.

Member

Member (Planning & Design),
Ganga Flood Control Commission.

Member-Secretary

FUNCTIONS

(i) To advise the Ganga Flood Control Commission in the formulation of the comprehensive plan and in drawing out the priorities of works;

(ii) To examine the schemes pro-

चोरो, उठाईगीरी और रास्ते में माल की क्षति सम्बन्धी दावों के भुगतान में विलम्ब

418. श्री एस० एम० पुरती : क्या रेल मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या चोरो, उठाईगीरी और रास्ते में माल के गुम हो जाने या उसको क्षति पहुंचने सम्बन्धी दावों के भुगतान में काफी विलम्ब होता है ; और

(ख) यदि हां, तो इसके क्या कारण हैं और इनके शीघ्र निपटान के लिए सरकार क्या कदम उठा रही है ?

रेल मंत्री (श्री टी० ए० पाई) :

(क) और (ख) क्षतिपूर्ति के दावों का निपटारा यथोचित शीघ्रता के साथ किया जाता है। दावों के निपटारे के लिए लिया जाने वाला औसत समय 50 दिन से कम है। जो यातायात लगाने कई रेलों से होकर बुरा किया जाता है और जिसे मार्ग में स्थानान्तरित करना पड़ता है। ऐसे यातायात के सम्बन्ध में उठने वाले मामलों में ब्योरेवार

posed to be put up to the Ganga Flood Control Board for approval; and

(iii) To advise the Ganga Flood Control Commission on specific technical matters referred to the Committee.

जांच की आवश्यकता होती है और इस प्रकार के मामलों में विलम्ब होना अपरिहार्य है। सम्बन्धित दावेदारों द्वारा आवश्यक प्रलेखों को पेश न करने से भी विलम्ब हो जाता है। जिन मामलों में आपराधिक कारण होते हैं उनमें भी विलम्ब होता है और इन मामलों की पुनिस अधिकावियों द्वारा जांच कराना पड़ती है। खाने या क्षतिग्रस्त माल के लिए क्षतिपूर्ति के दावों का अपेक्षाकृत शीघ्र निपटारा सुनिश्चित करने के लिए विभिन्न उपाय किये गये हैं। चूने हुए महत्वपूर्ण स्टेशनों के स्टेशन मास्टरों और दावा निरीक्षकों को कुशलता के अधीन 100 रुपये तक के दावों को तय करने के लिए प्राधिकृत किया गया है। चूने दावा कार्यालय के अधिकारी आग कर्मचारी दावों का घटना स्थल पर ही निपटारा करने के लिए महत्वपूर्ण स्टेशनों पर जाते हैं। अर्न्तरेलवे देयता निश्चित करने के लिए क्षतिपूर्ति के दावों की रकम की सीमा बड़ाकर 2,000 रुपये तक कर दी गई है। क्षतिपूर्ण के जिन दावों के निपटारे के लिए भुगतान में पहले वित्तीय सहमति अपेक्षित होती है, उनकी

रकम 1,000 रुपये से बढ़ाकर 5,000 रु० और इससे अधिक कर दी गई है। मण्डलों में मण्डल वाणिज्यिक अधीक्षकों को यह अधिकार दिया गया है कि स्थानीय यातायात के मुख्यालय स्टेशनों से सम्बन्धित 1000 रुपये तक के क्षतिपूर्ति के दावों का स्वयं निबटारा कर दें।

Expansion of Trombay Fertilizer Plant

*419. SHRI R. R. SINGH DEO: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether Government are planning to expand the Trombay Fertilizer Project;

(b) if so, the main features of the expansion plan; and

(c) the extent to which it will meet country's requirements of fertilizer and the foreign exchange that the country is likely to save consequent upon the expansion of the Trombay Plant?

THE MINISTER OF LAW, JUSTICE, AND PETROLEUM AND CHEMICALS (SHRI H. R. GOKHALE): a) to (c): A plan to expand the Trombay project is under consideration. Different alternatives have been suggested in this connection and these are being appraised. Some discussions have also taken place with the World Bank in connection with the external financing of the scheme.

फिरोजपुर-जालंधर सेक्शन पर खोजेवाला स्टेशन का लूटा जाना

*420 श्री ईश्वर चौधरी : क्या

रेल मन्त्री यह बताने की कृपा करेंगे कि :

(क) क्या कुछ नकाबपोश लुटेरों ने फिरोजपुर-जालंधर सेक्शन पर स्थित खोजेवाला स्टेशन को 12 अक्टूबर, 1972 को लूटा लिया था;

(ख) इस लूट के कारण रेलवे को कितनी हानि हुई ;

(ग) क्या इस सम्बन्ध में कोई गिरफ्तारी की गई है और यदि नहीं , तो इसके क्या कारण हैं ; और

(घ) इस प्रकार की अप्रिय घटनाओं को रोकने के लिए सरकार द्वारा ऐसे छोटे स्टेशनों पर पुलिस नियुक्त न करने के क्या कारण हैं ?

रेल मंत्री (श्री टी० ए० पाई) :

(क) जी हां, घातक हथियारों से युक्त 20 नवयुवकों (सम्भवतः विद्यार्थियों) ने खोजेवाला स्टेशन को घेर लिया, स्टेशन रिकाई। फर्नीचर में आग लगा दी और व्याक उपकरणों। कन्ट्रोल फोन को क्षतिग्रस्त कर दिया।

(ख) लगभग 1770 रुपये।

(ग) तीन व्यक्ति गिरफ्तार किये गये हैं।

(घ) वर्तमान साधनों के अन्तर्गत, भारतीय रेलों के प्रत्येक छोटे स्टेशन पर पुलिस तैनात करना सम्भव नहीं है।

बिना टिकट यात्रा करने वालों (पश्चिम रेलवे) से पर्याप्त जुर्माना वसूल न करने के कारण टी०टी०ई० तथा टिकट कलेक्टरों को दण्ड दिया जाना

3925. श्री हुकम चन्द कछवाय : क्या रेल मन्त्री यह बताने की कृपा करेंगे कि :

(क) क्या पश्चिम रेलवे के प्रत्येक डिब्बीजन में टी० टी० ई० तथा टिकट कलेक्टरों का बिना टिकट और अधिक सामान ले जाने वाले यात्रियों से जुर्माना वसूल करने के सम्बन्ध में कोई कोटा निर्धारित किया गया है ;

(ख) यदि हां, तो उन डिब्बीजनों के नाम क्या हैं जिनके सम्बन्ध में इस प्रकार

कोटा निर्धारित किया गया है और लक्ष्य निर्धारित किया गया है; और

(ग) कितने टो० टो० ई० और टिकट कलेक्टर निर्धारित कोटे के अनुसार कार्य कर रहे हैं और जो टो० टो० ई० और टिकट कलेक्टर निर्धारित कोटे के अनुसार कार्य नहीं करते हैं उन्हें क्या दण्ड दिया जाता है और गन दो वर्षों में इन सम्बन्ध में कितने कर्मचारियों को दण्ड दिया गया है।

रेल मंत्री (श्री टी० ए० पाई): (क) जी हाँ,

(ख) और

(ग) एक विवरण समाप्त हो चुका है। (ग्रन्थालय में रखा गया। देखिये संख्या एल० टी०-3992/72)

Scheme from Madhya Pradesh for controlling flood in the rivers in Madhya Pradesh

3926. SHRI MARTAND SINGH OF REWA: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether any scheme for controlling floods in the rivers in Madhya Pradesh has been submitted by the State Government to Union Government for their final approval; and

(b) if so, the main features thereof and the reaction of the Central Government thereto?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) and (b) No scheme for controlling floods in the rivers in Madhya Pradesh has been received at the Centre from the Madhya Pradesh Government.

Duty List of Maintainers, Assistant Inspectors and Inspectors of Signal and Telecommunication Department, Delhi

3927. SHRI NARENDRA SINGH: Will the Minister of RAILWAYS be pleased to state:

(a) whether as per Chapters XII to XIV of the Indian Railway Signal Engineering Manual, the Duty Lists of various grades of Maintainers, Assistant Inspectors and Inspectors are not distinctly and separately mentioned therein; and

(b) whether the manual is also silent about the working and duties of Tele-Communication staff and if so, the reasons thereof?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) Chapter XIII of the Indian Railways Signal Engineering Manual lays down the duties of the Inspectors and Chapter XIV those of the Maintainers. These duties are applicable to the categories of Inspectors and Maintainers and make no distinction between the various grades of Inspectors or of Maintainers. The duties of Inspectors in the various grades are dependent on the nature and type of equipment to be maintained and cannot be distinctly and separately stipulated in the Manual which only lays down the guidelines for duties generally to be performed by Inspectors including Assistant Inspectors. Similarly whereas the duties of Maintainers have been classified into the main categories of Mechanical and Electrical Maintainers, these have not been distinctly and separately stipulated for individual grades of these two categories.

(b) Broad outline of duties of Telecommunication Inspectors has been given in Chapter XIII of Signal Engineering Manual. More details about Telecommunication organisation, working etc. are being given in the Telecommunication Manual, which is under print and is expected to be issued shortly.

Supply of Rule Books to Maintainers and Assistant Inspectors

3928. SHRI NARENDRA SINGH: Will the Minister of RAILWAYS be pleased to state:

(a) whether the majority of Maintainers and Assistant Inspectors of Delhi and Moradabad Divisions (Northern Railway) have not been supplied with the latest Rule Books like General and Subsidiary Rules, Signal Engineering Manual etc.;

(b) whether insufficient supply of these books does not effect efficiency and safety of Railways; and

(c) if so, the reaction of the administration in this regard?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) Latest Rule Books, Manuals etc. other than those which are not available have been supplied practically to all Assistant Inspectors and a number of Maintainers.

(b) Efficiency and safety of Railways is not affected as instructions regarding the latest rules and regulations contained in Rule Books like General and Subsidiary Rules, Signal Engineering Manual etc. are being disseminated among Maintainers and Assistant Inspectors in the training schools and by issuing circulars on various important aspects from time to time.

(c) Question does not arise.

Expenses charged from staff trainees at Indian Railway School of Signal Engineering and Telecommunication, Secunderabad

3929. SHRI NARENDRA SINGH: Will the Minister of RAILWAYS be pleased to state:

(a) what are the various expenses charged from the staff Trainees at the Indian Railway School of Signal Engineering and Telecommunication, Secunderabad;

(b) whether the rent of the hostel accommodation is charged from the trainees at Signal and Telecommunication Zonal Training School, Podanur, Southern Railway and Indian Railway School of Signal Engineering and Telecommunication, Secunderabad; and

(c) whether there is a proposal to exempt the staff trainees from payment of the charges and if so, a gist thereof?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) Following expenses are charged:—

1. Messing charges are recovered from:

(i) Apprentice Assistant Inspectors @ Rs. 5.50 per day.

(ii) Engineering Graduate Apprentice Inspectors @ Rs. 6.50 per day; and

(iii) Probationary/Initial Temporary Officers @ Rs. 8 per day.

As regards other serving Class III Staff, free messing is provided in lieu of daily allowance.

2. Room rent from Probationary/Initial Temporary Officers only.

(b) Yes, so far as Training School at Podanur Southern Railway, is concerned.

Regarding Indian Railways Institute of Signal Engineering and Telecommunications, Secunderabad, information is given above at Item (2) of the reply at part (a) of the Question.

(c) The question of laying down a uniform procedure on all Railways is under consideration.

Installed generating capacity of Power in Kerala in Fourth Plan

3930. SHRI VAYALAR RAVI: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) the total installed generating capacity of power system in Kerala

expected to be achieved at the end of Fourth Plan and how it compares with actual demand of that State;

(b) whether Government are aware that only half of the potential would be exploited even when all the current hydro-electric schemes are commissioned in that State; and

(c) if so, the steps taken to increase the generating capacity?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) Kerala Power system will have an installed generating capacity of 622 MW by the end of the Fourth Plan against an estimated system peak load of 402 MW only. The installed generating capacity will be sufficient to meet this peak load.

(b) Kerala has a hydro potential of about 1.5 million kw at 60 per cent load factor out of which about 0.9 million kw will be exploited on completion of the schemes sanctioned so far.

(c) The following additional generating schemes, base on Kerala's hydro potential resources are proposed to be taken up for commissioning during Fifth Plan:—

1. Idikki Extension 3x130 390 MW
2. Silent Valley 2x40 80 MW
3. Lower Periyar 2x70 140 MW.

Financial assistance to Power Generating Schemes in States

3931. SHRI VAYALAR RAVI: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether there is any proposal for the creation of a Special Fund at the Centre to finance Power Generation Schemes in States with good hydro-potential; and

(b) if so, the main features thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) and (b) Such a proposal has not been worked out so far.

Vamanapuram Irrigation Project in Kerala

3932. SHRI VAYALAR RAVI: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether Government have taken a final decision regarding the Vamanapuram Irrigation Project in Kerala;

(b) if so, the main features thereof; and

(c) whether Government propose to take up the project for execution in the Fifth Plan?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) The project report and estimates for the Scheme have not as yet been received from the Government of Kerala.

(b) and (c) Do not arise.

Diesel Engines for Madras-Trivandrum Mail Express Trains

3933. SHRI VAYALAR RAVI: Will the Minister of RAILWAYS be pleased to state:

(a) whether there is any proposal to use Diesel Engines in Madras-Trivandrum Mail and Express Trains; and

(b) if so, the gist thereof?

THE MINISTER OF RAILWAYS. (SHRI T. A. PAI): (a) No.

(b) Does not arise.

Innovations to Make the Rail Travel Faster and Better

3934. SHRI K. KODANDA RAMI REDDY: Will the Minister of RAILWAYS be pleased to state:

(a) whether Government are planning to introduce a number of innovations to make the rail travel faster and better; and

(b) if so, the important innovations proposed to be introduced?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) Yes.

(b) The following are some of the salient innovations proposed to be introduced:

(i) Introduction of welded rails and improved track structure with introduction of concrete sleepers and elastic fastenings which contribute to comfort and speed in travel.

(ii) A high-speed coach has been designed to ensure greater passenger comfort and reliability in service at high speed.

(iii) 10 Broad Gauge third-class A.C. 2-tier sleeper coaches with carrying capacity of 48 passengers to sit sleep are planned to be manufactured for use on the A.C. Express (Deluxe trains).

(iv) Extension of improved techniques of signalling such as multiple Aspect Signalling, tokenless block working, Automatic Block Signalling, Automatic Warning system, Route Relay and Panel Interlocking system, etc. for faster travel.

Extension of G. T. Express and Assam Mail upto Pathankot

3935. SHRI NARENDRA SINGH: Will the Minister of RAILWAYS be pleased to state whether Government propose to extend G. T. Express and Assam Mail upto Pathankot to afford facilities for direct journey from South and East to Pathankot and if so, when and if not, the reasons therefor?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): No. Extension of 15/16 G. T. Expresses and 85/86 Assam Mails to and from Pathankot is at present operationally not feasible due to lack of adequate line capacity on the Delhi-Ambala-Rajpura section as well as on Ghaziabad-Saharanpur-Ambala-Rajpura sections.

Extension of Railway Line from Nangal Dam to Una

3936. SHRI MAHADEEPAK SINGH SHAKYA: Will the Minister of RAILWAYS be pleased to state:

(a) whether there is any proposal under the consideration of Government to extend Railway line from Nangal Dam to Una, a District Headquarter of the State, in the near future; and

(b) if not, the reasons therefor?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) and (b). Traffic Survey of construction of a new railway line from Nangal Dam to Talwara via Una is at present in progress and is expected to be completed by the end of March, 1973. Further consideration to this project will be given after the results of the survey become known.

Canal from Sone River Barrage

3937. SHRI CHANDRA SEKHAR SINGH: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) by when the east zone highlevel canal, that is being taken out from the Sone-River Barrage, going to irrigate the parched areas of Barun-Aurangabad, Goh Koonch, Tekari, Mukdampur, Ghosi, Phatua in Gaya District and Patna District of Bihar;

(b) what is the present stage of execution of this canal and whether it will start functioning by 1973; and

(c) the total amount spent on this project till date and the outlay thereon?

**Resolutions passed by All-India
Railway Commercial Clerks Asso-
ciation, South Eastern Zone**

3943. SHRI CHANDRIKA PRASAD:
SHRI PANNA LAL BARU-
PAL:

Will the Minister of RAILWAYS be
pleased to state:

(a) whether All-India Railway
Commercial Clerks Association, South
Eastern Zone held a Meeting on 4th
August, 1972 which was presided over
by the Minister for Finance, Govern-
ment of Orissa;

(b) whether 14 Resolutions passed
at the meeting were submitted to his
Ministry; and

(c) if so, the gist of the Resolutions
received and the action taken thereon?

THE MINISTER OF RAILWAYS
(SHRI T. A. PAI): (a) It is under-
stood that a meeting of the Zonal Exe-
cutive Committee of the S. E. Railway
Zone of the All India Railway Com-
mercial Clerks Association was held
at Rourkela on 6.8.1972.

(b) No.

(c) Does not arise.

**Loss of Revenue to Chambal Control
Board due to Misuse of Water**

3944. SHRI M. S. SIVASWAMY:
Will the Minister of IRRIGATION
AND POWER be pleased to state:

(a) whether Chambal Control Board
is feeling concerned due to misuse,
wastage and obstruction in the free
flow of water and consequent loss in
revenue; and

(b) if so, the main features there-
of and the precautions being taken in
this regard?

THE DEPUTY MINISTER IN THE
MINISTRY OF IRRIGATION AND
POWER (SHRI B. N. KUREEL): (a)
and (b): The Chambal project stages

I & II were taken up to provide an-
nual irrigation of 5.66 lakh hectares
in Rajasthan and Madhya Pradesh.
Against this, the utilisation by the end
of March, 1972 was about 2.75 lakh.
The State Governments of Rajasthan
and Madhya Pradesh, who are repre-
sented on the Chambal Control Board,
review the position from time to time
and whenever necessary take appro-
priate measures to tackle the diffi-
culties encountered and accelerate the
use of irrigation facilities provided.

Report on National Water Grid

3945. SHRI D. D. DESAI: Will the
Minister of IRRIGATION AND
POWER be pleased to state:

(a) whether he personally flew to
New York in September, 1972 and
finalised National Water Grid Report,
if so, whether this Report was earlier
placed before the Cabinet and the
Parliament and discussed in details if
not, who all were taken into confi-
dence;

(b) whether the United Nation's
Expert was an Economist and not an
Irrigation Engineer and that no visits
to arid and drought prone Western
states of India were arranged for him;

(c) whether nearly Rs. 2000 crores
and valuable land lost under Ganga
Cauvery link will be needed for a gain
of about 20 million acre feet water
supply to Andhra Pradesh and Tamil
Nadu; and

(d) whether large tracks of North
and Western India are arid, desert
like, drought prone, backward and
have hardly 15 per cent irrigation as
related to cultivated area, and 100
million acre feet irrigation projects
could be completed with far less ex-
penditure?

THE DEPUTY MINISTER IN THE
MINISTRY OF IRRIGATION AND
POWER (SHRI B. N. KUREEL):
(a) The preliminary proposals drawn
up by the Central Water and Power
Commission for a National Water

Grid were reviewed by a team of United Nations experts who visited the country in December 1971 and March 1972. The Team had brought a first draft report in March 1972 which was discussed with them in detail. In May 1972, they had sent a were sent to them in June, 1972. The Minister of Irrigation & Power, who was on a visit to the United States in August-September 1972 to participate in the Panel meeting on U.N. Conference on Water, also took the opportunity to discuss the report in the U.S.A. with the Team and he brought with him copies of their Final Report.

The U.N. Team had during their visits to the country met several ministers and officials both at the centre as well as in the States which they visited. The report contains the views of the Team in the light of their studies, visits and discussions, and the question of such a report being considered by Government or Parliament before the Team themselves finalised it does not arise.

(b) While the Leader of the Team was an economist, the Team had on it as members one Transport Specialist, two Hydrogeologists, one Hydraulic Engineer and one Water Resources Engineer as indicated below:

1. Dr. Joseph Barnea, Economist; Director, Resources & Transport Division, United Nations Team—Leader;
2. Mr. Jakov Bradanovic—Transport Specialist, Resources & Transport Division, Transport Section, United Nations.
3. Mr. Salis C. Brown, Hydrogeologist—Project Adviser of United Nations Project "Ground Water Development in Rajasthan and Gujarat (IND-114);
4. Mr. Sanford Strausberg, Hydrogeologist of the U.N. Ground and Gujarat;
5. Dr. Rudolf Partl, Hydraulic Engineer, Technical Adviser, Resources and Transport Division, United Nations.
6. Mr. Robin Reynolds, Water Resources Engineer, California Department of Water Resources, U.S.A.

Owing to limitations of time, they could not visit either all the State through which the link passes or all the States which could benefit from the link. Though the request for visit to Western India was received, the Team felt that the thorough knowledge of two of their Members on the U.N. Groundwater project in Gujarat and Rajasthan contributed to the Mission's findings better than a short field trip could have done.

(c) and (d): The Ganga-Cauvery Link, one of the components of the National Water Grid is, on the basis of office studies only, assessed to cost about Rs. 2900 crores, of which Rs. 2100 to 2200 crores might be for irrigation and the remaining for navigation. The exact costs will be known only after the scheme is investigated. This preliminary estimate is for a transfer of 28 m.a.ft. No State-wise allocation of water has been considered. For purposes of assessing costs, it has been assumed that 6 m.a. ft would be used in South U.P. and South Bihar which are within the Ganga Basin. 15 m.a. ft are proposed for diversion, which supplemented by 7 m.a. ft of the waters of central and peninsular rivers, are proposed to be utilised for irrigation of drought affected areas identified by the Irrigation Commission and the Ministry of Agriculture in the States of Gujarat, Rajasthan, Madhya Pradesh, Maharashtra, Andhra Pradesh, Mysore and Tamil Nadu. It has been assessed by the Irrigation Commission that even on completion of all the projects in hand or potential projects in the drought affected areas, they will hardly have 25 per cent. of their crop area irrigated.

Out of the total length of about 1642 miles of the link, only a length of 677 miles is expected to be a canal, the remaining length being along rivers and streams.

It is not the intention that the National Water Grid should supplant projects in Northern, Western or any other part of India, which on the other hand, should be carried out as quickly as possible all over the country. The link has been proposed only to supplement the country's water utilisation of large rivers like the Ganga etc., which may be surplus to the needs of the river basins themselves and which would otherwise flow waste to the sea. It is assessed that by about the turn of the century there will be great need for such transfer of waters and steps have to be taken in time to investigate and implement the necessary projects for a National Water Grid.

Uniform Civil Code

3946. SHRI D. B. CHANDRA GOWDAD: Will the Minister of LAW AND JUSTICE be pleased to state:

(a) whether a Uniform Civil Code covering all Indian citizens irrespective of caste, creed or religion has been suggested by eminent Lawyers; and

(b) if so, the reaction of Government thereto?

THE MINISTER OF STATE IN THE MINISTRY OF LAW AND JUSTICE (SHRI NITIRAJ SINGH CHAUDHARY): (a) Yes, Sir.

(b) The Government do not have any proposal now for enacting a Uniform Civil Code.

रेल कर्मचारियों को बोनस देने की मांग

3947. श्री श्रीकार लाल बेरवा :
श्री हरी सिंह :

क्या रेल मंत्री यह बताने की कृपा करेंगे

कि क्या अखिल भारतीय रेलवे कर्मचारी फंडेशन ने भी बोनस अधिनियम अन्तर्गत कर्मचारियों को 8.33 प्रतिशत बोनस दिए जाने की मांग की है ?

रेल मंत्री (श्री टी० ई० पाई) :
जी हां ।

Conversion of Private Sector Caustic Soda Plant in North Kanara, District (Mysore) into Joint Sector Plant

3948. SHRI B. V. NAIK: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether there is any proposal for the conversion of private sector plant for production of Caustic Soda in the District of North Kanara in Mysore State into a joint sector plant; and

(b) if so, the steps taken by Government in this regard,

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) There is no proposal with the Central Government for the conversion of private sector plant for production of Caustic Soda in the District of North Kanara in Mysore State into a joint sector plant.

(b) Does not arise.

Non-implementation of Sharda Act and the Act to prohibit Dowry

3949. SHRI SOMCHAND SOLANKI: Will the Minister of LAW AND JUSTICE be pleased to state:

(a) whether the Sharda Act and the Act to prohibit Dowry which were passed long ago are not being implemented properly; and

(b) if so, the steps being taken by Government for proper implementation of the provisions of the Acts?

THE MINISTER OF STATE IN THE MINISTRY OF LAW AND JUSTICE (SHRI NITIRAJ SINGH CHAUDHARY): (a) The administration of the Child Marriage Restraint Act, 1929 (popularly known as Sharda Act) and of the Dowry Prohibition Act, 1961, is primarily the concern of the State Governments. No complaint that the two Acts are not being implemented properly has been received.

(b) Does not arise.

पूर्वी क्षेत्र में परमाणु बिजलीघर की स्थापना के लिए मांग

3950. श्री रामावतार शास्त्री :
श्री समर गुह :

क्या सिचाई और बिजुत् मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या पूर्वी क्षेत्र बिहार, पश्चिम बंगाल और उड़ीसा के मुख्य मंत्रियों की एक बैठक नवम्बर, के दूसरे सप्ताह में हुई थी, जिसमें केन्द्रीय सिचाई और बिजुत् मंत्री भी उपस्थित थे :

(ख) यदि हां, तो उक्त बैठक में पूर्वी क्षेत्र में एक परमाणु बिजली घर स्थापित करने के लिए सर्वसम्मत मांग की गई थी : और

(ग) यदि हां, तो इस बारे में सरकार की क्या प्रतिक्रिया है?

सिचाई और बिजुत् मंत्रालय में उपमंत्री (श्री बंजनाथ कुरील) : (क) और (ख) पूर्वी क्षेत्र (बिहार, पश्चिम बंगाल और उड़ीसा) के मुख्यमंत्रियों ने केन्द्रीय सिचाई और बिजुत् मंत्री के साथ 9 नवम्बर, 1972 की एक बैठक के दौरान यह सुझाव दिया था कि पूर्वी क्षेत्र में एक परमाणु बिजुत् केन्द्र स्थापित किया जाए।

(ग) इस समय इस क्षेत्र में परमाणु संयंत्र प्रतिष्ठापन करने के लिए परमाणु ऊर्जा विभाग का कोई प्रस्ताव नहीं है।

Execution of Hemavathy, Upper Krishna and Malaprabha Projects

3951. SHRI K. LAKKAPPA: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether the Union Government are responsible for defective planning and acceptance of defective tenders for the Hemavathy Upper Krishna and Malaprabha Project which have caused delay in their execution;

(b) if not, the authorities responsible therefor; and

(c) the steps being taken by Government to help the State Government in completing the above project?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) to (c). Irrigation is a State subject and Irrigation projects are therefore planned, investigated, designed, constructed, operated and maintained by the concerned State Governments.

No request for any technical assistance has been received for the Upper Krishna and Malaprabha projects which are being constructed by the State Government as part of their developmental plans. The Hemavathy project has not been accepted so far for inclusion in the developmental plans of Mysore.

Central financial assistance to States is provided in the form of block loans and grants for the State Plans as a whole and is not related to any individual head of development, or projects. The Fourth Plan outlay for Mysore is Rs. 350 crores, out of which Central assistance is Rs. 173 crores.

**रिवाड़ी रेलवे स्टेशन पर एक सफाई कर्मचारी
द्वारा आत्महत्या**

3952. श्री सरजू पांडे : क्या रेल मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या रिवाड़ी रेलवे स्टेशन पर 4 जुलाई, 1972 को एक सफाई कर्मचारी ने रेलवे इंजन के सामने कूद कर आत्महत्या कर ली थी;

(ख) यदि हां, तो इसके क्या कारण थे; और

(ग) क्या उसकी जेब से कुछ कागजात बरामद हुए हैं जिनमें लिखा था कि उसने सैनेटरी इंस्पेक्टर के कथित अत्याचारों से तंग आकर आत्महत्या की है?

रेल मंत्री (श्री टी० ए० पाई) : (क) जी हां ।

(ख) पुलिस की जांच से पता चला है कि यह आत्महत्या का मामला था ।

(ग) स्वीपर की जेब से तीन कागज मिले थे लेकिन पुलिस की रिपोर्ट के अनुसार रिकार्ड में ऐसा कोई साक्ष्य नहीं था जिससे यह पता चलता हो कि उसने यह आत्महत्या सफाई निरीक्षक के अत्याचार से तंग आकर की थी ।

Goods Proposed to be Exported to Iraq against the Import of Crude Oil

3954. SHRI RAM PRAKASH: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether Government proposes to import crude oil from Iraq against the Indian goods exported to that country; and

(b) if so, the names of goods proposed to be exported to Iraq against crude oil?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) and (b). Under the current Indo-Iraq Trade Arrangement which is valid for the period 1st September 1971 to 31st March 1973, there is a provision for the import of Crude Oil worth £5 million (Rs. 90 million) from Iraq. This is part of an overall package of £11.5 million (Rs. 207 million) worth of dates, crude oil and sulphur to be imported from Iraq against tea and other goods and services worth an equal amount to be exported to Iraq from India during this period.

Setting up of Nylon Yarn Manufacturing Project in Haryana

3955. SHRI RAM PRAKASH: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether a Nylon Yarn manufacturing project is proposed to be set up in Haryana; and

(b) if so, the estimated cost of the project and the estimated production per year?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) and (b) A letter of intent was issued to the Haryana State Industrial Development Corporation on the 29th December 1971 for setting up a new industrial undertaking in the State of Haryana for manufacture of 2100 tonnes per annum of Nylon Filament Yarn. The capital cost for a project of this size is estimated to be of the order of Rs. 7 crores. Capital goods for the project would be of the value of about Rs. 6.25 crores, of which imported capital goods might represent approximately 60 per cent of the value. These are only preliminary figures and details will be available when the party makes an application for capital goods.

Crude Oil from Algeria

3956. SHRI ARVIND NETAM:
SHRI M. S. SIVASWAMY:

Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether Algeria is likely to supply crude oil to India in the near future;

(b) whether any agreement has recently been signed in this connection; and

(c) if so, the salient features thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) No, Sir.

(b) and (c) Do not arise.

Production capacity of different type of Chemical Fertilizer Factories during 1971-72

3957. SHRI MAHADEEPAK SINGH SHAKYA: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state the total production capacity of different types of chemical fertilizer factories in the country during the year 1971-72?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): The total installed capacity for production of fertilizers in 1971-72 was as follows:

(lakh tonnes)

- | | |
|------------------------------|-------|
| (i) Nitrogenous fertilizers | 14.64 |
| (ii) Phosphatic fertilizers. | 5.00 |

Extension of Railway services to Sunderbans.

3958. DR. RANEN SEN: Will the Minister of RAILWAYS be pleased to state:

2889 LS—3.

(a) whether the West Bengal Supply Minister urged upon the Railway Minister to extend Railway services to Sunderbans; and

(b) if so, Government's reaction thereto?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) Yes.

(b) A preliminary traffic appreciation for the suggested rail links is being one by the Eastern Railway Administration. Further consideration to the suggestions will be given after the report on the appreciation is received and examined.

Treatment of Canteen Staff at par with Casual Khalasis in Northern Railway General Store, Shakurbasti

3959. SHRI RAJDEO SINGH: Will the Minister of RAILWAYS be pleased to state:

(a) whether the staff employed on regular basis in the Staff Canteen of the Northern Railway General Stores, Shakurbasti are getting full benefits of Passes, PTO's, Casual leave and regular salaries whereas the Casual Khalasis in Northern Railway are not entitled to these benefits;

(b) whether the Canteen staff are not taken at par with Casual Khalasis as substitute Khalasis while their claim stands stronger than that of Casual Khalasis; and

(c) if so, the reasons for this anomaly?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) to (c). The conditions of service of the Canteen Staff and Casual Khalasis are not comparable. While the former are employees of the Managing Committee and get a restricted scale of passes and PTO's and Casual Leave and scales of pay as fixed by the Managing Committee, the latter, after completion of six months continuous Railway service, are treated as regular Railway employees for all purposes.

Result of Test for Post of Junior Translators in Headquarters, Northern Railway

3960. SHRI RAJDEO SINGH: Will the Minister of RAILWAYS be pleased to state:

(a) whether tests were held for the posts of Junior Translators in the grade of Rs. 130-300 (AS) in the Northern Railway Headquarters (Baroda House) a year back; and

(b) if so, the reasons for not announcing the result of the same even after one year?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) and (b) The tests were conducted on four occasions from November 1971 to July 1972. The results have since been announced. There is some delay in operating on the panel because some posts expected to be sanctioned earlier will now be operated only in the next financial year due to paucity of funds this year.

Leave Reserve Staff for various categories in Signal and Telecommunication Department Vijayawada Division (South Central Railway)

3961. SHRI RAJDEO SINGH: Will the Minister of RAILWAYS be pleased to state:

(a) the total strength of staff in the categories of E.S.Ms., M.S.Ms., T.C.Ms., Signal Inspectors and Telecommunication Inspectors in the Vijayawada Division of South Central Railway;

(b) the strength of Leave Reserve Staff required under the rules for the aforesaid staff of Vijayawada Division;

(c) whether the strength of the Leave Reserve Staff is less than that required under the rules and the other staff are handicapped in getting leave; and

(d) if so, when the administration proposes to make good the shortage of the Leave Reserve Staff?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) 194.
(b) 24.

(c) One post of Leave Reserve each in the category of ESMs/MSMs and TCMs/Wireless Maintainers is less.

(d) Action is being taken by the Railway Administration to create additional post of Leave Reserve in each of these categories to make good the shortfall.

Flyovers from Sealdah Station to Mahatma Gandhi Road and Kasba to Ballygunge in Calcutta

3962. SHRI INDRAJIT GUPTA: Will the Minister of RAILWAYS be pleased to state:

(a) whether Government have decided to construct one flyover from Sealdah Station to Mahatma Gandhi Road and another from Kasba to Ballygunge in Calcutta;

(b) if so, the outlines of this proposal; and

(c) when the construction of the flyovers is likely to begin?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) There is no scheme to construct a flyover from Sealdah Station to Mahatma Gandhi Road but a scheme for construction of a flyover from Kasba to Ballygunge has been sanctioned.

(b) this is in replacement of existing level crossing at Sealdah end of Ballygunge Station.

(c) Early 1973.

Export of Indian Locomotives

3963. SHRI S. M. BANERJEE: Will the Minister of RAILWAYS be pleased to state:

(a) whether Locomotives produced in India have been exported to some foreign countries;

(b) if so, the names of those countries;

(c) whether some other countries have also expressed a desire to import the Locomotives from India; and

(d) if so, the names of these countries?

THE MINISTER OF RAILWAYS
(SHRI T. A. PAI): (a) No.

(b) Does not arise.

(c) and (d) There have been some enquiries regarding the possibilities of supply of locomotives from India to Sudan, Jordan, South Korea, Peru, Philippines, Syria, New Zealand, Turkey, Nigera, Sri Lanka, Thailand and Guinea. While in a few cases quotations were submitted, in most others due to pressing domestic needs and limited manufacturing capacity in the Railway Production Units, these export enquiries have not been considered.

Reduction in the cost of drugs manufactured in I.D.P.L., Rishikesh and Hindustan Anti-Biotics Limited, Pimpri.

3964. SHRI S. M. BANERJEE: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether cost of drugs manufactured in I.D.P.L., Rishikesh and Hindustan Anti-Biotics Limited, Pimpri has been reduced further;

(b) if so, to what extent; and

(c) whether efforts are being made to increase production with a view to reduce the cost of production further?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) to (c) Information is being collected and will be placed on the Table of the House.

Supply of power to Hindustan Aluminium Corporation

3965. SHRI S. M. BANERJEE: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether Uttar Pradesh Government have asked the opinion of the Centre on the question of termination of the agreement with the Birlas regarding the supply of power to the Hindustan Aluminium Corporation; and

(b) if so, the reaction of the Central Government thereto?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a): No Sir.

(b) Does not arise.

Compensation for lands requisitioned for construction of Kelekhya Embankment in West Bengal.

3966. SHRI SAMAR GUHA: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether compensation has yet to be paid to a large number of people whose houses and lands have been requisitioned for the construction of Kelekhya Embankment in West Bengal;

(b) if so, the amount of compensation paid to the persons and the number of persons yet receive compensation;

(c) whether the affected people made any representations to Government early and adequate compensation to them; and

(d) if so, the nature of the representations and the reaction of Government thereto?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) to (d) The West Bengal Govern-

ment have reported that compensation amounting to Rs. 32.46 lakhs has already been paid to the persons affected by the Kaliaghye scheme. Approximately, 8495 persons are yet to receive compensation.

^ No representations have been received by the State Government from the affected people.

Compensation paid to families affected by the implementation of Dubda Basin Drainage Scheme

3967. SHRI SAMAR GUHA: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether the people whose houses and lands have been requisitioned for the excavation of canal in Ramnagar area of Contai Sub-Division of West Bengal, in connection with implementation of Dubda Basin Scheme, have not received compensation;

(b) if so, the reasons for delay;

(c) whether Government propose to take any action to arrange for early payment of compensations to the families affected by the canal scheme; and

(d) if so, the main features of the proposal?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) to (d): The Government of West Bengal have reported that they have sanctioned Rs. 73,516/- for advance payment to the people whose houses and lands have been requisitioned for the Dubda Basin Drainage Scheme. Payment will be made on the execution of indemnity bond by persons concerned. Land acquisition proposals are being processed and compensation will be paid expeditiously on completion of the formalities under the Land Acquisition Act.

Drainage problems in West Bengal

3968. SHRI SAMAR GUHA: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether Contai sub-Division of West Bengal is facing many drainage problems;

(b) whether various representations have been made to Government for tackling the drainage problems of the sub-Division; and

(c) if so, the nature of the representations received and the steps taken by Government to solve the drainage problems of the sub-Division?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): The Contai sub-Division is affected by drainage congestion during rainy season.

(b) and (c): The West Bengal Government have reported that large number of representations from the local people have been received from time to time suggesting schemes to be taken up in different areas to deal with the drainage problem. The State Government have already implemented the Contai basin drainage scheme Part I costing Rs. 37 lakhs. Dubda drainage scheme costing Rs. 268 lakhs is presently under execution. The Contai basin drainage scheme Part II costing Rs. 47.83 lakhs and re-modelling of the Baliaghai drain for improvement of drainage in Barachowka basin costing Rs. 32 lakhs have been approved by the Planning Commission for implementation but work could not be taken up as these could not be accommodated with the provisions made in the State Plan.

Conversion of Railway Beds of Un-economic Lines into Roads

3965. SHRI P. M. MEHTA:
SHRI P. GANGADEB:

Will the Minister of RAILWAYS be pleased to state:

(a) whether Railway Ministry has suggested to States that the Railway

heds of uneconomic lines may be converted into roads; and

(b) if so, their reaction?

THE MINISTER OF RAILWAYS
(SHRI T. A. PAI): (a) No.

(b) Does not arise.

Factors for Coordination between Rail and Road Transport Systems

3970. SHRI P. M. MEHTA:
SHRI P. GANGADEB:

Will the Minister of RAILWAYS be pleased to state:

(a) whether there is great scope for co-ordination between the rail and the road transport systems in the country; and

(b) if so, the factors which are favourable for such co-ordination?

THE MINISTER OF RAILWAYS
(SHRI T. A. PAI): (a) Yes.

(b) There is enough scope and need for development of all modes of transportation, viz. rail, road, sea, inland water transport and pipe-lines, to meet the growing transportation requirements of the economy. However, it will be necessary to ensure that the transport system is viewed as a whole with different modes being inter-dependent and supporting and supplementing each other, as far as possible. Various problems of transport coordination, particularly road and rail are engaging the close and continuous attention of the Ministries of Railways, Transport and Shipping and Planning Commission. It will be the policy of the Government to develop various modes of transport as complementary services in such proportions and combinations as will meet the total needs of the community at minimum cost to the economy.

Twenty-one Trains were detained in Vijayawada Division

3971. SHRI P. M. MEHTA:
SHRI P. GANGADEB:

Will the Minister of RAILWAYS be pleased to state:

(a) whether twenty one trains were detained on 12th November 1972 at various places in the Vijayawada Division of the South Central Railway;

(b) if so, the reasons therefor; and

(c) whether Madras bound Grand Trunk Express suffered a detention of more than four hours between Stuartpuram and Chirala?

THE MINISTER OF RAILWAYS
(SHRI T. A. PAI): (a) Yes.

(b) Due to agitation in connection with Mulki Rules.

(c) Yes.

Strike Ballot on Bonus Issue

3972. SHRI P. M. MEHTA:
SHRI K. LAKKAPPA:

Will the Minister of RAILWAYS be pleased to state:

(a) whether the General Council of All India Railwaymen's Federation has decided to take strike ballot to press the demand of Minimum bonus of 8.33 per cent;

(b) if so, the reaction of Government thereto; and

(c) what steps are being taken to persuade the employees not to go in for such action?

THE MINISTER OF RAILWAYS
(SHRI T. A. PAI): (a) No such decision has been brought to the notice of Government by the All India Railwaymen's Federation.

(b) and (c). Do not arise.

Railway Link between Chandigarh and Ludhiana

3973. PROF. NARAIN CHAND PARASHAR: Will the Minister of RAILWAYS be pleased to state:

- (a) whether it is proposed to connect Chandigarh with Ludhiana by Rail;
- (b) if so, whether any survey has been conducted for this purpose; and
- (c) the likely date by which the construction of the line would be completed?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) to (c): Preliminary Engineering-cum-Final Location Survey for Jagadhri-Chandigarh-Ludhiana Rail Link, is at present in progress and is expected to be completed by the end of 1972. These surveys are being carried out at the cost of the Governments of Punjab, Haryana and Union Territory of Chandigarh. Further consideration to this project will be given after the results of this survey become known and State Government's reaction obtained. It is, therefore, too early to say if and when the construction of this rail link or any portion thereof, will be taken up.

Specific qualifications/Rules for recruitment/promotion to the Teachers Headmaster in Schools run by F.C.I.

3974. PROF. NARAIN CHAND PARASHAR: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether there are any specific qualifications for recruitment to the posts of Teachers and Headmasters in the Schools run by the Fertilizer Corporation of India and any specific rules for the promotion of those serving in these schools to the posts of Headmasters and Principals;

(b) if so, whether these qualifications and rules are similar to those obtaining in the States in which they are located or to those obtaining

in the Central Schools; and

(c) the names and number of the Schools run by the Fertilizer Corporation of India?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) to (c). The information is being collected and will be laid on the Table of the Sabha.

Trains cancelled during October, 1972 due to various Disturbances

3975. PROF. NARAIN CHAND PARASHAR: Will the Minister of RAILWAYS be pleased to state:

(a) the number and names of the trains cancelled in the country due to various disturbances during the month of October, 1972;

(b) whether any steps are being taken to deal with such situations so as to avoid inconvenience to passengers caused by such cancellations; and

(c) the estimate of the loss caused to the Railway property by these disturbances?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) A statement is laid on the Table of the House (Placed in Library. See No. LT-3993/72).

(b) Close liaison is maintained by the concerned Railway Administrations with the State Civil and Police authorities. Wherever feasible, train services are provided by the alternative routes to maintain the flow of traffic as far as possible.

(c) The information is being collected and will be placed on the Table of the Sabha.

Off-shore oil exploration in Bay of Bengal

3976. SHRI JAGANNATH MISHRA: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether Oil India has a proposal to undertake off-shore crude exploration in the Bay of Bengal; and

(b) if so, the broad outlines thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) No, Sir.

(b) Does not arise.

Electrification of Villages in West Bengal and Andhra Pradesh

3977. SHRI JAGANNATH MISHRA: Will the Minister of IRRIGATION AND POWER be pleased to state how many tubewells have been energised in West Bengal and Andhra Pradesh and how many villages electrified in these States so far?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): The number of villages electrified and pumpsets/tubewells energised in West Bengal and Andhra Pradesh as on 30-9-1972 are given below:—

	Villages Pumpsets electrified Tubewells	
	No.	energised.
West Bengal	4234	1613
Andhra Pradesh	9421	2,21,308

आत्मनिर्भरता प्राप्त करने के लिए नये पेट्रोलियम और रसायन कारखाने लगाना और विद्यमान कारखानों का विस्तार करना

3978. श्री बननाह प्रधान : क्या पेट्रोलियम और रसायन मंत्री यह बताने की कृपा करेंगे कि :

(क) देश में नए पेट्रोलियम और रसायन कारखाने लगाने और विद्यमान कारखानों में विस्तार के लिए केन्द्रीय

सरकार के विचाराधीन प्रस्तावों की संख्या कितनी है ; और

(ख) रामायनिक उर्वरकों के मामले में देश कब तक आत्मनिर्भर हो जायेगा ?

पेट्रोलियम और रसायन मंत्रालय में उपमन्त्री (श्री दलबीर सिंह) : (क)

अनुमानतः सूचना सरकारी क्षेत्र ही परियोजना के बारे में मांगी गई है, जो इस प्रकार है :—

(1) (क) पेट्रोलियम उद्योग :

(i) तेल अन्वेषण—1977-78 तक 4 मिलियन मीटरी टन कच्चे तेल के अतिरिक्त प्रायः भंडार स्थापित करने तथा लगभग 8 मिलियन मीटरी टन कच्चे तेल की वार्षिक उत्पादन क्षमता विकसित करने की दृष्टि से तेल तथा प्राकृतिक गैस आयोग ने परियोजनाओं की एक पंच वर्षीय योजना (1973-74 से 1977-78) बनाई है।

(ii) शोधन पेट्रोलियम उत्पादों की बढ़ती हुई मांग को पूरा करने के लिए और बातों के साथ साथ हल्दिया, मथुरा तथा बंगलौर में तीन नई शोधनशालायें स्थापित करके तथा कोचीन बरोनो एवं कोणारी स्थित वर्तमान शोधनशालाओं की क्षमताएँ बढ़ाकर शोधनक्षमता में उत्तरोत्तर वृद्धि करने की योजना बनाई गई है।

(2) उर्वरक :

14 उर्वरक परियोजनाएँ (जिनमें वर्तमान तीन का विस्तार शामिल है) इस समय कार्यान्वित की जा रही हैं। चार और परियोजनाओं के शीघ्र ही कार्यान्वित किए जाने की आशा है। उर्वरक की अतिरिक्त क्षमता का सृजन करने से संबंधित कई अन्य प्रस्तावों पर भी विचार किया जा रहा है।

(3) औषध उद्योग एवं अन्य केमिकल उद्योग :

(i) इंडियन ड्रग्स एंड फार्मासिय-टिकल्स लि०, जो एक सरकारी उपक्रम है, अपने उत्पादों में विस्तार/विविधता द्वारा देश की औषध मार्किट के अपने भाग को 1971-72 में 5% की तुलना में 1978-79 में 12 5% तक बढ़ाने का प्रयत्न कर रहा है।

(ii) हिन्दुस्तान आर्गेनिक केमिकल्स ने चौथी तथा पांचवी योजनाओं के दौरान 3460 लाख रुपए की अनुमानित लागत से परियोजना के चरण 2 के रूप में एक विस्तार योजना बनाई है।

(iii) हिन्दुस्तान इंसैक्टीसाइड्स लि० एण्डोसल्फान (प्रतिवर्ष 1660 मीटरी टन), मालाथियोन (प्रतिवर्ष 600 मीटरी टन) और वी एच सी ग्रेनूलेशन (प्रति वर्ष 6000 मीटरी टन) के निर्माण के लिए अमरावती स्थापित करने का प्रयत्न कर रहा है।

(iv) हिन्दुस्तान एंटीबायोटिक्स लि० इस समय विटामिन सी (प्रतिवर्ष 125 मीटरी टन) नियुमाइसिन सल्फेट (प्रति वर्ष 2000 किलोग्राम) और सैमि, सिनै-टिक्स पेनिसिलिन) प्रतिवर्ष 5000 किलोग्राम) के निर्माण के लिए तीन यूनिट स्थापित करने का प्रयत्न कर रहा है। इसके अतिरिक्त, स्ट्रेप्टोमासिन सल्फेट, एराईथ्रोमाइसिन आदि के निर्माण के लिए विस्तार वयपवर्तन से संबंधित चार प्रस्ताव विचाराधीन है।

(4) पेट्रो-रसायन उद्योग :

भारतीय पेट्रो-रसायन निगम गुजरात में निम्नलिखित परियोजनाएँ स्थापित कर रहा है ; :-

(i) निम्नलिखित का उत्पादन करने के लिए एक एरोमैटिक परियोजना : डी एम टी -प्रतिवर्ष 24000 मीटरी टन आर्थोक्राइलिन प्रतिवर्ष 21000 मीटरी टन मिश्रित क्राइलिन प्रतिवर्ष 2500 मीटरी टन आशा है कि इस परियोजना में मार्च 1973 तक वाणिज्यिक उत्पादन शुरू हो जायेगा।

(ii) कैंकिंग नेपन्था 1,30,000 मीटरी टन इथाइलीन तथा अन्य संबंध स्ट्रीम के उत्पादन के लिए रूपांकित एक ओलिफिन्ज आदि प्लांट आशा है कि यह संयंत्र 1974 के अंत तक चालू हो जायेगा।

इसके अतिरिक्त निम्नलिखित सामग्री का उत्पादन करने के लिए 9 अन्य पेट्रो-रसायन परियोजनाओं की स्थापना की जा रही है :

1. पोलिप्रोपाइलिन 2. एक्राईलिक फाई-बरे 3. इथाइलीन ग्लाइकोल 3. डेटर-जेंट एलकाइलट 5. लो डेसिटी पोलि-थिलीन 5. एक्राइलोनिटराइल 7. सिस पोलिबूटाइन, सिनैटिक रबर, 8. पोलिएस्टर फिलामेंट यार्न, 9. पोलि-एस्टर स्टेपल फाइबर, डी, एमटी से जुड़ा हुआ।

(ख) वर्तमान संकेतो के अनुसार आशा है कि पांचवी योजना के अंत तक देश उर्वरक के उत्पादन में लगभग आत्मनिर्भर हो जायेगा।

Earlier proposal to lay New Railway Lines in Kerala

3979. SHRIMATI BHARGAVI THANKAPPAN: Will the Minister of RAILWAYS be pleased to state:

(a) whether the earlier proposal to lay new Railway Lines in the State of Kerala has been given up;

(b) if so, the reasons therefor; and

(c) the steps Government propose to take in the matter?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) to (c). Railway development is not envisaged on any state-wise or region-wise concepts, but on overall development considerations in the national interests. The proposals for new lines suggested by the State Government have been given due consideration and necessary action has been taken wherever justified.

The following new lines/conversions falling wholly or partly in the State of Kerala have been taken up for construction recently and are in progress:—

- (i) Tirunelveli-Trivandrum via Nagercoil—new rail link with a branch line to Kanya-Kumari (BG 167 Kms.—cost Rs. 14.53 crores).
- (ii) Conversion of Ernakulam-Quilon-Trivandrum MG Section to BG (220 kms.—cost Rs. 13.60 crores).

Irrigation projects under construction in Kerala

3980. SHRIMATI BHARGAVI THANKAPPAN: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) the number of centrally sponsored irrigation projects under construction in Kerala;

(b) how many of them are behind schedule;

(c) whether any of these projects are in need of foreign collaboration; and

(d) if so, the names and locations of the projects which need collaboration?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) to (d). Irrigation is a State subject.

There is no centrally sponsored scheme of irrigation and the irrigation projects are planned, investigated and constructed by the State Governments as a part of their developmental Plans.

The Government of Kerala have seven major irrigation projects under construction. These projects have been lingering on for a number of years, as the State Government have not been able to provide adequate funds for these projects.

No proposal for any foreign collaboration for the construction of these projects has been received from the Government of Kerala.

Irrigation of Cultivable Land in Kerala

3981. SHRIMATI BHARGAVI THANKAPPAN: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) the total extent of cultivable land in Kerala and the percentage of such land brought under irrigation;

(b) whether it is proposed to bring the remaining land under irrigation in Fourth Plan; and

(c) if so, the main features of the proposals?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) to (c). The cropped area in Kerala is about 2.85 million ha. and according to preliminary assessments, it is expected that about 67 per cent of this area may be ultimately irrigated on the completion of all possible irrigation works in the next four to five Plan periods.

The irrigation potential in 1968-69 was about 20 per cent of the cropped area, which is expected to rise to about 25 per cent by the end of the Fourth Plan, and to about 31 per cent

on the completion and full development of seven major irrigation projects which are now under construction.

Hijacking of Steel Wagons in connivance with Railway Staff

3982. SHRI RAM BHAGAT PASWAN: Will the Minister of RAILWAYS be pleased to state:

(a) whether some Members of the Railway Staff were reported to have connived with steel wagons 'hijackers' who used to hijack steel wagon to Nagpur; and

(b) if so, the results of the enquiry if any and the action taken against culprit including Railway officials?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) No.

(b) Does not arise.

Decentralisation of Petro-Chemical Complex in Gujarat

3983. SHRI RAM BHAGAT PASWAN: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether some experts have suggested decentralisation of the petro-chemical complex in Gujarat; and

(b) if so, the reaction of Government thereto?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) The Government of India is not aware of any experts having suggested decentralisation of the petro-chemical complex in Gujarat. However, the Polyester Filament Yarn Project will be implemented in the Cooperative sector.

(b) Question does not arise.

Press Statement by Technical Adviser on Water Resources to U.N.

3984. SHRI K. KODANDA RAMI REDDY: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether Government are aware of a press statement made by the Technical Adviser on Water Resources to U.N. that Ganga-Cauvery link-up would cost Rs. 10,000 crores and not Rs. 2,250 crores as has been stated by the Minister for Irrigation and Power; and

(b) if so, the reasons for such a wide difference?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) and (b). The U.N. Mission which reviewed the proposals drawn by the Central Water & Power Commission for the National Water Grid, have assessed the cost of the Ganga-Cauvery Link, one of the components of such a Grid, as Rs. 2,900 crores. No statement by any Technical Adviser to U.N. indicating any different figure has been brought to the notice of the Government of India.

Allegations levelled against the Management of FCI Branches functioning in Andhra Pradesh

3985. SHRI K. KODANDA RAMI REDDY: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether a memorandum signed by eight Members of Parliament from Andhra Pradesh alleging mismanagement in the Branches of the Fertilizer Corporation of India functioning in Andhra Pradesh has recently been submitted to him;

(b) if so, the important allegations levelled in the memorandum; and

(c) the action taken by Government thereon?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) Yes, Sir.

(b) and (c). The memorandum relates mainly to delay in the execution of the Ramagundam project, non-employment in adequate number of local people and problems on the labour front. The memorandum is under examination in consultation with the Fertilizer Corporation of India.

Rural Electrification Schemes in Andhra Pradesh

3986. **SHRI K. KODANDA RAMI REDDY:** Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) the total number of rural electrification schemes sanctioned in Andhra Pradesh so far by Rural Electrification Corporation;

(b) their respective costs and number of pump sets to be energised thereunder; and

(c) the progress so far made under each of the sanctioned schemes?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KURFEL): (a) to (c). The Rural Electrification Corporation since its inception in July, 1969, have so far sanctioned 22 rural electrification schemes, including one for pilot cooperative project, for Andhra Pradesh.

Details of the cost and the number of villages/pumpsets covered under each scheme are given in the statement laid on the Table of the House. [Placed in Library. See No. LT-3994/72].

Reports received indicate that work on the sanctioned schemes is in progress. Details of the progress achieved in respect of schemes sanctioned in 1970-71 are indicated in the statement

laid on the Table of the House. [Placed in Library. See No. LT-3994/72].

Withholding of remittances of Foreign Oil Companies by Government

3987. **SHRI D. B. CHANDRA GOWDA:** Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether the remittances by Foreign Oil Companies, other than profits, have been withheld by Government pending a very detailed examination of the need, justification and the extent to which such remittances can be permitted; and

(b) if so, the decision taken in the matter?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) and (b). It has been decided that prior scrutiny of remittances falling under the heads engineering and technical services, royalties, licence fees and 'home office' expenses will be done to ensure that services are not obtained from abroad in cases where indigenous know-how is available. The question of evolving a procedure by which the reasonableness or otherwise of claims for repatriation of funds for individual services etc., under the said heads is under discussions with the oil companies.

Maintenance of Shoranur-Mangalore Broad Gauge Line

3988. **SHRI K. P. UNNIKRISHNAN:** Will the Minister of RAILWAYS be pleased to state:

(a) whether the Railway Administration has received a number of complaints that the Shoranur-Mangalore broad-gauge line has been neglected; and

(b) what are the steps being taken to meet this criticism?

THE MINISTER OF RAILWAYS
(SHRI T. A. PAI): (a) No complaints about the maintenance of Shoranur-Mangalore broad gauge line have been received. Some complaints of general nature regarding inadequacy of latrines and waiting halls and for improvement to the approach road on way side stations have, however, been received.

(b) Action is already being taken to remove the above difficulties.

Absorption of retrenched employees of Signal and Tele-Communication Department (South Eastern Railway)

3989. DR. SARADISH ROY: Will the Minister of RAILWAYS be pleased to state:

(a) the number of employees retrenched from the Signal and Tele-communication Department of South Eastern Railway since January, 1972;

(b) how many of them have worked for more than three years in the said Department; and

(c) when all of the retrenched staff are expected to be re-absorbed?

THE MINISTER OF RAILWAYS
(SHRI T. A. PAI): (a) 390 unskilled workers from the Construction wing of the Signal Department have been retrenched on completion of works.

(b) 100.

(c) 47 have already been employed in other construction works. Efforts are being made to find employment for the rest.

गंडक परियोजना सम्बन्धी रिपोर्ट

3990. श्री एम० एस० पुरती : क्या सिंचाई और विद्युत् मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या केन्द्रीय सरकार ने बिहार सरकार से गण्डक परियोजना की प्रगति की रिपोर्ट मांगी है ; और

(ख) यदि हां, तो कितना काम पूरा हुआ है और अब तक कितना व्यय हो चुका है ?

सिंचाई और विद्युत् मंत्रालय में उपमंत्री (श्री बंजनाथ कुरील) : (क) गंडक परियोजना के निर्माण में हुई प्रगति की रिपोर्ट बिहार सरकार से समय-समय पर प्राप्त होती रहती है ।

(ख) गंडक बराज पूर्ण हो चुका है । तिरहुट मुख्य नहर पर कार्य 30 मील तक पूर्ण हो चुका है । दोन, सुगौली, वैशाली और जैतपुर शाखा नहरें भी पूर्ण हो गई हैं । अन्य कार्यों पर कार्य चल रहा है ।

सितम्बर, 1972 तक बिहार ने 105.50 करोड़ रुपए व्यय किए हैं ।

विद्युत् परियोजनाओं के बारे में विद्युत् मितव्ययिता समिति का प्रतिवेदन

3991. श्री एम० एस० पुरती : क्या सिंचाई और विद्युत् मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या विद्युत् मितव्ययिता समिति ने अपनी रिपोर्ट में इस बात का उल्लेख किया था कि विद्युत् परियोजनाओं में विशेष बाधा अर्पित पंजी निवेश की अपेक्षा कार्य संबंधी जानकारी का अभाव है ; और

(ख) यदि हां, तो इन परियोजनाओं की कुशलता से कार्यान्विति को सुनिश्चित करने के लिए सरकार ने इस संबंध में क्या कार्यवाही की है ?

सिंचाई और विद्युत् मंत्रालय में उपमंत्री (श्री बंजनाथ कुरील) : (क) विद्युत् मितव्ययिता समिति ने यह नहीं कहा कि विद्युत् परियोजनाओं के कार्यान्वयन के लिए उचित जानकारी की कमी है ।

(ख) प्रश्न नहीं उठता ।

रेल-कर्मचारियों के लिए उचित दर की दुकानें खोलना

3992. श्री ईश्वर चौधरी :

श्री था० किशतिनन :

क्या रेल मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या मूल्यों में वृद्धि को देखते हुए, रेल कर्मचारियों को सस्ते दामों पर आवश्यक वस्तुएं उपलब्ध करने के लिए प्रत्येक रेलवे कालोनी में 'उचित दर की दुकानें' खोलने का सरकार का विचार है ;

(ख) यदि हां, तो ये दुकानें कब तक खुल जायेंगी ; और

(ग) यदि नहीं, तो क्यों ?

रेल मंत्री (श्री टी० ए० पाई) : (क) उचित मूल्य की दुकानें खोलने का उत्तरदायित्व राज्य सरकार का है। फिर भी, रेलों में जहां 300 अथवा इससे अधिक रेल कर्मचारी काम करते हैं, उनमें से अधिकांश स्थानों पर रेल कर्मचारी उपभोक्ता सहकारी समितियों अथवा राज्य सरकार द्वारा प्राधिकृत व्यावसायिकों द्वारा उचित मूल्य की दुकानें चलायी जा रही हैं।

(ख) और (ग). प्रश्न नहीं उठता।

Assistance to Kerala for building sea walls against sea erosion

3993. SHRI C. K. CHANDRAPPAN: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether the Centre has granted funds recently to Kerala for building sea walls to fight sea erosion;

(b) if so, the amount thereof; and

(c) what was the demand put forward by Kerala in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a)

to (c). The Government of Kerala had proposed a programme of anti-sea erosion measures with an outlay of Rs. 8 crores during the two years 1972-73 and 1973-74. Against this, the provision available in the State Plan is Rs. 2.8 crores. Taking into account the need for speedy implementation of anti-sea erosion measures in the State, the Government of India have agreed to provide special financial assistance during the last two years of the Fourth Plan, to carry out a programme of works with an expenditure of Rs. 4 crores a year with the proviso that the assistance would be released to meet the expenditure incurred over and above Rs. 130 lakhs during 1972-73 and Rs. 150 lakhs during 1973-74 to be provided in the State Plan. Since the expenditure so far during 1972-73 has not exceeded Rs. 130 lakhs, no amount has yet been released during the current year.

Building a scrap yard for the Railways at Ranchi by H.E.C.

3994. SHRI C. K. CHANDRAPPAN: Will the Minister of RAILWAYS be pleased to state:

(a) whether the H.E.C. had offered to build and operate at their own cost a Scrap Yard for the Railways at Ranchi;

(b) if so, the broad outlines of the proposal; and

(c) the reaction of Government thereto?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) H.E.C. had proposed setting up of a scrap yard at Ranchi for obtaining Railway scrap to meet the requirements of furnaces of H.E.C. It was not specifically stated whether the scrap yard would be set up and operated by H.E.C. at their own cost.

(b) It was proposed by H.E.C. that instead of each Railway having its own scrap yard, a central scrap yard may be set up at Ranchi to assist the

H.E.C. in meeting their requirements of scrap for their furnaces.

(c) The proposal was not found acceptable because

- (i) there are many priority users of scrap of which H.E.C. is only one,
- (ii) since scrap is classified only in railway scrap yard, it would involve double handling.

Besides a procedure exists whereby Railways meet requirements of scrap of public sector projects to the extent available.

Dieselisation of Olavakot-Mangalore Rail route

3995. SHRI C. K. CHANDRAPPA: Will the Minister of RAILWAYS be pleased to state:

(a) whether there is any proposal to dieselise the trains running between Olavakot and Mangalore; and

(b) if so, the gist thereof?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) and (b): It is proposed to introduce a biweekly Janata Express between New Delhi and Cochin/Mangalore from 26th January 1973, which will be hauled by diesel engines between New Delhi and Mangalore.

Introduction of Diesel Cars between Shoranur and Cannanore

3996. SHRI C. K. CHANDRAPPA: Will the Minister of RAILWAYS be pleased to state:

(a) whether Railways propose to introduce Diesel Cars between Shoranur and Cannanore; and

(b) if so, the broad outlines of the proposal?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) No.

(b) Does not arise

Measures to make advance booking and reservation of berths easier

3997. SHRI C. K. CHANDRAPPA: Will the Minister of RAILWAYS be pleased to state:

(a) whether Railways have taken some measures to make the advance booking and reservation of berths more easy;

(b) if so, the gist thereof; and

(c) whether the results of these experimental measures have been satisfactory?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) and (b). Measures are taken from time to time to improve the system of advance booking and reservation of rail accommodation on trains. A Committee consisting of Members of Parliament has been appointed to recommend measures to improve the same. As suggested by the Committee and as an experimental measure, the time limit for advance reservation has been uniformly extended to 30 days and unlimited waiting list of passengers in A. C. I, II and III class introduced for a period of one month with effect from 15th November, 1972. The working hours of reservation offices at Bombay, Calcutta, Delhi and Madras have also been extended upto 21.00 hours as an experimental measure for one month.

(c) A study will be made after the experiment is over.

Independent unit under Financial Commissioner (Railways)

3998. SHRI ARJUN SETHI: Will the Minister of RAILWAYS be pleased to state:

(a) whether in accordance with the suggestion of P.A.C. (94th Report), an independent unit has been instituted under the Financial Commissioner (Railways) with a charter of duties

similar to that of Staff Inspection Unit of the Ministry of Finance; and

(b) if not, the reasons thereof?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) and (b). The recommendation is under active consideration and a decision is expected to be taken shortly. A scheme which would be both economical and ensure implementation of the spirit of the recommendation has to be evolved.

Setting up of Fertilizer Unit in replacement of major part of Nangal Fertilizer Factory

3999. **SHRI ARJUN SETHI:** Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether Government propose to set up a Rs. 80 crore fertilizer unit soon in replacement of the major part of the Nangal Fertilizer Factory to end the long dispute over power between the Centre and Punjab; and

(b) if so, the broad outlines of the proposal?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) and (b). A programme for the expansion of the Nangal plant based on fuel oil heavy fractions in lieu of electricity as the feed stock is under consideration. The project when implemented will have a capacity to produce 900 tonnes of ammonia per day; out of this, 300 tonnes of ammonia would be diverted to the existing plant. The balance would be utilised for production of 1000 tonnes of urea per day. The project which is estimated to cost about Rs. 76 crores has been posed to the World Bank for assistance.

Steps to improve traffic on uneconomic Railway Line on the border of Maharashtra-Madhya Pradesh

4000. **SHRI S. C. SAMANTA:** Will the Minister of RAILWAYS be pleased to state:

(a) whether Railway line the

border of Maharashtra-Madhya Pradesh has proved uneconomical and 99 per cent of the traffic capacity is not used and is lying idle;

(b) if so, whether any survey was made before spending approximately Rs. 60 crore on the line; and

(c) what action has been taken against the officers involved?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) to (c): It will be possible to collect the information and furnish a reply only if the particulars of the specific line which the Hon'ble Member has in mind are given.

Merger of Scales of Clerks Class I and II in Railways Accounts Offices

4001. **SHRI BHOLA MANJHI:**
SHRI RAMAVATAR
SHASTRI:

Will the Minister of RAILWAYS be pleased to state:

(a) whether Clerks grade II in scale Rs. 110—180(AS) after passing Appendix IIA Examination/Suitability Test perform the same nature of duties as performed by Class II Clerks; and

(b) if so, whether the scales of pay of Class I and II Clerks are proposed to be merged into a single scale, if so, from what date and if not, the reasons therefor?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) Yes. Though the nature of work of Clerks grade II and Clerks grade I is generally the same, Clerks grade I are engaged on more important clerical work while Clerks grade II are given less important and routine work.

(b) The question of revision of scales of pay etc. of all Central Government employees including Clerks grade I and Grade II in Railway Accounts Offices is under consideration of the Third Pay Commission and

their recommendations have to be awaited.

Convention of Railwaymen in Railway Club premises, Dhanbad

4002. SHRI BHOLA MANJHI:
SHRI RAMAVATAR
SHASTRI:

Will the Minister of RAILWAYS be pleased to state:

(a) whether Divisional Railway Employees Co-ordination Committee by a letter sought permission from Divisional Superintendent, Eastern Railway, Dhanbad for holding convention of Railwaymen on the issue of eliminating of corruption in the Railway on the 2nd April, 1972 in Railway Club premises, Dhanbad;

(b) if so, the reasons for not granting the permission and the gist of the reply given by the Divisional Superintendent, Dhanbad in refusing permission;

(c) whether Divisional Assistant Electrical Engineers, Dhanbad even though requested by a letter by the said Committee to provide temporary Electric connection for this Convention on 2nd April, 1972 on payment of necessary charges, refused to do so; and

(d) the reasons for such refusal and the policy of Government in this regard?

THE MINISTER OF RAILWAYS
(SHRI T. A. PAI): (a) to (d). Permission to hold a convention on 2nd April 1972 was not sought by the Divisional Railway Employees' Co-ordination Committee from the Divisional Superintendent, Dhanbad.

No Union or Association of Railway employees whether recognised or not, has a right to hold meetings in Railway premises. However, recognised

unions are generally permitted, on application, to hold meetings in Railway premises.

Running of Cinema by contractor in Railway Club and Institute, Dhanbad

4003. SHRI BHOLA MANJHI:
SHRI RAMAVATAR
SHASTRI:

Will the Minister of RAILWAYS be pleased to state:

(a) whether President, Coal Commercial Recreation Club and Coal Area Superintendent, Eastern Railway, Dhanbad by a letter dated the 3rd February, 1972 sought permission from Hony. General Secretary, Railway Club, Dhanbad for social functions on 10th and 11th April, 1972;

(b) if so, the reasons for not giving them permission unlike the previous years;

(c) what are the Rules and the latest orders from the Railway Board regarding the running of Cinema by the Contractors in Railway Club and Institute and whether these Rules and the orders are being observed in Railway Club and Institute at Dhanbad; and

(d) if not, the action proposed to be taken in the matter?

THE MINISTER OF RAILWAYS
(SHRI T. A. PAI): (a) Yes.

(b) Permission could not be given as it was not considered possible by the Club Committee to permit use of hall by sister organisations affecting Club's own curriculum especially during the Railway Week.

(c) The extent orders are that Cinemas in Institutes are run through Contractors by calling Tenders sub-

ject to the condition that this does not interfere with the functioning of the normal Institute activities. These rules are being observed in Railway Club and Institute, Dhanbad.

(d) Does not arise.

Reasons for Shortfall of Production of Fertilizers during 1972-73

4004. SHRI M. RAM GOPAL REDDY: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state the reasons for shortfall in the production of fertilizers during 1972-73?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): Fertilizer production during 1972-73 is now estimated at about 11 lakh tonnes of nitrogen, as compared to an earlier estimate of 14 lakh tonnes of nitrogen. The anticipated shortfall of about 3 lakh tonnes of nitrogen is mainly attributable to:

(a) Power cuts and voltage fluctuations;

(b) troubles on the labour front resulting in strikes in some plants;

(c) low capacity utilisation in some of the old and ageing plants because of mechanical failures and other technological problems;

(d) shortage of raw materials and other local problems; and

(e) delays in the commissioning of some new projects.

High Oil Drilling Cost near Jammu

4005. SHRI M. RAM GOPAL REDDY:
SHRI N. K. P. SALVE:

Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether oil drilling cost near Jammu has gone very high and beyond expectations;

(b) if so, the reasons therefor; and

(c) the cost per metre of drilling of the wells there and the average cost per metre of drilling oil wells in other places?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) It is true that the drilling cost of the well near Jammu (Surinsar Well No. 1) is much higher than the original estimate.

(b) The main reasons for the high cost of drilling are:—

(i) Slow progress of drilling on account of the large angle of dip of the formations, because of which special care has to be taken to avoid deviation of the well beyond the permissible limits;

(ii) The unexpectedly high temperature of the return drilling mud from the initial stages of the drilling which led to quick wearing out of the fluid end parts of the mud pumps;

(iii) Frequent influxes of water under very high pressure to counter which the specific gravity of the mud had to be increased to very high values; this resulted in very slow drilling;

(iv) Milling operations of the bit which had got unscrewed while drilling at a depth of 804 metres;

(v) Stuck-ups at various depths and the time taken to liquidate the stuck-ups; and

(vi) Fishing and repair of 13-3/8" damaged casing which is still in progress.

(c) Drilling in Surinsar well is still in progress; as such the cost per metre of drilling of this well cannot be worked out at this stage for the

entire well. The average cost of drilling oil wells in other places like Galeki-5, Amguri-1, Baghmara, Mohand and Raxaul has been of the order of Rs. 3717 per metre. In any case a useful comparison of drilling cost cannot be made between operations with widely dissimilar situations, operation conditions etc.

Andhra Pradesh request for setting up thermal generation units in Coal Mining Areas

4006. SHRI P. NARASIMHA REDDY: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether the State Government of Andhra Pradesh have requested the Central Government to set up Thermal Generation Unit or units in the coal mining areas of the State in the Central Sector so that the growing scarcity of power in the Southern region could be substantially relieved; and

(b) if so, the steps contemplated to utilise this vast potential?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) In the meeting of the Chief Ministers of the Southern Region held at Bangalore on the 31st October 1972, it was suggested that a large pit-head thermal power station be set up in the Singareni coal fields from which power could be supplied to States in the Region.

(b) The Andhra Pradesh Government has been requested to prepare a feasibility report for a station of ultimate installed generating capacity of 2 million KW at a suitable location. As the station will have to cater to the needs of more than one State, it has been proposed that it could be taken up in the central sector. The feasibility report is under preparation by the State.

A Site Selection Committee is proposed to be constituted to select suitable sites in the various regions for setting up such stations.

Use of Inferior quality of Fuel for Thermal Power Production in Eastern Region

4007. SHRI D. K. PANDA: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether the use of inferior quality of fuel for thermal power production in the Eastern Region have led to the present power shortage condition; and

(b) if so, the steps taken to avoid such situation?

THE DEPUTY MINISTER OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) The performance of some of the stations in the Eastern Region has suffered due to the use of inferior grade of coal resulting in frequent forced outages as well as maintenance shut downs. The power stations are compelled to use inferior grade coals and washery byproduct fuels with high content of ash and abrasive matter. This causes considerable erosion and wear in the boiler equipment and its auxiliaries.

(b) (i) Arrangements are being made for supply of good quality coal for the various thermal stations in the region.

(ii) Power station authorities have been advised to have adequate stock of essential indigenous and imported spare-parts to avoid delay in repair and maintenance work.

(iii) A Team of Experts on thermal station operation has been formed to go round the various thermal power stations periodically, identify the defects and suggest remedial measures. The team has started its work already.

Generation of Power in States

4008. SHRI D. K. PANDA: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether all the States have accepted the proposal regarding generation of power under Central Sector; and

(b) if so, the main features thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) and (b). In the Sixth Conference of State Ministers of Irrigation and Power held at Srinagar in June-July 1972, there was a consensus that for the Fifth Plan, the power generation by Central Government should be only for large inter-state power projects or by way of supplementing the power generation by the States. Power Stations are already under construction by the Centre in the States of Himachal Pradesh, Jammu and Kashmir and Manipur. West Bengal Government have agreed for construction of a Power Station in the Central Sector, at Dalkhola. Proposals have also recently been received from some of the States for setting up of large pet-head thermal power stations in the Central Sector.

Generation of Power on Regional Basis

4009. SHRI D. K. PANDA: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether Government have any proposal under consideration to generate power on regional basis; and

(b) if so, the main features thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) and (b). The regional basis for planning in the Power Sector has already been accepted in the Fourth Plan. Planning and selection of power generation as well as transmission schemes is accordingly being based on the requirements of a region as a whole rather than of individual States.

रेलवे के सिग्नल और दूर संचार विभाग के कर्मचारियों को ब्रेक-डाउन भत्ते के स्थान पर दैनिक भत्ता दिया जाना

4010. श्री हुकम चन्द कछवाय : क्या रेल मंत्री 29 अगस्त, 1972 के रेलवे में ब्रेक-डाउन भत्ते के स्थान पर दैनिक भत्ता दिए जाने के बारे में अतारांकित प्रश्न सं० 3941 के उत्तर के संबंध में यह बताने की कृपा करेंगे कि :

(क) क्या प्रश्न के भाग (ख), (ग) और (घ) के संबंध में इस बीच सूचना एकत्र की जा चुकी है ; और

(ख) यदि हां, तो उसकी मुख्य बातें क्या हैं और यदि नहीं, तो इसके क्या कारण हैं और यह सूचना कब तक एकत्र कर ली जायेगी ?

रेल मंत्री (श्री टी० ए० पाई) :

(क) और (ख). सूचना इकट्ठी कर ली गयी है और आश्वासन की पूर्ति में 17-11-1972 को संसदीय कार्य विभाग को भेजी जा चुकी है। इसकी एक प्रति सभा पटल पर रखी है (ग्रंथालय में रखी गई)। देखिए संख्या एल टी-3995/72)

रेलवे समय सारणी के मई, 1972 के संस्करण में बंगला देश को 'पूर्वी बंगाल' के रूप में दिखाना

4011. श्री हुकम चन्द कछवाय : श्री नरेन्द्र सिंह :

क्या रेल मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या सरकार का ध्यान मई, 1972 में प्रकाशित रेलवे समय सारणी में "भारतीय रेलवे" के नक्शे की ओर दिलाया गया है, जिसमें बंगला देश शब्द के स्थान पर "पूर्वी बंगाल" लिखा हुआ है ; और

(ख) यदि हां, तो उक्त नक्शे के संबंध में सरकार का क्या कार्रवाई करने का विचार

रेल मंत्री (श्री टी० ए० पाई) :
(क) क्षेत्रीय रेलों की समय सारणियों तथा रेलवे बोर्ड द्वारा मई, 1972 में प्रकाशित अंग्रेजी के आल इंडिया रेलवे टाइम टेबल के नक्शों में उस क्षेत्र को 'बंगला देश' के रूप में ठीक से दिखाया गया है। लेकिन, वाराणसी के एक प्राइवेट संगठन द्वारा प्रकाशित हिन्दी की अखिल भारतीय रेलवे समय सारणी के नक्शे में उस क्षेत्र को पूर्वी पाकिस्तान के रूप में दिखाया गया है।

(ख) वाराणसी के प्राइवेट संगठन को उपयुक्त रूप से कहा गया है कि समय सारणी के आगामी अंक में नक्शे को शुद्ध कर दिया जाये।

रेलवे बजट में प्रशासन व्यय की प्रतिशतता

4012. श्री मूलचन्द डागा : क्या रेल मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या रेलवे विभाग में अधिकारियों की भीड़ है और इस अनावश्यक भीड़ के कारण रेलवे प्रशासन में अधिकारियों पर अत्यधिक खर्चा होता है; और

(ख) रेलवे बजट का कितने प्रतिशत प्रशासन पर खर्च होता है ?

रेल मंत्री (श्री टी० ए० पाई) :
(क) रेलों में राजपत्रित संवर्ग में वृद्धि के मुख्य कारण ये हैं :- लगभग 2000 डाक्टरों का तीसरी श्रेणी से दूसरी श्रेणी में दर्जा बढ़ाया जाना नये निर्माणकार्य,

तीन वर्षों में दर्जेदार यात्रियों की संख्या इस प्रकार रही :-

	(दम लाख में)		
	1969-70	1970-71	1971-72
वातानुकूल दर्जा	0.3	0.3	0.3
वातानुकूल कुर्सीयान	0.3	0.3	0.4
पहला दर्जा	85.6	78.0	83.0
दूसरा दर्जा	10.9	9.8	9.9
तीसरा दर्जा	2,241.4	2,342.7	2,442.1
सभी दर्जों का जोड़	2,330.5	2,431.1	2,535.7

(ख) एक विवरण सभा पटल पर रखा
देखिए संख्या एल टी—3996/72]

अधिक माल यातायात होने और दावों की संख्या कम करने के लिए अभियान, डीजलीकरण, पुर्जों और उपस्करों आदि का देश में बनाया जाना। यह सही नहीं है कि रेलवे विभाग में अधिकारियों की संख्या आवश्यकता से अधिक है।

(ख) 1972-73 के बजट अनुमानों के अनुसार 'प्रशामन' पर राजस्व का कुल खर्च ममस्त खर्चों का केवल 9.4 प्रतिशत आता है। इसमें प्रशासन से सम्बन्धित अधिकारियों के साथ-साथ अराजपत्रित कर्मचारियों पर होने वाला खर्च भी शामिल है।

रेलवे की विभिन्न श्रेणियों में यात्रा करने वाले यात्रियों की संख्या

4013. श्री मूलचन्द डागा : क्या रेल मंत्री यह बताने की कृपा करेंगे कि
(क) प्रतिवर्ष तृतीय श्रेणी में यात्रा करने वाले यात्रियों की संख्या क्या है और ऐसे यात्रियों की संख्या क्या है जो प्रथम श्रेणी तथा इससे ऊपर की श्रेणी में यात्रा करते हैं; और

(ख) तृतीय श्रेणी के डिब्बों की संख्या क्या है; और प्रथम श्रेणी के डिब्बों और इससे ऊपर की श्रेणी के डिब्बों की संख्या क्या है ?

रेल मंत्री (श्री टी० ए० पाई) :

(क) 1971-72 पर समाप्त होने वाले

[प्रकाशित में रखा गया।

Issue of Licence for a Soda Ash Plant at Karwar in M/s. Ballarpur Paper and Straw Boards Limited

4015. SHRI B. V. NAIK: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether M/s. Ballarpur Paper and Straw Boards Limited have been granted a licence for erection of a Soda Ash Plant at Karwar; and

(b) whether they are erecting the plant at Binaga instead of Karwar?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) No, Sir.

(b) Does not arise.

Decision on Krishna Basin Rivers by Inter-State River water disputes Tribunal

4016. SHRI B. V. NAIK: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether the dispute of the rivers in the Krishna basin has been decided by the Inter-State River Water Disputes Tribunal; and

(b) if not, the time by which the decision is expected?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) and (b). The adjudication proceedings before the Krishna Water Disputes Tribunal are being conducted like Court proceedings; while it is not possible to indicate when they are likely to be over, it is hoped that, since the proceedings are in an advanced stage, the Tribunal's award may be available in about a year's time.

Railway Lines between Sholapur-Shahabad and Dhond-wadi

4017. SHRI DHARAMRAO AFZALPURKAR: Will the Minister of RAILWAYS be pleased to state:

(a) whether there is any proposal under the consideration of Government to start work on Railway lines between Sholapur-Shahabad and Dhond-Wadi; and

(b) if so, the gist therefor?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) and (b). There is no such proposal on the Sholapur Shahabad section. The following line capacity works are in progress on the Daund-Wadi section:—

(i) Crossing stations between:

(a) Madha—Angar.

(b) Kulali—Gangapur;

(ii) Additional loop at Martur.

Damage to Loharu Lift Irrigation system in Haryana

4018. SHRI M. M. JOSEPH: SHRI B. K. DASCHOW-DHURY:

Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether a pumping system of the multi-million rupee Loharu Lift Irrigation system in Haryana exploded on the 15th November 1972, causing damage; and

(b) if so, the causes of explosion, the extent of damage and the steps taken by Government in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) and (b). It has been reported by the Government of Haryana that there was no explosion of the pumping system of Loharu Lift Scheme on 15th

November, 1972. All the 12 Pumping Stations on the main carrier and distributaries of this scheme were operated during this rainy season from July to October and worked satisfactorily. However, after the closure of the canal, the testing of the Pumping Stations was done to see the maximum settlement of the cisterns that could take place on the sandy tibia. It was found that one of the walls of the cistern of Pump House No. 3 had developed cracks and part of it yielded due to the settlement of the cistern. The Government of Haryana have further reported that this is being replaced.

Location of Factories, workshops, Stores depots and Scrap Depots in Kerala (Southern Railway)

4019. SHRI VAYALAR RAVI: Will the Minister of RAILWAYS be pleased to state:

(a) Whether Government are aware that none of the existing factories, workshops, stores depots and scrap depots in Southern Railway are situated in Kerala;

(b) if so, the reasons therefor; and

(c) whether Government propose to take steps to set up some railway installations in Kerala to do away the present regional disparities in the allocation of such installations and increase the working efficiency of Railways in that State?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) Yes.

(b) Railway Workshops, Stores Depots and Scrap Depots are not set up based on regional considerations but these are located at suitable points on the Railway systems which are considered to be most advantageous to meet the needs of the Railways.

(c) To meet the needs of increasing traffic, if it is advantageous and increases the working efficiency of the

Railway to locate any repair installations, depots etc. in Kerala State, then steps will be taken to set up such installations at the most advantageous location in the State.

Estimated shortage of Power in Northern Region in 1973-74 and 1974-75

4020. SHRI RANABAHADUR SINGH: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) the estimated shortfall in electric power supply in comparison to the projected demand in the Northern region of the country for the year 1973-74 and 1974-75; and

(b) the steps contemplated to be taken to remove this shortage?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) The shortfall in electric power supply in Northern region compared with the projected demand for the years 1973-74 and 1974-75 is estimated at 872 MW and 252 MW respectively.

(b) The following steps are being taken to reduce the shortage:—

(i) Commissioning of Power generating capacity under erection is being expedited.

(ii) Small generating sets lying idle with the Boards are being repaired and pressed into service.

(iii) Private industries are being permitted to instal captive power generating plants.

(iv) Inter-state/Inter-regional transmission links are being strengthened.

(v) State Electricity Boards are installing diesel generating sets.

Setting up of New Fertilizer Units in Southern States

4022. SHRI Y. ESWARA REDDY: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether Government have taken any decision to set up new Fertilizer Units in Southern States to cater to their needs; and

(b) if so, the gist thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) and (b). The following fertilizer projects are in different stages of construction in the four Southern States:—

Name of the State	Name of the Company establishing the project(s)	Location	Annual capacity	
			('000 tonnes)	
			N	P205
1. Mysore	Mangalore Chemicals & Fertilizers Ltd.	Mangalore	160	..
2. Tamilnadu	Southern Petro-chemicals Ind. Corp. Ltd.	Tuticorin	258	52
3. Kerala	F.A.C.T.	Cochin ; Phase I	152	..
		Phase II	40	114
4. Andhra Pradesh	Fertilizer Corporation, of India Ltd.,	Ramagundam	228	..

A number of new projects would be required to meet the growing fertilizer demand in the country during the Fifth Plan period; their locations will be determined on techno-economic considerations and other relevant factors.

(c) the time schedule for the completion of the project; and

(d) whether full provision for meeting the entire cost of the project is being made in the Fifth Plan, if not, the reasons therefor?

Progress made on Western Kosi Canal Project

4023. SHRI BHOGENDRA JHA: Will the Minister of IRRIGATION AND POWER be pleased to refer to the reply given to the Unstarred Question No. 370 on the 14th November, 1972, regarding progress made in Western Kosi Canal Project and state:

(a) whether Government of Bihar have sought any loan for executing Indian portion of the Western Kosi Canal during the Fourth Plan;

(b) if so, the reaction of Government thereto;

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) and (b). The Government of Bihar had requested that necessary funds be made available for the completion of the Project on schedule. As according to the agreement reached between India and Nepal the portion of the main canal lying in Nepal is to be built by 1975, the Government of India have agreed to provide special assistance to Bihar Government to meet its cost of construction outside the State Plan ceiling during the Fourth Plan. The Nepalese Benefit portion will be provided as loan to the State Government. The State Plan for 1973-74 includes a provision

of Rs. 1.65 Crores in addition to the special central assistance to undertake preliminary works in Bihar portion. The Working Group of the Planning Commission has also recommended this outlay.

(c) The Government of Bihar propose to complete the project by the end of Fifth Plan provided funds are available.

(d) Full provision of funds in Fifth Plan for this scheme will depend on the availability of resources in the State Plan.

Setting up Thermal Power Project at Darbhanga

4024. SHRI BHOGENDRA JHA: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether there is any proposal for setting up thermal power projects at Darbhanga; and

(b) if so, the broad outlines thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) No, Sir.

(b) Does not arise.

Extension of Kamala River Embankments

4025. SHRI BHOGENDRA JHA: Will the Minister of IRRIGATION AND POWER be pleased to refer to the reply given to Unstarred Question No. 367 on the 14th November, 1972 regarding execution of Kamala River Embankments and state:

(a) the reasons for delay in the finalisation of the detailed report of the scheme of extending the Kamala embankments and the time by which it is proposed to be finalised;

(b) whether this scheme is going to be included in the Fifth Plan, if not, the reasons therefor;

(c) whether apart from overflowing the Indian territory of 64 Sq. Miles, large part of the Nepalese territory is overflowed and the Government of Nepal and India had agreed upon this scheme; and

(d) if so, the causes of delay?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) to (d). His Majesty's Government of Nepal had agreed with the proposal for extension of the Kamala embankments in Bihar beyond Jainagar upto Mirchia in Nepal territory. This proposal, in addition to providing protection to about 64 Sq. Kms. in the Indian territory, will benefit about 180 Sq. Kms. in Nepal territory. The State Government of Bihar, who are to finalise the scheme, have not indicated the date by which the report will be ready. Detailed reports of the schemes are prepared taking into account the relative priorities and the funds likely to be available for implementation. There is no provision for the scheme of extension of Kamala Bala embankments in Nepal territory in the Fourth Plan. The inclusion of the schemes in Fifth Plan is to be decided taking into account the outlays that are to be provided, the relative priorities and the economics of the schemes.

Cancellation of Trains due to the shortage of Coal

4026. SHRI SUKHDEO PRASAD VERMA: Will the Minister of RAILWAYS be pleased to state:

(a) the total number of rail services cancelled due to coal shortage since January, 1972;

(b) the measure Government propose to take to meet the coal shortage; and

(c) the estimated loss suffered as a result of cancellation of rail services during the said period on all zones?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) and (c). The information is being collected from the zonal Railways and will be laid on the Table of the House in due course.

(b) Efforts are continuously made to deliver coal at each of the numerous consuming points on the Railways. Because of operational disturbances, break-down in collieries, accidents, labour troubles, etc., there may be instances when some delay in reaching coal to the sheds takes place warranting temporary suspension of some services.

Shortage of Naphtha

4027. **SHRI SUKHDEO PRASAD VERMA:**

DR. H. P. SHARMA:

Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether Naphtha is the most preferred feed stock for fertilizer production;

(b) whether there is shortage of naphtha to meet the requirement of fertilizer plants; and

(c) if so, the measures Government propose to take to meet the shortage?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) Next to natural gas, naphtha is the most preferred feed-stock for fertilizer production.

(b) and (c). Requirements of fertilizer plants to which naphtha is committed are being met in full. To the extent necessary, indigenous production is being supplemented by imports. In view, however, of the overall shortage of naphtha, all new fertilizer plants will, as far as possible, be based on either fuel oil or other heavy petroleum fractions as their feedstock.

Fixation of Seniority of Senior Subordinates on "All Division" Basis (Southern Railway)

4028. **SHRI THA KIRUTTINAN:** Will the Minister of RAILWAYS be pleased to state:

(a) whether arrangements are proposed to be made to bring the posts of Senior Subordinates in grade Rs. 335—425 in the Traffic Department on Southern Railway on "All Division" basis with a combined seniority list of personnel on scale Rs. 250—380 like other Departments to avoid persons superseding those who have been appointed earlier; and

(b) if not, the reasons therefor?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) No.

(b) The posts of Station Masters/Traffic Inspectors, Section Controllers in scales Rs. 335—425 and Rs. 250—380 were decentralised from 1-1-63 in consultation with organised Labour as generally the staff concerned were reluctant to move from one Division to another even on promotion, resulting in delay in manning the posts for operation of train services.

Grant of H.R.A. and C.C.A. to Staff of S&T Workshop, Podanur Areas of Coimbatore City

4029. **SHRI THA KIRUTTINAN:** Will the Minister of RAILWAYS be pleased to state:

(a) whether his Ministry is aware of the struggle carried on by the staff of the Signal & Telecommunication Workshop, Podanur for the grant of HRA and CCA as the area is contiguous to Coimbatore City;

(b) whether their demand is proposed to be met; and

(c) if not, the reasons therefor?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) to (c). The demand of Railway Staff at Pondanur for grant of H.R.A. and C.C.A. at the rates admissible for Coimbatore City is under consideration of the Ministry of Railways. The certificate of dependency of Pondanur on Coimbatore City, received with Southern Railway's proposal in this regard, as granted by the office of the Collector concerned, was defective. The same has been returned for rectification. On receipt of a valid dependency certificate, question of grant of House Rent and Compensatory (City) Allowance to Railway staff will be examined in consultation with the Ministry of Finance.

Drinking Water for Railway Staff at Salem Market Area

4030. SHRI THA KIRUTTINAN: Will the Minister of RAILWAYS be pleased to state:

(a) whether his Ministry is aware of the difficulties of Railway staff residing at Salem Market Station area in getting adequate drinking water;

(b) whether steps are proposed to be taken to ensure adequate and proper supply of drinking water; and

(c) if not, the reasons therefor?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) Yes.

(b) Yes. Proposal is under examination for taking water from the Municipality as a permanent measure to meet the requirements of the station and the colony.

(c) Does not arise.

Closure of Pathankot-Joginder Nagar Railway Line (Northern Railway)

4031. SHRI VIKRAM MAHAJAN: Will the Minister of RAILWAYS be pleased to state:

(a) whether the narrow gauge Pathankot-Joginder Nagar Railway line (H.P.) is likely to be closed for some time; and

(b) if so, what steps are being taken to prevent the closure of the said line?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) and (b). As per the present indications given by the Ministry of Irrigation and Power, the Pong Dam is expected to be completed by June '73 and it will start impounding water in the reservoir thereafter. The Railway track between Jawanwala Shahr and Guler near Gaj bridge will thus be submerged under water in the rainy season of 1973 on account of which rail communication beyond Jawanwala Shahr will have to be suspended with effect from 1-4-73 so that railway track materials and girders are dismantled and removed to safety before the monsoon. The construction of an alternative rail alignment on higher level between Jawanwala Shahr and Guler (29.8 Kms.) was planned and sanctioned in April, 1969. The work, however, could not be taken up till recently as the land required for this re-alignment could not be placed at the disposal of the Railways by the Beas Dam Project authorities. Since the re-alignment will not be ready before 31-12-1974, the suspension of rail communication will have to extend till the end of December 1974. This suspension of traffic can be avoided only if the Beas Dam Project authorities, would agree to defer impounding of water in the reservoir till the monsoon of 1975.

Report of Railway Labour Tribunal

4032. SHRI R. P. YADAV: Will the Minister of RAILWAYS be pleased to state:

(a) whether Government have received the report of Miabhoy Railway Labour Tribunal;

(b) if so, what are its main recommendation with regard to the facilities to be given to the Running Staff; and

(c) by what time it will be implemented?

THE MINISTER OF RAILWAYS
(SHRI T. A. PAI): (a) Yes.

(b) The main recommendations made in the Report of the Railway Labour Tribunal, 1969 with regard to the facilities to be given to the Running staff relating to their hours of employment, pay scales etc. are as follows:

- (1) Running duty at a stretch of running staff should not ordinarily exceed 10 hours, but such duty may extend to a maximum of 12 hours provided the concerned authority gives at least 2 hours' notice before the expiration of 10 hours to the concerned staff that it will be required to perform running duty for 2 hours more; provided further that the total maximum hours of duty from signing-on to signing-off does not exceed 14 hours; provided further that the total maximum hours should progressively be reduced by half an hour every 2 years from the date of this Report till the period of 12 hours is reached i.e., at the end of 8 years from the date of this Report, total maximum hours of duty at a stretch from signing-on to signing-off shall not exceed 12 hours.
- (2) All time spent for travelling spare on duty should be considered as period of duty except—
 - (i) when an employee is provided with the facility of a crew rest van, and
 - (ii) when an employee does not travel on any day beyond a radius of 8kms from his place of duty.
- (3) The rate of overtime to be paid beyond the statutory weekly hours averaged over two weeks shall be twice the ordinary rate of pay.

- (4) All inter-divisional and long distance passenger trains should be upgraded to Grade 'A' in respect of scales of pay provided the total run is not less than 250 k.ms.

(c) The various recommendations are under active consideration and Government's decisions thereon will be taken as early as possible. It is difficult, at this stage, to specify the precise date of implementation.

Late Running of Trains in the North-East Region

4033. SHRI R. P. YADAV: Will the Minister of RAILWAYS be pleased to state:

(a) whether the trains are running late for hours together in the North-East region regularly;

(b) if so, the reasons therefor; and

(c) the steps being taken to run the trains on time in the said region?

THE MINISTER OF RAILWAYS
(SHRI T. A. PAI): (a) No.

(b) Does not arise.

(c) Punctuality performance of trains is closely watched at all levels by the Zonal Railways and for important trains, at Railway Board's level. Avoidable detentions are promptly investigated and suitable remedial or punitive action is taken to improve punctuality. In some trains even alarm chain apparatus has been blanked off to effect an improvement in punctuality.

Mahi Sagar Project in Rajasthan

4034. SHRI NAWAL KISHORE SHARMA: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether Mahi Sagar Project in Rajasthan has been sanctioned by Government;

(b) if so, the expenditure to be incurred on the project and how much assistance will be rendered by the Central Government; and

(c) the area to be brought under irrigation and the power to be generated as a result of the project; the extent to which this project will be helpful to Rajasthan in meeting the power demand?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a). The Mahi Bajaj sagar project has been accepted for inclusion in the developmental plans of Rajasthan and Gujarat.

(b) and (c). The estimated cost of the project is Rs. 31.36 crores. The project is expected to irrigate 46558 ha. in Rajasthan and provide additional supplies to the Mahi areas in Gujarat. Power Generation is not envisaged at present from the project. Provision is however being made in the works to enable power generation at a future date.

Central assistance to State Plans is in the form of block loans and grants for the Plans as a whole, and not related to any individual sector or head of development, or specific projects.

Supply of Power to Punjab by Rajasthan

4035. SHRI NAWAL KISHORE SHARMA: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether the attention of Government has been drawn to a news item published in the 'Hindustan Times' dated the 13th November, 1972 under the caption "Punjab Power crises may worsen by mid December";

(b) the extent to which such a shortage of power will effect Delhi which is already facing a serious power crisis; and

(c) whether Rajasthan is in a position to meet the domestic need of power after supply of substantial power to Punjab and if not, the reaction of Government in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a). Yes, Sir.

(b) No, Sir. Delhi will not be effected.

(c) Supply of relief power to Punjab is being arranged from Madhya Pradesh through Rajasthan transmission net-work. Rajasthan has been trying to wheel this energy through their system after meeting their own domestic needs. They have indicated that owing to repaid increase in the power requirements of Rajasthan, they are not in a position to pass on any substantial energy relief from Madhya Pradesh to Punjab. There are transmission line limitations also. The position is expected to improve after the energisation of 220kV Jaipur-Kota transmission line by end of December 1972.

मध्य प्रदेश में पुनासा बांध का निर्माण

4036. श्री गंगा चरण श्रीमति : क्या सिंचाई और विद्युत् मंत्री यह बताने की कृपा करेंगे कि :

(क) मध्य प्रदेश को सरकार द्वारा पुनासा बांध बनाने के कारण पूर्व निभाड़ जिले को हरबूद तहसील की कितनी एकड़ भूमि तथा कितने गांव कट रहे हैं ; और

(ख) केन्द्रीय सरकार द्वारा इस बांध को बनाने से हरबूद तहसील की जो भूमि कट रही है और साथ ही जो गांव उजड़ रहे हैं उनके लिए आवश्यक सहायता क्या कार्यवाही की जा रही है ?

सिंचाई और विद्युत् मंत्रालय में उपमंत्री (श्री बंजनाथ कुरील) :
(क) और (ख) परियोजना, जैसे कि मध्य प्रदेश सरकार ने प्रस्तावित की है (आर० एन० 860 के पूर्ण जलाशय स्तर के साथ) से पता चलता है कि पुनासा जलाशय से 156221 एरुड क्षेत्र जलमग्न हो जायेगा तथा हरसुद नहमील में 126 गांव (120 राजस्व गांव तथा 6 वन गांव) प्रभावित होंगे। यह परियोजना अभी मध्य प्रदेश की विकासात्मक योजना में सम्मिलित करने के लिए स्वीकृत नहीं की गई है ;

परियोजना रिपोर्ट में यह भी बताया गया है कि प्रभावित भूमि और मत्पानि के मुआवजे के लिए तथा उन विस्थापित लोगों को पुनः बसाने के लिए 21.89 करोड़ रुपये की व्यवस्था की जायगी, जिन्हें सहवर्ती क्षेत्रों में वर्तमान दिनों में तथा जहां आवश्यक हो, नए माडल गांवों का विकास करके भू-घण्ट देकर पुनः बसाना प्रस्तावित है।

मध्य प्रदेश के लिए संजूर की गई बड़ी और मध्यम दर्जे की सिंचाई परियोजनाएं

4037. श्री गंगा चरण दीक्षित : क्या सिंचाई और विद्युत् मंत्री यह बताने की कृपा करेंगे कि :

(क) गत तीन वर्षों में मध्य प्रदेश में सिंचाई और विद्युत् मंत्रालय तथा योजना आयोग द्वारा कितनी बड़ी तथा मध्यम दर्जे की परियोजनाएं स्वीकृत की गई हैं ;

(ख) इस कार्य के लिए कितनी राशि नियत की गई है ; और

(ग) इस संबंध में अब तक कितनी प्रगति हुई है ?

सिंचाई और विद्युत् मंत्रालय में उपमंत्री (श्री बंजनाथ कुरील) : (क) मध्य प्रदेश की विकासात्मक योजनाओं में शामिल करने के लिए गत तीन वर्षों के दौरान स्वीकृत

नयी वृद्ध तथा मध्यम स्कीमें निम्नलिखित हैं :—

परियोजना	अनुमानित लागत (1972-73 की वार्षिक योजना के अनुसार)
(लाख रुपये)	

बृहद

1. महा नदी जलाशय परियोजना चरण-एक मध्यम	1534
2. कुंवरपुर	98.83
3. वर्गूर	71.74
4. पुनका नाला	63.53
5. जामनी बांध	61.26
6. मयना नाल	46.92
7. मित्र नदी परियोजना	494.95

(ख) और (ग). उपर्युक्त पैरा (क) में उल्लिखित नयी स्कीमों पर तथा चौथी योजना की शेष अवधि में स्वीकृत होने वाली अन्य नई स्कीमों पर चौथी योजना के दौरान 14 करोड़ रुपये के परिव्यय का मध्य प्रदेश सरकार ने प्रस्ताव रखा है।

जबकि नयी स्कीमों पर कार्य आरम्भ किया जायेगा, यह उम्मीद की जाती है कि वे पांचवीं योजना के अंत तक पूरी हो जायगी और अथवा उनमें लाभ मिलना आरम्भ हो जायेगा।

मध्य प्रदेश के पूर्व निमाड़ जिले में सुकता परियोजना की क्रियान्विति

4038. श्री गंगा चरण दीक्षित : क्या सिंचाई और विद्युत् मंत्री यह बताने की कृपा करेंगे कि :

(क) मध्य प्रदेश में पूर्व निमाड़ जिले की सुकता परियोजना को क्रियान्विति के

सम्बन्ध में नवीनतम स्थिति क्या है इसके पूरा होने का निर्धारित समय क्या है;

(ख) क्या सुकता नदी के दोनों ओर तटबन्ध बनाने की कोई योजना है; और

(ग) क्या इस परियोजना के निकटवर्ती गांवों के पास पुल और स्कूल फाटक बनाने की कोई योजना है और यदि हां, तो तत्सम्बन्धी मुख्य बातें क्या हैं ?

सिबाई और विद्युतमंत्रालय में उपमंत्री (श्री बैजनाथ कुरील) : (क) से (ग). सुकता परियोजना, जैसा कि मध्य प्रदेश द्वारा मूल रूप में प्रस्तावित की गई है, की अनुमानित लागत 632 लाख रुपये थी 1969 में, राज्य सरकार ने सूचना दी थी कि परियोजना प्रस्तावों को संशोधित किया जा रहा है। अभी तक संशोधित रिपोर्ट राज्य सरकार में प्राप्त नहीं हुई है।

Flood Control Projects in Delhi

4039. SHRI MADHUKAR: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether Delhi Administration's two flood control projects have received clearance from Planning Commission and Central Water and Power Commission; and

(b) if so, the main features of the projects?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL):

(a) The Hon'ble Member is presumably referring to the Shahdara Drainage scheme and the scheme for remodelling and lining of Najafgarh drain and providing a Cunnettee in its bed which have been approved by the Planning Commission for implementation on the recommendations of the Central Water and Power Commission and the Technical Advisory Committee of the Planning Commission.

(b) The Shahdara Drainage scheme is for providing storm drainage arrangements for benefiting the entire area in the Union Territory of Delhi and some areas of Uttar Pradesh on the left bank of the Yamuna. It is estimated to cost Rs. 219 lakhs and will benefit 7690 hectares in the Union Territory of Delhi and 6960 hectares in Uttar Pradesh.

The scheme for remodelling and lining of the Najafgarh drain from Bharatnagar bridge to outfall for doubling its present capacity in this reach and for providing a Cunnettee in its bed from Basaidarapur bridge to its outfall into Yamuna is estimated to cost Rs. 205 lakhs. This will help in the speedy disposal of storm water from the urban and rural areas of Delhi and also in channelising the dry weather discharge for preventing insanitary conditions in the lower reaches of the drain.

Introduction of a Direct Train from Patna to Dhanbad via Gaya

4040. SHRI RAMAVATAR SHASTRI: Will the Minister of RAILWAYS be pleased to state:

(a) whether a decision was taken to introduce a direct train from Patna to Dhanbad via Gaya;

(b) whether the distance between Patna and Dhanbad via Gaya is relatively less than the distance between Patna and Dhanbad via Kiul; and

(c) if so, the reasons for introduction of the train via Kiul instead of via Gaya as decided in the first instance?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) and (b). Yes.

(c) Due to non-availability of capacity on the Dhanbad-Gomoh-Gaya section No. 25/26 Patliputra Expresses which have been introduced to meet the persistent demands of the people have been routed via Kiul.

Strength of Class III and IV Staff and Clerical Staff in Personnel Branch, Danapur Divisional Office (Eastern Railway)

4041. SHRI RAMAVATAR SHASTRI: Will the Minister of RAILWAYS be pleased to refer to the reply given to Unstarred Question No. 1880 on the 4th April, 1972 regarding fixation of yardstick of work for Clerks of Personnel Branch, Divisional Office, E. Rly., Danapur and state:

(a) whether reply to Unstarred Question No. 1880 on the 4th April, 1972 has been fully implemented;

(b) whether a reference dated 10th May, 1972 was made by a Member of Parliament to the Railway Minister and acknowledged by him under his D.O. letter No. MR/1740-A/72, dated 12th May, 1972; and

(c) if so, the action taken in the matter?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) The Eastern Railway are undertaking a fresh job analysis in the Personnel Branch, Danapur Divisional Office.

(b) Yes.

(c) A reply was sent to the Hon'ble Member of Parliament by the Deputy Minister for Railways.

Uniform Yardstick for Accounts Clerks in P. F. Section

4042. SHRI RAMAVATAR SHASTRI: Will the Minister of RAILWAYS be pleased to refer to the reply given to Unstarred Question No. 5357 on the 20th July, 1972 regarding workload for Accounts Clerks in P.F. Sections of Headquarters and Divisional Offices and state:

(a) whether Government propose to fix uniform yardstick of workload for Accounts Clerks in P.F. Section and prescribe specific duty list and

provide staff according to the yardstick; and

(b) if so, when the proposal is expected to be implemented?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) No.

(b) Does not arise.

Implementation of latest Duty List of Head Typists in Kota Division (Western Railway)

4043. SHRI PRAVINSINH SOLANKI: Will the Minister of RAILWAYS be pleased to state:

(a) whether the latest duty list of Head Typists as advised by the Office of the General Manager, Western Railway, Bombay is not being implemented on the Kota Division of Western Railway, if so, the reasons therefor; and

(b) the action Government propose to take in the matter?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) The duty list of the Head Typists has been implemented on the Kota Division.

(b) Does not arise.

Implementation of Shanker Saran Award on Western Railway

4044. SHRI PRAVINSINH SOLANKI: Will the Minister of RAILWAYS be pleased to state:

(a) whether Shankar Saran Award is equally applicable to the Electric Staff on Indian Railways; and

(b) if so, the number of posts created in pursuance of the Award over Western Railway on each Division with reasons for delay, if any, in implementing the Award?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) No. The Shankar Saran Award was meant only for the Mechanical Workshops. Subsequently, as a result of discussions with Organised Labour on the Rail-

ways, the Award was extended in 1960, under special orders of the Ministry of Railways, to the non-Mechanical Workshops and the open line establishments viz., Electrical, Civil Engineering, Signal and Telecommunication Departments etc. on the Railways on the basis of comparison of worth of charges.

(b) The number of posts created in the Electrical Department on each Division of the Western Railway in pursuance of implementation of the special orders mentioned in the reply to part (a) above are as under:—

Division	Number of posts upgraded in	
	Highly Skilled Grade I in scale Rs. 175—240	Highly Skilled Grade II in scale Rs. 130—212
Bombay . . .	18	25
Baroda . . .	16	33
Ratlam . . .	7	21
Kota . . .	24	7
Ajmer . . .	11	19
Jaipur . . .	7	14
Rajkot . . .	9	26
Bhavnagar . . .	7	15

There has been no delay and up-gradation has already been complet-

ed. The posts are being filled up by conducting trade tests.

Offer from Iraq for Oil on concessional Rates

4045. SHRI B. K. DASCHOW-DHURY: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether Iraq had offered oil to India on concessional rates; and

(b) if so, an outline of the offer?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) and (b). Iraq National Oil Company and the Indian Oil Corporation have entered into a commercial agreement for the sale/purchase of North Rumaila crude oil. It will not be in the public interest to disclose its terms and conditions.

Units manufacturing Synthetic Fibres

4046. SHRI SHYAMNANDAN MISHRA: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) the number of units licensed annually to manufacture synthetic fibres during the last three years; and

(b) the amount of investment involved in each case?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) and (b). A statement is attached.

Funds for Irrigation Schemes at Sambalpur

4047. SHRI P. GANGADEB: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether irrigation schemes for which special studies were conducted at the District level of Sambalpur after visit of the Central Team have been approved for execution; and

(b) whether adequate funds will be provided by the Centre for execution of the said schemes?

2889)Aii) LS.

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) and (b). The information is being collected from the Government of Orissa and will be laid on the Table of the House.

Changes in Indian Electricity Act

4048. KUMARI KAMLA KUMARI: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether Government propose to make certain changes in the Indian Electricity Act; and

(b) if so, the main features thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) and (b). The Indian Electricity Act, 1910 lays down the law relating to supply and use of electrical energy. On the experience gained in implementing the provisions of the Act, amendments are periodically carried out to suit the needs, the last such amendment carried out was in 1959. Some proposals for amendment are under examination in consultation with the States. The intended amendments could be known only after finalisation of the proposals.

Theft at Hatia Station in Bihar

4049. KUMARI KAMLA KUMARI: Will the Minister of RAILWAYS be pleased to state:

(a) whether the attention of Government has been drawn to a news item which appeared in 'Hazaribagh Samachar' dated the 13th November, 1972 published from Ramgarh Cantt, Hazaribagh (Bihar) regarding theft at Hatia Station in Ranchi; and

(b) if so, the persons arrested in that connection and action taken against them?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) and (b). The information is being collected and will be placed on the table of the Sabha.

अम्बाला यात्री गाड़ी में गुंडों द्वारा यात्रियों के साथ अपमानजनक व्यवहार

4050. श्री नरेन्द्र सिंह : क्या रेल मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या सरकार का ध्यान दिनांक 18 नवम्बर, 1972 के दैनिक 'हिन्दुस्तान' में प्रकाशित इस समाचार की ओर दिलाया गया है कि कुछ गुण्डा तत्वों ने मोदी नगर और मुगद नगर स्टेशनों के बीच अम्बाला यात्री गाड़ी में महिला यात्रियों के साथ बहुत ही अपमानजनक व्यवहार किया था; और

(ख) यदि हां, तो उक्त घटना के तथ्य क्या हैं और भविष्य में ऐसी घटनाओं को रोकने के लिए सरकार का क्या कार्यवाही करने का विचार है ?

रेल मंत्री (श्री टी. ए. पाई) : (क) जी हां ।

(ख) घटना सम्बन्धी तथ्य : जब अम्बाला से दिल्ली जाने वाली गाड़ी नं० 4 डी एस यू (अम्बाला-दिल्ली सवारी गाड़ी) 11-11-72 को मुगदनगर पहुंची तो दो अध्यापिकाओं सहित कुछ छात्रायाँ, जो गाजियाबाद वापस आ रही थीं, तीसरे दर्जे के एक डिब्बे में चढ़ीं । मुगदनगर में कुछ लड़के भी उसी डिब्बे में चढ़ गये और नौजवान लड़कियों के प्रति अश्लेष शब्दों का प्रयोग करने लगे । श्री सेखों ने, जो अपर की वर्ग यात्रा कर रहे थे, उन लड़कों को ऐसे अवांछनीय कार्य कलाप से रोकने का प्रयत्न किया । इस पर श्री सेखों और लड़कों के बीच लड़ाई हो गई । जिसमें श्री सेखों की घड़ी छीन ली गयी । लड़कियों के साथ शारीरिक छेड़-छाड़ बर्तई नहीं हुई । लड़के हाकियां, छुरे आदि नहीं लिये हुए थे, न उन्होंने किसी अध्यापिका को थप्पड़ मारा जैसा कि आरोप लगाया गया है । पुलिस के पहुंचने से पहले लड़के निकले गये इस घटना की रिपोर्ट मेरठ की मरकरी रेलवे पुलिस को की गयी थी और पुलिस ने भारतीय दंड संहिता की धारा 392 और भारतीय रेल अधिनियम की धारा 108 के अन्तर्गत मामला दर्ज किया है । अब तक तीन व्यक्ति गिरफ्तार किये जा चुके हैं ।

गाड़ियों और रेल परिसरों में डकैती, लूट-पाट और अन्य जघन्य अपराधों की रोकथाम के लिए निम्नलिखित उपाय किये गये हैं :-

(क) दुष्प्रभावित क्षेत्रों में यात्रियों की संख्या सुनिश्चित करने के लिए रात में चनेल

वाली सभी महत्वपूर्ण सवाी गाड़ियों पर यथा संभव सरकारी रेलवे पुलिस के मार्गरक्षकों की व्यवस्था की जाती है;

(ख) रेलवे सुरक्षा दल के कर्मचारियों को निदेश दिया गया है कि रेलों पर घटनाओं के जिम्मेवार अपराधियों का पता लगाने के लिए सरकारी रेलवे पुलिस और सिविल पुलिस को सक्रिय सहयोग प्रदान करें।

(ग) खंडों पर सक्रिय बदमाशों पर कड़ी निगाह रखने के लिए सरकारी रेलवे पुलिस और सिविल पुलिस के साथ निकट संपर्क रखा जाता है।

(घ) सरकारी रेलवे पुलिस द्वारा दुष्प्रभावित खंडों में छापा मारने की भी व्यवस्था की जाती है; और

(ङ) रेलवे सुरक्षा दल द्वारा सरकारी रेलवे पुलिस अधिकारियों के साथ सभी स्तरों पर बार-बार बैठके आयोजित की जाती हैं, ताकि यह सुनिश्चित किया जा सके कि उनमें बेहतर समन्वय हो और अपराधों की प्रभावकारी दंग से रोक थाम की जा सके तथा उनका पता लगाया जा सके।

FCI entered into Contracts with M/s. Monte Edision

4051. SHRI YAMUNA PRASAD MANDAL: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether Government have received complaints from Members of Parliament that Fertilizer Corporation of India has entered into fishy contracts with M/s. Monte-Edision none of whose plants in the world are alleged to run for more than 50 per cent capacity;

(b) whether projects under collaboration with this company have been completed in time and running smoothly; and

(c) whether Government proposes to institute an enquiry in the matter and if not, the reasons therefor?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) to (c). The information is being collected and will be laid on the Table of the House.

Railway employees discharged on the basis of adverse Police Report and reinstated in Service

4052. SHRI JYOTIRMOY BOSU: Will the Minister of RAILWAYS be pleased to state:

(a) the Division-wise number of Railway employees discharged from service on the basis of "adverse Police reports" during the last three years;

(b) the nature of adverse Police reports in each case;

(c) whether some of the employees have been re-instated during this period; and

(d) if so, the number thereof, Division-wise?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) All appointments to Railway service are subject to satisfactory verification of character and antecedents through the Police. Normally, such verification is done before appointment. However, appointments are sometimes made provisionally before receipt of verification reports. If an adverse Police report is subsequently received in such cases and retention in service of the employee is considered undesirable, the appointment is terminated.

Information regarding the number of cases in which provisional appointments were so terminated is not readily available and will be laid on the Table of the Sabha.

(b) It would not be in the public interest to divulge the nature of the adverse Police report in each case.

(c) and (d). The information is being collected and will be laid on the Table of the Sabha.

Railway property destroyed and number of People killed due to Accidents of serious nature during the last three years

4053. SHRI JYOTIRMOY BOSU: Will the Minister of RAILWAYS be pleased to state:

(a) the value of Railway property destroyed and the number of people killed and wounded due to accidents

of serious nature, year-wise, during the last three years; and

(b) the factors responsible for serious accidents in each case?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) and (b). Presumably the reference is to those train accidents which occurred on the Indian Government Railways during the years 1969-70, 1970-71 and 1971-72 and were inquired into by Commission of Railway Safety. The required information in respect of such accidents is given below:—

	1969-70	1970-71	1971-72
No. of accidents	16	20	17
Cost of damage to railway property .	Rs. 40,61,542	Rs. 30,81,576	Rs. 18,51,331
No. of persons killed	192	34	62
No. of persons injured	451	339	196
<i>Causes :</i>			
(i) Failure of railway staff	10	8	7
(ii) Failure of engines or rolling stock	1	1	1
(iii) Failure of permanent way	2	..
(iv) Failure of electrical equipment	2	1
(v) Train wrecking	3	2	1
(vi) Failure of other than railway staff	1	3	
(vii) Other miscellaneous causes		

Charges of malpractices in the import of bulk drugs against the drug manufacturing firms with foreign equity

4054. SHRI JYOTIRMOY BOSU: Will the Minister of PEROLEUM AND CHEMICALS be pleased to state:

(a) whether the drug manufacturing firms, particularly those with foreign equity, have been charged with res-

toring to malpractices in the import of bulk drugs and other raw materials;

(b) if so, the nature of charges against each firm; and

(c) the action, if any, being taken in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH: (a) to (c). A few cases of

drug manufacturing firms with foreign equity importing bulk drugs raw materials at higher prices than those available from other sources at competitive prices have been brought to the notice of Government. In all such cases, suitable action is taken to bring down the prices to competitive levels. The ceiling prices at which some of the drugs can be imported have already been specified in the Import Trade Control Policy Book. Import of several drugs has been canalised through the State Trading Corporation and the coverage of the items under the canalisation scheme is reviewed to see whether any additions are necessary.

Licences to Import pesticides to two foreign-controlled firms

4055. SHRI JYOTIRMOY BOSU: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether two foreign-controlled firms, viz. Union Carbide Indian Limited, New Delhi and M/s. Hoechst Pharmaceuticals Limited, Bombay, were recently granted import licences to import 614 tonnes and 180 tonnes of pesticides respectively.

(b) whether Government explored the possibility of importing this particular item through S.T.C or any other Public Sector Undertaking; and

(c) if not, the reasons therefor?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) Yes, Sir. Messrs Union Carbide India Ltd. and Messrs Hoechst Pharmaceuticals Ltd. were allowed to import 614 tonnes of Carbaryl and 280 tonnes of Endosulphan (Technical) respectively.

(b) No, Sir.

(c) Apart from the fact that the import of these two pesticides is not presently canalised through the State

Trading Corporation, their import had to be arranged urgently to meet the specific requirements of the cotton crash programme of the last Kharif season.

Letter of Intent to Manufacture pesticides granted to Foreign Firms and proposals to set up such plant in Public Sector

4056. SHRI JYOTIRMOY BOSU: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether the two foreign firms—Union Carbide India Limited, New Delhi and M/s. Hoechst Pharmaceuticals Limited, Bombay, have been granted letters of intent to manufacture pesticides and if so, the broad features thereof; and

(b) whether Government propose to set up plants in the public sector to manufacture pesticides and if so, the main features thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) Yes, Sir. A statement giving the required information is laid on the Table of the House. [Placed in Library. See No. LT-3997/72]

(b) Two pesticides namely DDT and BHC are presently being produced at H.I.L., a public sector undertaking under this Ministry. In addition, this undertaking has plans to diversify the product-mix so as to include other pesticides like:

1. Endesulfan
2. Malathien
3. BHC Granulation
4. Malathien, Fenitrothien etc.
5. Fortified BHC.
6. Relthane
7. Methoxychlor.
8. Carbofuran.

According to present indications programme is expected to cost Rs. 2760 lakhs.

बम्बई और बड़ोदा के बीच रेलवे लाइनों का विद्युतीकरण

4057. डा० लक्ष्मीनारायण पांडेय :
श्री रेल मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या बम्बई और बड़ोदा के बीच रेलवे लाइनों के विद्युतीकरण का कार्य चल रहा है ;

(ख) क्या लाइन के विद्युतीकरण के लिए जो कार्य किया गया है उसे पुनः करना पड़ेगा क्योंकि लाइन के स्तर को ऊंचा किया गया है ; और

(ग) यदि हां, तो कितने किलोमीटर लम्बी लाइन में वर्तमान बिजली के खम्भों को उखाड़ कर नये बिजली के खम्भे लगाने का कार्य शुरू किया जायेगा और अब तक कितना खर्च किया जा चुका है तथा पुनः कितना खर्च किया जायेगा ?

रेल मंत्री (श्री टी० ए० पाई) : (क) जी हां ।

(ख) जी हां, लेकिन केवल आंशिक रूप में ।

(ग) इस रेल पक्ष की लम्बाई लगभग 20 मार्ग किलोमीटर है । ऐसे खंडों में विद्युतीकरण पर अब तक लगभग 12 लाख रुपये खर्च हो चुके हैं । अभी इस काम पर लगभग 8.5 लाख रुपये खर्च किया जाना है जिसमें से केवल लगभग 3 लाख रुपये ऊपरी उपस्कर को फिर से लगाने के लिए खर्च किया जायेगा ।

मध्य प्रदेश, राजस्थान और गुजरात में सोडा एश के कारखानों का निर्माण

4058. डा० लक्ष्मीनारायण पांडेय :
क्या पेट्रोलियम और रसायन मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या मध्य प्रदेश, राजस्थान और गुजरात में एक-एक सोडा एवं सोडा एश फैक्ट्री निर्माणाधीन हैं; और

(ख) यदि हां, तो वे कहां-कहां स्थित हैं तथा इन कारखानों में उत्पादन कब से आरम्भ हो जायेगा ?

पेट्रोलियम और रसायन मंत्रालय में उपमंत्री (श्री बलबीर सिंह) : (क) और (ख), मध्य प्रदेश, राजस्थान तथा गुजरात में सोडा एश बनाने के लिए तथा विद्यमान एककों के विस्तार के लिये तथा नये एककों की स्थापना हेतु निम्नलिखित पार्टियों को आशयपत्र दिये जा चुके हैं :—

(1) टाटा केमिकल्स लिमिटेड—विस्तार—मोठापुर (गुजरात)

(2) ध्रंगध्रा केमिकल्स वर्क्स—विस्तार ध्रंगध्रा —(गुजरात)

(3) बड़ोदा रेयन कार्पोरेशन—नया एकक—गुजरात

(4) लक्ष्मण एम० अग्रवाल—नया एकक—उ० प्र०/म० प्र०

(5) राजस्थान राज्य औद्योगिक (विकास निगम)—नया एकक—राजस्थान

(6) ए० पी० गुलाटी—नया एकक—पंजाब, उ० प्र०/हरियाणा राजस्थान

क्रम संख्या 1 और 2 के सामने दर्शायी गयी फर्मों सोडा एश के वर्तमान उत्पादक हैं तथा वे गुजरात राज्य में स्थित अपने एककों का विस्तार कर रही हैं । आशा है कि वे 1975 तक अपना विस्तार पूर्ण कर लेंगी । शेष फर्मों को आशय पत्र इस शर्त पर दिये गये थे कि वे अपने एककों के विशेष स्थल सरकार को सूचित करेंगे । क्र० सं० 6 पर निर्दिष्ट आशयपत्र धारक-ए० सी० गुलाटी— ने अपने एकक के अन्तिम स्थल की राजस्थान में, कोटा में, होने की सूचना दी है । शेष पार्टियों से उत्तर आने की प्रतीक्षा है । आशयपत्र एक वर्ष की अवधि तक वैध है तथा अभी तक समाप्त नहीं हुआ

द । आशयपत्र में उल्लिखित शर्तों के कार्यान्वयन की प्रगति का पुनरीक्षण किया जा है ।

मध्य प्रदेश में बड़ी सिंचाई योजनाएं

4059. डा० लक्ष्मीनारायण पांडेय : क्या सिंचाई और विद्युत् मंत्री यह बताने की कृपा करेंगे कि मध्य प्रदेश में ऐसी कितनी बड़ी सिंचाई परियोजनाएं चल रही हैं तथा विचाराधीन हैं जिनके लिए केन्द्रीय सरकार ने अनुदान अथवा ऋण के रूप में 25 प्रतिशत से अधिक धनराशि दी है अथवा देने का विचार है ?

सिंचाई और विद्युत् मंत्रालय में उपमंत्री (श्री बंजनाथ कुरील) : मध्य प्रदेश में निर्माणाधीन बृहद् सिंचाई परियोजनायें ये हैं—चम्बल चरण—एक तथा, बर्ना, हमदेव, बराज, हमदेव दक्षिण नट नहर और महानदी जलाशय चरण—एक/बल/चम्बल चरण—दो मध्य प्रदेश सरकार द्वारा प्रस्तावित नई बृहद् सिंचाई परियोजनायें ये हैं—नर्मदासागर, बार्गी, मुक्ता, अगर बंषगंगा, वाणामागर और हमदेव बांध ।

सिंचाई एक राज्य विषय है और सिंचाई परियोजनाओं की योजना, अन्वेषण और निर्माण राज्य सरकारों द्वारा अपनी अपनी विकासात्मक योजनाओं के एक अंश के रूप में किया जाता है । राज्य योजनाओं को केन्द्रीय महायत्ना ब्लाक ऋणों और अनुदानों के रूप में सम्पूर्ण राज्य योजना के लिए दी जाती है और यह विकास के किसी विशिष्ट शीर्ष याना परियोजना में संबंधित नहीं होती हैं ।

बरेली डिवीजन में लूटमार तथा चोरी की घटनाओं में वृद्धि

4060. श्री महा दीपक सिंह शास्त्री : क्या रेल मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या जनवरी, 1972 से अब तक पूर्वोक्त रेलवे की बरेली डिवीजन में

लूट पाट तथा चोरी की घटनाएं सब से अधिक हुई हैं और

(ख) यदि हां, तो इसके क्या कारण हैं और उनकी रोकथाम के लिए क्या प्रभावी कार्यवाही की गई है ?

रेल मंत्री (श्री टी० ए० पाई) : (क) जी हां । गाड़ियों और रेल परिसरों में लूट-पाट तथा डाके की घटनाओं में कुछ वृद्धि हुई है ।

(ख) इस वृद्धि का कारण कानून और व्यवस्था की स्थिति में आम गिरावट है । यात्रियों और उनकी सम्पत्ति की सुरक्षा सुनिश्चित करने के लिये निम्नलिखित निवारक उपाय किये गये हैं :—

- (1) महत्वपूर्ण यात्री गाड़ियों में यथा सम्भव रेलवे पुलिस के शस्त्र रहित/सशस्त्र कर्मचारियों का पहरा रहता है ।
- (2) मार्ग रक्षण ड्यूटी की अचानक जाच/के पर्यवेक्षण को और कड़ा कर दिया गया है ।
- (3) गाड़ियों के जो मार्ग रक्षी अपनी ड्यूटी पर अभावधान पाये जाते हैं उन्हें कड़ी सजा दी जाती है ।
- (4) गाड़ियों तथा रेल परिसरों में ऐसे अपराधों की बढ़ती हुई घटनाओं पर चिंतित होकर रेल मंत्री ने उत्तर प्रदेश के मुख्य मंत्री को पत्र लिखकर अनुरोध किया था कि महत्वपूर्ण यात्री गाड़ियों में सशस्त्र पहरे की व्यवस्था की जाये, विशेष रूप से बहुत अधिक दुष्प्रभावित क्षेत्रों में, ताकि यात्रियों के लिए अधिक सुरक्षा की व्यवस्था की जा सके ।

टूण्डला-एटा लाइन का विस्तार

4061. श्री महा दीपक सिंह शाक्य :
क्या रेल मन्त्री यह बताने की कृपा करेंगे कि :

(क) क्या सरकार ने टूण्डला-एटा ब्रांच लाइन के विस्तार के लिए सर्वेक्षण कार्य शुरू किया है ; और

(ख) यदि हां, तो उसके क्या परिणाम निकले हैं ?

रेल मंत्री (श्री टी० ए० पाई) : (क) और (ख). 1969 की अलाभप्रद शाखा लाइन समिति द्वारा की गई सिफारिशों के आधार पर, टूण्डला-वरहन-एटा शाखा लाइन को कासगंज तक बढ़ाने के लिए यातायात सम्बन्धी सर्वेक्षण 1970-71 में किया गया था। सर्वेक्षण रिपोर्ट के अनुसार वित्तीय दृष्टि से इस परियोजना का औचित्य नहीं क्योंकि इससे 1.9 करोड़ रुपये की अनुमानित लागत पर केवल 1 प्रतिशत का प्रतिफल मिलेगा। इस बात को और अर्थोपाय की कठिन स्थिति को भी ध्यान में रखते हुए इस शाखा लाइन के विस्तार पर विचार नहीं किया जा रहा है।

बरेली डिब्रीजन में अपर क्लास के 'बैटिंग रूम' में अटेंडेंट की नियुक्ति

4062. श्री महा दीपक सिंह शाक्य :
क्या रेल मन्त्री यह बताने की कृपा करेंगे कि :

(क) क्या पुरुषों तथा महिलाओं के प्रत्येक अपर क्लास "बैटिंग रूम", में सरकार एक अटेंडेंट नियुक्त करती है ; और

(ख) यदि हां, तो पूर्वोत्तर रेलवे के बरेली डिब्रीजन में उन स्टेशनों के नाम क्या हैं जहां अपर क्लास "बैटिंग रूम", में अटेंडेंट नियुक्त नहीं किये गये हैं और इसके क्या कारण हैं ?

रेल मंत्री (श्री टी० ए० पाई) : (क)

और (ख) इज्जतनगर मण्डल (न कि बरेली मण्डल) के नीचे लिखे स्टेशनों पर, जहां कि यातायात नियमित नहीं है प्रतीक्षालय बैरों की व्यवस्था नहीं है :-

हाथरस सिटी

सिकन्दरा राव

सहावर टाउन

गंज डुडावारा

करीम गंज

हलदवानी

ऊझानी

कचला त्रिज

मानपुर नगरिया

सोरों

पूरनपुर

धटेमा

बाजपुर

रामनगर

विसालपुर

वृन्दावन

कन्नौज

भोजपुरा

अमहत्वपूर्ण स्टेशनों पर, जहां ऊंचे दर्जे के नियमित यात्री यातायात नहीं होता, ऊंचे दर्जे के प्रतीक्षालयों को बन्द रखा जाता है और उन्हें यात्रियों के अनुरोध पर खोला जाता ।

Production of Potassium Chloride and Ammonium Sulphate

4063. SHRI N. K. P. SALVE: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state the reasons for not producing Potassium Chloride and Ammonium Sulphate in

the country and the steps being taken to produce them in India?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): Presently, there are no known sources of potash which could be used for production of Potassium chloride. Ammonium sulphate is, however, being produced by a number of units in the country.

Production of Fertilizer going down

4064. SHRI N. K. P. SALVE: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether the production of fertilizer in the country, particularly at the Nangal and Gorakhpur plants, has been steadily going down; and

(b) if so, the gist thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) and (b). No, Sir. The total production of fertilizers in the country has been steadily on the increase. The Nangal and Gorakhpur plants in particular did better in 1971-72, as compared to the performance in the previous year.

Refrigerated wagons for Movement of Butter

4065. SHRI INDER J. MALHOTRA: Will the Minister of RAILWAYS be pleased to state:

(a) whether Government are considering any proposal to provide refrigerated wagons for movement of butter from producing Centres, which are only few in number and are located in milk surplus pockets, to distant consuming Centres;

(b) whether Government have also received any representation for providing such facility and has also assessed requirement for movement of butter; and

(c) if so, what are the difficulties envisaged in providing the refrigerated transport for the purpose?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) No.

(b) No.

(c) Does not arise.

"Own your own Wagons" Scheme for Industries

4066. SHRI M. S. SANJEEVI RAO: Will the Minister of RAILWAYS be pleased to state:

(a) Whether Government have formulated an "Own your own Wagon" scheme for industries; and

(b) if so, the gist thereof?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) The scheme for private ownership of special type of tank wagons for transport of special products such as liquid ammonia is under consideration.

(b) The scheme envisages complete ownership by firms or parties of the wagons including the under-frame according to a design approved by the railways and granting of a suitable rebate in freight.

Indo-Bangladesh talks on Railway Communications held in New Delhi

4067. SHRI M. S. SANJEEVI RAO: Will the Minister of RAILWAYS be pleased to state:

(a) whether the Indo-Bangladesh talks were held in New Delhi to collaborate with each other on Railway communications;

(b) if so, what were the broad features of the talks; and

(c) the results thereof?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) No.

(b) and (c). Do not arise.

Guinea Delegation's visit to India

4068. SHRI M. S. SANJEEVI RAO: Will the Minister of RAILWAYS be pleased to state:

(a) whether during the recent visit of Guinea Delegation, Government offered help for Rail development in Guinea;

(b) if so, the nature of assistance offered;

(c) whether any agreement has been concluded in this matter; and

(d) if so, the main features of the agreement?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) Yes.

(b) Indian Railways expertise was offered for developing the railway system in that country. An assessment was to be made by a Small Indian Railways technical team to check the maintenance, spares requirements of rolling stock in Guinea, and the specifications for the rolling stock proposed to be ordered by the Guinea Government from abroad.

(c) No.

(d) Does not arise.

Introduction of concrete sleepers

4069. SHRI M. S. SANJEEVI RAO: Will the Minister of RAILWAYS be pleased to state:

(a) whether top Railway engineers at a seminar on track modernisation have urged early introduction of concrete sleepers on a large scale on the Indian Railways; and

(b) if so, the reaction of Government thereto?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) The Institution of Permanent Way Engineers held a seminar recently on track modernisa-

tion when the need for introduction of Concrete Sleepers on a large scale was urged.

(b) Government are making efforts already to increase the manufacture and supply of Concrete Sleepers to Indian Railways.

Conversion of Sasni Vidhan Sabha Constituency into a General Seat

4070. SHRI MUKHTIAR SINGH MALIK: Will the Minister of LAW AND JUSTICE be pleased to state:

(a) whether the Sasni Vidhan Sabha Constituency in Aligarh District of Uttar Pradesh is a reserved seat;

(b) if so, the reasons therefor; and

(c) whether Government propose to declare this seat as a General Seat?

THE MINISTER OF STATE IN THE MINISTRY OF LAW AND JUSTICE (SHRI NITIRAJ SINGH CHAUDHARY): (a) Yes, Sir.

(b) This seat was declared as a reserved seat for the Scheduled Castes by the Delimitation Commission under the provisions of section 9 of the Delimitation Commission Act, 1962.

(c) It is for the Delimitation Commission to be constituted under a law made by Parliament in pursuance of articles 82 and 170(3) of the Constitution, and not for the Government. to go into the question of reservation of seats for the Scheduled Castes and the Scheduled Tribes, on the basis of the Population as ascertained in the 1971 Census.

Setting up of a Bench of Kerala High Court at Trivandrum

4071. SHRIMATI BHARGAVI THANKAPPAN): Will the Minister of LAW AND JUSTICE be pleased to state:

(a) whether there is a demand to set up a Bench of the Kerala High Court at Trivandrum; and

(b) if so, the time by which this demand is likely to be met?

THE MINISTER OF LAW AND JUSTICE AND PETROLEUM AND CHEMICALS (SHRI H. R. GOKHALE): (a) Yes, Sir.

(b) The matter is under consideration, and a decision will be taken as early as possible.

Showing of Profit in balance sheet of FCI by deferring expenses

4072. SHRI JAGDISH NARAIN MANDAL: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether current marketing expenses worth crores of rupees have been deferred for adjustment in coming five years to show profit in balance sheet of Fertilizer Corporation of India this year;

(b) whether Government agree with this practice; and

(c) if so, the reasons therefor?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) to (c). The annual Report and the accounts of the Fertilizer Corporation of India for the year ending 31st March, 1972 have not yet been placed before the shareholders at the Annual General Body Meeting of the undertaking for consideration and approval.

Proper utilisation of Gas in Gujarat

4073. SHRI SOMCHAND SOLANKI: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether Government are aware that the gas in Gujarat is being burnt uselessly;

(b) if so, whether Government contemplate to utilise it for consumption; and

(c) if not, the reasons therefor?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) to (c). Keeping in view the availability of gas from established fields like Ankleswar, Kalol, Nawagam and Cambay in Gujarat, gas supply commitments to various industries consumers have been made and supplies are being made for the past several years. However, for the fields which are presently in an initial production stage, no commitments for the supply of gas have been made due to lack of data on the gas potentialities of these fields. Gas produced from such structures will have to be flared till such time as the required data become available and arrangements for supply are made. Presently, a number of such structures are under initial production stage in Gujarat.

The associated gas produced along with crude oil is separated from oil at different pressures at the group gathering stations. Presently, the high pressure gas from the established oil-fields at Ankleswar and Nawagam is transported through pipelines for supply to the consumers and the low pressure gas is flared.

In fields like Ankleswar and Nawagam arrangements are being made to install compressors for compressing the low pressure gas for supply to industries.

Fertilizer projects in public sector with Japanese collaboration

4074. SHRI M. SUDARSANAM: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether there is any proposal to start new fertilizer projects in the public sector with Japanese collaboration; and

(b) if so, the places where these projects are likely to be located?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) and (b). Some proposals have been received in this regard and these are under consideration.

Quantity of motor spirit supplied by IOC to foreign Oil Companies on direct sale

1975. SHRI RAJA KULKARNI: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether the Indian Oil Corporation has been supplying motor spirit on 'direct sales' basis since 1966 to the foreign Oil (Marketing) Companies which earned enormous profits by selling the same to the consumers;

(b) if so, the quantity thereof supplied by the Indian Oil Corporation and the profit earned by each of the three Foreign Oil Companies during the last three years on this account; and

(c) what steps Government have taken to prevent repatriation of such profit to the parent countries of these Companies?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) to (c). IOC has been supplying all the products including motor spirit to the foreign oil marketing companies under an exchange arrangement even prior to 1966. This ensures orderly movement and eliminates stresses and strains on transport. While the IOC has been able to take back other products, it has not been able to take back motor spirit to the following extent:

(Figs in KL at 15°C)

	1969-70	1970-71	1971-72
Burmah Shell,	516,747	483,045	477,153
Esso	381,459	334,128	312,144
Caltex	189,670	199,792	191,365

The inability of the IOC to take back full quantities of motor spirit has arisen principally due to: (i) IOC's late entry into the market and its consequent inability to put up a large network of retail outlets (pumps), particularly in the cities where most of the good sites had already been taken up by the earlier entrants and where the demand for motor spirit is largely concentrated. Taking note of this situation the Government appointed the Retail Outlets Committee in 1966. On the basis of its recommendations, 95 per cent of all new retail outlets are now put up by the IOC only. This is resulting in a progressive increase in the market participation of the IOC. (ii) Until recently, owing to non materialisation of sufficient indigenous demand for naphtha, production of motor spirit from the inland refineries, which are in the public sector except for the smallest refinery at Digboi in Assam, was being moved right into Calcutta and Bombay. This did not leave any scope with the refineries of the foreign oil companies to produce motor spirit to meet their own requirements. The foreign oil companies, therefore, mostly produced naphtha, whose ex-refinery price is lower than that of motor spirit by about Rs. 50 per KL and to export it and/or to supply the same to public and private sector fertiliser and petrochemical plants. With the increase in the consumption of naphtha, this position is progressively changing and IOC is therefore able to take back increasing quantities of motor spirit and the refineries of foreign oil companies are being allowed to produce increasing quantities of motor spirit. IOC hopes to achieve a substantial improvement in this regard in the future by virtue of its putting up most of the new retail outlets in the country.

It is not possible to give any precise estimate of the profit earned by the three foreign oil companies on this account.

Foreign Companies engaged in the production of fertilizer and chemicals

4076. SHRI VARKEY GEORGE: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state the names of foreign Companies engaged in the production of fertilizers and chemicals and the installed and utilized capacity of the plants set up by these Companies?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): Information is being collected and will be laid on the Table of the House.

Balconies on first floor of quarters at Railway Colony, Motia Bagh, Delhi

4077. SHRI AMAR NATH CHAWLA: Will the Minister of RAILWAYS be pleased to state:

(a) whether the work regarding the provision of balconies at the first floor of the three-storeyed quarters at Railway Colony, Motia Bagh, Delhi would be completed before the start of next summer; and

(b) if not, the reasons therefor?

THE MINISTER FOR RAILWAYS (SHRI T. A. PAI): (a) No.

(b) This work has been kept pending for the present in view of Government's decision that, as a measure of economy, no expenditure should be incurred for the time being on works regarding additions and alterations to buildings.

Confirmation of employees on North Eastern Railways

4078. SHRI BHOGENDRA JHA: Will the Minister of RAILWAYS be pleased to state:

(a) the total number of Railway employees on the North Eastern Railway with service of more than five years who have not yet been confirmed; and

(b) the reasons for their not being confirmed and the time by which they will be confirmed?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) and (b). The information is being collected and will be laid on the Table of the Sabha.

Filling up of Leave Reserve posts of Running Staff of Mechanical Department, Samastipur Division (N. E. Railway)

4079. SHRI BHOGENDRA JHA: Will the Minister of RAILWAYS be pleased to state:

(a) whether about twenty per cent of Leave Reserve posts of Running staff of Mechanical Department of Samastipur Division (North Eastern Railway) have not been filled up and the job is performed through wrong officiating arrangements hindering promotion of Carriage-electric-Khalasis with long years of service; and

(b) if so, the remedial measures proposed to be undertaken?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) No.

(b) Does not arise.

Maintenance of volumes of India Code upto date.

4080. SHRI R. P. ULAGANAMBI: Will the Minister of LAW AND JUSTICE be pleased to state:

(a) whether the text of enactments contained in the volumes of India Code brought out by the Ministry of Law are being kept up-to-date by issuing replacement series periodically;

(b) if so, the dates on which the last two replacement series of each volume of India Code were issued and the period which such replacement series covered; and

(c) whether the Ministry intends to devise some method through which

India Code is brought upto date in shorter period than at present?

THE MINISTER OF STATE IN THE MINISTRY OF LAW AND JUSTICE (SHRI NITIRAJ SINGH CHAUDHARY): (a) Yes, Sir,

(b) A statement showing the required information is laid on the Table of the House. [Placed in Library See No. LT—3998/72].

(c) Delays in issue of replacement series mainly occur due to the heavy rush of printing which the Government Presses have to cope with. Steps are being taken continuously to obtain priority for the work of printing replacement series to the India Code and bring them out as expeditiously as possible.

Supply of power to farmers

4081. SHRI MUHAMMED SHERIEF: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether the Centre has asked the State Governments recently to take appropriate steps to supply power to farmers, so vital for the success of the emergency food production programme, on a priority basis; and

(b) if so, the gist of the instructions issued in this regard and the progress achieved in the matter?

THE DEPUTY MINISTER OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) and (b). Yes, Sir, Due to drought conditions prevailing in the country this year, State Governments and State Electricity Boards have been advised to give highest priority to energisation of pumpsets/tubewells. They have also been advised that electricity supply for agricultural purposes should not be restricted and if there is any shortage of power, the supply of electricity to Cinema houses, commercial advertisements and decorative usages may be curtailed

Rehabilitation of people affected by Salandi Dam Project in Keonjhar Orissa

4082. SHRI ARJUN SETHI: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether no rehabilitation work has been done for the people who have been affected by the Salandi Dam Project in Keonjhar District of Orissa; and

(b) if so, the reaction of Government thereto?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) and (b). The information is being collected from the Government of Orissa and will be laid on the Table of the House.

विद्यार्थी आन्दोलन के दौरान आग लगा दिये जाने से हुई हानि के लिए पंजाब के व्यक्तियों को मुआवजा

4083. श्री ईश्वर चौधरी : क्या रेल मन्त्री यह बताने की कृपा करेंगे कि :

(क) क्या पन्जाब में हुए छात्र आन्दोलन के दौरान जिस रेल सम्पत्ति का विनाश हुआ उसमें लोगों द्वारा भेजे गये पार्सल आदि भी सम्मिलित हैं।

(ख) यदि हां, तो क्या उन लोगों को कोई मुआवजा देने का विचार है जिनका माल बुरा हो जाने के पश्चात् स्टेशनों पर पड़ा हुआ था और जिसमें दंगा करने वाली भीड़ ने आग लगा दी थी; और

(ग) यदि हां, तो मुआवजे की राशि क्या होगी, और यदि नहीं, तो इसके क्या कारण हैं?

रेल मन्त्री (श्री टी० ए० पाई) :

(क) जी हां।

(ख) जी हां।

(ग) दावों के पेश होने के बाद ही दावों का ठीक-ठीक मूल्य निर्धारित किया जा सकता है।

Prime Minister's award in Narmada Water dispute

4084. SHRI BANMALI PATNAIK:
SHRI MARTAND SINGH OF
REWA:

Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether Prime Minister has given her award on the Narmada Water dispute among the State Governments of Madhya Pradesh, Rajasthan and Maharashtra; and

(b) if so, the salient features thereof if not, the time by which the award is expected to be given?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) and (b). The Chief Ministers of the four States concerned have agreed that Rajasthan and Maharashtra would have 0.5 and 0.25 million acre feet respectively of Narmada water for use in their territories and would abide by the decision of the Prime Minister in regard to the allocation of the balance water between Madhya Pradesh and Gujarat, and in regard to the height of the Nayagam Dam proposed by the Government of Gujarat. It is expected that the decision would be available in about two months.

Shortage of Railway Wagons

4085. SHRI M. RAM GOPAL REDDY: Will the Minister of RAILWAYS be pleased to state:

(a) whether wagon shortage is still being felt in some parts of the country despite the various steps taken by the Railway administration to increase the availability of wagons;

(b) if so, the reasons therefor, and

(c) what further steps Government propose to take to increase the availability of wagons?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) Yes.

(b) Some shortage of wagons, combined with less productivity of the existing wagon fleet caused by frequent social disturbances, hold-up of wagons at Terminals, etc.

(c) Movement is streamlined wherever possible and ad hoc orders have also been placed for 15,000 wagons on additional account in 1972-73 Rolling Stock Programme to meet the exigency.

राजस्थान में ग्रामीण विद्युतीकरण के लिए
राजस्थान बिजली बोर्ड की सहायता

4086. श्री मूलचन्द डागा : क्या
सिचाई और विद्युत् मन्त्री यह बताने की
कृपा करेंगे कि केन्द्रीय सरकार ने राजस्थान
के कितने गांवों में बिजली पहुंचाने के लिए, अब
तक राजस्थान बिजली बोर्ड की सहायता
अथवा ऋण के रूप में कितनी धनराशि
दी है तथा उसे आगामी वर्ष में सहायता अथवा
ऋण के रूप में कितनी धनराशि दी जाएगी ?

सिचाई और विद्युत् मंत्रालय में उपमन्त्री
(श्री: बैरनाथ कुरेल) : राज्य बिजली
बोर्ड की ग्राम विद्युतीकरण स्कीमों के लिए
ग्राम विद्युतीकरण निगम द्वारा राज्य योजना
परिषद् के अतिरिक्त योगात्मक धन की
व्यवस्था की जाती है निगम ने अब तक
राजस्थान बिजली बोर्ड की 23 ग्राम
विद्युतीकरण स्कीमें स्वीकृत की हैं जिनके
अन्तर्गत 1399 ग्रामों के विद्युतीकरण,
32056 पम्पसेटों के ऊर्जन तथा 3343
लघु और कृषि उद्योगों को विद्युत की सप्लाई
के लिए 1226.591 लाख रुपये की ऋण
सहायता परिकल्पित है। निगम ने 6-12-7
तक राजस्थान राज्य बिजली बोर्ड को 646.-
895 लाख रुपये दिए हैं तथा वर्ष की शेष
अवधि के दौरान लगभग 200 लाख रुपये
की राशि दी जानी अनुसूचित है।

पिछड़े हुए क्षेत्रों में नई रेलवे लाइन/गाड़ी

4087. श्री मूलचन्द डागा : क्या रेल मन्त्री यह बताने की कृपा करेंगे कि :

(क) क्या रेलवे बोर्ड का विचार, देश के उन क्षेत्रों में जो आवागमन के साधनों के अभाव में आर्थिक, सांस्कृतिक तथा विकास की दृष्टि से पिछड़े हुए रह गये हैं, रेल गाड़ियां चलाने का है ;

(ख) क्या अगली पंचवर्षीय योजना में इस सम्बन्ध में कोई योजना बनाई गई है अथवा बनाने का प्रस्ताव है ; और

(ग) यदि हां, तो कब तक ?

रेल मन्त्री (श्री टी० ए० पाई) : (क) से (ग) . किसी राज्य या क्षेत्र के आधार पर नहीं बल्कि समग्र राष्ट्रीय आर्थिक विकास के आधार पर रेलवे के विकास की योजना बनायी जाती है। सरकार अर्द्ध विकसित और पिछड़े हुए क्षेत्रों में परिवहन की पर्याप्त व्यवस्था करने की आवश्यकता के प्रति सजग है लेकिन इस प्रयोजन के लिए सापेक्ष आर्थिक लागत को ध्यान में रखते हुए विभिन्न वैकल्पिक साधनों पर विचार करना पड़ता है। चूंकि नई लाइनों पर सामान्य राजस्व से ऋण लेकर पूंजी लगानी होती है और उम पर लाभांश का भुगतान करना होता है, इसलिए सामान्यतः केवल उन्ही लाइनों के निर्माण पर विचार किया जाता है जो वित्तीय दृष्टि से लाभप्रद होती हैं अन्यथा उनका अनुक्षण राजकोष के लिए अपक्षय सिद्ध होगा। तथापि, हाल में जो लाइन बनायी गयी हैं/बनायी जा रही हैं और जिन्हें बनाने का विचार है, उनमें से कुछ संयोगवश पिछड़े हुए/अर्द्धविकसित क्षेत्रों में से होकर गुजरती हैं। नई लाइनों के लिए पांचवी योजना के प्रस्ताव अभी तैयार नहीं किये गये हैं और अभी से यह बताना संभव नहीं है कि इस अवधि में बनने वाली नयी लाइनें किन क्षेत्रों से होकर गुजरेंगी।

Survey for broad gauge line from Maldah to Balurghat via Gajal

4088. SHRI R. N. BARMAN: Will the Minister of RAILWAYS be pleased to state:

(a) whether his Ministry has taken a decision to conduct Traffic Survey for a new broad gauge line from Maldah to Balurghat via Gajal;

(b) if so, how much of the survey work has been completed so far; and

(c) how much time is likely to be taken to complete the survey?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) Yes.

(b) and (c). Preliminary arrangements have been made and the survey is being taken up. The survey will be completed before the onset of the next monsoon.

T. A. and Officiating Allowance to Relieving Assistant Station Masters, Delhi Division (Northern Railway).

4089. SHRI ISHAQUE SAMBHALI: Will the Minister of RAILWAYS be pleased to state:

(a) whether the Railway Board issued orders in April, 1969 that both Travelling Allowance and Officiating Allowance are admissible to Relieving Assistant Station Masters;

(b) whether the officiating Allowance is admissible to those Assistant Station Masters whose cases were pending for decision at the time of issue of the above Railway Board's orders; and

(c) if so, the reasons for not making payment to Assistant Station Masters in Delhi Division whose cases were pending at that time.

THE MINISTER OF RAILWAYS (SHRI T. A. PAI) (a) Yes. In April, 1969 orders were issued to the effect that Relieving/Leave Reserve Staff when deputed to a place other than

their headquarters to relieve staff in higher grades, should be allowed daily allowance during their stay at the outstation, in addition to officiating pay/allowance provided the other terms and conditions for the grant of daily allowance are satisfied.

(b) No officiating allowance claim was pending at the time of issue of Railway Board's orders referred to above.

(c) Question does not arise.

Duty Roster of Asstt. Station Masters, Delhi Division (Northern Railway)

4090. SHRI ISHAQUE SAMBHALI: Will the Minister of RAILWAYS be pleased to state:

(a) whether Railway Board issued orders to the General Manager, Northern Railway for implementing the straight Duty Roster of Assistant Station Masters on the Northern Railway;

(b) whether the straight Duty Roster has been implemented in six Divisions of the Northern Railway except in Delhi Division; and

(c) the reasons for not implementing the straight Duty Roster in Delhi Division?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) Yes, but a period of two years from November, 1971 was laid down for complete implementation because a large number of Assistant Station Masters had to be trained in goods duty before straight duty rosters could be prescribed.

(b) No, the position is that in some stations it has been possible to introduce straight rosters, but not in all.

(c) Straight Duty Rosters for the Assistant Station Masters have not been introduced throughout all the Divisions of the Northern Railway because the requisite number of such staff trained in goods working is not yet available.

2889 (Aii) LS—6.

Confirmation of Station Masters/Assistant Station Masters, Delhi Division (Northern Railway)

4091. SHRI ISHAQUE SAMBHALI: Will the Minister of RAILWAYS be pleased to state:

(a) whether the seniority list of Station Masters/Assistant Station Masters of Delhi Division has been finalised:

(b) whether the Station Masters/Assistant Station Masters having 25 years service or more have not been confirmed in Delhi Division so far; and

(c) if so, the reasons therefor?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) Yes.

(b) and (c). Confirmation of those Assistant Station Masters/Station Masters who have not deposited the security money and who are undergoing punishments or against whom D.A.R./Vigilance cases are pending, not been ordered.

Strength of Assistant Station Masters and Station Masters, Delhi Division (Northern Railway)

4092. SHRI ISHAQUE SAMBHALI: Will the Minister of RAILWAYS be pleased to state:

(a) the actual strength and sanctioned strength of Assistant Station Masters in grade 130-240 and Station Masters/Assistant Station Masters in grade Rs. 205-280 in Delhi Division; and

(b) the number of vacancies required to be filled in, grade-wise and the reasons for delay in filling up the vacancies?

THE MINISTER OF RAILWAYS
(SHRI T. A. PAI): (a)

Category	Actual strength	Sanctioned strength
Assistant Station Masters (Rs. 130—240)	476	518
Station Masters/ Asstt. Station Masters (Rs. 205—280)	308	313

(b) The number of vacancies in grade Rs. 130—240 and Rs. 205—280 is 42 and 5 respectively. A batch of 107 candidates is under training in the Railway Zonal Training School, Chandausi who will be available for posting as Assistant Station Masters by the end of March, 1973. Action has also been taken for filling up vacancies of Assistant Station Masters/Station Masters in grade Rs. 205—280.

Rest giver Asstt. Station Masters in Delhi Division (Northern Railway)

4093. SHRI ISHAQUE SAMBHALI: Will the Minister of RAILWAYS be pleased to state:

(a) whether there are Rest Giver Assistant Station Masters in the Grade of Rs. 205—280 in six Divisions of the Northern Railway except in Delhi Division; and

(b) if so, the reasons for not providing Rest Giver Assistant Station Masters in the said grade in Delhi Division?

THE MINISTER OF RAILWAYS
(SHRI T. A. PAI): (a) Yes.

(b) Higher grade posts of Assistant Station Masters are allotted on the basis of prescribed percentages. On the Delhi Division so far, the working posts and rest giver posts in scale Rs. 205—280 have not been separated. There is also an excess of 24 posts in scale Rs. 250—380 because of which some posts in the lower grade of Rs. 205—280 were kept unoperated till the excess was wiped out.

Action has however, now been initiated to segregate Rest Giver posts

of Assistant Station Masters in grade Rs. 205—280 from the working strength and to allot the appropriate scale to Rest giver Assistant Station Masters.

झांसी जिले में तापीय विद्युत् संयंत्र की स्थापना

4094. डा० गोविन्द दास रिछाऱिया : क्या सिंचाई और विद्युत् मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या सरकार का विचार झांसी जिले (उत्तर प्रदेश) में माताटोला बांध अथवा बेतवा नदी पर तापीय विद्युत् संयंत्र स्थापित करने का है; और

(ख) यदि हां, तो इसकी मुख्य बातें क्या हैं और इसे कब तक स्थापित किया जायेगा ?

सिंचाई और विद्युत् मंत्रालय में उपमंत्री (श्री बंजनाथ कुरील) : (क) और (ख). उत्तर प्रदेश सरकार का झांसी जिले में परिछा बांध के निकट वुन्देलखण्ड क्षेत्र में लगभग 400 मैगावाट क्षमता के एक तापीय विद्युत् संयंत्र को स्थापित करने के लिए प्रस्ताव है। उत्तर प्रदेश सरकार परियोजना रिपोर्ट तैयार कर रही है।

Rail link between Ambaguda and Kesinga

4095. SHRI K. PRADHANI: Will the Minister of RAILWAYS be pleased to state:

(a) whether there is any proposal to have a railway link between Ambaguda and Kesinga;

(b) if so, whether survey has been ordered; and

(c) if so, when is it going to be taken up?

THE MINISTER OF RAILWAYS
(SHRI T. A. PAI): (a) No.

(b) and (c) Do not arise.

Rail link between Koraput and Bastar

4096. SHRI K. PRADHANI: Will the Minister of RAILWAYS be pleased to state:

(a) whether South Eastern Railway has been ordered by the Railway Board to conduct a survey for an alternative Rail link for movement of future traffic from Koraput to Bastar area as D.B.K. Railway is meant only for transport of iron ore; and

(b) if so, what is the progress of work in the matter?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) and (b). No surveys have been carried out or ordered for a rail link between Koraput and Bastar and Ambaguda and Kesinga. However, feasibility-cum-cost studies for a line from Ambaguda to Lanjigarh Road carried out in 1965-66 had revealed that the proposal will not be financially justified.

A traffic survey for a B.G. line from Dhalli-Rajhara to Dantewara/Jagdarpur via Bastar has also recently been completed and the report is under

examination of the Railway Board. A decision regarding construction of this line (Dhalli Rajhara-Dantewara/Jagdarpur) will be taken after the examination is completed and the results thereof become known.

Allotment of Fallow Land to Class IV Railway Employees for Cultivation

4097. SHRI J. G. KADAM: Will the Minister of RAILWAYS be pleased to state:

(a) how many hectares of fallow land under Railway control was given to Railway employees for growing food grains etc. in the year 1972-73 as announced by Railway Minister in Parliament; and

(b) how many Class IV Railway employees have taken advantage of the above scheme, State-wise?

THE MINISTER FOR RAILWAYS (SHRI T. A. PAI): (a) 13,012.788 hectares.

(b) 20,920 Class IV employees. State-wise break-up is as under:—

Andhra	325	Assam	38
Bihar	2,794	Delhi	7
Gujrat	1,198	Haryana	144
Himachal Pradesh	127	Kerala	831
Madhya Pradesh	1,789	Maharashtra	1,688
Mysore	429	Nagaland	1
Orissa	408	Punjab	589
Rajasthan	1,156	Tamil Nadu	1,031
Tripura	12	Uttar Pradesh	6,046
West Bengal	2,307		
TOTAL	20,920		

Railway line between Bichia Station and Kaurialaghat via. River Ghagra

4098. SHRI B. R. SHUKLA: Will the Minister of RAILWAYS be pleased to state:

(a) what progress has so far been made in the construction of Railway

line between Bichia and Kaurialaghat Stations on the North-Eastern Railway connecting the two Districts of Bahraich and Lakhimpur Kheri of Uttar Pradesh via river Ghagra; and

(b) by what time Government propose to finish the work?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) Construction of this rail link has been sanctioned as ancillary to the Barabanki-Samas-tipur M.G. to B.G. conversion project on 25th April, 1972. Preliminary arrangements have been initiated for commencing the work.

(b) By March, 1975.

Setting up of a Power Project in Nepal

4099. **SHRI B. R. SHUKLA:** Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether there is any proposal to set up in the near future a power project in the territory of Nepal, near Bahraich district (Uttar Pradesh), under Indo-Nepal auspices to supply electricity to the North-eastern region of Uttar Pradesh; and

(b) whether there is any other alternative scheme to provide electricity at cheap rate to the said region?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) Yes, Sir. There is a proposal by the Nepal Government to set up a large hydro electric power station at Karnali in Nepal from which power supply could be made to Uttar Pradesh.

(b) There is also a proposal for setting up Pancheshwar Hydel Project on the U.P. Nepal border with a capacity of 590 MW firm power and 5200 million kwh annual energy output.

Aid for Irrigation Projects in Mysore

4100. **SHRI K. LAKKAPPA:** Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether Mysore Government have asked for Centre's aid for irrigation projects in that State;

(b) the projects for which the Mysore Government want Central aid; and

(c) the reaction of Government thereto?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) to (c). The Mysore Government has approached the Central Government for special assistance for four of their major irrigation projects viz., upper Krishna Project, Malaprabha Project, Ghataprabha project stage II and Hemavathi project. A study Team was sent by the Planning Commission in early October 1972 to assess the requirements for Upper Krishna Stage I, Malaprabha and Ghataprabha. Stage II project. The report of the Study Team is being looked into.

Damage to Sharavathy Hydro-electric Project, Mysore

4101. **SHRI K. LAKKAPPA:** Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether damage has been caused to the water conductor systems of the Sharavathy Hydro-electric project in Mysore State;

(b) whether any repair work has been started and the Central Government have given any technical assistance; and

(c) if so, the salient features thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) Yes, Sir.

(b) Repairs were started on 28th August, 1972 and completed on 3rd September 1972. Three Technical Experts were deputed by the Government of India for observation of the damages caused to the Water Conductor System and to advise on the repairs to be carried out.

(c) Weaker concrete in pot-holes was chisled, cleaned and fresh concrete was laid and gunnited. Repairs were carried out satisfactorily and the tunnel was put into operation on the 4th September 1972.

Installation of Nitrogen and Phosphates Plants

4102. SHRI B. S. BHAURA:
SHRI D. K. PANDA:

Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether plants with capacity of 6.5 million tonnes of Nitrogen and 2.5 million tonnes of Phosphates have to be installed by 1978-79 in order to meet the demand of fertilizers;

(b) if so, the broad outlines of the programme laid down in this regard; and

(c) whether decision regarding investment in public and private sector has not been taken yet?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) According to present indications, the consumption of fertilizers by the end of the Fifth Plan is expected to be of the order of 5.2 million tonnes of nitrogen and 2.1 million tonnes of P205. To achieve this consumption target, a total capacity of about 7 million tonnes of nitrogen and 2.5 million tonnes of P205 would have to be developed well ahead of the terminal year of the Fifth Plan.

(b) and (c). A Task Force has been set up to consider on an integrated basis the various aspects relating to the development of the aforesaid capacity and other connected problems. The studies in this connection are under way.

Railways capacity to meet Industry's requirement of Wagons

4103. SHRI M. S. SANJEEVI RAO:
SHRI BISHWANATH JHUNJHUNWALA:

Will the Minister of RAILWAYS be pleased to state:

(a) whether Government are in a position to meet the requirement of wagons in the country;

(b) the demand for wagons six months ago; and

(c) how much of it could be met?

THE MINISTER FOR RAILWAYS (SHRI T. A. PAI): (a) Not all the requirements in time.

(b) and (c). During January to June 1972, 46,26,643 wagons were supplied against indents of 76,02,142 wagons all of which cannot be considered as genuine because of the many cancellations that took place when wagons were supplied.

"Operation Sabarmati" launched by Western Railway

404. SHRI ONKAR LAL BERWA: Will the Minister of RAILWAYS be pleased to state:

(a) whether "Operation Sabarmati" programme was launched by the Western Railway Administration at Sabarmati Goods Shed (T.P.) from 15th January, 1971 to 14th February, 1971;

(b) if so, the irregularities noticed and the remedial measures taken during the programme;

(c) the number of full wagon load and "Small" wagon dealt with by Sabarmati Station from April 72 to October 72, month-wise; and

(d) the number of Goods Clerks employed for transshipment purpose and actually required according to the prescribed yard stick, and the deficiency, if any and the reasons therefor?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) Yes.

(b) Some of the major irregularities noticed during the drive are enumerated below:

(i) Irregular placement of wagons.

(ii) Incorrect marking, labelling, loading of wagons from forwarding stations.

(iii) Incorrect reporting of Damage and Deficiency messages i.e., packing

condition weighment particulars, No. of packages, position of panel cut, etc. not shown.

(iv) Jute twine used for sealing in some cases instead of cotton tape.

(v) Tie-on labels not used on open wagons.

(vi) Guidances and copies of invoices not kept in wagons.

(vii) Insufficient number of rivets used.

(viii) Dunnage not provided where required.

So far as Sabarmati Transshipment Point was concerned, most of the irregularities were rectified at the spot. In respect of others necessary follow up action was taken.

(c) The information is given in the statement laid on the Table of the House: [Placed in Library, See No. LT-3999|172].

(d) 45 Goods Clerks have been employed at Sabarmati for transshipment work. This strength is considered adequate to meet the normal requirements of traffic as per yardstick.

Booking of Perishable Consignments at Ahmedabad Station

4105. SHRI ONKAR LAL BERWA: Will the Minister of RAILWAYS be pleased to state:

(a) the total number of perishable Consignments booked from Ahmedabad Parcel Office, during April and May 72, separately for Jodhpur, Delhi, Jaipur, Ajmer, Rajkot, Jamnagar, Bhavnagar, Jetalsar and Junagadh stations, month-wise;

(b) the total number of parcels which did not reach destinations at all and the total amount of claim paid in lieu thereof; and

(c) the reasons for the loss and the remedial steps taken in this regard?

THE MINISTER FOR RAILWAYS (SHRI T. A. PAI): (a) The information is given below:—

Destination Station	No. of consignments booked during	
	April '72	May '72
Jodhpur . . .	9001	4879
Delhi . . .	30238	13293
Jaipur . . .	8443	6872
Ajmer . . .	6891	7938
Rajkot . . .	23	20
Jamnagar . . .	149	48
Bhavnagar . . .	319	491
Jetalsar
Junagadh . . .	60	68

(b) The total number of parcels which did not reach destinations mentioned above was 381. The amount of claims so far paid works out to Rs. 10,280.75 P.

(c) The loss is attributable to irregular loading at the booking station or over-carriage beyond destination stations. To prevent such occurrences, the Railway Administration has issued instructions to ensure correct loading of all parcels invariably accompanied by the relevant Parcel Way Bill and to see that marking, packing and labelling is correctly done. The staff responsible for short loading or cross loading in specific cases are also to be taken up suitably.

Request of I.O.C. to Various Government Departments for Meeting their Requirments from Sc|st Candidates

4106. SHRI A. S. KASTURE: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether Indian Oil Corporation had approached various Government Departments vide its letter No. P&A|1121|Genl. dated the 1st April, 1970 for meeting its requirements; to various grades of officers from Scheduled Caste|Tribes;

(b) if so, the number of candidates belonging to these communities who applied in response thereto; and

(c) the number of candidates finally selected and appointed?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) Yes, Sir.

(b) 532.

(c) None of the applicants could be selected as the Corporation finally decided not to proceed with the recruitment on account of the agitation made by the employees against the recruitment procedure followed by the Corporation.

Staff strength, category-wise in I.O.C. and Number of Employees Belonging to Scheduled Tribes

4107. SHRI A. S. KASTURE: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) the staff strength category-wise, in the Indian Oil Corporation as on the 1st January, 1972 and the number of employees belonging to Scheduled Caste|Tribes;

(b) Whether reservation quota for Scheduled Castes and Tribes has

been maintained and if not the reasons therefor; and

(c) what specific steps Government propose to take to fulfil the short fall?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) The category-wise staff strength and the number of employees belonging to Scheduled Castes/Tribes working under each category are shown below:

	Class		
	I	II	III
(i) Staff Strength as on 1-1-72 (categorywise)	2559	3745	8699
(ii) No. of employees belonging to SC/STs.	21	64	971

(b) It has not been possible for the Corporation to maintain the prescribed quota of reservation for the members of Scheduled Castes and Scheduled Tribes category-wise due to the non-availability of suitable candidates from these communities. Besides IOC had also to take over some staff of the private oil companies consequent upon the purchase of their facilities and none of these belonged to Scheduled Caste/Tribe categories.

(c) The Corporation continues to take the following measures to recruit members of Scheduled Castes and Scheduled Tribes in line with the directive issued by the Government with regard to the reservation of posts for the members belonging to these communities:

(i) Relaxation with regard to job qualifications both at the time of preliminary screening of applications and final selection of the candidates.

(ii) Corporation provides in-service training to the members of the Scheduled Caste/Tribes on released standards in the case of jobs of technical nature.

(iii) Wide publicity is given in respect of the vacancies reserved for these communities.

अजमेर डिवीजन (पश्चिम रेलवे) के डिवीजनल आपरेंटिंग सुपरिन्टेण्डेंट के विरुद्ध व्यावर स्टेशन के व्यापारियों द्वारा शिकायत

4108. श्री ओंकार लाल बैरवा :
क्या रेल मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या पश्चिम रेलवे के व्यावर स्टेशन के व्यापारियों ने अजमेर डिवीजन के डिवीजनल आपरेंटिंग सुपरिन्टेण्डेंट के विरुद्ध शिकायत की है;

(ख) क्या डिवीजनल आपरेंटिंग सुपरिन्टेण्डेंट ने व्यापारियों को कहा था कि उन्हें अपना सामान रेलवे अहाते के अन्दर बिल्कुल ही नहीं लाना चाहिए;

(ग) अप्रैल से अक्तूबर, 1970, 1971 और 1972 की अवधि में अलग-अलग अजमेर, व्यावर, मारवाड़ जंक्शन, पालनपुर, डोसा, भामर, जवाई बांध स्टेशनों पर विभिन्न वस्तुओं का कुल कितना लदान किया गया तथा उससे कितना राजस्व प्राप्त हुआ और उसमें अन्तर के क्या कारण हैं; और

(घ) इस पर सरकार की क्या प्रतिक्रिया है ?

रेल मंत्री (श्री टो० ए० पाई) : (क) जी नहीं ।

(ख) जी नहीं ।

(ग) अप्रैल से अक्तूबर, 1970, 1971 और 1972 की अवधि में अजमेर, व्यावर, मारवाड़ जंक्शन, पालनपुर, डोसा, भामर और जवाई बांध स्टेशनों पर लादे गये माल-डिब्बों की कुल संख्या और आमदनी इस प्रकार थी :—

स्टेशन लादे गये माल डिब्बों की संख्या

आमदनी

	(अप्रैल से अक्तूबर)			(अप्रैल से अक्तूबर)		
	1970	1971	1972	1970	1971	1972
अजमेर .	1072	2301	1364	3,48,681	14,72,435	6,78,482
व्यावर .	681	1485	1018	3,83,721	9,94,004	6,19,711
मारवाड़ जं०	181	383	236	65,155	1,89,635	83,165
पालनपुर .	1310	2890	1916	5,16,071	12,84,330	8,30,592
डोसा .	403	1097	755	1,82,641	4,00,831	2,66,057
भामर .	48	164	210	11,957	76,737	94,746
जवाई बांध	415	1015	741	1,91,623	5,56,379	5,43,564
जोड़	4110	9335	6240	16,99,849	49,74,351	31,16,317

1972 के अप्रैल से अक्टूबर तक की अवधि में, 1971 की इसी अवधि की तुलना में इन स्टेशनों से लदान और आमदनी कम हुई क्योंकि अजमेर मण्डल में माल-डिब्बों की उपलब्धता कम रही जिसका कारण यह था कि चंदेरिया और खेमोली से सीमेन्ट तथा उदयपुर और कांडला से उर्वरक जैसे अनिवार्य यातायात की मांग को पूरा करने के लिए लदान को विनियमित करना पड़ा और खाली डिब्बों को हटा कर उक्त स्टेशनों को भेजना पड़ा।

(घ) अजमेर मंडल पर माल डिब्बों का स्टॉक बनाने के लिए कार्रवाई की गयी है ताकि इन स्टेशनों पर लदान में वृद्धि को जा सके।

Expenditure on conversion of Metre Gauge Line to Broad Gauge from Barabanki to Barauni and Muzaffarpur

4100. SHRI NARSINGH NARAIN PANDEY: Will the Minister of RAILWAYS be pleased to state:

(a) the total amount to be spent on the conversion of Metre Gauge to Broad Gauge from Barabanki to Barauni and Muzaffarpur; and

(b) whether no administrative and other sanctions have been made so far and if so, the reasons for delay?

THE MINISTER OF RAILWAYS (SHRI T. A. PAI): (a) Rs. 46.36 crores.

(b) The estimate for this work has been sanctioned on 25-4-1972. Necessary preliminary arrangement are being made to take up the work.

Take over of Brahmaputra Flood Control Commission

4110. SHRI DINESH CHANDER GOSWAMI: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether the effective control of the Brahmaputra Flood Control Com-

mission has been taken over by the Central Government; and

(b) if so, the measures Government propose to take to combat the floods menace from the Brahmaputra?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI B. N. KUREEL): (a) and (b). The Government of India has in principle agreed to the proposal of setting up of an autonomous organisation for the planning and implementation of flood control measures in the Brahmaputra Valley. This is to be finalised on receipt of the concurrence of the State Government to the details.

संसद् सदस्यों के पत्रों का उत्तर न देने के बारे में जनरल मैनेजर्स को निराश

4111. श्री श्रीकार लाल बेरवा : क्या रेल मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या रेलों के जनरल मैनेजर्स तथा अन्य उच्च अधिकारियों को कुछ निर्देश दिये गये हैं कि वे संसद् सदस्यों द्वारा भेजे गये पत्रों का उत्तर न दें;

(ख) यदि हां, तो क्या उन निर्देशों की एक प्रति सभा पटल पर रखी जायेगी; और

(ग) ऐसे निर्देश जारी किये जाने के क्या कारण हैं ?

रेल मंत्री (श्री टी. ए. पाई) : (क) जी नहीं।

(ख) और (ग). प्रश्न नहीं उठता।

Production of Fertilizer Suffering due to internal ailments in F.C.I.

4112. SHRI JAGANNATH MISHRA: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) whether Government's attention has been drawn to Editorial of

the *Stateman* dated the 26th November, 1972 appearing under caption "Demands for Fertilizer" stating that production of fertilizers is suffering mainly because of internal ailments in the Fertilizer Corporation of India and that its inefficient management has crippled Sindri, Gorakhpur and Nangal plants; and

(b) if so, Governments reaction thereto?

THE DEPUTY MINISTER IN THE MINISTRY OF PETROLEUM AND CHEMICALS (SHRI DALBIR SINGH): (a) and (b). Yes, Sir. The problem at Sindri is that it is an old and ageing plant which suffers from frequent mechanical failures and other breakdowns. The non-availability of raw materials of the requisite type, namely, gypsum and coal, is also proving to be another bottleneck to production efficiency. Various corrective steps have been, or are being, taken to get over these problems and also maximise production. Among other things, a 'rationalisation' scheme for production of phosphatic fertilizers, which will eliminate dependence on natural gypsum is under implementation. Another Scheme, known as the Sindri 'Modernisation' Scheme is also under consideration. This scheme will be based on heavy petroleum fractions as the feedstock in lieu of coke and coke oven gas presently being used at Sindri as the feedstock.

Production at Gorkhapur was affected as a result mainly of a labour strike lasting for over a month.

The Nangal plant is capable of operating at full capacity and even more, provided adequate power is made available to it. As a result, however, of the power shortage in the region, power supply is presently restricted to 98 MW per day, as against its contracted demand of 164 MW. This means a production loss of about 30,000 tonnes per annum of nitrogen. In this context, a scheme

for expansion of Nangal using fuel oil heavy fractions as the feedstock in lieu of electricity is also under consideration.

SHRI S. A. KADER: Sir, I want to raise a point of procedure.

MR. SPEAKER: Not now; after some time. He must know the order of business. He cannot get up an time he wants.

12 hrs.

CALLING ATTENTION TO MATTER OF URGENT PUBLIC IMPORTANCE

REPORTED CLOSURE OF EVENING COLLEGES AND THREE FACULTIES OF BANARAS HINDU UNIVERSITY

श्री अटन बिहारी झाड़पैयी (ग्वालियर):
अध्यक्ष जी, मैं अविलम्बनीय लोक महत्व के निम्नलिखित विषय की ओर शिक्षा और समाज कल्याण मंत्री का ध्यान दिलाता हूँ और प्रार्थना करता हूँ कि वे इस बारे में एक वक्तव्य दे :—

“छात्र असंतोष के परिणामस्वरूप बनारस हिन्दू विश्वविद्यालय के सायंकालीन कालेजों और तीन संकायों के अनिश्चित काल के लिए बन्द किये जाने का समाचार।”

THE MINISTER OF EDUCATION, SOCIAL WELFARE AND CULTURE (PROF. S. NURUL HASAN): Sir, soon after the Banaras Hindu University reopened after the Dussehra vacations, Shri Mahendra Nath Singh and Shri P. N. Srivastava, Vice-President and General Secretary of the Students Union started an agitation for the fulfilment of certain demands. On 17th November, 1972 they organised a meeting outside the University Gate and put forth 34 demands. These included withdrawal of expulsion orders and re-admission of

[Prof. S. Narul Hasan].

all the students expelled last years, promotion of first year students in all the faculties in the same manner as in Commerce and Art faculties, appointment of all the Heads of Departments by rotation according to seniority on a 2 year term, shifting of evening college from the city campus to the main campus, and modifications of the Bar Council of India regulations. The Vice-Chancellor had earlier constituted a Joint Students Faculty Consultative Committee which included the President, Vice-President and General Secretary of the Students Union for mutual discussion and in particular to secure students' participation. The Vice-President and the General Secretary of the Students Union did not, however, attend the meeting of this Committee. Instead they went out of Varanasi. On their return, the Registrar met them and requested them to meet and discuss the various demands with the Vice-Chancellor. The General Secretary met the Vice-Chancellor on November 25, 1972 and discussed some of the demands and promised to meet him again but did not do so. The Vice-President of the Union never met the Vice-Chancellor. Instead both of them started organising meetings and leading groups of students to the University Office for fulfilment of their demands. For almost two weeks they, along with outsiders, organised meetings (which they were not permitted to do during college hours), used loud speakers which disturbed the classes and caused dislocation of traffic inside the campus.

On December 1, 1972, when the Vice-Chancellor went to the DAV College to address a meeting of the students, a mob shouting slogans for the withdrawal of expulsion orders and re-admission of expelled students assaulted him and damaged his car. The Vice-Chancellor was escorted to the function with police assistance. While he was returning after the meeting, he was manhandled by a

section of the mob. On his reaching the campus from the DAV College, a crowd of nearly 500 students and some anti-social elements from outside 'gheraoed' him. The police had to be called in and on arrival of the police the crowd dispersed.

On December 2, 1972, the Vice-President of the Students Union gave an assurance to the Vice-Chancellor in the presence of the City Magistrate that they would place their demands in a peaceful manner if the police was withdrawn from the campus. Thereupon the District authorities were requested to withdraw the police force and the police withdrew on December 3, 1972.

On December 4, 1972 the Vice-President and the General Secretary of the Students Union organised a meeting in the University during class hours in contravention of the Registrar's notification and led a crowd of nearly 200 students to the Central Office of the University. About 40 students forced their entry into the Registrar's Office and asked him in a threatening language to call back the Vice-Chancellor from Delhi where he had gone for attending a meeting.

On December 5, 1972, the Vice-President of the Union and his supporters organised a "Black Day" and took a procession to the Town Hall.

On December 7, 1972, at about 1.30 P.M., when the Vice-Chancellor was out of the University, a crowd of students surrounded his residence and conveyed through the peon a message that if the Vice-Chancellor did not meet them by 2.00 P.M. they would be free to take such action as they deemed proper. The students also threatened that if their demands were not conceded the whole University would be burnt. At this stage, the District Magistrate and the Senior Superintendent of Police entered the campus and requested the crowd to disperse peacefully. The crowd

refused to do so. The police used water hosepipes to disperse the crowd. The mob became violent and indulged in widespread brickbattering and arson. The University Offices were broken open and the University branch of the State Bank was attacked and an attempt was made to loot it. Attempt was also made to set the University post office on fire. The Cafeteria and the City Delegacy office were broken open and some articles removed. A tent near the University telephone exchange was set on fire and two headgears of the exchange looted. The University Dispensary was broken open and a car of the University badly damaged. About half a dozen packing cases containing consignment of scientific material which were being brought from the Railway Station were snatched and set on fire. One woman in the campus was robbed of her necklace.

In view of the widespread brick-battering, arson and looting, the Vice-Chancellor, in consultation with the Academic Council, decided to close down the faculties of Law, Arts and Social Sciences, including the evening Colleges *sine die*.

On December 8, 1972 violence again broke out. Dr. Umesh Prasad, Reader in Economics, was attacked by hooligans and beaten. He was taken to the Hospital where two of his front teeth which had been loosened by beating had to be removed. A Senior Research Scholar was also severely beaten. The University Cooperative Store was completely ransacked and then set on fire. Two other stores were also broken open and looted. Attempt was also made to set the PWD Store on fire. After consulting the Academic Council, the Vice-Chancellor ordered the closure of all the faculties and advised the students to vacate the hostel within 24 hours.

Government view these developments with profound concern and condemn such violence and vandalism. I appeal to all sections of this House, leaders of public opinion and the

general body of teachers and students to use their influence in restoring normal and peaceful condition so that this great University, of which the country is justly proud, may be able to function normally.

श्री अटल बिहारी वाजपेयी : अध्यक्ष जी, यूनिवर्सिटी के कोई प्रोफेसर जब शिक्षा मंत्री हो जाते हैं तो किस तरह के वक्तव्य देते हैं यह पिछले सप्ताह से इस सदन में हम देख रहे हैं। प्रोफेसर नुरुल हसन अलीगढ़ यूनिवर्सिटी में प्रोफेसर थे, लेकिन शिक्षा मंत्री बनते ही उन की भाषा बदल गई। उस समय भी अलीगढ़ यूनिवर्सिटी में हिंसा हुई थी। वाइस चांसलर पर कातिलाना हमला करने की कोशिश की गई थी तब उन्होंने पुलिस बनाये रखने की मांग का समर्थन नहीं किया था।

मुझे बड़ा अफसोस है कि इस सदन के सामने तथ्यों को सही रूप में नहीं रखा गया। जो नीति वाइस चांसलर अपना रहे हैं उस के शिकार शिक्षा मंत्री हुए जान पड़ते हैं। इस सारे वक्तव्य में यूनियन के वाइस प्रेजिडेंट और जनरल सेक्रेटरी की चर्चा की गई है। यूनियन के प्रेजिडेंट का हवाला नहीं दिया गया। क्या यह सच नहीं है कि यूनियन के प्रेजिडेंट और वाइस प्रेजिडेंट दोनों वाइस चांसलर से 2 दिसम्बर को मिले थे? मगर शिक्षा मंत्री अपने वक्तव्य में कहते हैं कि खाली वाइस प्रेजिडेंट मिले। क्या वह विद्यार्थियों को बांटना चाहते हैं? क्या वाइस चांसलर की विद्यार्थियों में फूट डालो और राज्य करो की नीति सफल हो सकती है? यह तो विश्वविद्यालय चलाने का तरीका नहीं है।

आज स्थिति यह है कि यूनियन के प्रेजिडेंट अलग दल के हैं और वाइस प्रेजिडेंट और जनरल सेक्रेटरी अलग दल के हैं। चुनाव में ऐसा हो सकता है। नितान्त स्वाभाविक है। उनकी नीतियों में भी मतभेद हो सकता है। लेकिन मैं तथ्यों की बात कर रहा हूँ। लेकिन

मेरे पास दैनिक "आज" है, जो कहता है कि :

"शनिवार की रात में काशी हिन्दू विश्वविद्यालय छात्र संघ के अध्यक्ष श्री हरिकेश बहादुर और उपाध्यक्ष श्री महेन्द्रनाथ सिंह की वाइस चांसलर डाक्टर कालूलाल श्रीमाली से वार्ता के बाद डाक्टर श्रीमाली ने जिलाधिकारी श्री महेश प्रसाद से कहा है कि वे विश्वविद्यालय क्षेत्र से पी० ए० सी० हटा लें।"

लेकिन आप आज का वक्तव्य देखिये। इसमें वाइस प्रेजिडेंट के मिलने की बात कही गई है, प्रेजिडेंट के मिलने की बात नहीं कही गई। क्या विश्वविद्यालय के अधिकारी भी शिक्षा मंत्री को गलत खबर देते हैं केवल यही खबर गलत नहीं है, और भी खबरें गलत हैं।

शिक्षा मंत्री ने माना है कि वहां से पी० ए० सी० हटा ली गई। विद्यार्थी अपनी मांगों के लिए शांतिपूर्ण ढंग से आन्दोलन कर रहे थे। लेकिन राज्यपाल महोदय 7 दिसम्बर को विश्वविद्यालय के वाइस चांसलर के यहां भोजन के लिए आने वाले थे और विद्यार्थी राज्यपाल महोदय से भेट करने के लिए वाइस चांसलर के बंगले पर एकत्र थे। यह कहना कि वाइस चांसलर बंगले से चले गये, विद्यार्थियों ने बंगले का घेराव कर लिया, यह गलत है। राज्यपाल महोदय विश्वविद्यालय में आने वाले हैं, वाइस चांसलर के साथ भोजन करने के लिए, यह कार्यक्रम सार्वजनिक रूप से घोषित कर दिया गया था।

विद्यार्थी गवर्नर महोदय से मिलना चाहते थे। ऐन वक्त पर भोजन रद्द कर दिया गया और जिस होटल में राज्यपाल महोदय ठहरे थे उसी में भोजन की व्यवस्था की गई वाइस चांसलर महोदय वहां पहुंचे। छात्र संघ के एक प्रतिनिधि भी, जनरल सेक्रेट्री

राज्यपाल महोदय से क्लार्क होटल में मिले और राज्यपाल महोदय से एक सन्देश लाये विद्यार्थियों के लिए। क्या शिक्षा मंत्री महोदय को यह बात मालूम नहीं हुई ?

काशी हिन्दू विश्वविद्यालय छात्र संघ के महामंत्री श्री प्रभुनारायण श्रीवास्तव ने गुरुवार के अपरान्ह में राज्यपाल श्री अकबर अली खां से मिल कर उन से विश्व-विद्यालय के मामले में मध्यस्थता करने का अनुरोध किया, किन्तु राज्यपाल महोदय ने कहा कि जब तक वाइस चांसलर और विद्यार्थी मिल कर मध्यस्थता की बात नहीं करेंगे तब तक मैं मध्यस्थता नहीं कर सकता। लेकिन राज्यपाल ने अपने लिखित सन्देश में यह आशा व्यक्त की कि छात्र अपना समय अध्ययन में लगायेंगे ताकि वे भी जनरल सेक्रेट्री की तरह प्रथम श्रेणी प्राप्त कर सकें। उन्होंने विश्वविद्यालय के प्रोफेसरों और वाइस चांसलर से भी आशा की कि वह अपने छात्रों के प्रति स्नेहपूर्ण व्यवहार करेंगे।

स्थिति यह है कि जब जनरल सेक्रेट्री गवर्नर का सन्देश ले कर वापस आया और कैम्प में विद्यार्थियों को सन्देश पढ़कर सुना रहा था उसी समय विश्वविद्यालय में पी० ए० सी० ने प्रवेश किया। क्या शिक्षा मंत्री महोदय को इस तथ्य का पता है? पी० ए० सी० को देख कर विद्यार्थी चौंके। विद्यार्थियों की सभा शांतिपूर्ण ढंग से चल रही थी। उसी समय पी० ए० सी० को बुलाने की क्या आवश्यकता थी? चार विद्यार्थी डिस्ट्रिक्ट मजिस्ट्रेट से बात करने के लिए गये। उन विद्यार्थियों को उसी समय गिरफ्तार कर लिया गया। क्या आवश्यकता थी उन विद्यार्थियों को गिरफ्तार करने की? सर्वश्री राय बहादुर राय, बेदनात मजूमदार, बाबूलाल सिंह यादव, महेन्द्रनाथ सिंह, जो उपाध्यक्ष थे, पुलिस द्वारा विद्यार्थियों की भीड़ के सामने गिरफ्तार कर लिये गये। क्या यह भड़काने वाली कार्रवाई नहीं थी? क्या पुलिस के

[श्री अल बिहारी लाल बाजपेयी]
लिए उस समय विश्वविद्यालय में प्रवेश करने
आवश्यक था और क्या छात्रों की गिर-
फ्तारी जरूरी थी? उस के बाद पुलिस ने,
पी०ए०सी० ने छात्रावास में घुस कर विद्यार्थियों
को पीटा। इस का शिक्षा मंत्री ने अपने
वक्तव्य में कोई उल्लेख नहीं किया। पुलिस
की पिटाई के बाद प्रतिक्रिया में जो घटना
हुई उस का उन्होंने विस्तार से हवाला दिया है।
कोई भी इन घटनाओं का समर्थन नहीं कर
सकता, लेकिन क्या उन्हें पता है कि पी०ए०सी०
ने छात्रावासों में घुस कर लड़कों को पीटा?
गर्ट होस्टल के वार्डन देवेन्द्र प्रताप नारायण
सिंह को बरी तरह से पीटा, बी०ए० के अन्तिम
वर्ष के विद्यार्थी राकेश शुक्ल की घड़ी छीन
ली, अरविंद कुमार जो ग्रांट होस्टल का है,
उसका ट्रांजिस्टर छीन लिया। इसके बाद
कैम्पस में स्थिति बिगड़ गई। क्या शिक्षा
मंत्री के पास इन तथ्यों को जानने का अपना
कोई साधन नहीं है? क्या केवल विश्वविद्यालय
की एकतरफा सूचना के आधार पर वह
स्वयं गुमराह होते रहेंगे और सदन को गुमराह
करते रहेंगे?

मैं जानना चाहता हूँ कि इन तथ्यों को
प्रकाश में लाने के लिए और सच्चाई की तह
में जाने के लिए शिक्षा मंत्री वाइस चांसलर
को सलाह देंगे कि जो भी हिंसात्मक घटनाएं
हुई हैं, भले ही उन में विद्यार्थी दोषी हो या
पी०ए०सी० दोषी हो, वह कसी मजिस्ट्रेट को
या किसी जज को निपुक्त करेंगे? मैं चाहता
हूँ कि सच्चाई सामने आये। जो विद्यार्थी हिंसा
के दोषी हैं उन्हें बेपर्दा किया जाये, उन्हें दंडित
किया जाये, लेकिन आज तो तथ्यों के
बारे में मतभेद हैं।

दूसरी बात में यह यह जानना चाहता
हूँ कि बनारस विश्वविद्यालय कब तक वाइस
चांसलर की मनमानी से चलेगा? बनारस
यूनिवर्सिटी के लिए अब तक पार्लियामेंट
ने कानून क्यों नहीं बनाया? यहां पर डा० बी०
के० आर० बी० राव मौजूद हैं। जब वह शिक्षा मंत्री
थे 1970 में तब उन्होंने सदन में आश्वासन

दिया था। मैं उन के कुछ शब्द उद्धृत करना
चाहता हूँ :

"I would like to give an as-
surance to my hon. friend that I
do not like to keep this Bill on
the statute book for a day longer
than absolutely necessary. I do
not like nominated executive
councils. I do not like nominated
courts. I have functioned all my
life in a University and as a
University man, I would be the
last person in the world to ask
for a nominated body for the
governance of the University."

यहां अनीगढ़ विश्वविद्यालय का मालला
आया था तब वर्तमान शिक्षा मंत्री ने यह
आश्वासन दिया था कि बनारस यूनिवर्सिटी
के बारे में शीघ्र ही बिल लाया जायेगा।
इस बिल को लाने में देर क्यों हो रही है? आज
सारी ताकत वाइस चांसलर के हाथों में इकट्ठी
हो गई है। प्रोफेसरों में अंतर्भाव है, छात्रों
में अंतर्भाव है। मैं उदाहरण देना नहीं
चाहता, आप घंटी बजा रहे हैं, लेकिन मेरे पास
एक ऐसा मामला है कि एक विद्यार्थी को, जो
एम०ए० की परीक्षा में बैठा था, मगर उस का
परिणाम नहीं निकला, पोलिटिकल साइंस
का प्रोफेसर नियुक्त कर दिया गया। यह
हिन्दू यूनिवर्सिटी का मामला है। मैं उस का
नाम लेने के लिये तैयार हूँ। क्या आपने
कहीं सुना है कि विद्यार्थी एम०ए० पास नहीं
वह पढ़ाने के लिये नियुक्त कर लिया जाये?
वाइस चांसलर महोदय ने प्रोफेसर नियुक्त
किया, डीन नियुक्त किया जब कि वहां कोई
चुनो हुई संस्था नहीं है।

श्री एस० राम० बनर्जी (कानपुर) : जब
वह एम० पी० बन सकते हैं तब प्रोफेसर क्यों
नहीं बन सकते?

श्री अटल बिहारी बाजपेयी : एम० पी०
बनने के लिये तो योग्यता नहीं चाहिये, मगर
प्रोफेसर बनने के लिये योग्यता चाहिये।

अध्यक्ष महोदय : जो प्रोफेसर यहां
आते हैं उन का क्या किया जाये?

श्री अटल बिहारी वाजपेयी : अगर शिक्षा मंत्री कहें तो मैं इस तरह के अनेक उदाहरण दे सकता हूँ, जिनके कारण वहाँ अमन्तोष पैदा हो रहा है। वह इस सदन को बतलायें

श्री के०डी० मालवीय (डुमरियगंज) : इनके बारे में दूसरी राय भी हो सकती है।

श्री अटल बिहारी वाजपेयी : मैं सही कह रहा हूँ। मैं साबित करने के लिये तैयार हूँ। आखिर उसी सब्जेक्ट में प्रोफेसर कैसे हो सकता है ? लेकिन यह सारी बातें इस लिये हो रही हैं कि वहाँ कोई एलेक्ट्रेड वाडी नहीं है, कोर्ट नामजद है, एग्जिक्यूटिव कौंसिल नामजद है। रजिस्ट्रार महोदय कैसे आचरण करते हैं मैं इस का उल्लेख नहीं करना चाहता, लेकिन मैं यह जानना चाहता हूँ कि आखिर बनारस यूनिवर्सिटी के बारे में बिल लाने में देर क्यों हो रही है और बिल को न लाने के बारे में आधार बनाकर लोगों को अपना अमन्तोष प्रकट करने का मौका क्यों दिया जा रहा है ?

श्री के०डी० मालवीय : हमसे ज्यादा चिन्तित आपको क्यों हो रही है ?

PROF. S. NURUL HASAN: The statement made by the hon. Member that a student who has not even passed his M.A. was appointed as a teacher has taken me completely by surprise. I will look into the matter and I have no further comments to offer. I would request him to let me have the specific case and I will inquire into it. The Rules of the University are very clear that a person who has not passed Master's Degree examination in the First or High Second Division or has not done some research work or has no teaching experience is not to be appointed as a teacher. (Interruptions).

SHRI S. M. BANERJEE: But he has been given doctorate in that faculty.

PROF. S. NURUL HASAN: The hon. Member knows the Hindi word for it which is called 'Anari' doctorate.

Now, I want to take up...

SHRI JYOTIRMOY BOSU (Diamond Harbour. You are casting aspersion on those who are not here to defend themselves!

PROF. S. NURUL HASAN: No offence is meant either to the hon. Member who seems aspirant for a honorary doctorate or to those who have got it!

Now, I want to take up another matter, a simple matter, and this refers to the assurance which was given by my esteemed predecessor (Prof. V. K. R. V. Rao) regarding the Bill for the governance of the Banaras Hindu University. Sir, I stand by the views which were expressed by Prof. V. K. R. V. Rao. I share his feelings completely. The fact of the matter is, I had requested the University Grants Commission to appoint a Committee to prepare the outlines of the Bill. The report of that Committee with the comments of the UGC has not reached me. As soon as this is available to me, I will take action. I can assure the House, there will not be any further delay on the part of the Ministry or the Government in bringing a Bill. I hope it will be done fairly soon.

AN HON. MEMBER: What about Gajendragadkar Commission?

PROF. S. NURUL HASAN: That report has been accepted and the broad outlines of the Bill conform to the Gajendragadkar Committee's recommendations. But there are certain specific details of every university which have to be taken due note of. For that purpose I had requested UGC to assist Government in giving their advice. The Gajendragadkar Committee itself recommended that the Central Government and State Gov-

[Prof. S. Nural Hasan].
ernment should ordinarily consult the UGC before finalising the legislative proposals with regard to universities. Now, I would like to make one point clear, Hon. Members seem to be under the impression that all these decisions were arbitrary decisions of the Vice-Chairman because the executive council and the board are nominated bodies. I gave this information deliberately to the House so that there may be no misunderstanding on this score, because, on both the occasions, the decision of the Vice-Chancellor was taken on the advice of the Academic Council. The Academic Council is not a nominated body, it is a body almost entirely consisting of the academics of the same university. They can co-opt 4 or 5 academics also from other universities. I don't think they could have been present at an emergent meeting and at short notice. Therefore the decisions which have been taken cannot be deemed to be arbitrary decisions. These are decisions taken in consultation with the Academic Council of the University. Even if the new Act comes, basically, the structure of the Academic Council will continue to be the same.

The hon. Member said that there should be an inquiry by a judicial personality. I would remind the House of an inquiry which was ordered by the Vice-Chancellor which was conducted by Justice M. C. Desai, formerly Chief Justice of the Allahabad High Court. On the basis of this report, certain students were expelled. Out of the 17 who were expelled, 13 were permitted to take the examination as ex-students, so that their career might not be adversely affected; they were not permitted to come back as regular students. Only 4 students were not taken back. This whole agitation centres round the demand that the expelled students be taken back. Therefore, this is the respect which unfortunately a group of students has shown to the inquiry conducted by such a high judicial personality as the ex-Chief Justice of the Allahabad High Court.

I did not want to refer to the groups and factions, but since the hon. Member has emphasised that fact, I would like to say that the group of the Vice-President and the Secretary who enjoy massive support from Akhil Bharatiya Vidyarthi Parishad and Samajwadi Yuv Jan Sabha have been bent on creating trouble...

SHRI ATAL BIHARI VAJPAYEE:
Question.

AN HON. MEMBER: Hear, hear.

SHRI PILOO MODY (Godhra): What is this 'hear, hear' for? For creating trouble?

PROF. S. NURUL HASAN: I am sure that the hon. Members from this side would accept the amendment proposed by Shri Piloo Mody.

SHRI R. S. PANDEY (Rajnandgaon): He has given certain facts to the House. That is why there is 'hear, hear'.

SHRI PILOO MODY: Every time a Minister gives facts, he has to be cheered because all the time he is giving untruths.

PROF. S. NURUL HASAN: The basic issue before this university or any other university is this. Is it a place where intellectual dialogue takes place, where an attempt is made to convince the other people, where dissent is permitted, where a student even though he may be in the minority of one has the right to express his views, or is it a place where intimidation and violence are going to determine the decisions of the university? I think that it is this moral question which this House should always bear in mind.

The Vice-Chancellor had appointed a joint committee of students and teachers to go into all the various demands that the students had proposed. Some of those demands were obviously in my opinion, unacceptable, but there were other demands

which had a great deal of justification and which could have been considered; although they could not straightway have been implemented by the university, they could be discussed and a way out could be found. But instead of going through that procedure of discussion, of persuasion and of trying to convince each other, this group of students appears to have been more interested in establishing its leadership through all types of dubious means and adopted a policy which brought a bad name to the entire student community....

SHRI ATAL BIHARI VAJPAYEE: They are elected leaders of the students.

PROF. S. NURUL HASAN: The hon. Member referred to certain incidents in the university which I had the good fortune and honour to serve. I can assure him that even at that time, my stand was very clear, that violence and attempt to beat up people has no place in a university, and that if a group of individuals decides to intimidate the duly and lawfully constituted authorities of the university, it is the duty of the civil police to help them to carry on the duties which have been entrusted to them and to perform the functions which have been assigned to them by Parliament.

श्री अटल बिहारी वाजपेयी : अध्यक्ष जी, मैंने एक बात पूछी थी, मंत्री महोदय ने वक्तव्य में कहा है कि 2 दिसम्बर को खाली वाइस-प्रेसिडेंट मिले, लेकिन मैंने अखबार को उद्धृत करते हुए बताया है कि 2 दिसम्बर को वाइस-प्रेसिडेंट के साथ प्रेसिडेंट भी थे। मैं जानना चाहता हूँ कि उन्हें यह गलत जानकारी कहाँ से मिली।

प्रो० एस० नुरुल हसन : जनाबेवाला, मैंने अपने वक्तव्य में एक बात बहुत अहमियात से ध्यान की है। अहमियात से इस नये ध्यान की कि प्रेसिडेंट के बारे में मुझे कोई जानकारी नहीं है कि वह वायलेंट एजिटेशन आर्गनाइज कर रहा था।

श्री अटल बिहारी वाजपेयी : सवाल मिलने का है कि मिला नर नहीं.....

प्रो० एस० नुरुल हसन : जुमला खत्म करने की इजाजत हो जाया करे तो बड़ी कृपा होगी।

अध्यक्ष महोदय : जुमला किसी को खत्म करने ही नहीं देते हैं।

प्रो० नुरुल हसन : अर्ज यह है कि यह जो एक वायलेंट किस्म का एजिटेशन था जोकि पहली तारीख को हुआ इसकी लीडरशिप वाइस प्रेसिडेंट कर रहे थे। दूसरी तारीख को वाइस प्रेसिडेंट ने भी यह कहा कि हम अपनी डिमांड्स पीसफुली रखेंगे और पुलिस वापिस ले ली जाये। इसलिए वाइस प्रेसिडेंट का नाम खास तौर पर कहने की जरूरत थी। चुनावे पुलिस को हटवा दिया गया।

श्री बी० आर० शुक्ल : (बहरोइच) : शिक्षा मंत्री जी ने बहुत विस्तारपूर्वक सब बात बताई हैं। लेकिन सम्पूर्ण उत्तर भारत में असम से लेकर पंजाब तक ऐसे आन्दोलन पिछले कई महीनों से चल रहे हैं। जो 34 मांगें विद्यार्थियों की तरफ से रखी गई हैं उनको मैंने भी पढ़ा है। उन में से अधिकांश मांगें ऐसी हैं जिन को विल्कुल इरेक्शनल और प्रोपास्टरस कहा जाना चाहिए। जब एक ओर से ऐसी बेबुनियाद मांगें प्रस्तुत की जायें और उन मांगों को 14 नवम्बर से 17 नवम्बर के बीच पारित भी कर दिया जाये तो मैं जानना चाहता हूँ कि शिक्षा अधिकारी जो विश्वविद्यालय से सम्बद्ध थे उन्होंने क्या कदम उठाये इसके लिए कि छात्रों के बीच में इन मांगों को लेकर जनमत तैयार किया जाए और बताया जाए कि इनकी पूर्ति करना असम्भव है, ये निराधार मांगें हैं, इन में कोई तर्क नहीं है, कोई दलील इन मांगों के पीछे नहीं है। उस समय से लेकर और 7 और 8 दिसम्बर तक उपकुलपति महोदय और शिक्षाधिकारी और शासन जोकि इस

[श्री बी० आर० शुक्ल]

मुल्क में व्यवस्था बनाये रखने के लिए जिम्मेदार हैं क्यों उदासीन रहे इस तरफ से और क्यों सोते रहे ? यह तो कोई उत्तर नहीं है कि नृशंसता या उदंडता के वातावरण को पनपने न दिया जाये और जब स्थिति चरम सीमा तक पहुँच जाए उसके बाद पी० ए० सी० को बुलाया जाये । 1 तारीख से 7 तारीख के बीच उपग्रवी तत्व विश्वविद्यालय के अन्दर मीटिंग आर्गेनाइज कर रहे थे । उस वक्त उनके खिलाफ कोई स्टेप क्यों नहीं उठाए गए ? अगर विश्वविद्यालय के अन्दर अधिकांश छात्र ऐसे हैं जो शान्तिमय तरीके से अपना विद्याध्ययन करना चाहते हैं तो कुछ ऐसे आदमी जो बाहरी तत्व हैं या राजनीतिक या असामाजिक तत्व हैं और जो वातावरण को दूषित करना चाहते हैं उन को आइसोलेट करने के लिए जनमत क्यों नहीं तैयार किया जाता ? शिक्षा संस्थाओं के लिए जिम्मेदार अध्यापक और जो राजनीतिक कार्यकर्ता हैं, खास तौर से मैं अपने लोगों की तरफ इशारा करना चाहता हूँ हम लोग क्यों इन समस्याओं की ओर तटस्थता दिखाते हैं । दिल्ली जो राजधानी है वहाँ भी यही घटनाएं घट रही हैं, लखनऊ, वाराणसी, पंजाब आदि में भी ऐसी ही घटनाएं घट रही हैं, मैं जानना चाहता हूँ कि इन के सम्बन्ध में शासन ने क्या कदम उठये हैं ? कौन कौन सी पार्टियाँ हैं जोकि इससे लाभ उठाना चाहती हैं ? मैं चाहता हूँ कि उनको खुलमखूला इंगित किया जाए । कौन-कौन से लोग हैं और उन का क्या हाथ रहा है, इसको बताया जाए ।

हर पार्टी के जितने जिम्मेदार नेता हैं और जो छात्रों के भविष्य और इस देश के भविष्य में दिलचस्पी रखते हैं और ऐसे दलों के वरिष्ठ नेताओं को भी जैसे अटल बिहारी वाजपेयी हैं या दूसरे लोग हैं उनको दिखाया जाए और बताया जाए कि जितनी बे 34 मांगें हैं वे बतायें कि इन में

से कौन सी ऐसी हैं जिनकी पूर्ति करना सम्भव है या जो इस काबिल हैं कि इनको स्वीकार कर लिया जाये ? इस मनोवृत्ति को भी त्याग देना होगा कि यहाँ पर तो कुछ कहते हैं लेकिन प्लेटफार्म पर बाद में जा कर स्टुडेंट्स का साथ देते हैं । जब तर्क की बात होती है तब तो कहते हैं कि ठीक है लेकिन बाद में कुछ और ही करते हैं उन को भी ऐसा नहीं करना चाहिए । बजाये इसके कि जुडिशल इन्क्वायरी बिठायी जाये, बहुत हिम्मत के साथ, साहस के साथ जो शिक्षित वर्ग है, जो प्रबुद्ध वर्ग है, जो राजनीतिक और सामाजिक नेता हैं मैं चाहता हूँ कि वे बिल्कुल चुपचाप न बैठें बल्कि सक्रिय रूप से आगे आयें और हजार आदमी एक चीज को गलत करते हैं तो बजाय उसके आगे नत मस्तक होने के और क्राऊड साइकलोजी के आगे झुकने के बजाय तर्क और न्याय का साथ दें और चाहे थोड़ी देर के लिए वे अल्पसंख्या में भी हों तब भी वे उसका मुकाबला करें ।

PROF. S. NURUL HASAN: I entirely agree with the hon. member that the time has come when political leaders should use their influence..

AN HON. MEMBER: If they have any.

PROF. S. NURUL HASAN: I think they have a lot of influence. They should make it clear that any type of intimidation or violence will not be tolerated and that no university can function in that manner. It is a question of the future of the new generation that they should be enabled to carry on their studies by improving their intellect by learning to dissent by argument and putting forward facts, by sifting facts, sifting evidence and sifting arguments. Therefore, I am in full agreement with the hon. member that it is now necessary that those sections of the student community which feel that they can attract greater attention and

notice of House if they create trouble are made to feel that the disapproval of this House is very strong and that a demand will be accepted on its merits and not because it is going to be put forward in a violent manner. In fact, the disapproval of the political leaders of even a reasonable demand put forward in a violent and intimidatory manner would discourage violence and intimidation if this is made to known to all. On behalf of Government, I want to make it absolutely clear that we will not be a party to the acceptance of any demand which is the result of intimidation or threats. So far as the elements are concerned, I have already stated that in the Banaras Hindu University, the two leaders were supported by the Akhil Bharatiya Vidyarthi Parishad and Samajwadi Yuvjan Sabha.

SHRI ATAL BIHARI VAJPAYEE: What about the President?

PROF. S. NURUL HASAN: The President was not involved in organising violent agitations.

श्री अटल बिहारी वाजपेयी : यह पाटा बिन्दी हो रही है। आप बताएं कि प्रेजीडेंट किस पार्टी के हैं ?

PROF. S. NURUL HASAN: I am prepared to state on behalf of my party—my party is occupying virtually more than two-thirds of this House—that my party will not accept any intimidatory or violent demand of any kind.

SHRI G. VISWANATHAN (Wandiwash): Does it apply to Tamil Nadu also, where you are in the opposition?

SHRI PILOO MODY: His excuse is that in Tamil Nadu his party is not in existence and so it will not apply to Tamil Nadu.

PROF. S. NURUL HASAN: If the hon. Member wants that the Tamil Nadu situation should not be discussed by the Assembly of Tamil Nadu

but by this august House I am quite prepared to discuss the Tamil Nadu student situation also (Interruptions) I am talking about the academic position. The academic position is that the university is not a place for intimidation and violence and argument should be met with argument even though dissent should be permitted and even encouraged. I am willing to give this assurance. But I would appeal to the leaders of other political parties that they should also take up this matter as a non-party manner, because it affects the future of the entire new generation. My children and your children are going to suffer, if the universities do not function properly.

SHRI PILOO MODY: Your grand children.

श्री अटल बिहारी वाजपेयी : अध्यक्षजी इस का तरीका यह है कि शिक्षा मंत्री महोदय एक सम्मेलन बुलाएं, सभी राजनीतिक दलों के नेताओं को उस में निमंत्रित करें। केवल सदन में कहना काफी नहीं है कि कांग्रेस पार्टी में बंधी हुई है। सम्मेलन बुलाइये, जिसमें सब राजनीतिक दल भाग लें और हम सब जैन्टिल मैन एग्रीमेंट करें कि पोलिटिकल पार्टीज (नीवर्सिटीज को एक्सप्लाइट नहीं करेंगी।

MR. SPEAKER: Shri Ramavatar Shastri Absent.

SHRI SEZHIYAN (Kumbakonam) Sir, I want to submit....

MR. SPEAKER: This is not yet over. There is one more Member. Further, I am not allowing it because it came to me too late. So, kindly keep sitting.

SHRI C. K. CHANDRAPPA: (Tellicherry): I want to draw the attention of the House to a few developments that have taken place in the very recent past. When the students of Delhi went on a strike, a

[Shri C. K. Chandrappan]
few students of the Banaras Hindu University, led by the Vidyarthi Parishad leaders, came here and they more or less declared a war on the government. They said that they will create such a situation in the country. It was an expression of solidarity by the Vidyarthi Parishad-led students of the Banaras Hindu University to their counterparts here, who were creating such a situation in the Delhi University.

Then there is a news item in to-day's *Statesman* that the student union leader of the Dehi University, along with the student union leader of the Aligarh Muslim University, is going to convene a conference where they are going to discuss the student unrest and the future course of action which they might adopt.

SHRI ATAL BIHARI VAJPAYEE:
What is wrong about it?

SHRI C. K. CHANDRAPPAN:
There is nothing wrong about it. But when I heard Shri Vajpayee pleading the case of the students, I was reminded of the devil quoting the scripture.

SHRI ATAL BIHARI VAJPAYEE:
He is the only angel in the House.

SHRI C. K. CHANDRAPPAN: I know there are many others.

SHRI G. VISWANATHAN: An angel is supposed to be white, not red.

SHRI C. K. CHANDRAPPAN:
For the last few years several commissions were appointed to go into the working of the Banaras Hindu University and they have come out with several recommendations. One of the main points brought out by the Gajendragadkar Commission, as well as the Commission just now mentioned by the hon. Minister, is that the RSS and the Vidyarthi Parishad are making the Banaras Hindu University a hot bed of communal passion, which is creating an unprecedented atmosphere of ten-

sion which is surcharged with violence, murder and things of that nature. The Gajendragadkar Commission recommended that the RSS office, which is situated in the University campus, should not be allowed to function there. I am surprised at the spinelessness of the government. They often speak that they are for secularism and that they are for making the university an ideal institution where secularism will spring up.

Last year, 150 or more members of this House and the other House signed a Memorandum in which they had said that the Government should take immediate measures to curb the activities of R.S.S. in the university campus. That Memorandum was signed by Members of all parties, except the Jana Sangh, and it was given to the Government in the wake of violence in the Osmania University....

SHRI JAGANNATHRAO JOSHI:
(Shajapur): That has been proved wrong later on by the judgment of the court. Let him know for his information.

SHRI C. K. CHANDRAPPAN: I do not know why Shri Jaganna'hrao Joshi is getting agitated.

SHRI JAGANNATHRAO JOSHI:
There is a judgment on that. He can refer to that also.

SHRI C. K. CHANDRAPPAN: It happened in the wake of violence where Shri George Reddy was allegedly murdered by R.S.S. (Inter-
ruption):

SHRI JAGANNATHRAO JOSHI:
There is already a judgment on that.

MR. SPEAKER: Please come out with your question.

SHRI C. K. CHANDRAPPAN: In Andhra Pradesh irrespective of the assurance given even by the Prime Minister, the R.S.S. is active. I am only citing this example.....

SHRI ATAL BIHARI VAJPAYEE:
 This relates to B.H.U. not to R.S.S.

SHRI C. K. CHANDRAPPAN: The R.S.S. is mainly responsible for it and the Vidyarthi Parishad is adding fuel to the fire. And Jana Sangh is leading the whole game. That is the thing. The agitation of the students of Banaras Hindu University has nothing to do with the university reforms or anything like that.

They have given about 34 demands and what they have pointed out is that they are asking for the restoration of those students who were expelled—it is again connected with the R.S.S. activities in the university campus.

In this situation, I would like to ask the hon. Minister whether they are going to take firm measures against the activities of R.S.S. in the university campus at least. What are they going to do about the R.S.S. office inside the Banaras Hindu University campus? The hon. Minister often says that the case is pending in the court. I do not know why this Government has taken this matter to the court when they have got two-thirds majority here to adopt any legislation to curb the fascist activities of R.S.S.

Then, the hon. Minister has assured the House several times and his predecessor also that the Government will bring forward a legislation so that democratisation of education in the B.H.U. and in the Central Universities will be achieved. The promise has been made by every Minister but nothing has happened so far. I would like to tell him that that is the reason. The students are frustrated. Your delay and your failure makes the students more desperate. These people here make use of that frustration. I want to know whether the Government will bring forward this legislation before the House immediately.

Another thing is that there is no use of appointing one more commis-

sion. Will he accept a suggestion to send a parliamentary delegation in which Shri Atal Bihari Vajpayee can also be there to go and examine and study what is happening there and to report to the world about the recent educational crisis in the B.H.U.

PROF. S. NURUL HASAN: I have already made my submission regarding the introduction of a Bill for the proper governance of Banaras Hindu University. I will not repeat it. But I would like to draw the attention of the hon. Member to the fact that, out of these 34 demands, there is not one which refers to the need for having urgently a full legislation for the University. When he was making this observation, I again went through these 34 demands because I thought my memory might have played a trick upon me, but I find that that is not one of the demands.

SHRI C. K. CHANDRAPPAN: I was asking whether you would bring a legislation.

PROF. S. NURUL HASAN: Therefore, to say that because of this there is frustration is not in my humble opinion, a correct statement.

Secondly, it is not the Government which has gone to a court of law with regard to the RSS office; it is the RSS which had gone to the court of law and obtained stay or injunction.... (Interruption).

AN HON. MEMBER: Nationalise RSS.

PROF. S. NURUL HASAN: I wish I could instil into the minds of the leaders of RSS some national sentiment, some national thinking, but the difficulty arises.....

श्री अटल बिहारी वाजपेयी : यह उपदेश बहुत आपत्तिजनक है। सारी देशभक्ति का ठेका श्री नूरुल हसन ने नहीं लिया है।

SHRI JAGANNATHRAO JOSHI:
 Do not preach nationalism to us.

श्री० एस० नूकल हसन : ठेका तो किसी ने नहीं लिया है। ठेका तो पूरे देश का इस पार्लियामेंट ने लिया है।

श्री अटल बिहारी वाजपेयी : मैं भी देशभक्त हूँ और भारत० एस० एस० का हूँ, यह कहते भी मुझे कोई संकोच नहीं है।

SHRI JAGANNATHRAO JOSHI:
You talk of nationalism Surrendering
the country's territory is nationalism.

श्री० एस० नूकल हसन : बहरहाल इस में कोई शक नहीं है कि बनारस हिन्दू यूनिवर्सिटी में गड़बड़ मचाने में भारत एस एस वाले बहुत भागे हैं। जहाँ तक सरकार का सवाल है सरकार भी किसी ऐसी शक्ति को यूनिवर्सिटी के हित में समझती जो कम्युनल सेंटीमेंट्स को फैलाए।

श्री अटल बिहारी वाजपेयी : जिन्होंने मुस्लिम लीग को केरल में एजुकेशन मिनिस्ट्री दे दी है वे यहाँ बातें करते हैं नेशनलिज्म की।

SHRI C. K. CHANDRAPPA:
What about sending a parliamentary
delegation?

MR. SPEAKER: Papers to be laid
on the Table.

12.53 hrs.

PAPERS LAID ON THE TABLE

REPORT OF COMMITTEE FOR REVIEW
OF OIL AND NATURAL GAS
COMMISSION, ETC.

THE MINISTER OF LAW AND
JUSTICE AND PETROLIUM AND
CHEMICALS (SHRI H. R. GOKHA-
LE):

I beg to lay on the Table—

- (1) A copy of the Report of the
Committee for review of the
Oil and Natural Gas Com-
mission.

- (2) A statement (Hindi and
English versions) explaining
the reasons for not laying
the Hindi version of the
above Report simultaneously:

[Placed in Library, See No. LT—
3971/72.]

12.54 hrs.

STATEMENT RE DISMISSAL OF
SHRI V. P. MALHOTRA, FORMER
CHIEF CASHIER OF STATE
BANK OF INDIA, NEW
DELHI

THE MINISTER OF FINANCE
(SHRI YESHWANTRA CHAVAN):

Mr. Speaker, Sir,

Hon'ble Members have not more than one occasion evinced desire to know the details of the circumstances in which Shri V. P. Malhotra, former Chief Cashier, State Bank of India, Parliament Street, New Delhi, has been dismissed from the bank's service. I had already informed the House that the State Bank of India had reported that the disciplinary proceedings initiated against Shri V. P. Malhotra had ended in his dismissal from the service of the bank with effect from the 10th November, 1972. The facts leading to his dismissal are as follows:—

The State Bank of India issued a letter containing a statement of charges to Shri V. P. Malhotra, Chief Cashier in its Parliament Street Branch, New Delhi, which was served on him on the 1st June, 1972. The contents of the charges were that he had unauthorisedly withdrawn Rs. 60 lakhs from the currency chest and in breach of the established practice, procedure and rules of the bank took it out of the bank premises without transit insurance, escort or armed guard in a bank vehicle without the bank driver and delivered it to an unknown and unauthorised person and betrayed the trust and confidence reposed in him by the bank.

SHRI PILOO MODY (Godhra):
When are you making him a Governor?

SHRI YESHWANTRAO CHAVAN:
Shri Malhotra, in his written explanation submitted by him on the 12th July, 1972, denied all the charges and stated that he had no personal motive whatsoever in disregarding procedural formalities laid down by the bank in the withdrawal of cash from the chest.

SHRI JYOTIRMOY BOSU (Diamond Harbour): After 27 years of service.

SHRI YESHWANTRAO CHAVAN:
He mentioned that he was simply duped and that once a man is duped, his action may not come up to normal standards. It was further his explanation that since he thought that he was under instruction on the telephone, which he believed at that time to be from the Prime Minister, not to take any escort, armed guard or a driver and keep the entire transaction as top secret, he did not follow the usual instructions of the bank for taking large amount of cash outside the bank premises. He requested that he should be judged by his conduct immediately after realising that he the money such as nothing the taxi number in which the impostor took away the money, rushing to the Prime Minister's House to collect the necessary documents, contacting the Police immediately after realising that he he was the victim of a huge hoax and helping them to apprehend the culprit.

SHRI PILOO MODY: In between he went to the Parliament House.

SHRI YESHWANTRAO CHAVAN:
The Local Board of the State Bank of India after considering the written explanation submitted by Shri V. P. Malhotra and the submissions made by him in the personal hearing given to him by the competent authority, decided that it was a fit case for imposing the penalty of dismissal on him. The State Bank of India, therefore, issued a show cause notice to

Shri V. P. Malhotra on the 27th July 1972 asking him why the penalty of dismissal should not be imposed on him. Shri Malhotra submitted his reply to the show cause notice on the 10th October, 1972. The main theme of his defence was that the show cause notice was premature, unwarranted and void and that no oral enquiry was conducted. He also mentioned that his presence of mind alone made the recovery possible and that dismissal is an extreme penalty normally reserved for weeding out corrupt officers and he should not be dismissed and that there should not be a total forfeiture of service for a single error of judgement.

The executive Committee of the Central Board of the State Bank of India at its meeting held on the 10th November, 1972, later considering the recommendation of the Local Board and going through the entire records of the disciplinary proceedings, resolved that he be dismissed from Bank's service with immediate effect. The State Bank of India accordingly communicated the order of dismissal to Shri V. P. Malhotra through a letter sent to him by registered post which was acknowledged by him on the 17th November, 1972.

SEVERAL HON. MEMBERS rose—

SHRI SHYAMNANDAN MISHRA (Begusarai): I had, in fact, raised this matter and suggested that the Government should come forward with a statement on the subject.

Now, the first complaint I have to make is that no due notice was given to us of this statement. There is no mention of it on the Order Paper...

MR. SPEAKER: The Minister can make...

SHRI SHYAMNANDAN MISHRA:
To interrupt the proceedings abruptly for the Finance Minister to make this statement? However, it is in response to the request that I had made. I am grateful to you that you

Chief Cashier of S.B.J.
New Delhi (St.)..

[Shri Shyamnandan Mishra].
had asked the Government to make a statement although the Government was not ready to do it at the earlier stage. I had been informed by you orally that the Government did not think that there was any commitment involved to make and explain things. The point I want to make now is that you should fix some time for a discussion on the statement that he has made.

Now, three things arise from this statement. First, the charges were so grave that he has been dismissed. Second, Mr. Malhotra thinks that it is premature; probably, more developments are to follow. Third, Mr. Malhotra thought that it was the voice of the Prime Minister from the other side and, therefore, he went out with the amount. That is also there. We feel that it is a fit case for a Parliamentary Committee to go into. You should allow us a discussion on this statement.

SEVERAL HON. MEMBERS rose—

MR. SPEAKER: Order, please. . .
(Interruptions)

SHRI JYOTIRMOY BOSU (Diamond Harbour): When you have allowed one Member, how can you shut me out?

SHRI SHYAMNANDAN MISHRA:
I had earlier written to the Speaker.

13 hrs.

SHRI JYOTIRMOY BOSU: I wrote to your good self and to the Finance Minister.

श्री जगन्नाथ राव जोशी (शाजापुर) :
अध्यक्ष महोदय, सदन के सामने जो आश्वासन
दिया गया था कि उसको आई पी सी की दफा
409 के अन्तर्गत रजिस्टर्ड कर जायेगा
इसका इस में कोई जिम्मा नहीं है।....
(अव्यवधान) ...

MR. SPEAKER: I am not allowing anybody. Now, Shri Swaran Singh.

STATEMENT RE FINALISATION OF LINE OF CONTROL IN JAMMU AND KASHMIR

THE MINISTER OF EXTERNAL
AFFAIRS (SHRI SWARAN SINGH):
Mr. Speaker Sir, Hon'ble Members
will recall my statement in the Lok
Sabha on 8th December regarding the
outcome of the meeting between the
Chiefs of Army Staff of India and
Pakistan held at Lahore on December
7, 1972. In pursuance of the deci-
sion taken in that meeting the senior
military commanders of the two sides
completed the task of finalising the
maps showing, the delineated line of
control in Jammu and Kashmir and
submitted their agreed delineation of
the line of control to their respective
Governments for approval. The ap-
proval of the Pakistan Government
was received in the evening of the
11th December and approval of the
Government of India was transmitted
to them the same evening. The fol-
lowing announcement was made in
New Delhi and Islamabad.

"The Line of Control has been
delineated in Jammu and Kashmir
in accordance with the Simla Agree-
ment of July 2, 1972 and that it
has the approval of both Govern-
ments. Adjustments of ground posi-
tions will be carried out to conform
to the line of control approved by
both Governments within a period
of 5 days from the date of this
announcements."

The broad description of the line
of control resulting from the ceasefire
of 17th December, 1971 in Jammu and
Kashmir as delineated on maps along
its entire length is laid on the Table
of the House. This line has been de-
lineated on 19 mosaic maps commenc-
ing from the Chhamb sector on the
International border and ending in
Turtok-Partapur sector in the north.
This line of control in Jammu and
Kashmir has been determined through
bilateral negotiations between India
and Pakistan. As Hon'ble Members
would recall in accordance with the

terms of the Simla Agreement, this line will be respected by both sides, neither side shall alter it unilaterally and both sides shall refrain from the threat or use of force in violation of this line.

I informed the House on 8th December that the controversy over the small pocket of Thako Chak about 1½ square miles in area in the occupation of Pakistan, had been resolved. Once Pakistan agreed to withdraw its troops from Thako Chak, we agreed, as a gesture of goodwill, to rationalise the line by minor adjustment of mutual claims.

SHRI ATAL BIHARI VAJPAYEE (Gwalior): What are the minor adjustment?

SHRI SWARAN SINGH: Please listen; I am giving you all the details. In the process, we withdrew our earlier claim in respect of the villages of Dhum and Ghikot, situated along the line of control, amounting to about 0.45 square miles in area.

BROAD DETAILS OF THE LINE OF CONTROL

(a) From MANAWAR TAWI NW 605550 the Line of Control runs North West upto a point 3 miles West of JHANGAR (with CHHAMB inclusive to PAKISTAN), from where it turns North eastwards to MITHIDHARA NR 2619, thence North and North Westwards upto PUNCH River at NR 052669 (approximately 6 miles South West of PUNCH):

(b) From there the Line again turns North Eastwards and thence North upto JARNI GALI (inclusive to INDIA) in GULMARG Sector, thence Westwards passing through MINDI GALI (inclusive to INDIA) up to PIR KANTHI (inclusive to PAKISTAN) thence Northwards passing through CHHOTA KAZI NAG (inclusive to INDIA) approximately 7 miles North West of URI, upto KAIYAN in LIPA Valley (inclusive to INDIA) thence the Line of Control runs Westwards upto RICHHMAR GALI with KATRAN KI GALI in-

in J. & K. (St.)

clusive to PAKISTAN and the WANJAL Ridge and CHAK MUQAM Heights inclusive to INDIA.

(c) From RICHHMAR GALI, the Line of Control runs Northwards passing West of TITHWAL upto 3 miles North of KERAN, thence turning North Eastwards upto LUNDA GALI (inclusive to INDIA), thence Eastwards to HARMARGI Village in KEL Sector (inclusive to PAKISTAN), DURMAT in KANZALWAN Sector (inclusive to INDIA) and heights 142236, 15460 and KAROBAL GALI in MINIMARG Sector (all inclusive to INDIA), thence along NERIL (inclusive to INDIA), BREILMAN (inclusive to PAKISTAN), and North of CHET in the KARGIL Sector, upto CHORBATLA in TURTOK Sector.

(d) From there the Line of Control runs North Eastwards to THANG (inclusive to INDIA), thence Eastwards joining the Glaciers.

श्री अटल बिहारी वाजपेयी : अध्यक्ष जी, मैं चाहूंगा इसके ऊपर सदन को चर्चा करने का मौका आप दें।

अध्यक्ष महोदय : देखेंगे।

श्री अटल बिहारी वाजपेयी : यह बहुत आवश्यक बात है। अभी तक सरकार दावा करती थी कि जो इलाका पाकिस्तान से मांग रहे हैं वह हमारा है और उस के बदले में हम कोई इलाका नहीं देंगे लेकिन अब नया इलाका देना तय कर लिया है उसका रैशनलाइजेशन के नाम पर और समर्थन किया जा रहा है।

अध्यक्ष महोदय : विजनेस एडवाइजरी कमेटी में देख लिया जायेगा।

श्री अटल बिहारी वाजपेयी : हम मोशन दे रहे हैं, आप चर्चा करने का अवसर दीजिये।

13.04 hrs.

RE: CERTAIN ALLEGATIONS MADE BY SHRI JYOTIRMOY BOSU ON DECEMBER 11, 1972

SHRI S. A. KADER (Bombay-Central-South): Yesterday, Shri Jyotirmoy Bosu was making wild allegations against a highest officer. A point of order was raised by hon. Shri Raj Bahadur.

SHRI JYOTIRMOY BOSU: (Diamond Harbour): What is going on, Sir? Why should my name be mentioned, Sir.

MR. SPEAKER: The Chairman has informed me. (*Interruption*). I have allowed him.

SHRI S. A. KADER: The Chairman at that time assured us in the House that he will consult the Speaker and also the rules whether what he said should be expunged or not. Shri Jyotirmoy Bosu had made certain specific charges to which the hon. Minister of Foreign Trade replied by saying that he had received a letter.

MR. SPEAKER: Why is he going so much into details? I know this.

SHRI G. VISWANATHAN (Wandiwash): What does he want?

SHRI JYOTIRMOY BOSU: What does he want? They are collecting money right and left. I said that.

MR. SPEAKER: Let him not do that. After all, I am going to make the position clear.

Yesterday, certain allegations were made against certain individuals, and Shri Jyotirmoy Bosu said that he had given advance intimation to the Speaker, and then the Chairman said that the hon. Member had not mentioned the points on which he wanted to make those references.....

SHRI JYOTIRMOY BOSU: That is not required.

MR. SPEAKER: I can only quote from the rules. Rule 353 reads thus:

"No allegation of a defamatory or incriminatory nature shall be

made by a member against any person unless the member has given previous intimation to the Speaker and also to the Minister concerned so that the Minister may be able to make an investigation into the matter for the purpose of a reply."

Then, there is a proviso. I think I should read that also, though it is not needed at this time. The proviso says:

"Provided that the Speaker may at any time prohibit any member from making any such allegation if he is of opinion that such allegation is derogatory to the dignity of the House or that no public interest is served by making such allegation."

So, when allegations are to be made against certain individuals by name it is very essential that the Member should give the allegation in writing..

SHRI JYOTIRMOY BOSU: No. only the names are enough.

MR. SPEAKER: No, not at all. The rule is very clear. It is necessary so that the Minister may make an investigation into it.

SHRI SHYAMNANDAN MISHRA (Begusarai): He will make an investigation about himself?

MR. SPEAKER: The rule is very clear. If the allegation is against a Minister, the Minister should know. There are other rules also in this regard. The Minister should know on what matters he is expected to reply.

SHRI PILOO MODY (Godhra): I would like to put all of them on permanent notice, and I want to make allegations against all of them.

SHRI N. K. P. SALVE (Bepil): A very important question arises as a result of your ruling....

SHRI JYOTIRMOY BOSU: I am entitled to make my submissions.

MR. SPEAKER: I have given my ruling already. Let him kindly sit down.

SHRI SHYAMNANDAN MISHRA: What is it? We have not heard it, Sir.

MR. SPEAKER: These are the rules.

SHRI N. K. P. SALVE: Please allow me just half a minute to quote what the Chairman had said. Though allegations were allowed to be made subject to your ruling on this point, an assurance was given that they would be expunged, and this was what the Chairman had state....

SHRI PILOO MODY: No expunging.

SHRI G. VISWANATHAN: No expunging.

SHRI N. K. P. SALVE: The Chairman said:

"Though it is on the record, unless I have gone through it, given second thought to it, and consult the Hon. Speaker and also the law, I mean, the rules of the House, I will not touch it. I shall see if it should not be there as a public document or it should remain on the records."

Therefore, if the intimation given by the hon. Member is not within the postulates of rule 353, if it is defamatory or incriminatory in character, in view of this categorical ruling given yesterday by the Chairman....

SHRI G. VISWANATHAN: It was not a ruling but only an observation by him.

SHRI N. K. P. SALVE:... though it was recorded tentatively, I submit that whatever has gone on record be directed to be expunged in terms of rule 380.

SOME HON. MEMBERS: No expunging, absolutely none.

SHRI G. VISWANATHAN: Whatever Shri N. K. P. Salve has said should be expunged.

SHRI N. K. P. SALVE: We are not interested in academic rulings..

SHRI PILOO MODY: Let history judge us. No expunging should be there.

SHRI JYOTIRMOY BOSU: I shall also make my submissions under Direction 115, but at the present moment I say that I had given a written notice in time indicating the names, under rule 353 does not require me to give the points.

MR. SPEAKER: What is this rule then?

SHRI JYOTIRMOY BOSU: Do not interrupt me, always; kindly allow me to speak. 363 does not anywhere—if I know a little bit of English, if I know how to read it—provide that we should give the Speaker and the Minister the points; that will amount to giving my cards before hand. How do you expect it? I want to have an element of surprise in the statement that I make before the House. Then, secondly, if somebody does something, goes on taking money right and left, ruins the economy of the country...

MR. SPEAKER: You have already said enough.

SHRI JYOTIRMOY BOSU: I am not mentioning any name. If some political party makes use of the political machinery for collecting money, have I no right to say so here? You can as well shut up this Parliament and we shall walk out. This is a forum where I shall always say this and I shall continue to say this.

MR. SPEAKER: This forum has its rules. In the same rule which I quoted just now, it says that you should inform the Minister concerned so that the Minister may be able to make an investigation into the matter.... (Interruptions) If the matter is not given, there is no use giving this

[Mr. Speaker].

information. How can I allow it? This is a rule of the House that you should not bring in any individual name. If you give a certain individual by name, who is not present in the House, then this rule must apply. If you want to censure the conduct of a Minister, there is a separate rule, but not this. In this case, when you make an allegation against even any Member of this House and individual outside the House, you must give notice.

SHRI JYOTIRMOY BOSU: I have given notice..

MR. SPEAKER: Merely mentioning that I am going to mention somebody's name—that is no application of the rule. I think you better go for lunch now.

SHRI SHYAMNANDAN MISHRA: We shall have to make some submission because this is a very important ruling that you are giving now.

MR. SPEAKER: It is there; I am not adding anything on my behalf.

SHRI SHYAMNANDAN MISHRA: My submission is that you are interpreting the earlier rulings on the subject in a not very correct way.

MR. SPEAKER: Let me know what is meant by this word 'matter'.

SHRI SHYAMNANDAN MISHRA: You were yourself pleased to say that there is a provision for no-confidence motion. Do you expect therefore even for the purpose of no-confidence motion that we should submit in writing the allegation that we are going to make against the Minister?

MR. SPEAKER: I said there is a separate procedure or it... (*Interruptions*).

SHRI SHYAMNANDAN MISHRA: I am coming to 353. Your ruling, I must submit, is not correct.

MR. SPEAKER: We adjourn for lunch to reassemble at 2.15.

13.15. hrs. ..

The Lok Sabha adjourned for Lunch till fifteen minutes past Fourteen of the Clock.

The Lok Sabha re-assembled after Lunch at twenty minutes past Fourteen of the Clock.

[MR. DEPUTY -SPEAKER IN THE CHAIR]
RE SWEEPERS' STRIKE IN DELHI

SHRI S. M. BANERJEE (Kanpur): Sir, you must have read in today's newspapers that the sweepers' strike has been declared illegal. No effort has been made to have a negotiated settlement with them. Under the Essential Services Maintenance Act, the sweepers are being arrested under the DIR. The services of a lot of temporary and casual sweepers have been terminated. Since this has happened in Delhi, let the Minister take note of it. None of the Ministers either of the Cabinet or of State or even Deputy Ministers is present.

MR. DEPUTY-SPEAKER: The Deputy Minister for Finance is here.

SHRI DINEN BHATTACHARYYA (Saranpore): This is a very serious matter.

श्री दिनेश भूषण (दक्षिण दिल्ली) :
स्वीपर्स को पांच पांच साल की सजा और सरकार चुप बैठ कर देखती रहे, यह कैसे हो सकता है। सरकार को इसमें इंटरवीन करना चाहिये। कारपोरेशन लीडर्स पर डीआईआर लगना चाहिये।

SHRI DINEN BHATTACHARYYA: There is no ruling from you. Do you justify the application of the DIR to them?

MR. DEPUTY-SPEAKER: I am not here to give any ruling on it. (*Interruptions*). You make me shout and

you want to convert this House into a shouting place. Mr. Banerjee has already brought the point and it is before the House. It is for the Government to take notice of it. Do you solve the problem by raising your voice?

14.22. hrs.

INDUSTRIAL DEVELOPMENT BANK OF INDIA (AMENDMENT) BILL

—Contd.

MR. DEPUTY-SPEAKER: Shri Jyotirmoy Bosu—not here. Shri Lakshmanan—not here. The Minister.

THE DEPUTY MINISTER IN THE MINISTRY OF FINANCE (SHRIMATI SUSHILA ROHATGI): Sir, this Bill which is before the House for consideration and passing is one of the three banking amendment Bills which in a couple of days will be discussed and passed by this House. These are some very progressive steps and after having listened to the members yesterday, I believe they have been widely acclaimed and welcomed with certain exceptions. First and foremost, I would like to congratulate the members and thank them for having welcomed this Bill.

Before I go into the points raised yesterday in detail, I would like to say that this Bill will open up new horizons. It will give more opportunities to entrepreneurs. It will give more opportunities for production by giving greater facilities. It will give more foreign exchange to the country and the overall impact will be development of the country at a much faster pace. Therefore, I am sure hon. members will give it full support.

I would now take up some of the suggestions made yesterday and give the reasons why we may or may not accept them. Mr. Bade referred to the recommendation made by the Committee on Public Undertakings that the IDBI and IFC should be merged. True, such a recommendation was made but the Government went into the matter in great depth and having considered it from both sides, we have

come to the conclusion that it would not be advisable or in the national interest to accept this recommendation. The functions of IFC and IDBI may be overlapping to some extent so far as direct finance is concerned, but the IDBI has a much wider scope. It also undertakes refinancing business. There is no overlapping in that section. IFC has specialised in financing sugar co-operatives, textile co-operatives and jute mills. But IDBI goes much further; it goes to the core sector and heavy industries. It has capacity to lend huge amounts of money for the priority sectors. The IDBI and IFC should not be merged because they have their own specialised jobs. Moreover, the modern trend is more for decentralisation rather than to have a monolithic structure. Even in general insurance, there is a move not only to have one corporation or company but to have more than one. Therefore, if this suggestion of Mr. Bade is accepted, it would not be a historic and evolutionary step, but rather a retrograde step. I am sorry we will not be in a position to accept it.

A very relevant point was raised by some hon. Members of our party as well as the other parties, namely, that the IDBI should give more attention to the backward areas both in the location of industries as well as in investment of more money in those areas in order to remove the regional disparities. It has been precisely the intention, the policy and the effort of the IDBI to give the maximum attention to the backward areas. In 1969-70 there was a comprehensive scheme of giving concessional finance to the entrepreneurs who were establishing industries in the backward areas. In 1971 this lending on concessional terms was further extended to expanding industries in the backward areas. I am happy to say that 46 per cent of the direct assistance sanctioned by IDBI during 1971-72 in respect of industrial concerns has gone to the backward areas. This will suggest that the IDBI's activities have been really penetrating into the backward areas.

[Shrimati Sushila Rohatgi].

Regarding its promotional activities it is said that IDBI is only concerned with preparing reports and it is not interested in the implementation of those reports. In 16 States of the country surveys have been conducted and the survey reports have also been assimilated in a number of States. The IDBI has not remained content with carrying on surveys and getting reports. It has specified the type of industries which are suitable for particular districts or particular areas. This is a specialised job. Some of the reports have been out and they have specified the particular places where particular industries should be set up, all depending upon the infra-structure, the labour potential, raw material and other factors which are necessary for starting industries. Therefore, the initiative now lies with the State Governments and the entrepreneurs as to how to set up those industries which have been suggested by the IDBI in particular districts or areas. So, the IDBI has played that role of promoting the industrialisation of the country and it has not been lost sight of. As a matter of fact, the initiative should now be taken by the State Governments and the entrepreneurs to get the maximum loan from the IDBI for the setting up of those industries in those areas.

Shri Panigrahi mentioned that 79 per cent of the assistance of IDBI in 1970-71 has gone to the private sector. We will not agree with him, so far as facts are concerned in this particular case. Here I will say at the beginning that this apex institution was set up really to assist the private sector to some extent. Allocations for the public sector undertakings were being given largely by government. It is only for the last few years that the public sector undertakings are also eligible to receive finance from the IDBI. Earlier, only the private sector could get finance from it. Even here the term 'private' is very misleading, because it includes the joint sector also. There is a number of industrial con-

cerns in which government do not have 51 per cent shares but only 49 per cent or less, like the Gujarat State Fertilizer Company, where the Gujarat Government has only 49 per cent shares, the Asoka Paper Mills, where Assam and Bihar Government have shares and the Mangalore Fertilizer factory, which is also joint sector project. So, a number of projects financed by the IDBI are in the joint sector though they may be said to fall in the private sector.

SHRI CHINTAMANI PANIGRAHI (BHUBANSWAR): What are you going to do to change the pattern?

SHRIMATI SUSHILA ROHATGI: The very object of amending these clauses is to further illustrate clarify and extend the scope of activities of the IDBI.

Shri Jyotirmoy Basu said that the bulk of the assistance has gone to the big business houses. He has imputed all types of motives in his ebullient eloquence. Yet, he is not here to hear the reply. All the same, for the purposes of record I would like to say a few facts. If he is interested in it, I am sure he will read it.

As the apex body, IDBI is the only body which really has the capacity to make huge loans available to the core and heavy sector industries. They belong to the priority sector and the quantum of money required by them is huge. Naturally, this is the only institution which can supply credit to them. A special mention was made of Tatas and Birlas. We find that quite a substantial part of the funds given to the Birla group is for fertilizer, special steel project and export of textile machinery and railway wagons. For Tatas, it is for steel rollers and export of some items. For Sri Ram it is for the fertilizer factory. For ACC, Bajaj and Sahu-Jain it was in respect of cement. All these projects have been considered necessary in the implementation of the national objectives and, as such, in conformity with the policies of the government. They have been thoroughly examined, even

from the point of view of the Monopoly and Restrictive Trade Practices Act, and they have been found to be feasible and necessary from the priority point of view. Therefore, that argument does not really stand.

Even if we take up the break-up, the percentage of assistance given to these big houses out of the total assistance works out to 54.03 per cent up to 30th June 1972. In terms of money, the large industrial houses have got Rs. 168.90 crores out of the total assistance of Rs. 312.60 crores.

Shri A. N. Vidyalkar, a very senior colleague, has stated something about lack of co-ordination. I am happy to say that an inter-institutional group has been set up for ten States which is looking into this aspect.

Shri Jyotirmoy Basu mentioned that even foreign majority shareholding companies receive assistance from the IDBI. The position is that once a body is registered under the Indian Companies Act, the IDBI cannot make any discrimination between companies in the matter of assistance. Also, it would not be in keeping with banking and international practice. Of course, it has been our effort to see that the involvement and participation of the Indians must gradually increase, and we have been working in that direction.

I hope I have met most of the arguments of the hon. Members. So, I would request the House to accept this Bill without any reservation and give it the credit which it really deserves.

MR. DEPUTY SPEAKER: The question is:

"That the Bill to amend the Industrial Development Bank of India Act, 1964, be taken into consideration".

The motion was adopted

MR. DEPUTY SPEAKER: We now take up clause-by-clause consideration of the Bill.

Clause 2—there is no amendment.
 The question is:

"That clause 2 stand part of the Bill."

The motion was adopted.

Clause 2 was added to the Bill.

MR. DEPUTY SPEAKER: Clause 3—There are four amendments given notice of by Shri Ram Avtar Shastri and Shri Madhukar. I do not see any of them here. So, they are not moved.

Then, I put the rest of the clauses and the rest of the Bill to the vote of the House.

The question is:

"That clauses 3 to 8, Clause 1, the Enacting Formula and the Title stand part of the Bill."

The motion was adopted.

Clauses 3 to 8, Clause 1, the Enacting Formula and the Title were added to the Bill.

SHRIMATI SUSHILA ROHATGI:
 I beg to move:

"That the Bill be passed".

MR. DEPUTY SPEAKER: The question is:

"That the Bill be passed".

The motion was adopted.

14.37. hrs.

INDUSTRIAL FINANCE CORPORATION (AMENDMENT) BILL

THE DEPUTY MINISTER IN THE MINISTRY OF FINANCE (SHRIMATI SUSHILA ROHATGI): Mr. Deputy-Speaker, Sir, I beg to move*:

"That the Bill further to amend the Industrial Finance Corporation Act, 1948, be taken into consideration."

*Moved with the recommendation of the President.

[Shrimati Sushila Rohatgi]

As the House is aware, the Industrial Finance Corporation Act was passed in 1948 to set up an institution for providing medium and long-term credit facilities to industrial concerns in India. The last amendment to the Act in 1964 was made on the eve of the establishment of the Industrial Development Bank of India. With the establishment of the Industrial Development Bank of India, and the amendments carried out to the Act in 1964, the shares held by the Central Government and the Reserve Bank were transferred to the Industrial Development Bank of India and additional shares were issued by the Corporation exclusively to the Development Bank to enable it to hold 50 per cent share capital in the Corporation. Certain powers in regard to the operations of the Corporation including the powers to issue directives on questions of policy to the Corporation which had been previously vested with the Central Government have been transferred to the Development Bank.

The House may have already noticed the significant improvement made by the Corporation over the years in its overall business. In the last year ended 30th June, 1972, the Corporation issued fresh capital of Rs. 1.65 crores and with that issue the authorised capital stood fully issued and subscribed. One half of the issued capital has been paid up and the balance half may be called up in the near future. During the last year the Corporation sanctioned net financial assistance of Rs. 39.16 crores for 68 industrial projects compared with the assistance of Rs. 35.03 crores for 61 projects sanctioned during the previous year. Of the projects assisted, 39 were new projects, accounting for about 72.8 per cent of the total sanctions for the year. As in the past, the Corporation continues to assist industrial sugar and textile cooperatives to which nearly Rs. 10 crores constituting 25.5 per cent of its total assistance, was sanctioned. Of the projects

assisted, 17 projects would be located in the districts notified by the Central Government as industrially less developed. Financial assistance sanctioned to such projects aggregated to Rs. 14.10 crores, accounting for about 36 per cent of the total sanctions. The total cumulative sanctions of the Corporation since its inception upto 30th June, 1972, amount to Rs. 398.00 crores covering 565 projects and disbursements amount to Rs. 341 crores.

The working results of the year ended 30-6-72 disclose a higher income of Rs. 14.98 crores compared to Rs. 13.46 crores of the previous year. The gross profit of Rs. 4.84 crores registered an increase of Rs. 37 lakhs over the previous year and the net profit was Rs. 2.19 crores as against Rs. 2.18 crores of the previous year. Additions made to the reserves during the year were to the extent of Rs. 1.77 crores, bringing the total reserve fund and other special reserves of the Corporation to Rs. 16.02 crores which exceeds the paid up capital of Rs. 9.17 crores by Rs. 6.85 crores.

The Corporation continues to receive lines of credit from foreign financial institutions. During the year, a further line of credit—being the tenth one—for DM 8 millions from KFW of West Germany was allocated to the Corporation bringing the total allocations to DM 120.50 millions. The U.K. and French lines of credit made available to the Corporation amount to £ 2 millions and 15 millions French francs respectively. Practically, all these foreign currency lines of credit stand committed for lending to industrial concerns.

In order to be of assistance to its borrowers in the various States, the Corporation has been gradually spreading, its net work of offices in all the State capitals. So far, besides its Head Office at New Delhi and branches at the Metropolitan cities, offices of the Corporation have been opened at Ahmedabad, Bangalore, Bhubaneswar, Gauhati, Hyderabad, Kanpur and

Patna. The Corporation has now on hand a phased programme of opening offices at Jaipur, Cochin, Bhopal and Chandigarh.

In view of the progress already achieved by the Corporation and the role it is expected to play in the future, particularly, in assisting new entrepreneurs and in the development of backward areas, it is necessary to equip the organisation with the necessary tools to serve industry in a wider field. This Bill is largely intended to serve that purpose as is explained, in some detail, in the Statement of Objects and Reasons appended to the Bill.

I now turn to explain briefly some of the important amendments before the House.

For the first time, the Corporation is being enabled to grant assistance to industrial concerns which are incorporated as private limited companies under the Companies Act. Public sector undertakings which are normally promoted as private limited companies under the Companies Act will thus be able to receive assistance from the Corporation. The new deserving entrepreneurs generally promote enterprises as private limited companies and this amendment will enable the Corporation particularly to grant foreign currency loans to such companies from the different foreign lines of credit available with it.

As already stated by me, the Corporation issued its entire authorised capital and is expanding its activities further. It is, therefore, proposed to increase its authorised capital to 20 crores of rupees.

The House may be aware that the Committee on Public Undertakings, which examined the working of the Corporation, in its report submitted to Parliament in April, 1970, made some recommendations. Such of the recommendations which have been accepted by Government, with or without modifications, are being implemented through this Bill.

Briefly stated the amendments relate to—

- (i) the abolition of the Central Committee of the Corporation established under Section 14 of the Act;
- (ii) the prohibition of assistance to the industrial concerns in which the directors of the Corporation may be having beneficial interest during the period they serve as directors; and
- (iii) a liberation of the provisions regarding the liability to be borne by the borrowers of foreign currency loans in respect of fluctuations in the rate of exchange of foreign currency.

At present, the Corporation is under an obligation to divest itself of the shares and debentures devolved on it in fulfilment of its underwriting obligations within a period of 7 years. Consistent with the new policy according to which parts of loans granted by the Corporation, in many instances, are to be converted into equity, it is necessary to enable the Corporation to hold the shares devolved on it and not to disinvest them. It is, therefore, proposed to remove the present restriction on holdings beyond a period of 7 years.

The working of the Corporation is now sought to be brought in line with the latest thinking in development bank lending in favour of a project-oriented approach, in preference to security-oriented concept, thereby leaving the question of taking security in respect of assistance granted by it, to its discretion.

I have already mentioned earlier in my speech that the Corporation has built up its reserve fund and special reserves to more than its paid up capital. Its reserve fund alone is now equal to its paid up capital. It is, therefore, no longer under an obligation to restrict its dividend to the

[Shrimati Sushila Rohatgi]

rates guaranteed by the Central Government. There is, however, a ceiling of 5 per cent on the dividend which may be declared by the Corporation. This rate was fixed in 1948 when the concept of taxation of dividend was different from the one at present. Since the rate is now subject to deduction of tax at source, the rate of 5 per cent is considered rather too low. In line with the other long term financial institutions operating in the country, I propose to remove this ceiling and leave it to the Corporation to declare reasonable dividends depending upon its working results from year to year. It is also proposed to enable the Corporation to retain the surplus profits with it after declaration of its annual dividends so as to augment its reserves further, instead of being transferred to Government.

As the Corporation has built up its reserves sufficiently, it is now in a position to undertake some development activities out of allocation of its profits and grants received from outside. A special Benevolent Fund is, therefore, proposed to be established in the Corporation to finance *inter alia* the cost of feasibility studies, subsidise projects promoted by technologists and new entrepreneurs, especially in less industrially developed regions and also to train the personnel of financial institutions. In this context I may mention the initiative recently taken by the Corporation to establish a Management Development Institute which will provide training in modern management techniques to the clients of the Corporation, particularly to new entrepreneurs and technologists who for the first time promote an industrial project with financial assistance from the Corporation. The Special Benevolent Fund now proposed to be established will also be one of the sources of funds for the Management Development Institute to achieve its objects.

There are a few other amendments

which are minor or of a procedural nature and designed to strengthen the operations of the Corporation in respect of recovery of its loans from the borrowing concerns, and I need not take any further time of the House to discuss them. The House has been very cooperative in hearing my speech and I need not take any further time of the House.

With these remarks, I commend the Bill to the House for consideration.

MR. DEPUTY-SPEAKER: Motion moved:

"That the Bill further to amend the Industrial Finance Corporation Act, 1948, be taken into consideration."

Mr. Somnath Chatterjee.

SHRI SOMNATH CHATTERJEE (Burdwan): We welcome some of the measures which are sought to be introduced, namely, making it possible for the IFC to grant loans to all companies, whether they are public or private companies and in so far as option is being given to IFC not to insist on full security for the loans granted. These are welcome steps because the provision for getting full security was really hampering the chances of various industries in getting loans from the IFC. But there are some provisions of the Bill which require a little deeper consideration.

So far as Clause 10 of the Bill is concerned, as you will notice, Sir, it seeks to insert new sections, 21A and 21B. Section 21B provides for power to transfer the rights and interests of the Corporation in relation to any loan or advance granted, or any amount recoverable, either in whole or in part, by the execution or issue of any instrument, or by the transfer of any instrument, etc. But it has not been said to whom such transfer can be made. This is a lacuna that I find in the Bill. The power is given to the Corporation to transfer the rights and interests of the Corporation in relation to any loan or ad-

vance, but who will be the transferees, I do not find any reference to it. If there is any provision in this regard, the hon. Deputy Minister may kindly refer us to that.

Another provision is about Clause 17. Clause 17 deals with the jurisdiction of the courts. Instead of district courts, in all cases, the High Court is being sought to be given jurisdiction in the matter. I am unhappy the way the drafting has been made. First of all, I do not know why suddenly the district courts' jurisdiction is sought to be curtailed which will not result in minimising the arrears which are unfortunately there in the various High Courts in this country. Also, the language of the Bill leaves much to be desired because it now says that the jurisdiction is to be ascertained from the basis which court will have power to grant *ad interim* injunction. This is a peculiar method of laying down which court will have jurisdiction. You will find this on page 8 of the Bill. Clause 17 (f) says:

"For the removal of doubts, it is hereby declared that any Court competent to grant an *ad interim* injunction under this section shall also have the power to appoint a receiver and to exercise all other powers incidental thereto."

There is no law which I know of which lays down which court will have power to pass *ad interim* injunction. These are, what are known as, interlocutory proceedings; unless the court has jurisdiction to decide the main matter, the question of passing *ad interim* injunction cannot arise. We are passing a Bill. Such anomalies and obvious lacunae should not be there in the Bill.

Then I come to Clause 21 which seeks to do away with the provision so long existing of placing the regulations to be framed by the IFC before Parliament for Parliament's consideration. It is true that the Central Government will not be contributing any fund as such to the Industrial Finance Corporation un-

der the proposed set-up. But this is public money which is being utilised. The provision is already there that the regulations framed should be placed before parliament. Why is that sought to be done away with? Although the Central Government is not directly involved in it, the public is very much interested because these are public funds which are to be utilised for the purpose of carrying out the functions of the Industrial Finance Corporation. Why should parliament give up its right to consider these regulations?

These are some of the observations I wish to make on the Bill itself.

So far as the functioning of the IFC is concerned, we feel that there is a good deal of scope for improvement. One of the provisions which is sought to be introduced is to take away the bar on the quantum of the rate of dividend that may be declared by the IFC. We do not think that the rate of dividend distribution is the real test by which the functioning of this IFC is to be judged; neither the profit-earning nor the dividend distribution should be the test, the yardstick, to find out whether the progress which the IFC seeks to be claiming to have reached has actually been reached. We feel that the real test to decide whether the IFC is discharging its duties which are expected of it is whether the financial assistance is being given to deserving industrial concerns, with what speed or attitude they are dealing with these applications and so on. We want to know how long these applications are kept pending, whether there is proper distribution of the available resources so that there is no disparity in respect of any industrial concerns and also that there is no regional imbalance. We want to find out whether these objects are being achieved by the IFC.

After all, it has to be ascertained whether all these concerns which go to the IFC can be made viable units

[Shri Somnath Chatterjee]

by themselves. The proper approach should be not merely granting loans to various concerns in order to tide over immediate difficulties but to see whether they can themselves mobilise resources by working properly. This is an important thing which has to be achieved. I was going through the Annual Report of the IFC and, very surprisingly, it does not mention these important aspects, how far the loans are being utilised for generation of the industrial potential in the country, for expanding employment opportunities in this country, how far uniform and ordered progress of the industries in different parts of the country is really achieved. Merely referring to figures—the hon. Deputy Minister gave several statistics—does not really give us a correct and complete picture.

During the last 23 years—I have got the figures upto 1971 end—the Industrial Finance Corporation gave assistance to 527 projects and the total amount involved was Rs. 366 crores. If my figures are wrong, I would like to be corrected. Out of these 527 projects, 233 only were new projects and the rest were for expansion or for modernisation of the plant. The real difficulty is that we find there has been a complete neglect of various parts of the country. We do not mind Maharashtra making strides and progress. We wish well all other parts of this country but, during the year 1971-72, Maharashtra got 19 projects sanctioned for about Rs. 10 or 12 crores. As against that, the State of West Bengal had only one project sanctioned involving an amount of only Rs. 65 lakhs. I would like to know from the hon. Minister as to how many applications have been made from West Bengal during 1971-72 and what was the amount asked for and how many projects were sanctioned. I find only one project was sanctioned. I want to know how many different types of projects had applied to the IFC for sanction of loans.

As you know, there has been a justifiable feeling in the State of West Bengal that financial institutions like the IFC which have large amounts at their disposal, are not making available these resources to industries or houses or smaller entrepreneurs in West Bengal for the purpose of expansion of the industrial activity in that State. We have been referring to the record of the LIC investments in the State of West Bengal but I find that the record of IFC is much more dismal. I would like the hon. Minister to kindly look into this and give us the figure so that we may know whether there has been any loaded attitude in favour of any particular area or not. I am not making any accusation as such in the absence of materials with me but I would like the hon. Minister to look into this and kindly tell us as to what is the real position.

So far as the inter-relation between the IFC and the Industrial Development Bank is concerned, there is a considerable feeling among the economists also who understand matters better than us...

MR. DEPUTY-SPEAKER: The hon. Member may continue tomorrow. Now, we take up the next item.

DISCUSSION RE: GROWING C.I.A. ACTIVITIES IN INDIA

14.59 hrs.

MR. DEPUTY-SPEAKER: Now, we take up the discussion on the danger of growing CIA activities in India.

Mr. Indrajit Gupta.

SHRI INDRAJIT GUPTA (Alipore): Right at the outset, I will crave your kind indulgence to give me a little time, if only, for the reason that my resolution on the same subject which had secured the first place in the ballot a week or two ago, could not be taken up due to what I consider to be the rather over-anxious attitude of some people, of

some Members of the Government side . . .

SHRI PILOO MODY (Godhra): The Minister of Parliamentary Affairs.

SHRI INDRAJIT GUPTA: . . . who do not want the subject to come before the House in the form of a resolution on which it would have been necessary to take a vote at the end. But, anyway, something was done by which that resolution could not be moved and, later on, it was discussed in the Business Advisory Committee and I am grateful to my hon. friends and Members on this side with whom my views may differ considerably but who were kind enough to come to an agreement so that this matter could be raised by me in this form today.

SHRI S. M. BANERJEE (Kanpur): Including Prof Samar Guha.

SHRI INDRAJIT GUPTA: Yes, I am grateful to him as well as to other friends..

SHRI PILOO MODY: Did Mr. Banerjee support you?

14.59 hrs.

SHRI INDRAJIT GUPTA: Sir, this matter has acquired publicity and importance, not because the CIA has suddenly started functioning in India but because all of a sudden, after so many years, no less a person than the Prime Minister of this country and also the President of the ruling Party....

SHRI PILOO MODY: Where is he?

SHRI INDRAJIT GUPTA: . . . came out publicly, not once, but several times in the Press as well as in remarks that they are reported to have made in their own Party meetings, in the meetings of the Consultative Committee of the Home Ministry and elsewhere, to the effect that CIA had increased its activities in India, that this was a

matter of alarm and concern and that the national interests and security must be safeguarded against the activities of foreign intelligence and subversive organisations including the CIA. This is what the Prime Minister, according to the Press, said in the meeting of the Consultative Committee attached to the Home Ministry. These utterances have provoked a big controversy and a big hullabaloo in this country and, the reactions are of various types.

There is one reaction to the effect that this is only meant for domestic consumption and that the object is to utilise the name of the CIA in order to defame and slander certain Opposition Parties. Now, I can say from my own experience that there are some people in this country, and some members, I regret to say, of the Congress Party who, in their individual capacity, have been indulging in this type of propaganda in various places in the States and so on where they tried to condemn either the genuine discontent of the people or any movement of the people, by saying that this is CIA-inspired. I have no doubt about it. I have seen it in my own State also and I regret to say that only recently, on the occasion of the Prime Minister's birthday celebrations on the 19th of November, at a really held in Calcutta, jointly by the Students Chhatra Parishad and the Youth Congress, no less a person than the State Minister for Home Affairs in our State, Mr. Subroto Mukherji, in the course of his speech, said something which should cause delight to some of our friends on this side:

"Both the CIA and KGB have become active with the aim of discrediting the Congress Party."

So, my friend, Mr. S. N. Mishra, Mr. Pilo Mody and so on, need not think that everybody on that side does not share their point of view. There are some black sheep there also.

[Shri Indrajit Gupta]

But, anyway, I am not holding any cudgels for such people and our Party has come out publicly condemning very sharply those Congressmen who, in their individual capacities seek to utilise this attack about CIA as a political weapon against their opponents. It is only another way of actually belittling the importance and seriousness of this question and giving an alibi to the real CIA.

Then, there has been another reaction which, I think, is voiced sometimes by my CPM friends who, of course, I am sure, on this matter at least, share the concern of our Party about CIA so much but, their reaction, is that after all who is the Prime Minister or who is the leadership of the Congress Party to come out and denounce CIA now when all these years since Independence these people, in various ways, by their economic policies and other means, have been encouraging the CIA to come and work in this country? Now, Sir, even if what they say is correct—for argument's sake, I do not subscribe to the view—now, after all these years, when such a situation has developed, where a person like the Prime Minister of such a big country, and the President of the Indian National Congress, have deemed it necessary to do something which they have never done before, and have come out publicly, with a warning against the activities of the C.I.A., I, at least, however belated that may be, am prepared to welcome it.

Rather, I would say, I would like to know from the Government that they are actually proposing to do apart from talking about it.

We find this from the *New York Times* on the 6th December, that is, only last week, in that famous editorial which we all hear about, which is being captioned 'India's Love Call':

"New Delhi was understandably bitter over U.S. support for Pak-

istan during the repression of the former Bengali State and the subsequent subcontinental conflict. But the Indians carried their pique to ridiculous lengths when top Government officials levelled absurd charges against the CIA for alleged meddling in Indian affairs."

So, according to the *New York Times*, this is nothing but pique, pique against the USA, which was carried to absurd lengths and making absurd charges against the C.I.A. There is much in common between the arguments of the *New York Times* and the arguments of some of our friends on this side.

Therefore, with your kind indulgence, I would like to take a few minutes, in my own humble way, just to try to explain to the House from whatever sources are available, as to what exactly the C.I.A. is.

This is not a question of Foreign Intelligence Agencies, in plural. There are Foreign Intelligence Agencies operating, I have not a shadow of a doubt, there may be American, there may be Soviet, there may be British, there may be anybody, they operate in this country, they operate in other countries. I hope that we also have an Intelligence Service of some kind which operates wherever it is necessary. So, this is an accepted thing in international usage. The only trouble is that if anybody who is enjoying diplomatic immunity is actually caught red-handed doing intelligence or espionage activities, generally, he is declared a *persona non grata* and asked to leave the country, and in war-time, if he is caught, of course, he is shot as a spy.

But, Sir, my contention is, — this menace of the CIA which has been suddenly projected into the limelight by what, I might take at their face value, are given as responsible statements by no less a person than the

Prime Minister, is not something which is to be seen in the context of an ordinary Intelligence Agency. Because, Sir, I know my friends on this side, who speak after me, will go on saying, yes yes C.I.A., but what about KGB and so on, and what about some other intelligence agency. I hold no brief for any intelligence agency. It is the job of the Government to keep a watch on the functioning of the intelligence agencies. My contention is entirely different. This is a specific discussion on the menace of the C.I.A., not other pro-American organisations or pro-American agencies, many of which may be functioning in this country, educational institutions, other types of institutions, etc. I am not concerned with them. I am concerned with the C.I.A. because, it is my contention that the CIA is not simply a normal intelligence agency, but it is something more.

I may tell you what my source material is. I have depended entirely on American sources. I have no time to go into all those quotations now from relevant passages from their works. There are two works by two authors called David Wise and Thomas B. Ross. One is called 'Espionage Establishment' and the other is called 'Invisible Government'. In this country we talk about a parallel Government of black money; in their country they talk about an 'invisible Government' run by the C.I.A.

There is another work by Mr. Allen Dulles — the name is well-known, — the brother of the late lamented Foster Dulles. Allen Dulles was the original founder and builder of what was formerly known as O.S.S.—the Office of Strategic Services, which later became the C.I.A.

Mr. Allen Dulles has written a very interesting book called 'Craft of Intelligence'. It should be read.

Then, Sir, in 1966 the same *New York Times* (the same paper which

is talking just now about India's pique against the U.S.A.) has published a whole series of articles about the C.I.A. I have got them here. If any hon. Member is interested he can study them at leisure. Certain disclosures have been made in the American Press by the famous columnist Mr. Jack Anderson. Then, on the 21st of January, 1972, in its magazine section, the *Daily Telegraph* of London has published a whole lot of revelations on the way the CIA functions. Mr. Miles Copeland has published a book called "The Game of Nations". Very interesting things are there. Mr. George Morris has published a book "CIA and American labour".

SHRI PILOO MODY: John Smith also.

SHRI INDRAJIT GUPTA: I am coming. A former officer of the OSS and the CIA, Mr. Sherman Kent, has published a book called "Strategic Intelligence for American World Policy". And last but not least, as my friend Mr. Pilo Mody interjected just now, Mr. John Smith, whose book was entitled, not like Mr. Pilo Mody's badge, 'I am a CIA agent',—but, 'I was a CIA agent'. So, that also is there.

Why am I going into all these things? It is because I do not want the Minister and the Government, after giving out all the warnings, to simply say, oh, we are keeping an eye on all intelligence services. I don't think he will reveal anything very much here, but anyway, I wish to say this.

The present Director of the CIA is a gentleman by name Richard Helms; he earns 30,000 dollars per year. They have a huge estate and their headquarters is established at a place called Langley in Virginia. 15,000 people are employed at the CIA headquarters. The annual budget of the CIA comes to Rs. 3,000 crores per year, which is, I think, about 75 per cent of the total Indian Budget.

[Shri Indrajit Gupta]

There is a very interesting account in some of these books of the wonderful sophisticated electronic gadgets, computers and so on used in that CIA headquarters by which they can get information within 5 or 10 seconds about any person or any happening anywhere in the world and 40 million index cards are maintained in the CIA headquarters; that is, they have dossiers on 40 million personalities, of people in different countries of the world, of different parties, different affiliations, different professions and so on.

After the Prime Minister and Mr. Shankar Dayal Sharma had come out with these warnings, we had the statement of the Secretary of States, Mr. Rogers. He had given an assurance that the CIA activities in India are not directed against the national interest of India. It is a very important sentence. It reveals that the CIA works in India but that their activities are not directed against India's national interest.

Therefore, very briefly I have to remind the House of some of their activities, some of the types of activities which the CIA has been indulging in, in other countries of the world.

The *News week*, the well-known American paper only recently highlighted this.

"The CIA has been not so secretly training, equipping and virtually leading a 95,000 men army in Laos for nearly a decade. 50 per cent of the relief for civilian casualties goes to outfit this army.

Now, Sir, does a normal intelligence outfit, organise and run and operate an army? Have we ever heard of such a thing? But here is *Newsweek* quoting Edward Kennedy testifying that in Laos there is the army which is financed, equipped and led by the CIA. It functioned as a parallel organisation of the U.S. Government even sometimes in Laos.

On the 21st March, 1972, Mr. Jack Anderson disclosed that in Chile, in order to prevent the election of Allende as president in 1970, a left-supported candidate, the CIA in collaboration with the International Telephone and Traffic Co. had tried to organise a military coup in Chile; that same ITT which is giving us here crossbar equipment for our telephones in Delhi and other places that same international monopoly combine was hand in glove with the CIA in Chile in trying to bring off a military coup.

Then, the same American sources reveal that the removal of President Nkrumah in Ghana, of Siha-nouk in Cambodia in 1954, and of Mossadeq in Iraq who tried to nationalise the foreign oil companies and Guzman in Guatemala in 1954 were engineered by the CIA. The *Daily Telegraph* of London dated the 21st January, 1972 has made the following allegations, and you might refer to that paper. First of all, they have referred to the CIA's plot behind Nkrumah's ouster. They have said that in the conflict in Nigeria, in Biafra, the CIA played an ambiguous role, on the one hand supporting Col. Ojukwu and on the other helping to organise arms supplies to the Biafran leader from Portuguese territories. They have further alleged about the CIA's hand in ousting President Obote of Uganda and his replacement by the present President Idi Amin, and you know what he is doing in Uganda. They have also commented on the fact that some colossal failures and blunders have also been committed by the CIA. One of these, as we know, was that famous attempt to invade Cuba by a mercenary army which had been trained in Guatemala which led to the fiasco of the Bay of Pigs. All the material on this is available in A. Schlesinger's *Thousand Days in the White House*. You can read it and see how the CIA misled President Kennedy and led him to believe that if the army is trained and sent to invade Cuba, the

local population would rise in support and throw out Fidel Castro. The whole thing has been exposed in that book. This is what the CIA has been doing.

In November, 1970, it attempted an abortive invasion of Guinea by CIA agents disguised as agents of the US Bauxite Companies. President Eisenhower had admitted once that it was the CIA which was involved in the famous incident of the U-2 plane which was shot down over the USSR, and which had been piloted by Gary Sobers, and which had taken off from Peshawar. This is an admission made by President Eisenhower. It is amazing. This is not an intelligence agency, but it is a huge force which sometimes operated even without the knowledge of the United States Government and sometimes, of course, in collusion with them.

Nearer home, a gentleman called Robert Jackson, more familiarly known as 'Killer Jack' appeared in Bangla Desh last year in March, 1971. He had an unsavoury history. He was the man behind what was called 'Operation Phoenix' in Saigon where he had been used by the South Viet Nam Government to plan and organise massacre of the people of South Viet Nam who were opposed to the regime there. This gentleman appeared in Bangla Desh and he is reported to have trained Razakars and Al Badar and such people in the art of killing freedom-fighters. Documents which were found with Rao Farman Ali revealed that two Americans by the names of Haight and Dwespick had been preparing lists in Dacca of intellectual who should be killed. Later on, those intellectuals were massacred on the eve of the Indian forces reaching Dacca, and then these two gentlemen escaped to Bangkok via PIA, and in March, 1972 again they were reported to be in Ceylon working for the security forces there during the youth insurgency.

The Singapore Prime Minister Lee Quan Yew accused the CIA of trying

to bribe him to let off two of its arrested agents and so on. I cannot go into all these details because there is no time, and you will soon start ringing the bell.

Because of all this, I claim that the CIA is a specialised type of agency, subversive agency, which is operating on behalf of rightist forces in every country where the regime is not to its liking, where the regime follows policies which are not to the liking of the United States, where what they consider to be a progressive or leftist or democratic socialist regime is there. There, the CIA operates in a hostile manner in a subversive manner to overthrow that regime. Therefore, it is all the more likely, rather it would be absurd to think that the CIA does not operate in our country and has played no role in our elections held in the past. It is absurd, in fact, we remember that after the 1961-62 elections, at the time when Prime Minister Nehru had asked the US Embassy here to see to it that four of its staff against whom there was evidence of meddling in the elections, should be asked to leave the country, they did and they had to. They were: the first secretary, Mr. Rosatzki, Assistant Attache, Charles G. Kegan, Third Secretary, Mr. Dean R. Claridge, and the Bombay Consul Robert L. Boise. These people were named by the Nehru Government and made to leave the country.

How it is that this organisation can actually carry on this kind of activity? The answer is to be found in the National Security Act of 1947 of the USA, the Act under which the CIA was set up. I do not want to go into all the provisions which lay down the functions of the organisations. But apart from the normal intelligence functions, there is one under No. 5, which reads thus:

"to perform such other functions and duties related to intelligence affecting national security as the National Security Council may from time to time direct."

[Shri Indrajit Gupta]

Taking cover under this provision of the National Security Act, the CIA has been indulging in global activities of this type, a few of which I have been able to mention to you.

Now, I come to India. The presence of the US troops in India during World War II in the war against Japan enabled the OSS to start functioning on Indian soil. Later on, when the OSS became the CIA, it established itself. I want Shri K. C. Pant to hear this; it established itself with the collaboration and the silent acquiescence of Indian intelligence which at that time was nothing but what we had inherited from British intelligence up to 1947.

On the 27th April, 1948 the *Free Press Journal* of Bombay reported that the United States agencies had provided information to the Government of India, the Government of Pakistan and the Government of Burma in order to enable them to carry out repressive measures against the communist parties in their respective countries.

The Government of India's director of intelligence at that time, Mr. T. G. Sanjeevi was sent to the United States in 1949 to make certain arrangements for mutual help between the two agencies. On 3rd July, 1951, the then Home Secretary, Mr. H. V. R. Iengar had disclosed that the Government of India would set up a CBI. This was how the CBI came into existence. He said that the Government of India would set up a CBI on the model of the American FBI. Of course, later on, we found that it was not exactly on that model. But anyway, Mr. Iengar had said that Indian officers would be sent to the USA for advanced training and in exchange US intelligence agents came to India as advisers.

In 1966, the Prime Minister visited the United States. In the communique issued, she and President Johnson had agreed to exchange information on China. As you know, ex-

changing information on China means that it has to be got through certain agencies. Indian intelligence was reported by Reuters on the 25th November, 1966 to have received through the CIA a type of computer, which had been supplied by the IBM to the CIA itself. So, we found that in the early years, perhaps it was necessary, because like our Independence, our intelligence was also at an infant stage. So, they took the help of these people to collaborate with them, and the result was that from that time, the CIA had started using this mutual co-operation and help in order to organise certain security leaks, what I would call security leakages from India, that is, information which is not available to the Indian public and to the Indian press and the Indian Parliament began to appear in the United States Press. The *New York Times* had a detailed report on Soviet military aid to India which contains information which had never been available in this country. In November 1950 they carried a report on special anti-communist intelligence investigation in India. Where did they get the material from? The *Los Angeles Times* in December 1966 gave details of the Indian Army's reorganisation after 1962. This information was never made available to the Indian Press or the Public or the Indian Parliament. Those people were getting it. According to Chester Bowles the former ambassador to this country, in 1967 there were more than 9,000 Americans in India, I never make the charge that every American in this country in whatever capacity must be a CIA agent. That is ridiculous and makes the whole thing puerile. Nor, that people like Balayogi or such people are the CIA agents. Does the CIA operate in this crude way, obvious way? You must be serious if you are really concerned about combatting the menace of the CIA. Of these 9,000 Americans, about 9000 were people attached to the American Embassy. In Germany a book has

been published, *whos who in the CIA* an exhaustive list. In that book you will find 124 persons who had at some time or the other served with the United States Embassy in India. At this very moment when I am speaking here, I should say that according to our party's paper—it has not been contradicted—the *New Age* of 22 October, has mentioned the names of ten persons working in the Delhi Embassy, who are known to be CIA agents according to these foreign publications. I can give their names; they were published in that paper a few weeks ago.

There are various organisations, foundations institutions and so on working in this country which have been partly or wholly financed by CIA funds. A few years ago the Asia Foundation was revealed to be one of them and it had to wind up. Many organisations which were financed through the Asia Foundation had either to deny it or to cut off that source of fund or do something. Mr. George Morris in his book "CIA and American Labour" has very interesting things to say how the CIA operates through international confederation of Free Trade Unions. There are organisations in this country affiliated internationally to the ICFTU. Mr. Morris has revealed how the ICFTU channelised CIA funds to various trade union organisations in various countries. They must look into these matters. The National students Association of the United States of America was found to be one organisation like this dependent on CIA funds. There is another organisation the World Assembly of Youth which had its branches in many countries and in India they have set up the Viswa Yuvak Kendra in Chanakyapuri. You can see that for yourself even now. Has any enquiry been held even after all these warnings were given by no less a person than the Prime Minister where they are getting money from? Many U.S. Universities and institutions have jointly programmes and collaboration n projects with Indian

Universities which are partly at least financed by the CIA. Mr. Sherrdan Kent, former OSS|CIA official, in his Book says that the United States Department of States, of Defence, of Commerce, of Agriculture of Interior, of Treasury and of Justnce wherever they are operating abroad are also participating in intelligence activities.

Mr. John Smith in his book "I was a CIA Agent" tells us about—I do not know whether all these facts are correct and it is for somebody to contradict them if they are not correct—a whole lot of Indian officials, military and political officials, with whom he had talks and from whom he got information. The India Co-operative Union Organisation, after having received proper injuction from CIA came out publicly against co-operative farming. There were reports that the CIA agencies were in touch with hostile Nagas on our borders. Mr. Tridib Chaudhuri and I raised in this House a few years ago the revelations made before the U.S. Senate Foreign Relations Committee on the so-called Himalayan Border Countries Project, apparently sponsored, by the University of California but found out to be a CIA agency operating as part of the U.S. Defence Department. It was raised in the House and the Government promised to look into the matter and I think that project was wound up.

Coming to recent events, these questions have arisen publicly and they are being voiced repeatedly. How is it that the *New York Times* forecast in May that there would be riots in Eastern India in October, because these disturbances in Assam took place. The Assam Tribune published on 10th September that transmitters were seized in Darrang. I do not know from whom, and no information has been given. In Rajastan it was found that two U.S. so-called research schoolars were looking into irrigation projects but later on it was found that they had not been given permission by the Central Government or the State Government In Arunachal Pradesh Chief

[Shri Inderjit Gupta]

Commissioner Mr Rajan, has publicly stated that plastic gramophones and paper records were being distributed among the tribals for carrying on anti-Indian propaganda. The whole thing has to be seen against the particular political background.... (Interruptions). If you desire to bracket—I do not know if that lady is trying to do that—CIA with some other foreign intelligence agency, as I have explained in the beginning when she did not bother to be present—first of all I wish to say that if the KGB, whatever the initials stand for somebody will enlighten us—is the intelligence agency of the Soviet Union, by all means keep a close watch on its activities. Does anybody seriously suggest today that the KGB as intelligence agency of the Soviet Union, which has proved itself a hundred times in every time of crisis and stress, to be the only dependable friend that we have got, are we to take it that the KGB is operating in a way that is hostile to our interest if so try to find out and expose it. But how can you put it on the same footing as the CIA at a time when we all know the American Government's attitude towards India?

I do not have to repeat what happened last year. With their global strategy and their isolation in Vietnam they are eager to find new bases in South-East Asia, knowing very well that sooner or later they will have to quit Vietnam. Is it an accident that newspapers carried yesterday very thinly veiled and disguised news that a NATO Naval base in the name of Iran which is a benami, of whom we all know, is coming up in Mauritius in the Indian Ocean. All of us have been talking that it must be a zone of peace. Now the NATO has entered it via Iran in Mauritius. All these things are going on.

We know what is happening in Bangladesh. The Ministers and responsible statesmen of Bangladesh have issued a number of statements of how the CIA agencies are trying to stir up anti-Indian feelings and

sentiments there to create trouble between India and Bangladesh. I want Mr. Pant to be very specific. A warning specially mentioning the CIA and its increased activities was made before the country by the Prime Minister and the President of the Indian National Congress. As far as we are concerned though it has been delayed by 25 years it is welcome. Better wake up sometime, better late than never. This warning should not give way suddenly to this Indian love-call. *The New York Times* has the effrontery to say that the Indians after indulging in ridiculous charges are having sober second thoughts. It goes on to say "The sober second thoughts reflected in Mr. Singhs friendly overture may have been induced by a serious crop failure in India which requires the Indians to seek grain imports that only the USA could provide." *The New York Times* is saying so openly. Are we to take it literally? Because of some such economic compulsions, in order not to annoy the Americans, if the CIA's nefarious activities are allowed to go on if people's vigilance which was sought to be raised is again to be lulled to sleep, it would be disastrous. Therefore, I should like to know categorically from the Minister what they intend to do.

Finally, what they should do is this. A proper enquiry, investigation and watch must be kept particularly first on the educational institutions which are the favourite hunting ground of CIA in all countries, through various ways-scholarships, projects, research foundations, professors, this, that and the other.

AN HON. MEMBER: Politicians also.

SHRI INDRAJIT GUPTA: About politicians, they are already supposed to be investigating as to who gets foreign money, etc. I do not know what has happened to that enquiry. The bureaucracy, the government officialdom in every such country which has been affected by CIA was found to be honeycombed by agents of CIA. They are not Americans,

but nationals of the country in which the CIA operates. I can give you very interesting stories about that, but I have no time. But please be vigilant about it. In key posts in the various ministries and departments, there may be officers who are hand in glove with CIA. Many things have happened which go to prove it. Some say, the Ministry of Agriculture in particular is full of such people and all sorts of things are going on. I do not know, because it is not my job to find out. It is Mr. Pant's job. Then, there is that undisclosed portion of those accumulated PL 480 funds which under the agreement are left entirely at the disposal of the U.S. Embassy for purposes which they are not required to disclose. I thought we were passing out of the era of PL 480, but I do not know if we are going to enter it again because of food shortage. It is high time that the disposal of such funds arising out of such trade agreements which are put at the disposal of the Embassy should be brought under the scrutiny of the Government. This money has been used for all sorts of purposes. In the other House, in 1967—I forget the reference—it was alleged by a member and it was never contradicted, that the then High Commissioner of U.K. in India, Mr. John Freeman, had sent a message to his government in Britain in the course of which he had stated that during the 1967 elections, large sums of money—figures were given, running into lakhs and lakhs—had been distributed by the Americans to various parties, some of whose friends are sitting on this side—the Swatantra Party, Jan Sangh and so on. It was never denied. They may deny it now, of course, but it is a bit too late in the day. One enquiry was promised long ago as to which parties are getting money from where. But nothing happened about it.

For the future, since you deem it serious enough and critical enough to come out openly against the CIA which you had never done in the last 25 years, we take your sincerity at

its face value and we say, something must have happened. There must have been something which prompted a person like the Prime Minister to say such a thing openly, which has not been done all these years. Therefore, please see to it that these funds are brought under your scrutiny and keep a watch on how they are spent. The educational institutions, various research organisations, foundations, etc., should be closely watched. Above all, the bureaucracy, the officialdom sitting in key posts in many of your ministries are highly suspect. I do not want a witch hunt; this country does not do it as a rule as it is done in America. But you must keep a close watch on them and see to it that they are not allowed to carry on the work of Sabotage from within.

SHRIMATI MUKUL BANERJEE (New Delhi): I have been misunderstood. I only wanted...

MR. DEPUTY-SPEAKER: Don't rush in where angles fear to tread!

SHRIMATI MUKUL BANERJEE: I only wanted to ask Mr. Gupta why he has missed mentioning religious organisations like the Ananda Marg and others, which are also involved in this.

SHRI INDRAJIT GUPTA: I am sorry if I have misunderstood you:

SHRI VAYALAR RAVI (Chirayinkil): Sir, it is true that CIA activities have become rather a controversy in this country after the Prime Minister exposed it to the people and asked them to be vigilant about it. It need not be explained as to how the CIA is functioning all over the world. It has been exposed by the Americans themselves. Even important American journalists have said it. They have even numbered the institutions and foundations financed by the CIA all over the world. I do not want to go into those activities in detail. It is true that they have been operating from Iran to Indonesia and from Laos to Guatemala and in different countries, they have been successful in toppling governments which have

[Shri Vayalar Ravi]

come to power either through military coup or through revolution.

CIA is a product of the second world war, formed with the purpose of spying and getting their own information to further the capitalists expansion of the American economy and also to influence the governments of the under-developed and undeveloped countries, for which purpose their activities have been stepped up in an aggressive manner. They have not spared our country also. Even during Shri Jawaharlal Nehru's time, this has been discussed all over this country. Shri Jawaharlal Nehru himself was compelled to take up this issue and as Mr. Gupta pointed out, we had to send out some American spies.

Now the whole thing has taken another angle. When the Prime Minister said that the CIA is very active in this country and people must be vigilant, unfortunately a tendency has developed in some friends on the other side and they are more vigorous than the Americans to defend the CIA. These monopolists, the vested interests and the rightist reaction in this country are controlling the mouthpieces and publicity media in this country and these media have been misused to ridicule the warning given to the people of the country. One important cartoonist working in an important daily published a cartoon showing that a gentleman was crying because a horse had bitten him. And he says, CIA has bitten him! This is nothing but ridiculing the warning given by the Prime Minister and other leaders. Some people have even said that this is only meant to blackmail the opposition parties. I am sure there is no intention to malign any political parties and the warning was meant only to expose how the CIA is active in this country.

Then, it is said that because the economic conditions are degenerating, the Government want to save their face. It is true that organisations

like CIA will be active only when the chances come. The chances come only when there is some disturbance or dissatisfaction among the people. So, they become active through different agencies. These agencies can be formed in different ways. Take the Ford Foundation. It is influencing not only important public men and some of the monopoly houses and their mouthpieces, but they are also influencing our administrative people. For example, in a written answer to my question, Government said that 58 houses have been taken on rent in Delhi, furnished freely and handed over back to the owners. Many of the owners of those houses are Government personnel. Some of them belong to the defence services. Is it not alarming? Is it not bribery? Then, the International Press Institute is financing some institutions in Delhi. That is one of the organs of the CIA. They are operating in different ways. After the call of the Prime Minister to be vigilant about the CIA, unfortunately, some people have started saying that it is a ruse for escapism on the part of the ruling party. It is a real fact. Instead of going into the facts, somebody has challenged that statement and said: why can't you issue a white paper on the subject? I can only laugh at such a suggestion. Can we say which way the CIA is functioning? No government has done it so far. Even Shri Piloo Mody cannot do it. Shri Piloo Mody may say that he is a CIA agent, thinking people will take the opposite of it. But the people will only take him to be very frank.

MR. DEPUTY-SPEAKER: He is too frank to be a CIA agent.

SHRI VAYALAR RAVI: That is true. Those who demand a white paper, can they point out any single instance in any country of the issue of a white paper on the working of spies? I do not think that even the biggest countries indulging in spying like the Soviet Union or the USA have presented any white paper on

the working of CIA or KGB. If we mention their way of functioning, they will immediately change their ways. So, I would say that the demand for a white paper is a kind of defence of the CIA. In fact, it is a suggestion which is in favour of the CIA and not in favour of our national interests. Those people who are demanding a white paper or concrete instances from the government are not really helping the interests of the country but they are helping the interests of that foreign agency.

I would say that instead of trying to ridicule the government, they must come forward to ridicule the CIA. Unfortunately, some of them may not be able to do it for some other reasons. They know the reasons and the people also know the reasons.

I am afraid the influence of the CIA has penetrated into some of the media of our government. On the 7th December there was a youth programme in the television where appeared the General Secretary of the NSUI, which is known to be financed by the CIA. He was telling our youth "Look at your Indian politicians and political parties; they are influencing the students in wrong channels and the country is going to dogs. Look at America and see how our colleges are functioning. Look at our free society." Only the other day, my hon. friend, Shri Stephen, was telling me that when he was staying in a hotel in New York, he was warned not to go out after 6 O'Clock because then his life would be in danger. This is the free society which they have got. Yet, the General Secretary of the CIA—financed NSUI was asking our youth in a television interview to copy the American free society!

Of course, Shri Piloo Mody, can enjoy this because he is not the enemy of CIA and so he need not be afraid of them. This kind of infiltration in our information media is the most dangerous thing. These people have infiltrated into our mass media, mass communication, and that is why we

are saying that their influence must be checked.

In this House we have asked certain questions about the ITT and their collaboration. Our objection is not to some defect in a particular clause of the agreement; nothing of that sort. Our fear is that they may one day occupy key positions and tap our telephone and telecommunication.

SHRI PILOO MODY: He need not have any fear on that score. The Government is already doing it.

SHRI VAYALAR RAVI: There is nothing wrong in it. Government have the right to do it.

SHRI PILOO MODY: So, he is admitting it.

SHRI VAYALAR RAVI: This kind of infiltration into the mass media of our country should not be allowed. Let us not honour the CIA. I do not want to mention any names, but I have with me here a file full of press reports which, instead of criticising the activities of the CIA, try to honour them.

I will conclude by saying that let us take all the necessary steps to see that the activities of the CIA are checked. My request to the parties on the other side is to help the government in its effort to check the activities of the CIA. Let us not honour them. Let us not allow them to enter our institutions to subvert democracy and to check the progress that we are making. Let the opposition parties co-operate with the government, instead of trying to defend the CIA.

SHRI SAMAR GUHA (Contai): Sir, I can understand those who have identified themselves with their ideological fatherland elsewhere. But I cannot understand what I have heard just now from a member of the ruling party. Personally speaking, I am feeling ashamed today that I have to take part in this debate for the reason that I remember our freedom struggle days when our sense of national dignity and patriotic righteousness had a meaning of its

[Shri Samar Guha]

own. I remember how in those days our leaders were inspired by a sense of greatness, historic and geographical, of our great country. Whenever there is any attempt to subvert our national values, our national heritage, our democratic institutions, our sense of dignity, our sense of national prestige, I can understand and appreciate objection being taken by the members of this House belonging to this country, being the representatives of the people of this country, without making any distinction whatsoever of the foreign influence or agencies, may be anywhere from the east or west, north or south, from any part of the globe. But I cannot understand one set of people talking in terms of warning of an agency of another country which is operating in this country and another set of people retorting more or less in the same language. This is a sense of political parasiticism, a sign of immaturity.

I am very sorry to say that the President of the Ruling Congress, Shri Shankar Dayal Sharma started this wild cry of CIA activities in this country. If you are serious, if you have a sense of responsibility...

MR. DEPUTY-SPEAKER: I am Serious.

SHRI SAMAR GUHA: If you really have, when a member of this House is making wild allegation, you should have pulled him up. I am sorry to say that this sense of responsibility is missing even from the chair.

MR. DEPUTY-SPEAKER: That would be throttling the debate.

SHRI SAMAR GUHA: He set the ball rolling and responsible members of the ruling party and the Government echoed and re-echoed it.

Whenever an accusation is made which is not defined or which is not identified and it is made from political personalities or from political platforms, then, certainly, we have to understand that there is a political motivation behind it or something

else. I should say, an undefined accusation is nothing but either a political trickery or a diversionary tactic because the whole country today is in the midst of economic crisis.

The Congress Government made long promises of *garibi hatao*. But *garibs* are being *nataoed* today. It is just a matter of political diversion. They want to create some kind of a ghost of the proverbial wolf to divert the attention of the people from the real problems, the problems of hunger, the problems of starvation, the problems of rising prices to something else. I should say, it is a pathetic confession of incompetence of our administrative machinery. If there is really any CIA activity, it should be dealt with firmly, effectively and mercilessly. But that is being allowed to operate in our country.

I should say there is an element of immaturity in our country since Independence. Why I say "immaturity"? In those days when we were having foreign aid and plenty of food from America, we opened our doors too wide for all kinds of infiltrations, for all kinds of foundations, research institutions and cultural exchanges going on and on. And not a word of caution was uttered against it. When it was Hindi-Chini bhai-bhai, when it was Russi-Chini bhai-bhai, during these periods we were vying with one another to eulogise those countries. Still, we are vying with one another at least in regard to one country.

I would like to draw your attention to the fact that only one man in this country, in his Presidential Address of Haripura, in 1938, Netaji Subhas Chandra Bose said, "A country must know that internal politics of a country should never be equated with external policy of the country." He was opposed to fascism; he was opposed to communism; he was opposed to imperialism. But he took help from all

He went to Germany through Russia in a sealed train. He refused to side with Germany when Germany declared war against Russia. He went to Japan. He refused to identify himself with the internal politics of Japan and he also refused to declare war against China.

In a historical Tokyo University speech in 1944, at the function presided over by Mr. Tojo, he bitterly criticised fascism; he bitterly criticised communism; he bitterly criticised imperialism. He said, "My India will be the land of socialism of its own." He got friendship from all the countries but never identified with the internal ideologies of any country.

In our international relations, wherever it is required, certainly, we should take help but we should never identify ourselves with the internal politics, with the internal ideologies, of any country or allow ourselves to become satellites or to become political parasites of any country or go in for ideological permissiveness or any such thing. That is one of the reasons why whenever, today, we say a little critical word about any particular country with which we have a friendship, there is a hue and cry from all sides, particularly from one section. I can understand those who have identified themselves with their ideological fatherland. But I cannot understand those who are pseudo-supporters of that ideology.

16 hrs.

In the last Lok Sabha, I tabled a series of Questions to know from the Government the number of books imported from different countries, the number of publications published in foreign countries and all that. Astronomical figures were given of the books imported from other countries. About monthlies, weeklies and dailies that are published from different Embassies in this country, astronomical figures were given in the House. I also wanted to know

how many friendship and amity organisations were operating in this country. The figure is not astronomical but it is in hundreds. If you go to taluks, you will find their branches operating in taluks also. Further, I wanted to know how many lakhs of pages of propaganda material are supplied by different foreign Embassies to our dailies, to our weeklies and to our monthlies in this country. Here also, an astronomical figure was given to us.

Then, I also wanted to know how many journalists, how many politicians, belonging to different friendship and amity organisations were invited to different countries. Staggering figures were given. It is a matter of shame that we the politicians, the MLAs and MPs, the elected representatives of the people very frequently go to cocktail parties in different Missions. I know of many people who visit foreign Missions very regularly. It is a matter of shame....(*interruptions*) I know where the shoe pinches. What I have said is from the core of my heart, from my knowledge and facts. I know where the shoe pinches.

MR. DEPUTY-SPEAKER: Are all these CIA activities?

SHRI SAMAR GUHA: As I have said, C.I.A. is a symptom of operation of foreign political intrigues and intelligence which want to turn this country into a satellite of their own. They want to create parasites for their own political purposes. If you want this country to have patriotic dignity of a free country, you must make it free from the influence of all foreign intrigues, intelligence, espionage and influence. I can give you the figures; I have all the figures. I do not want to take much time....(*Interruptions*) It is known why the people get excited when I mention something. It is known to them. I feel ashamed that my country into a satellite of their own, devoid of foreign intrigues, intelligence, espionage and influence and the rendezvous of foreign political para-

[Shri Samar Guha]

sites. Sometimes, clever people, when ever there is a social function and when their shoe pinches, they take it in a lighter mood either by cutting jokes or making a laughter.

AN HON. MEMBER: Give some *mal-masala*.

SHRI SAMAR GUHA: As I have said, *mal-masala* is everywhere. (*Interruption*). He wants some materials. Material are everywhere. There are millions of booklets, periodicals and journals printed and published by political parties' presses. I had asked a question—it is on record—about the printing presses owned by political parties in India for foreign embassies. They earn millions. Those political parties who print materials of foreign embassies and get millions are not touched. 'They are Brahma.'

MR. DEPUTY-SPEAKER: You have already taken about 26 minutes.

SHRI SAMAR GUHA: No, Sir.

MR. DEPUTY-SPEAKER: You started at 3.41 and now it is 4.07 p.m. Please try to conclude.

SHRI SAMAR GUHA: This Government had assured us in the last Lok Sabha that they would bring a Bill to curb influence of foreign embassies and also foreign money in this House. What has happened to that? I want to deal with the whole problem basically and not accusing this country or that country. In fact, we should accuse ourselves. Why did Government allow infiltration of foreign influence? Why did they allow development of political parasitism in our country? I want to know this from the hon. Minister. What has happened to that assurance which was given here in the last Lok Sabha that a Bill will be brought? What has happened to that assurance which was given that a code of conduct would be drawn up for our journalists, for our politicians, for our MLAs and MPs and for the social and cultural organisations sponsored by different embassies and of which we are having a mushroom growth all over the country?

I want to draw your attention very specifically to the recent Assam riots. Most of the important Congress leaders accused CIA hands in it. But Mr. B. K. Nehru tried to deny that. (*Interruption*). It has been admitted even by the Assam leaders that there was really no mass uprising of the Assamese people against the Bengali People. Certain sections of people were picked up, certain newspapers were picked up... (*Interruption*). Like military operation there were truck-loads coming from 100 and 200 miles away. In those truck-loads 80 per cent of the people were either those who were pro-Pakistanis at the time of liberation of Bangladesh or those who escaped from Bangladesh out of fear of trial for espionage or national betrayal.

AN HON. MEMBER: Razakars?

SHRI SAMAR GUHA: They are called Razakars. (*Interruption*) I have so many documents. Will Government institute inquiries into them? I can give you some photostat copies also—so much of intriguing news in different papers. I was very shocked the other day when Prime Minister was sitting by the side of that gentleman, Mr. Mohsin, when he was making the statement that the events in Assam had been exaggerated. (*Interruption*) If you really want to pinpoint what happened there, there were foreign agents who were working horribly, who were playing havoc in Assam language riots. It calls for immediate CBI investigation, if not a judicial inquiry.

I will conclude by saying that there should be a code of conduct and there should also be a Bill, which should be brought immediately, restricting circulation of imported books from foreign countries, restricting circulation of cheap and trash propaganda literature—and not fundamental books on ideological polemics. Journalists and others getting packets—gifts and donations—from foreign embassies should be stopped. No political party press should be allowed to print and publish any material from any foreign

embassy. No press or journals, without the approval of the Press Council, should publish any material from any foreign embassy. No papers should be allowed to publish unchecked matter from embassies. What a shame it was, there were two or three pages on Korea in all the big papers. (*Interruption*) What has happened to this country, I do not know.

I conclude by saying that, if this Government wants to function as a free country, as a dignified country, with a patriotic sense, with the sense of democratic values and the sense that ours is a great country, we should not allow ourselves to be influenced by any foreign influence. The Bill that was premised to be brought in this House to curb foreign influence in the Indian politics, Indian life, has to be brought immediately, and a code of conduct, not only for MPs and MLAs but also for teachers, journalists and all others who have dealings with foreign embassies, has to be drawn up.

SHRI C. M. STEPHEN (*Muvattupuzha*): Mr. Deputy-Speaker, Sir, we are discussing today a subject of vital concern to the security of this nation and to the political independence of our country. Looking at the entire picture of reactions to certain comments made by our Prime Minister and the Congress President about CIA activities, I feel like congratulating the CIA for the thoroughness with which they have been doing the work. It is very unusual that when the Prime Minister of a country has pointed her finger at certain activities of a foreign agency and has warned her countrymen that a particular foreign agency has stepped up its activities in this country, the reaction in certain sections, is not one of anxiety that these activities are proceeding but is one of an attempt to . . .

SHRI PILOO MODY: Ridicule the Prime Minister.

SHRI C. M. STEPHEN: . . . defend the CIA and to prove that the CIA is not working here and, to quote Mr.

Piloo Mody, to ridicule the statement of the Prime Minister. .

SHRI PILOO MODY: The Prime Minister herself.

SHRI C. M. STEPHEN: Let us look as to how the entire session started. Mr. Piloo Mody appeared before the House with a badge—'I am a CIA agent' . . .

SHRI PILOO MODY: I still have it.

SHRI C. M. STEPHEN: May be without any sense of shame, maybe in a mood of confession and maybe it is another tactic for a Member of Parliament, for a leader of a Party, to come to the sovereign body of this country and display a badge saying, 'I am a CIA agent' to the gaze of the entire world and to the gaze of the country, it is a tactic whereby he could put morale into those persons who want to be available to the CIA operations. Mr. Piloo Mody has done it in the Parliament of India. 'Nobody has touched me. Therefore, nobody need be bothered about it and he may carry on'. That is one way of doing it. Even as an act of ridicule if one may concede it, even as a demonstration of buffoonery if one may take it that way, even if all this is conceded, could anybody conceive of a person, a citizen of a country, coming out, even in a jocular mood, and saying out, 'Here I am. I am an agent of CIA', i.e. the Central Intelligence Agency which is a foreign agency operating here, coming out and saying 'I am an agent'?

When I heard the speech of Mr. Samar Guha—he has left the House—I was wondering who exactly was speaking here. I was looking back to see whether a votary of CIA has come into the Parliament and has started defending the CIA.

Why should people get agitated about it? Let us look at it objectively. Is it denied that there is something like the CIA? Is it denied that CIA is operating in different countries? Is it denied that CIA has got a record of certain activities which are objection-

[Shri C. M. Stephen]

able, at least in Guatemala and Cuba . . .

SHRI PILOO MODY: No.

SHRI C. M. STEPHEN: Is it denied that the CIA operated and brought about the disaster of the Bay of Pigs? But nobody denies it.

SHRI PILOO MODY: Nobody denies.

SHRI C. M. STEPHEN: Now, even the CIA does not deny that in their design of operations they transgressed the limits of collection of intelligence but go on to some other limits. Even the CIA does not deny it. That is their method of operations. I have got before me a statement given before a US Senate Committee spelling out how the CIA is operating. They state that there are two types of recruits for them. One type of recruits are persons whose job it is to collect intelligence. The other type of recruits are persons who are trained up or who are well-versed in certain types of skills and who can get to the vulnerable points. These are the two types of recruits and now the CIA is a problem even for the Administration of the United States. The CIA reports directly to the President. The CIA is a part of the National Security Service. The CIA is answerable to the President through the National Security Council. The CIA is part of their entire national defence scheme and for that purpose, they operate not merely for collecting intelligence but for other purposes also. If that is conceded but to which, I am afraid, are blind the extra-vocal and extra-zealous defendants of CIA in India but which is conceded even in America, when once it is conceded, then we proceed to a stage where we have got to look at it not to see whether the CIA is operationing but to see whether the CIA is not operating. That is the way we have to look at it—whether the CIA is not operating here. That is the way we have got to look at it and the Prime Minister of India, a very responsible leader, comes out with a mild warning that the CIA has

recently stepped up its activities in India. It is not a new development in India at all. The CIA has been there. The warning is that the CIA has stepped up its activities. Why? The warning is to the people of this country who may fall a prey, unsuspectingly or otherwise, to the operations of the CIA. When that warning is made by the Prime Minister, one should expect of every citizen of this country to anxiously look for some material, to anxiously put oneself on the guard and on the defence so that he may not fall a prey to that sort of operations. That reaction there was, of the vast multitude of the people of his country and the huge majority of the people of this country. But, strangely, certain people, in certain quarters, took up a different attitude and came out saying that the CIA is not operating. This is outheroing. Herod, I mean more loyal than the King himself. They came out with a statement that the CIA is not operating and 'Where is the evidence?' Would any Government come out with evidence that way? Would any intelligent intelligence agency operating in any country give out the evidence they have collected? When the Prime Minister says that, the people of the country know enough to understand that there must be material which has induced the Prime Minister to give that warning. Those persons who demand, 'Come out with the material' are persons who want to defend their activities and put this warning in a question mark.

Therefore, I would submit that those persons who make these pleas are the persons who must be considered as really suspect. That is all I have got to say about it. Otherwise, their reactions put them in a suspicious cadre and the Government has got to be suspicious about it. That is all I have got to say about it.

Another plea which has come out—my friend, Mr. Vayalar Ravi, has referred to it—is that the problems are mounting up and here is an effort made to divert the attention of the people from those problems. A mild

warning about it. Is it an effort to divert it and can it possibly divert it? Can the warning divert the attention of anybody from the other problems which are really there? Nobody can be so foolhardy as to expect that by giving that warning, the attention of the people of this country can be diverted away from the other vital issues of the country.

Now I do not lay any blame on anybody. A question is asked: What about other agencies operating here? It is understood, it is well-known that every country has got its own intelligence services. Every Embassy in every country has got its own intelligence services. That is one of their jobs—collecting information. Nobody quarrel with that. But they quarrel comes in only when you proceed from that sphere of collection of information to the stage of assuming the character of an operational agency. Intelligence collecting agency you can be, operational agency you cannot be. You cannot pump out money to purchase the loyalties of the people. You cannot pump out money to create cells in other countries to operate against those governments. You cannot pump out money for the purpose of subverting the structure in a particular country. When two agencies are operating, one agency with a particular background, well-known and the other agency or the other agencies, not having that sort background, people will judge these agencies with their respective backgrounds. . . (Interruptions) I do not want to name any agency at all. There are different agencies in the country. Not only America, not only Britain, not only Russia, not only China or any country—we are looking at their operation against the background of their past and we make our own judgment about it. My friend, Mr. Piloo Mody, pin-pointed KGB and all that. I do not know what it is. If it is Soviet Russia that he means, I, for one, do not want to be apologetic at all about it. Soviet Russia has got a particular relationship with this country. I concede it

as far as I am concerned. Whenever this country was in a crisis, that country came to the aid of this country. Whenever a problem came up, that country came up to support us and whoever may or may not accept it, things have come up in such a manner in the course of the last 25 years, that the people of this country are looking at Soviet Russia as a real friend of this country. Therefore, when they are operating, when they are collecting intelligence, we do not suspect them—not that nobody is looking at them. As Mr. Indrajit Gupta said, they may be kept under surveillance. Government must look as to whether they are operating wrongly or correctly. But I would submit, Sir, Soviet Russia is not regarded as an enemy of this country. I am not saying, America is an enemy of this country, but let it not be denied, and let it not be attempted to be denied also that as between the two countries, Soviet Russia has been to our aid whenever the aid was needed and it is a friendly country. A friend is coming to my house and an enemy is coming to my house. My welcome to my friend will be different from the way I welcome the enemy. There is absolutely no doubt about it. Is there any evidence to show that subversion is being attempted by the KGB? Is there any attempt to show that such and such a thing has been happening anywhere? No evidence has been forthcoming. Defenders of the other faith may carry on their campaign. That is all that I can say.

All that has happened here is this. The Prime Minister, who also happens to be the Home Minister of this country, has given a warning, on the basis of whatever information we have got, to this country saying that certain things are taking place from certain quarters about which the people of the country should be aware of. It is no condemnation, but a warning, it is an indication to the people to beware of it. I would appeal to everybody even Mr. Piloo Mody, conceding that the buffoonery

[Shri C. M. Stephen]

he displayed is nothing more than a buffoonery, nor really the agency of the Central Intelligence Agency—I would appeal to everybody, Sir, to take note of that warning and to guard ourselves of the dangers that are taking place in other countries and that we do not allow these things to operate under cover or open. That is the value of that warning. Let no attempt be made to ridicule. Let note be taken of it and if I may say so, let serious note be taken of it. It has been taken note of by parties that count even in America.

When this announcement came I happened to be in New York, attending the United Nations. I know about the reaction to this announcement. One announcement was televised and people took serious note of it. I thought that is enough of a warning to the CIA. People came to know about its operations in this country. I am appealing to persons like Mr. Samar Guha and Mr. Piloo Mody and others. Do not rush out to their aid but be firm with the leadership of this country so that CIA operations may be kept under restraint and under check. These are all what I wish to submit.

The Prime Minister has done a signal service to this country by her timely warning. Whoever has attempted to ridicule it has done an act of unpatriotism, an act of service to some other country which is most condemnable. With these words I conclude.

SHRI JYOTIRMOY BOSU (Diharbour): We are sorry to see that Mr. Indrajit Gupta's Private Member Resolution which was in the form of a definite motion and which could have been voted on the floor of the House was pushed out because the ruling party did not help them to table a Motion and something else has been brought in and we had to come today under Rule 193 just to talk it over. It is a great pity. It should go on record.

Sir, this CIA is one of the greatest menaces to humanity and democracy and socialism, President Truman has done the greatest disservice by starting this CIA which is really a US Government organisation. The object of the CIA is to make room for United States' neo-colonialism and economic domination all over the world. We have seen what they did in respect of Mosudeq, Indonesia, Belgian Congo, Cuba, Vietnam and Pueblo in North Korea; and, Chile at the present moment.

Jack Anderson released a set of purported documents indicating that a huge international telephone and telegraph conglomerate had manoeuvred possibly with some connivance of US officials to try to block the 1970 election of March. It refers to President Salvador of Chile. Through evidence, high level Government complicity was cited.

In our Consultative Committee there is a reply given by Mr. Chavan when he was Home Minister. I wish to refer to that. He said that they are also aware and conscious of the fact that there has been widespread concern about the receipt of money from foreign agencies and organisations by individuals and organisations whether working in the political or social or economic fields. We are much concerned because it is crushing democratic and progressive movements. We are the targets. We have suffered in their hands. They are always at us. Can the ruling party say they have suffered as we have suffered in the hands of the CIA? No, Sir. I shall prove this giving examples one after the other. Otherwise, Sir, can you imagine why this 1967-68 Intelligence Bureau Inquiry Report was not made public? Is it because it will expose all manner of persons belonging to the ruling party and in the official hierarchy and official machinery? The situation is very serious.

I now wish to refer to a well-circulated Daily. It says: 'Assam:

Hunting-ground for CIA'. It refers to Mr. Sinha, Chief Minister. It says 'Foreign Intelligence agents active in Eastern India since fifties.' The news from London about US diplomatic offensive is to the effect that CIA has been active in the eastern zone. It has also been not new, it is there from time immemorial when we came to power, and had been constantly active and they have been constantly moving and doing these things. Mr. Chavan in reply to a question had stated that they were operating from 4 centres in India, namely, Patna, Bangalore and there are two others. Wherever there is any United States Government official, there is a CIA man there. There is no doubt about that. Their penetration is very deep and wide amongst political persons, Ministers, administrators, defence, police, press and radio. Sir, even the Naxalite movement is affected. Those who are in Congress have been left. Others are there. It has affected authors, film producers, religious institutions, religious cults, social service people like peace corps etc, and a new variety of foreign missions. Sir, we know there have been some very old ones, doing some very different jobs. But this new thing is there now.

I now wish to quote from the *Times of India* supplement of October 29, 1972. It says:

'The CIA has stepped up its activities in India through its various fronts. The manipulation of vast PL 480 funds primarily to further American interests and the Nixon administration's anti-Indian tilt during the Indo Pakistan war last December...'

Then it says:

'The USEFI is one of the 48 organisations around the world administering US Govt. scholarships and those of the Institute of International Education and the East-West Centre for Study in the University of Hawaii.'

—Hawai, —what a lovely place to go!

Then, Sir, it also says that the CIA thorough the Asia Foundation has financed the Labour Education Service camps for undertaking publication of the history of strikes. Sir, the positive American involvement in Indian agriculture is also a sore point, including senior agricultural officials, including quite a few of the Ministry of Food and Agriculture. One of the former secretaries and now a Governor of a State is also there. Their domination is total and we must delimit the influence of these top officials. I can quote several other things to prove that they have made a deeper and deeper in road into our country.

I would now like to quote from the book 'Ambassador's Journal' of John Keeneth Galbraith, former US Ambassador to India. At page 163, he says:

"One of the undisclosed pleasures of this job that I have at my disposal is that at least at my disposal there is 10,000 dollars to spend at my discretion for charitable relief purposes which is replaced once I have spent it, a kind of self refilling financial spring."

Then, he says at page 163:
"July 20—Madras:

Yesterday was only slightly less long than that of the Last Judgment. At a little after eight, I visited the Consulate which occupies a couple of dingy floors of a left-type building which are painted a repulsive green. The American officers occupy offices around the edge of a bull-pen; the Indian staff are in the pen. One office is occupied by our intelligence staff whose coming and going is observed with much interest by all. When the chief CIA man was replaced a few months back, a local Indian police officer commented amiably in public on the change to the Consul-General the same day ("I hear you are getting a new chief spy".)

[Shri Jyotirmoy Bosu]

Then, I come to page 453, where he says:

"We had an indication that something important was in the making when, about five, Barry Zorthian had tea with R. N. Karanjia, the editor of *Blitz*. Karanjia told Zorthian that their next edition would signal a major change in policy—a strong pro-US line, great praise for Kennedy and Galbraith. The CIA, one gathers, will henceforth be the spearhead of 'American Indian friendship.'"

Then, at page 479, he says:

"The, Pete Lakeland of my political staff brought over an elderly Congress leader for a long discussion of Congress Party policy in light of the war. Like everyone else, he told they were busy reconsidering the non-alignment policy. As to everyone else, I told him that we might find alignment with India too expensive."

Then, I go on to page 546, where he says:

"February 13—New Delhi.

During the morning, I had a session with a group of men who are here at the Indians' request to advise the Indian Army on the techniques of special warfare. These are the informal, but not secret, tactics for dealing with unconventional enemies in an unconventional way. It naturally attracts adventurers and boundary of various sorts.

I gave them a firm lecture on the need for the utmost tact, restraint and diplomacy. I said they should prove to the Indian Government that its well-justified suspicions of them are somehow erroneous."

Then, this book *Johnson's Memoirs* named about people who were in the US Lobby. It says:

"Certain responsible persons in Government of India had been working to further the cause of US—the then Food and Agricul-

ture Minister C. Subramaniam, the then Food Secretary...."

—now, Governor—

"....Mr. Diaz." (The words 'now Governor' are my insertions).

In 1968, the *Washington Post* said:

"In Kerala, when the UF Government was led by E. M. S. Namboodiripad, one Minister here wanted Rs. 3.50 lakhs (50,000 dollars) for efforting to break up the communist-led UF Government there."

Now, I shall quote from another very valuable document, which is an Indian School of Social Sciences Publication, which says:

"There have been widespread whispers that the student demonstration in Madras last year against cartographic aggression on the Sino-Indian borders was planned in detail and financed by the USIS.....

Or can the Government of India deny that five senior USIS officers, including the Regional, Director and the Information Officer, went to Visakhapatnam in December, 1970 under the thin pretext of supervising the moon rock exhibition organised there? Or that in Vizag, where one of the biggest naval bases is situated, they made fruitful contacts of which the Government of India is aware?"

Then, it says:

"Another educational front for the American Government is the US Educational Foundation in India (USEFI), which is very active in Madras. USEFI is directly under the Department of State. It is responsible for doling out Fulbright scholarships and other prizes to Indians considered useful enough to be indoctrinated.

Then, it says:

"There is hardly one major or important educational institution in this City which has no links with American money. Links range from

massive financial support in the form of books, equipment, training personnel, techniques etc. During the last year for which accounts are available, 1969-70, the University of Madras alone got charity worth Rs. 1,55,384 from PL-480 funds and Rs. 78,337 from the US Department of Health."

Further, it says:

"The links between the CIA and organisations like the Asia Foundations are no secret. This notorious front was exposed in 1966-67."

I would not go into more details about this, because it is well known. At least, I have information that CIA finances steadily, regularly and perpetually aid eight political parties in the country.

Then, I come to the question of economic subversion by the CIA. If you see the pamphlet entitled *External Assistance, 1968-69 and 1969-70*, at page 123 we find that:

"India has entered into 14 agreements with the US Government under PL-480 from 1956 to 31-3-1969. Subsequently, two agreements were signed during 1969-70, thus totalling 16 agreements to end of March, 1970."

The total amount involved is Rs. 22708.3 million, which is the rupee equivalent.

We further find there:

"The rupee equivalent of the dollar cost of the commodities imported is deposited in the US Government account in the Reserve Bank of India, New Delhi. A major portion of the rupee deposits (about 80 per cent in the aggregate) has been earmarked in the agreements for being given as loans and grants to the Government of India for financing mutually agreed projects of economic development. The balance of 20 per cent has been earmarked to be retained by the US Govern-

ment (a) for its own use in India and (b) for giving loans to Joint Indo-US enterprises commonly known as 'Cooley loans'.

And what is this Cooley loan? It has financed to the tune of Rs. 70 crores big companies like Otis Elevator Co. India (Pvt.) Ltd., Goodyear India Ltd., the Synthetics and Chemicals Ltd., Hindustan Aluminium Corporation Ltd., and so on. They are acting on behalf of the American organisation and they are financing the CIA activities here.

The CIA is also affiliated to the US Foundation set-up in India. Mr. Chagla had said this, when he was Foreign Minister of India. All the US foundation set in India in the name of cultural, educational and other activities; (2) the International Confederation of Free Trade Unions, (3) the International Youth Centre, (4) the National Students' Press Council of India, (5) The World Assembly of Youth, (6) The Asia Foundation, (7) The Press Institute of India, (8) The Institute of Mass Communication Research and such other bodies were working in India.

MR. CHAIRMAN: Now, the hon. Member should try to conclude. He has already taken about 15 minutes.

SHRI JYOTIRMOY BOSU: Shri Samar Guha who leads party of just three Members had taken 30 minutes. At that rate, I should be entitled to take about eight times that time, because I belong to a party of 25 Members here.

SHRI G. VISHWANATHAN (Wandiwash): It would mean four hours according to that calculation.

Shri Jyotirmoy Bosu: I shall be satisfied with three hours.

MR. CHAIRMAN: He was entitled to only seven minutes, but I have given him already 15 minutes.

SHRI JYOTIRMOY BOSU: You have always been very generous. But I shall take another 15 minutes.

[Shri Jyotirmoy Bosu]

As for infiltration in education, the Delhi University, for example, got 8 million dollars directly from the Ford Foundation, not through the Ministry. That was later on regularised.

SHRI PILOO MODY: So, all the children going to the Delhi University are CIA agents.

SHRI JYOTIRMOY BOSU: The Department of Chinese Studies (Hong-kong type) started with money from the U.S. Even scholarships are included for that purpose. May I ask Shri K. C. Pant one question here? Is it true that the present pro-Vice-chancellor, a Member of Parliament, once head of the Department of Chinese Studies, is regularly writing for the Pentagon paper on 'On Problem of Communism'. Once, the Delhi University affairs were controlled by a man called Gilpathic of the CIA. The Delhi University Law Faculty was greatly controlled by the CIA and worked against the authority of the Academic Council. The Head of the Department had direct contact with the CIA. In the Delhi School of Economics, there is no difference. I do not know how many professors of the Delhi School of Economics have gone to the United States. We want to know these details also.

So far as the press is concerned, let me give a concrete case. The *Ananda Bazar Patrika* paper is a monument of CIA activities in the country, and one of the directors was caught red-handed sending crepe during the Indo-Pakistan war to Hongkong and other countries; he was caught sending crepe. Yet, because pressure came from Shri K. C. Pant's Ministry, after four hours' interrogation at the police headquarters at Lal Bazar, he was let go. The Defence of India Rules clearly say that for sending crepe without getting it through the censors means five years' imprisonment.

But here is a case, how this ruling party wanted to deal with the CIA. In the case of *Ananda Bazar Patrika*,

do they want to shelter somebody and so action was dropped because of pressure from the top? They also go for religious institutions and they create things like Mahesh Yogi, Ananda Marg and Balyogeswar, they created sadhu riots. They go for economic subversion also. In Bokaro they organised sabotage and attempted to commission a blast furnace prematurely to damage it. They almost succeeded in doing that in Bhilai. What happened. I do not want to name the person, he is a professional man and was an ex-employee of the TCM, he was a CIA outfit. In Barauni a 50 MW turbine was damaged by the insertion of foreign matter and the rotor got damaged. In Patratu oil circulation was damaged by cotton waste.... (Interruptions) I have heard Shri Indrajit Gupta talking about Defence Secretary. I know the Defence Secretary who has been shifted to another Ministry. He is not inactive there also.... (Interruptions). I know of a Home Secretary and while having a talk with the Minister I said that so and so was close to the Yankies, how do you expect him to control them and he replied: you are mistaken, not the person but his wife. I said: very good, I have learnt it. I ask of this love-song or love-call from America; why was Mr. Billy Graham allowed to go to sensitive areas like Nagaland? Who hosted him? The Baptist Mission. The hon. Prime Minister admitted the other day in the Consultative Committee that the Baptist Mission was connected with CIA; it is a surrender to Nixon. We remember that there was direct collaboration in 1959 with Vimochan Samaram when Mrs. Indira Gandhi was the Congress President. A cheque from the United States Consul General in Madras, Mr. Franglin went to Mr. R. Shankar, the then Congress President, later on the Chief Minister. The Red Cross cheque was intercepted while in transit. Most unfortunately, I have here a piece of news item which has mentioned the name of Mr. Raj Bahadur and says he secured CIA funds. It is here; I only wish that Shri Raj

Bahadur contradicts it. I shall read it out:

"Jaipur: A Jan Sangh Member of the Rajasthan Assembly, Manoharlal Gupta has said that the Union Minister for Shipping and Parliamentary Affairs, Shri Raj Bahadur, had secured Rs. 40,000 from CIA to contest the 1967 general elections through.... (a gentleman).

Shri Gupta who belongs to the home district of the Union Minister, Bharatpur, Rajasthan, challenged Shri Raj Bahadur that if he could prove his assertion wrong, he would resign from the Assembly, or else the Union Minister should quit the Cabinet."

I want to lay it on the Table of the House.... (Interruptions).

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (Shri K. C. Pant): May I only understand whether it is for the person who makes the charge to prove it right or for the person against whom the charge is made to prove it wrong? Whose obligation is it

SHRI JYOTIRMOY BOSU: He should contradict it.

SHRI PILOO MODY: According to the Prime Minister, a person against whom a charge has been made has to prove it never happened..... (Interruptions).

SHRI JYOTIRMOY BOSU: From Kerala Vimochan Samaram Franklin ran away but he was allowed to come back as a research fellow. I shall now come to the working arrangement with the CIA. Is it not a fact that the training of Indian intelligence for spectrum study over South China and Tibet was organised by the CIA? Is it also not a fact that border security officers were sent to South Vietnam for training under the US arrangements, that is, CIA in guerilla tactics. Is it not a fact that many offi-

cers were sent to America for training in intelligence? We want to know figures here and now. The most serious of the thing—Mr. Pant should hear me—does he knew that US B-52 planes were allowed to use secretly Indian airports for doing photographic flights over China? I do not want to give the names of these airports because it is a secret matter. I am asking this Government: what sort of working arrangements are still continuing with the CIA or the American Government? Because, there is an electronic eye on China border, under a contract with Dynamics Corporation, which was previously handled by the CIA for surveillance in China border in her military command. We want to know how close you are in this collaboration matter. I want to say: it is no use yelling from roof tops because you want to use it politically for your own purpose. You talk about the student unrest in Punjab. The Prime Minister said that the Government have definite information about CIA activities. She said that the student unrest had been engineered by CIA but Mr. Mohsin says that there is no specific information of the involvement of foreign elements in these incidents; here are the questions and here are his replies. I only want to say: you prove that your Government is a disfavoured Government of the CIA; you publish a white paper. I repeat once again: You and your Prime Minister prove that you are a disfavoured Government by the CIA; you publish a white paper if you are worth the salt.

MR. CHAIRMAN: Shri Satpal Kapur..... (Interruptions).

THE MINISTER OF PARLIAMENTARY AFFAIRS AND SHIPPING AND TRANSPORT: (Shri Raj Bahadur): Through whom? Will you please read the name? I have got the right of personal explanation.... (Interruptions). Let him read out the name of the person through whom I have been charged of receiving money.

MR. CHAIRMAN: Order, order.

SHRI PILOO MODY: I wholly disapprove of this procedure. It is nowhere in the rules that Mr. Raj Bahadur can get up whenever he likes and start making noise in this House.

SHRI RAJ BAHADUR: A challenge has been thrown at me and I have a right of reply

SHRI PILOO MODY: I should like to finish my submission.

SHRI RAJ BAHADUR: I am not yielding; it has to be contradicted here and now. He must first read out the name of the person through whom.....(Interruptions) Is it a paper report? Let him read out the name if he has got any name?

MR. CHAIRMAN: Please sit down; there is no question of challenge here. He has already made a speech; you can go through the proceedings.

SHRI RAJ BAHADUR: There is no question of.... (Interruptions)

MR. CHAIRMAN: I cannot ask him to repeat his speech for your benefit; you can gather information from the report and then you can contradict this.

SHRI RAJ BAHADUR: I throw a challenge to my friend if he can prove it. If he can prove it I shall resign; otherwise he should resign. I challenge. It is absolutely concocted, cock-and-bull story. If he is correct, let Mr. Bosu prove it and I shall resign; otherwise he shall resign. Let him prove it....(Interruptions).

SHRI PILOO MODY: On a point of order. My point of order is that the procedure had been violated.

SHRI RAJ BAHADUR: Mr. S. K. Patil has been attributed; it is alleged that he collected from CIA and gave it to me. Let an enquiry be made from Mr. S. K. Patil.

SHRI PILOO MODY: If anything has been said which entitles Mr. Raj Bahadur to make a personal explanation, he should be allowed to do so.

SHRI RAJ BAHADUR: If Mr. Piloo Mody believes in that, I challenge him also.

SHRI PILOO MODY: Let him go either to Asia 1972 or the Gemini Circus to challenge the wrestler over there. What is this business of challenging in Parliament? I am talking about procedure and he says: I challenge you. I am raising a point of order regarding the procedure that has been followed.

MR. CHAIRMAN: With the permission of the Chair, he made that submission. I allowed him.

SHRI PILOO MODY: I only want that to go on record.

SHRI M. RAM GOPAL REDDY (Nizamabad): Sir, the Prime Minister of our country has administered a warning to the people and also to all parties that we should not fall a prey to CIA activities and we thought there will be an end to it. But the CPI leader Mr. Indrajit Gupta has brought a motion here. Of course, we are free to express our own views. But Mr. Gupta said that there are some CIA agents in our officialdom. I want to protest against it. The officers have as much self-respect as we have, if not more and we should not cast aspersions on them day in and day out. We should not suspect our own officers.

SHRI PILOO MODY: You only suspect the opposition parties.

16.37 hrs.

[Shri N. K. P. SALVE in the Chair]

SHRI M. RAM GOPAL REDDY: We do not suspect Mr. Piloo Mody. He is so frank and does not hide his motives. The other day he entered the House with a label on his chest. That is ample testimony that we should not distrust him. What he has exhibited is enough for the House and for the country to understand him and his party

Some people are making out as if the CIA activities are going to ruin this country. That is a false idea. This country has had several onslaughts for centuries. There were attacks from Nadir Shah, Aurangzeb and so many others, who wanted to destroy our culture. But they failed and India is now a strong nation under the leadership of our Prime Minister.

SHRI JYOTIRMOY BOSU: On a point of order, Sir. You are very particular about relevance of speeches.

SHRI M. RAM GOPAL REDDY: From 1947 to 1952, the communists attacked the masses in the villages with all sorts of weapons. Even then they could not win the people of this country. The people are stronger than any political ideology. The people are patriotic and are not unduly afraid of either the CIA or the KGB. Some people have made it a habit to go on abusing America day in and day out.

17 hrs.

Our Prime Minister has administered a warning to the people of this country to be aware of the sinister activities of CIA and other foreign agents. That is enough for our country to be careful and to guard our interests. The opposition want to make capital out of the Prime Minister's statement, which is not correct. The warning of the Prime Minister is quite sufficient.

SHRI G. VISWANATHAN: Sir, it is good that we have got an opportunity to discuss the danger of growing CIA activities in this country. No body denies, and no body can deny that CIA is acting not only in this country but it is operating all over the world. It is a secret seeker of knowledge in the demi-world of international espionage. We know that espionage is a fact of diplomatic life in the modern world.

According to reports, the strength of the CIA is more than 18,000 out of

which 30 per cent are Ph.D., linguists, economists, cartographers, psychiatrists, agronomists, chemists, anthropologists and geographers. These experts profess to know everything starting from the problem of Nagas and the health of Kossygin to the bed-room exploits of Soekarno.

SHRI PILOO MODY: What about the bed-room exploits in India?

SHRI G. VISWANATHAN: Regarding their activities in India, the Congress President, Shri Shankar Dayal Sharma, fired the first shot. He said that the CIA is subverting the Indo-Bangladesh relations, and they are the reasons for all the recent troubles. Immediately, the Prime Minister confirmed this statement by saying:

"CIA had become active in India. It is not for us to prove that this agency is working in our country. It is for the CIA to prove that it is not active in India."

This statement came when the poor Finance Minister, Shri Chavan, was having negotiations in Washington, and he had to bear all the embarrassment.

Close on the heel of this came the statements of the Congress Chief Ministers about the CIA activities, as if to show their unstinted support to their leader. Statements were issued by Shrimati Nandini Satpathy, Shri Sarat Chandra Sinha, Shri Zail Singh who accused of CIA-Akali collusion and Shri Mir Quasim. Except Shri V. P. Naik and Shri Tripathi, all the State Chief Ministers came out with the statement about the CIA activities.

I want to know the reason for this sudden spurt. What happened all these years? Were they not aware that the CIA is operating in this country? Not only that, the Union Home Secretary also gave a statement that it is operating actively in

[Shri G. Viswanathan.]

the eastern region. This is the contribution of Congress.

Then I come to the Jan Sangh, which has made its own contribution. The Jan Sangh leader in the Bihar Council said that CIA is very active in Chottanagpur area. Another Jan Sangh MLA from Rajasthan said that the Union Minister, Shri Raj Bahadur, has received money from the CIA during the 1967 elections... (interruptions)

SHRI RAJ BAHADUR: Let them make that statement outside the House... (Interruptions)

SHRI G. VISWANATHAN: This charge was made by an M.L.A. of Rajasthan belonging to the Jan Sangh almost a year back.

Then, I would like to quote *Pra-vada*, which says:

"In the past; the Swatantra Party was looked upon as the chief pro-Western, pro-American lobby. But lately CIA is paying special attention to the relatively better organised and more massive Jana Sangh."

This is what the Soviet paper *Pra-vada* has written.

Then, Jack Anderson's papers did implicate one or two Union Cabinet Ministers with C.I.A.

We are not worried about any agency. But if the espionage crosses the boundary-line, from intelligence evaluation to actual interference with the country's affairs, then serious action must be taken. Not that a mere statement should be given by the Prime Minister or by the Chief Minister. Serious action should be taken immediately against espionage, whether it belongs to East or West.

When Mr. Swaran Singh, the External Affairs Minister, visited very recently U.S.A. the U.S. Secretary of State, Mr. Rogers, it seems, assur-

ed Mr. Swaran Singh that C.I.A. activities were not in any way detrimental to the interests of India. Now it is for the Government to accept the statement or not to accept it.

It is not only the C.I.A. which is of U.S. origin but there are other agencies also which are working in this country and which cannot be denied. I would like to quote Mr. Yuri Krotkov who was a former agent of K. G. B., a Russian agency. He gave a statement before the U.S. Senate Sub-Committee on international security in which he confirmed that when he was assigned a job in Moscow, he tried to befriend an Indian foreign official but he found that he was too clever and he could not do espionage on him. It is how other foreign countries are interested in the third world because that is not do espionage on him. It is how the East or the West. Hence, the agents are working to control the third world into their orbit.

The activities of foreign intelligence, whether it is CIA or KGB, should be neither over-estimated nor under-estimated. It should be put in a correct perspective. It should not be made a political problem or a political issue because this really concerns the national security of the country.

In this connection, I would like to quote Mr. G. L. Mehta who was our former Ambassador to U.S.A., I quote:

"Since it has now been found that the CIA is responsible for murders in Delhi suburbs, food riots, demonstration by both leftist and rightist organisations, student unrest, drought in many States and floods in Orissa, it is only a question of time before we discover that Chou-En-Lai has been its secret agent and Mr. Brezhnev is being financed by American imperialists."

I would like to keep it before the House for whatever worth it is. It is for the House to judge.

I have heard my hon. friend, Mr. Stephen and my other esteemed colleagues. I will not be lulled by this foolish distinction of having a friendly spy and an inimical spy. A spy is a spy, whoever he may be. In the international affairs, there are neither permanent friends nor permanent foes. There are only permanent interests. For Hindi-Chini bhai-bhai, we have had to pay through our nose heavily during 1962. I want the Government to learn from its past mistakes.

I also want to know from the Government whether they are aware of anti-national forces inside this country, whether they are individuals or organisations, who have extra-territorial loyalty. I want to know from the Government whether the Government is keeping a watch over them. I further want to know whether the Government is aware of these forces whose loyalty can be questioned and who are infiltrating into other organisations, thus occupying important and key positions, and sometimes vulnerable positions.

Lastly, I want to know from the Government whether they are contemplating to bring forward a special legislation on treason and espionage, thus putting an end to all these activities, whether it is CIA or any other agency in this country which interferes in the internal affairs of this country.

श्री शशि भूषण (दक्षिण दिल्ली) : सभापति महोदय, "सी आई ए उन क्षेत्रों में विद्यमान है जहाँ उपनिवेशवाद की जड़े खोखली हो चुकी हैं और जहाँ प्रजातान्त्रिक प्रणाली के आधार पर राजनैतिक ढाँचे को सुदृढ़ बनाने का प्रयास जारी है। प्रजातन्त्र की आड़ ले कर संस्था पैसे और हथियारों का प्रलोभन देकर जहाँ जहाँ संभव हो सके, सैनिक अड्डे कायम

करना चाहती है ताकि विश्व में युद्ध के बादल मंडराते रहें और छोटे छोटे राष्ट्रों को विवश कर दिया जाए कि वे सैनिक गुटबंदी का शिकार बने रहें।"

एक सबरस्य : यह कहाँ से पढ़ रहे हैं ?

श्री शशि भूषण : सभापति महोदय, मैं "सी आई ए परदे के पीछे" नाम की किताब से पढ़ रहा हूँ जो दलजीत सेन अदब ने दो साल पहले लिखी है यह दलजीत सेन अदब प्रेंसीडेंट, आल इंडिया स्टूडेंट्स कांग्रेस हैं।

"इंडोनेशिया में भूतपूर्व राष्ट्रपति डाक्टर सुकर्ण, ईरान के भूतपूर्व प्रधान मंत्री डाक्टर मुसद्दिक, घाना के भूतपूर्व राष्ट्रपति एनक्रूमा और कम्बोडिया के नारडोम सिहानुक के विरुद्ध षडयंत्रों के पीछे सी आई ए का हाथ था, इस बात से इनकार नहीं किया जा सकता। बन्दूकों और टैंकों के बलबूते पर अधिक देर तक साम्राज्यवादी शक्तियाँ नहीं टिक सकती भले ही सी आई ए कोई रूप धारण कर के सामने आए। उस की भिन्नता प्रतिक्रियावादियों से हो या साम्प्रदायिक तत्वों से उसकी गोद में एकाधिकार पलता है। या तस्करी करने वाला व्यापारी, ये सब आजादी के दुश्मन हैं।

भारत में सी आई ए एक ओर तो दक्षिण-पंथी फासिस्टों की सहायता करती है जिन्होंने गांधी जी की हत्या की, और दूसरी ओर उग्र वामपंथी फासिस्टों की सहायता करती है जो गांधी के चित्रों की एवं देश की संस्कृति की होली जलाते हैं। एक ओर तो एक बड़े बड़े औद्योगिक क्षेत्रों में साम्प्रदायिक दंगे कराए जाते हैं तो दूसरी ओर से इन्हीं औद्योगिक क्षेत्रों में तालाबन्दी और हड़ताल कराई जाती है। देश की आर्थिक व्यवस्था को क्षीण बनाने के लिए 300 करोड़ रुपये वार्षिक तस्करी सोने से भारतीय घरती पर आर्थिक हमला किया जाता है। इस प्रकार के 'सुनहरी हमलों' ने एशिया और अफ्रीका के कई छोटे छोटे राष्ट्रों की आजादी का गला घोटा है। अब एशिया और अफ्रीका की जनता सजग

[श्री शशि भूषण]

और जागरूक हो चुकी है इसलिए वह इस हमले का मुहताब जबाब दे सकती है।"

सभापति महोदय, इस किताब को दो साल पहले छापा गया लेकिन आज हिन्दुस्तान में सीआईए के पास तकरीबन 6 लाख व्यक्तियों के एड्रसेज हैं हर एक पार्टी के जिस में यह बता सकते हैं कि इन की धार्मिक विचारधारा क्या है, ये जिस ढंग से सोचते हैं, इन की राजनैतिक विचारधारा क्या है। यह इन्फार्मेशन मुक्तलिफ ढंग से तैयार की गई है।

किसी भी सरकार को अन्य देश में अपनी नीति के बारे में प्रतिक्रिया जानने का अधिकार है लेकिन उसे यह अधिकार नहीं कि किसी भी राष्ट्र के प्रति षडयंत्रकारी और विध्वंसक कार्यवाही करे। सीआईए राजनैतिक संस्था नहीं, षडयंत्रकारी और विघटन संबंधी कार्यवाहियों को बढ़ावा देने वाला एक व्यापारिक संस्थान है। पैसे का प्रलोभन दे कर नागरिकों की जमीर को खरीदना और छोटे या बड़े आंतरिक मामलों को लेकर दंगे-फसाद और विध्वंसक कार्यवाही कराना सीआईए का प्रमुख उद्देश्य है। वर्ल्ड असेम्बली आफ यूथ दिल्ली में कार्य करती रही और मैं मोरारजी भाई की एक बात में तारीफ करूंगा की वह इस संस्था के पैट्रन थे। एशिया फाउंडेशन ने इस संस्था को पैसा दिया। जब अमेरिका के रैम्पर्ट अखबार में सीआईए के बारे में छपा तो उस वक़्त उन्हें पता लगा कि सीआईए ने पैसा दिया है तो उन्होंने वह पैसा वापस दे दिया। मैं इस मामले में मोरारजी भाई की तारीफ करता हूँ और मिश्रा जी उन से कह दूँगे कि मैं जहाँ उनकी आलोचना करता हूँ वहाँ उनकी तारीफ भी करता हूँ जब वह अच्छा काम करते हैं।

सभापति महोदय, यह वर्ल्ड असेम्बली आफ यूथ संस्था आज भी दिल्ली में कार्य करती है। सरकार ने हिन्दुस्तान में 40—50 लाख की जमीन उस को दी और सहायता दी जिससे

विश्व युवक केन्द्र वहाँ काम कर रहा है। वहाँ यही ऐक्टिविटी होती है। जब एशिया फाउंडेशन बैन किया तो उसमें कौन कौन लोग सम्बन्धित थे उस को आज तक सरकार ने नहीं बताया। उस को बता देते तो सीआईए की गति बड़ी धीमी हो जाती। जहाँ तक सीआईए का सम्बन्ध है सब जानते हैं कि दो मिनिस्ट्रीज सब से ज्यादा इस की शिकार हैं—एग््रीकल्चर मिनिस्ट्री और एजुकेशन मिनिस्ट्री। मैं चाहता हूँ कि इनके ऐडवाइजर्स से आप पनाह लें क्यों कि हम ने बहुत नुकसान उनसे उठा लिया।

सब से बड़ी बात एक यह है कि इस देश के अन्दर सीआईए के साथ साथ एक चाइनीज एजेंसी भी काम करने लगी है और उस का नाम है सोशल वेलफेयर डिपार्टमेंट। सीआईए ऊपर आपरेट करती है और वह नीचे आपरेट करते हैं। उस से देश को बहुत खतरा बढ़ गया है उनकी हालत यह है कि जो डेगन एजेंसी है चाइना की वह एक तरफ तो श्रीमती भंडारनायक की खूब मदद करती है, उनका पैकिंग में खूब स्वागत करती है और दूसरी तरफ हेलिकाप्टर हमको भेजना पड़ता है। वे भुट्टो की भी खूब मदद करते हैं। तो नीचे नीचे जड़ें काटना और ऊपर से सिर पर हाथ फेरना, यही चाइनीज एजेंसी का रोल रहा है। लिन पियाओ के प्रति दुनिया में कहीं संवेदना जाहिर नहीं की गई लेकिन मैं करना चाहता हूँ। मैं कहना चाहता हूँ चीनो तथा सी० आई० ए० दो एजेंसीज के गठबन्धन के खिलाफ उसने अपना बलिदान दिया जो कि हमेशा याद रहेगा। वे नहीं चाहते थे कि यह नापाक गठबन्धन हो ताकि इस तरह की चीजें हों जिन से एशिया में खतरा बढ़े। यह दोनों एजेंसीज जो हैं वह खतरे का सबूत हैं। दस लाख चाइनीज का सी० आई० ए० के इशारे पर इंडोनेशिया में इशारे पर कत्लेआम किया गया लेकिन उसके बाद आज उन्हीं के साथ वे सी०

आई० ए० के जरिये मित्रता कर रहे हैं। पत्त नहीं किस दिशा में ये जा रहे हैं। मैं चाहूंगा कि भुट्टो साहब को भी समझाये कि उनके चक्कर में बे न पड़ें। यह हमारा भारतीय उपमहाद्वीप इन दोनों एजेंसीज के गठबन्धन से खतरे में पड़ा है यहां एक कोसेक आर्गनाइजेशन है जिसके जरिये से विद्यार्थियों में काम किया जाता है, विद्यार्थी आन्दोलन चलाये जाते हैं। दक्षिणपंथी संस्थाएँ जोकि प्रजातन्त्र में विश्वास नहीं करती उन के जरिये से उनको छुरे और भाले चलाना सिखाया जाता है वे संस्थाएँ आजकल कोशिश कर रही हैं कि विश्वविद्यालय बन्द किए जायें उनके बड़े बड़े समारोह और दूसरी चीजें होती हैं। जहां तक धार्मिक संस्थाओं को पैसा देने की बात है, दक्षिण पंथी पार्टी वाले, माधू महत्मा इस देश के विचारों को दिमागी तौर पर खराब कर रहे हैं, पुरानी जो परम्पराएँ मद्भावना है उनके आधार पर लोगों को एकसप्लायट कर रहे हैं, आर्थिक तौर पर लोगों को एकसप्लायट कर रहे हैं इस देश में पब्लिक सेक्टर किसी तरह से न चले उसके लिए मैवटाज कर रहे हैं, मैनेजर्स को खरीदने की कोशिश करते हैं, वक़्त यूनियन को खरीदने की कोशिश करते हैं यह सब विध्वंसात्मक कार्यवाहियां बड़ी तेजी से इस देश में इन दो आर्गनाइजेशन्स ने की हैं। इसके साथ साथ बर्मा में जो बंगला बोर्डर पर जो मुसलमान रहते हैं उनसे मिलकर सी० आई० ए० और चाइनीज एजेंसीज बंगला देश में तूफान मचा रही हैं। वह आराम की जिन्दगी बसर करना चाहते हैं और अपने पैरों पर खड़ा होना चाहते हैं लेकिन यह एजेंसीज उनको ऐसा नहीं करने दे रही हैं। हमारे देश के आस-पास जितने भी राष्ट्र हैं वह सभी इन एजेंसीज के शिकार हो रहे हैं।

सी० आई० ए० ने पहले पहल जब हमारे देश में पदार्पण किया तो जो हमारे

देश की इन्टेलिजेंस संस्था है उसने साथ मिलकर काम किया है और हमें यह पता नहीं था कि हमारे देश में घुस करके हमें नुकसान पहुंचावेंगे। हमने उनसे किसी कोई आक्रोश नहीं रखी लेकिन आज हमें वह बरतनी होगी। आज हमारे देश में सामाजिक संस्थानों में, विश्वविद्यालयों में, कृषि एडवाइजर्स में जो वह पहुंच गए हैं वहां से उनको निकालना बहुत जरूरी है। मैं समझता हूं सरकार इसके लिए बहुत सख्त कार्यवाही करेगी हमारी प्रधान मंत्री ने लोगों का ध्यान इस ओर आकर्षित किया है। हमारे कांग्रेस प्रेसीडेंट डा० शंकर दयल शर्मा ने इस देश में लोगों का ध्यान आकर्षित किया है मैं समझता हूँ कि जब हमारे देश के नेता, हमारी जनता और हमारे देश की इन्टेलिजेंस भी सभी मिल कर सतर्क हों तो मैं विश्वास के साथ कह सकता हूँ कि हमारे लिए कोई भी खतरे की बात नहीं है। जब हमने पहचान ली कि हमारे देश में दुश्मन कहां हैं, चोर कहां हैं तो फिर कोई डर नहीं है, हम उनको आसानी से समाप्त कर सकेंगे। मैं खास तौर पर सरकार को सतर्क करना चाहता हूँ कि विशेषकर जो विदेशी एडवाइजर्स इकट्ठा किए हैं जो विदेशी एजेंसीज हैं, जैसे फोर्ड फाउन्डेशन और दूसरी भी उन से कहें कि वह हिन्दुस्तान को छोड़ कर पैकिंग जायें या किसी भी देश में जायें और हमारे देश पर कृपा करें। इन शब्दों के साथ मैं भाषण समाप्त करता हूँ।

SHRI SHYAMNANDAN MISHRA (Begusarai): rose.

SHRI JAGANNATHRAO JOSHI (Shajapur): Why are you by passing me, I don't understand.

MR. CHAIRMAN: I will never by pass you. He is also leader of party; his name is there; your name is also there. Why do you say you are being bypassed? You are not bypassed. Mr. Joshi, I will give you time...

SHRI JAGANNATHRAO JOSHI: Already it is 5.20. When will you give me time?

MR. CHAIRMAN: I will give you time immediately. I find here that 4 minutes are marked for Mr. Mishra and 6 minutes are marked for you.

SHRI JAGANNATHRAO JOSHI: You will give only 6 minutes?

MR. CHAIRMAN: Mr. Mishra, you will have to be very brief in your observations.

SHRI SHYAMNANDAN MISHRA: I shall try to be as brief as possible, Sir.

Mr. Chairman, Sir, it seems to me that you could not think of a more unseasonal bird than my hon. friend Shri Indrajit Gupta. While the Government seems to be playing on the flute of love, he is beating the drums of hate. This is the sweet season of love for the Government and nothing can be more bedevilling the atmosphere than the hate call which Mr. Gupta has given just now.

But, Mr. Chairman, one could excuse Mr. Gupta; bachelor, as he is, he does not know to respond to love calls. And, many a tune, I have felt completely sick sitting on this bench as I find myself overwhelmed by two bachelors on my right. But, at the same time, I must say that I do not know whether Mr. Indrajit Gupta is so innocent a bachelor as I am trying to make him out to be.

I really do not know what badge Mr. Piloo Mody is going to wear now. Earlier in the peak days of hatred against the CIA activities and so on, he was wearing the badge of 'I am a CIA agent'. Now probably he will wear the badge, 'I am in love with you'. I really don't know whether this badge is again going to be objected to by the Chair because earlier the Chair

made him pull down that badge.

SHRI PILOO MODY: I am now going to be a Congress agent. They are the only enemies of this country.

SHRI SHYAMNANDAN MISHRA: Naturally the question now arises is this why has all this noise about CIA died down so suddenly and so abruptly. Why are those very lips which spoke so stridently about the menacing activities of the CIA and now lisping rhymes of love? This is a mystery, this is something intriguing. Naturally one would like to ask as to what has happened to bring about this transformation if the activities were really menacing? But, who is now going to speak about the activities being menacing, because only this morning, did you not find, Mr. Chairman, in the newspapers that those who shout about the CIA seem to be themselves the agents of the CIA. That is what has been found to be the case in regard to the publication in the kuwait paper which reported about some attempts having been made on the life of the Indian Prime Minister. Now he has been found out to be the CIA agent himself. I really don't know whether those who have spoken so much about the CIA activities are not exposing themselves to this danger.

I was wondering how this change had happened. Indeed, they were menacing activities, because there could be no greater testimony to it than that of the Prime Minister of India. If the Prime Minister says that the CIA activities are menacing to the country, then S. N. Mishra would take it as gospel truth. But again, would we not be entitled to ask: 'Madam Prime Minister, if the activities are so menacing as you say they are what exactly have you done or do you propose to do about them?' That is in fact a question which I am entitled to ask and to which I am entitled to get an answer. But we are not getting an answer to that question. That is the real difficulty.

One can, of course, dismiss for a time or for a while Shri Shankar Dayal Sharma in this context. But one cannot afford to dismiss what the Prime Minister of India says. I was trying to explore the reasons for the change. What could be the reasons for this? One reason for this, as has been pointed out is that first Shri Yeshwantrao Chavan, the Finance Minister of India went to the United States and he tried to fraternise with his American counterparts. Later, the Foreign Minister of India also, when he was in New York, met Mr. Rogers. I have got a different story about what happened between Mr. Rogers and Shri Swaran Singh. I am told that Mr. Rogers spoke in a very rough and I must say. . .

SHRI C. M. STEPHEN: Who told the hon. Member?

SHRI SHYAMNANDAN MISHRA: If that is so, then no Indian can put up with that kind of utterance of Mr. Rogers. He is reported to have said—at least that is my information, it is from the ruling party itself—like this, and Shri Swaran Singh went to Ahmedabad session to report that the Americans were very much angry about the utterances against the CIA. That was another thing.

Later, it was followed by the visits of emissaries from India to the United States and emissaries from the United States to India. Then came the 'love call' from the Foreign Minister which has been reciprocated by Mr. Rogers. He has said that they are now very sympathetically examining this 'love call' made by India. But the point that I want to emphasise is this—as has been tried to be portrayed in the foreign papers—it is not a 'love call' but it is a 'distress call' which is coming against a particular economic background in this country. That is how the foreign newspapers have been interpreting it.

The question that I, as an Indian and as a Member of Parliament, want to ask is this. If these activities are really so dangerous, and indeed they must be dangerous, then is the Parliament of India going to shut itself out completely from these developments? Is the Prime Minister of India going to say that since she and her Foreign Minister have now settled it with Mr. Rogers, the matter is over? If that be so, I must say that we have got a very poor conception of the Parliament of India. These offences, as they have been pointed out, are no less than offences against the State; they are in every way, offences against the State. If the Prime Minister of India is in possession of evidence of offences against the State and offences against the State mean offences against the security of the States, offences which have been in the direction of bringing about internal subversion, then the Parliament of India must be in possession of all these things, and the Parliament of India must go into this matter a little more deeply. We cannot consider the security of India or the matter of subversion, internal subversion, as the close preserve of the Government of India. Therefore, my submission is that the Parliament of India must demand a probe into this matter. There must be a parliamentary probe. Let nobody take a high and mighty attitude that this must be left to the Government of India. As Indians and as Members of Parliament, we have got every right to know. We must remember what happens in the US Congressional or Senate committees; they go much deeper into these matters. We can also act in the same way and we have also got a due sense of responsibility. This kind of commission did function in Australia and in Canada and other places. So, Government must concede the demand that there should be a parliamentary probe into this. I am confining myself only to the CIA activities. Since the question has been raised only

[Shri Shyamnandan Mishra] against the CIA activities, let us not cast the net much wider, though let us keep a vigilant eye on all other activities too. When attention is sought to be concentrated on CIA and when some evidence has been collected only with regard to CIA activities we should like to be in possession of facts.

MR. CHAIRMAN: I want to ascertain from the House whether it is in I request the Members to co-operate beyond 6 O'clock.

SOME HON. MEMBERS: Yes.

MR. CHAIRMAN: I would request Shri Mody and Shri Joshi to finish their speeches say, by 5.50 so that Mr. Pant may begin his speech; he wants about half an hour to reply. I request the Members to co-operate in this.

श्री जगन्नाथराव जोशी (शाजापुर): सभापति महोदय, अमरीकी गुप्तचर विभाग की बढ़ती हुई गतिविधियों के विषय में जो चर्चा चालू है उसका मैं स्वागत करता हूँ क्योंकि कम से कम उसके जरिये जिस की वजह से देश की सुरक्षा खतरे में आ सकती है उसकी ओर सरकार का ध्यान जाये। अभी जब श्री राज बहादुर जी के खिलाफ किसी ने आरोप लगाया तो वह गरम हो गये। उन का गरम होना मैं समझ सकता हूँ। किन्तु श्री इन्द्रजीत गुप्त ने यहां कोट किया कि 1967 में राज्य सभा में एक बात बतलाई गई कि उस समय यहां जो इंग्लैंड का हाई कमिश्नर था उस ने मेशन किया कि इतना पैसा स्वतन्त्र पार्टी को मिला, इतना पैसा जनसंघ को मिला, इतना पैसा कांग्रेस को मिला। उसमें उन्होंने दिया था कि कितना पैसा जनसंघ को मिला था, लेकिन किस को मिला यह नहीं दिया था। बाकी सब का नाम दिया गया था। क्या यह आप की जिम्मेदारी नहीं है कि आज हम 1972 में हैं...

श्री आर० एस० पांडे (राजनंदगांव): आप को पैसा दिलवाने की?

श्री जगन्नाथराव जोशी: मैं ऐसी बेशर्मी की अपेक्षा नहीं करता था। मैं देश की सुरक्षा की बात कर रहा हूँ, पांडे जी।

श्री सतपाल कपूर (पटियाला): मालूम है कि आप को गुस्सा क्यों है।

श्री राजबहादुर: जिस पत्र का हवाला दिया गया है, उस में आरोप मेरे ऊपर नहीं है। आरोप किसी और के ऊपर है। मुझे माध्यम बनाया गया है। आरोप श्री पाटिल पर है आप उन से पूछिये।

श्री जगन्नाथराव जोशी: मैं कभी भी गुस्सा नहीं हुआ। लेकिन मंत्री बार बार इस तरह से क्यों बोलते हैं? (व्यवधान)

SHRI PILOO MODY: After what the hon. Speaker said this morning, after the ruling given by the Speaker today in which you yourself took an active part, may I ask you how you permitted this?

MR. CHAIRMAN: Please do not interrupt. You are cutting into your own time.

श्री जगन्नाथराव जोशी: इसी नियम मैं उस वक्त चुप बैठा था। राज बहादुर जी की तरह उठ कर बोला नहीं।

SHRI PILOO MODY: I am not going to accept that as an answer. I brought a point to your notice that when a name was mentioned just now, after the ruling given by the Speaker today in which you yourself took a very active part, how have you permitted this to happen?

SHRI RAJ BAHADUR: The paper cutting which has been produced says so; I am only repeating that; I do not say that I am a party to it.

श्री जगन्नाथराव जोशी: हमने 1967 से ले कर मांग की कि विदेशी धन पर रोक लगाई जाये। विदेशी पैसा कहाँ से आता है, किस स्रोत से आता है, किन्हीं

मिलता है, इसकी जांच की जाये। जांच चालू है, यह बतला दिया गया। अभी कुछ दिन पहले जब हम ने पूछा कि जांच का नतीजा क्या हुआ तो वित्त मन्त्री कहते हैं :

"It cannot be disclosed in public interest." What does it mean?

1967 से लेकर आज तक हम पर आरोप लगाये। मांग हम ले कर आये, और 1972 में हम को बतलाये कि :

"It cannot be disclosed in public interest." What is public interest? To defame the Opposition parties?

हम ने सी०आई०ए० के लिए ध्यान आकर्षित किया था। राजस्थान के दो प्रोफेसरों की गति-विधियों के बारे में मैं ने ध्यान आकर्षित किया था मंत्रियों का। आखिर अगर इस देश में कोई गुप्तचर एजेंसी चलती है तो हमारा फर्ज हो जाता है कि उस के लिए हम कोई काउंटर इंटेलिजेंस रखें। जब मैं ने कहा कि काउंटर इंटेलिजेंस होनी चाहिए तब श्री पन्त ने मुझे दुरुस्त किया कि काउंटर इंटेलिजेंस नहीं, सुपर इंटेलिजेंस। I accepted modification. I want super intelligence.

जब ख्रुश्चेव और बुल्गानिन इंग्लैंड गये थे उस समय उनका फ़ागमैन छिपे छिपे घूमता था यह देखने के लिए कि उन की सारी रचना कैसी है। रूस को यह बात मालूम थी। चोर का रास्ता चोर ही जानता है।

रूस ने भी अपना फ़ागमैन छोड़ा, जिस ने उनको भगा दिया। तीन साल तक इंग्लैंड को पता नहीं था। तेरी भी चुप और मेरी भी चुप। गैरी कूपर यू 2 को ले कर उड़ा। रूस ने मार कर नीचे गिरा दिया तब पता चला कि एस्पवायनेज ऐक्टिविटीज होती है। बताया गया है कि प्रधान मंत्री के खिलाफ तीन बार एटेंम्प्ट हुआ है। मैं समझता हूँ कि प्रमुख व्यक्तियों की हत्या करना या करवाना गुप्तचर विभाग का काम होता है। लेकिन उनको पकड़ना और उनके खिलाफ सतर्क रहना यह सरकार

का काम है। ट्राट्स्की की हत्या मैक्सिको में हुई और उनके पुत्र की पेरिस में हुई।

श्री शशि भूषण : और गांधी जी की ?

श्री जगन्नाथराव जोशी : जिसने की उसको तो फांसी हो गई।

लेकिन दीन दयाल उपाध्याय की चलती गाड़ी में हत्या कर दी गई। किसी ने भी की हो या करवाई हो लेकिन यह निर्लज्ज सरकार उसका आज तक पता नहीं चला पाई है। इसको रूल करने का कोई राइट नहीं है। यह कोई दुर्घटना है ? किसी राजनीतिक नेता की हत्या होने के बाद कातिल का पता लगाना आपका काम है। प्रधान मंत्री के खिलाफ कुछ ऐसे षडयंत्र होते हैं, इसका पता लगाना आपका काम है। किन्तु हमें यह लगता है कि सी०आई०ए० की बोगी रेंज के विराधी दलों को कोमने का काम यह सरकार कर रही है, उनके खिलाफ कुछ वातावरण तैयार हो सके इसकी कोशिश में यह सरकार है। इससे घृणास्पद और कोई भी चीज नहीं हो सकती है।

मैं राज बहादुर जी को बतलाना चाहता हूँ कि मैं 1930 से राजनीति में हूँ। 1942 में मैंने बड़े दुख के साथ देखा कि देशगौरव सुभाष चन्द्र बोस को देशद्रोही कहने वाले आज यहां बैठे हुए हैं। सवाल सी०आई०ए० का अभी क्या आया ? राज बहादुर जी यह इसलिए आया कि यह तो कांग्रेस के अन्दर एक टस्सल चल रही है बिटवीन सी०आई०ए० एण्ड सी०सी०ए० या कम्युनिस्ट कांग्रेस एलाएंस जो है और सी०आई०ए० जो है, उनके बीच में। यहीं से टकराव शुरू हुआ है। सी०आई०ए० के खिलाफ हम कड़ी से कड़ी कार्रवाई करें तो इसका मतलब यह नहीं होता है कि हमारे अमरीका के साथ अच्छे सम्बन्ध न हों या उनको हम बिगाड़ें या के जी बी के खिलाफ हम कुछ

[श्री जगन्नाथराव ने कहा]

कार्रवाई करें तो इसका मतलब यह नहीं होता है कि रूस की दोस्ती को हम छोड़ दें या उसके साथ सम्बन्ध बिनाड़ लें। दुनिया में हमेशा कोई दोस्त या दुश्मन नहीं हुआ करते। देश का हित ही इसकी कसौटी होती है, यही सर्वोपरि होता है और होना चाहिए। किन्तु इस सब को छोड़ कर हम जो कार्य कर रहे हैं यह सिर्फ राजनीतिक चालबाजी है और उसी से प्रेरित हो कर कर रहे हैं। यह ठीक नहीं है। स्वस्थ राजनीतिक परम्पराओं की हम को स्थापना करनी चाहिए। हमारे और आपके मतभेद हो सकते हैं। हमें आप पुराण मतवादी या पुराणपन्थी कह सकते हैं। हम गाय की रक्षा की बात करते हैं तो आपने गाय भी ली और उसके साथ वछड़ा भी ले लिया। हमने कुछ नहीं कहा। आगे चल कर आप गोबर भी ले सकते हैं। हमें कोई आपत्ति नहीं है। सिद्धान्तों का सवाल है। हम प्रतिक्रियावादी आपकी दृष्टि में हो सकते हैं। लेकिन यह सवाल आज नहीं है। सभी जानते हैं कि दुनिया भर की एजेंसीस काम करती हैं, बहुत खतरनाक काम करती हैं। इसको हम भूलें नहीं। कुछ मित्रों ने कहा कि रूस की एजेंसी ऐसे बैसे काम नहीं करती है। मूडान में, इजिप्ट में साद्रात को उलटने की जो बात हुई वह किसी से छिपी नहीं है, लंका में जो हुआ वह भी सब जानते हैं। ये जो एजेंसियां हैं ये साम, दाम, दण्ड, भेद सब कुछ अपनाती हैं। विष कन्यायें भी होती थीं। भुलाने, बड़काने के जितने भी रास्ते बताए गए हैं उन सब को मैं दोहराना नहीं चाहता हूं।

बिल्ली ग्राहम की बात सदन में कही गई और डाक्यूमेंटरी में भी दिखाए गए हैं। जिसका नाम कोई जानता नहीं उनको सुनने के लिए एक लाख इकट्ठा होते हैं, यह क्या बात है? आपने नाशा राज्य बनाया उसका नाम आपने नशाप्रवेश न रखकर

नागालैण्ड रखा। ग्रह क्या? कहाँ-कहाँ क्या क्या गतिविधियां चलती हैं मिशनरज के द्वारा, प्रोफेसरस के द्वारा और किस किस रूप में यह होता है, इसको देखना और इसका पता लगाना तथा रोक लगाना सरकार का काम है। पार्लिमेंटरी कमेटी नहीं तो विरोधी दलों को सरकार को विश्वास में लेना चाहिए, यह उसको नहीं को समझना चाहिए कि विरोधी दल देश को खतरे में ले जाने वाले हैं। उलटा यदि अमरीका पाकिस्तान को हथियार देता है तो हम कहते हैं कि खराब बात है। रूस पाकिस्तान को मिंग देने की आप्र करता है तो हम उसका विरोध करते हैं, उसकी निन्दा करते हैं। कच्छ के मामले में आप जमीन देते हैं तो हम उसकी निन्दा करते हैं, आप पाकिस्तान के साथ समझौता करते हैं और उसको अपनी टैरिरी सरेंडर करने के लिए राजी हो जाते हैं तो हम उसका विरोध करते हैं। आप जो इस तरह के काम करते हैं मैं जानना चाहता हूं कि यह नैशनलिज्म है या हम जो इसका विरोध करते हैं वह नैशनलिज्म है। हमें आप नैशनलिज्म सिखाते हैं। 1945 और 1946 में मैंने कांग्रेस को बोट दिया था यह समझ कर कि यह देश की अखंडता बनाए रखेगी। लेकिन हम को धोखा हुआ। बार बार धोखा खाते आए हैं। ये हमारे मित्र जो अभी कांग्रेस से आये हैं। विरोधी दलों को निशाना बना कर उनको बदनाम करने की घृणास्पद नीति नहीं अपनाई जानी चाहिये। देश की सुरक्षा सर्वोपरि होनी चाहिये। इसी को कसौटी बनाया जाना चाहिये। जो जो होल्ब हैं उनको प्लग आफ करें। कोई भी दल हो जो इस तरह की कार्रवाइयां कर रहा हो तो उसका आपको पता लगाना चाहिये और उसके बारे में हम को भी पता चलना चाहिये। जब बीमारी कोई होती है तो डाक्टर से उसको छिपाया नहीं जाता है, उसके सामने उसको रखना पड़ता है। कोई भी करता हो, करणान्त इत करणान्त फिर कण्ठानिधि करे या बंसी खस करे।

एक की सहायता और दूसरे को हलकाल करना, वह राजनीति आपकी नहीं चलेगी और न ही चलनी चाहिये। कोई भी, हमारा तुम्हारा सहाय नहीं है, करपान इस कुर-पान। जो देशद्रोही है उसको आप कड़ी से कड़ी सजा दें। लेकिन ऊटपटांग बातें करना बन्द होना चाहिये।

श्री प्रिय रंजन दास मुंशी ने श्री अटल बिहारी वाजपेयी को सी आई ए एजेंट बताया था। हम ने कहा कि इस पर चर्चा होनी चाहिये। उस चर्चा को ब्लाक किया गया। हमारे ऊपर आरोप है लेकिन उसको आप मिट्ट भी नहीं करते। पूछने पर कहते हैं कि तुम सिद्ध कर दो। यह भी कोई तुक वाली बात है। 1967 से हम कहते आ रहे हैं। आज 1972 है। लेकिन सरकार कुछ नहीं करती है। बदनाम करने की हो कोशिश करती है। विरोधी दलों के प्रति यह अत्यन्त घृणास्पद, निन्दास्पद नीति अब देश में नहीं चलेगी। यह धर्म भूमि है। यहां सीता को जलाने की कोशिश की गई लेकिन उस से वह पवित्र निकली, हनुमान को जलाने की कोशिश की गई लेकिन लंका जल गई। आपको समझ लेना चाहिए, कि आप इस तरह से हमारा कुछ नहीं बिगाड़ सकेंगे।

गांधी जी की हत्या का बार बार उल्लेख किया जाता है। उस समय हम चुप रहे। लोगों ने हमारे सिर फोड़े। हमने कहा इनको जाने दो, इनके दिमाग बिगड़ गए हैं। लेकिन आज भी हम जिन्दा हैं, सब के सामने छाती खोल कर खड़े हैं, दिल्ली में खड़े हैं, सारे भारत में खड़े हैं, हम धोखा देना नहीं चाहते हैं। जनता हमारी भी सुनती है। हिन्दुस्तान की जनता समझदार जनता है, बड़ी ही समझदार जनता है। आपको उन्होंने बोट दिया, आप पावर में आए, हमने स्वागत किया। हमने देखा कि जनता ने कहा कि आपकी और पांच साल काम करने दो। हम जनता के पास फिर जाएंगे।

लेकिन हम को देश की स्वाधीनता, देश की सुरक्षा तथा देश हित को सर्वोपरि मान कर गप्तचर विभाग किसी का भी हो, उस पर पूरी तरह रोक लगानी चाहिये। के०जी० बी० इस में आता है, सी०आई०ए० भी आता है। पार्टी के नाते प्रधान मंत्री ने जो कुछ भी कहा है उसको वह श्री शंकर दयाल शर्मा से कहलवा सकती थीं। ऐसा वह करतीं तो चल सकता था। अगर उन से नहीं कहलवाना चाहती थीं तो उन के जो इधर उधर दोस्त बैठे हुए हैं, उन से उनको कहलवाना चाहिये था। विरोधी दलों का भी कुछ काम होता है। स्वयं प्रधान मंत्री को इनवाल्व नहीं होना चाहिये था। कोई भी सदा के मित्र और सदा के दुश्मन नहीं हुआ करते हैं। इंडोनेशिया में डा० सुकर्ण जब थे तब हमारे उससे अच्छे सम्बन्ध नहीं थे, सुहातों आ गए, अच्छे सम्बन्ध हो गए। उनको कहना नहीं चाहिये था कहलवाना चाहिये था। अब तो पच्चीस साल के बाद हमारी डिप्लोमेसी मैच्योर डिप्लोमेसी होनी चाहिये थी। हम जो भी बात कहें सोच समझ कर कहें। यह बहुत सीरियस मैटर है। सी०आई० ए० कोई मामूली चीज नहीं है। हम को बहुत सतर्क रहना चाहिये इसके बारे में। अगर हमारे पास जो आरोप हम लगाते हैं उसको सब्सटेंशिएट करने के लिए कुछ नहीं है, तो वी किम बेरी रिडिकलस बीफोर दी आईज आफ दी वर्ल्ड। अब अमरीका पाकिस्तान को टैंक देता है और हमें गेहूं तो ऐसा कर के जो वह यह चाहता है कि टैंक लेकर वे लड़ें और गेहूं खा कर हम मरें, इस बोहरी नीति को हमको समझ लेना चाहिये। बोलने की जरूरत नहीं। जो भी काम हम करें देश की सुरक्षा को सर्वोपरि रख कर करें। और उसी के अनुसार कार्रवाई करें।

SHRI PILOO MODY (Godhra):
Mr. Chairman, it has fallen to my sad lot to try and restore some sanity to the Parliament of India, and you have given me a few minutes in

[Shri Piloo Mody]

which to do it. Because, after I sit down, the Minister will get up and restore all the hysteria that has gone on for the last two or three hours.

SHRI AMRIT NAHATA (Barmer): There is a mad man in my village who thinks that the whole world except himself is mad.

SHRI PILOO MODY: Nobody knows how he ever got to Parliament.

Listening to the various speeches and some interjections, I could not make up my mind as to what posture I should take. Should I take the posture of my friend, Shri Indrajit Gupta, who was here doing dutifully his duty, making propaganda against a country and its agencies, for which that country has now been spending millions and billions of roubles today? Should I take the posture of my friend, Shri Jagannathrao Joshi, who rightly but unnecessarily got so angry, exhibited his spleen, and said things that need to be said, but they needed to be said in a kindergarten class and not in the Parliament of India? These are the things that my friends over here should have learnt when they were little kids in schools. They did not have to wait to grow to this adolescence—I do not know whether it is post-adolescence—to have my friend, Shri Jagannathrao Joshi, lecture to them on the values of nationhood. Should I bring in moral indignation as my friend, Shri Samar Guha, very rightly did? Is there an iota of hypocrisy or insincerity in what he said? Should I take the very reasoned attitude of my friend, Shri G. Viswanathan, who tried to prove the fallacy of the charges and the ridiculous lengths to which we have gone in order to display our immaturity after 25 years of Independence?

As to what has been said about the C.I.A. by the people sitting on my right and the people sitting on my left, they seem to know more about it than the American people do. Of

course, all the information that they claim they have is ferreted out from American sources, naturally, because it is the only open society to which they have access. They could not possibly get material either from the Kremlin or from Russia or from *Izvestia* or from the Russian Embassy here because they too are footlings in a hierarchy which is the structure of international communism. So, whatever little information they get can only be collected by them from U.S. sources.

Listening to the speeches, I found there was a certain persistence as if it was one mind but many tongues that were putting forward a case against the CIA. I am very glad because I have learnt a tremendous lot about the CIA today which I should have learnt if I was sufficiently interested also in high school and at an earlier age. But I am very glad I had it told to me today in its most horrid form to say what an exaggerated monster the CIA is which is here to subvert this country.

But if you take your intelligence a little further and listen to what the words were, you will find that you now know what the CIA did in Cambodia; you will now know what the CIA did in Vietnam; you will now know what the CIA did in Brazil, in Venezuela, in Ghana, in Mozambique and in Europe, or somewhere or the other. But you do not know what they did in India. We all know what they did all over the world but we do not know what they did in India.

What a tragedy for all of us that all the information about what they did in India is concentrated into three heads, the head of the Minister who is going to reply but will not reveal, the head of the organisation which calls itself the Indian National Congress—I do not know why that central word "National" is any more applicable—and, ultimately, the pretty head of the Prime Minister who has also entered this race. But apart from that, nobody knows. We have

fried on occasions to find out from Government what the CIA is doing in this country—I can quote chapter and verse but I do not have the time. It was on June 15, 1967,, that Mr. Masanj made a very eloquent plea about finding out about its activities and said that it was even more necessary that it be published.

There is no Jack Anderson in this country, there are no people to write books on RAW and CBI in India. We have nobody who can openly discuss matters of State. To that extent, we are a poorer society. At least in the United States, people can discuss all these things, and if Mr. Stephen could not leave his hotel in New York after 8.00 in the evening, it was for the protection of the population of New York! In an open society like that, you can debate these issues and it is precisely from the struggle between the executive, between the legislature, between the judiciary, and the free press that an open society is made. But here we want to put everything under one umbrella or petticoat, whatever you may like to call it. This is really the tragedy of Indian democracy.

But that apart, it is we who have asked for this information. We wanted an intelligent debate on the facts as they are known, not on the monsters that are raised, not on the euphorian shadows that are created, but on facts as they are known. I would like to know what happened, because we demanded an inquiry which was promised to us. We did not demand the inquiry so that Mr. Chavan and the Government of India could become wiser; we demanded the inquiry so that we could become wiser. Whatever rumour one hears and from whatever the inquiry has revealed or leaked out. I can only say that, when they started their inquiry they found—and this is what I have heard, correct me, if I am wrong—that they only came across evidence of Russian money and they found ultimately that 169 campaigns, spread over seven

political parties, excluding the Swatantra Party, were financed by the Soviets. More recently information came to me—and this, I would like to say in secrecy to you alone, Sir,—that there are 175 Members of Parliament who are supposed to be on their pay-rolls. (*Interruption*) I say, check it out, I want to find out. Also do you not tell us if it is so? Why do you not tell us if there is anybody on the other pay-rolls?

SHRI B. V. NAIK (Kanara): Because it is not true.

SHRI PILOO MODY: Mr. Naik has denied it on behalf of his Government. The man does not know what he has undertaken to deny! He can certainly be forgiven for his over-enthusiasm but not for his trashiness.—(*Interruption*).

Several things were said about me and about that little badge that I was wearing. Why did I wear that badge? I think, I adequately explained it in the past. Now whether Mr. Stephen was in the past...

SHRI G. VISWANATHAN: He was at the UNO...

SHRI PILOO MODY: restrained from molesting the population of New York or not, said that this was buffoonery, he said all manner of things about it. I would just remind him—since he does come from Kerala, after all, he is only newly available here in Delhi, whatever else his past may have been—that it is only too easy to abuse. If I were to ask him why was he carrying this brief? And on whose behalf he was carrying this brief? If I were to ask him, is this some sort of dalali that he was doing? Or if I was to become more pungent and say**

SHRI SHASHI BHUSHAN: This is very bad, Sir. Mr. Mody is a decent Member of Parliament. He should not use such expressions.

SHRI PILOO MODY: **Now, having said that...

SHRI VAYALAR RAVI: That is not a joke. That he offered to me also.

**Expunged as ordered by the Chair.

SHRI PILOO MODY: Having said it, I will ask you to expunge it.

MR. CHAIRMAN: He should withdraw it.

SHRI PILOO MODY: I will not only withdraw it, but I will ask you to expunge it.

SHRI C. M. STEPHEN: I did not understand the meaning of the word used. How did it come in? I can perfectly understand a person like Mr. Mody, with his past association and all that, getting up and using that word. But to apply it to me, is absolutely objectionable and to say 'I have used it. But you can expunge it.' is something strange. I demand, Sir, that he must be made to withdraw that word. Expunging is your job. If it is not parliamentary and dignified, he must be made to withdraw it.

SHRI PILOO MODY: That is precisely the point I am making. When he is using words, as also all other people, like 'buffoonery', these are supposed to be acceptable terms.

SHRI C. M. STEPHEN: I repeat that it is absolutely 'buffoonery'. I am not withdrawing it.

MR. CHAIRMAN: Implicitly your argument is that all such words do not behave the Parliament. So, I would request you to kindly withdraw it.

SHRI PILOO MODY: I have done it even before you asked me. What are you telling me? I am just trying to make a point.

MR. CHAIRMAN: I also direct that the words spoken in the vernacular as also in English stand expunged.

SHRI SHYAMNANDAN MISHRA: Sir, is it your ruling that the term 'buffoonery' can easily be used against any person?

MR. CHAIRMAN: 'Buffoonery' is not the word that he used at this juncture.

SHRI K. S. CHAVDA (Patna): While he was speaking, Mr. Stephen used that word 'buffoonery'.

SHRI C. M. STEPHEN: I used that word, but nobody objected to it.

MR. CHAIRMAN: That was when someone-else was in the Chair. I am not concerned with it.

SHRI PILOO MODY: Nobody objected when he used that word. Why only he, even the Deputy Speaker, he also used it. I am just trying to draw a parallel about what constitutes parliamentary dignity and decorum and how words like that should not be bandied about by people to whom, the most charitable thing I may say is that their knowledge of English is not as strong as it should be.....

SHRI C. M. STEPHEN: You belong to that class.

SHRI PILOO MODY: Coming back to the subject what I want to stress is that secret agencies are operating all over the world and they have been operating in India too. And it has been established beyond doubt that the Government of India have, in fact on many occasions taken the help of these agencies when it suited them and when it has not suited them, they have used the names of these agencies to smear people in the Opposition. They have called me, my Party, my colleagues and my friends by sundry names, CIA names, KGB names and such others that have been bandied about in this House as if it is nobody's business. When these things are allowed under the tutelage and the patronage of the Chair, then, you allow it, and outside, the President of the Congress Party makes wild charges of this nature and the Prime Minister of this country goes and blesses those charges! That blessing is referred to over here, with great sanctimonious humbug, as warning to the nation. Why do you have to warn us, warn yourself. Because if secret agents want information about India, whom can they get it from? What information do I have to sell? It is

Mr. Pant who has got all the information; it is Mr. Raj Bahadur who has got all the information. It is the Prime Minister and her respected and confiding colleagues who have all the information. It is the officers of the Government who have all the information. These are the people that these agencies must seduce. What is the point of talking about it?

It is perhaps for that reason that it is considered by the Government that such information should not be divulged "in the national interest"—the congress party having made national interest, synonymous to congress interest. Thank you.

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI K. C. PANT): I have listened to the speeches that were delivered in the course of this Debate with great attention. Shri Piloo Mody who just spoke has introduced an element of humour into his remarks. All the Speakers, who spoke—whatever may be their variation in accents, whatever may be their variation in emphasis whatever may be the allegations and counter-allegations—all of them had a common thread running through their speeches. And that common thread was the concern—if I may say so, the overwhelming concern—for the security and integrity of our country, this was the common thread, and I think this common thread is in the ultimate analysis something that binds us together in our anxiety to see that our national life and our national values are preserved and protected and are not allowed to be subverted, and ultimately it is the concern of Parliament in this larger aspect of our national life which is the surest guarantee for all of us and for the people of this country.

During the Debate certain things were said which were somewhat wild, if I may say so. Shri Jyotirmoy Bosu said that BSF had been sent for training to Vietnam. This is fantastic non-sense. I am surprised that a responsible Member of this House says a

thing like that without caring to verify it.

SHRI JYOTIRMOY BOSU: I got it verified.

SHRI K. C. PANT: Mere assertion and repetition makes a thing worse and no better. He puts some words into the Prime Minister's mouth regarding the Baptist Church. There are persons in this country who belong to the Baptist Church. And, I don't think that in a secular country anybody need say anything against any religion or any church.

SHRI JYOTIRMOY BOSU: On a point of order. In the meeting of the Consultative Committee attached to the Home Ministry, when we discussed the CIA activities, the Prime Minister said that there were complaints of the Baptist Mission being involved with the CIA. You can let the matter be sent to the Privileges Committee, and I shall prove it there.

MR. CHAIRMAN: There is no point of order.

SHRI K. C. PANT: As you have said Sir, there is no point of order. But just to bring it to the notice of the House that this Member is in the habit of making utterly irresponsible statements, I would like to quote from what the Prime Minister said at the consultative committee meeting. I have before me here the minutes, because I had anticipated this. This was what she said:

"She could not say whether Baptist and other Missions were circulating particular points of view which were characterised as of CIA."

SHRI VASANT SATHE: (Akola): So, she had said just the opposite.

SHRI JYOTIRMOY BOSU: Since my name has been dragged in, may I submit....

MR. CHAIRMAN: The hon. Minister is not yielding. So the hon. Member may kindly sit down.

SHRI JYOTIRMOY BOSU: Since my name has been dragged, I have got a right to be heard. . . .

MR. CHAIRMAN: He has had his say already. Now, let the hon. Minister have his say.

SHRI JYOTIRMOY BOSU: I am within my rights to point out that the Prime Minister talked about a professor in Simla and the Baptist Mission. . . .

MR. CHAIRMAN: Now, let him not disturb the proceedings. He is going outside the rules now.

SHRI JYOTIRMOY BOSU: What are the rules that you want to quote now? Since my name has been dragged. I have a right to be heard. . .

MR. CHAIRMAN: The hon. Minister is only replying to the point made by him.

SHRI VASANT SATHE: The hon. Member has been proved false by the record. How does he say that his name has been dragged in? The hon. Minister has just read out from the minutes. (*Interruptions*).

MR. CHAIRMAN: Order, order. May I request the hon. Members not to have altercations with each other?

SHRI JYOTIRMOY BOSU: Since my name has been dragged in. . . .**

SHRI PRABODH CHANDRA (Gurdaspur): **

SHRI JYOTIRMOY BOSU: **

MR. CHAIRMAN: Two blacks are not going to make white. So, let Shri Prabodh Chandra sit down. What he has said will not go on record, and what Shri Jyotirmoy Bosu has said will also not be recorded.

SHRI K. C. PANT: Then, we saw Shri Piloo Mody get up and say merily that 175 Members of Parliament were in the pay-roll of some foreign

**Not recorded.

firm. Is this the way to treat a serious debate of this kind in this House? Is it proper to cast this kind of aspersion on fellow-Members of this House? After all, unless we have a measure of respect for each other and a measure of respect for each other's integrity, how can this country function and how can the Parliament function? And I am amazed at how he has gone on merily to make this statement. . . .

SHRI JYOTIRMOY BOSU: Why did they allow Bill Graham to go to border areas?.

SHRI K. C. PANT: The hon. Member is utterly incorrigible.

MR. CHAIRMAN: Let not Shri Jyotirmoy Bosu disturb the proceedings in this manner. The hon. Minister has heard his point already, and he is now replying to it.

SHRI S. M. BANERJEE: Shri Piloo Mody has mentioned about 175 Members. That should be proved or else it should be withdrawn. I did not want to interrupt at the time he was speaking. Let him mention the names of those Members. . . .

MR. CHAIRMAN: Let the hon. Member sit down, He is interrupting.

SHRI S. M. BANERJEE: I am not interrupting. Since the hon. Member has mentioned about 175 Members, I want to raise a point of order. In fact, I wanted to raise a point of order even while he was speaking. How can he make such a statement? Let him mention the names of all those Members.

MR. CHAIRMAN: The hon. Minister is replying to that point. So, let the hon. Member kindly bear with him.

SHRI PILOO MODY: May I explain something? . . .

MR. CHAIRMAN: I hope the hon. Minister has heard his speech and understood what he has said. He need not interrupt any further.

SHRI PILOO MODY: I would like to amplify it a little.

SHRI K. C. PANT: As the House is aware, this subject had come before the House in the form of a starred question on the 15th November. We had assured the House that Government were aware of the reports and statements that foreign intelligence agencies were active in different parts of the country and that they were maintaining a continuous watch over such activities. We had also made it known that such activities were not conducive to the promotion of mutual good relations. At the same time, we had urged. . . .

SHRI JYOTIRMOY BOSU: What about the 1969 speech of Shri Yeshwantrao Chavan?

SHRI K. C. PANT: . . . that the disclosure of information which Government had in their possession on the details of what was done to counter the activities of foreign intelligence organisations including the CIA would not serve any public interest.

SHRI JYOTIRMOY BOSU: Why was the CBI report not published? We want the report of 1967-68 of the enquiry conducted by intelligence branch. Why is it withheld?

MR. CHAIRMAN: Let him go the way he wants. Must he deal with it only in the manner you want?

SHRI JYOTIRMOY BOSU: I appeal to you to get a reply. Why is the intelligence branch report not being published? Whom are they shielding?

SHRI K. C. PANT: It has been said by my hon. friend Shri Indrajit Gupta and other Members also. I think it is well-known that the existence of intelligence agencies is a fact of life in the international world. We would

be in a world of self-delusion if we do not think that intelligence work was done in various countries. Every country has its own intelligence network. In the nature of things one could not perhaps object, even if one might object one could not prevent the collection of some intelligence. But the point is not only of intelligence. The most objectionable point, if I may say so, is when an attempt is made to interfere in the internal affairs of a country irrespective of international or diplomatic practices. We cannot connive at subversion masquerading as intelligence. No country can tolerate interference by any agency in the internal affairs of the country. We have all our values, our way of life and our Constitution, and at no cost shall we permit any foreign organisation to erode them.

We are an open society; we are proud of it. We know that India cannot isolate itself from the rest of the world. We have friendly relations and cultural exchanges with a large number of countries of varying ideological moorings. While promoting genuine cultural interflow we should be on guard that no one takes undue advantage of the openness of our society and interfere under some guise in our internal affairs.

Speaking only of the recent past, the House will recall that when the country stood united in the face of the challenges arising out of the freedom struggle of Bangla Desh no one, particularly no foreign influence, could weaken the country's resolve. After the liberation of Bangla Desh and in the months that followed, we had reasons to believe that the foreign agencies had become more active. The Prime Minister struck a note of warning. Shri Piloo Mody may find it amusing but the country took it seriously and that is what counts. . . . (*Interruptions*). In various forums such as meetings of political parties, newspapers and journals published from different parts of the country, the subject came up for discussion and

(Shri K. C. Pant) the need for vigilance was fully endorsed. I have referred to this because such a reaction is salutary and bears testimony to the fact that we are watchful.

SHRI G. VISWANATHAN: Normally you do not read.

SHRI K. C. PANT: I know. I have to give certain facts that I have, which facilitates matters; I will not read if you do not want me to read.

SHRI SHYAMNANDAN MISHRA: In such matters you must read. But Mr. Chairman, our difficulty is that the proceedings of the House do not get fully reported in newspapers. You have to do some thing about this. Only the Government speech gets space. Pressmen are our honoured guests in the gallery. But they do not do justice to the country or the country's representatives. Ministers come with voluminous speeches and those completely overwhelm all the others. The most unintelligent thing said by the Minister gets publicity.

MR. CHAIRMAN: The Chairman is hardly the officer to whom a complaint like this should be lodged. The forum of platform for complaining is completely different. In fact, the complaint of the Government is that they do not get proper reporting.

SHRI SHYAMNANDAN MISHRA: The proceedings of the House should be fully reported. You are the custodian of our rights and you should do something about it. Otherwise, only one side appears.

SHRI S. M. BANERJEE: On a point of order. Sir, 'May I know whether under the rules any member or members of this House can make an appeal to the press or to influence the press to publish their names and their speeches?

SHRI SHYAMNANDAN MISHRA: The man who has made this allegation never suffers on account of lack of publicity. It is in the country's interest that I am making this point.

SHRI SAMAR GUHA: That day I spoke for 45 minutes. But in the press, after giving the minister's reply, it was reported in the end, "The motion was raised by Shri Samar Guha"!

MR. CHAIRMAN: Today you had only, 2 minutes but you spoke for 23 minutes. I only hope the press will treat you charitably.

SHRI K. C. PANT: I saw Mr. Jyotirmoy Bosu also demonstrating. I would like to pass on to Mr. Mishra a tip I get from Mr. Bosu. He was briefing the press on what happened in the consultative committee meeting. Such briefings will ensure that everything comes into the press!

SHRI SHYAMNANDAN MISHRA: On a point of order, Sir. The minister cannot import anything that has been happening in their Central Hall or any place outside. It is the Government which is doctoring the newspapers. They are trying to corrupt the press. Even so, the integrity of the Indian press is not in doubt, by and large.

MR. CHAIRMAN: You have said that the integrity of the Indian press is not in doubt, by and large. That should suffice. I hope the protest you have made will be taken note of by the press.

SHRI VAYALAR RAVI: He is making an allegation that the Government is doctoring and corrupting the press. It is baseless. The Government is not doing it.

SHRI PRABODH CHANDRA: On a point of order, Sir.

MR. CHAIRMAN: Under what rule? If you have a serious point of order under some rule, you are entitled to raise it.

SHRI PRABODH CHANDRA: I am not Mr. Piloo Mody. I am not humorous. I am serious. My point of order is, can an hon. member of this House make such a wild insinuation against

all the members? He has said, we are trying to corrupt the press. (*Interruptions*).

SHRI SHYAMNANDAN MISHRA: It is a charge against the Government.

SHRI JYOTIRMOY BOSU: My complaint is that the journalists and reporters are pressurized by the government.... (*interruptions*).

SHRI RAJ BAHADUR: It is an insinuation and an insult to the press.... (*interruptions*).

SHRI SAMAR GUHA: Sir, on a point of order. You have observed that the press will take note of something. The chair can only say that the government will take note of it. So, the observations of the chair are not in conformity with the rules.... (*interruptions*).

MR. CHAIRMAN: There is no point of order.

SHRI K. C. PANT: We are drifting far away from the main subject of discussion.

I am sorry that Shri Indrajit Gupta sees shadows where there are none. As I was saying, many friends have referred to foreign money, the role of foreign money and expressed concern about it. As they know, the Intelligence Bureau conducted an inquiry as all sections of the House had demanded that they should do so. On this basis, a probe was made by the Intelligence Bureau into the allegations that foreign money was being used in the country to influence our political, social and economic institutions. We had made known to the House the severe limitations under which an intelligence organisation has to function. It cannot make open enquiries or record evidence. It has to rely on the secret sources of information which cannot be made public. With these limitations, it was not possible to make such reports public. At the same time, the general issues

thrown up as a result of the enquiry were fully shared with the House. It was pointed out that while any precise quantitative assessment of the financial assistance received was not possible, the indications were that it was selective and was not so small as to be ignored. It was also mentioned that it had been possible for foreign intelligence agencies to finance the activities of certain institutions and organisations working in their academic and research fields. Such institutions and organisations themselves might not have known the ultimate source from which assistance was being extended to them, or even that the scholarships or travel grants or other forms of monetary assistance they had received to carry on their academic or research work had been obtained from any foreign intelligence agency.

The House is aware that we had the Asia Foundation wind up its activities in the country. The House is also aware that Government set up a Council of Social Sciences Research with a suitable grant to review the progress of social science research and to sponsor research programmes in this field. The setting up of the Council, while considered necessary and desirable in itself, would also have the effect of reducing the dependence of Indian research institutions and scholars on foreign financial assistance for their worthwhile projects in this field.

SHRI JYOTIRMOY BOSU: The Minister says that an enquiry was conducted by the intelligence branch. Where is the report?

SHRI K. C. PANT: We had also touched on the problem of indirect financial assistance by foreign agencies to individuals and organisations of various descriptions in India. This takes many forms such as large commissions on sales of literature imported from abroad, subventions paid out of trade earnings by bilateral understanding between commercial enter-

[SHRI K. C. PANT.]

prises and recipient organisations, high advertisement charges, etc. Apart from creating special cells in the Intelligence Bureau or in the Directorate of Enforcement for undertaking a closer scrutiny of remittances, conversion etc., efforts are also being made to impose rigorously the existing provisions of law to curb malpractices.

The House is also aware that the Finance Minister has already introduced the Foreign Exchange Regulation (Amendment) Bill, 1972 which is presently under the consideration of the Joint Select Committee.

Some reference was made to the questionable activities of some foreign scholars in India. As I have stated earlier, we are in open society. We fully welcome genuine scholars and academicians. A country as rich in its variety and diversity as India is, will naturally fascinate academic scholars. At the same time, we should be careful that nothing adverse to the interests of the garb of academic pursuits. It is with this aim in view that we are formulating guide-lines for research by foreign scholars in India. While we will be happy to assist genuine foreign scholars to undertake researches on topics which create better understanding about India among their countrymen, it would also be necessary to exclude from the purview of such studies, problems relating to sensitive themes and areas, defence and security matters, etc.

The question of a Bill on foreign money has come up before the House several times and we have told the House that we are undertaking the drafting of a legislation to impose suitable restrictions on the receipt of foreign contributions by individuals and institutions in the country with a view to ensuring that our parliamentary institutions, political organisations, academic and other voluntary organisations working in important areas of national life are able to func-

tion in a manner consistent with the public. This would naturally be a somewhat complicated legislation. We also have to exercise care to ensure that while a legislation fulfils its dominant objective, no undue harassment is caused to those pursuing their legitimate *bona fide* avocations. We hope to be able to introduce this legislation shortly.

I am glad that we have had a full discussion on the subject. There is no doubt that public debates such as these tend to strengthen the sense of determination and resolve of the people and the country. It is unfortunate that some persons in Parliament and elsewhere have chosen to make a travesty of this matter. A sense of humour is a good thing but then the security or integrity of the country is no laughing matter.

We are all aware of the difficult battle we are waging on the economic front. At heavy odds, we are resolved to remove poverty and attain self-reliance. We are only too conscious of the fact that the problems of the country cannot be wished away overnight. Patience and understanding are as essential as hard work and determination. It is in this context that one should take care that grievances however genuine are not utilised and exploited by some to defeat and destroy the larger constructive efforts of the nation.

Sir, I am sure, the basic purpose of the debate to ensure that no foreign agency is allowed to interfere in our internal matters or is allowed to subvert the values of the country will be achieved. This consider as a central theme of most of the speakers who have highlighted it at this juncture and that is a very useful thing which will have a very salutary effect on the whole country.

18.30 hrs.

[The Lok Sabha then adjourned till Eleven of the Clock on Wednesday, December 13, 1972|Agrahayana 22, 1894(Saka)].

LOK SABHA DEBATES

LOK SABHA

Wednesday, December 13, 1972/Agrahayana 22, 1894 (Saka)

The Lok Sabha met at Eleven of the Clock

[MR. SPEAKER in the Chair.]

ORAL ANSWERS TO QUESTIONS

लघु उद्योगों के लिए आयात कोटे में वृद्धि

* 421. डा० लक्ष्मीनारायण पांडेय : क्या औद्योगिक विकास मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या नई दिल्ली में हुई लघु उद्योग बोर्ड की 30 वी बैठक में उन्होंने इस आशय की घोषणा की थी कि लघु उद्योगों के विकास

के लिये आयात कोटों में 10 प्रतिशत की वृद्धि की जायेगी;

(ख) यदि हां तो इस संबंध में सरकार ने क्या कदम उठाये हैं ; और

(ग) उक्त बैठक में अन्य क्या सुझाव दिये गए और उस बारे में सरकार की क्या प्रतिक्रिया है ?

औद्योगिक विकास मंत्रालय में उपमंत्री (श्री सिद्धेश्वर प्रसाद) : (क) तथा (ख) जी, हां, लघु क्षेत्र के लिए विदेशी मुद्रा के नियतन में 10 प्रतिशत की वृद्धि करने की सम्भावना का जिक्र किया गया था और तदनुसार इस दिशा में कार्यवाही की जा रही है ।

(ग) एक विवरण सभा पटल पर रखा जाता है ।

विवरण

बोर्ड द्वारा आयात के बारे में दिए गए कुछ सुझाव

सरकार की प्रतिक्रिया

1

1 लघु उद्योग की गणना करना

गणना की पद्धति तैयार करने हेतु एक समिति बना दी गई है । गणना एक वर्ष में पूरी कर लेने का विचार है ।

लघु उद्योगों के लिए विधान बनाने हेतु भट्ट समिति की रिपोर्ट की जांच करना और आवश्यक कार्यवाही प्रारम्भ करना :

भट्ट समिति की रिपोर्ट राज्य सरकारों तथा गैर सरकारी निकायों की परिष्कृत कर दी गई है ताकि उनकी राय तथा टिप्पणियां प्राप्त हो सकें ।

3. पांचवी पंचवर्षीय योजना के दौरान लघु क्षेत्र में प्रतिरिक्त रोजगार पैदा करने के प्रस्तावित लक्ष्य को ऊंचा करना ।

लघु उद्योगों के कृतिक बल ने नियोजित का संशोधित लक्ष्य 15 लाख से 20 लाख व्यक्ति कर दिया है । कृतिक बल ने योजना आयोग को अपनी रिपोर्ट प्रस्तुत कर दी है ।

1

2

3

4. जाने वाले वर्षों में विशेष वस्तु की क्षमता, वर्तमान उत्पादन और मांग जैसी महत्वपूर्ण सूचना के प्रति उद्योगियों को जानकारी देने की दृष्टि से बाजार अध्ययन करवाना । यह निर्णय किया गया है कि लघु उद्योग विकास संघों में लोंग के चुने हुए क्षेत्रों में कतिपय बाजार गवेषणा अध्ययन करवाएँ ।
5. बड़े तथा लघु एककों के लिए लोहा तथा इस्पात की एकसी कीमतों के लिए फार्मूला बनाना । इस प्रश्न पर विचार करने हेतु उपनियंत्रक आयरन एंड स्टील की अध्यक्षता में इस्पात मंत्रालय ने एक समिति का गठन किया है ।
6. लघु एककों के लिए कर ढीरे-ढीरे की इस बात का सुनिश्चित करने की दृष्टि से जांच करना कि लाभ का विनिर्वाजन आगे विस्तार के लिए ही और उस क्षेत्र को दूर करने वाला ही जो प्रॉक्वेट लि० कंपनी की तुलना में लघु पैमाने की साझेदारी या स्वामित्व वाले उपक्रमों संबंधी है । इसकी जांच करने हेतु एक दल गठित किया गया है ।

डा० लक्ष्मी नारायण पांडेय : अध्यक्ष महोदय, जी विवरण दिया गया है उस में भट्ट समिति की रिपोर्ट की चर्चा की गई है । यह भट्ट समिति आज से कई वर्ष पहले बनी थी। लेकिन आपके प्रश्नों-प्रश्नों भट्ट समिति की स्थापना को संघीय सरकारों की उनकी जानकारी के लिये तथा उन से राय मांगने के लिए भेजा है । हर रा-मैट्रीयल के अभाव में लघु उद्योग बिलकुल बन्द हो गये हैं । मैं जानना चाहता हूँ कि क्या आपने कोई ऐसी प्रक्रिया निश्ची है, ऐसे कोई कदम उठाने जा रहे हैं जिन से लघु उद्योगों को रा-मैट्रीयल समय पर मिले, ताकि उन्हें जो खोन सके करना है, वह समय पर हो सके । यह भट्ट समिति 10-12 साल पहले बनी थी—मैं जानना चाहता हूँ कि इस सम्बन्ध में आप क्या सहायता करने जा रहे हैं ।

श्री सिद्धेश्वर प्रसाद : माननीय सदस्य जी यह सुनने में सही नहीं है कि भट्ट समिति 10-12 वर्ष पहले बनी थी । पिछले साल स्माल इण्डस्ट्रीज बोर्ड की जो बैठक हुई थी, उस समय यह समिति बनी थी और उस ने जितने कम से कम समय में अपना प्रतिवेदन दिया, उतने कम समय में शायद ही किसी समिति ने किया हो । उस के बाद लघु समिति की सिफारिशों को राज्य सरकारों को राय के लिये भेजा गया और उम्मीद है इस साल के समाप्त होने के पहले पहले राज्य सरकारों को राय मिल जायगी । हम लोगों ने इस बात का प्रयास किया है कि लघु उद्योग को अधिक से अधिक कच्चा माल मिल सके और इस दृष्टि से इस मामले में काफी वृद्धि हुई है ।

डा० कल्याणदास शर्मा : माननीय मंत्री महोदय ने मेरे प्रश्न का क्रिक-क्रिक उत्तर नहीं दिया है। मैंने कहा था कि लघु उद्योगों को सप्लायमेंट मिलना नहीं है, उन के कारखाने बन्द हो रहे हैं, जिस के कारण वे लोन लोन रि-पे नहीं कर पाते हैं। मैं जानना चाहता हूँ कि इस दिशा में आप कौन सा कदम उठा रहे हैं ?

दूसरा प्रश्न—जो समितियाँ आपने गठित की हैं, गवर्नमा प्रेस्यन दल आपने गठित किये हैं; क्या इनके लिये कोई निश्चित समय की सीमा होती है कि इतने समय में रिपोर्ट देंगे ? क्या आपने राज्य सरकारों से भी कहा है कि वे ज़ब्त तक अपनी राय दे दें ताकि आप एक निश्चित प्रक्रिया बना कर तीव्र गति से कदम उठा सकें ?

श्री सिद्धेश्वर प्रसाद : श्री कच्चे माल के सम्बन्ध में मैंने बताया है कि प्रतिवर्ष लघु उद्योगों के लिये जो कच्चा माल मिलता रहा है, उस में वृद्धि होती जा रही है और बराबर इस ताल की कोशिश की जा रही है कि लघु उद्योगों को अधिक से अधिक कच्चा माल मिल सके।

जहाँ तक माननीय सदस्य के दूसरे प्रश्न का सम्बन्ध है—जो समितियाँ पिछली बार लघु उद्योग बोर्ड की बैठक में बनाई गई थीं, उन समितियों की सिफारिशों और विचार का काम अगले वर्ष के अन्त तक पूरा हो जाये—ऐसा हम लोगों का प्रयास है।

श्री कल्याणदास शर्मा : मंत्री महोदय ने बताया है कि लघु उद्योगों के लिये कच्चा-माल सप्लाय किया जा रहा है—मैं मंत्री महोदय की जानकारी के लिये बताऊँ कि हमारे यहाँ जितने पावर-प्लान्ट्स बन्द हैं, उन के बीचों-बीच प्रत्येक दिन बिजली नहीं बिल रहा है, जिससे दुर्घटनाएँ घटती-घटती बंद हो रही हैं। इस संबंध में सरकार का क्या करने का विचार है ?

श्री सिद्धेश्वर प्रसाद : पावर प्लान्ट-लघु-उद्योग में नहीं आते हैं।

SHRI JYOTIRMOY BOSU: Will the hon. Minister kindly tell us the amounts of various categories of imported raw materials and of locally produced controlled items of raw materials, what are the requirement figures and what are the supply figures?

MR. SPEAKER: It is too long. Well, if you have got the reply, you may.

SHRI JYOTIRMOY BOSU: I would like to know what percentage of requirements have been met.

SHRI SIDDHESHWAR PRASAD: As far as priority industries are concerned, the full requirements of the small scale industries have been met.

SHRI JYOTIRMOY BOSU: I did not ask about priority section. I said, small scale industries as a whole.

MR. SPEAKER: This question is not in respect of small-scale industries as a whole.

SHRI JYOTIRMOY BOSU: What is respect of small-scale industries as a whole. I have got the proceedings of this meeting in my house. If you want, I can produce them in the afternoon.

MR. SPEAKER: Mr. Mallanna.

SHRI JYOTIRMOY BOSU: What is the reply?

MR. SPEAKER: Mr. Mallanna.

SHRI K. MALLANNA: May I know from the hon. Minister whether there is any request from the Mysore State Government for the enhancement of the quota of raw materials and if so, what is the reaction of the Government thereto?

MR. SPEAKER: He has already replied to this question. Do you want him to repeat the reply?

SHRI K. MALLANNA: This is regarding Mysore State.

MR. SPEAKER: How does Mysore State come in here?

Mr. Painuli.

SHRI PARIPOORNANAND PAINULI: May I know from the hon. Minister what concrete steps are proposed to be taken to substitute imported capillary used in thermometer industry by indigenously produced raw material?

SHRI SIDDHESHWAR PRASAD: The question of import substitution is a wider question; certain incentives are being given there; and all efforts are made in that direction. But I am not able to give any specific information in this particular matter.

श्री प्रेमल बिहारी बाजपेयी : अध्यक्ष जी, क्या यह सच है कि छोटे उद्योगों का विकास इस लिये नहीं हो पाता है कि जो माल छोटे उद्योग तैयार करते हैं, वही माल बड़े उद्योग भी तैयार करते हैं और ऐसी स्थिति में छोटे उद्योग प्रतियोगिता में नहीं उठ सकते हैं। यदि यह सच है तो क्या सरकार उत्पादन का अलग अलग क्षेत्र निर्धारित करेगी और बड़े उद्योगों को साबुन, दूध पेस्ट और अन्य ऐसी चीजें बनाने से रोक देगी ?

श्री सिद्धेश्वर प्रसाद : सरकार की ऐसी नीति है कि कुछ उद्योगों को केवल लघु-उद्योगों के लिये सुरक्षित रखा गया है, लेकिन इस सुरक्षित क्षेत्र में पहले से जो बड़े उद्योग चले आ रहे हैं वे उद्योग अभी भी चालू हैं। फिर भी आमतौर पर इस सुरक्षित क्षेत्र के लिये बड़े उद्योगों को नये लाइसेंस नहीं दिये जा रहे हैं। और जहां तक सुरक्षित क्षेत्र में लघु उद्योगों का सवाल है, उन की विकसित करने के लिये सरकार हर प्रकार की सहायता दे रही है।

Common Man's version of Fifth Five Year Plan

*422. **SHRI B. V. NAIK:** Will the Minister of PLANNING be pleased to state:

(a) whether a common man's version of the Fifth Five Year Plan will be made available;

(b) if so, by what time; and

(c) if not, what are the impediments?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a) Yes, Sir.

(b) Immediately after the Fifth Five Year Plan is finalised.

(c) Does not arise.

SHRI B. V. NAIK: I would like to know, since the majority of the people in our country are unlettered, what would be the nature of the commonman's version of the Plan, that is, for those who cannot read and write. I would like to know from the Minister whether it would be possible to have some audio-visual means of having this Five Year Plan understood by eighty per cent of the population.

SHRI MOHAN DHARIA: It is a good suggestion for consideration.

SHRI B. V. NAIK: May I know when the drafting of the Fifth Five-year Plan will be over?

SHRI MOHAN DHARIA: There are various stages. The draft outline of the Fifth Five-year Plan will be ready by about the 30th June, 1973 and the final document of the Fifth Five-Year Plan will be ready by 31st March, 1974.

SHRI P. R. SHENOY: May I know from the Minister how many versions of the Fifth Five-Year Plan will be published in all?

SHRI MOHAN DHARIA: Only one version.

SHRI SAMAR GUHA: We have been hearing so much about people's participation and planning from the bottom. May I know what steps have been taken by them to make people feel that they have a role to play in planning and that they are actually participating in the actual formulation and execution and implementation of the Plan?

SHRI MOHAN DHARIA: I have stated on the floor of the House that the involvement of people in the process of the Five-year Plan will be a major consideration for us. All State Governments are also requested to take, at official and non-official levels, the people at the grass-root levels into confidence while formulating the Five-year Plan.

Publicity and Social Censure of those found guilty of economic crimes

*423. **SHRI RAJDEO SINGH:** Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) whether the Law Commission has suggested that publicity and social censure of those found guilty of economic crimes will to a large extent help Government curb this evil; and

(b) if so, whether the All India Radio propose to allot time in its programmes, like the Sport Service, to highlight, in detail, the activities of criminals charged of economic crimes, to cleanse the society of the unhealthy trends?

THE MINISTER OF STATE IN THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI I. K. GUJRAL): (a) and (b). Yes, Sir. Law Commission in its Forty-Seventh Report on the Trial and Punishment of Social and Economic Offences has suggested publicity and social censure of those found guilty of social and economic offences and in that respect made certain recommendations for the amendment of various Central Acts. The recommendations of the Law Commission are under examination in the administrative Ministries concerned.

SHRI RAJDEO SINGH: After independence, our respected leader Pandit Jawaharlal Nehru declared that black-marketeers will be hanged on the nearest lamp-post. We fought for freedom and for certain values in life. In this context, may I know whether the Government will, besides the Law Commission's

recommendations, also think it appropriate to make it known to all the countrymen about the details of the socio-economic criminals?

SHRI I. K. GUJRAL: About hanging of blackmarketeers, I am in agreement with him that they must be hanged, but unfortunately, the Ministry has not yet been given the powers to hang them. So far as we have powers, we take due notice of such criminals from time to time when the offences deserve the notice of the country.

SHRI RAJDEO SINGH: I am talking about the convictions for bribery and corruption, under investigation by the CBI etc. What is being done in respect of such cases so that people might know such thing.

SHRI I. K. GUJRAL: In certain respects the hon. Member is correct but this question does not directly concern my Ministry. I have read only the relevant para concerning publicity; I have not read the whole report. That would have taken more time for me on a subject which does not directly concern me....

SHRI RAJDEO SINGH: There are reports of the CBI regarding those who are convicted under certain charges of bribery etc.

MR. SPEAKER: Your question was about the Law Commission. According to the rules, when the document is accessible, no references are allowed. But anyway, this has come. What is it that you actually want to ask?

SHRI RAJDEO SINGH: My question is this. There are persons who are guilty of corruption and bribery. They are convicted by the courts. They should also be publicised by the All India Radio. That is my question.

SHRI I. K. GUJRAL: It is our practice to take due notice in our bulletin of major and signified violations of excise and customs regulations, Act, etc.,

and convictions under the bribery offences. All India Radio does not take due notice of such convictions.

SHRI K. S. CHAVDA: The hon. Member Shri Jyotirmoy Bosu stated in the House the other day that Rs. 8.54 crores were collected from the sugar mangates by the Ruling Congress.

MR. SPEAKER: This has nothing to do with the original question.

SHRI K. S. CHAVDA: The question arises whether the All India Radio will broadcast such things or not.

MR. SPEAKER: Do not try to take undue advantage; do not use the Question Hour for that. Even Question Hour is not spared. I am very sorry. The question of relevancy also is there.

SHRI N. K. P. SALVE: It is necessary to take very drastic measures against the hoarders. In Madhya Pradesh, they carried out extensive raids in Indore and other places against the hoarders. I would like to know this from the hon. Information Minister, because this is something in which the people are interested and one would expect that they would be publicised widely, when raids have been carried on on such a large scale.

SHRI I. K. GUJRAL: I do not have details about the Madhya Pradesh raids. But generally speaking, we do mention in our bulletin whenever such raids are organised.

SHRI P. G. MAVALANKAR: In his reply the hon. Minister stated that if he had the power he would have hanged the offenders. May I know whether any Government department has any power to hang anybody? Is it not the power of the courts?

MR. SPEAKER: He said, he has no power to hang anybody.

SHRI P. G. MAVALANKAR: He said unfortunately he had no power.

SHRI JAGANNATH RAO: May I know whether the Law Commission's recommendations are going to be implemented? If so, by which Ministry of the

Government of India, in regard to amendment of the Essential Commodities Act?

SHRI I. K. GUJRAL: I have said that recommendations of the Law Commission are under examination in different Ministries.

Criticism of Industrial Licensing Policy by Industrial Houses to Central Advisory Council of Industry

*424. **SHRI ARJUN SETHI:**
SHRI S. A. MURUGANANTHAM:

Will the Minister of **INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY** be pleased to state:

(a) whether at a recent meeting of the Central Advisory Council on Industry, some Big Industrial Houses criticised the present industrial policy of the Government; and

(b) if so, the reaction of Government thereto?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) At the meeting of the Central Advisory Council of Industries held on 18th November, 1972, a few members felt that certain aspects of the present industrial policy of the Government stood in the way of speedy industrial growth.

(b) Government will continue to implement such policies as will contribute to accelerated industrial growth consistent with social justice.

SHRI ARJUN SETHI: Since a few months it appears that big industrial houses are indulging in wild criticism of the present industrial policy of the Government so as to pressurise the Government for their own benefits. I would like to know the steps, if any, which Government have taken to frustrate such movement of the big business and industrial houses.

SHRI SIDDHESHWAR PRASAD: Government are not going to be pressurised by such expression of views. As has been

made clear, we stand for our Industrial Policy Resolution of 1956.

MR SPEAKER: No more questions on frustration?

SHRI JAGANNATH RAO: Apart from the criticism made by certain members or big industrialists in the advisory committee, may I know whether in trying to implement the MRTP Act, Government are going to stick to the restrictions imposed under the Act or allow the big houses to produce more for economic growth? What is the thinking in the Government?

SHRI SIDDHESHWAR PRASAD: There has been no change. As the MRTP Act stands today, all the larger industrial houses have to be governed by that Act.

Payment of Pension to families of soldiers who fought for British Government in 1857

*426. **SHRI JYOTIRMOY BOSU:** Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether families of the Indian soldiers who fought for the British Government at the time of sepoy revolt in 1857 are, even now, regularly receiving pension from the Government of India; and

(b) if so, the facts thereof?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI K. C. PANT): (a) and (b). A statement is laid on the Table of the House.

STATEMENT

By a Resolution dated the 21st July, 1858, the Governor General in Council had resolved that pensions would be granted to the families of the "native officers" who fought for the British during the Sepoy Revolt if the families had no means of subsistence. Such pensions were payable to a widow till her remarriage, to a daughter till her marriage and to a son till he attained the age of

18 years. Since relevant records are not readily available, it is not precisely known how many pensions were granted under this Resolution. It is unlikely that any such officer or any member of his family, who was entitled to such pension would be alive today.

2. The Pension Regulations for the Army in India, during the days of the British rule, did not provide for the payment of pension to the families of Armed Forces personnel below officer rank, on the death of a serviceman or ex-serviceman, unless such death was accepted as attributed to or aggravated by Military service. The scheme of family pension was introduced in respect of Armed Forces personnel below officer rank only in 1957, and was given effect to from 1-6-1953.

SHRI JYOTIRMOY BOSU: It is a very serious matter. I have gone through the statement very carefully. It is full of misstatement of facts. It says:

"By a Resolution dated the 21st July, 1858, the Governor-General in Council had resolved that pensions would be granted to the families of the 'native officers' who fought for the British during the Sepoy Revolt...."

Government are also calling it 'Sepoy Revolt'. Then the statement further says:

"....if the families had no means of subsistence. Such pensions were payable to a widow till her remarriage, to a daughter till her marriage and to a son till he attained the age of 18 years. Since relevant records are not readily available, it is not precisely known how ready there before the House. Why is he Resolution."

MR. SPEAKER: The statement is already there before the House. Why is he reading out from it?

SHRI JYOTIRMOY BOSU: I am coming to my question presently; the statement is wholly wrong and misleading. It is a privilege issue....

MR. SPEAKER: According to the hon. Member, something is always wrong.

SHRI JYOTIRMOY BOSU: The statement further says:

"It is unlikely that any such officer or any member of his family, who was entitled to such pension would be alive today."

I have got a piece of document an extract from book: Correction Slip, 547 dated 17th April, 1972, Political Pensions, 311; insert: 'Political Pensions', the following new minor heads', and foot-note below the above major head 'Pensions granted by the British India Government in lieu of jagirs, lands and territories and for services rendered in 1857 movement', and it also says 'Footnote 311 includes pensions granted to dependents of those who took part in 1857 movement against the British Government.'

MR. SPEAKER: What is the hon. Member's question?

SHRI JYOTIRMOY BOSU: I want a clarification between the two. It is an extract from a book. I can hand it over to anybody you choose and he can see what this means. If there is a contradiction, you can find out. I want a reply and clarification from the hon. Minister. I have no other supplementary questions.

SHRI K. C. PANT: The first point is that he has asked why we referred to the Sepoy Revolt in 1857. I myself felt reluctant to make that reference, but it was only because we were compelled to do this, because the questioner had referred to it as the Sepoy Revolt. The main question says 'Sepoy Revolt in 1857', and it is only in deference to his description that we have used that phrase.

श्री ज्योतिर्मोय बोसु : प्रायः इन वर्गों के कामों में रख कर सुधार कर सकते हैं ।

श्री कृष्ण चन्द्र पन्त : इन वर्गों के कामों में भी कुछ रखा है । नेटिव आफिसर्स को हम ने इन वर्गों के कामों में रखा है ।

What he is referring to is political pensions. What he has asked about is in regard to families of Indian soldiers who

of Indian soldiers who fought for the British Government. Now, he is referring to political pensions of another kind and political pensions to those who fought against the British Government.

SHRI JYOTIRMOY BOSU: I have said both.

SHRI K. C. PANT: There is no question of both. The hon. Member's question is very specific and the answer is also very specific.

SHRI JYOTIRMOY BOSU: My question is this. Why is it that they have not discontinued paying pensions to those who had fought for the British in the first uprising of 1857? As regards my first question, I have quoted from a circular or a correction slip of 1972. This is a very serious matter. He is misleading the House.

SHRI K. C. PANT: The rules which I have quoted are....

SHRI JYOTIRMOY BOSU: I have referred to the correction slip issued in 1972.

SHRI K. C. PANT: This is a question which is normally dealt with by the Defence Ministry, but I have collected information from them.

SHRI JYOTIRMOY BOSU: When should pension be given to them?

SHRI K. C. PANT: Now, he is asking for political pensions....

SHRI JYOTIRMOY BOSU: That comes under the head of political pensions.

SHRI K. C. PANT: I have said that such pensions were payable to a widow till her remarriage, to a daughter till her marriage and to a son till he attained the age of 18 years, and it is unlikely that anybody entitled to such pension would be alive today.

SHRI JYOTIRMOY BOSU: The hon. Minister is casting aspersions on me. I am not here to remain silent on that....

MR. SPEAKER: There are no aspersions on him, but the hon. Minister has tried to answer his question.

SHRI JYOTIRMOY BOSU: He should not take advantage of his official position and do this kind of thing.

श्री आर० जी० बोसु : मैं मंत्री महोदय से पूछना चाहता हूँ कि मूल प्रश्न के पार्ट ए में यह दिया हुआ है :

"who fought for the British Government at the time of Sepoy Revolt."

I includes also the political pensioners, because in the PAC, they had given evidence before us that they included political pensioners

तो ऐसे कितने पेन्शनर्स हैं जोकि इंडियन सोल्जर्स हैं जो कि उस समय ब्रिटिश गवर्नमेंट के फेवर में लड़ाई लड़े थे और कितनों को पैसा दिया जाता है ?

SHRI K. C. PANT: I have already explained about pensions to the families of the Indian soldiers, and a statement has been laid on the Table of the House. I have already explained that the Defence Ministry handles these pensions to the families of Indian soldiers. The Home Ministry handles political pensions. The two are quite different. If he wants to have information about political pensions, I can get the information for him but he has to address a different question.

SHRI JYOTIRMOY BOSU: I am quoting from the Demands for Grants relating to the Ministry of Home Affairs. At page 33, we have 'Territorial and political pensions', and they would find there a correction slip in regard to that. So, I do not know how he is saying like this.

MR. SPEAKER: The hon. Minister has made the point clear. What does the hon. Member want? He has said that it is dealt with by the Defence Ministry.

SHRI JYOTIRMOY BOSU: There is nothing under the Defence Ministry in regard to this. Where does the Defence Ministry come in here, Madam Prime

Minister? Let us see the depth of the knowledge. Where does the Defence Ministry come in here?

MR. SPEAKER: Let him not try always to snub others. All the time he is doing it. How long will they go on tolerating this kind of thing?

SHRI K. S. CHAVDA: If the answer is not correct, then what is to be done?

Shahdara Telephone Exchange

*428. **SHRI ARVIND NETAM:** Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether Shahdara (Delhi) Telephone Exchange position is tight for the last two years;

(b) whether Government have not taken any steps so far to ease the exchange position; and

(c) if so, what are the reasons therefor and what positive steps Government propose to take in this regard in the near future?

THE DEPUTY MINISTER IN THE MINISTRY OF COMMUNICATIONS (SHRI JAGANNATH PAHADIA) (a) Yes, Sir.

(b) and (c). Action has been initiated to provide additional exchange with 2000 lines capacity in Shahdara East. Building work has been completed and installation of 1000 lines is expected to be completed by the middle of 1974. The capacity will be increased to 2000 lines by 1976.

Project for increasing the capacity by another 2000 lines i.e., from 2000 to 4000 lines is under process. To provide more exchanges in Shahdara South and Shahdara North Areas, acquisition of land from D.D.A. is under progress.

श्री अरविन्द नेताम : अध्यक्ष महोदय, मैं एक साल में कितने लयों कावेदन-पत्र दिये गये हैं, कितनों पर विचार किया गया और कितने कनेक्शंस ऑफ टेलिफोनेसी थे को रेगुलर किया गया है ?

संजय शर्मा (श्री हेमचन्द्रजीतसिंह बल्लभ): यह एक बिल्कुल दूसरा सवाल है। सततवर्षीय सदस्य दूसरी बात पूछ रहे हैं जिस के लिए सवाल से सूझन दे। की जरूरत पड़ेगी।

MR. SPEAKER: The hon. Member has asked the hon. Minister to state the steps taken to ease the exchange position, and the hon. Minister has replied to it already. Will the hon. Member clearly ask his question? What does he want?

श्री सरचिट्त मेतल्ल : मैं साहूदरा टेलीफोन एक्सचेंज के बारे में पूछ रहा था कि साहूदरा क्षेत्र में तब कनेक्शंस के लिए कितने सब्सिडी पत्र दिये गये हैं और कितने कनेक्शंस जो टैम्पोरेरी थे उन को रेगुलर किया गया है।

श्री जगन्नाथ पहाड़िया : कितनी ऐप्लीकेशंस हमारे पास मौजूद हैं वह सूचना हमारे पास है ज्ञाती वह जो पूछ रहे हैं कि कितने कनेक्शंस टैम्पोरेरी थे उन को रेगुलर किया गया है वह इनफार्मेशन हमारे पास नहीं है।

MR. SPEAKER: I am sorry that this question does not arise out of the main question.

श्री सरचिट्त मेतल्ल : यह जो संधी जी के मूल उत्तर में साहूदरा दक्षिण और साहूदरा उत्तर में और अधिक एक्सचेंज देने की बात कही गई है और कहा गया है कि वह शीज सप्लर प्रोसेस है, तो मैं जानना चाहता हूँ कि विभाग की ओर से यह कार्यवाही कब तक पूरी हो सकेगी ?

श्री जगन्नाथ पहाड़िया : मैं ने कहा कि 1976 तक पूरी हो जायेगी।

संजय शर्मा : दोनों ही हो जायेंगी ?

श्री हेमचन्द्रजीतसिंह बल्लभ : एक ही रविया है।

of I.A.S. Officers as Directors in various Departments of Delhi Ad-

*430. **PROF. NARAIN CHAND PARASHAR:** Will the Minister of HOME AFFAIRS be pleased to state:

(a) the names of I.A.S. Officers, who are heading various Departments under the Delhi Administration at present as Directors as also the names of the Departments concerned;

(b) whether there are certain Departments in which IAS Officers have been made Directors now, whereas formerly these posts were held by persons belonging to the Departments itself; and

(c) if so, which are these Departments and the reasons for this deviation from the past?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI K. C. PANT): (a) A statement is laid on the Table of the House.

(b) No such change has been made in the last four years.

(c) The question does not arise.

Statement

The following I.A.S. Officers are heading at present various Departments under the Delhi Administration as Directors:

1. **Shri K. K. Mathur**—Director of Industries.

2. **Shri M. D. Tyagi**—Development Commissioner and Ex officio Director of Social Welfare

3. **Shri S. L. Bhargava**—Director of Vigilance.

4. **Shri Gopal Ram**—Director of Transport.

5. **Shri S. C. Bandyopadhyay**—Director of Employment, Training and Technical Education.

6. **Shri D. S. Mishra**—Director of Education.

PROF. NARAIN CHAND PARASHAR: May I know whether in the Department of Education there has been a change?

SHRI K. C. PANT: In the Department of Education the Director of Education used to be an officer who came from the UP Education Service on deputation. He stayed here for a number of years and he was absorbed in the Delhi Administration. He stayed till 1968. Thereafter an IAS officer became the Director of Education. He stayed till 1970. Another IAS officer of the Union Territories Cadre has taken over after that.

PROF. NARAIN CHAND PARASHAR: In view of the fact that the Department of Education is a very technical department and it requires a lot of experience in the educational field especially in view of the present teacher-student unrest, is it not desirable that the Department of Education should be headed by a man with field experience?

SHRI K. C. PANT: The Director of Education has responsibilities which involve both administration and to the extent possible specialised knowledge in education. Both are necessary. It would certainly be helpful if one could get a proper combination of both these qualities. In the rules of recruitment also, there is provision for other promotion of Deputy Directors or transfer or deputation or direct recruitment. On transfer and deputation, officers holding analogous posts in the education departments of Central and State Governments can also be drawn upon. In addition to this, the UPSC has to be consulted every time there is a vacancy and UPSC has to be satisfied about the manner of appointment of the officer. All this is done in order to see that if a suitable educational officer is available, he should get the post.

SHRI VIKRAM MAHAJAN: The Government has a peculiar fascination for IAS and they put IAS officers at the top everywhere, whether it is defence, science or education. Will Government put specialists on the job in such cases be-

cause they know the difficulties in the department which they are heading?

SHRI K. C. PANT: As I said, if a person is available with the right qualities, that would be best. But sometimes the best is not available and you have to make do with what is available. IAS officers discharge these responsibilities. The ones who have been there have been discharging their responsibilities well and I do not think it is fair to make any reflection on them. On the other hand if a good education officer is available with administrative qualities there is certainly no bias against him.

SHRI VASANT SATHE: In view of the reply given just now when is the Government going to think in terms of recruiting specialists for special jobs instead of generalists as we have in the IAS, however efficient they may be?

SHRI K. C. PANT: This is a much wider field, but if you will permit me, I may say that even in the public sector, from my experience in the Steel Ministry, the problem used to be whether the cadres in the public sector had sufficient experience to occupy certain posts. Even then the intention was and the effort was to promote people from within the organisation to the top posts. Only when it was felt that they were not available people were taken from outside.

Netaji Subhas Chandra Bose's Contribution to the Indian National Planning

*431. **SHRI SAMAR GUHA:** Will the Minister of PLANNING be pleased to state:

(a) the reasons for not mentioning the name of Netaji in any of the literature on planning published by the Government; and

(b) whether in the preamble of the report on next five year plan Netaji's contribution to the Indian National Planning will be duly mentioned?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA) (a) The publications

of the Planning Commission, like the Five-Year Plans, Annual Plan and Mid-Term Appraisal, are mainly concerned with economic matters, policies, plan targets, achievements etc. and there is no occasion to mention the names of any individuals.

(b) Does not arise.

SHRI SAMAR GUHA: In formulating the reply, the Minister did not go properly into the question I have tabled. I have asked for the reasons for not mentioning the name of Netaji in any of the literature on planning published by the Planning Commission. I know that it is not the practice to mention the names of individuals in the formulations of five Year Plans. I would draw your attention to the fact that the contemporary history did not do justice to the contribution of Netaji to the freedom movement or his idea of free India. Is it not a fact that Netaji, as President of the Indian National Congress and as the Father of Indian National Planning, outlines the concept of socialist planning of India and he also formed the first National Planning Committee of which our President Shri V. V. Giri, was one of the members and this committee prepared volumes of literature? If so, may I know whether those volumes of literature and the formulation of the concept of planning by Netaji has been incorporated anywhere in the history of Planning and, if so, why in the planning literatures, even in their preamble, it has not been mentioned anywhere?

THE MINISTER OF PLANNING (SHRI D. P. DHAR): We shall make a diligent study of the contribution of Netaji to the planning process in this country and after studying the details and making some research on the subject, we shall bring out a special tract on this question. I would be very grateful to the hon. Member if he would supply us such information as may be available with him, so that we can make this tract more authentic.

SHRI SAMAR GUHA: I am very glad to have the offer from the minister.

MR. SPEAKER: Your second question should not arise now.

SHRI SAMAR GUHA: I would draw your attention to the volumes of literature brought out by the first planning committee set up by Netaji under the chairmanship of Shri Jawaharlal Nehru and Shri H. V. Kamath as its Secretary.

MR. SPEAKER: He has accepted it.

SHRI SAMAR GUHA: I would like to know whether, during this silver jubilee year, when the Government is going to observe for the first time the birthday celebrations of Netaji, Government will assure us that some literature will be brought out and some features will be broadcast over the radio, bringing out Netaji's pioneering role in evolving the concept of Indian national planning and whether that aspect will be emphasised.

SHRI D. P. DHAR: I am aware of the reports of the Planning Committee which the Indian National Congress had appointed under the chairmanship of Pandit Nehru. Those reports have been published in several volumes in book form. But in deference to the wishes of the hon. member and because of our great respect for the memory of our great leader Netaji, we are prepared to make a renewed study of his contribution to the planning process, with the help and cooperation of the hon. member and bring out a special tract on this question.

SHRI R. V. SWAMINATHAN: The report of this committee was published long before. It was a six-member committee headed by Pandit Jawaharlal Nehru and consisting of Subhas Chandra Bose, some important leaders, industrialists and economists. May I know whether the salient features of that report have been adopted in our plans?

MR. SPEAKER: That was the question put earlier to which the Minister replied.

SHRI R. V. SWAMINATHAN: May I know whether the important and salient features of that report have been adopted in these four plans?

SHRI D. P. DHAR: The planning process in this country after independence was initiated under the leadership and guidance of Pandit Nehru. Naturally, whatever was considered valuable or of use to our present conditions was adapted from the earlier report, which had been published as a result of the deliberations of the sub-committee appointed by the Indian National Congress.

Employment for "Sons of the Soil"

†433. **SHRI PRABODH CHANDRA:**
SHRI SHRIKRISHNA
AGRAWAL:

Will the **PRIME MINISTER** be pleased to state:

(a) the States which have restricted the employment opportunities only to the "sons of the soil";

(b) the reaction of the Central Government; and

(c) what steps Central Government propose to take in the matter?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS AND IN THE DEPARTMENT OF PERSONNEL (SHRI RAM NIWAS MIRDHA): (a) to (c). A statement is laid on the Table of the House.

Statement

Article 16(1) of the Constitution prohibits discrimination in matters relating to employment or appointment to an office under the State. However, Article 16(3) enables Parliament to make any law prescribing, in regard to a class or classes of employment or appointment to an office under the Government of, or any local or other authority within a State or Union Territory, any requirement as to residence within that State or Union Territory prior to such employment or appointment. Under Article 35(a) (i) of the Constitution only Parliament has the power to make laws under Article 16(3). The Public Employment (Requirement as to Residence) Act, 1957 was enacted by the

Parliament repealing all laws in force in the States and Union Territories with regard to requirements to residence for purposes of any employment or appointment under the State or under any local or other authority, but Section 3 of the Act empowered the Central Government to make rules prescribing requirements as to residence within the Telengana area of Andhra Pradesh and the erstwhile Union Territories of Himachal Pradesh, Manipur, and Tripura for appointments in subordinate services or posts under the control of the State Government/Administration or to any service or post under a local authority in those areas. The Supreme Court has, however, decided that the provisions of the Public Employment (Requirement as to Residence) Act are *ultra vires* the Constitution in so far as they relate to the Telengana area. Thus, the aforesaid exceptions contained in Section 3 of the Public Employment (Requirement as to Residence) Act, 1957 now apply only to the areas of Himachal Pradesh, Manipur and Tripura and by virtue of the Amendment Act of 1969, these exceptions will continue to be in force upto 20th March, 1974. In view of the position explained above, there is no question of any State Government other than those of Himachal Pradesh, Manipur and Tripura restricting employment opportunities in posts/services under them only to local residents. However, normally vacancies in subordinate Non-gazetted posts in offices/establishments under a Government are filled through the Employment Exchanges and these vacancies are notified to the local Employment Exchange which sponsors suitable candidates out of those registered with it.

SHRI PRABODH CHANDRA: What steps have the government taken, or propose to take, to curb the tendencies of provincialism which go contrary to the integration process?

SHRI RAM NIWAS MIRDHA: The hon. Member has asked a wide and general question. I have given the constitutional position, so far as restriction on public employment are concerned. We do hope that constitutional position is

being enforced by all the State Governments.

SHRI PRABODH CHANDRA: From the government departments the malady has gone deep into the private enterprise also. The Government of Bihar have given a sort of ultimatum to the Tatas that most of the labour employed in their mills should be from Bihar and not from any other State. As a result of that, many Punjabis who were considered very useful are being eliminated from those establishments.

SHRI RAM NIWAS MIRDHA: Government is not aware of any order issued by either Bihar or any other government in this respect. If the hon. Member brings it to the notice of the government, we will take it up with the State Government concerned.

SHRI PRABODH CHANDRA: May I know whether there are tendencies towards provincialism in the government departments and big industries located in certain States?

SHRI RAM NIWAS MIRDHA: This is again repeating the first question.

SHRI PRABODH CHANDRA: Sir, may I seek your protection?

MR. SPEAKER: I gave it once.

SHRI PRABODH CHANDRA: I do not want to put another question. A reply has not come to my earlier question. Does he feel that all is well in all the States so far as employment of people coming from other States is concerned?

MR. SPEAKER: That is too wide a question which he can ask at some other time.

SHRI R. BALAKRISHNA PILLAI: May I know whether the Government of India have received any complaint to the effect that the employment exchanges controlled by the State Governments have even received instructions not to register the names

of candidates coming from other States for employment? Has such a complaint come to the Central Government?

SHRI RAM NIWAS MIRDHA: The employment exchanges are dealt with by the Ministry of Labour. I do not know whether any such complaint has been received by them that people who live in that area can get themselves registered in the employment exchanges.

SHRI R. S. PANDEY: The term "sons of the soil" should be applicable to every citizen of this country. Is it a fact that the slogan "sons of the soil" is being used by local organisation like the Shiv Sena to restrict employment to only those who belong to the local area?

MR. SPEAKER: Has the Minister followed the question?

SHRI R. S. PANDEY: I will repeat it.

MR. SPEAKER: Let him have more time to think over it. I will come back to him again.

SHRI INBRAJ GUPTA: Just now I understood the Minister to say in reply to Shri Prabodh Chandra's question that government is not aware of any specific directive or decision by the Government of Bihar to the effect which he had indicated. May I know from him whether they are unaware of the fact that two or three months ago Shri Kedar Nath Pandey, the Chief Minister of Bihar, made a public speech in West Bengal, in Asansol, which appeared in all the papers, in which he told the audience that in Bihar "we have seen to it, or we are going to see to it that 90 per cent of the jobs are reserved only for Biharis" and, as a consequence of that, the Chief Minister of West Bengal also had some discussions with Shri Pandey? I do not know what the outcome of that was. If the other State Governments are tempted to follow the example of Shri Kedar Pandey, I would like to know from him what would become of the integration of the country.

THE PRIME MINISTER, MINISTER OF ATOMIC ENERGY, MINISTER OF ELECTRONICS, MINISTER OF HOME AFFAIRS, MINISTER OF INFORMATION AND BROADCASTING AND MINISTER OF SPACE (SHRIMATI INDIRA GANDHI): This is a matter in which one has to have a certain balance. While we stand for the principle that any Indian should be able to work in any part of India, at the same time, it is true that if a large number of people come from outside to seek employment in an area while there is unemployment among the local people there; that is bound to create tension in that area. Therefore, while I do not like the idea of having any such rule, one has to have some balance and see that the local people are not deprived of employment.

SHRI INDRAJIT GUPTA: My State is the worst affected. But we do not go about saying—we have never said it—that 90 per cent of the jobs should go only to Bengalis.

PROF. MADHU DANDAVATE: Fortunately we have the unusual presence of the Prime Minister in the House. Therefore, I would like to ask a question. Is it true that in one of the meetings of the National Integration Council, held at Srinagar, presided over by the Prime Minister, Shrimati Indira Gandhi, the consensus was that as far as unskilled jobs are concerned not technical and other job where expertise is needed—the local population should get priority in the matter of jobs, and Shri Jayaprakash Narain welcomed this attitude that the Prime Minister took in the National Integration Council meeting?

SHRIMATI INDIRA GANDHI: I have already expressed my views on this. If the local people remain unemployed and people from other areas come for employment, that creates tension. Therefore, one should try to avoid it. But this does not mean that a person residing in some area should be discriminated against merely because his ancestors do not belong to that State. That would be unfair. If

somebody is living in that area, he should not be discriminated against. This applies to unskilled labour.

PROF. MADHU DANDAVATE: I do not want discrimination.

MR. SPEAKER: No arguments during question hour.

PROF. MADHU DANDAVATE: I want only clarification.

MR. SPEAKER: The Prime Minister has made the position very clear.

SHRI S. M. BANERJEE: I have been elected from Kanpur.

SHRIMATI INDIRA GANDHI: Mr. Banerjee is an example.

SHRI K. C. PANT: Unskilled job!

SHRI B. K. DASCHOWDHURY: It is highly appreciated that the hon. Prime Minister and the Government have come to the realisation that this tendency of "Sons of the Soil" has been creating problems. I would request the hon. Minister also to consider that the theory behind "Sons of the Soil" has been creating such disturbances as to make the persons indigenous and non-indigenous. Even the persons who are living in a particular part of the country are not being regarded as indigenous persons or regarded otherwise, as outsiders. In view of this, may I request the Government to re-appraise the whole situation taking into consideration that in the matter of employment, there should not be any tension in a particular locality and that the whole situation should be re-appraised so that it may not go against the spirit of the Constitution?

MR. SPEAKER: Should I take it as a suggestion for action? It is a suggestion for action.

श्री अटल बिहारी वाजपेयी : श्री प्रधान मंत्री जी ने कहा है कि इस मामले में हमें एक संतुलन बनाये रखना होगा। यह बात ठीक है, लेकिन वह संतुलन क्या होगा ?

क्या सरकार ने इस बारे में विचार किया है कि जब संतुलन बिगड़ जाता है, तभी गड़बड़ पैदा होती है ?

अध्यक्ष महोदय : संतुलन सभी का बिगड़ा हुआ है ।

श्री अटल बिहारी वाजपेयी : यह कहना काफी नहीं है कि बैलंस होना चाहिए । वह बैलंस क्या होगा ? क्या सरकार ने इस बारे में गहराई से विचार किया है ।

SHRI N. K. P. SALVE: About unskilled jobs, there is a Government directive in regard to public undertakings that "Sons of the Soil", as the term is commonly understood, should be given preference. In view of the fact that the Prime Minister has admitted that this creates tension, would the Government give clear directions in which the criteria might be given as to who would be considered "Sons of the Soil", someone living there for 10 or 15 or 20 years, so that at least one of the major causes of tension would be removed?

SHRI RAM NIWAS MIRDHA: As regards public undertakings, while the higher posts are to be filled on an all-India basis, the posts carrying basic salary of less than Rs. 500 are to be filled through local employment exchanges. So, there is no question of any definition of "Sons of the Soil". The people who are registered in the employment exchanges will be considered for the posts.

SHRI PILOO MODY: I think, a great deal of difficulty that has arisen on this problem arises out of the prevarication that takes place on a subject like this. Either we take the attitude that anybody has the right to work anywhere in this country and thereafter do not deviate from it at all or do not take that attitude. Instead we have been pandering on occasions when any trouble arises in a particular place and we make special provisions and find some special definitions, including what happened in the National Integration

Council at Srinagar. Therefore, I would like to ask the Government: Why does it not make up its mind once and for all that we cannot strike a balance, and maintain it? Everytime we talk in terms of balance, we are just postponing the problem for some time. Will the Government come out categorically that henceforward the Government will take no notice of this, or otherwise let them set down very specific criteria as to who is what and how jobs are to be given and not given?

SHRI RAM NIWAS MIRDHA: The Government has issued specific orders of the type I mentioned regarding public undertakings. Similarly, the Railway Public Service Commissions on a regional basis, select the candidates. The people who are registered in the local employment exchanges are given priority there.

MR. SPEAKER: So many supplementaries have been asked on it. Next Question.

दिल्ली में टेलीफोन उपभोक्ताओं की ओर बकाया राशि

*436. **श्री महावीर सिंह शास्त्री :**
श्री नवल किशोर शर्मा :

क्या संचार मंत्री यह बताने की कृपा करेंगे कि :

(क) मार्च, 1972 से अब तक दिल्ली में टेलीफोन उपभोक्ताओं की ओर से कुल कितनी राशि बकाया है; और

(ख) इस के क्या कारण हैं तथा इस सम्बन्ध में सरकार ने क्या कदम उठाए हैं ?

संचार मंत्री (श्री हेमलतीन्द्रन बहुगुणा) : (क) और (ख). एक विवरण पत्र सभा पटल पर रखा जाता है ।

विवरण

(क) दिल्ली के टेलीफोन उपभोक्ताओं के नाम मार्च, 1971 से अब तक जो रकम बाकया पड़ी है, उसका व्योरा इस प्रकार है :--

जिस तारीख को रकम बाकया है	रकम (लाख रुपयों में)
1-3-71 . . .	126
1-4-71 . . .	118
1-5-71 . . .	116
1-6-71 . . .	114
1-7-71 . . .	112
1-8-71 . . .	113
1-9-71 . . .	112
1-10-71 . . .	111
1-11-71 . . .	110
1-12-71 . . .	109
1-1-72 . . .	109
1-2-72 . . .	108
1-3-72 . . .	107
1-4-72 . . .	102
1-5-72 . . .	100
1-6-72 . . .	101
1-7-72 . . .	102
1-8-72 . . .	108
1-9-72 . . .	108
1-10-72 . . .	108

(ख) डाक-तार विभाग टेलीफोन उपभोक्ताओं को टेलीफोन सेवा क्रेडिट पर देता है। क्रेडिट इस तरह से होता है कि उपभोक्ता से स्थानीय और ट्रंक कालों का चार्ज पहले से नहीं लिया जाता बल्कि काल करने के बाद लिया जाता है और इन कालों की वस्तुतः कोई सीमा निर्धारित नहीं है। अतः ऐसे विभाग में जहाँ कालों के बिल बाद में बनाने की कार्य विधि अपनाई गई हो, कुछ रकम बाकया पड़ जाना अपरिहार्य है।

बाकया रकम की वसूली एक निरन्तर प्रक्रिया है। शुरु में बाकया रकम की वसूली के लिये इस तरह के कदम उठाये जाते हैं कि जब उपभोक्ताओं के नाम रकम बाकया हो जाती हैं तो उनके टेलीफोन काट दिये जाते हैं। उसके बाद उनसे व्यक्तिगत सम्पर्क स्थापित किया जाता है और उनके साथ लिखापढ़ी की जाती है। अन्त में, यदि जरूरी होता है तो उनके विरुद्ध कानूनी कार्यवाई की जाती है।

बाकया रकम की वसूली के लिये कार्रवाई पहले से ही की जा रही है। तारीख 1-3-1971 को बाकया रकम 1 करोड़ 26 लाख थी। तारीख 1-10-1972 को बाकया रकम 1 करोड़ 8 लाख रुपये रह गई। इस तरह मार्च, 1971 से सितम्बर, 1972 के दौरान बाकया राशि 18 लाख रुपये कम हो गई। बाकया रकम में यह कमी बिलों की राशियों में वृद्धि होने के बावजूद हुई है। वर्ष 1970-71 के दौरान 17 करोड़ 10 लाख रुपये के बिल भेजे गये जब कि वर्ष 1970-71 के दौरान 17 करोड़ 10 लाख रुपये केवल भेजे गये जब कि वर्ष 1971-72 के दौरान 21 करोड़ 48 लाख रुपये के बिल भेजे गये। इस प्रकार जहाँ बिलों की राशियों में करीब 25 प्रतिशत की वृद्धि हुई है, वहाँ बाकया रकम भी लगभग 14 प्रतिशत कम हो गई है।

श्री महावीर सिंह शास्त्री : प्रश्न के उत्तर में दिये गये स्टेटमेंट में मंत्री महोदय ने कहा है कि डाक-तार विभाग टेलीफोन उपभोक्ताओं को टेलीफोन सेवा क्रेडिट पर देता है और उपभोक्ता से स्थानीय और ट्रंक कालों का चार्ज पहले से नहीं लिया जाता, बल्कि बाद में लिया जाता है। मैं यह जानना चाहता हूँ कि जिस प्रकार विद्युत् विभाग अपने उपभोक्ताओं से एक पेशगी रकम जमा करा लेता है और जब बिल जमा नहीं कराया जाता है, तो उनकी जमा कराई गई

पेशगी रकम से काट लिया जाता है, क्या डाक-तार विभाग की भी ऐसी कोई योजना है कि छः महीने तक की औसत रकम उप-भोक्ताओं से जमा करा ली जाये और बिल की राशि उसमें से काट ली जाये।

श्री हेमवतीनन्दन बहुगुणा : जब आदमी बिजली विभाग से बिजली का लोड लेता है, तो मालूम होता है कि उसके पास बिजली का इतना लोड है कि सिक्युरिटी लोड से कनेक्ट कर ली जाती है। जहाँ तक टेलीफोन का सम्बन्ध है, पहले यह मालूम नहीं होता है कि कोई कितने हजार काल महीने में करेगा। इसलिये बिजली की तरह से इसमें सिक्युरिटी नहीं होती है। लेकिन सिक्युरिटी की मदद हमारे यहाँ भी है, जो हम जमा कराते हैं। जो बाद में डिडक्ट होती है। जहाँ तक एरियर का सम्बन्ध है, अगर पिछले दस साल का पूरा विवरण देखा जाये, तो मालूम होगा कि हम इस पर अच्छी तरह से काबु पा रहे हैं और वह रीढ़ कम होते जा रहे हैं।

श्री महावीरक. सिंह शाक्य : मंत्री महोदय ने विवरण में 108 लाख रुपये की बकाया रकम का ब्योरा दिया है, लेकिन उन्होंने नामों का उल्लेख नहीं किया है। मैं यह जानना चाहता हूँ कि जिन उपभोक्ताओं की तरफ बकाया है, उनके नाम क्या हैं।

श्री हेमवतीनन्दन बहुगुणा : उपभोक्ताओं की एक बड़ी लिस्ट है, जो देना मुश्किल है। इस में बकायादार वे लोग हैं, जिन पर तीन महीने और तीन महीने से ऊपर के भी बिल बाकी हैं। इसलिये यह रकम बड़ी या एलामिंग नहीं है, यदि माननीय सदस्य उस रकम को देखें, जो हम दिल्ली में इकट्ठी करते हैं।

श्री फूलचन्द बर्मा : मंत्री महोदय ने बताया है कि टेलीफोन बिलों की एक बहुत बड़ी धनराशि बकाया है। मैं यह जानना

चाहता हूँ कि क्या बिल को बसूल करने के नियमों में कोई संशोधन करके इस धनराशि को बसूल करने की कोश योजना डाक-तार विभाग के विचाराधीन है। क्या ऐसे कोई केन्द्रीय मंत्री या भूतपूर्व मंत्री भी हैं, जिन की तरफ यह रकम बकाया है ?

अध्यक्ष महोदय : इसमें केन्द्रीय मंत्री भी होते होंगे। वे भी इन्सान हैं।

श्री फूलचन्द बर्मा : भूतपूर्व केन्द्रीय मंत्री।

अध्यक्ष महोदय : आप सीधा बताइये— इस तरह से तो आप इशारों में बतें करते हैं।

श्री अटल बिहारी वाजपेयी : सीधी बताते हैं तो आपको, ऐतराज होता होगा।

अध्यक्ष महोदय : ऐतराज क्या है— इस तरह पूछने से क्या फायदा होता है।

श्री फूलचन्द बर्मा : अध्यक्ष महोदय जवाब नहीं आया।

अध्यक्ष महोदय : नहीं आया तो

Question hour is over.

WRITTEN ANSWERS TO QUESTIONS

Special Assistance for States for People Living below Poverty Line

*425. SHRI SHYAMNANDAN MISHRA: Will the Minister of PLANNING be pleased to the reply given to Unstarred Question No. 2304 on 29th November, 1972 regarding people living below poverty line in States and Union Territories and state whether any special assistance is envisaged for the States below the national average in this respect?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA) Yes, Sir.

**राजस्थान और अन्य स्थानों से
मूर्तियों की चोरी**

***427. श्री लालजी भाई :
श्री वरके मार्ज :**

**क्या गृह मन्त्री यह बताने की कृपा करेंगे
कि**

**(क) राजस्थान और भारत के अन्य
स्थानों से इस वर्ष के दौरान कितनी बार मूर्तियों
की चोरी हुई और किन-किन स्थानों से हुई;
और**

**(ख) भविष्य में इस प्रकार की चोरियों
को रोकने के लिए सरकार ने क्या कार्यवाही
की है ?**

**गृह मंत्रालय में राज्य मंत्री (श्री कृष्ण
चन्द्र पन्त) :** (क) केन्द्रीय अन्वेषण ब्यूरो
के पास उपलब्ध सूचना के अनुसार 13-12-72
तक, जैसा कि संलग्न विवरण में दिया गया है,
मूर्ति-चोरी के राजस्थान से 35 मामले और
भारत के अन्य स्थानों से 247 मामले सूचित
किये गये थे ।

**(ख) मूर्तियों की चोरियों को रोकने के
लिए विभिन्न अधिकारियों द्वारा किये गये
उपायों का एक विवरण सभा पटल पर रख
दिया गया है । [ग्रन्थालय में रखा गया देखिये

**Allocation Made for Anti-Poverty Pro-
grammes During Five Year Plans**

***429. SHRI SATYENDRA NARAYAN
SINHA:** Will the Minister of PLANNING
be pleased to state the allocations made
in the four Five Year Plans for anti-
poverty programmes?

**THE MINISTER OF STATE IN THE
MINISTRY OF PLANNING (SHRI
MOHAN DHARIA):** The Five Year Plans
aim at tackling the problem of poverty
through accelerating the economic growth,

providing increasing employment oppor-
tunities, providing supplementary sources
of income to the weaker sections of the
Society so as to raise their purchasing power
and per capita income, and provision of
assistance to the entrepreneurs for pro-
moting self-employment.

The First Five Year Plan had a two-
fold objective: namely to correct the dis-
equilibrium in the economy caused by war
and partition of the country and to initiate
a simultaneous process of an all-round
balanced development to ensure a rising
national income and a steady improvement
in living standards over a period. The first
Five Year Plan also laid foundations for
achieving a socialist pattern of society—
a social and economic order based on the
values of freedom and democracy without
caste, class and privilege in which there
would be substantial rising employment
and production and the largest measure
of social justice attainable. During the
First Five Year Plan, a number of pro-
jects under Community Development,
National Extension Service, Local Deve-
lopment Programmes, Village and Small
Industries, Housing, Labour and Labour
Welfare, Welfare of backward classes were
undertaken which, though they were not
strictly identifiable as anti-poverty pro-
grammes, nevertheless aimed at improving
the general well-being of the masses
through increasing their employment op-
portunities and providing supplementary in-
come.

During the Second Five Year Plan, in
addition to taking up all these pro-
grammes on an extended scale, certain new
programmes were initiated under land
reforms, including abolition of intermedi-
aries, tenancy reforms, ceiling on land-
holdings, minor irrigation, soil conservation
programme for agricultural workers, re-
organisation of rural credit and marketing,
animal husbandry, village and small indus-
tries, housing and other social services.

During the Third Five Year Plan, in
addition to the extension of the above
programmes, a scheme of rural works

programme on a mass scale capable of providing work in terms of 100 days work in a year during slack agricultural seasons was initiated. During the three Annual Plan periods 1966—69, the programmes already initiated in the earlier Plans were continued at the same pace.

It was only after the Fourth Five Year Plan was formulated that the need for a pointed effort was recognised to deal more directly and effectively with the more vulnerable sections of the population and areas affected by unemployment and under-employment. Accordingly, various special programmes were initiated to assist the small farmers, marginal farmers and agricultural labourers. Rural works programme in drought prone areas and programmes to develop dry farming were introduced. A crash scheme for rural employment was introduced in 1971-72 with a view to providing employment for 1,000 persons on an average continuously over a period of ten months in a year in every district. Various special employment programmes for educated unemployed, scientists and engineers and other categories of persons were also initiated during 1971-72 and 1972-73. Two statements I and II indicating the allocations made during the Five Year Plans for the different programmes are laid on the Table of the House. [Placed in Library. See No. LT-4010/72]. Statement II will show the very substantial step up in outlays during the last few years for providing basic minimum needs and assisting the weaker sections of society.

In the Annual Plan 1972-73, special emphasis was laid on organising programmes for rural development, home-steads and slum improvement, accelerated rural water supply, elementary education, etc.

One of the major measures taken towards ensuring that institutional finance flowed into the hands of the weaker sections of the society was the nationalisation of the fourteen leading commercial banks in the country. Consequently, the State

Bank of India and other nationalised banks have also organised special schemes for providing financial assistance to agriculturists, small entrepreneurs and for self-employment schemes. The details of the advances made by the Nationalised Banks to agriculture and other neglected sectors are indicated in Statement III laid on the Table of the House. [Placed in Library. See No. LT-4010/72.]

Demand for Separation of Various Districts of Assam

*432. SHRI BANAMALI PATNAIK: Will the Minister of HOME AFFAIRS be pleased to state

(a) whether the Tribal Leaders of Assam have demanded that the northern tracts of Goalpara, Kamrup, Darrang, Lakhimpur and Sibsagar districts should be taken out of Assam and formed into either a separate State or at least a Union Territory; and

(b) if so, the reaction of Union Government thereto?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI K. C. PANT): (a) and (b). From time to time the Plains Tribals Council of Assam has been making demands for a separate administrative unit in one form or another for these areas. In their latest memorandum, dated 21st November, 1972 the Council has demanded the creation of an "Autonomous Plains Tribal Region" comprising the northern tracts of Goalpara, Kamrup, Darrang and Lakhimpur districts. Government are not in favour of such demands. These demands seem to have emanated from feeling that the developmental needs of these areas were not receiving adequate attention. This has been brought to the notice of the Chief Minister from time to time and the State Government advised to take effective steps to remove the genuine grievances of the plains tribals.

वर्ष 1972-73 में राज्यों की
केन्द्रीय सहायता

*434. श्री गंगाचरण दीक्षित : क्या
योजना मन्त्री यह बताने की कृपा करेंगे कि :

(क) प्रत्येक राज्य की 1972-73 की
वार्षिक योजना के लिए कितनी राशि का
प्रावधान किया गया है और उसमें केन्द्रीय
सरकार का कितना अंश है; और

(ख) 1971-72 में राज्य योजनाओं
को दी गई केन्द्रीय सहायता की तुलना में
1972-73 की योजना में दी गई केन्द्रीय
सहायता में कितनी कटौती राज्य-वार की
गई है ?

योजना मंत्रालय में राज्य मंत्री (श्री
मोहन भारिया) : (क) तथा (ख). एक
विवरण सभा पटल पर प्रस्तुत है।

राज्य	1971-72		1972-73		1971-72 की तुलना में 1972-73 में केन्द्रीय सहायता में कमी (स्तंभ 3 से स्तंभ 5 तक)
	योजना व्यवस्था	केन्द्रीय सहायता	योजना व्यवस्था	केन्द्रीय सहायता	
1	2	3	4	5	6
1. आंध्र प्रदेश	87.00	48.00	105.00	46.56	—1.44
2. असम	42.21	36.56	40.25	32.96	—3.60
3. बिहार	82.55	67.60	100.00	65.57	—2.03
4. गुजरात	95.54	31.60	106.00	30.65	—0.95

Asian News Agency

***435. SHRI K. LAKKAPPA:**
SHRI P. M. MEHTA:

Will the Minister of **INFORMATION AND BROADCASTING** be pleased to state:

(a) whether India has advocated for the establishment of an Asian News Agency to build an infra-structure of communications for Radio, T.V. and Newspapers in the Colombo Plan Region;

(b) whether India has also stressed the need for free flow of information among Colombo Plan countries; and

(c) whether India has also suggested that member countries should fix mutually acceptable Press cable rates and establish direct cable and radio links among themselves instead of operating through centralised routes?

THE MINISTER OF STATE IN THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI I. K. GUJRAL): (a) to (c). Yes, Sir.

Approach to Fifth Plan

***437. SHRI M. S. SIVASWAMY:** Will the Minister of **PLANNING** be pleased to state:

(a) whether in October, 1972, any talks were held and decisions arrived at on the approach to the 5th plan envisaging an overall growth rate of 5.5 per cent, which is regarded as the minimum to pull the economy out of stagnation; and

(b) if so, the outlines of the decisions taken and the steps taken by Government to implement those decisions?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a) 'An Approach to the Fifth Five Year Plan' which envisages a growth rate of 5.5 per cent has been prepared by the Planning Commission. This document, which is at present under the consideration of Government,

will then be considered by the National Development Council. Final decision on the rate of growth during the Fifth Five Year Plan is thus yet to be taken.

(b) Does not arise.

Task force for implementation of Land Reforms

***438. SHRI R. S. PANDEY:** Will the Minister of **PLANNING** be pleased to state:

(a) whether the Planning Commission has set up a task force for effective implementation of land reforms in the country; and

(b) if so, the work so far done by the said task force?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a) A Task Force on Agrarian Relations has been set up under the Planning Commission to suggest measures for speedy and effective implementation of land reforms by the State Governments.

(b) The Report of the Task Force is expected to be submitted to the Planning Commission by February, 1973.

Engagement of Renowned Artistes by A.I.R. on Casual Basis

***439. SHRI S. M. BANERJEE:** Will the Minister of **INFORMATION AND BROADCASTING** be pleased to state:

(a) whether some of the renowned Artistes are still working on casual basis in the A.I.R.;

(b) if so, whether any scheme has been chalked out to implement the de-casualisation scheme in A.I.R., and

(c) if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI I. K. GUJRAL): (a) All India Radio engages from time to

time, artistes on casual basis, depending on its programme requirements.

(b) There is no such scheme under consideration.

(c) Recruitment of staff artistes on regular basis is made in accordance with recruitment rules framed in that behalf. Station Directors can, however, engage artistes on short-term casual contracts for periods not exceeding 14 days at a time to meet occasional needs of stations. Such casual artistes are considered along with other applicants for appointment as regular staff artistes if they apply for such appointment whenever posts of staff artistes are advertised.

Shortage of Raw Materials in Central Government Production Centres in Kerala

*440. SHRI VAYALAR RAVI: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether Government are aware that the Central Government Production Centres in Kerala are facing difficulties in their functioning due to scarcity of raw materials;

(b) if so, the reasons therefor and how far it has affected actual production; and

(c) the steps taken by Government in this regard?

THE MINISTER OF INDUSTRIAL DEVELOPMENT, AND SCIENCE AND TECHNOLOGY (SHRI C. SUBRAMANIAM): (a) to (c). No appreciable difficulty is being experienced by the Central Government Production Centres. In fact production has gone up in these Centres in the recent past. As against Rs. 9.39 lakhs made available during 1971-72 for the purchase of raw materials etc., a sum of Rs. 8.85 lakhs was made available during the first six months of the current financial year. More funds are being arranged for meeting the additional requirements.

Increase/Decrease in per capita income in States and Union Territories

4113. DR. H. P. SHARMA: Will the PRIME MINISTER be pleased to state the increase/decrease in per capita income in each State and Union territory between 1960-61 to 1970-71, and the corresponding all India figures on current prices and also on constant prices?

THE PRIME MINISTER, MINISTER OF ATOMIC ENERGY, MINISTER OF ELECTRONICS, MINISTER OF HOME AFFAIRS, MINISTER OF INFORMATION AND BROADCASTING AND MINISTER OF SPACE (SHRIMATI INDIRA GANDHI): The latest available estimates of *per capita* income at current and at constant prices for various States for the years 1960-61 and 1970-71 as prepared by the respective State Statistical Bureaux and the corresponding all-India estimates prepared by the Central Statistical Organisation are given in the statement laid on the Table of the House. [*Placed in Library. See No. LT-4011/72*]. Owing to differences in concepts, source materials used, methodology and base years, the per capita estimates of States are neither strictly comparable among themselves nor with the all-India estimates.

कार्यकारी इंजीनियर, डाक तथा तार सिविल डिबिजन से की गई शिकायत

4114. श्री हुकमचन्द कछवाय : क्या संचार मन्त्री यह बताने की कृपा करेंगे कि :

(क) क्या कार्यकारी इंजीनियर, डाक तथा तार सिविल डिबिजन संख्या (i) या (ii) को मैकेंजीस लिमिटेड, 30 चित्तरंजन ऐवेन्यू, कलकत्ता के किसी सम्भरणकर्ता से कोई ऐसी शिकायत मिली है कि उपरोक्त कम्पनी उनके बिलों का भुगतान नहीं कर रही है और उसमें यह भी कहा गया है कि कम्पनी को दी जाने वाली राशि में से उक्त बिलों की राशि काट कर उन्हें दे दी जाये; और

(ख) यदि हां, तो इस सम्बन्ध में सरकार ने क्या कार्यवाही की है ?

संचार मंत्री (श्री हेमवतीनन्दन बहुगुणा):

(क) जी नहीं। फिर भी कलकत्ता के सिटी सिविल कोर्ट के रजिस्ट्रार से यह नोटिस मिली है कि जब तक उक्त कोर्ट से आगे आदेश न आ जाए, तब तक कार्यकारी इंजीनियर, डाक-तार सिविल डिबिजन नं० 1, कलकत्ता मैसर्स मैकेंजीज लिमिटेड को देय 15,000 रुपये की रकम का भुगतान रोके रखें और उन्हें भुगतान न करें। यह श्री ब्रज कुमार भट्टवाल के मामले में है, जो 14, पाणे पट्टी स्ट्रीट, कलकत्ता में मैसर्स अंशोका विल्डर्स के नाम और स्टाइल के अधीन कारोबार चला रहे हैं।

जहां तक कार्यकारी इंजीनियर, डाक-तार सिविल डिबिजन नं० 11, कलकत्ता का सम्बन्ध है, पोर्ट ब्लेयर के मैसर्स बाल कृष्ण गुप्त ने यह शिकायत की है कि उन्होंने कलकत्ता के बड़ा बाजार में मुख्य डाकघर की जो इमारत मैसर्स मैकेंजीज लिमिटेड, कलकत्ता के लिए सैयार की थी, उस काम की 6956 रुपये 49 पैसे की उनकी रकम मैसर्स मैकेंजीज लिमिटेड के ऊपर बकाया है।

(ख) कोर्ट के आदेश आ जाने के बाद डाक-तार सिविल डिबिजन नं० 1, कलकत्ता ने मैसर्स मैकेंजीज लिमिटेड को दी जाने वाली रकम का भुगतान रोक दिया है।

जहां तक डाक-तार सिविल डिबिजन नं० 11, कलकत्ता का प्रश्न है, करारनामे की शर्तों के अधीन विभाग कोई कार्रवाई नहीं कर सकता।

केन्द्रीय (फालतू स्टाफ) सैल को निम्न श्रेणी लिपिकों, उच्च श्रेणी लिपिकों और आशु-लिपिकों के रिक्त पदों की सूचना

4115. श्री हुकमचन्द कछवाय : क्या प्रधान मंत्री सेंट्रल (सर्विलस स्टाफ) सैल में दर्ज भारत सरकार के कार्यालयों से फालतू घोषित किए गए कर्मचारियों के सम्बन्ध में 6 दिसम्बर, 1972 के अतारांकित प्रश्न

संख्या 3301 के उत्तर में यह बताने की कृपा करेंगे कि :

(क) 1 जनवरी, 1972 से 30 जून, 1972 तक की अवधि में केन्द्रीय (फालतू स्टाफ) सैल को विभागवार निम्न श्रेणी लिपिकों, उच्च श्रेणी लिपिकों और आशु-लिपिकों की श्रेणियों के कितने रिक्त पदों की सूचना दी गई;

(ख) उन कार्यालयों के नाम क्या हैं जिन्हें इस आशय का "कोई आपत्ति नहीं प्रमाणपत्र" इस अवधि में जारी किया गया कि केन्द्रीय (फालतू स्टाफ) सैल के पास उन कार्यालयों को भेजे जाने के लिए कोई फालतू कर्मचारी नहीं हैं और किस किस तारीख को जारी किया गया ?

गृह मंत्रालय और कार्मिक विभाग में राखे मंत्री (श्री राज निवास मिर्धा): (क) और (ख). अपेक्षित सूचना एकत्रित की जा रही है और इसे सदन के पटल पर रख दिया जाएगा।

Nomination of L.D.Cs./U.D.Cs. and Stenographers to the Office of Commissioner of Income Tax, Delhi

4116. SHRI HUKAM CHAND KACHWAI: Will the PRIME MINISTER be pleased to refer to the reply given to Unstarred Question No. 4159 on 30th August, 1972 regarding procedure being followed for redeployment of surplus staff in Central Staff Cell and state:

(a) when there were vacancies in the grades of Lower Division Clerk, Upper Division Clerk and Stenographer in the office of the Commissioner of Income Tax, Delhi, on 1st June, 1972, why the staff awaiting posting in the above three grades was not nominated to the above Department against un-reserved posts;

(b) is it not a departure from the procedure; and

(c) if so, the action Government propose to take now?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS AND IN THE DEPARTMENT OF PERSONNEL (SHRI RAM NIWAS MIRDHA): (a) The vacancies in the three grades of Lower Division Clerk, Upper Division Clerk and Stenographer reported by the Commissioner of Income-tax, Delhi, as available on 1st June, 1972, were earmarked for the reserved category. Of the surplus staff from the office of the Chief Settlement Commissioner in these three grades, who joined the Central (Surplus Staff) Cell on the 31st May, 1972 (A.N.), only three Lower Division Clerks belonged to the reserved category and they were duly nominated to the Office of the Commissioner of Income-tax, Delhi. The remaining surplus persons belonged to the general category and they could not be nominated against vacancies for the reserved category.

(b) There was no departure from the prescribed procedure.

(c) Does not arise.

Employees of the Office of Registrar General and Census Commissioner

417. SHRI AMBESH: Will the Minister of HOME AFFAIRS be pleased to state:

(a) the number of Assistant Compilers recruited and promoted in the Office of the Registrar General and Census Commissioner, India from 1961 to 1972;

(b) the number of Assistant Compilers confirmed against substantive posts of Assistant Compilers in the above office;

(c) the number of Assistant Compilers belonging to the Scheduled Castes and Scheduled Tribes recruited and confirmed out of the above separately during the period from 1961 to 1972; and

(d) the number of Assistant Compilers belonging to Scheduled Castes and Scheduled Tribes promoted on the basis of seniority and confirmed in the above office since 1961?

THE DEPUTY MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI F. H. MOHSIN): (a) Recruited—318

Promoted—96

(b) 90 against 130 substantive posts.

(c) Recruited:

Scheduled Caste candidate—17

Scheduled Tribe candidate—Nil

Confirmed:

Scheduled Caste and

Scheduled Tribe candidates—Nil

(d) Number of Scheduled Castes and Scheduled Tribes Assistant Compilers promoted on the basis of seniority is nil as there was none in the zone of promotion.

Entitlement of P&T Officers to more than one Telephone Instrument

4119. SHRI K. SURYANARAYANA: Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether any orders have been issued by his Ministry about the level of Officers of the P&T Department who are entitled to (i) more than one telephone connection in Office and at resident; (ii) more than one instrument with a parallel connection at residence; (iii) unlimited chord for residential telephones; (iv) one coloured instrument in Office and one at Residence; (v) more than 2 coloured instruments when 2 connections or instruments are provided at residence;

(b) whether he has ever ordered any check to see that the entitlement of the Officers in the Delhi Telephone District and in the D.G P&T in this behalf conforms to the orders issued by his Ministry or D.G. P&T;

(c) if so, the outcome thereof; and

(d) if not, the reasons therefor?

THE MINISTER OF COMMUNICATIONS (SHRI H. N. BAHUGUNA):

(a) No. Telephone facilities to P&T Officers in office and at the residence are

placed at the discretion of the Director-General, P&T and Heads of Circle/Telephone Districts in accordance with the requirement of the Service.

(b) to (d). Do not arise.

Selection of Experts for Sending to U.S.S.R. under the Indo-Soviet Agreement in the Field of Science and Technology

4121. SHRI M. S. SIVASWAMY: Will the Minister of SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether any experts, have been sent to U.S.S.R. or are likely to be sent there as part of the scientific exchanges programme for 1972 and 1973-74 under the Indo-Soviet Agreement for cooperation in the field of science and technology; and

(b) if so, the mode of selection of the experts for the purpose?

THE MINISTER OF INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY (SHRI C. SUBRAMANIAM): (a) No exchange has taken place under the scientific exchange programme so far. But the Government of India have proposed to the Soviet Government sending certain teams of Indian experts in pursuance of the programme which was agreed upon during the discussion which took place with the Indian delegation in Moscow last October. The Soviet reply has not yet been received.

(b) Care will naturally be taken that the personnel of these teams represent the best expertise available in the country in the concerned field.

Development of Thumba Space Centre. ... during 1973-74.

4122. SHRI VAYALAR RAVI: Will the Minister of SPACE be pleased to state:

(a) the main features of the development works the Government propose to

take up at Thumba Space Centre during 1973-74; and

(b) the progress made in the expansion scheme of Rocket Fabrication facilities in that Centre?

THE PRIME MINISTER, MINISTER OF ATOMIC ENERGY, MINISTER OF ELECTRONICS, MINISTER OF HOME AFFAIRS, MINISTER OF INFORMATION AND BROADCASTING AND MINISTER OF SPACE (SHRI-MATI INDIRA GANDHI): (a) The development works to be taken up at Thumba during 1973-74 are still being finalised.

(b) The Rocket Fabrication Facility has already been expanded to fabricate rockets with diameters upto 600 mm. The expansion to accommodate the fibre-glass and strip-wound motors is currently on hand. Further expansion required to meet fabrication requirements of rocket motors upto 1250 mm. diameters is being taken up.

Allocation of Funds to Kerala for Employment Programmes

4123. SHRI VAYALAR RAVI: Will the Minister of PLANNING be pleased to refer to the reply given to Unstarred Question No. 4018 on the 26th April, 1972 regarding allocation of funds to States for employment schemes and state:

(a) whether the Planning Commission has received the required programme from Government of Kerala; and

(b) if so, the main features of the programme and the total amount allotted so far to that State for this purpose?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a) Yes, Sir.

(b) A statement is laid on the Table of the House.

Statement

The Planning Commission has approved the following 12 schemes under Kerala State's Special Employment Programme for 1972-73 involving an overall outlay of Rs. 309 lakhs:—

Schemes	Outlay, (Rs. lakhs)
1. Minor Irrigation Schemes	28.86
2. Soil Conservation Schemes	25.00
3. Rural Dispensaries Schemes	80.00
4. Co-operative Dispensaries	4.3
5. Palghat infrastructure	details awaited from State Govt.
6. Cattle farm project	15.00
7. Self-financing scheme of Livestock assistance	43.00
8. Improving Kottaram canal	3.00
9. Industrial Testing Laboratory	3.00
10. Minor Irrigation Scheme (Pumpassagar factory area).	14.00
11. Employment of Post-graduate for translation	3.00
12. Functional industrial estates and other industrial schemes	90.00
TOTAL	308.86

In regard to Scheme No. 5 above relating to Palghat infrastructure the State Government has yet not indicated the amount of likely expenditure in 1972-73. For the outlay of Rs. 309 lakhs indicated above, excluding this scheme, Rs. 104 lakhs would be given as Central assistance and the balance would be contributed by the State Government. According to the procedure laid down for the release of Central assistance to the State Government for this programme, the Government of India, Ministry of Finance have sanctioned the release of first instalment

of Central assistance of Rs. 26 lakhs being 25 per cent of the total Central assistance for 1972-73.

Writing off of FFC Loans

4124. DR. H. P. SHARMA: Will the Minister of INFORMATION AND BROADCASTING be pleased to refer to the reply given to Unstarred Question No. 452 on 15th November, 1972 regarding the writing off of loans advanced by Film Finance Corporation to Film Producers and state the names of parties to whom the written-off loans had been advanced?

**THE DEPUTY MINISTER IN THE
MINISTRY OF INFORMATION AND
BROADCASTING (SHRI DHARAM BIR**

SINHA): The Film Finance Corporation has written off loans advanced to the following parties:—

S. No.	Name of Producer	Title of film	Amount in Rs. including interest
			Rs.
1	Trilok Jety	Go-Daan (Hindi)	3,29,552.16
2	Chitra Sharda	Te Maze Ghar (Marathi)	52,935.00
3	Gajanan Jagirdar	Sukhachi Savali (Marathi)	69,852.00
4	Vidushak	Ghoom, Bhangar Gaan (Bengali)	2,01,033.65
5	G. R. Govil	Char Dhaam (Hindi)	96,434.28
6	R. R. Dave	Punar Milan (Hindi)	3,72,587.79
7	B. Radha Krishna	Sant Tukaram (Kannada)	63,647.63
8	Salashiv I. Row Kavi	Begaana (Hindi)	80,046.83
		TOTAL	12,66,089.34

**De-inking and Re-using of used News-
print**

4125. SHRI VARKEY GEORGE: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether Government have examined the feasibilities of de-inking and re-using the used newsprint; and

(b) if so, the outcome thereof?

**THE DEPUTY MINISTER IN THE
MINISTRY OF INDUSTRIAL DEVELOPMENT
(SHRI SIDDHESHWAR PRASAD):** (a) and (b). The Director, Regional Research Laboratory, Jorhat, had prepared a scheme for the de-inking and re-using of used newsprint. But, after detailed study, the scheme was not found to be feasible, as it was found to be uneconomically expensive.

**Unutilised Money with Ministry of In-
formation and Broadcasting**

4126. SHRI ROBIN KAKOTI: Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) whether a large amount of money placed at the disposal of the Ministry of Information and Broadcasting for the year 1972-73 remain unutilized;

(b) if so, the reasons thereof; and

(c) the steps taken or proposed to be taken to appropriate this money before the closure of the financial year?

**THE DEPUTY MINISTER IN THE
MINISTRY OF INFORMATION AND
BROADCASTING (SHRI DHARAM
BIR SINGH):** (a) No, Sir.

(b) and (c). Do not arise.

**Magazines, Etc. Produced in Assamese
By Information and Broadcasting Ministry**

4127. SHRI ROBIN KAKOTI: Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) the number of newspapers, magazines, books and other publicity materials in Assamese produced by the Ministry of Information and Broadcasting during the last three years;

(b) the places where they got produced;

(c) whether there is any proposal to get this work done locally in Assam; and

(d) the number of printers from Assam who have approached the Ministry for doing this type of job?

THE DEPUTY MINISTER IN THE MINISTRY OF INFORMATION & BROADCASTING (SHRI DHARAM BIR SINGH): (a) and (b). A Statement giving the requisite information is laid on the Table of the House. [Placed in Library. See No. LT-4012/72.]

(c) The Publications Division, which is responsible for production of books, pamphlets and journals, maintains a panel of printers, including 2 from Gauhati. (The printers at Gauhati have, however, not yet completed the requisite formalities.) Quotations are invited as and when required and the jobs are assigned on the basis of competitive rates.

The Directorate of Advertising and Visual Publicity, which produces posters, folders, booklets, brochures and other miscellaneous items, also maintains a panel of printers. Printers from all over the country are invited by press advertisement to apply for registration on this panel. Printers, who fulfil the minimum requirements of machinery, can handle print jobs in English, Hindi and the regional languages of the zone and turn out satisfactory workmanship, are included in the panel after consideration of their application by the Panel Advisory Committee appointed by the Government of India.

Jobs are entrusted on the basis of valid lowest tenders.

(d) Only one firm from Assam has during the last three years applied for registration on D.A.V.P's. panel of printers. This firm did not qualify for registration.

Zionist Associations in India

4128. SHRI EBRAHIM SULAIMAN SAIT: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether there are Zionist Associations working in Bombay, Poona and other places in India;

(b) the activities, aims and objects of such associations; and

(c) whether Government have ascertained that these Zionist associations have contacts or financial obligations to C.I.A.?

THE DEPUTY MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI F. H. MOHSIN): (a) According to the information received from State Governments/Union Territory Administrations, in Maharashtra two such associations viz., Bombay Zionist Association and the Indian Zionist Organisation are functioning in Bombay. A unit of the Indian Zionist Organisation is also working at Poona. In Manipur, Manipur Jewish Organisation was established in August, 1972. Information is awaited from State Governments of Gujarat, Andhra Pradesh, Jammu and Kashmir, Kerala, Rajasthan, Tamil Nadu, Uttar Pradesh and West Bengal and the Union Territory Administration of Mizoram.

(b) The aims and objects, etc., of these associations are to further the Zionist programme, i.e., to create a home in Israel for the Jewish people, to foster unity among the Jewish people, to encourage the study of Jewish history, language and literature and the use of Hebrew as a living language, and to foster cultural and commercial relations between India and Israel.

(c) No such information has come to the notice of the Government.

Lock out in H.M.T.

4129. SHRI SHASHI BHUSHAN: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) the total number of workers rendered jobless as a result of the recent lock-out declared in the Hindustan Machine Tools Ltd, Bangalore;

(b) the loss being incurred by the Hindustan Machine Tools as a result of lock-out, per day; and

(c) the steps taken to ensure early lifting of the lock-out?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) The total number of workers affected by the lock-out is 4200.

(b) The production loss per day has been placed at Rs. 4 lakhs.

(c) The lock-out has been lifted from the first shift (5.30 a.m.) of 9th December, 1972.

**ग्रामीण बेरोजगारी की रोकथाम के लिए
कुछ निर्माण कार्यक्रमों का प्रारम्भ
किया जाना**

4130. श्री शिव कुमार शास्त्री : क्या रोजगार मन्त्री यह बताने की कृपा करेंगे कि :

(क) क्या देश में बढ़ती हुई बेरोजगारी की रोकथाम के लिए सरकार का विचार ग्रामीण क्षेत्रों में सड़क निर्माण, बिजुलीकरण पेय जल की सप्लाई तथा मकानों का निर्माण का कार्यक्रम शुरू करने का है;

(ख) यदि हां, तो चालू वर्ष में उक्त कार्यक्रमों पर कितना धन व्यय किया जायेगा; और

(ग) उक्त कार्यक्रम को किन क्षेत्रों में लागू किया जायेगा और उक्त कार्यक्रम के अन्तर्गत कितने व्यक्तियों को रोजगार मिलेगा ?

योजना मंत्रालय में राज्य मंत्री (श्री मोहन बरारिया) : (क) से (ग). अधिकाधिक रोजगार अवसर पैदा करने तथा ग्राम जल सम्भरण, ग्राम बासभूमि, ग्राम बिजलीकरण, ग्राम सड़कों, गन्दी बस्तियों के सुधार आदि जैसे विशेष कल्याणकारी कदम उठाने की दृष्टि से सरकार ने पहले ही विभिन्न कार्यक्रम प्रारम्भ कर रखे हैं। रोजगार अवसरों से सम्बन्धित विभिन्न कार्यक्रमों तथा उनके परिणामों का व्यौरा योजना आयोग के वार्षिक योजना, 1972-73 के दस्तावेज तथा "रोजगार अवसर" नामक विवरणिका में दिया गया है। ये दोनों माननीय सदस्यों में पहले ही परिचालित किए जा चुके हैं।

Antiques Stolen from Orissa

4131. SHRI ARJUN SETHI: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether a number of 'antiques have been stolen from Orissa State recently; and

(b) if so, whether Government seized any of the smugglers involved in such incidents?

THE DEPUTY MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI F. H. MOHSIN): (a) The Government of Orissa have reported that 31 ancient antiques have been stolen during this year.

(b) No smuggler was involved in any of these cases. However, 4 local persons who were found involved in two cases were arrested by the police and these cases are still under investigation.

Disappearance of Sculpture and Antiques from Kumaon and Garhwal areas of U.P.

4132. SHRI M. KATHAMUTHU: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether several unique pieces of metal and stone sculpture and other rare antiques have vanished from various places in the Kumaon and Garhwal areas of Uttar Pradesh;

(b) whether any investigation has been made into the disappearance of these precious and rare antiques;

(c) if so, the findings thereof; and

(d) the action taken thereon?

THE DEPUTY MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI F. H. MOHSIN): (a) Yes, Sir.

(b) Yes, Sir.

(c) and (d). In Naini Tal District, 5 cases have been reported to the police since 1969. In 4 cases the police have submitted final reports. In one case of 1971, the accused person was sentenced to 14 years' rigorous imprisonment by the court. One case reported in 1972, is still under investigation.

2. Two cases reported to the police in 1970 ended in the police submitting final reports to the courts.

3. The police are investigating one case in Chamoli District which was registered in 1972.

4. In Uttar Kashi district one idol was stolen in the first week of March, 1972. The case is now *sub-judice*.

5. In Pauri-Garhwal district, two cases of theft were reported in 1967 and one in 1968. Two cases of 1967 are pending investigation with the CID. One case registered in 1968 has been closed and the final report given to the court.

Assault and Harassment on Harijans in States

4133. SHRI C. K. CHANDRAPPA: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether the attention of Government has been drawn to several recent cases of assault on and harassment of Harijans in many States;

(b) whether the attention of Government has also been drawn to the inhuman onslaughts on Harijans in many parts of Maharashtra; and

(c) if so, the steps taken to put an end to this?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS AND IN THE DEPARTMENT OF PERSONNEL (SHRI RAM NIWAS MIRDHA): (a) and (b). Incidents of alleged assault, harassment etc. of Harijans have come to notice from time to time in different parts of the country including Maharashtra.

(c) The State Governments take necessary action, according to the law, in specific cases. It has been the policy of the Central Government that the Administration should be solicitous of the welfare of the weaker sections of the Society, particularly whenever any unfortunate incident takes place in which members of such weaker sections are the victims. All authorities concerned have been directed to ensure prompt and effective investigation of offences committed against Harijans and it had been clarified that any failure to do so would amount to a great dereliction of duty on the part of the officers concerned. A Bill to amend the Untouchability (Offences) Act, 1955 with a view to enhancing the scope and stringency of its provisions, has been introduced. It has been referred to a Joint Select Committee of both Houses of Parliament.

पांचवीं योजना के दौरान अनुसूचित जातियों तथा अनुसूचित जनजातियों के लिए रोजगार की व्यवस्था

4134. श्री धनशाह प्रधान : क्या योजना मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या सरकार ने अनुसूचित जातियों तथा अनुसूचित जनजातियों के लोगों को लाभप्रद रोजगार देने के लिए कोई कदम उठाया है अथवा पांचवी पंचवर्षीय योजना में कोई व्यवस्था की है ; और

(ख) यदि हां, तो तत्सम्बन्धी मुख्य बातें क्या हैं ?

योजना मंत्रालय में राज्य मंत्री (श्री मोहन धारिया) : (क) पांचवी पंचवर्षीय योजना तैयार की जा रही है। दृष्टिकोण दस्तावेज को अभी अंतिम रूप दिया जाना है। जनता के कमजोर वर्गों के रोजगार, समेत शैक्षिक और आर्थिक हितों का संवर्धन करने वाली स्कीमों का ब्यौरा योजना बनाते समय तैयार किया जाएगा।

(ख) प्रश्न नहीं उठता।

पांचवी योजना अवधि में शिक्षा के विकास के लिए नियत राशि

4135. डा० लक्ष्मीनारायण पांडेय : क्या योजना मंत्री यह बताने की कृपा करेंगे कि :

(क) पांचवी पंचवर्षीय योजना में शिक्षा के विकास एवं प्रसार के लिए धन-राशि के लिए कितना प्रावधान किया गया है ; और

(ख) इस प्रयोजन के लिए नियत राशि का राज्य-वार विवरण क्या है ?

योजना मंत्रालय में राज्य मंत्री (श्री मोहन धारिया) : (क) पांचवी पंचवर्षीय योजना को अभी तक अंतिम रूप नहीं दिया गया है और इस प्रकार पांचवी पंचवर्षीय योजना में शिक्षा के लिए आवंटित धनराशि का अभी निश्चय किया जाना है।

(ख) प्रश्न नहीं उठता।

Persons killed in a Hotel at Dalgate in Srinagar

4163. SHRI GIRIDHAR GOMANGO:
SHRI V. MAYAVAN:

Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether six persons were killed in a hotel room at the Dalgate in Srinagar on the 31st October, 1972;

(b) whether these persons were visiting the State as visitors; and

(c) if so, whether these tourists were killed by the anti-Indian element there and whether any enquiry has been conducted by the Centre?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI K. C. PANT): (a) Yes, Sir.

(b) The deceased persons were attendants and cooks who had accompanied a tourist party visiting the State.

(c) According to the information furnished by the Government of Jammu and Kashmir, these persons had slept in a closed room where a hard-coke stove, used earlier for cooking, was kept burning. An inquest was conducted on the death and the cause of the death was held to be suffocation due to the poisonous gas of hard coke.

Recovery of a Transmitter in Batala District, Punjab

4137. SHRI NARENDRA SINGH:
SHRI HUKAM CHAND
KACHWAI:

Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether Government's attention has been drawn towards a news item published in "Vir Arjun" dated the 13th November, 1972 that a Transmitter was found in Batala District of Punjab; and

(b) if so, the action taken by Government in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI F. H. MOHSIN): (a) Yes, Sir.

(b) Government of Punjab have stated that a balloon along with some crossed instrument was found lying in the fields of village Saidpur, Police Station Saidar Batala on 12th November. The investigations made by the Punjab police did not confirm that the recovered instrument was a transmitter. The articles recovered have been handed over to the local army authorities.

Indo-Soviet Talks in Fifth Plan

4138. SHRI S. M. BANERJEE:
SHRI H. N. MUKERJEE:

Will the Minister of PLANNING be pleased to state:

(a) whether the Indo-Soviet talks on the Fifth Plan have taken place; and

(b) if so, the subjects discussed thereat and the outcome of discussions?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a) and (b). In pursuance of the agreement signed between the Governments of India and the USSR in September 1972 for the setting up of an Inter-Governmental Indo-Soviet Commission on Economic, Scientific and Technical Cooperation, and preparatory to the forthcoming meeting of the Commission to be held in New Delhi, groups of experts from USSR visited India recently. Based on the discussions between the USSR and Indian experts, possible areas of cooperation, taking into account the context of the Fifth Plan, have been identified in the fields of ferrous and non-ferrous metallurgy and other industries, for the purpose of undertaking detailed studies by the concerned agencies.

Economic condition of West Bengal

4139. SHRI SAMAR GUHA: Will the Minister of PLANNING be pleased to state:

(a) whether attention of the Government has been drawn to the book "The Agony of West Bengal" by Sri Ranajit Ray (2nd Edition) which has dealt with the over-all economic problem of West Bengal and the economic and other policies of the Central Government on the Socio-economic structure and growth of the State;

(b) if so, the reaction of Government to the conclusions arrived at by the author; and

(c) whether in formulating the economic policy of the Central Government in relation to West Bengal in the Fifth

Five Year Plan, the findings of this book will be taken into consideration?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a) Yes, Sir.

(b) and (c). The Government of India are aware of the problems facing West Bengal in the field of economic and social development. Due consideration will be paid to various suggestions in the book while formulating the policy of Government in relation to the Fifth Five Year Plan of West Bengal.

Delhi firms indulging in fraud through Mail

4140. SHRI S. M. BANERJEE: Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether Post and Telegraph authorities have discovered the existence of about 49 firms in Delhi indulging in fraud through mail;

(b) if so, whether investigation has been made into this;

(c) if so, the result of investigation; and

(d) whether any person or persons have been arrested?

THE MINISTER OF COMMUNICATIONS (SHRI H. N. BAHUGUNA): (a) Yes.

(b) and (c). Police inquiries are in progress.

(d) Yes, one official has been apprehended.

Preference in employment to foreign degree holders

4141. SHRI DHARAMRAO AFZALPURKAR: Will the PRIME MINISTER be pleased to state:

(a) whether preference in employment is given to those holding foreign degrees; and

(b) if so, whether Government have any plan to evolve some uniform policy, without giving preference to foreign degree holders to solve the unemployment problems?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS AND IN THE DEPARTMENT OF PERSONNEL (SHRI RAM NIWAS MIRDHA):
(a) No, Sir.

(b) Does not arise.

Judgement of Madhya Pradesh High Court in Regional Language

4142. SHRI G. C. DIXIT: Will the Minister of HOME AFFAIRS be pleased to state:

(a) the percentage of the judgements of the High Court of Madhya Pradesh which have been brought out in the regional language of the State; and

(b) the time by which all such judgements would be brought out in the regional language of the State?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS AND IN THE DEPARTMENT OF PERSONNEL (SHRI RAM NIWAS MIRDHA):
(a) and (b). Under article 348(2) of the Constitution of India and Section 7 of the Official Languages Act, 1963, the initiative for the use of Hindi or any other language used for any official purposes of a State in the High Court having its principal seat in that State for proceedings or judgments, decrees or orders has to come from the State Government. On the request of the State Government of Madhya Pradesh, the consent of the President has so far been accorded for the use of Hindi, which is the official language of that State, in the proceedings, excluding judgments, decrees or orders, of the Madhya Pradesh High Court.

भारत में विवाह की रस्म पर टिप्पण और चेम्बर्स एनसाइक्लोपीडिया, 1976

3143. श्री अनादि चरण दास : क्या गृह मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या सरकार का ध्यान चेम्बर्स एनसाइक्लोपीडिया, 1967 के नए संस्करण के पृष्ठ 108 पर 'एडम्ज मेरीज' विवाह शीर्षक के अन्तर्गत प्रकाशित टिप्पण की ओर दिलाया गया है जिसमें लिखा है कि भारत और एशिया में लोग अपने अतिथियों को प्रसन्न करने के लिए अपनी पत्नियां अर्पित करते हैं ; और

(ख) यदि हां, तो सरकार ने इन गलत कथनों के लोप के लिए उपरोक्त एनसाइक्लोपीडिया में संशोधन करने हेतु उसके सम्पादकों के साथ बातचीत करने के लिए क्या कार्यवाही की है ?

गृह मंत्रालय और कार्मिक विभाग में राज्य मंत्री (श्री राम निवास मिर्धा) :

(क) संभवतः संबंधित हवाला चेम्बर्स एनसाइक्लोपीडिया, 1967 के खंड 9 के पृष्ठ 108 पर विवाह संबंधी एक लेख का है जिसकी ओर सरकार का ध्यान दिलाया गया

(ख) एनसाइक्लोपीडिया के प्रकाशकों से आपत्तिजनक कथनों का लोप करने के लिए बातचीत की जा रही है।

Demand for bonus by A.I.R. staff

4144. SHRI SUKHDEO PRASAD VERMA:

SHRI R. S. PANDEY:

Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) whether the National Federation of All India Radio employees has demanded bonus for the All India Radio staff; and

(b) if so, the reaction of Government in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI DHARAM BIR SINHA): (a) Yes, Sir.

(b) Employees of All India Radio are not entitled to bonus under the Payment of Bonus Act or the recent ordinance amending this Act. A decision to the contrary cannot be taken in isolation from the general policy in respect of Government employees.

Price of equipment supplies by H.E.L. and B.H.E.

4145. **SHRI RANABAHADUR SINGH:** Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether agreement has been reached in respect of the formula for fixing

the prices of equipment supplied by Heavy Electricals and Bharat Heavy Electricals; and

(b) if so, the main features thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) and (b). Government have issued instructions that the prices of equipment supplied by Public Sector Undertakings should be fixed as far as possible at landed cost of similar equipment. Where landed cost cannot be ascertained or the indigenous cost of manufacture is such that it merits special consideration, the prices should be fixed by a Pricing Committee to be set up by the Government on an *ad hoc* basis each time. Its composition is generally as follows:—

1. Director General, Bureau of Public Enterprises Chairman
2. Representative of the Ministry administratively concerned with seller Member
3. Representative of the Ministry administratively concerned with the buyer Member
4. Chief Cost Accounts Officer, Ministry of Finance Member
5. Adviser (Finance) Bureau of Public Enterprises Member

Employment Prospects in Andaman Group of Islands

4146. **SHRI RAJDEO SINGH:** Will the Minister of PLANNING be pleased to state:

(a) the employment prospects for the 14,000 population of Nicobar Islands in the group of Andaman and Nicobar Islands;

(b) whether people residing on other Islands of the group face similar problems in regard to employment; and

(c) whether Government have any scheme before it to offer employment to the Islanders on the main land or on their respective Islands?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a) to (c). For providing employment to the rural population, the Crash Scheme for Rural Employment has been introduced in 1971-72 in the Andaman Group of Islands. During 1971-72, this scheme has generated 55,464 mandays of employment, which is expected to increase to about 80,000 mandays during 1972-73. This scheme aims at providing employment to persons in their own respective islands to the maximum extent possible. The Special Employment Scheme taken up during 1972-73 is expected to generate 113,580 mandays of employment for the Islands as a whole. Under the scheme for expansion of elementary education, 20 primary school teachers have been appointed during the

current year. Twenty five per cent posts under the Government of Andamans have been reserved for Scheduled Tribes, which include Nicobarese. More emphasis for creating more employment opportunities will be laid in last year of the Fourth Plan and in the Fifth Five Year Plan.

Development of Non-ferrous Metal Powders by atomisation at National Metallurgical Laboratory, Jamshed-

4147. SHRI RAJDEO SINGH: Will the Minister of SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether a process for the production of extra fine non-ferrous metal powders by atomisation has been developed by the National Metallurgical Laboratory, Jamshedpur;

(b) whether the know-how developed by the National Metallurgical Laboratory covers the entire manufacturing process from melting of the metal to the packing of the finished products;

(c) whether the full or complete plant and equipment can now be fabricated indigenously; and

(d) if so, whether the production process and fabrication of plant etc. will save some foreign exchange?

THE MINISTER OF INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY (SHRI C. SUBRAMANIAM): (a) Yes, Sir.

(b) Yes, Sir. The engineering aspects of the know-how will be released through consulting engineering firms.

(c) Yes, Sir.

(d) Yes, Sir.

Restriction on HMT employees for representing against the management

4148. SHRI PILOO MODY: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether Government are aware that the management of Hindustan

Machine Tools Limited has issued a notice No. GM/M.5(a)1 dated 9th June, 1972 prohibiting the employees of the Hindustan Machine Tools Limited from addressing any representation to the Ministries of Government of India direct or through Members of Parliament and threatening the employees that any failure to comply with these instructions will be viewed very seriously resulting into disciplinary action; and

(b) if so, what are the proprieties of the management in issuing such notice?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) Yes, Sir.

(b) Propriety lay in the need to optimize use of prescribed channels for redressal of grievances of employees.

Assistance for Industrialisation of Developing countries during Fifth Plan

4149. SHRI K. MALALNNA: Will the Minister of PLANNING be pleased to state:

(a) whether Government have since considered the desirability of earmarking one percent of Gross National Product for assistance for industrialisation of developing countries during the Fifth Plan period; and

(b) if so, the specific steps contemplated to be taken by Government in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a) Yes, Sir.

(b) Does not arise.

Management Information System in Ministries

4150. SHRI SUKHDEO PRASAD VERMA: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether there is a haphazard growth of the management information system in Union Ministries:

(b) whether Government propose to undertake a systematic study of the system; and

(c) if so, when?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS AND IN THE DEPARTMENT OF PERSONNEL (SHRI RAM NIWAS MIRDHA): (a) to (c). Management Information Systems vary from ministry to ministry to suit the nature and scope of their activities. New activities as well as growth of existing activities necessitate corresponding changes in the related information systems. Therefore, the ministries themselves review their respective information systems as and when necessary. It cannot therefore be said that the growth of management information systems in Union Ministries is haphazard. The Department of Administrative Reforms also undertakes studies relating specifically to information systems for particular areas of activity in different ministries. While conducting organisational and/or procedural studies, the Department also examines information systems relevant to the fields of study and makes recommendations as necessary. The management information systems in the ministries are thus reviewed on a fairly continuous basis.

Agreement for manufacture of tractors with an engine imported from Poland

4151. SHRI PRABODH CHANDRA: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether an agreement has been reached between the U.P. Agro-Industrial Corporation and the Escorts (India) Limited, Faridabad regarding the assembly of a new tractor of 35 hp. fitted with an imported engine from Poland with the remaining parts manufactured indigenously and if so, what are the main features of the agreement;

(b) the price at which it would be available in the market; and

(c) the amount of foreign exchange that would be involved in the import of engines from Poland?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) Yes, Sir. According to the agreement M/s. Escorts Ltd. undertook to supply SKD packs of tractors for assembly by the U.P. Agro Industrial Corporation. M/s. Escorts Ltd. have been granted a licence for import of CKD packs of tractors (35 HP) from Poland. The imported packs includes components of the engine to the extent of about 70 per cent. The complete engine will not be imported. M/s. Escorts would assemble these CKD packs and test out the assembled tractors. Thereafter, they will dismantle them into semi-knocked down condition and send them in that form to the U. P. Agro-Industrial Corporation, who would re-assemble them before selling.

(b) The tractors will be sold at the price notified by Government for Escorts tractors.

(c) The c.i.f. value of the imported engine components is Rs. 2,605 per tractor.

Industrial units licensed annually for manufacturing liquor

4152. SHRI SHYAMNANDAN MISHRA: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) the number of industrial units licensed annually to manufacture liquor since 1969; and

(b) whether any foreign collaboration and import content were involved in them and if so, the extent of each in such concerns?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) Only one unit, namely M/s. Khoday Industries Ltd., Bangalore has been licensed for the manufacture of Portable liquor and is already in production. Two other units, namely (i) M/s.

Duncan Gilbey and Matheson India Ltd., Kanpur (U.P.) and (ii) M/s. Duncan Gilbey and Matheson India Ltd., Hyderabad (A.P.), have been granted Letters of Intent, which are yet to be converted into Industrial Licences.

(b) M/s. Duncan Gilbey and Matheson have been allowed foreign collaboration with M/s. Duncan Gilbey and Matheson, London for their Hyderabad and Kanpur Units. The proposal has been approved on the basis of a lump sum fee of Rs. 90,000 for technical know-how and involves export of at least 20 per cent of their production for a period of 5 years.

For the Kanpur Unit, import of machinery has been cleared for Rs. 64,000 only. This unit also requires import of raw materials and components worth Rs. 8.01 lakhs per annum over a period of 7 years. Import of machinery worth Rs. 3.8 lakhs has been cleared for the unit in Hyderabad.

The proposal of M/s. Khoday Industries Ltd., did not envisage any foreign collaboration or any import of machinery. However, import of raw materials for a small value is permitted to them as per entitlement.

केवल 50 पैसे प्रति व्यक्ति प्रति दिन व्यय करने वाली ग्रामीण क्षेत्र की जनसंख्या की प्रतिशतता

4153. श्री महा दीपक सिंह शास्त्री : क्या प्रधान मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या ग्रामीण क्षेत्र की जनसंख्या के 38.03 प्रतिशत भाग ने वर्ष 1960-61 में प्रति व्यक्ति प्रति दिन केवल 50 पैसे व्यय किया था,

(ख) क्या वर्ष 1967-68 में जनसंख्या की यह प्रतिशतता 73.24 तक बढ़ गई थी; और

(ग) यदि हां, तो 1 सितम्बर, 1969 को इसकी प्रतिशतता कितनी थी और वर्ष 1971 में इनकी अनुमानित संख्या कितनी होगी?

प्रधान मंत्री, परमणु उर्जामंत्री, इलेक्ट्रानिक्स मंत्री, गृहमंत्री, सूचना और प्रसारण मंत्री तथा अंतरिक्ष मंत्री (श्रीमती इन्दिरा गांधी): (क) 1960-61 के दौरान ग्रामीण क्षेत्र की जनसंख्या 38.03 प्रतिशत भाग ने प्रति व्यक्ति प्रति दिन 50 पैसे या इससे कम व्यय किया था।

(ख) प्रारम्भिक अनुमान के अनुसार 1967-68 के दौरान प्रति व्यक्ति प्रति दिन 50 पैसे या इससे कम व्यय करने वाली ग्रामीण क्षेत्र की जनसंख्या की प्रतिशतता 73.24 नहीं बल्कि 9.79 थी। इसी वर्ष के दौरान ग्रामीण क्षेत्र की जनसंख्या के 73.24 प्रतिशत भाग ने प्रति व्यक्ति प्रति दिन 1.29 ₹ या इससे कम व्यय किया था।

(ग) यद्यपि प्रति दिन के उपभोग व्यय का अनुमान निकालते समय वर्ष की पूरी अवधि का लेखा लिया गया था इसलिए इसका किसी विशेष तारीख से संबंध नहीं है। अतएव किसी विशेष दिन में प्रदत्त राशि का व्यय करने वाली ग्रामीण जनसंख्या की प्रतिशतता उपलब्ध नहीं है। 1970-71 के दौरान संग्रहीत आंकड़े अभी प्रक्रियाधीन हैं।

Comparison between Khadi Bhavans and Bhandars

4155. SHRI R. V. BADE: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether any comparison has been made between Khadi Bhavans and Bhandars in the big cities managed departmentally by the Khadi Village and Industries Commission regarding funds and wages; and

(b) whether the performance of the institution in this regard as compared to the departmental units is not encouraging regarding security of funds of the Commission and wages paid to workers?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) and (b). The information is being collected and will be placed on the Table of the House.

Efforts for expansion of Cottage Industries by Khadi and Village Industries Commission

4156. SHRI R. V. BADE: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether survey has been made to find out the potentialities of match industry and industries for processing of cereal, pulses and pottery in cottage industries sector; and

(b) if so, the efforts made by Khadi and Village Industries Commission to expand these Industries?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) Yes, Sir. Surveys in selected areas have been conducted.

(b) The Commission provides financial, technical and promotional assistance to the agencies taking up the development of these industries as per prescribed patterns; improved equipments (hand and power operated) are introduced to increase the productivity and earnings of artisans; assistance is also given, at times, in supplying critical raw materials.

President's Assent to Bihar Land Reforms (Amendment) Land Ceiling Reduction Bill

4157. SHRI BHOGEN DRA JHA: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether the Bihar Land Reforms (Amendment) Land Ceiling Reduction Bill enacted by Bihar Legislature and an Ordinance prohibiting fraudulent transfer of land have been given President's assent;

(b) if not, the reasons therefor; and

(c) when and in which form the above legislations are expected to be given President's assent and implemented without further delay?

THE DEPUTY MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI F. H. MOHSIN): (a) to (c). Approval for the promulgation of the Bihar Ceiling on Property (Temporary Restriction on Transfer) Ordinance 1972, which sought to restrict transfers of agricultural land and urban properties, was conveyed in September, 1972. The Bihar Land Reforms (Fixation of Ceiling Area and Acquisition of Surplus Land) (Amendment) Bill, 1972, is still under examination in consultation with the administratively concerned Ministries and the State Government.

Setting up and expansion of Small-Scale Industries in Tribal areas

4158. SHRI RANABAHADUR SINGH: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state how much money has so far been allocated and how much of it spent to expedite the setting up and expansion of small-scale industries in Tribal areas of Madhya Pradesh

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): Against an outlay of Rs. 537 lakhs for village and Small Industries Sector for Madhya Pradesh, the expenditure for the period 1969-72 was Rs. 200 lakhs. No separate allocation is made for the tribal areas of the State.

Closure of Small-scale Industries in Faridabad, Ghaziabad and Delhi due to shortage of power

4159. SHRI RAM BHAGAT PASWAN: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether due to the shortage of power, many small-scale industries have been closed in Faridabad, Ghaziabad and Delhi; and

(b) if so, the steps proposed to be taken by Government in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) and (b). No small-scale units has been closed in Faridabad and Delhi due to shortage of power. The information regarding Ghaziabad is being collected and will be laid on the table of the House.

Request from Tamil Nadu Government for advice on Adjournment of Assembly

4160. SHRI M. M. JOSEPH: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether Tamil Nadu Government have asked for any advice from the Centre to deal with the situation in regard to abruptly adjourning the Tamil Nadu Assembly by the Speaker on 13th November, 1972; and

(b) if so, the reaction of Government thereto?

THE DEPUTY MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI F. H. MOHSIN): (a) No, Sir.

(b) Does not arise.

छोटी कार परियोजना

4161. डा० लक्ष्मीनारायण पांडेय :

श्री क्यामलचन्द मिश्र :

क्या औद्योगिक विकास मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या सरकार ने सरकारी क्षेत्र में छोटी कार योजना को स्थगित कर दिया है ; और

(ख) यदि हां, तो उसके क्या कारण हैं ?

औद्योगिक विकास मंत्रालय में उपमंत्री (श्री सिद्धेश्वर प्रसाद) : (क) और (ख) योजना आयोग इस समय यात्री कारों के

साथ साथ उनकी सापेक्ष लागत तथा सार्वजनिक परिवहन में बचत और उससे होने वाले लाभों के प्रश्न की जांच कर रहा है। सरकारी क्षेत्र के लिए प्रस्तावित छोटी कार परियोजना पर अन्तिम निर्णय यह जांच पूरी हो जाने के बाद ही किया जाएगा।

Indigenous Components in Atomic Stations at Trombay and in Tamil Nadu

4162. SHRI B. V. NAIK: Will the Minister of ATOMIC ENERGY be pleased to state:

(a) the indigenous components in the first atomic energy plant at Trombay; and

(b) the indigenous components in the atomic energy plant under construction in Tamil Nadu?

THE PRIME MINISTER, MINISTER OF ATOMIC ENERGY, MINISTER OF ELECTRONICS, MINISTER OF HOME AFFAIRS, MINISTER OF INFORMATION AND BROADCASTING AND MINISTER OF SPACE (SHRIMATI INDIRA GANDHI): (a) There is no atomic power plant at Trombay. The reactors set up there are used purely for scientific research.

(b) The atomic power plant under construction at Kalpakkam in Tamil Nadu will have an indigenous content of about 80 per cent.

Disturbances at I.T.I., Bangalore

4163. SHRI B. V. NAIK: Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether there were communal disturbances in the I.T.I., Bangalore;

(b) if so, whether the incidents have been investigated;

(c) whether the political parties of the employees of I.T.I. are responsible for the same; if so, which are those parties; and

(d) what action has been taken against

THE MINISTER OF COMMUNICATIONS (SHRI H. N. BAHUGUNA):

(a) There were no communal disturbances within the factory premises of the Indian Telephone Industries Ltd., Bangalore. However, some clashes were reported outside the factory premises and they were dealt with by the normal machinery of the State Government.

(b) The attention of police was drawn to this by the management as responsibility for ensuring law and order vests with the State Government.

(c) The Indian Telephone Industries Ltd., have not reported the involvement of any political party in these disturbances.

(d) No action was called for by the management of the Company apart from that indicated in reply to part (b) of the question.

Categories of Machineries whose production suffers due to Technological gap

4146. **SHRI RAJDEO SINGH:** Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state what are the categories of machineries whose production is suffering because of technological gap?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): It is difficult to identify specific areas where production has been suffering due to technological gaps. The technological gaps are, however, being identified in certain critical areas by the panels appointed by the N.C.S.T. and a

technology plan to fill them is in the process of finalization.

Appeal by Extra Departmental Employees

4166. **SHRI ARJUN SETHI:**
PROF. NARAIN CHAND
PARASHAR:

Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether the Extra Departmental employees of the Posts and Telegraphs Department have submitted an appeal to Government; and

(b) if so, the action taken by Government thereto?

THE MINISTER OF COMMUNICATIONS (SHRI H. N. BAHUGUNA):
(a) Yes, Sir.

(b) The entire question of service conditions of Extra Departmental Agents is under consideration of the Government.

Production of Air-Conditioners Refrigerators

4167. **SHRI SHYAMANANDAN MISHRA:** Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state the production of Air-Conditioners and Refrigerators separately during the last three years?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): The production of Air Conditioners and Refrigerators during the last three years is as under:

Industry	Accounting unit	1969	Production 1970	1971
1. Room Air conditioners	Thousand Numbers	12.9	17.0	22.2
2. Domestic refrigerators	Thousand Numbers	48.6	65.4	87.1

Central Assistance to States for Strengthening Planning Machinery

4168. SHRI SHYAMNANDAN

MISHRA:

SHRI D. N. SINGH:

Will the Minister of PLANNING be pleased to refer to the reply given to Starred Question No. 137 on 22nd November, 1972, regarding strengthening of the Planning machinery at State level and state;

(a) whether any model for Planning machinery at the State level has been suggested; and

(b) if so, the salient features of the model suggested?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a) and (b). As indicated in reply to Lok Sabha Starred Question No. 137 on November 22, 1972, Planning Commission has given broad guidelines to the State Government for strengthening the Planning Machinery. Beyond that, no specific model has been suggested.

IBM World Trade Corporation

4169. SHRI JYOTIRMOY BOSU: Will the Minister of HOME AFFAIRS be pleased to state:

(a) the principal shareholders of the IBM World Trade Corporation, Nehru House, 4, Bahadur Shah Zaffar Marg, New Delhi-1;

(b) whether this firm is, in any way, connected with ITT, the giant telecommunication firm in the United States;

(c) if so, the main points thereof;

(d) whether American Columnist Jack Anderson had revealed in one of its articles the links between ITI and the CIA in some cloak and dagger exploits allegedly carried out in Latin America; and

(e) if so, the Government's reaction thereto?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI K. C. PANT): (a) to (c). According to the information available with the Government, the IBM World Trade Corporation and I.T.T. Far East Pacific Inc., are two foreign Companies as defined under section 591, of the Companies Act, 1956 operating in India. The companies are incorporated in the United States of America and under the Companies Act, 1956, they are not required to give any information about their shareholders.

(d) and (e). Government are aware of the recent disclosures in the American Press of the links between CIA and the ITT and due note has been taken thereof.

Investigation by C.B.I. in the Balyogeshwar Case

4170. SHRI JYOTIRMOY BOSU: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether files and details of the case pertaining to Balyogeshwar have been handed over to the Prime Minister;

(b) whether the case is being further investigated by the Central Bureau of Investigation;

(c) if so, when the Central Bureau of Investigation is expected to complete its investigations; and

(d) whether Central Bureau of Investigation's terms of reference include investigations into the activities of the 'Divine Light' in its totality, including its international ramifications and alleged link with the U.S. CIA?

THE DEPUTY MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI F. H. MOHSIN): (a) to (d). The Central Bureau of Investigation is not making any inquiry at present into the case of Balyogeshwar. Attention is also invited to the answer given to unstarred question No. 4224, dated 13th December, 1972.

Article published in the Economic Times under the Caption "Official Claims may be belied—Near—Zero Growth"

4171. SHRI JYOTIRMOY BOSU: Will the Minister of PLANNING be pleased to state:

(a) whether his attention has been drawn to an article published in the Economic Times, Bombay, dated the 30th October, 1972 under the caption "Official claims may be belied—Near—Zero growth"; and

(b) if so, Government's reaction thereto?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a) Yes, Sir.

(b) Official estimates of National Income for 1972-73 are not available. It is, therefore, not possible to indicate the growth rate for the year at this stage.

The Industrial growth rate for 1971-72 indicated in the article, however, is lower than the realised rate for 1971-72. On present indications, industrial production during 1972-73 is likely to be still higher but agricultural production sizeably lower.

राजस्थान के उदयपुर जिले में पंचायत केन्द्रों में टेलीफोन

4172. श्री लालजी भाई : क्या संचार मंत्री यह बताने की कृपा करेंगे कि :

(क) राजस्थान के उदयपुर जिले में किन स्थानों और पंचायत केन्द्रों पर टेलीफोन लगाने की अनुमति दे दी गई है; और

(ख) सरकार इस जिले में उन पंचायत केन्द्रों पर कब तक टेलीफोन लगा देगी जहाँ अभी तक टेलीफोन नहीं लगाये गये हैं ?

संचार मंत्री (श्री हेमवतीनन्दन बहुगुणा):

(क) और (ख) . उदयपुर जिले की 18 पंचायत समितियों में से गिरवा नाम की एक पंचायत समिति को छोड़कर बाकी सभी में टेलीफोन सुविधायें दे दी गई

हैं। गिरवा में टेलीफोन सुविधायें देने के प्रस्ताव की जांच की जा रही है।

उदयपुर जिले के मीरपुर गांव में सार्वजनिक टेलीफोन घर खोलने के प्रस्ताव की भी मंजूरी दे दी गई है। वहां यह सुविधा छः महीने के भीतर दे दी जायेगी।

Analysis of Census Figures

4173. PROF. NARAIN CHAND PARASHAR: Will the Minister of HOME AFFAIRS be pleased to state:

(a) the number of persons, State-wise, who have declared the following languages as their mother tongue in the 1971 Census of India:—

- (1) Arabic.
- (2) Assamese.
- (3) Bengali.
- (4) Dogri.
- (5) English.
- (6) French.
- (7) Gujarati.
- (8) Hindi.
- (9) Kannada.
- (10) Kashmiri.
- (11) Konkani.
- (12) Maithili.
- (13) Malayalam.
- (14) Manipuri.
- (15) Marathi.
- (16) Nepali.
- (17) Oriya.
- (18) Pahari.
- (19) Pali.
- (20) Punjabi.
- (21) Persian.
- (22) Portuguese.
- (23) Rajasthani.
- (24) Sanskrit.
- (25) Sindhi.

- (26) Tamil.
- (27) Telugu.
- (28) Tibetan.
- (29) Urdu.

(b) the number of languages and dialects with their names as recorded as mother tongue by the people in India; and

(c) the names of the tribal and Austro-Asiatic and Sino-Tibetan dialects spoken in India with the number of persons who speak dialects in each case?

THE DEPUTY MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI F. H. MOHSIN): (a) The number of speakers of 27 out of 29 mother-tongues referred to by the Honourable member in respect of which data have been published on a provisional basis at all-India level only are furnished in Statement I laid on the Table of the House. [Placed in Library. See No. LT-4013/72]. Compilation of State-wise figures is yet to be finalised and published, except for the 15 languages included under Schedule VIII of the Constitution. Statement II gives the details and is laid on the Table of the House. [Placed in Library. See No. LT-4013/72].

(b) Statement III gives the provisional figures of the numerically important mother-tongues returned at the 1971 Census having a minimum number of speakers of 5,000, which is laid on the Table of the House. [Placed in Library. See No. LT-4013/72]. The compilation and publication of data relating to the other mother-tongues is yet to be finalised.

(c) The classification of mother-tongues returned at the 1971 Census has not yet been taken up.

Man-hours Lost in Strike in I.T.I., Bangalore

4174. PROF. NARAIN CHAND PARASHAR: Will the Minister of COMMUNICATIONS be pleased to state:

(a) the total number of man-hours lost in the strike in I.T.I., Bangalore, in 1971; and

(b) the amounts of loss, incurred by the I.T.I. due to the strike?

THE MINISTER OF COMMUNICATIONS (SHRI H. N. BAHUGUNA): (a) and (b). There was no strike as such during the year 1971 in the Indian Telephone Industries Limited, Bangalore. However, in June, 1971, there was sporadic stoppage of work by some workers in a few sections of the factory. In the process, about 35,227 man-hours were lost. This loss was made up to some extent by the workers by working an extra day on a Sunday during October, 1971. The amount of loss incurred was Rs. 4.5 lakhs approximately.

Utilisation of full capacity of Industries in West Bengal

4175. SHRI SAMAR GUHA:
DR. RANEN SEN:

Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether attention of the Government has been drawn to a speech made by the Chief Minister, West Bengal in the recent meeting of a Chamber of Commerce in Calcutta in which he urged for speedy utilisation of the unused in-built capacities of the industrial concerns in West Bengal even if that meant expansion of the so-called monopoly houses;

(b) whether the suggestions made by the Chief Minister of West Bengal have been considered by the Central Government; and

(c) if so, the measures proposed to be taken in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) The Chief Minister, West Bengal, has referred to the problem of monopoly houses as having a special reference to industrial development in West Bengal.

(b) and (c). Government's overall policy will be governed by the need for promoting industrial growth consistent with our socio-economic objectives including the prevention of concentration of economic power.

Documentary on 'Durga Puja'

4176. **SHRI SAMAR GUHA:** Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) whether the Film Division or T.V. Unit made any documentary on the grand scene of splendour and mass joy in Calcutta on the occasion of Durga Puja this year; and

(b) if so, the number and nature of documentaries made?

THE DEPUTY MINISTER IN THE MINISTRY OF INFORMATION AND BROADCASTING (**SHRI DHARAM BIR SINHA**): (a) and (b). The Durga Puja Celebrations at Calcutta were covered in the Newscasts and Film Magazine programmes, 'Desh-Videsh' and 'Vatayan' on T.V., and also included in the Indian News Review (Nos. 1254 and 1257).

Streamlining of Administrative System

4177. **SHRI BANAMALI PATNAIK:** Will the Minister of HOME AFFAIRS be pleased to state:

(a) the changes made in the Indian Administrative system during the last three years;

(b) the results achieved therefrom, and

(c) the further changes envisaged in this direction to streamline the Administrative system?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS AND IN THE DEPARTMENT OF PERSONNEL (**SHRI RAM NIWAS MIRDHA**): (a) and (b). The Administrative Reforms Commission which was set up in January, 1966, to go into the administrative system in its entirety, submitted 20 reports to Government on various sectors of administration. The recommendations made cover a wide range of subjects including changes in the administrative set-up both at the Centre and in the States. Out of 527 recommendations concerning the Centre, decisions

have been taken on 375 and, of these, 336 (89 per cent) have been accepted with or without modification. Details of these have been given in the statements laid on the Table of the House on 31st July 1970 and 17th November 1971 respectively. The accepted recommendations are at various stages of implementation and as such it would take some more time before a reliable assessment could be made of the results achieved through these changes.

Whenever the Ministries undertake important changes in their organisations and procedures, these changes as well as results achieved therefrom are incorporated in their annual reports which are also circulated to the Hon'ble Members of the House.

(c) The process of administrative improvement is continuous. The nature and scope of governmental activity is also undergoing rapid change. Accordingly, efforts are constantly being made to attain optimum administrative capability by suitably streamlining the Administrative system. The Department of Administrative Reforms is the principal agency concerned with the streamlining of the Administrative system. In addition, the ministries generally have their own Internal Work Study or Organisation and Methods Units to conduct studies relevant to their work. These Units function in close liaison with the Department of Administrative Reforms. Besides, the Department of Personnel and the Ministry of Finance have as their special responsibility improvements in personnel administration, and financial administration and management of public sector undertakings respectively.

Filling up of Quota of Scheduled Caste and Scheduled Tribe Section Officers in CSIR

4178. **SHRI BANAMALI PATNAIK:** Will the Minister of SCIENCE AND TECHNOLOGY be pleased refer to the reply given to Unstarred Question No. 3295 on the 23rd August, 1972 regarding the Scheduled Castes and Scheduled

Tribes Section Officers in the Council of Scientific and Industrial Research and state:

(a) the time by which the Scheduled Castes candidates who have recently qualified for the post of Section Officers from the open market will be called to fill up the quota; and

(b) how long the present panel of Section Officers from direct recruits will continue?

THE MINISTER OF INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY (SHRI C. SUBRAMANIAM): (a) One of the scheduled caste candidates who qualified for the post of Section Officer from the open market has since been appointed as Section Officer. Further recruitment of Section Officers from open market has been suspended for a period of two years because of stagnation in various administrative cadres of the CSIR.

(b) Because of (a) above, the panel of Section Officers from direct recruitment is no more operative.

Use of Metal Detectors in Interception of Letter Bombs

4179. SHRI K. LAKKAPPA:
SHRI P. M. MEHTA:

Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether metal detectors of the type used by the Civil Aviation Department have proved effective in intercepting letter bombs of the kind posted from India to overseas countries during 1st and 2nd week of November, 1972; and

(b) if not, what other measures have been taken by Government in this regard?

THE MINISTER OF COMMUNICATIONS (SHRI H. M. BAHUGUNA): (a) and (b). A metal-detector designed and developed by the National Physical Laboratory was first brought into use on 15th November 1972. It is effective in detecting presence of metallic objects in-

side envelopes, packets, etc. Besides the use of metal detectors at sensitive points, all post offices in the country have been alerted and suitably advised to subject the mails to close scrutiny as indicated by the explosive experts.

आगरा केन्द्र में लाइनमैनों के चयन में अनियमितताएं

4180. श्री महावीरक सिंह शास्त्री :
क्या संचार मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या 2, 3 और 4 नवम्बर, 1972 को आगरा डिवीजन के आगरा केन्द्र में हुये टेलीग्राफ लाइनमैन के चयन में अनियमितताएं बरती गई ;

(ख) क्या इस सम्बन्ध में बहुत सी शिकायतें उनके मंत्रालय को की गई हैं ;

(ग) किन किन अर्हताओं के कितने उम्मीदवार चयन के लिये बैठे थे और कितने उम्मीदवार चुने गये और उनकी अर्हतायें क्या हैं ; और

(घ) इस सम्बन्ध में की गई शिकायतों पर उनके मंत्रालय की क्या प्रतिक्रिया है ?

संचार मंत्री (श्री हेमवतीनन्दन बहुगुणा):

(क) से (घ). डिवीजनल इंजीनियर टेलीग्राफ, आगरा ने नवम्बर, 1972 में लाइनमैनों के चयन के लिये जो विभागीय परीक्षा ली गई थी। उसमें गलत तरीके अपनाए जाने के बारे में शिकायतें आई थी। प्रारम्भिक जांच कराने पर ज्ञात हुआ है कि डिवीजनल इंजीनियर, टेलीग्राफ आगरा ने निर्धारित नियमों का पालन नहीं किया। अतः यह परीक्षा रद्द कर दी गई है।

जांच पूरी हो जाने के बाद जो व्यक्ति इस अनियमितता के लिये जिम्मेदार पाये जायेंगे उनके विरुद्ध उचित कार्यवाही की जायेगी।

गलत टेलीफोन बिलों के बारे में
संसद सदस्यों के धन

4181. श्री महावीर सिंह शास्त्री :
क्या संचार मंत्री यह बताने की कृपा करेंगे
कि :

(क) क्या टेक्नोलॉजी के गलत बिलों के
बारे में संसद सदस्यों द्वारा अनेक प्रार्थनापत्र
दिये गये हैं ; और

(ख) यदि हां, तो ऐसे कितने प्रार्थना
पत्र प्राप्त हुये श्री : इस सम्बन्ध में सरकार
द्वारा क्या कार्यवाही की गई ?

संचार मंत्री (श्री हेमवतीनन्दन बहुगुणा):

(क) जी हां ।

(ख) अप्रैल से नवम्बर, 1972 तक
दिल्ली टेलीफोन कार्यालय में ज्यादा रकम के
बिल भेजे जाने के सम्बन्ध में संसद सदस्यों
से 72 शिकायतें प्राप्त हुई हैं ;

इन शिकायतों में से 51 मामलों में छूट
देने का कोई औचित्य नहीं था इसलिए
उन्हें नामंजूर कर दिया गया । 17 मामलों
में छूट दे दी गई थी । चार मामलों की अभी
जांच की जा रही है ।

..Manufacture of Out-Dated Telephone Equipment by ITI

4183. SHRI R. S. PANDEY: Will the
Minister of COMMUNICATIONS be
pleased to state:

(a) whether the Indian Telephone In-
dustries are manufacturing out-dated tele-
phone equipment and if so, the reasons
therefor; and

(b) whether foreign technical assistance
has been sought to manufacture modern
telephone equipment in the country and
if so, the main features thereof?

THE MINISTER OF COMMUNICA-
TIONS (SHRI H. N. BAHUGUNA):

(a). In addition to telephone instruments
and transmission equipment, the Indian

2921 LS.—4.

Telephone Industries Ltd., are manufac-
turing the strowger type and the Crossbar
type of telephone switching equipment.
The modern trend in the world is for the
crossbar type of equipment as it provides
more facilities for automatic subscriber
trunk dialling.

(b) Two Agreements were signed on
21st May 1964 by the Government of
India and the Indian Telephone Industries
Ltd., on the one side with (i) the Inter-
national Standard Electric Corporation
of New York in one case, relating to in-
vestment, loan and licensing for the
manufacture of the crossbar equipment;
and (ii) the Bell Telephone Manufac-
turing Company of Belgium, on the other,
for the manufacture of crossbar switching
equipment in India. These Agreements
were initially valid upto 20th May 1971.
They have been subsequently extended
upto 20th May 1973 without payment of
royalty for the extended period.

Upgradation of Auxiliary Stations of A.I.R.

4184. SHRI R. S. PANDEY:
SHRI M. M. JOSEPH:

Will the Minister of INFORMATION
AND BROADCASTING be pleased to
state:

(a) whether Government have decided
to upgrade all the Auxiliary Stations of
All India Radio to cover the entire coun-
try by AIR broadcasts;

(b) if so, the main features of the de-
cision taken; and

(c) when it is likely to be
implemented?

THE DEPUTY MINISTER IN THE
MINISTRY OF INFORMATION AND
BROADCASTING (SHRI DHARAM
BIR SINHA): (a) and (b). It has been
decided that the existing twenty Auxiliary
Centres would relay all the three trans-
missions daily and also originate 90
minutes of local programmes.

(c) The scheme is likely to be imple-
mented in full before the end of 1973.

Assessment of T.V. Programme Popularity**4185. SHRI R. S. PANDEY:****SHRI RANA BAHADUR SINGH:**

Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) whether the Indian Institute of Mass Communications has conducted a survey to determine the popularity of the Television programmes;

(b) if so, the findings thereof; and

(c) whether any improvements are being made in the Television Programmes as a result thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI DHARAM BIR SINHA): (a). Two surveys were conducted by the Indian Institute of Mass Communication to find out the audience reaction to television news.

(b) Broad findings of the surveys conducted are given in the attached statement.

(c) Improvement of programmes is a continuous process. Sample surveys conducted by the Audience Research Wing of TV Centres, Delhi, listeners' letters received by the Centre, and other survey reports, like one conducted by the Indian Institute of Mass Communication, are taken into account in improving the pattern and lay out of the programmes put out by the TV Centre.

Statement

The survey revealed that 85 per cent of the respondents view the television news. 49 per cent viewers see the Hindi TV News regularly. 40 per cent see the English TV news regularly. 45 per cent respondents see television news as well as hear the night radio bulletin in either English or Hindi. 31 per cent of the respondents are those who quite often view the 'Samachar Sameeksha' and an equal number view 'Aaj Kal' also. 40 per cent of the respondents are regular viewers of discussions on current problems on television.

2. 56 per cent of the respondents felt that TV covered less international and national news as compared to radio bulletins. A significant number of viewers felt that the happenings of the areas covered by the Delhi Television were not adequately covered except the events taking place in Delhi.

3. 90 per cent of the respondents considered that there was no difference between the television and the radio bulletin excepting the presence of visuals in the case of TV. 45 per cent of the viewers felt that the visuals were inadequate, and more comprehensive visual coverage should be ensured on Television. About 40 per cent felt that the visuals were not relevant or relevant visuals were not presented.

4. A sizeable number of the viewers felt that the topics selected for 'Samachar Sameeksha' and 'Aaj Kal' were appropriate but the participants selected for these programmes could be better. Some respondents felt that there should be more programmes like 'Aaj Kal' and 'Samachar Sameeksha' in English.

5. A good number of viewers mentioned that there was greater stress on political news and suggested that more community news should be given.

6. There was general satisfaction about the newsreading but due to the inadequacy of visuals, what was seen on the screen most of the time was the newsreaders' image which several people wanted to be cut short by relevant visuals. Some respondents suggested that newsreaders should face the viewers rather than look down at the script all the time.

7. The timings were found to be appropriate except in the case of English news which should be broadcast at 9 O'clock according to a small section of the viewers.

8. Another suggestion was that more economic and cultural news should be given.

Production of passenger cars and Commercial vehicles

4186. SHRI R. S. PANDEY:
SHRI B. K. DASCHOWDHURY:

Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether according to estimates made by the Planning Commission, passenger cars and commercial vehicles will continue to be in short supply all through the Fifth Plan period;

(b) if so, reasons for not augmenting the supply of these vehicles in order to meet the demands; and

(c) whether any steps have been taken to increase their production?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) The Planning Commission have not yet finalised the estimates and programmes for the Fifth Plan.

(b) Does not arise.

(c) With a view to creating additional capacity, Government have approved several schemes for the manufacture of cars based on completely indigenous design. Government have also permitted three of the existing manufacturers of commercial vehicles to expand their production for an additional capacity of 24,600 nos. per annum. In addition, four new units have granted letters of intent for a total capacity of 54,000 nos. per annum.

Financial Aid to Uttar Pradesh and Bihar for Development of Under-Developed Areas

4187. SHRI S. M. BANERJEE: Will the Minister of PLANNING be pleased to state:

(a) whether handsome financial aid is likely to be given for the development of the under-developed areas in Uttar Pradesh and Bihar during the remaining period of the Fourth Plan;

(b) if so, whether any survey has been made so as to assess the requirement for such work; and

(c) whether consultations have been held with the Chief Ministers of both the States and if so, with what results?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a). Under the formula for providing Central assistance during the Fourth Five Year Plan for financing the State Plans, Uttar Pradesh and Bihar have been allotted Rs. 109.12 crores and Rs. 77.62 crores respectively on the basis of weightage given on the ground of the *per capita* income in these two States being less the national average. Further, under the same formula for Central assistance, an amount of 10 per cent of the total amount of Central assistance available after providing for the requirements of the States of Jammu and Kashmir, Assam and Nagaland has been kept aside for States which have special problems; on this score another amount of Rs. 25 crores has been allocated to Uttar Pradesh and an amount of Rs. 9 crores to Bihar.

(b) and (c). A statement is laid on the Table of the House.

Statement

A Joint Study Team was appointed by the Planning Commission in 1962 for Gazipur, Jaunpur, Deoria and Azamgarh districts of eastern Uttar Pradesh to (a) make a study on economic and social conditions and problems of development, (b) make an assessment of the progress under the two plans and development as envisaged in the Third Plan, and (c) suggest administrative and development measures for acceleration of progress in these districts.

The Study Team submitted its report in January, 1964. The Team suggested a strategy for economic and social development of these four districts for the guidance of the Government of U.P. It placed the financial requirements of these four districts at Rs. 10.49 crores during the Third Plan.

2. At the instance of the Committee of Direction set up in the Planning Commission for the development of U.P. hill areas, the following surveys have recently been taken up in the U.P. hill districts:

(a) Sample survey of operational holdings;

(b) Crop estimate survey of food crops;

(c) Sample survey for estimating area and production of fruit crops; and

(d) Estimation of cost of cultivation and marketing of fruits. These surveys are still proceedings.

3. At the instance of the Joint Coordination Committee of Madhya Pradesh and Uttar Pradesh for the development of Bundelkhand region which has recently been set up following a recommendation of the Zonal Council formed by these two States, soil and land resources surveys are proposed to be taken up in the Bundelkhand region of U.P. and M.P. Details concerning these surveys are being worked out by the Joint Coordination Committee.

4. The Government of Bihar has prepared a separate draft approach for the development of Chhotanagpur and Santhal Parganas areas in the Fifth Five Year Plan.

5. Along with informal consultations the question of development of the backward areas in the two States figure in the Annual Plan discussions held with the officials and the Chief Ministers as well as other Ministers of the two States every year and suitable outlays within the resources available, are provided under the various sectors of development bearing in mind, among others, the requirements of the backward areas in the two States.

Science and Technology Minister's visit to Moscow

4188. SHRI R. R. SINGH DEO: Will the Minister of SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether he had recently visited Moscow; and

(b) if so, for what purpose?

THE MINISTER OF INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY (SHRI C. SUBRAMANIAM): (a) Yes, Sir.

(b) The visit was undertaken on invitation from the Government of U.S.S.R. to negotiate and sign the Indo-Soviet Agreement on Applied Science and Technology.

Not only such an Agreement has been signed but in subsequent discussion between Indian delegation led by the Minister and the Soviet side a concrete programme of collaborative projects for 1973-74 has been drawn up.

टेलीविजन सेटों के निर्माण के लिए नये एककों को दिये गये लाइसेंस

4189. श्री हरी सिंह : क्या प्रबन्ध मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या टेलीविजन सेटों के निर्माण के लिये नये एककों को लाइसेंस दिये गये हैं ?

(ख) यदि हां, तो लाइसेंस प्राप्त करने वाले व्यक्तियों/एककों के नाम क्या हैं और वे एक-एक कहां कहां स्थापित हैं ;

(ग) इन कारखानों में कब से टेलीविजन सेटों का उत्पादन प्रारम्भ हो जायेगा ; और

(घ) इस उत्पादन के फलस्वरूप टेलीविजन की वर्तमान कीमतों में कितने प्रतिशत कमी होने की सम्भावना है ?

गृह मंत्रालय में राज्य मंत्री (श्री कृष्ण चन्द्र पन्त) : (क) जी हां, मई, 1971 से जुलाई 1972 तक 25,000 टी० बी० सेटों की क्षमता के लिये नई यूनिटों को टी० बी० सेट निर्माण के लिये (संगठित क्षेत्र में) तीन औद्योगिकों को लाइसेंस स्वीकार कर दिये गये हैं, और लघु उद्योग क्षेत्र में टी० बी० सेटों के उत्पादन के बहुत से मामले निपटा दिये गए हैं, और लघु उद्योग क्षेत्र तथा संगठित निजी तथा सरकारी क्षेत्रों की स्वीकृत क्षमता प्रति वर्ष 2.8 लाख टी० बी० सेट अधिक है ।

(ख) इन तीन यूनिटों के नाम (संगठित क्षेत्र में जिन्हें लाइसेंस दिये गये) वार्षिक क्षमता और स्थान नीचे दिये गये हैं ।

क्रम	लाइनों का नाम	वार्षिक क्षमता	स्थान
1.	मैसर्स जोन प्रसाद, मद्रास	10,000	जम्मू काश्मीर
2.	मैसर्स इलेक्ट्रॉनिक्स कारपोरेशन आफ इंडिया लिमिटेड हैदराबाद (भारत सरकार का उद्योग)	20,000	आंध्र प्रदेश
3.	मैसर्स रेडियो तथा इलेक्ट्रॉनिक्स मैन्यु-फैक्चरिंग कं० लिमिटेड, बंगलौर	5,000	मैसूर

(ग) एक यूनिट में उत्पादन पहले से ही आरम्भ हो चुका है, दो अन्य भी 1972 में उत्पादन आरम्भ कर देंगे।

(घ) पार्टियों की एक बड़ी संख्या को टेलीविजन सेटों के बड़े उत्पादन की स्वीकृति प्रदान की जा चुकी है, आशा की जाती है कि मांग के अनुकूल ही उचित सम्पूर्ति होगी और इससे काफी वाणिज्य स्पर्धा बढ़ेगी जो मूल्यों को नीचे ले आयेगी, फिर भी, यह प्रत्याशित करना कठिन है कि कीमतें किस सीमा तक नीचे गिरेंगी, यह अनेक तथ्यों पर निर्भर करता है जिसमें बाजार सम्बन्धी परिस्थितियों भी सम्मिलित हैं सरकार द्वारा इस पर कोई मूल्य नियंत्रण नहीं है।

टी० बी० सेटों की कीमतों को नीचे गिराने की दृष्टि जो अन्य आवश्यक कदम अनिवार्य है, निम्नलिखित हैं :

(1) अधिक मात्रा उत्पादन की स्थापन करके इलेक्ट्रॉनिक्स घटकों की कीमतों में क्रमिक कमी, घटक, टी० बी० सेटों के मूल्य के ठोस भाग को प्रभावित करते हैं, विशेषकर सरकार टी० बी० पिकचर्स ट्यूब की कीमत को जो एकमात्र सबसे बड़ी है, नीचे लाने के उपायों पर विचार कर रही है ;

(2) ट्रांजिस्टर युक्त टी० बी० सेटों का उत्पादन ;

(3) छोटे पर्दे वाले टी० बी० सेटों का आरम्भ करके, छोटे टी० बी० सेटों ट्यूब/स्क्रीन से सम्बन्धित तकनीकी/मार्केटिंग स्वरूप हैं जो परीक्षाधीन हैं और शीघ्र हो निर्णय लिया जायेगा।

Defects in the Distribution System of Essential Commodities

4190. SHRI VAYALAR RAVI: Will the Minister of PLANNING be pleased to state:

(a) whether any defects have been noticed by Government in the distribution system of essential commodities in the country; and

(b) if so, the measures taken to remove these defects?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a) Yes, Sir. The Government is aware of deficiencies in the distribution system of essential commodities in the country. With the exception of a few States, most of the States do not have an adequate coverage by fair price shops. There are also operational deficiencies in the working of the fair price shops.

(b) The administrative responsibility for improving the public distribution system for essential commodities principally vests in the States. The Centre has urged the States to streamline and extend the public distribution system and to improve the operational efficiency. Other measures that

are being taken, concern the emergisation and revitalisation of Consumer Cooperatives as an important element of a proper distribution system.

Population engaged in Agriculture in each of the Five Year Plan

4191. SHRI D. N. SINGH: Will the Minister of PLANNING be pleased to state:

(a) the proportion of population engaged in agriculture at the end of the three Plan periods; and

(b) the extent to which this proportion is expected to change at the end of the Fourth Plan period?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a) No Census or survey has been done for estimating the proportion of population engaged in agriculture at the end of the various Plan periods. From the economic classification of Indian population as prepared by the Census Commissioner, it is seen that the percentage moved from 69.49 in 1961 to 68.63 in 1971.

(b) There is no precise estimate of the change likely to occur at the end of the Fourth Plan. The change is likely to be marginal.

Output in H.E.L., Bhopal

4192. DR. KARNI SINGH: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state the total finished output of the Heavy Electricals (India) Limited at Bhopal during the last three years, year-wise?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): The total finished output of Heavy Electrical (India) Limited, Bhopal during the last three years i.e., from 1969-70 to 1971-72 year-wise is as under:—

Year	Total finished output
	in Rs. lakhs
1969-70	1735
1970-71	2758
1971-72	3465

Anticipated demand for Telephone Connections by 1972

4193. DR. KARNI SINGH:
SHRI M. RAM GOPAL REDDY:

Will the Minister of COMMUNICATIONS be pleased to state:

(a) the anticipated demand for telephone connections by the end of 1972 and the extent to which it is expected to be met by the I.T.I. Bangalore; and

(b) the steps being taken to augment production in I.T.I. Bangalore to meet the increasing demand for telephone connections?

THE MINISTER OF COMMUNICATIONS (SHRI H. N. BAHUGUNA): (a) Demands for 4.5 lacs telephones are expected to be pending at the end of 1972. 1.2 lacs of this is expected to be provided during 1972-73 from existing capacity of exchanges, supplies from I.T.I. and Telecom. factories; and

(b) The Government proposed to set up a second factory for the manufacture of telephone switching equipment at Rae Bareilly during the 5th Five Year Plan. Meanwhile, the production capacity of I.T.I. is also being augmented to the extent possible.

Loans to small scale units by State Financial Corporations

4194. SHRI GIRIDHAR GOMANGO:
SHRI PRABHUDAS PATEL:

Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether the Union Government have asked the State Financial Corporations to give loans to the small scale units in urban and rural sectors; and

(b) if so the reaction of the Corporations thereto?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) and (b). State Financial Corporations were set up under the State

Financial Corporations Act 1951 to render financial assistance to the medium and small scale industries. The State Financial Corporations extend financial assistance to the small scale industries units irrespective of whether they are in the urban or rural sector taking into consideration various factors including the viability of the units concerned. The Corporations have noted the need for opening more Branches specially in the under-developed areas.

Discussion with British Minister of Overseas Development

4196. SHRI GIRIDHR GOMANGO:
SHRI RAMSHEKHAR PRASAD SINGH:

Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether the British Minister for Overseas Development who visited India recently had discussion with him; and

(b) if so the outcome of the discussion?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) No, Sir.

(b) Does not arise.

स्वाधीनता की रजत जयन्ती के अवसर पर देश की प्रगति दर्शाने वाली प्रदर्शनी रेलगाड़ियां

4197. श्री नाथू राम अहिरवार : क्या गृह मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या स्वाधीनता की रजत जयन्ती के अवसर पर प्रस्तावित कार्यक्रम में देश की प्रगति दर्शाने वाली प्रदर्शनी रेलगाड़ियां चलाने की व्यवस्था की गई थी ; और

(ख) उन्हें चलाये जाने के क्या कारण हैं ?

गृह मंत्रालय में राज्य मंत्री (श्री कृष्ण चन्द्र पन्त : (क) और (ख). एक प्रदर्शनी रेल गाड़ी (विज्ञापन और दृश्य प्रचार निदेश-

शालय द्वारा आयोजित) का प्रस्ताव अधिक व्यय तथा अनेक व्यावहारिक कठिनाइयों को ध्यान में रखते हुये स्वाधीनता की 25वीं-वर्षगांठ के कार्यक्रम को अन्तिम रूप से सम्मिलित नहीं किया गया था। किन्तु विज्ञापन और दृश्य-प्रचार निदेशालय ने देश के 300 स्थानों में एक प्रदर्शनी दिखाने के लिये प्रबन्ध किये हैं। इनमें से 100 का प्रबन्ध किया जा चुका है। इसके अतिरिक्त विज्ञापन और दृश्य-प्रचार निदेशालय के पास दो रेल डिब्बे हैं जिनमें प्रदर्शनी के लिये वस्तुएँ चारों ओर ले जाई व दिखाई जा सकती हैं।

Setback to Electronics Industry in West Bengal

4198. DR. RANEN SEN: Will the PRIME MINISTER be pleased to state:

(a) whether electronics industry in West Bengal has suffered a tremendous blow for over a decade if so, the reasons therefor;

(b) whether Central Government have made any fresh effort to revive this industry in West Bengal; and

(c) whether State Government have made any request to the Central Government in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI K. C. PANT): (a) to (c). The electronics industry in the country has been developing rapidly. The annual turnover of this industry which was Rs. 30.5 crores in 1964-65 rose to Rs. 175 crores in 1970-71. There has been growth in all States including West Bengal. The development of industry in any area depends on a variety of factors like existing infra-structure, special requirements for that particular industry, entrepreneurship and factors that encourage it etc. In electronics the growth in West Bengal has been much less compared to several other States. The Department of Electronics is making serious efforts to achieve a wide

and equitable dispersal of the electronics industry in the country. Officers in the Department of Electronics have been assigned to work with individual States to assist in local planning for the industry in conformity with the overall national plans, and to ensure speedy implementation of proposals received from the States.

Some of the important steps taken for West Bengal are:—

- (i) A state level "Development Committee for Electronics" has been set up by the Government of West Bengal consisting of electronics experts from the Government, the private sector and the universities for the formulation of plans for development of electronics in that State;
- (ii) in Nov. 1972, an Electronics Industry Seminar was held in Calcutta. In this Seminar industrialists, university scientists, entrepreneurs, officials, both of West Bengal Government and the Central Government, the Chief Minister, Minister of the State and the other State Ministers participated. The Seminar was addressed by the Chairman, Electronics Commission;
- (iii) the possibilities of expanding the electronics industry in West Bengal including the setting up of joint ventures and wholly public sector undertakings are being explored; the Department of Electronics is in close touch with the Government of West Bengal;
- (iv) with a view to assist the small entrepreneurs in the electronics field and enable them to make an assessment of the quality of the items manufactured by them Central Government is also offering financial assistance upto Rs. 25 lakhs for setting up an electronic testing and developing centre.

Issue of Letter of Intent to West Bengal Industrial Development Corporation for setting up of Cement and Tyre Factory

4199. DR. RANEN SEN: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether two letters of intent for setting up factories for cement and tyre were issued to the West Bengal Development Corporation; and

(b) if so, their location and capacity and whether they would be in public or private sector?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD) (a) and (b). (i) *Cement*.

A letter of intent has been granted to West Bengal Industrial Development Corporation Ltd., on 17th December, 1971 for the setting up of a new cement plant at Jhalda in Purulia District of West Bengal for an annual capacity of 2.0 lakh tonnes for the manufacture of portland cement. The plant would be in the Public Sector.

(ii) *Tyre*:

A letter of intent has been granted to West Bengal Industrial Development Corporation Ltd., on 8th September, 1972 for setting up a new unit at Haldia in West Bengal for manufacture of Automobile tyres and tubes for an annual capacity of Four Lakh Nos. of each. The plant would be in the Public Sector.

Waiver conditions for Grant of Central Assistance to M.P.

4200. SHRI K. KODANDA RAMI REDDY: Will the Minister of PLANNING be pleased to state:

(a) whether the Planning Commission has waived certain conditions usually attached to the grants of Central Assistance to States in the case of Madhya Pradesh; and

(b) if so, on what considerations such a relaxation has been given?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a) and (b). No conditions have been waived for any State including Madhya Pradesh, in respect of normal Central Assistance for State Plans which is given according to a formula approved by the National Development Council. In regard to special employment programmes for which a certain special grant was made during the current year to the State Governments over and above Central assistance for their Plans, State Governments were expected to mobilise additional resources to match the Central Government grant. Several States had difficulty in raising the necessary additional resources. In their case a waiver of the condition was made. A similar waiver was made in respect of Madhya Pradesh Government as they could not make additional resources available for this purpose.

Surrender by Dacoits in the Country

4201. SHRI JAGANNATH MISHRA: Will the Minister of HOME AFFAIRS be pleased to state:

(a) the total number of dacoits who surrendered in different parts of the country and the number from Chambal Valley; and

(b) the prosecutions launched against the surrendered dacoits?

THE DEPUTY MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI F. H. MOHSIN): (a) 459 dacoits have surrendered since April, 1972, only in Madhya Pradesh. There have been no surrenders elsewhere.

(b) A statement is enclosed.

Statement

	Those belonging to	
	Chambal area	Bundelkhand area
1. Total number of dacoits surrendered	349—3*	110
2. Total number of dacoits against whom challans have been put up in the courts	322	26
3. Number of dacoits either released or discharged	23	..
4. Number of dacoits committed to the Sessions	226	..
5. Number of dacoits convicted	39	12
6. Number of dacoits acquitted but not released due to there being some other charges against them	6	..

*These 3 dacoits are wanted for crimes committed outside Chambal area. In order to take advantages of the concessions offered they also surrendered with the dacoits belonging to the Chambal area.

Sports Coverage By A.I.R. and T.V.

4202. SHRI INDRAJIT GUPTA: Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) whether there is any proposal to set up a special section in All India Radio for exclusive coverage of sports;

(b) if so, the main features thereof;

(c) whether T.V. programmes on sports problems in India will also be regularly relayed; and

(d) whether the Sports Section has been put under the charge of an experienced and talented officer?

THE DEPUTY MINISTER IN THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI DHARAM BIR SINHA): (a) Yes, Sir.

(b) and (d). The scheme is under consideration.

(c) Yes, Sir.

Officers of the Rank of Under Secretary and above in the Electronics Commission

4203. SHRI K. SURYANARAYANA: Will the PRIME MINISTER be pleased to refer to the reply given to Unstarred Question No. 1517 dated the 9th August, 1972 regarding officers on deputation in the Electronics Commission/Electronics Department and state:

(a) the particulars of the Secretarial posts of the level of Under Secretary and above in the Electronics Commission before the Commission came into being and thereafter;

(b) the matter in which these posts were filled up;

(c) the technical and other expertise possessed by these Officers both in the Electronics and Secretarial spheres; and

(d) the tenure, if any, prescribed in each case for deputationists?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI K. C. PANT): (a) to (d). Particulars of Secretarial posts, at the level of Under Secretary and above, in the Electronics Commission after the Electronics Commission was created and newly set up in February, 1971, the manner in which these posts were filled, the technical and other qualifications possessed by the concerned officers and whether tenure applies to the filling of the posts are given in the attached statement. The Electronics Commission and the Department of Electronics are two separate and distinct administrative units. It is presumed that the Hon'ble Member is interested in similar information in respect of the Department of Electronics, and this is also given in the statement laid on the Table of the House. (Placed in Library See No LT—4014)/172. ▲

Posting of Senior Police Officers from other States in Delhi

4204. SHRI M. RAM GOPAL REDDY: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether Government are considering to bring in senior Police Officers from other States and post them in Delhi; and

(b) if so, whether it is against the Police Commission's recommendations for a separate Police Cadre for Delhi?

THE DEPUTY MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI F. H. MOHSIN): (a) Police Officers from other States are normally considered for a posting in the Delhi Police when officers of requisite seniority and experience are not available in the IPS Cadre of the Union Territories.

(b) No, Sir. A separate cadre of IPS for Union Territories from which Police Officers are posted normally in Delhi Police continues to exist.

Expansion of Hindustan Teleprinter Ltd.

4205. SHRI M. RAM GOPAL REDDY: Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether there is a proposal for expansion of Hindustan Teleprinter Limited; and

(b) if so, the salient features thereof?

THE MINISTER OF COMMUNICATIONS (SHRI H. N. BAHUGUNA): (a) and (b). Besides teleprinters, the Company are taking up the manufacture of electric typewriters. The present registered capacity for manufacture of electric typewriters is 500 machines per annum, to be increased to 12,000 units per annum progressively. The electric typewriters manufactured by the Hindustan Teleprinters Limited are expected to be available in the market during next year.

Settlement of Inter-State Feuds between Punjab and Haryana, Mysore and Maharashtra

4206. SHRI SARJOO PANDEY: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether the pending Inter-State feuds between Punjab and Haryana and Mysore and Maharashtra are being amicably settled; and

(b) if so, the main points thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI F. H. MOHSIN): (a) and (b). Government's desire has been to secure a mutually agreed solution of these disputes and efforts in this direction are continuing.

Rise in Engineering output

4207. SHRI SARJOO PANDEY: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether the Economic and Scientific Research Foundation expect a big rise in the engineering output by 1980; and

(b) if so, the steps taken by Government in this direction?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) Yes, Sir.

(b) This forecast has been made by a study of a private research foundation. Government for their part propose to provide in their Plans for a substantial increase in the output of engineering industries. With a view to achieving a substantially increased output in engineering industry, Government have liberalised the imports of raw material inputs such as steel. Besides, certain selected industries have been allowed to increase their production through fuller utilization of their existing capacity.

Involvement of Trade Unions in preparing the paper on approach to Fifth Plan

4208. SHRI SARJOO PANDEY: SHRI CHANDRA SHEKHAR SINGH:

Will the Minister of PLANNING be pleased to state:

(a) whether Government propose to involve the Trade Unions in plan approach;

(b) if so, the manner in which it will be done; and

(c) the response of the Central Trade Unions to this proposal?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a) Yes, Sir.

(b) The matter is under consideration.

(c) Does not arise.

Extension to I.C.S. Officers due for Retirement

4209. SHRI RAM PRAKASH: Will the PRIME MINISTER be pleased to state:

(a) whether Government are considering the question of granting six months extension

sion to all such I.C.S. Officers who are due to retire immediately as a result of a recent legislation; and

(b) if so, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS AND IN THE DEPARTMENT OF PERSONNEL (SHRI RAM NIWAS MIRDHA):

(a) No, Sir. However, Section 6 of the Former Secretary of State Service Officers (Conditions of Service) Act, 1972 provides that an ICS member of the Indian Administrative Service who attains the age of fifty-eight years before the expiry of six months from the appointed date (which has since been notified as the 1st October, 1972), will, in the absence of an order extending his service, retire compulsorily on the date of expiry of the said period of six months or on the date on which he will retire compulsorily in accordance with the rules applicable to him immediately before the appointed date, whichever date is earlier.

(b) Does not arise.

Composition and functions of Advisory Council on personnel administration

4210. SHRI RAM PRAKASH: Will the PRIME MINISTER be pleased to refer to the reply given to Unstarred Question No. 1226 on 22nd November, 1972 regarding report of the Committee of Secretaries on Personnel Reforms and state the composition and functions of the advisory Council on Personnel Administration?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS AND IN THE DEPARTMENT OF PERSONNEL (SHRI RAM NIWAS MIRDHA): A copy of the Department of Personnel Resolution No. 103/70-PP, dated September 15, 1972, giving composition and functions of the Advisory Council on Personnel Administration is laid on the Table of the House. [Placed in Library. See No. LT-4015/72].

दिल्ली में कानून और व्यवस्था की स्थिति

4211. श्री शिव कुमार शास्त्री :

श्री सुखदेव प्रसाद वर्मा :

क्या गृह मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या दिल्ली में कानून और व्यवस्था की स्थिति तेजी से बिगड़ रही है;

(ख) क्या दिल्ली में दिन दहाड़े लूट और हत्या की घटनाएं बढ़ रही हैं; और

(ग) यदि हां, तो इसकी रोकथाम के लिये क्या उपाय किये जा रहे हैं ?

गृह मंत्रालय में उपमंत्री (श्री एफ० एच० मोहसिन) : (क) जी नहीं, श्रीमान् ।

(ख) दिन दहाड़े लूट की घटनाएं नहीं बढ़ी हैं । हत्या की घटनाओं में मामूली वृद्धि हुई है । सूचित किये गये आंकड़े इस प्रकार

1-1-1971 से	1-1-1972
1-11-1971 तक	1-11-1972 तक
दिन दहाड़े लूट 114	107
हत्या 106	119

(ग) विधि व व्यवस्था की स्थिति को नियन्त्रण में रखने के लिए दिल्ली पुलिस द्वारा रोकथाम के निम्नलिखित उपाय अपनाये गये हैं :—

(i) अपनी विभिन्न एजेंसियों समेत दिल्ली पुलिस सतत सतर्क रहती है तथा आसूचना एकत्रित करने के लिए उपाय किए जाते हैं । संवेदनशील क्षेत्रों में विशेष रोकथाम गस्त लगाई जाती है और समाज विरोधी तत्वों को सिर नहीं उठाने दिया जाता है ।

(ii) वेतन भुगतान के दिन लूट तथा डकैतियां इत्यादि को रोकने की दृष्टि से बैंकों व व्यापारिक क्षेत्रों

के पास रोकथाम गश्त और अन्य उपाय किए जाते हैं।

(iii) शहर के कुछ क्षेत्रों में रात्रि के दौरान दिल्ली पुलिस स्क्वाड दस्ता पुलिस गश्त में साथ रहता है। पुलिस के साधारण कार्यों में भी स्क्वाड दस्ते के कुत्तों को सूँध कर अपराध का पता लगाने के काम में लगाया जाता है।

(iv) दिल्ली के बाहरी व दूर के क्षेत्र जहाँ सामान्यतः अपराधियों के विद्यमान होने की सम्भावना होती है विशेष हथियार बन्द गश्त लगाई जाती है। इसके अतिरिक्त सामरिक महत्व के स्थानों पर बुइसवार पुलिस गश्त तथा "नाकाबन्दी" आयोजित की जाती है।

(v) अपराधियों के छिपने के स्थानों पर छापे मारने का आयोजन किया जाता है।

(vi) पुलिस कंट्रोल रूम के बाहनों द्वारा अपने-अपने क्षेत्रों में नियमित रूप से रात दिन गश्त लगाई जाती है। इसका तात्पर्य सहायता के लिए किये गये ग्राहबान पर तुरन्त कार्य करके जनता के विश्वास को सुदृढ़ करने के लिए सूचना को तुरन्त एकत्रित करना तथा प्रसार को सुनिश्चित करना है।

(vii) जनता का सहयोग प्राप्त करने के लिए समय समय पर अपराध निरोधक सप्ताह आयोजित किए जाते हैं।

चमड़े की वस्तुएँ बनाने वाली विदेशी कम्पनियाँ

4212. श्री बनशाह प्रधान : क्या औद्योगिक विकास मन्त्री यह बताने की कृपा करेंगे कि :

(क) देश में चमड़े की वस्तुओं का व्यापार करने वाली विदेशी कम्पनियाँ कितनी हैं और वे कितनी अवधि से चल रही हैं और वे कौन कौनसी वस्तुओं का उत्पादन कर रही हैं;

(ख) इन विदेशी कम्पनियों द्वारा कितनी पूँजी लगाई गई थी; और

(ग) क्या सरकार का विचार इन चमड़े की वस्तुओं का व्यापार करने वाली कम्पनियों का राष्ट्रीयकरण करने का है?

औद्योगिक विकास मंत्रालय में उपमन्त्री (श्री सिद्धेश्वर प्रसाद) : (क) मेसर्स बाटा शू कम्पनी प्रा० लि०, कलकत्ता ही एक ऐसी विदेशी कम्पनी है जो देश में चमड़े की वस्तुओं का व्यापार कर रही है। ये चमड़े के जूते बना रही है। कम्पनी की स्थापना 1931 में हुई थी।

(ख) मे० बाटा शू कम्पनी प्रा० लि० का कुल निवेश जैसा कि इसकी कुल शुद्ध आस्तियों से पता लगता है, 31-12-1971 को 27.63 करोड़ रु० है।

(ग) इस समय ऐसा कोई प्रस्ताव नहीं है।

मध्य प्रदेश में टेलीविजन सेटों के निर्माण को लिए लाइसेंस देना

4213. श्री बनशाह प्रधान : क्या प्रधान मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या केन्द्रीय सरकार द्वारा मध्य प्रदेश में टेलीविजन सेटों के निर्माण के लिए किसी इकाई को लाइसेंस दिया गया है; और

(ख) यदि हाँ, तो इसमें कितने व्यक्तियों को रोजगार मिलेगा, कितनी पूँजी लगाई जायेगी और प्रस्तावित इकाई की क्षमता कितनी होगी ?

गृह मंत्रालय में राज्य मंत्री (श्री कृष्ण चन्द्र पन्त) : (क) और (ख) मध्य प्रदेश लघु उद्योग क्षेत्र में एक यूनिट से टी०बी० सैट निर्माण के लिये एकमात्र आवेदन पत्र प्राप्त हुआ था, जिससे 25,00 टी० बी० सैट प्रति वर्ष की क्षमता की स्वीकृति प्रदान कर दी गई है।

सम्भवतः इस यूनिट में 75 व्यक्तियों को रोजगार मिलेगा और उद्योगकर्ता इसमें लगभग 8 लाख रुपये लगायेगा।

Infiltration of Bihari Muslims into Indian Territory

4214. SHRI DHAN SHAH PRADHAN:
SHRI HUKAM CHAND KACHWAI:

Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether "Bihari Muslims" from Bangladesh have infiltrated into India during the last few months; and

(b) if so, the action proposed to be taken by Government in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI F. H. MOHSIN): (a) and (b). According to the information received from the Government of Bihar, 85 such persons have been arrested during the period September to November, 1972. Information in respect of the other States is awaited. Utmost vigilance is maintained to check illegal infiltration of persons across the border.

Indigenous Technology in Industry

4215. SHRI C. JANARDHANAN: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state the

major industries which have benefited by the development of indigenous technology?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): A list of major industries, in which the development of indigenous technology is regarded as adequate, is laid on the Table of the House. [Placed in Library. See No. LT-4016/72.]

Mechanical Defects in A.I.R., Calcutta

4216. SHRI SAROJ MUKHERJEE: Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) how many times news-broadcasting in Bengali had to be stopped due to mechanical defects in Calcutta Centre of A.I.R. during the last two months and how much time had been lost in this process in the course of news relayed from Delhi Station and the news directly broadcast from Calcutta Centre; and

(b) the steps taken to eliminate these defects?

THE DEPUTY MINISTER IN THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI DHARAM BIR SINHA): (a) Due to mechanical defects during the last two months of October and November, news broadcast in Bengali on 12 occasions for a total duration of 18 min. 35 sec. The break-up of the time of the news-items lost in the news relayed from Delhi Station and the news directly broadcast from Calcutta is given below:—

(i) Interruption in the news relayed from Delhi; and

(ii) Interruption in news directly broadcast from Calcutta; 2 min. 30 sec.

(b) Preventive maintenance is carried out on a regular basis to minimise such mechanical defects.

Weak Transmitter of A.I.R. Calcutta

4217. SHRI SAROJ MUKHERJEE:
Will the Minister of INFORMATION
AND BROADCASTING be pleased to
state:

(a) whether the transmitting apparatus is very weak in the Calcutta Station of A.I.R. and the news and other items transmitted from that Centre are not distinctly heard in Delhi and other places away from Calcutta;

(b) if so, the steps taken to remove the feebleness of broadcast from Calcutta Centre; and

(c) whether the listeners at Delhi can hear very distinctly the news and other items from Dacca Centre?

THE DEPUTY MINISTER IN THE
MINISTRY OF INFORMATION AND
BROADCASTING (SHRI DHARAM
BIR SINHA): (a) No, Sir. The transmitters at Calcutta serve adequately their primary service range which comprises the Southern portion of the State of West Bengal and nearby areas.

(b) Does not arise.

(c) Shortwave transmitters at Dacca which carry External Service programmes can be heard at Delhi.

Government Advertisements to Small and Medium Newspapers

4218. SHRI SAROJ MUKHERJEE:
Will the Minister of INFORMATION
AND BROADCASTING be pleased to
state:

(a) whether Government have meticulously implemented the declared policy of assisting the small and medium newspapers and journals by all means viz., by providing them with Government advertisements and by liberally sanctioning the newsprint quota;

(b) if so, the total amount of money spent by way of giving Government advertisements to these papers during the last financial year with State-wise break-up; and

(c) which of the dailies, weeklies and other journals do not get Government advertisements and for what reasons?

THE DEPUTY MINISTER IN THE
MINISTRY OF INFORMATION AND
BROADCASTING (SHRI DHARAM
BIR SINHA): (a) Small and medium newspapers and periodicals are used by Directorate of advertising and Visual Publicity for Central Government advertisements to the maximum extent feasible. Newsprint is allocated to newspapers in accordance with the policy framed every year with due regard to availability of indigenous and imported supplies.

(b) Rs. 81,23,400.00 during 1971-72. A statement giving Statewise break-up is attached.

(c) D. A. V. P. does not maintain any standing list of such newspapers and periodicals. Each request, as and when received, is considered, on merits, and the publication is used, as necessary for Central Government advertisements, if it fulfils the criteria laid down for the purpose.

In selecting newspapers and periodicals for different Government advertisements, the following considerations are kept in view:—

- (i) effective circulation (normally papers having paid circulation below 100 are not used);
- (ii) regularity in publication (a period of six months uninterrupted publication is essential);
- (iii) class of readership;
- (iv) adherence to accepted standards of journalistic ethics;
- (v) other factors such as pulling power, production standards, the languages and areas intended to be covered within the available funds;
- (vi) advertisement rates which are considered suitable and acceptable for Government publicity requirements.

The political affiliation of a newspaper is not taken into account in placing Government advertisements. Papers belong-

ing to all political parties and supporting different shades of political opinion are used for Government advertisements. Advertisements are not issued, however, to such newspapers and periodicals as in-

dudge in virulent propaganda inciting communal passions or preach violence, or offend socially accepted conventions of public decency and morals, thus undermining the basic national interests.

Statement

Statewise expenditure on small and medium newspapers and periodicals in the year 1971-72

S. No.	Name of State	Expenditure
		Rs.
1	Punjab	3,66,295
2	Maharashtra	10,99,949

कर्मचारियों की सेवाओं से सम्बन्धित इस निम्नलिखित प्रश्नों का उत्तर देने के लिए

4219. श्री शंकर बहाल सिंह : क्या संचार मंत्री यह बताने के कृपा करेंगे कि :

(क) क्या सरकार को पता है कि स्थायी कर्मचारियों को साथ मिलाकर बिना चार्ज के टेलीफोन करते हैं और इस प्रकार सरकार को उचित देय राशि का भुगतान नहीं करते हैं;

(ख) क्या सरकार का विचार इस मामले की जांच करने के लिए जांच समिति नियुक्त करने का है; और

(ग) यदि हां, तो इस आशय के प्रस्ताव का सारांश क्या है ?

संचार मंत्री (श्री हेमवतीनेन्दन बहुगुणा):

(क) सरकार को यह मालूम है कि कुछ धूर्त व्यक्ति डाक-तार विभाग के कर्मचारियों के साथ मांड-गांड करके मुफ्त टेलीफोन कालें कर सकते हैं।

(ख) और (ग). इस धोखाधड़ी की प्रक्रिया में ऐसी कोई बात अस्पष्ट नहीं है जिसकी आगे और जांच के लिए कोई कमेटी बैठाई जाए।

Stay of ICS/IAS and other Central Services Officers in Delhi for more than Five Years

4220. SHRI K. P. UNNIKRISHNAN: Will the PRIME MINISTER be pleased to state:

(a) the number of officers belonging to ICS/IAS and other Central Services above the rank of Deputy Secretary, who have worked in Delhi for more than five years;

(b) their names and designations; and

(c) whether any action is contemplated to send back these officers to their parent service or State?

2921 L.S.—5

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS AND IN THE DEPARTMENT OF PERSONNEL (SHRI RAM NIWAS MIR-DHA): (a) 85.

(b) A statement is laid on the table of the House. [Placed in Library. See No. LT-4017/72]

(c) "Though the normal tenure of officers above the rank of Deputy Secretary is five years, extensions of tenure are allowed in exceptional circumstances in the public interest. Such officers revert to their parent cadres on the expiry of their extended tenure. Hitherto, the tenure rule was not being enforced in the case of officers holding posts of Additional Secretary and above. Till recently, the tenure rule was also not being enforced in the case of officers earmarked for the Central Administrative Pool, which has now been abolished. The manner of applying the tenure rule to all such cases in a phased manner is under the consideration of Government."

Election of Chief Executive Councillor, Delhi

4221. SHRI S. C. BESRA: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether Union Law Ministry has advised the Government that a Chief Executive Councillor should seek election to the Metropolitan Council of Delhi before completing six months in office; and

(b) if so, the reasons for permitting Chief Executive Councillor to continue in office without being elected and thus breaking convention?

THE DEPUTY MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI F. H. MOHSIN): (a) and (b). No, Sir. The Delhi Administration Act 1966 does not envisage that a Chief Executive Councillor should seek election to the Metropolitan Council of Delhi before completing six months in office.

Surplus capacity in H.M.T. Plant

4222. SHRI S. C. BESRA: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state whether H.M.T. surplus capacity in its Plants and if so, how much?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): According to the production figures of 1971-72, the utilisation of developed capacities in the machine tool units of Hindustan Machine Tools Limited was as high as 91 per cent. The Watch Factory has also been running on maximum utilisation basis.

स्वतन्त्रता सेनानी सहायता समिति, बिहार का सुझाव

4223. श्री रामावतार शास्त्री : क्या गृह मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या स्वतन्त्रता सेनानी सहायता समिति, बिहार ने पेंशन की स्कीम के सम्बन्ध में सरकार को कोई सुझाव भेजा है ;

(ख) यदि हां, तो उसकी मुख्य बातें क्या हैं ; और

(ग) उस पर सरकार की क्या प्रतिक्रिया

गृह मंत्रालय में उपमंत्री (श्री एफ० एच० मोहसिन) : (क) जी हां, श्रीमान ।

(ख) और (ग). पेंशन के लिये आवेदन करने में स्वतंत्रता सेनानियों की कुछ श्रेणियों की दिक्कतों तथा उनके निराकरण के लिये कुछ सुझाव प्राप्त हुये हैं, और मामला विचाराधीन है ।

वाल्मोवेश्वर की गतिविधियों के बारे में प्रधान मंत्री को दिया गया ज्ञापन

4224. श्री रामावतार शास्त्री : क्या गृह मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या नवम्बर, 1972 के दूसरे या तीसरे सप्ताह में आर्य समाज के कुछ नेताओं का एक प्रतिनिधिमंडल वालमोवेश्वर की गतिविधियों के सम्बन्ध में प्रधान मंत्री से मिला था और उन्होंने इस सम्बन्ध में प्रधान मंत्री को एक ज्ञापन दिया था ; और

(ख) यदि हां, तो उसकी रूप-रेखा क्या है और उस पर सरकार की क्या प्रतिक्रिया है ?

गृह मंत्रालय में उपमंत्री (श्री एफ० एच० मोहसिन) : (क) सर्वश्री रामगोपाल शालवाले, अध्यक्ष, आर्य केन्द्रीय सभा, ओम प्रकाश त्यागी, संमद सदस्य, मंत्री, सार्वदेशिक आर्य प्रतिनिधि सभा तथा दो अन्य व्यक्तियों द्वारा प्रेमपाल सिंह रावत उर्फ बाल योगेश्वर तथा डिवाइन लाइट मिशन के बारे में एक ज्ञापन दिनांक 10 नवम्बर, 1972 को प्रधान मंत्री को प्रस्तुत किया गया था ।

(ख) ज्ञापन में विदेशी तत्वों की सहायता से राष्ट्रीय हित को प्रभावित करने वाली बाल योगेश्वर तथा डिवाइन लाइट मिशन की अवांछनीय गतिविधियां सीमा शुल्क तथा सम्बद्ध राजस्व कानून के अन्तर्गत अपराधों में अन्तर्भूत होने इत्यादि से सम्बन्धित आरोप निहित हैं । इस सम्बन्ध में 6 दिसम्बर, 1972 को तारांकित प्रश्न संख्या 331 के उत्तर की ओर ध्यान आकर्षित किया जाता है ।

Telephone Connections in Patna City

4225. SHRI RAMAVATAR SHASTRI: Will the Minister of COMMUNICATIONS be pleased to state:

(a) the total number of Telephone connections in Patna City;

(b) whether some applications for Telephone connections are under consideration of Telephone authorities; and

(c) if so, the number thereof and the reasons for not providing them with Telephone connections?

THE MINISTER OF COMMUNICATIONS (SHRI H. N. BAHUGUNA):

(a) The total number of telephone connections, Exchange-wise, in Patna were as follows as on 30th November 1972:—

Patna	5612
Rajindar Nagar	2702
Patna City	1216
Danapur	228

(b) Yes.

(c) Applications pending in different Exchanges on 30th November 1972 were as follows:—

Exchange	Waiting List	
	O.Y.T.	Non-O.Y.T.
Patna	20	246
Rajinder Nagar	—	33
Patna City	—	—
Danapur	—	—

In Patna Exchange, no connections are being released at present due to lack of exchange capacity. In other exchanges pending applications are already being processed for compliance.

अन्तरिक्ष की खोज के लिए पंचवर्षीय योजना

4226. श्री रामाबतार शास्त्री : क्या अन्तरिक्ष मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या सरकार ने अन्तरिक्ष की खोज के लिए कोई पंचवर्षीय योजना बनाई है; और

(ख) यदि हां, तो उसकी रूपरेखा क्या है ?

प्रधान मंत्री, परमाणु उर्जा मंत्री, इलेक्ट्रॉनिक्स मंत्री, गृह मंत्री, सूचना और प्रसारण मंत्री तथा अन्तरिक्ष मंत्री (श्रीमती इन्दिरा गांधी) : (क) और (ख). अन्तरिक्ष अनुसन्धान के लिये पांचवीं पंचवर्षीय योजना अभी तैयार की जा रही है।

विभागीय परीक्षाओं में हिन्दी का प्रयोग

4227. श्री श्रीकृष्ण अग्रवाल : क्या गृह मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या कृषि मंत्रालय की विभागीय परीक्षाओं में अंग्रेजी के स्थान पर हिन्दी के प्रयोग की भी अनुमति दे दी गई है ; और

(ख) यदि हां, तो सरकार के अन्य मंत्रालयों में भी यही सुविधा न देने के क्या कारण हैं और वहाँ यह सुविधा कब तक दे दी जायेगी ?

गृह मंत्रालय और कामिक विभाग में राज्य मंत्री (श्री राम निवास मिर्षा) : (क) जी हां, श्रीमान।

(ख) विद्यमान अनुदेशों के अनुसार हिन्दी भाषी क्षेत्रों में स्थित मंत्रालयों तथा उनके सम्बद्ध व अधीनस्थ कार्यालयों द्वारा आयोजित विभिन्न विभागीय परीक्षाओं में विभागीय मैन्युअलों, संहिताओं इत्यादि जिनका हिन्दी में अनुवाद उपलब्ध है वे सम्बन्धित प्रश्न पत्रों में मंजूर कुछ प्रश्न पत्रों के उत्तर में हिन्दी का वैकल्पिक प्रयोग प्राधिकृत किया जाना है। यह मंत्रालय प्रत्येक मंत्रालय के साथ विचार करके उनके द्वारा आयोजित सभी विभागीय परीक्षाओं में मैन्युअलों, संहिताओं इत्यादि के हिन्दी अनुवादों की प्रतीक्षा किये बिना हिन्दी के वैकल्पिक प्रयोग को प्राधिकृत करने में निश्चिन्त समस्याओं का पता लगा रहा है। इन प्रयत्नों के परिणामस्वरूप कृषि मंत्रालय के अतिरिक्त डाक तथा तार विभाग, आकाशवाणी के महानिदेशालय, रक्षा मंत्रालय तथा कम्पनी कार्य विभाग ने विभागीय मैन्युअलों,

संहिताओं इत्यादि जिनका हिन्दी अनुवाद अभी उपलब्ध नहीं है, से सम्बन्धित प्रश्न पत्रों समेत सभी पत्रों के सम्बन्ध में अपनी विभ्रमगीय परीक्षाओं में हिन्दी के वैकल्पिक प्रयोग के आदेश दिये हैं। वित्त मंत्रालय (राजस्व और वीमा विभाग), रेलवे (रेलवे बोर्ड), शिक्षा तथा समाज कल्याण, पेट्रोलियम तथा ग्नायन मंत्रालयों और खान विभाग भी इसी आधार पर आदेश जारी करने के लिये सिद्धान्त रूप में सहमत हो गये हैं। यह मंत्रालय अन्य मंत्रालयों/विभागों से आग्रह कर रहा है नाकि वे भी कृषि मंत्रालय इत्यादि के समान स्वीकृति प्रदान करें।

Mobile Post Office

4229. SHRI C. K. JAFFER SHARIEF: Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether there is any proposal under Government's consideration to provide Post Boxes at all the places where the Mobiles Post Office Van stops so that the letters can be posted before the Van arrives and the people do not have to wait for the van just to post letters; and

(b) if so, when it will be implemented?

THE MINISTER OF COMMUNICATIONS (SHRI H. N. BAHUGUNA):

(a) No Sir.

(b) Does not arise.

Check on the Growth of Monopoly Houses

4230. SHRI SOMCHAND SOLANKI: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether Government are aware that slow pace of Industrial development during the past two decades is mainly due to our failure to prevent concentration of income and wealth and growth of monopolies in our country; and

(b) if so, the measures taken by Government to check and ban the big mono-

poly houses in development programme of the country?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) and (b). A substantial industrial base has been created in the country over the past two decades. Government do not agree that the overall pace of industrial development has been slow or that its pace can be determined by a single cause. Government have in any case initiated a number of measures for curbing concentration of economic power including the revised licensing policy and the Monopolies and Restrictive Trade Practices Act.

Allocations of Fund for Telecommunication Development in Fifth Plan

4231. SHRI SHRIKISHAN MODI: SHRI P. M. MEHTA:

Will the Minister of COMMUNICATIONS be pleased to state:

(a) the total amount of funds sought for the Telecommunication development in the Fifth Plan; and

(b) whether the amount will be more than double the Fourth Plan outlay?

THE MINISTER OF COMMUNICATIONS (SHRI H. N. BAHUGUNA):

(a) The total amount of funds sought for the telecommunication developments in the Fifth Plan is about Rs. 1359 Crores. The Fifth Plan is in formulative stage and these figures are tentative.

(b) Yes. The above amount is more than double the revised Fourth Plan outlay which is Rs. 488.76 Crores..

दैनिक "अवन्तिका" (उज्जैन) को विज्ञापन

4232. श्री हुकम चन्द कछवाय : क्या सूचना और प्रसारण मंत्री यह बताने की कृपा करेंगे कि "दैनिक अवन्तिका" (उज्जैन) को भविष्य में विज्ञापन देने के सम्बन्ध में सरकार क्या नीति अपनायेगी ?

सूचना और प्रसारण मंत्रालय में उपमंत्री (श्री धर्मवीर सिंह) : सरकार की प्रचार आवश्यकताओं के पूरा करने के लिये जब भी आवश्यक होता है, इस समाचार पत्र को विज्ञापन जारी किये जाते हैं।

सराय-रोहिल्ला, दिल्ली, में दंगों और छुरेबाजी की घटनाएँ

4233. श्री भारत सिंह चौहान : क्या गृह मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या दिल्ली के सराय-रोहिल्ला में गत तीन महीनों में दूधे दंगों, चोरियों और छुरेबाजी की घटनाएँ पिछले छः महीनों की औसत घटनाओं से अधिक हुई हैं और;

(ख) यदि हां, तो इस पर सरकार की क्या प्रतिक्रिया है ?

गृह मंत्रालय में उपमंत्री (श्री एफ० एच० मोहसिन) : (क) गत तीन महीनों के दौरान दंगे और चोरियों की घटनाओं में पिछले 6 महीनों की औसत में वृद्धि दिखाई देती है। किन्तु वहाँ छुरेबाजी की घटनाओं में कोई वृद्धि नहीं हुई।

मुचित किये गये आंकड़े इस प्रकार हैं :—

	तीन महीने	छः महीने
	1-9-1972	1-3-72
	से	से
	30-11-72	31-8-72
	तक	तक
दंगे	9	6
चोरी	131	136
छुरेबाजी	अन्य	अन्य

(ख) स्थानीय पुलिस व उसके विभिन्न खोन सतर्क रहे थे तथा आमूचना एकत्रित करने के लिये उपाय किये गये थे। प्रभावित

क्षेत्रों में विशेष रोकथाम गश्त तनात की गई थी। उस क्षेत्र में विशेष हथियारबन्द गश्त भी लगाई गई। सहायता के लिये किये गये प्रोत्साहन पर तुरन्त प्रतिक्रिया करके जनता के विश्वास को सुदृढ़ करने हेतु सूचना को तुरन्त एकत्रित करने तथा प्रचार को सुनिश्चित करने के लिये पुलिस कंट्रोल रूम के वाहन गश्त लगाने हैं। अपराधियों के छिपने के स्थानों में छाते मार्ग का भी आयोजन किया जाता है।

भारत में विदेशी मिशनरी

4234. श्री भारत सिंह चौहान : क्या गृह मंत्री यह बताने की कृपा करेंगे कि इस समय भारत में कितने विदेशी मिशनरी कार्यरत हैं ?

गृह मंत्रालय में उपमंत्री (श्री एफ० एच० मोहसिन) : पहली जनवरी, 1972 की उनकी संख्या 5053 थी।

Issue of Licences for setting up of Industries in Palamau District (Bihar)

4235. KUMARI KAMLA KUMARI: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) the names of the parties to whom Industrial Licences have been issued for big scale industries in Bihar during the last three years;

(b) the names of parties to whom Industrial Licences have been issued for big scale Industries in Palamau District during the period; and

(c) the number and names of Industries which will start production up to July, 1974?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) and (b). During 1969, 1970 and 1971, 54 Industrial Licences were issued for location of industries in Bihar. District-wise details of letters of intent and industrial licences issued are not

being maintained. Details of all industrial licences issued by the Government are published from time to time in the "Weekly Bulletin of Industrial Licences, Import Licences and Export Licences", Weekly "Indian Trade Journal" and Monthly "Journal of Industry and Trade". Copies of these publications are available in the Parliament Library.

(c) As the setting up of the industry is the responsibility of the holder of the licence, Government cannot indicate with certainty the period when particular projects will commence production.

Issue of Licences to large House for setting up of Industries in Bihar and U.P.

4236. KUMARI KAMLA KUMARI: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) the number of licences for expansion of Industries belonging to 20 large Industrial Houses under which increased production will start in 1973; and

(b) the names of the industries which are in Bihar and Uttar Pradesh?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) and (b). During the period 1st January, 1970 to 30th September, 1972, 35 industrial licences for substantial expansion were issued in favour of the 20 Larger Industrial Houses of which one relates to Bihar and one to Uttar Pradesh, the items of manufacture being coal and sugar respectively. As the completion of the expansion is the responsibility of the holders of licences, Government cannot indicate with certainty the period when particular projects will commence production.

Development of Palamau District and Chhotanagpur Division of Bihar during Fifth Plan

4237. KUMARI KAMLA KUMARI: Will the Minister of PLANNING be pleased to state:

(a) the amount allotted for the development of Palamau district in Bihar in the Fifth Five Year Plan; and

(b) the total amount allotted to other Districts of Chhotanagpur division in the Plan?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a) and (b). The outlays on the Fifth Five Year Plan are still to be determined.

Foreign help in manufacture of Transmission Equipment at Naini

4238. SHRI M. M. JOSEPH:
SHRI M. S. SANJEEVI RAO:

Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether Government have taken any steps to seek help in manufacture of the latest model of transmission equipment at Naini from some of the foreign countries; and

(b) if so, the names of the countries whose help has been sought, the nature of help sought and the reasons for the same?

THE MINISTER OF COMMUNICATIONS (SHRI H. N. BAHUGUNA): (a) and (b). The Transmission Factory, Naini, is at present manufacturing long distance transmission equipment of the same type as has been under manufacture in I.T.I.'s Bangalore factory, and which is used in the country's telecommunication network. The know-how for manufacture of this type of transmission equipment is available with the Indian Telephone Industries Limited, and no foreign help has so far been sought from any quarter.

Delhi Telephone Department Expansion Plan

4239. SHRI M. M. JOSEPH:
SHRI M. S. SANJEEVI RAO:

Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether due to delay on the part of local bodies and the Delhi Development Authority to transfer land for con-

truction of Telephone Exchanges, the expansion plans of the Delhi Telephone Department are hampered; and

(b) if so, the present position and the steps taken by Government in this regard?

THE MINISTER OF COMMUNICATIONS (SHRI H. N. BAHUGUNA):
(a) Yes, Sir.

(b) D. D. A. and Municipal Authorities have been asked for the allotment of suitable sites for a number of proposed Telephone Exchanges but they have intimated that the lands will be earmarked on the finalisation of the Development Plans. No allotment has been made so far. Cases are being pursued with the D. D. A. and the Municipal Corporation vigorously for early finalisation.

Auto-Telephone Exchange in Kerala

4240. SHRIMATI BHARGAVI THANKAPPAN: Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether there is no automatic telephone exchange in Punalas in Quilon District of Kerala State;

(b) whether Government have received any request from the public in this regard; and

(c) if so, the time by which an automatic telephone exchange is likely to be set up there?

THE MINISTER OF COMMUNICATIONS (SHRI H. N. BAHUGUNA):
(a) There is no place called Ponalas and it is presumed that the question relates to Punalur. Punalur has no automatic-telephone exchange. There is a manual exchange of 300 lines.

(b) Request for automatisisation of telephone exchange at Punalur has been received from Punalur Athletic Club and Communist Party of India.

(c) Due to shortage of equipment there is no proposal for automatisisation of Punalur telephone exchange at present. Automatisisation may be possible when the

second telephone switching factory goes into production by the end of the Fifth Five Year Plan.

Industrial Development of Kerala in comparison of Neighbouring States

4241. SHRIMATI BHARGAVI THANKAPPAN: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether despite availability of raw materials and generation of electricity, the industrial progress of Kerala State is very low as compared to the neighbouring States of Tamil Nadu and Mysore;

(b) whether lack of financial resources is one of the reasons blocking the industrial progress in the State;

(c) whether Central financing institutions are showing poor interest for the development of Kerala State; and

(d) whether Government have examined the causes for the tardy growth of industries in the State and its backwardness and if so the outcome thereof and remedial measures proposed to be taken?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) Kerala, along with Tamil Nadu and Mysore, has not been identified as a backward State in the Pande Working Group Report.

(b) to (d). Central Financing Institutions have shown interest in the development of Kerala.

5 out of the 10 districts of the State have been selected for concessional Finance Schemes of Central Financing Institutions and 3 out of these have been selected for the 10 per cent Central Subsidy Scheme. The Rural Industries Projects Scheme has been extended to 2 districts and will be extended to 2 more in the 5th Five Year Plan.

The Kerala State Financial Corporation has assisted small scale units to the extent of Rs. 602.27 lakhs. Besides,

both IDBI and IFCI have been active in Kerala having sanctioned financial assistance of the order of Rs. 1421 lakhs and Rs. 51 lakhs respectively. Further IDBI has carried out an industrial potential survey of Trivandrum district and set up the Kerala Industrial and Technical Consultancy Organisation Limited in the State.

Industrialisation in its nature is a time consuming process and needs to be carefully nurtured. The State and the Central Governments are paying full attention to this aspect and Central Government is extending assistance to locate some of the Central Projects in the State of Kerala.

Issue of Letters of Intent to Kerala

4242. SHRIMATI BHARGAVI THANKAPPAN: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) how many Letters of Intent have been issued to the Kerala State Government during the current Five Year Plan and the nature of industries for which the letters have been issued;

(b) how many of them have been converted into licences and the progress achieved in setting up these industries; and

(c) whether any of these industries are being set up in the backward Districts of the State of Kerala?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) None, Sir. However, 25 letters of intent have been issued to the various public sector undertakings of the Government of Kerala during the period from 1st January, 1969 to 30th September, 1972. A list enumerating the items of manufacture to which the letters of intent relate is laid on the Table of the House. [Placed in Library. See No. LT-4018/72].

(b) Three. They are at various stages of implementation.

(c) Three of these letters of intent relate to backward districts.

Issue of Licences in Kerala Districts for setting up of Industries

4243. SHRIMATI BHARGAVI THANKAPPAN: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) the names of Districts in Kerala for which licences for the establishment of industries are under consideration of the Central Government; and

(b) the time by which the decision is likely to be taken in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) District wise statistics relating to licence applications are not maintained. For the State of Kerala as a whole, 63 applications were pending as on 1st December, 1972.

(b) Every effort is being made to decide the pending applications as expeditiously as possible.

Utilisation of Funds for Small Scale Industries and Industrial Estates in Kerala

4244. SHRIMATI BHARGAVI THANKAPPAN: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether the entire approved outlay for 1972-73 in respect of small scale industries and Industrial Estates in Kerala State is expected to be fully utilised during the current/financial year;

(b) the progress of the works in respect of small scale industries as well as Industrial Estates, so far?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) Against a total outlay for Village & Small Industries of Rs. 208

lakhs approved by Planning Commission for the State of Kerala for 1972-73, the following expenditure is expected to be incurred during 1972-73:—

	(Rs. in lakhs)
Small Scale Industries	71.04
Industrial Estates	27.00

(b) 12682 small scale units have been registered with the State Director of Industries by 31st December, 1971. The position regarding industrial estates is as follows:—

(i) Total number of Industrial Estates	18
(ii) No. of sheds completed	533
(iii) No. of sheds allotted	476
(iv) No. of sheds occupied	451
(v) No. of personnel employed	3560
(vi) Value of production	Rs. 38 crores

बेरोजगार इंजीनियरों को लाइसेंस देना

4245. श्री फूलचन्द वर्मा : क्या औद्योगिक विकास मंत्री यह बताने को कृपा करेंगे कि बेरोजगार इंजीनियरों को गत तीन वर्षों में उद्योग चलाने के लिये कितने लाइसेंस दिये गये हैं ?

औद्योगिक विकास मंत्रालय में उपमंत्री (श्री सिद्धेश्वर प्रसाद) : इस मंत्रालय का सम्बन्ध (विकास तथा विनियमन) अधिनियम, 1951 के अधीन जारी किये गये औद्योगिक लाइसेंसों में है। चूंकि बेरोजगार इंजीनियरों के लिये एक वर्ग के रू में कोई विशेष व्यवस्था विद्यमान लाइसेंसिंग नीति में नहीं है, व जिनके लिये मध्यम, मुख्य अथवा भारी निवेश क्षेत्र में उद्योग चलाने हेतु सामान्यतः इस प्रकार के लाइसेंस की आवश्यकता पड़ती है। इस सम्बन्ध में अधिनियम के अधीन अलग से कोई जानकारी नहीं रखी जाती है।

सरकारी समितियों को लाइसेंस देना

4246. श्री फूलचन्द वर्मा : क्या औद्योगिक विकास मंत्री यह बताने को कृपा करेंगे कि :

(क) गत तीन वर्षों में कितनी सहकारी समितियों को नये उद्योग स्थापित करने के लिये लाइसेंस दिये गये ; और

(ख) इस सम्बन्ध में सहकारी समितियों को प्रोत्साहन देने के लिये क्या कार्रवाही की गई है अथवा करने का विचार है ?

औद्योगिक विकास मंत्रालय में उपमंत्री (श्री सिद्धेश्वर प्रसाद) :

(क) 1969	6
1970	19
1971	5
योग	30

(ख) जानकारी इकट्ठी की जा रही है और सभा पटल पर रख दी जायेगी।

Killing of a Security Force Personnel and other persons by underground Nagas during November, 1972

4248. SHRI V. MAYAVAN:
SHRI RAMSHEKHAR PRA-
SAD SINGH:

Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether a Security Force personnel was killed and eleven others injured by the underground Nagas on 14th November, 1972, at Zubza in Kohima; and

(b) if so, the action taken by Government in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI F. H. MOHSIN): (a) One Junior Commissioned Officer was killed

and twelve Other Ranks were wounded on November 14, 1972, when a convoy of the Security Forces was ambushed by the underground Nagas at milestone 33.3 on road Dimapur-Kohima in area 8 miles West North-West of Kohima.

(b) Curfew was imposed in ten villages around the place of occurrence. Civil police cordoned these villages for search and have undertaken investigations, which are still in progress.

The State Government are maintaining utmost vigilance against any attempt to disturb peace.

एम० सी० सी० की टीम के भारते के दौरे के समय क्रिकेट के मैचों का हिन्दी में आंखों देखा हाल प्रसारित करना

4249. श्री एम० एस० पुरती : क्या सूचना और प्रसारणमंत्री यह बनाने की कृपा करेंगे कि :

(क) क्या इस समय क्रिकेट के मैचों का पूरा-पूरा आंखों-देखा हाल हिन्दी में प्रसारित नहीं किया जाता है ; और

(ख) यदि हां, तो इसके क्या कारण हैं और क्या सरकार का विचार एम० सी० सी० की टीम के भारत दौरे के समय हिन्दी में आंखों देखा हाल प्रसारित करने का है ?

सूचना और प्रसारण मंत्रालय में उपमंत्री (श्री धर्मवीर सिंह) : (क) हिन्दी में आंखों देखा हाल हिन्दी भाषी केन्द्रों द्वारा प्रसारित किया जाता है ।

(ख) प्रश्न नहीं उठता ।

क्षेत्रीय भाषाओं को परीक्षा का माध्यम बनाना

4250. श्री एम० एस० पुरती : क्या प्रधान मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या क्षेत्रीय भाषाओं को असेनिक और सैनिक प्रतियोगिताओं/परीक्षाओं का

माध्यम बनाने के सम्बन्ध में सुविधाएं देने का कोई प्रस्ताव सरकार के विचाराधीन है ; और

(ख) यदि हां, तो प्रस्ताव का व्यौरा क्या है ?

गृह मंत्रालय और कार्मिक विभाग में राज्य मंत्री (श्री राम निवास मिश्रा) : (क) और (ख) भारत सरकार के अधीन सेवाओं में परीक्षाओं द्वारा भर्ती के सम्बन्ध में क्षेत्रीय भाषाओं के प्रयोग की शुरुआत वर्ष 1969 में की गई थी, जब कि भारतीय प्रशासनिक सेवा आदि की भर्ती के लिए सम्मिलित प्रतियोगिता परीक्षा में बैठने वाले उम्मीदवारों को दो अनिवार्य विषयों— निबन्ध तथा सामान्य ज्ञान में अपने उत्तर, अंग्रेजी के अतिरिक्त, संविधान की आठवीं अनुसूची में वर्णित किसी भी भाषा में लिखने का विकल्प दिया गया था । इसके साथ ही माथ, संघ लोक सेवा आयोग द्वारा ली जाने वाली सहायक ग्रेड परीक्षा में वर्ष 1964 से निबन्ध तथा सामान्य ज्ञान के प्रश्न पत्रों का उत्तर देने में अंग्रेजी के अलावा हिन्दी को भी एक वैकल्पिक माध्यम के रूप में मान लिया गया है । वर्ष 1971 से आशुलिपि की परीक्षा में बैठने वाले उम्मीदवारों को सामान्य ज्ञान के प्रश्न पत्रों का उत्तर लिखने तथा आशु लिपि परीक्षा में आशुलिपि का टेस्ट देने के लिये हिन्दी अथवा अंग्रेजी के विकल्प की अनुमति दी गई है । सिद्धान्त रूप से यह भी मान लिया गया है कि सहायक ग्रेड परीक्षा में 'अंकगणित' के प्रश्न पत्र के लिये वैकल्पिक माध्यम के रूप में हिन्दी के प्रयोग की भी अनुमति दी जाये । इसके अतिरिक्त संघ लोक सेवा आयोग वर्ष 1974 से अनुभाग अधिकारी ग्रेड सीमित विभागीय प्रतियोगिता परीक्षा, भारतीय विदेश सेवा (बी) सीमित विभागीय प्रतियोगिता परीक्षा तथा रेलवे बोर्ड सचिवालय सेवा अनुभाग अधिकारी ग्रेड सीमित विभागीय प्रतियोगिता परीक्षा की

योजना में शामिल कुछ विषयों के सम्बन्ध में अंग्रेजी के अलावा हिन्दी को भी परीक्षा के माध्यम के रूप में शुरू करने के बारे में सहमत हो गया है ।

अन्य विषयों तथा परीक्षाओं में जिनमें मैनिफेस्टो में भर्ती के लिये ली जाने वाली परीक्षार्थी भी सम्मिलित हैं, क्षेत्रीय भाषाओं को भी विकल्प के रूप में अपनाये जाने के प्रश्न पर उपरोक्त परीक्षाओं में प्राप्त अनुभव को दृष्टि में रखते हुये विचार किया जा सकेगा ।

Year

Idle Capacity in Wagon Industry

4251. DR. H. P. SHARMA: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state the wagon production capacity in the country that remained idle during each of the last three years indicating the installed capacity and actual production during these years?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): The requisite information is as under:—

Year	Installed capacity	Production	Idle capacity %
	(Nos. in terms of 4 wheelers)		
1969	33,869	12,149	64
1970	33,869	10,489	68
1971	33,869	8,016	76

Manufacture of Electric Typewriter by Hindustan Teleprinters

4252. DR. H. P. SHARMA: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether a final decision has been taken for granting a licence for manufacturing Electric Typewriters to the Hindustan Teleprinters;

(b) if so, the outlines of the schemes;

(c) the indigenous and foreign components in the contemplated typewriter; and

(d) at what stage the proposal stands at present and by what time manufacture is likely to start?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) M/s. Hindustan Teleprinters are already registered with the Directorate General of Technical Development

for the manufacture of Electric Typewriters for an annual capacity 500 Nos. to begin with. This capacity will be stepped up to 4000 Nos. per annum in the course of the next four years. The ultimate capacity will be 12000 Nos. per annum.

(b) and (c). The salient features of the scheme together with the indigenous and foreign component are given below:

(i) Annual capacity	500 Nos. p.a. (to begin with)
(ii) Requirement of capital goods :	Imported 1.35 lakhs Indigenous 1.57 lakhs

Total - 2.92 lakhs.

(iii) Annual requirements of imported raw materials & Components	Components Rs. 29,000 Raw materials Rs. 39,500
--	---

(d) The first batch of electric typewriters is expected to be available in early 1973.

Funds for National Small Industries Corporation

4253. SHRI RAM BHAGAT PASWAN: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether his Ministry has proposed that the funds of National Small Industries Corporation should be increased by enhancing its share capital;

(b) whether the Ministry of Finance has not approved this proposal; and

(c) if so, the reasons therefor?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) to (c). The matter is under consideration.

Religious Conversations in North East Region

4254. SHRI RAM BHAGAT PASWAN: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether there are complaints against the religious conversations for encouraging religious conversions in the North-East region; and

(b) if so, the proposed steps to prevent conversions and curb the activities of such religious conversations?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS AND IN THE DEPARTMENT OF PERSONNEL (SHRI RAM NIWAS MIRDHA): (a) and (b). No specific complaints have been received against religious conversions as such, though misgivings had been expressed about permitting foreigners to participate in religious functions organised as parts of centenary celebrations in Nagaland of the establishment of Baptist Churches. Existing legal provisions are adequate to deal with religious conversions by use of force, intimidation and fraudulent means.

Paper Mill in Madhya Pradesh

4255. SHRI Y. ESWARA REDDY: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether a study has revealed that there is enough bamboo in Madhya Pradesh to set up a new paper mill; and

(b) if so, the decision taken by Government in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) and (b). Pre-investment survey of Bastar area in M.P. was undertaken. The survey revealed that adequate raw materials were available for setting up a paper mill in that area. A letter of intent has accordingly been granted to a party.

Appointment of whole-time Members of National Committee on Science and Technology

4256. SHRI SUKHDEO PRASAD VERMA: Will the Minister of SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether the Association of Scientific Workers of India has urged the Government to appoint whole-time members of the National Committee on Science and Technology; and

(b) if so, the reaction of the Government in this regard?

THE MINISTER OF INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY (SHRI C. SUBRAMANIAM): (a) Government has seen reports appearing in a section of the press that the ASWI has adopted a resolution urging Government to appoint whole-time members of the National Committee on Science and Technology. No formal request, as such, has, however, been received from ASWI.

(b). The Government does not presently contemplated any change in the composition of the present NCST. It is pos-

sible for members even under the present set up to work full-time for finite periods for specific tasks.

Scheme to diversify Agricultural Activities during Fifth Plan

4257. SHRI SUKHDEO PRASAD VERMA: Will the Minister of PLANNING be pleased to state:

(a) whether Government have formulated a scheme to diversify the agricultural activities in the next five year plan period; and

(b) if so, the salient features thereof and its effects on the growth of production?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a) The Fifth Plan is in the process of formulation and no particular view in this regard has yet been taken.

(b) Does not arise.

Allegations against Haryana Chief Minister

4258 SHRI B. K. DASCHOWDHURY: Will the PRIME MINISTER be pleased to state:

(a) whether Government have taken any decision on the allegations made against the Haryana Chief Minister;

(b) if so, the action taken in pursuance of the decision; and

(c) if not, the time by which it is likely to be decided?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS AND IN THE DEPARTMENT OF PERSONNEL (SHRI RAM NIWAS MIRDHA): (a) to (c). The allegations made against the Chief Minister of Haryana in the two memoranda submitted to the President by Shri Bhagwat Dayal Sharma, M.P., on the 27th October, 1971 and the 24th February 1972, are still under examina-

tion. A final decision in the matter is expected to be taken shortly.

Reservation for Scheduled Castes and Scheduled Tribes in National Research Development Corporation of India

4259. SHRI B. K. DASCHOWDHURY: Will the Minister of SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether reservation system on various posts/services is followed in the National Research Development Corporation of India for Scheduled Castes and Scheduled Tribes community;

(b) if so, how many employees belonging to Scheduled Castes/Scheduled Tribes communities have been promoted by seniority/recruited in the Corporation on various posts during last 3 years so as to give reservation benefit to the Scheduled Tribes community; and

(c) if not, the steps Government proposed to take to create reservations in the Corporation and upto what time the reserved vacancies/posts will be filled up by promotion?

THE MINISTER OF INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY (SHRI C. SUBRAMANIAM): (a) Yes, but the reservation orders do not apply to Officers' posts, as they fall under the category "Scientific or Technical" vide Clause 7 page 4 (Brochure on "Reservation of Scheduled Castes and Scheduled Tribes)."

(b) The information is as follows:—

Category	Recruitment		Promotion	
	SC/ST	OC	SC/ST	OC
Class III				
LDC	—	1	—	1
Stenotypist	—	2	—	—
Assistants	—	—	—	3
Class IV	—	—	—	—
U.D.C.	—	—	2	2

(a) Steps have been taken to reserve posts for Scheduled Castes/Scheduled Tribes candidates according to Government regulations and recruitment will be made accordingly.

Reduction of Regional Imbalances during Fifth Plan

4260. SHRI P. NARASIMHA REDDY: Will the Minister of PLANNING be pleased to state:

(a) the special measures proposed to be taken and the provisions to be incorporated in the Fifth Five Year Plan for massive reduction of regional imbalances; and

(b) the institutional set-up contemplated to ensure effective implementation of the measures?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a) and (b). The Approach to the Fifth Plan is still in the stage of finalisation. Therefore, it is not possible to indicate at this stage the contemplated special measures the provisions to be incorporated in the Fifth Plan for reduction of regional imbalances and the institutional set-up necessary to ensure this objective.

Documentary Film on Kumaran Asan Malayalee Poet

4261. SHRI C. K. CHANDRAPPAN: Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) whether the Kerala Government have approached the Centre with a request to produce a documentary film based on the life of the great Malayalee poet Kumaran Asan, in connection with his birth centenary in 1973;

(b) whether the Kerala Government have approached the Film Finance Corporation for financial assistance for the production of films based on Kumaran Asan's works; and

(c) if so, the decisions taken thereon?

THE DEPUTY MINISTER IN THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI DHARAM BIR SINHA): (a) No, Sir. However, on the suggestion of the Kumaran Asan Memorial Committee, a proposal to make a

documentary film on Kumaran Asan is under consideration.

(b) No, Sir.

(c) Does not arise.

Implementation of the Bhabha Committee (1965) Recommendations on Electronics

4262. SHRI C. K. CHANDRAPPAN: Will the PRIME MINISTER be pleased to state:

(a) the present position of the Electronics industry in the country;

(b) whether Government have given any serious attention to the report submitted by the Bhabha Committee in 1966; and

(c) if so, the time by which its recommendations are likely to be implemented?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI K. C. PANT): (a) to (c). The Electronics Industry in the country has been developing rapidly. The Bhabha Committee had made an assessment that in 1964-65 the total annual production in this industry, consisting of electronic devices and components, was Rs. 30.5 crores. This annual turnover has stepped upto Rs. 175 crores in 1970-71. Though the total production is only marginally different from the predictions in the Bhabha Committee Report, there has been marked sectoral variation, in as much as the production of consumer electronic items has been twice the predictions of the Bhabha Report and the production of professional electronic equipment has been only to the extent of half the predictions. The sectoral physical targets set out in the Bhabha Report thus need reconsideration. Further, since the completion of the Bhabha Committee Report in 1965 there have been significant developments in electronics which is a fast moving field with a high rate of obsolescence. The development of new materials, advances in Solid State electronics with the miniaturisation involved etc. has considerably altered the possibilities

in many areas e.g. computers, etc. There is thus need for considerable re-valuation and updating.

Government accepted all the recommendations made by the Bhabha Committee. For advising the Government in the implementation of the recommendations an Electronics Committee was appointed under the Chairmanship of late Dr. V. A. Sarabhai in June 1966.

Recognizing the importance of developing an integrated and self reliant electronics industry in the country and the need for rapid progress in this regard, Government constituted a separate Department of Electronics with effect from June 1970. In February 1971 Government constituted the Electronics Commission under the Chairmanship of Prof. M. G. K. Menon, F.R.S.

The Electronics Commission has made a detailed study of the recommendations contained in the Bhabha Committee Report. Whilst Government have accepted the Bhabha Committee Report in full in its basic approach the details in it cannot be regarded as absolute from the view point of implementation. The Electronics Commission has taken up the task of providing implementation strategies. The Information Planning and Analysis Group (IPAG) of the Electronics Commission at Bombay is making in depth analysis and studies of a variety of areas in electronics. This Group has already prepared over twenty reports. Additionally, expert technical panels have also been constituted in specific areas of importance, like electronic desk calculators, glass bulb and picture tubes for television, connectors, ferrites, semiconductors and mini-computers.

Now that expert views on implementation in several important areas are available, steps are being taken by the Electronics Commission for effective accomplishment of these in several areas. Considerable attention is also being paid to the development of indigenous knowhow through appropriate R and D. In January 1973 the Electronics Commission is organising a National Seminar on R and D in electronics.

Difficulties Experienced in the Implementation of Fourth Plan

4263. SHRI D. D. DESAI: Will the Minister of PLANNING be pleased to state:

(a) whether the Government are aware that certain impediments came in the way of the implementation of the Fourth Plan; and

(b) if so, the steps Government have taken or propose to take to ensure that the same impediments do not reappear at the time of the implementation of the Fifth Plan?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a) Yes, Sir. Attention of the Hon'ble Member is invited to the Fourth Plan Mid-term Appraisal Document placed before the Parliament on 22nd December, 1971, and discussed in the House on 5th and 6th April, 1972.

(b) Action has been initiated on some of the corrective measures indicated in the Document itself such as:

(i) High priority being given to optimum utilisation of capacity;

(ii) Undertaking detailed exercises for identifying the measures necessary to increase output in public and private sector industries;

(iii) Greater emphasis on export promotion;

(iv) Import substitution to proceed with greater urgency;

(v) Issue of detailed guidelines to State Governments and Central Ministries to ensure greater financial discipline;

(vi) Setting up Planning machinery at State level;

(vii) Introducing multi-level planning including district planning;

(viii) Building up a data and information system;

(ix) Monitoring of selected sectors to watch implementation;

(x) Assessing shortage of basic materials and undertaking suitable measures to remove shortages;

(xi) Taking measures for removing transport bottlenecks.

Growth of Milk Industry

4264. SHRI INDER J. MALHOTRA: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) the outlines of schemes for providing assistance for the growth of milk industry in the shape of import of machinery, spares and equipment, raw materials, imported as well as indigenous, packing material, movement facilities, loans etc.; and

(b) whether Government have surveyed potential areas in regard to availability of milk for setting up of products plants to meet growing requirements of milk scarcity areas and urban centres?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) and (b). The keynote on the growth of the milk industry in the 5th Plan is to increase milk production rapidly by an aggressive cross-breeding programme through a package proposal of improving the breed and making available high yielding milch animals to the farmers.

Dairy equipment and machinery, by and large are being manufactured in the country. Such of those items of equipments and spares, which are not produced in the country and are required by the Dairy Industry are considered for import.

To meet the growing requirements of milk in the four urban cities of Bombay, Calcutta, Delhi and Madras, Government have already launched a massive milk marketing and dairy development programme commonly known as 'Operation Flood' designed to increase the milk processing facilities of the public sector dairies.

Distribution of milk to the urban population has a priority over the milk products manufacture. Wherever surplus fluid milk is available, all encouragement is being given for setting up product factories to meet the growing requirements of the milk scarcity areas.

Industrial Undertakings of 75 Large Houses proposed to be brought under Joint Sector

4265. SHRI BHOGENDRA JHA: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to refer to the reply given to Starred Question No. 45 on the 15th November, 1972 regarding definition of Joint Sector and state:

(a) which are the specific industrial undertakings owned by big business and in particular the 75 houses named by the Monopolies Commission, in which loans and debentures advanced by public financial institutions have been or are proposed to be turned into equity shares;

(b) whether in view of the 'Tatas' preference for joint sector, the Telco, Tisco and other Tata Undertakings are going to be turned into joint sector; and

(c) if not, the reasons therefor?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) Following the acceptance by Government of the concept of joint sector, enunciated by the Industrial Licensing Policy Inquiry Committee, whereby the public financial institutions would have the option for conversion of loans and debentures advanced by them to the industrial undertakings into equity, the public financial institutions have started imposing a condition to this effect in the grant of loans by them to the industrial undertakings. The question of exercise of option for conversion of such loans into equity would be considered by the institutions only after the projects have reached the stage of profitable operations. As the institutions have introduced such conditions only recently, the question of exercise of the option has not arisen so far.

(b) and (c). Decisions for conversion of loans into equity will be taken by public financial institutions in industrial cases after considering the circumstances of each case.

Review of Letters of Intent/Licences issued to 75 Large Houses

4266. SHRI BHOGENDR JHA: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to refer to the reply given to Starred Question No. 56 on 15th November, 1972, regarding review of licences and letters of intent issued during 1970-71 and 1971-72 and state:

(a) the particulars of licences who have been warned, or whom final extension has been given or extension refused or whose licences have been revoked or cancelled; and

(b) whether the position has been or is proposed to be reviewed with regard to the progress made in cases of Letters of Intent or Licences given to the 75 large houses named by the Monopolies Commission: if so, the result thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) Particulars of licenses, who have been warned or to whom final extension has been given/refused are not generally disclosed. The particulars of licences revoked or cancelled are published regularly in the 'Weekly Bulletin of Industrial Licences, Import Licences and Export Licences' the weekly 'Indian Trade Journal' and the monthly 'Journal of Industry and Trade'. Copies of these publications are supplied regularly to the Parliament Library.

(b) The progress made in cases of letters of intent and licences given to large Houses is reviewed, as in other cases, in the manner stated in the reply given to Starred Question referred by the Hon. Member.

बिहार खादी ग्रामोद्योग संघ को दिये गये ऋणों का गबन

4267. श्री भोगेन्द्र झा : क्या औद्योगिक विकास मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या सरकार ने खादी ग्रामोद्योग आयोग के माध्यम से बिहार खादी ग्रामोद्योग संघ को 6 करोड़ रुपये का ऋण दिया था; और

(ख) क्या संघ के विभिन्न केन्द्रों में 50 लाख रु० का गबन किया गया है ?

औद्योगिक विकास मंत्रालय में उपमंत्री (श्री सिद्धेश्वर प्रसाद) : (क) खादी तथा ग्रामोद्योग आयोग ने बिहार खादी ग्रामोद्योग संघ को ऋण दिया था, जिसमें से 5.46 करोड़ रुपये की राशि 31-3-1972 को संघ पर बकाया थी।

(ख) जानकारी डकट्टी की जा रही है और मभा पटल पर रख दी जायेगी।

बिहार खादी ग्रामोद्योग संघ का विकेन्द्रीकरण

4268. श्री भोगेन्द्र झा : क्या औद्योगिक विकास मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या बिहार खादी ग्रामोद्योग संघ के निदेशक मण्डल ने 5 अक्टूबर, 1972 को हुई अपनी बैठक में अपना विकेन्द्रीकरण करने का निर्णय किया है;

(ख) क्या बिहार खादी ग्रामोद्योग संघ श्रमिक संघ ने इस निर्णय का विरोध किया है तथा निदेशक मण्डल को भंग करने तथा संघ को सरकार द्वारा अपने नियंत्रण में लिये जाने की मांग की है; और

(ग) यदि हां, तो इस पर सरकार की क्या प्रतिक्रिया है ?

औद्योगिक विकास मंत्रालय में उपमंत्री (श्री सिद्धेश्वर प्रसाद) : (क) से (ग). सूचना इकट्ठी की जा रही है तथा सभा पटल पर रख दी जायेगी ।

Request from Rajasthan Government to change the name of village Bairath

4269. SHRI NAWAL KISHORE SHARMA: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether Government of Rajasthan has sought the permission of the Government of India to change the name of village Bairath of Mahabharat fame in Jaipur District to Virat Nagar;

(b) if so, whether Government of India have acceded to the request; and

(c) if not, the reasons therefor?

THE DEPUTY MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI F. H. MOHSIN): (a) to (c). The Government of Rajasthan, who had sought approval of Government of India in regard to change in the name of village 'Bairath' to 'Virat Nagar', were requested in January, 1972, to furnish evidence in support of the claim that the village was known as Virat Nagar in ancient times. The reply of the State Government was received only a few days ago and the material furnished by them is being examined.

Exchanges proposed to be set up during Fourth Plan Period

4270. SHRI M. S. SANJEEVI RAO: Will the Minister of COMMUNICATIONS be pleased to state:

(a) the number of Telephone Exchanges proposed to be set up during the Fourth Plan Period; and

(b) the number of exchanges set up so far?

THE MINISTER OF COMMUNICATIONS (SHRI H. N. BAHUGUNA): (a) The Fourth Five Year Plan provided for the installation of 1500 addi-

tional telephone exchanges and augmenting the exchange capacity by 5.65 lakh lines.

(b) So far during the 4th Plan period 834 additional telephone exchanges have been set up and 2.76 lakh exchange lines have been added upto 30th September, 1972.

Expenditure incurred on Public Undertakings Advertisements

4271. SHRI INDRAJIT GUPTA: Will the Minister of INFORMATION AND BROADCASTING be pleased to state.

(a) the amount of money spent by the Central Government public undertakings on newspaper advertisements; in 1970-71 and 1971-72; and

(b) the amounts paid for this work to private advertising agencies?

THE DEPUTY MINISTER IN THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI DHARAM BIR SINHA): (a) and (b). The information sought is not available with the Ministry of Information and Broadcasting, since the functioning of these enterprises comes under various Ministries.

Public Undertakings Advertisements to Newspaper,

4272. SHRI INDRAJIT GUPTA: Will the Minister of INFORMATION AND BROADCASTING be pleased to state.

(a) the names of the first ten newspapers which received the highest quantum of advertisements from various public sector undertakings during the last three years; and

(b) the amount of money received by each newspaper for these advertisements?

THE DEPUTY MINISTER IN THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI DHARAM BIR SINHA): (a) and (b). The information sought is not available with the Ministry of Information and Broadcasting, since the functioning of these enterprises comes under various Ministries.

बिहार में संयुक्त उद्यम के रूप में उद्योगों का विकास

4273. श्री मधुकर : क्या औद्योगिक विकास मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या संयुक्त उद्यमों के रूप में उद्योगों के विकास हेतु बिहार सरकार ने कोई योजना बनाई है;

(ख) क्या यह योजना केन्द्रीय सरकार को प्राप्त हो गई है;

(ग) यदि हाँ, तो योजना के अन्तर्गत बिहार में कितने नये उद्योग स्थापित करने का प्रस्ताव है और इन तारे में अब तक कितनी प्रगति हुई है; और

(घ) क्या केन्द्रीय सरकार ने भी बिहार औद्योगिक प्रगति के बारे में समय समय पर रिपोर्ट मांगने की व्यवस्था की है ?

औद्योगिक विकास मंत्रालय में उपमंत्री (श्री सिद्धेश्वर प्रसाद) : (क) में (ग). औद्योगिक विकास मंत्रालय को न तो इस प्रकार की कोई योजना मिली है और न राज्य सरकारों से औद्योगिक प्रगति के बारे में समय समय पर रिपोर्ट मांगने का ही कोई प्रस्ताव है । फिर भी बिहार राज्य औद्योगिक विकास निगम ने उद्योग (विकास तथा विनियमन) अधिनियम, 1951 के अन्तर्गत कंप्लैन्टम, अमोनिया सल्फेट, कांच की बॉतलें, बीयर, पार्टिकल बोर्ड, आक्सीजन और एपिटीलीन, सोडा ऐश और अमोनियम क्लोराइड का निर्माण करने के लिए 1972 में 6 आवेदन पत्र प्रस्तुत किये हैं, जिन पर विभिन्न अवस्थाओं में विचार किया जा रहा है ।

(घ) विभिन्न राज्य सरकारों से समय-समय पर परामर्श किये जा रहे हैं ।

बिहार में सरकारी क्षेत्र की अपेक्षा गैर-सरकारी क्षेत्र में अधिक उद्योगों की स्थापना

4274. श्री मधुकर : क्या औद्योगिक विकास मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या चौथी पंचवर्षीय योजना के दौरान बिहार में सरकारी क्षेत्र की अपेक्षा गैर-सरकारी क्षेत्र में अधिक उद्योगों की स्थापना की गई है ;

(ख) क्या सरकार की यह नीति है कि बिहार में गैर-सरकारी क्षेत्र की अपेक्षा सरकारी क्षेत्र में पूर्ण निवेश को अधिक प्रोत्साहन दिया जाये;

(ग) यदि हाँ, तो बिहार में गैर-सरकारी पूँजी के विस्तार के क्या कारण हैं; और

(घ) उक्त अवधि में बिहार में सरकारी तथा गैर-सरकारी क्षेत्र में पूँजी निवेश के तुलनात्मक आंकड़े क्या हैं ?

औद्योगिक विकास मंत्रालय में उपमंत्री (श्री सिद्धेश्वर प्रसाद) : (क) से (घ). चौथी योजना के दौरान बिहार राज्य में लगभग 15 केन्द्रीय औद्योगिक परियोजनाओं को पूरा करने/स्थापित करने के लिए लगभग 800 करोड़ रु० परिव्यय करने का विचार किया गया है । इसके साथ ही चौथी योजना में मध्यम तथा बड़े उद्योगों पर राज्य सरकार द्वारा 7 करोड़ रु० परिव्यय किये जाने का संकेत मिला है ।

गैर-सरकारी क्षेत्र में, वर्ष 1969, 1970, 1971 और 1972 के प्रथमार्ध में बिहार राज्य के लिए 57 लाइसेंस और 39 आशयपत्र जारी किये गये हैं । लाइसेंस/आशयपत्र के लिए अनेक आवेदन विचाराधीन भी हैं । गैर-सरकारी क्षेत्र की उपर्युक्त औद्योगिक परियोजनाओं पर हुए वास्तविक विनियोजन के आंकड़े उपलब्ध नहीं हैं ।

सरकार की नीति सरकारी तथा गैर-सरकारी दोनों ही क्षेत्रों का संतुलित विकास करने की है।

बिहार में पिछड़े जिलों में उद्योगों की स्थापना

4275. श्री मधुकर : क्या औद्योगिक विकास मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या बिहार में औद्योगिक दृष्टि से पिछड़े जिलों का कोई मूल्यांकन किया गया है;

(ख) यदि हां, तो ऐसे पिछड़े जिलों के नाम क्या हैं और केन्द्रीय सरकार की सहायता से वहाँ स्थापित किये जा रहे उद्योगों के नाम क्या हैं;

(ग) क्या उम प्रान्त के पिछड़े जिलों में उद्योगों की स्थापना हेतु बिहार सरकार ने कोई योजना तैयार की है; और

(घ) यदि हां, तो इसका व्योम क्या है और योजना को कब तक क्रियान्वित किया जायेगा ?

औद्योगिक विकास मंत्रालय में उपमंत्री (श्री सिद्धेश्वर प्रसाद) : (क) और (ख). पाण्डे कार्यकारी दल ने बिहार को पिछड़े हुए राज्यों में से एक राज्य माना है। इस राज्य के दरभंगा, भागलपुर, चंपारन, पलामाऊ और मन्थाल परगना नामक छ जिलों को 10 प्रतिशत केन्द्रीय राज्य सहायता के लिए चुना गया है। इनके अलावा मारन, पूर्णिया और मुजफ्फरपुर जिले वित्त देने वाली केन्द्रीय संस्थाओं की गियायती वित्त योजना के हकदार भी है, भारतीय औद्योगिक विकास बैंक के औद्योगिक सर्वेक्षण में सीमेन्ट, कोयला, पेट्रोल, रसायन, वस्त्र, गूट की वस्तुएं, चीनी, एल्यूमिनियम, अभ्रक, मृदभांड, कागज, दुग्ध-शाला, उर्वरक, इस्पात आदि में संबंधित उद्योगों की परियोजनाओं को स्थापित करने

का उल्लेख किया है, यह मुख्य रूप से राज्य सरकार का कर्तव्य है कि वह ऐसा वातावरण तैयार करे जिसमें भारत सरकार, वित्त देने वाली केन्द्रीय संस्थाएं और राज्य की अपनी प्रोत्साहन योजनाओं द्वारा उपलब्ध प्रोत्साहनों से पिछड़े इलाकों के इन क्षेत्रों में उद्योग स्थापित करने को उद्यमी आकृष्ट हों। चम्पारन, पलामाऊ, दरभंगा, मन्थाल परगना, भागलपुर, पूर्णिया जिलों में इंजीनियरी और रसायनिक वस्तुओं (कागज सहित) के निर्माण में लगे हुए एककों को वित्त देने वाली केन्द्रीय संस्थाओं द्वारा गियायती दरों पर लगभग 17 करोड़ रुपये की वित्तीय सहायता स्वीकृत की गई है।

(ग) तथा (घ). भारत सरकार को अभी तक इस प्रकार की किसी भी योजना का पता नहीं है।

बिहार में बन्द पड़े औद्योगिक कारखानों को पुनः चालू करना

4276. श्री मधुकर : क्या औद्योगिक विकास मंत्री यह बताने की कृपा करेंगे कि :

(क) बिहार में मध्यम तथा बड़े पैमाने के कितने औद्योगिक कारखाने गए एक वर्ष से बन्द पड़े हैं;

(ख) इसके कारण कितने मजदूर बेरोजगार हुए हैं;

(ग) इसके क्या कारण हैं; और

(घ) इस सम्बन्ध में सरकार ने क्या कार्यवाही की है ?

औद्योगिक विकास मंत्रालय में उपमंत्री (श्री सिद्धेश्वर प्रसाद) : (क) से (घ) सूचना मांगी गई है और प्राप्त होने पर सभा पटल पर रख दी जायेगी।

पांचवी योजना के दौरान बिहार में लघु उद्योगों का विकास:

4277. श्री मधुकर : क्या औद्योगिक विकास मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या बिहार राज्य लघु उद्योगों के विकास के मामले में कई अन्य राज्यों से पिछड़ा हुआ है ;

(ख) यदि हां, तो चौथी पंचवर्षीय योजना के दौरान बिहार में लघु उद्योगों में पूँजी निवेश की गति क्या है और महाराष्ट्र, मैसूर, गुजरात, पंजाब और हरियाणा की तुलना में इसकी स्थिति क्या है ;

(ख) क्या पांचवी योजना के दौरान बिहार में लघु उद्योग के तीव्र गति से विकास के लिए सरकार ने कोई योजना बनाई है ; और

(ग) यदि हां, तो उसकी रूपरेखा क्या है ?

औद्योगिक विकास मंत्रालय में उपमंत्री (श्री सिद्धेश्वर प्रसाद) : (क) और (ख). बिहार, महाराष्ट्र, मैसूर, गुजरात, पंजाब तथा हरियाणा में लघु उद्योगों के बारे में चौथी योजना परिव्यक्तथा किया हुआ व्यय इस प्रकार है :—

क्र०	राज्य का	चौथी	1969-	1970-	1971-72	1972-73	योग
सं०	नाम	योजना	70	71	पूर्वानुमानित	स्वीकृत परि-	
		परिव्यक्त	वास्तविक	वास्तविक	व्यय	व्यय	
1.	बिहार	385.00	42.31	60.78	78.79*	71.25**	253
2.	महाराष्ट्र	300.00	34.53	56.48	63.42	72.17	226
3.	मैसूर	125.00	18.72	11.59	15.51	15.00	60
4.	गुजरात	156.00	23.91	22.05	31.93*	88.12**	166
5	पंजाब	783.15	139.53	115.42	67.40*	65.05**	387
6.	हरियाणा	353.00	40.27	45.69	51.65*	34.57**	172

*इन आंकड़ों से वास्तविक व्यय का पता चलता है ।

**इन आंकड़ों से पूर्वानुमानित व्यय का पता चलता है ।

(ग) और (घ). लघु उद्योग विकास संगठन द्वारा तैयार किए गए प्रस्ताव में पांचवी पंचवर्षीय योजना की अवधि में देश में 2 लाख नए एकक स्थापित किए जाने की संभावना बताई गई है । राज्य-वार व्यौरा तैयार नहीं किया गया है ।

Withdrawal of Accreditation of New 'Maratha' by PIB

4278. SHRI S. C. SAMANTA: Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) whether the Press Information Bureau has recently withdrawn accredi-

tation of the New Delhi Correspondent of Bombay daily 'Maratha'; and

(b) whether Government will lay complete records of exchange of all correspondence between the newspaper and the PIB and his Ministry regarding the staffs and working of this correspondent during the last three years ending November, 1972?

THE DEPUTY MINISTER IN THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI DHARAM BIR SINHA): (a) Yes, Sir.

(b) Copies of the relevant correspondence are laid on the Table of the House. [Placed in Library. See No. LD-4019/72].

राज्यों द्वारा प्रस्तुत विशेष रोजगार योजनाएं

4279. श्री ओंकार लाल बेरवा : क्या योजना मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या विभिन्न राज्यों द्वारा भेजी गई विशेष रोजगार योजनाओं के लिए चालू वर्ष में 90 करोड़ रुपए की धनराशि मंजूर की गई है ; और

(ख) यदि हां, तो विभिन्न राज्यों द्वारा भेजी गई योजनाओं की मुख्य बातें क्या हैं और अब तक कितने लोगों को नियमित तथा उचित रोजगार दिया गया है ?

योजना मंत्रालय में राज्य मंत्री (श्री मोहन धारिया) : (क) और (ख) : ग्रामीण तथा शहरी रोजगार चाहने वाले लोगों के लाभार्थ विशेष रोजगार कार्यक्रमों को तैयार करने के लिए जनसंख्या के आधार पर विभिन्न राज्य सरकारों को सहायता प्रदान करने हेतु केन्द्रीय बजट 1972-73 में 26.5 करोड़ रुपए की धनराशि आबंटित की गई थी। ऐसा करते समय यह मान लिया गया था कि राज्य सरकारें भी कम से कम इतनी ही मात्रा में अतिरिक्त संसाधन जुटावेंगी। संघ शासित क्षेत्रों को भी ऐसे ही कार्यक्रम प्रारम्भ करने के लिए 50 लाख

रुपए की राशि आबंटित की गई थी। कुछ राज्य सरकारों ने अतिरिक्त संसाधन जुटा सकने में असमर्थता प्रकट की तथा अपने कार्यक्रम उसी सीमा में तैयार किए जितनी कि केन्द्रीय सहायता मिली थी। राज्य सरकारों तथा संघ शासित क्षेत्रों द्वारा तैयार किए गए प्रस्तावों की जिनमें कि 42.2 करोड़ रुपए का परिव्यय लगेगा, योजना आयोग द्वारा स्वीकृति दी जा चुकी है। आशा है कि इन कार्यक्रमों से 3.70 लाख रोजगार के अवसर उत्पन्न होंगे जिनमें कि 11,000 इंजीनियर भी शामिल हैं। इन योजनाओं की मुख्य बातें "रोजगार के अवसर" नामक पुस्तिका में बताई गई हैं, जिसकी प्रतियां संसद के पुस्तकालय में उपलब्ध हैं तथा संसद सदस्यों में परिचालित भी कर दी गई हैं।

Reasons for Poverty in the Country

4280. SHRI SOMCHAND SOLANKI: Will the Minister of PLANNING be pleased to state the main reasons by which the acute poverty in our country prevails though Government have tried to adopt several measures to remove poverty?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): Poverty in India is the result of (1) under-development and (2) inequality. The measures taken to develop the country and reduce inequality have shown some results but not enough to alter the situation basically. It is, therefore, proposed to considerably intensify efforts in this direction in the Fifth Plan.

'Maratha' Accredited Correspondent in Delhi

4281. SHRI MADHURYA HALDAR: Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) since when the 'Maratha' daily of Bombay is maintaining a fulltime acce-

dited correspondent in New Delhi covering the Central Government through PIB facilities;

(b) whether in February, 1972 the Press Information Bureau received a letter from this newspaper informing it that the correspondent concerned covers only the two Houses of Parliament and not the Government; and

(c) the reasons why Government failed to withdraw the accreditation facilities given to this correspondent immediately?

THE DEPUTY MINISTER IN THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI DHARAM BIR SINHA): (a) The paper had an accredited correspondent in New Delhi from March 14, 1969 to August 27, 1972.

(b) and (c). A letter from the Managing Director of Maharashtra Papers Private Ltd., Bombay, Proprietors of the paper, was received in April, 1972, which, *inter alia*, stated: "Shri Dipak B.R. Chaudhari is our Delhi correspondent to cover the proceedings of Lok Sabha and Rajya Sabha. He is not on our regular paid staff".

While action on this letter was under consideration, Shri Chaudhari was found to have indulged in unprofessional conduct. The matter was considered by the Central Press Accreditation Committee, on whose recommendation his accreditation was withdrawn.

Alleged Involvement of a Press Correspondent as an Agent of Enemy Countries

4282. SHRI MADHURYA HAIDAR: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether a Press Correspondent accredited to the Central Government, formerly working for "Basumati" and presently for "Maratha" was found to be an agent/informant of enemy countries, and

(b) what are the reasons of failure of the Home Ministry and various Bureaus to keep the Press Information Bureau in-

formed about the connections of this Journalist?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI K. C. PANT): (a) No, Sir.

(b) There was no such failure and the question does not arise.

Nude and Provocative advertisements of Cabaret dancers in newspapers

4283. SHRMATI SAVITRI SHYAM: Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) whether nude and provocative pictures of cabaret dancers appear as advertisements in almost all the newspapers in Delhi and other big cities;

(b) whether such advertisements have a harmful effect on the tender minds of younger generation; and

(c) if so, whether Government propose to stop such advertisement in newspapers and journals and if so, when?

THE DEPUTY MINISTER IN THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI DHARAM BIR SINHA): (a) and (b). Nude pictures are not published though the illustrations sometimes could be regarded as indecent and provocative and causing harmful effects. This question will be examined, in all its aspects, in consultation with the Ministry of Home Affairs and other concerned interests.

(c) Appeals have been made to the newspaper industry to desist from publishing such advertisements. Punitive action is to be taken by the authorities under the State Government concerned.

Jobs for Educated Unemployed

4284. SHRI P. VENKATESUBBALAH: Will the Minister of PLANNING be pleased to state:

(a) whether the schemes to provide jobs to educated unemployed have not made any headway;

(b) if so, the reasons therefor; and

(c) the steps taken or proposed to be taken to gear up the scheme?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a) to (c). The schemes for educated unemployed were initiated in 1971-72 and an amount of Rs. 12.07 crores was sanctioned for the following programmes;

(1) Expansion and improvement of the quality of primary education,

(2) Rural Engineering Surveys,

(3) Agro Service Centres,

(4) Expansion of consumer cooperative stores,

(5) Financial assistance to entrepreneurs for setting up of industries.

(6) Advance action on investigation of road works in the Fifth Plan in the Central Sectors; and

(7) Setting up of design units for rural water supply. These being new schemes, it took some time for the Ministries for formulating programmes and sanctions could be issued only after November, 1971. A total of Rs. 9.81 crores was finally released to the State Governments during the year for the implementation of these programmes. A provision of Rs. 41.95 crores has been made for the continuation and expansion of these programmes during 1972-73. The schemes already formulated in 1971-72 are in progress and it is expected that they would be fully implemented during 1972-73.

An amount of Rs. 20 crores for 1972-73 has also been earmarked for financing schemes for the employment of scientists and engineers. The necessary schemes are being drawn up by different agencies who have a potential for such employment. The Department of Science and Technology also have constituted Panels of Scientists to formulate such schemes.

The schemes contemplated would generally include:—

(1) Surveys and investigations for irrigation and power projects,

(2) Natural Resources Survey,

(3) Research and Development Projects for Technological self-reliance,

(4) Training Programmes; and

(5) Self employment of scientists and technicians.

Schemes for the Scientists involving an outlay of Rs. 7.62 crores have already been approved by the Planning Commission.

Besides, several other schemes introduced by the Government and mentioned in the Planning Commission Brochure "Employment Opportunities" will also provide employment to educated unemployed of various categories.

The main reasons for the slow progress in utilization of the funds sanctioned under these schemes were the time taken for preparation of grade lines, formulation of programmes by Central Ministries and State Governments, and time taken to appoint the staff and organise administrative machinery.

Even though it is too early to assess the exact impact of these schemes, the progress of these schemes is being constantly reviewed by the Ministries as well as the Planning Commission and all possible efforts are being made to effect expeditious implementation of the programmes.

Removing unemployment in States

4285. SHRI P. VENKATASUBBAIAH: Will the Minister of PLANNING be pleased to refer to the reply given to Unstarred Question No. 1203 on 22nd November, 1972 regarding schemes submitted by States for removing unemployment and state.

(a) whether in the absence of a special body at the State level to organise, monitor and guide the execution the schemes are being delayed and there is reported to be no follow-up agency for the purpose; and

(b) if so, the steps proposed to be taken in this direction.

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a) and (b). These schemes have been initiated only to the current year. It is too early to make an assessment of their progress. The State Government's have recognised the importance of these programmes and have made their own arrangements at Government level to ensure implementation and co-ordination.

Use of Tear Gas Shells to Check Mass Agitations

4286. SHRI P. VENKATASUBBAIAH: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether use of torch light on tear gas shells sets fire to it and the emission of gas from the shell ceases immediately;

(b) whether this weapon has become obsolete to control mass agitations; and

(c) if so, the steps proposed to be taken in the matter?

THE DEPUTY MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI F. H. MOHSIN): (a) No, Sir.

(b) No, Sir.

(c) Does not arise.

Implementation of Award on Chandigarh

4287. SHRI P. VENKATASUBBAIAH: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether any progress has been made in implementing the Prime Minister's award on Chandigarh in January, 1970;

(b) if not, the reasons therefor; and

(c) the steps proposed to be taken in the matter?

THE DEPUTY MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI F. H. MOHSIN): (a) to (c). According to the decision of the Central Government announced on the 29th January, 1970 Chandigarh has to remain a Union Territory for a period not exceeding five years.

The next step is to undertake legislation under article 3 of the Constitution at the appropriate time to give effect to the decision.

Setting up of Small and Medium Industries for Employment of Rural People

4288. SHRI P. VENKATASUBBAIAH: Will the Minister of PLANNING be pleased to state:

(a) whether the need for setting up more medium and small-scale industrial units to give employment opportunities to the rural poor has been examined;

(b) if so, with what results; and

(c) the steps being taken in this direction?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a) to (c). A number of measures have been taken for promotion of medium and small scale industries on a decentralised basis to create employment opportunities in the semi-urban and rural areas including backward areas. The development programme, particularly for village and small industries, includes schemes for providing credit facilities supply of scarce raw materials, technical advice, factory accommodation, etc. During Fourth Plan period, concessional finance is being offered by financial institutions and a Central scheme of investment subsidy has also been initiated for promotion of medium and small scale industries in selected industrially backward areas. Details of some of the schemes for promotion of these industries are given in the Planning Commission brochure on 'Employment Opportunities', copies of which have been circulated to the Members of Parliament.

Annual Plan for Andhra Pradesh and Kerala for 1973-74

4269. SHRI VARKEY GEORGE: SHRIMATI BHARGAVI THAN-KAPPAN:

Will the Minister of PLANNING be pleased to state:

(a) whether annual plans for Andhra Pradesh and Kerala States for 1973-74

have been submitted by the respective Governments to the Central Government for approval;

(b) if so, the broad features of the plan of each State; and

(c) the decisions arrived at by the Central Government thereon?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a) the Government of Andhra Pradesh have not yet furnished draft proposals for the Annual Plan 1973-74. Such proposals have been submitted by the Government of Kerala.

(b) A statement is laid on the Table of the House indicating the broad features of the draft Annual Plan proposals of Kerala for the year 1973-74.

(c) the draft proposals of the Government of Kerala were discussed in the Working Groups on 4th and 5th December, 1972. A final decision regarding the total outlay on the Annual Plan 1973-74 and its sectoral distribution will be taken shortly in further consultation with the State Government.

Statement

1. Broad features of the Kerala Annual Plan—1973-74

(i) Financial outlay suggested by Kerala Government—Rs. 75.66 crores.

(ii) Physical targets suggested by the State Government under important sectors are indicated below:—

Item	Unit	1973-74 Proposed target
I. Agriculture		
(a) Foodgrains production	000 tonnes	1500
(b) Area under Minor Irrigation (net)	000 hectares	3'64
(c) Mechanised Boats	Nos.	50
II. Irrigation potential (net)	000 hectares	121'26
III. Power		
(a) Electricity generated	MKWH	2684
(b) Rural Electrification		
Villages electrified (Addl.)	No. of	100
IV. Transport & Communications		
Roads (Surfaced)	000 Kms.	10'40
V. General Education		
(a) Enrolment—Classes I—V as percentage of population in age group 6—11	%	112
(b) Classes VI—VIII—age group 11—14	%	65
(c) Annual admission in Engineering colleges	No. of	1046
VI. Housing		
Low Income Group Housing	No. of	300

Income from Commercial Services of A.I.R.

4290. SHRI N. K. P SALVE:
SHRI HUKAM CHAND KACH-
WAI:

Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) the income derived from the various Stations name-wise of the All India Radio from Commercial Services during the last three years;

(b) whether Government have under their consideration any proposals to recommend reduction in the Radio/TV Licence fee in view of the income from the Commercial Services of the All India Radio; and

(c) if so, the broad outlines of the proposals?

THE DEPUTY MINISTER IN THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI DHARAM BIR SINHA): (a) The information is furnished in the statement laid on the Table of the House (Placed in Library See No. LT-4020/72).

(b) No, Sir.

(c) Does not arise.

Manufacture of TV sets in Public and Private Sectors

4291. SHRI N. K. P. SALVE: Will the PRIME MINISTER be pleased to state:

(a) the licensed capacity for the manufacture of TV sets of different sizes, both in Public and Private Sectors;

(b) the likely requirements of TV sets during the next three years in the country; and

(c) the minimum price at which the TV sets of different sizes would be available to public?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI K. C. PANT): (a) The sanctioned

capacity for TV sets of all screen sizes is over 2.8 lakh sets per annum. Of this, a capacity of 1,10,000 sets has been sanctioned in the organised (both private and public) sector, and of over 1,70,000 sets in the small scale sector.

(b) A demand projection study conducted by the All India Radio in 1969 had assessed the requirement of T.V. sets by the end of the Fourth Five Year Plan as 3,70,000 sets for TV sets priced at around Rs. 2,000/-, which is the current price range. On this basis and considering the TV sets already installed, the likely requirements for the next three years upto the end of 1975 would be over 3 lakhs; the demand is expected to double for TV sets priced at Rs. 1250—1500 each.

(c) The present price of the TV sets, manufactured in the country, available to the public, exclusive of excise and sales tax etc., are as under:—

Screen Size	Price
25"/24"	Rs. 2,050
19"	Rs. 1,800.

To bring down the prices of TV sets, some of the important steps being contemplated are:—

(i) Gradual reduction in the prices of electronic components by setting up large volume production; components account for a substantial portion of the cost of television sets; in particular, Government is considering ways of bringing down the price of the TV picture tube which is the largest single item;

(ii) larger quantity production of TV sets, so that the supply is adequate for the demand, approvals have been given to a large number of parties, particularly in the small scale sector, and it is hoped that there will be sufficient commercial competition;

(iii) production of transistorised TV sets;

(iv) through the introduction of TV sets with small screens; there are technical/marketing aspects relating to small TV tubes/screens which are under examination and decision will be taken shortly.

बिहार खादी ग्रामोद्योग में हुई हानि

4292. श्री एम० एस० पुरती : क्या औद्योगिक विकास मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या बिहार खादी ग्रामोद्योग को चार हज़ार रुपए प्रतिदिन हानि हो रही है ;

(ख) यदि हां, तो यह संस्था कब से घाटे में चल रही है और इसके क्या कारण हैं ; और

(ग) इस बारे में सरकार द्वारा क्या उपाय किए गए हैं ?

औद्योगिक विकास मंत्रालय में उपमंत्री (श्री सिद्धेश्वर प्रसाद) : (क) से (ग). सूचना इकट्ठी की जा रही है और सभा पटल पर रख दी जायेगी ?

Assistance to Entrepreneurs for Small Scale Industries in Delhi Calcutta, Bombay and Madras

4293. SHRI R. P. ULAGANAMBI: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) the total amount distributed by the Central Government to small scale industrial entrepreneurs in Delhi, Calcutta, Bombay and Madras regions separately, during the last three years; and

(b) the maximum amount of assistance given to a single entrepreneur during the period?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) The Central Government does not disburse money to individual entrepreneurs.

(b) Does not arise.

Supply of Rotary Printing Presses etc., to Unemployed Science Graduates through Government Agency

4294. SHRI R. P. ULAGANAMBI: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether Government have drawn up any scheme for providing Rotary Printing Presses, Fabricating and welding machines to the unemployed Science Graduates in the country through the agency of the Government; and

(b) if so, the outlines thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) and (b). Under the hire purchase scheme of the National Small Industries Corporation, unemployed Science graduates among others can obtain machinery on hire purchase. No separate schemes for this category of persons have however, been drawn up by the National Small Industries Corporation.

Plan for improving Productivity in the Employing Units to provide employment to Engineers

4295. SHRI MUHAMMED SHERIFF: Will the Minister of PLANNING be pleased to state:

(a) whether Government have recently recommended to all the States a plan for improving productivity in the employing units to provide employment to Unemployed Engineers; and

(b) if so, the outlines of the plan and the progress achieved in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a) and (b). Among several schemes formulated with a view to providing employment to unemployed engineers and diploma-holders, the Government has launched a scheme this year which enables industries with a fixed capital of Rs. 25 lakhs or less to employ engineers and diploma-holders. According to the scheme, the Government pays a subsidy of 50 per cent subject to a ceiling of Rs. 200/- for an engineering graduate and Rs. 125/- for a diploma-holder per mensem for a period of one year. Apart from providing employment to engineers and diploma-holders, this scheme will also help improve the productivity of the units to a considerable extent. After the expiry of the period of one year, the industrialists may absorb such engineers or diploma-holders who, in their opinion, would be useful to the unit. Others would have gained good experience that would enable them to take up self-employment ventures of their own.

As the scheme has been introduced only a few months ago, it is too early to assess its progress.

Mobilisation of Additional Resources for the Fourth Five-Year Plan

4296. SHRI R. R. SINGH DEO: Will the Minister of PLANNING be pleased to state:

(a) whether the State Governments were asked by the Centre to make serious efforts for mobilisation of additional resources for the Fourth Five Year Plan;

(b) if so, whether it has yielded any results; and

1. Shri C. Subramaniam .
2. Madam C. Subramaniam .
3. Dr. Y. Nayudamma .
4. Shri M. M. Suri .
5. Dr. B. D. Tilak .
6. Dr. A. K. Ghosh .
7. Shri P. B. Krishnaswamy .

(c) to what extent the additional resources by the States have helped to finance the Fourth Five Year Plan?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA): (a) Yes, Sir. The State Governments have been advised from time to time to mobilise maximum additional resources for their Plans in order to accelerate the pace of development.

(b) and (c). The measures for additional resource mobilisation adopted so far by the State Governments and their enterprises are expected to yield about Rs. 657 crores by the end of the current financial year and about Rs. 996 crores during the Fourth Plan period, against the Fourth Plan target of Rs. 1098 crores.

Expenditure incurred in connection with Visit of Science and Technology Team

4297. SHRI R. P. ULAGANAMBI: Will the Minister of SCIENCE AND TECHNOLOGY be pleased to state:

(a) the total expenditure incurred in connection with the visit of the Science and Technology Team led by Shri C. Subramaniam, Minister of Industrial Development to Soviet Union; and

(b) names of the persons with their designations included in the team?

THE MINISTER OF INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY (SHRI C. SUBRAMANIAM): (a) Rs. 55,608.00 Approximately.

(b) The names with designations of the members of the delegation are as under: --

Minister
Director General & Secretary to the Govt. of India, C.S.I.R., New Delhi.
Member, National Committee on Science & Technology, New Delhi.
Director, National Chemical Laboratory, Poona & Member, National Committee Science & Technology, New Delhi.
Economic Advisor, Ministry of Industrial Development.
P. S. to Minister.

Directory by Central Food Technological Research Institute regarding Food manufacturing Units in India

4298. SHRI K. LAKKAPPA: Will the Minister of SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether the Central Food Technological Research Institute, Mysore has brought out recently a Directory containing consolidated information on more than 10,000 food manufacturing units in India;

(b) if so, the information given in this directory; and

(c) how far this information will be useful for the food technology?

THE MINISTER OF INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY (SHRI C. SUBRAMANIAM): (a) Yes, Sir.

(b) The directory gives information on names, addresses, telephone number, telegraphic address, products made, brand name and year of establishment of the manufacturing units. Besides these, information has also been incorporated in the directory in regard to concerned Government Departments, research and training organisations, export promotion agencies, exporters of food products, suppliers and fabricators of food machinery and equipment, Indian food laws, Indian Standard Institution specifications for food products and important journals on food science and technology.

(c) Information will be useful for promotion of food industry and advancement of food technology in the country. It will also be useful to concerned Government officials, planning departments, research workers, consultancy firms and entrepreneurs in the field of food industry.

Filling up of Quota reserved for Scheduled Castes and Scheduled Tribes in Direct Recruitment and Promotion

4299. SHRI S. M. SIDDAYYA: Will the PRIME MINISTER be pleased to state:

(a) the number of office memoranda issued by the Department of Personnel

from 1st January, 1971 to 1st November, 1972 regarding service matters, particularly with reference to the Scheduled Castes and Scheduled Tribes;

(b) how far they have facilitated the intake of the Scheduled Castes and Scheduled Tribes in order to fill up the quota reserved for them in direct recruitment and promotion; and

(c) a copy each of the Office memorandum may be placed on the Table of the House?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS AND IN THE DEPARTMENT OF PERSONNEL (SHRI RAM NIWAS MIRDHA): (a) and (c). A copy each of the office memoranda issued by the Department of Personnel from 1st January 1971 to 1st November, 1972 regarding reservation/grant of facilities to Scheduled Castes and Scheduled Tribes in the matter of their appointment to posts/services under the Central Government are laid on the Table of the House. [Placed in Library. See No. [T-4021/72].

(b) As a result of the reservations and various concessions provided to Scheduled Castes and Scheduled Tribes in services and other instructions issued in this regard from time to time, the intake of candidates of these communities in services under the Government has been steadily increasing. It cannot however be stated as to exactly how far any particular instruction issued in this regard has facilitated the filling of the reserved quota.

Judgments delivered by Supreme Court and High Courts on Service matters

4300. SHRI S. M. SIDDAYYA: Will the PRIME MINISTER be pleased to state:

(a) the number of judgments delivered by the Supreme Court or the various High Courts since 1st January, 1972 regarding service matters;

(b) how far they have affected or facilitated the intake of the Scheduled Castes and Scheduled Tribes in services; and

(c) whether Government would place a copy each of the Judgments on the Table of the House?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS AND IN THE DEPARTMENT OF PERSONNEL (SHRI RAM NIWAS MIRDHA): (a) and (c). The various Judgments of the Supreme Court/High Courts relating to service matters are published in the Services Law Reporter and other Law Journals. There are 25 Judgments of the Supreme Court and 46 Judgments of the various High Courts delivered since 1st January, 1972 relating to service matters published in the Services Law Reporter in its issues from January 1972 to December, 1972. As the number of Judgments is large, it is not possible to obtain certified copies thereof from the various authorities concerned or from the Supreme Court/High Courts and to lay them on the Table of the House.

(b) The judgments of the Supreme Court and the High Courts regarding service matters cover a wide variety of service matters pertaining to various Ministries/Departments of the Government of India and the State Governments. The services under a State Government are within the exclusive jurisdiction of that Government. It is not, therefore, possible to say exactly how far the judgments have affected or facilitated the intake of the Scheduled Castes and Scheduled Tribes in services.

Representation of Scheduled Castes and Scheduled Tribes in Class I & II Posts

4301. SHRI S. M. SIDDAYYA: Will the PRIME MINISTER be pleased to state:

(a) whether Government are aware that in Class I and II posts, the representation of the Scheduled Castes and Scheduled Tribes is not satisfactory;

(b) if so, whether Government propose to have special recruitment exclusively for them, so that the backlog is cleared; and

(c) if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS AND IN THE DEPARTMENT OF PERSONNEL (SHRI RAM NIWAS MIRDHA):

(a) Reservations have been provided for Scheduled Castes and Scheduled Tribes in services/posts under the Government, as a proportion of the vacancies arising from time to time and not in relation to total strength of any cadre or service. In some categories of posts, all the vacancies reserved for Scheduled Castes and Scheduled Tribes are being filled by candidates belonging to these communities. For example, from 1964 onwards, in IAS and IPS as also, in Class I and II Central Services to which recruitment is made on the basis of IAS etc. examination, all the reserved vacancies are being filled up by candidates of these communities except in the 1971 Examination where there has been a shortfall in regard to Scheduled Tribes. However some of the vacancies reserved for Scheduled Castes and Scheduled Tribes in Class I and II posts particularly those requiring specialist and technical qualifications could not be filled by candidates belonging to these communities as the required number of candidates of these communities possessing the prescribed qualifications etc. and fit for appointment to the reserved posts were not available.

(b) and (c). According to the Supreme Court Judgment in the case of T. Devadasan versus Union of India and another, reservation in any recruitment year in excess of 50 per cent of the vacancies filled in that year would be *ultra-vires* the provisions of Article 16 of the Constitution. The existing reservations for Scheduled Castes and Scheduled Tribes and for Released Emergency Commissioned Officers/Short Service Commissioned Officers have almost reached the maximum permissible limit of 50 per cent. It would not, therefore, be possible to have a special recruitment restricted to Scheduled Castes and Scheduled Tribes only. The orders issued by Government regarding reservation for Scheduled Castes and Scheduled Tribes, however, already provided that reserved vacancies which cannot be filled by candidates of these communities during a year should be carried forward to next three recruitment

years. Also the vacancies reserved for Scheduled Castes can be utilised for Scheduled Tribes and *vice-versa* in the last year of carry-forward

Difficulties experienced by Freedom Fighters of various Villages of Amritsar

4302. SHRI RAGHUNANDAN LAL BHATIA: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether any representation from the freedom fighters of village Margind-pura and other villages of Amritsar was received in October, 1972 regarding the hardships they are facing in securing certificates in support of the imprisonment suffered by them; and

(b) whether the matter has been looked into and if so, the action taken in the matter?

THE DEPUTY MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI F. H. MOHSIN): (a) No, Sir.

(b) Does not arise. The State Government have issued instructions to all the Deputy Commissioners to afford every assistance to the freedom fighters and other persons who are in the villages and other areas.

पांचवीं पंचवर्षीय योजना में विदेशी ऋणों के सम्बन्ध में भुगतान शेष में अन्तर की संभावना

4303. श्री धनशाह प्रधान :

श्री हुकम चन्द कछवाय :

क्या योजना मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या पांचवी पंचवर्षीय योजना में विदेशी ऋणों के संबंध में भुगतान शेष में लगभग 3,000 करोड़ रुपए का अन्तर रहने की संभावना है ; और

(ख) क्या योजना की अवधि में घाटे की अर्थ व्यवस्था पर इसका प्रत्यक्ष प्रभाव पड़े ?

योजना मंत्रालय में राज्य मंत्री (श्री मोहन चारिया) : (क) पांचवी योजना के प्रति दृष्टिकोण और अन्य सम्बन्धित अध्ययनों पर विचार-विमर्श किया जा रहा है। अतः इस प्रकार की कमी कितनी होगी, इस समय यह बताना सम्भव नहीं है

(ख) प्रश्न ही नहीं उठता।

Directive issued to Film-Star Shri M. G. Ramachandran by the Deputy Director of Enforcement, Madras

4304. SHRI C. CHITTIBABU: Will the PRIME MINISTER be pleased to state:

(a) whether a directive under Section 19 of the Foreign Exchange Regulation Act has been issued to the film-star Mr. M. G. Ramachandran by the Deputy Director of Enforcement, Madras;

(b) if so, the date of issue of the same;

(c) whether any reply has been received from that person; if so, the details thereof; and

(d) the proposed follow-up action taken or to be taken by the Government thereon?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS AND IN THE DEPARTMENT OF PERSONNEL (SHRI RAM NIWAS MIRDHA): (a) and (b). Yes, Sir. A directive under sub-section (2) of Section 19 of the Foreign Exchange Regulation Act, 1947 was issued on 22nd August, 1972 to Shri M. G. Ramachandran, by the Deputy Director of Enforcement, Madras.

(c) and (d). Replies received from Shri M. G. Ramachandran are under examination. It will not be expedient to disclose further details as it may hamper investigation. Based on results of the investigation appropriate action in accordance with the law will be taken.

Functions and Responsibilities of Advisers of North Eastern Council

4305. SHRI ROBIN KAKOTI: Will the Minister of HOME AFFAIRS be pleased?

to state the function and responsibilities of the various advisers of the North Eastern Council.

THE DEPUTY MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI F. H. MOHSEN): The Advisers are part of the Secretariat of the Council and function under the direction, supervision and control of the Chairman of the Council. Their functions and responsibilities will be evolved as the work of the Council progresses. For the present,—

- (1) the Planning Adviser is expected to guide and supervise the Planning, Consultative and Statistical Wings of the planning side of the Council and to assist in the carrying out of the tasks laid down in sub-sections (1), (2) and (3) of section 4 of the North Eastern Council Act, 1971.
- (2) the Financial Adviser is to assist the planning side in examining and reviewing projects and schemes from financial point of view and to advise the house-keeping side in financial matters.
- (3) The Security Adviser is to assist in the carrying out of the review of the public order and security position as laid down in sub-section (4) of Section 4 of the Act.

दिल्ली पुलिस द्वारा एक विदेशी से एक गैस रिवाल्वर तथा कैपसूलों का बरामद किया जाना

4306. श्री हुकम चन्द कछवाय :
श्री जनशहाद प्रधान :

क्या गृह मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या दिल्ली पुलिस ने नवम्बर, 1972 में एक विदेशी से विदेश में बनी एक गैस रिवाल्वर तथा कैपसूल बरामद किए थे ;

(ख) रिवाल्वर का क्या उपयोग किया गया तथा उसके साथ क्या परिणाम निकले ;
गौर

(ग) विदेशी के विरुद्ध कानून कायदा की गई है ;

यह मंत्रालय में उपस्थित (श्री एच. एच. मोहसिन) : (क) जी हाँ, श्रीमान ।

(ख) विशेषज्ञ मतानुसार जस्त अधिनियम, 1959 के अर्थ में आसन्न रिवाल्वर प्रत्येक है और कैपसूल का यह है । जब इसका प्रयोग किया जायेगा तो गोली से घात निकलेगा ।

(ग) जस्त अधिनियम, 1959 के अर्थ में एक मामला जब किया गया, अभियुक्त गिरफ्तार कर लिया गया और कैपसूलों सहित रिवाल्वर पुलिस में अधिकार में ले ली । मामला शीघ्र न्यायालय में प्रस्तुत किया जायगा ।

Sick Industrial Units

4307. SHRI N. K. P. SALVE: Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) the number of Industrial units in the country in the large and middle sector which have been declared "sick" upto 31st July, 1972 or which are on the verge of closing down; and

(b) the steps being taken by Government to rehabilitate such units in order to save thousands of workers from unemployment?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI SIDDHESHWAR PRASAD): (a) and (b). There is no prescribed procedure whereby industrial units on the verge of closing down may be declared as "sick". However, under the Industries (Development and Regulation) Act, Government have adequate powers to investigate into the affairs of scheduled industrial undertaking whenever there is unjustified fall of production or the unit is being managed in a manner detrimental to "public interest" and also to takeover such units under the provisions of the said Act with a view to their rehabilitation.

**Nominations to various Committees by
Delhi Administration**

4308. **SHRI N. K. P. SALVE:** Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether the Delhi Administration has not nominated its members to the Water Supply and Sewage Disposal Committee and Delhi Transport Corporation for a pretty long time affecting the efficiency of these bodies; and

(b) if so, the reasons therefor, and the action taken in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI F. H. MOHSIN): (a) and (b). No, Sir. According to the Road Transport Corporation Act, 1950 as applicable to the Union Territory of Delhi nominations on the Board of the Delhi Transport Corporation are to be done by the Ministry of Shipping & Transport and the Delhi Administration has been represented on the Board by the Director of Transport, Delhi right from its establishment with effect from the 3rd November, 1971. As regards the Water Supply & Sewage Disposal Committee, the Lt. Governor, Delhi nominated S/Shri J. M. Dave, Adviser (PHE), Ministry of Health & Family Planning, Government of India and B. P. Varma, Public Health Engineer, Delhi Administration, in place of S/Shri T. Durai Raj and B. P. Sharma respectively since transferred, to be the members of the said Committee with effect from the 3rd October, 1972.

दिल्ली में डाक वितरण

4309. श्री भास्कर सिंह चौहान : क्या संचार मंत्री यह बता सकते हैं कि :

(क) क्या दिल्ली के विभिन्न स्थानों में डाक वितरण के संबंध में समानता नहीं है ?

(ख) यदि हाँ, तो प्रत्येक जगह में कितनी-कितनी बार डाक बांटी जाती है; और

(ग) डाक वितरण के लिए निर्धारित समय में अंतर होने के क्या कारण हैं तथा इस बारे में समानता लाने के लिए क्या प्रयत्न किये गए हैं। अथवा किए जाने का प्रस्ताव है ?

संचार मंत्री (श्री हेमवतीनन्दन बहुगुणा):

(क) जी हाँ।

(ख) व्यवस्थित शहरी इलाके में गैर रजिस्ट्री डाक वस्तुओं की डिलीवरी दिन में तीन बार दी जाती है और जिन वस्तुओं का हिसाब रखा जाता है जैसे रजिस्ट्री, पार्सल और मनीग्रैंडर, उन वस्तुओं की डिलीवरी डाकियों के जरिए दिन में एक बार दी जाती है। देहाती इलाकों में डाक की डिलीवरी दिन में सिर्फ एक बार दी जाती है। यह डिलीवरी सभी तरह की डाक वस्तुओं की मिली-जुली होती है और सभी श्रेणियों की डाक की डिलीवरी एक ही वक्त दी जाती है। क्षेत्र-वार जो डाक-डिलीवरियाँ दी जा रही हैं, उनका एक विवरण पत्र सभापटल पर रखा जाता है। (संचालन में रखा गया। देखिए संख्या L.T.—4022/72)

(ग) विभिन्न वस्तुओं में डाक डिलीवरी की संख्या में भिन्नता के प्रमुख कारण हैं, डाक-वस्तुओं की मात्रा, आवागमन के साधन और विभिन्न डाकघरों की उनके वितरण स्थानों से दूरी/उपयुक्त कारणों, में जब-कभी कोई परिवर्तन आता है तो अपेक्षानुसार डाक-व्यवस्था में संशोधन कर दिया जाता है। चूंकि विभिन्न क्षेत्रों में ये आधारभूत कारण एक जैसे नहीं हैं, अतः के आधार पर यह निर्धारित किया जाता है कि डिलीवरी कितनी बार दी जाए, इसलिए डिलीवरी की संख्या भी एक जैसी नहीं हो सकती।

इण्डियन टेलीफोन इंडस्ट्री, बंगलौर से
संलग्न गया मुद्रावजा

4310. श्री आरत सिंह चौहान :
क्या संचार मंत्री यह बताने की कृपा करेंगे
कि :

(क) क्या इण्डियन टेलीफोन इंडस्ट्री
से दोषपूर्ण क्रास बार उपकरण सप्लाई करने
के कारण मुद्रावजा मांगा गया है ; और

(ख) यदि हां, तो कितनी धनराशि
का मुद्रावजा मांगा गया है तथा इस पर
इस कम्पनी की क्या प्रतिक्रिया है ?

संचार मंत्री (श्री हेमवतीनन्दन बहुगुणा):
(क) और (ख). ऐसे क्रासबार
स्विचिंग उपस्कर, जो कि विहित मानकों
के अनुरूप नहीं थे, की आपूर्ति (सप्लाई)
के मामलों पर इण्डियन टेलीफोन इंडस्ट्रीज
लिमिटेड, बंगलौर से सम्पर्क किया गया था
जिनका उत्तर था कि, उनके द्वारा सप्लाई
किए गए उपस्कर विदेशी सहयोगकर्ता
अर्थात् बेल्जियम की बैल टेलीफोन मैनु-
फैक्चरिंग कम्पनी द्वारा प्रस्तुत डिजाइनों
के अनुसार निर्मित थे। बैल टेलीफोन
मैनुफैक्चरिंग कम्पनी द्वारा डाक-तार विभाग
को सप्लाई किए गए क्रासबार उपस्कर के
सुधार के मामले में पर कम्पनी के साथ
विचार किया गया था और इस संबंध में
कार्यवाही की जा रही है। बेल्जियन
कम्पनी द्वारा डाक-तार विभाग को सप्लाई
की गई क्रासबार स्विचिंग उपस्कर की
48,000 लाइनों के सुधार की लागत
कम्पनी द्वारा स्वयं वहन की जायेगी।
इन दिनों डाक-तार विभाग और इण्डियन
टेलीफोन इंडस्ट्रीज लिमिटेड के इंजीनियरों
का एक संयुक्त दल (जॉइंट फोर्स) इण्डियन
टेलीफोन इंडस्ट्रीज लिमिटेड के बाकी
उपकरणों में सुधार के उपाय सुझाने के
लिए विचार कर रही है।

T.V. Facilities at Jaipur

4311. SHRI NAWAL KISHORE
SHARMA: Will the Minister of INFOR-
MATION AND BROADCASTING be
pleased to state:

(a) whether there is a proposal to in-
troduce Television facilities at Jaipur to
cover the Rajasthan area; and

(b) if so, the broad outlines thereof?

THE DEPUTY MINISTER IN THE
MINISTRY OF INFORMATION AND
BROADCASTING (SHRI DHARAM
BIR SINHA): (a) and (b). A proposal
to set up a T.V. Station at Jaipur during
the Fifth Plan is under consideration.

Arms Licence to former Rulers for
Prohibited Bore Arms

4312. SHRI NAWAL KISHORE
SHARMA: Will the Minister of HOME
AFFAIRS be pleased to state:

(a) whether Government are consider-
ing the question of issuing licences for the
prohibited bore arms to the ex-Rulers as
a special case; and

(b) if so, the reasons therefor?

THE DEPUTY MINISTER IN THE
MINISTRY OF HOME AFFAIRS
(SHRI F. H. MOHSIN): (a) and (b)
The Government of India have decided
that each former Ruler or ex-exemptee
member of his family, may be allowed to
retain one prohibited bore weapon of any
category, under a licence, subject to the
condition that (i) such weapon has al-
ready been held by the ex-exemptee in
the past under the exemption; and (ii) the
concession of retaining the prohibited bore
weapon should be personal to him/her
and it shall extinguish automatically on
his/her demise. This decision is in con-
sonance with the present policy of the
Government in regard to grant of licen-
ces for prohibited bore weapons to other
members of public on special or senti-
mental grounds in exceptional cases.

12 hrs.

**CALLING ATTENTION TO MATTER
OF URGENT PUBLIC IMPORTANCE**

**REPORTED PROTEST BY EMPLOYEES OF
RESERVE BANK OF INDIA AGAINST PROCEDURE
FOR DESTROYING SOILED CURRENCY
NOTES.**

MR. SPEAKER: Now we take up the
call-attention motion. Prof. Madhu
Dandavate.

PROF. MADHU DANDAVATE (Rajapur): Sir, I call the attention of the hon. Minister of Finance to the following matter of urgent public importance and request that he may make a statement thereon:—

“Reported protest on the 12th December, 1972 by the employees of Reserve Bank of India against the special procedure for destroying the soiled currency notes.”

**THE MINISTER OF STATE IN THE
MINISTRY OF FINANCE (SHRI K. R. GANESH):** Mr. Speaker, Sir, in the offices of the Reserve Bank of India, ordinarily, each individual note in the remittances or tenders received, is examined and counted by the Coin/Note examiners and thereafter there is a percentage verification of their work. Notes found unfit for issue, are destroyed. While this procedure continues to be adopted in respect of all remittances in the denominations of Rs. 100 and above, the Reserve Bank from time to time issues instructions limiting the detailed verification in respect of specific remittances in lower denominations to a percentage of the total notes received in the tender. This special procedure is resorted to depending on the load of work and the need for clearance of accumulation, but keeping in view at all times the security aspects.

To protest against the modified procedure there was a strike in the Bombay office of the Reserve Bank of India in June last. In accordance with the terms of the settlement on which the strike was called off on 1st July, 1972, the bank had discussions with the All India Reserve Bank Employees' Association from 14—18th November, 1972 on matters of inter-

est arising out of the modified procedure. During the discussions with the Association the Bank referred to the experience of Central Banks in other Countries regarding the examination and disposal of soiled notes and pointed out that the modified procedure, as followed in our country, was neither unusual nor unprecedented. The Bank also assured the Association that there was no possibility whatsoever of the Coin/Note-examiners posts being retrenched, but on the contrary, the number of posts has increased and would continue to increase. The Association insisted that the modified procedure should be abandoned altogether and asked for an assurance on these terms from the Bank. The Bank was not in a position to give any such assurance.

In response to a call from the All India Reserve Bank Employees Association, the staff of different offices of the Bank has, since the 5th December, 1972, been holding intermittently demonstrations either before office hours or during lunch hour. On the 12th December there was late attendance by one hour at the commencement of the business at most of the offices of the Reserve Bank, the response from the staff to the call varying from office to office.

PROF. MADHU DANDAVATT: Mr. Speaker, Sir, the hon. Minister has tried to gloss over the important issues that are raised through this call-attention motion—the nation-wide protest by the Reserve Bank employees on 12th December, 1972, to protest against the special procedure for destroying the soiled currency notes which is resulting in job elimination. The most important aspect of this problem is not merely job elimination, that should be of much concern to us; but in addition to the problem of job elimination, the most important problem is from the point of view of the confidence of the people in the currency, whether people's confidence in the currency notes would be destroyed or would be actually shaken. The role of the Reserve Bank in the regulation of currency is very important. It is the sole authority that regulates the currency.

in this country. This is the authority that introduces the currency and it is responsible for withdrawing certain types of currency.

There was, formerly, the 'Standard Procedure' that was incorporated in the issue Departmental Manual. I would like to refer to that and raise certain problems. That particular procedure that was followed till 1964 consisted of counting and sorting out of good, reissuable notes from unusable, soiled and defective notes and then pile them into pieces of hundred. The good notes were put back along with the new notes, and those notes which were found to be defective and soiled were taken away and destroyed. That was the procedure that was followed. In that former procedure, punching was there, and while the soiled notes were punched, there was no danger that defective notes would come back into circulation; therefore, that danger was also avoided.

But, Sir, in 1964, the 'Emergency Procedure' was introduced. And in 1970, a special procedure which you call as 'modified procedure' was introduced, and as a result of that, contrary to the statement that has been made by the hon. Minister, there would be destruction of 2,000 men's work every day.

The object of the old procedure was very laudable. That old procedure was introduced, firstly to check accuracy of financial transactions, secondly, to detect forgeries, thirdly, to salvage good notes; and lastly, by burning only soiled and defective notes after checking, counting and sorting out, only the soiled notes were destroyed and, therefore, to that extent, the expenditure on printing new notes was reduced; also the foreign exchange that is needed for purchasing paper for printing currency notes was also reduced to a very great extent.

In 1970, this dangerous special procedure has been introduced. Economists have commented on that many economists and many journals have commented on

that trade union organisations have commented on that. According to the new special procedure, various institutions like Railways, BEST, Delhi Milk Scheme, various State Banks and various currency chests send to the Reserve Bank of India bundles of 100 notes which according to them are soiled or defective notes, and the Reserve Bank, in order to avoid loss of time, do not resort to counting, sorting and punching of those notes; straightway these bundles are taken to the destruction place and in the presence of only two supervisory officers, lakhs of rupees worth of notes are completely destroyed. This is the procedure that is being followed. As a result of this procedure, there are certain dangers that are coming in. Especially in the context of currency notes of a packet of 100 each, I had already pointed out in the House some time back that statistics already indicate that, in each bundle of 100 notes, 50 to 60 notes are good notes which are re-issuable. But some of the banks, Railways, BEST and D.M.S., even on little suspicion, go on considering them as soiled notes and send them to the Reserve Bank. No counting is done, no checking is done and no punching is done by the Reserve Bank and without checking all these things, the bundles are destroyed and it is very likely that in each bundle of 100 notes, 50 to 60 good notes are bound to be destroyed. Again, this is done without defacing. Without effacing the notes, according to the new procedure, the notes are being burnt in the presence of two officers. Without casting any aspersion on any of the officers present, I would say that your arrangement must be fool-proof and against corruption and malpractice. In the presence of two officers, lakhs of rupees worth of notes are destroyed. They are not punched, they are not defaced, and it is likely that they may be taken away by the officers concerned and the notes might travel out and since they are not at all punched, they can be used for transaction. A new quantum of black money can be created. That will develop a new inflationary pressure on the economy. Not only that, as a democrat, I feel in the economic activities of the country, if people's confidence in the currency is destroyed, then the very

(Prof. Madhu Dandavate)

basis that is required for financial transaction is destroyed, and this is the greatest drawback in the special procedure that has been introduced.

In this connection, incorrect statistics were given by the Finance Minister last time. He read out certain statistics and indicated that in every bundle of 100 notes, majority of the notes were soiled. But when I went through these statistics, I found out that these were selective statistics; the statistics which the Finance Minister quoted in the House were about notes from the currency chests of State Bank organisations in different parts of the country and, therefore, they were different. If you take the bundles of notes that are sent by the Delhi Milk Scheme office, the BEST, the Railways and various banks, you will find that in every bundle of 100 notes, 50 to 60 notes are re-issuable. But, by this monstrous new procedure, they are destroyed; lakhs and lakhs of rupees worth of notes which are very good notes, which are not defective notes, are destroyed. If such notes travel out, then, new malpractices can be introduced.

In this connection, I would like to draw your attention and seek your clarification on a very important point. The Reserve Bank of India employees conducted a prolonged struggle for 14 days in the month of June, 1972, in Bombay. There were strikes in Bombay, Calcutta, Delhi and other places. In Bombay there was a strike for 14 days. 2 officers working at Byculla refused to follow the fraudulent new procedures. So they were suspended. There was this 14 days struggle and the Government at first said that they cannot intervene. They said that this special procedure cannot be discussed. But the strike was withdrawn after 14 days on the categorical assurance that this matter regarding special procedure will be discussed with the All India Reserve Bank Employees Organisation. Such an assurance was given and it was repeated by the hon. Finance Minister that there will be no victimisation. But what happened afterwards is this. The concerned people have been victimised through the suspension of their increments. When I met the Finance Minister he said that there seems

to be a *prima facie* case of virtual victimisation and he promised that he would look into it. The Government has not taken note of Reserve Bank employees' protest against job elimination, computerisation and job transfer policy. The flimsy statement made by the Minister glosses over all these issues which I have raised.

Yesterday there was stoppage of work for an hour by Reserve Bank of India employees at 18 centres. These issues have been focussed by various trade union organisations as well as by valuable contribution of economists in the country and by the people at large whose confidence in the currency system has been shaken. Therefore I demand a clear cut answer on all these various queries which I have raised just now.

SHRI K. R. GANESH: The hon. Member has raised a number of points. Before I go into these points I would like to preface it by saying that after all the Reserve Bank, as the Central Bank in respect of the issue of notes, and security of the entire currency system, is the proper authority to judge what should be the procedure to be followed. It is statutorily the body which is responsible for this. While speaking the hon. Member said that the entire currency system is in jeopardy, which is not the case. This modified procedure has been there right from 1964. Notes awaiting examination with the Reserve Bank in July, 1972 were 1953 million pieces of notes. When the first procedure was laid down in 1934 or 1935, that took into account the number of currency notes in circulation at that point of time. With very heavy circulation of notes now, the Reserve Bank had to adopt the modified procedure. The proper authority to judge all these things is the Reserve Bank of India and they have got the necessary expertise and they know the position. It is not therefore correct to say that this was done by a body which does not know its mind, which does not know its responsibility and all that.

On the question of job elimination which he mentioned, I wish to point this out. In the Coin/Note Examining section examines and verifies the soiled notes

Even after 1964, the number of Coin/Note examination strength has been increasing. It was 1967 in June 1964. It was increased to 3440 in March, 1968 and again in March, 1972 it was increased to 4509. It is not correct to say that job opportunities have been denied. The organisation and the association have also been given assurance that there can be no retrenchment. As far as this question is concerned actually the job opportunities have been increasing. In the discussion with the employees it was pointed out by the Reserve Bank that 19 new note examining sections were opened since July 1970 raising the total number to 87. Each note-examining section employs about 45 persons. The Bank had already planned and is in the process of arranging for 9 more note-examining sections to be opened shortly. The opening of further note-examining sections will be considered in the light of future requirements.

Even with the modified procedure, there will be further job opportunities, because the strength of the Coin/Note Examiners have got to be increased as I have stated already. I have given facts and figures to show that the hon. Member's apprehension is not correct.

As far as the high-denomination notes of Rs. 100 and above are concerned, there is 100 per cent examination and the procedure as far as these notes are concerned, has not been changed. It is only in respect of lower denomination notes that this procedure is applicable. These notes are sent by the State Bank and Commercial Banks, in guarantee boxes and there is another percentage of surprise check, by the Reserve Bank also. There is a test check which is already existing and therefore there need not be any apprehension in the minds of hon. Members.

Now, let me state the modified procedure. The modified procedure is being used in recent months only in respect of chest notes which have already been examined once at the Bank's agencies. Since the standard procedure involving the counting of 100 per cent of the notes continues to be in force for a good part of

the notes received the Bank is always in possession of precise information about the very small extent of shortages or forgeries detected even through 100 per cent examination and the insignificant risk involved in arranging for only a percentage examination of some of the lower denominations. In view of the low value of denominations the absolute of risks and the high cost of examining every note individually, the full examination of notes in the lowest denominations is wasteful.

Therefore, I would like to assure the hon. Member that all aspects are taken care of. I have already explained about job opportunities. Employees are assured that as far as they are concerned there is going to be no retrenchment. I have said that this job opportunity will be there even with the modified procedure. More Notes examining sections will be there.

The only other question left is what he stated about victimisation. When the agreement took place with the employees after the June 1972 strike, it was stated therein that the period of strike will be counted against their leave without wages and that this period would not count for increment. This has been the stand that the Reserve Bank of India has been taking for a large number of years, and even before the conciliation officer, before the Labour Commissioner and before the Labour Minister, the stand of the Reserve Bank was reiterated.

PROF. MADHU DANDAVATE: May I just seek clarification on one point? It is a very important point. I made a specific reference to this that before this procedure has introduced, the statistical data which was available at the Reserve Bank Office indicated that especially from the railways, the BSP and the Delhi Milk Scheme the notes which were sent as soiled notes were not all soiled; out of every 100 notes, about 50 or 60 were found to be reissuable notes. So, it is not correct to say that they were all checked and guaranteed to be soiled ones.

As far as the statutory position is concerned, we do consider that the Reserve Bank has its own autonomy, but even

[Prof. Madhu Dandavate]

them; if the people's confidence in the currency is shaken by any procedure, I think that the hon. Minister has the right to give advice and direction to the Reserve Bank to revert to the old procedure.

SHRI PILOO MODY (Godhra): Collusion.

PROF. MADHU DANDAVATE: I have already referred to it. Only two or three persons are in charge of destroying the currency notes. Does he not think that malpractice can take place?

SHRI PILOO MODY: Collusion between two officers can defraud their whole process.

SHRI K. R. GANESH: As far as the specific point which the hon. Member has raised is concerned, I shall find out the figures and supply them to the hon. Member.

SHRI C. T. DHANDAPANI (Dharsipuram): I was working in a bank. So, may I ask just one question?

MR. SPEAKER: But his name is not there.

12.23 hrs.

PAPERS LAID ON THE TABLE

REVIEW AND ANNUAL REPORT OF HINDUSTAN CABLES LTD.

THE MINISTER OF INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY (SHRI C. SUBRAMANIAM): I beg to lay on the Table a copy each of the following papers (Hindi and English versions) under sub-section (1) of section 619A of the Companies Act, 1956:—

(1) Review by the Government on the working of the Hindustan Cables Limited, for the year 1970-71.

(2) Annual Report of the Hindustan Cables Limited for the year 1970-71

along with the Audit Accounts and the comments of the Comptroller and Auditor General thereon. [Placed in Library. See No. LT-4000/72.]

NOTIFICATIONS UNDER INDIAN TELEGRAPH ACT

THE DEPUTY MINISTER IN THE MINISTRY OF COMMUNICATIONS (SHRI JAGANNATH PAHADIA): On behalf of Shri H. N. Bahuguna, I beg to lay on the Table copy each of the following Notification (Hindi and English versions) under sub-section (5) of section 7 of the Indian Telegraph Act, 1885:—

(1) The Indian Telegraph (Ninth Amendment) Rules, 1972, published in Notification No. G.S.R. 1390 in Gazette of India dated the 4th November, 1972. [Placed in Library... See No. LT-3988/72.]

(2) The Indian Telegraph (Tenth Amendment) Rules, 1972, published in Notification No. G.S.R. 1480 in Gazette of India dated the 25th November, 1972. [Placed in Library. See No. LT-38988/72.]

NOTIFICATION UNDER ALL INDIA SERVICES ACT ANNUAL REPORT OF ISI, CALCUTTA

THE DEPUTY MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI F. H. MOHSIN): On behalf of Shri Ram Niwas Mirdha, I beg to lay on the Table—

(1) A copy each of the following Notifications (Hindi and English versions) under sub-section (2) of section 3 of the All India Services Act, 1951:—

(i) The Indian Administrative Service (Appointment by Promotion) Third Amendment Regulations, 1972, published in Notification No. G.S.R. 467(E) in Gazette of India dated the 27th November, 1972.

(ii) The Indian Administrative Service (Fixation of Cadre Strength) Fourteenth Amendment Regulation, 1972, published in Notification No. G.S.R. 472(B) in Gazette of India dated the 30th November, 1972.

(iii) The Indian Administrative Service (Pay) Nineteenth Amendment Rules, 1972, published in Notification No. G.S.R. 474(E), in Gazette of India dated the 30th November, 1972. [Placed in Library... See No. LT-4002/72.]

(2) (i) A copy of the Annual Report (Volume I) of the Indian Statistical Institute Calcutta, for the year 1969-70.

(ii) A statement (Hindi and English versions) explaining the reasons for not laying the Hindi version of the above Report simultaneously. [Placed in Library. See No. LT-4003/72.]

ANNUAL REPORTS OF TANNERY AND FOOTWEAR CORPORATION OF INDIA LTD., KANPUR AND KHADI AND VILLAGE INDUSTRIES COMMISSION, BOMBAY

श्रीयोगिक विकास संस्थान में उपमंत्री (जी सिद्धेश्वर प्रसाद) : अध्यक्ष महोदय, आपकी आज्ञा से निम्नलिखित पत्र सभा पटल पर रखता हूँ :

- (1) कम्पनी अधिनियम, 1956 की धारा 619क की उपधारा (1) के अन्तर्गत टेनरी एण्ड फुटबियर कारपोरेशन आफ इण्डिया लिमिटेड, कानपुर, के वर्ष 1970-71 सम्बन्धी वार्षिक प्रतिवेदन (हिन्दी संस्करण) की एक प्रति तथा सूखा परीक्षित लेखे और उन पर नियन्त्रक और महालेखा परीक्षक की टिप्पणियां।

[Placed in Library. See No. LT-4004/72.]

- (2) खादी और ग्रामोद्योग आयोग अधिनियम, 1956 की धारा 24 की उपधारा (3) के अन्तर्गत खादी और ग्रामोद्योग आयोग, बम्बई, के वर्ष 1970-71 सम्बन्धी वार्षिक प्रतिवेदन (हिन्दी तथा अंग्रेजी संस्करण) की एक प्रति, तथा संलग्न विवरण। [Placed in Library. See No. LT-4005/72]

MESSAGE FROM RAJYA SABHA

SECRETARY: Sir, I have to report the following message received from the Secretary of Rajya Sabha:

"In accordance with the provisions of rule 127 of the Rules of Procedure and Conduct of Business in the Rajya Sabha, I am directed to inform the Lok Sabha that the Rajya Sabha, at its sitting held on the 11th December, 1972, agreed without any amendment to the Payment of Bonus (Amendment) Bill, 1972, which was passed by the Lok Sabha at its sitting held on the 5th December, 1972."

MR. SPEAKER: Now, next item....

SHRI VAYALAR RAVI (Chrayinkil): Mr. Speaker, Sir....

MR. SPEAKER: Will he please keep on sitting?....

SHRI VAYALAR RAVI: It is a very important matter. The Chief Minister has taken objection. The hon. Minister concerned is here, and he can make a statement. Otherwise, a controversy will start. The Tamil Nadu Chief Minister has raised a very important issue....

MR. SPEAKER: I have not allowed him to raise anything. Does he see me standing or not? What is this? He is getting up every time like this. If both sides do like this how can I work here?

SHRI SHYAMNANDAN MISHRA (Begusarai): That has been the case all the time.

MR. SPEAKER: Anyway, there must be some procedure....

SHRI JYOTIRMOY BOSU (Diamond Harbour): This is the forum for dialogue. This is the forum for submission and exposure. Why are we here otherwise?

MR. SPEAKER: I think that there should be a free forum for him, not for all.

SHRI JYOTIRMOY BOSU: People pay us Rs. 51 per day. We must give them some service....

MR. SPEAKER: In that respect, he deserves double.

SHRI JYOTIRMOY BOSU: Your glory will become more if you allow us to focus about the miseries outside.

MR. SPEAKER: Let him not try to sell me his goods.

SHRI JYOTIRMOY BOSU: I never mean to carry coal to New Castle.

12.26 hrs.

ARREST OF MEMBER

MR. SPEAKER: I have to inform the House that I have received the following telegram, dated the 12th December, 1972, from the Sub-Divisional Magistrate, Patna:—

"Shri Digvijaya Narain Singh, Member, Lok Sabha, was arrested and remanded to Phulwari Camp Jail, under sections 143/341, Indian Penal Code, in default of bail bond while offering *satyagraha dharna* before Central Revenue Building, Patna, on the 12th December, 1972."

SHRI JYOTIRMOY BOSU (Diamond Harbour): I am concerned about the quantity of food that would be required there.

MR. SPEAKER: At least, I have great sympathy with the hon. Member. We shall see that he is looked after very well.

SHRI SHYAMNANDAN MISHRA: (Begusarai): But the Government should have some sympathy with the people for whom he is offering *dharna*.

SHRI JYOTIRMOY BOSU: Imagine our friends Shri Digvijaya Narain Singh offering *dharna*.

MR. SPEAKER: I think Shri Shyamnandan Mishra must have sent him. I think he went in consultation with him...

SHRI SHYAMNANDAN MISHRA: Quite right.

12.27 hrs.

PERSONAL EXPLANATION BY MEMBER

SHRI SOMNATH CHATTERJEE (Burdwan): I am thankful to you for giving me this opportunity to make a personal explanation.

On the 24th November, 1972, I had participated in the debate in the House on the non-official resolution moved by Shrimati Maya Ray on the question of unemployment. Shrimati Maya Ray gave a reply to the debate on the 8th December, 1972. Unfortunately, I could not attend the session of the House on the 8th December, 1972.

On Monday, the 11th December, I was told by a senior Member of this House that Shrimati Maya Ray in her reply had cast aspersions against me personally and had accused me, *inter alia*, of having a double standard. Yesterday, I obtained a copy of her speech and I found that in the course of her speech, she had made allegations against me as follows:

"But I was highly amused to hear of his horror that Rs. 438 crores were owing as tax arrears from private industrialists. We are horrified just as he is, but we shall await with interest to see that his horror is transposed into action. After all, Mr. Deputy-Speaker, double standards should not be maintained. It is very difficult to argue on behalf of the people in this House and then go out and argue on behalf of Mr. Haridas Mundhra defending him in the Supreme Court in the evasion of taxes. Let him not help these private industrialists in furthering evasion by defending them in courts of law."....

SHRI JYOTIRMOY BOSU: (Diamond Harbour): Hindustan Motors.

SHRI SOMNATH CHATTERJEE: I need not read out the other part of the quotation.

If I had been present on the 8th December in the House, I would have certainly protested against these accusations, with the permission of the Chair. It is absolutely incorrect to allege that I had ever defended Mr. Haridas Mundhra in the Supreme Court in any case relating to evasion of taxes or that I had ever helped private industrialists in evasion of taxes. Of course, I submit that nobody can take away my right as a professional lawyer to appear for such client as I wish to appear for. But I want to have it kept on record of the House that the allegations that Shrimati Maya Ray made personally against me, which were unbecoming of the dignity of a Member of the House and wholly irrelevant to the subject-matter of the debate, were totally unfounded and false.

If I may add, Sir, with your permission, the case in which I had appeared for Mr. Haridas Mundhra in the Supreme Court related to certain shares of Messrs. Turner Morrison Co., and had nothing to do with evasion of taxes at all, and in that very case, when it was in the High Court, I had the honour of being led by no less a person than Shri Siddhartha Shankar Ray and a very near relation of Shri Siddhartha Shankar Ray had appeared as my junior—I do not want to bring in the name of that person. Therefore, sitting in a glass house, I should have thought that persons belonging to the same profession would not have made such allegations. How can a professional lawyer's right to appear to defend any person be challenged?

SHRIMATI MAYA RAY (Raiganj): Mr. Speaker, Sir. May I just have a word? I am very sorry to see that Shri Somnath Chatterjee is so terribly sensitive. It is the hard lot of lawyers and professional persons like us when we join politics to have such allegations hurled at us. Unfortunately, we have to bear them. But the only thing is that as soon as one has made up one's mind about this conflict, which is always there, the agitation of

Shri Somnath Chatterjee will evaporate because he has not yet made up his mind. We have already made up our minds and therefore there is no conflict. There is no hesitation in saying that once one enters this area and comes to the cross-roads, one has to choose. Once Shri Somnath Chatterjee chooses, his agitation will certainly disappear.

As far as decorum and dignity are concerned, Shri Somnath Chatterjee is my senior in the profession, and my senior in Parliament also, as such I am perfectly prepared to take lessons from him in dignity at any time. The only thing is that the word 'dignity' is a relative term and the standards of dignity are comparative.

SHRI SHYAMNANDAN MISHRA: It is certainly something less than dignity to make a statement which is factually wrong.

SHRIMATI MAYA RAY: Surely, Shri Somnath Chatterjee has appeared for tax assesseees in his career being a successful lawyer.

MR. SPEAKER: Normally, we do not have this practice that when a Member gives a personal explanation or something of that sort or refutes the statement made by some other Member, we do not allow the other Member to give a counter-explanation. But, anyway, this has happened. It would have been much better if Shrimati Maya Ray also would have written to me like that. Anyway, she has said what she has wanted to say on the floor of the House.

SHRI DINEN BHATTACHARYYA (Serampore): She does not know the practice of the House. She is not conversant with the procedure of the House.

RE: QUESTION OF PRIVILEGE (QUERY)

SHRI INDRAJIT GUPTA (Alipore): I had written to you about a matter relating to the motion of privilege which is pending before the Privileges Committee. I had sought your permission to mention that. It is a very serious matter which has come to light. If you would permit

[Shri Indrajit Gupta]

me a minute or two, I shall just mention it.

MR. SPEAKER: The other day you had an appointment with me at 10 O'clock. I was exactly at 10 in my chamber and waiting.

SHRI INDRAJIT GUPTA: I was told you were having some meeting at your house.

MR. SPEAKER: That meeting was over and I came at 10 O'clock. I will enquire how it came to be written in my diary. I am really surprised at the new information that you have given to me. I would like to discuss it with you, but in my opinion since the privileges committee is already seized of it, they should also consider this new information along with it.

SHRI INDRAJIT GUPTA: Since it concerns the privilege of the House, I think the House should be informed about it.

MR. SPEAKER: This is about the Thakru Commission—the Pipeline Enquiry Commission. The privileges committee is already considering it. In the meanwhile, there comes a letter written by Mr. Nayak to Mr. S. S. Khera, I.C.S. (Retd), former Cabinet Secretary. On that basis, there is an affidavit dated 1st July, 1972 filed by Mr. Khera, where he quotes a letter from Mr. Nayak in which Mr. Nayak mentions that the parliamentary committee is being persuaded by others.

SHRI INDRAJIT GUPTA: Please read out these two sentences he has quoted.

MR. SPEAKER: You can read it out.

SHRI INDRAJIT GUPTA: Yes, Sir. Mr. Khera's affidavit says *inter alias*,

"I received a letter from Shri Nayak, dated 27th February, 1971 as follows:

"I am grateful to you for your ready response to my request today. Certain persons had joined together to induce

the parliamentary committee on Public Undertakings to write a report in April 1970 questioning the decisions and *bonafides* of Government...." etc.

You were at that time the Chairman of this committee and this accusation is made that you and the committee were induced by certain persons to write that famous 66th report. Mr. P. R. Nayak is the main persons against whom charges are pending before the enquiry. I only request you to see that this matter is referred to the privileges committee, who are already seized of the matter. Let them go into this also. This also constitutes a breach of privilege.

MR. SPEAKER: As I told you earlier, the committee is already seized of this matter. This new information also will go to them. Should I send the letter you have written to me along with that?

SHRI INDRAJIT GUPTA: I would be much obliged. Thank you.

MR. SPEAKER: At that time, when he refers to that, I had already taken over as Speaker. But in 1968 or 1969 I had examined the whole case about this undertaking. Everything came before the committee. This is really very sad that he should write so. I do not want to make any further observation on it.

SHRI SAMAR GUHA (Gautai): I have written a letter to you about a calling attention.

MR. SPEAKER: I did not allow any other motion except Mr. Jha.

SHRI SAMAR GUHA: About the other part of the letter, I have not been informed anything. You asked me to put a question and that was not replied to by Mr. L. N. Mishra.

MR. SPEAKER: The information will come to you. I have spoken to the Secretary.

12.5 hrs.

RE: LAID CEILINGS

श्री जोगेंद्र झा (जबनगर) : अध्यक्ष महोदय, मैं आपके जरिये इस बात का आग्रह करता चाहता हूँ कि शासक दल की ओर से ऐलान किया गया था कि 31 दिसम्बर, 1972 तक पूरे देश में भूमि हदबन्दी कानून नये आधार पर लागू कर दिया जायगा। मगर वास्तव में 1 साल से—8-10 महीने से—बिहार, आन्ध्र प्रदेश, मध्य प्रदेश, हरियाणा, महाराष्ट्र के विधेयक जो वहाँ की सदनो में पारित हो चुके हैं, राष्ट्रपति जी की स्वीकृति के लिये यहाँ पड़े हुए हैं। नतीजा यह हो रहा है कि उत्तर प्रदेश, पंजाब, गुजरात और बहुत से अन्य राज्यों में अभी तक पारित भी नहीं किये जा सके हैं। यह बात सभी जानते हैं कि शासक दल की ओर से जो ऐलान हुए, अखिल भारतीय कांग्रेस कमेटी के पैमल ने जो सुझाव दिये, उनको भी बाद में कुण्ठित कर दिया गया—बड़े भूस्वामियों के हित में और हमारा सत्तारूढ़ दल बड़े बड़े भूस्वामियों से भरा पड़ा है।

इसलिये मेरा आग्रह है कि आप कृपि मन्त्री जी से कहें कि वे सदन के अन्दर वक्तव्य दें कि इन विधेयकों को राष्ट्रपति जी की स्वीकृति कब तक दी जा रही है और जिन बाकी राज्यों में अभी तक विधेयक पारित नहीं हुआ है, उनके बारे में क्या किया जा रहा है?

बिहार के बारे में स्थिति बड़ी दयनीय है। टाटा की जमींदारी को रोकने वाला विधेयक यहाँ डेढ़ साल तक रोक कर रखा गया था, उसके बाद उसको बहुत कुठ्ठि करके पारित किया गया। उसी तरह से जमीनों के तबादले को रोकने वाले प्राइनेन्स को भी यहाँ केन्द्र में रोका गया और जैसा सुनने में आया है—केन्द्र से कोई आदेश दिया गया है—बिहार विधेयक को रोकने के लिये। बिहार में जो बड़े बड़े भूस्वामी हैं वे एक नया वर्गीकरण पैदा करने की सोच रहे हैं। ऐसी स्थिति में वह विधेयक विधानसभा की इस साल सत्रित नहीं हो सकेगा।

इसलिये मेरा आग्रह है कि आप मन्त्री महोदय को आदेश दें कि वे सदन में वक्तव्य दें और हमें स्पष्टीकरण का मौका दें कि कब तक ये हदबन्दी विधेयक सारे देश में लागू हो जायेंगे।

श्री अटल बिहारी वाजपेयी (ग्वाल्थर): अध्यक्ष जी, हमने दिल्ली के आई० आई० टी० के बारे में काल-एटेन्शन दिया था एक सम्मानित प्रोफेसर को बिना कारण के नकल दिया गया...

अध्यक्ष महोदय : मेरे। तीस काल-एटेन्शन आये हुए हैं—अगर कोई मेम्बर इस तरह से हाउस में उठ कर पूछने लगे तो कैसे हो सकता है?

श्री अटल बिहारी वाजपेयी : आपने खबर भेजी है कि स्वीकार नहीं किया गया।

अध्यक्ष महोदय : जो मंजूर होता है, वह वहाँ आ जाता है।

SHRI JYOTIRMOY BOSU (Diamond Harbour): This is the first time we have seen calling attention with one name and two names. We have never seen it before. It is a very strange thing. (Interruptions).

श्री अटल बिहारी वाजपेयी : अध्यक्ष जी, जब आई० आई० टी० की हालत बिगड़ेगी, क्या तब आप मोशन लेंगे? एक प्रोफेसर को इसलिये निकाल दिया गया, क्योंकि वह 3 और 4 बस एम्प्लाइज को आर्गेनाइज कर रहा था—यह तो विकटिमाइजेशन है। आप काल-एटेन्शन जरूर मंजूर कीजिये।

अध्यक्ष महोदय : अगर हाउस में मुझे परसुएड करेंगे तो न कमिट करता हूँ और न मंजूर करता हूँ।

श्री जोगेंद्र झा : मेरा आग्रह था कि आप मन्त्री महोदय को आदेश दें।

अध्यक्ष महोदय : मैंने बोला कि नहीं, वह नहीं।

12.39 Mr.

INDUSTRIAL FINANCE CORPORATION (AMENDMENT) BILL—Contd.

MR. SPEAKER: The House will now take up further consideration of the Industrial Finance Corporation (Amendment) Bill. Mr. Somnath Chatterjee:

SHRI SOMNATH CHATTERJEE (Burdwan): Sir, as I was submitting yesterday the Industrial Finance Corporation is a 50 per cent subsidiary of the Industrial Development Bank. Although the Industrial Finance Corporation is the oldest financing institution in this country, because of its position of being a subsidiary under the Industrial Development Bank, the IFC is obliged to refer the various proposals to the Industrial Development Bank for approval. Because of the procedure that is being followed, bottlenecks are being created and, in some cases, there is unjustified interference by the Development Bank in the functioning of the Corporation. Therefore, it is suggested in expert quarters also that the Finance Corporation should be made an autonomous body of course subject to the policy direction by the government and subject to scrutiny by this hon. House.

Coming to the utilisation of funds, since there are State Finance Corporations in many States, we submit that there should be proper co-ordination between the Industrial Finance Corporation and the State Finance Corporations in the various States so that proper programmes are drawn up for helping each other in developing the industrial potential in the country and coming to the rescue and aid of industrial concerns which do require help.

It is undoubtedly true that the Industrial Finance Corporation has played an important part in the industrial development of this country. But we still feel that it can do much better in helping the small entrepreneurs and is giving timely aid to the undertakings which are in difficulties. Instead of helping only the big business houses and monopoly house, the IFC should try to cater to the needs of enterprising youngmen or small businessmen who are in difficulties. The big busi-

ness houses and monopoly houses have got various sources for obtaining finance. They even get deposits from the public which the ordinary small businessman is not able to get. Therefore, IFC should give greater stress to small entrepreneurs who have not got the wherewithal to start or continue industrial undertakings.

It is no doubt true that one of the handicaps under which the IFC has to act, which is preventing proper economic development in the country, is the wrong fiscal policies which have been adopted by the Central and State Governments. Therefore, the position cannot improve unless there is a radical change in the attitude of the government and unless the emphasis is shifted from the big and monopoly houses to the smaller industrial concerns, so far as financial assistance by the IFC is concerned. Unless the policy of the IFC is changed with a view to promoting small-scale industries and coming to the aid of enterprising entrepreneurs in the small-scale sector, much of the desired effect cannot be achieved.

SHRI D. K. PANDA (Bhaiyanagar): Sir, the amendments seek to finance the public sector industrial undertakings, to give financial assistance to newly-coming up entrepreneurs and also to industries in backward areas by the Industrial Finance Corporation. So, the main purpose of this Bill is to reduce regional imbalance. Since this will have the effect of reducing the financial assistance to the big monopoly houses, this is a step in the right direction.

Clause 13 seeks to amend section 25 to enable the Corporation to exercise its powers more effectively. It is mentioned in the Statement of Objects and Reasons that so far the IFC had been financing security-oriented projects. From now on it will finance project-oriented ventures. So, that is also a welcome step.

Although these amendments are welcome, at the same time, we must do some self introspection of the entire policy of the government during the last two years so that we can draw proper conclusions. Here I will refer to Unstarred Question No. 2694. The question was whether it is a fact that during the last 24 years of

functioning of the IFC 35.5 per cent of its loan assistance had gone to the larger and larger houses and during the last two years 17 large houses got assistance to the tune of Rs. 66.6 crores and the 73 large houses received assistance to the extent of Rs. 74.8 crores. The Minister gave a positive reply to this question. The reply says that the sum of Rs. 1048 to 30th June, 1972, the large and larger houses secured loans from the IFC to the tune of Rs. 131.52 crores out of a total loan of Rs. 397.86 crores, thus constituting 35.6 per cent. Similarly, during 1970-71 and 1971-72 the large and larger houses secured loans to the tune of Rs. 17.32 crores out of Rs. 75.79 crores, thus constituting 22.85 per cent. This answer clearly reveals that the large and larger houses, which have been totaling the country and taking advantage of their alliance with the bureaucracy, they are able to get more and more loans from IFC which has not been checked so far.

For instance, Bajorias and Jalans have taken loans and diverted them for some illegal purposes. Only the other day during a debate I tried to show how Bajorias and Jalans have taken loans to the extent of Rs. 22.37 crores to control various companies by issuing fictitious loans, creating fictitious papers, transferring money to liquidated concerns run by the son-in-law or sister-in-law, etc. Still, in spite of all that criticism, the granting of loans to Bajorias, Jalans, Tatas and Birlas, is still continuing. I would like the hon. Minister to give a positive reply as to what steps they are going to take to put a check on this.

Coming to regional imbalance, though I would welcome that Maharashtra and other States should get more, I say, the regional disparity is increasing. Maharashtra, Tamil Nadu and West Bengal got 61 per cent of the total loans whereas Punjab and Haryana got 1.4 per cent each and Orissa got nil. In Orissa, there are industrial potentialities and to develop those potentialities, there must be certain detailed industrial plans for setting up different industries. For example, they have been now applying for loans for a

Shipyard at Paradip, a fertiliser plant at Paradip, a refinery at Paradip, for establishment of industry for manufacture of polyurethien foam in Orissa, a cement plant at Sunki in Koraput district, and an explosive factory in public sector in Orissa. Financial assistance is being sought for. There is only one sugar factory at Aska and a sugar factory at Nayagarh. They have also not been given any financial assistance from the Industrial Finance Corporation. On the other hand, the L.I.C. which has given some money is going to now issue a writ on them and they have started also some cases.

These things have also to be looked into. All these potentialities have to be taken into consideration and they must be properly developed. This should be taken into account while granting advances to different regions. Orissa Government have sent these papers. They have approached for financial assistance. But nothing has been done.

Now, with regard to the other aspect and the type of mischief the bureaucrats are playing, that will also be clear from the very fact to what extent the Dutta Committee recommendations and the M.R.T.P. Act provisions have been violated. In the Statement of Objects and Reasons, it has been said that, under Section 43, regulations may be framed by the Corporation in consultation with the Development Bank. The very Chairman of the Development Bank was completely against the conversion of loans into equity. So, when these very persons are opposed to the fundamental principle which has been declared by the Government, why should they continue? Out of 34 companies, only 10 companies have agreed to the conversion of loans into equity. Therefore, without any guide-line, if it is left for consultation with Development Bank, then there cannot be any fruitful results achieved.

In conclusion, I would again request the hon. Minister to have detailed plans to reduce regional imbalance and to set up industries and to finance such industries in regions which are very backward.

SHRI S. R. DAMANI (Sholapur) : Mr. Speaker, Sir, I rise to support the Bill.

The Industrial Finance Corporation was set up soon after Independence for rapid industrialisation of the country, not only for setting up new industries but also for providing finances for modernisation and for expansion of industries. The policy of this Corporation is to give guarantee for the items purchased, to give loans and also to under-write equity, preference shares or debentures of companies which are issued to the public. In this way, the Corporation has in their own way contributed to a great extent towards the development and progress of industries in the country. So far, they have advanced and guaranteed loans to the tune of Rs. 365 crores and they have assisted 527 companies or units. I want to congratulate the Corporation for the work they have done.

Side by side, I would like to draw the attention of the hon. Minister to some draw-backs which require to be modified. After going through the balance-sheet and also the Report of the Committee on Public Undertakings, I find, they have followed a policy of a banker to see all the applications from one angle, that is, to see the safety of the money. Their policy is to see the safety of the money that they are going to advance or the guarantee that they are going to give, not taking other aspects into account. The result is that they have adopted a very rigid policy of scrutinising applications.

When this is the policy adopted, it takes a long time to clear applications. The people cannot supply all the information so readily. As a result of that, the applications used to take a long time and many of the applicants were disgusted and they withdrew their applications. The number of applications withdrawn is very alarming. About 44 per cent of the applications were withdrawn. That is due to the rigid policy that they are applying. Therefore, this policy requires a change if they really want to help the industrialisation of the country.

Now, by this amendment, the Government has clearly mentioned that the policy should be project-wise and not that they should only look to the safety of the money, that is to say, whether the project is valid or not, whether the project is going to increase production and create employment and whether it is in the hands of knowledgeable persons. These are the criteria which are required to be taken, not only the safety aspect of the money advanced. To see the safety of the money is the work of a banker and not of the Corporation. We want more production and more employment. If you only see the safety of the money, then you cannot advance towards rapid industrialisation of the country. We are now asking banks to advance money to small business houses. There is no risk. The present policy requires some changes.

Another thing that I want to say is that so far they have concentrated on areas in the States which are already developed. The reason is that they have the head-office at Delhi and only three offices, one at Bombay, one at Calcutta and one at Madras. So, all the entrepreneurs from these areas have got the advantage. Most of the industries that they have helped are near about Bombay or near about Calcutta or near about Madras, ignoring the other parts of the State. That has created congestion of industries in certain pockets. Government's intention is dispersal of industries in different districts, different States. But on account of limited offices, they could not do justice to the applicants of all the States, and most of the advances and guarantees were confined to big cities....

MR. SPEAKER: Would he like to continue after Lunch?

SHRI S. R. DAMANI: Yes, Sir.

MR. SPEAKER: We adjourn for Lunch to reassemble at 2.00 p.m.

13. h.m.

The Lok Sabha adjourned for Lunch till Fourteen of the Clock.

The Lok Sabha reassembled after Lunch at five minutes past Fourteen of the Clock.

[MR. DEPUTY SPEAKER—in the Chair.]

Industrial Finance Corporation (Amendment) Bill—contd.

श्री शक्ति भूषण (दक्षिण दिल्ली) :
उपाध्यक्ष महोदय, सर गंगाराम हास्पिटल में
श्री पारिख जी दस दिन से भूख हड़ताल पर
हैं नसेज और हास्पिटल कर्मचारी हड़ताल
पर हैं। मेनेजमेंट ट्रस्ट में बहुत कorrुप्शन है।
सरकार को, सर गंगाराम ट्रस्ट को अपने हाथ
में ले लेना चाहिए, हेल्थ मिनिस्टर साहब से
यह मेरी दरखास्त है। हास्पिटल के सब मरीज
निकाल दिये गये हैं। वहाँ बुरी हालत है।
ध्यान दें।

श्री सतपाल कपूर (पटियाला) : इनकम
टैक्स डिपार्टमेंट ने तामिलनाडू में डी० एम०
के० मिनिस्टर्स के घरों में रेड्ज किये हैं। किस
मिनिस्टर के यहां से क्या मिला है, उसकी क्या
डिटेलज हैं, फ़िनांस मिनिस्टर साहब को इस
बारे में बयान देना चाहिए।

SHRI S. R. DAMANI: I was just
mentioning about the policy the Corpora-
tion has been following so far in advanc-
ing and granting loans for industrial pur-
poses. I also expressed the view that offi-
ces should be located in big cities. I am
happy to see that the Corporation has
recently taken a decision to open new
offices at Hyderabad, Bangalore and also
at Ahmedabad. I request the hon. Minis-
ter through you that the Corporation
should at least establish their offices at
all the capital cities of the country. They
should open such offices at the capitals of
States so that entrepreneurs can easily ap-
proach them and get the benefit of their
financial assistance. So far they have con-
fined themselves only to three big cities.
They have now thought of opening 3
more offices. I strongly feel that they
should establish offices in all capital ci-
ties of States also. This is very neces-
sary. Otherwise I feel that the purpose
of giving facilities in the matter of fin-

ance will not be achieved. This is an im-
portant aspect of the problem and I think
the hon. Minister will take this into ac-
count and give instructions for opening
up of offices in all the capital cities of
the States.

Then, this amending Bill seeks to in-
crease capital and liberalise the policy for
grant of financial assistance. So far, the
Corporation was confining itself to ad-
vancing finance only to private sector
and to some extent, to the cooperative
sector. But now they can advance loans
to public sector as well as to companies
of medium and small sizes. Till now
they were entertaining applications of
companies with capital of more than Rs.
25 lakhs. Now this restriction has been
removed. Now the small and medium-
scale industries can get finance; they can
get the benefits granted by the Corpora-
tion. It is a good thing. I welcome this
change.

Apart from giving finance, I feel, they
should also guide the small and the me-
dium size entrepreneur about project re-
ports, about new ventures, telling them
what they should do, so that the indus-
trialists can take up new ventures and set
up new industries in those regions.

There is one amendment about which
I would like to speak. This is to Clause
11 amending Sec. 23 of the Act. The
Corporation takes the power saying that
if any party fails to pay instalments at
the due time then the entire amounts and
interests thereon will be convertible into
equity shares. This is a very harsh provi-
sion. I would like to know what the
reason is, for bringing up such a rule like
this. This will surely very adversely af-
fect the setting up of industries in the
country. We find on account of various
technical reasons the project is delayed
it comes into production after 4 years or
so. There is delay in the matter of grant
of capital goods or power connection, or
there is delay due to erection. There
are many reasons. If they are not able
to go into production or the produc-
tion is delayed and they are not able to
pay the instalments in time for reasons
beyond their control, in that case, it has

[Shri S. R. Damani]

been provided here that the corporation will have the right to convert the entire advance into equity. I submit that this clause or this condition will result in two disadvantages for the entrepreneur or applicant. One will be that when they go to the public and approach them for public subscription, there will be uncertainty, and they will feel that if their company is not able to pay the instalments in time, then the corporation may convert the entire amount into equity and that may result in the curtailment of their dividends, and hence they may hesitate to invest their money in such companies. I hope that this will not happen and Government will not or the corporation will not take such action, but then the provision is there and they have got the power, and, therefore, this uncertainty will continue. Therefore, it requires some clarification under what circumstances this provision is going to be used. Then only, the uncertainty in the minds of the public can be cleared.

Now, let me give another instance. Suppose a company or an industrial unit starts losing on account of uneconomicness and is not able to pay the instalments in time and the entire amount which has been advanced to them is converted, then what benefit will the corporation get out of it? For, if they take the concern and run it then it will only make more losses, and the corporation cannot make it run at a profit or convert the losses into profit by taking over. So, even if they take over a concern which is incurring losses and which is not viable, it is not going to help the corporation. So, I do not understand the reasons for having brought forward such a rigid condition as a result of this amendment. I hope that the hon. Minister will clarify the position.

In regard to the working of the corporation, I would like to say something. During the last four years, if we see the balance-sheet, we shall find that the working of the corporation has started deteriorating. The expenditure is going up while the income is coming down and business is at a standstill and is not expanding. Therefore, we have to spend more. The

expenditure has increased in 1967-68 by 8 per cent, in 1968-69 by 20 per cent and in 1969-70 by 25 per cent and in 1970-71 by 44 per cent, whereas income has increased in 1970-71 only by 5 per cent. I would like to know the reasons for such huge expenditure and the fall in income or revenue.

Secondly, it is generally said that they are charging very exorbitant rate of commitment charges. If any party approaches them for loan, they sanction it, but before the money is paid, from the time the application is approved, they charge their commitment charges which are very high and this affects the entrepreneurs to a great extent. After all, the charges should be levied only when they advance the money or from the date they make the commitment, but we find that it is charged from the date the application is received and the amount is sanctioned. This is also not very reasonable. This increases the cost of the projects, and adds to the cost of the projects. Therefore, I submit that the corporation should be reasonable in levying their commitment charges on the parties to whom they give advances.

There is one other thing that I would like to mention. There are many entrepreneurs who approach the State Government and ask for their assistance in setting up industries, and the State Government agrees to issue guarantee letters to the financial institutions. But when they approach the financial corporations, they do not accept the guarantees given by the State Governments, and thus the entrepreneur is left high and dry. The big houses can manage, but the medium or small entrepreneurs who want to start their industries and who get the guarantee letters from the State Governments are in a different position, because the corporation does not accept those guarantee of the State Governments. What are the reasons for this? They say that there is some defect in the drafting of the letters by the State Governments and they want another draft or they want to have some other wording in the draft. But the net result is that the party does not get the benefit. As such, many parties which have obtained guarantees from the States have not been able to get advantage. So, I would like the

hon. Minister to look into this matter and see that the guarantees of the States are accepted or if they like, they can decide upon the forms of guarantee letters which the parties should get from the State Governments.

In conclusion, I would request that the corporation should adopt a more flexible attitude in the scrutiny of the applications, so that more units may get the benefit of the corporation's assistance by way of finances. Secondly, I would say that the corporation should now concentrate more on the industrially under-developed States and regions and give preference to these areas when giving advances.

Thirdly, I would like to say that they should expedite the opening of offices in all the State capitals and all important cities. They should also economise in expenditure.

I would request the Finance Minister also to consider the amendment in clause 11 about transferring the entire amount in case of default into equity shares. Finally, they should send a clarification to the IFC to accept the guarantees given by the State Governments.

With these words, I support the Bill.

श्री महादीपक सिंह शास्त्री (कासगंज) :
उपाध्यक्ष महोदय, वारंवार अपिका प्रश्न है।
सदन में कोरम नहीं।

MR. DEPUTY-SPEAKER: The bell is being rung—Now there is quorum. He may continue.

*SHRI T. S. LAKSHMANAN (Sriperumpudur): Hon. Mr. Deputy-Speaker, Sir, on behalf of my party, the Dravida Munetra Kazhagam, I would like to convey my gratitude to you for giving me an opportunity to speak on The Industrial Finance Corporation (Amendment) Bill.

According to Clause 8 of the Bill, the I.F.C. has been authorised to buy the shares of financial institutions as directed

by the Central Government. Here, I would like to refer to a relevant issue. Sir, the shares of Vinod Mills in Madhya Pradesh were selling below their per value. At that time, the I.F.C. permitted the company to convert its loan into equity shares, which gave a boost to the sagging value of the shares of the company. I am of the view that it is not proper on the part of the I.F.C. to give an artificial boost to the company by permitting it to convert its loans into equity shares, when the shares of the company were selling below the per value in the market. I would like to suggest that the procedure of conversion of loan into equity shares being at present followed by the I.F.C. should be looked into by the Government. I feel that the conversion policy of the I.F.C. should be properly defined.

It has also been provided in the Bill that the regulations framed by the I.F.C. need not be placed on the Table of the House. I am afraid I cannot give any support to this. The Central Government entirely finance the I.F.C. and when that is so, it is improper to say that the regulations determining how the resources of the I.F.C. are to be given as loans to the industrial concerns and entrepreneurs need not be placed before the House. Here I would give one example also.

The I.F.C. is following the policy of recruiting only Solicitors to the Legal Department. The system of solicitors is prevalent only in the State of West Bengal, with the result the advocates from other States have no chance of getting a job in the Legal Department of the I.F.C. In this respect, the Tamil Nadu Bar Council had passed a Resolution suggesting that the Advocates also should be recruited of the Legal Department of the I.F.C. I regret to say that the I.F.C. has so far not changed the procedure of selecting only the Solicitors for its Legal Department. I request the hon. Minister to look into this and do the needful.

The Central Government have notified 211 districts and 8 Union Territories as industrially backward areas. But, the

*The original speech was delivered in Tamil.

[Shri T. S. Lakshmanan]

I.F.C. has extended its concessional financial facility only to 68 districts and three Union Territories. The industrial units in 68 districts and three Union territories have received financial assistance from the I.F.C. I say this to show that the industrially backward areas have not been given prominence in the activities of the I.F.C.

Upto 30th April this year, an amount of Rs. 392 crores to 556 large and medium industries have been given by the I.F.C. It is surprising that only 28 per cent of the total assistance has been given to the industries in industrially backward areas. 78 Sugar Cooperatives and 22 Textile Corporations have received the major portion of the assistance from the I.F.C. From this it is also clear that the small industrial units in backward areas have not got any priority in the matter of getting financial assistance from the I.F.C. I would request the hon. Minister to look into this aspect of working of the I.F.C. and take appropriate steps to help the industrially backward areas in the country. Out of 565 industrial establishments assisted by the I.F.C. 70 establishments, mostly large industries—are sick and it is reported that they are in the stage of being wound up. In fact, some of them have already been wound up. If this situation continues, even the industrially developed areas might become industrially backward areas in due course. It is understood that some textile organisations assisted by the I.F.C. have been reported sick and that is why I have been constrained to make this remark. I am sure the hon. Minister will look into this serious state of affairs in the industrial institutions assisted by the I.F.C. I am happy that provisions have been made in this Bill for enabling the Directors of the I.F.C. on the institutions receiving assistance from the I.F.C. to function more efficiently. I hope that the situation will take a turn for better so far as the working of the industrial units assisted by the I.F.C. is concerned.

Before I conclude, I would also refer to another important fact. In the Board of Management of the I.F.C. almost all

the Directors are from the industrially developed areas. There is not even a single Director from the industrially backward areas. If the industrially backward areas in the country are to receive their due share of assistance from the I.F.C., then there must be Directors from those areas on the Board of Management of financial institutions like the I.F.C. I request the hon. Minister to look into this problem also and do the needful so that the industrially backward areas get priority in the scheme of working of the I.F.C.

With these words, I conclude.

SHRI Y. S. MAHAJAN (Buldana): Sir, I rise to support the Bill brought forward by the Finance Minister. After the achievement of independence, we set out on a course of planned development and industrialisation of this country, but we found we did not have any agencies for financing industrialisation or helping companies in issuing stock shares, and bonds. We did not have any industrial banking at that time worth the name. This important gap in our banking field was filled up by starting the Industrial Finance Corporation. It performs in our economy more or less the same functions that the IBRD is supposed to perform in the world.

It is a matter of satisfaction that during the last 24 years, this corporation had performed very creditable work. For instance, in the first 22 years, it gave assistance to the extent of Rs. 338 crores. I agree with the hon. member on the other side that in judging the success of the work of this institution, we should consider not the rate of dividend but the extent of industrialisation promoted by it. I am glad to say that during the first 22 years, as a result of the assistance given to the extent of Rs. 338 crores, it could help mobilisation of capital to the extent to the extent of Rs. 338 crores, it could last 2 years are not available.

Another creditable work done by this institution is, it has given nearly Rs. 72 crores to the cooperatives, mainly in sugar and textile industries. As a result of this,

these cooperatives could mobilise a total capital of Rs. 160 crores during these 24 years.

I support this Bill because it has many important features. The amendment is really comprehensive in character. It enables the institution to exercise effectively the right to appoint directors. Secondly, if any directors have any interest in the application of an industrial concern, the amendment prevents the IFC from giving any help to such concerns. The amendments are such that it will enable the I.F.C. to correct to a certain extent the industrial imbalance in the country. There are certain States and districts which are classified as industrially backward. The amount of assistance given at present to these States is very small. For instance, till last year, the amount of assistance given to Assam was 1.8 per cent, Punjab 1.8 per cent, Haryana 2.7 per cent, Kerala 3.4 per cent. Members on the other side complained about West Bengal. West Bengal, Tamil Nadu and Maharashtra together got nearly 42 per cent of the total assistance given by I.F.C. during the last 23 years.

DR. RANEN SEN (Barasat): What was the amount received by West Bengal alone?

SHRI Y. S. MAHAJAN: It was 10.9 per cent of the total for the last 23 years. This is a good feature of this Bill that it will enable the corporation to correct this imbalance to a certain extent. Provision has been made for giving loans to backward areas at concessional terms. Secondly, it will now adopt a project-oriented approach. Instead of simply examining the applications which are received by it, it will attract applications from those areas, consider them sympathetically and particularly help new entrepreneurs, new technologists and engineers who want to enter business. One important provision is, the Corporation need not insist on security. This will certainly enable the corporation to do something for backward districts.

I have two or three suggestions to make. In future, I hope the I.F.C. will adopt a policy in keeping with our planned objectives. We are out to build a socialist economy. I hope greater encouragement will be given to cooperative societies. I do not say they have been neglected in the past, but I hope more attention will be given to such forms of organisation in future than to private limited companies and public limited companies which are really private in character. The applications should be sifted in accordance with our plan priorities. If you look at the allocations for the last 22 years, much of the money has gone to textile and sugar which are consumption industries. Now new industries like fertilisers, chemicals, etc. are coming up and they should be encouraged, rather than the traditional industries like sugar and textiles.

There is one difficulty. When an industry starts working, it is quite possible that for the first three or four years, it may not be able to declare a dividend. The IBRD, for instance, exempts new firms from paying interest for the first 4 or 5 years. At present the Corporation insists on payment of interest and repayment of capital after the first or second year. I think it is a disadvantage in deserving cases, the new firms should be asked to begin payment of interest and capital after the fourth or fifth year. That will help industrialisation.

I am sure that with these comprehensive amendments the I.F.C. will be able to do much better than before, that it will help the intensification of development and increase the tempo of industrialisation in this country.

SHRI VIRENDRA AGARWAL (Moradabad): Mr. Deputy-Speaker, Sir, every economic institution should be judged entirely by its performance, the service it renders and the results it produces. The concept of institutional finance, particularly its impact in the investment climate in the country to what extent the financial institutions have helped in accelerating the industrial

[Shri Virendra Agarwal]

growth and, finally, to remove the regional imbalances, they are the basic criteria on which these financial institutions need to be judged.

I am inclined to support the Bill, though I have several reservations in respect of the various amendments. I am really at a loss to appreciate why the recommendations of the Committee on Public Undertakings have not been incorporated in this Bill. In fact, most of the amendments are almost contrary to what the Committee on Public Undertakings has recommended. It also seeks to acquire such sweeping powers which I think are sure to defeat its own objectives.

One of the most important aspect of this Bill is that it seeks to raise the authorised capital from Rs. 10 crores to Rs. 20 crores. I will read out the recommendation of the Committee on Public Undertakings on the subject:

"The Committee are unable to agree with the view of the Corporation that the financial position should be improved by raising the authorised capital to an amount which is double the existing amount. Regarding extending the borrowing limit the Committee are convinced that the existing borrowing limits are adequate and the authorised capital, as it is, has room for enhancement up to Rs. 10 crores. The Committee recommend that the Corporation should generate more financial resources of their own by adopting measures like (1) selling or discounting of short-term applications in open market through other financial institutions, (2) issue of medium-term bonds and (3) fully utilising the drawing facilities of the Reserve Bank of India and identical methods."

Secondly, I am unable to appreciate why all the financial institutions are not able to follow or pursue a common loan application form and standard legal forms for sanctioning credit to the corporeal industrial concerns. There is a great deal of duplication of work by different financial institutions. I think much of the delay is contributed by this rigid and un-

imaginative observance of the rules in processing loan applications by the corporations. The I.F.C. should better adopt a practical approach and follow the pattern set up by similar lending institutions in India and abroad by processing the applications expeditiously with a view to curtail the time factor.

A large number of people, particularly smaller men who are seeking financial assistance from these financial institutions, get really fed up with the tyres of forms they are required to fill up and the time these institutions take to finalise these loan applications. As far as possible, the entire procedure of these financial institutions need to be streamlined to such an extent that really a common man, a small entrepreneur, finds it convenient to make full utilisation of the assistance granted by these financial institutions.

Thirdly, there is suspicion and confusion in the minds of the people about the existence of so many financial institutions. It has been recommended by the Committee on Public Undertakings that the Industrial Finance Corporation of India and the Industrial Development Bank should be merged into one. I would suggest that all financial institutions in the country should come under one umbrella so that they can effectively discharge their functions of providing credit to various institutions. It would certainly have a greater impact on the entire process of industrial growth.

Hon. members from both sides of the House have talked a great deal about the investment policy of this Corporation. There is no doubt that the policy which is being followed by this Corporation is very faulty. It has not really tried to help a large number of backward regions in the country. I will certainly mention the Hindi region which has been neglected. The three States of Uttar Pradesh, Bihar and Madhya Pradesh which constitute the Hindi region have remained neglected and ignored by all the financial institutions. So, these financial institutions should try to come forward and help the region because it has remained neglected all these years.

Similarly, there is a great deal of talk about the priority sectors. Where are the priority sectors today? Every day the government talk loud "we would help the priority sectors" but the misfortune is that the priority sectors remain where they were 25 years earlier. This is the real situation. I would, therefore, say that the priority sector should get the highest priority. It should be the primary function of these corporations to invite applications from those backward regions, and these applications should be cleared at the earliest possible time.

In this amending Bill, it has also been suggested that the financial institutions should give financial assistance to the public sector industrial undertakings also. In a way, it is a very policy. But, at present the government expects the corporeal industrial concerns in this country to depend entirely on financial institutions. This is the policy of the Government of India. I feel it is not a happy policy. The policy should be that the corporeal institutions should depend entirely on peoples' contribution rather than on government institutions. But while it is the policy of the Government that the corporeal institutions should depend on the financial institutions for their funds, I do not know why the public sector institutions in the country, which really depend on the budgetary allocations of the government, should also depend on these financial institutions. I am not able to appreciate this point and I am sure the government will clarify it.

We have brought to many pieces of legislation for but, what do we find as the result? We find that the industrial growth rate is really declining. Are we going forward or backward? Today the situation is that we as a nation are rapidly moving towards zero growth rate. This is a fact. I will not agree with the government leaders that this country is moving forward; this country is actually going backward. It is not even stagnation. If there is stagnation, I will not be so unhappy. But I say that the country is going backward. Zero growth rate means that poverty will get ascen-
tuated

unemployment will increase and, of course, prices shooting up every day. These are the factors which are caused by the policy which is being pursued by the government, which is wholly negative in character and confiscating in approach which finally results in expropriation. This sort of policy cannot produce economic prosperity and social justice for which the ruling party is committed today.

The basic question is whether government is interested in reviving the confidence of the investor in the economic structure. If the investor is not interested in putting his money in the economic structure, then the future of this country is doomed. We cannot save this country. If the country is to move forward, the investment climate must grow. We should try to create a situation in which the common man feels interest in the economic life of the country.

How are we going to do it? At present, there is tremendous inflation in the country. What we need today is to create a policy or to produce a policy which can be really anti-inflationary which is possible only when the consumer goods industries are expanded in such a big way in the country that the people really get what they need at reasonable prices and the prices really come down to a reasonable level.

We also know that the Government leaders are very fond of making all sorts of statements. One of the senior Ministers of the Government of India has recently said that the economy is poised for breakthrough. We are hearing it for the last 25 years. But we have never found the economy so poised for breakthrough. The situation really is that the economy is going backward. How are you going to create a situation in which economy moves forward? That is the basic question which the Government should seriously consider today.

If the economic policy is not oriented towards production, I can tell you that we cannot solve the economic problems

[Shri Virendra Agarwal]
of the country. The basic need of the hours is that Government's entire economic policy should be directed towards accelerating the growth rate in the country, both in the field of agriculture and industry. How are you going to realise it? I do not really see that the production in this country can ever be raised unless we provide incentive in the people engaged in farms and factories. We cannot expect a farmer to produce more if we do not provide necessary incentives to him. Similarly, we should provide incentives to people engaged in factories to produce more. Otherwise, we cannot expect them to produce more. The production and incentives are correlated terms.

Those who surround the Prime Minister and who are responsible for formulating the economic policy of the country lack imagination and lack vision, and it is a policy which can be described as a *status quo* policy or an *ad hoc* policy. All these policies have resulted ultimately in economic stagnation. I would plead with the Prime Minister that while reshuffling the whole Cabinet, she should try to bring a new team of Ministers who have got a new vision, a new imagination, who can really think and feel that the country's economy should grow and grow at a faster rate and, in no case, less than 10 per cent a year. This is what I would plead with the Prime Minister and, I am sure, she will accede to this request at an appropriate time.

Finally, I would make only one point and that is this. The national leadership has been talking a great deal in terms of political stability. But political stability has little meaning if it does not produce economic prosperity and social justice. This whole process of political stability has really not inspired the people and the people have begun thinking that this political stability must go if the economic prosperity and social justice is not guaranteed to the people. This is the time for our national leadership to ponder seriously whether they really want the coun-

SHRI GIRIDHAR GOMANGO (Koraput): Mr. Deputy-Speaker, Sir, I am thankful to you for giving me an opportunity to speak on the Industrial Finance Corporation (Amendment) Bill.

I would like to make a few points before this august House about the problems of the district Koraput in Orissa State. The Industrial Finance Corporation has a great role to play for the industrial development of the country and also for the eradication of regional imbalance in the country.

Coming to the point of regional imbalance in the country, I would like to mention figures of money advanced to different States by the Industrial Finance Corporation. The Corporation has sanctioned money mostly to already industrially-developed States. Here, you will see that Maharashtra and Tamil Nadu have got Rs. 20 crores. They have sanctioned between Rs. 10 crores to 20 crores for Andhra, Gujarat and Mysore, and between Rs. 5 crores to 10 crores to Haryana, Kerala, Madhya Pradesh, Punjab, Rajasthan, U.P. and West Bengal. Less than Rs. crores is in the case of Assam, Bihar, Delhi, Himachal Pradesh, Jammu and Kashmir and also Orissa.

In Orissa, there are so many facilities available for the development of industries. But due to lack of finances, the industries in Orissa are not developing properly. I would like to give the history and geography of Orissa, not in detail but in short....

MR. DEPUTY-SPEAKER: History and geography of Orissa will not come within the purview of this Bill.

SHRI GIRIDHAR GOMANGO: The history of Orissa is that it is a poor State in the country. The geography of Orissa is that 42 per cent of its area is forest and hilly area where we can get the minerals and other resources for the establishment of industries. The public sector in India has over the years been going at a faster rate in different areas in the field of industry. The role of the public sector is to achieve socio-economic development of

the country. The plans should be made particularly for the development of backward regions in the country.

In Orissa, especially in my own district which is Koraput, many forest-based industries can be started because this district has, in its area, a major portion as hills and forests and a lot of mineral resources are available there. A proposal was submitted to the Government of India in September, 1969, by the State Government for the establishment of a cement plant near Sunki in Koraput in the Fourth Plan. I would request the Government to see that this proposal is materialised.

MR. DEPUTY-SPEAKER: There should be some other occasion for making these submissions.

SHRI GIRIDHAR GOMANGO: The Industrial Finance Corporation should provide finances to the State Government. We have nationalised the banks and they should come forward to give more money for this purpose particularly in tribal and backward areas.

If major industries are developed in tribal and backward areas, the need of the people and of the place will not be fulfilled because they are not technical personnel, they do not know how to work in factories. That is why, Sir, I request the Government to have small-scale industries in backward and tribal areas.

श्री बनशाह प्रधान : (शहडोल) :
उपाध्यक्ष महोदय, मैं औद्योगिक वित्त निगम (संशोधन) विधेयक का समर्थन करता हूँ।

इस विधेयक में कई विवादास्पद बातें हैं। इस निगम द्वारा पब्लिक लिमिटेड कम्पनियों और सहकारी समितियों को सहायता प्रदान की जा रही है। वर्तमान बिल में इस आशय का संशोधन किया जा रहा है कि सरकारी औद्योगिक उपक्रमों को भी निगम द्वारा वित्तीय सहायता दी जाये। सरकार की विचारधारा अजकल यह हो रही है कि सरकारी उपक्रमों को पूरी सहायता दी जाये।

जिन जिन संस्थाओं से धन मिल सकता है, वह इन सरकारी क्षेत्र के उद्योगों को दिलाया जाये।

सरकार की इस नीति में किसी को विवाद नहीं है। सरकारी क्षेत्र के उद्योगों को पलवित और रोषित करना वर्तमान सरकार की नीति है। किन्तु ऐसा करते समय यह प्रश्न उठाना स्वाभाविक है कि सरकारी क्षेत्र के उद्योगों में अथवा देश के उद्योगों में, जन-साधारण अथवा देश के ग्राम उपभोक्ताओं के रोज़मर्रा काम में आने वाली वस्तुओं का उत्पादन क्यों नहीं बढ़ाया जाता है। सरकार औद्योगिक वित्त निगम द्वारा इन उद्योगों को वित्तीय सहायता दिलाना चाहती है किन्तु साधारण जनता की दिलचस्पी इस बात में है कि यह निगम जिस उद्योग अथवा कारखाने के लिए धन मंजूर करे, वह जनसाधारण के दैनिक उपयोग में आने वाली वस्तुओं का उत्पादन करे।

इसके अतिरिक्त सरकारी क्षेत्र के अधिकांश उद्योगों में घाटा हो रहा है। उनकी प्रबन्ध व्यवस्था संतोषजनक नहीं है। इस पर भी ध्यान देने की आवश्यकता है।

यदि औद्योगिक वित्त निगम बड़े बड़े सरकारी उद्योगों के स्थान पर लघु उद्योगों को ऋण दे, तो अधिक अच्छा होगा।

मध्य प्रदेश औद्योगिक दृष्टि से एक पिछड़ा राज्य है जहाँ प्रधानतः आदिवासी और हरिजन रहते हैं। वहाँ औद्योगिक असंतुलन दूर करने में इस निगम से सहायता ली जा सकती है।

इस बिल में यह व्यवस्था की गई है कि यदि कोई डायरेक्टर किसी उद्योग से सम्बन्ध रखता है, तो वह उस उद्योग के बारे में किसी विषय पर बोट में भाग नहीं ले सकेगा। सरकारी उपक्रम समिति की सिफारिश पर यह नई व्यवस्था की जा रही है। मैं इसका

[श्री धनशाह प्रधान]

स्वागत करता हूँ। इस बिल के खंड 14 के अनुसार यदि किसी उद्योग में किसी डायरेक्टर का आर्थिक हित है, तो निगम उसे वित्तीय सहायता की स्वीकृति नहीं देगा।

औद्योगिक वित्त निगम 1964 से काम कर रहा है। उसमें कुछ कमियाँ और दोष हैं, जिन्हें दूर करने के लिए यह बिल लाया जा रहा है। अब तक उसका कार्य-क्षेत्र सहकारी समितियों और प्राइवेट कम्पनियों तक ही सीमित था। अब इस बिल के द्वारा यह नई व्यवस्था की जा रही है कि सरकारी क्षेत्र के उद्योगों को भी इस निगम से वित्तीय सहायता दी जाये।

सरकारी क्षेत्र के कारखानों में जो घाटा हो रहा है, उसे दूर किया जाये और उनकी प्रबन्ध व्यवस्था में सुधार किया जाये। आम जनता के दैनिक उपयोग की वस्तुओं का उत्पादन बढ़ाया जाये, जैसे कपड़ा, कागज, साबुन, डबलरोटी और दूध पाउडर आदि।

कपड़ा उद्योग को तुरन्त वित्तीय सहायता देने की आवश्यकता है। कच्ची लाख अथवा चपड़ा इकट्ठा हो रहा है और हजारों मजदूर आदिवासियों को घोर आर्थिक स्थिति का सामना करना पड़ रहा है। यदि मंत्री महोदय औद्योगिक वित्त निगम को तुरन्त आदेश दें, तो हजारों आदिवासियों को रोजगार मिल सकेगा। हमारे क्षेत्र में लाख, चमड़ा, चीनी मिट्टी और कोयला बिना किसी परिश्रम के प्रचुर मात्रा में प्राप्त होता है। वहाँ वित्तीय सहायता देने से हजारों लोगों को रोजगार मिलेगा और पूँजी तैयार होगी।

मैं एक और निवेदन करना चाहता हूँ। बैंकों से कर्ज लेने की जो पद्धति है, उसको सरल बनाया जाना चाहिए। इसके लिए ऐसे नियम और फार्म आदि बनाये जाय, जिनको आम जनता समझ सके।

जो अध्ययन दल मध्य प्रदेश या अन्य क्षेत्रों में जाये, वे यह देखें कि कहाँ किस

बात की जरूरत है। जैसा कि मैंने कहा है, मध्य प्रदेश में लाख, चीनी मिट्टी और कोयला प्रचुर मात्रा में पाये जाते हैं। यहाँ उद्योग शुरू करने में कम पूँजी लगनी, हजारों लोगों को रोजगार मिलेगा और तुरन्त परिणाम सामने आयेंगे। मंत्री महोदय को इस तरफ विशेष ध्यान देना चाहिए।

अन्त में मेरा यह निवेदन है कि वित्तीय सहायता देने के सम्बन्ध में सरकार केवल बड़े औद्योगिक प्रतिष्ठानों की तरफ ध्यान देने के बजाये उन सामान्य प्रकार के उद्योगों और कारखानों को भी दृष्टि में रखे, जो किसी न किसी प्रकार हमारे देश के उत्पादन और विकास को प्रभावित करते हैं। आवश्यकता इस बात की है कि आज निर्णायक प्रक्रिया को जिन जटिल और अधिक समय लगाने वाली क्रियाविधियों में से गुजरना पड़ता है, उनको समाप्त किया जाये। मैं प्रार्थना करता हूँ कि कोई अध्ययन दल विशेषकर मध्य प्रदेश के उन क्षेत्रों को जा कर देखे, जहाँ बिना अधिक पूँजी के छोटे उद्योग स्थापित किये जा सकते हैं और लोगों को काम दिया जाता है।

आप ने मुझे समय दिया है, उसके लिए धन्यवाद।

THE DEPUTY MINISTER IN THE MINISTRY OF FINANCE (SHRIMATI SUSHILA ROHATGI): Mr. Deputy-Speaker, Sir, I would like to thank all the hon. members for the very valuable suggestions that they have made, especially my eminent colleague, Mr. Somnath Chatterjee, who initiated the discussion and who really started it at a very high level and kept it entirely free from politics, for that and for his eloquence, he has to be congratulated. Unfortunately, that could not be sustained for various reasons, and political reasons had to be injected into the debate. Actually the entire gamut of the debate widened; instead of being confined only to the IFC (Amendment) Bill, its horizon widened and it became a critical analysis of the entire economic and financial policies of the Government. For

that, Sir, we do need more time on another occasion, and as such, I will confine myself now to the IFC (Amendment) Bill and to the relevant factors which the hon. members have raised from time to time.

First and foremost, I would like to bring to the notice of the hon. members that next year, in June, the IFC would be celebrating its Silver Jubilee; it will be completing 25 years of good, constructive service to the nation. It has been a pioneer developmental financial institution, the first of its type in Asia, and actually in the developing countries; it has therefore, its own prestige.

Now, when they are going to celebrate the Silver Jubilee, we cannot but turn our minds to the pioneer, the great visionary, Pandit Jawaharlal Nehru, who had the vision and imagination to think of such an organisation which would pave the way for future development of financial institutions.

15 hrs.

Shri Virendra Agarwal said that we have to judge any organisation and any developmental financial institution from the basis of the service rendered or the performance to their credit and I would like to say that these are the two criteria by which we can judge the IFC, and on both these counts I find that it is entirely to the credit of the IFC. I would like to congratulate all those who have been associated with it.

Of course, in regard to drawbacks, I have something to say and I will come to it later, but this is the general background.

The scope of this amending Bill is to extend and to enlarge the sphere by bringing the public sector undertakings also within its purview. This will naturally promote new enterprises and encourage new entrepreneurs and I think there can be no two opinions about it. The second factor is expansion of business and it must be said to the credit of the IFC, that the Reserve Fund of the Corporation is at present equal to the paid-up capital. That speaks volumes for any organisation

as such. We find that the Corporation had been expanding its activities from time to time and now its future expansion will be allowed and its authorised capital is proposed to be increased from Rs. 10 crores to Rs. 20 crores. This would facilitate future expansion of business. If there is expansion of business, automatically there is greater investment. By greater investment, there is automatically greater production, and that is co-related with the generation of wealth in the country. Therefore, I think, this is a very welcome feature.

Another feature of this is the ability to provide feeder loans, and foreign currency loans to the small entrepreneurs. So far this facility had not been there, but, by this amending Bill this facility will also be provided to the small entrepreneurs, and I think therefore that this is a welcome feature.

Mr. Virendra Agarwal levelled a charge. I wish he was here to hear the other side of it. I would like to say that we are not trying to flout or to go against the recommendations of the Committee on Public Undertakings. On the contrary, the clauses which we are introducing now, namely clauses 6, 14 and 15, are primarily aimed at accepting and implementing their recommendations and therefore what is being done is not in violation of the recommendations, but in direct implementation of the recommendations of the Committee on Public Undertakings.

One point was made by Mr. Damani for which I am grateful. Points were raised about the rigidity of the procedure and therefore I would like to draw the attention of hon. Members to clause 11. We find from the security point of view more emphasis laid on the project orientation, and therefore this rigidity, if it was there, to some extent, needs to be remedied. Therefore I think this will be another welcome feature.

Apart from other facts, I would like to mention that this year, being the silver jubilee year, certain special schemes have been announced. A Special Management Institute has been set up which will in a way be providing a sort of consultancy

[Shrimati Sushila Rohatgi]

service, because these are needed sometimes by the young entrepreneurs, by the people who want academic advice and so on, and they want consultation how to put up a project etc. And, therefore, this feature, namely, the setting up of the Special Management Institute, is a special feature. The Benevolent Fund which we are proposing to set up will be assisting these new entrepreneurs here and abroad and it will help them to specialise in their job. These are some of the main features which I wanted to mention.

There was one argument which was raised and this was that there should be a merger of the IDBI and the IFC. I thought yesterday we had some discussion on it but I would like to repeat it again. The present tendency is not for amalgamation or for setting up of monolithic....

SHRI SOMNATH CHATTERJEE: IFC should be made a separate institution independent of the IDBI, without any interference by it.

SHRIMATI SUSHILA ROHATGI: Actually there is no interference at all.

The autonomy of the IFC is there|...

SHRI SOMNATH CHATTERJEE: IFC has to obtain the approval from them regarding their proposals and schemes and that causes delay.

SHRIMATI SUSHILA ROHATGI: The delay factor has been taken care of. On the point how to remove the delay, how to expedite the things, etc. I will come to, a little later. I am now dealing with the point made about merger and Government's stand is this. Mr. Virendra Agarwal had taken it up. Perhaps he is a prephet of doom, I don't say personally. But, many people are thinking that the country is going backward and that the country is not going forward, it is stagnating and all that. I personally feel, if we stood where we were, then perhaps it would not only be stagnation, but it would be struggle for survival. Therefore, the question of being so pessimistic does not arise. Since it is a political argument

suggested by him, I do not think we have to go into the politics of it or the intentions which have motivated him to level those charges over here.

The IDBI also refinances and its nature of work is different whereas the IFC specialises in giving loans for cooperatives, whether it is sugar or jute mills, etc. The IFC is a developing financial institution which gives loans to cooperatives which is not done by the IDBI. I do not think there is any overlap here, because this identity has to be maintained and moreover IDBI gives loan to the core and the heavy sector which is not done exclusively by the IFC and therefore, there is separation of jurisdiction, so far as this aspect of the matter is concerned.

Mr. Somnath Chatterjee said that no indication was given as to which institution or institutions loans or debentures would be transferred by the IFC. This has to be read along with Cl. 11. This is only an enabling provision. Since IFC happens to be the trustee, I do not think this is really necessary to name any institution as such.

About 'court' also, the word has already been defined and it is competent on the part of the court to have jurisdiction where the substantial business of the concern is carried on. And therefore, this is also equally made clear. There was no lacuna in drafting as was pointed out by the hon. Member.

SHRI SOMNATH CHATTERJEE: I referred to Clause 6 yesterday and I said that it provides for transfer of rights by the IFC but it does not provide to whom the right will be transferred or who are eligible to be its transferees. The hon. Minister just now referred to Cl. 11 of the Bill but it deals with amendment of Section 18 which deals with the Executive Committee of the IFC and it has nothing to do with persons or bodies who would be the transferees. The Hon. Minister, I think, may have a look into this in some more detail.

SHRIMATI SUSHILA ROHATGI: About regulations, it has been mentioned that these regulations should be subject to the scrutiny of Parliament. We feel that IFC has worked with 25 years of service to its credit and therefore it is now a mature organisation and it should be free from bondage. Regulation is a day-to-day matter it need not be brought before the purview of the scrutiny of the Parliament, as such. As a matter of fact, for some time past it has not been brought for discussion.

SHRI SOMNATH CHATTERJEE: It is a fundamental question.

SHRIMATI SUSHILA ROHATGI: It is not a policy issue; framing a regulation is not a policy issue; it is a routine affairs. As such, it is not brought before Parliament.

SHRI SOMNATH CHATTERJEE: Why are you changing this? It was placed before....

SHRIMATI SUSHILA ROHATGI: I hope he will appreciate the delay factor which arose. It has been mentioned that too much scrutiny is a cause of some delay and scrutiny by Parliament will lead to a little delay....

SHRI SOMNATH CHATTERJEE: Parliament does not approve of the regulations as such. Under the present system of Subordinate Legislation, rules are placed before Parliament and if Parliament decides to alter them they are altered; otherwise they become effective as and when they are framed. Therefore Parliament's intervention will not delay the matters.

They become effective as soon as they are framed.

SHRIMATI SUSHILA ROHATGI: They have been there for the last six years without any amendment.

MR. DEPUTY-SPEAKER: Don't go too far into this controversial field.

SHRIMATI SUSHILA ROHATGI: I shall keep that in mind. I think he has already heard my viewpoint also.

MR. DEPUTY-SPEAKER: As she knows Parliament is very sensitive. Let her be careful about it.

SHRIMATI SUSHILA ROHATGI: We shall not tread even an inch on Parliament's rights.

As regards dividend distribution, we feel that on the basis of the performance, the stage has been reached when the ceiling of 5 per cent should also be removed.

The question which has been repeated by almost every Member and which is shared by everyone is in regard to the allocation or lending policies with an eye on removal of regional disparities. We find from statistics that out of the total aggregate assistance to all the concerns, out of a total of 565 projects to whom the assistance sanctioned was Rs. 398 crores, in the less developed or backward districts, the number was 148 projects, and the assistance sanctioned was Rs. 107 crores. We have tried to break up these figures and we find that the IFC helps the co-operative sector in a substantial way. The bigger industrial co-operative societies are not financed by any other financial institution. The co-operatives represent also to a certain extent the weaker sector of society. Going by the figures, we find that the amount of assistance taken by the less developed States and backward areas is 26.9 per cent, and by the cooperatives is 22 per cent and for the new entrepreneurs, it works out, because it was started only recently, to 10 per cent and the amount going to the new undertakings really works out to 65.3 per cent. In this way, the assistance given by the IFC has really gone to create more jobs and new potential for new entrepreneurs, and therefore, it is a job-oriented policy, and many of these people have profited from this assistance.

AN HON. MEMBER: That is why there are so many jobless.

SHRIMATI SUSHILA ROHATGI: I am sure the IFC is not responsible for the jobless. If that were so, we shall tackle the problem right now.

[Shrinati Sushila Rohatgi]

A point was also made in regard to the purpose-wise classification. Hon. Members wanted to know the particular direction in which the money had been used. Therefore, Government have tried to make an exercise and we find that the position is as follows. We have the figures of total assistance up to June 30, 1972 granted to new undertakings. If you would permit, I shall read out the whole thing. We have got the figures for expansion of existing lines, modernisation and rehabilitation and diversification. We have got all these figures, and we find that Government have really been trying to see in which way the concerns could be improved, whether by expansion, or diversification or modernisation.

One point that has so far eluded many of the Members here, probably because they did not have time to mention it is....

MR. DEPUTY-SPEAKER: Why make them wise about it?

SHRIMATI SUSHILA ROHATGI: It would be unfair to the IFC if I did not have your permission to put it on record. Since it is celebrating its Silver Jubilee this year, this should be on record that the quantum of Rs. 2006 crores has been raised by the IFC as resource mobilisation, and this is not a very small measure, and I think that it deserves credit for it, and I am glad that they are coming out as a pioneer financial institution in the country and also outside.

Some hon. Members had suggested that the money should be given for small-scale industries. I think that this is not within the purview of the IFC. That is where the State Finance Corporations would be coming in. Here, we are really concerned only with the loans and financial assistance to the medium scale and the large scale industries, since the IFC gives loans over Rs. 20 lakhs and not less than that. We have tried to go into that point which was mentioned about the question of discrimination or rather the point that some of the advanced States had taken more loans while

the backward States had really not been able to utilise the assistance in full. We find from the figures, that in Maharashtra, 80 projects in the corporate sector have been given assistance, and the assistance granted to the corporate sector is Rs. 42.69 crores....

SHRI SOMNATH CHATTERJEE: In which year?

SHRIMATI SUSHILA ROHATGI: I think these figures are up to the end of June, 1972, if I am not mistaken. I say this subject to correction.

SHRI SOMNATH CHATTERJEE: I think it should be for 1971-72.

SHRIMATI SUSHILA ROHATGI: In West Bengal, it was Rs. 39.40 crores. So far as the co-operative sector is concerned, while in Maharashtra, it was 32, in West Bengal it was nil; the assistance granted to co-operative societies in Maharashtra was Rs. 40.36 crores, while in West Bengal, it was nil. So far as the share of West Bengal in the matter of financial assistance from the IFC is concerned, in the corporate sector it has been more or less the same. But when it comes to the co-operatives, we find that the south has a definite network of co-operatives and further sugar co-operatives are also there. Unfortunately, West Bengal does not have sugar production to that extent....

SHRI SOMNATH CHATTERJEE: They will only patronise sugar. For, sugar gives them benefit.

SHRIMATI SUSHILA ROHATGI: I think that sugar in West Bengal should be even sweeter, if I am not mistaken, but the production has to come up. But the fact is that co-operatives have been working in the south and they are better worked there, but in West Bengal, we do not have these. We have jute mills there and the jute mills could also utilise the assistance. Another factor which has been responsible for this is industrial instability. I did not want to bring politics into this debate, but I must mention that industrial investment cannot

operate in an atmosphere where there is industrial instability. We know that during the last two or three years, the industrial stability which was needed for investment was not prevalent in West Bengal.

SHRI SOMNATH CHATTERJEE: How any applications were made from West Bengal for loans from the IFC during 1971-72?

SHRIMATI SUSHILA ROHATGI: It has been brought to my notice that no worth-while application has been rejected from anywhere.

SHRI SOMNATH CHATTERJEE: What does she mean by worth-while application? Let her give us the figures.

SHRIMATI SUSHILA ROHATGI: I have told him already that no worth-while application has been rejected. This means that none obviously must have come. As regards this question of industrial stability, the fact is that since the Industrial Reconstruction Corporation of India has come into operation in West Bengal, the situation has definitely improved, and, therefore, I would call upon hon. Members, whichever affiliations they may have, to remember that if they sustain this stability in that State, it would be conducive to greater production and there would be no reason why West Bengal cannot utilise the assistance given by the IFC.

There was some question about the performance of the IFC and also a suggestion for the better working of the IFC. We have to admit that there is scope for improvement in the working of the IFC. This has attracted the attention of Government, and Government are fully alive to it and certain steps have been taken in that direction. For instance, the corporation has opened a lot of branches and is streamlining its operations. The corporation has also increased its technical staff. It is contacting the Chambers of Commerce and Industry and is trying to help the small and medium entrepreneurs and having effective coordination with the State Finance Corporations and other State level agencies.

There is only one other point left and that was the point made by Shri D. K. Panda. He mentioned about the Bajorias and Jalans having been given a substantial assistance by the IFC. He has used his own term, namely looting of some such expression. We do not subscribe to that. But anyway, he has made that point. According to the Monopolies Inquiry Commission, the Bajorias and Jalans group are under the BIC group and the Surajmall and Nagarmall group respectively. There has also been some interlocking of companies belonging to these two industrial groups. But so far as the IFC is concerned, it has not granted any assistance to any companies falling under the BIC group. For the Surajmall Nagarmall group a total assistance of Rs. 1.39 crores has been sanctioned up to the end of June, 1972. There was one point which has to be refuted.

SHRI D. K. PANDA: Bojoria-Jalan House—what is the amount of advanced granted to them?

SHRIMATI SUSHILA ROHATGI: We do not have this; if you give notice we can give them.

SHRI D. K. PANDA: I raised this question.

MR. DEPUTY-SPEAKER: She will give you the figures; she does not have them ready.

SHRI D. K. PANDA: I shall write again.

SHRIMATI SUSHILA ROHATGI: You write and we shall give whatever we have. There is one point which needs to be refuted. Some hon. Members had mentioned that out of 34 companies only ten have accepted convertibility clause. We find that it is not the case. All of them had accepted the convertibility clause and therefore it is not correct to say so. Now, about Orissa I have tried to make enquiries and to the best of my information I do not think the Orissa Government has sent in such an application but in case the hon. Member is interested, if the application has come in just now, we

[Shrimati Sushila Rohtagi]

do not know; if it is there it will be subject to other normal regulations. With these remarks, I am sure the House will give its unanimous support to this Bill and acclaim it as a progressive step and give its unstinted support to the Bill.... (Interruptions).

MR. DEPUTY-SPEAKER: It cannot be unanimous. She has herself given notice of some amendments.

SHRI D. K. PANDA: With regard to Orissa, may I know whether the hon. Minister has received facts, has ascertained from the particular department whether any application has reached them for advance from this Corporation?

MR. DEPUTY-SPEAKER: You kindly write to her.

SHRI D. K. PANDA: To say: I have no knowledge about the applications received—that is one thing. We have not received anything to say so, is a different thing. Let the hon. Minister clarify.

MR. DEPUTY-SPEAKER: These are details. She may not have the figures ready in hand. She has promised, she will get the figures and send them to you. Now, the question is:

"That the Bill further to amend the Industrial Finance Corporation Act, 1948, be taken into consideration."

The motion was adopted.

MR. DEPUTY-SPEAKER: We take up clause-by-clause consideration. The question is:

"That clauses 2 to 16 stand part of the Bill."

The motion was adopted.

Clauses 2 to 16 were added to the Bill.

Clause 17—(Amendment of section 30.)

MR. DEPUTY-SPEAKER: We take up Clause 17. Government has given

notice of an amendment at 2.22 this afternoon.

SHRI SOMNATH CHATTERJEE: We have not got a copy of it.

MR. DEPUTY-SPEAKER: You would not have and that is why I am mentioning the time. Before I admit this amendment, before I accept this notice—because it is a very nominal thing as you are going to see—I should like to say that it is rather embarrassing to the Chair. You have been working on this Bill; you know it; you must have discovered.... (Interruptions) It should be much better if proper notice is given in time. But since it is a very formal thing, a nominal amendment, I shall accept it. But I would like you to move it personally and explain to the House what it is.

SHRIMATI SUSHILA ROHATGI: With your permission, I beg to move:

Page 8, lines 12 and 13.

for "District Judge",

read "District Judge or an Additional District Judge". (2)

It is a very innocent thing. By way of abundant caution we have taken this; it is sometimes better. The term 'district judge' may not include 'additional district judge'. I think this is an amendment which the House may accept.

AN HON. MEMBER: Which clause is it? bb

MR. DEPUTY-SPEAKER: Clause 17, lines 12-13 on page 8. It reads: "All proceedings (whether by way of suits or appeals or other proceedings under this Act pending before a District Judge...." She would like to add "...Additional District Judge". It is a very nominal thing. I shall put it to the House.

The question is:

"Page 8, lines 12 and 13,

for "District Judge"

read "District Judge or an Additional District Judge". (2)

The motion was adopted.

MR. DEPUTY-SPEAKER: The question is: 15.25 hrs.

"That clause 17, as amended, stand part of the Bill."

The motion was adopted.

Clause 17, as amended, was added to the Bill.

Clauses 18 to 20 were added to the Bill.

Clause 21—(Amendment of section 43.)

MR. DEPUTY-SPEAKER: Clause 21—there is an amendment which has been circulated, by Shrimati Rohatgi.

Amendment made:

Page 9,—

for lines 26 and 27 substitute—

'(b) in sub-section (2) in clause (e) for the words "Board and of the Central Committee," the word "Board," shall be substituted; (1)

(Shrimati Sushila Rohatgi)

MR. DEPUTY-SPEAKER: The question is:

"That clause 21, as amended, stand part of the Bill."

The motion was adopted.

Clause 21, as amended, was added to the Bill.

Clause v, Enacting Formula and the Title were added to the Bill.

SHRIMATI SUSHILA ROHATGI: I move:

"That the Bill, as amended, be passed."

MR. DEPUTY-SPEAKER: The question is:

"That the Bill, as amended, be passed."

The motion was adopted.

DELIMITATION BILL

THE MINISTER OF STATE IN THE MINISTRY OF LAW AND JUSTICE (SHRI NITIRAJ SINGH CHAUDHARY): I beg to move*:

"That the Bill to provide for the readjustment of the allocation of seats in the House of the People to the States, the total number of seats in the Legislative Assembly of each State, the division of each State and each Union territory having a Legislative Assembly and the Union territory of Delhi into territorial constituencies for elections to the House of the People and Legislative Assemblies of the States and Union territories and Metropolitan Council of Delhi and for matters connected therewith, be taken into consideration."

Hon. Members are aware that article 82 of our Constitution provides that upon the completion of each census, the allocation of seats in the House of the People to the States and the division of each State into territorial constituencies shall be readjusted by such authority and in such manner as Parliament may by law determine: Provided that such readjustment shall not affect representation in the House of the People until the dissolution of the then existing House. A similar provision will be found in article 170(3). Census in our country takes place every ten years. The last census took place in 1971 and the reports were received during the middle or later part of this year. On receipt of those reports it became necessary to move this Bill.

This Bill is based on similar Bill; passed by this House in 1962. There are five variations from that Bill and I shall draw pointed attention of the hon. Members. For instance in the short title in the 1962 Act, it was Delimitation Commission Act.

[Shri Nitiraj Singh Chaudhary]

The work is to be done by a commission and the work is really delimitation of the constituencies. Therefore the Bill now proposed will be known as the 'Delimitation Act', not the Delimitation Commission Act.

Secondly, the expression 'State' has been defined so as to exclude the State of Jammu and Kashmir but to include a Union Territory having a legislative assembly. The reason for the exclusion of the State of Jammu and Kashmir is that the matter in relation to that State would be regulated by the Constitution (Application to Jammu and Kashmir) Order 1954, which would be suitably modified subsequent to the passing of this Bill. Yet another reason for the definition is that the present Bill applies to the Union Territories having Legislative Assemblies and to the Union Territory of Delhi, unlike the previous enactment on the subject at which time the Government of Union Territories Act, 1963 was not on the statute-book.

The third variation is that two provisions have been added to clause 4. These two provisos seek to lay down that (a) where only one seat is allocated to a State in the House of the People, the whole of the State is to form one territorial constituency and (b) it shall not be necessary for the commission to readjust the allocation of seats in the House of the People to any Union Territory or the total number of seats in the Legislative Assemblies of Goa, Daman and Diu, Pondicherry and Mizoram or the total number of seats in the Metropolitan Council of the Union Territory of Delhi as they have been provided for in the Government of Union Territories Act, 1963 and the Delhi Administration Act, 1966.

Similarly in clause 5 a proviso to sub-clause (1) has been added. This proviso was not there in the 1962 Act. It seeks to provide that where the number of members of the House of the People representing any State is four or less, then members for that State and in the latter member for that State and in the latter case, the total number of associate mem-

bers shall be less than nine by such number by which the total number of members of the House of the People representing that State is less than four.

Clause 8 deals with the readjustment of the number of seats. It differs from the corresponding provision in the 1962 Act in the following respect. It has become necessary in the present Bill to make a reference to the provisions of certain other enactments in this clause so that the task of delimitation could be carried out by the Delimitation Commission only and not by the Election Commission in certain cases, as was the position earlier under the provisions of the relevant Acts referred to in the clause.

With these variations, the Bill I am moving is a production of the 1962 Act, and this being in a compliance with the provisions of article 82 and article 170(3). I feel it is a non-controversial measure and I hope the House will adopt it.

MR. DEPUTY-SPEAKER: Motion moved:

"That the Bill to provide for the readjustment of the allocation of seats in the House of the People to the States, the total number of seats in the Legislative Assembly of each State, the division of each State and each Union Territory having a Legislative Assembly and the Union Territory of Delhi into territorial constituencies for elections to the House of the People and Legislative Assemblies of the States and Union Territories and Metropolitan Council of Delhi and for matters connected therewith, be taken into consideration."

There is an amendment by Shri M. C. Daga that the Bill be sent to a Select Committee.

SHRI M. C. DAGA (Pali): I am moving it.

I beg to move:

"That the Bill to provide for the readjustment of allocation of seats in the House of the People to the States, the total number of seats in the Legislative Assembly of each State, the division

of each State and each Union territory having a Legislative Assembly and the Union territory of Delhi into territorial constituencies for elections to the House of the People and Legislative Assemblies to the States and Union territories and Metropolitan Council of Delhi and for matters connected therewith, be referred to a Select Committee consisting of 11 members, namely: Shri Arvind Netam, Shri Dined Bhattacharyya, Shri B. S. Bharua, Shri H. R. Gokhale, Shri Dinesh Chandra Goswami, Shri Samar Guha, Shri Rajaram Dadasaheb Nimbalkar, Dr. Laxinarayan Pandey, Shri Narain Chand Parashar, Shri Anant Prasad Sharma; and Shri Ram Chandra Vikal with instructions to report by the last day of the first week of the next session."

SHRI S. M. BANERJEE (Kanpur): Mr. Deputy-Chairman, Sir...

MR. DEPUTY-SPEAKER: I do not know why today I have become Deputy-Chairman. Anyway, it does and matter.

SHRI S. M. BANERJEE: Mr. Deputy-Speaker, Sir, I would like to support the amendment of Mr. Daga that the Bill should be sent to a Select Committee. It is true that after every census, there is a constitutional requirement that there should be a commission appointed known as the Delimitation Commission. It is also true that the population of our country has increased and on that basis, the States both in Parliament and State Assemblies have to be increased. Recently the Prime Minister called a meeting of the opposition parties to discuss this issue, whether it should be increased. I think the suggestion was 570 or 575 seats. I am told there was no consensus in that committee and no decision could be taken because of divergent views.

My party is not opposed to increasing the seats and this should not be rejected on the technical ground that there is no

accommodation in this House. I am told the technical experts have said that the strength could be increased to 540 or 550, i.e., about 30 seats more. But I do not know whether strictly according to the population basis, on the basis of 7 lakhs or 7½ lakhs, the number of seats will be confined to 550. It may be more; it may even come to 580. I do not know how those members will be accommodated in this House. After all, Government's decision or the decision of this House cannot be taken on the basis or assumption that everybody has to be accommodated in this House alone and we will not have a separate building for the Lok Sabha or the other House.

I do not mind saying that we are opposed to very big constituencies. If you do not increase the seats, a Lok Sabha constituency may have more than 9 to 10 lakhs of voters. If there are a million voters, it will be impossible for any candidate to fight elections because he should spend more than Rs. 4 lakhs. I was a member of the committee appointed to go into the various suggestions made by the Chief Election Commissioner to reduce the election expenses.

SHRI VIKRAM MAHAJAN (Kangra): If you have a Member of Parliament for each panchayat, the expenses will be reduced.

SHRI S. M. BANERJEE: I do not want to go upto the panchayat level. I am only saying if one has to manage 10 or 12 lakhs of voters, Members of Parliament will have no personal contact with the people. Moreover, the election expenses are going to be terrible. The return showing election expenses will be nothing but fictitious and will not give a correct picture of the money spent. It will only open the flood gates for those big tycoons who wish to enter Parliament with the help of their money alone and not on the basis of any political ideology or policy. So, my suggestion is that the seats should be increased on the basis of the census and arrangements should be made to see that all the members are accommo-

[Shri S. M. Banerjee]

dated here: I am told the seating arrangement in the House of Commons is less than the number of members; it is very much less because everybody is not supposed to come to the House at the same time. We have also seen that in the Lok Sabha, whether it is a three line whip or four line whip, even on occasions when both the opposition parties and the ruling party unite as on Constitution Amendment Bills or elections to our parliamentary committees like the PAC or Estimates Committee, the maximum attendance was no more than 450. That means, about 20 or 25 per cent of the members are either absent or do not attend the House while in Delhi. The difficulty will be at the time of voting. In the House of Commons they just cross the floor and voting takes place in the lobby. We in our House also had the same system in the past. Now we have the automatic voting system for which each member has to be allotted a particular seat. So, all the Members will have to be accommodated with seats because they have to participate in voting. It is no doubt true that this will present a difficulty. But that is not such a big difficulty because of which we should not increase the number.

Then I come to the Delimitation Commission about which I have bitter experience in Kanpur. During the 1962 elections I suddenly found that my constituency has been bifurcated. Sir, I would like to take you to Kanpur and show you how the area which falls in the constituency of my sister, Shrimati Sushila Rohatgi, has four cinema houses, two ordnance factories and a big bazar, and it is called a rural constituency. I have been given an area which consists of 135 villages and my constituency is called an urban constituency. I was surprised at it and I asked the Delimitation Commissioner, Shri Sunderam, how it was done and whether somebody visited the area before doing it. In that Assembly constituency which had gone as a rural constituency, I had won earlier with a margin of 27,000 votes. Of course, my total margin was 60,000 votes. In that one Assembly constituency I had a margin of

27,000 votes because all the defence employees are there as two of the biggest ordnance factories are situated there. Now there are three plants with the establishment of the special alloy steel plant. After partition many Punjabis came and settled there and there is a place called Panch Number Gumti. My constituency was divided and I got an urban constituency which grows cauliflower, mustard and other things without any irrigation. Still, I won the elections.

MR. DEPUTY-SPEAKER: Were you not an associate member of the Delimitation Committee?

SHRI S. M. BANERJEE: No, I was not.

I would say that whenever the Delimitation Commission is appointed, it has to visit the area and see whether it is a reserved area or not. Now what happens is that suddenly on the basis of certain evidence a particular area, which is a general constituency, is converted into a reserved constituency. I am not against reservation. I feel that the people belonging to the Scheduled Castes and Tribes should be given the maximum number of seats. That is not the point. But where the majority of the population is non-Scheduled Caste, why should it be converted into a reserved constituency? So, I would say that the Delimitation Commission should go into the various problems with which we are confronted every day practically during our elections and then come to some conclusions.

Before the appointment of the Commission, the Minister should kindly consider whether it would not be advisable to refer it to a Joint Committee, where we will get ample opportunity to discuss all aspects and adduce evidence. After all, nothing is going to be lost if there is some delay. I do not think there is any danger of toppling any government because the elections are not fast approaching. The first election will be in 1974. There is ample time.

SHRI P. K. DEO (Kalabandi): It will be earlier in my State.

SHRI S. M. BANERJEE: I would request the hon. Minister to kindly consider this suggestion more seriously. They can themselves move to refer it to a Joint Committee.

We have nothing against the principles of the Bill. It is necessary according to our Constitution. The problem is how this increased number could be accommodated in this building. Perhaps, we can have two shifts. When the schools are having two shifts, we can also have two shifts; we do not mind it. So, merely on some technical grounds, the people of India should not be denied the representation to which they are entitled under the Constitution. With these words, I support the Bill and I would request the hon. Minister to refer it to a Joint Committee.

श्री मल्लचन्द झागा (पाली) : उपाध्यक्ष महोदय, जब मैं किसी बिल को सिलेक्ट कमेटी में भेजने सम्बन्धी प्रस्ताव रखता हूँ, तो कुछ माननीय सदस्य समझते हैं कि यह एक रूटीन वर्क है। लेकिन मेरा खयाल है कि मेरे या किसी अन्य सदस्य के प्रस्ताव पर जो भी बिल सिलेक्ट कमेटी में गये हैं, उन सब में एमेंडमेंट हुए हैं।

सब से पहले मैं यह पूछना चाहता हूँ कि जो बिल पेश किया गया है, वह आर्टिकल 82 के नीचे आ रहा है या आर्टिकल 327 के नीचे।

अगर यह बिल पास हो जाता है और उसके अनुसार निर्वाचन-क्षेत्र बन जाते हैं, तो फिर वे निर्वाचन-क्षेत्र चाहे कैसे भी बन जायें, आर्टिकल 329 के मुताबिक इस ला को हाई कोर्ट या सुप्रीम कोर्ट में चैलेंज नहीं किया जा सकता है। इस बारे में यही प्रोसीजर से डाउन किया गया है कि आवेदन-पत्र रूल आउट करने के साथ इलैक्शन कमीशन जो भी जजमेंट देता है, उसको किसी कोर्ट में चैलेंज नहीं किया जा सकता है। आजकल

के समय में कानून में इतना ज्यादा डिस्कशन रखने का मतलब यह है कि सरकार कम्प्लान को बढ़ावा देना चाहती है।

उदाहरण के लिए क्लॉज 3 में जजों के रखने की बात कही गई है। सवाल यह है कि हाई कोर्ट के जज क्यों रखे जायें, केवल सुप्रीम कोर्ट के जज क्यों न रखे जायें।

श्री बिक्रम महाजन : वे कम हैं।

श्री मूलचन्द खन्ना : अगर सरकार देश को इन्साफ देना चाहती है, तो सुप्रीम कोर्ट के जज रखने चाहिए। क्लॉज 3 में कहा गया है, "इट शैल कन्सिस्ट ऑफ़ ए जज ऑफ़ सुप्रीम कोर्ट ऑर ए हाई कोर्ट"। हाई कोर्ट का जज क्यों रखा जाये? जब कमीशन ने सारे देश में निर्वाचन-क्षेत्रों का निर्धारण करना है, तो फिर सुप्रीम कोर्ट के जज क्यों नहीं रखे जाते हैं? और फिर आप चाहते हैं कि रिटायर्ड हो जाय तो कोई परवाह नहीं है। मैं चाहता हूँ कि सिटिंग जज होना चाहिए। यह पालिटिक्स में बड़ी गड़बड़ है। जहां जजेज भी बैठते हैं, कई बार डी-लिमिटेशन के मामले में मैंने देखा है कि वह भी पोलिटिकल पार्टी से गड़बड़ हो जाते हैं। इसलिए आज जो आप के सिटिंग जज बैठे हुए हैं उनको आप मुकर्रर कीजिये। इसमें आप ने कहा है :

"two members, each of whom shall be a person who is or has been judge...."

तो मेरा कहना है कि जो सिटिंग जज हो जो काम करता हो उसको आप मुकर्रर कीजिये और हाई कोर्ट के जजेज को रखने की आवश्यकता नहीं है।

"The Central Government shall nominate one of the members appointed under clause (a) of sub-section (1) to be the Chairman of the Commission."

मान लीजिए एक आप का हाई कोर्ट का जज है और एक सुप्रीम कोर्ट का तो उसका चेयरमैन कौन होगा? उसमें यह है कि गवर्नमेंट बिल नामिनेट। तो हाई कोर्ट के जज को भी

[श्री मूतचन्द डागा]

कह देगी वह कि यू आर दि चेयरमैन। चेयरमैन वह होना चाहिए जो सुप्रीम कोर्ट का जज हो। लेकिन अगर आप इसमें ऐसा लिखते हैं कि :

"Government will nominate a High Court Judge to be the Chairman of the Commission."

That means the Government has got the discretion to appoint anybody as a Chairman. It means that the Government wants to interfere into it. He may be anybody. Suppose there are three Judges. You say "A" should be the Chairman and not "B" or "C". Why is this discretion left to the Government and for what purpose?

Then, clause 5 says:

"The Commission shall associate with itself for the purpose of assisting it in its duties in respect of each State, nine persons..." What is the purpose of it?

आप राजस्थान को ले लीजिये या मध्य प्रदेश या आन्ध्र प्रदेश को ले लीजिये। राम गोपाल रेड्डी साहब को सारे आन्ध्र प्रदेश का हाल मालूम नहीं है। वह केवल अपनी कांस्टीट्यूएन्सी के बाबत जानते हैं। तो यह जो 9 मेम्बर्स को लेने का सवाल है उसमें कौन मेम्बर्स होने चाहिए? मुझे अगर आप कहें कि मैं राजस्थान की सारी बात कह सकता हूँ तो वह मेरे लिए असंभव है। मैं अपने निर्वाचन क्षेत्र की बात कह सकता हूँ। तो आप जो 9 मेम्बर्स को नामिनेट कर रहे हैं उनको कैसे सारे प्रदेश का हाल मालूम होगा? फिर उनको नामिनेट कौन करेगा? कैसे उनको मालूम होगा? स्पीकर, अगर नामिनेट करेगा तो उसको कैसे मालूम होगा? असेम्बली में क्या होता है कि जो असेम्बली में नामिनेट करने वाले होते हैं, गवर्नमेंट पार्टी के होते हैं या मिनिस्टर होते हैं वे नामिनेट हो जाते हैं।

एक माननीय सदस्य : इधर भी ऐसा ही है।

श्री मूतचन्द डागा : इधर भी ऐसा ही है तो यह बिल्कुल बड़बड़ है। तो इसको जानते

हुए हज़ारों कैसे इस बात को समझें? यह 9 मेम्बर्स का डिस्ट्रिक्शन किस आधार पर होगा? पार्टी के आधार पर यह होगा या किस आधार पर होगा? देयर इज नो क्राइटीरिया। मैं समझता हूँ कि स्टेट्स के अंदर डिवीजन हैं। हर जगह चार या पांच डिवीजन हैं। तो उस डिवीजन के जो एम पीज और एम०एल०एज० हों उनको एसोशिएट करना चाहिए कमीशन के अंदर जगह जगह पर। यह नहीं होना चाहिए कि राजस्थान स्टेट के अंदर चार पांच एम०पीज० को ले लें या पांच एम०एल०एज० को ले लें। हर एक स्टेट के अंदर जो डिवीजन हैं, उन डिवीजन के आधार पर जब कमीशन को एक्वायरी करनी है तो उन लोगों को उसमें एसोशिएट करना चाहिए और उनसे लाभ लेना चाहिए। यह अगर हो तो हम समझ सकते हैं कि वह अपनी बात कह सकते हैं। हर एक स्टेट डिवीजन में डिवाइडेड है। देयर आर फोर आर फाइव डिवीजनस। उस डिवीजन के लोगों को उसमें एसोशिएट करें तो वह अपनी बात कह सकते हैं। मैं जिस निर्वाचन क्षेत्र से आया हूँ, मेरी कोई ऐडमिनिस्ट्रेटिव यूनिट लीजिए। पंचायत समिति है, तहसील है, जिला है। मेरे ब्लॉक के कुछ विजेजेज दूसरे निर्वाचन क्षेत्र में हैं और दूसरे के कुछ विजेजेज मेरे निर्वाचन क्षेत्र में हैं। उदयपुर का हिस्सा भी उसमें आता है और मेरे जिले पाली का भी आता है। मैं पाली का हूँ। मुझ एक एम०पी०को एक जिला परिषद् है उदयपुर में वहाँ जाना पड़ता है और एक जिला परिषद् है पाली के अंदर जोधपुर डिवीजन में वहाँ पर भी जाना पड़ता है। मैं पूछता हूँ कि आप के जो ऐडमिनिस्ट्रेटिव ब्लॉक यूनिट हैं वह किस आधार पर बनते हैं? मैंने कई विलेजेज देखे हैं कि जहाँ बहुमत नहीं होता है तो उसको शैड्यूल्ड कास्ट घोषित कर देते हैं। शैड्यूल्ड कास्ट की कांस्टीट्यूएन्सी मानी उसमें बहुमत शैड्यूल्ड कास्ट का नहीं है, लेकिन पोलिटिकल रीजन पर उसको शैड्यूल्ड कास्ट घोषित कर देते हैं।

एक माननीय सदस्य : ऐसा नहीं हुआ।

श्री भूतचन्द्र डांगी : यह आप मुझ से नहीं कह सकते। यू कैन नाट चैलेंज मी। आपके ऐक्ट के अन्दर कोई पाबन्दी तो नहीं है। काइंडली गो थ्रू इट। मेरा कहना यह है कि आपको यूनिट बनाना चाहिए। तहसील लेवेल पर मानें, ब्लाक लेवेल पर मानें, जिला लेवेल पर मानें, पर यूनिट होना चाहिए। लेकिन यह इसमें नहीं है। अब आप ने इसमें दिया है :

"The persons to be associated from each State shall be nominated in the case of Members of the House of the People by the Speaker...."

स्पीकर किस आधार पर यह नामिनेट करेगा ? ह्वाट विल बी दि कंसिडरेशन ? तो उसमें भी डिस्क्रिप्शन पर छोड़ दिया है। कोई क्राइटीरिया नहीं मुकर्रर किया है। . . . (व्यवधान) . . . मैंने तो यह कहा कि डिवीजन के आधार पर एसोशिएट करना चाहिए। फिर आप कहते हैं :

"The Commission shall determine its own procedure and shall in the performance of its functions have all the powers of a civil court...."

आप कहते हैं कि उसकी नोटिस निकलनी चाहिए और केवल गजट में वह निकल जायेगा, दैट इज सफिशियेंट। मैं कहता हूं जो आपके जिला परिषद् हैं, तहसील हेडक्वार्टर्स हैं, ब्लाक हैं, वहां पर क्यों नहीं यह नोटिस निकलती है। ताकि लोग जा कर देखें तो सही कि आप ने यह निर्वाचन क्षेत्र घोषित किया है। लोगों को मालूम नहीं पड़ता है कि निर्वाचन क्षेत्र कौन सा घोषित कर रहे हैं और आप यह कह रहे हैं कि हम ने गजट में शायी कर दिया और हो गया। यह भी नहीं कि ब्लाक लेवेल पर, तहसील लेवेल पर या एस डी बो जहां बैठता है, वहां यह चीज शायी की जाय। सब-डिवीजन को मालूम नहीं, ब्लाक को मालूम नहीं, पंचायत समिति को मालूम नहीं और आप

कहते हैं कि नोटिस निकल गई और अब यू हैव नो राइट टु मैक एनी आब्जेक्शन। तो मेरा कहना है कि यह जो आप निर्वाचन क्षेत्र बनाते हैं उसमें आप को यह ध्यान देना चाहिए कि जो लोग आब्जेक्शन रख करना चाहते हैं, उनको उसका मौका हो। अब आप कहते हैं :

"...publish its proposals for the delimitation of constituencies, together with the dissenting proposals, if any, of any associate member who desires publication thereof, in the Gazette of India and in the Official Gazettes of all the States concerned and also in such other manner as it thinks fit;"

आप यह बताइये कि ये जो एसोशिएटेड मेम्बर्स हैं वे क्या वहां केवल अपनी राय देने के लिए हैं चाहे वह मानी जाय या न मानी जाय, उसमें वह कुछ नहीं कर सकते ? मान लीजिये एसोशिएटेड मेम्बर्स ने अपनी राय दी। दस मेम्बर ऐसी राय देते हैं कि यह निर्वाचन क्षेत्र ऐसा होना चाहिए और डिलिमिटेशन कमीशन दूसरी राय देता है कि कमीशन की राय मानी जायगी या उन दस मेम्बर्स की राय मानी जायगी ? उनकी क्या पोजीशन है ? क्या वे वहां केवल इसलिए होंगे कि उनकी राय न मानी जावे ? जो आप ने एसोशिएट किये हैं एसेम्बली के मेम्बर्स, पार्लियामेंट के मेम्बर्स, जो वहां जाते हैं उनकी राय मानी जायेगी या नहीं ? तो सवाल यह है कि जो सारे के सारे प्राविजन्स आपने रखे हैं उनमें आपने सारा डिस्क्रिप्शन छोड़ दिया है। मान लीजिये जो ज्यादा मेम्बर्स आप बढ़ा रहे हैं वह कितने मेम्बर्स बढ़ाने चाहिए उसका कोई जिक्र नहीं है और निर्वाचन क्षेत्र में कितनी सीट्स बढ़ सकती हैं उसका भी कुछ जिक्र नहीं है। केवल स्ट्रक्चर्स देकर गवर्नमेंट अपना सारा भार डिलिमिटेशन कमीशन जो बनता है उसके ऊपर छोड़ना चाहती है और वह कमीशन जो भी चाहे कर सकता है।

16 hrs.

*SHRI E. R. KRISHNAN (Salem): Mr. Deputy-Speaker, Sir, on behalf of my party, the Dravida Munnetra Kazhagam, I would like to say a few words on The Delimitation Bill, 1972.

This Bill has been introduced for the purpose of constituting a Delimitation Commission to demarcate the Lok Sabha and the Assembly Constituencies in the country on the basis of 1971 Census. The present Lok Sabha and Assembly Constituencies had been demarcated after 1961 Census. As the population of the country has increased, which the 1971 Census has revealed, it is the constitutional duty cast on the Government that a Delimitation Commission is constituted immediately for the purpose of demarcating the Lok Sabha and the Assembly constituencies.

It cannot be disputed that the population of the country has increased. But the population has not increased in the same proportion in all the States of the country and that is due to the fact that certain States are vigorously implementing the family planning programmes. In fact, in some parts of the country as a result of this the population has gone down. To give a concrete example, on account of vigorous implementation of family planning programmes in national interest, the State of Tamil Nadu lost two Parliamentary seats. The Central Government repeatedly stress this fact that, unless the population explosion is controlled and curbed, the economic development of the country will be in jeopardy. If any State follows this directive and implements effectively the family planning programmes, the State is deprived of due representation in the Lok Sabha. If this is going to be the reward for undertaking to implement the family planning programmes, then naturally these programmes will receive a set back. Some States might even drop the family planning programmes.

I would like to suggest that in their deliberations the Delimitation Commission should take this vital point into consideration.

It must be borne in mind that if any State, for instance, Tamil Nadu keep the national interest in the forefront and implement the family planning programmes in right earnest, such a State should not be rewarded by way of reduction in the number of Lok Sabha seats which it had earlier. I would even go to the extent of saying that there should have been provision in this Bill itself to the effect the States implementing vigorously family planning programmes will not be adversely affected in the matter of representation to the Lok Sabha.

Recently, our Prime Minister convened a Conference of the Leaders of all political parties in the country to consider the question of increasing the number of Lok Sabha seats to 570, which will be in proportion to the increase in population. I read in the newspapers that some political parties did not favour this increase in the Lok Sabha seats. My party, the D.M.K. extended its fully support to the increase of Lok Sabha seats to 570. Now that this Bill has been introduced, I would like to know whether this question will be referred to the Delimitation Commission.

16.04 hrs.

(SHRI N. K. P. SALVE in the Chair.)

If the strength of Lok Sabha is not increased in proportion to the increase in population, then each Member of Lok Sabha may have to represent more than 10 lakhs of people. Even now, a Member represents 7.5 lakhs of people. It is humanly impossible for any Member of Lok Sabha to cover frequently his entire constituency, which is so vast, for the purpose of personally contacting his constituents and acquainting himself with their problems and difficulties. If he is to represent more than 10 lakhs of people, I need not say that he will never be able to do justice to his responsibilities. The area of a constituency will become still larger. A Member will not be able to come round his constituency even twice in his five year term. His election expenses also will be

*The original speech was delivered in Tamil.

mounting up. So, it is necessary that along with the increase in population the number of Lok Sabha seats should also be increased proportionately. Similarly, the Assembly seats should also be increased. My party, the D.M.K. has extended its full support to the increase of Lok Sabha seats as also Assembly seats. I hope that the Delimitation Commission will consider this question also.

As I pointed out earlier on, I would request that, for the purpose of achieving self-reliance, for the purpose of attaining economic goals which will pave the way for establishing an egalitarian society in the country if a State is to be penalised for implementing family planning programmes by way of loss in the Lok Sabha seats, I would say that our economic efforts will receive a set back. I would request that the pre-1961 basis for demarcating the Lok Sabha seats and Assembly in the case of Tamil Nadu should be followed for the purpose of delimiting the constituencies now. I had referred to this problem in my speech on the Demands for Grants of the Ministry of Health in which I pointed out that the family planning programmes will be given a go-by if a State is to lose the number of seats in the Lok Sabha.

Before I conclude, I would urge upon the Minister that this important fact must be borne in mind by the Delimitation Commission while the constituencies are delimited both for Lok Sabha and for Assemblies. There should be proportionate increase in the strength of Assemblies and Lok Sabha to the increase in population as revealed by 1971 Census.

With these words, I conclude.

MR. CHAIRMAN: Mr. Rudra Pratap Singh. He is not present.

Shri B. V. Naik

SHRI B. V. NAIK (Kanara): Mr. Chairman, Sir, the Delimitation Bill has been presented here as a natural feature of the decade. I welcome the Bill as it is presented today. Even though we refer the task of delimitation of constituencies to a quasi-judicial body, i.e., the delimitation

Commission, our experience in the past has been such that this seemingly, very innocent-looking Bill, as far as the people say or the persons affected by it say, can also, in the hands of the people not gifted with a judicial bent of mind, is capable of being one of the most mischievous pieces of legislation.

I hope, first and foremost, in the choice of the personnel who will be manning this Commission, utmost care will be taken that quasi-politicians or full politicians or people not prone to take a very judicious view of the whole situation, are not selected in order to be placed in the two vacancies that are there where appointment is to be made from amongst judicial personnel. In this behalf, I would like to join hands with the hon. Member, Shri Daga, in supporting the view that, instead of having on this Commission of three people who have been 'has-beens' in the judicial line, it would be better, if at all to err on the safe side, if sitting members of the judiciary are provided to this Commission so that they will be more accountable than ex-judicial luminaries and will also be in a position to do justice to the job along with the ex-officio Chief Election Commissioner.

Then, Sir, as far as the discussion on the size of the constituency is concerned, my hon. friend, Shri Banerjee, raised this point. He said: The bigger the size of the constituency, the larger will have to be the amount of money spent on the election. I do not see, and I cannot see eye to eye in co-relating the financial aspect of any election campaign with the size of that constituency, as that would be, in brief, a sort of an insult to the electorate, and more particularly, to the electorate of this great country. It would be an insult added to the injury for this reason that, in the course of the last 20 or 25 years of the operation of democracy in this country, the electorate has grown wise. Definitely it is wiser today, than what it was in the year 1952. And, even though there have been attempts made on behalf of the moneyed people to bribe or corrupt the electorate, the electorate, irrespective of either accepting the money or

[Shri B. V. Naik]

refusing the money—have been able to come to the right decisions, whether it is of a party or a person or an ideology. It would be a wrong conclusion to arrive at with regard to any co-relation between the amount of money spent and the success in the present or the forthcoming elections in this country.

I do appreciate the concern of the hon. Member (Shri Banerjee) that the size of the electorate will make it progressively difficult—particularly at the national level—to maintain a rapport or a sort of live-contact, with the electorate composed of as many as a million people, because, we are already 56 crores of people and even if we provide for 560 Members of Parliament, there will still be a million members of the electorate or the population which will have to be catered to and contact developed.

Having accepted a federal system of Government, having accepted a national Government, there seems to be absolutely no escape for this country. Leaving aside the technical problems in regard to the size of this chamber or the adjustments to be done about it, I feel, Sir, the electorate in this country, by and large, will see the limitation of their representatives, in regard to this size, and I hope that, in the interest of the nation, both the electorates and the elected will be able to appreciate the mutual difficulties involved in this difficulty of personal rapport as well as contact.

In this behalf, I would like to draw your kind attention to Clause No. 9 (1) (a) wherein it has been stated as follows:

"All constituencies shall, as far as be practicable to geographically compact areas, and in delimiting them regard shall be had to physical features, existing boundaries of administrative units, facilities of communication, and public convenience."

In the course of the last many years, the question of the further geo-demographic division of our States into constituencies has been somewhat neglected. Most of the constituencies being district units,

and these district units, having been more or less the results of administrative exigencies, there has been no attempt at all to divide these constituencies into, sort of, geographical, demographic, cultural or semi-cultural units, or whatever else it may be called. There has not been much of an attempt and this has been a long-standing problem. And, I feel, in case we can think of a long term and a sort of perpetual measure to solve this problem, on the basis of even personal experience of some of us, that there is no relationship between these constituencies, then, if the Delimitation Commission were to apply itself in respect of a sort of cohesion within a constituency and to make it as far as practicable, a sort of perpetual constituency, a lot of service would have been rendered.

Here I come to another continuing problem in our country, of the relationship between the State and the Centre. The provision has been made that the Commission shall associate with itself, for the purposes of assisting it in its duty, in respect of each State, 9 persons, 4 of whom shall be Members of the House of the people, representing the State, and 5 shall be Members of the Legislative Assembly of that State. I see no reason and I would join once again with hon. Member, Shri M. C. Daga, as to the reason why the Members of Parliament should continue to be in a minority, even in the capacity of 'associate members' when they have no right of voting. Is it very difficult for us to accept that the two stand on equal footing and that if there is any need at all—if not the minimum of parity is ensured, and if parity cannot be ensured, because you want the odd number like 9 or 11—is it really difficult for us to somehow come across this sort of mental barrier, and, instead of having, if not equal number, at least 5 Members of Parliament and 4 Members of the State Assembly. I do not know the reason why this disparity is to be carried on. I hope the hon. Minister would be good enough to explain. But I would urge that in this year, because of the historical accident, once again, of a direct election of representatives in the Parliament, I think, this

is a good enough turning-point for us to see to it that, if not a parity, at least a majority, is maintained.

In this behalf, Sir, if I could develop the point further, since it should be possible physically for the Commission of three, not only to associate with these 9 associate members, or 10 associate members, but it would be also possible, if they have to apply themselves adequately to the task ahead of them, to see that an opportunity or associateship is given in respect of each Parliamentary constituency. If this problem of 9 or 11 and 4 versus 5 is going to be difficult, when a respective constituency is under consideration of the Commission, an ad hoc or a sort of temporary associate membership to the Member of Parliament could be given because that will be a workable arrangement. The full details of the constituency will be best known to them. I think these are not suggestions submitted merely in the form of debating-points, but these are the hard realities. I hope, at least some of these suggestions, particularly regarding the parity of the membership and associate membership are incorporated and the amendments suggested in that behalf accepted by the hon. Minister.

SHRI SOMNATH CHATTERJEE (Burdwan): Mr. Chairman, Sir, under the Constitution of India, after every census, it is a mandatory requirement that delimitation has to be done. So far as the present Bill is concerned, it no doubt seeks to give effect to that constitutional requirement. But there are certain matters which it is my duty to bring to the notice of the House.

So far as the functions of this commission are concerned, it has got undoubtedly a gigantic task. It has to make provision for fixing not only the parliamentary constituencies but also the legislative Assembly constituencies throughout the country. I find from the report of the Election Commission of India on the Fourth General Elections in 1967 that serious handicaps were felt by the Delimitation Commission in carrying out its constitutional functions.

Hon. Members are aware that the main principles of delimitation as laid down in the Constitution and the relevant legislation are that the constituencies should be more or less equal in population, that all constituencies should be geographically compact areas, and that in forming them, administrative units should not be unnecessarily broken and that the physical features and facilities of communication and public convenience have to be kept in mind. It was felt, and it is obvious that to carry out the delimitation work on the basis of these legal requirements, the least that should be provided to the commission was proper data and the very essential thing, namely proper maps. I find that the Election Commission is making a comment in its report which was prepared after the last delimitation was done that even maps were not made available to them. At page 9 of their report, we find:

'Accordingly, for a scientific delimitation of constituencies in each State, it is necessary to have maps on an appropriate scale of the State as a whole and of its districts and cities and a detailed table showing the total population the Scheduled Castes population and Scheduled Tribes population for the smaller administrative units within each district and city. Instructions for the preparation of such maps and the compilations of such tables were issued by the Election Commission in 1962, a few months before the passing of the Delimitation Commission Act, but even so, the task proved to be difficult in a number of States. The commission was surprised to find that proper printed maps of districts showing the boundaries of administrative units, main physical features like hills, rivers and canals and lines of rail and road communications were not available in many cases. The maps that were eventually produced by the State authorities were of poor quality and were not invariably accurate enough and up to date. The ban imposed for security reasons on production of maps even on the scale of one inch to four miles added to the difficulties of the commission. It is to be hoped that by the next

[Shri Somnath Chatterjee]
delimitation, properly printed large scale maps of districts will be available in all the States."

This is a very essential requirement. Unless these facilities are made available to them, and the where-withals are given to them, how can they carry out their constitutional requirement and legal requirement? It is no good bringing in two judges, sitting judges or ex-judges and giving the commission the glory that it is supposed to be a judicial tribunal, and, therefore, they must be applying their mind in a judicial manner. There is nothing special in it. That is why we are saying that the whole delimitation work has become at present not the work of the Delimitation Commission itself, because it has to act on the basis of the insufficient data that are supplied to it; if maps are withheld from them, then on what basis will they delimit? They do not have any personal knowledge. On what basis can they carry out the huge and important task of delimitation of constituencies, because gerrymandering is not the monopoly of any particular nation in the world, and our unfortunate experience in this country has been that this has been resorted to on a large scale.

SHRI R. D. BHANDARE (Bombay-Central): It should be avoided, and we should avoid it.

SHRI SOMNATH CHATTERJEE: That is what I also say, but this has been the experience of this country in the past. There has been gerrymandering. It may be all right that for what is being done, you are getting judicial approval, or the approval of two Supreme Court Judges or High Court Judges and the Chief Election Commissioner. But on what is that approval based? The administrative machinery provides the data and the materials and they make out their lists of constituencies. It is not possible for the delimitation commission at all to individually scrutinise all the constituencies. I would like to know from the hon. Minister on what materials, these different constituencies, the parliamentary constituencies or about 4600 constituencies in this country were delimited and the limits were drawn.

Therefore, we want that this work should not only be given to persons who are apparently above political considerations, though unfortunately our experience has been otherwise, but there should not be any scope for bringing into delimitation such consideration as this that when a particular person wants to be sure of having a safe seat, it is very easy to have it drawn up that way, and when one does not want an inconvenient opponent, then one declares his seat to be a Scheduled Caste seat or rearranges it in such a way as to make sure that he is defeated.

This is a matter which I would request my hon. friends opposite not to look at from the point of view of politics, because we have enough politics in this country so far as election is concerned, in other aspects. But so far as delimitation is concerned, let it be done in a fair and proper manner, and let them not pay only lip-service to the Constitution of India, because we now what regard and respect they have for it. I want to know from Government what arrangement will be made for the purpose of supplying accurate data and for supplying maps and supplying whatever information the Delimitation Commission wants. A warning was given in 1967, and I would like to know whether in 1972 proper maps have been prepared in respect of the different areas or different administrative units or districts, to be made available to the Delimitation Commission which is going to be set up after this Bill would be passed. I do not know whether the hon. Minister has had time to go through the report of the Election Commission, because I have grave doubts whether he would have got any time to go through it, because Ministers have got other aspects of election to look after and not delimitation.

The other question to which I find that reference has been made in this report is about the question of staff, which was appointed. After all, it requires huge staff. The last Delimitation Commission needed three and a half years to complete its work and it had to carry on its duties and functions only with the existing staff of the Election Commission. It is in any

event, not adequate, as they say. Therefore, I would like to know what is proposed to be done, unless they want to create a situation that the Delimitation Commission has to be made solely dependent on the administrative or bureaucratic or political requirements themselves, or the lists supplied by the political party in power have to be accepted by the Delimitation Commission. I would like to know how it is going to be worked out and how it is going to be done, what the staff requirements are, and so on. Have Government ever tried to find this out and have Government made efforts to make available to them to the necessary staff so that they can carry out their functions properly?

So far as electioneering in this country is concerned, we find in our State that a very easy method has been discovered now, and I have grave doubts about what sort of elections will take place in this country. We have been charging that the last elections in the State of West Bengal had been rigged elections. That is our charge. There has been no proper inquiry. The other aspect which I would like to stress is that the committee which was set up to review the election law is...

SHRI C. M. STEPHEN (Mavattupuzha): Is that very relevant to the Bill?

MR. CHAIRMAN: It is not wholly relevant to the Bill. So, the hon. Member may confine himself only to the Bill. I did not want to interrupt the hon. Member otherwise. Let him proceed with his speech now.

SHRI SOMNATH CHATTERJEE: I am just mentioning it.

SHRI JYOTIRMOY BOSU (Diamond Harbour): More irrelevant than what you heard yesterday?

SHRI SOMNATH CHATTERJEE: There was a question about the nature of voting that had to be adopted. I know that under the Constitution of this country, we have adopted the majority system of voting. But in most of the countries democratic elections have taken place or ought to take place democratically, pro-

bably the method that is going to be generally adopted more and more or has been adopted is the principle of proportional representation. This matter came up before the parliamentary committee that was formed for the purpose of going into the question of electoral reform. Considerable discussions took place on the question that the system of proportional representation should be adopted. But we were in a minority there. For obvious reasons proportional representation system is not going to be adopted. It is common knowledge that sometimes ridiculous results come, if I may use that language. The results of elections to Lok Sabha and State Assembly do not reflect the percentage of voting. Proportional representation will ensure that the results are according to the suffrage which each political party gets, there will be proper representation, commensurate representation in Parliament and in the State Assembly. Merely having certain constituencies formed according to the prescribed manner on the basis of the ineffective method, unsatisfactory method that had so far been adopted will not be sufficient. If we want real elections, if we want people's representatives in this House or in the State Legislatures to represent properly the view points outside, we must adopt a proper system of representation, that is proportional representation.

I do not think that anybody can object to it on principle. The usual pleas put forward against this are: our country is not literate enough, it will mean considerably larger expenditure and so on. But when it is a question of democracy, when it is a question of free and proper elections, when it is a question of principle that people outside should have proper representation inside Legislatures, these considerations should not stand in the way.

I shall now come to some aspects of the Bill. Clause 4 of the Bill says that the Commission shall associate with it for the purpose of assisting it in its duties in respect of each State 9 persons, 4 of whom shall be Members of the House of People representing that State and 5 shall be Members of the Legislative Assembly

[Shri Somnath Chatterjee]
of that State. I know that this is a verbatim copy of the previous Act. But what is the rationale behind this? How was this provision made? I do not know whether we must copy it blindfold. What will happen if a particular State is under Governor's rule, as it seems to be impending in one part of the country? who will represent the Legislative Assembly in that state? No provision has been made and this is a great lacuna.

There is another aspect of it. Four Members of Parliament, that is of the Lok Sabha and Five Members of the Legislative Assembly are going to be made associate members with no right to vote. They can have deliberations. But what about the participation of the local M.P. or local M.L.A. when districtwise or divisionwise delimitation is made. No M.L.A. or M.P., with all respect to them, is conversant with all the local positions with all the local areas; there are of course exceptions. There are other materials which have to be obtained. Why not make a provision for the purpose of associating the local M.P. or the local M.L.A. when particular district or division is taken into consideration? Let us not have the answer; because it was in the last Act, we have copied it.

The other aspect is with regard to the procedures that have to be followed. It says that the Commission shall publish its proposals and consider objections and suggestions and then make an order which will immediately come into force as soon as the order is published. It does not require the sanction of anybody. It is an autonomous body and it should be given the power to come to a final decision. But experience unfortunately has been, Mr. Danga talked about it earlier, that those opportunities have been only paper opportunities. The selected places of publication are such as a large number of people have hardly any access to them. It is published in the District Magistrate's office. One notice and hardly people are expected to go there and see it. This is the opportunity that is given. Now to say that people should bring forward objections or constructive suggestions and place them before the Commission—it is not going

to happen because people do not know of it. Therefore there should be wider notifications and attempts should be made to make people aware of the proposals that are submitted so that modifications might be considered properly and objections might be submitted in time.

I do not wish to take the time of the House further. I submit that the lacuna in the Act should be remedied. Facilities should be made available to the delimitation Commission. So that the report is really that of the delimitation Commission and not of the district administrative authorities who are very greatly influenced by the political parties in power. Therefore I submit that the Hon'ble Minister should advert to it and the deficiencies that were pointed out by the Election Commission in its last report should be borne in mind before the report is obtained from the Commission.

PROF. NARAIN CHAND PARASHAR (Hamirpur): The present Bill seeks to provide an opportunity to Parliament and Members who represent the supreme will of the people to express their views upon an important aspect of the political situation. I have been an associate member of this Commission and I find it was no joy becoming an associate member because it will invite abuse upon your head from the people without giving you the right to vote, or influenced the judgement of the Commission. It is a sad state of affairs that in Parliament which represents the supreme will of the people there should be presented a Bill which denies that the Members of Parliament right to vote. Similarly it also ensures that their fate is being determined by some other people. It is suggested that the Commission shall be a quasi-judicial Commission.

श्री महा दीपक सिंह शतपथ (कासगंज) :
सभापति महोदय, सदन में गणपूर्ति नहीं है।

MR. CHAIRMAN: Let the Bill be rung—Now there is quorum.

PROF. NARAIN CHAND PARASHAR: It is maintained that the Commission will do justice to the job but I

think that it can hardly be done in the present circumstances. Mr. Chatterjee has quoted from a report submitted by the Commission that the correct maps were not supplied. I remember that when at Simla we started the work of delimiting the constituencies of Mahasu district which has now merged with Simla district there were so many persons who did not know even the terrain and they were trying to quarrel and dispute whether certain areas should be allotted to this constituency or that constituency. This is hardly fair.

Look at the composition of the commission: 3 persons and associate members. This idea of associate members is not democratic at all. It does not recognise the supreme will of the people as reflected in members of Parliament. They should be members with full voting rights. Secondly, the number of MPs should be larger than the MLAs. Now it is 4 MPs and 5 MLAs. On which ground is this distinction? When there is direct election to Lok Sabha, a Member of Lok Sabha reflects the supreme will of the people as much as the MLA. So, in no case should the number of MPs be lower than the number of MLAs. Again the lines are not clearly drawn as to who shall be the 5 MLAs and who shall be the 4 members from Lok Sabha. It may so happen that the Speaker of the Lok Sabha may nominate 4 members from the same division and the Speaker of the Assembly may nominate 5 members from the same division. Then what happens to the rest of the State? It should be made absolutely clear that if there is only one parliamentary constituency in the district, the MLA to be co-opted on the commission should not be from that district. Otherwise, it may so happen that the 4 MPs with the help of the 5 MLAs may determine the complexion of power that is going to come. The delimitation of constituencies is a very powerful instrument in the hands of a group and that group may try to come through the back door by delimiting the constituencies according to their convenience. There are constituencies in our country which for the last 25 years have been scheduled castes

constituencies. Have not the people there who are not belonging to scheduled castes the right to contact? So, we demand that in this Bill there should have been a clear indication that the constituencies which have been reserved for the past 25 years should be changed, so that the people get as equal opportunity.

The idea of associate-membership should be scrapped. Also, if the number of MPs is 4, the number of MLAs should be 3. Odd or even membership does not have any weight if they are not to vote. It is a very sorry state of affairs that a Members of Parliaments may represent 10 lakhs of people is unable to influence the judgment of the commission and a group of people who may claim to be Members of Parliament may represent against the MPs, and get their points conceded by the commission. So, this is an instrument which may be worked against the wishes of the supreme will of the people. We do not wish this to happen.

We also want that in this nomination, there should be fair and adequate representation to members of scheduled castes. That is not provided here. It may so happen that not even one of the 4 MPs or 5 MLAs belongs to the scheduled caste. It means 25 per cent of the population is deprived of its voice. Is it justice? A judicial commission must ensure justice to the down-trodden. So, we demand that this Bill may be amended suitably to provide for adequate representation to the members of scheduled castes both in the Parliament side and Assembly side.

When we think of delimitation of constituencies, everybody thinks of the census figures as if it is something sacred coming from the heaven. There are constituencies in H.P. which embrace as many as 7 districts. The Mandi constituency covers half of H.P. in area. The whole of H.P. has 4 Lok Sabha seats against 9 seats held by Haryana and 13 held by Punjab and yet H.P. is larger in area than Punjab or Haryana. The determination of the Mandi parliamentary constituency by the commission was the gravest injustice to the people of that area. Lahaul, Spiti, Kinnaur, Pangi—all places beyond altitudes

higher than 15000 feet—are in one parliamentary constituency and the member of Parliament from that constituency is unable to reach these places. I request the Minister to look into the genuineness of the demand of these areas, which are sparsely populated and situated at high altitudes, that the figures for population should be relaxed and the geographic-cum-demographic consideration should be taken into account.

MR. CHAIRMAN: We are not on that question now.

PROF. NARAIN CHAND PARASHAR: This is an opportunity to put forth that point of view. We cannot raise it before the commission and if we cannot raise it here also, where do we do it? Should we go to the streets? The best place in a democratic set up is this House. It must be brought before the House and discussed. If we take it to the streets, there will be violence and lawlessness. We do not subscribe to it. It is a very easy for a person like Mr. Kapur to travel in the city in a car. He does not have to travel through jungles, where one may be eaten up by a lion!

The commission must be such as to give due weightage to what the people say through their representatives, if at all it is to be heard. Otherwise, there is no point in hearing their views. You call the MPs or MLAs and listen to them. If what they say is against your point of view, they become your dead enemies.

According to the financial memorandum attached to this Bill, this commission is going to cost the exchequer roughly Rs. 3 lakhs per annum. It should be careful and considerate to the wishes of the people for whom it is meant. I do not subscribe to the theory that justice when it comes from a judicial commission is sacred or sacrosanct. It may err on a point on which an innocent man may be hit. Therefore, kindly look to these suggestions. The number of MPs should be larger than the number of MLAs. Adequate representation should be given to those who represent the reserved seats. There should

be a change in these constituencies which have been reserved for the last 20 years at a stretch. Lastly, all the members must have voting rights. Otherwise, there is no fun in having association for the sake of association without any influence or power. That is no association at all.

श्री चार० श्री० बड़े (खरगोन) :
सभापति महोदय, डी-लिमिटेशन बिल जो हाउस के सामने आया है उस में ऐसा मालूम पड़ता है कि यह बड़ा सिम्पल है, सीधा सादा है। लेकिन उस के साथ में जो जनता को तकलीफ होती है वह शासन ने ध्यान में रखा नहीं है। पहले 1961 में जो बिल आया था और कमीशन बना था उस में मैं भी एक एसोसिएट मैम्बर था। लेकिन मैंने देखा कि अगर उस ने फैसले में गलती की है तो एसोसिएट मैम्बर उस में कुछ नहीं कर सकता है। वह सिर्फ यह कह सकता है कि मेरी ओपिनियन यह है। कमीशन कहता है कि हम उससे सहमत नहीं हैं तो वह वापस चला आए, इस के अलावा वह और कुछ नहीं कर सकता। इस प्रकार से मध्य प्रदेश में हुआ। यह हम ने देख लिया है कि एसोसिएट मैम्बर को कोई पावर नहीं है। पावर कमीशन को होती है। वह तीन मेम्बर होते हैं और नौ मेम्बर इस के होते हैं। यही पहले भी थे। पहले भी इसी प्रकार का था। उस में अगर वह चार और पांच में डिवाइड हो जाय और यह तीन मेम्बर कह दें कि हम तो इस मत के नहीं हैं तो उन की बात ही चलती है। माइनारिटी मेजरिटी का वहां सवाल ही नहीं है।

तो यह जो बिल रखा है इस में मेम्बर जरूर बढने चाहिए लोक सभा के लेकिन साथ साथ हरिजन और आदिवासियों को आप ने जगह नहीं दी है। हमने देखा कि मध्य प्रदेश में जो एसोसिएट मैम्बर थे वह सभी सबर्ग थे इसलिए आदिवासियों की सीट कहां करनी है, हरिजन की सीट कहां

करनी है इसको देखने के बजाये जितने स्वार्थी लोग थे उन्होंने अपने मतलब के लिए किया और यह नहीं देखा कि जो हरिजन और आदिवासी हैं उनके लिए कुछ होना चाहिए या नहीं। जब हमने इस बात को उठाया तो उन्होंने एग्री किया कि हां एक हरिजन आदिवासी मेम्बर भी होना चाहिए। तो अब समय आ गया विचार करने का कि कितने मेम्बर्स बढ़ने चाहिए। इसमें लिखा है कमिशन विचार करेगा :

"allocation of seats in the House of the People and in the Assembly."

जियोग्रेफिकली विचार किया जायेगा कि कांस्टीट्यूशन किस प्रकार का होना चाहिए। मैं माननीय मंत्री जी से कहना चाहता हूँ कि पार्लमेंट में विचार करना चाहिए, वह समय आ गया है क्योंकि हमारी पापुलेशन बढ़ रही है। खारगौन में पहले 9 लाख पापुलेशन थी लेकिन अब वहां कि पापुलेशन 9 लाख से बढ़कर 13 लाख हो गई है। यह विचार करने का समय आ गया है कि वहां से एक मेम्बर होगा या दो मेम्बर होंगे। उसी प्रकार से इस पार्लमेंट में 570 बैठेंगे या 600 मेम्बर्स बैठेंगे—इसके बारे में भी विचार करना चाहिए। हमें इस बात पर विचार करना चाहिए कि एलैक्शन पद्धति क्या होनी चाहिए। चटर्जी साहब ने अभी यहां पर कहा है कि एलैक्शन का तरीका प्रप्रोर्शनल रिप्रजेन्टेशन होना चाहिए। इस पर भी यहां विचार होना चाहिए। इसी प्रकार से पंचायत के जो एलैक्शन्स हैं या मण्डल के जो एलैक्शन्स हैं वहां पर किस प्रकार का एलैक्शन होना चाहिए—इस पर भी विचार होना चाहिए। मैं समझता हूँ जब तक आप एलैक्शन की पद्धति नहीं बदलने तक हर दस साल के बाद में हमें यही विचार करना होगा कि पार्लमेंट में इतने सदस्य किस प्रकार बैठेंगे। इसका कारण यह है कि हमारी पापुलेशन बढ़ गई है और 15 साल के बाद हमारी

पापुलेशन का एक्सप्लोजन और हो जायेगा तब हमें विचार करना पड़ेगा कि एलैक्शन की इस पद्धति को बदलना चाहिए या रखना चाहिए। जहां तक इस बात का सम्बन्ध है कि इस एलैक्शन पद्धति को बदलना चाहिए या नहीं, मैं समझता हूँ इसको हमें बदलना चाहिए।

इसके बाद में आपने कहा है :

"two members of each shall be a person who is or has been a judge".

इसमें हैज बीन जो आपने कहा है वह आपके फायदे के लिए है। सुप्रीम कोर्ट में जो जज रहता है वह आपके दबाव में रहता नहीं है लेकिन हैज बीन जो आपने रख दिया है उससे वह आपके दबाव में रहेगा। यह ठीक नहीं है इसलिए मैं चाहूंगा कि इन शब्दों को यहां से निकालना चाहिए।

इसके साथ साथ इस बात पर भी विचार होना चाहिए कि जियोग्रेफिकल पोजीशन कौन सी होनी चाहिए। हमारे यहां खारगौन डिस्ट्रिक्ट में एक तहसील बड़वानी है उसको धार निर्वाचन क्षेत्र में मिला दिया गया। जब हमने इसके लिए बात की तो कमिशनर ने कहा कि मध्य प्रदेश सरकार से यह प्रस्ताव रखा था कि एडमिनिस्ट्रेटिव दृष्टि से यह ठीक हो जायेगा। तो मेरा कहना यह है कि एडमिनिस्ट्रेटिव यूनिट वहीं कायम रहनी चाहिए इस प्रकार के निर्देश दिए हैं या नहीं। उस समय हमारे एक मेम्बर थे वह नाराज हो गए तो उन्होंने सुप्रीम कोर्ट में रिट दाखिल की लेकिन सुप्रीम कोर्ट ने निर्णय दिया कि डिजिटल मिशन कमिशन के खिलाफ हमको कोई अधिकार नहीं है। कोर्ट ने निर्णय दिया कि डिजिटल मिशन कमिशन जो निर्णय देगा वह फाइनल होगा क्योंकि ऐक्ट में कोई प्राविजन नहीं है। इसलिए मेरा कहना है कि इसमें ऐसा कोई प्राविजन होना चाहिए

कि यदि कोई असंतुष्ट हो तो वह कम से कम कोर्ट में जा सकता है। हाईकोर्ट या सुप्रीम कोर्ट में वह रिट दाखिल कर सकता है—इस प्रकार का कोई प्राविजन इसमें अवश्य होना चाहिए। इसके न होने से यदि कमिशन ने ऐसा कोई निर्णय दे दिया तो चुपचाप बैठ जाना पड़ता है क्योंकि उसका कोई इलाज नहीं है। न तो कोई हाईकोर्ट में जा सकता है और न सुप्रीम कोर्ट में जा सकता है। 1961 में भी इस संबंध में चर्चा उठाई गई थी। अभी तो स्थिति यह है कि एलेक्शन कमिशन जो होता है वह शासन के फेवर में होता है लेकिन जब वह शासन के विरुद्ध जायेगा तब मालूम होगा कि इस प्रकारका प्राविजन होना चाहिए या नहीं। मैं समझता हूँ डागा साहब ने जो यहां पर बताया है कि इसमें यह डिफेक्ट्स हैं उनसे मैं भी एग्री करता हूँ और उनको ठीक करना चाहिए। इसका कारण यह है कि इसमें जो क्लॉज (7) है उसमें लिखा है :

“The Commission shall determine its own procedure and shall in the performance of its functions have all the powers of a civil court under the Code of Civil Procedure, 1908, while trying a suit, in respect of the following matters....”

किसी आदमी ने कमिशन का अपमान किया, ऐसी परिस्थिति हो गई कि उसको बाहर जाने के लिए कहा गया लेकिन वह नहीं गया। उसने वहां पर अशब्द कहे लेकिन कमिशन उसका कुछ भी नहीं कर सका। It is not a court when it is dealing with the witnesses. It is a court only when it issues summons or requires the production of any document or requisitions any public record from any court or office. Then only it can do it.

कमिशन के सामने कोई आया, वह नाराज हो गया और कमिशन के खिलाफ अपवाद कहे, उसको बाहर जाने के लिये, कहा गया वह बाहर नहीं गया तो आगे के बाद कमिशन

का दफ्तर बन्द करना पड़ा और दूसरे रोज शुरू किया। वह कन्टेस्ट आफ कोर्ट होता है या नहीं, इसके बारे में सवाल था। जब ओपीनियन मांगी गई तो कहा गया :

“It is doubtful whether it is a court or not a court.”

मैं समझता हूँ यह होना चाहिए कि all purposes, the Commission should be considered as a court.

यह भी इसमें नहीं है इसलिए इस पर भी विचार करने के लिए मैं समझता हूँ इस विधेयक को सेलेक्ट कमेटी में जाना आवश्यक है।

इसके साथ मैं आपने कहा है कि एसोसिएट मेम्बर्स लोकसभा के होंगे। मैं कहता हूँ पार्लमेंट से होंगे—ऐसा आपने क्यों नहीं रखा है? लोकसभा से ही 4 मेम्बर्स होंगे, ऐसा आप ने क्यों रखा है। पार्लमेंट से होंगे यदि ऐसा रखा जाये तो राज्य सभा के मेम्बर्स भी उसमें हो सकते हैं लेकिन वह आपने इसमें कहा नहीं है।... (व्यवधान)... मैं मेम्बर्स रखने के विषय में कह रहा हूँ। कौन सी बेसिस पर मेम्बर्स रखने चाहिए इसके बारे में कोई डायरेक्शन्स नहीं हैं।

तो इसमें चार बातें हैं। मेम्बर्स जो बढ़ाने हैं वह कितने बढ़ाने हैं, जियो-ग्रफिकल पोजीशन किस प्रकार से रखनी है, कमिशन की पावर्स क्या होंगी और जो एसोसिएट मेम्बर्स हैं उनकी पावर्स भी बढ़ाने की बात है। इसमें दिया गया है :

“If there is a difference of opinion among the members, the opinion of the majority shall prevail”

कमिशन में कहते हैं कि हम चार हैं, आप तीन हैं, हमारी मेजरिटी हो गई—इस प्रकार से कमिशन की बात चलती है। तो यह जो छोटी छोटी बातें हैं उनपर सेलेक्ट

कमेटी में विचार होना चाहिए । इसमें शासन को कौन सी ऐसी जल्दी है, यह मेरी समझ में नहीं आता । अभी इसमें कोई भी जल्दी नहीं है क्योंकि अभी चार साल पड़े हुए हैं । सेलेक्ट कमेटी में इसको भेजना चाहिए ।

जम्मू कश्मीर पर भी इसको लागू करना चाहिए था । मेरी समझ में नहीं आता कि इसको जम्मू काश्मीर पर क्यों नहीं लागू किया गया है ? हर समय कहा जाता है कि यह जम्मू कश्मीर पर एप्लीकेबिल नहीं होगा, इसका क्या कारण है ? जम्मू कश्मीर हिन्दुस्तान का भाग है इसलिए वहां भी इसको लागू होना चाहिए । मैं इसका समर्थन इसलिए करता हूं कि डिजिटल मिटेशन होना चाहिए । कांस्टीट्यूशन के अन्तर्गत कुछ स्टेप्स लेने चाहिए लेकिन इसमें कोई जल्दी नहीं है इस पर वहां विचार होना चाहिए इसी कारण मैं इसका समर्थन नहीं कर रहा हूं ।

SHRI R. D. BHANDARE (Bombay Central): Mr. Chairman, while supporting the Bill as it is moved, I have to make some observations. I have heard the speech of Shri Somnath Chatterjee very carefully. I need not mention the basic factors on which the parliamentary democracy should function and must function. Democracy is a form where much depends on the content. There are three factors which ought to be taken into consideration while dealing with the contents of that form of democracy. The first factor is the Election Method. I will not deal with it because it is outside scope of this Bill.

17 hrs.

The second factor, while dealing with election methods, is, as we have accepted, what is known as adult franchise. We are not dealing with that. Then, there is the system of voting. My hon. friend, Shri Somnath Chatterjee, raised the question that there should be proportional representation system of voting. I do not know as to what was passing in his mind when he mentioned the proportional representation

system. We have accepted the proportional representation system based on population. I do not know whether he wanted to introduce a new element by saying preferential voting, as it obtains under the Constitution of France. This point was discussed at length and the founding fathers ultimately rejected that idea. Looking at the size of our country and population, the system of preferential voting has been rejected.

Then, the third factor is distribution of seats with which we are concerned. As you know under sub-clause (2) article 81, population has been accepted as the basis for distribution of seats. Even though we have accepted population as the basis for demarking or delimiting the constituencies, there has been certain—I do not use the word *mal practice*—political consideration introduced in some of the States. Therefore, this time, I hope, under the Delimitation Act, the body which is sought to be set up under clause 3, that is the Delimitation Commission, will take due and proper care that political consideration will not outweigh the reason and wisdom of the principle underlying the Constitution of giving representation while delimiting the constituencies.

I need not narrate the bitter experience which some of the Members have in regard to the delimitation of constituencies. (*Interruptions*). He does not know, I have also contested from villages, from my own district Sangli and I know the difficulty. I think, his experience is limited. Mine is wider. In 1946, when I contested an Assembly seat, I had my own difficulty in covering the whole area which was demarked, delimited, as a constituency and Bombay city was divided into so many parts. And yet it was done in such a fashion and way that ultimately some of the members did suffer.

Similarly, it happens in villages too. For political reasons, the constituencies are so delimited that some of the persons could be eliminated easily in the General Elections. This is known as gerrymandering—that famous American person who tried to delimit constituencies in such a way which could benefit him only. The word

"gerrymandering" has come into vogue and fashion because his name was "Gerryman-der" who used to draw pictures of an animal and who used to delimit constituencies in such a way to benefit him only. Therefore this question should not be allowed to have any roots in this country. If that has some place that place should now be destroyed and the constitutional provisions should be adhered to.

I am really surprised to hear in this House as I have heard in some quarters outside also that so far as the representation of the members of the Scheduled Castes and Scheduled Tribes is concerned, the representation must be by rotation. No less a person than Prof. Parashar had the courage to speak in this House that the constituencies should be so rotated. I do not know the basis on which they wanted to rotate the constituencies which are considered to be reserved constituencies. The constituencies should be readjusted and they should be re-adjusted according to the population of Scheduled Castes and Scheduled Tribes members.

Let me make this point clear. There is article 332 on the reservation of seats to the members of the Scheduled Castes and Scheduled Tribes. There is sub-clause (3) of article 332 which I would like to read. Let those who carry the notion in their mind that the seats which are reserved seats should be allowed to be rotated from place to place should remember this provision—I quote:

"The number of seats reserved for the Scheduled Castes or the Scheduled Tribes in the Legislative Assembly of any State under clause (1) shall bear, as nearly as may be...."

This certainly deprives the members of the Scheduled Castes to some extent under the short phraseology, "as nearly as may be". It further says:

"...the same proportion to the total number of seats in the Assembly as the population of the Scheduled Castes in the State or of the Scheduled Tribes in the State or part of the State...."

Therefore, population must be the principle of representation and that must be adhered to strictly.

Mr. CHAIRMAN: Gerrymandering is possible here also.

SHRI R. D. BHANDARE: It does happen even here. Indian society is a very peculiar society and the members of the Scheduled Castes and Scheduled Tribes suffer from a number of disabilities. The basic factors from which disabilities flow are four, namely, (1) social backwardness, social disability; (2) added to social disability which has been there for centuries together, there is also an economic disability. The members of the Scheduled Castes and Scheduled Tribes are entirely dependent for their livelihood on the general community. No. 3 is political factor. The other day—I do not know whether you were in the House or not—two of the Members of this House raised a question of a murder of a leader of a political party. These are different methods to eliminate leaders belonging to Scheduled Castes and Scheduled Tribes. Either they are eliminated physically or they are eliminated politically. In order to eliminate them, political gerrymandering is resorted to.

Then, again there are three innovations, new changes, which are sought to be introduced. There is a change of rotation. This aspect could be considered provided the political parties in this country give certain specific seats to the members of Scheduled Castes and Scheduled Tribes which seats are general seats, so that the notion that particular member could be elected only from a reserved seat may be given up gradually. But so long as general seats are not given to the members of Scheduled Castes and Scheduled Tribes as a rule, reservation must be accepted and constituencies must be delimited based on population of the Scheduled Castes and Scheduled Tribes. Therefore, this article 332, sub-article (3) must be adhered to strictly.

SHRI C. M. STEPHEN (Muvattupuzha): All that this particular article says is that the ratio of the number of seats reserved for Scheduled Castes must be the same as

the population strength of the Scheduled Castes to the general population. It does not say that seat 'A' must be reserved for Scheduled Castes, that seat 'B' must be for Scheduled Castes. That sort of allotment will not contravene this provision at all.

SHRI R. D. BHANDARE: My fear is that Mr. Stephen, who is my great friend and who is a student of the Constitution, has not read article 330 which speaks of population as the basis for distribution of seats or fixation of seats. Therefore, without population ratio there can be neither fixation of seats nor delimitation of any constituencies, and nor can there be a proper and fair representation given to the members of Scheduled Castes and Scheduled Tribes.

I have heard this story in my district, in my taluka. On the basis of population, a seat has been reserved there. Persons belonging to the general community used to complain how long this benefit, this seat which has been usurped by the members of Scheduled Castes, will be allowed to be enjoyed by the members of Scheduled Castes depriving the general community of any representation, as if the members of Scheduled Caste is elected exclusively by constituencies or voters belonging only to Scheduled Castes and Scheduled Tribes. We have accepted a joint electorate. Members of Scheduled Castes and Scheduled Tribes combine together with the general community and vote for a member contesting either a reserved seat or a general seat. Why should this notion be entertained by some Members that the reserved seat is usurped or enjoyed only by members of Scheduled Castes? Voters belonging to the general community also vote for the Member whether he is contesting a reserved seat or a general seat. Similarly, if a general seat is contested by a candidate, then the members belonging to Scheduled Castes also vote for him. Take, for instance, this illustration. I come from a district where, somehow or other, I have become very powerful because my followers are there; I am also powerful not physically in the sense that I can fight 10 or 15 persons....

MR. CHAIRMAN: Intellectually. (*Interruptions*).

SHRI R. D. BHANDARE: In democracy, these things do happen. Therefore, I have mentioned. You know what happens. I need not narrate anything. I can take you to different places and show you how the public workers, political workers, are killed, are harassed, are destroyed. In that sense only I used that word. Therefore, it is physical strength plus political and social strength plus one's own personal aspect. Therefore, if I want to contest from a particular seat, I will so prevail upon the Members of the Delimitation Commission that that constituency is so delimited as to be useful and beneficial to me only. I have just given this illustration. There are far more powerful persons in this country, in each of the districts, more powerful than what I am expected to be. Therefore, those persons get the constituencies delimited in such a way that they deprive proper representation to members of Scheduled Castes and Scheduled Tribes.

As Mr. Parasar pointed out, in regard to Census also, there is politics in this country. There is nothing which is beyond the reach of 'politics'. This is not the occasion to speak of Census, how the census operations are carried on. The officials just go there, sit at some place and take down some names. A number of persons are eliminated. What is the exact population of India, none can say positively because democracy is based on number and counting of heads, never mind if the heads are empty—you know this universal proposition. In order to eliminate certain classes, castes, even their names are not counted for the purpose of census and whatever number is there, at the time of delimitation, constituencies are so delimited. Even after the delimitation of constituencies at the time of General Elections members belonging to the weaker sections are not allowed to go and exercise the right of franchise. That is the report given by no less a person than the Election Commissioner himself—the report on the General Elections held in 1967. Then we have also another report and a number of illustrations have been given. Why talk of different States? Let us talk of portion of Punjab or Uttar Pradesh.. Members belonging to the Scheduled Castes were forbidden, from coming,

were frightened, and whoever showed courage were beaten to death.

Therefore I need not deal with this point that delimitation must be based, wherever seat is reserved, on the population only and rotation, as an innovation, change, should be taken out of the mind. While delimiting the constituencies, I hope the Commission will be so powerful as to get the necessary information about population and also proper maps, so that delimitation of the constituencies is done properly.

My last point is regarding Associate Members. I will deal with Clause 5 of the Bill in a minute. Representation must be given even as an Associate Member to a person belonging to Scheduled Castes and Scheduled Tribes. But when I have used the word 'a person', let it not be a person....

MR. CHAIRMAN: The person, you mean?

SHRI R. D. BHANDARE: It is very kind of you to suggest my name. Let us not arrogate to ourselves the powers given to the Speaker under this Bill. Let the matter be left to the Speaker. Let the Associate Member be a person who has some influence, who has some knowledge, who has some idea as to why constituencies are delimited and why reserved seats are kept under the Constitution. Proper representation must be given. That is the point.

With these words, I conclude. Mr. Chairman; I know, I have taxed your patience.

SHRI P. K. DEO (Kalahandi): Mr. Chairman, Sir; I had the privilege to be associated with the Delimitation Commission, twice in the fifties and in the sixties and I must frankly say that I got full co-operation and assistance from the Delimitation Commission and the staff of the Election Commission who helped in the Delimitation Commission. But I must frankly state here that, after the various decisions are taken, in the meeting of the Delimitation Commission, before the publication of their recommendations last minute changes take place. I cannot just reconcile myself to those things. Those things

do take place. There must be some political pull which motivates in making last-minute change before the final recommendations are published. There should be an end to this. That is why there has been a demand made that associate members should have the power to vote. Sir, just acting on an advisory capacity is no good. I support this demand.

I listened to the various speeches and one aspect which I could not agree to is regarding what has been done regarding the reservation of the scheduled castes and scheduled tribes. So far as the reservation of the scheduled castes and scheduled tribes is concerned, the procedure is very simple. It is more or less on mathematical calculation. Those areas where there is larger concentration of population of Scheduled castes and scheduled tribes, get automatically reserved for them.

My point is, before they start on delimiting the various constituencies, the Delimitation Commission should be seized with the latest list of the scheduled castes and the scheduled tribes. Our past experience is this. The old list of the scheduled castes and scheduled tribes is out-dated. There are very many discrepancies and lacunae. That is why the Lokur Committee went to this very aspect of it. After that this came in a Bill form, called. The Scheduled Castes and Scheduled Tribes (Amendment) Bill, 1967. The last Lok Sabha was seized of it. As many as 7 sittings were held but no final decision could take place because the Fourth Lok Sabha had to dissolve prematurely. So, to give a proper guidance to the Delimitation Commission, this list should have been revised, before they proceed with their task. That is why, as early as the 29th of August, 1972, I wrote to the Law Minister, Mr. Gokhale. I mentioned therein in para 3 as follows:

"As you know, the reservation of seats for Scheduled Castes and Scheduled Tribes has been enhanced for a period of ten years and the Delimitation Commission is going to be guided by the list of Scheduled Castes and Scheduled Tribes as passed by the Parliament. As there were many discre-

pencies and lacunae in the previous order, the last Lok Sabha discussed the Scheduled Castes and Scheduled Tribes Order (Amendment) Bill 1967, which was more or less drafted on the recommendation of the Lokur Committee. This Bill went through the Joint Select Committee and the Joint Select Committee had to tour the entire country to get first hand knowledge of the condition of the Scheduled Castes and the Scheduled Tribes. Plenty of money have been spent on this Bill and much exercise was done in the House also but the discussion could not conclude and the Bill lapsed as the Fourth Lok Sabha was dissolved prematurely. So, I want an assurance from you that the Scheduled Castes and Scheduled Tribes Order (Amendment) Bill of the last Lok Sabha should be arrived at on this Bill so that it can guide the Delimitation Commission so far as the reservations are concerned."

So, Sir, if you ask the Delimitation Commission to reserve the various constituencies according to the old list, you are doing a great injustice to the Scheduled Castes and the Scheduled Tribes.

Now, coming to the question of Delimitation, in the meeting of the leaders of the various parties a note was circulated by the Prime Minister—a note prepared by the Election Commission—stressing for the urgency of the Delimitation Commission because they stated that in U.P. and Nagaland, the elections are scheduled to be held in 1974. But, my apprehension is that, as the political situation is so fluid in my State of Orissa, there is every likelihood of a mid-term poll. (An hon. Member: Wishful thinking) and so it is that I want a categorical assurance from the Minister that all elections after 1971 census should be held according to the latest delimitation, not on the basis of the old delimitation.

17.25 hrs.

[SHRI R. D. BHANDARI—in the Chair]

I say this because, after the withdrawal of the support of the Utkal Congress

and the suspension of Mr. Hare Krishna Mahatab and Murlidhar Konar, the Nandini Satpathy Government is not in a majority.

MR. CHAIRMAN: Is it necessary to mention all these things? You must confine yourself to Delimitation only.

SHRI P. K. DEO: This arises because it is mentioned in the note circulated to us by the Election Commission saying that as elections are going to be held in Nagaland and U.P. in 1974, the Delimitation Commission should start functions. I would like to stress that prior to 1974 there is every likelihood of an election in my State as the political situation is very fluid.

SHRI JYOTIRMOY BOSU: It is very relevant.

SHRI P. K. DEO: The Nandini Satpathy Government is in a minority, and I request the Governor not to be guided by the Chief Minister who has absolutely no majority in the House, unless it is proved in the next Assembly session.

SHRI JYOTIRMOY BOSU: It is very relevant.

MR. CHAIRMAN: Anyway, don't provoke him; as it is, it is irrelevant, it is not necessary.

SHRI P. K. DEO: So far as the scheduled castes and the scheduled tribes are concerned, I want to point out some of scheduled castes in Bihar and Scheduled tribes in Orissa and Rajbansis are scheduled tribes in Assam and scheduled castes in West Bengal and even in the State of Orissa Bhataras are scheduled tribes in Koraput district, but in Kalahandi district they are not scheduled tribes, they are considered to be in the general category. So taking into consideration all the factors the Delimitation Commission will only be a farce unless all these aspects are gone into.

I would like to point out the urgency of the constitutional amendment, that is, to amend Art. 81 of the Constitution. We

[Shri P. K. Deo]

know very well that even though we represent 8,70 lakhs people on an average, how difficult it is for us to keep in contact with our constituents, how difficult for us to move in the areas and how difficult it is for us to nurse the constituencies. So, as the population has increased, there is a very good case that the composition of the Lok Sabha also should increase. Any architectural or accommodation aspect should not stand on the way. This Lok Sabha building was built by the Britishers in the colonial days when there was no adult franchise. Even if it is thought necessary that the Lok Sabha should sit in the Central Hall, we should not mind sitting in the Central Hall. Or, the Inner Lobby may be converted as a part of the Lok Sabha. It should not be an impediment, because, the proper representation of the people alone is the primary and the guiding factor so far as the idea of delimitation is concerned.

MR. CHAIRMAN: How long will you take? Will you take more time?

SHRI P. K. DEO: Five minutes more.

MR. CHAIRMAN: You can continue tomorrow. We take up the next item.

17.30 hrs.

HALF-AN-HOUR DISCUSSION

ARREARS OF TAXES

SHRI JYOTIRMOY BOSU (Diamond Harbour): The tax business mainly could be categorised into three broad categories, as far as non-realisation is concerned; the first is evasion, the second is under-assessment and the third is non-realisation.

Shri K. R. Ganesh had said on 24th November, 1972:

"Let me first clear this point. The hon. Member was asking about Rs. 1000 crores of arrears. It is not Rs. 1000 crores of arrears; Rs. 1000 crores refer to collections of taxes

There was a wrong caption given in the *Patriot*. The arrears are only Rs. 438.60 crores."

This was up to 30th September, 1971. He also said:

"Secondly, I would submit that these arrears of taxes are a continuing process. These arrears have not arisen in one year. They have been continuing right from 1947 onwards and year by year, new demands are made, arrears are liquidated, and new demands are raised. I have figures to show right from 1961-62 to 1971-72 how the arrears have grown. It would be wrong for the House to come to this understanding if it had this idea that Rs. 438 crores relates to one assessment year. This is the accumulation of the arrears right from 1947."

He did not bother to give separate accounts for the corporate sector. He said:

"The hon. Member put a question as to what is the share of the corporate sector in this total arrears of Rs. 438 crores. I replied that as far as the latest figures are concerned, the division into corporate sector and other sectors is not available with me. I have some figures....(*Interruptions*) Because we do not maintain that."

I shall prove how incorrect he was. The hon. Minister told something which was not true. The actual total arrears are shown in the Report of the Comptroller and Auditor-General for the year 1970-71. In terms of crores of rupees, it was Rs. 738.77 crores. The figures given for corporation tax are Rs. 174.89 crores. So, what he had said namely that he did not have the figures for the corporate sector is not quite correct. He must have deliberately misled the House with some intention in mind. He did not include the gift tax, the wealth tax, the estate duty arrears; he had suppressed that also. Here, in the Comptroller and Auditor-General's report, it has been clearly stated that arrears in the case of wealth tax was Rs. 1201.37 lakhs in the case of gift tax.

it was Rs. 238.73 lakhs, and in the case of estate duty it was Rs. 1571.34 lakhs. So, Government are in full possession of all these figures.

The gross arrears have been clearly mentioned in the Report of the Public Accounts Committee, the latest one of August, 1972. It says that the arrears outstanding in March, 1966 was Rs. 381 crores, in March, 1967, it was Rs. 541.73 crores, in March, 1968, it was Rs. 622.61 crores, in March 1969 it was Rs. 774.40 crores and in March, 1970, it was Rs. 840.70 crores. How wonderfully they are succeeding you can see from the figures that I have just given from the report.

Now, in the Wanchoo Committee's final report, not the interim report which I had placed already on the Table of the House and which they tried to suppress, in the final report, we clearly find:

“Arrears of tax rose from about Rs. 24 crores in 1944 to about Rs. 187 crores in the course of a decade. In the decade that followed, they swelled to more than Rs. 271 crores. The spiralling has continued unabated and last year about Rs. 840 crores of uncollected taxes hung heavily round the neck of the Department's collection machinery, impeding its normal working....”—

The report further says:

"What is even more disturbing is the fact that these arrears were outstanding against more than 16 lakhs of assessees."

Further, it says:

"No comparisons are needed to show that the situation is alarming. Yet, it might be useful to mention that in Japan only four per cent of the demand raised, in a year remains outstanding at the end of the year. Our collections against current demand, are, however, only about 50 per cent. In the United Kingdom, as against net receipts of £6859 million from income-tax, surtax and corporation tax during 1969-70, the outstanding were only 611 million".

The report also says:

"However, these measures seem to have made no significant dent on the hard core of the problem. We feel that the trouble is deep rooted and calls for some radical remedies if any significant success is to be achieved in arresting the growth of tax arrears and reversing the present rising trend.

And this Government has done nothing at all in this regard. The causes are mainly political and then administrative and then only everything else, because I maintain that this Government's class character is for the monopolists, by the monopolists and of the monopolists. Therefore, they cannot possibly disturb the monopolists, and so whatever they may be saying is just tall talk only. The entire revenue intelligence, the CBI and the Enforcement Directorate have been taken away from the Finance Ministry and placed in the hands of the Prime Minister, and yet this is the result. But of course, there are other purposes that are being served by these Ministries and Departments.

About the tax collection performance and how this wonderful Ministry of Shri K. R. Ganesh has been performing and what its roll of honour is, I would like to point out that no prosecution proposals were received from more than half of the 37 commissioners in the country in 1970-71 and of the 42 cases sent by them to the Central circles for investigation, a majority related to small assesseees. That is their class character. In 1971-72, the position was slightly better with 57 cases from 24 commissioner but again, a majority of them sought to prosecute the comparatively small assesseees, leaving the big evaders to get away scot-free. Again, we find, for instance, none of the five commissioners in West Bengal, where the largest number of industries were located, had even a single proposal for prosecution in 1970-71; in the subsequent year, there was only one proposal. This was what Shri Yeshwantrao Chavan had said.

It may be said that not enough men were there in West Bengal to collect the taxes. But actually, West Bengal has

[Shri Jyotirmoy Bosu]

five ranges for income-tax purposes, their physical jurisdiction having been taken into consideration alone. Inquiries into one of these ranges recently revealed that the year 1971-72 opened with an accumulated uncollected total demand of Rs. 53 crores in taxes. By that token, the arrear collections for the entire State might go up to Rs. 250 crores. A recent work-study on the man-power requirements of the department undertaken by the Central Board of Direct Taxes is reported to have come to the conclusion that the West Bengal offices are hopelessly understaffed. For example, in one of the ranges where 32 officers are now engaged in this work, there should in all fairness be 70 of them.

There are so many other things, but I do not wish to go into them. But it will be seen that the big assessee nearly accounted for more than Rs. 50 crores in arrears of income-tax. This is what the Central works-study says. Further, we find that one of the richest families in India paid a tax of Rs. 8; this was what Prime Minister Shrimati Indira Gandhi disclosed at the conference of Congress leaders at New Delhi on the 13th May, 1972. How wonderful: The report further says:

"Mrs. Gandhi said this highlighted the magnitude of tax evasion in the country. This must be stopped by all possible means."

This was quite some time ago.

Then, we have the following report in regard to 'Operation RAT':

"Operation 'RAT' (Reduction of Arrears of Tax) which was launched by the Finance Ministry with much fanfare last year, has failed to fetch the Central exchequer tax outstandings running into several crores.... Further, this increase was by no means a record as the department had recovered nearly Rs. 40 crores more between 1967-68 and 1968-69."

Operation RAT has actually decreased the performance or reduced the performance of the Department.

In the meantime, while this is happening, foreign capitalists are making hay while the sun shines. Here are some figures in that regard.

The amount of dividends and profit remittances—on the one hand they are in arrears—in the corporate sector there are a lot of foreign companies—are as follows. India Tobacco company in lakhs it is Rs. 138.29 for the year 1969 and for the year 1970, it was Rs. 146.05. Vazir Sultan Company of India, for 1969 it was Rs. 19.70 lakhs and it was Rs. 22.16 lakhs in the next year. M/s. Godfrey Phillips, Bombay, for 1969 it was nil but in 1971 it was Rs. 14.59 lakhs. For the Indian Leaf Tobacco Development Company and the British India Tobacco Corporation, their are figures. They are flourishing but the Exchequers' money is not coming. What is happening?

There is a statement showing remittances to head office expenses and profits by the various foreign banks. They are arrears in income-tax which are not paid here. This is a deduction from income-tax; they are expense accounts. The Lloyds Bank, the National Grindlays Bank—I have the figures; I shall give the figures of the total. You will be surprised. For the head office expenses in 1967 they sent Rs. 1,20,23,000 while their profit was Rs. 2,15,33,000. For 1968 the respective figures are; 1,35,52,000 and Rs. 2,05,41,000. For 1969 the head office expenses come to Rs. 1,66,93,000. while the profits total Rs. 2,54,68,000. For 1970 the respective figures are: 2,01,82,000 and 3,57,22,000. They are all in arrears. They head office expenses give a cut in income-tax. On National Grindlay Bank, its head office expenses in 1970 came to 1,05,31,000 and its profits were Rs. 1,53,30,000. In 1971 the head office expenses for this bank were Rs. 85,34,000 while the profit was Rs. 1,12,43,000. Head office expenses means that money is being debited to the tax account. It does not include international brand names and goodwill. It says that remittances on account of the technical know-how, royalties, technical

fees, on account of the profits of the foreign companies, surplus funds by branches of foreign airline companies....

MR. CHAIRMAN: You have a mine of information but it is not germane.

SHRI JYOTIRMOY BOSU: You are a lawyer and you will understand.

MR. CHAIRMAN: You need not begin explaining to me.

SHRI JYOTIRMOY BOSU: Thank you for your guidance.

The remittances for the year 1968-69 under these pretexts on private account alone I referred to above came to Rs. 38.67 crores. In 1970 it rose by 40 per cent; and it stood at Rs. 51.86 crores. Samajwad is really coming and there is no doubt about garibi hatao. There is a reference in the Public Accounts Committee Report about under-assessment detected. It says that inspite of the fact that special attention of the Government was drawn repeatedly to this type of mistakes the number of mistakes in tax under-assessed are keeping an upward trend. Very good, indeed. While according to the audit report in 1965 the number of cases was 803 and the amount of tax under-assessed was Rs. 36.32 lakhs, it rose to 1015 cases in 1966 and the amount went up three times to Rs. 87.60 lakhs. In 1967 the number of cases were 1223; again it rose by 25 per cent and the amount comes down slightly. In 1968 it goes up to 1103 cases involving Rs. 91.86 lakhs and in 1969 it reaches 1225 cases and it remains almost the same in 1970, 1368 cases and the amount is Rs. 129.29 lakhs. The next year it comes to 2427 cases and the amount involved is Rs. 1,29,31,000. I am raising these things because the tax department is a mess. I cannot quote things that I heard in the Public Accounts Committee and it is not the convention and I do not wish to do that. I was in fact horrified to see that they are still in a primitive condition. These a middleclass man, small man says that the income-tax department for

smaller people has becoming a black-mailing institution. A man retires after thirty years of services, takes a little money from his provident fund and gratuity and builds a small house. He is pounced upon and for months and years it goes on. When you talk of persons like Haridas Mundhra, or X or Y or the sixteen big business houses, you can see that the big goats are getting fat every day. There are particular reasons.

There is this injustice done to Income-tax officers, class II ITOS. Is it a fact that eighty per cent of the important income-tax circles or wards in West Bengal are held by class II income-tax officers? Why are they given different emoluments? In fact I will give you figures of arrears of tax not being collected due to the inefficiency of the administration. I say in Calcutta the name of the circle is Special circle and 100 per cent of the staff are class II. Headquarters, the percentage is 77.27. The figures for Central Charges are 24.24 per cent class II income-tax officers, for class I companies 56.25 per cent are class II ITOS, for class II companies the figure is 69.23 per cent, class III companies 61.54 per cent and for class IV companies, 62.50 per cent. There are districts where 100 per cent or 90 per cent of the staff are class III TOS. Yet this Government has the attitude of deceiving people who work for their living. they are discriminating artificially. They keep it hanging fire for a long time.

I must conclude now. I only want to say this. When there is political motivation and coercion, how can it work? We know the case of one big assessee who was summoned by one Finance Minister at one time and asked: look, these are the pending cases. That man was a very politically important man. He was pressurised. He said: Why are you pressurising me on my income-tax issue?...

AN HON. MEMBER: What is his name?

SHRI JYOTIRMOY BOSU: Biju Patnaik....(Interruptions)

MR. CHAIRMAN: Why are you provoking him to give the name.

SHRI G. VISWANATHAN (Wandi-wash): We wanted the name of the Finance Minister.

SHRI JYOTIRMOY BOSU: The then Finance Minister who was in charge of Revenue and Expenditure, enforcement and all those things. Now you understand, I think. They wanted me to mention the name of Ramachandran. I have got figures but I will not use them now. Ramachandran is being pressurised and blackmailed, we know. I am concluding by saying that you cannot conduct a search on the first floor and collect funds for the party on the ground floor and also expect the taxes to be paid.

श्री मूल चन्द्र डागा (पाली) : टैक्स एरियर्स का कलेक्शन एक क्रानिक प्रबलैम हिन्दुस्तान में बन गया है। मैं दो सवाल ही करना चाहता हूँ।

पहला मेरा सवाल यह है कि कितने केसिस हैं जिनका एसेसमेंट हो गया है और उनकी राशि कितनी है जिसके बारे में मुकदमे चल रहे हैं, कोर्ट में केसिस चल रहे हैं? इन मुकदमों के कारण कितनी राशि धनराशि रुकी पड़ी है? यह धनराशि तब तक रिकवर नहीं हो सकती है जब तक कि इन मुकदमों का फैसला नहीं हो जाता है। जिन केसिस में स्टे हो चुका है, उसमें कितनी धनराशि इनवाल्ड है?

आप हरीडाली एसेसमेंट कर लेते हैं और उसका नतीजा यह होता है कि लोग अपील में चले जाते हैं और स्टेले आते हैं। एसेसमेंट का तरीका बहुत गलत है, डिफैक्टिव है। इस कारण से भी कितनी धनराशि आपकी बकाया है?

दूसरा मेरा सवाल यह है कि दूसरे देशों में जितनी रिकवरी करनी होती है, उसका

कहीं पांच परसेंट और कहीं दस परसेंट ही बकाया रहता है, जापान में तथा दूसरे देशों में। बांचू कमेटी ने अपनी रिपोर्ट दी है। मैं जानना चाहता हूँ कि इस रिपोर्ट के मिलने के बाद आपने कोई क्या नई बात की है, नये कदम उठाये हैं ताकि आमदनी आपकी ज्यादा होने लगे और इनकम टैक्स की धनराशि जल्दी से वसूल होने लगे।

*SHRI E. R. KRISHNAN (Salem): Mr. Chairman, Sir, according to the hon. Minister's own statement, the income-tax arrears upto 1971-72 stood at 438.60 crores. Sir, the Government have not taken effective and vigorous steps to collect the outstanding income-tax arrears. I would like to substantiate my point by quoting the case of Shri M. G. Ramachandran, Tamil Nadu Cinema Actor, whose income-tax arrears upto 1971-72 stood at Rs. 23,49,617.

MR. CHAIRMAN: Please put your question and do not make a speech.

SHRI E. R. KRISHNAN: I am putting my questions only. I want to know from the hon. Minister whether recovery proceedings were started by the Central Government against Shri M. G. Ramachandran. Is it a fact that Shri M. G. Ramachandran went to the High Court of Madras and obtained a stay order? I also want to know whether Shri M. G. Ramachandran on his own withdrew the case from the High Court in September 1972 as a result of which the stay order got abated? If that is so, what steps have been taken by the Government to make immediate recoveries of the outstanding income-tax arrears from Shri M. G. Ramachandran? If no steps have so far been taken in this direction, I would like to know whether responsibility for this failure has been fixed on anyone. I would also like to know whether the hon. Minister, Shri K. R. Ganesh, has given political accommodation to Shri M. G. Ramachandran on

account of which no steps are being taken to collect the huge income tax arrears from Shri M. G. Ramachandran. I wonder whether any steps will ever be taken to collect the income-tax arrears running into several lakhs from him!

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): Sir, this half an hour discussion has been raised on an unstarred question dealing with arrears of income-tax. The question arose as a result of some wrong caption given and on the basis of answers given to that question. Shri Jyotirmoy Bosu has raised this discussion. He has covered many points. As is usual with him, he has tried to impute political motives. He cannot help doing it. That is his stock in trade and I will not go into that.

The question of income-tax arrears is a serious question and it requires serious consideration of the House. It is a matter of concern that Rs. 438 crores and odd should be in arrears. The Government is aware of the seriousness of the problem and we are trying to plug as many loopholes as may be there. The Wanchoo Committee has submitted its report and it contains many recommendations for plugging the loopholes and to see that a proper climate is created and the attitude of the judiciary also changes as far as economic crimes are concerned. That is one aspect.

The other aspect of the matter is how Rs. 438 crores have accumulated.

SHRI JYOTIRMOY BOSU: On a point of order, Sir. I have quoted from the PAC report and CAG's report to show that it is not Rs. 438 crores but much more. Let him not harp on that figure.

SHRI K. R. GANESH: The difficulty with my hon. friend is, he will quote one figure from here, another from there, something from the newspapers, something from some report and he thinks he is making a very wise contribution to the discussion. The CAG's report is

there, but he did not properly read it. When we say Rs. 438 crores, we mean the net arrears.

SHRI JYOTIRMOY BOSU: There is no such thing as net arrears.

SHRI K. R. GANESH: I will read from the CAG's report. I am reading from para 57:

"The total effective demand of tax outstanding on 31st March, 1971 was Rs. 609.45 crores, which includes the demand of Rs. 129.32 crores, the collection of which had not fallen due on 31st March, 1971. Of this, net effective arrears representing recoverable demand was Rs. 399.82 crores. The balance of Rs. 209.63 crores comprises of the following".

They have given the various items—deduction on account of DIT relief, appellate relief, protective assessment, irrecoverable dues, etc., which comes to Rs. 209.63 crores. So, according to the income-tax department, the effective arrears are about Rs. 438 crores, but according to the CAG it is Rs. 399.82 crores, which is less than our figure. The income-tax department is trying to discuss this matter with the CAG so that we can evolve a proper way in which there is no difference. Our net effective arrears is more than what the CAG has worked out.

These arrears are a continuing process. Rs. 438 crores is not for one year. I would like to give the break-up of these arrears.

Arrears in 1961-62 and earlier—Rs. 55.34 crores. From 1962-63 to 1969-70 it was Rs. 200.82 crores. Arrears of 1970-71 were Rs. 80.82 crores. In 1971-72 it was Rs. 96.62 crores. This is the break-up of the net arrears of Rs. 538.60 crores.

18 hrs.

During the years 1947-48 to 1971-72 against the advance tax demand raised in regular assessments, the collection

[Shri K. R. Ganesh]

amounted to Rs. 9694 crores. Out of this, Rs. 438 crores is the net arrears, which works out to less than 5 per cent of the total collections made.

I am not going to minimise the importance of Rs. 438 crores. I tell you that it is a matter of concern for the government that Rs. 438 crores is in arrears. But it has to be seen in the proper perspective. Compared to the total collection made this constitutes only 5 per cent.

During the last occasion when this was raised I had just mentioned that the break-up of Rs. 438 crores between the corporate sector and other sectors is not available. After that, we have tried to do some exercise. The share of the corporate sector in these Rs. 438 crores is approximately Rs. 92 crores. I am saying this is the approximate figures because the final figures are awaited. We will have to get figures from about 2,000 income-tax officers and then arrive at the figure. The total collection from the corporate sector during the last ten years has been Rs. 3,295.61 crores and this Rs. 92 crores constitutes only 2.80 per cent.

Further, it is not as if the larger houses or larger assessee are being left out. We are taking all possible steps. Some of the cases are pending in courts and it is not possible to realise the money in these cases. So, it has to be seen in the proper perspective.

I know that the hon. Member will bring in the report of the Comptroller and Auditor General, because the notice he gave us was a very alarming one. So, I have tried to do some home work. He has said that the figures given by the CAG do not tally with the figures given by me and my reply has been given in a perfunctory manner. In fact, the hon. Member has not read the report of the CAG fully and by raising this discussion he has tried to mislead the House.

Some other hon. Members have raised questions about particular assessee. I do not have with me figures for those assessee. I require notice for that.

18.04 hrs.

The Lok Sabha then adjourned till Eleven of the Clock on Thursday, the December 14, 1972/Agrahayana 23, 1894 (Saka).

LOK SABHA DEBATES

LOK SABHA

Thursday, December 14, 1972 | Agraha-
yana 23, 1894 (Saka)

The Lok Sabha met at Eleven of the
Clock.

[MR. SPEAKER in the Chair]

ORAL ANSWERS TO QUESTIONS

Indo-U.S Relations

+

*441. SHRI M. S. SANJEEVI RAO:
SHRI INDRAJIT GUPTA:

Will the Minister of EXTERNAL
AFFAIRS be pleased to state:

(a) whether President Nixon has expressed the hope of developing "a sounder relationship based on understanding and respect for mutual interest" between India and U.S.A.; and

(b) if so, the reaction of Government thereto?

THE MINISTER OF EXTERNAL
AFFAIRS (SHRI SWARAN SINGH):

(a) Yes, Sir.

(b) Government welcome President Nixon's statement and, as already indicated, shall do their best to normalise and strengthen our relations with USA on the basis of equality, reciprocity and mutual respect.

SHRI M. S. SANJEEVI RAO: On behalf of the country, the hon. Minister has extended the hand of friendship to USA. But unfortunately, the press in the United States, even in the *New York Times* has written that because of acute shortage of food in India we are now trying to be friends with them. I want to know what steps Government of India have taken

to counter this unfortunate propaganda by the people and the press in the United States.

SHRI SWARAN SINGH: The press in the United States, as in our own country, has got the right to make their own comments. We take note of them and as a policy we state our own view-point which receives adequate publicity, and we do not resort to the practice of trying to counteract the opinion or the views of the press, whether it is Indian press or the United States press or the press of any other country.

SHRI M. S. SANJEEVI RAO: I want to know whether the United States of America has given any genuine proof that it really wants to develop a sounder relationship based on respect with India.

SHRI SWARAN SINGH: Our position in this regard has been clarified, and after studying our statements and our attitudes, we have received a positive response from the Secretary of State, Mr. Rogers, about which I have already made a mention. The statement of Secretary of State, Mr. Rogers, of December 1, is to this effect:

"We welcome the positive note struck both in the statement by Foreign Minister and that of President Giri in reciprocating their expressed intentions regarding friendly and cooperative relations between our two Governments. It is important that India and the United States work together towards this end."

SHRI P. G. MAVALANKAR: May I know, apart from the speech of the President of the United States and also that of the U.S. Secretary of State, Mr. William Rogers, what con-

crete steps or measures the United States Government have taken to see that dialogue with India is restored on a normal basis and, further, may I know what concrete steps Government of India are taking in conformity with the self-respect and honour of our country?

SHRI SWARAN SINGH: Concrete steps for dialogue cannot be taken. Concrete step will be the start of the dialogue. We cannot take any concrete steps for starting the dialogue. If there is any concrete step, our willingness to improve relations and their positive response can be regarded as concrete steps which might lead to purposful dialogue.

About what we do or what we have done, we have, I believe, given ample proof of our desire to improve relations on the basis which I spelt out in my statement.

SHRI VAYALAR RAVI: The hon. Minister has said that we are prepared for a dialogue with the United State. But, seen in the case of admission of Bangladesh in the U.N.O., which is the utmost desire of the people of India and the Government, the United States have not taken any positive step. So far, the United States have not taken any positive interest to improve their relations with India. How can our Government be ready for a dialogue?

SHRI SWARAN SINGH: I would like to remind the hon. Member that the Government of the United States did recognise Bangladesh and that is a step towards recognition of the new situation in this sub-continent and acceptance of Bangladesh as a sovereign, independent country. It is true that, during the year 1971, the United States appreciation of the developing situation in the Indian sub-continent was not impartial, to say the least. But, if by subsequent events, the Government of the United States does accept the sovereignty and independence of Bangla Desh which they have done by according recognition,

that, to a certain extent, does show the acceptance of the changed situation here and it will perhaps be not wise to remind them all the time that 'Although now you are right, but last year, you were wrong.' That perhaps would not be helpful.

SHRI JAGANNATH RAO: May I know from the hon. Minister if he could get any assurance from Mr. William Rogers, Secretary of State, that America would not supply arms to Pakistan...

MR. SPEAKER: This is not a debate on foreign affairs. This is a very simple question. You are expanding it too much.

SHRI JAGANNATH RAO: It is very much connected. How can our relations improve if they go on supplying arms to Pakistan?

श्रीसत्यनारायण कपूर : रिलेशन खराब तो इसी से हुए, ये और इसी से और खराब हो सकते हैं ।

अशोक महोदय : यह फुल डिबेट थोड़े ही है ।

It is relating to a particular thing.

SHRI K. BALADHANDAUTHAM: Will the hon. Minister be able to tell us whether the greeting sent by India to President Nixon on his success in the elections is anything more than a formal greeting or is there any gesture for better relations? Is it a formal greeting or is it something more than that? That is the question.

MR. SPEAKER: The same question was asked by another member and he has answered it.

SHRI K. BALADHANDAYUTHAM: Do we mean anything more than a formal greeting by this message on the success of the President, or is it a gesture by India or is it a 'love call' as they call it?

SHRI SWARAN SINGH: I would like to clarify that there is no question of any gesture either on our part or on the part of the United States. We are a sovereign and independent country and when I made the statement, there is no question of any gesture in that.

We, on our side, have clarified our position and we have spelt out our own thinking on this subject and, having studied carefully our position, the response from the United States Government through the Secretary of State, Mr. Rogers, has been that they welcome the statement of the Indian Foreign Minister and they would like to improve and strengthen the relations.

Relations between two sovereign countries do not depend on gestures. It is on an assessment of the hard realities and then the decisions are taken accordingly.

I would also like to add, with your permission, that this point that has been mentioned from this side, that is, the likelihood of military supplies being made to Pakistan by the USA, is a matter to which we attach the greatest importance and even when I made the statement, I did say and I did clarify that, in our view, any supply of military equipment by the United States of America to Pakistan will definitely be a negative factor in the situation. It will make Pakistan more intransigent and will come in the way of the establishment of a durable peace in the Indian sub-continent. We have made our position quite clear.

SOME HON. MEMBERS: Very good.

SHRI MADHURYA HALDAR: The Government was vocal regarding the recent disturbances on language and other disturbances also in the education sphere saying that CIA was responsible for all this, but the Government was very...

MR. SPEAKER: CIA responsible for what?

SHRI MADHURYA HALDAR: For the language disturbances and all other disturbances.

MR. SPEAKER: What has it got to do with this? Don't bring in CIA every time. Here, a very simple question is involved.

SHRI MADHURYA HALDAR: I am putting my question. I am not speaking of CIA. We are very sure that the Government of India has a good relation with the United States, which is evident from the heavy investment of American capital in India. So, I want to know from the hon. Minister whether he means further American investment in India when he says that our relations and our mutual respect and some other things also will improve.

SHRI SWARAN SINGH: I do not think that investment by the USA is at all relevant in this connection. That is a matter which has been dealt with on its own merits. We have, so far as India's position is concerned, made it clear that any investment from any foreign country which fits in with our development plan is welcome. But in regard to any investment, from whatever source it is, which does not fit in within the framework of our five-year plan and development plan, we do not encourage that. That is a separate matter on which Government's policy is very clear. And, if we want to improve relations or strengthen relations we have no such eye as some of the commentator, have said, on any investment or any economic content in this respect.

SHRI SHYAMNANDAN MISHRA: Earlier, Government did not feel encouraged to make such a statement. Naturally the question arises as to what exactly happened to bring this about, whether some preparatory work went in to make this transformation on both sides. That is the precise point to which I would like the hon. Minister to address himself.

SHRI SWARAN SINGH: I would not say that there has been any preparatory work on either side. A stage had arrived when we thought that if we could enunciate our position and if there was a good response, then that could become the basis for further steps to be taken by both countries to improve relations.

MR. SPEAKER: Shri Priya Ranjan Das Munsi—absent.

SHRI JAGANNATH RAO: Both Questions No. 443 and No. 453 may be taken up together. The other hon. Member is also here.

MR. SPEAKER: All right. We take up Questions No. 443 and No. 453 together.

Shri Arjun Sethi.

Threatened closure of Kolar Gold Mines due to Depletion of Deposits

***443. SHRI ARJUN SETHI:
DR. KARNI SINGH:**

Will the Minister of STEEL AND MINES be pleased to state:

(a) whether the Kolar Gold Mines are facing the prospect of a slow death owing to fast depletion of its deposits and consequent high cost of working; and

(b) if so, the reaction of Government thereto?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) and (b) The Kolar Gold Mines having been worked for many decades are faced with the problem of depletion of the reserves and resultant high cost of working. There is, however, no proposal to close the mines as such. However, as and when working in any section becomes prohibitively uneconomic or unfit for operation due to mining conditions on grounds of safety, the closure of such section alone might become inevitable.

News Regarding 'K.G.F. Mines take-over 1956'

***453. SHRI M. KATHAMUTHU:** Will the Minister of STEEL AND MINES be pleased to state:

(a) whether the news story appeared in the *Hindi* dated the 21st November, 1972 under the caption "Some puzzling questions about K.G.F. Mines take-over 1956" has been brought to the notice of Government; and

(b) if so, Government's reactions thereto?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) Yes, Sir.

(b) Since many of the aspects mentioned in the news story relate to events that took place quite sometime ago, no specific action is called for at this juncture. As far as the present condition of the gold mines (Bharat Gold Mines Private Limited) is concerned, Government is fully aware of the problems and is taking suitable corrective action.

SHRI ARJUN SETHI: Since the hon. Minister has stated that Kolar Goldmines are facing the problems, I want to draw his attention to a press report which is published in the daily, *Statesman*, where the Chairman and Managing Director of Kolar Goldmines Private Limited has stated as follows:

Apart from the technical challenges posed by the deep mining in Kolar, they were faced with the tremendous sociological problem of providing employment to the 13,500 staff and its family depending solely on the mines now.

I want to know from the hon. Minister whether this problem has been taken into consideration, and if so, the steps taken by Government.

SHRI SHAHNAWAZ KHAN: As hon. Members probably know, these mines have been working for more

than the last 90 years, and they are one of the deepest mines in the world, approximately 10,000 feet deep; that is the lowest level at which the mining is being done. As in any mine in the world, when the reserves get exhausted, we have to abandon those workings and look for some others. In some areas and sections, we are getting very near the depletion of reserves. But that does not mean the closure of the complete mine. We are already investigating different areas in the locality and we are taking steps to develop the capacity in the adjoining areas, so that no unemployment is caused when any section is abandoned. But I would like to reiterate that there is no intention on the part of the Government to abandon these mines completely.

SHRI M. KATHAMUTHU: In reply to my question, the hon. Minister had said that some events had taken place, but no specific action was called for. I would like to know what happens to the problems created by those events, and how the hon. Minister says that specific action is not warranted.

SHRI SHAHNAWAZ KHAN: As I have said, the question of taking over these mines, whether it was justified, whether the amounts paid were adequate or whether they were excessive or they were less than what we should have paid, are all things of the past, and no useful purpose will be served by going into those stories which are of the past.

SHRI M. KATHAMUTHU: In the latter part of his answer, the hon. Minister has said that Government are aware of the present problem. But I want to know the problems before the Government and the corrective action taken by Government.

SHRI SHAHNAWAZ KHAN: The problems are mainly technical in nature. When we mine at great depths, there are problems of rockbursts, and there is the question of safety of working in the mines. The

other problem is that of the steady deterioration in the grade of ore that is mined. It has deteriorated from 8 grams per tonne to round about 4-1½ grams per tonne now. These are the problems, and as regards the corrective action, I have already stated that we are investigating new areas so that we can start mining there.

DR. G. S. MELKOTE: Is it not a fact that before the Mysore State got integrated with the Indian Union after Independence, the British company had exploited all the richer mines and left the poorer mines only to be tapped, and if so, would it not be economical to close down the mines altogether instead of running it at such a great loss?

SHRI SHAHNAWAZ KHAN: It is true that we are subsidising these mines very heavily. But as I have already stated, we are investigating the adjoining areas which are showing good promise, and we hope that as and when these mines become uneconomical for working, these new areas will be developed.

SHRIMATI SHEILA KAUL: Is it a fact that the Central Government were aware of the depletion of the deposits in these mines when they were taken over by the Centre, and if so, why the Central Government took them over?

SHRI SHAHNAWAZ KHAN: Even now, these mines contain substantial reserves of ore, but whether those can be worked economically or not is another thing. But it is not that the Central Government knew that there was nothing left there. Even now, these mines contain substantial quantities. But certain technological problems regarding the safety of working have arisen in view of the rockbursts that have taken place. These are preventing us from approaching certain ore bodies which are really rich in grade.

SHRI R. V. SWAMINATHAN: Arising out of the answer given by the hon. Minister that they are investigating the possibilities of locating new

mines, may I know the nearest point from the Kolar Gold Mines where they have located them?

SHRI SHAHNAWAZ KHAN: The hon. Member is, I suppose, familiar with the area. There were some closed mines. One is the Nine Reef Mine and the other is the Roadblock Mine, which were worked for some time and then abandoned. We have now started operations to dewater the pits so that we can start those mines again.

Then, about 12 k.m. south of Mysore Mines, the Geological Survey of India have located a very promising area, and also at Bisanantham which is in Andhra Pradesh but on the border of the Kolar Gold Fields, we propose to start the new workings.

Exploitation of Mineral Deposits in Rayalaseema Region

***444. SHRI K. KODANDA RAMI REDDY:** Will the Minister of STEEL AND MINES be pleased to state:

(a) the important minerals found in Rayalaseema area of Andhra Pradesh;

(b) the names of places and the minerals with their estimated reserves; and

(c) whether any systematic investigation are going on to exploit the mineral wealth of that region?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) to (c) A statement is laid on the Table of the House.

STATEMENT

(a) and (b); : Asbestos, barytes, steatite, copper-lead, diamond, iron ore, gold, clays and limestone are the important minerals found in the Rayalseem area. Names of places and the minerals with their estimated reserves are as follows:—

Asbestos	Chinnakutala—Brahmanapalle belt, Cuddapah district.	14,400 tonnes.
Barytes	Mangampeta, Cuddapah district.	2.5 million tonnes.
Limestone	Cuddapah basin in Cuddapah Kurnool districts.	Preliminary estimate of about 12,000 million tonnes.
Gold	Ramagiri, Anantapur district.	2,527 tonnes of ore with 6.9 gm/tonne gold.
Iron Ore	Veldurti-Ramallakota, Kurnool district.	4.5 million tonnes.
	Raydrug Taluk, Anantapur distt.	1 million tonnes.
Steatite	Mutsukota, Tabjula, Julakalawa & Ravuludiki, Anantapur district and Godelemadugu, Yarlpadu and Muddanuru, Kurnool district.	about 0.9 million tonnes upto 100 m. depth.
Clays	Hastewaram in Cuddapah distt.	5.5 million tonnes.
	Ambopuram in Kurnool distt.	„
Copper-lead	Zanagamarauppale, Cuddapah district.	Being assessed.
	Jonna-giri, Kurnool district.	do.
	Gani-Kalva, Kurnool district.	do.
Diamond	Wargakarur, Anantapur distt.	do.

(c) Systematic investigations are in progress in the Pulivendla area for asbestos, Mangampet area for barytes, Wajrakarur area for diamond, Anki-reddipalle area for flux grade limestone and Zangamarajupalle, Gani-kalva and Jonnagiri areas for copper and lead. A programme for mineral exploration in Andhra Pradesh has been drawn up by the Geological Survey of India in continuation of the exploration that is already in progress. This programme includes investigation of base metals, limestone, barytes, asbestos and clay in the Cuddapah basin in Rayalseema, diamond in Anantapur and Kurnool districts.

M/s Bharat Gold Mines Ltd., are examining the possibility of exploiting the gold in the Yeppamana mine area.

SHRI K. KODANDA RAMI REDDY: I find from the statement that Government are exploring the feasibility of exploiting the minerals in this Rayalseema area. I would like to know whether the results of the investigations carried out by the Geological Survey of India have revealed the possibility of starting any mineral-based industries in this chronically backward region.

SHRI SHAHNAWAZ KHAN: As I have stated, the Geological Survey of India has been busy, and I would be glad to say that they have located a number of minerals in that area. They are working on diamonds in the Wajrakarur area and that area is showing fairly good promise. There are also huge quantities of very good quality limestone in Rayalseema area. It is up to the State Government to start these industries.

SHRI K. KODANDA RAMI REDDY: Many leases given to the private industrialists are lying idle. May I know the reasons for such a situation?

SHRI SHAHNAWAZ KHAN: If any individual takes a lease and does not work it, it is up to the State Government to cancel the lease.

SHRI P. VENKATASUBBAIAH: The statement giving the particulars about the deposits in the various areas is neither exhaustive nor correct. The places mentioned against the various minerals available are not also correct. For instance, about gold, they have said that 2527 tonnes of ore are there in the gold desert area. I do not know how the ore and gold are mixed up there.

Arising out of the answer given by the hon. Minister to the supplementary questions, may I know whether this area, though rich in mineral wealth, has been completely neglected, and the Geological Survey of India has been conducting these surveys there not now but for many years, and if so, whether the Government of India have taken any concrete decision in view of the need to develop these backward regions, for starting more industries, and whether any public sector projects based on these minerals will be started there by the Government of India?

SHRI SHAHNAWAZ KHAN: As regards the question how gold and ore have been mixed up, I would like to say that gold comes out of the ore. The job of the Geological Survey of India is to locate the reserves of various minerals, and once they have carried out the investigations and proved the existence of minerals, it is up to the public sector undertakings or to the State Governments or to private individuals to develop them.

SHRI P. VENKATASUBBAIAH: I have asked whether the Government of India have in view the starting of an industry.

SHRI SHAHNAWAZ KHAN: I do not deal with industries.

SHRI JAGANNATH RAO: In the statement under the subject diamonds nothing has been mentioned about Ramallakota and Wajrakarur. What is the position about those areas?

SHRI SHAHNAWAZ KHAN: In Wajrakarur area the investigations brought out five diamond ferrous

rocks, only one of which has been proved really promising by the GSI so far. In Kurneel district in Banganapalle conglomerate horizon several old workings were examined and two belts extending from Banganapalle to Munimadugu and Ramallakota to Yambai were delineated.

Employment to be generated by implementation of seven-day working week

*445. SHRI P. NARASIMHA REDDY: Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) the extent of additional employment that would be created if the proposal to have a Seven-Day working week is implemented;

(b) the measure of response to this proposal; and

(c) the steps proposed to implement the proposal?

THE DEPUTY MINISTER IN THE MINISTRY OF LABOUR AND REHABILITATION (SHRI BALGOVIND VERMA): (a) to (c) It is difficult to assess precisely additional employment that would be created by the observance of a seven-day working week. Though they have not been formally addressed on the subject, the State Labour Ministers, the employers and the trade unions are, generally speaking, not averse to the proposal. It should not be difficult, therefore to work out with their cooperation the details of the implementation of the scheme in such units or industries where other factors are favourable for the introduction of the seven-day working week.

SHRI P. NARASIMHA REDDY: I am glad to know that there is widespread general support for the proposal mooted by the Labour Ministry and that there is no difficulty in evolving a programme in this direction. What is holding them up from evolving such a programme and what

steps have been taken to have a concrete programme?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): At present through the State Labour Ministers, leaders of the trade unions and employers we are trying to arrive at some agreement. Once we assess the result, we will go ahead. Once this process is over, we will convene a conference of employers, trade union leaders and the State Labour Ministers to see how it could be worked.

SHRI P. NARASIMHA REDDY: May I know whether any consultation has been made with the Ministry of Industrial Development in order to identify the particular industrial units wherein this scheme can be introduced straightway?

SHRI R. K. KHADILKAR: We have taken the initiative in this matter of seven days continuous working without depriving the workers of their weekly rest. I am very glad that the State Labour Ministers have also taken the initiative of persuading the employers and workers wherever facilities are available. But there are some difficulties. Where raw materials are available, there is power shortage. For instance, in Bombay city it was almost agreed but because of power shortage we could not extend it. It was of a limited nature. So, just now the location of this spot would be difficult.

श्री राजेन्द्र प्रसाद यादव : अध्यक्ष महोदय, मैं मंत्री जी से जानना चाहता हूँ कि क्या सरकार को इस बात की जानकारी है कि चाहे 6 दिन काम करने का सप्ताह हो चाहे 7 दिन का हो, पब्लिक ग्रैंडरटेकिंग या नेशनलाइज्ड ग्रैंडरटेकिंग के कार्यकर्त्ताओं के काम करने की क्षमता घटती जा रही है और इस का सबूत है पब्लिक ग्रैंडरटेकिंग में घाटा तो क्या सरकार इस स्थिति को सुधारने की दिशा में कुछ करना चाहती है, यदि हाँ, तो क्या ?

SHRI R. K. KHADILKAR: The efficiency of working in the public sector undertakings does not arise out of this question.

DR. RANEN SEN: In view of the fact that quite a large number of industries suffer from power shortage and quite a large number of plants and industries are not able to fulfil their installed capacity, may I know whether Government have taken note of these two factors also and, if so, how can the government meet these two points?

SHRI R. K. KHADILKAR: There are limiting considerations. As I have said, where there is power shortage or the industry is not in a position to give further employment, that will have to be excluded. But our experience is that in some cases, even though there is power shortage of 20 per cent, the industry is able to work for seven days. So, in a selective way it is being operated.

SHRI RAJA KULKARNI: Since this scheme has not been worked out practically and since the co-operation of the trade unions is not forthcoming to the scheme as it is, will the Government think of taking up this proposal of seven-day working of the factory along with reduction in working hours per worker from 48 to 40?

SHRI R. K. KHADILKAR: No, Sir. This scheme is intended to provide additional employment and more production. There is no question of reducing the hours of work.

SHRI VASANT SATHE: In view of the limiting factor, as stated by the Minister, and also in view of the general experience that the working class is reluctant to give up the common holiday which is very essential for the trade union and other activities, will the hon. Minister take into consideration the question of six hour shift working which will give the same result of round the clock working as well as increased employment?

SHRI R. K. KHADILKAR: It is not altogether correct to say that the workers are reluctant. Of course, some leaders of the trade unions are very reluctant.

SHRI VASANT SATHE: Trade union leaders represent the workers.

SHRI R. K. KHADILKAR: I am giving you my experience. Instead of addressing the trade union leaders, I am now addressing the workers direct and the response is very encouraging.

SHRI VASANT SATHE: What about six hours of working?

SHRI R. K. KHADILKAR: As I said in reply to the question of Shri Kulkarni, there is no such scheme at the present juncture.

Repatriation of Families of Civilian Internees and P.O.Ws. to Pakistan

*446. **SHRI C. K. CHANDRAPPAN:**
SHRI N. K. SANGHI:

Will the Minister of **EXTERNAL AFFAIRS** be pleased to state:

(a) whether India has offered to Pakistan to repatriate the families of civilian internees and the Prisoners-of-War to Pakistan; if so, the reaction of Pakistan thereto;

(b) whether Government of India expects similar action being taken by Pakistan in regard to civilian internees of India and Bangladesh; and

(c) whether the offer mentioned above is taken by the Government after consultation with Bangladesh Government?

THE MINISTER OF EXTERNAL AFFAIRS (SHRI SWARAN SINGH): (a) and (b). India and Bangladesh had jointly made an offer to this effect. While doing so they expressed the hope that the Government of Pakistan would, in response, allow the families of all Bangladesh nationals, detained or stranded in Pakistan to return to Bangladesh. However, Pakistan Government have decided to permit, "as a first step", only 10,000 Bengali

women and children to leave Pakistan.

SHRI C. K. CHANDRAPPAN: In view of the developments after the agreement signed by India and Pakistan on delineation, may I know whether any new proposal has been made by India with regard to the repatriation of civilian internees and prisoners of war to Pakistan?

SHRI SWARAN SINGH: No new proposal has been made to Pakistan in this respect, because our earlier proposal was quite explicit. In the earlier proposal we had made an offer to Pakistan, of course, after consulting the Bangladesh Government, that as a humanitarian gesture the Governments of Bangladesh and India have decided to repatriate to Pakistan families (women and children) of Pakistani civilian internees who sought protection with the Joint Command of India and Bangladesh forces and families of prisoners of war who had surrendered to the Joint Command. It is hoped that the Government of Pakistan will act in the same humanitarian spirit and allow the families of all Bangladesh nationals who are detained or held up in Pakistan to return to Bangladesh.

So, it was quite a self-contained and comprehensive proposal that we made at the very initial stage.

SHRI C. K. CHANDRAPPAN: In the main answer, the hon. Minister has stated that Pakistan had agreed to send 10,000 Bengali women and children as a first step. May I know whether they have already sent them or is it still a proposal? I also want to know what is the total number of Bangalis who are interned in Pakistan.

SHRI SWARAN SINGH: This transfer has not yet taken place. The details are being worked out. About the figures, according to the Bangladesh Government, the number of their women and children held in Pakistan is about 80,000.

SHRI SAMAR GUHA: It is known to the Government that during the liberation struggle of Bangladesh, thousands of mothers and sisters of Bangladesh were forcibly taken into army camps of Pakistan. It is also reported that a large number of them have been taken to West Pakistan and pathetic reports are coming from there that they are still living in shameful and miserable conditions there. I want to know from the Government what steps they have taken to get back those mothers and sisters who were forcibly taken by Pakistani army to West Pakistan.

Secondly, regarding two Indian newsmen, Deepak and Surjit, about whom television was shown that they are alive, I want to know whether the Government have pursued in the matter and, if so, with what result.

SHRI SWARAN SINGH: About the first part, as I have said earlier, we have suggested to Pakistan that as a gesture of reciprocating the joint offer of India and Bangladesh they should repatriate all the Bengali women and children that are in Pakistan....

SHRI SAMAR GUHA: Who were forcibly taken away.

SHRI SWARAN SINGH: When I say all, everyone is included.

About the question of two journalists, the hon. Member did write a letter to me. I have sent him a reply. We have been taking this matter up again and again with the Government of Pakistan. But so far we have not been supplied any clue about the presence of those journalists.

SHRI B. K. DASCHOWDHURY: In view of the hon. Minister's statement that there are about 80,000 Bengali internees in Pakistan and an arrangement is being made to transfer them or to repatriate them, I would like to know from him whether he has taken any initiative so that these internees in Pakistan who are out of employment, who are out of their profession, may have certain assistance so that

they may live at least till they are repatriated to Bangladesh and, if so, what are those steps or what are the discussions held in this regard with the Government of Pakistan.

SHRI SWARAN SINGH: Obviously, it is the responsibility of the Government of Pakistan to look after all these internees of Bangladesh origin and it is difficult for me to imagine what type of assistance could India render in a situation of the type that we face in the matter of our relations with Pakistan. It is for all these reasons that we had ourselves made an offer after consulting the Government of Bangladesh that we had decided to repatriate the families of all civilian internees and also of the prisoners-of-war and we expressed the hope that Pakistan would also do the same. They have, as I mentioned already, said that they have decided to repatriate 10,000 out of the total number of the internees there as a first step. I would like to add that, in a humanitarian case of this character, there should be no counting of heads and, irrespective of the numbers, they should send out all the family members, women and children, who happened to be in custody there or who happened to be stranded in Pakistan.

Opening of Weapons testing Range near Itarsi

*448. **SHRI B. K. DASCHOWDHURY:** Will the Minister of DEFENCE be pleased to state:

(a) whether any weapons testing range has been opened near Itarsi;

(b) if so, the particulars thereof; and

(c) the amount spent in regard to the range established?

THE MINISTER OF STATE (DEFENCE PRODUCTION), IN THE MINISTRY OF DEFENCE (SHRI VIDYA CHARAN SHUKLA): (a) to (c): A Central Proof Range has been

established at Itarsi. The Proof range mainly caters to the Proofing of various items of ammunition and their components pertaining to Artillery and Infantry weapons and most of the Field Tank and Anti-tank equipments, produced in the Ordnance Factories located in the Maharashtra and Madhya Pradesh region. Components for ammunition items supplied by civil trade are also proved in this establishment.

The total cost is expected to be about Rs. 3.15 crores.

SHRI B. K. DASCHOWDHURY: In view of large complaints about testing of weapons supplied to artillery, infantry and other civilians, I would like to know from the Government whether in the past Government have made any assessment to what extent these weapons which passed into the hands of our army personnel and others from the ordnance factories were found to be defective or short of proof range. Why did Government take such a long time to establish such a factory only very recently at a cost of Rs. 3 crores, and more, at Itarsi and in Maharashtra?

Secondly, about the testing arrangement that is now done, I want to know whether the proof-range testing is of the same standard as that in other countries which are supplying weapons to our neighbouring countries, particularly Pakistan. I want to know about the standard.

SHRI VIDYA CHARAN SHUKLA: The premise under which the hon. Member is asking this is not correct. There has been absolutely no complaint about the quality of the weapons, hand-guns and ammunitions that have been supplied to our armed forces. As a matter of fact, the quality has been found to be uniformly of a very high order, of a very high standard. Therefore, this question of why it was not established earlier really does not arise. As I have explained in the main answer, we established this mainly to cater to the production which is taken out of the

ordnance factories which are located in Maharashtra and Madhya Pradesh regions, and these factories were established mostly after the Chinese aggression, in 1962. Then we wanted a Central Proof Range establishment and Itarsi was selected after a great deal of consideration. Orders to establish the Proof Range establishment were passed in 1967. After that, this Proof Range has been established. It is testing certain new equipment that we have started making or manufacturing in India after 1962, and this Proof Range has come very handy for our various projects that we undertook after the Chinese aggression.

SHRI B. K. DASCHOWDHURY: In view of the hon. Minister's reply about the proof Range arrangement that has been done, may I know whether Government have come to the conclusion that the reason for the defect in the proof range is either the defect in the machines or weaponry or defect in the ammunitions also; if it is in respect of ammunitions also, may I know whether there are any such testing establishment to test the ammunitions also, to see how far they are in order?

SHRI VIDYA CHARAN SHUKLA: These tests are necessary and they are part of the manufacturing process and we would not hand over any equipment, whether it be arms or ammunition, to our Armed Forces, without properly testing them or evaluating them. Not only this, but also items from the civil trade and certain imported items are properly tested before they are handed over to the Ordnance Depots for use in the Army, Navy or in the Air Force.

These Proof Ranges serve both the purposes—to find out defects in any line of production and also to evaluate the performance of the various weapons that are produced from time to time.

MR. SPEAKER: Such questions should be drafted very carefully and also replied to very carefully. Some times, it relates to defence affairs. I

think it is much better if they are discussed in the Defence Consultative Committee, rather than by open questions here in the House.

MR. SPEAKER: Shri Sukhdeo Prasad Verma—not here.

Representations regarding payment of pension to parents of Military Martyrs

***450. PROF. NARAIN CHAND PARASHAR:** Will the Minister of DEFENCE be pleased to state:

(a) whether representations have been received from the parents of the Military Martyrs for the grant of a part of the Family Pension to them out of the pension generally given to the War Widows; and

(b) if so, the decision of Government on the representations?

THE MINISTER OF STATE (DEFENCE PRODUCTION) IN THE MINISTRY OF DEFENCE (SHRI VIDYA CHARAN SHUKLA): (a) Yes, Sir; representations have been received from the parents of a few Armed Forces Officers killed in the recent Indo-Pak conflict, for granting them a part of the special family pension payable to the widows of the officers.

(b) In the case of personnel below offer rank, the Controller of Defence Accounts (Pensions) is empowered to divide the special family pension among the eligible heirs of the deceased serviceman in such cases. In the case of officers, orders have been issued under which the special family pension may be divided between the widow and the parents of the officer who was killed in the war. Decisions on individual representations are to be taken after necessary investigation and on the merits of each case.

PROF. NARAIN CHAND PARASHAR: May I know from the hon. Minister through you as to the exact date on which these orders were issued as also the exact proportion in which the proposed pension is to be divided?

SHRI VIDYA CHARAN SHUKLA: The orders were issued on 11th October, 1972 and the basis on which these pensions are sought to be divided is that the share of both the claimants, that is, the parents and the widow should not exceed the amount of the dependant pension which would have been admissible to them (if the means limit prescribed under the regulations had not been applied) at the rate prescribed in the regulations as if the officer had died as a bachelor but not in action and his death had been accepted as attributable to service factors. This means that there would be an equitable basis on which these claims would be settled, not on the basis of claims which would be made on the officer's pension when he dies in action.

PROF. NARAIN CHAND PARASHAR: May I know further whether after the 11th October 1972 any such claims have been decided, and if so, how many?

SHRI VIDYA CHARAN SHUKLA: A few claims have been received and they are under investigation by the respective Service Headquarters. But, no claims as such have yet been decided.

श्री राम सहाय पांडे : मंत्री महोदय के वक्तव्य से पता चलता है कि जो धनराशि युद्ध में काम आये हुए जवानों की विधवाओं को दी जाने वाली है, उसका कुछ हिस्सा उनके माता-पिताओं को दे दिया गया है। मैं यह जानना चाहता हूँ कि जवानों के माता-पिताओं के जो आवेदन-पत्र आये हैं, क्या उन पर अलग से विचार नहीं किया जायेगा और जो धनराशि उनकी विधवाओं को दी जाने वाली है, उसमें कटौती क्यों की जाये और उनके माता-पिताओं को अलग से धनराशि क्यों न दी जाये।

श्री विद्या चरण शुकल : यह प्रश्न अफसरों के बारे में है। इस बारे में पहले से ही नियम बने हुए हैं कि जवानों पर निर्भर करने वाले लोगों में, उनकी पत्नी, बच्चों और माता-पिता में, पेन्शन का विभाजन किस तरह से

किया जाये। उन नियमों के आधार पर ही उन की पेन्शन का विभाजन किया जाता है। माननीय सदस्य के मन में मूल भावना यह थी कि बजाये इसके कि जितना पैसा उन को मिलता है, उस को विभाजित करें, हम उन को अलग-अलग इतना पैसा दे दें, जिस से उन दोनों को कभी का सामना न करना पड़े। हमने जो पेन्शन रूलज बनाये हैं, और अभी जो बेनिफिट्स दिये हैं, वे इतने अधिक उदार हैं कि हमारी आर्म्ड फोर्सिज के लोग उन से खुश हैं। इसलिए इस सम्बन्ध में किसी तरह की रद्दो-बदल करने की आवश्यकता महसूस नहीं होती है।

PROF. MADHU DANDAVATE: Sir, after the termination of the last war we found in one of the important pronouncements by the Defence Minister, Shri Jagjiwan Ram, wherein he had categorically stated that the Government would move in the direction of payment of pension equivalent to the entire salary of the jawans and officers. Do they propose to implement this so that even the question arising out of this issue regarding the distribution of pension amongst various dependents would become easy?

SHRI VIDYA CHARAN SHUKLA: This is being done in case of personnel below officer rank when there is no question of division, but when a claim of division is made then some equitable basis has to be found, and therefore after great deal of discussion and consultation with various Service Headquarters etc. this particular formula, which I indicated in reply to hon. Shri Parashar's question, has been devised, and under this formula we are processing the various claims that are received.

PROF. MADHU DANDAVATE: He said, pension equivalent to the entire salary.

SHRI VIDYA CHARAN SHUKLA: This is being done if there is no division claim; if the parents and widow had made their own arrangements, then the announcement that was made

by Defence Minister is being carried out, but if there is a division, then, that division is sought to be made under this formula.

हिन्दुस्तान जिंक लिमिटेड उदयपुर में

कम उत्पादन

* 4055 डा० लक्ष्मी नारायण पांडेय :

क्या इस्पात और खान मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या हिन्दुस्तान जिंक लिमिटेड उदयपुर (राजस्थान) में उसकी निर्धारित क्षमता के अनुसार उत्पादन नहीं हो रहा है;

(ख) क्या डिजाइन की त्रुटि के कारण उत्पादन-लक्ष्य प्राप्त नहीं हो रहे हैं ; और

(ग) यदि हां, तो इस बारे में सरकार ने क्या उपाय किये हैं ?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) to (c). A statement giving the required information is laid on the Table of the House.

STATEMENT

The Hindustan Zinc Ltd. is at present working a zinc smelter at Debari (near Udaipur) with a capacity of 18,000 tonnes per annum and a 5,400 tonnes per annum lead smelter at Tundoo (Bihar) together with ancillary plants for the production of zinc and lead metals and other by-products. Both the lead and zinc smelters are based on the lead and zinc ore deposits in Zawar area of Rajasthan.

Production in the zinc and lead smelters has been below the rated capacity of the plants. The lower production in the case of the zinc smelter is due to operational problems as also design defects in certain sections of the plant, particularly the roaster. Further, the melting furnace has also not been able to operate at full capacity owing

to deficiencies which have developed in it.

In the case of lead, the lower production is due to the smelter being very old and out-moded.

Steps have been taken by Government to increase the operating efficiency of both the zinc and lead smelters. The operational problems in the zinc smelter which was commissioned early in 1968 have been examined and some of them have been attended to. The improvement in the operation of zinc smelter would be evident from the figures of the zinc production indicated below:—

1969-70	9,926 tonnes
1970-71	10,738 "
1971-72	12,254 "
1972-73	13-14,000 "

(estimated).

The design defects in the plant including the roaster are proposed to be rectified along with the expansion of the zinc smelter which is expected to be completed early in the Fifth Plan.

As regards the rectification of deficiencies in the melting furnace, it is proposed to replace the same as early as possible with a new unit. It is expected that the new unit will be installed by about the last quarter of 1973.

The old lead smelter is being modernised. The first phase of modernisation which will enable an annual lead production of 3,600 tonnes, has already been taken on hand. In the second phase, the production is to be increased to 6,000 tonnes per annum. For this purpose, a feasibility report is under preparation. The second phase of the expansion is likely to be completed by the middle of 1974.

डा० लक्ष्मी नारायण पांडेय : मंत्री महोदय ने अपने वक्तव्य में यह स्वीकार किया है कि डिजाइन में डिफेक्ट था, जिस के कारण प्रोडक्शन में कमी हुई है। मैं यह जानना चाहता हूँ कि इस बारे में कौन कौन से अधिकारी दोषी हैं, जिन्होंने डिजाइन में डिफेक्ट का

बाद में बता लीया और उनके खिलाफ क्या कार्रवाही की गई है यह भी जानना चाहता हूँ कि रेगिस्ट्रेशन में कितना ध्वज हुआ और हानि कितनी हुई।

श्री शाहनवाज खाँ : जैसा कि माननीय सदस्य को पता है, जिक की जी फेक्टरी उदयपुर में लगी है, वह पहले मेटल कार्पोरेशन ऑफ इंडिया की थी, जिस को बाद में गवर्नमेंट ने लिया। वह लगी लवाई चीज हमने ली और उस का काम शुरू हुआ। लेकिन उसके बाद रोस्टर और मेटल मैलिंग फरनेस में कुछ खराबियां जाहिर हुई। उनको ठीक करने की कोशिश की जा रही है। उस का यह नतीजा हुआ है कि हमारी प्रोडक्शन 9000 टन से बढ़कर लगभग 13, 14 हजार हो गई है। आगे चल कर एक्सपेंशन होने के बाद उसकी प्रोडक्शन 18,000 टन से बढ़ कर 36,000 टन साबाना होने जा रही है। जिस वक्त वह स्टेज आयेगी तो तमाम छोटे मोटे डिफेक्ट्स को भी दूर कर दिया जायेगा।

डा० लक्ष्मी नारायण पांडे : क्या मंत्री महोदय कोई निश्चित अवधि बता सकते हैं कि पांचवीं पंच-वर्षीय योजना के पहले, दूसरे या तीसरे वर्ष में एक्सपेंशन कर के प्रोडक्शन को 18,000 टन से बढ़ाकर 36,000 टन कर दिया जायेगा?

श्री शाहनवाज खाँ : हम उम्मीद करते हैं कि पांचवीं पंच-वर्षीय योजना के पहले या दूसरे साल में यह कारखाना मुकम्मल तौर पर काम शुरू कर देगा।

डा० लक्ष्मी नारायण पांडे : मंत्री महोदय ने यह नहीं बताया है कि दोषी अधिकारी दोषी कौन-कौन हैं और उनके खिलाफ क्या कार्यवाही की गई है क्योंकि जो दोष बताये गये हैं, वे कारखाना खरीद करने के समय भी थे;

श्री शाहनवाज खाँ : यह कारखाना तो बाहर की एक फर्म ने लगाया था। कोई कर्मचारी इस के लिए दोषी नहीं है।

Demand from Government of Maharashtra for Allotment of Steel

***456. SHRI ANNASAHEB GOTKHINGDE:** Will the Minister of STEEL AND MINES be pleased to state:

(a) whether Government of Maharashtra has asked for assistance for procurement of steel for R.C.C. pipes and for cement for their programme of lift irrigation schemes in order to meet immediately the severe scarcity conditions prevailing in the State;

(b) if so, the quantities asked for and the quantities allotted and/or despatched; and

(c) the time by which the demands are likely to be met in full?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) Yes, Sir.

(a) and (c). The State Government asked for supply of 9,550 tonnes of steel and 9,950 tonnes of cement for their lift-irrigation schemes. About 400 tonnes of 7 mm Wire Rods have been supplied so far. In addition, instructions have already been issued to producers concerned to despatch 2500 tonnes of 6 mm Wire Rods to State Government on an over-riding priority.

So far as supply of cement is concerned, it has been ascertained that no supply has been received by the State Government.

The demands will be quickly met to the extent possible.

SHRI ANNASAHEB GOTKHINGDE: In view of the scarcity conditions prevailing in the State, the State Government had proposed some lift irrigation schemes and for this purpose steel is urgently required. If it is not possible to meet this demand immediately, will the Government allow the Government of Maharashtra to import the required quantity of steel, billets, etc.?

SHRI SHAHNAWAZ KHAN: As soon as they get their supply of cement, we will also supply steel.

SHRI ANNASAHEB GOTKHINDE:
I am asking about the import of steel.

SHRI SHAHNAWAZ KHAN: It is not necessary to import; we will be able to meet their requirements.

**WRITTEN ANSWERS TO
QUESTIONS**

**Setting up of a Mini Steel Plant at
Purulia in West Bengal**

***442. SHRI PRIYA RANJAN DAS MUNSI:** Will the Minister of STEEL AND MINES be pleased to state:

(a) whether a mini steel plant would be installed at Purulia very soon; and

(b) if so, whether same provision can be made in other places of West Bengal?

THE MINISTER OF STEEL AND MINES (SHRI S. MOHAN KUMAR RAMANGALAM): (a) A letter of intent under the Industries (Development and Regulation) Act, 1951, has been issued on 26th September, 1972, to M/s. General Alloy Steel Limited, Calcutta. for the establishment of an industrial undertaking at Purulia (West-Bengal) for the manufacture of 25,000 per annum of steel billets, strips and wire-rods, on the basis of maximum utilisation of plant and equipment.

(b) Individual proposals have to be examined on merits in the light of technical and economic considerations, and other relevant factors.

भारत-पाकिस्तान सीमा सम्बन्धी समस्याओं के बारे में प्रश्न:

***437 श्री इंकर दयाल सिंह :** क्या रक्षा मंत्री यह बताने की कृपा करेंगे कि :

(क) भारत पाकिस्तान सीमा सम्बन्धी समस्याओं के बारे में नवीनतम स्थिति क्या है ;

(ख) क्या इस बारे में भारत और पाकिस्तान के सेनाकमांडरों की निकट भविष्य में कोई बैठक होने की सम्भावना है ; और

(ग) यदि हां तो तत्सम्बन्धी व्योरा क्या है ?

रक्षा मंत्रालय (उत्पादन मंत्री) में राज्य मंत्री (श्री बिद्या चरण शुक्ल): (क) माननीय सदस्य कृपया इस प्रसंग में 12 दिसम्बर, 1972 को लोक सभा में विदेश मंत्री द्वारा दिये गये वक्तव्य को देखें जिसमें नवीनतम स्थिति बताई गई है।

(ख) भारत और पाकिस्तान के थल-सेनाध्यक्षों के बीच निकट भविष्य में कोई बैठक होने की संभावना नहीं है।

(ग) प्रश्न नहीं उठता।

**Memorandum on Vatican status for
Nankana Sahib in Pakistan**

***449. SHRI SUKHDEO PRASAD VERMA:** Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether the Sikh Brotherhood International in a memorandum submitted recently, has demanded Vatican status for Nankana Sahib in Pakistan; and

(b) if so, the action taken by Government in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENDRA PAL SINGH):
(a) Yes, Sir.

(b) Government do not consider it advisable to take up this question with the Pakistan Government.

Development of apprenticeship training programme

*451. SHRI M. S. SIVASWAMY: Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) whether Government have taken any special measures for the workers to make special efforts to prevail upon their local units to collaborate more fully with the employers to ensure fuller utilisation of the investment made in developing the apprenticeship training programme; and

(b) if so, the progress achieved in this regard?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): (a) and (b). The workers' organisations are represented at the national, regional and State levels in the Central Apprenticeship Council, Regional Advisory Committees and State Apprenticeship Councils respectively. This helps in the smooth implementation and development of the apprenticeship training programme as well as ensure the co-operation of the local units. This is borne out by the fact that about 50,000 apprentices are undergoing training at present. According to a survey carried out some time ago to ascertain the employment status of ex-apprentices, about 75 per cent of the passed-out apprentices were in employment. Realising that, with the cooperation of the local units, the employers would be able to ensure the employment of a large number of apprentices after the completion of their training programme, an appeal was made at the meeting of the Central Apprenticeship Council held in November, 1972 that the Workers' Organisations represented on the Council should make special efforts to prevail upon their local units to collaborate more fully with the employers in this behalf. It is hoped that the employment position of the ex-apprentices would improve further as a result of these efforts.

Dock workers' strike at Madras Port

*452. SHRI S. A. MURUGANANTHAM: Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) whether there was a strike at Madras Port by the Dock workers recently;

(b) if so, their demands; and

(c) the manner in which Government have settled the dispute?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): (a) Yes, Sir.

(b) The demand was for the payment of Rs. 1000 to each worker as an advance towards arrears of piece-rate earnings that might accrue on the recommendations of the Piece-Rate Review Committee.

(c) The recommendations of the Committee will be examined on the receipt of its Report, which is still awaited. As a result of persuasion the strike was unconditionally called off.

Reported Pentagon bases on Pacific Islands of Micronesia

*454. SHRI RAJDEO SINGH: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether Government are aware of the news item in the Soviet Red Army newspaper 'Red Star' informing the world thereby that Pentagon is building new strategic bases on the Pacific Islands of Micronesia with the probable aim of strengthening United States hold over Asia while decreasing its visible presence; and

(b) if so, the reaction of Government in the matter?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENDRA PAL SINGH): (a) Government is aware of an article to this effect published in the Soviet newspaper "Krasnaya Zvezda" (Red Star) of 19th November, 1972.

(b) Government's policy regarding military bases is well-known and remains unchanged. The establishment of such bases tends to lead to tensions and rivalries. The United Nations has also pronounced itself against all military activities and arrangements by Colonial Powers in Territories under their administration. The Government of India fully support this position.

Proposed Western move in U.N. for release of P.O.Ws in India

*457. SHRI GIRIDHAR GOMANGO:
SHRI RAMSHEKHAR PRASAD SINGH:

Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether the attention of Government has been drawn to the report appearing in the 'Hindustan Times' dated the 17th November, 1972 under the heading "West move on P.O.Ws' release";

(b) if so, whether they propose to move any resolution in the U.N. in this regard; and

(c) the reaction of Government thereto?

THE MINISTER OF EXTERNAL AFFAIRS (SHRI SWARAN SINGH):

(a) Yes, Sir.

(b) and (c). The House is aware of the two Resolutions commonly known as the Yugoslav and Argentine Resolutions, adopted in the General Assembly of the United Nations on the 29th November. As I have stated in the House on the 8th December, 1972, the Argentine Resolution does not make the question of the admission of Bangladesh to the UN conditional upon the release of the prisoners of war. In fact, that Resolution does not refer to the question of admission at all; and we take the reference by the President of the General Assembly to interdependence between the viewpoints as expressed in the Resolutions to indicate that so long as Pakistan

refuses to recognise Bangladesh and Bangladesh is kept out of the United Nations, the solution of pending problems, including the repatriation of the prisoners of war, would be difficult if not impossible.

There is an increasing awareness, in Pakistan as elsewhere, that Bangladesh is a necessary party to any discussions concerning the repatriation of the prisoners of war.

Transfers in E.P.F. Organisation

*458. SHRI RAMAVATAR SHASTRI:
SHRI BHOLA MANJHI:

Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) whether the Officers in the Employees Provident Fund Organisation are transferred from one place to another after completing three years at one place;

(b) whether there are some cases in the country where this Order has not been complied with strictly; and

(c) if so, the number of Officers with designation and the reasons in each case?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): (a) and (b). The policy followed by the Employees Provident Fund Organisation in the matter of transfer of officers above the level of Provident Fund Inspectors (Gr. I) is to consider their transfers ordinarily after three years of service at a particular place subject to administrative exigencies and requirements.

(c) Does not arise.

Reported statement by Pak President for no cut in arms

*459. SHRI R. S. PANDEY: Will the Minister of DEFENCE be pleased to state:

(a) whether Government's attention has been drawn to the reported state-

ment of President of Pakistan that Pakistan cannot reduce its arms unless disputes between India and Pakistan are resolved; and.

(b) if so, the reaction of Government thereto?

THE MINISTER OF STATE (DEFENCE PRODUCTION) IN THE MINISTRY OF DEFENCE (SHRI VIDYA CHARAN SHUKLA): (a) and (b). Government have seen the press report of this statement reported to have been made by the President of Pakistan on 5th September 1972. Since then there has been some progress in the implementation of Simla agreement. It is the policy of Government to try to secure that disputes between India and Pakistan are settled through bilateral negotiations.

Annual loss at Khetri Copper Mines

*460. SHRI NAWAL KISHORE SHARMA: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether Khetri Copper Mines are running in loss and if so, the estimated annual loss at the Khetri Mines;

(b) whether Government have appointed a committee to investigate into the causes for loss; if so, the time by which the report is expected to be presented to the Government; and

(c) whether the then Mining Adviser under UN Technical Assistance Plan was also reported to have advised the Government about the poor output at the mines and if so, the reasons for ignoring his advice and sustaining continuous loss there?

THE MINISTER OF STEEL AND MINES (SHRI S. MOHAN KUMAR-MANGALAM): (a) Khetri Copper Project is in the construction stage. The Mines at Khetri and Koliha are producing some copper ore incidental to mine development work. The question of estimated annual loss at Khetri Copper Mines, on a regular basis, therefore, does not arise at this stage.

(b) No, Sir.

(c) No, Sir.

Criteria for selecting M.P.s for participation in U.N.O.

4313. SHRI RANABAHADUR SINGH: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) the criteria laid down by Government for selecting the Members of Parliament to participate in the U.N.O.;

(b) whether ex-Members of Parliament are also included in the list; and

(c) if so, the particulars thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENDRA PAL SINGH):

(a) Members of Indian Delegations to the UN General Assembly represent the Government of India. Consequently, the main criterion is that they should be in agreement with Government's policies.

(b) and (c). S./Shri P. S. Naskar and Joachim Alva, ex-MPs (Lok Sabha) were included in the Indian delegation to the 22nd session of the UN in 1967.

Smt. Savitri Nigam, a former Member of Parliament and currently President of the Indian Federation of the United Nations Association, has been included as Special Adviser to the Indian Delegation to the UN during the current 27th session of the General Assembly.

Selections of Assistant Managers and Managers in Canteens and Stores department

4314. SHRI CHANDRA SHEKHAR SINGH: Will the Minister of DEFENCE be pleased to state:

(a) whether any selection to the posts of Assistant Managers and Managers classes I and II were made in the CSD (I) during the past two years including selection grade managers;

(b) if so, the names of all the persons selected separately in each of these two years and the criteria used for these selections; and

(c) how many among them have been actually promoted to these posts and how many are still waiting on the panel for future vacancies?

THE MINISTER OF DEFENCE (SHRI JAGJIVAN RAM): (a) Yes, Sir.

(b) A statement giving a list of persons selected is laid on the Table of the House. [Placed in Library. See No. LT-4023/72]. The criteria for selection were as under:—

MANAGERS 'SELECTION GRADE'

By selection on the basis of merit from amongst Managers Grade I Section Officers.

MANAGER GRADE I

Selection was made by direct recruitment. Departmental candidates were also eligible for consideration.

ASSISTANT MANAGERS

Selection on the basis of merit from amongst Storekeepers Class I and Superintendents.

(c) All the vacancies were filled by the selected persons. The panels have expired except in the case of one person who is on the waiting list.

Appointment of Chief Canteens Officers-cum-Secretary to Board of Control of C.S.D. (I)

4315. SHRI CHANDRA SHEKHAR SINGH: Will the Minister of DEFENCE be pleased to state:

(a) whether a new incumbent has recently taken the post of Chief Canteens Officer-cum-Secretary to the Board of Control of C.S.D.(I) in the Army Headquarters;

(b) whether the representatives of Air Force and Navy are sore over the fact that all the top posts connected

with C.S.D.(I) and its working are always taken up by persons from the Army side and no persons from Air Force and Navy side are taken;

(c) whether he is also aware of the fact that there is a feeling among these dissidents that top posts like that of the C.C.O., Deputy Assistant Canteens Officer, General Manager and Deputy General Managers of C.S.D.(I) should rotate equally among persons of all the three wings of the Armed Forces on parity basis; and

(d) if so, Government's Policy in this regard?

THE MINISTER OF DEFENCE (SHRI JAGJIVAN RAM): (a) The present incumbent of the post of Chief Canteens Officer-cum-Secretary to the Board of Control of CSD(I) in the Army Headquarters took charge on May 1, 1972.

(b) and (c). The Government is not aware of any such discontent or feeling amongst officers of the Air Force and Navy.

(d) In view of the answer to parts (b) and (c) above, the question does not arise.

भारत और बंगलादेश के बीच पार-पत्र प्रणाली का लागू किया जाना

4316. श्री हुकम चंद कछवाय : क्या विदेश मंत्री यह बताने की कृपा करेंगे कि क्या भारत और बंगला देश के बीच अब पार-पत्र प्रणाली लागू कर दी गई है?

विदेश मंत्रालय में उपमंत्री :
(श्री सुरेन्द्र पास सिंह) : जी हाँ। भारत और बंगला देश के बीच 1 सितम्बर 1972 से यात्रा का नियमन करने के लिए, पास पोर्ट तथा बीजा प्रणाली प्रारंभ कर दी गई है।

Rationalisation of management of Heavy Engineering Corporation

4317. SHRI M. S. SIVASWAMY: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether Heavy Engineering Corporation has drawn up an Establishment Manual for rationalising its management; and

(b) if so, the salient features thereof and the reasons for the same?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) Preparation of an Establishment Manual has been undertaken by the Heavy Engineering Corporation.

(b) The Establishment Manual would incorporate the following subjects:—

Organisation of different cadres of Heavy Engineering Corporation; service and establishment rules relating to recruitment, promotion, pay and allowances; advances; TA and DA; conduct and discipline; incentives; rewards and other allied matters relating to conditions of service and amenities for the employees of the corporation.

Promotion of Civilian Assistant Recruiting Officers

4318. SHRI R. N. SHARMA: Will the Minister of DEFENCE be pleased to state:

(a) the number of Civilian Assistant Recruiting Officers (earlier called Extra Assistant Recruiting Officers) at present and the number of Officers who have reached the maximum of their pay scales;

(b) whether there is no further avenue of promotion for them and how long they have worked in the present post; and

(c) if so, whether Government are aware of the frustration prevalent among them and if so, Government's reaction thereto?

THE MINISTER OF DEFENCE (SHRI JAGJIVAN RAM): (a) to (c). There are 23 Civilian Assistant Recruiting Officers out of whom 22 have reached the maximum of their pay scale. Most of them have put in service ranging between 16—25 years.

No representation against the inadequacy of their pay-scale or expressing frustration on other grounds has been received from them. In view of the comparatively small size of this civilian cadre in the Army Recruiting Organisation to which no fresh recruitment is being made, it has not been found possible to provide further avenues of promotion to these Civilian Assistant Recruiting Officers.

Contract Labour in Public Sector

4319. SHRI PAMPAN GOWDA: Will the Minister of LABOUR AND REHABILITATION be pleased to state the names of the Central Public undertakings, institutions and Departments which use the services of labour on contract basis?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): The required information is being collected and will be laid on the table of the Sabha in due course.

एल० आई० सी० ग्रोन्ड, नई दिल्ली में आयोजित रक्षा प्रदर्शनी से प्राप्त राजस्व

4320. श्री हुकम चंद कठुवाय : क्या रक्षा मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या अगस्त और सितम्बर 1972 के महीनों में एल० आई० सी० ग्राउन्ड नई दिल्ली में आयोजित रक्षा प्रदर्शनी से सरकार को कितना राजस्व प्राप्त हुआ ; और

(ख) सरकार ने प्रदर्शनी के आयोजन पर कितनी धन राशि खर्च की थी ?

रक्षा मंत्री (श्री जगजीवन राम) :
(क) टिकटों की बिक्री और स्टाल होल्डरों के लाइसेंस से शुल्क के रूप में रु० 45,232.30 पैसे की बसूली हुई।

(क) घंटा तथा कुछ अन्य विभिन्न वस्तुओं के निर्माण पर रु० 1,38,675.16 पैसे की राशि खर्च की गई है।

इण्डिया गेट पर जलाई गई 'अमर जवान ज्योति'

4321. श्री. हुकम चंद कश्यप : क्या रक्षा मंत्री यह बताने की कृपा करेंगे कि :

(क) इण्डिया गेट पर "अमर जवान ज्योति" को अंतिम रूप से कब तक जलाये रखने का निर्णय किया गया है ;

(ख) इस में अब तक किस प्रकार के ईंधन को प्रयोग किया जाता है ; और

(ग) इस पर अब तक कितना रुपया व्यय हुआ है ?

रक्षा मंत्री (श्री. जगजीवन राम) :

(क) वर्तमान व्यवस्था तब तक रखी जायेगी जब तक या तो इसी स्थान पर अथवा किसी अन्य स्थान पर प्रशिक्षक स्थायी प्रबंध नहीं कर दिया जाता।

(ख) इण्डियन आयल मैस, जो घरेलू में काम में लाई जाती है, प्रयोग की जा रही है।

(ग) 30 नवम्बर, 1972 तक कुल चालू व्यय 58,016.47 रुपये था।

Exploration by Russian experts in Ajmer and Udaipur for Emeralds

4322. DR. H. P. SHARMA: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether an exploration was carried out by the Russian experts in Ajmer-Udaipur region for ascertaining the existence of Panna emeralds there;

(b) if so, the main findings from the exploration made; and

(c) the schemes, if any chalked out for proper exploitation of the deposits?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAH NAWAZ KHAN): (a) No, Sir.

(b) and (c). Do not arise.

Repatriation of Indian Passport holders from East Africa

4323. SHRI VAYALAR RAVI: Will the Minister of EXTERNAL AFFAIRS be pleased to state the number of Indian Passport holders expected to be repatriated to India due to certain developments in East Africa?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENDRA PAL SINGH): The number of Indian passport holders returning to India from East African countries is not likely to increase substantially in the near future as there has been no new development in that area warranting such an eventuality.

Expansion of working of Mineral Exploration Corporation

4324. SHRI VAYALAR RAVI: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether Government propose to expand the functioning of the newly created Mineral Exploration Corporation;

(b) if so, the particulars thereof; and

(c) the main features of schemes this Corporation propose to start in the mineral rich areas of Kerala?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) to (c). The Mineral Exploration Corporation has been set up recently to undertake detailed mineral exploration work. The Corporation is at present working out the preliminaries for establishing its offices at different places in the country and procurement of equipment, etc. so as to start its normal functions. It is too early to

say anything about expanding the scope of its functions nor would it be possible to indicate the work the Corporation is likely to undertake in Kerala before it has had time to study in detail the various possibilities.

Mazagon Dock Limited's Office in Britain

4325. SHRI VAYALAR RAVI: Will the Minister of DEFENCE be pleased to state:

(a) whether the Mazagon Dock Limited, Bombay is maintaining an Office namely 'Indian Frigate Project Office' in Britain;

(b) if so, the functions of this office;

(c) whether the management has been considering for the last two years whether to wind up the organisation or not; and

(d) if so, the decision taken thereon?

THE MINISTER OF STATE (DEFENCE PRODUCTION) IN THE MINISTRY OF DEFENCE (SHRI VIDYA CHARAN SHUKLA): (a) Yes, Sir.

(b) The functions of this office briefly are (i) technical liaison and co-ordination with the collaborators for the Frigate Project, namely, M/s. Vickers and Yarrow, and the Government of the UK, Ministry of Defence (Navy), (ii) procurement of machinery and equipment, etc. for the Frigates from the UK, and (iii) co-ordination with manufacturers in the UK with a view to obtaining technical information or data required for the indigenous development and production of items of machinery and equipment for the Frigates.

(c) and (d): The continuance of this organisation is reviewed from time to time in the light of the workload and it has been decided to continue it upto 31st December, 1974 for the present.

Employment Bureau at G. B. Pant University of Agriculture and Technology

4326. SHRI G. Y. KRISHNAN: Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) whether Director General, Employment and Training has set up an Employment Bureau at the Govind Ballabh Pant University of Agriculture and Technology on the lines of such bureaux at the I.I.T.;

(b) if not, the reasons therefor; and

(c) whether similar Bureaux are working in other Agricultural Universities?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): (a) No, Sir.

(b) and (c). These Bureaux are not set up by Directorate General of Employment and Training, but by the respective State Governments and Universities. At present, these are functioning at the following three Agricultural Universities:

(i) The Punjab Agricultural University, Ludhiana;

(ii) The Haryana Agricultural University, Hissar; and

(iii) The Orissa University of Agriculture and Technology, Bhubaneswar.

Graduate Agricultural Engineers Registered with Employment Exchanges

4327. SHRI G. Y. KRISHNAN: Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) the total number of Graduate Agricultural Engineers registered with the Employment Exchanges in Delhi and U.P. and since when registered;

(b) the number of registered Graduate Agricultural Engineers who

could secure jobs within one year and two years of registration; and

(c) whether the demands of private employees like Larsen and Toubro Ltd., Voltas, Escorts for Graduate Agricultural Engineers are also communicated to the Employment Exchanges and Directorate General, Employment and Training, or to the Agricultural Universities?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): (a) to (c). A statement containing the available information is attached.

Statement

A. Uttar Pradesh

Since the administration and control of Employment Exchanges rests completely with the State Government, the information is being collected from the U.P. Government and would be laid on the Table of the House as soon as it becomes available.

B. Delhi

The available information is as follows:—

- (a) 9 Graduate Agricultural Engineers were on the Live Register as on 30th November, 1972. Of them 7 were on the Live Register for less than one year and the remaining 2 between 1 to 2 years.
- (b) 3 Graduate Agricultural Engineers were placed in employment during 1972 and all of them got jobs within one year of their registration.
- (c) Under the provisions of the Employment Exchanges (Compulsory Notification of Vacancies) Act, 1959 all establishments in the private sector employing 25 persons or more are required to notify vacancies (with certain exemptions) to the local

Employment Exchange and to the Central Employment Exchange under the Directorate General of Employment and Training if the employer desires the vacancies to be circulated to the Employment Exchanges outside the State/Union Territory in which the establishment is situated.

Periodical recruitment of Graduate Engineers for Regular/Short Service Commissions

4328. SHRI G. Y. KRISHNAN: Will the Minister of DEFENCE be pleased to state:

(a) whether an examination is held periodically to recruit Graduate Engineers—Civil, Mechanical and Electrical—for Regular or Short Service Commissions;

(b) whether Agricultural Engineering Graduates are debarred from appearing in such examinations;

(c) whether for manning services connected with Tractors, Earth Movers, Harvestors (for military farms), Irrigation Works (in farms), Agricultural Engineering Graduates of Indian Agricultural Universities are required by Defence Establishments; and

(d) if so, whether Government propose to allow Agricultural Engineering Graduates also to sit for combined competitive examinations for Commissions in the Army?

THE MINISTER OF DEFENCE (SHRI JAGJIVAN RAM): (a) to (c). There is no examination for recruitment of Graduate Engineers of the Civil, Mechanical & Electrical disciplines for Regular or Short Service Commissions. They are recruited for these Commissions by interview, through the Services Selection Boards. There is no requirement of Agricultural Engineering Graduates in the Commissioned ranks, and consequently they are debarred from appearing before the SSBs for commissioning;

they are; however, eligible to apply the UPSC for entry to the civilian Officer Cadre in the military farms where alone there is a requirement for them.

(d) Does not arise.

recommendations of Coal Advisory Council regarding production of coal

4329. SHRI R. N. SHARMA: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether Government have received any aide memoire/written notes on the state of affairs of coal industry in October, 1972 after the meeting of the Coal Advisory Council on the 29th September, 1972;

(b) if so, a gist of the notes; and

(c) Government's report on the facts contained in the Industry's notes with reference to the increase expected in production of coal for power and steam generation during the Fifth Plan?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) No, Sir.

(b) and (c). Do not arise.

Taking over of Army Headquarters Canteen from C.S.D. (I)

4330. SHRI CHANDRA SHEKHAR SINGH: Will the Minister of DEFENCE be pleased to state:

(a) whether the authorities in the Army Headquarters have decided to take over the A.H.Q. Canteen New Delhi from the C.S.D.(I) and run it departmentally;

(b) if so, from which date this change over of its management will be effective, and the reasons for such decision;

(c) whether the present C.S.D.(I) staff would be permanently absorbed in the new set-up; and

(d) if not, what is being done to see that these C.S.D. staff people and

their families are not uprooted from Delhi and put to lot of inconveniences by their transfers to up-country installations of C.S.D.?

THE MINISTER OF DEFENCE (SHRI JAGJIVAN RAM): (a) Yes, Sir.

(b) From 1-3-1973; in view of the policy decision of the Board of Control Canteen Services that CSD(I) Station Canteens which Formation Headquarters are willing to take over should be entrusted to them.

(c) No, Sir.

(d) The CSD(I) employees have a liability to serve in any part of the country and will be absorbed in other CSD(I) installations.

Minimum wages of Workers in Horticulture Division of C.P.W.D.

4331. SHRI CHANDRA SHEKHAR SINGH: Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) whether the Labour Commissioner (Central) has received any reference from the Horticultural Division of the C.P.W.D. on the question of fixing daily minimum wage and also for removing the disparity between the present minimum wage rate of Rs. 3.70 received by its out-door workers per day and Rs. 4 received by its workers posted in Office and for indoor work, per day;

(b) whether this matter has since been decided, if so, the nature thereof; and

(c) if not, whether the Labour Commissioner would also be asked to direct the Horticulture Division C.P.W.D. to see that the daily wage workers are given paid weekly offs instead of the present practice of unpaid weekly offs?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): (a) No.

(b) Does not arise.

(c) The notified minimum wages are inclusive of the weekly day of rest and as such separate wages for the weekly off are not payable.

Board of Directors of Bokaro Steel Limited

4382. SHRI R. P. ULAGANAMBI: Will the Minister of STEEL AND MINES be pleased to state:

(a) how many times and which of the present directors have been included in the Board of Directors of Bokaro Steel Limited; and

(b) the dates of inclusion of each Director in the board and of his going out of the board?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) and (b). In accordance with the Articles of Association of Bokaro Steel Limited, all Directors except the Chairman, the Deputy Chairman, the Managing Director and the Directors who are officials of Steel & Heavy Engineering and Ministry of Finance retire from office at the Annual General meeting. The Directors who are officials of the Department of Steel and the Ministry of Finance retire on ceasing to be officials of these Ministries. The retiring Directors are eligible for reappointment. The particulars of the present non-official Directors who were Directors of the Company earlier are given below:—

Name of Director	Period of First appointment.	Period of reappointment.
Shri S. K. Nanavati	24-12-70 to 25-9-71	(i) 20-1-72 to 28-9-72 (ii) 26-10-72 continuing
Shri H. Bhaya	20-1-72 to 28-9-72.	Continuing from 26-10-72.
Shri S. C. Vadera	20-1-72 to 28-9-72.	Continuing from 26-10-72.

Mining of Gold by Companies

4333. SHRI M. C. DAGA: Will the Minister of STEEL AND MINES be pleased to state:

(a) the names of the places where gold is available in the country and the quantum thereof mined last year in each of these places;

(b) the names of the Companies engaged in mining gold at the said places together with the dates since when they have been engaged in such mining; and

(c) the amount of loss sustained by each of them in 1970 and 1971 and the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) and (b). Gold is produced from Mysore Champion Reef and Nundydroog Mines in Kolar District and Hutti Gold Mines in Raichur District of Mysore. The gold mined by the Kolar Gold Mining Undertaking and Hutti Gold Mines during 1971-72 is as under:

	1971-72 (In Grams)
Kolar Gold Mining Undertaking.	22,46,487
Hutti Gold Mines.	12,79,200
	<u>35,25,687</u>

Mining of gold in Kolar Gold Field dates back to 1880/1884, while the mining of gold in Raichur dates back to 1886.

(c) The amount of loss sustained by the Kolar Gold Mining Undertaking during 1970-71 and 1971-72 is as under:

(Rs. in Lakhs)

1970-71

1971-72

482.45

486.41

(Provisional subject to Audit).

Being the difference between the expenditure and the value of gold at I.M.F. rate at which it is sold to the Reserve Bank of India.

After the Central take over of mines, the production in the Kolar Gold Mines was adversely affected by natural calamities like fires, flooding of mines and series of rock bursts which occurred during 1965 and 1966. The grade of ore has also been on the decline. The Mysore Mine has limited ore reserves and the production has therefore been low. In Nundydroog Mine which has large deposits, the grade of ore is comparatively low. All these factors including wage increase and cost of mining in greater depth have contributed the loss.

The information regarding Hutti Gold Mines is being obtained from the Government of Mysore and will be laid on the Table of the House.

Graduates & Post Graduates Registered with Delhi University Employment Exchanges

4334. SHRI BANAMALI PATNAIK: Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) whether a number of First/Second class Graduates and Post Graduates are registered with the Delhi University Employment Exchanges, if so the number of candidates registered during 1971 and the number of those who have been assisted in getting employment;

(b) whether in the absence of jobs suitable to their qualifications, they are being deprived of the chances for junior posts on technical grounds; and

(c) whether Government contemplate some measures to ensure that at least Second Class Graduates are given opportunities in preference to Third Division Graduates?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHANDILKAR): (a) Yes, Sir. The number of such candidates registered and placed by the two University Employment Bureau in Delhi was as follows:

	Registered	Placed.
University Employment Bureau, Delhi University.	2,554	429
University Employment Bureau, Jamia-Milia.	609	61

(b) No.

(c) The question does not arise as the eligibility of candidates for being sponsored by the Employment Exchanges against the notified vacancies is determined by the qualifications etc. prescribed by the employers for different posts.

Programme to spread Indian Culture in Britain

4335. SHRI DHARAMRAO AFZAL-

MURKAR: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether Bhartiya Vidya Bhavan had drawn up an ambitious programme to spread Indian Culture in Britain; and

(b) if so, the particulars thereof and the financial assistance Government

have agreed to provide and the particulars of donations from private institutions in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENDRA PAL SINGH): (a) and (b). Government have been aware of Bhartiya Vidya Bhavan's plans of establishing a kendra of the Bhavan in London. Sale of the Bhavan's books and other activities are envisaged. The plans are still, as far as known to the Government, tentative. At the present moment, no financial assistance from the Government has either been sought or offered. Government do not have particulars of donations from private institutions.

Need-based Minimum Wage

4336. KUMARI KAMLA KUMARI: Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) whether Government are framing any rule for employers both in the public and private sectors to pay need-based minimum wage to their employees; and

(b) if so, the broad outlines thereof?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): (a) No.

(b) Does not arise.

N.C.T.U. discussion on Seven-day Week

4337. SHRI M. M. JOSEPH:
SHRI JAGANNATHRAO JOSHI:

Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) whether any meeting of the NCTU was held recently in which the Seven-day week proposal was discussed in Bombay; and

(b) if so, the main points thereof and the decisions arrived at in the meeting?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): (a) The NCTU met in Bombay on the 10th and 11th November, 1972. Government have no information on the discussions if any, on the seven-day week proposal.

(b) Does not arise.

Cost of Medicines supplied to P.O.Ws of Pakistan and Medical help to Indian P.O.Ws in Pakistan

4338. KUMARI KAMLA KUMARI: Will the Minister of DEFENCE be pleased to state:

(a) the total cost of the medicines supplied to the P.O.Ws of Pakistan in India till the 30th November, 1972; and

(b) whether Government will send some medical help to our P.O.Ws in Pakistan because Pakistan Government are not taking proper care of our P.O.Ws in Pakistan?

THE MINISTER OF DEFENCE (SHRI JAGJIVAN RAM): (a) The total expenditure incurred on medical stores and equipment for the Pakistani prisoners of war/civilians under protective custody upto 31st October, 1972 is Rs. 20,68,000.00.

(b) Question does not arise as the Indian Prisoners of War have since been repatriated.

Nationalisation of HINDALCO

4339. SHRI S. M. BANERJEE: Will the Minister of STEEL AND MINES be pleased to state whether the Centre agreed to the suggestion of the U.P. Government to nationalise Hindalco?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): Government have not received any such suggestion from the State Government.

Profit and Production of Bharat Electronics Limited

4340. SHRI RAJDEO SINGH: Will the Minister of DEFENCE be pleased to state:

(a) whether the Bharat Electronics Limited has shown an increase of rupees one crore in its pre-tax profit in 1971-72;

(b) whether it has increased its production by Rs. 3 crore 42 lakhs in 1971-72 from the previous year; and

(c) if so, the percentage of the import yearly as regards components and other items, if any?

THE MINISTER OF STATE (DEFENCE PRODUCTION) IN THE

Year	Value of completed Production (Rs. in lakhs)	Percentage of Foreign Exchange content
1970-71	2806	29%
1971-72	3230	66

6 दरवाजों वाली मर्सीडोज कार के रखरखाव पर व्यय

4341. श्री श्रींकार लाल बेरवा :

श्री हुकमचन्द कछवाय :

क्या विदेश मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या विदेश मंत्रालय के महत्वपूर्ण अवसरों की आवश्यकताओं को पूरा करने के लिए 6 दरवाजों वाली मर्सीडोज-बेंज कार के रखरखाव पर अब तक कुल कितना धन व्यय हुआ है; और

(ख) यह कार महीने में औसतन कितने मील चली है ?

विदेश मंत्रालय में उपमंत्री (श्री सुरेशपाल सिंह) :

(क) 734,16 रु०

(ख) 65 मील ।

Economy and Optimum Utilization of Coal and Fuel Available in the Country

4342. SHRI P. M. MEHTA:

SHRI K. LAKKAPPA:

Will the Minister of STEEL AND

MINISTRY OF DEFENCE (SHRI VIDYA CHARAN SHUKLA): (a) The profit before tax earned by Bharat Electronics Limited during the last two financial years as under:

Year	Profit before Tax
1970-71	Rs. 520.79 lakhs
1971-72	Rs. 605.78 lakhs

The increase in profit before tax earned during 1971-72, as compared to previous year, was therefore only about Rs. 85.00 lakhs.

(b) Yes, Sir.

(c) The percentage of foreign exchange content in respect of the completed production of equipment and components in BEL during each of the two years is as under:

MINES be pleased to state:

(a) whether Government have introduced some regulations to secure economy and optimum utilisation of coal and other fuels available in the country;

(b) whether installations of new burning equipment such as boilers, gas producers, kilns and furnances will have to be done in consultation with the Fuel Efficiency Committee and the Coal Board;

(c) whether the two bodies will scrutinise all such installations keeping in view the availability of coal; and

(d) whether his Ministry has decided that in case the entrepreneurs do not consult the Coal Board before the capital goods application, the Board will not take any responsibility about the grade and size of coal required by the Units?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) to (c) The Ministry of

Industrial Development issued a Circular on the 19th October, 1972, introducing a clause in the letters of intent, according to which, if a scheme involves installation of large burning equipment, consultation by the entrepreneurs with the Coal Board is essential before the submission of applications for import of capital goods.

(d) The clause in question contains such a stipulation.

News Item "Transport Planning no Match for Coal Targets Set"

4343. SHRI INDRAJIT GUPTA: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether the attention of Government has been drawn to the news item which appeared in the *Hindustan Standard* dated the 9th November, 1972 under the caption "Transport Planning no match for coal targets set"; and

(b) if so, Government's reaction thereto?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) and (b). The article in question makes references to the Fifth Plan targets for coal and alleges lack of coordination in the planning for production and transport of coal. The targets for the Fifth Plan are being worked out for all industries including coal and necessary transport plans would be drawn up having regard to the expected coal demand. The Ministry of Railways have set up a special cell for the planning of necessary infra-structure for the rail movement of coal in the Fifth Plan, and once the targets for the production of coal during the Fifth Plan are fixed, steps will be taken to ensure that rail transport capacity is expanded to meet the requirements fully.

Appeal made by Chief Minister of West Bengal for Steel for Santaldih Project

4344. SHRI INDRAJIT GUPTA: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether the Chief Minister of West Bengal made an urgent appeal to the Steel Ministry for immediate release of steel for the construction of the transmission line from the Santaldih project; and

(b) if so, the facts thereof and the action taken thereon?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) Yes, Sir.

(b) The Chief Minister of West Bengal requested for urgent supply of 1074 M/T of steel for transmission lines for the first unit of the Santaldih Thermal Plant likely to be commissioned in June 1977. The second unit at Santaldih is expected to be commissioned in December 1973. For this he intimated that approximately 3000 M/T of steel would be required.

A quantity of 359 tonnes of steel was released during the month of November '72 from the Main Steel Producers' stockyards for the Santaldih-Durgapur transmission line and a quantity of 3553 tonnes of steel has been allocated by the Steel Priority Committee for the first quarter of 1973 in favour of the West Bengal State Electricity Board.

Allotment of Steel to Maruti Limited

4345. SHRI R. P. ULAGANAMBI: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether six thousand tonnes of steel was allotted to Maruti Limited for the manufacture of cars; and

(b) whether this allotment was made on the basis of any assessment made by the allotting authorities of the actual requirements of Maruti Limited?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) and (b). Information is being collected and will be laid on the Table of the House.

Increase in Accidents on I.A.F. Training Flights

4346. SHRI INDRAJIT GUPTA: Will the Minister of DEFENCE be pleased to state:

(a) whether he is aware of the widespread public concerns over the recent accidents repeatedly taking place on Indian Air Force training flights, resulting in deaths of several trainee pilots;

(b) if so, whether any high level inquiry will be held into the causes;

(c) whether some training aircraft have no radio communications with ground control; and

(d) whether both trainees' lives and training aircraft are insured?

THE MINISTER OF DEFENCE (SHRI JAGJIVAN RAM): (a) and (b). There have, unfortunately, been a few accidents during the training flights in the I.A.F. It is our constant endeavour to eliminate aircraft accidents to the maximum extent practicable. Each accident is investigated in detail and the conclusions reached by Courts of Enquiry or investigation teams are applied to the improvement of the equipment concerned, or of the training of the air and ground crews and also where necessary to modification of control and inspection procedures.

(c) All aircraft are fitted with radio communication system to ensure uninterrupted contact with ground control.

(d) No. The next of kin are however eligible to receive prescribed payments and benefits.

Status of Bangladesh in U.N.

4347. SHRI D. B. CHANDRA GOWDA: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether Bangladesh has been accorded the status of Permanent Observer in the United Nations; and

(b) if so, the names of the other Permanent Observers of the International Agencies?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENDRA PAL SINGH): (a) Yes, Sir.

(b) Names of the others who have been accorded observer status are:

- (1) Switzerland
- (2) The Republic of Korea
- (3) The Federal Republic of Germany
- (4) The Republic of Vietnam.
- (5) Monaco.
- (6) The Holy See.
- (7) The German Democratic Republic.

Export of Arms by India

4348. SHRI ARJUN SETHI:
SHRI NAWAL KISHORE SHARMA:

Will the Minister of DEFENCE be pleased to state:

(a) whether Indian Ordnance Factories are to export defence equipment worth Rs. 10 crores this year; and

(b) if so, who are the importing countries?

THE MINISTER OF STATE (DEFENCE PRODUCTION) IN THE MINISTRY OF DEFENCE (SHRI VIDYA CHARAN SHUKLA): (a) and (b). The Department of Defence Production have set for themselves a target of Rs. 10 crores for export of Defence equipment from Indian Ordnance Factories for the year 1972-

73. It would not be in the public interest to disclose the names of the countries which are importing defence equipment from India.

Kenya Government announcement for Asians to sell their business to Africans

4349. SHRI ARJUN SETHI:
SHRI M. S. SIVASWAMY:

Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether Government are aware of the Kenyan Government's statement that non-citizens mostly Asians would soon be ordered to sell their businesses to Africans as part of a phased transfer of the economy into Kenyan hands; and

(b) if so, the reaction of Government thereto?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENDRA PAL SINGH):

(a) In pursuance of the policy of Kenyanisation, the Government of Kenya enacted in 1967 the Trade Licensing Act. The Act, as amended in 1969 requires that all business should be licensed, that as far as possible only citizens of Kenya should be permitted to engage in business outside urban areas and that trading in specified commodities should as far as practicable be restricted to citizens of Kenya. The licences are issued for a period of one year and are renewed thereafter on an yearly basis. Every year since 1968, Government of Kenya has been notifying the names of non-citizens whose trade licences are not to be further renewed. The persons affected transfer their business on payment to the citizens of Kenya having licences.

(b) While the policy of the Government of Kenya in regard to the progressive Kenyanisation of certain sectors of their economy is understandable, Government have confidence in the assurances of the Kenya Government that such non-citizens

will be phased out in an orderly manner.

Abolition of Child Labour

4350. SHRI K. KODANDA RAMI REDDY: Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) whether according to the I.L.O. survey, there are 14 million Children working in India;

(b) the nature of the work and the wages they earn on an average; and

(c) whether Government are contemplating to bring in legislation for the abolition of children labour?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): (a) The I.L.O. did not conduct any survey regarding children working in India. I.L.O. Report IV(1) on Minimum Age for Admission to Employment discussed at the 57th Session of the International Labour Conference held in June, 1972, however, quoted the figure of 14.5 million children under the age of 15 who were considered economically active in India. This is based on 1961 Census data.

(b) Of 14.5 million children, about 10.5 million were engaged in agriculture and allied industries, a great majority being included under the head "cultivators". Thus, all the children are not employed as labourers. The data about average wage for children employed as labourers are not available.

(c) It is the Government's policy to abolish child labour ultimately though it is not feasible to do so immediately. Till total abolition is achieved, Government have regulated the minimum age of employment under various laws. Details are given in the statement laid on the Table of the House. (Placed in Library. See No. LT-4024/72).

Reported Quit Notices to Asians in Kenya

4351. SHRI K. KODANDA RAMI REDDY:
SHRI NAWAL KISHORE SHARMA:

Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether the attention of Government has been drawn to the press reports that Asians in Kenya would be served Quit Notices; and

(b) if so, the reaction of Government thereto?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENDRA PAL SINGH):

(a) Yes, Sir. In pursuance of the policy of Kenyanisation, the Government of Kenya enacted in 1967 the Trade Licensing Act. The Act, as amended in 1969, requires that all business should be licensed, that as far as possible only citizens of Kenya should be permitted to engage in business outside urban areas and that trading in specified commodities should as far as practicable be restricted to citizens of Kenya. The licences are issued for a period of one year and are renewed thereafter on yearly basis. Every year since 1968, the Government of Kenya has been notifying the names of non-citizens whose trade licences are not to be further renewed. The persons affected transfer their business on payment to the citizens of Kenya having licences.

(b) While the policy of the Government of Kenya in regard to the progressive Kenyanisation of certain sectors of their economy is understandable. Government have confidence in the assurances of the Kenya Government that such noncitizens will be phased out in an orderly manner.

Investigations to locate Gold and Diamonds in Andhra Pradesh

4352. SHRI K. KODANDA RAMI REDDY: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether any investigations are

being conducted in Andhra Pradesh to locate Gold and Diamonds; and

(b) if so, the places of occurrence and the results of such investigations?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) At present no investigation for gold is being carried out in Andhra Pradesh. The investigations by Geological Survey of India for diamond in Wajrakarur area, Anantapur district and in Partiala area, Krishna district are in progress.

(b) As a result of the investigation being carried out by the Geological Survey of India, the Kimberlite type pipe rocks near Wajrakarur and Latavaram were proved to be diamondiferous. 28 diamonds weighing 28.432 carats have been recovered so far. The gravels along the Krishna river near Partiala were also investigated and 3 off coloured diamonds weighing 4.270 carats were recovered.

Memorandum received from Ex-servicemen Association of Chittoor District

4353. SHRI P. NARASIMHA REDDY: Will the Minister of DEFENCE be pleased to state:

(a) whether the Ex-Servicemen Association of Chittoor District have presented a memorandum to the Minister of Defence Production during his recent visit to Tirupati;

(b) what are the main points raised therein; and

(c) what action has been taken by Government thereon?

THE MINISTER OF DEFENCE (SHRI JAGJIVAN RAM): (a) to (c). The Chittoor District Ex-Servicemen Association presented a memorandum to the Raksha Utpadan Mantri during his visit to Tirupati in Chittoor District on 3rd November 1972. The main points raised in the memorandum are indicated below:—

- (i) Allotment of land for cultivation and house sites;
- (ii) Preference to be given to the Ex-servicemen and their children for recruitment in civil posts;
- (iii) Supply of books free of cost and fee concessions to the children of Ex-servicemen;
- (iv) Adequate representation may be provided to Ex-servicemen in Government forums and local bodies;
- (v) Reservation of Bus Routes;
- (vi) Opening of a defence Industrial Establishment in Chittoor District for providing employment opportunities to the ex-servicemen and their children.

These matters are under examination in consultation with the State Government.

Working of Agnigundala Lead and Copper Mines

4354. SHRI P. NARASIMHA REDDY: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether the scheduled pace of progress is being maintained in Agnigundala Lead/Copper Mines in Andhra Pradesh; and

(b) if so, the progress achieved so far?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) Yes, Sir.

(b) At Bandalamottu Lead Deposit the total progress for the mine entries is about 1330 M. against the total work of about 1500 M. In addition, a progress of about 700 M. has also been achieved in mine development work. At the Nallakonda Mine the progress for the mine entries is 124 M against the total work of 144 M. The progress of mine development is about 55 M.

Import of Blue Prints of Defence equipments

4355. SHRI N. K. SANGHI: Will the Minister of DEFENCE be pleased to state:

(a) whether in regard to the manufacture of heavy defence equipment in the country, India is still dependent on foreign countries for the import of blue prints;

(b) to what extent the Ministry has to depend on foreign assistance; and

(c) what steps are taken to gain self-sufficiency in this regard?

THE MINISTER OF STATE (DEFENCE PRODUCTION) IN THE MINISTRY OF DEFENCE (SHRI VIDYA CHARAN SHUKLA): (a) to (c) Perhaps the intention of the Hon'ble Member is to enquire about manufacture of guns and tanks in India. 75/24 Howitzers (Mountain Gun), based on indigenous design and development, are already being manufactured in the country. 105 mm. Indian Field Gun, indigenously designed and developed, is also going to be manufactured shortly. There are, however, no plans at present to manufacture heavier guns. Medium tanks are already being manufactured in India.

We are by and large self-sufficient in the matter of technology for manufacture of these equipment. However, if any gap is discovered in view of the latest advances made elsewhere in technology and it cannot be covered by our own Research and Development Organisation, an attempt is made to acquire it on the best possible terms.

Machinery to Dovetail Civil Production in Private Sector with Defence Production Units

4356. SHRI N. K. SANGHI: Will the Minister of DEFENCE be pleased to state:

(a) whether any machinery is available to dovetail civil production

in the private sector with defence production units on a permanent basis; and

(b) if not, whether Government propose to set up one such?

THE MINISTER OF STATE (DEFENCE PRODUCTION) IN THE MINISTRY OF DEFENCE (SHRI VIDYA CHARAN SHUKLA): (a) Where no developmental aspect is involved, and production of a component, assembly or sub-assembly is established, Defence Production Units place direct orders on competent private sector units either on a long term or on a short term basis, as necessary. In cases, however, where no development is involved and production has to be established, they place an indent on the Department of Defence Supplies. The Department of Defence Supplies in its turn invites quotations from competent units in the civil sector and renders such assistance to the selected party in development/productionisation of the item as may be required. It has, however, not been considered necessary to link civil production with Defence production on a permanent basis.

(b) The question does not arise.

Location of Places for supply and Training Facilities to Bangladesh Armed Forces

4357. **SHRI B. K. DASCHOW-DHURY:**

SHRI RAGHUNANDAN LAL BHATIA:

Will the Minister of DEFENCE be pleased to state:

(a) whether any agreement has been signed between India and Bangladesh for locating places where India could help the Bangladesh armed forces with supplies and training facilities; and

(b) if so, the main particulars thereof?

THE MINISTER OF DEFENCE (SHRI JAGJIVAN RAM): (a) and (b). No Sir. Government are however rendering, in pursuance of their general policy of cooperation with friendly Governments, assistance to Bangladesh Defence Forces in the matter of supplies and training facilities.

Agreement between China and Nepal for Economic and Technical Cooperation

4358. **SHRI B. K. DASCHOW-DHURY:** Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether any agreement was signed between the Chinese and Nepalese Prime Ministers for economic and technical cooperation recently; and

(b) if so, the main features thereof and the reaction of Government thereto?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENDRA PAL SINGH): (a) Yes, Sir.

(b) No details have been released officially by either Government.

Interview of Jan Sangh President by Pak Newsmen

4359. **SHRI S. C. BESRA:** Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether Pak newsmen who visited India in October, 1972 had an interview with the President of Jan Sangh, Shri Atal Bihari Vajpayee;

(b) whether the Pak newsmen were instructed to meet Indian Opposition leaders only in the presence of officials of External Affairs Ministry; and

(c) if so, the justification for such directions?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AF-

FAIRS (SHRI SURENDRA PAL SINGH): (a) Yes, Sir.

(b) No, Sir.

(c) Does not arise.

Capacity of Visakhapatnam and Vijayanagaram Steel Plants

4360. SHRI SUKHDEO PRASAD VERMA:

SHRI M. SUDARSANAM:

Will the Minister of STEEL AND MINES be pleased to state:

(a) the expected capacity of the blast furnaces of the two new steel plants set up at Visakhapatnam and Vijayanagaram; and

(b) the size of the various units of the plants?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) and (b). These are under consideration. A final decision is expected to be taken shortly.

Payment of Pension to War Widows after their Re-marriage

4361. PROF. NARAIN CHAND PARASHAR: Will the Minister of DEFENCE be pleased to state:

(a) whether it has been decided to continue the pension to the War Widows even after their re-marriage; and

(b) if so, the exact date of the decision and the date of its implementation?

THE MINISTER OF DEFENCE (SHRI JAGJIVAN RAM): (a) and (b). In the case of JCOs and ORs (and their equipments in Navy and the Air Force) the Pension Regulations already provide for continuance of the special family pension to a widow who remarries her deceased husband's brother and continues to live a communal life with and/or contributes to the support of

the other living eligible heirs. In the case of officers, a similar provision has been made with effect from 20th June, 1972.

Under the rules, in the case of both officers and men special family pension ceases to be admissible to a widow if she remarries a person other than a real brother of her deceased husband. However, in the case of war widows, a special provision has been made to the effect that the widow, on such remarriage, will be granted a pension equal in amount to the ordinary family pension as though the serviceman had died in normal circumstances. Orders containing this provision were issued on 24th February, 1972 and are effective from 1st February, 1972.

Creation of Separate Unit of Territorial Army for Himachal Pradesh

4362. PROF. NARAIN CHAND PARASHAR: Will the Minister of DEFENCE be pleased to state:

(a) whether a request has been received from the Himachal Pradesh Government for the creation of a separate unit of the Territorial Army for Himachal Pradesh; and

(b) if so, the decision taken by the Government on the said request?

THE MINISTER OF DEFENCE (SHRI JAGJIVAN RAM): (a) and (b). A request has been received from the Himachal Pradesh Government for the location of a Territorial Army unit in the State. The matter is under examination.

Awards Instituted by Indian Council for Cultural Relations

4363. PROF. NARAIN CHAND PARASHAR: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) the names and the particulars of the Awards instituted by the Indian Council for Cultural Relations; and

(b) the names, addresses and citations in the case of each award presented during the last three years?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENDRA PAL SINGH):

(a) No awards have been instituted by the Indian Council for Cultural Relations. However, the ICCR administers the Jawaharlal Nehru Award for International Understanding instituted by the Government of India.

(b) Does not arise.

Representatives re: Increase in Payment to Holders of Military Medals

4364. PROF. NARAIN CHAND PARASHAR: Will the Minister of DEFENCE be pleased to state:

(a) whether representations have been received by the Government for the increase in the amount paid to the holders of Military Medals (Rs. 5/- per month); and

(b) if so, the reaction of Government to the said representation?

THE MINISTER OF DEFENCE (SHRI JAGJIVAN RAM): (a) No, Sir.

(b) Does not arise.

Hanoi Statement alleging U.S.A. Retracting to Sign Peace Treaty

4365. SHRI S. A. MURUGANANTHAM:
SHRI S. M. BANERJEE:

Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether the attention of Government has been drawn to the statement made by Hanoi accusing U.S.A. for retracting the steps in signing a Peace Treaty said to have been initiated in Paris by the representatives of Hanoi and Washington; and

(b) if so, the reaction of Government in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENDRA PAL SINGH): (a) Yes, Sir.

(b) Government of India continue to hope that all difficulties will be overcome and an agreement acceptable to all the parties concerned will be arrived at and signed soon.

Absorption of Pruned Staff of Indian Missions Abroad

4366. SHRI RAJDEO SINGH: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether the expert team which recommended the pruning in the strength of staff of Indian High Commission in U.K. has also recommended the reduction of staff in other Embassies;

(b) whether there is any proposal to absorb the pruned staff inside the country or to enlarge the strength of our Embassies in the smaller countries; and

(c) if so, the particulars thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENDRA PAL SINGH):

(a) Yes, Sir.

(b) No, Sir. Services of local employees who are rendered surplus are being dispensed with, but surplus India-based staff are being adjusted against sanctioned posts in the Cadre;

(c) Does not arise.

Agreement between India and USSR for Expansion of Bhilai Steel Plant

4367. SHRI RAJDEO SINGH:
SHRI M. RAM GOPAL REDDY:

Will the Minister of STEEL AND MINES be pleased to refer to the

reply given to Unstarred Question No. 650 on the 3rd August, 1972, regarding the Agreement between India and U.S.S.R. for the expansion of Bhilai Steel Plant and state whether the previous production targets of the Bhilai Steel Plant have been fulfilled?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): The position relating to the target and actual production of ingot steel at Bhilai Steel Plant in the last four years is as under:—

(In million tonnes)

Year	Target of Production	Actual Production
1968-69	1.90	1.74
1969-70	2.18	1.86
1970-71	2.25	1.94
1971-72	2.20	1.95

Construction of a road between Lahinipada and Barkote under Rourkela Steel Plant Zone

4368. **SHRI P. GANGADEB:** Will the Minister of STEEL AND MINES be pleased to state:

(a) whether Hindustan Steel Limited under Rourkela Steel Plant Zone has completed the construction and metalling of the road between Lahinipada and Barkote under Sundargarh Districts in Orissa; and

(b) if not, the reasons for the same and when it is likely to be completed?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) The road between Lahinipada and Barkote is under the Public Works Department of the Government of Orissa and not under the Hindustan Steel Ltd., Rourkela Steel plant.

(b) Does not arise.

सरकारी उपक्रमों में हड़ताल और तालाबन्दी पर रोक लगाने के बारे में विधान

4369. डा० लक्ष्मीनारायण पांडेय : क्या अन्न और पुनर्वास मंत्री यह बताने की

कृपा करेंगे कि :

(क) क्या सरकार का विचार सरकारी उपक्रमों में हड़ताल अथवा तालाबन्दी पर कानूनी रोक लगाने का है ; और

(ख) यदि हां, तो तत्सम्बन्धी मुख्य बातें क्या हैं और इस बारे में कर्मचारियों तथा श्रमिक संगठनों की क्या प्रतिक्रिया है ?

अन्न और पुनर्वास मंत्री (श्री आर० के० साहिलकर) : (क) इस समय कोई ऐसा प्रस्ताव नहीं है ।

(ख) प्रश्न नहीं उठता ।

माना शिविर में बंगला देश के शरणार्थी

4370. डा० लक्ष्मीनारायण पांडेय : क्या अन्न और पुनर्वास मंत्री यह बताने की कृपा करेंगे कि :

(क) इस समय मध्य प्रदेश के माना शिविर में कितने विस्थापित हैं ;

(ख) उनमें से कितने बंगला देश निर्माण की घोषणा से पूर्व आए थे और कितने बंगला देश निर्माण की भी घोषणा के बाद आए थे ; और

(ग) क्या इन विस्थापितों ने वापिस जाने के सरकारी प्रस्ताव को स्वीकार नहीं किया है ; और यदि हां, तो इस पर सरकार की क्या प्रतिक्रिया है ?

अन्न और पुनर्वास मंत्री (श्री आर० के० साहिलकर) : (क) और (ख) . इस समय मध्य प्रदेश के माना शिविर में 22,754 शरणार्थी परिवार, जिनमें 93,441 व्यक्ति हैं, रह रहे हैं । ये सभी परिवार 25 मार्च, 1971 से पूर्व भारत आ चुके थे ।

(ग) यह निश्चय किया गया था कि जो व्यक्ति भूतपूर्व पूर्वी पाकिस्तान से 25 मार्च, 1971 से पूर्व भारत आए थे उन्हें बंगला देश वापस नहीं भेजा जायेगा क्योंकि वे उस देश के राष्ट्रिक नहीं हैं । अतः

भारत सरकार ने इन शरणाधिकारियों को बंगला देश वापस भेजने का मुझाव नहीं दिया है।
मध्य प्रदेश में चीनी मिलों द्वारा बोनस की
प्रदायगी न करना

4371. डा० लक्ष्मीनारायण पाण्डेय :
क्या भ्रम और पुनर्वास मंत्री यह बताने की
की कृपा करेंगे कि :

(क) क्या मध्य प्रदेश की चीनी
मिलों ने अपने कर्मचारियों को 8.33 प्रतिशत
बोनस, जैसा कि सरकार ने घोषित किया
था का भुगतान नहीं किया है ;

(ख) क्या केन्द्रीय सरकार को इस
बारे में मध्य प्रदेश की चीनी मिलों के कामिक
संबंधों से शिकायतें प्राप्त हुई हैं ; और

(ग) यदि हां, तो इस सम्बन्ध में
सरकार ने क्या कार्यवाही की है ।

भ्रम और पुनर्वास मंत्री (श्री आर० के०
जाधिलकर) : (क) सूचना उपलब्ध नहीं
है। मामला राज्य क्षेत्राधिकार में आता है।

(ख) और (ग). जी नहीं, चीनी
मिलों द्वारा बोनस भुगतान के सम्बन्ध में
राज्य-सरकार "उचित सरकार" है और इस
सम्बन्ध में कोई शिकायतें हों तो उन्हें
उचित कार्यवाही हेतु राज्य सरकार को
सम्बोधित किया जाता है।

Resumption of U.S. Arms Aid to Pakistan

4372. SHRI GIRIDHAR GOMANGO:
SHRI V. MAYAVAN:

Will the Minister of EXTERNAL
AFFAIRS be pleased to state:

(a) whether Pakistan Government
are approaching the U. S. President
in connection with the resumption
of U. S. arms aid to Pakistan;

(b) whether Press reports also
confirm that U. S. has agreed to sup-
ply arms to Pakistan; and

(c) whether India has confirmed
these reports and the reaction of
Government to U. S. decision to sup-
ply arms to Pakistan?

THE DEPUTY MINISTER IN THE
MINISTRY OF EXTERNAL AFFAIRS
(SHRI SURENDRA PAL SINGH):
(a) Government have seen reports to
this effect.

(b) and (c). Government have not
come across such press reports. The
U. S. Government have stated on seve-
ral occasions that the question of sup-
ply of arms to Pakistan is still "under
review". The Government of India's
position that any supply of arms to
Pakistan would not be conducive to
peace on the sub-continent remains
unchanged.

Anti-Indian Propaganda in Pakistan

4373. SHRI GIRIDHAR GOMANGO:
SHRI V. MAYAVAN:

Will the Minister of EXTERNAL
AFFAIRS be pleased to state:

(a) whether for the past one month,
the Pakistani propaganda against
India has once again started;

(b) whether this is the result of
Pakistani leader's statement that India
is going back on Simla accord; and

(c) whether this was one of the
most important decisions taken at the
Simla Agreement that both countries
will stop propaganda against each
other, and if so, whether this is not
a breach of Simla Agreement?

THE DEPUTY MINISTER IN THE
MINISTRY OF EXTERNAL AFFAIRS
(SHRI SURENDRA PAL SINGH):

(a) and (b). Government have
noted several objectionable items
broadcast over Radio Pakistan, espe-
cially over the so-called "Azad Kash-
mir" Radio, which is under the control
of the Pakistan Government. Govern-
ment, however, do not feel called upon
to comment on the reasons for such
propaganda.

(c) The agreement on cessation of
hostile propaganda is an important
provision of the Simla accord. Pakis-
tan Government's attention has been

drawn to objectionable broadcasts over Radio Pakistan, which are against the spirit of the Simla Agreement.

Surplus Posts in Central Office of E.P.F. Organisation

4374. SHRI RAMAVATAR SHASTRI:
SHRI BHOLA MANJHI:

Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) whether the staff of the Inspection Unit of the Finance Ministry conducted a survey of the working of the E.P.F. Organisation;

(b) whether the said Unit observed that some posts of the Officers were surplus in the Central Office of the E.P.F. Organisation; and

(c) if so, the action taken by the authorities in this matter?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): (a) and (b). Yes.

(c) The recommendations contained in the Staff Inspections Unit Report have not been finally accepted by the Provident Fund authorities. The matter has been under correspondence between the Provident Fund authorities and the Staff Inspection Unit.

Merit Quota Examination in E.P.F. Organisation

4375. SHRI RAMAVATAR SHASTRI:
SHRI BHOLA MANJHI:

Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) whether merit quota examinations have been introduced in many cadres in the E. P. F. Organisation;

(b) whether there is no proper Library and sufficient literature to advance the knowledge of the em-

ployees for better functioning of the examinations; and

(c) if so, the reasons why no Library is maintained in the Central Office as well as in the Regional Offices of the E. P. F. Organisation?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): The Provident Fund authorities have reported as under:

(a) Yes.

(b) and (c). Merit quota examinations being competitive in nature, it is primarily the responsibility of the intending candidates to equip themselves with the books required for the examination. However, regional Offices and Central Office stock books considered necessary for the administration of the Act and the Scheme framed thereunder. The books available can be referred to by the intending candidates for the various examinations.

कर्मचारी भविष्य निधि संगठन में सेवा निवृत्त कर्मचारियों के पेंशन सम्बन्धी मामलों

4376. श्री रामावतार शास्त्री :
श्री भोला मांजी :

क्या भ्रम और पुनर्वासि मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या कर्मचारी भविष्य निधि संगठन के सेवा निवृत्त कर्मचारियों के पेंशन संबंधी मामलों की व्यवस्था करने के लिए कोई समुचित अनुभाग नहीं है ; और

(ख) यदि हां, तो कर्मचारी भविष्य निधि संगठन के केन्द्रीय कार्यालय में एक पूर्ण अनुभाग न बनाये जाने के क्या कारण हैं ।

भ्रम और पुनर्वासि मंत्री (श्री आर० के० खाडिलकर) : भविष्य निधि प्राधिकारियों ने निम्न प्रकार सूचित किया है :—

(क) कर्मचारी भविष्य निधि संगठन के केन्द्रीय कार्यालय का एक अनुभाग कुछ अन्य कार्य के साथ संगठन के सेवा निवृत्त कर्मचारियों के पेंशन के मामलों का निपटारा करता है ।

(ख) पैशन के मामलों से उत्पन्न वर्तमान कार्यभार, फिलहाल इस प्रयोजन के लिए एक पूर्ण अनुभाग बनाने का श्रोचित्य सिद्ध नहीं करता ।

Repatriation of P.O.Ws. as precondition for Admission of Bangladesh into U.N.

4377. SHRI R. S. PANDEY:
SHRI NAWAL KISHORE
SHARMA:

Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether Government's attention has been drawn to the reported statement of President Bhutto that Pakistani P.O.Ws. be repatriated as the price for withdrawal of Chinese Veto on the admission of Bangladesh into the U.N.O.; and

(b) if so, the reaction of Government thereto and the steps taken to counter such propaganda?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENDRA PAL SINGH):
(a) Yes, Sir.

(b) The Government of India has consistently held the view that the repatriation of Pakistani prisoners of war cannot be linked with the question of the admission of Bangladesh into the United Nations. This position has been explained by Indian representatives in the United Nations as well as to the Governments of the Members of the U.N.

Reported decision of NATO Political Committee to increase Naval strength in Indian Ocean

4378. SHRI R. S. PANDEY: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether Government's attention has been drawn to the reported decision of the Political Committee of N. A. T. O., meeting at London to

increase its naval strength in the Indian Ocean;

(b) whether Iran is also expending her naval operations in the Indian Ocean; and

(c) if so, the reaction of Government thereto and the action taken to avoid big power rivalry and make the Indian Ocean a zone of peace?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENDRA PAL SINGH): (a) Yes, Sir.

(b) Government have seen reports to this effect.

(c) The Government's view that the Indian Ocean area should be an area of peace, free from Great Power presence, rivalries and tensions, is well known. India subscribed to the Lusaka Declaration of September 1970, and was one of the co-sponsors of the UN General Assembly Resolution No. 2832 (XXVI) of December 16, 1971, calling upon all states to maintain the Indian Ocean area as a Zone of Peace.

Students in Military Academies

4379. SHRI R. S. PANDEY: Will the Minister of DEFENCE be pleased to state:

(a) whether the number of students in the Military Academies has been on the decline during the recent past.

(b) if so, the reasons therefor; and

(c) the steps contemplated to attract more students to join these institutions in the interests of country's defence?

THE MINISTER OF DEFENCE (SHRI JAGJIVAN RAM): (a) There has been some decline in the number of the entrants to the Academies' Training Institutions during 1971 and 1972 compared to that in 1970.

(b) Raising the minimum academic qualification to compete at the National Defence Academy Examination,

the non-availability of suitable technical Graduates, the restrictive higher academic qualifications prescribed for selection to certain technical branches of the Air Force and the short-fall in the intake of Army Cadets from serving soldiers are some of the rea-

(c) The following steps have already been taken to attract Engineering Graduates to join these institutions:—

(i) The initial tenure of 5 years of Short Service Commission holders in the Army who were not found fit for grant of P.C. is now extendable to 10 years at their option.

(ii) Holders of NCC 'C' certificate are made eligible for commissioning through special entry.

(iii) SSCOs are now to be granted P. C. on the basis of their record of service during their engagement and not on the basis of a further selection through SSBs as in the past.

(iv) The National Service Act has recently been passed which contains a provision to the effect that Graduate Engineers aged thirty years or less shall have a liability to be called up for national service for a period of not more than four years.

Shortage of Bed Accommodation in Military Hospitals

4380. SHRI R. S. PANDEY: Will the Minister of DEFENCE be pleased to state:

(a) whether the bed accommodation in the Military Hospitals is not adequate to meet demands in case of war;

(b) whether such shortage of accommodation was experienced to accommodate injured armed personnel during the last Indo-Pak. War; and

(c) if so, whether Government have worked out any plan to set up new military hospitals and expand the

capacity of the present Hospitals, particularly in the Cantonments in the border areas?

THE MINISTER OF DEFENCE (SHRI JAGJIVAN RAM): (a) to (c). The bed strength in military hospitals is adequate for normal times. It would be uneconomical to maintain bed strength in peace time at a level which may be required in an emergency. However some additional beds are planned to be provided partly by expansion of Armed Forces hospitals and partly by utilising beds reserved in selected civil hospitals.

During the Indo-Pak. war of December 1971 only a small number of civil hospital beds had to be utilised.

Proposal to Design and Develop All Advance Strike Aircraft

4381. DR. RANEN SEN: Will the Minister of DEFENCE be pleased to state:

(a) whether Air Force is considering a proposal to design and develop an advance strike aircraft incorporating the latest technology with a view to meet the needs of I.A.F. in 1980; and

(b) if so, the particulars of the proposals?

THE MINISTER OF STATE (DEFENCE PRODUCTION) IN THE MINISTRY OF DEFENCE (SHRI VIDYA CHARAN SHUKLA): (a) Yes, Sir.

(b) It will not be in public interest to disclose the details.

पाकिस्तान द्वारा भारतीय जल-सीमा का उल्लंघन

4382. श्री हुकम चन्द कछवाय : क्या रक्षा मंत्री यह बताने की कृपा करेंगे कि :

(क) ताशकन्द समझौते के बाद से अब तक, दिसम्बर, 1971 के युद्ध के प्रतिरिक्त, पाकिस्तान ने भारतीय जल सीमा का कुल कितनी बार उल्लंघन किया है ; और

(ख) सीमा उल्लंघन की कार्यवाही को रोकने के लिए सरकार ने क्या कदम उठाये

रक्षा मंत्री (श्री जगजीवन राम):(क) ताशकन्द समझौते के पश्चात् पकिस्तानी नौसेना के जहाजों द्वारा हमारी जल-सीमा का उल्लंघन नहीं किया गया है।

(ख) प्रश्न नहीं उठता।

उत्तर वियतनाम को शस्त्र सप्लाई करने के लिये भारतीय बंदरगाहों का प्रयोग

4383. श्री हुक्म चन्द कछवाय :
श्री एच० एम० पटेल :

क्या विदेश मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या सरकार का ध्यान दक्षिण वियतनाम के विदेश मंत्री के सैगोन में दिये गये इस वक्तव्य की ओर दिलाया गया है कि उत्तरी वियतनाम को शस्त्र सप्लाई करने के लिए सोवियत रूस भारतीय बंदरगाहों और हवाई अड्डों का प्रयोग कर रहा है; और

(ख) इस पर सरकार की क्या प्रतिक्रिया है ?

विदेश मंत्रालय में उप-मंत्री (श्री सुरेन्द्रपाल सिंह) : (क) जी हां।

(ख) यह आरोप निराधार है और दिनांक 27 सितम्बर, 1972 को एक सरकारी वक्तव्य जारी करके सरकार इसका स्पष्टतः खण्डन कर चुकी है।

Accidents in I.A.F. Training Centre, Hyderabad

4384. SHRI S. M. BANERJEE: Will the Minister of DEFENCE be pleased to state:

(a) the casualties in 1970, 1971 and upto September, 1972, year-wise in Indian Air Force Training Centre, Hyderabad due to accidents;

(b) whether any investigations have been made and if so, with what results;

(c) whether the aircraft involved in the accidents have been declared unfit for flying by the Technical Committee; if so, the reason for not replacing these aircraft; and

(d) whether compensation has been paid to those who died in the accidents, and if not, the reasons for the same?

THE MINISTER OF STATE (DEFENCE PRODUCTION) IN THE MINISTRY OF DEFENCE (SHRI VIDYA CHARAN SHUKLA): (a) Five casualties in four accidents during the three years.

(b) Yes. In two cases, the accidents were attributed to the pilots; in one case, the cause could not be identified; the proceedings of the Court of Enquiry of the fourth accident are under finalisation.

(c) None of the aircraft involved had been declared unfit for flying.

(d) Benefits admissible under the rules have been paid in two cases. In the remaining cases, payment will be made as soon as the formalities are completed.

Resolution of All India Defence Employees Federation regarding Bonus Act

4385. SHRI S. M. BANERJEE: Will the Minister of DEFENCE be pleased to state:

(a) whether All India Defence Employees' Federation has forwarded a Resolution to the Ministry of Defence, passed in the Working Committee meeting at Delhi from 25th to 27th September, 1972, protesting against Government's decision to exclude Defence and other departmentally-run Undertakings employees from the purview of the Bonus Act and recent orders of Government;

(b) if so, whether his Ministry has taken up the matter with the Government; and

(c) if so, the outcome thereof?

THE MINISTER OF DEFENCE (SHRI JAGJIVAN RAM) (a) to (c). A resolution adopted by the Executive Committee of the All India Defence Employees Federation expressing its dissatisfaction at the decision of the Government of India to exclude employees of departmentally-run undertakings from the purview of the Bonus Act as published in the Defence Workers' Bulletin of October, 1972, has come to the notice of Government. The matter is under examination.

Improvements in Working of Employees' State Insurance Corporation

4386. **SHRI S. M. BANERJEE:** Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) whether some more effective steps have been taken to improve the working of the Employees' State Insurance Corporation; and

(b) if so, what are those steps?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): The Employees' State Insurance Corporation have furnished the following information:—

(a) Yes.

(b) (i) Medical care on the expanded or the full scale has been provided to members of families of a larger proportion of insured workers.

(ii) More hospital beds have been constructed and commissioned for use of the insured population.

(iii) It has been decided to enhance the yardstick for the specialists' services.

(iv) Through administrative and other measures, the Corporation's financial position has been improved.

(v) A Committee on Perspective Planning has been set up to make recommendations on important problems connected with the future growth and improvement of the scheme.

Permanent Negotiating Machinery for All India Employees Federation

4387. **SHRI S. M. BANERJEE:** Will the Minister of DEFENCE be pleased to state:

(a) whether permanent Negotiating Machinery was available to the All India Defence Employees Federation prior to 1960 strike of Central Government Employees and same was withdrawn along with recognition after the strike;

(b) if so, whether the same was not restored alongwith recognition in September, 1961 although in Railways it was restored; and

(c) what steps are being taken to restore the same at an early date?

THE MINISTER OF DEFENCE (SHRI JAGJIVAN RAM): (a) to (c). Yes, Sir. Government are of the view that the revival of the Permanent Negotiating Machinery in its previous form does not fit into the JCM Scheme. It is, therefore, not considered necessary to revive the same.

Alleged Malpractices in Mazagaon Dock Limited., Bombay

4388. **SHRI VAYALAR RAVI:** Will the Minister of DEFENCE be pleased to state:

(a) whether Government noticed the reports appearing in the News paper "Maratha" dated the 4th July, 1972 published from Bombay regarding the malpractices in the administration of Mazagaon Dock Limited, Bombay; and

(b) if so, the reaction of Government thereto?

THE MINISTER OF STATE (DEFENCE PRODUCTION) IN THE MINISTRY OF DEFENCE (SHRI VIDYA CHARAN SHUKLA): (a) Yes, Sir.

(b) The allegations have been found to be untrue and baseless.

Losses in Mazagon Dock Limited on Repair of Ships and General Engineering Works

4389. SHRI VAYALAR RAVI: Will the Minister of DEFENCE be pleased to state:

(a) whether there has been any cases where Mazagon Dock Limited, Bombay, had to suffer losses in undertaking repair job of ships and General Engineering works, after acquiring the share holdings of the company by Government of India; and

(b) if so, in what cases such losses occurred and the reasons for such losses in each case?

THE MINISTER OF STATE (DEFENCE PRODUCTION) IN THE MINISTRY OF DEFENCE (SHRI VIDYA CHARAN SHUKLA): (a) Yes, Sir.

(b) Information regarding cases involving a loss of Rs. 1000/- or more during the last five years is given in the Statement laid on the Table of the House. Details of such cases prior to 1967-68 are not at present available as the Company's records for the earlier period have not been preserved.

The losses in these cases were generally due to (i) Under-estimation; (ii) Hurried preparation of the Bills; (iii) Delay in finalisation of the cost data and (iv) Need for re-work, etc. Time being of crucial importance in the completion of such jobs and considering the overall volume of activity, these losses are not very significant as can be seen from the Statement laid on the Table of the House [Placed in Library. See No. LT-4025/72].

Complaints against Managing Directors of Steel Plants

4390. SHRI R. P. ULAGANAMBI: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether Government have received complaints against the Managing Directors of certain Steel Plants in the public sector for unduly favouring certain industrial concerns in the matters of award of contracts; and

(b) the names of such steel plants and the Managing Directors thereof?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) No such complaints have been recently received by Government against the present Managing Directors or General Managers of any of the Steel Plants in the public sector.

(b) Does not arise.

Denial of facilities to Alloy Steel Plant, Durgapur for Economic growth of Assansol-Durgapur Region

4391. SHRI JYOTIRMOY BOSU: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether as reported in the 'Hindustan Standard' Calcutta dated the 5th November, 1972, a sense of frustration is deepening steadily at Durgapur (West Bengal) because the authorities at Delhi continue to doggedly deny the Alloy Steel Plant the necessary facilities to further generate economic growth in the Assansol-Durgapur region; and

(b) if so, whether Government will reconsider the decision?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) and (b). Presumably the reference is to the product-mix for the scheme of expansion of the Alloy Steel Plant. The product-mix was decided upon after taking into account all relevant factors. However, in the light of reports received from delegations that have recently examined the latest developments in steel technology, it is

now proposed to re-examine the whole question of the expansion product-mix of the Plant

Efforts by Islamic Countries for Rapprochement between Pakistan and Bangladesh

4392. **SHRI JYOTIRMOY BOSU:** Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether Foreign Ministers of Islamic countries have decided to reactivate the eight-member Reconciliation Mission established at the third Islamic Conference at Jedda last April to bring about rapprochement between Pakistan and Bangladesh; and

(b) if so, Government's reaction thereto?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENDRA PAL SINGH): (a) After the meeting of the Foreign Ministers of Islamic countries in New York in October last, a spokesman is reported to have made a statement to the effect that the Mission for Reconciliation between Pakistan and Bangladesh was to be reactivated.

(b) This is a matter which concerns the Government of Bangladesh and the other countries concerned.

Method of Mining

- | | |
|---|--|
| 1. Shallow underground | |
| 2. Open-cast. | |
| 3. Reconstruction of coking coal mines. | |
| 4. Washeries. | |

TOTAL

(c) The demand for coal during Fifth Plan period and the investment required are under examination.

Taking over of non-Coking Coal Mines

4394. **SHRI BHOGENDRA JHA:** Will the Minister of STEEL AND MINES be pleased to state:

Investment for production of Coal as estimated by Fuel Policy Committee

4393. **SHRI BHOGENDRA JHA:** Will the Minister of STEEL AND MINES be pleased to state:

(a) whether an additional investment of Rs. 700 crores would be required for the production of coal to meet the demand estimated by the Fuel Policy Committee at the end of the decade;

(b) if so, the main features of the proposals; and

(c) the steps taken in that direction?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) The Fuel Policy Committee have estimated the capital cost involved in increasing the production of coal to 164.3 million tonnes and creating additional washery capacity of 19.5 million tonnes by 1978-79 at Rs. 695 crores.

(b) The break-up of the Fuel Policy Committees estimate is as follows:

	Additional production in million tonnes.	Investment cost in Rs. crores.
1. Shallow underground	42	372
2. Open-cast.	27	212
3. Reconstruction of coking coal mines.	10	20
4. Washeries.	91
TOTAL		695

(a) whether Government have no proposal to take over the non-coking coal mines; and

(b) if so, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) No, Sir.

(b) In view of the large reserves

of non-coking coal in the country, there does not seem to be an immediate need to nationalise these mines.

Policy of restricted Trade with Cuba

4395. SHRI BHOGENDRA JHA: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether Government are following a policy of restricted trade in most of the items with Cuba; and

(b) if so, the justification therefor?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENDRA PAL SINGH):

(a) No, Sir.

(b) Does not arise.

Entertaining orders from private parties and companies by Garden Reach Workshop

4396. SHRI JAGANNATH MISHRA: Will the Minister of DEFENCE be pleased to state:

(a) whether the Garden Reach work shop has decide to entertain orders from private parties and companies in future; and

(b) if so, the reasons therefor?

THE MINISTER OF STATE (DEFENCE PRODUCTION) IN THE MINISTRY OF DEFENCE (SHRI VIDYA CHARAN SHUKLA): (a) Garden Reach Workshops Limited, has always been accepting orders from private parties and companies also because of the very nature of their business activities which cover shipbuilding, shiprepair, Marine Diesel Engines, deck machinery and engineering items. However, the Defence orders are given priority.

(b) Does not arise.

Value of production of Garden Reach Workshop

4397. SHRI JAGANNATH MISHRA: Will the Minister of DEFENCE be

pleased to state the total value of production of Garden Reach Workshop during 1970-71 and 1971-72?

THE MINISTER OF STATE (DEFENCE PRODUCTION) IN THE MINISTRY OF DEFENCE (SHRI VIDYA CHARAN SHUKLA): The total value of production of Garden Reach Workshops Limited, Calcutta, during 1970-71, inclusive of general engineering items and Marine Diesel production, besides ship construction and ship repair work, was Rs. 1497.73 lakhs.

The value of production achieved by this undertaking during 1971-72 is provisionally estimated at Rs. 1711.40 lakhs.

Suggestion for talks between Civilian Officials over delineation of line of control in Jammu and Kashmir

4398. SHRI VARKEY GEORGE: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether Pakistan had suggested in November, 1972 for talks between top civilian officials to break the dead lock over the delineation of the line of control in Jammu and Kashmir; and

(b) if so, the reaction of Government thereto?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENDRA PAL SINGH): (a) Pakistan suggested a meeting at the level of Chiefs of Army Staff and not between top civilian officials.

(b) Government had agreed to this suggestion and the meeting was held at Lahore on November 28.

Separate of Mineral Exploration Wing from G.S.I.

4399. SHRI SAMAR GUHA: Will the Minister of STEEL AND MINES be pleased to state:

(a) the location of the Head Office of the Mineral Exploration Corporation;

(b) the number of persons transferred to it from the Geological Survey of India;

(c) the objective, functions and budget of the Mineral Exploration Corporation;

(d) whether Government of West Bengal made any representation against separating this body from GSI; and

(e) if so, the nature of the representation and the reaction of Government thereto?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) The Headquarters of the Mineral Exploration Corporation will be at Nagpur.

(b) It is proposed to transfer a total of about 2000 persons, keeping in view the requirements of the Corporation.

(c) The main objectives and functions of the Mineral Exploration Corporation are to plan, promote, organise and implement programme for the exploration of mineral resources and undertake the work of exploring in detail and proving the mineral resources in the country including collection and compilation of data adequate for mine design.

To meet the preliminary expenses such as Registration fee and other miscellaneous expenses required for setting up the Mineral Exploration Corporation, a sum of Rs. 15 lakhs has been provided to the Corporation by taking an advance from the Contingency Fund of India. To recoup this amount of Rs. 15 lakhs and to provide funds to the Corporation upto the end of the current financial year, a sum of Rs. 45 lakhs is proposed to be provided by way of Supplementary Grants.

(d) and (e). A representation from the Government of West Bengal was received wherein it was stated

that the Government decision to set up Mineral Exploration Corporation would result in unemployment in the State. In view of the fact that the Mineral Exploration Corporation will have its regional offices in various parts of the country including West Bengal, setting up of the Corporation by and large, should not result in any significant unemployment in West Bengal.

Functioning of Ministers as Trade Union Leaders

4400. SHRI SAMAR GUHA: Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) whether many Ministers in different States are found to continue as Office-bearers in different Trade Unions after assuming Ministerial responsibility;

(b) whether some of the Ministers in West Bengal are still functioning as President or Secretary of many Trade Unions, if so, the names of the State or Union Territory mentioning the names of the Ministers who are known to hold Ministerial and Trade Union Offices simultaneously with the number of trade union Offices held by each of such Ministers; and

(c) whether practice of dual functions by a Minister violates the principles of independence of Trade Union activities, if so, the steps taken by Government to stop such practices of dual functions by Ministers?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): (a) and (b). Information is being collected.

(c) Though there is no bar to Ministers functioning as trade union leaders under the Trade Unions Act, 1926, this is not the normal practice and it is desirable that Ministers should not accept any office in trade union organisations.

**Steps taken with regard to Abolition
of caste, communal, regional
Denomination of units in
Indian Army**

4401. SHRI SAMAR GUHA: Will the Minister of DEFENCE be pleased to state:

(a) whether Government announced on the Floor of the House that class, caste, communal or regional denomination of units in the Indian Army will be abolished;

(b) if so, the steps taken thereabout;

(c) whether Government propose to set up Army Recruitment Centres uniformly all over the country to eliminate regional discrimination; and

(d) if so, the steps taken thereabout?

THE MINISTER OF DEFENCE (SHRI JAGJIVAN RAM): (a) No, Sir.

(b) Does not arise.

(c) and (d). Efforts have always been and are being made, to the extent possible and practicable, to ensure that the periodical demands for recruitment to the army are placed on the existing Army Recruitment Centres all over the country so as to avoid regional imbalances.

Decline in Production of Coal

4402. DR. H. P. SHARMA: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether the production of coal in different coalfields has been steadily declining, if so, the facts in this regard for the past three years in respect of different coalfields;

(b) the reasons for the decline and to what extent production has fallen below target fixed for each year; and

(c) the steps taken to increase production according to the annual targets fixed?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN) (a) The production figures in respect of different coalfields for the last three years are given below:

					(In million tonnes)		
					1969-70	1970-71	1971-72 (Provisional)
West Bengal	20.30	18.61	17.01
Bihar	35.38	33.82	32.16
Assam	0.57	0.52	0.63
Pench	5.08	3.21	3.48
Chanda		2.23	2.70
C.I.C.	8.78	8.38	8.54
Talcher	0.99	0.94	1.02
Singrauli	0.90	1.17	1.30
Singareni	33.70	4.05	4.71
Jammu & Kashmir.	0.02	..	0.01
TOTAL	75.72	72.93	71.56

Production of coal has declined in the Bengal/Bihar area. Railways past three years.

(b) The main reasons for the decline in coal production in the Bengal-Bihar coalfields have been as follows:

- (i) Shortage of rail transport:
- (ii) Deterioration in Law and Order situation in West Bengal.
- (iii) Problems of industrial relations in certain mines.
- (iv) Shortage of power supply hampering the working of the Railways as well as the collieries.

The target for the Fourth Plan viz. 93.5 million tonnes is not likely to be achieved. Separate targets were not fixed for each year of the Plan.

(c) As a result of the efforts made by the State and the Central Governments, there has been a substantial improvement in the law and order situation and industrial relations in the Bengal-Bihar area. Railways are making every effort to increase the supply of wagons for coal movement.

Development of Steel Industry in Bangladesh

4403. DR. H. P. SHARMA: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether any decisions have been taken for the development of steel industry in Bangladesh in the light of the findings and observations of the Indian Study Team which lately visited that country; and

(b) if so, the main features thereof and of the follow up action taken in this direction?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ

KHAN): (a) and (b) No Indian "study team" has visited Bangladesh for this purpose.

However, in the context of long term cooperation between the two countries for setting up industrial projects in Bangladesh, an indication has been given to the representatives of the Bangladesh Government, *inter alia*, about the expertise that has been developed in India in the field of Iron and Steel and the kind of equipment that can be supplied from Indian sources. There is at present no concrete proposal under consideration.

Opposition by Pakistan and U.S.A. to entry of Bangladesh into U.N.

4404. KUMARI KAMLA KUMARI: Will the Minister of EXTERNAL AFFAIRS be pleased to state whether Bangladesh entry in the United Nations is opposed by Pakistan and United States of America also?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENRA PAL SINGH): Pakistan has opposed the admission of Bangladesh into the United Nations. The United States of America has supported the admission of Bangladesh.

Bangladesh refugees in India

4406. KUMARI KAMLA KUMARI: SHRI DINESH CHANDRA GOSWAMI:

Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) the total number of Bangladesh refugees who are still in India; and

(b) when they will go back to Bangladesh?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): (a) and (b). All camp refugees have been repatriated to Bangladesh except about 540 persons who will be sent back to their country as soon as possible.

As regards the non-camp refugees, that is those who were staying with their friends and relatives, most of them also have returned to Bangladesh on their own. Isolated cases, as and when detected, are dealt with by the State Governments concerned in accordance with the provisions of Foreigners Act, 1946.

भारतीय भू-विभाग सर्वेक्षण संस्था द्वारा उदयपुर जिले में फास्फोराइट खनिज का पता लगाया जाना

4407. श्री लालजी भाई : क्या इस्पात और खान मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या भारतीय भू-विज्ञान सर्वेक्षण संस्था द्वारा प्रस्तुत की गई रिपोर्ट के अनुसार राजस्थान में उदयपुर जिले के माटून कानपुर क्षेत्र और करवाड़िया के गुडा क्षेत्र में फास्फोराइट खनिज के विशाल निक्षेप उपलब्ध हैं ;

(ख) क्या इस खनिज को निकालने की सरकार की कोई योजना है ; और

(ग) यदि हां. तो तत्सम्बन्धी ब्यौरा क्या है ?

इस्पात और खान मंत्रालय में राज्य मंत्री (श्री शाहनवाज खां) : (क) जी हां । भारतीय भू-विज्ञानिक सर्वेक्षण संस्था द्वारा व्ययन द्वारा किए गए समन्वेषण के परिणामस्वरूप माटून क्षेत्र में 20 से 30 प्रतिशत फास्फोरस पेन्ट आक्साइड वाली 53.60 लाख टन तक कानपुर क्षेत्र में 12 से 13 प्रतिशत फास्फोरस पेन्ट आक्साइड वाली 30 लाख टन तक और करवाड़िया-कागाड़ खण्डों में 22 से 25 प्रतिशत फास्फोरस पेन्ट आक्साइड वाली 5.60 लाख टन फास्फोराइट की उपलब्ध राशियां अनुमानित की गई हैं ।

(ख) और (ग) सातवें क्षेत्र में समन्वेषण कार्य संपूर्ण हो चुका है और

अब इस निक्षेप को हिन्दुस्तान स्टील लिमिटेड को सम्पूजन के लिए सौंप दिया गया है ।

बगौर (राजस्थान) से जिप्सम के लदान पर प्रतिबन्ध लगाने के कारण बेरोजगार हुए श्रमिक

4408. श्री धनशाह प्रधान :

श्री लालजी भाई :

क्या अम और पुनर्वास मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या राज्य सरकार ने नागौर राजस्थान क्षेत्र से सिन्दरी फैक्टरी के लिए जिप्सम के लदान पर प्रतिबन्ध लगाया है जिसके परिणामस्वरूप हजारों श्रमिक बेरोजगार हो गये हैं; और

(ख) यदि हां; तो उसके क्या कारण हैं ?

अम और पुनर्वास मंत्री (श्री आर० के० साहिलकर) : (क) और (ख) : राज्य सरकार से सूचना एकत्र की जा रही है ।

Strength of Staff of Indian Missions in Canada, U.S.A., West Germany and France

4409. SHRI PRABODH CHANDRA: Will the Minister of EXTERNAL AFFAIRS be pleased to state the strength of the staff of Indian Missions in Canada, U.S.A., West Germany and France?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENDRA PAL SINGH): The requisite information is given in the statement laid on the Table of the House [Placed in Library. See No. LT-4026/72]

Building up of stock of Coal to check rise in its price in Winter

4410. SHRI PRABODH CHANDRA: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether Government are aware that during the winter months the price of coal shoots up arbitrarily; and

(b) whether Government propose to build up stocks in different States at Central places when the situation regarding Railway wagons becomes easier?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) The price of coal which is not controlled largely depends on supply and demand. During winter, demand for coal increases. There is possibility of variation of price according to availability of transport, experienced by consuming points. However, there is no appreciable change in the price of coal during winter.

(b) Yes, Sir. Where there is a demand for it from State Governments.

Foreign Assistance for three new Steel Plants

4411. **SHRI PRABODH CHANDRA:** Will the Minister of STEEL AND MINES be pleased to state:

(a) whether Government are seeking foreign assistance for setting up of three new steel plants; and

(b) if so, the nature of assistance required?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) and (b). While the three new steel plants will be engineered by Indian consultants, the question of import of essential items of plant and equipment would be considered at the appropriate time to match the time schedule for the commissioning of these projects.

Return of Provident Fund to labourers in Textile Mills after 20 years of Service

4412. **SHRI SOMCHAND SOLANKI:** Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) the total amount of Provident Fund accumulations of the Textile labourers up-to-date;

(b) whether Government propose to return the Provident Fund to the labourers working in the Textile Mills for more than twenty years; and

(c) if not, the reasons therefor?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): The Provident Fund authorities have reported as under:—

(a) The total amount of provident fund accumulations in respect of the subscribers working in establishments engaged in the Textile Industry covered under the Employees' Provident Funds and Family Pension Fund Act, 1952 is not available separately. However the total amount of Provident Fund accumulations of all industries/Classes of establishments covered under the Act as on 30th June 1972 was Rs. 2248.34 crores.

(b) and (c). The proposal was placed before the 56th meeting of the Central Board of Trustees, Employees Provident Fund held on 1st November 1972 but the Board did not favour it.

Impact of increase in prices of Steam Coal on Cotton Mill Industry in Madhya Pradesh

4413. **SHRI RANABAHADUR SINGH:** Will the Minister of STEEL AND MINES be pleased to state:

(a) whether prices of selected variety of steam coal has been raised by the Madhya Pradesh (Vidarbha Mining Associate, Nagpur);

(b) whether they will hit the cotton mill industry hard since it comes on top of the continuing cost inflation; and

(c) if so, the particulars thereof?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) It is reported that on the recommendation of the Joint Working Committee of the Coal Mining Associations the prices of all grades of non-coking coal of Madhya Pradesh and outlying fields have been raised by Rs. 3/- per tonnes with effect from 1st September, 1972.

(b) and (c). The price increase will not have any serious effect on the cost of production of the cotton mill industry.

विदेश मंत्री द्वारा अफ्रीकी तथा पश्चिम एशियाई क्षेत्रों का दौरा

4414. श्री मधुकर : क्या विदेश मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या उन्होंने शिमला शिखर सम्मेलन के बाद कुछ अफ्रीकी एवं पश्चिम एशियाई देशों का दौरा किया था ;

(ख) क्या उनके दौरे के बावजूद भारत-पाक सम्बन्धों के प्रश्न पर इन कई देशों में अभी भी गलतफहमियां कायम हैं; और

(ग) इस सम्बन्ध में उनको कितनी सफलता मिली है ?

विदेश मंत्रालय में उपमंत्री (श्री सुरेन्द्र पाल सिंह) : (क) जी हां। विदेश मंत्री महोदय पिछली जुलाई में सेनेगल, सियरा, लियोन, गिनी, लाइबेरिया और नाइजीरिया के पश्चिम अफ्रीकी देशों तथा मिस्र अरब गणराज्य की यात्रा पर गए थे।

(ख) और (ग), इस यात्रा से आपसी हित के कई मसलों पर विचारों का आदान-प्रदान करने का अवसर मिला, जिनमें हमारे उप-महाद्वीप की स्थिति का मसला भी शामिल था। शिमला समझौते का और स्थायी शांति के लिए सरकार के प्रयासों का स्वागत किया गया और सराहना की गई।

श्रीलंका को सहयोग से हिन्द महासागर में चीन की गतिविधियां

4415. श्री मधुकर : क्या विदेश मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या चीन ने हिन्द महासागर में अपनी गतिविधियां बढ़ाने की हाल ही में

योजना बनाई है और श्री लंका इस सम्बन्ध में चीन को अपना सहयोग दे रहा है ;

(ख) क्या सरकार को इस बारे में कोई सूचना है ;

(ग) क्या हिन्द महासागर में चीन की बढ़ती हुई शक्ति का भारत के हितों पर प्रतिकूल प्रभाव नहीं पड़ेगा; और

(घ) क्या सरकार ने इसे रोकने के लिए कोई कार्यवाही की है और यदि नहीं, तो इसके क्या कारण हैं ?

विदेश मंत्रालय में उपमंत्री (श्री सुरेन्द्र पाल सिंह) : (क) ऐसी कोई योजना सरकार की जानकारी में नहीं आई है।

(ख) से (घ): सरकार ने इस तरह की रिपोर्टें देखी हैं कि चीन हिन्द महासागर क्षेत्र के देशों को गश्ती नावों की व्यवस्था और व्यापारी जहाजरानी आदि के विकास के रूप में सहायता दे रहा है। सरकार के इस मत को सभी जानते हैं कि हिन्द महासागर का क्षेत्र एक शांत और ऐसा क्षेत्र होना चाहिए जिसमें बड़े राष्ट्र किसी भी रूप में उपस्थित न हों, और जो उनकी प्रतिद्वंद्विता तथा तनाव से मुक्त हो। इन्हीं लक्ष्यों की पूर्ति के लिए भारत ने लुसाका घोषणा पर हस्ताक्षर किए थे और वह संयुक्त राष्ट्र महासभा के प्रस्ताव संख्या 2832 (XXVI) के पेश करने वालों में से भी एक था जो मूलतः श्रीलंका द्वारा रखा गया था और जिसमें सभी देशों से कहा गया था कि वे हिन्द महासागर के क्षेत्र को शांत क्षेत्र बनाए रखें।

संयुक्त राष्ट्र की सहायता का पाकिस्तान में सैनिक तैयारियों के लिए उपयोग

4416. श्री मधुकर : क्या विदेश मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या पाकिस्तान द्वारा प्राप्त की गई संयुक्त राष्ट्र संघ की सहायता का

वहां सैनिक, सैनिकों के लिए उपबोध किया गया था ;

(ख) क्या भारत ने इस सम्बन्ध में संयुक्त राष्ट्र संघ को कोई विरोध पत्र नहीं भेजा है; और

(क) यदि हां, तो इसके क्या कारण

विदेश मंत्रालय में उप-मंत्री (श्री सुरेन्द्र कल सिंह) : (क) से (ग). बंगला देश संकट के दौरान सरकार को इस आश्रय की रिपोर्ट मिली थी। खबर है कि, संयुक्त राष्ट्र ने स्वयं पाकिस्तान सरकार के पास इस विषय में औपचारिक रूप से विरोध प्रकट किया था।

Minimum Wages of workers in Manganeese, Bauxite, Gypsum and Barytes Mines

4417. SHRI R. N. SHARMA: Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) what has happened to the issue of Notification fixing minimum wages for the workers employed in the Manganeese, Bauxite, Gypsum and Barytes mines; and

(b) whether the employees' representatives submitted unanimous recommendations fixing minimum wages for the said industries, if so, the difficulty for the Ministry to issue the said Notification?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): (a) and (b). The Central Government had appointed a Committee under section 5(1)(a) of the Minimum Wages Act, 1948 for the revision of minimum wages for manganeese, gypsum, barytes and bauxite mines. The Committee submitted a Report which was not unanimous. Moreover, the Committee included among others, two Government officials as 'Independent Members'. According to a recent judg-

ment of the Andhra Pradesh, High Court they cannot be deemed as 'Independent members'. The report of the Committee has, therefore, not been acted upon. However the Government have, under section 5(1)(b) of the Minimum Wages Act, 1948, notified proposals on 17th November, 1972 for the revision of minimum wages for workers in these mines, inviting objections/suggestions.

Exemption from Provisions of E.S.I. Act, 1948 to Bharat Heavy Plates and Vessels, Limited, Andhra Pradesh

4418. SHRI R. N. SHARMA: Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) whether the recognised union of the Bharat Heavy Plates and Vessels Limited, Visakhapatnam, Andhra Pradesh has made a representation to Government for the exemption of their factory from the provisions of E.S.I. Act, 1948;

(b) whether a deputation on behalf of the Union also met him recently in this regard; and

(c) if so, the text of the representation and Government's views thereon?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): (a) and (b). Yes.

(c) The employees have represented that the benefits provided to them are either similar or in some respects superior to those available under the Employees' State Insurance Act and as such, the factory may be exempted from the provisions of the Employees' State Insurance Act. The question for granting exemption to the factory is under consideration.

Disruption of Trade Union activities in Balladila Iron Ore Project, Madhya Pradesh

4419. SHRI C. K. CHANDRAPPA: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether Government have received complaints from the workers

that the National Minerals Development Corporation Limited, the management of Bailadila Iron Ore Project in Madhya Pradesh is adopting a policy to disrupt the normal Trade Union activities by resorting to victimisation and also by inciting parochial feeling; and

(b) if so, whether Government have taken steps to put a stop to this unhealthy practice by a public sector undertaking?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) Complaints have been received from a section of the work-

(b) The matter is being investigated.

Implementation of provisions of Beedi and Cigar Act in States

4420. SHRI C. K. CHANDRAPPA: Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) whether all the State Governments have not yet implemented all the provisions of Beedi and Cigar Act in their respective States;

(b) if so, the States which have not taken steps so far to implement the said Act; and

(c) the reasons therefor?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): (a) to (c). The Beedi

and Cigar Workers (Conditions of Employment) Act 1966 is administered by the State Governments. After framing rules thereunder and setting up machinery for implementation of the Act, the State Governments concerned have brought the Act into force. However, the beedi establishment owners associations have filed a number of petitions in the various High Courts challenging the vires of the Act and stay of the operation of the Act has been granted in these cases. Appeals against the judgments of some High Courts are also pending in the Supreme Court. The State Governments have, therefore, not been able to enforce the Act fully.

मध्य प्रदेश में कम्पनियों द्वारा भविष्य निधि की बकाया राशि को जमा करना

4411. श्री गंगा चरण ढोसित : क्या भ्रम और पुनर्वास मंत्री यह बताने की कृपा करेंगे कि मध्य प्रदेश में उन कम्पनियों के नाम क्या हैं जिन्होंने अपने कर्मचारियों की भविष्य निधि की राशि अभी जमा नहीं कराई है और प्रत्येक कम्पनी की ओर कितनी राशि बकाया है ?

भ्रम और पुनर्वास मंत्री (श्री आर० के० खाडिलकर) : भविष्य निधि प्राधिकारियों ने सूचित किया है कि मध्य प्रदेश की चूक करने वाली सभी कम्पनियों के नामों की सूचना स समय उपलब्ध नहीं है। फिर भी छूट-न-प्राप्त ऐसी नौ कम्पनियों के नाम, जिन्होंने एक लाख रुपये और इससे अधिक की भविष्य निधि प्रशदानों की राशि की अदायगी में, जैसी कि स्थिति 30 जून, 1972 को थी, चूक की, बकाये की राशि समेत नीचे दिए जाते हैं :—

मध्य प्रदेश का भूतत्वीय सर्वेक्षण

4422. श्री गंगा चरण बीक्षित :
क्या इस्पात और खान मंत्री यह बताने की
कृपा करेंगे कि :

(क) क्या मध्य प्रदेश के उन सभी

भागों का भूतत्वीय सर्वेक्षण हो चुका
है जहां खनिज पदार्थ उपलब्ध हैं ; और
(ख) यदि हां, तो कौन-कौन से खनिज
वहां अधिक मात्रा में उपलब्ध हैं ?

इस्पात और खान मंत्रालय में राज्य
मंत्री (श्री शाहनवाज खां) : (क)
भारतीय भूवैज्ञानिक सर्वेक्षण द्वारा मध्य
प्रदेश राज्य में के कुल क्षेत्र का लगभग
80 प्रतिशत क्षेत्र में व्यवस्थित भूवैज्ञानिक
मानचित्रण किया गया है और राज्य का
भूवैज्ञानिक और खनिज मानचित्र पहले
ही प्रकाशित किया जा चुका है।

(ख) भारतीय भूवैज्ञानिक सर्वेक्षण
द्वारा किए गए अन्वेषणों के परिणाम-
स्वरूप, राज्य में अवस्थापित प्रधान खनिजों
की उपलब्ध राशियों में 529.80 लाख
टन बाक्साइट, 45.50 लाख टन मैंगनीज
अयस्क, लगभग 20550 लाख टन लौह
अयस्क, 150000 लाख टन कोयला,
400 लाख टन ताम्र अयस्क और चूनाश्म
एवं डोलोमाइट की बृहद उपलब्ध राशियां
हैं।

पुर्वीनमाड जिले के क्षेत्र का खनन कार्य
के उद्देश्य के लिए सर्वेक्षण

4423. श्री गंगा चरण बीक्षित :
क्या इस्पात और खान मंत्री यह बताने की
कृपा करेंगे कि :

(क) क्या पूर्व निमाड जिले (मध्य
प्रदेश) की हरसूद तहसील के चांदगढ़ लौह
क्षेत्र में किए गए सर्वेक्षण से पता चला है
कि उक्त क्षेत्र को खान के रूप में विकसित
किए जाने की सम्भावना है ;

(ख) यदि हां, तो क्या इस दिशा में
कोई कार्यवाही की जा रही है ; और

(ग) उक्त क्षेत्र में अनुमानतः
कितना लौह निक्षेप है ?

इस्पात और खान मंत्रालय में राज्य
मंत्री (श्री शाहनवाज खां) : (क)
से (ग). खाण्डवा जिले के चन्द्रगढ़ क्षेत्र
में लौह अयस्क निक्षेपों के लिए मध्य प्रदेश

राज्य सरकार द्वारा ग्रन्थेक्षण किया जा रहा है। यह सूचना मिली है कि इस क्षेत्र के निक्षेप निम्न श्रेणी के हैं और प्रमाणित होने पर केवल स्थानीय गुम्बदी भट्टियों में कच्चे लोहे के लिए प्रयुक्त हो सकते हैं।

Indo-U.S. Relations

4425. SHRI PILOO MODY: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether the attention of Government has been drawn to a report in the Motherland of the 15th November, 1972 stating that Shri B. K. Nehru, has been sent to the United States to probe whether the two countries could end their tilt-for-tilt confrontation and begin talking to each other once again; and

(b) the reaction of Government in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENDRA PAL SINGH): (a) Yes, Sir. The purpose of Shri Nehru's visit, however, was to attend a meeting of the U.N. Investment Committee of which he is a member and also to fulfil some speaking engagements at the Universities of Notre Dame and Minnesota.

(b) Does not arise.

Opposition to Industrial Relations Bill

4426. SHRI Y. ESWARA REDDY: SHRI BANAMALI PATNAIK:

Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) whether All India Trade Union Congress and Hind Majdoor Sabha opposed the proposed Industrial relations Bill;

(b) if so, the grounds on which they have opposed the Bill; and

(c) the reaction of Government thereto?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): (a) to (c). Government have not yet brought forward any bill on industrial relations.

Streamlining the Armed Forces

4427. SHRI C. JANARDHANAN: Will the Minister of DEFENCE be pleased to state:

(a) whether Government have decided to streamline the Armed Forces; and

(b) if so, the steps taken in this regard?

THE MINISTER OF DEFENCE (SHRI JAGJIVAN RAM): (a) The organisation of the Armed Forces is periodically reviewed in the light of experience gained, and necessary changes made to increase its effectiveness.

(b) So far as the Army is concerned, the erstwhile Western Command has been bifurcated into two, namely, Western Command and Northern Command, to streamline and strengthen command and control over the formations in these areas. Some changes have been made in the Western Air Command also in the light of experience gained during the last war.

Complaints regarding Recognition of Labour Unions in Industries/Factories

4428. SHRI RAM BHAGAT PASWAN: Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) whether there have been the complaints against the management of some Government and private industries with regard to the recognition of Labour Unions in those industries/factories; and

(b) if so, the criteria for recognition of labour unions in private industries?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): (a) and (b). Recognition of unions, except in such States where legislation exists for the purpose, is governed by the criteria appended to the Code of Discipline in Industry. There have been some cases of delay and non-implementation, by the Managements, of the recommendations made for the recognition of Unions under the Code.

Industries closed due to Labour trouble in States

4429. SHRI RAM BHAGAT PASWAN: Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) whether a number of Industries were closed down during 1972 in various States due to labour trouble; and

(b) if so, the number of such Industries, State-wise, and the total loss of production?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): (a) and (b). Information is being collected and will be laid on the Table of the House when received.

Russian Opposition to bring Bokaro Steel Plant under the Holding Company

4430. SHRI R. R. SINGH DEO: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether the attention of Government has been drawn to a report in the "Motherland" of the 27th September, 1972, stating that the Russians have opposed India's proposal to bring the Bokaro Steel Plant under the proposed Holding Company for the steel industries; and

(b) whether the report has been carefully studied by the Government; and if so, the reaction of Government thereto?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) Yes, Sir.

(b) What has been stated in this report is not correct.

Trained Graduates and Post-Graduate Teachers Registered with Employment Exchange in Kerala

4431. SHRIMATI BHARGAVI THANKAPPAN: Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) the number of Trained Graduate and Post Graduate Teachers registered with the Employment Exchanges in Kerala;

(b) the number of candidates who are registered for more than three years and how long it will still take to provide them with the employment; and

(c) the positive steps proposed to be taken to absorb all such candidates?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): (a) to (c). Information is being collected from the State Government of Kerala and will be laid on the Table of the House when available.

Availability of Material for setting up a Steel Plant in Kerala

4432. SHRIMATI BHARGAVI THANKAPPAN: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether material is available in abundance in many parts of Kerala for setting up a big steel plant in the State; and

(b) whether Government propose to consider the question of formulating any scheme to set up a plant in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) and (b). As stated on

30th November, 1972 in reply to Lok Sabha Starred Question No. 257, as a result of investigations carried out by the Geological Survey of India, reserves of about 44 million tonnes of Oxidised and Unoxidised Ore with-total-iron content ranging between 31 and 42 per cent have been estimated in four deposits at Cheruppa, Eliyettimala, Nanminda and Naduvalur in Kozhikode District of Kerala. Investigation in the neighbouring Alampara deposit is in progress, which is expected to be completed by the end of the field season 1972-73. A view on-exploitation of these deposits can be taken only after the investigation of the Alampara deposit has been completed and the report is received by Government.

Working Population in Kerala

4433. SHRIMATI BHARGAVI THANKAPPAN: Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) the total working population of Kerala who are either in Government Service or in semi-Government Service under Central and State Governments; and

(b) the total number of unemployed persons registered with the Employment Exchanges?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): (a) The available information is given in the statement below:—

STATEMENT

According to the information collected through the Employment Market Information Programme of the Directorate General of Employment and Training the number of persons employed in Government service and semi-Government Service (Central and State) etc., in Kerala was as under :—

Sector	Number of persons employed as On 31st March, 1972
Central Government	48,465
State Government	1,88,031
Quasi-Government* (Central and State)	81,074
Local Bodies	19,538
TOTAL	3,37,108

*Quasi-Government establishments comprise both Central-Quasi and State-Quasi establishments.

(b) The number of job-seekers (all of whom are not necessarily unemployed) on the Live Register of the Employment Exchanges in Kerala on 31st October, 1972 was 4,34,165.

E.S.I.C. Hospitals in Kerala

4434. SHRIMATI BHARGAVI THANKAPPAN: Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) the number of Employees' State Insurance Hospitals in the State of Kerala at present;

(b) the number of them being run in rented buildings and the total

monthly rent paid to the owners of these buildings; and

(c) the number of Hospitals proposed to be opened in the State in the next three years?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): The Employees' State Insurance Corporation have furnished the following information:

(a) Seven.

(b) Nil.

(c) Four.

Industrial Strikes

(b) the number of workers involved therein?

4435. SHRIMATI BHARGAVI THANKAPPAN: Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) the total number of industrial strikes in the country, State-wise during the year 1972-73; and

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): (a) and (b). The attached statement gives the available provisional information regarding the number of strikes, State-wise, and the number of workers involved therein, during the period January to September, 1972.

STATEMENT

State	No. of strikes(P)	No. of workers involved(P)
Andhra Pradesh	74	24,671

Joint Action Plan by United Council of Trade Unions

4436. SHRI P. VENKATASUBAIAH: Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) whether ten organisations have decided to form a United Council of Trade Unions to plan joint action on workers' Unions as they were dissatisfied with the working of the National Council of Trade Unions;

(b) if so the reasons for their dissatisfaction; and

(c) the reaction of Government thereto?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): (a) and (b). Government do not have any information except what has appeared in the Press.

(c) It is essentially a matter with which the trade union organisations themselves are concerned.

Working of Ministry of Steel and Mines

4437. SHRI P. VENKATASUB-BAIAH: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether a review has been made of the working of his Ministry;

(b) if so, the outcome thereof and the decisions arrived at; and

(c) the steps envisaged to improve the working of the Ministry?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) to (c). The Estimates Committee of Parliament had in 1971-72 examined the working of the Ministry of Steel and Mines (Department of Steel) on Planning, Development, Production, Distribution etc. of iron and Steel and Ferro-Alloys. The recommendations of the Committee were considered and suitable action taken thereon.

One of the most important function of the Ministry relates to the many Public Sector Undertakings with which it deals. Task force meetings are periodically held to review the functioning of the Undertakings.

The performance of these Undertakings have been reported regularly to Parliament. There has been significant improvement in performance, particularly in Heavy Engineering Units and in the production and availability of steel.

Migrations to Canada from Punjab

4438. SHRI RAGHUNANDAN LAL BHATIA: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) the number of average monthly emigrants seeking migration to Canada from Punjab;

(b) the number of migrants seeking migration each month during August to October, 1972 and the causes of the sudden increase; and

(c) whether a number of travel agencies are exploiting the innocent agriculturists of Punjab; and if so, the remedial steps being taken?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENDRA PAL SINGH): (a) and (b) The monthly average number of persons from Punjab who applied for passports for Canada, from January to July, 1972, was 1290.

The number of persons from Punjab who had applied for passports for going to Canada from August to October, 1972 was as under:

August	3,446
September	5,736
October	3,810

In practically all such cases, however—besides Canada, the applicants indicated various other countries as well; and the purpose was stated to be “social visit”, etc., and not immigration as such.

The reason for the sudden increase in the number of persons wishing to go to Canada, during the period August to October, 1972, ostensibly, was a widespread apprehension among the applicants that entry into Canada may be further restricted, after the Elections there scheduled to be held on the 30th October, 1972.

(c) There have been reports that Travel Agents in Punjab and Haryana have been pressuring the more credulous sections of the population to go

to Canada, by promising them lucrative jobs and a life of ease and luxury. The Government has taken due note of these reports and has drawn the attention of the concerned State Governments, *inter-alia* to enlighten the public about the hazards of falling a prey to the machinations of unscrupulous Travel Agents. Further, all the Passport Issuing Authorities have been instructed to exercise greater vigilance in the case of applicants who wish to go to Canada and, where considered necessary, call for such additional information as may appear relevant, with a view to establishing the bonafides of the applicants.

Arrival of British Passport Holders in India on Expulsion from Uganda

4439. SHRI RAGHUNANDAN LAL BHATIA: Will the Minister of EXTERNAL AFFAIRS be pleased to state the number of British passport holders who have arrived India on expulsion from Uganda?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENDRA PAL SINGH): About 3000, Sir.

Problems of Indians Living Overseas

4440. SHRI VARKEY GEORGE: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether Government are in touch with the problems of the Indians living overseas; and

(b) if not, the steps being taken by Government in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENDRA PAL SINGH): (a) and (b). The Government of India keep in touch with the problems of Indian nationals and people of Indian origin abroad, and provide consular and other facilities in respect of Indian nationals abroad.

Expenditure Incurred on Schemes for Rehabilitation of Disabled Jawans and Families of Killed Soldiers

4441. SHRI N. K. P. SALVE: Will the Minister of DEFENCE be pleased to state the expenditure so far incurred on implementing the schemes for the rehabilitation of disabled Jawans and the families of those killed in the last Indo-Pak War?

THE MINISTER OF DEFENCE (SHRI JAGJIVAN RAM): The measures taken for assistance to the disabled and to the families of those killed or disabled;

- (i) Liberalised pension.
- (ii) Free education of children.
- (iii) Preferential treatment in employment.
- (iv) Free allotment of land and accommodation.

The cost to be incurred on pension, education, land and accommodation is a continuous charge accepted by the Central and State Governments and it is not feasible to indicate the expenditure on a given date.

Further, the Central Government have created a Fund of Rs. 5 crores, out of grant made by National Defence Fund, for giving financial assistance according to individual needs.

भारत सरकार के मुद्रणालयों में कर्मचारियों की यूनियन की मांग

4442. श्री सरजू पांडे: क्या धन और पुनर्वास मंत्री यह बताने की कृपा करेंगे कि:

(क) क्या सरकार ने यह निर्णय किया है कि भारत सरकार के प्रत्येक मुद्रणालय के कर्मचारियों की यूनियनों को उनकी सदस्यता के आधार पर मान्यता दी जायगी; और

(ख) यदि हां, तो राष्ट्रीय प्रेस कर्मचारी यूनियन, भारत सरकार मुद्रणालय,

मिण्टो रोड, नई दिल्ली को मान्यता न दिए जाने के क्या कारण हैं जब कि उसके सदस्यों की संख्या 700 है ?

अस और पुनर्वास मंत्री (श्री आर० के० शाहिलकर) : (क) और (ख) सम्बन्धित प्रशासकीय मंत्रालय, जो कि इस मामले में निर्माण और आवास मंत्रालय है, ने अपने नियंत्रण के अधीन प्रत्येक छापे खाने की यूनियनों को अधिक (मेजरटी) सदस्य-संख्या के आधार पर मान्यता देने का निर्णय लिया है। भारत सरकार मुद्रणालय, मिण्टो रोड, नई दिल्ली की राष्ट्रीय प्रेस कर्मचारी यूनियन के मान्यता के दावे से सम्बन्धित प्रश्न पर वृ० मंत्रालय इस समय विचार कर रहा है।

Diplomatic Assignments to Retired Government Officers/Supporters of Political Parties

4443. SHRI JYOTIRMOY BOSU: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) the number of retired Government officers and members or supporters of political parties separately, who were given diplomatic assignments abroad during the last three years;

(b) the names and particulars of persons who have been given such diplomatic assignments; and

(c) the nature of assignment given to each?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENDRA PAL SINGH):

(a) The number of retired Government officers and publicmen, who were given diplomatic assignments as Heads of Missions abroad, during the last three years is 10 and 14 respectively.

(b) and (c) The names and particulars of persons alongwith the nature of assignment given to each during the last three years are given in the statements laid on the Table of the

House. [Placed in Library. See No. Lt-4027/72].

Thirty Crore Rupees Annual Loss in Khetri Project, Hindustan Copper

4444. SHRI JYOTIRMOY BOSU: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether his attention has been drawn to a news item published in the "Hindustan Times" dated the 8th November, 1972 under the caption "Khetri Project Hindustan Copper" may lose Rs. 30 crores annually; and

(b) if so, Government's reaction thereto?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) Yes, Sir.

(b) There is no basis for assuming that the Khetri Copper Project will lose Rs. 30 crores annually.

Inadequate Supply of Steel to Tool Manufacturers by Alloy Steel Plant, Durgapur

4445. SHRI JYOTIRMOY BOSU: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether as against an estimated demand of 1,800 tonnes per annum, the Alloy Steel Plant of Hindustan Steel Limited, Durgapur produced only 90 tonnes of high speed steel in 1971-72; and

(b) if so, the steps if any, being taken in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) The production of high speed steel by Durgapur Alloy Steels Plant during 1971-72 amounted to 302 tonnes. Although no precise estimation has been made of the present demand of high speed steel alone, it is roughly assessed to be around 1800 tonnes.

(b) Alloy Steels Plant, Durgapur, is taking all possible steps to increase production of all types of alloy and

special steel, including high speed steel.

Issuing of Sanads of Permanent Allotment of Acquired Evacuee Property in Village Punjab Khore, Delhi

4447. SHRI DALIP SINGH: Will the Minister of LABOUR AND REHABILITATION be pleased to state:

(a) whether 40 displaced persons from West Pakistan were allotted 10 acres each of agricultural land in 1949 in village Punjab Khore (Delhi) in compensation of the property left behind in Pakistan;

(b) if so, whether the cost of above land exceeding the claims of above persons has since been deposited by all of them and adjustment made in their approved claims;

(c) whether the sanads of permanent allotment have been issued to the above allottees; if not, the reasons therefor; and

(d) whether 700 bighas of land out of the land allotted to above allottees has been re-allotted to one individual; and if so, the reasons therefor when the displaced allottees had been cultivating the land since 1949?

THE MINISTER OF LABOUR AND REHABILITATION (SHRI R. K. KHADILKAR): (a) Yes, Sir, but the total area was only 766 bighas and it was allotted among 39 displaced persons.

(b) Yes, Sir.

(c) No, Sir, since the matter is still under consideration.

(d) No, Sir.

Delegations of Mining Engineers Visit Abroad

4448. SHRI R. N. SHARMA: Will the Minister of STEEL AND MINES be pleased to state:

(a) the number of delegations of Mining Engineers, the name of the country visited, expenditure incurred

on Government and Non-Government Account during the last three years; and

(b) whether the Mining Industry derived any benefit, if so, to what extent?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): (a) and (b). The information is being collected and will be laid on the Table of the House.

Banning of Peter Sagar's Book "Moscow's Hand in India"

4449. SHRI SAMAR GUHA: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether Peter Sagar's book "Moscow's Hand in India" has been banned;

(b) whether this book was in circulation for about 5 years in India; and

(c) if so, the reasons for delayed banning of the book?

THE DEPUTY MINISTER IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI SURENDRA PAL SINGH): (a) and (b) There is no general ban on the book. However, the export and import of the book has been banned under the Customs Act, 1962.

(c) Government had been keeping the matter under review for some time. Since it was felt that the contents of the book were likely to prejudicially affect friendly relations with the USSR, action was eventually taken as mentioned above to prohibit its import or export.

CORRECTION OF ANSWER TO US Q. NO. 4378 DATED 1-9-72 RE. DEREGISTRATION OF LAND OF VILLAGE NANGAL RAYA NEW DELHI

THE MINISTER OF DEFENCE (SHRI JAGJIVAN RAM): In Unstarred Question No. 4378 which was put down for answer on the 1st September 1972, Shrimati Savitri Shyam had

enquired *inter alia* whether a land measuring 28.22 acres in village Nangal Raya, New Delhi, had been in possession of the Defence Ministry since 1942, and the time by which Government would pay the rental compensation to the land owners.

2. In the answer given to the question it was stated that an area of 9.83 acres of land situated in village Nangal Raya of Delhi was requisitioned in the year 1943 and was still so held. Another area of 18.39 acres partly in village Nangal Raya and partly in village Tihar, was held on hire by the Ministry of Defence. In reply to the enquiry regarding payment of rental compensation it was stated that rental had been paid to the land owners upto 31st Dec. 1970. Rental for the period ending 31-12-71 was likely to be paid by end of September 72. Rental for the period ending 31-12-72 would be due for payment on or after 31-12-72, and was being assessed in consultation with the Deputy Commissioner, Delhi.

3. The above information related to the land which the Ministry of Defence have held on hire. The position in regard to the payment of compensation for the requisitioned land, which was inadvertently omitted from the main answer, is explained in the succeeding paragraph.

4. Compensation to the owners of 9.83 acres of requisitioned land was paid upto 10-6-46. Compensation for the period 11-6-46 to 11-6-55 was offered to the owners but they did not come forward to receive the same. The amount is now kept in revenue deposit. The compensation upto date will be paid promptly if the owners agree to accept the same.

5. The delay in making this correction is due to the fact that the Answer which is sought to be corrected was given on the 1st September 1972, and the House adjourned *sine die* shortly thereafter. Subsequently, some time has been taken in completing the administrative processes involved.

CORRECTION OF ANSWER TO USQ. NO. 682 DATED 3-8-1972 RE. PRODUCTION IN NEYVELI LIGNITE CORPORATION

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI SHAHNAWAZ KHAN): The production figure of 3.31 million tonnes in respect of lignite for the year 1970-71 appearing in part (a) of the Question to be read as 3.39 million tonnes. The discrepancy in the production figure of lignite sought to be corrected occurred due to a printing error in the 15th Annual Report of the Neyveli Lignite Corporation for the year 1970-71 (English Version) which came to notice much later.

12.02 hrs.

CALLING ATTENTION TO MATTER OF URGENT PUBLIC IMPORTANCE

UNPRECEDENTED FLOODS IN TAMIL NADU

SHRI G. VISWANATHAN (Wandiwash): I call the attention of hon. Minister of Irrigation and Power to the following matter of urgent public importance and request that he may make a statement thereon:

"Recent unprecedented floods in Tamil Nadu causing heavy damage to property and the death of about one hundred persons."

THE MINISTER OF IRRIGATION AND POWER (DR. K. L. RAO): A severe cyclonic storm with an inner core of hurricane force wind (118 km per hour and more) hit the Tamil Nadu coast near Cuddalore at 5 A.M. on December 6. After crossing the coast, it weakened into a depression and moved across the Peninsula and emerged into the Arabian Sea off Mysore-Kerala coast on December 8. Under the influence of the storm, very heavy rainfall ranging from 10 to 36 cms was recorded at a number of places in Tamil Nadu between December 5 and December 10.

The heavy rains and consequent floods in various rivers affected areas in the districts of Chingleput, South

[Dr. K. L. Rao]

Arcot, North Arcot, Tanjavur Dharampuri and Tiruchirappalli. Road and rail communications were disrupted. Large areas were inundated in Chingalpet, Tanjavur, South Arcot and Salem districts. 100 villages situated on the banks of rivers and streams were submerged. Considerable damage was caused to roads, bridges and culverts.

According to the assessment made so far by the State Government, standing crops over an area of 21000 hectares were damaged. Fifty one persons lost their lives in cyclone and floods. Ten are feared buried under debris caused by land slides in Nilgiri district. Thousands of cattle perished. About one lakh houses were damaged and 5 lakhs people rendered homeless. Nearly 400 irrigation structures were breached and damaged. The damage to these structures has been estimated at Rupees one crore and the total damage due to floods and cyclones as Rs. 20 crores.

The State Government made arrangements for rescue and relief operations in the affected areas. People were moved to places of safety and gruel centres were opened to feed them. Food packets were either air dropped or carried by mechanised boats to marooned people. An amount of Rupees one crore has been sanctioned by the State Government for flood relief operations. In addition, the State Government have undertaken the following special relief measures:

1. Increase in cash grant from Rs. 40 to Rs. 80 per family.
2. *Ex-gratia* grant of Rs. 2000 to bereaved families which lost bread earners.
3. Care of orphaned children by the State Government.
4. Liberal loan to agriculturists for replacing plough and milch cattle.

Steps have been taken by the State Government to close the breaches and

conserve water supply for irrigation and also for speedy repairs to roads, tanks and other structures damaged by floods.

SHRI G. VISWANATHAN: The cyclonic storm and the heavy rains have hit hard the people of Tamil Nadu, particularly Madras city and nine districts, namely, Chingalpet, South Arcot, North Arcot, Tanjore, Dharampuri, Trichy, Salem, Coimbatore, Nilgiri apart from Madras city. Roads, bridges and culverts have been completely damaged, and dislocated road and rail traffic all over the State. I think the report of the hon. Minister is not complete. According to news reports, the number of people who died is much more. I think the Minister will get a further statement and lay it on the Table of the House. People have been rendered homeless; not only that, even temples have not been spared. The Cyclonic storm had knocked down the *kalasam* of the *Gopuram* of the Nataraja temple at Chidambaram which is said to have been installed in 1240 AD during the days of the Pallavas. The Neyveli lignite mine, which is already the sick man of the South, was completely flooded. On December 7, there were floods and the water level was 45 feet and I am told it will take a month to pump it out. The fertiliser plant has been closed down.

Flood control projects in this country have been taken up from 1954 onwards on a scientific basis but I do not know why nothing has been done in Tamil Nadu. So far Rs. 185 crores had been spent on flood control projects; not a single rupee has been spent in Tamil Nadu. From 1954 to 1969, 6950 kms. of flood embankments have been constructed nothing in Tamil Nadu. 9170 kms. of drainage channels have been constructed, but not a single mile in Tamil Nadu. 4580 villages have been raised, not a single village in my State. 178 towns have been protected, not a single town from Tamil Nadu. So far the Government claim that they have protected 14.7 million acres and I do not know why not even a

single acre was protected in the State of Tamil Nadu.

MR. SPEAKER: Why are you talking about those things now?

SHRI G. VISWANATHAN: It is concerned with floods. Out of the proposed Fourth plan outlay of Rs. 138.6 crores, Tamil Nadu has been given only Rs. 2 crores, 1.4 per cent. I want to know from the Minister why this treatment is given to Tamilnadu.

I understand there are four river commissions, there is one for Central India and Deccan rivers. What work has this commission been doing or is going to do in the future to save particularly the Deccan areas? What are they going to do in the future at least to stop this?

MR. SPEAKER: Please listen to me first. If it is once or twice it is all right. You start every sentence with a question, whereas the rules provide for one question. One ought to be clever about asking questions. Otherwise it will be inadmissible; you can put only one question according to the rules.

SHRI G. VISWANATHAN: I thought only time was allotted, not questions.

MR. SPEAKER: No, no, please.

SHRI G. VISWANATHAN: Are they going to provide detention basins and storage reservoirs? I want the Government to make an assessment of the strength of the catchment areas so that the ponds and the lakes could be protected in the future.

The total damage, according to the Minister's statement is about Rs. 20 crores. Dr. Rao knows the subject thoroughly and he has served in the old Madras State. So, he knows the area also. I would request him to take up the cause and see that immediate financial assistance is given to the State. I do not know whether they are going to send a central team to assess the extent of damage. If

so, they should send the team immediately before the floods recede so that they can see for themselves how the damage is caused.

Finally, I would appeal to the Minister from Tamil Nadu, Mr. Subramaniam who has made a statement very recently that he will take more interest in Tamil Nadu politics. I welcome it and I request him also to take more interest in the welfare of the people by providing immediate relief measures.

DR. K. L. RAO: The hon. member said the information is not complete. The information I have given is according to what I received from the Tamil Nadu Government last night. The Tamil Nadu Government is still assessing the damages and it has not yet asked for a central team to visit the areas. As soon as the request is received a central team will be sent from here and as laid down by the Fifth Finance Commission, for any amount spent in excess of Rs. 50 lakhs assistance will be given to Tamil Nadu from the centre.

About the other question, there is difference between floods and cyclone. Floods are entirely different. The various measures he mentioned are meant for guarding against floods. Tamil Nadu is one of the few States which do not have any flood problem. About floods caused by cyclone, nothing can be done against this kind of nature's fury. We can only take measures to mitigate damages and loss of life due to the cyclone. In this particular case, I am glad to say that the Indian Meteorological Department gave warnings due to the radar set up recently in Madras. Very timely warnings were given and the loss of life reported is not due to the cyclone directly but due to people crossing swollen rivers, electrocution, etc. That is different from flood-control measures like building embankments, detention

[Dr. K. L. Rao]

dams, etc. We have indicated to the Tamil Nadu Government the measures which can be taken to mitigate damages due to cyclones.

SHRI K. BALADHANDAYUTHAM (Coimbatore): From the Minister's statement it looks as if the Central Government are not concerned at all with the devastation that has taken place because of the cyclonic storm. He says he received information from the State Government only last night. Far from waiting for the State Government to come to them with any statement, it must be the concern of the Central Government to rush to the aid of states, placed as they are in a very difficult financial position, in matters of relief and rehabilitation. Apart from that, the statement shows that there is nothing to be done by the Centre in the matter of relief and rehabilitation.

The Minister said, warning was given about the cyclonic storm. When science has developed so much, how is it that every time even though warning is given, the warning is not taken to the people? When you are releasing waters from the dams, warning is not given to the people. Low-lying areas are flooded. Roads are washed away. A family which was going to Tirupati in a car was washed away and the inmates went to kailas. Railway tracks, telecommunications, everything is disrupted. For five days, there were heavy rains causing floods but no warning was given. I suggest that our warning system should include not only warning about cyclone but also about the amount of rains likely to follow and the dams which are in the danger of being breached.

The Minister said, 400 irrigation structures have been washed away. I would request the Minister to apply his mind more to this question of giving warning about the rains, dams, etc., so that people living in low-lying areas or people travelling

by road or train may not lose their lives. The damage has been unprecedented. The State Government has come forward to spend Rs. 1 crore. The statement made by the Minister that the damage is only about Rs. 20 crores is an under-estimation. I would like to know how far they are going to take the responsibility for rebuilding these tanks and lakes. We have been wanting rains, particularly in my constituency. If the rain waters could have been conserved in these lakes and tanks, this cyclone would have been a blessing in disguise. But there is more than one breach in each lake and 400 structures have been washed away. Nearly 21,000 hectares of crop has been destroyed when we are having a food crisis already. What are your plans to learn a lesson from this and build up the irrigation structures in a way that such a damage is not caused?

Even with regard to relief, helicopters or boats were not rushed in time. In such matters, expedition counts more. If the Central Government had geared all their resources and gone to the rescue of the State, I am sure the damage and loss of life would not have been so much. I am afraid I have to come with a strong condemnation of the complacency on the part of the Central Government. The Minister said that they never expected floods in Tamil Nadu. That does not mean that even when there is some damage due to floods, the Centre should not go to the help of the State. I want to know what steps are going to be taken immediately by way of relief and what is the amount they are going to give by way of assistance? The State Government has asked for Rs. 3 crores. I do not think it will be adequate. The Central Government should be liberal in giving assistance. I want to know what steps they are going to take to rebuild those irrigation structures and see that if there is another flood, such breaches do not take place. The

Minister said that above Rs. 50 lakhs, the Central Government will be giving assistance. If there is some indication as to how far the Central Government would help, that will be very useful.

DR. K. L. RAO: I have already submitted that the State Government has not completed its assessment. On receipt of that information, the Central Government will send a team consisting of representatives of the Finance Ministry, Planning Commission, etc., to assess the exact requirements for relief. After that assistance will be given by the Centre. About the irrigation structures, the State Government has already taken steps and they are trying to close all the breaches so that the water is conserved for the crops. Any assistance that the Government of Tamil Nadu asks will be given.

SHRI M. KATHIAMUTHU (Nagapattinam): Sir, out of 14 districts in Tamil Nadu, about 8 districts were badly affected by the cyclone and heavy rains. It seems that most of the rice belt was affected. Perhaps, there will be food crisis in future because standing crops were damaged. Whatever it may be, whether it is drought or flood, the first victim is agricultural labour and poor peasants and also the poor strata of people in urban areas.

According to the statement, it is about 5 lakh people who have lost their houses. The total cost of damage is estimated at about Rs. 20 crores. The State Government has requested the Central Government for aid of Rs. 3 crores. I believe, that is not sufficient. We want more than that.

Then, according to the statement, 400 irrigation structures were damaged. It is not only irrigation structures. I want to say one thing here. I come from Tanjuvar district where 14 lakh acres of paddy are cultivated. There was a continuous agitation

from the peasants that the drainage system should be modernised and properly built. But so far, the Central Government has not come forward to help and see that the drainage system is properly built up. In order to prevent damages in future during floods and heavy rains, I want to know from the hon. Minister whether they are going to appoint a study team to go over the question of not only irrigation structures but also the drainage system there. In order to avoid damages to crops there, are they going to appoint a study committee early?

DR. K. L. RAO: There is no proposal to appoint any study committee. The modernisation of Cauvery delta is for saving the waters and for extending irrigation and that is mixed up with the problem of allocation of waters from Cauvery. That problem is entirely different. If the hon. Member gives me any suggestions in regard to the problem of cyclone damages and if any particular schemes are necessary they will be taken up.

SHRI C. K. CHANDRAPPAN (Tellicherry): At the very outset, I should say that the statement made by the hon. Minister is rather casual and disappointing because in the statement, there is hardly any mention of it and even after when he replied to the questions by the hon. Members who preceded me, he has not come out concretely as to how they are going in a big way to help Tamil Nadu which is facing a very peculiar situation now.

About the cyclone the Government says that they got the reply from the State Government only yesterday night. For the last one week, all the newspapers coming from Tamil Nadu and all the newspapers in the country have been reporting about the cyclone and the havoc it has created there. Now, in the statement it is stated that the damage is estimated to be Rs. 20 crores. In the latter part of the statement, the Government says as to what

[Shri C. K. Chandrappan].

the State Government is going to do with regard to relief measures. I would like to know from the hon. Minister whether the Central Government will take steps immediately to send a study team from the Centre, as you have done in the case of Kerala two years back to make an on-the-spot study of the situation and to assess the extent of loss and then take an immediate decision to give help and relief in a big way. The Minister has already said that Rs. 20 crores' loss is the loss as estimated now; it is not the final estimate. The real loss will be much more. What you have promised Rs. 3 crores, is hardly sufficient. Taking this into account, I want to know whether the Minister will make a categorical assurance in the House that, after he has come to know of the real loss, he will meet the requirement of Tamil Nadu in a big way and at least give a substantial portion of the loss by way of relief.

These are my questions to which I want replies.

DR. K. L. RAO: I have already said that this report is almost a verbatim quotation from the State Government's report. In fact, there was no information received and I spoke to the Chief Secretary of Tamil Nadu Government yesterday in the mid-day, and this information was received. We cannot go by what the newspaper says. We have to depend on Government sources. We have no sources of own. The State Government has to give us information. They are still collecting the figures and the information that they have given is up-till yesterday. Still they are collecting. It is very difficult to go into those areas hit by cyclonic storm. The moment the information is collected and forwarded to us, a team will be sent to assess the damages and according to the assessment of the team, financial assistance from the Central Government will be forthcoming.

श्री हरी सिंह (बुर्जा) : अध्यक्ष महोदय
तमिल नाडु के काफी बड़े हिस्से में बाढ़ और

तूफान आया था और इसी वर्ष सितम्बर के महीने में इसी तरह का कोयम्बतूर जिले में भी बड़ा तूफान और बाढ़ आई थी। लेकिन उसके बावजूद भी तमिल नाडु सरकार की आंखें नहीं खुलीं। मुझे यह सुनकर और मन्त्री महोदय के वक्तव्य को पढ़कर ताज्जुब होता है कि इस बाढ़ और तूफान की सूचना हमारे मौसम विभाग के जरिए 24 घंटे पहले पहुंच गई थी लेकिन तमिल नाडु की सरकार सोती रही और वह अपनी राजनीति में मुक्तिला रही। वह कोई तबज्जह नहीं दे पाई और यहां तक हुआ कि वहां के जो अफसरान थे वे और उनके बीबी बच्चे बाढ़ की जो ब्यूटी थी उसे देखने में दिलचस्पी लेते रहे।

इस स्टेटमेंट को देखने से मुझे यह भी पता लगा है कि राज्य सरकार ने बाढ़ राहत कार्यों के अन्तर्गत बतौर विशेष सहायता के नगद अनुदान प्रति परिवार को 40 रुपये से बढ़ाकर 80 रुपये कर दिया है। इस अभूतपूर्व बाढ़ के कारण सम्पत्ति को भारी क्षति हुई है तथा लगभग 100 व्यक्तियों की जानें गई हैं, हजारों की संख्या में पशुओं की जानें गई हैं, हजारों झोपड़ें बह गए हैं और लोगों की फसलें बिल्कुल बर्बाद हो गई हैं। उनको यह 80 रुपए का नगद भुगतान बिल्कुल अपर्याप्त होगा। यह धनराशि देना सताए हुए लोगों का मजाक बनाना है।

जिस हिस्से में यह अभूतपूर्व बाढ़ और तूफान आया है वहां के गरीब, पिछड़े व शैड्यूल्ड कास्ट्स के मुसीबतजदा लोगों को राहत पहुंचाने की दिशा में राज्य सरकार द्वारा बड़ी उदासीनता की नीति बरती जा रही है जबकि उच्च वर्ग के लोगों की ओर उसके द्वारा ज्यादा ध्यान दिया जा रहा है। शैड्यूल्ड कास्ट के लोगों के साथ मुसीबत के समय में भी भेदभाव बरता जा रहा है।

SHRI G. VISWANATHAN: On a point of order. He says there is discrimination between Harijans and Hindus. He is speaking untruth.

Why should he make politics out of this? We are already hit hard by the cyclone.

MR. SPEAKER: If you talk of Central Government, that is not politics, but if he talks of Tamil Nadu that is politics. What is this?

श्री हरी सिंह : इस तूफान और बाढ़ के फलस्वरूप जो वहां के लोगों की सम्पत्ति को भारी क्षति हुई है और हजारों झोंपड़े बह गये हैं व फसलें नष्ट हो गई हैं उनको राहत पहुंचाने की दिशा में वीकर सैंक्शन को नेगलैक्ट किया जा रहा है।

मन्त्री जी ने जो यह कहा कि जो लोग अनाथ हो गए उनकी सरकार द्वारा देखभाल की जाएगी तो मैं पूछना चाहता हूं कि जिनके मां-बाप इस बाढ़ और तूफान में बह गए हैं ऐसे निराश्रित बच्चों के वास्ते 25 साल की उम्र तक के लिए कोई पेंशन की व्यवस्था की जाएगी और सरकार उनकी पढ़ाई-लिखाई और भोजन-वस्त्र आदि की व्यवस्था करेगी? इसके साथ ही मैं यह भी कहना चाहूंगा कि जिन छोटे-छोटे किसानों की फसलें नष्ट हो गई हैं उनके लिए दो, तीन साल तक जब तक कि वह अपनी कोई नई फसल पैदा न कर पाएं उनको क्या जल्द से जल्द राहत पहुंचाई जाएगी और क्या उन्हें कोई मुआवजा तमिल नाडु सरकार देगी? क्या उन पीड़ित किसानों के बच्चों के लिखाने-पढ़ाने का भार 5 वर्षों के लिए राज्य सरकार अपने ऊपर लेगी?

DR. K. L. RAO: I have no information about the points that the hon. Member has raised. I would only say that it is the poorer sections that suffer most in such natural disasters. If the hon. Member has any particular instance, he can send it to me and I will forward the same to the State Government and see if necessary action is taken.

12.31 hrs.

MR. SPEAKER: Papers to be laid.

SHRI K. BALADHANDAYUTHAM (Coimbatore): Sir, I have a submission to make. There have been some raids by the Enforcement Directorate in Tamil Nadu on the houses of the some leading members of the Government.

The Chief Minister has gone on record saying that it is a deliberate harassment. I would like the Minister to clarify the position.

MR. SPEAKER: Yesterday, Mr. Vayalar Ravi brought this to my notice and to-day so many other members have come with a number of motions regarding this, I think there are about eight of them—from both sides.

Will the Minister of Parliamentary Affairs bring it to the notice of the Minister concerned—we will send all these motions to him—so that he may see and come forward with some statement on it?

श्री अटल बिहारी वाजपेयी (ग्वालियर): बम्बई के बारे में भी काल मॉटेशन दिया गया है। जो स्मगलिंग करते हैं उनको सस्ते छोड़ दिया जाता है।

अध्यक्ष महोदय : हाऊस में मेरे सामने काल मॉटेशन का जिक्र आप न किया करें।

श्री अटल बिहारी वाजपेयी : वह भी तो काल मॉटेशन का जिक्र कर रहे हैं।

अध्यक्ष महोदय : वह काल मॉटेशन का जिक्र नहीं कर रहे हैं। वह तो वैसे ही

SHRI PILOO' MODY (Godhra): You have been good enough to allow us a discussion—one-hour discussion—on the Faridabad Medical College affairs. I hope this would be hurried up and expedited because the students are getting restive.

MR. SPEAKER: It has already been fixed for the 19th.

contained in their Tenth Report on Super Bazar, New Delhi.

12.33 hrs.

**PAPERS LAID ON THE TABLE
PARTS OF AUDIT REPORT (COMMERCIAL),
1970.**

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): I beg to lay on the Table a copy each of the following parts of the Audit Report (Commercial) 1970 (Hindi versions) under article 151 (1) of the Constitution:—

Part VII—Comprehensive appraisal of the working of the Heavy Engineering Corporation Limited.

Part VIII—Comprehensive appraisal of the working of the Oil and Natural Gas Commission.

Part IX—Comprehensive appraisal of the working of the Bharat Heavy Electricals Limited.

Part X—Individual irregularities and a resume of the Company Auditors Report.

[Placed in Library. See No. LT-4006/72].

**STATEMENT RE. INTERNATIONAL LABOUR
CONFERENCE**

THE DEPUTY MINISTER IN THE MINISTRY OF LABOUR AND REHABILITATION (SHRI BALGOVIND VERMA): On behalf of Shri R. K. Khadilkar I beg to lay on the Table a Statement (Hindi and English versions) on the action taken or proposed to be taken on the Conventions and Recommendations adopted at the Fifty-sixth Session of the International Labour Conference held at Geneva in June, 1971. [Placed in Library. See No. LT-4007/72].

**PUBLIC ACCOUNTS COMMITTEE
FIFTY-SECOND REPORT**

SHRI SEZHIYAN (Kumbakonam): I beg to present the Fifty-second Report of the Public Accounts Committee regarding action taken by Government on the recommendations

ELECTION TO COMMITTEE

COMMITTEE ON THE WELFARE OF SCHEDULED CASTES AND SCHEDULED TRIBES

SHRI B. K. DASCHOWDHURY (Cooch-Bihar): I beg to move:

"That the members of this House do proceed to elect in the manner required by sub-rule (3) of Rule 254 of the Rules of Procedure and Conduct of Business in Lok Sabha, one member from among themselves to serve as a member of the Committee on the Welfare of Scheduled Castes and Scheduled Tribes for the unexpired portion of the term of the Committee *vice* Swami Ramanand Shastri died."

MR. SPEAKER: The question is:

"That the members of this House do proceed to elect in the manner required by sub-rule (3) of Rule 254 of the Rules of Procedure and Conduct of Business in Lok Sabha one member from among themselves to serve as a member of the Committee on the Welfare of Scheduled Castes and Scheduled Tribes for the unexpired portion of the term of the Committee *vice* Swami Ramanand Shastri died."

The motion was adopted.

12.34 hrs.

**DELHI SCHOOL EDUCATION BILL
EXTENSION OF TIME FOR PRESENTATION
OF REPORT OF JOINT COMMITTEE**

SHRIMATI MAYA RAY (Raiganj): I beg to move:

"That the House do further extend upto the 18th December, 1972, the time for the presentation of the Report of the Joint Committee on the Bill to provide for better organisation and development of school education in the Union territory of Delhi and for matters connected therewith or incidental thereto."

MR. SPEAKER: The question is:

"That this House do further extend upto the 18th December, 1972, the time for the presentation of the

Report of the Joint Committee on the Bill to provide for better organisation and development of school education in the Union territory of Delhi and for matters connected therewith or incidental thereto".

Those in favour will please say 'Aye'.

SEVERAL HON. MEMBERS: 'Aye'.

MR. SPEAKER: Those against will please say 'No'

SHRI ATAL BIHARI VAJPAYEE (Gwalior): No.

MR. SPEAKER: Is it because she has moved or is it otherwise?

श्री अटल बिहारी वाजपेयी : 18 दिसम्बर तक का कोई मतलब नहीं है। यह कमिटी दिसम्बर तक का समय क्यों बढ़वा रही है ?

अध्यक्ष महोदय : उन्होंने कुछ सोचा होगा।

श्री अटल बिहारी वाजपेयी : क्या कमिटी की रिपोर्ट इस सदन में 18 दिसम्बर तक ही बहस के लिए आ सकती है उसके बाद नहीं आ सकती है ? वह थोड़ा और समय लेकर अच्छी रिपोर्ट दें।

MR. SPEAKER: Let it go. I very much hope that they will not come to the House again and they will have to act.

SHRI PILOO MODY (Godhra): You mean 'never again'.

MR. SPEAKER: They Will not, but they may come up on some other matters also in consultation with you.

Now, the question is:

"That this House do further extend upto the 18th December, 1972, the time for the presentation of the Report of the Joint Committee on the Bill to provide for better organisation and development of school education in the Union territory of

Delhi and for matters connected therewith or incidental thereto."

The motion was adopted.

SHRI PILOO MODY: You put this to the vote twice.

MR. SPEAKER: After the objection it needs a little more clarification. There was no proposal from the other side that they wanted more time. So, I put it again.

Shri L. N. Mishra.

12.35 hours.

Indian Tariff (Amendment) Bill

THE MINISTER of FOREIGN TRADE (SHRI L. N. MISHRA): I beg to move for leave to introduce a Bill further to amend the Indian Tariff Act, 1934.

MR. SPEAKER: The question is:

"That leave be granted to introduce a Bill further to amend the Indian Tariff Act, 1934."

The motion was adopted.

SHRI L. N. MISHRA: Sir, I introduce the Bill.

12.36 hrs.

SICK TEXTILES UNDERTAKINGS (TAKING OVER OF MANAGEMENT) BILL*

THE MINISTER OF FOREIGN TRADE (SHRI L. N. MISHRA): I beg to move for leave to introduce a Bill to provide for the taking over, in the public interest, of the management of the sick textile undertakings, pending nationalisation of such undertakings, for the expeditious rehabilitation of such undertakings so that such rehabilitation may subserve the interests of the general public by the augmentation of the production and distribution, at fair prices, of cheaper varieties of cloth and for matters connected therewith or incidental thereto.

*Published in Gazette of India Extraordinary, Part II, section 2, dated 14-12-72.

†Introduced with the recommendation of the President:

SHRI PILOO MODY (Godhra): I wish to say something.

MR. SPEAKER: The best thing is you should have given some advance intimation about it, as we have this practice. The question is

SHRI JYOTIRMOY BOSU: (Diamond Harbour) That provision was removed by the issue of corrigendum, Sir, because I used to send half-a-dozen of such notices every day.

MR. SPEAKER: Now, the question is:

"That leave be granted to introduce a Bill to provide for the taking over, in the public interest, of the management of the sick textile undertakings, pending nationalisation of such undertakings, for the expeditious rehabilitation of such undertakings so that such rehabilitation may subserve the interests of the general public by the augmentation of the production and distribution, at fair prices, of cheaper varieties of cloth, and for matters connected therewith or incidental thereto".

The motion was adopted.

SHRI L. N. MISHRA: Sir, I introduce the Bill.

12.37 hrs.

STATEMENT RE. SICK TEXTILE UNDERTAKINGS (TAKING OVER OF MANAGEMENT) ORDINANCE, 1972

THE MINISTER OF FOREIGN TRADE (SHRI L. N. MISHRA): Sir, I beg to lay on the Table an explanatory statement (Hindi and English versions) giving reasons for immediate legislation by the Sick Textile Undertakings (Taking over of Management) Ordinance, 1972, as required under rule 71(1) of the Rules of Procedure and Conduct of Business in Lok Sabha [Placed in Library. See No. LT-4008/72.] (Interruption).

MR. SPEAKER: You can go to the court if something is *ultra-vires*.

SHRI PILOO MODY (Godhra): I only know you. I can only plead before you. You are the highest court in the land.

12.38 hrs.

DELIMITATION BILL—contd.

MR. SPEAKER: The House will now resume discussion on the Delimitation Bill.

Shri P. K. Deo was on his legs. He had already taken ten minutes. He has exhausted his party's quota. His today's speech should be concluding and winding-up speech because he has already finished his time, rather, even exceeded that....

SHRI P. K. DEO (Kalahandi): I will be brief.

Yesterday I was pointing out that the Delimitation Commission should start their activity first in U.P. and Nagaland as there is going to be an election in 1974. At the same time, I made a request that they should give top priority regarding Delimitation of the Assembly Constituencies of the State of Orissa because the position there is very fluid. The Nandini Satpathy Government is in a minority after the withdrawal of the support of the Utkal Congress and because of the suspension of Dr. Hare Krishna Mahatab and Mr. Kanwar. At any time there could be an election to the Orissa Legislative Assembly. Therefore, through you, Sir, I would like to make a request to the Governor of Orissa that he should not be guided by the advice of the Chief Minister who has got only minority support in the Assembly, trying to dissolve the Assembly. Rather, he should try to form an alternative Government, if possible.

†Introduced with the recommendation of the President.

Secondly, I would like to point out that after the 1971 census, if elections are to be held in Orissa, Orissa should not be denied of the opportunity of a larger representation in the Orissa Legislative Assembly, because the population has increased from 17.5 million to 21.9 million. This aspect has to be taken into consideration by the Delimitation Commission.

I support the suggestion of my distinguished colleague Shri Somnath Chatterjee for proportional representation. It was opposed by no less a person than Shri R. D. Bhandare and he suggested that the founding fathers of the Constitution had rejected this very idea of proportional representation. But our experience all these years has been that the Government which is having only 21 per cent popular support is having the massive mandate. I have arrived at the figure of 21 per cent for popular support, because in the last elections, only 48 per cent electorate exercised their franchise of which 42 per cent supported the party in power. So, with only 21 per cent popular support, the Government claiming massive mandate is playing ducks and drakes with the constitution and the very pledges and plighted words of the Constitution are being broken like pie-crust according to their convenience. So, I very much support the plea made by Shri Somnath Chatterjee that some formula should be evolved by the Delimitation Commission for proportional representation.

Then, I would like to ask why the scope of the Delimitation Commission should not be extended to the State of Jammu and Kashmir. Jammu and Kashmir is part of India, and we have very often heard complaints of gerrymandering in the elections and various malpractices prevailing there. So, it is all the more important that the scope of the Delimitation Commission should be extended to the State of

Jammu and Kashmir. We all want that Jammu and Kashmir State should come into the mainstream of Indian politics, and they should feel a part of India but all these acts are putting impediments in that direction.

Lastly, I would like to have an assurance from the Government that the outmoded Scheduled Castes and Scheduled Tribes Order would be revised according to the recommendations of the Lokur Committee and according to the Scheduled Castes and Scheduled Tribes Order (Amendment) Bill which was discussed in the last Lok Sabha, that the latest lists would be prepared and that the Delimitation Commission would be apprised of all the discrepancies and lacunae that have been found out by the previous committees so that they could be helped in arriving at a proper delimitation of the constituencies.

Finally, my request is that the Delimitation Commission should consist of such persons as are properly insulated from any kind of political pressure, for then only we can get proper representation in the House.

श्री हर प्रताप सिंह (बाराबंकी) : अध्यक्ष महोदय, मैं आपका हृदय से आभारी हूँ कि आपने मुझे परिसीमन विधेयक, 1972 पर अपने विचार प्रकट करने का अवसर दिया है। यह विधेयक लाने के लिए मैं अपने दल की सरकार को हृदय से बधाई देना चाहता हूँ, जो सदैव देश में लोकतन्त्र के हितों की रक्षा करती आई है। 1961 की जनगणना के पश्चात् 1971 की जो जनगणना हुई, उसके ठीक पश्चात् इस विधेयक का यहां प्रस्तुत किया जाना इस बात का द्योतक है कि हमारी सरकार और हमारी पार्टी सदैव इस बात के लिए चिन्तित है कि जिस प्रकार हो सके और जहां तक हो सके, जनता के हितों की रक्षा करने और लोकतन्त्र की जड़ों को मजबूत बनाने का प्रयास किया जाए।

[श्री छद्र प्रताप सिंह]

इस विधेयक में इस बात का स्पष्ट रूप से प्रावधान किया गया है कि जिस परिसीमन आयोग की स्थापना की जाएगी, उसमें प्रत्येक प्रदेश और प्रत्येक क्षेत्र के लोक सभा और विधान सभा के सदस्यों को सदस्य के रूप में रखा जाएगा। हम समझते हैं कि इस व्यवस्था से न केवल लोकतन्त्र को शक्ति प्रदान की गई है, बल्कि इसके साथ-साथ निर्वाचन-क्षेत्रों का गठन भी सही ढंग से हो सकेगा क्योंकि जनता के द्वारा चुने हुए प्रतिनिधियों को, चाहे वे लोक सभा के सदस्य हों और चाहे विधान सभाओं के, इस बात का सही ज्ञान होता है कि निर्वाचन-क्षेत्रों का परिसीमन किस आधार पर किया जाए।

इस विधेयक में इस बात की स्पष्ट व्यवस्था की गई है कि परिसीमन का आधार क्या हो। इसमें साफ कहा गया है कि किसी भी क्षेत्र का परिसीमन करते समय उसकी भौगोलिक स्थिति, प्राकृतिक अवस्था, प्रशासन की इकाइयों, संचार की सुविधाओं और सार्वजनिक सुविधाओं को ध्यान में रखा जाएगा। मैं समझता हूँ कि इस माननीय सदन के सभी माननीय सदस्य परिसीमन करने के इन आधारों से सहमत होंगे और क्षेत्रों का परिसीमन जनहित में होगा।

मैं सरकार को इस बात के लिए भी बधाई देना चाहता हूँ कि जिस प्रकार वह सदैव ही देश की अनुसूचित जातियों, अनुसूचित जनजातियों और अल्पसंख्यकों की रक्षा करती आई है, उसी प्रकार से उसने प्रस्तुत विधेयक में भी अनुसूचित जातियों और अनुसूचित जनजातियों के हितों की रक्षा करने की भावना को दोबारा दोहराया है। उसने यह व्यवस्था की है कि जिन क्षेत्रों में अनुपात की दृष्टि से इन जातियों की संख्या अधिक होगी, उनको सुरक्षित रखा जाएगा।

अन्त में मैं यह कहना चाहता हूँ कि जो विधेयक सदन के समक्ष प्रस्तुत किया गया है, वह बहुत सोच-विचार करके प्रस्तुत किया

गया है। इस विधेयक की सबसे बड़ी विशेषता यह है कि यह विधेयक सही समय पर प्रस्तुत किया गया है। इसलिए मैं आपके माध्यम से सभी माननीय सदस्यों से अनुरोध करना चाहता हूँ कि इस विधेयक को एक ऐतिहासिक और महत्वपूर्ण विधेयक समझते हुए जनहित में अविलम्ब बिना किसी संशोधन के पारित किया जाए।

धन्यवाद।

MR. SPEAKER: I think there are no other Members to speak. Now, the hon. Minister.

SHRI C. M. STEPHEN: (Muvathupuzha): I want to speak, Sir....

MR. SPEAKER: Now, it is too late. The hon. Minister.

THE MINISTER OF STATE IN THE MINISTRY OF LAW AND JUSTICE (SHRI NITIRAJ SINGH CHAUDHARY): I am thankful to the Members who have taken part in this debate and have made very valuable suggestions. But before I reply to them, I would like to refer to something basic which was stated by Shri Somnath Chatterjee who unfortunately is not present here in the House just now. While speaking yesterday, he said that the last Delimitation Commission had not been provided with the basic materials necessary for delimitation of the constituencies. In that connection, he referred to the report of the Election Commission on the fourth general elections. I would like to submit that this time steps have been taken to have all the data that were referred to therein and also the maps as desired. Instructions were issued in June last, and the States have collected data and they are going ahead with the preparation of maps. We have already received district-wise booklets such as the one I have here with me. These book-

lets give information about the total population of the district....

SHRI SAMAR MUKHERJEE (Howrah): What is the name of the booklet?

SHRI NITIRAJ SINGH CHAUDHARY: It is *Population Figures including Scheduled Castes and Scheduled Tribes*. These booklets have been prepared for each district in the country. This booklet gives information about the total population of the district, the population of scheduled castes, the population of scheduled tribes, the percentage of scheduled castes population percentage of scheduled Tribes population and also figures for tehsils, revenue inspector circles, patwari circles where they are in existence, otherwise figures for each panchayat separately, etc., because in the delimitation of constituencies, some smallest unit has always to be taken into consideration and it is not to be split. So, this information is available.

He referred to non-availability of maps. The report itself says that on account of security reasons there were difficulties in production of maps even in the scale of 1" to 4 miles. But this time steps have been taken to see that these maps are ready before the commission begins its work. The maps are being get prepared in two scales—1" to 2 miles for smaller districts and 1" to 4 miles for bigger districts. The maps are in print and they would be made available to the commission. He also said that the last Delimitation Commission did not have sufficient staff. I would draw his attention to the financial memorandum attached to this Bill which says that provision for the staff for the Delimitation Commission has been made. Therefore, all those difficulties would not be there and the commission will have all the necessary facilities.

Regarding the suggestion that the Bill be referred to a Joint Select Committee, I would like to point out that the 1962 Bill was passed in the

winter session of that year and received President's Assent on 19th December, 1962. Thereafter the Delimitation Commission began its work about 3 months later and it took 3-1/2 years to complete its work. If this Bill is passed in this session, the commission will begin its work sometime in February next after all the associate members have been nominated from Parliament and Assemblies. Elections in UP are due sometime in February, 1974 and general elections will take place in the country sometime in February, 1976. The time available to the commission for completing its work is less than three years. If a Bill like this, which is absolutely essential to fulfil the requirements of the Constitution is referred to a Joint Committee, much time would be lost and nothing would be gained and the commission would not be able to do the work entrusted to it. Therefore I am not prepared to accept that suggestion.

Though it was not connected with the Bill, some members referred to the increase in the strength of the Lok Sabha and suggested that this Bill should be kept pending till that is decided. As I have said earlier, this would not be possible. As hon. Members knew, this matter is already engaging the attention of the government and as soon as a decision is taken, suitable steps would be taken.

SHRI R. V. BADE (Khargone): How can the Delimitation Commission divide the seats if the seats are not fixed?

SHRI NITIRAJ SINGH CHAUDHARY: Article 81 of the Constitution gives the number. The Commission will proceed on the basis of the provisions contained in article 81. If this article is subsequently amended, the Commission would move according to the amended provisions.

Shri Somnath Chatterjee and some other hon. Members referred to the publication procedure.

[Shri Nitiraj Singh Chaudhary]

They said that these matters are published in the Gazette and nobody knows about the proposals. I would draw their attention to clause 9(2) (a) which says "publish its proposal for the delimitation of the constituencies together with the dissenting proposals, if any, of any associate member who desires publication thereof, in the Gazette of India, in the official Gazette of all the States concerned and also in such other manner as it thinks fit". So, these may be published "in such other manner" at other places etc. There is provision for that. So, on that score there should be no grievance. About the final publication, there is the requirement that this will come into force on the day they are published in the gazette. So, for the final publication the provision is made in clause 10.

The Commission will consist of two judges and the Chief Election Commissioner. It has been suggested that only serving judges should be appointed. The Bill provides for two members "each of whom shall be a person who is or has been a judge of the Supreme Court or High Court to be appointed by the Central Government". So, the appointment of serving judges is not ruled out. The other provision is also there because at times it may be difficult to get a serving judge. Therefore, this alternative provision is made.

One hon. Member said that when there are two judges, one of the Supreme Court and another of the High Court, it can very well happen that the High Court judge is appointed as Chairman. I hope the hon. Member will concede to the government the wisdom not to act in that way. They should expect that the government would naturally and necessarily appoint only the senior person as the Chairman.

The next point was about reservation for representatives of the Sched-

uled Castes and Scheduled Tribes. In this connection, certain hon. Members suggested rotation of seats which are reserved for the members of the Scheduled Castes and Scheduled Tribes. Here I should thank Shri R. D. Bhandare who spoke yesterday. During his speech he referred to articles 330 and 332 of the Constitution under which reservations are necessary. They also lay down the criterion on how reservations are to be made. So, I will not repeat them. Coming to rotation, the Scheduled Tribes are concentrated only in certain areas of the State and it will not be proper if the seats are not reserved for them in areas where their concentration is the largest. As regards reservation of seats for Scheduled Castes, the rotation of such seats is likely to raise opposition from the members of that community. If rotation is accepted, members may not take any interest in the welfare of the constituency, knowing that they would not be contesting the elections next time from that constituency. Moreover, it is only equitable to reserve seats for Scheduled Castes, as far as possible, in the areas where they are in large numbers. Otherwise, they will have a legitimate grievance that in spite of their higher percentage of population, the constituency has not been reserved for them. The method of de-reservation or rotation of reserved seats for subsequent elections will pose a problem for the Election Commissioner, or the Delimitation Commission, and the method adopted may not suit the convenience of the elected members, aspiring members and the electorate. Therefore, it would not be possible to accept the suggestion of rotation.

13.00 hrs.

One hon. Members sitting opposite suggested that the decision of the Commission should be made justiciable in a court of law. May I draw his attention to article 329 of the Constitution? I think, on this point, I need say nothing more.

Then, it has been said that this Bill should be made applicable to Jammu and Kashmir also. It appears, the hon. Members did not hear when I first said that the reason for exclusion of the State of Jammu and Kashmir is that the matter in relation to that State would be regulated by the Constitution (Application to Jammu and Kashmir) Order, 1954 which would be suitably modified subsequent to the passing of the Bill and this Bill would apply to Jammu and Kashmir by this substitution.

About associate members, it was said that these associate members do not have voting rights and that they should be given voting rights. It was suggested that Members of Parliament and Legislative Assemblies should be associated and they should have voting rights. A question was asked: why 4 members from Parliament and 5 from legislatures I think this question was legitimately put and I owe an explanation, to which I will come later. It was also suggested that Members of Parliament should be from Lok Sabha as well as from Rajya Sabha. Then, it was suggested that members from Scheduled Castes and Scheduled Tribes should be nominated. Then, it was also suggested that MPs and MLAs whose constituencies are under consideration should be associated.

To the first point about voting rights, I submit that if the suggestion is accepted and if all the MPs and MLAs are associated, it will cease to be a Commission. It will become something which will not be in a position to take any decision. Everybody will be saying whatever he likes and for everything, there will be voting. The result will be that the Commission will not be able to complete the whole work in time in which it has to complete. Therefore, there has to be some limit. This procedure is followed from the beginning and we propose to continue with that.

Then, about the point that a few persons who are made members, say,

9 or 10, that they should have a voting right, I would say, a person who is interested to contest and if he is given a right to vote, I do not know where it will land us. Therefore, it would not be fair to give voting right to them.

It was suggested that persons whose constituencies are under consideration should also be associated. It has been the practice of the Delimitation Commission to invite everyone who wants to have a say. This time, I can tell my friends that the Delimitation Commission would invite those Members whose constituencies are under consideration and, if they want that they should be heard, the Commission will certainly hear them.

Mr. Bade said that persons from Rajya Sabha should also be members. I submit, the Commission determines constituencies from which elections are held. Only persons who are elected representatives of the people are associated as Associate Members. Members of Rajya Sabha and Members of Legislative Councils are not elected by the people directly. Therefore, it is not possible for the Government to accept the suggestion.

SHRI R. V. BADE: A Rajya Sabha Member represents the whole State whereas the Lok Sabha Member represents only one constituency.

SHRI NITIRAJ SINGH CHAUDHARY: I have made my submission and the argument of Shri Bade is fallacious and it will take us nowhere.

About the last point which was made by many hon. friends as to why there are only four Members from Lok Sabha while there are five Members from Assemblies, I feel that the argument has much force and I have no objection to increase the number of representatives from Lok Sabha from four to five so that there is no disparity. (Interruption) There will be five from Legislative Assemblies.

SHRI R. V. BADE: What about representation of Scheduled Castes and Scheduled Tribes?

SHRI NITIRAJ SINGH CHAUDHARY: The Bill provides that the nomination shall be made by the Speaker of the Lok Sabha and the Speakers of the respective Legislative Assemblies. We must have patience. All these interests would be considered by the respective Speakers while nominating Associate Members.

There are some other points that were made by the hon. members, but they are not relevant to the Bill. For example, it was said that the Lok Sabha may sit in two shifts as the schools meet. Therefore, I am not replying to such points.

MR. SPEAKER: There was a motion for reference to a Select Committee by Mr. M. C. Daga . . .

SHRI M. C. DAGA (Pali): I want to withdraw my motion.

Amendment No. 1 was, by leave, withdrawn.

MR. SPEAKER: The question is:

"That the Bill to provide for the readjustment of the allocation of seats in the House of the People to the States, the total number of seats in the Legislative Assembly of each State, the division of each State and each Union territory having a Legislative Assembly and the Union territory of Delhi into territorial constituencies for elections to the House of the People and Legislative Assemblies of the States and Union territories and Metropolitan Council of Delhi and for matters connected therewith, be taken into consideration."

The motion was adopted.

MR. SPEAKER: Should we now put all these Clauses together? That will save time.

On Clause 2, there are two amendments by Shri Bade . . .

SHRI R. V. BADE: I want to say something on my amendments.

MR. SPEAKER: Have your lunch first and then come prepared for it.

We adjourn for Lunch to re-assemble at 2.00 P.M.

13.08 hrs.

The Lok Sabha adjourned for Lunch: till Fourteen of the Clock.

The Lok Sabha re-assembled after Lunch at Five Minutes Past Fourteen of the Clock.

[MR. DEPUTY SPEAKER in the Chair].

RE. ALLEGED BURNING OF HOUSES IN A VILLAGE IN UTTAR PRADESH

SHRI JYOTIRMOY BOSU (Diamond Harbour): I have given a notice about the alarming news that in a minority-inhabited village named, Sajjni, in Azamgarh District of Uttar Pradesh 43 houses belonging to the minority community were burnt and the members of the minority community were beaten up by the Police. Sir, in the last one month, in another village, Norani, seventy houses of the minority community were burnt and looted and the people were beaten. Sir, the District of Azamgarh seems to be very notorious for these things. Sir, we want to know what is happening? The UP Police is hand in glove with the criminals.

Sir, the other day, when this matter was raised here, you were pleased to observe that the Government must get all the information and Mr. Raj Bahadur promised on the floor of the House that he would collect the information from the State Government. I hope Shri Raj Bahadur was not gone into hiding. Sir, the whole question is that we want the Government to make a statement. Is it a part of the game that is going to take place one after another. This is a very serious matter, and we want the Government to tell

us right now and here. We do not want to give any more time...

MR. DEPUTY-SPEAKER: Order, please.

SHRI JYOTIRMOY BOSU: You are very sympathetic to a good man like me. The question is: you kindly tell the Government to make a statement. Otherwise, we will have to take appropriate steps to make the Government to make a statement.

श्री रमेश्वर (लालगंज) : उपाध्यक्ष महोदय, इस सम्बन्ध में मुझे एक निवेदन करना है। आजमगढ़ जिले में पिछले चौदह महीनों में यह इस प्रकार की तीसरी घटना है। पिछले दो तीन सालों में इस प्रकार के चार पांच साम्प्रदायिक दंगे हुए हैं। मेरा केन्द्रीय सरकार से निवेदन है कि वह इस मामले की न्यायायिक जांच करवाए। जब तक इसकी जुड़िशल एन्क्वायरी नहीं होगी तब तक इस प्रकार की घटनाएँ बन्द नहीं होगी।

SHRI G. VISWANATHAN (Wandiwash): You have already made your observations.

MR. DEPUTY-SPEAKER: Order, please. Please sit down.

I think this question has come up for the second time. I think on the last occasion I heard the Minister of Parliamentary Affairs saying that they were collecting the information...

SHRI JYOTIRMOY BOSU: It is ten days now.

MR. DEPUTY-SPEAKER:....,and would share that information with the House. I want to know whether he has got anything to say now.

THE MINISTER OF PARLIAMENTARY AFFAIRS AND SHIPPING AND TRANSPORT (SHRI RAJ BAHADUR): I will request my colleague here, Mr. Mohsin, to collect the information from the State Government concerned. This incident has happened in a village, far in the interior. So, naturally, it will take time....

SHRI JYOTIRMOY BOSU: It is only 10 miles from the Azamgarh District town. Sir, he is misleading the House.

MR. DEPUTY-SPEAKER: Order, please. You are not allowing me even to hear him. Please wait.

SHRI K. P. UNNIKRISHNAN (Badagara): We do not want to hear the hon. Member's cock and bull stories.

SHRI RAJ BAHADUR: We have nothing to hide, Sir. If my colleague, the Deputy Minister in the Ministry of Home Affairs, has got any information, he would have given it to the House. Sir, it is a matter that essentially comes within the purview of the State Government.

SHRI JYOTIRMOY BOSU: Protection of minorities is a central subject.

SHRI RAJ BAHADUR: We are not saying that. We are collecting the information and as soon as the information is available, we will place it before the House.

SHRI G. VISWANATHAN: It is the duty of the majority community to protect the minorities. Here is your observation made ten days ago and the Government is yet to get the information.

SHRI JYOTIRMOY BOSU: Sir, you made that observation 15 days ago.

MR. DEPUTY-SPEAKER: Order, please. That is not going to help us. I am seized of the matter. You should also allow the Chair to make some observations.

SHRI CHANDRAJIT YADAV (Azamgarh): Really this question has been raised here. Therefore, I wanted to draw the attention of the Government through you. Otherwise I expressed my great distress even this morning to the Prime Minister. I talked to the Chief Minister also. It is a matter of shame that continuously three villages have been burnt, arson

[Shri Chandrajit Yadav]

and looting have taken place . . . (*Interruptions*) on a very large scale. Therefore, I would request—the Central Government has always been vigilant in such cases and the Central Government has always issued instructions and directions to the State Governments—that in such cases, particularly, when the lives and property of the minorities are not protected properly, serious steps should be taken. . . .

SHRI JYOTIRMOY BOSU: When?

SHRI CHANDRAJIT YADAV: I would request the Parliamentary Affairs Minister that he should immediately get in touch with the State Government. Those officers who have miserably failed to protect the lives of the minority, should be punished.

As my colleague, Shri Ham Dhan, has asked for a judicial inquiry, I would also request that a judicial inquiry should be instituted and the officers concerned should be suspended immediately. Only then, not otherwise, there will be a sense of security among the minority. I hope the Government will take note of it . . . (*Interruptions*).

MR. DEPUTY-SPEAKER: Please allow me to say something. (*Interruption*) If you don't allow me to regulate the House how can I carry on? Last time when this question came up, I said that this was a State subject and normally it would not come before the House; but, since it involved the minorities, it had to be treated as a special case. That is why I had allowed it. The Minister of Parliamentary Affairs had said at that time—must be about two weeks ago or ten days ago, I don't remember exactly, we shall consult the records,—that he or the Government would be collecting the information and then pass them on to the House. Now, this second incident has taken place. Why should it take such a long time, 10 days? I don't

know. I would ask the Government to respond to the strong feelings of the Members and get this information.

SHRI RAJ BAHADUR: I am grateful to you and to Mr. Chandrajit Yadav, General Secretary of the Congress, for the sentiments expressed; I may say that we share the concern expressed by hon. Members on this matter. We share their feelings. It is not the monopoly of Mr. Jyotirmoy Bosu alone to express concern.

SHRI JYOTIRMOY BOSU: Sir, he is casting aspersion on me. I say, you are a communalist. You are doing it for political purpose. (*Interruption*) You should be given Academy Award for talking irrelevant things and not fulfilling promises. (*Interruption*).

14.12 hrs.

DELIMITATION BILL—contd.

Clause 2 (*Definitions*)

MR. DEPUTY-SPEAKER: Mr. Bade, are you moving your amendments?

SHRI R. V. BADE (Khargone): Yes, Sir, I beg to move:

Page 2, lines 5 and 6,—

omit "having a Legislative Assembly" (20)

Page 2, line 6,—

omit "but does not include the State of Jammu and Kashmir" (21)

In my amendment No. 21 I wish to omit the words wherein it is stated—"but does not include the State of Jammu and Kashmir." I request the Minister to amend the Constitution and pending that, we should not say everytime that this will not extend to Jammu and Kashmir. And then, State including Union Territory. I want to omit the words 'having a Legislative Assembly'. I do not know why these words 'having a Legislative Assembly'

BUI

BUI

are put. I have given my amendment to omit these two words.

THE MINISTER OF STATE IN THE MINISTRY OF LAW AND JUSTICE (SHRI NITIRAJ SINGH CHAUDHARY): I made earlier reference to this point and I said that omission of Jammu and Kashmir does not mean that this Act will not extend. I said, this matter is governed or regulated by the Constitution (Application to Jammu and Kashmir) Order. This would be suitably amended after the passing of this Bill. As such it would not be possible to accept the amendment.

SHRI R. V. BADE: He has not replied to what I said: Why should the words 'Legislative Assembly' be put in there? These two words can be omitted.

SHRI NITIRAJ SINGH CHAUDHARY: Are you talking of amendment No. 20?

SHRI R. V. BADE: Yes.

SHRI NITIRAJ SINGH CHAUDHARY: The proposal of the hon. Member is for the omission of the words 'having a Legislative Assembly' This is in clause (g) relating to the definition of the expression 'State' The reasons which prompted the Members for the suggestion are not clear. Under the relevant provisions of the Constitution, Delimitation is undertaken in respect of States. On the previous occasion, that is, in 1962, the Govt. of Union Territories Act, 1963 was not on the statute book and naturally the position has since changed and it has become necessary to include within the ambit of the expression 'State' the Union Territory having a Legislative Assembly. While including Union Territory within the concept of State, it is necessary to confine it to such of those Union territories which have a Legislative Assembly and not a Union Territory not having a Legislative Assembly. In this view of the matter the suggestion to omit the words 'having a Legislative Assembly'

from the definition of 'State' cannot be accepted.

MR. DEPUTY-SPEAKER: I will now put amendments No. 20 and No. 21 to the vote of the House.

Amendments Nos. 20 and 21 were put and negatived.

MR. DEPUTY-SPEAKER: The question is:

"That Clause 2 stand part of the Bill."

The motion was adopted.

Clause 2 was added to the Bill.

Clause 3 Constitution of Delimitation Commission)

MR. DEPUTY-SPEAKER: Mr. Bade, are you moving your amendment?

SHRI R. V. BADE: I am moving the amendment. I beg to move:

Page 2, lines 11 and 12,—

for "each of whom shall be a person who is or has been a Judge of the Supreme Court or of a High Court"

substitute—

"one of whom shall be a person who is or has been a judge of the Supreme Court and another shall either be a person who is or has been a judge of Supreme Court or of a High Court" (2)

He should be a person who had been a judge of the Supreme Court and another who is at present or had been a judge of the Supreme Court, or if such a one is not available, of the High Court.

SHRI NITIRAJ SINGH CHAUDHARY: Sometimes it so happens that it becomes impossible to get Retired Judge of the Supreme Court. It is necessary that this provision should be there as it is, and attempts are made to get such persons.

MR. DEPUTY-SPEAKER: I will now put amendment No. 2 to the vote of the House.

Amendment No. 2 was put and negatived.

MR. DEPUTY-SPEAKER: The question is:

"That Clause 3 stand part of the Bill."

The motion was adopted.

Clause 3 was added to the Bill.

Clause 4 (Duties of the Commission)

SHRI R. V. BADE: I move amendment No. 22.

I beg to move:

Page 2,—

omit lines 28 to 33 (22)

I want to omit the words: 'Provided further that it shall not be necessary for the Commission to readjust the allocation of seats in the House of the People to any Union territory or the total number of seats in the Legislative Assembly of any of the Union territories of Goa, Daman and Diu, Pondicherry and Mizoram or the total number of seats in the Metropolitan Council of the Union territory of Delhi'. It is not necessary for the Commission to do so because it has got jurisdiction for the whole of India. Therefore I want that these lines 28 to 33 should be omitted.

SHRI NITIRAJ SINGH CHAUDHARY: While replying to amendment No. 20 I have given the reasons. The same reasons apply here also. This proviso cannot be deleted.

SHRI R. V. BADE: When the Commission has got jurisdiction, why should there be this special power?

SHRI NITIRAJ SINGH CHAUDHARY: These are governed by the Union Territories Act of 1963. There cannot be just two laws for the same purpose.

MR. DEPUTY-SPEAKER: I will now put amendment No. 22 to Clause 4 to the vote of the House.

Amendment No. 22 was put and negatived.

MR. DEPUTY-SPEAKER: The question is:

"That Clause 4 stand part of the Bill."

The motion was adopted.

*Clause 4 was added to the Bill.
Clause 5 (Associate members).*

MR. DEPUTY-SPEAKER: Hon. Members may move amendments to Clause 5.

SHRI R. V. BADE: I beg to move:
Page 2, line 35,—

*for "nine" substitute "ten" (3)
Page 2, line 35,—*

*for "four" substitute "five" (4)
Page 2, line 36,—*

for "House of the People" substitute "Parliament" (5)

Page 2, line 37,—

*after "Assembly" insert "or of the Legislative Council" (6)
Page 2, line 43,—*

for "House of the People" substitute "Parliament" (7)

Page 2, line 49,—

after "House" insert—

"and the strength of the members of the Political Parties represented in the House." (8)

SHRI RAMAVATAR SHASTRI (Patna): I beg to move:

Page 2, line 38,—

add at the end—

"from among the recognised political parties" (13)

Page 2, line 40,—

for "four" substitute "five" (14).

(Shri Ramavatar Shastri)

Page 2, line 42.—

for "nine" substitute "ten" (15)

Page 2, line 44,—

for "four" substitute "five" (16)

Page 3, line 4,—

for "two months" substitute "one month" (17)

SHRI B. V. NAIK (Kanara): I beg to move:

Page 2, line 37,—

for "five" substitute "four" (24)

SHRI R. V. BADE: I beg to move:

Page 2,—

after line 44, insert—

"Provided further that at least one of the Members of Parliament so nominated and at least one of the associate members so nominated shall belong to either the Scheduled Castes or Scheduled Tribes." (25).

SHRI R. V. BADE: I have moved many amendments to clause 5. My first amendment seeks to substitute ten in place of nine. Three members are from the Commission, and if there are nine Members, it would mean a total of 12, and in case of division between the members, there will be difficulty. So, I have suggested that the number should be ten, so that the majority will carry the point, and the same reason will apply for the number five also.

Then, instead of the words 'House of the People' I want the word 'Parliament' to be substituted. The hon. Minister has said, of course, that it is the House of the People which should be represented and not Parliament. But my argument is that Parliament, of course, represents the whole State, while the associate Members represent their own constituencies. When I am an associate Member, I shall be

always particular about my own constituency and when others come, then, of course, there is only stepmotherly stituency and when others come, then, be representation from the whole of Parliament, that is, from Rajya Sabha as well as Lok Sabha.

Then as my hon. friend Shri R. D. Bhandare had also suggested yesterday, I have suggested in another amendment that among the associate Members, there should be at least one from the Scheduled Castes and one from the Scheduled Tribes, because Government are very keen also that the Scheduled Castes and Scheduled Tribes should be represented. Therefore, I have moved an amendment which seeks to provide that:

"Provided further that at least one of the Members of Parliament so nominated and at least one of the associate members so nominated shall belong to either the Scheduled Castes or Scheduled Tribes."

Of course, this is a very simple thing, and a matter on which Government have also been laying stress. But here there is no mention of representation of Scheduled Castes and Scheduled Tribes. Therefore, I would request the hon. Minister to accept my amendment in this regard so that Scheduled Castes and Scheduled Tribes may be represented among the associate members.

श्री रामावतार शास्त्री : उपाध्यक्ष महोदय, इसमें नौ सदस्यों को रखने की बात कही गई है जिस में चार लोक सभा के रहेंगे और पांच विधान सभा के लिए जाएंगे। तो मेरी समझ में यह तर्क नहीं आया कि विधान सभाओं को तो आप यह अधिकार दे रहे हैं कि वहां के पांच पांच सदस्य रहेंगे, फिर इसके पीछे क्या तर्क है कि आपने यहां के लोगों को केवल 4 रखा? बॉटिंग के बारे में जो बड़े साहब ने कहा वह ठीक है। लेकिन इस दृष्टिकोण से भी दोनों को एक सा होना चाहिए और जब आप असेम्बली से

पांच दे रहे हैं तो लोक सभा से क्रम करने की आवश्यकता नहीं है। तो इस तरीके से जहाँ कहीं भी चार शब्द को मेशन किया गया है वहाँ उसे पांच बनाया जाना चाहिए और नौ को दस बनाया जाना चाहिए।

एक और मेरा संशोधन है धारा 5(1) के आखिर में वो कैसे चुने जाएंगे, उनका चुने जाने का आधार क्या होगा? तो मैंने आधार यह बतलाया कि अपने संशोधन के जरिए कि फ्राम एमंग दि रेकाग्नाइज्ड पोलिटिकल पार्टीज। ऐसा नहीं हो कि एक ही दल के लोग सारे के सारे चुन लिए जाएं असेम्बली के भी और लोक सभा के भी। ऐसा नहीं होना चाहिए। आप यह कह सकते हैं कि हमारे मन में यह बात नहीं है। हम सब में से लेंगे। लेकिन हम इस बात की सफाई से कहना चाहते हैं कि जो भी रेकाग्नाइज्ड पोलिटिकल पार्टीज देश के अन्दर हैं उनको यहाँ मेशन कीजिए और स्टेट्स में भी तथा यहाँ भी इसी आधार पर उन में से सदस्य चुने जाएं।

इस के बाद आखिर में एक और हमारा संशोधन है कि विधान सभाओं से स्पीकर नामजद करेंगे और यहाँ से हमारे स्पीकर नामजद करेंगे। विधान सभा के स्पीकर को आपने कहा है कि एक महीने के अन्दर उन को नाम दे देना चाहिए। यहाँ के स्पीकर को आप दो महीने क्यों दे रहे हैं? क्या बजह है? कौन सा उनको ज्यादा काम करना होगा? इसके पीछे आपका तर्क क्या है? मैंने यह अनुरोध किया है कि यहाँ के स्पीकर भी एक महीने के अन्दर ही नाम दे देंगे कि कौन कौन लोग लोक सभा से इस परिसीमन समिति में रहेंगे। दो महीने को मैं एक महीना करना चाहता हूँ। यह मेरे संशोधन हैं। मेरा विश्वास है कि सरकार इन संशोधनों को स्वीकार करेगी।

SHRI B. V. NAIK: I only want to press amendment No. 24 which has been accepted by the hon. Minister.

SHRI NITIRAJ SINGH CHAUDHARY: I accept amendment No. 23 which is the same as Nos. 3 and 11, amendment No. 4 which is the same as No. 12 and amendments Nos. 14, 15 and 16.

As regards amendment No. 5 moved by Shri R. V. Bade, which says that instead of the words 'House of the People' the word 'Parliament' should be substituted, the Delimitation Commission provides for delimitation of seats in areas from where the people will be elected Lok Sabha represents and is elected by people directly. The Rajya Sabha is not. Therefore, if the word 'Parliament' is substituted, then representation would have to be given to Members of Rajya Sabha, and since they are not elected directly by the people, it is not possible for us to accept that amendment. For the same reasons, amendment No. 6 by which he wants to include the Legislative Councils also which are also not directly elected by the people, cannot be accepted.

Amendments Nos. 8 and 13 are identical. It is not possible for me to accept them, because the Constitution does not recognise political parties.

In amendment No. 17, Shri Ramavtar Shastri wants that the Speaker of the Lok Sabha who under the Bill is given two months' time to nominate should be given only one month, and his argument is that the Speakers of the State Assemblies are given only one month's time and therefore, the Lok Sabha also should be given only one month's time. While the Speaker of a State Assembly has to consider the areas of the State only, the Speaker of the Lok Sabha has to take into consideration the entire country, all the States and all the regions and he has also to take into consideration the interests of the Scheduled Castes and Scheduled Tribes, and all the groups that are in the country in order to see that everyone is represented, and, therefore, he is bound to take time. Therefore, he must be given a reasonable time. Therefore, two months' time has been provided.

SHRI R. V. BADE: Why not accept amendment No. 24 which says:

"Provided further that at least one of the Members of Parliament so nominated and at least one of the associate members so nominated shall belong to either the Scheduled Castes or Scheduled Tribes."

SHRI NITIRAJ SINGH CHAUDHARY: I am afraid that the hon. Member has not read the entire composition of the Commission. Take the case of Jammu and Kashmir, where there is no Member from Scheduled Castes and Scheduled Tribes. What will happen to such States?

SHRI R. V. BADE: Wherever there is.

SHRI NITIRAJ SINGH CHAUDHARY: His amendment does not say that. It makes it imperative. Therefore, it is not possible for me to accept it.

MR. DEPUTY-SPEAKER: There are a number of amendments which the hon. Minister has indicated he would accept. I shall put these amendments one by one to the vote of the House.

The question is.

'Page 2, line 35,—
for "nine" substitute "ten", (3)

The motion was adopted.

MR. DEPUTY-SPEAKER: The question is:

'Page 2, line 35.—
for "four" substitute "five" (4)

The motion was adopted.

MR. DEPUTY-SPEAKER: Amendments 11 and 12 have not been moved because they are the same as 3 and 4. So they have not been taken into consideration. I put amendment No. 14 to the vote of the House. The question is:

'Page 2, line 40,—
for "four" substitute "five" (14).

The motion was adopted.

MR. DEPUTY-SPEAKER: The

question is:

'Page 2, line 42,—

for "nine" substitute "ten" (15)

The motion was adopted

MR. DEPUTY-SPEAKER: The question is:

'Page 2, line 44,—
for "four" substitute "five" (16)

The motion was adopted

MR. DEPUTY-SPEAKER: I shall put the other amendments the vote.

Amendments Nos. 5 to 8, 13, 17, 24 and 25 were put and negatived.

MR. DEPUTY-SPEAKER: The question is:

"The clause 5, as amended, stand part of the Bill."

The motion was adopted.

Clause 5, as amended, was added to the Bill.

Clauses 6 to 8 were added to the Bill.

Clause 9 (delimitation of constituencies).

MR. DEPUTY-SPEAKER: We now take up clause 9. There is an amendment.

श्री शिव कुमार सास्त्री (अलीगढ़) :
मैं प्रस्ताव करता हूँ कि पृष्ठ 5 की पंक्ति 21 के पश्चात् निम्नलिखित अन्तःस्थापित किया जाये—

"परन्तु जिस जिले में लोक-सभा के लिए एक ही स्थान (सीट) हो और जहाँ अनुसूचित जातियों की जनसंख्या 25 प्रतिशत से कम हो वहाँ लोक-सभा के लिए स्थान आरक्षित न होगा :

परन्तु यह और कि लोक-सभा और विधान-सभा के ऐसे स्थान, जहाँ से दो कालावधि के लिए अनुसूचित जातियों के सदस्य विधानमण्डलों में प्रतिनिधित्व कर चुके हों और जहाँ अनुसूचित जातियों अथवा अनुसूचित जन-जातियों की जनसंख्या 25 प्रतिशत से कम है, वह फिर आरक्षित न होंगे ।" (19)

SHRI NITIRAJ SINGH CHAUDHARY: Articles 330 and 332 of the

Constitution provide for reservation of seats for Scheduled Castes and Scheduled Tribes. Reservation has to be in certain proportion laid therein. During the discussion of the Bill I had made a detailed statement put to my misfortune the hon. Mover of this amendment was not present. If he was present he would not have moved this amendment. The reason why it cannot be accepted is that certain constituencies will have to be de-reserved because the number of S. C. is less than 25 per cent. There cannot be shifting or rotation of these constituencies for the simple reason that if rotation was accepted, Members may not take any interest in the welfare of the constituency knowing that they would not be contesting the election next time from the same constituency. Moreover, it is only equitable to reserve seats for Scheduled Castes, as far as possible, in the areas where they are in large numbers. Otherwise, they will have a legitimate grievance that in spite of their higher percentage of population, the constituency has not been reserved for them. The method of de-reserving or rotation of reserved seats for subsequent elections will pose a problem for the Election Commission or the Delimitation Commission and the method adopted may not suit the convenience of the elected members, aspiring members and the electorate.

Therefore it is not possible for me to accept this amendment.

MR. DEPUTY-SPEAKER: I shall now put amendment No. 19 to the vote of the House.

Amendment No. 19 was put and negatived.

MR. DEPUTY-SPEAKER I shall put all the other clauses of the Bill to the vote of the House. The question is:

"That clauses 9 to 11, Clause 1, the Enacting Formula and the Title stand part of the Bill."

The motion was adopted.

Clauses 9 to 11, Clause 1, the Enacting Formula and the Title were added to the Bill.

SHRI NITIRAJ SINGH CHAUDHARY: Sir, I move:

"That the Bill, as amended, be passed."

MR. DEPUTY-SPEAKER: Motion moved:

"That the Bill, as amended, be passed."

SHRI SAMAR GUHA (Contai): I want to take a few minutes at the third reading stages because I want this to go on record. There was reference by some friends for increasing the strength of the Lok Sabha. A circular was sent to us by the Election Commissioner suggesting that the present strength of the Lok Sabha should be increased to some arbitrary figure of 570. He did not give any reason why this figure should be raised arbitrarily like this. We are opposed, the Socialist Party is opposed to the increase in the strength of the Lok Sabha for the reason that there is no principle involved in increasing the number of seats from its present strength.

MR. DEPUTY-SPEAKER: You can speak on it if it comes within the purview of this Bill.

SHRI SAMAR GUHA: It has been discussed in this House.

MR. DEPUTY-SPEAKER: How has it been discussed? This Bill will have nothing to do with the increase in the number of seats in the Lok Sabha.

SHRI SAMAR GUHA: This has to be put on record. One reason why it has been suggested is that there were a few new States that have been constituted and they have to be provided for. This issue was thoroughly discussed by the framers of the Constitution and they felt that the issue of representation should not be kept flexible. They laid down a certain optimum limit. The reason is that representation cannot be proportionate

[Shri Samar Guha]
to the rate of growth of population. 570 may be possible in 1981 but in 1991 the numbers will grow and after twenty or thirty years this number will have to be increased to 1,000. The House of the People will turn into a mela or a bazar. After thirty or forty years it may so happen that we may have to go into the business of representation, whether it will be direct representation or some electoral college has to be set up in the panchayat level or some other level. That has to be thought of by our future generation. As I said, the farmers of the Constitution have said that the basis of representation cannot be proportionate to the rate of growth of population and if it is related to that, it will be extremely difficult.

Now the question arises: how to find the six seats, the figure that was given to us. Haryana with a population of nine million has nine seats.

MR. DEPUTY-SPEAKER: All these things are relevant when the relevant Bill for this purpose comes before the House.

SHRI SAMAR GUHA: I know. This point did not get publicity and so it is necessary for us to put it on record. Himachal Pradesh with three million people has four representatives. With nine million and nine seats in Haryana, if we take that basis, the representation from Jammu and Kashmir will be 3 or 4 from Himachal Pradesh less than 4. We should have rationalisation. Delhi has only four million people but the representation from Delhi is extra-ordinary. The population of Haryana is nine million and its representatives number nine. There is no rationale behind the representations of these smaller States like Jammu and Kashmir, H.P. or Delhi. If Haryana which has the least number of representatives is taken as the standard and on the basis of that if the representation for the smaller States or Union Territories is fixed, it will be possible to find out six extra seats, without there being any necessity of having any change in the Constitution.

Coming to this Bill, wherever these delimitation committees are formed, members will be chosen from Parliament or the Assembly. Although they will be associate members, our past experience is their views are not taken into consideration and there is a lot of injustice being done. In some States, particularly Assam, the areas are so delimited that it suits a certain personality or certain political party so that it will be helpful for them to get elected. Some good amendments moved by opposition members in this regard have not been accepted. Our past experience is bitter. A lot of partisan attitude is taken in the delimitation of our constituencies. I would request the minister to assure the House that there will be no partisan attitude in choosing the area for the Lok Sabha or Assembly constituencies.

श्री शम्भू नाथ (सैदपुर) : उपाध्यक्ष महोदय, अभी जब हाउस की तरफ से परि-सीमन समिति बनने में शेड्यूल्ड कास्ट और शेड्यूल्ड ट्राइब के लोगों को रिप्रेजेंटेशन देने की बात आई तब मिनिस्टर साहब ने भी इस को माना कि दो महीने का समय स्पीकर को इस लिये दिया जा रहा है कि उनको कई तरह से सोचना है और शेड्यूल्ड ट्राइब्स और शेड्यूल्ड कास्ट्स को रिप्रेजेंटेशन देना है। जहां तक मुझे मालूम है, जब 1961 में कमेटी बनी थी उस समय भी उस में शेड्यूल्ड कास्ट्स और शेड्यूल्ड को पूरा रिप्रेजेंटेशन नहीं दिया गया था। मैं मंत्री महोदय से कहूंगा कि आज 523 सीटों में 86 सीटें हम लोगों के लिये हैं लोक सभा के अन्दर। यह करीब छठवां हिस्सा होता है। इसी तरह से स्टेट्स में भी है। ऐसी हालत में जो समिति बनेगी, जैसा अभी आप ने कहा है, क्या कोई ऐश्वर्य होगा कि केन्द्र और स्टेट्स में कितना रिप्रेजेंटेशन दिया जायेगा अगर आप पुरानी बात देखें तो पहले भी उन को कोई रिप्रेजेंटेशन नहीं दिया गया था। क्या उसी की पुनरावृत्ति इस बार भी होगी

या जो ऐम्बोक्स दिया गया है उस पर प्रमल किया जायेगा ?

श्री रामावतार शास्त्री : उपाध्यक्ष महोदय, मैं इस परिसीमन विधेयक का समर्थन करता हूँ। यह जो बिल लाया गया है यह उचित ही हुआ है। 1971 की मर्दुमशुमारी के अनुसार हमारे देश की आबादी बढ़ गई है। इस बढ़ी हुई आबादी का प्रतिनिधित्व विधान सभाओं और लोक सभा में होना चाहिए। इसी उद्देश्य से यह विधेयक यहां प्रस्तुत किया गया है। इसलिये मैं इस का समर्थन करता हूँ।

समर्थन करते हुए मैं एक आध बातें कहना चाहता हूँ। इस में जिन सदस्यों का निर्वाचन या मनोनयन किया जाये उस में यह बात जरूर ध्यान में रखी जाये कि सभी विचारों और सभी तरफ के लोगों का उस में प्रातिनिधित्व हो जाये ताकि किसी को यह शिकायत करने का मौका न मिले और वह एक बेल रिप्रजेंटेटिव बाड़ी मानी जाये। इस में इंटिग्रिटी के लोग ही रखे जायें। हमारा अनुभव है कि 1961 में जो डिलिमिटेशन कमेटी बनी थी उस में ऊपर से प्रेशर डाल कर मिनिस्टर या दूसरे लोग अपने क्षेत्रों को अपने अनुकूल बनवाने की कोशिश करते थे और उन के पक्ष के लोग मेम्बर बन कर आ जाते थे। इस समय मौका नहीं है कि मैं विस्तार में जाऊँ लेकिन मेरा खुद का ऐसा अनुभव है। अगर इस बार ऐसा होगा तो हंगामा होगा और सब तरफ के लोग ऐसा करायेंगे। इस बार भी कंस्टिट्यूएन्सी की जेरिमन्डरिंग होगी। मैं कहना चाहता हूँ कि जो सही आधार है भौगोलिक सीमा वगैरह का उसी के आधार को स्ट्रिक्टली फालो किया जाना चाहिए। एक कंस्टिट्यूएन्सी को काट कर के दूसरी में मिला देना, कहीं का क्षेत्र कहीं डाल देना, यह नहीं होना चाहिए। जब इस बात का ध्यान रखा

जायेगा तभी इस का उद्देश्य पूरा होगा नहीं तो आप-संख्या तो बहुत बढ़ा देंगे लेकिन लोगों में असन्तोष बढ़ेगा और निर्वाचन क्षेत्रों का सही मानों में पुनर्निर्धारण नहीं होगा।

श्री तीतिराज सिंह चौबरी : उपाध्यक्ष महोदय, जिस समय इस बिल पर बहस हो रही थी दुर्भाग्य से उस समय श्री समर गुह यहां नहीं थे, वरना उन्होंने जो बात कही उस के कहने की जरूरत नहीं थी। दूसरे लोगों ने भी वही बात कही है और उन का उत्तर दिया जा चुका है। जो कुछ श्री गुह ने कहा उस का सम्बन्ध इस बिल से नहीं है, इस लिये उस की बाबत कोई विशेष उत्तर मैं नहीं देना चाहता।

अभी श्री रामावतार शास्त्री ने नामजदगी के बारे में कहा। जैसा आप ने अर्ध का नामजदगी शासन को नहीं करनी है, स्पीकर को करनी है। मुझे विश्वास है कि जिस समय अध्यक्ष महोदय नामजदगी करेंगे वह श्री शास्त्री की भावना का आदर करेंगे और उस के अनुसार ही नामजदगी करेंगे।

श्री शास्त्री ने दूसरी बात सीमा निर्धारण के सम्बन्ध में कही कि कहीं ऐसा न हो कि उल्टे सीधे लोग आ जायें। यदि वह बिल को पढ़ें तो उस में कई बातें हैं जो सीमानिर्धारण के सम्बन्ध में दी गई हैं। उन के अनुसार ही सीमाएँ निर्धारित होंगी और मैं समझता हूँ कि ऐसा कोई अवसर नहीं आयेगा जब कोई आपत्ति कर सके कि इस तरह से नहीं किया जाना चाहिए।

MR. DEPUTY-SPEAKER: The question is:

"That the Bill, as amended, be passed."

The motion was adopted.

14.48 hrs.
**STATE FINANCIAL CORPORATIONS
(AMENDMENT) BILL**

MR. DEPUTY-SPEAKER: We take up the next Bill by Shrimati Sushila Rohatgi further to amend the State Financial Corporations Act, 1951.

THE DEPUTY MINISTER IN THE MINISTRY OF FINANCE (SHRI-MATI SUSHILA ROHATGI): I beg to move*:

"That the Bill further to amend the State Financial Corporations Act, 1951, be taken into consideration."

As the House is aware the State Financial Corporations Act was passed in 1951 to provide for the establishment of State Financial Corporations in the States for rendering financial assistance to small and medium scale industries. Practically all the States have now established Financial Corporations in their respective territories. In regard to States and the Union Territories other than Delhi, which are small in area, the State Financial Corporation in the adjoining State serves as a Joint Financial Corporation. Negotiations are in progress for the extension of the jurisdiction of the Assam Financial Corporation to the State of Nagaland. The Union Territory of Andaman & Nicobar Islands has been addressed to consider setting up a Corporation. Action is being initiated to extend the jurisdiction of the Kerala Financial Corporation to the Laccadive Minicoy and Amindivi group of Islands.

Since the last amendment to the Act in 1962, the activities of these Corporations have increased considerably. During the last financial year 1971-72, the aggregate loans sanctioned were of the order of Rs. 63.35 crores as against Rs. 49 crores of the year 1970-71 and Rs. 32.40 crores in the year 1969-70. The aggregate loans granted by the corporations since their inception amount to Rs. 291 crores covering 17,797 units. Of this, the number of small scale units assisted

was 15, 447 which received financial assistance of Rs. 141 crores. The aggregate paid up capital of the Corporations stood at Rs. 6.06 crores and their reserves at Rs. 6.06 crores. The number of Corporations which had to draw subventions has now declined to two and the subventions drawn also are at present insignificant. The Reserve Bank of India and the Industrial Development Bank of India have been assisting the State Financial Corporations in finding resources in the form of capital and bonds in the market and have also been providing refinance and loan assistance at concessional rates of interest to the extent, financial corporations are able to utilise them.

The House may recall that concessional schemes of finance have been announced by the all-India term lending institutions for the establishment of small and medium scale industries in various backward areas notified by the Planning Commission. The Corporations' role is no longer confined to that of a mere purveyor of term loans to such industrial concerns as they seek them. The Corporations have to search for and implement positive programmes in ever widening fields of activities for the stimulation of industrial growth especially in the backward regions. There is a proposal for a World Bank Loan for of 25 millions U.S. dollars to be routed through the Industrial Development Bank of India for meeting the foreign exchange requirements of the loanees of State Financial Corporations. With the nationalisation of banks and the spread of a network of branches of these banks throughout the country, there is need for State Financial Corporations also to play a more useful part in the field of development of banking, particularly in less industrially developed regions of the country by extending financial assistance to new entrepreneurs. It has, therefore, become necessary to equip these corporations

*Moved with the recommendation of the President.

a proprietorship or a partnership concern.

Some of the Union Territories have contiguous areas with more than one State. Under the present law such Union Territories can enter into an agreement with only one State for forming a Joint financial corporation. It is now proposed that the administrations of Union Territories may form Joint financial corporations with one or more States depending upon the States contiguous to each of its areas.

The other amendments are explained in some details in the Statement of Objects and Reasons and in the Notes and Clauses and are minor, consequential, clarificatory and of a procedural nature and I need not take any further time of the House to explain them.

With these remarks, I commend the Bill to the House for consideration.

MR. DEPUTY-SPEAKER: Motion moved:

"That the Bill further to amend the State Financial Corporations Act, 1951, be taken into consideration."

SHRI SOMNATH CHATTERJEE (Burdwan): Mr. Deputy-Speaker, Sir, so far as this Bill seeks to extend the coverage by enlarging the definition of industrial concerns, we welcome it, because it makes various other types of industries or businesses eligible for financial assistance from the State Financial Corporations. But there are certain provisions of this Bill on which we feel that they have been incorporated without giving much thought to them.

For instance, take the provision which is sought to be incorporated by clause 4 as new section 4A. The hon. Deputy Minister said just now that this is the most important provision sought to be included by this amending Bill. This new clause 4A pro-

vides for the issue of a special class of shares. Here is a case where Parliament is being asked to abdicate all its powers and functions, so far as legislation is concerned. It says that the uncalled or unutilized capital of the various State Finance Corporation will not be used or issued by the State Finance Corporation under the previous existing law, but shall be issued to the State Government and the Reserve Bank or according to their directions. Kindly see sub-clause (3), which says:

"The funds representing the capital subscribed as aforesaid shall be used only for such purposes, in such manner and for rendering assistance to such class or category of industrial concerns, as the Reserve Bank may, in consultation with and after obtaining the advice of the State Government, specify in this behalf from time to time...."

This is how the special class of shares is sought to be allotted and the hon. Minister says that this is the most important provision of the amending Bill. We do not know for what purposes the special class of shares is being issued. Everything is left to subordinate legislation—the number of shares issued, to whom issued and for what purpose it is issued.

It is mentioned on page 11 of the Bill, in the Statement of Objects and Reasons:

"For these purposes, the corporations should provide assistance on soft terms to deserving units in the small and medium scale sectors of industry."

Therefore, the intention is to utilize the money that will be available by the issue of this special class of shares by giving it to deserving units in the small and medium scale sectors of Industry.

15.00 hrs.

Why don't you provide that in the Bill? Will the Statement of Objects and Reasons govern the construction of the Bill? The Statement of Ob-

[Shri Som Nath Chatterjee:]

jects and Reasons has not to be looked into under the ordinary rule of construction. This is the most ordinary provisions. The Statement of Objects and Reasons lays down the principles on which the Bill is sought to be enacted. But the relevant Section does not say anything like that. I completely leaves it to the discretion of the Reserve Bank of India. Although a new class of shares is being floated or is mandatorily to be issued by the Reserve Bank of India, the Parliament does not know for what purpose it is issued.

It is important to note that Sections 47 and 48 lay down that the State Financial Corporations, can make rules and regulations. Now, with regard to Sections 47 and 48, no rules, no regulations, need be made at all as provided in the proposed piece of legislation. But some rules and regulations which nobody will know will be framed which need not be published. We do not know anything about them. This amending Bill does not make any provision even for the publication of rules and regulations.

Why should Parliament completely abdicate its powers. I do not know. If the intention is there as it appears to be in the Statement of Objects and Reasons, why don't you provide that by issue of a special class of shares, the money will be utilised for the purpose of helping the small and medium-scale industries? That is a very laudable object. We support that. We want that small and medium-scale industries should be given financial assistance, which they are not given. This is one of their grievances.

The Industrial Finance Corporation is more in favour of big business houses which have got a large scope of raising money. The small and medium-scale industries are not getting any preference. Why should it be left to the discretion of some officer in the Reserve Bank of India? Why should not the Parliament lay down that? I fail to understand that.

It shows not only scant respect is paid to Parliament but it shows, probably, up till now, nobody has applied his mind to it. That is why nobody has taken care to see that. The Draftsman who is no doubt to give effect to the policies of this Government has not even thought about it or has not been asked to think about it. This is my first point with regard to special class of shares. I think, it is essential that not only the mode of utilisation of money should be indicated but it should be indicated specifically in the statute, and that the regulations at least should be made available and placed before Parliament, and the Parliament may consider these matters. Why should Parliament abdicate its powers?

Then, the scheme of the Bill is to replace the Industrial Finance Corporation about which we were discussing yesterday and to replace it by the Industrial Development Bank so far as the functioning of the State Financial Corporations is concerned. The Industrial Finance Corporation deals with an all-India perspective. They do not deal with heavy industries as the Industrial Development Bank does. The State Financial Corporations in their restrictive spheres of activity have to deal with not only heavy industries but they are also expected to deal with small and medium scale industries. Yesterday, one of our appeals to the Government was to kindly see that there is a proper coordination, proper inter-connection of activity, between the State Financial Corporations and the Industrial Finance Corporation.

Now, we find that although the scope of the sphere of activity of the Industrial Development Bank is completely different from that of the State Financial Corporations, the State Financial Corporations are being brought under the complete hegemony of the Industrial Development Bank. This is a lopsided way of looking at things. If you want proper coordination, if you want that there should not be any friction bet-

ween the State Financial Corporations and the Industrial Finance Corporation who have to do the same type of job, why do you bring in the Industrial Development Bank?

I heard the hon. Deputy Minister saying that the Industrial Development Bank will provide funds. Because they will provide funds, that does not mean that they will replace the Industrial Finance Corporation which will be an all-India body and its place will be taken by the Industrial Development Bank.

If you see clauses 7, 11 and 12, you will find that the whole basis of the change is nothing but replacing the Industrial Finance Corporation by the Industrial Development Banks.

So far as clause 6 is concerned, I have got certain submissions to make. Yesterday also I made submissions on identical provisions in the other Act. It says that the State Financial Corporation can transfer its rights with regard to certain documents or bonds, etc., somebody else. But we are blissfully ignorant as to who is that somebody else. No provision has been made at all. This is the very same point I made yesterday and no answer was given to that point with regard to the other Act, as to who are going to be the persons who will be the transferees. Does it depend on the sweet will of the State Financial Corporations to transfer to anybody else it likes.

Again, you kindly see the Statement of Objects and Reasons. No thought has been given to this matter. The Statement of Objects and Reasons with regard to this clause says that other institutions are intended to be the transferees. For construing the meaning of this Act when it is passed, everytime one has to have a copy of the Statement of Objects and Reasons to find out what does it mean. Even then, that is not very clear.

The Statement of Objects and Reasons says:

"To ease the constraint in the resources of the Financial Corporations, it is provided in clause 6 that the instruments relating to loans or advances granted by a Financial Corporation may be transferred to other institutions."

Now, the word "institutions" we are getting in the Statement of Objects and Reasons, but even that word is not appearing in the body of the clause. What is the object behind it? Was any thought given at the time of drafting of the Bill? I do not know. I hope, the hon. Minister will kindly clarify this at least today. Yesterday, she did not do that.

If you see clause 7A, it says:

"...the Financial Corporation may, notwithstanding such transfer, act as the trustee for the transferee."

What will be the object? Why this provision for transfer to an unnamed, undisclosed, object and, when the transfer is made, what will be the consideration for transfer? We do not know for what purpose the Financial Corporation goes on acting as the trustee in respect of its transferees. I submit there is no rationale behind it. We do not understand this at all. If the Government has at all given its thought to it, I have doubts, with all respect to the hon. Deputy Minister. Let us try to have what is the purpose behind it, and how it is proposed to be worked out.

We are supporting the main object of the Bill, namely, expanding the scope of applicability of this legislation to various institutions. But while doing it, you include provisions by way of amendment which either are not workable or do not convey any meaning.

Then, clause 5, sub-clause (a) says:

"(a) in sub-clause (1), for the words "and with the approval of the Central Government", the words "based on the advice of the Reserve Bank" shall be substituted;"

[Shri Somnath Chatterjee]

I find this is an innovation in drafting. It says that something has to be done based on the advice of the Reserve Bank. I am quite happy that the Central Government's approval is not necessary. What is meant by "based on the advice of the Reserve Bank"? Are they obliged to follow the advice? Does it mean more than "consultation"? Is it incumbent on the State Financial Corporations to accept the advice of the Reserve Bank? Why don't you use the ordinary language of the law which has been used and which has stood the test of time? Either say "approval" or say "consultation". What does "based on the advice of the Reserve Bank" mean?

Here, clause 7 says:

"...after the words "in consultation with" the words "and after obtaining the advice of" shall be inserted."

Is it a mandatory advice? Is the advice binding on the State Finance Corporations? I do not know whether any consideration has been given to that.

Then, you see clause 14.

It is an amendment proposed to section 23 of the principal Act:

"Provided that the State Government may, in consultation with and after obtaining the advice of the Reserve Bank, specify the class or categories of posts in respect of which appointments may be made by the Board on such remuneration and other conditions of service as the Board may determine, and no regulation made under this Act shall apply to such posts in respect of matters so determined by this Board"

It is said in 'Notes on Clauses':

"Clause 14 provides that in respect of certain categories of posts specified by the State Government in consultation with the Reserve Bank, the Board may determine

the remuneration and other terms and conditions, without the need to frame regulations."

I do not know whether a special class of officers are being sought to be created; I do not know what will be their duties and functions. Why should the regulations which are applicable to all other officers not be made applicable here also, to these officers also? Again on obtaining 'advice', a similar lacuna is there. What will be the functions of these officers what sort of posts are intended to be created, why should the regulations which are applicable to all others should not be made applicable to them also, nothing has been said in the Statement of Objects and Reasons...

SHRIMATI SUSHILA ROHATGI:

He is asking for the definition of 'advice'. May I know how he would define the word 'advice' Is it something mandatory or just a consultation? I may be guided by his advice.

SHRI SOMNATH CHATTERJEE:

the question is what is the intention of the Government. You have moved this bill. You have to say whether you want that advice to be binding on the State Financial Corporation or it is just consultation. Consultation is not binding, need not be binding. Therefore, find out what the learned draftsman have thought about it. (Interruption). We do not want to be told by the people that we have been a party to this type of legislation. What I am trying to submit is this. If necessary, they may bring the amendments tomorrow. The hon. Deputy Speaker has been kind enough to the Government in allowing amendments.

There is a provision which has been made by which the State Finance Corporation will no longer be required to make payment to the State Governments which, under the present Act, they are obliged to do. We support it; it is good; why should the State Government get money from the State Finance Corporation?

But the ceiling that was there on the quantum of dividend to be declared is now being withdrawn. We wish to know why this ceiling is being withdrawn. Clause 23 deals with that. I find from 'Notes on Clauses':

"Clause 23 seeks to remove the present ceiling on the rate of five per cent on the dividends which may be declared by a Financial Corporation once it builds up its reserve fund equal to its share capital and also to provide that the surplus after payment of dividend need not be transferred to the State Government concerned but may be retained in the Corporation, in order to strengthen the reserves."

That is a very laudable thing; the second part is good; we want it. But why should the ceiling on the rate of dividend be withdrawn? The main subscribers to the capital of the institution are the Central Government or the State Government or IDBI or the Reserve Bank. Are they so keen to get more than 5 per cent dividend that you are withdrawing the ceiling? Not more than 25 per cent of the share capital can be subscribed by anybody except the Central Government and the financial institutions. For these shareholders, are you going to withdraw or remove the ceiling so that any amount of dividend can be declared? Does the Central Government or the IDBI want to have the State Financial Corporations as a money-making machine for them? Is the rate of dividend the test for the proper functioning of the State Financial Corporations? Merely giving out statistics will not do. We want to know what funds you are making available to the State Financial Corporations. There is an optimum limit of Rs. 2 crores. They do not have the share capital more than that. You do not make funds available to them. Statutory limits are there on the share capital. But you want more dividend to come to the Central Government or IDBI whoever it may be. I submit that this proposal is also not a desirable proposal and this should be dropped.

I come to Clause 28. It says:

"All regulations made under this section shall be published in the Official Gazette and any such regulation shall have effect from such earlier or later date as may be specified in the regulations."

Now, power is being taken to make the regulations with retrospective effect, without indicating the nature of the regulations. I wish to draw the attention of the hon. members in this House with regard to two very important matters. Even regulations are not to be framed. They are talking about publication in the Official Gazette. They are not even to be framed. The existing regulations will not apply to them. Here you are taking power to make regulations with retrospective effect; with regard to what matters, we do not know. What is the necessity to take power to make regulations with retrospective effect, I do not know. The Supreme Court has said in a very recent judgment that you cannot make regulations with retrospective effect; whether this was taken into consideration, I do not know. Kindly take that into account.

I am sorry, I could not give my amendments to this Bill. I find now, specifically, this power has been taken to make regulations with retrospective effect, and they have made it very clear in their Statement of Objects and Reasons. I submit that there is a lacuna in the Bill. Certain proposals have been thought of without clearly trying to visualise the implications of them. We are told that consultations have been made with the State Financial Corporations. I do not know whether they have been agreeable to become subject to the jurisdiction of IDBI and not subject to the jurisdiction of IFC. What reason is there, we do not know. We want, as I submitted in respect of a similar Bill yesterday, that these financial corporations should play their part in the development of the industries in this country. We should not be enamoured of the big business houses only as in the past we have been.

[Shri Somnath Chatterjee]

These manipulations are there; monopoly houses have their own methods of getting funds from these places. We want the small entrepreneurs, the enterprising businessmen, who are suffering for lack of capital, to be patronised. We want to know what the Government is doing for them. We want that there should be proper coordination between the different financing institutions. They should have their separate areas of operation. Why should the IDBI, which is only concerned with heavy industries, come here and interfere with the functions of the State Financial Corporations? I have not been able to understand this.

With these words, I support the main purpose of the Bill.

MR. DEPUTY-SPEAKER: What do you propose to do to remove the lacunae?

SHRI SOMNATH CHATTERJEE: At 4.00 there is another discussion. We would place the amendments tomorrow if that is allowed.

MR. DEPUTY-SPEAKER: You have not brought forward any amendment.

SHRI SOMNATH CHATTERJEE: That is true.

MR. DEPUTY-SPEAKER: There should be some way of correcting them.

SHRI SOMNATH CHATTERJEE: We are anxiously waiting for the reply of the Minister, whether she agrees to my suggestions or not.

MR. DEPUTY-SPEAKER: Even if she agrees, without proper amendments, they will be useless.

SHRI SOMNATH CHATTERJEE: We can bring them tomorrow.

MR. DEPUTY-SPEAKER: Mr. B. V. Naik.

SHRI B. V. NAIK (Kanara): I welcome this Bill which wants to change over and regulate the working

of the State Financial Corporations. In the opening remarks about the State Financial Corporations, the hon. Minister was good enough to say that this is intended to reduce the regional disparities as far as the industrial development of this country is concerned.

While I very much welcome and appreciate the anxiety to remove the regional disparities in the industrial development in this country, I would like to quote a few figures in regard to two States which, statistically speaking, can be said to be more or less identical. I compare between the two States of Bihar and Maharashtra. Bihar has, in the country as a whole, a population of 10 per cent of the total country's population. Maharashtra has 9.20 per cent. Bihar has an area, in the country as a whole, 5.3 per cent and Maharashtra has 9.4 per cent. But, in the distribution of the total amounts of loans sanctioned in respect of these two States, we find that Bihar has been hardly able to get 3 per cent and the State of Maharashtra has been able to get approximately 17 per cent.

Here, I am trying to make the point.

MR. DEPUTY-SPEAKER: From whom? We are talking of the State Financial Corporations.

SHRI B. V. NAIK: State Financial Corporation's loan operations in respect of various States—I am comparing a backward State like Bihar with an advanced State like Maharashtra in order to find out as to how far we have been able to or been successful in removing these regional disparities. These are only some of the glaring disparities.

MR. DEPUTY-SPEAKER: Regional disparities within the State?

SHRI B. V. NAIK: In the whole of India.

MR. DEPUTY-SPEAKER: We are not talking of the whole of India. We are talking of the State Financial Corporations.

SHRI B. V. NAIK: State Financial Corporations as are applicable . . .

MR. DEPUTY-SPEAKER: I wonder whether the hon. Member has read the Bill.

SHRI B. V. NAIK: I have gone through the Bill, the amending Bill of 1972. I would like to add a few more words.

It was also stated that in regard to the regional disparities one of the best suggestions that has come forward was in respect of very backward areas and the backward areas in respect of each of one of the States. May I submit here a specific case? While it is welcome that the backward areas are receiving an impetus through a multiplicity of agencies like the Industrial Development Bank, IFC, ICICI, etc., including the 14 nationalised Banks in our country, in actual practice, as far as the finances that are available to these industries are concerned, we find that there is a very limited scope and impact that is made in respect of the various States...

MR. DEPUTY-SPEAKER: You should have spoken on yesterday's Bill, not to-day's Bill.

SHRI B. V. NAIK: I am speaking in relation to this one only. I have gone through its provisions...

MR. DEPUTY-SPEAKER: You are one day late, Mr. Naik.

SHRI B. V. NAIK: Then, I will come to very relevant provision.

PROF. MADHU DANDAVATE (Rajapur): The figure of disparities as are pointed out by the hon. Member are illusory. The disparities which we have to consider here are those between the various regions of the same State as far as the resources of the State Financial Corporations are concerned.

MR. DEPUTY-SPEAKER: That was the point I am trying to point out to him.

SHRI B. V. NAIK: I am subject to correction. But, as far as the illusions are concerned, I have also been able to find out that even within a State.

PROF. MADHU DANDAVATE: That is an optical illusion.

SHRI B. V. NAIK: Even within a State there have been also disparities. For example, in the State of Maharashtra, out of 27 districts, there are 13 districts which are considered as backward. Sir, I am not in the habit of laying papers on the Table. But, this particular relevant paper, for the satisfaction of the hon. Members, could be placed on the Table, I would do it, but it is not very necessary.

SHRI JAGADISH BHATTACHARYYA (Ghatal): Sir, there is no quorum.

MR. DEPUTY-SPEAKER: Will you take some rest, Mr. Naik, so that we may call the quorum?

Let the quorum bell be rung.

Now, there is quorum, the hon. Member may continue.

SHRI B. V. NAIK: I have checked my figures once again. This is a press clipping from the *Economic Times*, Bombay, dated 29th May, 1972. It is Table V and the caption is 'State Financial Corporations and regional industrial disparities'.

Therefore, I would like to submit that these are the figures which are very relevant in regard to the point which was stated by the hon. Minister that one of the objectives of this amendment to the State Financial Corporations Act, that is being brought forward, is to remove the regional disparities. I will go further because these are the quotations from the *Economic Times* of Bombay.

In regard to these two States, I will try to say that while in one State, compared to the area and the population, the disbursements, and that is to say the finances available through these recognised institutions are more, in the other, they are less.

[Shri B. V. Naik].

I will now come to another point of relevance in regard to the objective for which this particular Bill tries to make room and that is regarding the selection of the very backward areas. There are certain criteria that have been laid down. But, I very much wonder whether the objective criteria regarding industrial development are observed. We had in the State of Mysore formerly selected one district for industrial development, and, one of the principal features is that the capital subsidy is available for industries in these very backward areas. Thereafter, the number of these very backward areas where the capital subsidy was available was raised to two. Thereafter, when the proposals were called for, we thought that the industrial backwardness has got absolutely no relevance as far as the selection of these districts is concerned and in respect of the areas being backward and having a potential for development, there has been a certain amount of neglect. In this behalf, I would request that in regard to the selection of areas, at least the discrimination in the choice made of the districts by the process of the bureaucratic choice or the governmental proposal which were then okayed at the national disposal is glaring. For example, in the State of Mysore, Raichur district was chosen. Thereafter, some more proposals were called for and so, two more districts were sent. Now, we find that the districts of Dharwar and Mysore—both of them are very considerably advanced industrially—have been chosen as eligible for the purpose of capital subsidy to institutions having a total block capital upto Rs. 50 lakhs which means a capital subsidy of Rs. 5 lakhs being straightaway given to them.

Really, very backward districts like North Kanara have been skipped over. Financial institutions should do justice for promoting industrial growth in very backward areas. But this should be done on its own merit, on the basis of the potentialities. I request that the agencies must be

suitably advised to see to it that promotional work is also carried out.

About new entrepreneurs, a reference was made by the Minister in the opening speech. Most of the new entrepreneurs should have substantial amount of promotion money whether it is nationalised banks or State Bank of India, which has gone to the extent of about five thousand crores of rupees with liberalised terms and conditions. The basic bottleneck is this. In the majority of the cases, the preparation of project report itself involves approximately 10 per cent of block capital cost of particular industries. An industry costing 10 lakhs will be costing no less than about Rs. 50,000 and not more than Rs. 1 lakh.

As has been noticed more than once in respect of the financial institutions as well as other Corporations and banks functioning under the Finance Ministry, there is multiplicity of these agencies both at State and national level. We have a feeling like this. The right hand does not know what the left hand is doing.

Unless in our plan of financing we are able to finance project report which will be dependent again upon the worth and value of a project, our promotion to various industries is well nigh impossible.

Industrialists are a fringe of the population. Even if this fringe is to come from a particular section of society it should make much of a dent in our socio-economic programmes.

I now come to the Clause which relates to those areas where the financial institutions, banks and other agencies operate. There is a particular sector of our economy which is called as black money or grey money. This is the industry of hotelery. I see no reason why such an entertainment industry should be treated in this way. I am not biased against it. This industry has been financed left and right with black money, white money, grey money etc. This is financed by scheduled banks, non-scheduled banks and private financiers.

and all that. Therefore, I do not know why they should try to finance this once again. What is the productive role that they play? Without making observations in regard to specific amendments, what I would urge is that such clauses like No. 2(a)(iii) providing for financing of the hotel industry could safely be avoided and the rest of the Bill accepted.

*SHRI E. R. KRISHNAN (Salem): Hon. Mr. Deputy-Speaker, Sir, I am thankful to you for giving me an opportunity to say a few words on behalf of my party, the Drivida Munnetra Kazhagam, on the State Financial Corporations (Amendment) Bill, 1972.

Sir, one of the welcoming features of this Bill is that the definition of "industrial concern" has been enlarged and I am sure that more industries like the hotel industry will be able to avail of the financial assistance from the State Finance Corporation. While I extend my full support to such good features of this Bill, I have not to refer to certain retrograde provisions in the Bill.

In the parent Act in regard to the provision of the appointment of the Managing Director of S.F.C., it is stated that the State Government will do this in consultation with the Reserve Bank of India. But, here is Clause 7, it is provided that the State Government will not only have consultation with the Reserve Bank of India but the State Government will also have to obtain the advice of the Reserve Bank of India in the matter of appointment of the Managing Director of S.F.C. It is just like the teachers chastising the children that they must do certain things after obtaining the advice of their elders. What is the difference between "in consultation with Reserve Bank" and "after obtaining the advice of Reserve Bank"? Some sort of a courtesy had been shown to the State Government in the parent Act. This amendment is an insult to the ingenuity of the State Government in the sense that the Reserve Bank alone is the repository

of all wisdom and the State Government is not capable of even selecting a proper person for the post of the Managing Director of S.F.C. As this amendment shown some sort of a contempt towards the State Government, I would appeal to the hon. Deputy Minister of Finance to delete this amendment of "after obtaining the advice of" from the Bill.

I would now refer to clause 8 which states that "no person elected as Director shall hold office for a continuous period exceeding eight years". I do not know whether such a provision should be framed in this manner. It would have been better if it has been provided that "no person elected as Director shall hold office for more than two consecutive terms of four years each". It could also be stated "for not more than two full consecutive terms of four years each". This would have been a better legal terminology. I regret to say that adequate attention has not been paid by the Government in drafting this amending Bill and in fact proper legal terminologies have not been thought of at all.

Sir, under clause 10, a provision has been made that the Managing Director may accept part-time honorary work also. Sir, the Managing Director of a S.F.C. is a full-time job and even full time is not enough if the Managing Director wants to do justice to the question of industrial imbalances within a State. If permission to accept a part-time job is given through this Bill, then naturally the work of the S.F.C. will suffer and the Managing Director will not be able to devote himself exclusively to the S.F.C.'s work. It is highly improper to provide for in the Bill that the Central Government or the State Government or the Reserve Bank can request the Managing Director of the S.F.C. to accept part-time work. I would like to know from the hon. Minister as to what kind of part-time work is expected of the Managing Director of S.F.C. I hope that the

[Shri E. R. Krishnam]

Minister will clarify the provision of "part-time work for the Managing Director" in her reply to the debate.

I welcome the provisions in Clause 15 of the Bill. But, I have to point out certain contradictions in Clause 16 of the Bill. You please turn to page 14 of the Bill, wherein the definition of Clause 16 is given. According to this definition, a private limited company can now get a loan assistance upto Rs. 20 lakhs as compared to Rs. 10 lakhs provided for in the parent Act. Now, kindly turn to page 6 and see clause 16(a)(iii). In the parent Act the provision was "twenty lakhs of rupees in the case of a public limited company" and the present amendment reads "thirty lakhs of rupees in the case of a company". Firstly, the word "public" has disappeared in the amendment and secondly, there is no mention at all about enhancing the limit of loan from Rs. 10 lakhs to Rs. 20 lakhs in the case of a private limited company. I request the hon. Minister to explain this contradiction between the definition to the clause and the actual provision in the clause.

Before I conclude, I would refer to clause 28 which empowers the Board of a Financial Corporation to give effect to the regulations framed by it either prospectively or retrospectively. Sir, the S.F.C. is a financial institution and if its regulations are given retrospective effect, then naturally the industrial concerns which have received loan assistance will be greatly handicapped. Not only that, Sir. Giving retrospective effect to the regulations will be against all canons of jurisprudence. I appeal to the hon. Minister that this amendment to the parent Act, i.e. clause 28, should be deleted.

With these words, I conclude.

SHRI D. K. PANDA (Bhanjanagar):
In clause 4 we find the provision:

"The funds representing the capital subscribed as aforesaid shall be used only for such purposes, in such manner and for

rendering assistance to such class or category of industrial concerns as the Reserve Bank may, in consultation with and after obtaining the advice of the State Governments, specify in this behalf from time to time, and nothing contained in section 47 or section 48 shall apply thereto."

In this particular clause, the importance of the provision made for raising some special funds has completely gone because of the vagueness of the very purpose and the manner in which such funds have to be utilised, and also the persons to whom such assistance has to be given or to what class or category of industries, it has to be given. These are the four main things. From the very objectives as have been enumerated at the end of the clause, we find that the emphasis is to intensify more and more assistance for industrial development of the backward areas. If that is the purpose, then what prevents the Government from mentioning the purpose, if that has to be given priority? So, we do not understand exactly whether the gap between profession and performance so far has been noticed by the State Financial Corporations and by the Government. We would like to know whether this gap is going to be widened or reduced, for we really do not find, as my hon. friend has already stated, any serious thought having been given to this matter.

Regarding clause 10 also, when we want the managing director to be the chief executive officer of the corporation, how can we afford him to be part-timer who can do some honorary work? The two are not compatible with each other. Once we say that he is the chief executive officer, why should any lacuna be there and why should any opportunity be given to him to slacken his work in the field where he is expected to concentrate all his energy and experience and wisdom? Therefore, this clause also should be properly amended.

In clause 18, the main purpose is that the State Financial Corporations shall not enter into any kind of business with any industrial concern of

which any of the directors of the financial corporations is a proprietor, partner, director, manager, agent, employee etc. That means, if any director of the financial corporations has got any pecuniary interest, if he happens to be a beneficiary, then in such cases, the corporation may not enter into any agreement in regard to business with such concerns. That is the main purpose of this clause. The very purpose of this provision has again been taken away by the proviso. I shall confine myself only to the relevant portion, namely 'by a corporation established by or under any other law'. The exception made is:

"Provided that this section shall not apply to an industrial concern, if any director of the financial corporation is nominated as a director of the board of such concern by the Government or a Government company."

Up to this, it is understandable, because Government have their own interests, and, therefore, this may be an exception to clause 18. But, at the same time, if we allow the corporation established by or under any other law, then it would become difficult again, because corporation means a private corporation, and it need not be a Government corporation. For, the words, 'Government company' have been specifically mentioned. Therefore, I propose that the phrase 'corporation established by or under any other law' be deleted completely, or else the very purpose will vanish and it will be of no effect.

From the Statement of Objects and Reasons we find that pious declarations have been made and this amending Bill has been brought forward in furtherance of those objectives. But as my hon. friend has already pointed out, I would like to give a warning, looking to the performance of the State Financial Corporations. The State Financial Corporations Act was enacted in 1951, just after the Industrial Finance Corporation Act of 1948. What has been their performance during all these 20 years? Regional disparity has increased. For the last two years, of course, there has been some slight improvement, but upto 1970,

that is not evident, for out of 1,70,000 registered small industries in India, only 4000 units received assistance from the State Financial Corporations. For the last two years, of course no figures have been supplied. However, some little advance has been registered. But that is again negligible.

We know we have to solve the main problem of unemployment which the country and the Government are facing. But there is absolutely no seriousness on the part of Government to solve it. The more we take steps to develop the small scale industries, the more shall we be able to solve the problem of unemployment at least partially.

Many suggestions have been made in this regard. In answer to a question, it was stated that there was a conference of the chairmen of State Financial Corporations in March, 1970, and they made several recommendations, and there was a study team, and that group investigated into the operation and what defects were there and made recommendations in regard to the further steps to be taken for intensifying more and more assistance for bringing up the small scale industries. I would like to know what has happened to those recommendations. Already, there was an Act in force for about 20 years, and now the hon. Minister has come forward with an amendment. But we find that the very Act could not be implemented, however limited it may be, and we find that the corporation has not registered any significant advance; rather, its performance has been shameful. So, I do not know how by this particular amendment, we shall expect to achieve the very object for which this amendment is being brought forward.

I do not want to go into all those recommendations, but I would just refer to the reply given to starred question No. 250 in the Rajya Sabha in this regard, in regard to the extent to which the recommendations made at that conference had been implemented. It is no use wasting our energy again and reiterating the same suggestions and the same steps and

[Shri D. K. Panda]

demanding that Government should take these measures. I shall confine myself just to one aspect. Out of 328 districts, nearly sixty per cent are declared to be backward. Have the industrial potentialities of these backward districts been completely assessed?

What steps is the hon. Minister going to take. If these amendments have anything to do with the reality, what steps have to be taken? Several suggestions have been made that they should develop local entrepreneurs and technical training and entrepreneurial experience should be imparted to them and for that purpose different centres have to be established for training purposes. No steps have been taken so far. It is ridiculous. Some 26 centres have been opened during these two years. There were to be opened forty more centres; that is also quite ridiculous. In three or four districts in Orissa exploration of industrial potentialities have been taken and in respect of the other districts no serious steps have been taken. There was a sample survey. It will not solve the problem. There should be a serious effort to assess the industrial potential districtwise and it has to be given effect to after the assessment is over.

It has been mentioned that soft loan has to be given to the small scale sector. While selecting a sector or a field there must not be any unevenness. There is uneven distribution of assistance. We have been pointing out how the monopoly houses have been making use of this; I need not go into those facts. Which sector has to be given priority when assistance is to be given from the State Financial Corporations? Whether it should be agro-industries or some other industry—all these things have to be taken into consideration. There should be a time-bound plan to see that in a particular State which are the districts and which are the sectors and which are the industries which should receive priority and how it could be

developed and how assistance could be given.

In order to ensure balanced regional industrial development it is imperative to provide basic infrastructure facilities. Suppose in a particular district uranium is available. Say, it is Ganjam district in Orissa. Gopalpur C.P. Along with the big plant that is going to be established, there can be so many small industries. I need not give the details what materials are available there for development of small scale industries. Both small scale units and the public sector can be developed. The corporation has also to take into consideration these aspects.

SHRIMATI SUSHILA ROHATGI: Which district has the hon. Member mentioned?

SHRI D. K. PANDA: Ganjam district in Orissa; Our President's district.

श्री आर० बी० बड़े (खरगोन) :
उपाध्यक्ष महोदय, वह जो स्टेट फाइनेंसियल कारपोरेशन अमेंडमेंट बिल हाउस के सामने आया है उसके लिये मैं शासन को बधाई देता हूँ कि उनका इस तरह ध्यान दिया गया है। अभी तक स्टेट्स की तरफ उनका ध्यान नहीं था और अब वह स्टेट फाइनेंसियल कारपोरेशन के वास्ते यह अमेंडमेंट बिल ल आये हैं। लेकिन आपने जो अमेंडमेंट दिया है, इंडस्ट्रियल कंसर्न जो डेफिनिशन दी है कि :—

"Industrial Concern" means any concern engaged or to be engaged in the manufacture, preservation or processing of goods or in mining or in the hotel industry or in the transport of passengers or goods by road or by water or in the generation or distribution of electricity . . .

यही डेफिनिशन तो इससे पहले भी थी। 1950 के प्रोलेट ऐक्ट में भी यही डेफिनिशन है। इसमें आपने उसे केवल ए बी सी डी कर के बताया है बाकी और कुछ नहीं है। तो यह ऐसा क्यों है यह मेरी समझ में नहीं आता है।

दूसरी बात—होटल इंडस्ट्री के सम्बन्ध में इस प्रकार की वास्तविकता क्या है ? हमारे एक निष्कर्ष है उन्होंने बताया कि बस परसेंट पैसा हम तैयार करते हैं और बाकी पैसा शासन से लेकर होटल इंडस्ट्री चलाते हैं । वह बस परसेंट पैसा वापस इस्टीमेट करके बाकी पैसा शासन से लेते हैं और होटल इंडस्ट्री चलाते हैं । ऐसा क्यों है ?

इसके अलावा और बहुत सी इंडस्ट्री चलाई जा सकती हैं । जैसे मध्य प्रदेश में फारेस्ट इंडस्ट्री बहुत चल सकती है । उसके वास्ते सब भी हो चुका है । लेकिन इंडस्ट्री स्टार्ट नहीं होती है । जो स्टार्ट किया है वह है स्टेट ट्रांसपोर्ट कारपोरेशन गण्ड प्रदेश रोड-वेज, उसमें उनका सब लास ही लास होता जा रहा है । उसके अन्दर इतनी अव्यवस्था है मगर उसकी तरफ शासन का ध्यान ही नहीं है । सारा पैसा स्टेट को लगा है हर साल लास होता है ...

श्रीमती सुशीला रोहसगी : कौन से उद्योग का जिक्र आप कर रहे हैं ?

श्री आर० बी० बड़े : स्टेट ट्रांसपोर्ट कारपोरेशन, राज्य परिवहन निगम । अब उसमें ऐसा होता है कि एक एल० आई० सी० से भी पैसा लेते हैं, कोम्पारेटिव बैंक से पैसा लेते हैं, स्टेट फाइनेशियल कारपोरेशन से भी लेते हैं और स्टेट से भी लेते हैं । लेकिन उसका विनियोग किस प्रकार से किया जाता है यह देखना चाहिये । इसकी तरफ ध्यान नहीं है ।

इतना ही नहीं हमारे कितने इंडस्ट्रियलिस्ट्स हैं जो पैसा लगाना चाहते हैं उनकी एप्लीकेशन जो जाती है उसकी प्रोसेसिंग में इतनी देर लगती है कि जिसकी कोई हद नहीं । होना तो यह चाहिये कि उनको एम्बरज करके उनका पैसा इंडस्ट्री खोलने में लगाना चाहिये । फिर जहाँ तक पैसा मिलने की बात है जो कॉलेज पार्टी के लोग हैं या जिनकी सिफारिश होती उसकी पैसा मिल जायेगी, बाकी लोगों की नहीं मिलेगा । यह होता है । मेरा कहना यह

है कि स्टेट फाइनेशियल कारपोरेशन को खुद इन्फिन्टिव सेना चाहिये और इंडस्ट्री जहाँ बुझनी चाहिये वहाँ बुझवाना चाहिये । जैसे कस्तर में मिनी स्टील इंडस्ट्री बुझ सकती है और दूसरी इंडस्ट्री बुझ सकती है । लेकिन केवल एक इंडस्ट्री बैलॉडिला में खोल दिया है और बाकी वहाँ कुछ भी नहीं है ।

शासन ने वहाँ बहुत से लोगों को बुला कर कहा कि कौन-कौन इंडस्ट्री लगाना चाहता है ? बहुत से लोगों ने कहा कि पैसा देने तो हम लगायेंगे । लेकिन पैसा देने का प्रोसेस इतना लम्बा है कि तीन-तीन, चार-चार महीने तक उनकी एप्लीकेशन पड़ी रहती है और वे चक्कर काटते रहते हैं, कुछ भी उन्हें पता नहीं लगता कि क्या हो रहा है । शासन को खुद इंडस्ट्री को यह बताना चाहिये कि तुम्हारी एप्लीकेशन इस स्टेज पर है । लेकिन होता यह है कि किसी ने एक बार दरखास्त डाल दी तो उसके बाद उस पर क्या हुआ कुछ पता नहीं चलता है । तीन-तीन, चार-चार महीने बीत जाते हैं । फिर वह एल० आई० सी० के पास एप्लीकेशन देते हैं, कोम्पारेटिव बैंक के पास देते हैं, अलग-अलग जगह एप्लाय करते हैं, जहाँ से पैसा मिलता है वहाँ से लेकर काम करते हैं । स्टेट फाइनेशियल कारपोरेशन से पैसा उनको मिलना नहीं है ।

MR. DEPUTY-SPEAKER: You can continue tomorrow. We take up the discussion under rule 193.

16.00 hrs.

DISCUSSION ON STUDENT UNREST IN THE COUNTRY AND INCIDENTS IN DELHI UNIVERSITY ON DECEMBER 8, 1972

MR. DEPUTY-SPEAKER: We take up the discussion under rule 193 on the increasing student unrest in the country and the statement made by the Minister of State for Home Affairs in the House on the 7th December, 1972. Shri K. Lakkappa—absent. Shri Jagannathrao Joshi.

Shri Jagannathrao Joshi (Shajapur) rose—

MR. DEPUTY-SPEAKER: I was not informed about it. Both are to be discussed together. Shri Ganga-deb.

SHRI P. GANGADEB (Angul): Sir, I rise to speak on the increasing student unrest in this country. The problem of unrest in university campuses today is experienced in many of the countries of the world, but what we are experiencing in our country now is something which we cannot ignore, because indiscipline in the campuses adversely affects academic standards. Therefore, the quality of human capital is also affected. Therefore, it is a problem for which the Government and the people of the country should try to find out a lasting solution.

16.02 hrs .

[SHRI N. K. P. SALVE in the Chair]

It is certainly important that we try to analyse today the causes of the so-called indiscipline in universities. It may not be quite charitable to accuse the student community for all the disturbances because they themselves may be victims to certain environmental and external influences of the vested interests and the frustrated politicians. There has been an unprecedented explosion in terms of student enrolment for higher education. In this case, the UGC has increased the expenditure by more than 1000 per cent. Yet it is difficult to say that we have succeeded in finding adequate amenities to the student community. Instead of checking admissions to the universities, we have perhaps been admitting a fairly large number of sub-standard students who had no definite aptitude for higher studies and research.

Likewise, the recruitment of teachers has also deviated from certain norms on account of rapid expansion in the students' enrolment. Frankly speaking, we may be guilty of yielding to pressure from less informed quarters and thereby allowed admissions on grounds of minimum eligibility conditions. Simultaneously, we

may have offered uncertain future to large numbers of young men by not insisting on admissions dovetailed to requirements for the socio-economic development of the country.

All this has only meant postponement of frustration till the completion of University education. This has also caused a large volume of expenditure on education without improvement in the quality of the real education. The innocent young people are also exposed to the influence of frustrated politicians who have otherwise achieved much success in the past. For example, the rust design of the rusticated President of the Delhi University Students' Union to take over the administration of the university is definitely a move of a politician's instructions rather than a scholar's goal.

There is also legitimate apprehension in certain quarters that some foreign lobbies also are working in the country to spread feelings of frustration and desolation so that the country does not make faster development to occupy its place of pride in the world. It is indeed tragic, therefore, that while the Government despite limitation of resources is giving priority to higher education, certain vested interests and the politicians may be busy fishing in these troubled waters. At the same time, however, reluctant the Government may feel and however opposed to certain vested interests it may be, we shall be failing in our duty unto the nation, if we do not take courage in our hands to identify the anti-social and non-academic and politically motivated forces in the campuses and eliminate them.

I would, in conclusion, in all humility seek to make the following suggestions. Firstly there should be a check on the rapidly growing strength of the students at institutions of higher learning plus again a check through entrance-cum-aptitude tests for admissions. Secondly, there should be comprehensive screening of

candidates seeking employment as college and university teachers; of course, only those committed to academic values should be considered. Thirdly, a built-in mechanism should be created through suitable provisions in the constitution of the students' union and teachers' associations so that only brilliant students and capable, experienced teachers provide the leadership. Lastly, there should be a national scheme of vocationalising education to reduce uncertainty about the future and to make education purposive at the school level itself, because school education is very very important in my opinion and we should not ignore it.

Therefore, I am confident that the Government and the hon. members of this House will consider this discussion as a matter of collective responsibility to restore the universities as eminent places of higher learning in our country.

MR. CHAIRMAN: We have only two hours and I have before me a formidable list of speakers. I would, therefore, request members to be indulgent to me if I am strict about time. Shri Joshi.

SHRI JAGANNATHRAO JOSHI (Shajapur): How much time do I have, Sir?

MR. CHAIRMAN: Out of 2 hours, 4 minutes have been allotted to Jan Sangh on the routine basis.

SHRI SHYAMNANDAN MISHRA (Begusarai): Sir, I want to make a submission here. We have discussed this matter with the hon. Speaker and he has said that time would be given for a meaningful contribution. In this particular case, they should like to hear the opposition more. If you go on dividing time on the basis of the strength of each party, some parties might get even minus time.

MR. CHAIRMAN: Shri Joshi asked how much time he has got and I said that his party has got four minutes.

SHRI SHYAMNANDAN MISHRA: Minutes have no meaning in this context.

श्री जगन्नाथ राव जोशी : सभापति महोदय, 6 दिसम्बर को दिल्ली विश्वविद्यालय के प्रांगण में पुलिस वालों ने विद्यार्थियों पर जो बर्बरतापूर्ण अत्याचार किये, उस बात को लेकर सदन में 7 दिसम्बर को माननीय गृह मंत्री ने जो बक्तव्य दिया था वह पूर्णतया असन्तोषजनक था क्योंकि वस्तुस्थिति बिल्कुल इससे विपरीत थी। मैं हिन्दुस्तान टाइम्स से, जो दिल्ली का जाना माना अखबार है, कुछ अंश पढ़ कर सुन्नना चाहता हूँ जो उसमें छपे हैं :

"The police went into action just as DUSU President, Mr. Shri Ram Khanna, was requesting the largely peaceful crowd of about 2,000 students to disperse."

यानि वह कह रहा था कि यहां से धीरे-धीरे चले जाओ। ऐसे समय में पुलिस वाले घुसे और उन्होंने उनको एकदम पीटना शुरू कर दिया। यह देखिये :

"But over 50 lecturers, who witnessed the entire incident, described police entry as 'unprovoked' and condemned the 'beating up of students and teachers'".

यानि पुलिस वालों ने टीचर्स को भी नहीं छोड़ा। उन्होंने टीचर्स को भी मारा। यह बड़े शर्म की बात है। यह बड़े शर्म की बात है कि जिस दिन मंत्री महोदय ने यहां स्टेटमेंट दिया था उस दिन उन्होंने कहा था कि विद्यार्थियों ने पत्थरबाजी शुरू की। उस आफिस के जो शीशे बगैरह थे वह टूट गये। किन्तु विद्यार्थी नेता जरूर यह कहते हैं कि वहां जो प्रेस के संवाददाता थे, उनको उन्होंने दिखलाया कि जिस तरह शीशे टूटे पड़े थे उससे लगता था कि किसी ने अन्दर से जानबूझकर उनको फेंक दिया है और बाहर से बहाना बनाया गया पुलिस वालों को बुलवाने के लिये क्योंकि जैसे ही पुलिस घुसी पहला टियरगैस शेल छोड़ा गया बिना पहले से बतलाये हुये। यह हिन्दुस्तान टाइम्स में छपी खबर है।

गुरु मंत्रालय में राज्य मंत्री (श्री कृष्ण बल्लभ शर्मा) : जानबूझकर तो किसी ने अपने को नहीं पीटा ? (व्यवधान) ।

श्री जगन्नाथराव जोशी : यह हिन्दुस्तान टाइम्स का संवाददाता कहता है । आप जानते हैं कि वह दिल्ली का जन्मा-भूमि भ्रमणकार है । मैं उसमें से ही कोट कर रहा हूँ । यह मेरी अपनी बात नहीं है । मैं मंत्री महोदय को यह ज्ञित भी दिखाना चाहता हूँ जिसमें एक विद्यार्थी को पुलिस वाले पीट रहे हैं । विद्यार्थी एक है और पीटने वाले तीन हैं और स्वयं ए० डी० एम० कहता है :

ADM said lathi charge was made on the falling students despite the magistrate's shouting "enough, enough".

यानी स्वयं मजिस्ट्रेट कहता है कि काफी है । एक विद्यार्थी को तीन पुलिस वाले पीट रहे हैं । यह फ्रंट पेज पर छपा चित्र है हिन्दुस्तान टाइम्स में और मंत्री महोदय मुझसे पूछते हैं कि आपने किसी को देखा है । (व्यवधान) ।

सभापति महोदय, मैं जरा इसकी तरफ ध्यान दिखाना चाहता हूँ जो हिन्दुस्तान टाइम्स का एक अंश है :

"...according to eye-witnesses, a constable began belabouring a prostrate student who was later identified as Mr. Raj Kumar of the Hansraj College. The Hindustan Times photographer, who clicked the scene, was justified until other newsmen intervened. The bleeding student was dragged to a waiting jeep and driven away minutes later."

यानी उनकी ले गये और जिन्होंने देखा उन्होंने कहा कि हाजी में ले जाने के बाद भी पीटा गया ।

सबसे यह है कि जो पेट्रोलियम हुई है वह देखने लायक है । डिपेंड करके की जिस प्रभा दीक्षित ने बताया :

"a Miranda House lecturer, Miss Prabha Dikshit and two students saw the police 'beating the students inside the vehicle'."

बाद में पता चला कि महिला प्राध्यापक के साथ भी पुलिस वालों ने दुर्व्यवहार किया, उन पर अत्याचार किया । यह घटना दिल्ली की है, हमारी भाषाओं के सम्बन्धों की है । 6 तारीख की घटना होने के बाद यदि मंत्री महोदय हमको बतलाते हैं कि यह सब नहीं हुआ, तो मैं एक बात समझना चाहता हूँ कि आखिर मेरी मांग पर जुडिशियल एन्क्वायरी क्यों नहीं होती है ? विद्यार्थियों पर अत्याचार क्यों होता है । एक महीना लगातार 14-15 नवम्बर से लेकर 6 दिसम्बर तक यह सब चला और उसके बाद ध्यान आकर्षित किया गया था मंत्री महोदय से कि आप इंटरवीन कीजिये, दखल दीजिये । वह नेताओं से मिलें, कालेज के प्रमुख से मिलें पेरेंट्स आर्गनाइजेशन से मिलें और मिल कर रास्ता निकालने की कोशिश करें, जो भी विद्यार्थियों के इन्टरनेज हैं उनको दूर करें ।

पेरेंट्स आर्गनाइजेशन की तरफ से जो सूचना मुझे मिली है उसमें उन्होंने यह बात कही है कि जो चार मेडिकल कालेज हैं उनमें आज भी 65 सीटें खाली हैं । मैं जानना चाहता हूँ कि इसके बारे में मंत्री महोदय क्या करना चाहते हैं । वह थोड़ा सा झुकासा करें । इस फार्म में दिया है कि किस-किस कालेज में किस-किस कारण से सीटें खाली पड़ी हुई हैं । कुल 65 सीटें हैं । पेरेंट्स आर्गनाइजेशन की क्रेडिट एन० एस० कीर है ...

MR. CHAIRMAN: Let him confine himself to student unrest.

SHRI JAGANNATHRAO JOSHI: Simultaneously, along with student unrest, we are also discussing the incidents which took place in the Delhi University campus on the 6th December.

MR. CHAIRMAN: I am not objecting to his referring to student unrest.

But he is speaking about admission to the medical colleges. That is not strictly relevant.

SHRI JAGANNATHRAO JOSHI: The main cause for student unrest is that from July, 133 students have been denied admission in medical colleges while there are so many seats vacant in the medical colleges.

SHRI PILOO MODY (Godhra): Is the Chairman aware of the fact that one of the demands that have been submitted by the students is admission to medical college? So, it forms part of the debate. It is meaningless to debate issues in isolation.

श्री जगन्नाथ राव जोशी : इस बात को लेकर मैंने दो बार ध्यान आकर्षित किया, लेकिन बाद में जो लाठी चार्ज हो कर अत्याचार हुये उनको ले कर जो वक्तव्य दिया गया था वह बिल्कुल सन्तोषजनक नहीं था। विद्यार्थियों के साथ अन्याय करने वाला था। इसलिये मैंने जानबूझकर समय मांगा और उस पर चर्चा उठाना चाहता था। मैं हिन्दुस्तान टाइम्स से इसलिये कोट कर रहा हूँ कि यह यहाँ का जाना-मना अखबार है। हिन्दुस्तान टाइम्स का जो संवाददाता था उसने देख कर सारी बातें कही हैं। उस दिन मंत्री महोदय ने इसके भूतात्मिक यह बात कही थी कि जो कैम्पस हैं, विश्वविद्यालय का प्रांगण है वहाँ से हम पुलिस वालों को हटा देंगे। उसके पहले दिन, 4 दिसम्बर को वहाँ विद्यार्थी इकट्ठे हुये थे, लगभग 10-15 हजार विद्यार्थी वहाँ इकट्ठे थे और कोई अग्रिम घटना नहीं हुई। 6 तारीख को पुलिस वाले घनदर आते और बाइस चांसलर के आफिस को प्रोटेक्ट करते तब भी बात मेरी कमरा में आयी, लेकिन आते ही बिदाउट आविंग उन्होंने आंसू पैस छोड़ी। स्वयं उसका कहना है कि बिना कोई भी सूचना दिये डिपार्टमेंट के डीन का कमरा और विद्यार्थियों पर अत्याचार किये गये। हिन्दुस्तान टाइम्स का उद्घाटनवादा जो निकलता है आम जनको भुलाने का है। इसलिये समाज का यह धर्म है कि

तब बना जब बिना के सेल में विद्यार्थियों की जो मांगें हैं, उन पर ध्यान नहीं दिया जाता।

बनारस का मामला भी यही है। जब कि विद्यार्थी मिल कर आये थे, प्रेजिडेंट, वाइस प्रेजिडेंट और जनरल सेक्रेटरी मिल कर आये थे, मंत्री महोदय ने जानबूझकर प्रेजिडेंट का नाम तक नहीं लिया। वह तीनों मिल कर आये थे और विद्यार्थियों को बतलाना चाहते थे कि उनके साथ क्या बात हुई? जिस समय बिल्कुल शांतिपूर्ण तरीके से सब मामला चल रहा था, पी० ए० सी० वहाँ बुलाई गई और अत्याचार हुये, किन्तु विद्यार्थियों की जो मांगें हैं उन पर कोई सुनवाई नहीं हुई। सिर्फ मिटाई होती रही। अगर सिर्फ इसी तरह से होता रहे तो बड़े दुःख के साथ हमको कहना पड़ेगा कि यहाँ पर राजनीति को बड़े भदड़े तरीके से काम में लाया जा रहा है।

इसी तरह से दिल्ली के आई० टी० आई० का मामला है, जहाँ प्रो० स्वामी ने क्लास तीन और चार का संगठन किया। क्या यह अपराध है? जहाँ 5 लाख का घपला है, जहाँ पी० ए० सी० इज सीज्ड आफ बि प्रा. लेन, इस स्थिति में, प्रोफेसर श्री सुब्रमण्यस्वामी को वहाँ से निकाल देना, डिसमिस करना यह दिखलाता है कि यह बिल्कुल बिडविटव ऐंटीट्यूड है। आखिर यह अनरेस्ट या गडबड क्यों होती है इसका पता इसी बात से चलता है। चाहे दिल्ली में हो, चाहे बनारस में हो, चाहे आई० आई० टी० हो, कहीं भी हो, जो जायज मांगें हैं उन पर विचार करना चाहिए क्योंकि आखिर विद्यार्थी हमारे हैं। आज सरकार की नीति हमारी समझ में नहीं आती। चीन और पाकिस्तान के साथ, उन के द्वारा देश पर हमना होने पर भी मित्रता के साथ बैठ कर वह हल निकालना चाहती है, लेकिन क्या विद्यार्थी हमारे दुश्मन हैं? जैसा मैंने उस दिन कहा था, अगर खाते खाते दांतों के नीचे जीभ जा जाती है तो इस का यह मतलब

[श्री जगन्नाथ राव जोशी]

नहीं होता कि दांतों को ही उखाड़ कर फेंक दिया जाये। आखिर विद्यार्थी हमारे हैं। हमारे यहां निर्देश दिए गए हैं कि रिस्ट्रेंट रक्खो जाये। (व्यवधान) केन्द्र ने जो निर्देश दिए हैं वह इस प्रकार हैं :

"While there should be no lack of vigilance or firmness, the need for restraint as well as a visible proof of such restraint should be equally obvious."

Where is the visible proof of restraint?

यानी उन के साथ कोई डायलाग न हो, टीचर्स और विद्यार्थियों की जो कंसल्टेटिव कमेटी बनी है उस में यह मामला गया ही नहीं। उम दिन जरा सा मामला होते ही एकदम से रस्ट्रिकेशन आर्डर हो जाता है। इस से मुझ को लगता है कि इस में राजनीति आती जा रही है। यह ठीक ठीक नहीं है। अगर विद्यार्थी और टीचर वर्ग में असंतोष है तो उस को हल करने का तरीका राजनीति नहीं है। इन के लिए दो मापदंड अपनाये जा रहे हैं। छात्रों की ओर से पुलिस वालों के साथ जब कलकत्ता के मैदान में संघर्ष होता है और मिनिस्टर साहब को उसका पता चलता है तो वह स्वयं वहां उपस्थित हो जाते हैं। और कई पुलिस वालों को उन्होंने सस्पेंड कर दिया लेकिन यहां यह चलता है कि पिटाई होने के बाद जब इस कार्रवाई को कंडेम किया जाता है वकीलों के द्वारा, स्टाफ के द्वारा, कर्मचारियों के द्वारा फिर भी उनकी कोई सुनवाई नहीं होती है। ये दो मापदंड क्यों? विद्यार्थी वर्ग में जो असंतोष है वह बहुत गहरा है। पच्चीस साल के बाद भी वास्तव में शिक्षा की ओर जो ध्यान हमें देना चाहिए या वह हम दे नहीं पाए।

Even education has got a body and soul.

उसकी भी देह है, उसकी भी एक आत्मा है। देह तो वही विदेशी है और जहां तक आत्मा का सम्बन्ध है, उसका तो कहीं पता ही नहीं है। शिक्षा का उद्देश्य यह होना चाहिए कि आदमी सुसंस्कृत बने, सुबुद्ध बने, और समाज के लिए आवश्यक हर काम को करने के लिए तैयार हो। यह है शिक्षा। लेकिन शिक्षा यहां किस माध्यम से देनी है यह तक पच्चीस साल में आप तय नहीं कर पाए हैं। इनका परिणाम यह है कि विद्यार्थी वर्ग में असंतोष है, उसके सामने आज फ्रस्ट्रेशन है। उसके लिए आप विद्यार्थी वर्ग को दोष नहीं दे सकते हैं। रड़की यूनिवर्सिटी में स्वयं हमारी प्रधान मंत्री गई थीं। वहां विद्यार्थियों ने नारे लगाए कि हमें डिग्रियां नहीं चाहियें, हमें सर्विस चाहिए। हम को काम चाहिए। साठ सत्तर हजार इजोनियर आज भी बेकार हैं। हम चौती और पांचवी योजनाओं को ले कर चल रहे हैं और हजारों करोड़ रुपया उन पर खर्च कर रहे हैं लेकिन जो परिणाम इस सब के निकल रहे हैं उससे पता चलता है कि दोनों में कोई मेलजोल नहीं है। विद्यार्थी वर्ग काम करने के लिए तैयार होता है लेकिन उनको काम नहीं मिलता है। कोई स्कोप ही नहीं है। वे अन्धकार में हैं, उनका भविष्य अन्धकार-मय है। उन में फ्रस्ट्रेशन है। यह जो चीज है इसकी गहराई में आपको जाना पड़ेगा और यह एक भलग चीज है। हमारी जो शिक्षा है हमारी जो परम्पराएँ रही हैं, उनके अनुरूप आपको इसको ढालना पड़ेगा।

समापति महोदय, विद्यार्थी वर्ग यहां पर हो नहीं, बल्कि मैसूर में भी, इलाहाबाद में भी और दूसरी कई जगहों पर उठा हुआ है। वहां पर भी उनके एजिटेशन बाल हैं। हिमाचल प्रदेश में तो बहुत बड़े हैं। जहां विद्यार्थी बी एस सी के लिए बैठता है लेकिन पास उसको बी ए में किया जाता

[श्री जगन्नाथराव जोशी]

है। समझ में नहीं आता कि क्या हो रहा है। फोटो स्टैंड कापी भी उसकी प्रवेलेबल है। जो बैठता हो नहीं है उसको भी पास कर दिया गया है। जो बैठा है हिन्दी में उसकी मार्क्स दे दिए गए हैं ग्रंथ शास्त्र में। क्या हो रहा है समझ में नहीं आता है। यह सब कुछ इस में दिया हुआ है।

बनारस में हमारे मटल बिहारी वाज-येवी जी ने बताया था कि जो एम एस सी भी नहीं है, जिस के पास एम एस सी की डिग्री तक नहीं है उसको प्रोफेसर रख लिया गया है। मंत्री महोदय ने कहा कि उनको इसका पता नहीं है। उन्होंने कहा आई विल टेक नोटिस.....

THE MINISTER OF EDUCATION, SOCIAL WELFARE AND CULTURE (PROF. S. NURUL HASAN): I would like to interrupt him. I had made a statement on the floor of the House that if the hon. Member would let me know in writing a specific case, I will immediately enquire into it. I do not think there is any point in repeating precisely the point that has already been discussed in the House only the other day.

SHRI JAGANNATHRAO JOSHI: I am incidentally referring to it.

PROF. S. NURUL HASAN: If the hon. Member keeps on making allegations, I am afraid I cannot go into them unless some specific information is given.

THE MINISTER OF PARLIAMENTARY AFFAIRS AND SHIPPING AND TRANSPORT (SHRI RAJ BAHADUR): In writing.

SHRI PILLOO MODY: Why in writing? It is your job to run your Department.

श्री जगन्नाथराव जोशी : हिमाचल में ये बंटवारे हुई हैं, बनारस में हुई हैं, मंत्री महोदय कहते हैं, मुझे मालूम नहीं है। वास्तव में मालूम उनको होना चाहिए, हमें नहीं। हमारे पास इन्फार्मेशन है तो उनके पास क्यों नहीं है।

2937 (A) LS—8.

विद्यार्थी वर्ग में जो असन्तोष है। उसको दूर करने की दृष्टि से यह आवश्यक है कि जो रस्टीकेशन आर्डर हैं, उनको वापिस लिया जाए। उसके लिए विद्यार्थी, अधिकांसी, अध्यापक तथा दूसरे लोग बैठ कर विचार करें और किसी निष्कर्ष पर पहुंचें और जब तक वे किसी निष्कर्ष पर नहीं पहुंचते हैं, रस्टीकेशन आर्डर को सस्पेंड किया जाए।

में यह भी कहना चाहता हूं कि विश्व-विद्यालयों में जो एक राजनीति चलाई जा रही है, यह बन्द होनी चाहिए। उसके पहले भी रस्टीकेशन आर्डर निकले थे। लेकिन यहां से किसी के हस्तक्षेप की वजह से वे वापिस ले लिए गए थे। विद्यार्थी परिषद् के नेताओं के खिलाफ जो रस्टीकेशन आर्डर निकले हैं वे केवल एक ही संगठन के लोग नहीं हैं। उन में कांग्रेसी भी है। राजनीति विद्या के क्षेत्र में नहीं रहनी चाहिए। बम्बई के कालेज ने मुझे एक बार बुलाया था। वहां मैंने कहा था कि आपको आईडियो-लॉजीज बाहर से बारो नहीं करनी चाहिए। अगर आप चाहते हैं तो आप अपनी पार्टी बना सकते हैं। उनको आप दूसरे नाम दे सकते हैं। पार्टी इन पावर कैन बी काल्ड डंकी पार्टी और पार्टी इन अपोजीशन कैन बी काल्ड मंकी पार्टी। डंकी पार्टी इस वास्ते कि उसको सब बोझा उठाना पड़ता है और मंकी पार्टी इस वास्ते कि अपोजीशन पार्टी को मंकी ट्रिक्स करने पड़ते हैं। हम नहीं चाहते हैं कि विद्या-लयों में जाए। लेकिन यह एक तरफा खेल नहीं चल सकता है। इसके वास्ते यह आवश्यक है कि सभी राजनीतिक दलों के नेता बैठें और कोई कोड आफ कंडक्ट तय करें। हम इसके लिए तैयार हैं। इस सारे क्षेत्र को राजनीति से दूर रख दें, इस के लिए हम तैयार हैं। लेकिन यह नहीं बलिया कि पार्टी इन पावर चाहि जितना

[श्री जगन्नाथ राव जोशी]

रुपया खर्च कर दे और जो चाहे करे लेकिन दूसरों को शिक्षा देती फिरे। यहां पर डेमोक्रेसी है, हर एक को अपने विचार व्यक्त करने की स्वाधीनता और स्वतंत्रता है। लेकिन आपने आई आई टी के श्री सुब्रह्मण्यम स्वामी को इस वास्ते निकाल दिया कि उसने क्लास 3 और क्लास 4 के एम्प्लायीज को मार्गनाईज, करने की कोशिश की थी। जब इस तरह से निकाला जाता है तो मुझे कहना पड़ता है कि केवल राजनीति काम कर रही है। छः दिसम्बर को जो घटनायें घटी हैं, मेरी मांग है कि उनकी न्यायिक जांच हो और जो दोषी पाए जायें उनको सख्त सजा मिले। विद्यार्थियों के साथ डायलाग शुरू आप करें। दिल्ली विश्वविद्यालय अपनी स्वर्ण जयन्ती मनाने जा रहा है। ऐसे वक्त में इस विश्वविद्यालय का बन्द रहना शोभा की बात नहीं है। राजधानी का विश्वविद्यालय बन्द रहे, ठीक नहीं है। आपको इस में हस्तक्षेप करना चाहिए, दखल देना चाहिए। विद्यार्थी नेताओं, टीचर्स आदि सब प्रतिनिधियों के साथ बैठ कर आप कोई रास्ता निकालें और विश्वविद्यालय को जल्दी से शुरू करें। दुश्मन समझ कर विद्यार्थियों के साथ जो व्यवहार हो रहा है वह बन्द होना चाहिए और कोई विक्टिमाईजेशन नहीं होना चाहिए।

SHRI R. D. BHANDARE (Bombay Central): Mr. Chairman, Sir, I listened to the speech of the hon. Member, Shri Jagannathrao Joshi and I am really sorry to say that he has totally failed to do justice to the subject under discussion. He confined himself only to the incidents that had occurred on the 6th December. He should have tried to study this problem of unrest in students as a world phenomenon and found also in almost all the States of our country.

Sir, the causes and reasons of this world phenomenon of student unrest are so obvious and clear. The time at my disposal will not permit me to explain all those points. In Western

democracies, because of the affluence, because of the draft which compels the youth immediately after coming out of the university to join the army and because of the political causes, there is student unrest and students also as a rule are against the Establishment in Western countries. Therefore, the causes of student unrest are totally different in Western countries.

So far as our country is concerned, we have got to see whether the signs and symptoms of the unrest in students are only the outward signs and symptoms or some deep-rooted inner causes which are developed recently in the body-politic of India. There are a number of causes. Before I deal with the causes of unrest amongst students and youth, I must tell you that there are certain redeeming features which are found in our country.

The first is that the parent-child relation is still maintained in this country. In the Western countries, in a number of countries of the world, that relationship, the filial duty between the child and the parent is destroyed. It is not so here. That relationship still persists here. Our student community has not taken to the reading of M. Regis Debray's Revolutionary writings. Once they go to these Revolutionary writings, this country also will fall on the same lines with the rest of the world. There is no visible sign of the sphere of influence of Guevarasque Adventurist philosophy found amongst the student community of India.

What are the causes for outward or deep-rooted unrest amongst students then? The first is the educational system itself. While I may not agree with Shri Jagannathrao Joshi when he tampered with the problem of unrest amongst students while dealing with the incidents that had taken place on 6th December, the main cause is the system of education. The education is not need-based and utility-based. That point may be taken into consideration by the hon. Minister. The Kothari Commission, the New Policy on Education, suggest a number of remedies, that is, bifurcation

after 10th standard, work experience and part-time education. In this country, a number of students go without education. Therefore, I advance the proposition that some education is better than no education. Part-time education is much more useful than no education at all. I am just mentioning the causes to which you cannot be blind or you cannot shut your eyes.

Then there is the psychological factor; mental agony starts with the question of admission. As soon as the student passes out his SS examination, the big question of admission is standing as a monster before his mind. This is also a psychological factor. 'What is the use of education' is the question that baunts the educated young man because there are a number of unemployed educated persons and the unemployment problem is a gigantic problem among one of the causes.

Then I come back to the point raised by Shri Jagannathrao Joshi—union and political rivalries inspired the political parties amongst the student community. It is one thing to condemn the political rivalries or inspiration given by some political leaders and another thing to advise the world that politics should not come into the university campus. Yet, I know it for certain that certain political parties are playing a most important role in creating unrest and disturbances in the university campus.

SHRI PILOO MODY: Name them.

SHRI R. D. BHANDARE: Obscurantists and ultra leftists are the political leaders which create disturbance in the university campus. Curiously enough, it is only the democrats who are simply passive spectators and on-lookers, who do not try to mould the opinion of the students or the teachers. But the ultra-radicals and obscurantists and dogmatists do play the most important part.

Another thing is the uncontrollable

passion among the teachers to use the students as instruments to further their own interests. There are so many factions and divisions among the teacher-community that the teachers utilise some of the students and organisations of students as instruments to further their own cause. I know, there are certain honest, diligent and conscientious teachers, but their number is very negligible.

Then there is rivalry between college and university authorities and the teachers. Since you are looking at me, Mr. Chairman, I need not elaborate.

The presence of police in the university campus irritates the students very much. Therefore, police should not be called off and on into the university campus. The hon. Minister, the other day, asked, if there is a law and order problem or if there is violence, what should be done. Violence must be condemned at all costs but when the police is called, they do not behave with the students in such a manner as they are expected to deal with their own children. After all, their own children are also studying in colleges and schools. But there are a number of excesses committed by the police. (*Interruption*).

So far as Delhi is concerned, there is the peculiar problem of transport facilities which is also causing a great deal of unrest and mental disturbances among the students . . .

AN HON. MEMBER: Lack of facilities.

SHRI R. D. BHANDARE: I am thankful to the hon. Member for correcting me.

The gap between promises and enunciation of policies and performance created bad effects and doubting minds, suspecting minds, among the students. It is no use philosophising or sermonising. I must tell the hon. Education Minister my own experience. Only some 15 days ago, I had invited some of the students

[Shri R. D. Bhandare]

from the Delhi University and I asked been the fate of it. I do not know one of the students to go and face tion of that student. Some proper the inquiry. You know, what has the reasons that led to the rustica-

[Shri R. D. Bhandare]

inquiry must have been made. I do not accuse that they have destroyed all norms of natural justice. I have no means of knowing how the inquiry was conducted.

MR. CHAIRMAN: Please conclude.

SHRI R. D. BHANDARE: An ounce of intellectual and moral discipline on the part of parents, teachers and politicians is more useful than tonnes of advices and sermons to the students—advising, sermonising and philosophising to the students. This is not a value-judgment that I am expressing. These are very peculiar and curious facts to reflect upon.

My last point is this. There are a number of points which I want to make, but I will not touch on them because time will not permit me. Violence and hooliganism must be condemned but students must be treated very politely, leniently, as we treat our own children.

We have also to develop in the students a sense of participation. Let there be a sense of participation developed in the minds of the students that they are also parties to Government colleges and universities. In this connection, I would only refer you to the Report of the Committee on Governance of Universities and Colleges, para 1, page 36, which reads as follows:—

“The crucial element in this whole scheme is that the constituent units should have a sense of commitment to the ideals of university and a sense of participation in problems of policy, planning and decision-making, and implementation of plans and plans of development.”

The university authorities, including the Ministry of Education, must take this into consideration. I also appeal to the University Grants Commission to insist on the university and constituent colleges to take into consideration this recommendation of the Gajendragadkar Committee.

So far as the Delhi University is concerned, the University authorities, teachers, students and parents must sit at a round-table conference to find out a solution so that peace can be restored in the Delhi University campus and the students can prosecute their studies peacefully. Let it not be made a question of prestige by the Vice Chancellor or the Ministry or the police or, for that matter, students and teachers.

With these words, I conclude.

SHRI C. K. CHANDRAPPA (Tellicherry): For the present crisis in our educational system and for the turmoil amongst the student community, there are socio-economic and political reasons. At the very outset, I would like to say that the present situation is the result of the sad failure on the part of the Government to bring about meaningful reforms in the field of education during the last 25 years after independence. And it is also a fact that the students who are in the educational institutions do not know what they should do after completing their education. The growing unemployment makes their future dark, and in their hopelessness and frustration, they become sometimes violent. It is understandable. And this situation, the failure in the field of education and the failure in the field of economy and particularly, in providing employment, the worsening unemployment situation—these are all the results of the greater failure of the Government in various fields.

But, a new situation has been created in our country. The students rather looked to the Congress Party in the recent past with hope and

there was a relative calm and peace in the academic atmosphere in our country. But, I should say that even after getting such a 'massive mandate'—a term the Congress Party would like to use—they sadly failed to bring about the reforms which the student community expected from them in the field of education.

If you take the recent tendencies, firstly, I would like to point out three things. One is: in the recent meeting of the Governors His Excellency, the President of our country, while addressing them, said, 'You should deal with the students firmly'. I could not understand that. Is it that you are going to deal with this matter merely as a law and order problem? If that is the way the problems are going to be tackled, I think that will not bring about any solution to the problems which we are facing to-day.

The second factor is that the discontent that is growing is being utilised by reactionaries. I do understand that and particularly, the recent developments, in the Banaras Hindu University, and to a greater extent, the developments in the Delhi University, are all the results of the Jana Sangh and such political elements . . .

SHRI HAMENDRA SINGH BANERA (Bhilwara): It is all wrong and false.

SHRI C. K. CHANDRAPPA: You might have objections to that, but, the fact remains a fact, Jana Sangh, RSS and Vidyarthi Parishad, helped and inspired to a great extent by the CIA, are trying to penetrate among the students and trying to create a situation out of these and, here, the ruling Party should share its responsibility. They have created a fertile ground where frustration is bound to grow and the Jana Sangh and other reactionary Parties in the country are using the frustration and they are

sowing the seeds of discontent in that soil which is so fertile for the growth of discontent.

This is the situation and you take one specific example. In recent periods, in most of the Hindi educational institutions, you could see that the examination system was one single factor which created a lot of trouble in our country. The students there were stabbing invigilators. It is not that, by their character, the students have become violent and are attacking the invigilators. It is because of the fact that the examination system is so rotten and dead and stinking system you are carrying on and exhibiting throughout the country and spreading the stink all over. The Minister, I am sure, will say, 'We have brought about so many recommendations. So many good and bad recommendations are there. What we are worried is not about the recommendation. There was no lack of recommendations. Commissions after Commissions were appointed and public money has been wasted so to say because of all the recommendations which have been made for a meaningful reform in the examination system, nothing has been implemented and, to-day, the tendency is to copy. Why don't you allow the open book policy in the examination halls? Mr. Chairman, to know what is written in a book, the student should at least once read a book and if you adopt the open book policy in the examinations that will eliminate the factor of copying. That will give perhaps a guarantee for the invigilator to get out of the examination hall safely. And that is No. 1.

Recently, in many of the States, the running of the schools and colleges by the private managements has created a problem. They say they run educational institutions out of humanitarian grounds. It is just like the old Englishman's claim of saying that he is carrying the white-man's burden on his shoulders. They have run the institutions in such a way that students, teachers and all the people

[Shri C. K. Chandrappan]

concerned are dissatisfied. Slogans for nationalisation of schools is coming from certain sections. I do not say that you should nationalise schools and colleges tomorrow. But what I say is, you should have a sympathetic approach to this problem. You should eliminate such people who get benefit and big profits out of running of these educational institutions.

I now come to my last point about medical colleges; they collect big capitation fees. The Minister might say, this is connected with Health Ministry. But the problem is this. A rich person who can spend Rs. 20,000 or Rs. 40,000 can get admission. The fellow may be a worthless one; he will come out of the college with the degree; he will kill people after getting that degree. Why should Government encourage such people? Why should a Government in a modern State give permission for these managements to run schools and colleges like this?

The education system in the past was suited to a different purpose. The education system was given shape by people who came from abroad, the foreign and alien administrators. They had a purpose. We have different purpose now. We are a free and independent country and our pattern of education should suit the needs of our people. Education should enable a new generation of people to come forward to face the challenges of the nation. I do not blame the Education Minister. Many Ministers have come before him; he is the last in a series of such Ministers. They have all pursued the same bankrupt policy for the last 25 years unless you change the policy, the country will go to the dogs.

श्री राजदेव सिंह (जौनपुर) : सभा-पति जी, आप ने जो इस बहस में मुझे भाग लेने का मौका दिया उस के लिए मैं आप का धन्यवादी हूँ। आज यहाँ चर्चा चल रही

है दिल्ली विश्वविद्यालय में जो कुछ हुआ उस के बारे में और उस के बाद हमारे मंत्री महोदय ने जो बयान दिया तथा दूसरे विश्वविद्यालयों में जो कुछ हो रहा है, विद्यार्थी असंतोष के नाम में, यह चर्चा का विषय है। तो विद्यार्थियों में असंतोष है— इस का हमें पोस्ट मार्टम कर के देखना है, अच्छी तरह डाइगनोसिस कर के देखना है और इस का इलाज करना है। लेकिन जिस तरह से विद्यार्थी आन्दोलन के नाम पर आज विश्वविद्यालयों को बरबाद किया जा रहा है, विश्वविद्यालय की प्रापर्टी को फूँकने की कोशिश की जा रही है और बसों को हाईजैक कर के सड़कों पर चलाने की कोशिश की जा रही है, किसी को कुचल कर मारा जा रहा है... (व्यवधान)...

इस आन्दोलन को हम विद्यार्थी असंतोष का कारण नहीं कह सकते हैं। (व्यवधान)

सभापति महोदय : आप लोग डिस्टर्ब न करें। आपको अपना मौका मिला, उन्हें अपने मौके पर बोलने दीजिए।

श्री राजदेव सिंह : अगर आज विद्यार्थी लाइब्रेरी में कमी हो उसके लिए एजिटेशन करें, फर्नीचर की कमी हो जिससे उनको परेशानी हो या स्टाफ निकम्मा हो, पढ़ाई लिखाई की सहूलियत न हो, बोर्डिंग हाउसेज की कमी हो, उनको रहने की जगह न मिलती हो, इन बातों के लिए यदि वे एजिटेशन करें तो मैं समझता हूँ हर समझदार आदमी उनका समर्थन करेगा। उनके आन्दोलन सिर्फ पढ़ने पढ़ाने से संबंधित होने चाहिए। लेकिन आज होता क्या है? दिल्ली यूनिवर्सिटी की चर्चा हमारे विरोध पक्ष के माननीय सदस्य ने की। उन्होंने बहुत आसू बहाये कि पुलिस ने कुछ विद्यार्थियों को मारा लेकिन उनके

मुंह से एक शब्द भी इस बात के लिए खेद का नहीं निकला कि जो एक गरीब घर की गांव की औरत तांगे पर जा रही थी और जो बस हाईजैक करके स्टूडेंट चला रहे थे उसके नीचे मर गई। हम मांग करते हैं कि उनके ऊपर 302 का मुकदमा चलाया जाए।

आज हर यूनिवर्सिटी में यूनियन्स हैं जिनमें काफी पैसा होता है। बनारस हिन्दू यूनिवर्सिटी के संबंध में मैं जानता हूं कि वहां पर 15 हजार स्टूडेंट्स हैं और वहां पर साल भर का 90,000 रु० चन्दा आता है। एक केस हमारे समक्ष है कि लखनऊ यूनिवर्सिटी यूनियन के दो लड़के आए इस काम को लेकर कि हम दिल्ली जा रहे हैं प्रधान मंत्री को इन्वाइट करने यूनियन के जलसे में आने के लिए लेकिन हमें नहीं मालूम कि वे प्रधान मंत्री के पास गए या नहीं गए लेकिन इतना जाहिर है कि प्रधान मंत्री उस जलसे में नहीं गई। लेकिन उसका खर्च 11 सौ या 13 सौ दिखाया गया है। इस तरह से आप समझ सकते हैं कि यूनिवर्सिटी यूनियन मेम्बरशिप का जो लम्बा चौड़ा फंड होता है उससे अनाप-शनाप बातें की जाती हैं। उत्तर प्रदेश के भूतपूर्व मुख्य मंत्री श्री चरणसिंह ने जो यूनियन को आप्शनल कर दिया था कि जो विद्यार्थी चाहें वह उसके सदस्य हो सकते हैं, आज मालूम होता है कि वह चीजें उचित ही थीं। होना चाहिए यह कि विद्यार्थी की मर्जी के खिलाफ यूनियन का चन्दा उनसे नहीं लेना चाहिए।

चूंकि मैं बनारस हिन्दू यूनिवर्सिटी का विद्यार्थी था और नजदीक का रहने वाला हूं इसलिए थोड़ी सी चर्चा वहां के बारे में करना चाहूंगा। उस दिन कास प्रदर्शन के समय बहुत गलत सलत बातें कहीं गई थीं। बहुत सी बातें जो मेरी जानकारी में हैं वह मैं कहना चाहता हूं। मैं 9 तारीख को वहां गया था, 5-6

घंटे वहां रहा, वहां पर विद्यार्थियों से बातचीत की, प्रोफेसरों से बातचीत की और वाइस चांसलर से भी बातचीत की। वहां की हालत यह है कि कैम्पस के भीतर आर० एस० एस० की विलिंग है जोकि सभी को मालूम है जिस समय हम वहां पढ़ते थे उस समय से वहां आर० एस० एस० का केन्द्र है। (व्यवधान) आप आगे सुनें कि किस कन्टेक्ट में मैं यह कह रहा हूं। अप्रैल, 1972 में यूनिवर्सिटी कैम्पस के भीतर बिना वाइस चांसलर की आज्ञा के आर० एस० एस० की रैली निकाली जाती है नंगी तलवारों के साथ। उसके बाद यूनियन का इलेक्शन होता है और उसके बाद यह आन्दोलन होता है। आन्दोलन की शकल यह है कि 5 को विद्यार्थियों ने काला दिवस मनाया। अभी जोशी जी ने एक बात कही मैं उस को काटना चाहता हूं। उन्होंने कहा कि यूनियन के प्रेसीडेंट का जिक्र नहीं किया शिक्षा मंत्री ने। अस्तित्व यह है कि यूनियन के प्रेसीडेंट है वह विद्यार्थी परिषद, आर० एस० एस० के नहीं हैं। उन्होंने अपने को डिमोन्स्ट्रेशन किया मूवमेंट से। और जब उसने डिमोन्स्ट्रेशन किया तो छात्र संघर्ष समिति बनाई गई जिसके प्रेसीडेंट हैं यूनियन के वाइस प्रेसीडेंट। हमें इस सम्बन्ध में संघर्ष समिति के अध्यक्ष का एक तार 5 को मिला जिस दिन कि काला दिवस मनाया गया। तो इस तरह से क्रमबद्ध चीजें चली हैं नंगी तलवारों की रैली, यूनियन का ऐलक्शन और उसके बाद यह आन्दोलन।

आन्दोलन किस शकल का है मैं चाहता हूं उसे भी आप सुन लें। जो चीजें इस्ट्रॉय की गई हैं उससे आन्दोलन के स्वरूप को आप समझ सकते हैं पहले तो यूनिवर्सिटी आफिस में ताला तोड़ करके लोग घुसे और तमाम रिकार्ड जलाया। उसके बाद स्टेट बैंक को लूटने और जलाने की कोशिश की गई और जब पुलिस पहुंची तो उसको बचाया जा सका। पोस्ट आफिस को लूटने

[श्री राजदेव सिंह]

की कोशिश की गई। इसके बाद जो हेड आफ दि ए पार्टमेंट हैं वे लोग एक जलपान गृह बन करते हैं, उस को लूटा गया और बर्बाद किया गया। नगर निकाय कार्यालय जोकि विद्यार्थियों के इन्टरैस्ट के लिए है उसका फर्नीचर तोड़ा गया और उसमें आग लगाई गई। टेलीफोन एक्सचेंज को नुकसान पहुंचाया गया, दो हेडगीयर उठा ले गए लोग, पता नहीं कहां ले गए! क्या यह विद्यार्थी मूवमेंट है। एक टन्ट फूक दिया गया। यूनिवर्सिटी डिसपेसरी का ताला तोड़ करके दवायें छिटका दी गई। एक यूनिवर्सिटी कार को नुकसान पहुंचाया गया। 6 लकड़ी के बड़े-बड़े बकसे जोकि ठेले पर स्टेशन से आ रहे थे जिसमें साइंस का सामान था उसको रोक करके विद्यार्थियों ने तोड़ा और आग लगा दी। यह सब उनके फायदे की चीज थीं उनके नुकसान की चीजें नहीं थीं और न ही, उसमें बन्दूक और कारतूस भरे हुए थे। चार कंज्यूमर स्टोर्स लूटे गए और वहां की चीजें फेंक दी गईं तोड़ दी गईं। कंज्यूमर स्टोर्स को लूटने में और किसका इन्टरैस्ट हो सकता है। जो वहां का एम्पलाई रहा होगा, जिसने गबन किया होगा वही पहले कोशिश करता कि उसके रिकार्ड जला दिये जायें। यह सब एलिमेंट उस आन्दोलन में शामिल हैं। मैं आपके माध्यम से सदन को बताना चाहता हूं कि 15 हजार विद्यार्थी हैं जिनमें से सिर्फ दो सौ विद्यार्थी इसमें पार्टिसिपेट कर रहे हैं, इस आन्दोलन में। इसमें कुछ विद्यार्थी परिषद् के लोग हैं और कुछ जो राज नारायण सिंह का फैक्शन है सोशलिस्ट पार्टी का उसके हैं और एन्टी सोशल-एलिमेंट है। प्रोफेसर और विद्यार्थियों ने मुझे बताया है कि बिहार के जो एम० एस० एस० के संचालक हैं वे कई गाड़ियां और मोटर-साइकलें लेकर वहां पड़े हुए हैं। इस तरह से यह मूवमेंट संचालित किया जा रहा है। बाइस साइकल के बारे में यहां तक कहा गया है कि उसके कंपड़े छतार भी और नंगा कर दो। यह विद्यार्थी नहीं कर सकते हैं तो वहां पर इस तरह की

बातें की गई हैं।

समाप्ति महोदय : कृपा करके अब समाप्त करें।

श्री राजदेव सिंह : मैं समाप्त कर रहा हूं। आज उस यूनिवर्सिटी की यह हालत देखकर तकलीफ होती है। मालवीय जी ने किस भावना के साथ भीख मांग-मांग कर उस यूनिवर्सिटी को बनाया था लेकिन आज वहां की जायदाद फूकी जा रही है, जलाई जा रही है, तोड़ी जा रही है। मैं वहां का 1930 से 1938 तक विद्यार्थी रहा था। सन् 1934 में सेन्ट्रल ब्रिटिश गवर्नमेंट ने चूंकि वहां के विद्यार्थी कांग्रेस मूवमेंट में पार्टिसिपेट करते थे इसलिए तीन लाख जो ग्रांट-इन-एड दी जाती थी उसके लिए डिक्लेयर कर दिया कि हम बन्द कर देंगे। इसी यूनिवर्सिटी में जहां आज यह हालत हो रही है जो मैंने बयान की वहां पर उस समय विद्यार्थियों ने एक मीटिंग की और कहा कि हम दूनी फीस देंगे, अगर गवर्नमेंट एड बन्द करती है तो करे। वहां पर स्टाफ की भी मीटिंग हुई और उन्होंने कहा कि हम आधी पे पर काम करेंगे। तो जहां पर इस प्रकार की फीलिंग थी वहां पर आज यूनिवर्सिटी की जायदादें जलाई जा रही हैं। तो आपके माध्यम से मेरा यही कहना है कि अगर विद्यार्थी आन्दोलन कायदे से चले तो हम सभी लोग उसका समर्थन करने के लिए तैयार हैं।

अब मैं मंत्री जी को दो सुझाव देना चाहूंगा। कोई एजुकेशन पालिसी लेटेस्ट आपकी होनी चाहिए। मैंने सुना है कि लंदन यूनिवर्सिटी में एक कोर्स है जिसे सेंडविच कोर्स कहते हैं। विद्यार्थियों को रेगुलर कोर्स के साथ-साथ टेकनालोजी और दूसरी चीजें भी पढ़ाते हैं जो यूनिवर्सिटी से बाहर निकलने पर जीवन में उनके काम में आ सकती हैं। मैं यह भी कहना चाहता हूं कि हावर एजुकेशन के लिए आप सेलेक्टिव एजुकेशन की व्यवस्था करें।

इन शब्दों के साथ मैं आपको अव्यवाह देता हूं।

*The original speech was delivered in Tamil.

[Shri J. Matha Gowder]

made to suffer for an unseemly controversy raging between the University authorities, the Police and the students. For this kind of worsening situation, the political parties of the country have the major share of the blame. It is imperative that any effort of a political party to get a foothold among the student community for short-term gains must be curbed. The students and the University authorities must be left alone to solve their problems. The students and the Universities must sit across a table and thrash out the problems. They should themselves chalk out their future course of action for maintaining peace and tranquillity in the Campus. We cannot take political advantage of the students.

Before I conclude I would just refer to one important point. At present the voting age is 21 years. The students who are mature enough to understand and appreciate the political trends in the country are not able to become active participants because of the age restriction of 21 years. If we reduce the voting age to 18 years, in all probability the students will give vent to their political grievances, will try to achieve their political aspirations, outside the Campus rather than inside as it happens now. This will also reduce the frequent frictions that take place now between the University authorities and the students. I would also suggest that educational reforms, which will ensure them a definite and prosperous future, must be implemented forthwith. Then only we will be able to find a permanent solution to this problem of student unrest in the country.

With these words, I conclude.

PROF. NARAIN CHAND PARASHAR (Hamirpur): Sir, the discussion on student unrest becomes irrelevant if we do not pause for a moment to understand that the student of today is not the student of the past days. A student of the past days was unaware of what was hap-

pening in the country whereas a student of today is terribly involved in what is happening around him. He is not only a student but also a citizen. He travels by bus, reads newspapers, comes to the Lok Sabha gallery and watches the proceedings of the House. Therefore, his sense of the events becomes sharper and his expectation from the leaders of the country also is equally higher. If we are unable to give him what he wants, it is our failure and not the failure of the students. If we try to exploit the students for purposes other than academic, it is our fault.

All that has been said about the student community is hardly justified in view of one experience that I had. During the days of student unrest in Punjab, I was travelling from Nangal to Himachal Pradesh and I found that quite a few of the buses had been deflated and others had been set on fire. I was told that the persons who did it at Nangal were neither the students from the colleges nor students from higher secondary schools but workers of the CPM. Shri Ram Krishan Baduria, a Member of the Punjab Legislative Assembly at one time, had brought a gang of workers from distant places for this particular purpose. As a result, there was huge devastation between Nangal and Rupar. When students and teachers are subjected to this kind of exploitation, it is not an academic problem. I warn the Education Minister that academic solution cannot be found to this problem. We must know where the disease lies before we find a solution. If we seek the solution elsewhere, we will not arrive at the correct solution.

MR. CHAIRMAN: He is a professor. He can give a solution.

PROF. NARAIN CHAND PARASHAR: How many universities in the country have been allowed to have student representation in the senate? There are 83 universities in the country. In answer to a question, it was said that it is there only

in very few universities. So, the students are not given a sense of participation.

During the last meeting of the Central Advisory Board of Education, a resolution was passed unanimously to appoint a sub-committee to examine the causes of student unrest in detail. That sub-committee was to submit its report within four months. I do not know whether the sub-committee has started functioning after it was appointed. Now when we ourselves are feeling that whatever the Vice-Chancellor does has to be vetoed at the highest level, when the UGC has become a more signing machine, when the Vice-Chancellors of the country are thinking in terms of submitting their resignation in the context of student violence, can the problem of student unrest be solved? No; it cannot be. The Vice-Chancellor must stand firm. No Vice-Chancellor should resign when the students demand it in the wake of unrest. The political leaders and, specially, the leaders of those parties who have semi-student organisations, like, Vidyarthi Parishad, must understand that they are doing great harm to the country.

One reason why this problem has become acute in Delhi is because Jana Sangh has been defeated in the elections to the Metropolitan Council and the leaders of Jana Sangh who were running the Government are out of the Government today. They want to exploit students for their purposes. They are organising all sorts of gimmicks to impress upon the students that they are their sincere followers. No; they are not.

The cause of student unrest goes deeper. When there is no sense of participation amongst students, when there is no feeling amongst students that they are being heard, when the students feel that they are being ignored, and when they are being asked by one party to go in one direction and by another party to go in another direction, naturally, they suffer

from split personality. It is a psychological phenomenon. Our students at the moment are being subjected to this kind of undue exploitation. This must stop. For this, the police is not the answer. If you send batches of police and kill students on the spot, it will not do.

When the students at Moga in Punjab see that a police inspector can get a free ticket for the cinema, when the Income-tax inspector can get a free ticket for the cinema, when a political leader can get a free ticket for the cinema, they feel, what harm has the student leader done, what harm have the students done in demanding cheap-rate tickets for the cinemas? When the society is behaving in a very much desperate and disgusting manner, the students cannot be expected to rise above society. When the leaders of society who are there to mould the public opinion are failing in their duty it is hardly wise to condemn the student community.

It is believed that the wisdom is frozen like the snow on the Mount Everest in a few heads, like, Vice-Chancellors, Deans and Professors, who run the universities. May I ask: Out of 3000 lecturers of Delhi University, how many are there on the Academic Councils? Not more than 10. Out of Deans and Professors, how many are there on the Academic Councils? What for are they? The educationist of today is the one who takes the class and not who comes from abroad with a big degree or with a black gown or with a doctorate. He does not know the students: he does not feel the pulse of the students.

I condemn the violence of students and equally the violence by the police. I must say the students will have to be listened to with a heart full of sympathy. If you go with the rod, if you go with the police, the students will not listen to you. But if you go like a father or an elder brother, if you go like a person who is bothered about the future of the

[Prof. Narain Chand Parashar]
students, the students will listen to you. The student who listens to you is the same student who behaves nicely in the college or in the university campus, is the same student who wants to study in the class and is the same student who wants to be assured of a job. When the students see that degrees are being sold, when the doctorates are being sold, when the examinations are being manipulated, they feel what harm have they done.

We have to re-assure the student that the system which obtains in the country is the one which will give him justice. When the student feels that there is no justice for him, then he is angry, then he is there to abuse me and everybody, and even the highest leaders will not be spared. So, we have to re-assure them that justice will be done to them.

Earlier in the Lok Sabha, that is, last year, I referred to the fact that the students had to run to the High Courts to get justice done to them in the matter of admissions. When the Education Department here, the U.G.C. here, the Central Advisory Board here, fail in their duty to give justice to students, they cannot be expected to behave politely. Today, the students want to be re-assured and the Minister of Education, the leaders of this country, the Vice-Chancellors, and others who mould public opinion have to re-assure them that they are not isolated and neglected, and that there is a heart in the person of the Education Minister, that there is a heart in the leaders of this country, which feels for them, which feels their pulse and which is agitated over the problems facing them. Once this is done, the universities can be re-opened tomorrow, whether it is the B.H.U. or the Delhi University.

SRI PILOO MODY (Godhra):
Mr. Chairman, Sir, it is not often

that I compliment a member of the Congress Party on a speech that he delivers in this House. But I would like to do so to my dear friend, Mr. Parashar, for the wholesome truth and good sense that he has spoken to knock some sense into the Education Ministry and the Treasury Benches. There was only one fault that I found with what he said and that is, when he deviated from his concern about the education of this country and thought that he would play a little politics on the side because when he accused the Jan Sangh about interfering, in student life, he certainly had a point, but you cannot point a finger forward without pointing four fingers to yourself, and this he failed to do.

The politics of this country has been vitiated in the universities through political wings of students, through political parties being active on campus. Today I hear a lot of sanctimonious sentiments being expressed on this particular subject. I hope the speakers, who talked about political parties not interfering in campus life, will finally not merely mouth these sentiments but actually carry them through. I was very happy when I heard these sentiments because at last the policies of the Swatantra Party regarding student activities on campus are being vindicated, and even the arch criminals of this particular activity are beginning to understand what it implies.

Basically, the fault is not that of universities and students; basically the fault is of our Government that in 25 years has destroyed the perfectly beautiful picture of a future India; we have destroyed the belief that this country should have been well on its way to a great, progressive and prosperous nation by this time and that, in spite of the fact that we have every wealth in this country, every possible type of people, every possible type of expertise, knowledge, minerals—call it whatever you may—we have not

been able to use them for the good of the people. Therefore, the first condemnation for what is happening in the student world in India rests squarely on the shoulders of the Central Government, not the State Government to whom the Central Government would like to pass the buck, but on the shoulders of the Central Government.

This, perhaps, must be one of the few countries in the world where we have had Education Ministers who are not even Cabinet Ministers. You can understand from this the importance that we must be giving to a subject like education....

AN HON. MEMBER: Shri Siddharth Shankar Ray was there.

SHRI PILOO MODY: We had one here and there, just for a few months. But the fact that the Education Ministry does not deserve a man of such seniority and importance as a Cabinet Minister is itself evidence of the contempt in which we hold Education in this country.

Take the example of what is happening in Delhi. What have the students demanded? It is this. The students have demanded restoration of normal teaching in the College of Engineering and the College of Arts. Can any demand be more reasonable than asking the Government to resume teaching in two colleges which, for 15 months, have not functioned at all? The colleges in this country are not functioning for 15 months and the students are demanding 'Please teach us'—can any demand be more pathetic or more reasonable that this Government cannot meet it within a minutes time, within five minutes? It is going on and on. And does this Government care? They have all manner of alibis and excuses—this is an administrative problem; so and so is in control. But who the hell is interested in who is in control? The important thing is that the colleges in this country are

not functioning; it is not the fault of the students; they want teachers, but teachers are not available.

The second point is reinstatement of dismissed teachers of Delhi College of Engineering. Look at the happiness with which students and teachers are thrown out without any consideration, without any care, without proper inquiry, sometimes cursorily examined without thinking about the repercussions of such a thing! Is this such an unjustifiable demand that the University should take over the Colleges of Engineering and the College of Arts? It is under the Delhi administration that these two institutions have suffered and that is why the students have finally said, 'Let the University take them over.'

Admission of all First-Divisioners into the MBBS course—I understand that the Government has a problem. Let them sit down and talk it out. I have here a catalogue that the students have prepared and said that 65 seats can be utilised that are already existing in the four Medical Colleges. Maybe the number is not 65. Maybe it is 63. But, anybody in the Government could have gone and investigated this. But the Minister for Health in whose charge this thing comes is much too busy politicking and collecting money all over the place to pay any attention to his Ministry or to do any serious work for which he is paid.

Then, students' participation in the decision-making bodies of the University—this is a sort of eye-wash which has been going on for many years. No committees are formed in which the students have actually any say. There is a Teachers' Council of some sort and I do not think it has even met for so many months when the entire University is closed down.

Finally, a library for the South Campus Colleges.

These are the demands that the students have made. I cannot see how the Government can possibly

[Shri Piloo Mody]

deny any one of these demands including the reinstatement of these rusticated students, I just cannot see, Mr. Chairman.

I desperately need your attention, because I cannot see why the Government cannot fulfil these demands and restore peace.

I am prepared to guarantee peace in Delhi University if the Government would meet those six demands that the students have put forward because I see nothing in them which inhibits them from doing so.

About the ordering of the Police into the campus, this has become now almost fashionable. The Vice-Chancellor merely makes a declaration, 'I feel that my life was in danger and, therefore, I ordered the Police into the campus'. The Vice-Chancellor's life is definitely precious, but it is not as precious as the lives of into the campus. The Vice-Chancellor, if he feels that his life is in jeopardy constantly, he has no business occupying that chair.

Therefore, I seriously feel that unless a dialogue is started immediately with all concerned, without any pre-conditions whatsoever, and we sit down and discuss a family problem, we sit down and do so, for the benefit of our country, for the benefit of future generations, we will continue to go on having this serious problem.

Finally, I would like to make an appeal. I do not know who this Vice-Chancellor is. I have never met him. Everybody says that he is a very good man. I do not know what has happened to him. It is his job to be in his office. It is his job to meet the students. It is his job to solve the problems of the students and, therefore, when the students go to him, he should be available and he should be there. Let us not create a society where the breaking of a few glass panes is equated with the breaking of heads.

श्री वसंतलाल कपूर (पटियाला) :
चेयरमैन साहब, आज सारे कट्टी में होने

वाले स्टूडेंट अनरेस्ट पर डिस्कशन हो रहा है और इस हाउस की मार्फत काफ़ी लम्बे लम्बे सेरगन्ज स्टूडेंट्स और यथ को दिये जा रहे हैं। मैं समझ नहीं आता कि मौजूदा एजुकेशनल सिस्टम से सरकार किस तरह आज की नई प्रावलम्ब को सात्व कर पायेगी। आज कोई स्टूडेंट फ़र्स्ट या सैकंड क्लास में एम० ए० करे, या यूनिवर्सिटी में फ़र्स्ट क्लास फ़र्स्ट स्टैंड करे, लेकिन उस को नौकरी नहीं मिल पाती है, जब तक कि उस के पास कोई सिफ़ारिश न हो। मैं ऐसे स्टूडेंट्स को जानता हूँ। अगर ऐसा कोई स्टूडेंट आ कर कहे कि मुझे नौकरी नहीं मिलती है, मझे कहीं क्लर्क लगवा दो, तो आप अन्दाज़ा लगा सकते हैं कि हमारी हालत क्या है। अगर इस एजुकेशन सिस्टम को जारी रखा गया, तो यह हमारे देश को तबाह कर देगा। इसका टोटल शोक आप करने की जरूरत है।

सरकार आज की अनएम्प्लायमेंट के बारे में सेरमन दे, प्लानिंग करे और वह प्लानिंग फ़ेल हो, वह कहे कि हम इतने स्टूडेंट्स को जाल्ज प्रोवाइड करेंगे और उसकी बात खोखली साबित हो और फिर भी वह कहे कि यूथ और स्टूडेंट्स उस के पीछे चले। आप बड़ी बड़ी कोठियों में रह रहे हैं और हमें सेसन्ज, लैक्चर और भाषण दें, तो उन का कोई असर आज के यूथ पर नहीं होने वाला है। मैं उस सोसायटी से ताल्लुक रखता हूँ, जिस को आप सुधारना और बनाना चाहते हैं। हम लोग किसी से कम जिम्मेदार नहीं हैं, किसी से कम समझदार नहीं हैं, हम में जिम्मेदारी को निभाने की अहलियत किसी से कम नहीं है। लेकिन फिर भी आप हमें दबा कर रखते हैं, हमारी तरफ़ ध्यान नहीं देते हैं।

यह ठीक है कि पोलिटिकल पार्टियाँ स्टूडेंट्स को जायस और नाजायस ढंग से एक्सप्लायट करती हैं। पिछले दिनों जी

बाकयात हुए हैं, अगर हम उन का एनेले-
सिज करें तो साफ़ नजर आता है कि कुछ
पोलीटिकल पार्टीज ने अपने सियासी मकसद
के लिए स्टूडेंट्स को यूज किया। लेकिन
आप अपने एजुकेशनल सिस्टम को सुधारने
की कोशिश न करें और सारी जिम्मेदारी
पोलीटिकल पार्टीज पर डालें, तो मेरे खयाल
में यह ज्यादा मुनासिब नहीं होगा। मैं उन
पोलीटिकल पार्टीज से हमदर्दी नहीं रखता
हूँ। मैं उन की मुजम्मत करता हूँ। जो
स्टूडेंट्स तशद्द में हिस्सा लेते हैं, मैं उन
को भी सपोर्ट नहीं कर सकता हूँ। लेकिन
सारे प्लानिंग और एजुकेशनल सिस्टम
को शेक अप करना होगा। आप इस समाज
को इसी तरह चलाना चाहें और सेरमन
दे कर हमें आगे बढ़ाना चाहें, यह नामु-
किन है।

अ.ज हमारे एजुकेशनल सिस्टम की
हालत यह है कि आप मिडल क्लास फैमिली
से ताल्लुक रखने वाले स्टूडेंट का मुकाबला
पब्लिक स्कूल में पढ़ने वाले स्टूडेंट से करवाते
हैं आप चाहते हैं कि एक स्टूडेंट की टांग बांध
दी जाय और वह एक दूसरे स्टूडेंट के साथ
बीड़ें। वह कैसे दूसरे स्टूडेंट का मुकाबला कर
पायेगा? आप का सारा एजुकेशनल सिस्टम
डिफेक्टिव है। इस को शेक अप करने की
जरूरत है। आप को अन-एम्प्लायमेंट की
प्राबलम की तरफ ध्यान देना है और नई
जाब्ज क्रीएट करनी हैं। पिछले बजट
और इस बजट में इम्प्लायमेंट के क़ैश प्रोग्राम
के लिए करोड़ों रुपए रखे गए हैं। लेकिन
उस पर बहुत बड़े पैमाने पर असल नहीं
हुआ है।

स्टूडेंट्स प्राबलम को सिर्फ़ ला एंड आर्डर
प्राबलम समझना बहुत बड़ी गलती होगी।
एजुकेशन मिनिस्ट्री को तमाम हिन्दुस्तान की
यूनिवर्सिटीज के लीडरों को यहाँ बुलाना चाहिए

और उन के साथ बातचीत करनी चाहिए
कि किस ढंग से यूनिवर्सिटीज में अमन कायम
किया जा सकता है, किस ढंग से उन को
अच्छी तरह चलाया जा सकता है। अगर
आप स्टूडेंट्स पार्टिसिपेशन को रोकना
चाहें, तो उस का नतीजा ठीक नहीं होगा।
एजुकेशन मिनिस्ट्री को इस तरफ़ कदम उठाना
चाहिए।

सरकार इस सिलसिले में तमाम पोली-
टिकल पार्टीज के लीडरों की एक कांफ़्रेंस काल
करे। जिस तरह वह लेबर के इश्यू पर एक
कानसेन्सस तैयार करती है, एक कोड आफ़
कन्डक्ट तैयार करती है, उसी तरह वह
पोलीटिकल पार्टीज के लीडरों से बातचीत
कर के स्टूडेंट्स प्राबलम पर एक मिनिमम
कोड आफ़ कन्डक्ट बनाने की क़ोशिश करे।
अगर आप इस तरफ़ ध्यान देंगे, तो इस
का एक हैल्दी इफ़ेक्ट हो सकता है। सिर्फ़
सेरमन्ज या भाषण देने, स्टूडेंट्स को रस्टी-
केट करने और पुलिस भेजने से कोई प्राब-
लम साल्व नहीं होने वाली है। सरकार
को फ़ौरन दिल्ली और यू० पी० की यूनि-
वर्सिटीज के बारे में बातचीत करनी चाहिए
अगर आप या वाइस-चांसलर इस-
को फ़ाल्स प्रस्टीज का सवाल बना लें, तो यह
मुनासिब नहीं होगा। आप को इन तमाम
इश्यूज को दूर-अन्देशी से और ब्राड पर्स-
पेक्टिव में देखना चाहिए।

SOME HON. MEMBERS rose—

Mr. CHAIRMAN: Please keep deco-
rum in the House. If one gets up and
I hear him, others should not get
up.

SHRI SAMAR GUHA: I want to
make a humble submission. It is
such an important issue and the fate
of not only the present generation but
future generation depends on this
and if you ask us to speak in two or
three minutes, it is better not to
speak. I make the request that the
time should be extended.

MR. CHAIRMAN: I am not in favour of it, as yet. But I am in the hands of the House. The whole problem is this. I have to finish it. If you have to sit half an hour late, you should finish it today.

THE MINISTER OF EDUCATION, SOCIAL WELFARE AND CULTURE (PROF. S. NURUL HASAN): I have a very important conference in connection with the Delhi University. I most humbly request you to permit me to leave the House at 6, because I was under the impression that the House would adjourn at 6 and the meeting had been fixed at 6.15. This time I do not know whether that will succeed but I request your permission to leave the House at 6.

SHRI VASANI SATHE (Akola): We can postpone it till tomorrow.

SHRI JYOTIROMY BOSU (Diamond Harbour): I have talked to the Minister of Parliamentary Affairs and made a request because this is a matter which involves the entire student community, professors, school teachers; in six States education has come to a standstill and a two-hour debate would not do. It should be a whole day debate, I would not go to that extent. Today the hon. Minister is going to the Delhi University to help a settlement. It will be better if he replies tomorrow and gives us more news. After half an hour you can adjourn the House at 6 today and give two hours tomorrow for a better discussion of the whole thing. I am quite sure nobody in this House will oppose this.

MR. CHAIRMAN: My difficulty is this. There are certain parties which have not spoken as yet—the CPM, Congress (O), S. P., unattached, etc. Nobody is taking less than ten minutes or eight minutes. There is then Mr. Sathe also on the Congress side. There are five persons altogether. If everybody takes ten minutes, it will be fifty minutes, or we can cut it at

least to 30 minutes. The Minister is making a request that he has got an engagement and he should be relieved at 6. I should like to have the suggestion from the hon. Minister of Parliamentary Affairs who has come. What is the position? Do they want to finish it today? Or do they want it to be carried over tomorrow?

SHRI RAJ BAHADUR: As the House is aware, we cannot sit beyond the 22nd for reasons which I need hardly state; nobody would like to be away during the Christmas holidays. In all humility I can say that we have provided opportunities for discussion of private motions, including call-attention motions unprecedented in number in any session so far—so many call-attention notices, so many motions of private Members have hardly ever been allowed. The duration of rule-193 discussions is normally one hour. We have provided two hours. I want to say this. If we want to make speeches extending over half an hour rule 193 is nowhere. Either the rule is there or it is not. Government business is very badly suffering. I have got a number of Bills which have to be passed. We cannot sit beyond 22nd. I ask the Members to bear with me when I say that in short-duration discussions it is very not possible to accommodate everybody to the extent of the time that he requires.

SHRI JYOTIRMOY BOSU: I want to make a submission. We are quite willing to forgo our lunch hour tomorrow. If the Government gives us one hour it will make two hours. Why should they take this attitude? Do you realise that the country is in a ferment?

SHRI SHYAMNANDAN MISHRA: We look utterly ridiculous if we are asked to express our views on a subject like this in two or four minutes. It is completely useless.

SHRI RAJ BAHADUR: We have to take instructions from the Speaker.

If you can get it through the Secretariat we shall be grateful.

MR. CHAIRMAN: There is a difficulty. The Chair goes on ringing the Bell. But nobody takes his seat. The Chair cannot go on quarrelling with every Member and it becomes very awkward. That is why I am asking your help and co-operation. I am prepared to call the Minister because every body wants to hear the Minister and know what is the Government's attitude. I am prepared to call him and I want you to co-operate with the Chair.

SHRI JYOTIRMOY BOSU: We fully co-operate with you. Let the Minister intervene today, and let him continue tomorrow. We will forgo the lunch hour.

MR. CHAIRMAN: The hon. Minister.

SHRI SAMAR GUHA: What is the position?

MR. CHAIRMAN: We have agreed that he should be called.

SHRI JYOTIRMOY BOSU: I used the word "intervene."

SHRI SHYAMNANDAN MISHRA: It is utterly ridiculous.

श्री जगन्नाथ राव जोशी : हमने प्रस्ताव किया तो हम को मिर्फ चार मिनट दिए। यह क्या है ? अगर हम को इस तरह से दो चार मिनट मिलें तो हम बोलेंगे क्या और जवाब वह किस बात का देंगे ?

we want replies from the Education Minister and the other Minister—both the Ministers.

MR. CHAIRMAN: I want to draw the attention of the Minister of Parliamentary affairs. I am not in favour of cutting the lunch hour period. But at the end of the business, if the House is prepared to sit late, this will be discussed tomorrow... (Interruptions). Do not insist on your pound of flesh every time. Do not

2937 (A)LS—9.

insist that whatever you say must be done. That attitude is not good. This is the consensus of the House. There is no other time available. I take it that you agree that after finishing the other business which is on the list for tomorrow, we shall take this up and finish it, and the hon. Minister will give a reply. That is all.

श्री रामावतार शास्त्री (पटना) : जो लोग बोल चुके हैं उन को आप ने कम समय दिया है तो उन का क्या होगा ? उन लोगों को भी और दिया जाय जब समय बढ़ रहा है ।

सभापति महोदय : केवल उन्हीं लोगों को दिया जायेगा जो लोग बोलने को बाकी हैं । और किसी को टाइम नहीं दिया जायेगा ।

श्री रामावतार शास्त्री : यह उचित नहीं होगा ।

सभापति महोदय : उचित हो अनुचित हो जो हो । जो एक दफा बोल चुका है उस को मैं फिर से बुलाऊं तो यह और ज्यादा अनुचित होगा ।

श्री रामावतार शास्त्री तब तो हम एग्री नहीं करते हैं ।

सभापति महोदय आप बैठिये श्री श्याम नन्दन मिश्र ।

श्री श्याम नन्दन मिश्र (बेगूसराय) : श्रीमान, मुझे ऐसा लगता है कि देश कोई बड़े संकट का शीघ्र सामना करने वाला है । यह संकट सर्वग्रासी होगा, आल पर्वसिव होगा, ऐसा मुझे लग रहा है । राजनैतिक एवं आर्थिक कारण तो इसके हैं ही लेकिन सबसे बड़ा बुनियादी कारण इसका शिक्षा के स्तर में विनाशकारी पतन है । देश उतना ही ऊंचा होता है जितने उसके इन्सान ऊंचे होते हैं । हमारे देश की ऊंचाई कोई एक्सेस्ट की ऊंचाई नहीं है ।

[श्री श्याम नन्दन मिश्र]

हमारे देश की ऊंचाई हमारे यहां की आम जनता की ऊंचाई है । जब शिक्षा इस तरह की हो जैसी कि आज दी जा रही है तो हमें साफ तौर पर स्वीकार करना चाहिए कि हमारे बच्चों का अध्ययन करने के बजाये हम एक उल्टी प्रक्रिया हम अपने देश में चला रहे हैं । आज का छात्र असंतोष बुनियादी तौर पर शिक्षा में इसी अवनति का परिणाम है । शिक्षा के प्रति विद्यार्थियों का आकर्षण आज क्यों कम हो गया है—हमको इसकी जड़ में जाना पड़ेगा । विद्यार्थी दुनिया में हर चीज होना चाहता है लेकिन आज वह विद्यार्थी होना नहीं चाहता है । इसके मूल कारण यह है कि शिक्षक भी दुनिया में सब कुछ होना चाहते हैं लेकिन शिक्षक होने का अभिमान उनके मस्तक में नहीं हुआ करता है । वे राजनीति में बहुत कुछ हिस्सा लेते हैं और साथ साथ जो शिक्षकों की परम्परा पहले हुआ करती थी उस परम्परा के अनुसार नहीं चलते हैं । आज विद्यार्थी अध्ययन में समय लगाने के बदले आन्दोलन में समय लगाते हैं, तहरीक में समय लगाते हैं—इसके क्या कारण हैं, इस पर हमको ज्यादा गम्भीरता से विचार करना चाहिए । अगर शिक्षा आकर्षक होती तो अपने क्लास-रूम से बाहर वे क्यों जाते, अपनी शिक्षण संस्थाओं से बाहर क्यों जाते ? अगर उनकी सारी परिस्थितियां ऐसी होतीं कि उनसे उनका भविष्य बनता तो मैं समझता हूं विद्यार्थी कभी आन्दोलन या तहरीक में शरीक नहीं होते और उनके असंतोष का इतना बड़ा विस्फोट नहीं होता जैसा कि आप देख रहे हैं । अब इस अध्ययन के आकर्षक न होने के क्या कारण हैं ? चूंकि दो चार मिनट में सारी बातें कहनी पड़ेंगी इसलिए संक्षेप में ही बताना चाहता हूं ।

पहला कारण, जैसा कि सभी लोग जानते हैं, विद्यार्थी और शिक्षक का अनुपात ऐसा कुछ है कि हमारे क्लास-रूम में बड़ी

भीड़ लग जाती है । बहुत से विद्यालय तो आज सिर्फ पैसा अर्जित करने के लिए विद्यार्थियों का दाखिला करते हैं, ज्यादा विद्यार्थियों को लेते हैं ताकि उनके पास ज्यादा पैसे हों । इसीलिए विद्यार्थियों के दाखिले की कोई इस्तहा नहीं होती ।

दूसरा कारण यह है कि स्कूल के भवन या उनके क्लास-रूम भी बहुत सी जगहों में उचित प्रकार के नहीं हुआ करते । खेलने के लिए कोई मैदान नहीं होना । उनके लिए लाइब्रेरी, पुस्तकालय के भवन भी नहीं होते । बहुत से कालेज जो आज हम देखते हैं वे तो सिर्फ नाममात्र के कालेज हुआ करते हैं । कालेज का एक ताजिया खड़ा हो जाता है लेकिन उसमें जो उपयोगी साधन होने चाहिए वे बिल्कुल नहीं होते ।

तीसरी बात यह है कि शिक्षक की योग्यता जैसी होनी चाहिए वैसी नहीं हुआ करती ।

प्रो० नारायण चन्द बाराह : जहां पर सबसे ज्यादा सुविधायें हैं वहीं पर अधिक असंतोष है ।

श्री श्याम नन्दन मिश्र : मैं उसी पर आ रहा हूं । लेकिन मैं अधिकतर देशव्यापी संकट की तरफ देख रहा हूं । मेरे सामने केवल बिल्ली विश्वविद्यालय या बनारस विश्वविद्यालय नहीं है ।

इसलिए आज कोई शिक्षा कम रही है ऐसा मोटे तौर पर नहीं मालूम होता है । बहुत सी जगहों में परीक्षाएँ नहीं चल पायीं । फिर भी राज्य सरकारें कहती हैं कि हम शासन चला रहे हैं । जो परीक्षा नहीं चला सकें, जो इस्तहान नहीं चला सकें, उस सरकार को यह दावा करने का हक नहीं है कि वे वह का राज्य चला रही हैं, वे वहाँ का शासन चला रही हैं ।

मैं आपसे यह भी अर्ज करना चाहूंगा कि दूसरा कारण जो इससे कम बुनियादी नहीं है वह है बेकारी की समस्या। शिक्षा की उपयोगिता में अब विद्यार्थियों की आस्था बहुत कम रह गई है। उनके सामने भीषण बेकारी है। बेकारी के आकार प्रकार में जाने की इजाजत अभी समय नहीं देता लेकिन इतना तो आप देखते ही हैं कि 23-24 फीसदी के हिसाब से बेकारी प्रति वर्ष बढ़ रही है। मैनपावर प्लानिंग, मानव शक्ति का नियोजन जैसा होना चाहिए वह हमारे देश में नहीं है। एक हिसाब लगाया गया है कि 1985 तक करीब 70-80 लाख स्नातक, सभी तरह के स्नातक, हमारे महाविद्यालयों से निकलेंगे और उनके लिए काम की सूरतें करीब आधी होंगी। तो आज बहुत से विद्यार्थी समझ रहे हैं कि जो विद्यालयों और महाविद्यालयों से निकलेंगे उनके सामने बेकारी की समस्या मुंह बाये खड़ी रहेगी। इसलिए आज की शिक्षा दिशाहीन और आदर्शहीन—दोनों—हो गई है और इसकी तरफ हमें ज्यादा ध्यान देना चाहिए।

वर्तमान छात्र असंतोष के भी मैं दो एक कारण बताना चाहता हूँ। इन बुनियादी कारणों के बाद भी जो विद्यार्थियों की कठिनाइयां बहुत दिनों से इकट्ठा हो रही थीं उनकी तरफ शिक्षा अधिकारी और सरकार उदासीन है और बहुत दिनों से उदासीन रही है। उनकी जरूरतें जो पूरी होनी चाहिए थीं वह पूरी नहीं की गई। दूसरा कारण यह है कि शिक्षा के क्षेत्र में बहुत बड़ा राजनीतिक हस्तक्षेप हो रहा है। मैं साफ तौर पर बताना चाहता हूँ कि इसके लिए सरकारी पक्ष भी उसी तरह जिम्मेदार है बल्कि कई माने में ज्यादा जिम्मेदार है। मैं इसकी मिसालें देना चाहता हूँ कि किस तरह से सरकारी पक्ष इसमें ज्यादा जिम्मेदार है। आज सरकारी पक्ष के लोग कहते

कि दिल्ली विश्वविद्यालय के उपकुलपति के साथ बहुत कुछ ज्यादातियां हुई हैं और ज्यादातियां होने की सम्भावना थी। मैं शिक्षक वर्ग में रह चुका हूँ इसलिए मैं तो कभी भी अनुशासनहीनता को तरजीह नहीं दे सकता। लेकिन मैं जरा माननीय शिक्षा मंत्री से अर्ज करना चाहता हूँ कि आप दिल्ली विश्वविद्यालय के उपकुलपति के बारे में तो ऐसा समझते हैं लेकिन जोधपुर विश्वविद्यालय के उपकुलपति श्री वी०बी० जान के साथ जब दुर्व्यवहार हुआ था तो क्या आपकी आवाज इसी तरह से उठी थी? कलकत्ता विश्वविद्यालय में क्या हुआ, जब सेन साहब के साथ छात्र परिषद् के लोगों ने ज्यादातियां की और आवाज उठाई तो वहां पर आपकी सरकार ने छात्र परिषद् का साथ दिया, उपकुलपति का साथ नहीं दिया। आप बतायें कि अगर इसी तरह से आप काम चलाना चाहेंगे तो क्या काम चलेगा? आज हम जो दूसरी पार्टियों के लोग हैं वह दो चक्कियों में पिस रहे हैं, हमारे विद्यार्थी इन दो चक्कियों में पिस रहे हैं। एक बड़ी चक्की है जो उधर है और दूसरी चक्की जनसंघी भाइयों की है। जहां कहीं दोनों मुकाबले में खड़े हैं, उन दोनों की बड़ी ताकत है, जहां कहीं दोनों में धींगामुश्ती हो वहां दो चक्कियों में हमारे तमाम विद्यार्थी आज पिस रहे हैं। चाहे विद्यार्थी दिल्ली विश्वविद्यालय के हों चाहे हिन्दू विश्वविद्यालय के हों। दोनों जगह उन को स्वीकार कर लेना चाहिये। कि उन के पीछे राजनीति काम कर रही है। आप को पूरी ईमानदारी से, निष्पक्षता से इस विषय पर विचार करना चाहिये, लेकिन यह बात मैं आप के यहां देख नहीं रहा हूँ।

आप दिल्ली विश्वविद्यालय की बात को ले लीजिए वहां क्या हुआ? 21 जुलाई को जब यहां पर अनुशासनहीनता का मसला पैदा हुआ, और उस अनुशासनहीनता को लाने में सरकारी पक्ष की जिम्मेदारी थी, अन्य दलों की नहीं, उस समय आप ने कोई

[श्री इयाम नन्दन मिश्र]

कारवाई नहीं की। इसीलिये आप ने जो बीज बोये थे वह उस हवा के थे जो आंधी के रूप में आज यहां बरपा हो रहे हैं। इसकी जिम्मेदारी आप के ऊपर है, हम लोगों पर नहीं। जहां विद्यार्थी जायेंगे वहां क्यामत आयेगी, उनके असंतोष का विस्फोट होगा तो क्यामत होगी। इसीलिये मैंने कहा कि एक सर्वप्राप्ती संकट, आस-पर्वस्व काइसिल हमारे देश में आ रही है। मैं ने तो मिसालें बतलाई हैं कि किस प्रकार से यह राजनीति यहां पर घुसी हुई है।

मेरा सुझाव यह होगा कि शिक्षा के ऊपर अब आप को ज्यादा खर्च करना पड़ेगा। जितना आप डिफेंस के ऊपर खर्च करते हैं, राष्ट्रीय आय का जितना अनुपात आप रक्षा पर खर्च करते हैं, उतने अनुपात से कम आप को शिक्षा पर खर्च नहीं करना चाहिये। आज आप उस का आधा खर्च करते हैं। इस से काम चलने वाला नहीं है, साथ ही वहां जितनी सुविधायें होनी चाहियें उन की पूर्ति आप को करनी होगी।

दूसरी बात शिक्षा नियोजन की है। कोई एजुकेशन प्लानिंग आप की नहीं है। आप ने कई आयोग बिठाये, लेकिन उन सारे आयोगों की सिफारिशों पर भी आप ने पूरी तरह विचार नहीं किया। उन सारी रिपोर्टों को आप ने तर्क कर दिया है। उन्हें कहा रख दिया है इस का भी कुछ पता नहीं चलता है। हमारे देश में मानव शक्ति का नियोजन मैनपावर प्लानिंग होनी चाहिये।

मैं यह सुझाव दूंगा कि हिन्दू विश्व-विद्यालय और दिल्ली विश्वविद्यालय में जो वर्तमान परिस्थिति है उस के सम्बन्ध में प्रधान मंत्री एक सर्वदलीय सम्मेलन बुलायें। जितने दल पार्लियामेंट में हैं उनका सम्मेलन बुलायें और उन की एक कमेटी बनायें। शिक्षा मंत्री द्वारा बुलाये सम्मेलन से हम वांछित फल प्राप्त नहीं कर सकते। अगर हम को शांति के लिए प्रयत्न करना

है तो हम दरवाजे इस तरह से बन्द नहीं रख सकते। सरकार ने दरवाजे बन्द कर दिये, उपकुलपति ने दरवाजे बन्द कर दिये और विद्यार्थी असहाय चारों तरफ बिलख रहे हैं। यह नहीं हो सकता। खासकर सजा के जरिये आप जो परिस्थिति को सुधारना चाहते हैं, वह ठीक नहीं। इस तरह से परिस्थिति सुधरने वाली नहीं है। जब उस तरह का सम्मेलन होगा तब उस में सभी राजनीतिक दलों को आप एक कसौटी पर रखेंगे। मैं चाहता हूं कि विश्वविद्यालय का क्षेत्र एक 'एरिया आफ पीस' हो। आज हम अक्सर सुनते हैं कि हिन्द महासागर को 'एरिया आफ पीस' होना चाहिये, लेकिन उस के पहले विश्वविद्यालय का क्षेत्र 'एरिया आफ पीस' होना चाहिये, तभी हम विद्यार्थियों का भविष्य बना सकते हैं।

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI K. C. PANT): Mr. Chairman, Sir, picking up the thread from Shri Mishraji, I would say, I agree with him entirely that universities which shape and mould our young people, shape their character, mould their ideas, give them certain values and prepare them for life, making them good citizens, the places which we call temples of learning, certainly, should be areas of peace in order that students may get a kind of training of their minds, of their character, which all of us want them to get. Therefore, Sir, I entirely agree with my hon. friend, Mishraji, and as far as I am concerned, why I am intervening in the debate is to place before the House the difficulty of the Government in case the University does not remain an area of peace; in case peace is disturbed, violence is indulged in, then what does Government do, this is the problem I want to pose to my hon. friends opposite, not in a partisan spirit but in a broader spirit because there may be a strike here or there may be closing down of the University for a few days, but ultimately we are far more concerned with the

overall fate of our young people in their colleges and universities on whom the future of the country depends. So, I am intervening in this debate only in relation to the motion that stands in the names of three hon. Members which relates to the statement I made on the 7th December, in relation to the incidents on 6th December.

Sir, the matters of general education policy, to which the other motion refers, will be dealt with by my colleague, the Education Minister, and I do not think I should take up the time of the House in trying to deal with those aspects.

In relation to Delhi also, there is really nothing new that I can say. The Education Minister has made a long statement here dealing with the precise contents of the Memorandum, the demands of the students and exactly what the response of the Vice-Chancellor and the University authorities was. So, all those things, he has placed before the House.

As far as the law and order situation is concerned, I have also tried to place before the House the incidents as and when they took place. But in spite of that, today, Joshiji raised certain points and he was the only one, as far as I can understand, who referred specifically to the incidents and to my statement. When I speak of these incidents, I want to make it clear that we feel that only a handful of students are involved in the creation of this kind of violent incidents, that it is not the bulk of students and that the bulk of the students want very much to pursue their studies in peace and to be given an opportunity to pursue their studies.

The Delhi University, as you well know, Sir, and as all of us know, has a high standard, has a certain tradition, has a history, has attained a certain level of performance and

excellence, and I think it is a common concern of all of us to see that we are able to maintain that standard and at least help to the extent that Parliament can help in the maintaining of that standard.

When Shri Joshi spoke about what happened on that particular day, he chose to say that the entry of the police into the campus was unprovoked. This is what he said, and he did not utter a single word condemning the violence that took place.... (Interruption) I was listening very very carefully. He had the same speech previously also and then also he did not condemn the violence.. (Interruption).

SHRI JAGANNATHRAO JOSHI: I have condemned it twice; it is on record."

SHRI K. C. PANT: Even as an after thought, if you condemn violence, it is a good thing; I would welcome it. I welcome it, however belatedly you may come to that conclusion. But the point I am making while referring to an incident in which a crowd of students had gone to the University campus is that a crowd of students had gone there after declaring a certain purpose. What was that purpose which they declared? They declared that they would take over the University. This is well-known to Mr. Joshi. And the crowd went there. Certain window panes were broken. The Vice-Chancellor's office was sought to be broken into and ... (Interruptions) What did you say?

18.00 hrs.

SHRI JAGANNATHRAO JOSHI: The students complain that the window panes came outside as if somebody was there inside. They were broken by people who were inside. That is their complaint.

SHRI K. C. PANT: Very cleverly he is putting. You are a leader. Are you convinced that there was no violence? Are you convinced in your heart of hearts?

SHRI RAMENDRA SINGH BANERA: It is a fact. Are you convinced that the glass panes were not broken by the policemen and the goondas who were there inside the Vice-Chancellor's office?

MR. CHAIRMAN: You cannot get up and say like that.

SHRI K. C. PANT: I am not talking to you. It is no use saying...

श्री जगन्नाथ राव जोशी : मैंने हिन्दुस्तान टाइम्स के संवाददाता को कोट किया है। उसने जो लिखा है उसी को पढ़ा है। असत्य और सत्य को जानने के लिए ज्यूडिशल इन्क्वारी होनी चाहिए। जो दोषी पाए जाएं उनको सजा मिले। बिना इन्क्वारी सजा मिले यह कहाँ तक न्यायोचित है ?

SHRI K. C. PANT: Let me assure Mr. Joshi, Mr. Bosu and other friends who are here that we are not going to tolerate violence within the campuses of our Universities... (*Interruptions*) Let me assure them..

SHRI JAGANNATHRAO JOSHI: Nobody will tolerate and, therefore, our complaint is that without provocation the Police went there... (*Interruptions*).

SHRI SAMAR GUHA: *

SHRI JYOTIRMOY BOSU: *

MR. CHAIRMAN: Nothing will go on record. You will have to take my permission first and then you can speak... (*Interruptions*) Three persons at a time—I will not allow.

SHRI SAMAR GUHA: If you permit me...

SHRI K. C. PANT: I am not yielding at all...

SHRI JYOTIRMOY BOSU: On a point of order, Sir. I only wanted to mention...

SHRI K. C. PANT: That is not a point of order, Sir. That is not a point of order. He cannot mention it.

SHRI JYOTIRMOY BOSU: Let the lawful Minister sit down for once.

SHRI K. C. PANT: He cannot say, 'I am mentioning this.' That is not a point of order. Under what Rule?

SHRI JYOTIRMOY BOSU: I am not calling him 'Unlawful Minister'. I only wanted to make a simple submission.

SHRI C. M. STEPHEN (Muvattupuzha): Question is not a point of order. Point of order is one that relates to procedure.

MR. CHAIRMAN: There is no point of order. The hon. Minister may continue.

SHRI K. C. PANT: I would have preferred not to refer to the actual incidents because I have made a statement in the House. But, just to put the record straight and because Joshiji, for whom I have respect, has put forward the whole thing in such a way that he has made it appear as if nothing has happened, that the Police rushed into the University, that the Police went mad and beat up people.

What did actually happen? Sir, on the 14th November... (*Interruptions*).

SHRI SAMAR GUHA: I may repeat that the Vice-Chancellor has acted as a Police Superintendent...

MR. CHAIRMAN: The Minister is not yielding.

SHRI K. C. PANT: Why don't you listen? You should also listen. I never interrupt any of you..

SHRI JYOTIRMOY BOSU: You have not to do that unpleasant task.

SHRI K. C. PANT: I have the unpleasant task of keeping law and

order when you are on the other side of the fence. It is not a small task. I quote:

"On the 14th November, the students forced their entry into the Vice-Chancellor Pro-Vice-Chancellor's offices by breaking the main door and beating the chowkidars posted at the entrance. They ransacked the offices of the Vice-Chancellor and the Pro-Vice-Chancellor and other offices of the University. They smashed window panes and also broke the furniture and damaged installations and equipment in the two offices. They removed articles from the VC/PVC's offices including a typewriter and threw these outside. They even manhandled some employees of the University.

For the second day in succession, on 15th November, a group of students again attacked the offices of Delhi University and further demand extensively the offices of the Vice-Chancellor and the Pro-Vice-Chancellor.... (Interruptions)

What is all this?

....Since no Police force had been posted in the premises, the vandals had a free hand.."

This I have not said. This is taken from the press communique issued by the University. They referred to them as 'vandals' which is worth noting.

Then again, I quote:

"Having done their worst at the offices, they moved to the residence of the Vice-chancellor. The Vice-Chancellor requested that Police force should be rushed to the Campus to prevent the recurrence of the incidents of the previous day." By the time the police reached, the mob had moved to the residence of the Vice Chancellor and had started stoning. The police fired 10 shells of tear-gas. While dispersing, a part of the mob tried to set fire to a Delhi Milk Scheme van."

And then it goes on. I do not want to go into that in detail. In my statement of the 7th Decem-

ber I said:

"It is a matter of deep regret that in pursuance of an ill-advised design to occupy the University Offices, some students started pounding on the doors of the Vice Chancellor's office. The glass windows of the offices of the Pro Vice Chancellor and Registrar were smashed. Some students forcibly entered the room of the Dean of Students Welfare. The Vice Chancellor requested police assistance apprehending more serious violence."

It is the Vice-Chancellor who called the Police; let the House be aware of this fact. It is not that the Government went out of its way to send police there. You know that normally we do not send police into the campus. We never do that and I think that this is the first occasion in Delhi University.

SHRI JYOTIRMOY BOSU: In West Bengal, without exception....

MR. CHAIRMAN: West Bengal stands on a different footing.....

SHRI K. C. PANT: Luckily, Sir, in Delhi there are not so many Jyotirmoy Bosus. That is why this has been prevented so far. This is perhaps the first occasion when the authority of the University had been called upon to call the police into the Campus. I would like all the hon Members of the House to take note of this factor. It is not as though they are in the habit of calling the police. You should realise what sort of tremendous provocation it would have been to make the authorities who are very reluctant to call the police, to call the police on this occasion. (Shri Samar Guha: I say, question). I do not know what he is questioning. He cannot question facts I am merely stating facts. On the arrival of the police some students indulged in intense stone-throwing etc. Shri Joshi ji tried to make out as if lot of people were injured; he talked about the Hindustan Times photo, this, that and the other. I tried to find out the facts. Last time also somebody said this. I have been told that no newspaper has given the figure of injured as more

[Shri K. C. Pant]

than a dozen. There was a mob of over 3,000 and over. About 1,000 constables were there called in by the Vice-Chancellor. So, he felt that if they did not come, it would lead to violence.

In this situation, the figure of about a dozen has been mentioned, when public property has been destroyed, when the Vice-chancellor's office was threatened, when he had been threatened enough to call the Police for protection, when newspapers say not more than a dozen, you can yourself draw your own conclusion as to what was the nature of the action taken by the police. The police were suddenly called in for a certain purpose to give the protection that was expected of them. I wish Mr. Joshi ji and others though about it. We are concerned with discipline. The Vice-Chancellor is the head of the university, he is not a Minister but an educationist. I am surprised that a professor....

MR. CHAIRMAN: He is an emotional gentleman.

SHRI K. C. PANT: He is an emotional gentleman, but he is also a professor....

SHRI SAMAR GUHA: That is why I feel ashamed of the behaviour of that gentleman. He has neither the guts nor the courage nor the sense nor the inner heart to be a Vice-chancellor, who deals with the students in that way....

MR. CHAIRMAN: After all, the hon. Member is a very responsible Member of Parliament....

SHRI SAMAR GUHA: This is the language which I use....

MR. CHAIRMAN: ...and he should not go on passing such remarks against persons who are not present in the House....

SHRI K. C. PANT: And a fellow-professor.

SHRI SAMAR GUHA: I feel ashamed of such a man. I have been a professor, and I have seen professors, and we have also dealt with students.

MR. CHAIRMAN: Let the hon. Member not get irritated very much. Let him take care of himself also.

SHRI SAMAR GUHA: How can a vice-chancellor who is so much afraid and who is terribly frightened of the students function as a vice-chancellor?

PROF. MADHU DANDAVATE (Rajapur): The hon. Minister has created a problem by referring to his emotions that he has added to the situation.

SHRI K. C. PANT: As far as I know, no specific case of excesses by the police either on any student or any teacher has been reported to the district authorities or the university authorities or by anyone also. If such specific cases are brought to our notice, these will be looked into by the magistrates. But these were not brought to our notice. I want to stress this so that hon. Members may realise what the situation there was in which the police went there and how far all these pictures that are being painted here are borne out by the facts.

There was only one specific case of a constable being rough with a reporter, and action was taken by the SP on the spot, and he was placed under suspension and an apology was tendered to the reporter. So, it is not as though the officers there on the spot were not mindful of their duties or were not very vigilant; when they found that police had committed excesses they immediately took action. These were the various facts which I wanted to place before the House. Considering what happened on that day, all that I can say is that in similar situations, Government is duty-bound to help the authorities of the university in case they need such help and as long as the university authorities want the police in the campus to maintain peace and order

and to protect life and property, it is the bounden duty of the Government to give them that protection, and I would like to know whether anybody in the House differs from that. This is axiomatic; this is obvious, and it cannot be otherwise.

It is for the university authorities to come to a judgment whether the police is required in the campus or not, but if they come to the judgment that police is required, I think that the House will take us to task if we do not send police into the campus under such circumstances.

SHRI SAMAR GUHA: I am not accusing the hon. Minister. If they ask, certainly he can provide police help. But I accuse the vice-chancellor who had asked for it. I am only questioning the judgment of the vice-chancellor who had asked for police help or police protection. That is all. I do not say that the Government should not provide police protection.

MR. CHAIRMAN: The hon. Member is getting impatient. Now, the hon. Minister is concluding, and let him be allowed to conclude.

SHRI K. C. PANT: I am concluding. The point that I want to pose to my hon. friends Shri Samar Guha and Shri Jagannathrao Joshi and others is not whether I can score a debating point or not. I can refer to the affiliation of the president of the union there and such other things, but I do not think that this is a matter which should be dealt with that way. I do not make those debating points when I deal with students, because I think that we are at one in wanting the best for our students. The concern of Parliament should be as to what lead it gives to the student community. What are the values it sets for the student community, and if Parliament does not condemn violence, where it takes place, is it giving a right lead to the student community. If Parliament does not say that this is a wrong act, will they

not be letting down the student community by not telling the vast majority of the students who do not want violence that they are doing the right thing by not wanting violence? There may be complaints, there may be grievances, but there are methods to air those grievances. I am not going into that aspect now. I am only saying this: if such methods are used, then what is to happen? After all, the vice-chancellor's office is there in the university campus, and he is the authority in the university. Suppose the students say that they are going to take over the university, and they go and break into his office; if in this House all manner of things are said about the incident but nothing is said about this particular incident, then what kind of lessons do the students drawn from it? Is it being just to our own students? This is the point that I want to pose to my hon. friends.

I really think that if they do not mention those points candidly then they are not giving the lead that the students expect from Parliament. It is in this context that I would like to appeal to all sections in this House not to get lost in party politics but to give the right lead to the students. I should like to appeal to all of them to cooperate with the authorities in the University and see that normalcy is restored and peace is restored in the University so that its normal function of imparting education to the students—their examinations are coming closer and some are being held can be carried out in the right spirit and true traditions of the University.

SHRI JYOTIRMOY BOSU: The deal to the students can be well illustrated by what I say. May I speak tomorrow?

MR. CHAIRMAN: I may ask you to conclude today itself. Why should you decide all these points?

SHRI JYOTIRMOY BOSU: I do not decide. I was saying that the deal to the students,

MR. CHAIRMAN: Now you continue tomorrow.

PROF. MADHU DANDAVATE: Because Mr. Pant will not speak again I would like to ask him one simple question. He rightly referred that it was not left to the police authorities to go there it was the vice-chancellor's judgement, They assess the situation; and call police. Have you come across one statement by the Vice-Chancellor? He has categorically said that while trying to have a dialogue with student leaders, "may be, I have committed an error of judgment" in calling the police to the campus. Since you had referred so much to inviting the police to the campus and asked us whether we have justified it or not, we have also come across such students in our life and we faced the students, and I would like to ask whether there is no precedent even during the freedom struggle when the Principal of the Fergusson College, who was an Englishman, had some trouble with the students and then the police came to the campus and the hostel, that Englishman who happened to be an educationist told the police.

So long as educationists like me are at the helm of affairs in the Fergusson College I will not allow the police to come into the campus, into my College and my hostel. Cannot a similar attitude be taken by him also? This attitude was taken by Acharya Narendradev who was the Vice-Chancellor of the Banares Hindu University when he was faced with a similar situation.

SHRI K. C. PANT: He is asking me something which he apparently knows. But the point is that if he were to be the Vice-Chancellor or if Acharyaji were to be the Vice-Chancellor or somebody else was the Vice-Chancellor and he asked the Government for police assistance, we would give it. That is my answer
..... (*Interruptions*)

MR. CHAIRMAN: The House stands adjourned to meet again tomorrow at 11 A. M.

16.18 hours.

LOK SABHA DEBATES

LOK SABHA

Friday December 15, 1972/
Agrahayana 24, 1894 (Saka)

*The Lok Sabha met at Eleven of the
Clock*

[MR. SPEAKER in the Chair]

ORAL ANSWERS TO QUESTIONS

Raising of Prices of Stainless Steel Sheets by M.M.T.C.

*461. SHRI K. KODANDA RAMI REDDY: Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether the M.M.T.C. had raised the price of stainless steel sheets by more than 100 per cent;

(b) the reasons for the sudden rise in the price; and

(c) whether this price rise has adversely affected the priority and small scale industries?

THE MINISTER OF FOREIGN TRADE (SHRI L. N. MISHRA): (a) No, Sir.

(b) and (c). Does not arise.

SHRI K. KODANDA RAMI REDDY: I am not fully convinced. According to a letter from the President, Pondicherry Small-Scale Industries Association, in the third quarter of 1972, i.e. July to September the price of stainless sheets was Rs. 17.89 per Kg. But during the last quarter, i.e. October to December, they have suddenly raised the price to Rs. 28 per Kg. This amounts to almost a cent per cent rise. I would like the minister to explain the reasons for the sudden spurt.

SHRI L. N. MISHRA: The question was whether the price had risen by 100 per cent and the answer was 'no'. On 1st October 1971 the CIF price of

imported stainless steel was Rs. 7103 per tonne and on 1st October 1972 it had risen to Rs. 8234 per tonne. So, the increase is Rs. 1000 per tonne; it is not double.

SHRI K. KODANDA RAMI REDDY: May I know what control is being exercised against exorbitant prices at which imported stainless steel sheets both against export entitlement and by MMTC are being sold in the market?

SHRI L. N. MISHRA: The price is fixed by a committee presided over by the Chief Controller of Imports and Exports as in the case of other raw materials imported by the public sector agencies. Then quotas are allotted and it goes only to actual users.

SHRI PRABODH CHANDRA: May I know whether it is a fact that the producers of utensils charge the price keeping in view the black market price of stainless steel sheets and if so, would Government be prepared to give some relief to consumers or fix some percentage of the import licences for giving utensils at controlled rates?

SHRI L. N. MISHRA: As a matter of fact, the price of utensils is not controlled by us. There are two channels of import of stainless steel—one through M.M.T.C. and the other against export entitlement. As far as M.M.T.C. is concerned, it charges a nominal profit of 3 per cent or so.

Change in criteria for grant of Assistance to States for Scarcity Relief Work

*462. SHRI ANNASAHAB GOTKHINDE: Will the Minister of FINANCE be pleased to state:

(a) whether the need for change in the pattern of Central assistance for drought relief to the States has been brought to the notice of Government;

(b) whether Government propose to liberalise their pattern of Central assistance in view of very acute drought conditions prevailing in Maharashtra for the third year in succession; and

(c) if so, in what manner?

**THE MINISTER OF FINANCE
(SHRI YESHWANTRAO CHAVAN):**

(a) Yes, Sir. The matter has been referred to the Sixth Finance Commission who have been requested to review the policy and arrangements in regard to the financing of relief expenditure by the States affected by natural calamities.

(b) and (c). The severity of the drought conditions in Maharashtra has been brought to the notice of the Central Government by the State Government. A Central Team has also visited the State recently. Appropriate Central assistance will be provided to the State Government towards their expenditure on relief measures in accordance with the recommendations that the Central Team might make in this respect

SHRI ANNASAHEB GOTKHINDE:

The first team saw the conditions of acute scarcity there and reported that the distress caused by the failure of the crop is genuine and relief operations are well-directed for relieving the distress. We are told that a second team has also visited the State. May I know how much financial assistance has been recommended by the second team? May I know whether the Chief Minister of Maharashtra has asked for an assistance of Rs. 150 crores for providing fodder for cattle and drinking water facilities?

SHRI YESHWANTRAO CHAVAN: Drought has been persisting in Maharashtra from 1970-71 onwards. This is the third year and the accumulated effect is rather severe no doubt. Up to the end of 1971-72 the amount that was sanctioned comes to more than Rs. 41 crores. In the last three years,

six central teams have visited the State. In addition to the Rs. 41 crores I mentioned, the fifth team had sanctioned up to the end of October nearly Rs. 20 crores. But with the failure of the rabi rains, things have become still worse. Therefore, a sixth team has just visited the State and returned. The estimates that the Chief Minister has given to the central team are to the tune of nearly Rs. 143 crores....

PROF. MADHU DANDAVATE: The team has returned back to the pavilion!

SHRI YESHWANTRAO CHAVAN: No; only people who lose their wicket come back to the pavilion. The team has come back to the secretariat to further operate on it and to make evaluation of the possibilities of what can be done. As they do in the case of other States, the assessment will be done in the case of Maharashtra also.

SHRI ANNASAHEB GOTKHINDE: The Minister has stated that whatever assistance would be allotted on an all India basis, or on a particular pattern, would be allowed to Maharashtra also. This is the third year in succession that Maharashtra is facing the severest scarcity conditions due to drought. Nearly 10,650 works have been started and nearly 20 lakhs workers have been engaged in relief work. So far only Rs. 40 crores have been given to Maharashtra by way of grants, ways and means advance, and short term loans for agricultural inputs. Due to the scarcity conditions prevailing there for the third year in succession, which is putting more hardship on the resources of the State Government, because of the peculiar circumstances, will the Central Government come forth with special assistance, so far as Maharashtra is concerned?

SHRI YESHWANTRAO CHAVAN: Do not make your case more weak by unnecessarily arguing about a special case. Wherever there are

special features or difficulties, they will be taken into account. But you cannot say that the principle would be different from State to State.

PROF. MADHU DANDAVATE: Part of the grants from Central assistance available to States like Maharashtra were utilized in the relief camps for giving weekly holiday allowance to the workers and to give relief to the students. On the intervention of the Centre, it was decided that these two items of expenditure are not permissible and they were stopped. Will the Finance Minister give us an assurance that consideration will be given to these points and that they would be allowed to be started again?

SHRI YESHWANTRAO CHAVAN: These are specific issues. One cannot say that the principles will have to be changed in the case of some districts. These principles are fixed in consultation with the Finance Commission. The Fifth Finance Commission, which went into this question, made certain recommendations on the basis of which in 1968 certain criteria and principles were changed. Even now, when the Sixth Finance Commission was appointed, the question was again referred to it. The Planning Commission has appointed a group in the Planning Commission under the famous economist member, Shri Minhas. They have also made a specific reference whether there should be some other method for giving assistance.

There are two ideas in the field. One is that the State Governments want that the entire assistance should be given in the form of grants and not loans, because the burden of loans on the States has become rather very difficult. The other idea in the field is that there should be a national fund for calamities to which both the States and the Centre can contribute and which can be drawn upon when these difficulties arise.

The latest thinking is that this sort of drought conditions is a natural phenomenon and we will have to live with it for some time to come unless we find some technological break-through to face the situation, while we persist in our production efforts. We will have to deal with this problem in a different way. In the terms of reference to the Sixth Finance Commission we have included this subject. Therefore, so far as the principles are concerned, I think we will have to wait for their recommendation. At the same time, we will have to face the realities of the situation. I would like to assure the hon. Members that if there are continued, accumulated, adverse conditions of drought or flood, be it in Andhra, Mysore or Bihar, those special conditions will be taken into account while granting assistance.

PROF. MADHU DANDAVATE: What about my specific question about permissible expenditure for student relief?

MR. SPEAKER: The Minister has given an extensive reply.

SHRI R. S. PANDEY: I am very happy that the hon. Finance Minister is very alive to giving timely help to areas suffering from drought. He also said that there are two ideas working in his mind in order to remove the drought conditions. Now our agriculture is entirely dependent on monsoon. If rains come, we have a good crop. Otherwise, it is a complete failure. Are they going to have some drought-oriented and flood-oriented teams which will, from time to time, survey the affected areas and report to government what remedial measures should be taken? For example, Maharashtra is facing drought continuously for the last three or four years. Can such a team forecast this is going to happen and suggest relief measure.

MR. SPEAKER: Instead of asking a supplementary question, every hon. Member is making a speech. The hon.

Member said that he is very happy today. Let him make me also happy by asking shorter questions.

SHRI R. S. PANDEY: What is the long-term policy that the government is going to formulate in order to remove conditions of drought and flood?

SHRI YESHWANTRAO CHAVAN: I think he has raised a valid point. Since these conditions of drought are more or less recurring conditions he wants to know whether we have any plans to face these calamities on a permanent basis. I would like to assure him that while we are planning for the various regions of the country these two ideas have been kept in mind. Possibly he is aware that one of the Centre's scheme, which has been pursued after the 1970 budget is that drought-prone areas should be identified and specific development schemes should be prepared for them. Similarly for Assam, Bihar and Ganga valley there will be a flood prevention scheme. Naturally, these are very long-term projects. In the case of drought-prone areas, you can certainly conserve moisture but you cannot provide for the failure of the rains. That is our main difficulty. You can have percolation tanks ready. But they will become empty vessels unless there is rain. Suppose there is no rain, how do you meet the need for drinking water supply? O, how can you supply water for cultivation when monsoon fails? So unless some techniques are developed which can help the preservation of soil moisture and there are rains, there is no way out. These are some of the scientific technical matters and we have not been able to get an answer either in this country or even in the international scientific world. Of course, efforts will continue to be made in that direction.

SHRI DASARATHA DEB: Year after year, many States are affected by drought. Have the government drawn up any scheme to provide sufficient irrigation in those States which are continuously affected by droughts?

SHRI YESHWANTRAO CHAVAN: Yes, Sir; there are schemes. Irrigation also is a very comprehensive and vague term. In some areas flat irrigation, as it is commonly understood, canal irrigation, is not possible because it is not feasible. There we are trying to have percolation tanks, community wells and small and medium irrigation schemes. But drought-prone areas are those areas where the cultivation is entirely rain-fed. In the case of those rain-fed areas, what do we do? Really speaking, it is an impossible blind wall that we are up against and the machinery of government becomes rather helpless. In some of the districts of Maharashtra, for example, we can certainly give them employment, purchasing power and even foodgrains. But the main difficulty in those areas relate to drinking water and fodder for cattle. These are some of the problems which we are facing. Even then, I would say that no panicky decisions need be taken. People are bravely facing the difficulty and the State Government is also efficiently trying to manage the situation. I would like to assure hon. Members that the Central Government will do whatever they can to tide over these difficulties faced by the people.

**स्टेट बैंक ऑफ बीकानेर एंड जयपुर में
सेवा नियम**

***463. श्री महावीर सिंह शास्त्री :**
क्या वित्त मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या स्टेट बैंक ऑफ इण्डिया
(उप-बैंक) अधिनियम, 1959 में दिये गये
प्रावधान के बावजूद स्टेट बैंक ऑफ

बीकानेर ऐण्ड जयपुर के अधिकारियों की सेवा-शर्तों के सम्बन्ध में नियम नहीं बनाये के अधिकारियों की सेवा-शर्तों के सम्बन्ध में नियम नहीं बनाये गये हैं; और

(ख) यदि हां, तो सरकार द्वारा इस सम्बन्ध में क्या कार्यवाही किये जाने का विचार है ?

THE MINISTER OF FINANCE (SHRI YESHWANTRAO CHAVAN): (a) and (b). The terms and conditions of service of officers of State Bank of Bikaner and Jaipur are governed in terms of Section 11(1) of the State Bank of India (Subsidiary Banks) Act, 1959 read with Section 50(1) thereof.

श्री महादीपक सिंह शास्त्री : मंत्री महोदय ने जो वक्तव्य दिया है उसमें बतलाया है कि स्टेट बैंक आफ बीकानेर ऐंड जयपुर के अधिकारियों की सेवा शर्तें स्टेट बैंक आफ इंडिया (उपबैंक) अधिनियम, 1958 की धारा 11(1) और उसके साथ पठित धारा 50 (1) के अनुसार लागू होती हैं। मैं मंत्री महोदय से जानना चाहता हूँ कि यह नियमानुसार शर्तें कब लागू की गई हैं ?

श्री यशवन्त राव चव्हाण : जब से कानून बना तब से ?

श्री महादीपक सिंह शास्त्री : मंत्री महोदय ने यह नहीं बतलाया कि किस सन से सेवा शर्तें लागू हुई हैं। मैं समझता हूँ कि उसमें देर से लागू करने के कारण कर्मचारियों की वरीयता आदि के मुद्दों में जो क्षति हुई है उसके सम्बन्ध में क्या मंत्री महोदय यह आश्वासन दे सकते हैं कि उनकी क्षतिपूर्ति की जायेगी ?

SHRI YESHWANTRAO CHAVAN: There is no necessity of any fresh assurance. The assurance is given by the Act itself. Whatever rules were applicable before their merger with this Bank are still continuing. If there are any specific cases the hon. Minister has in mind and if he brings them to my notice, I shall certainly ask the Bank to look into them.

SHRI B. S. BHAURA: May I know whether the hon. Minister is aware of the fact that in respect of reservation quota for Scheduled Castes and Scheduled Tribes people, though they have fixed 12½ per cent reservation quota in services, the subsidiary banks do not implement it? There are so many Scheduled Castes and Scheduled Tribes candidates but these banks do not take them saying that they do not fulfil the requisite qualifications. I want to know whether the Government is going to consider or instruct the banks that they take the Scheduled Castes and Scheduled Tribes people, fulfil the reservation quota, by relaxing educational qualifications and other things.

SHRI YESHWANTRAO CHAVAN: I think, I answered it possibly here, in this House that it is true this question of recruitment of Scheduled Castes and Scheduled Tribes is not satisfactory. Therefore, instructions have been given by the Bank itself that they will have to relax the examination standards and will have to make special efforts to fulfil the quota reserved for Scheduled Castes and Scheduled Tribes. I am quite aware of it.

SHRI C. T. DHANDAPANI: As far as these recruitments in the State Bank of India or in its subsidiary banks are concerned, there is a written test, that is, an examination....

MR. SPEAKER: May I invite the attention of the hon. Member that this is not a very general Question? It is a specific Question about the service rules in State Bank of Bikaner and Jaipur.

SHRI C. T. DHANDAPANI: This is about subsidiary banks of the State Bank of India.

MR. SPEAKER: I am so sorry. Please do not expand the scope of the Question. In spite of my vigilance, you go on doing it.

Scarcity of small coins

***464. SHRIMATI SAVITRI SHYAM:** Will the Minister of FINANCE be pleased to state:

(a) whether Government are aware that a number of people exchange small coins at the rate of 90 to 94 paise for a rupee; and

(b) if so, the action taken or proposed to be taken to apprehend such people?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): (a) and (b). Due to shortage of coins, Government is aware that certain people are taking advantage of the situation. Buying and selling of small coins for an amount other than their face value is an offence under Rule 128(2)(a) of the Defence of India Rules, 1971. The action against such offenders is taken by the State Governments and Union Territories.

श्रीमती सावित्री श्याम : "मंत्री" महोदय ने यह बतलाया कि डी० आई० आर० के अन्तर्गत अफेंस है। जब सेकण्ड वर्ल्ड वार चल रहा था तब 50 रुपये की रेजगारी रखने वाले को डिफेंस आफ इंडिया रूल्स के मातहत छः महीने की सजा दी जाती थी। मंत्री महोदय ने बतलाया कि स्टेट गवर्नमेंट्स और यूनियन टैरीटरीज गवर्नमेंट्स की इसके प्रति जिम्मेदारी है और वह पनिशमेंट देती है। मैं जानना चाहती हूँ कि

क्या उनको जानकारी है कि राज्यों की सरकारों ने, विशेषकर दिल्ली की सरकार ने अब तक कितने लोगों को सजायें दीं। दिल्ली में पुलिस के रहते हुये इस प्रकार के असा-माजिक कार्य होते हैं। मैं जानना चाहती हूँ कि कितने लोगों को और कितनी-कितनी सजायें दी गईं।

SHRI K. R. GANESH: As I have indicated, the law has to be enforced by State Governments and we will have to collect the information from various State Governments. But I have got certain facts to know how this is being tackled. For instance, small coins worth Rs. 79.154 were seized during raids from unauthorised premises during 1971-72. 14 persons involved in 5 cases of small coin offences under the Small Coins Offences Act have so far been arrested in Delhi, U.P. and Maharashtra and the cases are reported to be under investigation.

श्रीमती सावित्री श्याम : सिक्कों की कमी का कारण यह भी है कि सरकार के पास जो विदेशी मिंटिंग मशीनें हैं वह ठीक कार्य नहीं कर रही हैं, रा मैटीरियल भी सरकार के पास नहीं है जिससे कि आवश्यक संख्या में सिक्के गढ़े जा सकें। मैं जानना चाहती हूँ कि जो सिक्कों की कमी है उसको सरकार किस प्रकार दूर करना चाहती है?

SHRI K. R. GANESH: These are not the facts for the shortage of small coins. The shortage of small coins is due to the fact that the percentage of small coins to the total currency in circulation has remained constant at about 3 to 4 per cent during the last six years. To meet this deficiency, various steps have been taken. The content of the coin has been changed

so that the constraint in the process of production is removed. Then, two shifts are being opened in the Alipore Mint and in Hyderabad, it is to be opened. The capacity has been increased with the result that today we are producing 75 lakh pieces per day whereas in August, 1970, we were producing 12 lakh pieces per day and in January-February, 1971, we were producing 35 lakh pieces per day. It is proposed to step it up during 1972-73 and thereafter. With these steps that are being taken, the shortage of coins to an extent will be met.

SHRI H. M. PATEL: Will the hon. Minister be good enough to explain what the Ministry's planning is as to by what date the shortage of coins will come to an end as a result of steps taken for increasing the production of coins or otherwise? That is an important thing. What is the estimate of requirements and what is the date by which they hope to meet those requirements so that no shortage of coins remains?

SHRI K. R. GANESH: It will be very difficult to indicate a precise date by which the shortage will be met. I have already indicated what steps have been taken. I would like to draw the hon. Member's attention to my first answer that the total amount of small coins in circulation is about 3 or 4 per cent of the total currency in circulation. That is to be stepped up to a considerable extent. By 1972-73, we envisage an increase in production of coins by 33 per cent in terms of numbers and 94 per cent in terms of value of the actual production in 1972-73.

SHRI M. RAM GOPAL REDDY: There is no shortage of small coins in Andhra Pradesh. Why is the shortage of coins occurring persistently in Delhi?

MR. SPEAKER: Because you happen to be here!

श्री राजेन्द्र प्रसाद दादव : मंत्री महोदय ने अभी बतलाया कि 1970 से छोटी क्वायन्स का प्रोडक्शन काफी बढ़ा है। मैं जानना चाहता हूँ कि इस समय जो शॉर्टेज है वह वास्तव में 1970 के बजाय कम है या वह बढ़ती जा रही है? मंत्री महोदय इस कमी को दूर करने के लिये क्या करने जा रहे

SHRI K. R. GANESH: The shortage is certainly much less than what it was in 1970 because of the number of coins that we have introduced. About the future programme, I have already indicated.

श्री भागीरथ भंडार : मंत्री महोदय ने बताया कि छोटे सिक्कों की कमी को दूर करने के लिये वे क्या कर रहे हैं। छोटे-छोटे देहातों और कस्बों में जो राष्ट्रीयकृत बैंकों की शाखाएँ हैं, मैं जानना चाहता हूँ कि क्या उन शाखाओं को भी ये छोटे सिक्के भेजे जाते हैं और यदि हाँ, तो क्या ऐसी भी शिकायतें आपको मिली हैं कि इन बैंकों के जो लोग हैं वे कमीशन लेकर छोटे सिक्कों का दुरुपयोग करते हैं और यदि मिली हैं तो उनके ऊपर आपने क्या कार्यवाही की है?

SHRIMATI SAVITRI SHYAM: I seek your assistance, Sir. My question was not answered.

MR. SPEAKER: You have thought of it after so many minutes.

श्रीमती सावित्री श्याम : जो मशीनें काम कर रही हैं चाहे भारत की हों या बाहर की हों वर्कवल कंडिशन में हैं या नहीं हैं?

MR. SPEAKER: The main question is whether Government are aware that a number of people exchange small coins at the rate of 90 to 94 paise for a rupee and action taken on that. How does machine come here?

SHRIMATI SAVITRI SHYAM: The shortage is on account of so many reasons.

अध्यक्ष महोदय : मशीनें इसमें कहां से ले आयीं आप ?

There is no time left now.

SHRI K. R. GANESH: There are standing instructions with the Reserve Bank that they should place at the disposal of the nationalised banks sufficient number of small coins. This is being done. There are no complaints that some authorities in Bank in collusion with unscrupulous elements are trying to exaggerate the shortage. There are no complaints. Whenever complaints are received that in a particular area there is shortage of small coins, there are definite instructions that they have to be rushed there, and this is being done.

Depression in Jute Industry

*467. **SHRI M. RAM GOPAL REDDY:** Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether the Jute industry in the country is reported to be in the midst of depression; and

(b) if so, the reasons therefor and remedial measures proposed?

THE MINISTER OF FOREIGN TRADE (SHRI L. N. MISHRA): (a) and (b). A statement is laid on the Table of the House.

STATEMENT

The jute industry is currently faced with two problems, namely—

(1) shortage of raw jute, resulting from a short crop in the current season; and

(2) competition in foreign markets from synthetics and products of Bangla Desh.

As a result of these handicaps, exports of jute goods during the first 6 months of the current financial year have been somewhat lower than corresponding figures for last year.

2. In order to meet the current shortage of fibre, adequate imports of jute from Bangla Desh are being arranged.

3. Government have already reduced the exports duty on jute primary carpet backing by Rs. 400 per tonne to make it competitive with synthetics. The other remedial measures contemplated are—(a) research and product development, (b) promotion and publicity, and (c) provision of adequate funds to meet the requirements under items (a) and (b).

SHRI M. RAM GOPAL REDDY: The Minister has stated that the foreign export losses are very marginal, but the figures speak otherwise. The foreign export losses till the end of August are over 12 per cent, and they are more than 22 per cent over the preceding four months. I want to know how he is going to meet this shortage. Moreover, our carpet backing, which we are exporting to North America, has also fallen. I want to know the reasons for that.

SHRI L. N. MISHRA: The main difficulties are generally two. Number one is, synthetics have very much come in the market. The second is, because of some duties on jute manufactures, we are finding it difficult to sell them as last year. Last year was a special year because of the situation in Bangla Desh, it was a windfall that we had. This year, also, the figures for the current year, April to September, indicate jute exports to the extent of Rs. 133.25 crores as compared to Rs. 135.26 crores; there has been a shortfall of only Rs. 2 crores upto this month.

SHRI M. RAM GOPAL REDDY: The Minister has stated that there is shortage of jute for mills. But, as a matter of fact, the stocks are rising; the stocks this year have increased in the factories—about 38 per cent. If more jute is available how is he going to export those stocks?

SHRI L. N. MISHRA: Wherefrom more jute will be available? This year we are going to have a bad crop of jute. As against the requirement of 71 lakh bales, we do not expect more than 58 lakh bales of jute. As a matter of fact, we are worried about running of the other jute mills. We are contemplating to import jute. 2.15 lakh bales have already been contracted with Bangla Desh, and we want to have three lakh bales more. So far as the quantity is concerned, we do not think that we are going to have more stock of raw jute. We are trying to meet the export part of it, but nothing can be said at this stage since the market seems to be unpredictable.

SHRI SAMAR GUHA: In view of the fact that India and Bangla Desh are the two countries who have the monopoly production in jute and also in view of the fact that jute trade is being threatened by synthetic products in the international world, may I know whether Government has undertaken any method to develop some kind of a joint policy for production, distribution and also diversification of jute products with Bangla Desh?

SHRI L. N. MISHRA: Diversification is one thing and joint effort is another. Diversification of production is a must. I must say that Bangla Desh has done quite a lot, as the hon. Member might have seen in the Bangla Desh Pavilion in the Asian Fair; they have first class jute carpets, tapestry, etc. We have not been able to do that; our research people are working on that.

About the joint effort, it has been my idea and, perhaps, a proposal that India, Bangla Desh and Thailand should sit together because the threat today is not from Bangla Desh, the threat today is not from Thailand. The threat to the industry is from synthetics. Only three countries produce jute—India, Bangla Desh and Thailand. It will really be a very good thing if the three countries could put their heads together and find a common solution to the problem.

SHRI D. BASUMATARI: May I know whether any complaint has been received by the Minister from foreign countries wherever jute bales are being exported that scraps of iron and stones are found inside, and if any complaint has been received, what steps Government have taken on this?

SHRI L. N. MISHRA: We have not received any complaint so far.

श्री के० एन० तिवारी : बाहर से जो जूट आ रहा है उसके लिये आप क्या कीमत दे रहे हैं और यहां पर काश्तकारों को आप क्या कीमत दे रहे हैं ?

श्री एल० एन० मिश्र : जहां तक यहां पर कीमत का सवाल है, स्पॉट प्राइस जो है वह 43 और 44 रुपये प्रति मन के करीब है लेकिन आपको जानकर खुशी होगी कि बाजार का जो भाव है वह 55 और 60 के बीच में है। बंगला देश से किस भाव पर खरीद रहे हैं इसको बताना मेरे खयाल से उचित नहीं होगा। लेकिन कुछ ज्यादा कीमत हमने नहीं दी है।

SHRI H. M. PATEL: The threat from synthetics is not a new thing. Would the Minister be good enough to explain since when research started in our country in order to meet the threat from synthetics and what progress has been made so far?

SHRI L. N. MISHRA: The threat from synthetics is, of course, not new. It has been there, but it has come in a serious form, especially in the biggest market, i.e., U.S. market. Research on jute to meet synthetic use of it was started 10 or 12 years ago, but that has not made much headway.

MR. SPEAKER: Mr. B. K. Daschowdhury. Next Question.

SHRI B. K. DASCHOWDHURY: I wanted to ask a supplementary to the earlier Question.

MR. SPEAKER: Enough questions have already been asked on that. You better ask your own Question.

Meeting of Aid India Consortium for rescheduling of India's debt obligations

***468. SHRI B. K. DASCHOWDHURY:** Will the Minister of FINANCE be pleased to state:

(a) whether the World Bank has sounded members of the Aid India Consortium on a suitable date for a meeting of the group to consider rescheduling of debt obligations by India; and

(b) if so, the date on which the meeting is likely to be held and the steps taken by Government in this regard?

THE MINISTER OF FINANCE (SHRI YESHWANTRAO CHAVAN):

(a) and (b). The Consortium action for debt relief to India for the current year is in progress and a further meeting has not been considered necessary.

SHRI B. K. DASCHOWDHURY: The hon. Minister has given a very short reply. I would like to know from him what are the conditions and what are the criteria under which the debt relief system is under serious consideration and for which the hon. Minister has said that no further meeting is necessary.

Secondly, I want to know whether in the last June meeting held in Paris the same matter was discussed and if so, what were the points discussed and whether all the Member countries of this Aid India Consortium agreed to the formula evolved by the former Reserve Bank Governor of Australia, Dr. Kumbh.

SHRI YESHWANTRAO CHAVAN: Though the answer is short, it is complete.

I know the provocation for the question was that when the Consortium meeting took place last June, the press communique they issued said they would meet again, but, in the course of the developments that subsequently took place, it appeared that such a meeting was not necessary.

He made a reference to the formula Dr. Kumbh has evolved. As a result of his discussion with many countries it was found that there was some sort of an unwillingness to accept that. There was no agreement about this formula. So, Dr. Kumbh himself evolved another alternative formula and it seemed that possibly the general consensus was in favour of the second formula which was rather lower debt-sharing burden. Ultimately, we have to see that it is a matter between the debtor-countries and the creditor-countries. It is the creditor-countries' willingness which is much more important in this matter.

So it was found by the World Bank that instead of calling another meeting they themselves should take the initiative with the countries concerned and see that things ultimately take the proper shape and, fortunately, things are taking shape. Almost all the countries are agreeing to the thing. It cannot go to the extent that we expect. The expectation was that possibly the debt relief would go upto 200 million dollars. But, it looks from the way we are going and the attitude of the different countries concerned, that we

may reach the level of 150 million dollars this year which is not bad, I should say.

SHRI B. K. DASCHOWDHURY: I have seen the press report that the U.S. Government has recently announced that they are interested to give assistance to the extent of 200 million dollars and some other countries also coming forward with much more than that. I would like to know from the hon. Minister whether it is also a fact that a total assistance of 1255 million dollars was talked about in the last meeting and ultimately they have come to the understanding that the Government of India may be given that assistance. Is it a fact?

SHRI YESHWANTRAO CHAVAN: Which press reports the hon. Member is referring to, I do not know. I have not seen them. There is nothing like that we are asking from the United States Government any specific aid; nothing like that. But, I can only say that the USA Government has agreed to the debt-relief participation in the Consortium.

SHRI B. K. DASCHOWDHURY: That was published in the *Hindustan Times* of the 17th November.

MR. SPEAKER: These things are published sometimes. But it is the Minister's reply that is authentic.

PROF. SAMAR GUHA: Please be brief.

SHRI SAMAR GUHA: I want to know from the Government the total amount of the outstanding international debt to India and the interest paid yearly and also when the Government is going to make our country self-sufficient in our national resources and dispense with foreign aid.

MR. SPEAKER: The question is about rescheduling of debt obligations by India. You have started asking about the details of interest and all that.

SHRI YESHWANTRAO CHAVAN: Sir, if you permit me, I will reply.

He is asking about the general strategy and the general policy about the debt commitment. I can give him general figures about it.

India's outstanding external debt as on 30th September 1972 amounts to Rs. 8476 crores. India's total debt service payments during the Fourth Plan period amounts to Rs. 2317 crores. As against this, the debt relief that has been committed for the last three years of the Fourth Plan amounts to Rs. 236 crores or, on an average, of about Rs. 79 crores per year. For the current year it is expected that the debt relief amounting to Rs. 112 crores would be forthcoming. This is slightly less than the one-fourth of the debt payments of this year. This is about the position of the total size of the debt relief and what exactly we are trying to do in the Fourth Plan period. Ultimately it depends upon the performance of the economy, particularly, our foreign exchange earning capacity through exports and our capacity to get certain debt relief. There are certainly some intangibles and unforceable factors on which many things depend.

MR. SPEAKER: Kumari Kamla Kumari—absent.

Proposals for the establishment of Jute Mills

*470. **SHRI ARJUN SETHI:** Will the Minister of FOREIGN TRADE be pleased to refer to the reply given to Unstarred Question No. 1294 on the 8th August, 1972 regarding the setting up of modern Jute Mills in the country and state:

(a) whether the State Governments of Andhra Pradesh, Assam, Bihar, Orissa and Tripura have put up proposals for the establishment of one Jute Mill in each of the States; and

(b) if so, what are the proposals and when the proposals are likely to be sanctioned by the Centre?

THE MINISTER OF FOREIGN TRADE (SHRI L. N. MISHRA): (a) Andhra Pradesh and Tripura State Governments have submitted proposals. The others have not.

(b) A letter of Intent has already been issued for a Jute Mill in the co-operative sector to be set up in Andhra Pradesh by the Srikakulam District Girijan Jute Products Industrial Co-operative Society. The Tripura Government's proposals are still under detailed examination.

SHRI ARJUN SETHI: The hon. Minister has stated in reply to my question that except from Andhra and Tripura, proposals from other States are yet to come. In this context, I want to know whether the Central Government has fixed any time limit for submission of these proposals for the proposed jute mills. If so, what are those time limits?

SHRI L. N. MISHRA: No time limit has been fixed. It is really for the State Governments, and they should expedite.

SHRI D. N. TIWARY: May I know whether the Government has enquired from the States why they were not submitting their proposals early and whether any reasons have been given by them or not?

SHRI L. N. MISHRA: I do not know whether any written letter has gone. But I had discussed with all the five Chief Ministers and I told them that they should expedite. Perhaps they are finding difficulties. So far as their own resources are concerned, they have not got their own resources. Their preference is to have these factories firstly in the public sector, secondly in the co-operative sector and thirdly, in the joint sector and fourthly, in the private sector also. Perhaps, they are not having sufficient resources for the purpose and they are negotiating with the parties. But I cannot state the

actual reasons. But I have spoken to every one of them and I will again send telegrams to them.

SHRI BISWANARAYAN SHASTRI: May I know from the hon. Minister whether the capacity has been indicated for these modern jute mills which are going to be set up in the different States?

SHRI L. N. MISHRA: No. No capacity has been indicated. We have suggested that these are most modern mills and it is for the State Government to fix the capacity. If they want to have mills of the biggest capacity, we have no objection.

SHRI SHYAMNANDAN MISHRA: Is it a fact that some industrialists have been asked to set up a jute factory in Bihar? If so, would the hon. Minister kindly give the name of such industrialists?

SHRI L. N. MISHRA: Not till today.

SHRI P. VENKATASUBBAIAH: May I know with regard to this jute mill which is going to be started in the co-operative sector and which is being started in a tribal area and which will be a good venture, whether previously the Andhra Pradesh Government had made a request to the Central Government to give licence at least for two jute mills to be started, one in Srikakulam area and another in the delta area and if it is so, what is the reaction of the Government?

SHRI L. N. MISHRA: I would recall that in pursuance of the resolution adopted in this House we had set up a committee under Mr. Mukerji and that committee recommended that three jute mills be set up all over the country, but we have accepted five for the time being and we have distributed these five mills to five States which are backward areas. We have not given any mill to Bengal. We have

given to Andhra Pradesh, Bihar, Tripura and Orissa. At present, Andhra has only one jute mill.

SHRI MADHURYYA HALDAR: How long has the application from the State Government of Tripura been lying with the Government for consideration? May I know when he will come to decision for finalising the scheme?

SHRI L. N. MISHRA: We have received it only a few days back and it will not take much time.

Standard of service to Bank users in Nationalised Banks

*473. **PROF. NARAIN CHAND PARASHAR:** Will the Minister of FINANCE be pleased to state:

(a) whether any survey has been conducted by Government to assess the improvement or deterioration in the service to the Bank Users, after the nationalisation of Banks in 1969;

(b) if so, the findings of the survey; and

(c) if no, such survey has been conducted so far, whether Government propose to conduct such a survey?

THE MINISTER OF FINANCE (SHRI YESHWANTRAO CHAVAN): (a) to (c). Government has not conducted any survey for assessing the quality of services to banks users. However, a study was arranged by the Banking Commission to appraise the quality of bank services to depositors. Based on its findings and the report of a Study Group on bank procedures, the Banking Commission has made recommendations for improving operating procedures of banks for better customer service. The recommendations of the Commission are under consideration.

PROF. NARAIN CHAND PARASHAR: In view of the hon. Minister's reply that the Government

have not made any survey, will the Minister consider whether the Government could do this, and whether he could kindly indicate whether they intend to make this survey?

SHRI YESHWANTRAO CHAVAN: Well, you see, in a formal sense, no, but in actual practice, yes, because, naturally when we try to assess the performance of the banks in such matters, this comes under consideration. Formal survey means another thing which is a long-term thing. But we are doing this in actual practice when we meet the State Governments and when we discuss in the Consultative Committee and so on, and also in the light of the general criticisms that we get through Members of Parliament who bring their own grievances, complaints, etc. Here also, I quite agree that even without making survey, there is much scope for improvement in the services to the consumers.

PROF. NARAIN CHAND PARASHAR: In view of the fact that there is a general feeling that the services have deteriorated after nationalisation, does it not become incumbent on the part of the Government to have an objective assessment on the basis of scientific survey to assess the situation? I may refer to the fact that the Minister, in his statement has stated that they have not conducted any survey so far. At a meeting of the Bank Users' Service of India which he inaugurated, this feeling was voiced.

SHRI YESHWANTRAO CHAVAN: This was one of the basis on which I said that there is scope for improvement in the service conditions of the banks to consumers. On the point whether a formal survey as such would help in this matter, it is a doubtful question.

SHRI C. T. DHANDAPANI: The Minister stated that they are not

going to make any survey. Previously the State Bank of India made some survey in this particular matter. I hope they could deliver the goods to some extent. I would like to make this request to him and I want to know the reaction of the Government in this regard. There is deterioration of service in the nationalised banks and everybody would accept it. In view of this, will the Government constitute a committee immediately to make a survey, because this is an important problem? I request him to kindly consider this point and inform us.

SHRI YESHWANTRAO CHAVAN: Well, as I told you, service conditions need improvement. But I am not sure whether any Committee would be necessary for that. When we were discussing this in the Consultative Committee I indicated that in this matter naturally we will have to go by the consultations with the management of banks, but I may say, the much more important thing is consultation with the trade union and leaders of bank employees etc. It is their cooperation which is very essential if at all we want to make changes and make improvements in the quality of service. There is one point which naturally has been arising so far, about their participation in the management of the banks. After the appointment of the Boards the representatives of the employees will be sitting and they will be entitled to sit, on these Bank Boards and therefore this one difficulty is now out of the way. Now I think we will have to create an atmosphere of more awareness on the part of the staff so as to see that better service is rendered to the people for whom we took this step of nationalisation of banks.

श्री नरसिंह नारायण पांडे : क्या सभी ग्रहोत्सव को एक बात की समझावटी है कि छोटे किसानों को पैसा मिलने में इसलिये विवशता पड़े रही है कि कि जो बचत

के वास्ते फार्मस हैं उस को प्रोसीजर है वह इस प्रकार के हैं कि छोटा किसान जब बैंक से पैसा मंगाता है तो उसे नहीं मिलता है ? मैं जानना चाहता हूँ कि इस बारे में सरकार कौन से कदम उठाने पर रही है ?

श्री यशवंत राव चव्हाण : हाँ, ऐसी कुछ बातें हमारी नजर में लाई गई हैं और इसी लिये बैंक के प्रोसीजर को सिम्पलीफाई करने की कोशिश हो रही है, फार्मों को कुछ ठीक ढंग से बनाने की कोशिश हो रही है लेकिन फिर भी मैं जानता हूँ

श्री नरसिंह नारायण पांडे : स्टाफ की बढ़ी कमी है ।

श्री यशवंत राव चव्हाण : स्टाफ की कमी है, ट्रेनिंग की कमी है, कुछ उनके दृष्टिकोण बदलने की भी आवश्यकता है ।

अन्नक का निर्यात

*474. **श्री शंकर बहाल सिंह :** क्या विदेश व्यापार मंत्री यह बताने की कृपा करेंगे कि :

(क) अन्नक निर्यात व्यापार को अपने हाथ में लेने के बाद से सरकार ने अब तक किन-किन देशों को अन्नक निर्यात किया है तथा निर्यात किये गये अन्नक का मूल्य क्या है ; और

(ख) उन देशों के नाम क्या हैं जिन्होंने सरकार को अन्नक का आयात करने के बिना आर्डर भेजे हैं और उनका मूल्य क्या है ?

THE DEPUTY MINISTER IN MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) A statement is laid on the Table of the House.

(b) The German Democratic public have placed an order on 15.12.72 for supply of 100,000 tons of rice.

STATEMENT

SHIPMENTS EXPECTED DURING
1972-73
(upto the end of October, 1972).

Name of the Country	Quantity Metric Tonnes	Value Rs. '000'
Austria	3.85	45.85
Australia	174.71	557.00
Belgium	645.00	491.63
Canada	5.67	16.49
Czechoslovakia	326.66	1990.00
Finland	Neg.	Neg.
France	485.71	1138.00

श्री शंकर बवास सिंह : मान्यवर, मुझे कुछ है कि बेरा सवाल आपके के पहले ही राज्य मंत्री महोदय चले गये, वह इस सम्बन्ध में अधिक जानते थे। मैं यह कहना चाहता हूँ कि मेरे एक लिखित उत्तर प्रश्न के उत्तर में सरकार ने 30 मई, 1972 को यह जवाब दिया था कि 55वें देशों को माइका का निर्यात होता रहा है। जब सरकार ने कैनलाइजेशन किया, उसके बाद मेरे एक लिखित प्रश्न के उत्तर में सरकार ने 19 अगस्त, 1972 को यह जवाब दिया कि 25 देशों के ही आदेश मेरे पास आये हैं और अभी जो स्टेटमेंट हमारे सामने है, उसमें केवल 28 देशों का उल्लेख है। मैं मंत्री महोदय से जानना चाहता हूँ कि सरकार की उदासीनता के कारण या कैनलाइजेशन की नीति के कारण अबरख निर्यात में क्यों उत्तरोत्तर घटी हो रही है और सरकार इसके लिये क्या कर रही है ?

SHRI A. C. GEORGE: Export of mica is not coming down. In fact if you go through some figures of 4 years you will find there is steady improvement. The figures are as follows:—

Year.	Exports.
1968-69	15.5 crores
1969-70	17.47 crores
1970-71	17.17 crores
1971-72	17.58 crores.

In 1971-72 the figure is up by at least Rs. 40 lakhs. In current year between April and October, our export is to the tune of Rs. 11.41 crores whereas the same figure last year 8.4 crores.

श्री शंकर बवास सिंह : मान्यवर, मैं आपके माध्यम से यह जानना चाहूँगा कि बहुत दिनों से यह मांग रही है कि माइका एक्सपोर्ट का नेशनलाइजेशन किया जाय। सरकार ने भी कई बार सदन में इस प्रकार का आश्वासन दिया है, लेकिन माइका एक्सपोर्ट का नेशनलाइजेशन न करके कैनालाइजेशन किया गया। मैं मंत्री महोदय से जानना चाहता हूँ कि माइका इण्डस्ट्री को बढ़ाने के लिये तथा इसके व्यापार में वृद्धि लाने के लिये क्या सरकार माइका एक्सपोर्ट का नेशनलाइजेशन करेगी ?

SHRI A. C. GEORGE: The export of mica was canalised on 24-1-72. We are in the process of setting up separate subsidiary of STC for handling of mica alone. We are giving maximum aid to small traders. We have kept apart 30 per cent of the total value of the trade so that it may benefit small producers.

श्री रामाक्षतार शारदा

सच है कि कैनलाइजेशन की नीति के बावजूद हमारे देश से हर साल करीब ढाई करोड़ रुपये का अबरख स्मगल हो रहा है ? अगर यह बात आपके दिमाग में आई है तो आप उसे रोकने के लिये कौन सी कार्यवाही कर रहे हैं ?

SHRI A. C. GEORGE: I do not deny that there was some amount of smuggling across the border. When we analysed this problem, it was found that it was because of the incidence of an export duty of 40 per cent that there was this temptation on the part of producers to

smuggle it across the border. So, on 1st May, 1972, 40 per cent duty had been reduced to 10 per cent in the case of fabricated items and to 20 per cent to nil in the case of powder and micanite. So, this temptation or root cause for smuggling has been sizably reduced.

WRITTEN ANSWERS TO QUESTIONS

Trade agreement with Poland

*465. SHRI SUKHDEO PRASAD VERMA: Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether a trade agreement has been reached recently between Poland and India; and

(b) if so, the salient features of the agreement and the foreign exchange expected to be earned from exports thereunder?

THE MINISTER OF FOREIGN TRADE (SHRI L. N. MISHRA):

(a) As a result of negotiations held between the Trade Delegations of Governments of India and Poland in Warsaw, a Trade Protocol for the years 1973, 1974 and 1975 was initiated on 17th September, 1972. The Protocol will be signed in New Delhi during the visit of the Polish Minister of Foreign Trade to this country shortly.

(b) Besides traditional commodities like tea, coffee, black pepper, cashew kernels, de-oiled groundnut cakes, iron ore, hides and skins, coir manufactures, jute manufactures etc. Poland will import a number of engineering products and other non-traditional items such as textile machinery, railway wagons, iron and steel castings including spun pipes, hand tools, pneumatic tools, electric household articles, ready-made garments, refrigerators and deep freezers, surgical cotton, builders' hardware, sanitary

fittings aluminium cables and conductors etc.

Indian imports from Poland will include mining machinery, rolled steel products, urea, sulphur, intermediates for pharmaceuticals and basic drugs, chemicals, refractory materials, zinc smelter, electrolytic zinc, etc.

The total trade turn-over between the two countries during 1973 is expected to be of the order of Rs. 1300 million, which will be about 29 per cent higher than the trade plan provision for 1972.

India's trade with Poland, as in the case of other East European countries and USSR, is regulated by Long Term Trade and Payments Agreements which provide for the settlement of all commercial and non-commercial transactions in non-convertible Indian rupees. This is a balanced form of trading and imports and exports are to balance each other over a period of time.

Currency Notes Lying in the State Bank of India, Lucknow

*466. SHRI ARVIND NETAM: Will the Minister of FINANCE be pleased to state:

(a) whether Government are aware of the fact that Rs. 16 crore worth of notes unfit for circulation have been lying cribbed in the Strong Room of the State Bank of India, Lucknow, for several years;

(b) whether the Reserve Bank is reluctant to accept all these notes; and

(c) if so, the reasons therefor and the positive action Government propose to take in this connection?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): (a) The State Bank of India, Lucknow is authorised to exchange soiled notes

tendered by the local Commercial Banks. Large quantities of such notes are usually tendered at the State Bank of India by local Commercial banks, and, as it is not possible for the Bank to examine these notes on the same day with the available complement of staff, these notes are usually stored in boxes containing triple locks under the "Guarantee Bond" system and paid into the currency chest of the State Bank of India, being treated as a part of the unissued chest balances of the Bank held on behalf of the Reserve Bank of India. About Rs. 15.97 crores worth of such notes were held by the State Bank of India, Lucknow under the "Guarantee Bond" system since September, 1971.

(b) Out of the said notes, Rs. 11.59 lakh worth of notes have been accepted by the Reserve Bank of India for examination and have since been disposed of after a percentage verification. Of the remaining balance, notes worth Rs. 73.21 lakhs in denominations of Rs. 10 and below, received from 9 Commercial Banks and held in 17 boxes are suspected to have been damaged by water when river Gomti overflowed its banks in September, 1971 and flooded Lucknow City. The other notes which were not damaged, but have remained unexamined so far, will be taken up by the Reserve Bank of India for examination shortly. After this has been completed, the examination to the extent possible, of the damaged notes worth Rs. 73.21 lakhs will be taken up.

(c) It is proposed for the time being to segregate the damaged notes worth Rs. 73.21 lakhs under proper supervision, removing the water and moisture to the extent possible, so as to prevent any further deterioration while they are still in the custody of the State Bank of India. However, with a view to preventing such flood damage in future, the State Bank of India has been asked to improve and modernise its vaults, to open repositories of the existing currency chests at other more suitable places in order

to reduce the heavy arrears of "Guarantee Notes" which still remain unexamined, under a phased programme, so as to complete the examination and disposal of all such notes by the end of June, 1973 and to arrange for a periodical examination of all the vaults and chest balances. The Reserve Bank of India have also taken action, independently and even before these facts were brought to its notice, to institute a regular system of examination of currency chests all over the country. Four inspection teams have been constituted for this purpose. The teams have been instructed not only to check and verify the balances with an element of surprise, but also to report on the adequacy of the vaults and the steps which can be taken to increase the storage capacity and to improve the conditions under which notes are stored.

Foreign Exchange earned by Air India during 1971-72

*469. KUMARI KAMLA KUMARI: Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state the total foreign exchange earned by Air-India during 1971-72?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): Rs. 34.19 crores.

Decision of R. B. I. to assist Banks in raising production in crash programme for Rabi output and in Industrial Sector

*471. SHRI VARKEY GEORGE: SHRI RAMSHEKHAR PRASAD SINGH:

Will the Minister of FINANCE be pleased to state:

(a) whether Reserve Bank of India has decided to help banks make renewed efforts in assisting production particularly in the crash programme for rabi output and accelerating production in industrial sector where recovery was noticeable; and

(b) If so, the main features of the decision taken?

THE MINISTER OF FINANCE (SHRI YESHWANTRAO CHAVAN): (a) and (b). While announcing the credit policy for the 1972-73 busy season, the Governor of the Reserve Bank advised the scheduled commercial banks that, in the context of the present economic situation, the banks should make renewed efforts to assist production, particularly in the crash programme for rabi production and in stepping up production in the industrial sector showing signs of recovery. With their comfortable resources position, banks would be in a position to extend adequate credit towards this end and, if need arises, borrowings from the Reserve Bank would be available as before.

**IBM World Trade Corporation,
New Delhi**

*472. **SHRI JYOTIRMOY BOSU:** Will the Minister of COMPANY AFFAIRS be pleased to state:

(a) the principal shareholders of the IBM World Trade Corporation, Nehru House, 4 Bhadur Shah Zaffar Marg, New Delhi-1;

(b) whether this firm is, in any way connected with ITT, Telecommunication firm in the United States; and

(c) if so, the nature of connection?

THE MINISTER OF COMPANY AFFAIRS (SHRI RAGHUNATHA REDDY): (a) The information regarding the principal shareholders of IBM World Trade Corporation, which is a branch of a foreign company as defined under Section 591 of the Companies Act, is not available as the same is not required to be filed under the Companies Act.

(b) and (c). From the documents filed by the IBM World Trade Corporation, it is not possible to ascertain whether there is any connection

between the IBM World Trade Corporation and ITT.

Findings of Reserve Bank of India's Study on Currency and Finances

*475. **SHRI P. NARASIMHA REDDY:** Will the Minister of FINANCE be pleased to state:

(a) the main findings in the Reserve Bank of India's latest annual study of the currency and finances of the country; and

(b) the reaction of Government on the observations made therein regarding deficit financing and credit control.

THE MINISTER OF FINANCE (SHRI YESHWANTRAO CHAVAN): (a) and (b). The Reserve Bank's latest report on Currency and Finance covering the period July 1971 to June 1972 states that despite the heavy burdens on account of inflow of ten million refugees, increase in defence expenditures and the disruption of aid and trade relationships, the Indian economy continued to be in good shape until fairly recently and it was only in the last few months that some of the lagged effects of these factors had become apparent. Reviewing the events of 1971-72 against the background of structural changes in the economy which have occurred since the droughts of 1965-66, and 1966-67, the R.B.I.'s Report refers to the rapid increase in money supply in 1971-72 attributable mainly to the net bank credit to Government arising out of strain on the finances of Government, slowdown in the industrial and agricultural production, and the pressures on prices, as a result of imbalance between aggregate demand and aggregate supply. It, however, states that in 1971-72 both domestic savings and investment constituted a larger production of net domestic product at market prices than in the preceding year; also, the balance of payments position remained satisfactory

Given the pressure on prices and the existence of high liquidity in the economy, the Reserve Bank's Report observes that the extent of recourse to deficit financing needs to be limited by carefully estimated requirements of the postulated increases in real national output. In this context, it also calls for continued reliance on a policy of credit restraint, consistent with the need of ensuring a credit facilities to the productive and hitherto neglected sectors of the economy.

The Government is in broad agreement with the Reserve Bank's observations on deficit financing and credit control. Among specific measures to contain deficit financing in the current year, mention may be made of recourse to additional taxation of Rs. 171 crores in the Central budget for 1972-73, disciplining of States in regard to their overdrafts from the Reserve Bank, exercise of restraint in respect of non-Plan expenditures and the record level of market borrowing undertaken by the Central Government in the course of the current year.

Export of Human Hair

*476. SHRI DHAN SHAH PRA-DHAN: Will the Minister of FOREIGN TRADE be pleased to state:

(a) the value of human hair exported to foreign countries during the last two years in the Indian currency; and

(b) the estimated export thereof during financial year 1972-73?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) Exports of human hair during 1970-71 and 1971-72 are valued at Rs. 195.85 and Rs. 121.61 lakhs respectively,

(b) Exports during the current year are estimated at Rs. 50 lakhs.

बिहार में पटसन मिलों को अपने हाथ में लेना

*477. श्री रामावतार शास्त्री :

डा० लक्ष्मीनारायण पांडेय :

क्या बिहार व्यापार मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या सरकार ने बिहार की तीन पटसन मिलों को अपने हाथ में लेने का निर्णय किया है ;

(ख) यदि हां, तो इसका ब्यौरा क्या है ; और

(ग) क्या बिहार सरकार ने इसके लिये अपनी स्वीकृति दे दी है ?

बिहार व्यापार मंत्री (श्री एल० एन० मिश्र) : (क) नहीं

(ख) प्रश्न नहीं उठता ।

(ग) जी नहीं

Loss of Foreign Exchange due to repatriation of Indian citizens from Uganda

*478. SHRI NIMBALKAR: Will the Minister of FINANCE be pleased to state:

(a) whether Government are aware that the Rupee balance in the free market of Hongkong rose appreciably during the repatriation of expelled Indian citizens from Uganda; and

(b) how much foreign exchange Government have lost on this account?

**THE MINISTER OF FINANCE
(SHRI YESHWANTRAO CHAVAN):**

(a) Government have received reports which would suggest that one of the contributory factors affecting the free market rate for rupee in Hong Kong during October and November this year might have been the demand generated by persons expelled from Uganda.

(b) By the very nature of these transactions—which are illegal and in contravention of the exchange regulations—it is difficult to arrive at any estimate.

इण्डियन एयरलाइन्स के विमानों में हिन्दी के
समाचार पत्रों का उपलब्ध
होना

*479. श्री श्रीकार लाल बेरवा :
क्या पर्यटन और नागर विमानन मंत्री यह
बताने की कृपा करेंगे कि :

(क) क्या इण्डियन एयर लाइन्स के
विमानों में यात्रियों को हिन्दी का कोई भी
समाचार पत्र नहीं मिलता है ; और

(ख) यदि हां, तो क्या सरकार का
विचार कम से कम हिन्दी भाषी क्षेत्रों में
उड़ान करने वाले विमानों में यात्रियों को
हिन्दी के समाचार पत्र उपलब्ध कराने का

पर्यटन और नागर विमानन मंत्री (डा०
कर्ण सिंह) : (क) जी नहीं ।

(ख) प्रश्न नहीं उठता ।

**Increase in export earnings from
Cashew Nuts and Cashew-Shell Oil**

*480. SHRI PAMPAN GOWDA:
Will the Minister of FOREIGN
TRADE be pleased to state:

(a) whether there has been an in-
crease in the export earnings from
cashew nuts and cashew-shell oil;
and

(b) if so, the extent of earnings
during last two years?

**THE DEPUTY MINISTER IN THE
MINISTRY OF FOREIGN TRADE
(SHRI A. C. GEORGE):** (a) and (b).
Exports earning from cashew kernels
during 1970-71 and 1971-72 were
Rs. 52.06 crores and Rs. 61.73 crores,
respectively. During the same period
cashew nut shell liquid exports were
of the value of Rs. 78.62 lakhs and
Rs. 62.41 lakhs. Thus, there had
been an increase of 17.6 per cent in
the earnings from Cashew Kernels
and decrease of 16 per cent in the
earnings from Cashewnut shell liquid.

**Talks between India and U.S.S.R. for
improving economic relations**

4450. SHRI D. K. PANDA: Will
the Minister of FOREIGN TRADE
be pleased to state.

(a) whether talks were recently
held in New Delhi between India
and Soviet Union for improving eco-
nomic relations with that country;

(b) if so, the salient features of
the discussion; and

(c) the outcome thereof?

**THE DEPUTY MINISTER IN THE
MINISTRY OF FOREIGN TRADE
(SHRI A. C. GEORGE):** (a) to (c).
In pursuance of the agreement signed
between the Governments of India
and the USSR in September, 1972 for
the setting up of an Inter-Govern-
mental Indo-Soviet Commission on

Economic, Scientific and Technical Cooperation, and preparatory to the forthcoming meeting of the Commission to be held in New Delhi, groups of experts from USSR visited India recently. Based on the discussions between the USSR and Indian experts, possible areas of cooperation have been identified in the fields of ferrous and non-ferrous metallurgy and other industries, for the purpose of undertaking detailed studies by the concerned agencies.

Discontinuance of limit for single loan by Industrial Development Bank of India

4451. SHRI MARTAND SINGH of Rewa: Will the Minister of FINANCE be pleased to state:

(a) whether the limit for a single loan of Rs. 50 lakhs has been discontinued by the Industrial Development Bank of India;

(b) if so, the present limit for a single loan; and

(c) the names of the Companies which applied for such loans and the amount of loans granted to the Companies during the last two years by the said Bank?

THE MINISTER OF FINANCE (SHRI YESHWANTRAO CHAVAN):

(a) and (b). The Industrial Development Bank of India grants loans to an industrial concern for establishment of a project, according to its needs and there is no operational limit as such for the grant of a single loan to an industrial concern.

(c) The information regarding direct loans sanctioned by the Industrial Development Bank of India during its last two accounting years ended 30th June, 1972, for establishment of projects, is given in the Statement laid on the Table of the House. [Placed in Library. See No. LT-4038/72.]

Liberalisation of Policy towards Indian Investment in Asian Countries

4452. SHRI MARTAND SINGH of Rewa: Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether Government have taken steps to liberalise the policy towards Indian investment in Asian countries; and

(b) if so, the reasons for liberalisation?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) and (b).

The Government encourages Indian entrepreneurs in setting up industrial joint ventures in all the countries. The policy of the Government in this regard is embodied in the general guide lines prescribed for setting up such ventures abroad, a copy of which is enclosed.

STATEMENT

General guidelines governing Indian participation in Joint Overseas Industrial Ventures.

(i) Normally minority participation only by Indian parties is allowed. The intention is that Indian parties should not insist on majority holdings abroad, but if the foreign party and the foreign Government are willing to accept majority Indian participation, there would be no objection. Government favours association of local parties in foreign countries; also local development banks, financial institutions and local Governments wherever feasible.

(ii) No cash remittance will be allowed except small amount required in connection with preliminary expenses for setting up the Company abroad.

(iii) Indian participation should be in the form of indigenous machinery, equipment technical know-how etc. required for the new venture. Value of structural, steel items construction materials, components etc.

are not allowed to be capitalised. However, where the value of machinery etc. falls short to make up the necessary reasonable equity and there is need to retain Indian equity holding at a level higher than what is obtainable through export of capital goods alone, there will be no bar to consider such cases on merits for permission to include structurals, steel items and construction materials (but not components), to the extent these are required for the particular project against Indian equity.

(iv) Machinery etc. exported should be of Indian make; no second-hand or reconditioned machinery would be allowed for export against Indian investment.

(v) Normal import replenishments as available to exporters under the import policy for registered exporters, will be allowed on exports against equity capital.

(vi) Cash assistance, if otherwise admissible, will also be allowed on exports of machinery and equipment against Indian equity subject, however, to a ceiling of 10 per cent f.o.b. value.

(vii) Indian industrialists should as far as practicable purpose a turn-key job, as this will lighten the responsibilities of the foreign investor.

(viii) Indian parties should as far as possible provide in their agreements with the foreign parties for training facilities in India to nationals of the country of investment.

Proposal to change the time of departure of Air Flight from Delhi and Lucknow

4453. SHRI B. R. SHUKLA: Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state:

(a) whether due to only one flight in the morning from Delhi to Lucknow, a lot of inconvenience is caused to the air travellers; and

(b) whether Government propose to change the time of departure of air flight from Delhi and Lucknow and fix it in the evening both ways?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): (a) and (b). It will not be possible to change the timings without causing dislocation elsewhere and reducing the overall utilization of the planes.

Collection of Direct Taxes

4454. SHRI M. S. SIVASWAMY: Will the Minister of FINANCE be pleased to state the figures of direct tax collections during the last three years?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): The particulars of the collection of direct taxes during the last three years are as follows:

(In crores of Rupees)

Financial Year	Income-tax including Corporation Tax	Wealth-tax	Gift-tax	Estate Duty
1969-70	801.84	15.55	1.93	7.08
1970-71	839.64	15.58	2.35	7.76
1971-72	1002.57	25.88	3.45	9.11

Total number of Tourists who visited India using Air India and other International Airlines during 1971

4455. SHRI R. S. PANDEY: Will the Minister of **TOURISM AND CIVIL AVIATION** be pleased to state:

(a) the total number of foreign tourists who visited India during 1971;

(b) how many of them came by Air India and how many by other international airlines, giving number on each foreign airline, separately; and

(c) the reasons for low traffic of the foreign incoming tourists on Air India and the steps taken by Air India to attract more traffic of foreign tourists coming to India?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): (a) 300,995.

(b) Of all the airlines, Air India carried the highest number of foreign tourists to India. Statement-I shows the number of tourists who travelled by Air India and other airlines. [Placed in Library. See No. LT-4039/72].

(c) Air India's share in the largest and constant efforts are being made to increase it further through efficient service, promotional fares etc. Steps taken to increase tourist traffic to India are indicated in Statement-II. [Placed in Library. See No. LT-4039/72.] 3

"Committee on distribution of confiscated Goods"

4456. SHRI VAYALAR RAVI: Will the Minister of **FINANCE** be pleased to refer to the reply given to Unstarred Question No. 1197 on the 24th March, 1972 regarding Committee on distribution of confiscated goods and state:

(a) what are the recommendations of the Committee appointed on the distribution of articles seized by Customs all over India;

(b) whether Government have taken a final decision on the recommendations made by the Committee; and

(c) if so, what?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): (a) The Committee's recommendations regarding the disposal of confiscated goods are as in the attached statement.

(b) and (c). Recommendations Nos. 3, 4, 5, 6, 7, 9, 10, 11 and 13 have been accepted. Recommendations Nos. 1, 2 and 14 are being examined. Recommendation No. 8 has not been accepted because the consumers of cloves and other spices are not general public who purchase such small quantities that it is not practicable to sell them by auction. Recommendation No. 12 has also not been accepted as N.M.D.C. and other bodies recommended do not have necessary facilities or expertise and sale abroad through private agencies has not fetched reasonable prices.

STATEMENT

1. Consumer goods including watches should be sold by the Department, to consumers through their retail shops, and at a uniform rate of discount of 10 per cent to the Canteen Stores Department and other co-operatives including the National Co-operative Consumers Federation.

2. The departmental retail shops should be run on accepted commercial lines. Like any other shops it should remain open for full working hours without earmarking specified days for individual category of articles.

3. The idea for sale of watches against foreign exchange appeals. A beginning can be made with a counter in the transit lounges of the ports for sale of confiscated watches against foreign exchange.

4. The scheme offered by the Trade for servicing of watches and their distribution through trade channel may

be considered by the Government if and when they decide to liberalise the import policy.

5. Watches not found in working condition should be serviced before release for sale provided it is an economical proposition.

6. Disposal of confiscated conveyances including launches should be done through the departmental machinery.

7. The general practice followed in the matter of appropriation of governmental property should also apply in the case of confiscated launches and motor vehicles. The vehicles may also be appropriated in a period of shortage of existing fleet or delays in receipt of supplies.

8. Cloves and other spices have to be treated like any other consumer item and disposed of in the manner recommended for the latter. Where, however, the stocks are heavy, the bulk can be sold by limited auction to actual users.

9. Nylon and other synthetic yarn should be sold by the department directly to Weavers' associations/co-operative and certified actual users in auction. In such cases the import licences of the successful bidders need not be debited.

10. The department may in consultation with the Government Mint, formulate an agreed time table for the despatch of gold and silver at quarterly intervals.

11. The department should prescribe a calendar by which they would ensure that all confiscated currencies are deposited in the Reserve Bank of India within a specified time.

12. The Government may consider utilisation of the services of the National Minerals Development Corporation for disposal of confiscated cut and polished precious and semi-precious stones abroad.

Other agencies like the Gem and Jewellery Export Promotion Council, Trade Development Authority and reputed auctioneers abroad especially in countries like Belgium, France and United Kingdom may also be considered for the disposal of cut and polished precious and semi-precious stones abroad.

13. The existing arrangement of disposal of arms and ammunition subject to the restrictions imposed under the Arms Act and allied rules may continue.

14. The Government may examine whether goods originating from specified countries conducted be not sold after effectively defacing the marketings of origin.

Setting up of A Full-Fledged Branch of Reserve Bank of India in Kerala

4457. SHRI VAYALAR RAVI: Will the Minister of FINANCE be pleased to refer to the reply given to Unstarred Question No. 1098 on the 24th March, 1972 and state:

(a) whether the Reserve Bank of India has taken a final decision on making the Reserve Bank of India Branch in Kerala a full-fledged office; and

(b) if not, the reasons therefor?

THE MINISTER OF FINANCE (SHRI YESHWANTRAO CHAVAN):

(a) and (b), Three Departments of the Reserve Bank of India viz. Banking Operations and Development, Agricultural Credit and Exchange Control have their offices in Kerala. On the General side of the Bank, a sub-office of the Issue Department offering full range of facilities for exchange of currency and coins is proposed to be opened as soon as the Bank's own building is ready. Other departments will be opened as and when the need for them arises.

Export and Import Agreements signed at Asia '72

4458. SHRI VAYALAR RAVI: Will the Minister of FOREIGN TRADE be pleased to state:

(a) the total number of export orders received by India so far at "ASIA '72" Trade Fair and the names of countries with which these agreements have been signed and the total amount involved; and

(b) the broad outlines of import agreements signed by Government with other countries at the Trade Fair?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) Total value of export orders of Rs. 2541.21 lakhs have been concluded at 'ASIA '72' till 10-12-1972 for export to USSR, Czechoslovakia, Poland, Sweden, Australia, Japan, GDR, Spain, West Germany, USA, Netherland, Nigeria, West Indies and Canada. Information in regard to actual number of orders booked is not readily available.

(b) Import agreements aggregating Rs. 1586.70 lakhs for the import of items such as Steel, muriate of potash, Railway Wheels, printing machinery etc. from USSR, GDR, Hungary and Czechoslovakia, have been concluded both by public sector and private sector. Separate figures of public sector are not readily available.

Candidates belonging to Scheduled Castes and Scheduled Tribes appointed to the posts of Station Superintendents in Air India

4459. SHRI S. M. SIDDAYYA: Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state:

(a) whether Air India had invited applications for the posts of Station Superintendents;

(b) if so, the number of candidates belonging to Scheduled Castes and Scheduled Tribes who applied for the above posts;

(c) whether any candidates belonging to Scheduled Castes and Scheduled Tribes were selected and appointed and if not, the reasons therefor; and

(d) whether Air India relaxed the educational qualifications and experience previously for the posts of Catering Superintendent (canteen service), Sports Officer, Planning Officer and Assistant Station Superintendents and if so, to what extent the relaxation was made and the reasons therefor?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): (a) to (c). Air-India have not invited applications for or advertised the posts of Station Superintendents during the last four years.

(d) In the case of Catering Superintendent (Canteen Services), none of the 26 candidates who applied satisfied all the qualifications laid down, although many of them had the prescribed experience. The Corporation, therefore, decided to waive the educational qualifications requirements, as recommended by the Selection Committee, in the case of a candidate who was found suitable, having regard to his professional qualifications viz. 3 year diploma in hotel management from the Institute of Catering Technology and Applied Nutrition. The present incumbent in the post of Officer-in-Charge, Sports, was appointed in relaxation of the educational qualifications having regard to the fact that he is a cricketer of international standing. Except for candidates belonging to Scheduled Castes and Scheduled Tribes, no relaxation in educational qualifications was given in the case of recruitment to the post of Assistant Station Superintendent. They have not recruited any Planning Officers from outside.

Number of Officers belonging to Scheduled Castes and Scheduled Tribes who are working in Air India as on 1st November, 1972

4460. SHRI S. M. SIDDAYYA: Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state number of Officers belonging to the Scheduled Castes and Scheduled Tribes who are working in Air India as on 1st November, 1972 and what is the total number of officers in the entire Corporation?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): The requisite information is given below:

Total number of employees classified as officers.	Number of Scheduled Castes Officers	Number of Scheduled Tribes Officers
1092*	12	3

*Direct recruitment is made only at certain levels.

कलियुग का पता लगाने के लिए मारे गए
खार्शों में व्यक्तियों की गिरफ्तारी

4462. श्री हुकम चन्द कछवाय : क्या वित्त मंत्री यह बताने को कृपा करेंगे कि पिछले तीन वर्षों में सम्पूर्ण देश में आयकर विभाग द्वारा मारे गये छाये के दौरान कितने व्यक्ति विध्वस्त किये गये ?

वित्त मंत्रालय में राज्य मंत्री (श्री के. एन. बल्लभ) : (क) सूचना एकत्रित की जा रही है और विभागाध्यक्ष की सूचना की प्रतिलिपि पर रजिस्ट्री दी जायेगी ।

भारत में विदेशी पूंजी निवेश

4463. श्री हुकम चन्द कछवाय : क्या वित्त मंत्री यह बताने की कृपा करेंगे कि देश में विभिन्न क्षेत्रों में भारत के विकास कार्यों में अमरीका, रूस और पश्चिम जर्मनी ने कितनी-कितनी पूंजी लगाई है

वित्त मंत्री (श्री यशवन्तराव चव्हाण) : सूचना इकट्ठी की जा रही है ।

अखिल भारतीय श्रमिक संगठनों द्वारा आयकर की प्रशंसा

4464. श्री हुकम चन्द कछवाय : क्या वित्त मंत्री यह बताने की कृपा करेंगे कि :

(क) इस समय देश के किन-किन अखिल-भारतीय श्रम संगठनों को आयकर की प्रशंसा के अवसर मिल चुके हैं ;

(ख) गत तीन वर्षों में इन श्रम संगठनों ने सरकार को कितना आधिकार प्रदा किया है ; और

(ग) उनमें से प्रत्येक पर आयकर की कितनी राशि वसूली गई है ? ।

बिस्स मंत्रालय म राज्य मंत्री (श्री के० धार० गजेल) : (क) से (ग). सूचना एकत्रित की जा रही है और यथासंभव शीघ्र सदन में की मेज पर रख दी जायेगी।

कम्पनी अधिनियम के उल्लंघन के अपराध में बड़े व्यापार [गृहों के विरुद्ध जांच

4465. श्री धनशाह प्रधान :

क.पनी कार्य मंत्री यह बताने की कृपा करेंगे कि

(क) क्या सकपार ने पिछले दो वर्षों कितनी अधिनियम के विभिन्न उपबन्धों का उल्लंघन करने के लिए बड़े औद्योगिक गृहों के विरुद्ध लगाये गये कुछ आरोपों की जांच की है; और

(ख) यदि हां, तो क्या उनमें से कुछ के विरुद्ध न्यायालय में मुकदमे दायर किये गये हैं और यदि नहीं, तो उनका व्यौरा क्या है?

क.पनी कार्य मंत्री (श्री रघुनाथरेड्डी) : (क) और (ख) औद्योगिक लाइसेंस नीति जांच समिति द्वारा संचारित पद्धति के आधार पर कम्पनीकार्य विभाग में 20 करोड़ रुपये से अधिक की परिसंपत्तियों वाले 48 औद्योगिक गृहों की सूची, अगस्त 1970 में संकलित

की थी। इन गृहों से सम्बन्धित उन कम्पनियों, जिनके विरुद्ध वर्ष 1970 और 1971 के मध्य मुकदमे चलाये गये, के नाम एवं उनके द्वारा किये गये अपराधों के रूप, सभा पटल पर रखे गये विवरण-पत्र में दिये गये हैं [मन्त्रालय में रखा गया। देखिये संख्या एलटी-4040E 72]

शरिया में स्टेट बैंक आफ इंडिया में भुगतान

4466. श्री राम नारायण शर्मा : क्या बिस्स मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या सरकार को पता है कि शरिया में स्टेट बैंक आफ इंडिया में छोटे करेंसी नोटों की कमी के कारण भुगतान मुख्यतः सौ रुपये के नोटों में किया जात है;

(ख) क्या सरकार को यह भी पता है कि इसके परिणामस्वरूप लोगों को काफी असुविधा होती है; और

(ग) यदि हां, तो इस सम्बन्ध में सरकार क्या कार्यवाही कर रही है ?

बिस्स मंत्रालय में राज्य मंत्री (श्री के० धार० गजेल) : (क) और (ख) - भारतीय रिजर्व बैंक से सूचना एकत्रित की जा रही है और यथासंभव शीघ्र सदन में रख दी जायगी।

(ग) कम मूल्य वाले नोटों, खासकर, एक रुपये के नोटों, की पूर्ति इतनी नहीं है कि इन नोटों की बढ़ती हुई मांग पूरी की जा सके; यह इस बात से जाहिर है कि पिछले तीन वर्षों में इन नोटों के लिए भारतीय रिजर्व बैंक की मांग की पूर्ति करने में कमी रही है। सरकार ने करेंसी नोट प्रेस, नासिक रोड में कर्मचारियों और उपकरणों में वृद्धि करके और प्रेस के काम करने के सामान्य घंटों को 48 घंटे प्रति सप्ताह से बढ़ा कर 60 घंटे प्रति सप्ताह करके इस प्रेस की उत्पादन क्षमता में वृद्धि करने के लिए कदम उठाये हैं। 10 रुपये और उससे बड़े नोटों को छापने के लिए देवास (मध्य प्रदेश) में दूसरे बैंक नोट प्रेस की स्थापना की जा रही है। जब 1973 के मध्य में इसमें उत्पादन शुरू हो जायगा, तब करेंसी नोट प्रेस इस स्थिति में आ जायेगा कि वह एक रुपये के नोटों सहित कम मूल्य वाले नोटों के उत्पादन की ओर अधिक ध्यान दे सके और इन नोटों के बारे में भारतीय रिजर्व बैंक की सारी मांग पूरी कर सके। फिलहाल, भारतीय रिजर्व बैंक को जब भी किसी करेंसी चेस्ट में मूल्य वाले नोटों के उपलब्ध न होने की शिकायत प्राप्त होती है तब उपलब्ध स्टॉक को देखते हुए, सम्बन्धित चेस्ट के स्टॉक को यथासम्भव सीमा तक पूरा करने के लिए तत्काल प्रबन्ध किया जाता है।

Recruitment of Management Trainees by S. T. C.

4467. SHRI K. S. CHAVDA: Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether State Trading Corporation recruits a number of management/technical trainees every year; 2936 LS-3.

(b) if so, the number of such trainees recruited during the last three years and the method of recruitment;

(c) whether any Agricultural Engineering Graduates were recruited by the State Trading Corporation as management trainees during the last three years for services connected with agricultural machinery and tools; and

(d) the number of Scheduled Castes and Scheduled Tribes among them?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) Yes, Sir.

(b) Twenty four. These management trainees were recruited by inviting applications through advertisements in leading daily newspapers.

(c) No, Sir.

(d) Does not arise.

Measures to protect the Officers of Public Undertakings of Central Government located in various States

4468. SHRI K. SURYANARAYANA: Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state:

(a) whether the Personnel Manager of the Air-India Bombay was beaten up by some political party workers in November, 1972 and the Police did not rescue him;

(b) if so, whether Government have enquired into the incident and taken up the matter with the State Government and if not, the reasons therefor; and

(c) the measures which Government propose to take to protect the Officers of the Public Undertakings of the Central Government located in the various States in such cases?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): (a) and (b). The Chief Personnel Manager of Air-India was assaulted in Air-India's head-office in Bombay by some followers of the

Shiv Sena on the 16th November, 1972. The matter was immediately taken up with the State Government for necessary protection.

(c) The maintenance of law and order is the responsibility of the State Government concerned, and close touch is maintained with them.

Guidelines to Officers and Staff of Air India for getting Complimentary Passes:

4469. SHRI K. SURYANARAYANA: Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state:

(a) whether any guidelines have been issued by Government regulating the Air India's Officers and staff getting complimentary passes for themselves and their families direct from the foreign Airlines;

(b) the reasons for their not applying or negotiating for such complimentary tickets through the Air India; and

(c) whether any restriction has been laid down about the number of such complimentary tickets which an Officer can get directly from the foreign Airlines during a year and if not, the reasons therefor?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): (a) and (b). No, Sir, According to I.A.T.A. Regulations no employee of an airline can obtain complimentary transportation directly from another airline unless a request is made in accordance with the procedures established by the general offices of the air carrier by whom he is employed.

(c) Government have not issued any instructions in this regard.

C. I. F. value of Imported Photographic Items

4470. SHRI MUHAMMED KHUDA BUKHSH: Will the Minister of FOREIGN TRADE be pleased to state what

is the c.i.f. value of the photographic plates, papers and films of Kodak, Agfa, Gevaert and Ilford Brand imported during the last three years against the sole agents own licences and against the licences of other parties under all categories, but imported by the brands sole agents against Letter of Authority?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): Information relating to c.i.f. value of the imports of photographic plates, papers and films are not maintained by brand, individual parties or categories of importers.

Fixation of Pay of Government Employees in Higher Scales as a result of Promotion to Higher Posts

4472. DR. H. P. SHARMA: Will the Minister of FINANCE be pleased to state:

(a) whether Government employees when promoted to the next higher posts get the advantage of only an increment in the previous scale and fixation of pay at the next higher stage in the higher scale, when they are already drawing as basic pay an amount above the minimum in the higher scale;

(b) whether, whenever pay-scales are revised and raised, the junior employees and new recruits get substantial and full advantage of such revision while the senior people get little or no benefit; and

(c) if so, what steps are contemplated to ensure equitable benefit to the senior employees on their promotion or revision of pay-scales and save them getting demoralised and to maintain incentive for efficient work among senior personnel?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): (a) Except in the case of promotion from one Class I post to another Class I post, fixation of pay

on this basis is normally allowed in cases where promotion to the higher post involves assumption of higher responsibilities.

(b) and (c) The assumption that in all cases of pay revision the junior employees and new recruits invariably get greater benefit than their seniors is not valid. The quantum of actual monetary advantage in each individual case due to pay fixation in the new scale would depend on the nature of the pay revision, the pay drawn in the old scale, and the minimum and maximum limits of the new pay scale attached to a post as compared to those of the previous scale. No proposal is under consideration at present to modify the existing rules on the subject.

Grant of Overtime Allowance to Section Officers

4473. SHRI D.K. PANDA: Will the Minister of FINANCE be pleased to state:

(a) whether Section Officers in Government Offices are not granted Overtime Allowance when they are required to work beyond office hours;

(b) if so, whether this is done on the ground that they are included among Supervisory staff or officers for this purpose;

(c) whether for the purpose of constitution of Staff Councils, they are included among the ordinary staff; and

(d) how the Section Officers are compensated or are proposed to be compensated for Overtime work?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): (a) and (b) Yes, Sir. Section Officers being Gazetted Officers, are excluded from the scheme of overtime allowance applicable to office staffs.

(c) They are eligible to participate in the Joint Councils under the J.C.M. Scheme.

(e) Any distinction in this regard between Section Officers and other Gazetted categories with comparable level of responsibility can hardly be justified.

Financial impact due to inflow of foreign tourists into the country during the last two years

4474. SHRI BISHWANATH JHUNJHUNWALA: Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state:

(a) what has been the financial impact due to inflow of foreign tourists during the last two years; and

(b) whether the flow of foreign traffic to this country is in keeping with the targets laid down for the Fourth Plan and if not, the extent of shortfall and the reasons therefor?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): (a) Foreign exchange earnings from tourism during 1970 and 1971 were estimated at Rs. 38.03 crores and Rs. 40.38 crores respectively.

(b) According to current indications the Fourth Plan target of 40,000 by 1973 tourists is likely to be achieved.

Scheme to convert Asia '72 Exhibition into a Mobile exhibition

4475. SHRI BISHWANATH JHUNJHUNWALA:

SHRI M. S. SANJEEVI RAO:

Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether Government are contemplating to convert the present Asia '72 exhibition into a mobile exhibition;

(b) If so, the justification for the same and the total amount that will be required for this project; and

(c) whether the foreign stalls have also agreed to participate in the proposed scheme?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) No, Sir.

(b) and (c) Do not arise.

India's Trade Relations with participating countries in Asia '72

4476. SHRI BISHWANATH JHUNJHUNWALA:

SHRI M. S. SANJEEV RAO:

Will the Minister of FOREIGN TRADE be pleased to state.

(a) to what extent Asia '72 has succeeded in promoting India's trade relations with the participating countries;

(b) whether the exhibition has helped the small scale and medium scale industries of the country to negotiate contracts for the products they are producing at present,

(c) whether orders for public sector projects could be negotiated; and

(d) if so, the nature and value of the goods to be exported?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) The total value of export orders concluded with the participating countries till 10th December, 1972 comes to Rs. 2317.30 lakhs. In addition exports orders of Rs. 223.91 lakhs have also been concluded with non-participating countries. Besides, a large number of Trade enquiries have been received, value of which runs into several crores of rupees. Import orders of Rs. 1586.70 have also been concluded. The success of Asia '72 has been more than expected.

(b) Yes Sir.

(c) and (d) A number of export orders have been secured by Public & Private sector projects. Separate details for Public Sector are not readily available.

Guidelines for Appointments on top posts in companies

4477. SHRI CHANDRA SEKHAR SINGH: Will the Minister of COMPANY AFFAIRS be pleased to state.

(a) the number of applications received by Government from different Companies in India, seeking confirmation of the appointment of their Directors and other Managerial Personnel, as required under the Companies Act, after the formulation of the new guidelines regarding administrative ceilings fixed by Government in the light of the Finance Act, 1971, year-wise, together with the names of those Companies and their Directors/executives;

(b) the date from which these new guidelines became effective, and whether a copy thereof would be placed on the Table; and

(c) the number of applications that have been approved so far under these new guidelines, together with their names, and the number and names of applicants whose applications are still pending approval?

THE MINISTER OF COMPANY AFFAIRS (SHRI RAGHUNATHA REDDY): (a) The present guidelines regarding administrative ceilings in regard to the appointment and remuneration of Managing Directors, other paid Directors and Managers in public limited companies were formulated in 1969. The Government have however in August 1972, formulated certain guidelines keeping in view the provisions of the Finance Act, 1971, for payment of "minimum remuneration" to the managerial personnel in public limited companies which suffer loss or earn inadequate profits.

(b) The guidelines on minimum remuneration became effective on 5th August, 1972, and a copy of the guidelines has already been placed on the Table of the House in reply to the Lok Sabha Unstarred Question No. 4332 on 1st September, 1972.

(c) Statement in respect of applications received during the period from 5th August, 1972 to 30th November, 1972 is laid on the Table of the House. (Placed in Library. See No. LT-4041/72].

Appointment of managing Director of Gramophone Company Limited, Calcutta

4478. SHRI CHANDRA SHEKHAR SINGH: Will the Minister of COMPANY AFFAIRS be pleased to state.

(a) whether Government have received any application from the Gramophone Company Limited, Calcutta, seeking confirmation of the appointment of its new Managing Director on a monthly salary of Rs 7,500 plus other perquisites, under the Companies Act, 1956;

(b) if so, whether this salary and other perquisites are within the new guidelines laid down by Government;

(c) whether approval to this Company has been given; and

(d) if so, on what terms and conditions?

THE MINISTER OF COMPANY AFFAIRS (SHRI RAGHUNATHA REDDY): (a) On 28th July, 1972, an application was received from the company for Central Government's approval under section 269 of the Companies Act, 1956 to the appointment of its new Managing Director Shri A. K. Sud on a remuneration of Rs. 7,500 p.m. with increment of Rs. 500 p.m. after every two years of service, plus 1 per cent commission on the net profits of the company and other perquisites;

(b) to (d). the application is under examination.

Appeal by Balva Farmers regarding Malpractices in Cotton Purchase

4479. SHRI K. S. CHAVDA: Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether twenty-three farmers of Balva, District Ahmedabad, appealed to the President of India and the Prime Minister in July, 1972 regarding the malpractices employed by the nominees of the Cotton Corporation of India for the purchase of cotton from their District; and

(b) if so, the action taken by Government in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) No such appeal appears to have been received.

(b) Does not arise.

Jute Industry facing threat from Synthetics

4480. SHRI BISHWANATH JHUNJHUNWALA: Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether the jute industry has pointed out to Government that despite the recent relief, the industry is faced with a serious threat from synthetics and unless more accommodation is shown, the industry would not be able to face the world competition;

(b) what has been the effect of synthetics on India's jute and jute goods during the last three years; and

(c) whether the units which are solely dependent on carpet backing are likely to be affected more adversely than others and if so, what is Government's reaction in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) Yes, Sir.

(b) Synthetics have made heavy inroads into fields hitherto catered to by jute.

(c) Yes, Sir. It was precisely to enable jute carpet backing to compete with synthetics that the export duty on jute primary carpet backing was reduced recently by Rs. 400 per tonne. The suggestions made by the industry for further relief have been noted by Government.

Payments to the Depositors of M/s. Golcha Properties Limited

4481. SHRI BISHWANATH JHUNJHUNWALA: Will the Minister of COMPANY AFFAIRS be pleased to state:

(a) whether the Official Liquidator has since distributed 50 per cent of the principal of the deposits that were made by the depositors with the Golcha Properties Limited, Delhi;

(b) if so, whether the Liquidator has since formulated any scheme for payment of the rest of the amount and interest thereon to the depositors; and

(c) if so, the broad outlines thereof and by what time the entire amount is likely to be paid back?

THE MINISTER OF COMPANY AFFAIRS (SHRI RAGHUNATHA REDDY): (a) to (c). The Official Liquidator attached to the Rajasthan High Court has reported that he has so far declared two dividends of 20 paise in a rupee each to the ordinary creditors of Golcha Properties Pvt. Ltd. (in Liquidation) whose claims have been settled. He has also reported that the first dividend has already been paid to all the ordinary creditors except about 200 claimants and that the second dividend has been paid to 1341 creditors. He has reported that he does not at present have sufficient funds to declare a further dividend and that he will take necessary steps for the

purpose under the Court's sanction as and when sufficient funds come into his hands in due course.

एशिया व्यापार मेले में साख पदार्थों के स्टालों द्वारा लिखे गये बहुत अधिक मूल्य

4482. श्री अनादि चरण दास : क्या विदेश व्यापार मंत्री यह बताने की कृपा करेंगे कि :

(क) एशिया व्यापार मेले के साख और शीतल तथा गर्म पेय पदार्थों के स्टालों पर बहुत अधिक मूल्य लिये जाने के बारे में कितनी शिकायतें प्राप्त हुई हैं;

(ख) स्टालों के विरुद्ध क्या कार्यवाही की गई है; और

(ग) कितने स्टालों के संचालकों के विरुद्ध कार्यवाही की गई है ?

विदेश व्यापार मंत्रालय में उपमंत्री (श्री ए० सी० जार्ज) : (क) से (ग). अधिक कीमतें वसूल करने वाली कुछ वाणिज्यिक कन्सेशनरीज के बारे में कुछ शिकायतें आई हैं। सभी कन्सेशनरीज की एक बैठक बुलाई गई तथा उन्हें चेतावनी दी गई कि वे तत्काल कीमतों को कम करें और कीमतों की सूची को सुस्पष्ट रूप से प्रदर्शित करें, नहीं तो दोषियों के विरुद्ध कठोर कार्यवाही की जायेगी। इसका अच्छा प्रभाव पड़ा और कन्सेशनरीज ने स्वेच्छा से कीमतें कम कर दीं। इस समय मेले में खसित कीमतें वही हैं जो शहर में कहीं और ली जाती हैं।

बिस्ती पिटी मशीनों के कारण कपड़े के उत्पादन में कमी

4483. श्री ओंकार लाल बेरवा : क्या विदेश व्यापार मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या देश की अधिकांश मिलें पुरानी तथा बिस्ती पिटी मशीनों से कार्य कर रही हैं जिसके परिणामस्वरूप उत्पादन घट रहा है तथा रोजगार के अवसरों में भी कमी आ रही है; और

(ख) यदि हां, तो सरकार ने इस स्थिति को सुधारने के लिए क्या कार्यवाही की है ?

विदेश व्यापार मंत्रालय में उप मंत्री (श्री ए० सी० अर्ज) : (क) जी नहीं ।

(ख) प्रश्न नहीं उठता ।

Collection of stamp duty from the plot holders in Delhi

4484. SHRI CHANDRA SHEKHAR SINGH: Will the Minister of FINANCE be pleased to state:

(a) whether the Stamp Collector, Delhi has been collecting stamp duty twice from most plot-holders of colonies like Golf Links, Sunder Nagar, Jor Bagh and Chanakyapuri in New Delhi first, at the time of their registration of their perpetual lease with the Land and Development Officer;

(b) if so, the number of such plot-holders and the excessive amount collected till date;

(c) whether collection of double stamp duty was done despite certificates issued by the Land and Development Officer; and

(d) what are Government's orders in this regard and by what time the excessive amount will be refunded to the plot-holders?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): (a) In quite a few cases, the plot-holders of the colonies in question have paid stamp duty at the time of execution of Agreement of Lease as also at the time of execution of the Lease deed.

(b) Collection of this information, relating to Agreements and Leases executed during a period extending over a decade, requiring looking into several hundred documents pertaining to these colonies, will involve considerable time.

(c) The collection of duty was done in consonance with the law in force at the time of execution of leases and in conformity with the opinion of the Chief Controlling Revenue Authority given on a reference by the Collector of Stamps under section 56(2) of Indian Stamp Act, 1899.

(d) The decision of the Collector/Chief Controlling Revenue Authority being quasi-judicial the lessees have to seek legal redress in accordance with the appropriate provisions of the Indian Stamp Act, 1899.

Foreigners deployed in Ford Foundation in India

4485. SHRI SHASHI BHUSHAN: Will the Minister of FINANCE be pleased to state:

(a) whether some persons who were working as U.S. Advisors in

Vietnam have joined the Ford Foundation in India and if so, their names; and

(b) the names of the Indians working in the Ford Foundation drawing a salary of Rs. 2,000 or more per month?

THE MINISTER OF FINANCE (SHRI YESHWANTRA CHAVAN):

(a) Dr. R. Simmons, who is working with the Intensive Agricultural District Programme, which is a project assisted by the Ford Foundation in India, was formerly a USAID agricultural credit adviser to the Government of Vietnam.

(b) There are five such persons but it is not in the public interest to divulge their names.

Canalisation of Import of Dry Fruits through Public Undertakings

4486. SHRI SHASHI BHUSHAN: Will the Minister of FOREIGN TRADE be pleased to refer to the reply given to Unstarred Question No. 1384 on the 28th March, 1972 regarding import of dry fruits and state:

(a) whether a final decision has since been taken on the question of canalising import of dry fruits through Public Sector Undertakings;

(b) if so, the nature of decision taken;

(c) the date from which the decision is likely to take effect; and

(d) in case no decision has so far been taken in this regard, the reasons therefor and when a final decision is likely to be taken?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) to (d) Government have decided in principle to canalise the import of dry fruits through a public sector agency. Details are being worked out.

Reversion of deputationists in Public Undertakings to their parent offices

4487. SHRI SHASH BHUSAN: Will the Minister of FINANCE be pleased to refer to the reply given to Unstarred Question No. 465 on the 17th March, 1972 and state:

(a) the number of persons who had opted to go back and have been reverted to their parent offices, after the prescribed time-limit for exercising option was reached;

(b) whether all such persons who had opted to go back have since been reverted; and

(c) if not, the number of persons still awaiting such reversion and when the process will be completed?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): (a) Till 1st March 1972, 184 deputationists were reverted to their parent cadres, either because they had opted to go back to themselves did not find their services as essential.

(b) and (c). The time-limit for exercise of option would vary in individual cases as option has to be the cadres or because the enterprises exercised after 2 years/3 years from the date a deputation starts depending on the level of post the deputationist is holding. It has also been laid down that the following alternatives will be open in case the deputationists, who have to exercise option on or before the prescribed date, do not opt for absorption in the said enterprise:

(i) Their services will have to be replaced at the disposal of the cadre authorities concerned immediately after the time-limit for the exercise of option expires, as their periods of deputation will expire simultaneously.

(ii) If the cadre authorities are not in a position to offer such deputationists immediate postings

they will have to proceed on leave.

(iii) Suitable succession plans would have been drawn up by the public enterprises to fill up the vacancies caused by reversion of deputationists and there would be no difficulty in making necessary arrangements in manning the posts vacated by deputationists. However, where such succession plans are not ready, temporary alternative arrangements will have to be made pending making permanent arrangements.

It would be seen from the above that the process of reversion of optees in accordance with the option orders is a continuous one.

Payment of Income-tax by the Employees of Ford Foundation

4488. SHRI SHASHI BHUSHAN: Will the Minister of FINANCE be pleased to state:

(a) the amount of Income-tax deposited by the Ford Foundation Organisation in Delhi after deducting it from the salaries of its employees during the last three years, year-wise; and

(b) whether Government are satisfied that the Income-tax charged by the Ford Foundation from its employees is correctly calculated and if not, the steps proposed to be taken by Government in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): (a) The salary of only the Indian employees of Ford Foundation is subjected to deduction of tax at source. The amount of income-tax deducted by the Ford Foundation from the salaries of such employees and paid to the Government during the last three years is as under:—

Financial year	Tax paid Rs.
1969-70	2,55,226
1970-71	4,26,875
1971-72	5,09,180

(b) Test check verification of the tax deducted at source from the salaries of Indian employees reveals that the tax deducted at source is correctly calculated.

Projects under Ford Foundation

4489. SHRI SHASHI BHUSHAN: Will the Minister of FINANCE be pleased to state:

(a) the total number of projects on which the Ford Foundation has worked during the last three years;

(b) the number and names of projects assigned to the Ford Foundation during the last three years;

(c) whether some applications for new projects have been submitted by the Ford Foundation which are still under consideration of the Ministry of Finance; and

(d) if so, the nature of those applications and the reaction of Government thereto?

THE MINISTER OF FINANCE (SHRI YESHWANTRAO CHAVAN):

(a) Seventy seven.

(b) The question of assigning projects to the Ford Foundation does not arise, for these are all local activities and Ford Foundation assistance in the shape of grants for financial aid, expertise, fellowships and/or equipment is supplementary to the basic activity.

(c) Yes, Sir. These are not applications, but as per standard procedure, formal offers of assistance from the Foundation.

(d) A statement containing a list of such offers is attached. These are under consideration in consultation with the administrative Ministry concerned, the Ministry of External Affairs and the Ministry of Home Affairs.

STATEMENT

Institution	Amount proposed
	₹
1. Government of Maharashtra	150,000
2. Janata Shikshan Mandal	27,000
3. Cherana (Cherana's H.S. College of Commerce & Economics)	50,000
4. Indian Council of Social Science Research	60,000
5. Central Institute of English and Foreign Languages	220,000
6. G. B. Pant University of Agriculture and Technology	304,000
7. H. C. Mathur State Institute of Public Administration	111,000
8. Administrative Staff College of India	550,000
9. Pilot Research Projects in Growth Centres	218,000
10. Senior Indian Educator to accept the Stanford University's invitation to spend approximately 14 months as post-doctoral fellow in education.	
11. Two Nobel Laureates to attend Diamond Jubilee Session of the Indian Science Congress Association.	

Malpractices in Public Sector Units

4490. SHRI M. S. SIVASWAMY:
Will the Minister of FINANCE be
pleased to state:

(a) whether Government have considered any special measures to detect malpractices in financial as well as administrative matters in the public sector units; and

(b) if so, what are those measures and the results achieved in this regard?

THE MINISTER OF STATE IN THE
MINISTRY OF FINANCE (SHRI K.
R. GANESH): (a) and (b). The public enterprises frame rules and regulations to ensure that the day-to-day matters of the company are conducted

in accordance with these and administrative and financial irregularities do not occur. These rules and regulations are framed taking into account statutory requirements. Government orders, Board decisions, etc. The primary responsibility for detecting deviations from these rules and regulations is that of the company managements' themselves. The public enterprises also set up vigilance machineries as laid down by the Central Vigilance Commission and the Chief Vigilance Officer of the Public enterprise acts as a link between the enterprise and the Central Vigilance Commission. The commercial and statutory audits of the companies would also indicate irregularities, if any. Government keep a constant watch to take whatever action is indicated.

विभिन्न वित्तीय संस्थानों द्वारा मारुति
लिमिटेड को ऋण दिया
जाना

4491. श्री महावीर सिंह शास्त्री :
श्री हुकम चन्द कछवाय :

क्या वित्त मंत्री यह बताने की कृपा
करेंगे कि :

(क) क्या 1971-72 में मारुति
लिमिटेड ने विभिन्न वित्तीय संस्थानों और
बैंकों से ऋण लेने के लिए आवेदन पत्र दिये
थे; और

(ख) यदि हां, तो अब तक कितना
ऋण किस-किस बैंक द्वारा दिया जा चुका है
और कितने आवेदन पत्र विचाराधीन हैं ?

वित्त मंत्री (श्री यशबन्तराव चव्हाण) :
(क) और (ख). मैसर्स मारुति लिमिटेड
गुडगांव से वित्तीय सहायता के लिए अनुरोध
अभी तक किसी भी ग्रबिल भारतीय दीर्घा-
वधिक सरकारी वित्तीय संस्था को प्राप्त नहीं
हुआ है।

जहां तक वाणिज्यिक बैंकों का सम्बन्ध है,
कानून और पद्धति तथा बैंकों में प्रयुक्त प्रथा
के अनुसार किसी बैंक द्वारा अपने निज संघटक
के साथ हुए लेनदेन की सूचना देना सम्भव
नहीं है।

Information System in Public Enterprises

4492. SHRI GIRIDHAR GOMANGO:
SHRI RAMSHEKHAR PRA-
SAD SINGH:

Will the Minister of FINANCE be
pleased to state:

(a) whether the two-day seminar
held recently on management of infor-
mation systems in Public enterprises
has suggested that the Working Groups
for various industries should take stock
of the existing information flow into
the Ministries and the information
system should be nationalised at this
level;

(b) what were the other recommen-
dations made at the seminar; and

(c) the number of recommendations
accepted by Government?

THE MINISTER OF STATE IN THE
MINISTRY OF FINANCE (SHRI K.
R. GANESH): (a) to (c). Presumably,
the Honourable Members are referring
to the two-day seminar organised by
the Bureau of Public Enterprises on
September 11 and 12, 1972 at New
Delhi to discuss the requirements of
Management Information Systems in
the public enterprises and Government.
From the discussions at the seminar,
it emerged that it would be useful to
set up a Working Group consisting of
representatives from the Ministries,
public enterprises and specialists to
rationalise and evolve a suitable
Management Information System which
would assist the Government in per-
forming their review and control res-
ponsibilities over the public enterprises
more effectively and with less burden
on the enterprises. It has been decid-
ed to set up such a Working Group in
the immediate future.

The seminar also examined the scope
for drawing up Model Management
Information Systems for certain groups
of public enterprises and found that
while the requirements of individual

enterprises may not allow much standardisation, there was scope for considerable rationalisation of the existing systems in the enterprises. For this purpose, the public enterprises would benefit by undertaking a review of their present information systems in consultation with experts in the field.

Price Rise During the First Three Five Year Plans

4493. SHRI P. M. MEHTA:
SHRI BHALJIBHAI PAR-
MAR:

Will the Minister of FINANCE be pleased to state:

(a) the average price rise during the first three Five Year Plans and during the period when only annual Plans were in operation; and

(b) the price rise during the first three years of the current Plan?

THE MINISTER OF FINANCE (SHRI YĒSHWANTRAO CHAVAN):
(a) The annual average (simple average) price rise/decline during the first three Five Year Plans was as below:

Ist Plan	-3.5 per cent
IInd Plan	+7.0 per cent
IIIrd Plan	+6.4 per cent

The average yearly price rise during the period of the three Annual Plans was 8.6 per cent.

(b) The average price rise during the first three years of the current Plan was as follows:—

1969-70	+3.7 per cent
1970-71	+5.5 per cent
1971-72	+4.0 per cent

Export of Films

4494. SHRI SAROJ MUKHERJI:
Will the Minister of FOREIGN TRADE be pleased to state:

(a) the names of the regional films exported by the Indian Motion Picture

Export Corporation, country-wise, and the amount of foreign exchange earned on each of them; and

(b) the future programme of Indian Motion Picture Export Corporation to promote further production in order to enhance the export trade in film industry?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) A statement giving the information is laid on the Table of the House. [Placed in Library. See No. LT-4042/72].

(b) The Indian Motion Pictures Export Corporation is basically an agency to assist in export of films and is not an agency for production of films.

यूगोस्लाविया के सहयोग से मध्य प्रदेश में
एल्कालायड तैयार करने का
कारखाना

4495. श्री धनशाह प्रधान : क्या
बिस्म मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या यूगोस्लाविया सरकार ने
मध्य प्रदेश में पिस्ते के छिलके से एल्का-
लायड तैयार करने का कारखाना स्थापित
करने के बारे में भारत के साथ बातचीत
की है ;

(ख) यदि हां, तो इस पर कितना खर्च
होगा ; और

(ग) सरकार का इस कारखाने को
कब तक स्थापित करने का विचार है ?

बिस्म मंत्री में राज्य मंत्री (श्री
के० आर० गणेश) : (क) से नही :

मध्य प्रदेश सरकार से पूछताछ की जा रही है। सूचना सभा-पटल पर रख दी जायेगी।

Restraint on excessive income arising from property and enterprise

4496. SHRI S. M. BANERJEE: Will the Minister of FINANCE be pleased to state:

(a) whether any Plan has been chalked out to have maximum restraint on excessive income arising from property and enterprise; and

(b) if so, the salient features of the Plan?

THE MINISTER OF FINANCE (SHRI YESWANTRAO CHAVAN): (a) and (b). The totality of measures taken by the Government in recent years, such as the increase in the rates of personal taxation, step-up in the rates of wealth and additional wealth tax on urban lands and buildings, and extension of wealth tax to agricultural property impose a virtual ceiling on incomes and also curb excessive accumulation of wealth. In order to further reduce inequalities in income and wealth, it is proposed to introduce a Bill in Parliament imposing a ceiling on ownership of urban property.

आर्थिक विकास के सम्बन्ध में राष्ट्रीय व्यावहारिक आर्थिक अनुसन्धान परिषद के विचार

4497. डा० लक्ष्मीनारायण पांडेय : क्या वित्त मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या राष्ट्रीय व्यावहारिक आर्थिक अनुसंधान परिषद ने दिल्ली में हुई एक

गोष्ठी में यह विचार व्यक्त किए थे कि वर्तमान आर्थिक प्रगति एवं राष्ट्रीय आय में गतिरोध पैदा हो गया है ;

(ख) क्या उक्त परिषद ने यह भी कहा था कि औद्योगिक प्रगति की वर्तमान दर मुद्रा स्फीति रोकने में असमर्थ है ; और

(ग) यदि हां, तो सरकार द्वारा इस गतिरोध को दूर करने एवं मुद्रा स्फीति रोकने हेतु क्या कदम उठाए गए हैं ?

वित्त मंत्री (श्री यशवंतराव चव्हाण) :

(क) सरकार को राष्ट्रीय व्यावहारिक आर्थिक अनुसंधान परिषद् द्वारा हाल ही में आयोजित ऐसी किसी गोष्ठी के बारे में कोई जानकारी नहीं है।

(ख) और (ग). ये प्रश्न उपस्थित नहीं होते।

Reorganisation of IMPEC

4498. SHRI SUKHDEO PRASAD VERMA:

SHRI S. A. MURUGANANTHAM:

Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether Government are considering a proposal to re-organise the Indian Motion Pictures Export Corporation; and

(b) if so, the changes proposed to be made and the reasons therefor?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) and (b). Now that both imports and exports of feature films have been canalised, through the State Trading Corporation, it is not considered necessary to re-

organise the Indian Motion Picture Export Corporation Bombay. A proposal for setting up a Film Trading Corporation is under Government's Consideration.

Leakage of Foreign Exchange

4499. SHRI JYOTIRMOY BOSU: Will the Minister of FINANCE be pleased to state:

(a) whether Government's attention has been drawn to a despatch from Shri V. M. Nair at Singapore, published in the 'Statesman', dated the 6th October, 1971 under the caption "Foreign Exchange drain-Smuggling and Illegal Remittances";

(b) if so, Government's reaction to the same; and

(c) what action, if any, is being taken in this regard?

THE MINISTER OF FINANCE
(SHRI YESHWANTRAO CHAVAN):
(a) Yes, Sir.

(b) and (c). These transactions constitute violations of foreign exchange regulations and Government have been taking such measures—legislative, administrative and others—as are necessary to deal with them.

Suggestion for Value Added Tax System

4500. SHRI SHYAMANANDAN MISHRA: Will the Minister of FINANCE be pleased to state:

(a) whether the system of Value Added Tax has been suggested to Government; and

(b) if so, Government's reaction thereto?

THE MINISTER OF FINANCE
(SHRI YESHWANTRAO CHAVAN):
(a) and (b). The system of Value Added Tax (VAT) has been suggested to Government from time to time. However, in view of very considerable administrative difficulties that would arise in the implementation of this tax in the present stage of our development, it has not been considered practical to adopt the system of VAT.

Import of Cotton from Sudan

4501. SHRI RAM PRAKASH: Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether import of cotton from Sudan will be resumed now in view of Indo-Sudan trade agreement;

(b) if so, the quantity of cotton to be imported from Sudan; and

(c) the total import of cotton during 1971 and 1972, country-wise?

THE DEPUTY MINISTER IN THE
MINISTRY OF FOREIGN TRADE
(SHRI A. C. GEORGE): (a) Shipment of Sudanese Cotton was resumed towards the end of August, 1972.

(b) 2.40 lakh bales of 180 kgs. each is to be imported under the current Indo-Sudan trade agreement upto 31-12-1972.

(c) Country-wise imports during the years 1970-71 and 1971-72 are as under:—

1970-71
(Provisional)

American (including Peruvian)	3,35,258	35,673	2,06,995	1,75,000	1,85,636	2,65,000	10,392	1,55,000	96,805	8,35,086	6,30,673
Egyptian
Sudan
Global
African
TOTAL	8,35,086	6,30,673									

विद्युत संचालन में राज्य संचाली (संयोजित)
सुविधा दी जाती है : (क) से (ग)।
सूचना इकट्ठी की जा रही है और सभा-
घर पर रख दी जायेगी।

'Tussar' Weaving Centre at Jagdalpur
4503. SHRI RANABHADUR
SINGH: Will the Minister of FOREIGN
TRADE be pleased to state:

(a) how much money has been spent
on the setting up of the 'Tussar
Weaving Centre at Jagdalpur Bastar
(District) of Madhya Pradesh;

(b) the quantum of foreign exchange
earned by exports from the Centre;
and

(c) the steps contemplated to achieve
further expansion of this undertaking?

THE DEPUTY MINISTER IN THE
MINISTRY OF FOREIGN TRADE
(SHRI A. C. GEORGE): (a) Rs. 10.39
laks.
(b) Rs. 25.82 laks.

राजस्थान विद्युत देव बैंक आफ बीकानेर
एक बयूर द्वारा किसानों को विद्युत
प्राप्त होगा

4502. श्री नारायणी शर्मा : क्या
विद्युत संचाली यह बताने की कृपा करेंगे कि :

(क) राजस्थान में देव बैंक आफ
बीकानेर एंड बयूर की ऐसी कितनी शाखाएँ हैं
वहाँ वे कहीं कहीं स्थित हैं जो सिंचाई के लिए
नए और पुराने कुओं को विकसित करने तथा
कृषि कार्यों के लिए खपत उधार देती हैं ;

(ख) गत दो वर्षों में बैंक ने कितने
किसानों को तथा कितना अर्थ दिया ; और

(ग) अर्थ के लिए संचाली कितने प्राधान्य-
पत्र विचारणीय रहे हैं तथा उनमें कितने
अर्थ की सहायता की गई है ?

(c) No programme for further expansion is contemplated at present. The Centre is being run by the State Government and not by Central Silk Board.

Commitments made by Agriculture Refinance Corporation

4504. SHRI D. K. PANDA: Will the Minister of FINANCE be pleased to state:

(a) whether in the year ended June 1972, the percentage of utilisation to the commitments made by the Agriculture Refinance Corporation declined from 71.4 per cent in 1970-71 to 70.8 per cent in 1971-72;

(b) if so, the steps taken to ensure that the resources of the Agriculture Refinance Corporation are put to best use for agricultural development in the country;

(c) whether the Chairman of the Corporation has asked the State Governments to set up autonomous bodies for specific development purposes, soil conservation, tubewell sinking, forest development and the like; and

(d) if so, the reaction of State Governments thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF FINANCE (SHRI-MATI SUSHILA ROHATGI): (a) Yes, Sir.

(b) The pace of implementation of IDA projects is likely to pick up as initial formalities have since been completed and procedures have been evolved in consultation with the State Governments and financing banks for facilitating early execution of these schemes. This should help improve utilisation of Agricultural Refinance Corporation resources in the remaining period of the 4th Plan.

(c) and (d). The Chairman, Agricultural Refinance Corporation, in the course of his speech at the Ninth Annual General Meeting has made suggestions for setting up either statutory corporations or Government-owned

companies, charged with the task of carrying out major development activities (viz., soil conservation, forestry, deep sea fishing, dairy) where Agricultural Refinance Corporation would be ready to refinance commercial banks which may finance such corporate bodies for carrying out these activities. Certain State Governments, e.g. Punjab and Haryana, have already set up minor irrigation tubewell corporations and Mysore Government has set up a State Forest Corporation. Some of the other State Governments are understood to be considering formation of these Corporations and Companies.

बकीलों द्वारा आयकर का अपव्ययन

4305. श्री मूलबन्ध डागा : क्या वित्त मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या बकील आयकर बचाने के उद्देश्य से अपने ग्राहकों से लिए गए मेहनताने का कोई हिसाब नहीं रखते हैं ; और

(ख) यदि हां, तो बकीलों द्वारा आयकर अपव्ययनों को रोकने के लिए सरकार का क्या कदम उठाने का विचार है ?

वित्त मंत्रालय में राज्य मंत्री (श्री के० आर० गजेश) : (क) जी, हां। सरकार को इस स्थिति की जानकारी है।

(ख) ऐसे मामलों में कर-अपव्ययन को रोकने के तरीकों के बारे में हाल में क्षेत्र-अधिकारियों को अनुदेश जारी किए गए हैं।

एयर इंडिया और इंडियन एयरलाइन्स
के विमानों में खर्च होने वाला पेट्रोल तथा

उसका मूल्य

4506. श्री महावीर सिंह शास्त्री :
क्या पर्यटन और नागर विमानन मंत्री
यह बताने की कृपा करेंगे कि :

(क) एयर इंडिया और इंडियन एयर-
लाइंस के विमानों में प्रतिदिन कितना पेट्रोल
खर्च होता है तथा उसका मूल्य कितना है ;

(ख) क्या इन विमानों में खर्च होने
वाले पेट्रोल के मूल्य के बराबर आय
हो जाती है ; और

(ग) यदि नहीं, तो इसके क्या कारण
हैं ?

पर्यटन और नागर विमानन मंत्री (डा०
कर्ण सिंह) : (क) और (ख).

ईंधन की औसत मूल्य

दैनिक खपत

एयर इंडिया

1,172,130 लिटर 3.76 लाख रुपये

इंडियन एयरलाइंस

5,84,998 लिटर 3.92 लाख रुपये

भारत में अंतर्राष्ट्रीय उड़ानों के लिए
विवरण पर लिया गया ईंधन उत्पादन शुल्क
से मुक्त होता है ।

एयर इंडिया का औसत दैनिक राजस्व
लगभग 25.45 लाख रुपए है तथा
इंडियन एयरलाइंस का औसत दैनिक राजस्व
लगभग 15.20 लाख रुपये है ।

(ग) प्रश्न नहीं उठता ।

Proposal to use Film and T.V. to
attract Indian and Foreign Tourists
to Calcutta

4507. SHRI SAMAR GUHA: Will
the Minister of TOURISM AND CIVIL
AVIATION be pleased to state whe-
ther film and T.V. is proposed to be
used for giving publicity to suitable
scenes of Durga Puja festival in Cal-
cutta all over India and abroad in
order to attract India and foreign
tourists to Calcutta during the Puja
days?

THE MINISTER OF TOURISM
AND CIVIL AVIATION (DR KA-
RAN SINGH): The Department of
Tourism has already distributed
prints of a documentary film entitled
"The Other Calcutta" to its tourist
offices abroad. The film produced by
the West Bengal Government shows
festive days in Calcutta during Dur-
ga Puja.

Assets and liabilities of the Textile
Mills taken over by Government

4508. SHRI PRABODH CHANDRA:
Will the Minister of FOREIGN TRADE
be pleased to state:

(a) the assets and liabilities of the
textile mills taken over by Govern-
ment; and

(b) whether it will be the Govern-
ment's responsibility to discharge the
liabilities of these mills?

THE DEPUTY MINISTER IN THE
MINISTRY OF FOREIGN TRADE
(SHRI A. C. GEORGE): (a). The In-
formation is being collected and will
be laid on the Table of the House.

(b) No, Sir. The Government have
taken over only the management of
the textile undertakings. As such the
responsibility for discharging their
abilities rests with the companies
owning them.

House Rent Allowance to Central Government Employees

4509. SHRI RAM BHAGAT PASWAN: Will the Minister of FINANCE be pleased to state:

(a) whether Government propose to enhance the house rent allowance of Central Government employees in view of the prevailing high rents; and

(b) if so, the time by which the final decision is expected to be taken?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): (a) and (b). The Third Pay Commission who are currently engaged in a review of the emoluments etc. of the Central Government employees may also go into this question. Their recommendations have to be awaited.

देश में नियन्त्रित कपड़े की बिक्री के लिए दुकानों की संख्या

4510. श्री हरी सिंह : क्या विदेश व्यापार मंत्री यह बताने की कृपा करेंगे कि :

(क) संपूर्ण देश में नियन्त्रित कपड़े की बिक्री के लिए कितनी दुकानें खोली गई हैं और चालू वर्ष के दौरान इन दुकानों को कितना कपड़ा सप्लाई किया गया ;

(ख) शहरों और गांवों में अलग अलग कितनी-कितनी दुकानें खोली गई हैं ;

(ग) क्या चलती फिरती (मोबाइल) दुकानें भी खोली गई हैं ; और

(घ) यदि हां, तो उनकी संख्या कितनी है ?

विदेश व्यापार मंत्रालय में उप-मंत्री (श्री ए० सी० जार्ज) : (क) जहां तक जानकारी उपलब्ध है राज्य सरकारों द्वारा अनुमोदित उचित कीमत की दुकानों, सहकारी दुकानों तथा सुपर बाजारों की कुल संख्या 9685 है। अक्टूबर 8 दिसम्बर, 1972 तक इन दुकानों को तथा मिलों की अपनी खुदरा दुकानों को नियन्त्रित कपड़े की कुल लगभग 27765 गांठें आंशिकतः की गई थीं।

(ख) शहरों और गांवों में अलग-अलग खुली दुकानों की संख्या के बारे में जानकारी उपलब्ध नहीं है।

(ग) जी हां।

(घ) तीन।

सरकारी उपक्रमों में सर्वोच्च पदों पर नियुक्तियां

4511. श्री हरी सिंह : क्या वित्त मंत्री यह बताने की कृपा करेंगे कि :

(क) कितने सरकारी उपक्रमों में तकनीकी विशेषज्ञ उच्च स्तर पर प्रबंधकों के रूप में नियुक्त किए गए हैं ; और

(ख) सरकारी उपक्रमों में उच्च स्तर के कितने प्रबंधक उपक्रमों में अपनी नियुक्ति से पूर्व सामाजिक तथा राजनैतिक कार्यकर्ता थे ?

विश्व मंत्रालय में राज्य मंत्री (श्री के० गणेश) : (क) और (ख) : सम्भवत माननीय सदस्य सरकारी उद्योगों के उच्च पदों, जैसे पूर्णकालिक अध्यक्ष, प्रबंध निदेशक, निदेशक मंडल के सदस्य और संबंधित एकक के सामान्य प्रबंधकों का उल्लेख कर रहे हैं। उपलब्ध सूचना के अनुसार 79 सरकारी उद्योगों में से ऐसे उच्च पद तकनीकी व्यक्तियों के पास थे। दो ऐसे व्यक्ति भी जो पहले सामाजिक अथवा राजनीतिक कार्यकर्ता थे, ऐसे पदों पर आसीन हैं।

सरकार के नियंत्रणाधीन संकटग्रस्त मिलें

4512. श्री हरी सिंह : क्या विदेश व्यापार मंत्री यह बताने की कृपा करेंगे कि :

(क) इस समय कितनी संकटग्रस्त मिलें सरकार के नियंत्रणाधीन हैं ; और

(ख) इन मिलों को चालू करने में अलग अलग कितनी कितनी पूंजी लगाई गई है ?

विदेश व्यापार मंत्रालय में उप-मंत्री (श्री ए० सी० जार्ज) : (क) इस समय, ऐसे 103 वस्त्र उपक्रम हैं जिनका प्रबंध उद्योग (विकास तथा विनियमन) अधिनियम, 1951 तथा संकटग्रस्त वस्त्र उपक्रम (प्रबंध ग्रहण) अध्यादेश, 1971 के अधीन सरकार द्वारा अपने हाथ में ले लिया गया है।

(ख) ऐसे उपक्रमों द्वारा कार्यकरण पूंजी, आधुनिकीकरण आदि के लिए अपेक्षित धनराशि केन्द्रीय सरकार तथा संबंधित राज्य सरकार द्वारा 51.49 के अनुपात में ऐसे ऋणों के रूप में दी जाती है जो लौटाने होते हैं। केन्द्रीय सरकार से जो सहायता दी जाती है वह राष्ट्रीय वस्त्र निगम के माध्यम से दी जाती है। जैसी कि 11 दिसम्बर, 1972 को स्थिति थी राष्ट्रीय वस्त्र निगम ने 82 वस्त्र उपक्रमों को 1423.01 लाख पए की राशि के ऋण दिए हैं। ऋणों का मिल-बोर ब्योरा सभा पटल पर रखे गए विवरण में दिया गया है। [प्रयालय में रखा गया। देखिए संख्या LT-4043/72]

Seizure of films being smuggled out of India

4513. SHRI K. KODANDA RAMI REDDY:
SHRI V. MAYAVAN:

Will the Minister of FINANCE be pleased to state:

(a) whether a big haul of Indian feature films, ready for smuggling had been seized in Bombay on 14th November, 1972;

(b) the number, names and the value of those films;

(c) whether any persons had been apprehended in this connection; and

(d) the amount of money Government lose annually on account of such nefarious acts?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): (a) and (b). In all 174 reels of films with titles Padosan, Ram Aur Shyam, Arzoo, Ek Phool Do Mali,

Jawab, Shahanaï, Suhag Raat. Talash, Sangam and Farz valued about Rs. 3,48,000 were seized in the sea on Posha Peer Rock off Bassein near Bombay on 14th November, 1972.

(c) No person has been apprehended so far in this connection.

(d) It is not practicable to make a reliable estimate of the loss of foreign exchange sustained by the Government on account of such smuggling.

Maintenance of Public Sector Undertakings

4514. SHRI JAGANNATH MISHRA: Will the Minister of FINANCE be pleased to state:

(a) whether the survey undertaken by the Bureau of Public Enterprises has revealed that maintenance in the Public Sector Enterprises is inadequate, though there is adequate staff; and

(b) if so, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): (a) and (b). A survey of selected undertakings undertaken by the Bureau of Public Enterprises indicated that maintenance standards were inadequate mainly for the following reasons:—

- (1) Inadequate organisation;
- (2) Improper maintenance systems;
- (3) Poor maintenance planning, control and reporting techniques;
- (4) Inadequate staff training;
- (5) Non-availability of maintenance spares, and
- (6) Lack of maintenance objectives and performance review techniques.

Loss incurred by Public Sector Undertakings

4515. SHRI PAMPAN GOWDA: Will the Minister of FINANCE be pleased to state the net loss incurred during the last two years by the public sector undertakings?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): The audited accounts for 1971-72 have not been received from all the undertakings and as such the overall figures for that year cannot be indicated at this stage. The overall net losses incurred by the Central Government industrial and commercial undertakings during 1970-71 and 1969-70 were as follows:—

<i>Overall net losses*</i>	<i>Rs. in crores</i>
1970-71	3.37
1969-70	4.88

*Excludes the Life Insurance Corporation of India and enterprises under construction.

Age limit for Appointments in Nationalised Banks

4516. KUMARI KAMLA KUMARI: Will the Minister of FINANCE be pleased to state whether Government are going to fix the maximum age of 30 years for appointment in the nationalised banks?

THE MINISTER OF FINANCE (SHRI YESHWANTRA CHAVAN): The Government do not, at present, have under consideration any specific proposals to fix the maximum age of 30 years for appointment in the nationalised banks.

Loans to sugar-cane growers from Nationalised Banks for purchase of seed and fertilisers

4517. SHRI N. K. P. SALVE: Will the Minister of FINANCE be pleased to state:

(a) whether Government have any proposal under their consideration to make available loans from the

nationalised banks to the sugar-cane growers for the purchase of fertilizers, seeds etc.; and

(b) if so, the outline of the proposal?

THE DEPUTY MINISTER IN THE MINISTRY OF FINANCE (SHRI-MATI SUSHILA ROHATGI): (a) and (b). Nationalised banks provide loans for agricultural purposes and sugarcane growers are also financed for the purchase of fertilisers, seeds and other agricultural inputs. No separate scheme only for sugar-cane growers as such is under Government's consideration.

Import of Potassium Chloride and Ammonium Sulphate for Tea industry

4518. SHRI N. K. P. SALVE: Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether Potassium Chloride and Ammonium Sulphate used as fertilisers for tea industry are being imported; and

(b) if so, the countries from which these chemicals are being imported and foreign exchange spent on the import of these chemicals during the last three financial years?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) Potassium Chloride is entirely imported while Ammonium Sulphate is both imported and produced indigenously. The above fertilisers are used among others by the tea industry also.

(b) A statement giving the names of the countries, from which Potassium Chloride and Ammonium Sulphate were imported during the last three financial years is given below:—

Statement

Name of the country	Potassium Tonnage (Tonnes)	Chloride Value (Rs.)	Ammonium Tonnage (Tonnes)	Sulphate Value (Rs.)
1969-70				
1. U.S.A.			5,58,672	10,06,10,437
2. Canada	27,282	70,18,418	1,06,604	2,00,58,800
3. S.T.C. Account	1,25,061	4,53,82,495
4. U.S.S.R.			1,03,140	3,51,79,406
5. Holland			21,556	80,02,120
1970-71				
1. G.D.R.	10,000	41,05,411		
2. Canada	1,00,024	3,76,97,178		
3. France	19,760	87,66,716		
4. U.S.S.R.	5,135	14,38,563	83,322	275,06,734
1971-72				
1. G.D.R.	28,452	1,12,99,970		
2. Canada	2,77,443	8,70,20,117		
3. U.S.S.R.	24,327	40,48,933	4,682	10,53,450
4. W. Germany	31,500	71,17,068	30,250	77,24,896
5. Japan			1,41,935	7,24,14,757

The imports were from U.S.S.R. and G.D.R. Precise quality and value thereof imported from each source is not available.

Bonus to Coffee Board Employees

4520. SHRI C. K. CHANDRAPPA:

Will the Minister of FOREIGN TRADE be pleased to state whether the employees of the Coffee Board are given bonus?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): Yes, Sir.

Payment of dividend by Hindustan Motors

4521. SHRIMATI SAVITRI SHYAM: Will the Minister of COMPANY AFFAIRS be pleased to state:

(a) whether Hindustan Motor has been avoiding payment of dividend for the last three years; and

(b) if so, the amount of dividend due and the time by which the dividend is likely to be distributed to the shareholders?

THE MINISTER OF COMPANY AFFAIRS (SHRI RAGHUNATH REDDY): (a) and (b). Information is being collected and it will be laid on the Table of the House.

Recommendations of Public Investment Board for Expansion of Public Undertakings

4523. SHRI K. KODANDA RAMI REDDY: Will the Minister of FINANCE be pleased to state:

(a) whether Public Investment Board, at the first meeting, approved four proposals for the expansion of four Public Sector Undertakings;

(b) if so, the main features of these proposals; and

(c) the number of times the Board is expected to meet in a year?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): (a) The Public Investment Board at its first meeting approved investments in four public sector projects.

(b) The main features of the four proposals are as follows:

(i) Expansion and substantial modification of Nangal Fertilizer Project at an investment of Rs. 76 crores of which Rs. 39 crores will be in foreign exchange.

(ii) Manufacture of 80,000 tes. per annum of Low Density Polyethylene at an investment of Rs. 33.6 crores of which Rs. 13.6 crores will be in foreign exchange.

(iii) Expansion of Bokaro Steel Project from 4 million tonnes to 4.75 million tonnes per annum at an investment of about Rs. 57.4 crores of which Rs. 5.8 crores will be in foreign exchange.

(iv) Opening of a copper mine at Chandmari at an investment of Rs. 3.2 crores.

(c) The Board will meet as often as is necessary to consider the investment proposals.

Export of Indian Perfumes

4524. SHRI K. KODANDA RAMI REDDY: Will the Minister of FOREIGN TRADE be pleased to state the quantum and value of export of Indian perfumes in 1970-71 and 1971-72 and India's standing in the World market in this field?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): Total value of exports of Indian perfumes during 1970-71 and 1971-72 are Rs. 15 lakhs and Rs. 21 lakhs respectively. Their quantum is not recorded in the trade statistics. India's standing in the world market is not very high.

रोजगार कर्मचारियों द्वारा काली पदों को भरने के लिए स्टेट बैंक आफ इंडिया को भेजे गए अनुसूचित जाति के उम्मीदवार

4525. श्री महावीर सिंह शाक्य : क्या वित्त मंत्री यह बताने की कृपा करेंगे कि :

(क) स्टेट बैंक आफ इंडिया को दिल्ली शाखाओं द्वारा अधिसूचित रिक्त पदों को भरने के लिए दिल्ली में रोजगार कार्यालयों ने वर्ष 1971-72 के दौरान अनुसूचित जातियों के कुल कितने उम्मीदवार भेजे; और

(ख) उनके लिए आरक्षित पदों के कोटे में चुने गए उम्मीदवारों की प्रतिशतता क्या है ?

वित्त मंत्रालय में उप-मंत्री (श्रीमती सुशीला रोहतगी) : (क) स्टेट बैंक आफ इंडिया की दिल्ली की शाखाओं द्वारा अधिसूचित पदों के लिए 1971-72 में दिल्ली में रोजगार कार्यालयों ने लिपिकों और अधीनस्थ कर्मचारियों के लिए क्रमशः 77 और 66 अनुसूचित जाति के उम्मीदवारों को भेजा।

(ख) अनुसूचित जाति के उम्मीदवारों के लिए आरक्षित को कोटे में लिपिकीय कर्मचारियों की प्रतिशतता 15.1% है और अधीनस्थ कर्मचारियों की 54.5% है।

मुंगेर जिले (बिहार) में एक पर्यटक केन्द्र स्थापित करने की योजना

4526. श्री महावीर सिंह

क्या पर्यटन और नागर विमानन मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या दिनांक 13 नवम्बर, 1972 के 'दो हिन्दुस्तान' में प्रकाशित समाचार के अनुसार केन्द्रीय सरकार ने मुंगेर जिले (बिहार) में एक पर्यटक केन्द्र स्थापित करने की योजना तैयार की है; और

(ख) यदि हां, तो यह योजना कब तक पूरी हो जायेगी और इस पर कितना खर्च किया जायेगा ?

पर्यटन और नागर विमानन मंत्री (डा० कर्ण सिंह) : (क) : जी, नहीं।

(ख) प्रश्न नहीं उठता।

Import of Liquor

4527. SHRI ARVIND NETAM: Will the Minister of FOREIGN TRADE be pleased to state:

(a) the estimated quantity of imported liquor during the year 1972-73; and

(b) the value thereof and the steps Government propose to take to reduce the quantity of imported liquor?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) and (b). Import of liquors during 1971-72 has been of the order of 1,78,000 litres

valued at Rs. 24.06 lakhs. It is estimated that the import of liquors will be of the same order during 1972-73.

The policy for import of foreign liquors for commercial purposes has been restrictive. Actual import during the last few years have progressively come down.

Opening of evening branch of State Bank of India in Delhi

4528. SHRI ARVIND NETAM: Will the Minister of FINANCE be pleased to state:

(a) whether an Evening Branch of the State Bank of India has been opened in Delhi recently;

(b) if so, the salient features of the functioning of the Evening Branch;

(c) whether some more Branches of this type are proposed to be opened in the near future in Delhi and other Metropolitan cities of the country; and

(d) if so, the time by which final decision will be taken in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF FINANCE (SHRI-MATI SUSHILA ROHATGI): (a) Yes, Sir. The State Bank of India has opened an evening branch at Model Town, Delhi on the 16th November, 1972.

(b) Evening branches are usually opened in residential localities with preponderance of service-class people and house-wives who find it convenient to transact banking business outside the usual office hours. These branches transact all types of banking business normally handled by other bank offices.

(c) and (d). Working hours for a particular branch are fixed by each bank taking into account the local conditions and the convenience of the people. There are even now quite a

few offices in the metropolitan centres with the working hours different from the conventional working hours.

Remittances received by Foreign Missionaries in India

4529. SHRI M. RAM GOPAL REDDY: Will the Minister of FINANCE be pleased to state:

(a) whether foreign money remittances to Missionaries functioning in India have shown upward trend in recent times;

(b) if so, whether any enquiry regarding the real source of such remittances has been made; and

(c) if not, the reasons therefor?

THE MINISTER OF FINANCE (SHRI YESHWANTRAO CHAVAN):

(a) Data for the last three years do not reveal any significant upward trend in Missionary remittances.

(b) and (c). Under exchange control regulations there are no restrictions on inward remittances. At present there is also no law or machinery requiring report of assistance received from abroad. Generally these charitable remittances for the maintenance of denominational institutions or organisations.

Complaints against Companies in Kanpur for Non-payment of Income-Tax deducted from the Salaries of their Employees.

4530. SHRI M. RAM GOPAL REDDY: Will the Minister of FINANCE be pleased to state:

(a) whether complaints have been received against some Companies of Kanpur for deducting Income-tax from their employees at source but not depositing the same with Income-tax authorities; and

(b) if so, the action taken against such Companies?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): (a) and (b). No complaint has been received. However the Commissioner of Income-Tax, Kanpur has himself started action against some companies for failure to credit tax within prescribed time to the Government account.

Autonomous Status demanded for Reserve Bank of India

4531. SHRI B. K. DASCHOWDHARY: Will the Minister of FINANCE be pleased to state:

(a) whether workers of the Reserve Bank have demanded autonomous status for the Reserve Bank of India; and

(b) if so, the reaction of Government thereto?

THE MINISTER OF FINANCE (SHRI YESHWANTRAO CHAVAN):

(a) At its 4th biennial conference held in Bombay from the 18th to 20th November, 1972, the All India Reserve Bank Workers' Organisation, representing a section of the bank's class III employees is reported to have passed, *inter-alia*, the following resolution:

"Resolved that all the efforts to bring about the necessary changes in structure and composition of Reserve Bank of India be made so as to make it Autonomous Monetary Authority of India ensuring full employment and price stability through the expert control of currency and credit".

(b) The resolution appears to have been based on an inadequate appreciation of the role of Government and the Reserve Bank in the development of the country's economy. Monetary policy, for which the Reserve Bank of India has the primary responsibility has to be dovetailed into the totality of overall economic policy of the Government for promoting the objective of growth with social justice.

Number of Persons employed in Asia 1972

4532. KUMARI KAMLA KUMARI: Will the Minister of FOREIGN TRADE be pleased to state:

(a) the total number of persons employed in Asia '72 Trade Fair including foreigners and also Government servants who have been deputed thereto work for the fair; and

(b) whether the proposed "Mobile India '72 Trade Fair" will re-employ those Indians who will be rendered unemployed after the end of the Fair?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) Sir, the total number of persons employed in the Organisation for Third Asian International Trade Fair, 1972, is 1132. These are all Indians. Besides 223 guides, who too are Indians, have been appointed by the Fair Organisation on behalf of other participants. The Indian participants comprise of various Ministries/Department of the Government of India, State Governments, Government of India undertakings etc., as well as private firms. Many of them have asked their own staff and also have employed temporary personnel. Information about their number is not available with us.

(b) There is no proposal to set up what has been referred to as, Mobile India 1972 Trade Fair.

Amount sanctioned for the publicity of Asia '72

4533. KUMARI KAMLA KUMARI: Will the Minister of FOREIGN TRADE be pleased to state:

(a) the estimated number of visitors to Asia '72 Trade Fair, New Delhi; and

(b) the total amount sanctioned for giving publicity to Asia '72 Fair?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE

(SHRI A. C. GEORGE): (a) The total number of Entry Tickets sold upto 10th December, 1972 is 25,92,291 and the revenue collected on account of sale of Entry tickets till 10th December, 1972, is Rs. 23,59,84.50. Admission fee for adult is rupee one and children 50 paise. Group concession at half these rates is also given to groups of children, students, farmers and workers Harijans etc., on production of necessary certificates from the sponsoring organisations. Keeping all these things in view the estimated number of visitors to Asia '72 during its duration from 3rd November, to 17th December, 1972 will be about 70 lakhs.

(b) the amount sanctioned for giving publicity to Asia '72 Fair is Rs. 15.00 lakhs. Actual expenditure will be known after the Fair is over.

Cases of Default among Large Houses Found by Monopolies and Restrictive Trade Practices Commission

4534. KUMARI KAMLA KUMARI: Will the Minister of COMPANY AFFAIRS be pleased to state the total number of cases of default among 20 large business houses detected by the Monopolies and Restrictive Trade Practices Commission upto now?

THE MINISTER OF COMPANY AFFAIRS (SHRI RAGUNATH REDDY): The Monopolies and Restrictive Trade Practices Commission is enquiring into certain cases of restrictive trade practices reported to be indulged in by some undertakings. A statement giving the details of such cases where undertakings belonging to the 20 large houses figure is attached.

Overdrafts taken away from Bhadrak Branch of State Bank of India in District Balasore, Orissa

4535. SHRI ARJUN SETHI: Will the Minister of FINANCE be pleased to state:

(a) whether 28 lakh rupees have been taken away from the State Bank

of India, Bhadrak Branch in the District of Balasore (Orissa) in the form of overdrafts after nationalisation of Banks;

(b) if so, whether the persons who took the overdrafts are missing at present; and

(c) what measures Government have taken to realise the outstanding amounts against them?

THE MINISTER OF FINANCE
(SHRI YESHWANTRAO CHAVAN):

(a) As on 31st October, 1972, a sum of Rs. 17.59 lakhs covering 145 accounts has been assessed by the State Bank as not good or recoverable in the normal course, out of the loans sanctioned by its Bhadrak Branch, after nationalisation of banks.

(b) and (c). The State Bank of India is making efforts to locate the whereabouts of the borrowers, who are reported to be missing, in respect of 26 accounts, out of the above, with outstanding of Rs. 3.25 lakhs.

Proposal for Reciprocal Abolition or Reduction in Tariffs on Jute and Textile between India and Bangladesh

4536. SHRI VARKEY GEORGE:
Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether any steps have been taken by Government on the Bangladesh's request for reciprocal abolition or reduction in tariffs on jute and textiles exchanged between the two countries; and

(b) if so, what?

THE DEPUTY MINISTER IN THE
MINISTRY OF FOREIGN TRADE
(SHRI A. C. GEORGE): (a) and (b). There has been no request from the Government of Bangladesh for any reciprocal abolition or reduction in tariffs. Handloom products, kapok, semi-tanned cow hides and low gram-mage paper which are included in the list of commodities under the Limited Payments Arrangement for import Bangladesh are, however exempt, when so imported.

(i) from the whole of the duty of customs leviable thereon under the First Schedule to the Indian Tariff Act, 1934 (32 of 1934),

(ii) from whole of the additional duty leviable under section 2A of the Indian Tariff Act, 1934 (32 of 1934).

Termination of Service of Persons belonging to Foreign Trade Ministry

4537. SHRI JYOTIRMOY BOSU:
Will the Minister of FOREIGN TRADE be pleased to state:

(a) how many persons belonging to his Ministry have left their service during the last three years;

(b) the services of how many persons have been terminated by the Ministry during the last three years; and

(c) on what ground or grounds the services of each person have been terminated?

THE DEPUTY MINISTER IN THE
MINISTRY OF FOREIGN TRADE
(SHRI A. C. GEORGE): (a) Thirty-two.

(b) and (c)

No. of persons whose services were terminated	Reasons for termination
One	On vigilance grounds.
One .	Notice given by the person concerned to the appointing authority.
Four	Temporary employees, services not required.
Total Six	

Office maintained by Indian Investment Centre

4538. SHRI JYOTIRMOY BOSU: Will the Minister of FINANCE be pleased to state:

(a) how many overseas offices are maintained by the Indian Investment Centre and at what cost;

(b) whether any audit has ever been undertaken at these overseas offices during the last 12 years and if not, the reasons therefor;

(c) whether the Indian Investment Centre claims to have assisted 200 odd

collaboration deals but, as published in the 'Blitz' dated the 7th October, 1972 the files which would substantiate this claim were not available in the office; and

(d) if so, the salient features thereof and the reaction of Government thereto?

THE MINISTER OF FINANCE (SHRI YASSWANTRAO CHAVAN):

(a) The Indian Investment Centre has three overseas offices, at New York, Dusseldorf and London. The expenditure incurred on these offices during the last three years is as under:—

(Rs. lakhs)

	1969-70	1970-71	1971-72
New York Office	8.62	9.17	9.08
Dusseldorf Office	4.74	4.98	4.31
London Office	1.21	1.26	1.89

(b) As required by the Rules and Regulations of the Centre, the accounts of the Centre including those of its overseas offices are audited by a firm of Chartered Accountants. The accounts are also statutorily audited by the Accountant General Central Revenues.

(c) and (d). Between 1961 and September 1972, the Indian Investment Centre has actively assisted 269 collaboration proposals which received Government's approval. Of these, 127 proposals were for technical collaboration and the remaining 142 proposals involved foreign capital participa-

tion. The total estimated capital outlay involved in these proposals was about Rs. 292.2 crores of which foreign equity participation was of the order of Rs. 36.7 crores. Files relating to all these cases, except for a very few old files which have been weeded out over the years, are available in the offices of the Centre.

Leakage of Foreign Exchange through Tourist traffic

4539. SHRI JYOTIRMOY BOSU:

SHRI C. JANARDHANAN:

Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state:

(a) whether large scale leakage of foreign exchange through tourist traffic has recently come to the notice of Government;

(b) if so, the nature and extent thereof; and

(c) what steps, if any, have been or are being taken in this regard?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): (a) to (c). With a view to prevent possible leakage of foreign exchange, tourists (other than exempted categories) are now required to pay their hotel bills in foreign exchange with effect from 1st November, 1972.

Modifications in the rules and procedure for grant of loans to small scale industrialists

4540. PROF. NARAIN CHAND PARASHAR: Will the Minister of FINANCE be pleased to state:

(a) whether Government has brought about any modifications in the rules and regulations, terms and conditions and the procedure for the grant of loans to the small scale industrialists, petty shopkeepers and business entrepreneurs; and

(b) if so, broad outlines of the modifications made?

THE DEPUTY MINISTER IN THE MINISTRY OF FINANCE (SHRI-MATI SUSHILA ROHATGI): (a) and (b). Since nationalisation, banks have adopted a liberalised credit policy towards hitherto neglected sectors like Agriculture, small scale industries, petty shop-keepers and small business entrepreneurs. The banks are now laying greater emphasis on the viability of the proposal, character and integrity of the borrower and ability of the borrower to service the loan rather than the nature and the extent of security available. In case of group of workers engaged in similar profession, group guarantee is taken. In case of technical entrepreneurs interested to set up small scale industries, margins are even waived completely in deserving cases. To minimise delays in the sanctioning of loans suitable powers have been delegated to the officials at branch level. To assist the small borrowers in the preparation of viable proposal, the banks are also formulating special schemes for different purposes. The loan application forms are being simplified and printed in local languages so that small borrowers may not encounter difficulties in filling up the same. Instructions have also been issued to the banks to assist the borrowers in filling up the forms wherever necessary.

Extension of Deposit Insurance Scheme to Cover Deposits with Cooperative Banks

4541. PROF. NARAIN CHAND PARASHAR: Will the Minister of FINANCE be pleased to state:

(a) the names of the States where the Deposit Insurance Scheme has been extended to cover deposits with the cooperative Banks; and

(b) whether this scheme also covers the deposits with the rural cooperative banks?

THE MINISTER OF FINANCE
(SHRI YESHWANTRAO CHAVAN):

(a) and (b). The Deposit Insurance Scheme has been extended to cover deposits with the cooperative banks in the States of Andhra Pradesh, Maharashtra, Madhya Pradesh and the Union Territory of Goa, Daman and Diu from 1st July, 1971. The Scheme covers deposits with State Cooperative banks, Central Cooperative banks and primary cooperative banks functioning in these States.

Ownership Structure of State Bank of India

4542. PROF. NARAIN CHAND PARASHAR: Will the Minister of FINANCE be pleased to state:

(a) the ownership structure of the State Bank of India and its subsidiaries; and

(b) how does it differ from the ownership structure of the Nationalised Banks?

THE MINISTER OF FINANCE
(SHRI YESHWANTRAO CHAVAN):

(a) In terms of the State Bank of India Act, 1955 the Reserve Bank of India, together with other persons,

may become the shareholders of the State Bank of India. The shares held by the Reserve Bank in the capital of the State Bank of India shall not at any time be less than 55 per cent of the issued capital of the State Bank of India. No person other than the Reserve Bank of India, a corporation, an insurer, a local authority, a co-operative society and a trustee of public or private religious or a charitable trust shall hold shares in the State Bank of India in excess of 200 shares. The present position as to the holdings of share in State Bank of India is as under:

Reserve Bank of India	92.13%
Others	7.87%

In regard to the subsidiaries of the State Bank of India, in terms of the State Bank of India (Subsidiary Banks) Act 1955, the shares held by the State Bank of India in each of the seven subsidiaries shall not at any time be less than 55 per cent further issued capital of the subsidiary; other provisions relating to shareholdings are similar to what obtains in the State Bank of India Act. The present position of the shareholdings of the State Bank of India and others in each of the seven subsidiaries is as follows:

Name of the Subsidiary	Percentage held by State Bank of India	Percentage held by Others
State Bank of Bikaner and Jaipur	93.16	6.84
State Bank of Hyderabad	100.00	..
State Bank of Indore	81.03	18.97
State Bank of Mysore	58.66	41.34
State Bank of Patiala	100.00	..
State Bank of Saurashtra	100.00	..
State Bank of Travancore	75.58	24.42

(b) The ownership structure of the State Bank of India and the subsidiary banks differs from the ownership structure of the nationalised banks in so far as that the ownership of the nationalised banks is wholly with the Government of India.

एशिया/72 को देखने वाले व्यक्तियों की संख्या और प्रतिदिन टिकटों की बिक्री से होने वाली आय

4543. श्री शंकर बपाल सिंह : क्या विदेश व्यापार मंत्री यह बताने की कृपा करेंगे कि :

(क) एशिया/72 मेले को अब तक अलग-अलग कितने भारतीयों तथा विदेशियों ने देखा है और सरकार को प्रतिदिन टिकटों की बिक्री से कितनी आय होती है; और

(ख) क्या सरकार मेले को अवधि बढ़ाने पर विचार कर रही है और यदि हां, तो किस तारीख तक ?

विदेश व्यापार उप मंत्री (श्री ए० सी० जार्ज) : (क) दो विवरण सभा पटल पर रखे हैं—एक में 3-11-1972 से 10-12-1972 तक एशिया/72 देखने आए व्यक्तियों की संख्या तथा दूसरे में 3 नवम्बर से 10 दिसम्बर, 1972 तक प्रवेश टिकटों, मिनी-बस टिकटों तथा होम पेकिशियन टिकटों की बिक्री से हुई दैनिक आय दिखाई गई है। (अगला पृष्ठ में रखे गये) दिखाने संख्या एल.टी.-4044/2) ।

(ख) तृतीय एशियाई व्यापार मेला कार्यक्रमानुसार औपचारिक रूप में 17 दिसम्बर, 1972 को बन्द हो जायेगा और तीन दिन बाद उसका एक भाग 'भारत मेला' नाम से 31 जनवरी, 1973 तक पुनः खुल जायेगा ।

एयर इण्डिया और इण्डियन एयरलाइन्स के कर्मचारियों का वेतन

4544. श्री शंकर बपाल सिंह : क्या पर्यटन और नागर विमानन मंत्री यह बताने की कृपा करेंगे कि :

(क) एयर इण्डिया और इण्डियन एयरलाइन्स के कर्मचारियों का न्यूनतम और अधिकतम वेतन क्या है और वह किन पदों पर मिलता है; और

(ख) क्या इण्डियन एयरलाइन्स के कर्मचारियों और विभिन्न चालकों के वेतनमान भारत के सरकारी क्षेत्र के किसी अन्य उपक्रम के वेतनमानों से अधिक है ?

पर्यटन और नागर विमानन मंत्री (डा० कर्ण सिंह) : (क) और (ख) एयर इण्डिया तथा इण्डियन एयरलाइन्स दोनों में न्यूनतम वेतनमान रु० 100-5-150-10-190 है तथा यह चपरामियों, लोडरों, क्लीनरों, कैन्टीन बंदरों, चौकीदारों, सर्कल-कर्मचारियों (हैंडोमेन्स) आदि पर लागू होता है । अधिकतम वेतनमान रु० 3000-125-3500 है तथा यह प्रबन्धक-निदेशक

के लिये होता है । एयर कार्पोरेशनों के वेतनमातों का मुकाबला सरकारी क्षेत्र के अन्य उद्योगों से करना व्यवहार्य नहीं है । कुछ वर्गों से सम्भवित कई ऐसे भते हैं कि जिन से उनका कुल वेतन काफी बढ़ जाता ।

Debt Relief to India from International Agencies

4545. SHRI P. NARASIMHA REDDY: Will the Minister of FINANCE be pleased to state:

(a) what is the extent of Debt Relief made available during the current year by International Agencies to our country;

(b) whether any further re-scheduling of debt repayment has been sought; and

(c) if so, the outcome thereof?

THE MINISTER OF FINANCE (SHRI YESWANTRAO CHAVAN):

(a) to (c). No debt relief has been made available by any of the International Agencies during the current year; but countries which are members of the India Consortium have agreed to provide debt relief. The question of debt relief for the future is expected to be considered by India Consortium next year.

Joint arrangements for export of Jute and Tea with other countries

4546. SHRI P. NARASIMHA REDDY: Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether joint arrangements are being made in respect of tea and jute exports with other main exporting countries; and

(b) if so, the broad features of the arrangements?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) and (b). In so far as to tea exports are concerned, no joint arrangement is being made with other exporting countries.

As regards Jute exports, a Joint Indo-Bangladesh Study Group has been set up with the objective of evolving a common policy to protect the interest of jute and jute manufactures in the world economy. The group has not finalised its task yet.

स्टेट बैंक आफ बीकानेर एण्ड जयपुर के कर्मचारियों की तंग करने के बारे में जांच

4547. श्री भ्रनशाह प्रधान : क्या वित्त मंत्री यह बनाने की कृपा करेंगे कि :

(क) क्या सरकार का विचार स्टेट बैंक आफ बीकानेर तथा जयपुर के उन कर्मचारियों को तंग करने के मामलों की जांच करने का है जिन्होंने गत दो वर्षों में बैंक के कार्यों में कुछ अनियमितताओं की जांच के समय अनुसन्धानकर्त्ताओं की सहायता की थी; और

(ख) इस प्रकार के तंग किए जाने के मामलों को रोकने के लिये सरकार का क्या कार्यवाही करने का विचार है ?

वित्त मंत्री (श्री यशवन्तराव चव्हा) :

(क) और (ख). विशिष्ट व्योरे के न होने से यही अनुमान लगाया गया है कि सम्बद्ध प्रश्न पिछले दो वर्षों के दौरान स्टेट बैंक आफ बीकानेर एण्ड जयपुर की चांदनी चौक, नयी दिल्ली और न्यू रोहतक रोड शाखा

ने यह सूचना दी है कि भारतीय स्टेट बैंक द्वारा की गयी जांच कर्मचारियों के सम्बन्ध में है। स्टेट बैंक ऑफ़ बीकानेर एण्ड जयपुर ने यह सूचना दी है कि भारतीय स्टेट बैंक द्वारा की गयी जांच पड़ताल स्वतन्त्र स्वरूप की थी और इन जांचागारों के निरीक्षण एवं जांच पड़ताल कार्य में सहायता प्रदान करने के लिये कोई कर्मचारी नहीं भेजा गया था। यह भी सूचना मिली है कि जांच पड़ताल करने वाले अधिकारियों की रिपोर्टों में भी यह नहीं कहा गया है कि जांच पड़ताल के दौरान उन्हें किसी कर्मचारी ने सहायता प्रदान की। इन परिस्थितियों में दण्ड दिये जाने के मामलों में सरकार द्वारा पूछताछ करने और दण्ड दिये जाने पर रोक लगाने के सम्बन्ध में कार्यवाही करने का प्रश्न उपस्थित नहीं होता।

दिल्ली में एशिया 72 के बारे में लगाये गये
विज्ञापन-पट

4548. श्री कमलेश्वर प्रसाद : क्या विदेश व्यापार मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या राजधानी में एशिया 72 मेले के बारे में 50 से अधिक विज्ञापन-पट लगाये गये हैं परन्तु उनसे कोई भी कहीं भी दिल्ली में नहीं लम्बाया गया है ; और

(ख) यदि हाँ, तो इसके क्या कारण हैं ?

(क) हाँ, तो इसके क्या कारण हैं ?

(ख) क्योंकि दिल्ली एक महानगर/सर्वोदय शहर है जहाँ देश के विभिन्न भागों तथा भारत के बाहर से देश के मेले हैं अतः विज्ञापन-पटों को अंग्रेजी में समाचार प्रोबन्धक तथा उचित समझा गया। तथापि, मेले का हिन्दी में प्रचार करने के लिए विशेष अन्य उपाय किए गए हैं।

शहर में दिल्ली परिवहन निगम की बसों के पक्षि बनाने के गैल्टरी के चौखटों पर लगाए गए विज्ञापन-पट हिन्दी में हैं। दिल्ली तथा पड़ोसी राज्यों के बीच चल रही नगरेतर खेल की अनेकों बसों पर हिन्दी में बोर्ड लगाए गए हैं। मेला प्रशासन हिन्दी समाचार पत्रों में विज्ञापन देने के अलावा, रोजाना एक समाचार बलेटिन भी हिन्दी में प्रकाशित कर रहा है।

Filling up of Vacancies of Administrative officers in the Central Excise Department

4549. SRI RAMAVATAR SHASTRI: Will the Minister of FINANCE be pleased to state:

(a) whether about 136 posts of Administrative Officers to be filled up exclusively from amongst the senior Ministerial heads, like Office Superintendents, working in the Central Excise Department are likely to be kept in abeyance for an indefinite period till relaxation or removal of the ban imposed on promotion in all Class III and IV posts pending examination of issues arising out of Kiri's case;

(b) if so, the reasons therefor; and

(c) when they will be filled up?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): (a) to (c). Only 19 posts of Administrative Officers in the Central Excise Department are, at present, vacant because of the temporary ban imposed on promotions to Class II and Class III posts pending examination of issues arising out of the Supreme Court's judgement in Kini's case about fixation of seniority and revision of seniority of the employees concerned. This ban was imposed with a view to safeguarding the interests of the employees who, on revision of seniority in the light of the Supreme Court's judgement, would get placed higher in the seniority lists, and also pursuant to the demands made by the staff representatives to that effect. Orders about the revision of seniority etc. in the light of the Supreme Court's judgement are likely to be issued soon where after the temporary ban on promotions will also be withdrawn. In the meantime promotions, in relaxation of the ban, are being permitted in cases where the Government is satisfied that there is not likely to be any change in the existing seniority positions of the employees concerned in any particular grade or where there are other pressing reasons for making an exception.

Issue of Licence for Manufacturing Shoddy Yarn

4551. SHRI ATAL BIHARI VAJPAYEE: Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether Government have released certain goods imported under the name of old Woollen Rags to persons who are permit-holders and getting free import licence for manufacturing Shoddy Yarn; and

(b) whether Government at the same time have not released the same goods to the excisable Units manufacturing Shoddy Yarn and paying Excise to Government under L-1 Licence, if so, the reasons for differential treatment?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) and (b). It is presumed that the differentiation is between importers having Actual User licences and Replenishment licences. According to the information received by the Central Board of Excise and Customs, after the raids of consignments containing rags in Sept. 1972, 25 consignments containing rags which had been mutilated abroad have been released at the docks irrespective of who the importer was. Of these 25 consignments, 22 were released to importers having Actual Users licences and 3 to importers Replenishment licences.

Two-way Trade between India and Britain

4552. SHRI H. M. PATEL: Will the Minister of FOREIGN TRADE be pleased to state:

(a) the break-up of import and export trade between India and Britain during the last three years, year-wise; and

(b) whether the trade has decreased between the two countries, and if so, the reasons therefor?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) The break-up of Import and Export trade between India and Britain during the last three years are given below:

(Value in Rs. Lakhs)

Year	Import	Export
1969-70 . .	10259	16507
1970-71 . .	12676	17044
1971-72 . .	21686	16870

(b) The total trade between India and Britain has increased during 1971-72.

Raids by Income-tax Authorities

4553. SHRI VAYALAR RAVI: Will the Minister of FINANCE be pleased to state:

(a) the number of raids conducted by the Income-tax authorities in Madras City during the last six months and the number of raids conducted in other parts of the country to follow up the clues found in raids in Madras; and

(b) the names of the persons and firms whose premises were raided and the total amount involved in these raids?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): (a) and (b). The information regarding the number of raids conducted in Madras City during the last six months, number of raids conducted in other parts of the country to follow up clues found in the Madras raids and the names of persons or firms involved, is given in the statement laid on the Table of the House. [Placed in Library. See No. LT-4045/72].

Information regarding the amount seized in each case is being collected and will be laid on the Table of the House.

Export of Wagons to Yugoslavia

4554. SHRI VAYALAR RAVI: Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether any agreement has been signed with Yugoslavia for exporting wagons, if so, the salient features thereof;

(b) whether Government's attention to the reports appearing on page 2211 in the 'Economic and Political Weekly' (Bombay) dated the 4th November, 1972 regarding the wagon deal; and

(c) if so, the reaction of Government thereto?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) The State Trading Corporation signed a contract with Yugoslavia Community of Railways for supply of 36000 wagons (2300 open type and 1300 covered type) for a total value of Rs. 37.44 crores. The contract, *inter alia* envisaged payment on deferred basis and export in semi-knocked down condition and assembly in Yugoslavia in order to save ocean freight.

(b) and (c). High value contracts for supply of capital equipment and plants usually carry with them deferred payment terms in accordance with the practice followed by exporting countries. In order to gain a foothold in a new market with large potential

contracts are entered into at highly competitive prices. This also enables industry to gain necessary experience of the new technology.

Proposal to improve Airport at Quilon in Kerala

4555. SHRIMATI BHARGAVI THANKAPPAN: Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state:

(a) whether there is a proposal to improve the airport at Quilon in the State of Kerala so that it can receive Avro, Fokker Friendship and other planes;

(b) whether Government have received any request from the public in this regard; and

(c) if so, the reaction of Government thereto?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): (a) No, Sir. The air strip at

Quilon is controlled by the State Government.

(b) and (c). No such request appears to have been received recently.

Financial assistance to Kerala for non-plan projects

4556. SHRIMATI BHARGAVI THANKAPPAN: Will the Minister of FINANCE be pleased to state:

(a) the total amount of loans, grants and other forms of assistance given to Kerala for non-plan projects by Central Government during 1970-71, 1971-72 and 1972-73; and

(b) the various heads under which these loans and assistance have been given?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): (a) and (b). A statement is laid on the Table of the House.

STATEMENT

Non-Plan Assistance provided to Kerala by Centre during 1970-71, 1971-72 and 1972-73

(Rs. Crores)

	1970-71 1	1972-71* 2	1972-73** 3
I. Grants			
1. Grants under Article 275(1) of the Constitution (Substantive Provision)	9.93	9.93	9.93
2. Grants in lieu of Tax on railway passenger fares	0.29	0.29	0.29
3. Grant Assistance towards expenditure on Natural Calamities Relief	..	0.24	..†
4. Other non-Plan Grants	1.38	3.01	16.08
TOTAL—I	11.60	13.47	26.30

II. Loans

1. Loans against State's share in collection of small savings	1.95	0.06	2.50
2. Loan Assistance towards expenditure on Natural Calamities Relief	2.20	2.55	
3. Special accommodation for meeting non-Plan gap in resources	20.80	8.61	13.00
4. Other non-Plan Loans	0.55	1.94	4.65

GRAND TOTAL	37.10	26.63	46.45

*Provisional.

**Provisional Allocations.

A ceiling of Rs. 1.27 crores has been adopted for expenditure on relief of natural calamities in 1972-73 and Rs. 50 lakhs by way of loans have been released so far. Further releases will be made on the basis of progress of expenditure.

Total outlay for Tourism development for Kerala during Fourth Plan

4557. SHRIMATI BHARGAVI THANKAPPAN: Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state:

(a) the total outlay for Tourism Development during the Fourth Plan for the State of Kerala and the specific programme of Development;

(b) whether the work on the programme is proceeding according to schedule; and

(c) if not, the reasons therefor?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): (a) In the Central Sector there is a provision of Rs. 224.35 lakhs. Out of this amount Rs. 221.50 lakhs is for the development of Kovalam as a beach resort. This project consists of a 100 room hotels, 40 tourist cottages, a beach service centre, a yoga-cum-massage centre, and a theatre for

cultural programmes and recreational facilities. The remaining amount of Rs. 2.85 lakhs has been provided for the construction of a youth hostel at Trivandrum.

(b) The cottages have been completed and are being inaugurated on 17th December 1972. Work in respect of the hotel building is progressing according to schedule. The hotel is likely to be ready by June, 1973. The work on the beach service centre is also in full swing. Plans for the yoga-cum-massage centre have been finalised and details are being worked out for the provision of aquatic sports facilities.

In respect of the youth hostel, an expenditure sanction has been issued and tenders have been invited by the State Government for awarding the work.

(c) Does not arise.

Tourism Development in Kerala during Fifth Plan

4558. SHRIMATI BHARGAVI THANKAPPAN: Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state the salient features of the programme proposed to be undertaken in Kerala for tourism development during the Fifth Plan?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): Tourism schemes to be included in the Fifth Plan are still under formulation.

Permission for introducing air-taxi service in Kerala

4559. SHRIMATI BHARGAVI THANKAPPAN: Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state:

(a) whether Government of Kerala have sought permission for introducing an air-taxi service in the State; and

(b) if so, the action taken or proposed to be taken by the Central Government thereon?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): (a) No, Sir.

(b) Does not arise.

Crash of an aircraft of Hissar Flying Club near Sonapat on 18-11-72

4560. SHRI NAVAL KISHORE SHARMA: Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state:

(a) whether an aircraft of Hissar Flying Club soon after its take off from Delhi Airport crashed near Sonapat on the 18th November, 1972; if so, the number with names of the persons killed as a result of the crash;

(b) whether an inquiry Committee has been set up to investigate the causes of the accident; and

(c) if so, when the Committee is expected to submit its report to Government?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): (a) Yes, Sir. Pushpak aircraft VT-DZL which was on a cross-country flight from Safdarjung airport to Hissar met with an accident on 14th November, 1972. The only passenger Shri A. K. Patil who was also a trainee pilot of the Hissar Flying Club, was killed while the pilot Shri R. S. Shahrawat sustained burns.

(b) and (c). The cause of the accident is being investigated by the Civil Aviation Department, and the report is expected to be received in about a month.

Loan from Asian Development Bank

4561. SHRI NAWAL KISHORE SHARMA:

SHRI BHOGENDRA JHA:

Will the Minister of FINANCE be pleased to state:

(a) whether attention of Government has been drawn towards a news item appearing in the 'Statesman' dated 21st November, 1972 that Asian Development Bank plans to raise the quantum of its soft lending;

(b) if so, the amount of loan to be granted to India by the Bank; and

(c) the amount of loan taken by India so far?

THE MINISTER OF FINANCE (SHRI YESHWANTRAO CHAVAN):

(a) Yes, Sir.

(b) and (c). No loans have been taken by India from Asian Development Bank (ADB) so far. Government of India has decided not to ask for loans from the ADB to finance projects in India.

Indian Airlines Services to Asian Countries

4562. SHRI NAWAL KISHORE SHARMA:

SHRI M. S. SIVASWAMY:

Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state:

(a) whether the Indian Airlines is considering a proposal to expand its net-work by starting "third level" air services and regional services to Asian Countries during the Fifth Plan;

(b) if so, the main features of the proposal and recommendations made by Subramanian Committee in this regard;

(c) whether there is a possibility that such a system may run in loss; and

(d) if so, whether the Indian Airlines has requested Government to subsidise these services, if so, reaction of Government thereto?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): (a) and (b). The 5th Plan proposals of Indian Airlines are yet to be finalised. However, the management has shown interest in starting operations to some Asian countries in addition to Afghanistan (temporarily suspended), Nepal, Burma, Bangladesh and Ceylon already being served by Indian Airlines. This will be examined at the appropriate time.

(c) It is too early to comment upon the profitability of the proposal.

(d) No, Sir.

Arrears of income-tax against the employees of Ford Foundation and Rockefeller Foundation question

4563. DR. RANEN SEN:

SHRI C. K. CHANDRAPPAN:

Will the Minister of FINANCE be pleased to state:

(a) whether the non-Indian employees of the Ford Foundation and Rockefeller Foundation are in arrears of Income-tax;

(b) if so, the total amount of arrears against each of them;

(c) whether the Department of Economic Affairs have paid the tax arrears of the above mentioned employees as stated in the front page report published in the "New Age" dated the 19th November, 1972; and

(d) if so, the amount of such arrears paid in respect of such non-Indian employees of each of the two foundations and the break-up thereof year by year?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): (a) No, Sir.

(b) Does not arise.

(c) There were no arrears of tax. The tax payable in respect of the salaries of non-Indian employees of Ford Foundation and Rockefeller Foundation has been paid by the Department of Economic Affairs.

(d) The amount of tax paid is as under:

Period ending	Ford Foundation	Total tax paid (Rounded off)
1965-66	1,02,06,007	9,95,602 1,12,01,700
1966-67	2,41,46,841	32,14,426 2,73,61,300
1967-68	3,42,00,897	36,43,907 3,78,44,700
1968-69	3,72,39,810	36,44,349 4,08,84,159
1969-70	3,89,51,310	46,16,872 4,26,63,000
1970-71	11,36,35,904	1,34,12,096 12,50,48,000
1971-72	26,30,49,648	2,89,43,309 29,20,37,957

Financial aid from World Bank for Calcutta Metropolitan Development Authority

4564. DR. RANEN SEN: Will the Minister of FINANCE be pleased to state:

(a) whether the Calcutta Metropolitan Development Authority is likely to get substantial aid from the World Bank during the Fifth Plan;

(b) if so, the quantum thereof;

(c) whether the Central Government have made any further negotiation in that direction with the World Bank and with the State Government?

THE MINISTER OF FINANCE (SHRI YESHWANTRA CHAVAN):

(a) to (c). Discussions are in progress with the World Bank Group for assisting the Urban Development Projects of the Calcutta Metropolitan Development Authority (CMDA). The West Bengal Government and the CMDA have fully participated in these discussions. It is too early to indicate the likely quantum of aid.

Memorandum submitted to Sixth Finance Commission by West Bengal regarding Repayment of Central Loans

4565. DR. RANEN SEN: Will the Minister of FINANCE be pleased to state:

(a) whether West Bengal Government submitted a memorandum to the Sixth Finance Commission regarding repayment of loans taken from the Centre;

(b) if so, the main contents thereof; and

(c) whether any other State has also sent its suggestion to the Central Government following Setalvad Committee's Report regarding repayment of loans?

THE MINISTER OF FINANCE (SHRI YESHWANTRA CHAVAN):

(a) and (b). Under the Rules of Procedure adopted by the Sixth Finance Commission, communications received by the Commission dealing with matters on which they have to submit a report are treated as confidential. It would not therefore be possible to indicate the contents of the memoranda, if any, submitted by the State Governments.

(c) A number of State Governments have been suggesting from time to time to write off "unproductive loans" given to them by the Central Government and/or rescheduling of their debt liability to the Central Government. The question of repayment of loans granted to the various States by the Central Government has since been referred to the Sixth Finance Commission.

Shipment of raw Cashew from East African Countries to India

4566. SHRI C. K. CHANDRAPPAN: Will the Minister of FOREIGN TRADE be pleased to state:

(a) the amount in foreign exchange spent by the Cashew Corporation of India for shipping raw cashew from East African countries to India in 1970-71 and 1971-72; and

(b) the Shipping Companies engaged for the purpose by the Cashew Corporation of India?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) The amount spent in foreign exchange by the Cashew Corporation of India for shipping is:

1970-71	£ stg.	394,365
1971-72	£ stg.	1,012,052

Net foreign exchange expenditure for 1971-72 after taking over age premium recovered from the shipping companies;

£ Stg. 989.206

(b) 1970-71:

- (1) General Traders Ltd., Bermuda.
- (2) Holland-Africa Line Agency (Tanzania) Ltd.
- (3) Red Anchor Line, Hongkong.
- (4) D.S.R. Lines, G.D.R.
- (5) British India Steam Navigation Company Ltd.
- (6) Bank Lines Ltd., London.

1971-72:

General Traders Ltd., Bermuda.

The fixtures were finalised on the basis of most competitive terms in consultation with the Chief Controller of Chartering in India and is 18 per cent lower than the rate prevailing prior to the canalisation of the cashew imports.

Meeting of Coir Board regarding payment of bonus

4567. SHRI C. K. CHANDRAPPAN: Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether the Coir Board at its meeting held on the 16th June, 1971 decided to pay bonus to its employees and approached the Ministry for financial sanction; and

(b) if so, the decision taken in the matter?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) Yes, Sir.

(b) The matter is under consideration.

Government's borrowing from the Reserve Bank

4568. SHRI C. K. CHANDRAPPAN: SHRI SAMAR GUHA:

Will the Minister of FINANCE be pleased to state:

(a) whether the attention of Government has been drawn to the news story which appeared in the 'Statesman' dated the 21st November, 1972 under the caption "Bank figures do not bear out Chavan's claim"; and

(b) if so, the reaction of Government thereto?

THE MINISTER OF FINANCE (SHRI YESHWANTRA CHAVAN):

(a) Yes, Sir.

(b) This news item in the 'Statesman' was based on a confusion between total net bank credit to Government and net Reserve Bank credit to

Government. The former comprises both the RBI's credit to Government and commercial banks' investment in the securities of the Central and State Governments and it is the RBI's net credit to Government which constitutes deficit financing. The increase in Commercial Banks' holding of Government securities is matched by community's real savings mobilised by the Commercial Banks and is not expansionary in character. The increase in the Reserve Bank's net credit to the Government during the first half of the financial year 1972-73 was correctly placed at Rs. 26 crores in the Finance Minister's statement of 13th November, 1972 to Parliament. This figure did not denote the increase in the total net bank credit to Government and should not be confused with the latter.

Setting up of export processing Zone for electronics at Santa Cruz, Bombay

4569. **SHRI RAJDEO SINGH:**

SHRI M. S. SANJEEVI RAO:

Will the Minister of **FOREIGN TRADE** be pleased to state:

(a) whether an export processing Zone for Electronics has been set up at Santa Cruz in Bombay;

(b) if so, by what time it is expected to go into commercial production; and

(c) whether India for the first time is entering the export market in Electronics?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) and (b). Government has taken a decision to set up an Export Processing Zone for Electronics equipment and components at Santa Cruz, Bombay. Preparatory work has been started and the Zone will be set up in the near future.

(c) No, Sir. India exported electronic equipment and components valued at about Rs. 300 lakhs in 1970-71 and about Rs. 286 lakhs in 1971-72.

Proportionate Growth in Revenue with increase in Passenger Traffic in Air India

4570. **SHRI RAJDEO SINGH:**

SHRI R. S. PANDEY:

Will the Minister of **TOURISM AND CIVIL AVIATION** be pleased to state:

(a) whether the number of passengers had gone up in Air India during the last two years; and

(b) if so, the reason why there has not been a proportionate growth in revenue?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): (a) and (b). The number of passengers carried by Air-India on its scheduled international services increased by 17 per cent in 1970-71. There was a drop of 3 per cent in 1971-72. The revenue yields have not increased proportionately due to a variety of promotional fares which have been introduced in keeping with world trends.

Combined Cadre of Investigators in Ministry and C. C. I. and E.

4571. **SHRI RAJDEO SINGH:** Will the Minister of **FOREIGN TRADE** be pleased to state:

(a) whether a combined cadre of Investigators working in the Ministry and Chief Controller of Imports and Exports was bifurcated in 1962;

(b) whether the Investigators working in the Ministry have been promoted to higher and Gazetted grades, but no line of promotion has been provided to the Investigators working in C. C. I. and E. for the last 13 years; and

(c) If so, the reasons for discrimination and the steps proposed to be taken to remove this anomaly?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) There was no combined cadre of Investigators in the Ministry and the Office of the Chief Controller of Imports and Exports either before 1962 or thereafter. In 1962, the Recruitment Rules for the post of Investigator in the Office of the Chief Controller of Imports and Exports were notified.

(b) The posts of Investigator in the Ministry of Foreign Trade are in the field for promotion to higher posts, whereas similar higher posts do not exist in the Office of the Chief Controller of Imports and Exports.

(c) Does not arise.

Report of World Bank on India's Economic Development

4572. **SHRI RAJDEO SINGH:** Will the Minister of FINANCE be pleased to state:

(a) whether the World Bank is convinced that a good deal of progress has been made in India in the past decades of planned economic development; and

(b) if so, whether the World Bank has assured Government to subscribe substantially to the fifth five year plan?

THE MINISTER OF FINANCE (SHRI YESHWANTRA CHAVAN): (a) In the information paper entitled "India and the World Bank Group" published recently, the World Bank has observed that India's national income has doubled since the inception of planned economic development in 1951 and that India has created a large and complex industrial structure and laid the foundation for accelerated growth in agriculture.

(b) The World Bank has in the past given and continues to give aid for financing different projects under the Plans. No specific assurance, however, has been sought in regard to the Fifth Five Year Plan.

Textile Mills under Government Control and Private Control

4573. **SHRI BHOGENDRA JHA:** Will the Minister of FOREIGN TRADE be pleased to state:

(a) the total number of textile mills under Government control and under private control and their respective employment capacities, the actual number of persons employed and the total production of coarse cloth; and

(b) the total credits advanced by the public financial institutions to the mills already under Government control and to those still under private control?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) and (b). The information is being collected and will be laid on the Table of the House.

Proposal to link Darbhanga with Calcutta, Delhi and Kathmandu by Air

4574. **SHRI BHOGENDRA JHA:** Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state:

(a) whether it is proposed to link Darbhanga by air with Calcutta, Delhi and Kathmandu; and

(b) if so, when and if not, the reasons therefor?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): (a) and (b). No such proposal is under consideration at present due to the tight fleet position.

**Survey of Urban Properties etc. for
Collection of Taxes**

4575. SHRI P. M. MEHTA:
SHRI PURUSHOTTAM KAKODKAR:

Will the Minister of FINANCE be pleased to state:

(a) whether the Income-tax Department propose to give high priority to selective survey of Urban properties and of persons engaged in certain professions; and if so, the broad outlines of the proposal; and

(b) whether this is likely to bring to light tax evasion, which is widespread among certain classes of taxpayers?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): (a) and (b). The income-tax Department is conducting a selective survey of owners of newly constructed or acquired immovable properties including ownership flats as also of persons carrying on professions such as doctors, lawyers, accountants etc. This work has been given a very high priority. As a result of the survey, it is expected that unaccounted investments in such properties, income of the professions not disclosed to the Department earlier as also new, Wealth-tax assesseees will come to light.

**Department of Khajuraho Airport in
Madhya Pradesh**

4576. SHRI RANABAHADUR SINGH: Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state:

(a) whether Government have decided to develop Khajuraho Airport in Madhya Pradesh; and

(b) if so, the amount sanctioned for the airport and when it is likely to be completed?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN

SINGH): (a) and (b). Yes, Sir. An expenditure of approximately Rs. 48 lakhs has been sanctioned for improvements to the runway, and for construction of terminal and technical buildings. The construction of the terminal building is expected to be completed by 31st March 1973, while the other works are expected to be completed in about two years' time.

**Independent Body for Investigation
into Air Crashes**

4577. SHRI RANABAHADUR SINGH:
SHRI D. B. CHANDRA GOWDA:

Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state:

(a) whether Government have decided that investigation into air crashes should be entrusted to an independent body outside the administrative control of Directorate-General of Civil Aviation; and

(b) if so, the constitution and functions of the proposed independent body?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): (a) and (b). The matter is under examination.

**Seizure of Smuggled Watches in
Bombay**

4578. SHRI PRABODH CHANDRA: Will the Minister of FINANCE be pleased to state:

(a) whether the Customs intelligence squad seized smuggled watches worth Rs. 3.5 lakh from a flat in a co-operative housing society at Deonar, North Bombay;

(b) whether any enquiry has been made in this regard;

(c) if so, what are the results of the enquiry; and

(d) what action has been taken against the persons involved in smuggling?

MINISTER OF STATE IN THE
MINISTRY OF FINANCE (SHRI K.
R. GANESH): (a) Yes, Sir. On
13th October 1972 Customs authorities
at Bombay seized 4750 wrist watches
valued at about Rs. 3.5 lakhs (at
Indian market rate) from the premises
of a co-operative housing society, Deo-
nar, Bombay.

(b) to (d). Two persons who were
found in the said premises at the time
of seizure were arrested and subse-
quently released by the Magistrate
on a bail of Rs. 1 lakh each. Further
enquiries are in progress.

'फरीदाबाद कम्प्लेक्स' में कार्य करने वाले
केन्द्रीय सरकार के कर्मचारियों को नगर
प्रतिपूर्ति और मकान किराया भत्ता

4579. श्री हुकम चन्द कछवाय :
क्या वित्त मंत्री यह बताने की कृपा करेंगे
कि :

(क) क्या 'फरीदाबाद कम्प्लेक्स' में
कार्य करने वाले केन्द्रीय सरकार के कर्म-
चारियों पर नगरप्रतिपूर्ति और मकान किराया
सम्बन्धी, वित्त मंत्रालय के वहाँ वर्तमान
आदेश लागू होते हैं, जो कि दिल्ली में काम
करने वाले कर्मचारियों पर लागू होते हैं;
और

(ख) यदि नहीं तो इसके क्या कारण
हैं ?

वित्त मंत्रालय में राज्य मंत्री (श्री के०
श्री० नरसिंह) : (क) और (ख) : मकान
किराया भत्ता मिलने के प्रयोजनार्थ फरीदाबाद

को भी धेनी का नगर वर्गीकृत किया गया
है । फरीदाबाद समूह-श्रेष्ठ प्रशासन के
स्थापित होने के कारण इस प्रश्न की जांच
की जा रही है कि क्या दिल्ली की शर्तों पर
प्रतिपूर्ति भत्ता मिलने के प्रयोजन से सारे
समूह-श्रेष्ठ को एक नगरप्रतिपूर्ति के रूप में
तथा इसे दिल्ली नगर-निगम की नगर सीमाओं
के सेलोन माना जा सकता है प्रथमा नहीं ।

निर्यात के लिए अधिक प्रोत्साहन देने की
योजना

4580. श्री हुकम चन्द कछवाय : क्या
विदेश व्यापार मंत्री यह बताने की कृपा
करेंगे कि :

(क) क्या निर्यात के लिए अधिक
प्रोत्साहन देने की कोई योजना सरकार के
विचाराधीन है ;

(ख) यदि हां, तो इसकी मुख्य बातें
क्या हैं; और

(ग) वित्तीय वर्ष 1972-73 में भार-
तीय मुद्रा में अनुमानतः कितना निर्यात करने
का लक्ष्य है ?

विदेश व्यापार मंत्रालय में उपमंत्री
(ए० सी० आर्च) : (क) और (ख) :
निर्यातों को और अधिक प्रोत्साहन देने के
लिए कोई नई योजना सरकार के विचाराधीन
नहीं है । तथापि, निर्यातों के संवर्धन
के लिए जब कभी भी विभिन्न निर्यात
योग्य उत्पादों के सम्बन्ध में प्रोत्साहनों के
वर्तमान स्तर में परिवर्तन करना आवश्यक
समझा जाता है, तभी सरकार द्वारा ऐसे
परिवर्तन किये जाते हैं ।

(ग) वित्तीय वर्ष 1972-73 के लिए निर्यात मूल्य 1760 करोड़ रु० निर्धारित किया गया है ।

Working of branches of nationalised banks in Singapore and Hong Kong

4581. SHRI RAM BHAGAT PASWAN: Will the Minister of FINANCE be pleased to state:

(a) whether a Team formed to study the working of the branches of the nationalised banks in Singapore and Hong Kong has recommended the retention of the separate identity of these branches in these countries; and

(b) if so, the reasons given by the team?

THE MINISTER OF FINANCE (SHRI YESHWANTRAO CHAVAN):

(a) Yes, Sir.

(b) In the context of the historical background, local business conditions and preference and requirements of customers, and after considering the arguments for and against, the Committee came to the conclusion that it would be of advantage from the point of view of efficient working and business prospects, to retain for the time being, the present separate identity of these branches.

Grant of H.R.A. and C.C.A. to Central Government Employees working at Tambaram

4582. SHRI THA KIRUTTINAN: Will the Minister of FINANCE be pleased to state:

(a) whether Government are considering the question of granting H.R.A. and C.C.A. to the Railway and Central Government employees working and residing at Tambaram which is contiguous to Madras City, intercepted by Pallavaram Cantonment and Alandur Municipalities; and

(b) if not, the main reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): (a) and (b). Tambaram does not qualify for grant of H.R.A. and C.C.A. as applicable to 'A' class cities in accordance with the existing scheme of these allowances, as it is neither within nor contiguous to Madras Corporation limits. On the basis of its own population, according to 1971 census, it qualifies for classification as a 'C' class town and has been classified as such with effect from 1st August, 1972 for the purpose of drawal of house rent allowance by Central Government employees whose place of work is situated there.

Share of India's tourist industry out of tourist traffic from Europe

4584. SHRI P. M. MEHTA:
SHRI P. GANGADEB:

Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state:

(a) whether India's tourist industry is getting only a small share out of the booming tourist traffic from Europe;

(b) whether Government's attention has been drawn to this by the tourist experts; and

(c) if so, the reaction of Government thereto?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): (a) India's share in tourist traffic from Europe, although growing in absolute terms, is still insignificant as compared to the total tourist traffic emanating from Europe.

(b) and (c). The Government are fully aware of this trend and concerted measures are being taken to attract a larger number of tourists from Europe and other countries.

Orders for Export of Goods negotiated at Delhi Pavilion in Asia '72

4585. SHRI P. M. MEHTA:

SHRI SHRIKISHAN MODI:

Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether orders for the export of goods, manufactured in Delhi, of the value of about Rs. 25 lakh have been finalised at the Delhi Pavilion in the Asia Fair '72;

(b) whether single largest order was for the export of ready-made garments to the United Kingdom; and

(c) whether talks were also held for the export of machinery worth about Rs. 5 lakh to West Asian countries?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) to (c). No, Sir.

Appointment of custodian for Neptune assurance company

4586. SHRI P. M. MEHTA:

SHRI P. GANGADEB:

Will the Minister of FINANCE be pleased to state:

(a) whether the Supreme Court upheld the validity of an order and directions issued by the Central Government on the 13th May, 1972 appointing a Custodian or the Neptune Assurance Company;

(b) if so, the gist of the judgement; and

(c) the further steps being taken in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF FINANCE (SHRI-MATI SUSHILA ROHATGI): (a) and (b). Yes, Sir. The Supreme Court has held that the Company does not fall under the category of those

covered by section 15(a) of the General Insurance (Emergency Provisions) Act, 1971 and will therefore be subject to the provisions of section 3 of the said Act which provides for the take over of the management of the insurance companies. Accordingly, the Court upheld the validity of the Order issued on the 13th May, 1971 appointing a Custodian for the Company.

(c) Further steps contemplated in the scheme of nationalisation under the General Insurance Business (Nationalisation) Act, 1972 will be taken in due course in respect of this company also.

Receipt of Hotel Bills in foreign exchange from foreign tourists by big hotels in Calcutta

4587. SHRI M. KATHAMUTHU: Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state:

(a) whether big hotels in Calcutta are facing no difficulty in implementing the central circular for receiving payment of hotel bills in foreign exchange from foreign tourists; and

(b) if so, what is the response from other big hotels and tourist centres in other parts of the country?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): (a) and (b). No complaints have been received by the Department from hotels in Calcutta or elsewhere regarding this matter. However, some hotels have asked for routine clarifications which have been replied to. There are reasons to believe that the new measures have already resulted in an increase in foreign exchange earnings.

Purchase of Cotton by C.C.I. Nominees from Gujarat

4588. SHRI SOMCHAND SOLANKI:
SHRI K. S. CHAVDA:

Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether the Central Government initiated the Cotton Corporation of India to purchase cotton from Gujarat recently and Cotton Corporation of India appointed some nominees to purchase cotton from the cultivators in Gujarat at fixed rates;

(b) what were the conditions at which they were required to purchase cotton and who were the nominees and sub-nominees?

(c) whether the Central Government have received any complaint alleging misappropriation or mismanagement by these nominees; and

(d) whether the Central Government propose to inquire into this matter; and if not, the reasons therefor?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) to (d). In order to ensure remunerative prices to cotton growers in the context of the sharp fall in cotton prices during the early part of the cotton year 1971-72, in April 1972 the Cotton Corporation of India was called upon to undertake price support purchases of cotton all over the country including the Gujarat State at predetermined prices subject to adjustment depending on quality and pick. In Gujarat, the Corporation purchased cotton through State Co-operative Marketing Society, Primary Co-operative Societies, Gujarat, Agro Industries Corporation and where any of these were not available, private nominees recommended by the State Government.

The Government representative operative Societies/Mandies alleging malpractices by the Corporation's nominees in cotton purchases in Gujarat, but no specific allegation has been made in these representations.

Increase in borrowing accounts of nationalised banks

4589. SHRI SOMCHAND SOLANKI: Will the Minister of FINANCE be pleased to state the percentage of increase in the borrowing accounts of the nationalised banks to date, year-wise?

THE DEPUTY MINISTER IN THE MINISTRY OF FINANCE (SHRIMATI SUSHILA ROHATGI): Information is not available in the desired manner. It will be collected, to the extent possible, and laid on the Table of the House.

Rise in Prices as a result of Increase in D. A. of Government Employees

4590. SHRI SOMCHAND SOLANKI: Will the Minister of FINANCE be pleased to state:

(a) whether with the increase of Dearness Allowance to workers and Government employees, the rise in prices of commodities of daily use rapidly takes place; and

(b) if so, the defects in our economic strategies and techniques due to which such rise in prices takes place causing set-back in the development of our country by such rise in prices?

THE MINISTER OF FINANCE (SHRI YESHWANTRAO CHAVAN): (a) While the effect on the price level of increased purchasing power in the hands of the public cannot be ruled out, there is no necessary connection between payment of dearness allowance and a rise in the prices of commodities. Price rise is a complex phenomenon depending on a multiplicity

of factors. In the context of the Indian economy today, the more relevant factors are those operating on the supply side of commodities.

- (b) The Government do not accept the view that the recent price rise is due to any defects in economic strategies and techniques adopted by them. Various steps have been taken to augment supplies, especially of foodgrains, through increased production and through imports whenever necessary. Measures have also been initiated for proper and effective distribution of essential commodities.

Loss of Foreign exchange due to transfer of shares of Foreign companies

4591. SHRI V. MAYAVAN:
SHRI RAMSHEKHAR
PRASAD SINGH:

Will the Minister of FINANCE be pleased to state:

(a) whether Government are aware that many Indian companies have given their shares to the foreign companies in order to utilise the latter's trade marks and as a result thereof a large amount of foreign exchange is being sent out of the country; and

(b) if so, what action Government propose to take in the matter?

THE MINISTER OF FINANCE
(SHRI YESHWANTRAO CHAVAN):

(a) It is not the policy of the Government to allow issue of shares to non-residents exclusively for the use of foreign brand names and trade marks.

(b) Does not arise.

Misuse of Export Incentive

4592. SHRI V. MAYAVAN:
SHRI RAMSHEKHAR
PRASAD SINGH:

Will the Minister of FOREIGN TRADE be pleased to state:

(a) the total number of cases involving misuse of export incentives

2936 LS-6.

detected during the past three years; and

(b) the action taken in this regard?

THE DEPUTY MINISTER IN THE
MINISTRY OF FOREIGN TRADE
(SHRI A. C. GEORGE): (a) and
(b). The information is being collected and will be laid on the Table of the House.

Seizure of smuggled gold in Bombay

4593. SHRI V. MAYAVAN:
SHRI GIRIDHAR GOMANGO:

Will the Minister of FINANCE be pleased to state:

(a) whether gold worth Rs. 5.5 lakh was seized in Bombay on 17th November, 1972 by the Customs Authorities;

(b) whether any arrests have been made in this regard; and

(c) if so, what action has been taken against the persons found guilty?

THE MINISTER OF STATE IN
THE MINISTRY OF FINANCE
(SHRI K. R. GANESH): (a) 23.32 Kgs. of gold bearing foreign markings valued at about Rs. 5.5 lakhs at Indian market rate and Indian currency amounting to Rs. 10,000 were seized by the Customs authorities at Bombay on 16th November 1972.

(b) and (c). Two persons were arrested in this regard and subsequently released by the Magistrate on a bail of Rs. 1 lakh and Rs. 50,000 respectively. Further investigations are in progress.

Mint manufacturing counterfeit coins unearther in Baroda, Gujarat

4594. SHRI V. MAYAVAN:
SHRI PRABHUDAS PATEL:

Will the Minister of FINANCE be pleased to state:

(a) whether a mini-mint manufacturing counterfeit 50 paise coins

was unearthed in Baroda in Gujarat on the 14th November, 1972;

(b) whether about 7,000 coins were found ready for circulation and about 25,000 50-paise coins were under production;

(c) whether the persons arrested have confessed that there are such plants in other States also; and

(d) if so, the action Government propose to take in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): (a) to (d). Information is being collected from the Government of Gujarat and will be laid on the table of the House as soon as possible.

Meeting of Governor of Reserve Bank of India with Chief Executive of Nationalised Bank

4595. SHRI RAMSHEKHAR PRASAD SINGH: Will the Minister of FINANCE be pleased to state:

(a) whether the Governor of Reserve Bank of India recently had several meetings with the Chief Executives of major schedule and commercial banks, if so, what were the subjects discussed and decisions arrived at?

THE MINISTER OF FINANCE (SHRI YESWANTRAO CHAVAN): The Governor, Reserve Bank of India, had a meeting on the 14th November, 1972 with the Chief Executives of major scheduled commercial banks to assess the current monetary and price situation and indicate the contours of credit policy for the busy season 1972-73. A copy of the Press Note issued by the Reserve Bank in this connection is laid on the Table of the House. (Placed in Library. See No. LT-4046/72.)

Participation of Indian in Global Tenders for High Contracts

4596. SHRI GIRIDHAR GOMANGO:

SHRI PRABHUDAS PATEL:

Will the MINISTER of FOREIGN TRADE be pleased to state:

(a) whether the Indian exporters who intend to participate in global tenders for high value contracts suffer from a number of disadvantages, if so, the nature of these disadvantages;

(b) whether any assessment has been made about the tenders lost by Indian exporters due to these disadvantages during the last year; and

(c) Government's reaction thereto?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a). Yes Sir. The disadvantages are chiefly financing, exchange and fluctuation risk, export credit guarantee cover deferred payment conditions, payment of agency commission etc.

(b) and (c). No specific assessment of individual tenders lost in 1972 has been made. But some of these disadvantages which have been brought to Government's notice are now receiving attention.

Absorption of Extra Benefit of Interim Relief to Central Government Employees as a result of rise in Prices

4597. SHRI JAGANNATH MISHRA: Will the Minister of FINANCE be pleased to state:

(a) whether Government's attention has been drawn to the news item in 'Financial Express' of 16th

October, 1972 entitled "Price rise absorbs extra benefits viz. interim relief to Central Government employees and Bonus to workers; and

(b) if so, the reaction of Government thereto?

THE MINISTER OF FINANCE
(SHRI YESHWANTRAQ CHAVAN):

(a) Yes, Sir.

(b) The news item states that the additional purchasing power made available to industrial workers and Government employees by way of bonus or interim relief had been mopped up by the rise in prices of essential commodities during the three week period ending October 17, 1972. It is no doubt true that the real value of any given rise in money income is affected by an increase in prices. However, it is worth nothing that the Consumer Price Index (1949=100) which measures changes in the purchasing power of consumers'

money income more accurately than the Wholesale Price Index rose only marginally from 252 in August 1972 to 254 for October 1972. Government are fully conscious of the hardship to the people caused by rising price and to that end every possible effort is being made to stabilise the price level.

Countries which will celebrate their National Days in Asia 72

4598. SHRI AMBESH: Will the Minister of FOREIGN TRADE be pleased to state the names of the countries which will celebrate their "National Days" in Asia '72 Fair?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): The list of countries which have celebrated and which will be celebrating their National Days in Asia 72 is given in the attached statement:

STATEMENT

Name of the Country	Date of National Day
1. Italy	7 November, 1972
2. U.S.S.R.	8 November, 1972
3. Canada	9 November, 1972
4. Australia	10 November, 1972
5. Spain	11 November, 1972
6. Malaysia	12 November, 1972
7. G.D.R.	13 November, 1972
8. Hungary	15 November, 1972
9. Austria	16 November, 1972
10. Bangladesh	18 November, 1972
11. Mongolia	19 November, 1972
12. Bulgaria	21 November, 1972
13. Belgium	23 November, 1972
14. Afghanistan	24 November, 1972
15. Libya	25 November, 1972
16. Turkey	26 November, 1972
17. Yugoslavia	27 November, 1972
18. U.S.S.R. Republic	29 November, 1972
19. Mauritius	1 December, 1972
20. South Korea	4 December, 1972
21. Thailand	5 December, 1972
22. France	6 December, 1972
23. Rumania	7 December, 1972
24. New Zealand	8 December, 1972
25. Japan	9 December, 1972
26. Poland	10 December, 1972
27. Africa (Sudan, Kenya, Tanzania & Zambia)	11 December, 1972
28. Czechoslovakia	12 December, 1972
29. Fiji	13 December, 1972
30. Sweden	14 December, 1972
31. Nepal	15 December, 1972

मूल्य वृद्धि पर नियंत्रण रखने के लिए की गई
कार्यवाही का प्रभाव

4599. श्री अम्बेश : क्या वित्त मंत्री
यह बताने की कृपा करेंगे कि :

(क) क्या मूल्य वृद्धि पर नियंत्रण
रखने के लिए सरकार द्वारा हाल ही में की
गई कार्यवाही के प्रभाव का सरकार ने कोई
अनुमान लगाया है ; और

(ख) यदि हां, तो उसका क्या ब्यौरा

वित्त मंत्री (श्री यशवन्तराव चव्हाण) :
(क) और (ख). यद्यपि अलग से किसी
एक उपाय के प्रभाव का अनुमान लगाना
कठिन है तथापि सरकार को आशा है कि
मूल्यों के स्तर के स्थिर रखने के उद्देश्य से
किए गए उपायों का प्रभाव कुल मिला कर
अनुकूल ही रहेगा । यह बात उत्साहवर्धक
है कि अक्टूबर के मध्य से थोक मूल्यों का
सामान्य सूचकांक प्रायः स्थिर ही रहा है ।

देश से आयात की गई और वहाँ निर्यात
की गई वस्तुएं

4600. श्री अम्बेश : क्या विदेश
व्यापार मंत्री यह बताने की कृपा करेंगे
कि :

(क) भारत से बंगला देश को अब तक
निर्यात की गई वस्तुओं के नाम, मात्रा, मूल्य
क्या है ; और

(ख) अब तक बंगला देश से आयात
की गई वस्तुओं के नाम, मात्रा तथा मूल्य
क्या है ?

विदेश व्यापार मंत्रालय में उप मंत्री
(श्री ए० सी० जार्ज) : (क) केवल अप्रैल
से जून, 1972 के महीनों के निर्यात आंकड़े
उपलब्ध हैं जिनके अनुसार निम्नलिखित
वस्तुएं बंगला देश को निर्यात की गई थीः—

(मूल्य लाख रु० में)
अप्रैल-जून 1972

वस्तु	इकाई	मात्रा	मूल्य
गेहूं	हजार में टन	229	19.66
अरंडी का तेल	हजार कि० ग्रा०	370	11
बज्रहन	में० टन	264	4
सीमेंट	हजार में० टन	38	74
काली मिर्च	में० टन	590	52
तम्बाकू अनिमित	हजार कि० ग्रा०	1679	70
महयोग (अन्य वस्तुओं सहित)			2317

1972 के बाद के आंकड़े उपलब्ध
नहीं हैं ।

(ख) 1971-72 तथा अप्रैल-मई
1972 के दौरान बंगला देश से आयात
मग्न्य थे । मई 1972 के बाद के आयात
आंकड़े अभी उपलब्ध नहीं हैं ।

भारत में कार्य कर रही विदेशी कम्पनियों में लगी पूंजी

4601. श्री एम० एस० गुरुती : क्या कम्पनी कार्य मंत्री यह बताने की कृपा करेंगे कि भारत स्थित विदेशी कम्पनियों में से प्रत्येक कम्पनी में किस-किस देश को कितनी कितनी पूंजी लगी है ?

कम्पनी कार्य मंत्री (श्री रघुनाथ रेड्डी) : विदेशी कम्पनियों की प्रत्येक भारतीय सहायक कम्पनी में नियोजित विदेशी पूंजी, तथा उसको विदेशी धारक कम्पनी द्वारा इसमें नियोजित पूंजी की बाबत सूचना सभा पटल पर रखे गये विवरण-पत्र में दी गई है । [प्रत्यक्ष में रखा गया । देखिये संख्या एन टी—4047/72] भारत में कार्यरत विदेशी कम्पनियों की शाखाओं की बाबत, इस प्रकार की सूचना उपलब्ध नहीं है, क्योंकि इन कम्पनियों को हिस्सेधारिता की बाबत सूचना, कम्पनी अधिनियम के अन्तर्गत मिसिल करना अपेक्षित नहीं है ।

Construction in Indo-Bangladesh Fish Agreement

4602. SHRI SAMAR GUHA: Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether the attention of Government has been drawn to a report published in Calcutta 'Ananda Bazar Patrika' dated the 18th November, 1972 to the effect that Indo-Bangladesh Trade Pact on fish import is in difficulty due to the obstructions created by some rich fish traders of West Bengal, Gujarat, Rajasthan and Orissa;

(b) whether out of 17 Centres opened by Bangladesh Government, fish for West Bengal and other parts of Eastern India is procured only from 3 Centres;

(c) whether the Commerce Minister of Bangladesh said in Delhi that due to failure on the part of Indian fish imports Bangladesh may face a deficit of Rs. 6 crore; and

(d) if so, the reaction of the Central Government in this regard and the role of Fish Corporation of India in this matter?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) Government have seen the Press report in question.

(b) The India Bangladesh Joint Review Committee on Fish Trade decided at its meeting held in October last, that because of constraints of transportation, procurement on ration should commence from the five centres at Narayanganj, Goalundo, Khulna, Akhaura and Basantpur at a very early date and that three more centres, at Jessore, Sheola and Tamabil might be opened as early as possible.

Of the five centres selected for the first phase of operations, four have already been set up at Narayanganj, Goalundo, Khulna and Akhaura. Imports are already taken place from Narayanganj and Khulna and are expected to start very soon from Goalundo and Akhaura. Two more centres at Basantpur and Jessore are going to be opened shortly.

(c) and (d): The Bangladesh Minister of Commerce expressed the fear that there would be a shortfall in the offtake of fish. It was pointed out to him that there were no limitations to the import of fish at the Indian end but that according to reports available with the Government

of India, the problem was one of making arrangements in many of the centres in Bangladesh.

As the fish trade commenced only in October 1972, the value of imports is expected to be substantially lower than the limit fixed under the Agreement. As a result of measures which have been taken in recent weeks, it is expected that the pace of import will quicken considerably depending on the availability of fish in Bangladesh at prices which would enable fish to be sold in Calcutta and other markets at reasonable prices.

Import of Indian Films by Bangladesh

4603. SHRI SAMAR GUHA: Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether Bangladesh is importing Indian films for exhibition in Bangladesh;

(b) the terms and conditions of the agreement with Bangladesh;

(c) the number of Indian films imported by Bangladesh; and

(d) the revenue from the export of Indian film and the amount received by the producers?

THE MINISTER IN THE DEPARTMENT OF FOREIGN TRADE (SHRI V. K. JORGES): (a) and (b) terms of the Trade Agreement signed between the Government of India and the Government of Bangladesh in 1972. Films valued Rs. 15 lakhs will be exported to and imported from Bangladesh.

No film has so far been exported to Bangladesh.

(c) Does not arise.

Clubbing of Income of Wife and Husband

4604. SHRI SAMAR GUHA: Will the Minister of FINANCE be pleased to state:

(a) whether the attention of Government has been drawn to the report of a seminar held in Calcutta on the 2nd September, 1972 in which about 100 women's organisations participated;

(b) whether the Seminar opposed Government proposal to club incomes of husband and wife together for Income-tax assessment; and

(c) if so, the reaction of Government thereto?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): (a) and (b). Yes Sir.

(c) This matter has been under examination for the past sometime. The views of the Wanchoo Committee and Raj Committee in this regard are also under consideration.

Proposal to include Digha in the Tourist List of Central Government

4605. SHRI SAMAR GUHA: Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state:

(a) whether Digha, the only Sea-Beach Health Centre of Eastern India bearing Orissa, has not been included in the tourist list of the Central Government;

(b) whether Digha is visited by a large number of Indian and foreign tourists;

(c) whether Digha Sea-beach has been accepted by experts as one of the best Sea-beaches found in India; and

(d) whether Government propose to take necessary steps to include Digha (West Bengal) in the tourist list of the Central Government?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): (a) and (b). No, Sir. On 10th January 1972, a large number of tourists from Calcutta. No tourists are available as the number of visitors to

the said has been made in the report.

have no such information at present.

For Take-over of Hindustan Ball Bearings Ltd. Limited.
Chheh-Industan

Will the TRADE be

There has been demand for taking over Hindustan Ball Bearings Ltd. Limited, Chheh-Industan.

the steps being taken in this matter?

THE MINISTER OF FOREIGN AFFAIRS (SHRI A. C. GEORGE):

The matter is under consideration.

Registration by Shri Ram Group of Industries

SHRI PRIYA RANJAN DAS Will the Minister of COMPANY AFFAIRS be pleased to

whether Government propose to take any steps to

(b) whether the Charat Ram, Bharat Ram Group and Shri Ram Group are the same.

THE MINISTER OF COMPANY AFFAIRS (SHRI RAGHUNATHA REDDY): (a) and (b). The companies shown as belonging to Shri Ram Group in the ILPIC Report were given 12 (twelve) industrial licences and (four) letters of intent during the period from 1-7-1970 to 1-7-1972. According to the ILPIC report, both Shri Charat Ram and Shri Bharat Ram belong to the said Shri Ram Group.

Complaints against Companies for Mismanagement

4608. **SHRI PRIYA RANJAN DAS MUNSI:** Will the Minister of COMPANY AFFAIRS be pleased to state:

(a) whether any complaint has been received by Government against M/s. Jay Engineering Works Limited and Bharat Ball Bearing Limited for unfair management; and

(b) if so, the action taken in the matter?

THE MINISTER OF COMPANY AFFAIRS (SHRI RAGHUNATHA REDDY): (a) and (b). The Registrar of Companies, West Bengal has received a complaint from the Life Insurance Corporation of India in regard to terms and conditions of appointment of sole selling agents by M/s. Jay Engineering Works Ltd. The Registrar has received a reply from the Company on the 4th December, 1972, which is being examined.

Regarding M/s. Bharat Ball Bearing Ltd. which is now known as Shriram Bearing Ltd., the Department has not received any complaint during the last six years.

**Recognition to International Air-
ports Authority Employees Union**

4609. SHRI PRIYA RANJAN DAS MUNSI: Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state:

(a) whether his Ministry is aware that a Trade Union in the name of "International Airports Authority Employees Union" has been formed in the Office of the International Airports Authority;

(b) if so, whether the management has recognised the Union; and

(c) if not, the reasons therefor?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): (a). Yes, Sir.

(b) No Sir, not yet.

(c) The bulk of the staff of the Authority consists of government employees (from the Civil Aviation Department) and their absorption into the service of the Authority is under consideration. Being Government servants they continue to be governed by the respective conduct rules. The question of recognition of the union now formed will be considered on the basis of guidelines laid down for such recognition by the Ministry of Labour, when the status of these deputationists is finally settled.

Remittances by Companies

4610. SHRI S. A. MURUGANANTHAM: Will the Minister of FINANCE be pleased to state whether the Reserve Bank of India issues bulletins of Foreign Exchange remittances made by companies in India?

THE MINISTER OF FINANCE (SHRI YESWANTRA CHAVAN): The Reserve Bank of India have not issued any bulletin giving information on remittances made by individual foreign companies operating in India.

**Remittance of service charges by
Coca-Cola Export Corporation**

4611. SHRI S. A. MURUGANANTHAM: Will the Minister of FINANCE be pleased to refer to the reply given to Unstarred Question 6427 on the 30th July, 1971 regarding remittances on account of profits by Coca-Cola Export Corporation and state:

(a) whether the enquiry conducted to examine the remittances on account of service charges of Coca-Cola Export Corporation, New Delhi has been completed;

(b) if so, the percentage of service charges allowed to be remitted as compared to exports; and

(c) if the percentage is not constant, Government's reaction thereto?

THE MINISTER OF FINANCE (SHRI YESWANTRA CHAVAN): (a) to (c). The matter is still under examination.

**Night Landing Facilities at Airports
in the Eastern Region**

4612. SHRI DHARAMRAO AFZALPURKAR: Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state:

(a) whether there are no night landing facilities at any of the 29 Airports other than Calcutta used by the Airlines in the Eastern region; and

(b) if so, the steps Government propose to take in this regard?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): (a) and (b). No, Sir. Night landing facilities are available at Agartala, Patna, Gaya, Gauhati and Mohanbari aerodromes and Gooseneck flares are available at twelve other aerodromes used by Indian Airlines for landing in an emergency.

Foreign Architects Engaged by Air India for Constructing Hotels at Juhu Beach in Bombay.

4613. SHRI R. S. PANDEY: Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state:

(a) whether the Air India has engaged foreign architects for constructing its Hotels at Juhu Beach in Bombay and at other places;

(b) whether this goes contrary to the decision taken recently by the Committee on Public Undertakings not to permit foreign architects to be employed by Air India for such purposes and if so, the reasons therefor; and

(c) whether Government propose to grant permission for employment of foreign architects for constructing hotels in the private sector also and not, the reasons therefor ?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): (a) and (b). An Indian firm of architects & consulting engineers has been appointed to provide architectural and structural engineering services. In addition, Air-India have entered into an agreement with a German firm for providing consultancy services for their hotel project with the approval of Government.

(c) Consultancy services of a foreign architect may be permitted in the private sector to the extent that these form part of the technical services to be made available by a foreign collaborator under an approved collaboration agreement in respect of a particular hotel.

मध्य प्रदेश के एक लाख से अधिक आमदनी वाले उद्योगपतियों की ओर करों को बकाया राशि

4614. श्री गंगा चरण दीक्षित: क्या वित्त मंत्री यह बताने की कृपा करेंगे कि :

(क) भूतपूर्व नरेशों और जमींदारों को छोड़ कर मध्य प्रदेश के एक लाख से

अधिक की आमदनी वाले उद्योगपतियों और व्यापारियों की गत वर्ष कुल आमदनी कितनी थी; और

(ख) इन लोगों की ओर आयकर, धन-कर और अघिकर की कुल कितनी राशि बकाया थी ?

वित्त मंत्रालय में राज्य मंत्री (श्री के० आर० गणेश) : (क) और (ख). प्रत्यक्ष करों (आयकर, धन-कर, दान-कर तथा सम्पदा-शुल्क) के प्रयोजनों के लिए निर्धारितियों का वर्गीकरण उनके व्यवसाय अथवा आय के स्रोत के अनुसार नहीं किया जाता। तथापि, आयकर आयुक्त, मध्य प्रदेश, भोपाल के कार्य क्षेत्र में वित्तीय वर्ष 1971-72 में पूरे किये गये अन्तिम कर-निर्धारण के अनुसार, जिन निर्धारितियों के मामलों में कुल आय एक लाख रुपये से अधिक थी उनके बारे में 31-3-1972 की यथास्थिति के अपेक्षित व्योरे इकट्ठे लिये जा रहे हैं और यथा संभव शीघ्र सदन की पेज पर रख दिये जाएंगे।

मध्य प्रदेश में क्षेत्रीय असमानताओं को दूर करना

4615. श्री गंगा चरण दीक्षित : क्या वित्त मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या जीवन बीमा निगम का विचार मध्य प्रदेश की क्षेत्रीय असमानताओं को दूर करने के लिए तत्काल कार्यवाई करने का है; और

(ख) यदि हां, तो चालू वर्ष के दौरान इस सम्बन्ध में क्या कार्यवाई की जा रही है या किये जाने का विचार है ?

1971 में मध्य प्रदेश की औद्योगिक क्षमता सम्बन्धी सर्वेक्षण किया था। सर्वेक्षण के दौरान उक्त दल ने राज्य में कुछ पिछड़े जिलों का दौरा किया था जैसे बस्तर, बिलासपुर, भिण्ड, छतरपुर, छिन्दवाड़ा, देवास, होशंगाबाद, खरगोड़, मुना, पन्ना, रायपुर, रतलाम और सेवा। आधारभूत क्षमता, कच्चे माल और अन्य सुविधाओं की उपलब्धता को ध्यान में रखते हुए अध्ययन दल का यह विचार था कि निम्नलिखित ग्यारह पिछड़े जिलों में निवेश के अपेक्षाकृत बाढ़िया अवसर हैं :

बस्तर, बिलासपुर, रायपुर, देवास, होशंगाबाद, सागर, सिधौ, बालाघाट, रायगढ़, शाजापुर और गूना।

अध्ययन दल ने यह सुझाव दिया है कि राज्य सरकार और अन्य सम्बद्ध संस्थाओं को बाहर से उद्यमकर्ताओं को आकर्षित करने के लिए मिल जुल कर प्रयास करना चाहिए और नेता वैर भी औद्योगिक अवसरों के विशिष्ट क्षेत्रों का पता लगाने में और इस तरह इन जिलों के विषय में सहायता करने में रचनात्मक भूमिका अदा कर सकते हैं। अध्ययन दल ने बहुत ही ऐसी परियोजनाओं और उद्योगों का सुझाव भी दिया है जिन्हें इन जिलों में शुरू किया जा सकता है।

मध्य प्रदेश में आयकर अधिकारियों के विरुद्ध

जांच-पड़ताल

4618. श्री गंगा चरण दीक्षित : क्या

वित्त मंत्री यह बताने की कृपा करेंगे कि -

(क) मध्य प्रदेश में आयकर विभाग के उन अधिकारियों की संख्या कितनी है तथा उनके नाम क्या हैं जिनके पास गत तीन वर्षों में जाँची जात आय के स्रोतों की तुलना में बहुत अधिक सम्पत्ति पाई गई है; और

(ख) उनमें से प्रत्येक अधिकारी के पास किनसे मूल्य की सम्पत्ति है ?।

वित्त मंत्री का यह राज्य मंत्री (श्री के. आर. गजेंद्र) : (क) जी, कोई नहीं।

(ख) यह प्रश्न ही नहीं उठता।

Expenditure on and Income from
Asian Trade Fair in Delhi

4619. SHRI RAM PRAKASH: Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether the total expenditure on Asian Trade Fair in Delhi has exceeded the earlier estimates;

(b) if so, the reasons therefor; and

(c) the actual expenditure and the earning expected from it?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) to (c). Against the provision of Rs. 5.83 crores for Asian Trade Fair, expenditure actually booked so far is Rs. 4.861 crores. Excess over the original estimates, if any, can be known after the accounts of the Fair are finalised. Expected earning from the Fair is over Rs. 2.00 crores.

Inter-Ministerial Disputes over the Santa Cruz Airport Electronic Centre

4620. SHRI SARJOO PANDEY: Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether Inter-Ministerial disputes have arisen over the details of the airport electronics centre to be set up at Santa Cruz;

(b) if so, the nature of the disputes and

(c) whether the matter has been referred to the Cabinet for a final decision?

THE DEPUTY MINISTER IN THE
MINISTRY OF FOREIGN TRADE
(SHRI A. C. GEORGE): (a) No,
Sir.

(b) and (c). Do not arise.

**Export Order from Spain for Non-
Traditional Items**

4621. SHRI SARJOO PANDEY:
Will the Minister of FOREIGN
TRADE be pleased to state:

(a) whether India got an order
for non-traditional export item worth
Rs. 25 lakh from Spain; and

(b) if so, the salient features there-
of?

THE DEPUTY MINISTER IN THE
MINISTRY OF FOREIGN TRADE
(SHRI A. C. GEORGE): (a) Yes,
Sir.

(b) The items of exports include
readymade garments, brass-ware,
woodware, EPNS ware, home furni-
shings, musical instruments, lock and
padlocks, silk fabrics, car aeralis,
dolls, sports goods, ivory products,
shirts etc.

स्पेन के साथ व्यापारिक समझौता

4622. डा० लक्ष्मीनारायण पांडेय :
क्या विदेश व्यापार मंत्री यह बताने की कृपा
करेंगे कि :

(क) क्या स्पेन के साथ भारत का कोई
व्यापारिक करार हुआ है

(ख) यदि हां, तो स्पेन को करार के
अन्तर्गत कौन कौन सी वस्तुएं भेजी जायेंगी
तथा उनसे अनुमानित कितनी विदेशी मुद्रा
प्राप्त होगी; और

(ग) स्पेन द्वारा इस करार के अन्तर्गत
दिये गये प्रथम आर्डर का मूल्य कितना है
तथा वह किन-किन वस्तुओं के लिए है ?

विदेश व्यापार मंत्रालय में उपस्थित
(श्री ए० सी० जार्ज) : (क) जी हां ।

(ख) और (ग). व्यापार करार की
एक प्रति संसद पुस्तकालय में रख दी गई है ।
यह व्यापार करार उसी प्रकार का है जैसा कि
हम सामान्यतः मुक्त बाजार अर्थ व्यवस्था
वाले देशों के साथ करते हैं और इसमें किसी
प्रकार की निर्यात/आयात बाध्यताएं नहीं हैं ।

**भारत की आर्थिक प्रगति के सम्बन्ध में
विश्व बैंक का प्रतिवेदन**

4623. डा० लक्ष्मीनारायण पांडेय :
क्या वित्त मंत्री यह बताने की कृपा करेंगे
कि :

(क) क्या विश्व बैंक ने भारत द्वारागत
दो दशकों में की गई आर्थिक प्रगति के बारे में
तुलनात्मक विवरण प्रस्तुत किया है और
अपने विचार व्यक्त किये हैं; और

(ख) यदि हां, तो इसकी मुख्य-मुख्य
विशेषतायें क्या हैं ?

वित्त मंत्री (श्री यशबन्तराव चव्हाण) :

(क) और (ख). हाल ही में प्रकाशित
“भारत तथा विश्व बैंक समूह” नामक सूचना-
पत्र में विश्व बैंक ने यह बताया है कि 1951
से, जब से योजनाबद्ध आर्थिक विकास का
सूत्रपात हुआ था भारत की राष्ट्रीय आय
दुगुनी हो गयी है और भारत ने एक बहुत
बड़े और विविधतापूर्ण औद्योगिक ढांचे का
निर्माण किया है तथा कृषि के क्षेत्र में तीव्र
विकास की नींव रखी है ।

Contracts between Indian and Bulgarian Firms at Plovdiv International Fair, Bulgaria

4624. SHRI G. Y. KRISHNAN: Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether contracts have recently been signed between Bulgarian and Indian business firms participating in the Plovdiv International Fair which concluded recently in Bulgaria; and

(b) if so, the broad outlines of the contracts?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) Yes, Sir.

(b) Contracts concluded between Bulgarian & Indian business firms which participated in Plovdiv International Fair 1972 amount to Rs. 297.99,500/-. They cover items such as Leather and Leather goods, Sports goods, Linoleum, Cashews, Tea, Vacuum Flasks, Coir mats, Cufflinks, Oil Pins, Needles, Snap Fasteners, Scissors, Plastic and Abrasives.

Coarse Cloth produced by the Textile Mills

4625. SHRI N. K. P. SALVE: Will the Minister of FOREIGN TRADE be pleased to state:

(a) the names of Textile Mills in each State which have not produced the minimum quantity of coarse cloth required under the regulations; and

(b) the action taken or proposed to be taken against such mills?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) under the scheme in force with effect from

1st June, 1971, the industry's commitment to produce 100 million sq. metres of controlled cloth every quarter is being fulfilled.

(b) Does not arise.

Recruitment of Officers and Staff for Colombo Plan Consultative Conference

4626. SHRI PANNALAL BARU-PAL: Will the Minister of FINANCE be pleased to state:

(a) whether a full fledged Secretariat was established to deal with the Colombo Plan Conference at New Delhi;

(b) if so, the method adopted for the recruitment of staff;

(c) the total number of Officers/ staff appointed category-wise; and

(d) whether persons belonging to Scheduled Castes were also appointed in the Secretariat, and if so, their number, category-wise?

THE MINISTER OF FINANCE (SHRI YESHWANTRAO CHAVAN): (a) Yes, Sir.

(b). Various categories of temporary posts were sanctioned for brief periods and these were filled by obtaining officials on deputation from the Ministry of Finance and other Ministries.

(c) A statement is laid on the Table of the House.

(d) As these temporary posts were filled on deputation basis from the officials already in the service of the Ministry of Finance etc., no quota was fixed for persons belonging to Scheduled Castes.

STATEMENT**Staff appointed for the Colombo Plan Conference Secretariat, Category-wise**

1. Secretary General . . .	1
2. Deputy Secretary General . . .	2
3. Assistant Secretary General . . .	2

Names of Parties given ad hoc Import Licences worth more than one lakh of rupees from 1970-71 to 1971-72

4627. **SHRI R. P. ULAGANAMBI:**
Will the Minister of FOREIGN TRADE be pleased to state:

(a) the names of parties together with their addresses who were given ad hoc import licences worth more than one lakh of rupees each during the period from 1970-71 to 1971-72; and

(b) the commodities imported and utilisation thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) Particulars of all import licences issued irrespective of their value, (including the name of the party and their addresses) are published in the "Weekly Bulletin of Industrial Licences Import Licences and Export Licences," copies of which are supplied to the Parliament Library.

(b) Data regarding commodities imported against each import licence and utilisation thereof are not maintained.

Charges against Tea Industry Monopolists

4628. **SHRI D. K. PANDA:**

DR. H. P. SHARMA:

Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether Government's attention has been drawn to the report in the 'Blitz' dated the 29th July, 1972, captioned "150-crore Loot by Tea Cartel" throwing some light on the racket involving building of huge foreign exchange reserves abroad by the few monopoly houses controlling India's Tea Industry;

(b) if so, the names of the foreign tea monopolists referred to therein who control India's Tea Industry and the precise nature of the charges levelled against them by the West Bengal Labour Minister; and

(c) whether any probe has been conducted into the racket and if so, through which agency and the result thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) Yes, Sir.

(b) The report stated to have been sent by the West Bengal Labour Minister regarding control of India's Tea Industry by a few monopoly houses has not been received.

(c) Does not arise.

Proposal to develop Goa as a Tourist Spot

4629. SHRI DALIP SINGH: Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state:

(a) whether Government have any proposal to develop Goa as a tourist spot; and

(b) if so, the broad outlines thereof?

THE MINISTER OF TOURISM AND CIVIL AVIATION (DR. KARAN SINGH): (a) and (b). It is proposed to develop the beaches at Goa for attracting destination tourist traffic. A survey to determine the developmental possibilities is underway. The nature and scope of the development will be decided after the preliminary report of the survey is made available early in 1973.

Leakage of Foreign Exchange

4630. SHRI DALIP SINGH: Will the Minister of FINANCE be pleased to state:

(a) whether foreign currency is being exchanged clandestinely in Delhi and other places;

(b) if so, the extent of the national loss due to this illegal work; and

(c) how much foreign currency was exchanged by Government banks during last year?

THE MINISTER OF FINANCE (SHRI YESHWANTRAO CHAVAN):

(a) Government are aware that in some cities foreign exchange transactions take place otherwise than through banks.

(b) By the very nature of these transactions it is difficult to arrive at any estimate of the loss involved.

(c) Total value of sales to and purchases from the public by the fourteen nationalised banks during 1971 are as under:

	(in 000)	
	Purchases	Sales
Sterling pounds	182,057	145,125
US	306,838	173,275
Canadian dollars	3,450	3,372

Raids by Income-tax Authorities in Bombay and Calcutta

4631. SHRI VARKEY GEORGE:
SHRI NAGESHWARA RAO:

Will the Minister of FINANCE be pleased to state:

(a) whether offices and residences of certain film financiers, producers and film brokers were raided by

Income-tax Department on the 14th November, 1972 at Bombay and Calcutta and if so, the names of the persons whose offices and premises were raided; and

(b) the amount of cash seized in each case and the action taken against each of them?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): (a) and (b). Yes, Sir. A

statement indicating the names of persons whose offices and residences were raided, and the amount of cash seized in each case, is attached. These cases are being investigated. Necessary action under law would be taken after scrutiny of the seized materials is completed.

STATEMENT

Sl. No. Name Cash seized

NOTE: In both Calcutta and Bombay we have seized a substantial amount of jewellery and number of books of Accounts and documents, (including Pronotes, Agreements and Receipts) besides cash.

अभ्रक के निर्यात में गिरावट ।

(ख) यदि हां, तो उसके क्या कारण हैं; और

4632. श्री राजाबतार शास्त्री : क्या विदेश व्यापार मंत्री यह बताने की कृपा करेंगे कि :

(ग) इस सम्बन्ध में क्या कार्यवाही की गयी है अथवा किये जाने का विचार है?

विदेश व्यापार मंत्रालय में उपसंत्री ए० सी० जार्ज) : (क) जी नहीं ।

(क) क्या अभ्रक के निर्यात में बहुत गिरावट आ गई है;

(ख) और (ग) प्रश्न नहीं उठते ।

Exports to U.S.S.R.

4633. SHRI S. R. DAMANI: Will the Minister of FOREIGN TRADE be pleased to state:

(a) the value of exports to U.S.S.R. year-wise, during the last three years;

(b) the principal items of export and the percentage of engineering goods in the total each year; and

(c) the measures taken to increase the export of engineering items?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) The value of exports to USSR during the last 3 years are given below:—

In Rs. crores

1971

211

(b) The principal items of export to USSR are tea, raw, semi-tanned and tanned Goat skins, Jute bags, Jute Cloth, cashew kernels including consumer packs, Cotton, Textiles, Coffee, Tobacco, Woollen Knit-wear, Spices, Ready-made garments, Mica, Raw wool, Raw jute, Castor Oil, H.P.S. Groundnuts, De-oiled cakes, various chemicals, Leather shoes and various engineering goods. The percentage of engineering goods including iron and steel products during 1969, 1970 and 1971 was 8.5 per cent, 9.8 per cent and 13.5 per cent respectively.

(c) The measures taken to increase the export of engineering goods to USSR, mainly, are:

(1) Increased provisions have been made for export of engineering items in the Trade Protocols for 1972 & 1973.

(2) New items like auto ancillaries, magnetic tapes etc. have been specifically included in the Trade Protocol with USSR.

Waiver of deduction of two months salary from gratuity of Central Government Employees

4634. SHRI THA KIRUTTINAN: Will the Minister of FINANCE be pleased to state:

(a) whether his Ministry are considering the question of waiving deduction of two months' salary from the gratuity payable to the Central Government employees who opted for Family Pension Rules 1964; and

(b) if so, when a decision is expected to be taken?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K. R. GANESH): (a) No, Sir.

(b) Does not arise.

रुपए की ऋय शक्ति में कमी

4635. श्री श्रीकार लाल बेरवा : क्या वित्त मंत्री यह बताने की कृपा करेंगे कि :

(क) जहाँ तक सामान्य उपभोक्ता सामग्री का सम्बन्ध है पिछले तीन वर्षों में रुपये की ऋय शक्ति में कितनी कमी आई है;

(ख) क्या इस कमी के कारण आयकर निर्धारण की 5000 रुपये की न्यूनतम सीमा को बढ़ाने का प्रस्ताव है; और

(ग) यदि हाँ, तो कब से और कितनी और यदि नहीं, तो उसके क्या कारण हैं ?

वित्त मंत्री (श्री यशवन्तराव चव्हाण) :

(क) 1969 और 1972 (उन दस महीनों की औसत जिनके बारे में सब से हाल की जानकारी उपलब्ध है) के बीच भारतीय रुपये की ऋयशक्ति में, औद्योगिक कर्मचारियों के मखिल भारतीय उपभोक्ता मूल्य सूचांक के

अनुसार, जिसका आधार वर्ष 1949 है, 12.3 प्रतिशत की कमी हुई है।

(ख) सरकार का, आयकर के संबंध में 5000 रुपये की छूट-सीमा में वृद्धि करने का विचार नहीं है।

(ग) छूट-सीमा में वृद्धि न करने के कारणों का विवरण संलग्न है।

विवरण

(1) यह जरूरी है कि आयोजनाओं के क्रियान्वर्धन के लिए विकास-साधन जुटाने के राष्ट्रीय प्रयास में यथासम्भव अधिक से अधिक कर-दाताओं को शामिल किया जाय।

(2) जनवरी, 1971 के अन्त में आयकर विभाग के रजिस्ट्रों में दर्ज आयकर-दाताओं की कुल संख्या 30.5 लाख है, जिनमें व्यक्तियों और हिन्दू अविभाजित परिवारों की संख्या 26 लाख है। सक्रिय जनसंख्या की तुलना में आयकर-दाताओं का अनुपात बहुत कम अर्थात् 1.3 प्रतिशत है; कृषि-भिन्न कार्यों में लगी जनसंख्या के संदर्भ में भी यह अनुपात केवल 4.3 प्रतिशत है। यदि छूट-सीमा में वृद्धि कर दी जायगी तो यह अनुपात और भी कम हो जायगा।

सरकार की राय है कि आयकर का आधार काफी व्यापक होना चाहिए, जिसके अन्तर्गत अन्ततोगत्वा जनसंख्या का अपेक्षाकृत बहुत बड़ा भाग आयकरदाता हो।

(3) आय के निम्न स्तरों पर देय कर की राशि पहले ही बहुत थोड़ी है। कर-योग्य आय का हिसाब कुछ प्रकार की आमदनियों को बिलकुल शामिल न करने के बाद और दीर्घावधिक बचतों के सम्बन्ध में और बेतनभोगी कर्मचारियों के मामले में, उनके द्वारा रोजगार के प्रयोजन के लिए किये जाने वाले यात्राव्यय के सम्बन्ध में भी, कटौतियां करने के बाद लगाया जाता है। शेयरों, प्रतिभूतियों, बैंकों में जमा रकमों आदि में किये गये निवेगों से होने वाली आय के सम्बन्ध में 3,000 रुपये तक की आय को कर-योग्य आय में शामिल नहीं किया जाता। जीवन बीमा, भविष्य निधि, आदि की मार्फत की जाने वाली दीर्घावधिक बचतों के सम्बन्ध में, इस प्रकार की बचतों की पहली 1000 रु० की सारी रकम को, कर-योग्य आय में से, कटौती कर दी जाती है। किसी बेतनभोगी करदाता द्वारा रोजगार के प्रयोजन के लिए किये जाने वाले यात्रा-व्यय के सम्बन्ध में, न्यूनतम कटौती की राशि 600 रुपया वार्षिक है। इन सभी उपायों का परिणाम यह होता है कि किसी ऐसे बेतनभोगी करदाता के मामले में, जिसकी सकल बेतन-आय 6,000 रुपया वार्षिक हो, कोई कर देय नहीं होता, बशर्त कि वह जीवन-बीमा, भविष्य निधि, आदि के रूप में 400 रुपये भी बचत करता हो।

श्री आर० पी० गोयंका के अधीन
कम्पनियाँ

4636. श्री श्रीराम लाल बेरवा :
क्या कम्पनी कार्य मंत्री यह बताने की कृपा
करें कि :

(क) आर० पी० गोयंका ग्रुप की
प्रत्येक कम्पनी की प्रदत्त पूंजी, पूंजीगत मूल्य
तथा वार्षिक क्रय तथा विक्रय कितना है;
और

(ख) इस समय प्रत्येक कम्पनी द्वारा
विभिन्न ऋणों से प्राप्त कुल राशि और प्रत्येक
कम्पनी की और आय कर और अन्य केन्द्रीय
करों की कितनी राशि बकाया है ?

कम्पनी कार्य मंत्री (श्री रघुनाथ रेड्डी)
(क) और (ख). सम्भवतः प्रश्न, 1964 में
एकाधिकार जांच आयोग द्वारा संरचित और
1969 की औद्योगिक लाइसेंस नीति जांच
समिति द्वारा मान्यता प्राप्त गोयंका ग्रह
से संबंधित है। कम्पनी कार्य विभाग के पास
उपलब्ध सूचनानुसार 1969-70 वर्ष के मध्य
गोयंका, ग्रह की प्रत्येक कम्पनी की प्रदत्त
पूंजी, परिसंपत्तियों का मूल्य, वार्षिक क्रय
तथा विक्रय तथा पटल पर रखे गये विवरणपत्र
में दिये जाते हैं। 1969-70 में प्रत्येक
कम्पनी पर बकाया प्रतिभूत और प्रतिभूत रहित
ऋण की राशि भी इस विवरण-पत्र में प्रदर्शित
की जाती है। [प्रकाशय में रखा गया।
रेजिए संख्या एलटी-4048/72]

इन कम्पनियों पर बकाया आयकर और
केन्द्रीय करों इत्यादि की राशि के सम्बन्ध में
सूचना संवहित की जा रही है और सदन के
पटल पर प्रस्तुत कर दी जायेगी।

Employees belonging to S.C. and S.T.
on L.I.C. strength in Maharashtra
Circle

4637. SHRI A. S. KASTURE: Will
the Minister of FINANCE be pleased
to state:

(a) the staff strength in Life Insurance Corporation of India as on 1st January, 1972 in Maharashtra Circle and the number of employees belonging to Scheduled Castes/Tribes;

(b) whether the reservation quota for Scheduled Castes and Tribes has been maintained;

(c) if not, the reasons therefore; and

(d) what specific steps Government propose to take to fulfil the shortfall?

THE DEPUTY MINISTER IN THE
MINISTRY OF FINANCE (SHRIMATI
SUSHILA ROHATGI): (a) On 1st
April, 1972 the staff strength of the
LIC in Maharashtra Circle was 11279.
Of these 364 belong to Scheduled
Castes and 25 to Scheduled Tribes. The
LIC maintains statistics on the basis
of the financial year and the required
information as on 1st January, 1972
is not available.

(b) to (d). The LIC has not been
able to appoint persons belonging to
Scheduled Castes and Scheduled Tribes
in all the reserved vacancies, owing
to paucity of suitable candidates from
these communities. The unfilled re-
served vacancies are, however, carried
forward for three years. For persons
belonging to Scheduled Castes/Tribes,
the LIC has also relaxed the condi-
tions relating to age, qualifications and
marks for written and oral tests, and
charges concessional application fees.

Recruitment of candidates in Nationalised Banks of Maharashtra

4638. SHRI A. S. KASTURE: Will the Minister of FINANCE be pleased to state:

(a) the number of times the nationalised banks in Maharashtra have made recruitment of new candidates upto 1st January, 1972 and the number of candidates who have been selected during the period;

(b) the number of Scheduled Caste and Scheduled Tribe candidates selected during this period;

(c) whether the reserved quota for Scheduled Castes/Tribes has been maintained; if not, the reasons therefor; and

(d) what specific steps Government propose to take to fulfill the shortfall?

THE MINISTER OF FINANCE (SHRI YESHWANTRAO CHAVAN):

(a) to (c). Information is being collected and will be laid on the Table of the House.

(d) With a view to improving the representation of Scheduled Castes and Scheduled Tribes in the services of the banks, the Banks have been advised to take the following steps:—

(i) To prescribe lower standards of qualifications and qualifying standards for the members of these communities.

(ii) To restrict the temporary appointments of subordinate staff to candidates belonging to Scheduled Castes and Scheduled Tribes.

(iii) To give wide publicity to vacancies according to the instructions of the Government.

(iv) To indicate clearly in the advertisements for recruitment the

percentages laid down for Scheduled Caste/Scheduled Tribe candidates and endorse a copy to the Department of Banking.

(v) To place a Report, after every major recruitment, before the Board of Directors giving the number of Scheduled Caste/Scheduled Tribe candidates recruited by the bank and the shortfall in percentage, if any, and reasons why the full quota has not been filled.

बिहार द्वारा लिया गया ओवर क्वाण्ट

4639. श्री शंकर दयाल सिंह :

श्री भारत सिंह चौहान :

क्या वित्त मंत्री यह बताने की कृपा करेंगे कि :

(क) अब तक बिहार ने रिजर्व बैंक आफ इण्डिया से कितनी राशि का ओवर-क्वाण्ट लिया है ;

(ख) क्या केन्द्रीय सरकार ने बिहार सरकार को इस सम्बन्ध में कोई चेतावनी दी है ; और

(ग) यदि हां, तो ओवरक्वाण्ट के मामले में बिहार सरकार की स्थिति अन्य राज्यों की तुलना में क्या है ?

वित्त मंत्रालय में राज्य मंत्री (श्री के. आर. गजेश) : (क) 1 मई, 1972 से लेकर बिहार सरकार ने भारतीय रिजर्व बैंक से कोई ओवरक्वाण्ट नहीं लिया है ।

(ख) और (ग) : यह प्रश्न उपरिक्त नहीं होता ।

Policy evolved on wages, income and Wealth

4640. SHRI CHINTAMANI PANI-GRAHI: Will the Minister of FINANCE be pleased to state:

(a) whether Government have recently evolved an integrated policy on wages, income and wealth; and

(b) if so, the broad outlines thereof?

THE MINISTER OF FINANCE (SHRI YESHWANTRAO CHAVAN):

(a) and (b). The question of evolving an integrated policy regarding wages, income and wealth is under examination in the context of the overall strategy of the Fifth Five-Year Plan.

Scheme to curb Income of Highly paid persons in Private Sector

4641. SHRI CHINTAMANI PANI-GRAHI: Will the Minister of FINANCE be pleased to state:

(a) whether Government have drawn up any scheme to curb the incomes of the higher paid people in the private sector; and

(b) if so, the salient features of the scheme?

THE MINISTER OF FINANCE (SHRI YESHWANTRAO CHAVAN):

(a) and (b). The Income-tax Act, 1961 contains provisions to the effect that expenditure incurred by a taxpayer on account of payment of salary to an employee or a former employee or in providing any perquisite etc., to any such employee shall not be allowed as a deductible expenditure to the extent such salary exceeds Rs. 5,000 per month and such perquisites exceed Rs. 1,000 per month. The Department of Company Affairs also regulates the amounts of remuneration payable by companies to their managerial personnel. There is, however, no separate scheme drawn up specifically for curbing the incomes of the higher paid people in the private sector.

Target for collection under the National Savings Scheme

4642. SHRI CHINTAMANI PANI-GRAHI: Will the Minister of FINANCE be pleased to state:

(a) the target fixed for collections under the National Savings Scheme during the current financial year;

(b) how much savings have been collected so far in the current financial year; and

(c) how does it compare with the savings collected during the last financial year in the corresponding period?

THE DEPUTY MINISTER IN THE MINISTRY OF FINANCE (SHRI-MATI SUSHILA ROHATGI): (a) The target fixed for net collections under the National Savings Scheme for the current financial year is Rs. 230 crores.

(b) and (c). The net small savings collections during the period April to September, 1972 amount to Rs. 98.69 crores (approximately) as compared to Rs. 50.47 crores during the corresponding period of the last year.

Ban on Import of Raw Jute

4643. SHRI D. B. CHANDRA GOWDA: Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether there is any proposal under the consideration of Government not to allow import of raw jute from any country for any jute mills; and

(b) if so, the broad outlines, thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) No, Sir. Imports are being arranged through the public sector agencies.

(b) Does not arise.

Adverse balance of Trade with some countries

4644. SHRI D. B. CHANDRA GOWDA: Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether there was adverse balance of trade with some countries during the years 1970-71, 1971-72; and

(b) if so, the magnitude of the adverse balance of trade, the names of the countries and the main reasons therefor?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) and (b). A statement is laid on the Table of the House. [Placed in Library. See No. LT-4049/72].

Import of Metal Finishing Compound on Barter basis

4645. SHRI B. S. MURTHY: Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether any proposal was received by his Ministry for the import of huge quantities of metal finishing compound on barter basis; and

(b) if so, the salient features thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE): (a) No, Sir.

(b) Does not arise.

राज्यों द्वारा केन्द्रीय ऋणों का व्याज देना

4646. श्री मूलचन्द शर्मा: क्या वित्त मंत्री यह बताने की कृपा करेंगे कि :

(क) प्रत्येक राज्य केन्द्रीय सरकार को व्याज के रूप में कितनी धनराशि देता है और किन-किन राज्यों द्वारा व्याज की कितनी-कितनी राशि देय है ;

क्या कई राज्य व्याज की रकम देते हैं अथवा नहीं है और फिर भी केन्द्रीय सरकार नहीं ऋण देती है और

(ग) यदि हाँ तो किन-किन राज्यों की ओर कितनी-कितनी व्याज की राशि बकाया है ।

वित्त मंत्री (श्री यशवन्तराव चव्हाण) :

(क) से (ग). वित्तीय लेखे और लेखापरीक्षा रिपोर्ट, 1970-71 के अनुसार, उस वर्ष प्रत्येक राज्य सरकार द्वारा भुगतान की गई व्याज की राशि तथा व्याज की वह राशि (वर्ष के अन्त में बकाया) नीचे दी गई है जिसकी भुगतानी करने में चूक हुई है:—

(करोड़ रुपयों में)

राज्य	1970-71 में भुगतान की गई व्याज की राशि	31 मार्च, 1971 को बकाया व्याज की राशि
(1)	(2)	(3)
1. आन्ध्र प्रदेश	26.22	
2. असम	9.75	..
3. बिहार	28.16	..

21. पश्चिम बंगाल	27.35	28.45

(*सूचना तत्काल उपलब्ध नहीं है)

उपर्युक्त आंकड़े अनन्तिम हैं। चूंकि प्रमाणित आंकड़े अभी उपलब्ध नहीं हैं इसलिये यह नहीं बताया गया है कि राज्यों ने ब्याज की कितनी राशि की अदायगी करने में चुक की।

सम्भव है कि कुछ राज्यों को अर्धोपाय सम्बन्धी अस्थाई कठिनाइयां हों। किन्तु चूंकि प्रत्येक राज्य के आगामी वर्ष के अनुमानों के अन्तिम रूप देने से पूर्व उसके अनुमानित साधनों और आयोजना तथा आयोजना-मित्र व्यय (जिस में ब्याज की देनदारी शामिल है) के बारे में योजना आयोग और वित्त

मंत्रालय के साथ बातचीत होती है और आवश्यकता होने पर आयोजना भिन्न कमी को पूरा करने के लिये कठिनाई महसूस करने वाले राज्यों के लिये विशेष रूप से व्यवस्था की जाती है, इसलिये राज्यों को व्याज की अदायगी करने में कोई कठिनाई नहीं होनी चाहिये। राज्यों को या तो विशिष्ट परियोजनाओं, योजनाओं और आयोजनागत योजनाओं के लिये या मान्य नियमों एवं सिद्धान्तों के अनुसार अल्प बचतों की संगृहीत राशियों के अनुपात में ऋण दिये जाते हैं। आवश्यकता होने पर व्याज की बकाया रकमों की वसूली को और / अथवा ऋण परिशोधन की राशि को राज्यों के लिये मंजूर किये गये नये ऋणों में समायोजित कर दिया जाता है।

भारत में विभिन्न स्थानों पर हस्तशिल्प वस्तुओं की प्रदर्शनियों का आयोजन

4647. श्री मूलबन्ध डागा : क्या विदेश व्यापार मंत्री यह बताने की कृपा करेंगे कि :

(क) सन् 1971 में भारत में किन-किन स्थानों पर हस्तशिल्प वस्तुओं की प्रदर्शनियों का आयोजन किया गया और उन पर कुल कितना व्यय हुआ ;

(ख) क्या सन् 1971 में किसी अन्य देश में हस्तशिल्प प्रदर्शनी का आयोजन किया गया था और क्या भारत ने उसमें भाग लिया था ; और

(ग) यदि हाँ, तो उस देश का नाम क्या है और उसमें भाग लेने पर भारत का कुल कितना व्यय हुआ ?

विदेश व्यापार मंत्रालय में उपर्युक्त (क) एवं (ख) : (क) एक विवरण संलग्न है।

(ख) सरकार ने 1971 के दौरान किसी भी अन्य देश में किसी भी हस्तशिल्प प्रदर्शनी का न तो आयोजन किया है न किसी में भाग लिया है।

(ग) प्रश्न नहीं उठता।

विवरण

1971 के दौरान भारत में जिन स्थानों पर हस्तशिल्प प्रदर्शनियाँ आयोजित की गई थीं उनके नाम और उन पर हुये व्यय की कुल राशि नीचे दी गई है :—

क्रमांक प्रदर्शनी का नाम और स्थान	उस पर हुये व्यय की राशि
1. हैण्डीक्राफ्ट्स बाजार, नई दिल्ली	रुपये 22,776.31
2. इंडियन रेल एग्जीबीशन (भारत में 30 से 40 स्टेशनों पर गई)	1,44,861.25 1,27,763.18
3. एग्जीबीशन आफ ईस्टर्न रीजन्स क्राफ्ट्स, बम्बई	9,920.42
4. एग्जीबीशन आफ यू० पी० क्राफ्ट्स, नई दिल्ली	18,709.10
5. एग्जीबीशन आफ आंध्र प्रदेश साड़ी नई दिल्ली	1,883.82

वित्त मंत्रालय के अर्थ प्रभाग पर किया गया
व्यय

4648. श्री मूलचन्द डागा : क्या वित्त मंत्री यह बताने की कृपा करेंगे कि उनके मंत्रालय के अर्थ प्रभाग पर प्रति वर्ष कुल कितना व्यय होता है और उसके कृत्यों का व्यौरा क्या है ?

वित्त मंत्री (श्री यशवन्तराव चव्हाण) :
आर्थिक कार्य विभाग के अर्थ प्रभाग पर प्रतिष्ठान और अन्य व्यय तथा यात्रा व्यय के रूप में प्रतिवर्ष 8,70,000 रुपये खर्च होता है ।

अर्थ प्रभाग, आर्थिक कार्य विभाग की एक परामर्शदात्री प्रशाखा है और उसका मुख्य काम, आर्थिक नीति सम्बन्धी प्रश्नों के बारे में मंत्रालय को परामर्श देने के उद्देश्य से अर्थ-व्यवस्था की प्रवृत्तियों का विश्लेषण करना और तकनीकी आर्थिक अध्ययन करना है । यह प्रभाग केन्द्रीय सरकार के बजट का आर्थिक

और कार्य सम्बन्धी वर्गीकरण भी तैयार करता है जिसे प्रति वर्ष संसद के सम्मुख पेश किया जाता है । यह प्रभाग सरकार की समूची मूल्य नीति के लिए जिम्मेदार है । यह प्रभाग संयुक्त राष्ट्र महासभा, आर्थिक और सामाजिक परिषद्, अन्तर्राष्ट्रीय मुद्रा निधि, अन्तर्राष्ट्रीय पुनर्निर्माण और विकास बैंक, भारत सहायता संघ, और विभिन्न अन्तर्राष्ट्रीय सम्मेलनों में भाग लेने वाले भारतीय शिष्टमंडलों के लिये आर्थिक मामलों के सम्बन्ध में सूचना-सामग्री सम्बन्धी विवरण भी तैयार करता है ।

इण्डियन एयरलाइन्स और एयर इण्डिया के विमानों की हुई दुर्घटनाओं के कारणों का पता लगाने के लिये जांच

4649. श्री मूलचन्द डागा : क्या पयटन और नागर विमानन मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या इण्डियन एयरलाइन्स और एयर इण्डिया के विमानों की पिछले वर्षों के दौरान हुई सभी दुर्घटनाओं के कारणों का पता लगाने के लिये सरकार ने जांच की

(ख) यदि हाँ, तो विमान दुर्घटनाओं के मुख्य कारण क्या थे; और]]

(ग) सरकार ने इस दिशा में क्या कदम उठाये हैं ?

पर्यटन और नागर विमानन मंत्री
(श्री कर्ण सिंह) : (क) जी
हां। ७ दुर्घटनाओं में से सात
दुर्घटनाओं की जांच कर ली है। दो
दुर्घटनाओं की अन्तिम रिपोर्ट अभी
प्रतीक्षित है।

(ख) जिन सात दुर्घटनाओं का जांच
कार्य पूरा किया जा चुका है, उसमें से छः
विमानचालक की चूक के कारण और एक
यांत्रिक विफलता के कारण घटित हुई थीं।

(ग) दोषी विमान चालकों को सतर्क
रहने की चेतावनी दी गई और उन अन्य
चालकों को, जिनमें कोई कमी पायी गई,
उतने समय तक के लिये प्रधान विमान चालन
कार्य से हटा लिया गया जब तक उन्होंने
उपचारी प्रशिक्षण और परीक्षणों के उपरान्त
अपेक्षित कुशलता प्राप्त नहीं कर ली। संबंधित
इंजीनियरों की भर्त्सना की गयी, तथा निरी-
क्षण क्रियावधि में संशोधन किया गया।
विमान कम्पनियों को प्रशिक्षण की ओर
अधिक महत्व देने के निदेश दिये गये।

CALLING ATTENTION TO MATTER OF URGENT PUBLIC IMPORTANCE

REPORTED LACK OF CENTRAL ASSISTANCE
TO RAJASTHAN FOR FINANCE/RELIEF

श्री नर चन्द्र डाला (पाली) : अध्यक्ष
महोदय, मैं अखिलम्बनीय लोक महत्व के
निम्नलिखित विषय की ओर कृषि मंत्री
का ध्यान दिलाता हूँ और प्रार्थना करता
हूँ कि इस बारे में एक वस्तुस्थिति दें :--

“राजस्थान के 12,500 गांवों में
व्याप्त अकाल की स्थिति पर काबू पाने
के लिये राजस्थान को केन्द्रीय सहायता
की कथित कमी।”

THE MINISTER OF STATE IN THE
MINISTRY OF AGRICULTURE
(SHRI A. P. SHINDE) : As the House
is aware, Rajasthan is one of the States
which have been affected by scarcity

conditions due to drought during the
current year because of the deficiency
of the South-west monsoon. According
to the information received from the
State Government, 24 districts out of
266 districts in the State involving
about 19,000 villages have been affect-
ed. I would, however, like to inform
the Hon'ble Members that necessary
Central assistance for the purpose has
been provided and would continue to
be provided in accordance with the
prescribed procedure.

Earlier this year, in April, the State
Government requested us to depute a
Team to recommend ceilings of ex-
penditure for undertaking relief opera-
tions in parts of the State, where
scarcity conditions had been prevail-
ing as a result of partial failure of the
last Rabi crop. A Central Team visited
the State in May, 1972, and on its re-
commendations a ceiling of Rs. 2.18
crores was fixed for the months of
June and July, 1972.

The failure of the South-western
monsoon aggravated the situation and
affected a much larger area of the
State. As soon as we were informed
of the situation, immediately an ad-hoc
assistance of Rs. 1 crore was given
to the State for continuing the relief
works and it was decided to depute
another Central Team to make an on-
the-spot assessment of the situation.

Meanwhile due to damage caused
by floods in certain parts of the State,
a request was received from the State
Government for deputing a Team for
assessment of the damage caused by
floods. Accordingly, a Central Team
visited the State in September, 1972
and on its recommendations, a ceiling
of expenditure of Rs. 4.38 crores for
taking various measures for flood re-
lief in some of the Eastern districts
of the State was adopted.

The second Central Team visited the
State towards the end of November,
1972, and its report is expected within
the next few days.

As the Hon'ble Members are aware, Central assistance is provided on the basis of the progress of expenditure within the ceilings adopted for the purpose. Rs. 2 crores have till now been released to the State Government towards relief expenditure. The expenditure till the end of September, 1972, as recently reported by the State Government, is well within the amount already sanctioned.

Under the Emergency Production Programme, my Ministry has given administrative approval for Rs. 3.4 crores for minor irrigation schemes, of which Rs. 75 lakhs have been released. In addition, we have given Rs. 1.28 crores as short-term loans on agricultural inputs.

The State Government has continued undertaking necessary relief measures which include opening of relief works, arrangements for drinking water supply, supply of fodder and opening of cattle camps, distribution of gratuitous relief and strengthening of the public distribution system of foodgrains. All the reasonable requirements of the State Government for foodgrains have been fully met by my Ministry.

Hon'ble Members will, therefore, kindly appreciate that there has been no lack of central assistance to the State Government, and also that all necessary steps to deal with the situation have been undertaken by the State Government. We are constantly watching the situation and keeping ourselves in close touch with the State Government and will take all measures as may become necessary from time to time to deal with the situation.

श्री भूषण शर्मा : अध्यक्ष महोदय, राजस्थान में 33,000 गांवों में से 19,028 गांव भूख से पीड़ित हैं और 1.50 लाख आदमी भूख से प्रभावित हैं। राज्य के 28 जिलों में भयंकर दुष्काल की स्थिति

है। लेकिन मैं आप का ध्यान इस बात की ओर दिखाना चाहता हूँ कि जहाँ महाराष्ट्र को दस करोड़ रुपया दिया गया है, वहाँ राजस्थान को केवल दो करोड़ रुपया दिया गया है। इसी तरह जहाँ महाराष्ट्र में 20 लाख लोगों को काम दिया गया है, वहाँ राजस्थान में केवल 40 हजार लोगों को काम दिया गया है। जहाँ तक इरिगेशन का सम्बन्ध है, महाराष्ट्र को 5.93 करोड़ रुपया दिया गया और राजस्थान को केवल 75 लाख रुपया दिया गया है।

राजस्थान की हालत बहुत चिन्ताजनक और दयनीय है। सारे राजस्थान में भूख के बादल छाये हुए हैं। मैं इस सम्बन्ध में कई भूखबारों की कटिगज आप के सामने रखना चाहता हूँ। शायद देश के बड़े बड़े समाचारपत्र राजस्थान की स्थिति से परिचित न हों, लेकिन राजस्थान के समाचारपत्रों में इस आशय के समाचार छपे रहे हैं कि वहाँ गांव-गांव में भूखमरी है, लोग अपने परिवारों को छोड़ कर जा रहे हैं, बच्चे अपने माता-पिता से अलग हो गये हैं, आदि। "बदलता राजस्थान" में कहा गया है : "गऊ और पशुओं का मांस खाने पर मजबूर यह आदिवासी इलाका। लूट और चोरियों की वारदातें"।

हमारे मुख्य मंत्री भले ही यह कहें कि हम एक आदमी को भी भूख से नहीं मरने देंगे। लेकिन तड़प तड़प कर जीना तो जिन्दगी नहीं है और राहत देना तो इज्जत की जिन्दगी बखाना नहीं है। राजस्थान की समस्या हिन्दुस्तान की समस्या है। वहाँ डेढ़ करोड़ आदमी भूख के कगार पर खड़े हैं। महाराष्ट्र में 23,000 सस्ते अनाज की दुकानें खोली गई हैं जब कि हमारे यहाँ जो अनाज जमा था वह भी ले गये हैं।

[श्री मूल चन्द्र डगगा]

राजस्थान कर्ज में डूबा हुआ है । उस पर 732 करोड़ रुपये का कर्ज है । उस की आर्थिक हालत लड़खड़ा रही है । महाराष्ट्र में बहुत उद्योग धंधे हैं, लेकिन राजस्थान में कोई उद्योग नहीं है । हमारे यहां 7700 कुएं सूख गये हैं । इस के लिए हम को बिजली की आवश्यकता है । हम ने कई बार कहा है कि राजस्थान नहर को एक राष्ट्रीय योजना बना कर जल्दी से पूरा किया जाये । बिजली से गहरे कुओं से पानी प्राप्त किया जा सकता है ।

हमारे यहां 1.80 लाख जानवर बिना घास और चारे के हैं । 16 लाख कैटल को बाहर ले जाना है । हमें 82 लाख क्विंटल घास चारा चाहिए । हमारे यहां अनाज की स्थिति बहुत चिन्ताजनक है । अगर आने वाले समय में हमें अनाज न दिया गया तो वहां भयंकर परिस्थिति पैदा हो जायेगी । राजस्थान में खरीफ की फसल खराब हो गई है । खरीफ की फसल से 25, 26 लाख टन अनाज पैदा होता है लेकिन इस साल दस लाख टन भी नहीं होगा । राजस्थान की ओर से 50 लाख टन की मांग की गई थी लेकिन केवल 10 लाख टन दिया गया है । आने वाले समय में कहीं राजस्थान में वही हालत न हो जाय जो अंग्रेजों के जमाने में कलकत्ते में हुई थी । लोग वहां भूखों तड़प रहे हैं काम नहीं है । मैंने एक बात यह भी कही है कि वहां 1 रु० 50 पैसे मिलता है इस में किस प्रकार मजदूर अपना गुजारा कर सकता है । मैंने कई बार कहा है कि इस भयंकर अकाल की स्थिति में वहां धान मईगा हो गया है हम आप से धैर्य नहीं चाहते हैं धान चाहते हैं । अपना धान चाहते हैं काम चाहते हैं । हम ने आप से 50 हजार टन महीने की मांग की है लेकिन आपने 10 हजार टन दिया है शीम महीने में केवल 50 हजार टन मिला है । अगर वहां वर्षा नहीं हुई है तो आप पानी की व्यवस्था कर सकते हैं थोड़ा

थोड़ा पानी देने से काम नहीं चलेगा । इस लिये राजस्थान की सरकार की स्थिति की तरफ आप का ध्यान दिलाया है ।

अन्नासाहेब नहीरेव : आप ने इन से प्रश्न क्या पूछा है ?

श्री मूल चन्द्र डगगा : मैंने राजस्थान कनाल के लिये पूछा है—उस काम को बढ़ायेगा या नहीं ? अनाज की मांग की है काम की मांग की है—2 करोड़ रुपया दिया है उस से काम नहीं चलेगा, हम ने 83 करोड़ रुपये की मांग की है ?

SHRI ANNASAHEB P. SHINDE: I quite appreciate what the hon. Member says; he is anxious whether adequate relief is being provided to the unfortunate people of Rajasthan where drought in some districts is in a very severe form. The Government of India is well aware of it. I would only like to dispel the impression of the hon. Member that both the Rajasthan Government and the Government of India are doing their level best to provide the necessary relief. During the last 6-7 months three central teams were deputed. I do not know what are the difficulties but even the amounts which are recommended by central teams by way of relief—7 to 8 crores—is not spent; the expenditure was reported to be only 91 lakhs. If the State Government wants to take up still further additional programmes for relief, I think the Central Government will be in a position to give necessary support to Rajasthan Government. Drought relief is a state subject and the State Government has to take necessary steps and Centre comes in by way of assistance. There is a well established procedure; the Central teams can make objective studies. The last team went only in the last week of November and it will finalise its report soon. On the basis of that report the Government of India would be taking action and give massive support to Rajasthan. The figure the hon. Mem-

ber quoted about the supply of foodgrains is not correct. This month's allotment is 25,000 tonnes. The Rajasthan Chief Minister himself spoke to me and we allotted some maize; I do not know their difficulties but the Rajasthan Chief Minister said that maize would not be acceptable to them. It is a cheaper grain and if there is distress maize should be acceptable to them. (Interruptions) It is not only maize, we have allotted wheat also.

AN HON. MEMBER: Only 10,000 tonnes.

SHRI ANNASAHEB P. SHINDE: In the face of genuine requirement of foodgrains, any grain which is consumed there should be readily accepted. But the Rajasthan Food Minister is here and we shall discuss with him genuine difficulties. May I assure the hon. Member that all reasonable requirements of Rajasthan will be met.

About cattle in Rajasthan, drought is frequent in western districts and migration of cattle takes place even normally. This year it is having an accentuated form. The State Government established 270 camps for organising migration of cattle and all help by way of fodder, etc. is given. (Interruptions) I have already said that about 7 or 8 crores was recommended and that amount has not been spent. We are awaiting statements from the Rajasthan Government and after they had utilised that money more assistance will be forthcoming from the Central Government. I can only say now that the central team's report would be finalised within 3-4 days and we shall take action.

As regards Rajasthan canal, already Rs. 11 crores had been provided and this year the Government of India proposes to step up further allotments in the coming months for the Rajasthan Canal. Unfortunately the Rajasthan Government does find it difficult to take people from other districts to the Rajasthan Canal area. I

learn that the Rajasthan Government is organising to take about 10,000 people to the Rajasthan Canal site. We wish Rajasthan Government is in a position to organise more people so that they are employed there and more production work is carried on.

SHRI SHIVNATH SINGH (Jhunjhunu): How much have they demanded and how much have you given?

SHRI ANNASAHEB P. SINDE: The demand was for 35,000 tonnes and we have given 25,000 tonnes.

श्री नवल किशोर शर्मा (बीसा) : अध्यक्ष जी, अभी राजस्थान में अकाल की भयंकरता के बारे में मेरे साथी श्री डागा ने थोड़ी सी जानकारी दी है । मैं इतना ही निवेदन करना चाहूंगा कि राजस्थान की हालत इस वक्त ऐसी है जैसी एक भेड़िये और एक गडरिये की थी, जो रोज़ कहता था कि भेड़िया आया, भेड़िया आया, लेकिन उस वक्त इतनी भयंकरता नहीं थी, लेकिन जब बाकई भेड़िया आ गया तो कोई बचाने नहीं आया । आज राजस्थान के अन्दर भी ऐसी ही भयंकरता फैली हुई है ।

मैं निवेदन कर रहा था कि आज राजस्थान के अन्दर अकाल की स्थिति बड़ी भयंकर हो गई है—लेकिन सरकार का पूरा ध्यान उस तरफ नहीं है । राजस्थान में अकाल की भयंकरता इस लिये भी और ज्यादा बढ़ गई है कि राजस्थान सरकार की अर्थिक स्थिति बहुत नाजुक है । राजस्थान सरकार को 45 करोड़ रुपये साल का ब्याज देना पड़ता है, जिस का परिणाम शायद यह है—जैसा माननीय शिण्डे साहब कह रहे थे कि 7-8 करोड़ रुपये के रिलीफ की सहायता मंजूर की गई है, लेकिन राजस्थान सरकार केवल 91 लाख रुपये बर्च कर सकी

[श्री नवल किशोर शर्मा]

मैं उन से पूछता चाहता हूँ कि क्या इस रकम के खर्च न होने का कारण यह है कि राजस्थान सरकार जो मजदूरी देती है वह 1 रुपया, सवा रुपया या डेढ़ रुपया है, और इतनी कम मजदूरी पर लोग काम पर आने के लिये तैयार नहीं हैं क्योंकि इतनी कम मजदूरी से उन का पेट नहीं भर सकता, उन के खाने के लिये आवश्यक अनाज भी नहीं मिल सकता। राजस्थान सरकार अपने साधनों से इस मजदूरी को बढ़ा नहीं सकती, जब कि महाराष्ट्र सरकार अपने यहां 3 रुपये दे रही है, मध्य प्रदेश सरकार 2 रुपये दे रही है। स्टेट्स के लिए इक्विटेबिल मैचिंग ग्रांट न होने के कारण राजस्थान सरकार इस रुपये का उपयोग करने में कठिनाई महसूस कर रही है। यदि वह बात सच है तो क्या शिष्टे साहब यह आश्वासन देंगे कि राजस्थान में जो जमीन पर काम करने वाले मजदूर हैं उन का वाजिब हक मिलेगा, अर्थात् 2 रुपये, ढाई रुपये और 3 रुपये मजदूरी मिलेगी, जिस से कि वे खाने के लिये गल्ला प्राप्त कर सकें।

दूसरा निवेदन यह है कि राजस्थान की दूसरी भयंकर समस्या पानी की है। राजस्थान में पीने के पानी का अभाव है और यह पीने के पानी का अभाव वर्षा के न होने के कारण बहुत ज्यादा बढ़ जाता है। वहां पर टैंकर्स जो है पानी लें जाते हैं वह इतने काफी नहीं हैं कि आने वाले महीनों में लोगों की पानी पीने की जरूरतों को पूरा कर सकेंगे। इसलिए क्या राजस्थान के लोगों को पीने के पानी की उचित व्यवस्था करने का आश्वासन आप देंगे? साथ ही मैं यह भी जानना चाहूंगा कि राजस्थान में जो दुकानें हैं फेयर प्राइज शाप्स वह कितनी तादाद में खोली गई है और उनकी जरूरत के मुताबिक गल्ला पहुंच रहा है या नहीं?

इसके साथ ही मैं निवेदन करना चाहूंगा कि राजस्थान में एक बड़ी दिक्कत यह है कि जिन इलाकों में फेसिलिटीज का काम हो

रहा है उन इलाकों में मैटीरियल काम्प्लेनेंट्स के लिए आप कोई रकम नहीं देते हैं और राजस्थान सरकार के पास काम्प्लेनेंट्स के लिए पैसा देने के लिए नहीं है इसलिए क्या आप राजस्थान सरकार के सुझाव पर विचार करेंगे डाउट इरेडिकेशन प्रोग्राम के अन्तर्गत जो रुपया है उसमें से मैटीरियल काम्प्लेनेंट्स के लिए दिया जाये और फेसिलिटी रिलीफ से लेबर काम्प्लेनेंट्स के लिए रुपया दिया जाये - क्या इन बातों के लिए मंत्री महोदय आश्वासन देंगे?

SHRI ANNASAHEB P. SHINDE: It is true that Rajasthan faces a very difficult problem as far as drinking water is concerned, because nature is very unkind to large parts of western Rajasthan. Rajasthan Government itself has made provision of Rs. 1 crore for providing drinking water. They have plans for deepening 6,000 wells in difficult areas. To certain villages even transport arrangements for drinking water are being made by Rajasthan Government. The central team to which I made reference earlier would again make some recommendations bearing in mind the observations of the hon. member.

The number of fair price shops in Rajasthan is more than 7,000. If Rajasthan Government feel there is need to open more fair price shops in certain areas, they will take necessary steps in that direction. It is in their discretion to do it. Regarding wages, the Centre always stands for payment of reasonable wages to the workers. If Rajasthan Government wants to have a little higher wages which are reasonable according to the local conditions, the Government of India will not come in the way. About the ways and means position, the major issues can be taken up by Rajasthan Government with the Finance Commission. About the current ways and means position, the Government of India would be prepared to make even ad hoc advances or ad hoc grants for drought relief. But my information is at the moment the ways and means

position of Rajasthan Government is quite satisfactory. If they want to take up any relief measures, that should not come in the way.

Regarding material component, etc., it is a matter of detail to be looked into by Rajasthan Government.

श्री आसाहेब भाई शर्मा (इंदौर) : श्रीमान, मैं माननीय मंत्री महोदय की मजबूरी आसानी से समझ सकता हूँ इसलिए जो स्टेटमेंट आपने किया है उससे मैं कुछ सहमत हूँ लेकिन राजस्थान की जो स्थिति है वह हमें भयंकर इस प्रकार से दिखाई देती है कि हमारा प्रदेश राजस्थान, गुजरात, महाराष्ट्र आंध्र प्रदेश और उत्तर प्रदेश से घिरा हुआ है। मेरा सम्बन्ध मजदूर कार्यकर्ता के नाते इन प्रदेशों से बहुत ज्यादा रहता है। लेकिन जो कठिनाई राजस्थान को लेकर हमारे सामने आ रही है, रोजाना हजारों आदमी राजस्थान से चलकर हमारे पास आते हैं और हमसे कहते हैं कि हमें काम दिलाओ और जब एम्प्लायर यह कहते हैं हमारे यहां सरप्लस आदमी है तो हम उन्हें काम कहां पर दिलाये। हम रोजाना देख रहे हैं कि हजारों ढोर राजस्थान से बले आ रहे हैं हमारे प्रदेश के अन्दर। मैंने यहां तक अपनी आंखों से देखा कि उज्जैन रोड पर एक गड़रिया अपनी सैकड़ों भेड़ों को लेकर सड़क पर जा रहा था उधर से ट्रक आया और उसकी 50-60 भेड़ें उसके नीचे मर गईं। एक तो बेचारें भूख और प्यास से मरते हैं, देवी प्रकोप से मरते हैं और दूसरे कहीं जाते हैं तो इस प्रकार से मरते हैं। मैं यह निवेदन करना चाहता हूँ कि जो भी सहायता आप दे सकते हैं उसे जल्दी दीजिए और ऐसी सहायता दीजिए जिससे उनका पूरा पड़ सके। पानी की कठिनाई हमारे प्रदेश में भी है। हम चारा भेज रहे हैं। महाराष्ट्र, गुजरात, राजस्थान में भेज रहे हैं। हम अनाज भी भेज रहे हैं। हमारे चीफ मिनिस्टर बड़े सख्त हैं। लेकिन आज पानी की हमारे यहां भी इतनी तकलीफ है कि कुर्मी में पानी नहीं, लोनी तालाबों में पानी

नहीं सिवाय हमारी आंखों के और कहीं पानी नहीं है। हमारा प्रदेश एक ऐसा प्रदेश है, जिस तरह से बकस्यूह में अभिमन्यु घिरा हुआ था वही हालत आज हमारी भी हो गई है। हम महाराष्ट्र, गुजरात, राजस्थान और आंध्र प्रदेश से चारों ओर से घिरे हुए हैं। सारा प्रेशर हमारे प्रदेश पर आ रहा है। तो हमारे प्रदेश में भी बिना अकाल के अकाल जैसी स्थिति पैदा हो सकती है। इसलिए मैं यह नहीं कहता कि किस प्रदेश को कितना दिया, इसमें मेरी कोई भेदभाव की आशंका नहीं है लेकिन इतना जरूर है जो कुछ भी आप दें वह समय पर दें और इतना दें कि कोई भण्डार न भर सके अपना भेट भर सके, ढोर और इनसान अपना पेट भर सकें। इतनी ही मेरी प्रार्थना है।

SHRI ANNASAHEB P. SHINDE: It can be very well appreciated that the main problem in drought affected area is to provide purchasing power by giving employment. Therefore, the central teams who go into these matters mainly make recommendations from this angle of providing employment. As I said earlier, if the Rajasthan Government want to take up a larger employment programme, we will support them. 10 districts of Rajasthan have been taken under the drought-prone areas programme. Though this year we have sanctioned only Rs. 2.22 crores, for the actual scheme the amount sanctioned is Rs. 16 crores. If Rajasthan Government want to expand this programme and want advance allocation in addition to the recommendation of the central team, we shall be in a position to help. Therefore, for providing employment in the Rajasthan canal or under the drought-prone areas programme and for normal relief programmes, Rajasthan Government should be in a position to meet the requirements of the situation.

श्री पद्मा लाल बाबूराव (अंगारवाड़ा) : अध्यक्ष महोदय, हमारे साथी डा. ज. जी ने राजस्थान की स्थिति के संबंध में मंत्रालय का ध्यान आकषित किया और मंत्री महोदय को कुछ उलाहना भी दिया कि जहां महाराष्ट्र में इतनी रमिश मंजूर की गई, इतनी डूकान खोली गयीं वहां राजस्थान में उपला बरती गई लेकिन मैं नहीं कहूंगा कि हमारे सिद्धे साहब महाराष्ट्रियन हैं इसलिए महाराष्ट्र में इतनी डूकान खोली गयीं, मैं यह भी नहीं कहूंगा कि हमारे बिस मंत्री महाराष्ट्रियन हैं इसलिए वहां पर अधिक राशि दी गई क्योंकि यह स्वाभाविक बात है, कहने की कोई जरूरत नहीं है कि जहां पर कोई होता है उसको कुछ जगाव भी होता है। लेकिन मैं एक बात कहना चाहता हूं कि अकाल के संबंध में भी हमारे राजस्थान के लोगों का दुर्भाग्य है। बिहार, महाराष्ट्र आदि जगह अकाल पड़ता है लेकिन राजस्थान की जो अकाल की स्थिति है वह परम्परागत सबियों से, जब से संसार की रचना हुई है तब से ऐसी ही है। राजस्थान के बारे में एक महावरा है। किसी ने पूछा कि अकाल, अकाल चिल्लाते हो तो अकाल कहाँ है? एक सीधे साधे ग्रामीण किसान ने कहा कि मैं बताना चाहता हूं कि अकाल कहाँ है :

पन पूगल बड़ भेड़ ते बाहू बाहुमेर ।

जो यां दूँदयां जो धाणीं डायो जयसलमेर ।

ग्रामी अकाल की जो शुरुआत है, उसके पैर जो है वह बीकानेर जिले के पूगल जिले से है। अकाल का बड़ जो है वह नागौर के बड़तल जिले में और अकाल के बाजू है वह

बाहुमेर में है। और अगर अकाल के स्वायित्व को देखना है तो वह जयसलमेर में परमिनेटली रहता है। तो यह कोई नयी बात नहीं है, सबसे स्पष्ट रही है सभी से राजस्थान अकाल का शिकार रहा है। राजस्थान में 68 का अकाल, 69 का अकाल आया और 70-71 की स्थिति ठीक नहीं रही। यह अकाल तो पड़ा यह कैसे तो राजपूतों, ब्राह्मणों और जाटों आदि पर भी पड़ा लेकिन इस अकाल के ज्यादातर शिकार हुए अनुसूचित जाति और अनुसूचित जनजाति के लोग। मैं आप से कहना चाहता हूँ कि आज राजस्थान सरकार की आर्थिक स्थिति अच्छी नहीं है। मैं जानना चाहता हूँ कि आप कितने करोड़ रुपए देना चाहते हैं उस को। क्या जितना रुपया भी देना चाहते हैं जल्दी से जल्दी दें।

जैसा श्री शर्मा ने बतलाया आप मजदूरी के रूप में सड़क आदि बनाने के लिए रुपए देते हैं। लेकिन जब तक आप रा मंदीरियल नहीं देंगे, उस मजदूर का कोई लाभ होने वाला नहीं है। जहां तक राजस्थान सरकार द्वारा धन मांगने की बात आती है, मैं कहना चाहता हूँ कि अकाल कार्यों के लिए जो दरया मंजूर होता है उस में आधाचार बहुत हुआ है। कुछ साधन-सम्पत्त लोग और सरकार के करप्ट लोग उस में भागीदार होते हैं। जिन कार्यों के लिए 100 करोड़ रुपए मंजूर होते हैं उन में 60 करोड़ रुपया भी नहीं लगाया जाता है। कई करोड़ रुपयों का करप्ट हो जाता है। इस पर भी निरीक्षण लगाना आवश्यक

है। मैं राज्य की सरकार को चाहता हूँ कि अधिकतर जिले के भी जोखिम को भी ध्यान में रखते हुए सरकार ने अफसरों और इंजीनियरों के लिए कर मर प्रकाश में मजदूरों के राहत के कामों के रूप में मैं 53 हजार रुपये की मात्रा प्रत्यक्ष मुख्य मंत्री के गले में डाली थी जब कि वहाँ लोग भूखों मर रहे थे। क्या सरकार इस की जांच करायेगी? पहले आप इस तरह की अनियमितताओं के ऊपर नियन्त्रण लगायें उस के बाद धन दें। अगर आप इतना कर दें तो शायद पहले जैसा करणन आगे भविष्य में नहीं होगा।

अभी मंत्री महोदय ने एक प्रश्न के जवाब में बतलाया कि हम धन दे सकते हैं काम खोल सकते हैं, लेकिन पानी कहां, से दें, घास कहां से दें। मैं निवेदन करना चाहता हूँ कि मैं 21 वर्षों से पार्लियामेंट का मेम्बर हूँ। पिछले पन्द्रह सालों से हम लोग चिल्लाते आ रहे हैं कि राजस्थान नहर को युद्धस्तर पर निर्मित करायें। लेकिन पता नहीं इस में क्या राज है कि यह नहर पूरी नहीं की जा रही है। इस से पचास लाख एकड़ भूमि की सिंचाई हो सकती है, वहां खेती हो सकती है, अगर इस नहर को जल्दी से जल्दी पूरा किया जायें। इस से वहां का भ्रम का समाप्त होगा, बस होगी, वहां उद्योग चलेंगे सब कुछ होगा, लेकिन पता नहीं कि राजस्थान की क्या भूख और आ रहा है। सरकार वहीं तक में भी कोई सुधार है या नहीं, लेकिन मुझे बताने

है, वहीं तो क्यों इस काम को पूरा नहीं किया जाता। (अवधान)

मैं निवेदन करना चाहता हूँ कि जहां पर पानी भी आ जाता है, काम भी खोले जाते हैं वहां इस बात का ध्यान जरूर रखा जाये कि काम ठीक से होता है या नहीं। मैं आरोप लगाना चाहता हूँ, हालांकि मुझ को कहते हुए दुःख होता है। पता नहीं दूसरे साथियों ने कहा या नहीं, कि अकाल राहत कार्यों के लिए दूकानों को जो भ्रम दिया जाता है उस की दुबारा बिक्री ब्लैक मार्केट में शहरों में होती है। अगर सरकार इस कार्य के लिए अन्न देती है तो उस के उपयोग पर भी उस को नियन्त्रण रखना चाहिए। आखिर इन सब बातों को करता कौन है। राजस्थान सरकार के अधिकारी और वहां के कर्मचारी करते हैं और ओवरसिअर करते हैं। सब की मिली-भगत से काम होता है। जब तक आप हम पर नियन्त्रण नहीं रखेंगे तब तक वहां कार्य ठोक से नहीं चल सकत हैं।

इस समय राजस्थान सरकार की आर्थिक स्थिति नाजुक है, वह कजदार है। इस लिए उस को अधिक से अधिक धन जल्दी से जल्दी दिया जाये और बिना व्याज के दिया जाये, सहायता के रूप में दिया जाये। जब रा मंटीरियल ठीक से नहीं दिया जाता राहत कार्यों के लिए तब होता यह है कि सड़क बनाने के लिए बोड़ी बहुत मिट्टी डाल दी जाती है। बाव में कह दिया जाता है कि मिट्टी ही बोड़ी गई थी लेकिन रात में बोड़ी से धड़क गई। उन बोड़ों के

[श्री प्रसाद लाल बाबुलाल]

पास न तो कंकीठ है न और कोई रा-
मैटीरियल है। इस तरह से उन को
गोलमाल करने का मौका मिल जाता है।
जो प्रकृति है वह भी उन को इस मामले में
सहायता करती है। मैं मंत्री महोदय से
प्रश्न करना चाहता हूँ कि वह धन और
रा मैटीरियल देने के लिए तैयार है या नहीं।

राजस्थान में फँसीन कोड बना हुआ
है। उस के अन्तर्गत लोगों को सवा या
डेढ़ रुपया रोज मजदूरी मिलती है। मैं
कहना चाहता हूँ कि जो केन्द्रीय सरकार का
श्रम कानून है उस के अन्तर्गत श्रमिकों को
मजदूरी मिलनी चाहिए।

जैसा अभी माननीय सदस्य ने बताया
वहाँ पर गड़रिये अपनी भेड़ें ले कर आते
हैं उन की भेड़ मोटर से कट गई। सूरत
गढ़ में एक किसान अपनी भेड़ ले कर आया
तो उस की रेलगाड़ी से 300 से ज्यादा
भेड़ें रात में कट गई। वहाँ पर इतनी
दुर्दशा लोगों की हो रही है। मैं कहना
चाहता हूँ कि जो गरीब होते हैं न तो
उन का कोई धर्म रहता है, न ईमान रहता
है, न संस्कृति रहती है न सम्यता रहती
है और न चरित्र रहता है। जनता
भूख से बरबाद हो जाती है। इस लिए
आप को उन लोगों के लिए स्थायी हल
दुलना चाहिए। जब तक आप स्थायी
हल नहीं दूँगे तब तक राजस्थान के लोगों
का कोई भला होने वाला नहीं है।

मैंने सारी बात संजोच में कह दी
हैं कि कहना चाहता हूँ कि कृषि को भी

धन दें उस पर नियंत्रण रखें। इस
मामले में गरीबों का विशेष ध्यान रखा
जाय। आप को सुन कर आश्चर्य होगा
कि बगैर कोई काम हुए हमारे यहाँ पुलने
क्षेत्र में मजदूरी का दो लाख रुपया दे दिया
गया। कांग्रेसी सदस्य होते हुए मैंने तो
बार बार कालिग अटेंशन नोटिस दिया है,
लेकिन पता नहीं क्या राज है कि अकाल-
ग्रस्त क्षेत्र की इतनी दुर्दशा हो रही है।
मैं बहुत दुखी हूँ। मैं एक राष्ट्रीय विचार-
धारा का आदमी हूँ और यह राष्ट्रीय सरकार
है। सारा हिन्दुस्तान एक है, लेकिन हमारे
यहाँ के लोग भूख से परेशान हैं और दुखी

SHRI ANNASAHEB P. SHINDE: As
far as irregularities and alleged mal-
practices are concerned, we have
drawn the attention of the Rajasthan
Government from time to time, and
my information is that the Rajasthan
Government has taken a number of
steps to improve the working of the
relief operations. As far as the
pattern of assistance is concerned, it
is a much wider issue. But the pre-
sent pattern of assistance is, when-
ever there is any natural calamity or
drought, 75 per cent of the total
amount is given by the Centre. Out
of this, 50 per cent is grant and the
balance 25 per cent is loan. The other
25 per cent has to be provided by the
State Government. If the hon. Mem-
ber has any grievance about this
pattern, either the State Government
or the hon. Member can take up this
matter with the Sixth Finance Com-
mission, which is going into these pro-
blems just now.

Coming to the Rajasthan Canal be-
fore coming to the House today I
consulted the Irrigation and Power
Ministry. They told me that they
propose to step up the allotment for

the Rajasthan Canal from Rs. 11 crores to 18 crores next year. So, if the Rajasthan Government spend the funds already made available, I think it should be possible to take up larger relief work.

Lastly, I want to say that we do not discriminate between State and State. The people of all States are our brothers and sisters. Therefore, wherever there is flood or drought, we are duty-bound to give relief, whether it is Maharashtra, Gujarat or Rajasthan. There are Central teams of the Planning Commission which do on the spot study and make recommendations. The Central Government take action on the basis of those recommendations.

MR. SPEAKER: Now, Papers to be laid on the Table. Shri Ganesh.

SOME HON. MEMBERS rose—

MR. SPEAKER: I will permit them to make short submissions, but only after this is over. *(Interruptions)* They are speaking without my permission. So, it will not go on record.

SOME HON. MEMBERS: * * *

MR. SPEAKER: I am not allowing anybody. *(Interruptions)* * * Do you think this is the proper way of addressing the Chair? I am not calling anybody. *(Interruptions)* * *

Papers to be laid on the Table.

12.40 hrs.

PAPERS LAID ON THE TABLE

GIFT-TAX (SECOND AMENDMENT) RULES, WEALTH-TAX, (THIRD AMENDMENT) RULES, INCOME-TAX (FOURTH AMENDMENT) RULES AND NOTIFICATIONS UNDER CUSTOMS ACT.

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI K.

R. GANESH) I beg to lay on the Table—

[Placed in Library. See No. LT-4028/72].

(ii) A copy of Wealth-tax (Third Amendment) Rules, 1972 published in Notification No. S.O. 707(E) in Gazette of India dated the 15th November, 1972 (English version) and S.O. 4040 published in Gazette of India, dated the 9th December, 1972 (Hindi version) under sub-section (4) of section 46 of the Wealth-tax Act, 1957. [Placed in Library. See No. LT-4029/72].

(iii) A copy of the Income-tax (Fourth Amendment) Rules, 1972 published in Notification No. S.O. 708(E) in Gazette of India, dated the 15th November, 1972 (English version) and S.O. 4041 published in Gazette of India, dated the 9th December, 1972 (Hindi version) under section 296 of the Income-tax Act, 1961. [Placed in Library. See No. LT-4030/72].

(2) An explanatory memorandum (Hindi and English versions) about Notification's mentioned above. [Placed in Library. See No. LT-4031/72].

(3) A copy each of Notifications Nos. G.S.R. 468(E) and 469(E) (Hindi and English versions) published in Gazette of India, dated the 28th November, 1972, under section 159 of the Customs Act, 1962, together with an explanatory memorandum. [Placed in Library. See No. LT-4032/72.]

COST ACCOUNTING RECORDS (VANAS- PATI) RULES

**THE DEPUTY MINISTER IN THE
DEPARTMENT OF COMPANY AF-
FAIRS (SHRI BEDABRATA
BARUA)—**

(4) I beg to lay on the Table a copy of the Cost Accounting Records (Vanaspati) Rules, 1972 (Hindi and English versions) published in Notification No. G.S.R. 1529 in Gazette of India dated the 9th December, 1972, under sub-section (3) of section 642 of the Companies Act, 1956. [Placed in Library. See No. LT-4033/72.]

PAPERS UNDER TARIFF COMMISSION ACT AND REVIEW AND REPORT OF M.M.T.C. OF INDIA LTD. FOR 1971-72

**THE DEPUTY MINISTER IN THE
MINISTRY OF FOREIGN TRADE
(SHRI A. C. GEORGE):** I beg to lay on the Table—

(1) A copy each of the following papers under sub-section (2) of section 16 of the Tariff Commission Act, 1951:—

(i) Report (1971) of the Tariff Commission on the Price Structure of Different Varieties of Jute Goods.

(ii) Government Resolution No. 16016/1/71-Tex(D), dated the 12th December, 1972 (Hindi and English versions) notifying Government's decisions on the above Report.

(2) A statement (Hindi and English versions) showing reasons as to why the documents mentioned at (1) above could not be laid on the Table within the period prescribed in sub-section (2) of section 16 of the Tariff Commission Act, 1951.

(3) A statement (Hindi and English versions) explaining the reasons for not laying the Hindi version of the Report mentioned at (1) (i) above simultaneously.

**Not recorded.

[Placed in Library. See No. LT-4034/72.]

(4) A copy each of the following papers (Hindi and English versions) under sub-section (1) of section 619A of the Companies Act, 1956:—

(i) Review by the Government on the working of the Minerals and Metals Trading Corporation of India Limited, New Delhi for the year 1971-72.

(ii) Annual Report of the Minerals and Metals Trading Corporation of India Limited, New Delhi for the year 1971-72 along with the Audited Accounts and the comments of the Comptroller and Auditor General thereon. [Placed in Library. See No. LT-4035/72.]

SOME HON. MEMBERS rose—

MR. SPEAKER: Order, order. I am not calling anybody. (Interruptions) Nothing is going on record because I did not call anybody. (Interruptions) ** There is nothing before the House. All of you please sit down. (Interruptions) ** That is not the way to do. I am not allowing anybody. May I request all of you to sit down? As I said in the very beginning, I will call you later. (Interruptions) ** Why do you defy the Chair?

कुछ को तो एडमिनिस्ट्रेशन करना चाहिए ।
रोज इत पन्द्रह मंत्री इस तरह से खड़े
हो जायेंगे तो आपका खयाल है कि चेयर
उस के लिए रोज तैयार हो जाया करेगी ?
यह बड़ी गलत बात है । इस तरह से
आप रोज करेंगे तो बात नहीं बनेगी ।
मेरे पर इसका असर नहीं पड़ रहा है ।
(Interruptions)

SOME HON. MEMBERS rose—

MR. SPEAKER: All of you please sit down. I am not allowing anybody. We are on item 6 of the Agenda.

Prof. Madhu Dandavate and some other members then left the House.

सदस्य सहीदय : आपको पता था और आप अपने दिल में जानते थे कि एडजर्नमेंट मोशन नहीं जा सकती है (इंटरजेंज) किसी की गाड़ी जा रही है या किसी का प्लेन जा रहा है, तो वह जाए।

12.43 hrs.

MESSAGES FROM RAJYA SABHA

SECRETARY: Sir, I have to report the following messages received from the Secretary of Rajya Sabha:—

(i) 'In accordance with the provisions of rule 127 of the Rules of Procedure and conduct of Business in the Rajya Sabha, I am directed to inform the Lok Sabha that the Rajya Sabha, at its sitting held on the 12th December, 1972, agreed without any amendment to the Coal Mines Labour Welfare Fund (Amendment) Bill, 1972, which was passed by the Lok Sabha at its sitting held on the 5th December, 1972.'

(ii) 'I am directed to inform the Lok Sabha that the Rajya Sabha, at its sitting held on Thursday, the 14th December, 1972, adopted the following motion in regard to the presentation of the Report of the Joint Committee of the Houses on the Homoeopathy Central Council Bill, 1971:—

"That the time appointed for the presentation of the Report of the Joint Committee of the Houses on the Homoeopathy Central Council Bill, 1971, be further extended up to the last day of the Eighty-third Session of the Rajya Sabha."

ASSENT TO BILLS

SECRETARY: Sir, I lay on the Table following two Bills passed by the Houses of Parliament during the

current session and assented to since a report was last made to the House on the 5th December, 1972:—

(1) The Appropriation (No. 5) Bill, 1972.

(2) The Appropriation (No. 6) Bill, 1972.

12.45 hrs.

PUBLIC ACCOUNTS COMMITTEE FIFTY-FOURTH REPORT

SHRI B. S. MURTHY (Amalapuram): I beg to present the Fifty-fourth Report of the Public Accounts Committee regarding action taken by Government on the recommendations contained in their First Report on Audit Report (Civil) 1970—Appropriation Accounts (Civil) 1968-69 relating to the Ministry of External Affairs, Department of Industrial Development and Department of Rehabilitation.

RAILWAY CONVENTION COMMITTEE

FIRST REPORT

SHRI N. K. P. SALVE (Betul): I beg to present the First Report of the Railway Convention Committee, 1971, on 'Accounting Matters'.

12.46 hrs.

BUSINESS OF THE HOUSE

THE MINISTER OF PARLIAMENTARY AFFAIRS AND SHIPPING AND TRANSPORT (SHRI RAJ BAHADUR): With your permission, I rise to announce the....

MR. SPEAKER: You can lay it on the Table of the House.

SHRI RAJ BAHADUR: I beg to lay on the Table of the House the Government business for the week commencing 18th December, 1972.

Statement

With your permission, Sir, I rise to announce that Government Business in this House during the week commencing 18th December, 1972, will consist of:—

(1) Consideration of any item of Government Business carried over from today's Order Paper.

(2) Consideration and passing of:—

The Indian Tariff (Amendment) Bill, 1972.

The National Library Bill, 1972.

The Richardson and Cruddas Limited (Acquisition and Transfer of Undertaking) Bill, 1972.

(3) Consideration of a Resolution regarding Railway Convention.

(4) Further consideration and passing of the All-India Services Regulations (Indemnity) Bill, 1972, as passed by Rajya Sabha.

(5) Consideration of a motion for concurrence for reference of the Indian Penal Code (Amendment) Bill, 1972, to a Joint Committee.

(6) Discussion on the Report of the University Grants Commission for the year 1971-72 on a motion to be moved by the Minister of Education, Social Welfare and Culture.

(7) Consideration and passing of the following Bills, as passed by Rajya Sabha:—

The Apprentices (Amendment) Bill, 1972.

The Cinematograph (Amendment) Bill, 1972.

The Diplomatic and Consular Officers (Oaths and Fees) (Extension to Jammu and Kashmir) Bill, 1972.

The Capital of Punjab (Development and Regulation) (Chandigarh - Amendment) Bill, 1972.

The Seaward Artillery Practice (Amendment) Bill, 1972.

The Authorised Translations (Central Laws) Bill, 1972.

The Code of Criminal Procedure Bill, 1972.

श्री नरसिंह नारायण पांडे (गोरखपुर) :
प्रध्यक्ष महोदय, मैं सरकार का ध्यान इस बात की ओर आकृष्ट करना चाहता हूँ कि बोनस के सवाल पर डाक-तार विभाग, रेलवे विभाग और डिफेंस विभाग के हजारों कर्मचारी बाहर डिमांडेशन करने के लिए भाड़े हुए हैं। कांग्रेस की, आई० एन० टी० यू० सी० की यूनियनें भी इसमें भाग ले रही हैं। वे मांग कर रहे हैं कि उन को बोनस मिलना चाहिए और पे कमीशन की रिपोर्ट तत्काल आनी चाहिए, ताकि उसको लागू किया जा सके। सरकार को बर्कज की इन मांगों पर सहानुभूतिपूर्वक विचार करना चाहिए।

SHRI S. M. BANERJEE (Kanpur):
You are aware, Sir, that more than a lakh of railway employees are demonstrating before the Parliament House—they have not been allowed to come here; they are at the Boat Club—against the glaring injustice done to them by the Government in the matter of payment of bonus. There is no question of railway employees alone; 28 lakhs of Central Government employees, State Government employees and all wage-earners should be paid bonus. I want the Minister to make a statement on this, in case Adjournment Motion is not acceptable.

Secondly, Sir, there has been delay in the submission of the report by the Pay Commission. It has been delayed to this extent that I doubt whether it will be submitted before this House adjourns *sine die*. The Minister is unable to make a statement assuring that the report will be submitted during this month. As a protest, I would like to walk out....

AN HON. MEMBER: Is he speaking with your permission, Sir?

MR. SPEAKER: Let me explain the whole position. In the beginning I explained to them that the proper stage would be under item 10 when the Minister comes out with the statement announcing the next week's business. But they would not listen to it and they were insisting.. (Interruption).

SHRI S. M. BANERJEE: The Government may do whatever they like. But I warn the Government that in case they do not take note of this, the employees would force them to accept their genuine demand. As a protest, I am walking out.

Shri S. M. Banerjee then left the House.

MR. SPEAKER: Mr. P. K. Deo.

SHRI P. K. DEO (Kalahandi): Next week is the last week of this Session. I would like to have an assurance from the Minister if they are going to bring the Anti-Defection Bill. The Anti-Defection Bill has become the biggest joke of the Century. In the meantime, defections are taking place. In the State of Orissa, defection has taken a very large proportion and under the very connivance of the Government of today. No less a person than the Governor has gone to meet Mr. Nilamony Rautray, as has appeared in the paper today. (Interruption) In the last Session also I requested them to bring the Anti-Defection Bill, and I brought to your notice how the Orissa MLAs were kept in the Haryana House which is

infamous for Ayazams and Gayazams and this House never took any notice of that.

13 hrs.

Taking into consideration all the factors, I would like to know the timing of the Anti-Defections Bill. In spite of the recommendation of the Committee on Defections where all Parties were represented and which included jurists like Mr. Setalvad, Mr. Daphtary, Mr. Kumaramangalam and Mr. Seervai and in spite of their recommendations and in spite of the eloquent speeches in the Speakers' Conference that there should be an end to defection, the Government is not moving an inch. So, I would like to know when they are going to bring this Bill or are they going to wait till this Operation Tamil Nadu is over or till Shrimati Nandini Satpathy presides over a Ministry of defectors?

My second question is regarding a discussion on these Railway employees. It is a serious matter and an adjournment motion would have been more appropriate. But there has been a definite discrimination between the employees of the Central Government Undertakings and the employees of the Railways..

MR. SPEAKER: Whenever there is a dispute between the employer and the employees, there should be an adjournment motion here in this House? Tomorrow some people will have a dispute in a Department or in a firm and you come out with an adjournment motion here because it is a question of bargaining?

SHRI P. K. DEO: No, Sir. Their demand is genuine and there should be a debate on this at least next week....

MR. SPEAKER: Of course, there are other means, but not in this way.

SHRI P. K. DEO: I would like to have a categorical reply from the

[Shri P. K. Deo]

Minister for Parliamentary Affairs as to when they are going to accede to a discussion.

SHRI SAMAR GUHA (Contai): I want to draw the attention of the House to the statement made by the Minister of Foreign Affairs in regard to the delineation of our border with Pakistan. Giving the information about the Lahore Pact signed between the representatives of Indian and Pakistani Armed Forces, the Minister of External Affairs made a cryptic statement in his over-zealous attempt to salvage the Simla Agreement. In his laconic statement, the Lahore Pact has been variously described by the Government spokesmen as rationalisation of the Indo-Pak boundaries and as an adjustment based on give-and-take basis. The Government owe it to the nation to clearly inform the people about the exact extent of the Indian territory given to Pakistan and the area taken from Pakistan. The Government have also agreed to draw the international boundary in Jammu and other sectors. It should be clearly stated whether this is giving and taking of territories either belonging to India or to Pakistan before the outbreak of the last Indo-Pak war and what is the basis of drawing this new international boundary.

This information is absolutely essential for the Lok Sabha to know because it involves serious constitutional issues. According to the provisions of Articles 3 and 4 of the Indian Constitution, not even a tiny piece of the Indian territory can be given to Pakistan nor a similar tract of land can be permanently acquired from Pakistan without the necessary constitutional changes and a constitutional discussion in this House.

In accordance with a previous Indo-Pak agreement the Government of India decided to give an Indian enclave called, Berubari in West Bengal to the former East Pakistan, but the Calcutta High Court as also the

Supreme Court struck it, ~~it~~ violated the constitutional provisions of Articles 3 and 4 of the Constitution.

I demand, this is such an important matter and we are going to draw the international boundaries....

MR. SPEAKER: Please don't make speeches. Don't create an occasion for a speech on anything that comes to your hand. It is better if you suggest that this should also be kept on the agenda.

SHRI SAMAR GUHA: I am submitting to you that this is such an important matter that the Government should not make a cryptic and laconic statement and the Government should come out with fuller information and a discussion should be held on the basis of that.

Lastly, ..

MR. SPEAKER: You are again making a speech. This is a very bad practice.

SHRI SAMAR GUHA: The Opposition has staged a walk-out. Now, I want to take advantage of this occasion. At least, you, in your wisdom, should see that such things do not happen every day. Sir, not hundreds, not thousands, but lakhs of employees of the Central Government have come from all over the country, from Kashmir to Cape Comorin and from Gujarat to Kamrup.... (Interruptions) Sir, it involves a serious policy of discrimination between one kind of workers against the other. I urge upon you that you should ask the Government to make a statement on this issue.

MR. SPEAKER: Mr. Jyotirmoy Bose; Prof. Madhu Dandavate—~~they~~ have gone.

RAJ BAHADUR: My hon. friend has raised the question about the Anti-Defections Bill. I may assure you that we are very seriously examining the whole matter. But many complicated questions of constitutional law have arisen. The Bill is not yet ready and we would certainly like to take a final decision about it.

SHRI P. K. DEO: When? After the horse is stolen?

MR. SPEAKER: The horses are still there for trade.

SHRI RAJ BAHADUR: About the matter raised by Prof. Samar Guha, I have no comments except to say that the points he has raised are hardly relevant to the statement that the External Affairs Minister has made.

13.10 hrs.

DISTURBED AREAS (SPECIAL COURTS) BILL

EXTENSION OF TIME FOR PRESENTATION OF REPORT OF JOINT COMMITTEE

SHRI R. D. BHANDARE (Bombay Central): I beg to move:

"That this House do further extend upto the 30th March, 1973, the time for the presentation of the Report of the Joint Committee on the Bill to provide for the speedy trial of certain offences in certain areas and for matters connected therewith."

MR. SPEAKER: The question is:

"That this House do further extend upto the 30th March, 1973, the time for the presentation of the Report of the Joint Committee on the Bill to provide for the speedy trial of certain offences in certain areas and for matters connected therewith."

The motion was adopted.

13.11 hrs.

STATEMENT RE ALLEGED BURNING OF HOUSES IN CERTAIN VILLAGES IN UTTAR PRADESH

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS AND IN THE DEPARTMENT OF PERSONNEL (SHRI RAM NIWAS MIRDHA) rose—

MR. SPEAKER: You want to make the statement? You may lay it on the Table of the House. We are already late for the lunch.

SHRI RAM NIWAS MIRDHA: I beg to lay on the Table a statement regarding the recent incidents at villages Sajni and Nonari in Azamgarh, Uttar Pradesh.

Statement

Mention has been made, during the course of the proceedings of this House, regarding the incidents which occurred in villages Nonari and Sajni of District Azamgarh, Uttar Pradesh. According to the information received from the State Government, on November 14 and 15, a serious incident took place between two rival communities in village Nonari during which two persons were killed and some houses of a particular community were alleged to have been burnt and looted. 11 persons received injuries. The State Government are considering the question of giving financial relief to those who may be in need. Six cases have been registered in this connection and are being investigated by the C.I.D. Fourteen persons were arrested.

Another incident involving members of two different communities, occurred in village Sajni, on December 12, in which about 43 houses were partially burnt and some persons sustained injuries. Cases of arson, riot and loot have been registered and 24 persons were arrested—17 for substantive offences and 7 under the preventive provisions. The Station House Officer

[Shri Ram Niwas Mirdha]

concerned has been placed under suspension. Senior officers have visited the scene of occurrence and the situation is reported to be under control.

Government of Uttar Pradesh have instituted under the Commissions of Inquiry Act, an inquiry by a retired Judge of High Court, into the incidents which occurred in villages Nonari and Sajni.

13.11½ hrs.

STATE FINANCIAL CORPORATIONS (AMENDMENT) BILL—contd.

MR. SPEAKER: We will take up further discussion on the State Financial Corporations (Amendment) Bill after lunch. Shri R. V. Bade was on his legs. We adjourn for lunch to reassemble at 2 p.m.

13.12 hrs.

The Lok Sabha adjourned for Lunch till Fourteen of the Clock.

The Lok Sabha reassembled after Lunch at six minutes past Fourteen of the Clock.

[MR. DEPUTY-SPEAKER in the Chair]

STATE FINANCIAL CORPORATIONS (AMENDMENT) BILL—contd.

MR. DEPUTY-SPEAKER: We shall now resume further consideration of the following motion moved by Shri-mati Sushila Rohatgi on the 14th December, 1972, namely:—

“That the Bill further to amend the State Financial Corporations Act, 1951, be taken into consideration.”.

Shri R. V. Bade may now continue his speech.

श्री आर० वी० बड़े (बारगोन) :
माननीय उपाध्यक्ष महोदय, कल मैं स्टेट
फाइनेंसियल कॉर्पोरेशन अमेंडमेंट बिल

पर बोल रहा था और उसमें मैंने विशेष-
कर एक बात कही थी कि कोम्प्लाइंस नहीं
है। किस प्रकार से पैसा यूटिलाइज होता
है उसके बारे में कन्ट्रोल नहीं है। आज मैं
आपके द्वारा बताना चाहता हूँ कि सबसे
ज्यादा पैसा स्टेट फाइनेंसियल कॉर्पोरेशन
से महाराष्ट्र और तमिलनाडु को मिला है
और मध्य प्रदेश को न तो बैंक से और न
सेन्ट्रल गवर्नमेंट से पैसा मिला है। इसमें
ग्राल इंडिया इंडस्ट्रियल बैंक भी काम करते
हैं और कोम्प्लायरेटिव बैंक भी काम करते
हैं और उसके साथ में स्टेट फाइनेंसियल
कॉर्पोरेशन भी काम करते हैं लेकिन मैं
बताना चाहता हूँ कि वहां पर एक लाख
70 हजार स्माल स्केल यूनिट्स हैं जिनमें
से केवल चार हजार को ही मदद मिली है
और बाकी को कोई मदद नहीं मिली है।
इसका कोई कारण हमारी समझ में नहीं
आता है।

इसके अतिरिक्त मुझे मंत्री जी को यह
बताना है कि हमारी स्टेट में जो डायरेक्टर
आफ इंडस्ट्रीज रहते हैं वह एक आई ए
एस आफिसर होते हैं और उनको इस
बात का कोई ज्ञान नहीं रहता है कि कौन
सी इंडस्ट्रीज वहां पर पनप सकती है
और कौन सी इंडस्ट्रीज को मदद करनी
चाहिए। इस संबंध में वहां से कोई डाय-
रेक्शंस नहीं मिलते हैं। इसलिए मैं चाहता
हूँ कि वहां पर कोई टेक्निकल आफिसर
रखा जाय ताकि वहां पर कॉर्पोरेशन का
काम अच्छी तरह से चल सके।

मेरे पास सन् 1973-72 की एनुअल
रिपोर्ट है इंडस्ट्रियल ट्रेड एंड डेवलपमेंट

इस इशिया जिसमें कहा गया है कि एक तलवार कमेटी नियुक्त की गई थी लेकिन वह रिपोर्ट न तो लाइब्रेरी में है और न कहीं और एविलेबिल है।

"In order that the SFCs may play an effective role in stepping up the tempo of industrial development by the States as well as to discuss important problems that the States were confronted with, a conference of chairmen and managing directors of the corporations was convened by the Finance Minister on November 3, 1971, at New Delhi; in pursuance of one of the recommendations, a working group under the chairmanship of Shri R. L. Talwar, Chairman, State Bank of India was set up to examine the scope for and formulate the mechanics of coordination between SFCs and commercial banks in assisting industries in the small and medium sectors."

तलवार कमेटी जो नियुक्त की गई थी उसकी रेकमैण्डेशन्स क्या हैं उसके बारे में यदि मंत्री जी कुछ कहेंगे तो बड़ा अच्छा होगा।

अब मैं क्लोजेज के संबंध में कुछ कहना चाहता हूँ।

अब मैं क्लोजेज पर आता हूँ। क्लोज 4 में स्माल स्कूल इंडस्ट्रीज और मीडियम स्कूल इंडस्ट्रीज के वास्ते प्राविजन होते हुए भी कहा गया है :

The special class of shares so allocated under sub-section (1), shall be,—

(a) divided into such number of shares of the same face value as the State Government may, in consultation with the Reserve Bank, determine;

(b) subscribed by the State Government and the Reserve Bank and they may do so in such proportion as may be agreed upon by and between them and the Financial Corporation shall make allotment of such shares accordingly.

इस में शेयर क्या होंगे क्या नहीं होंगे इस के बारे में कोई खुलासा नहीं किया गया है।

आगे चल कर क्लोज 10 में कहते हैं :

"Provided that the Board may, if in its opinion it is necessary in the public interest so to do, permit the managing director to undertake at the request of the Central Government or the State Government or the Reserve Bank, such part-time honorary work as is not likely to interfere with his duties as managing director."

पार्ट टाइम नियुक्ति करेंगे। साथ ही यह भी कहते हैं कि ऐसा पार्ट टाइम मैनेजिंग डायरेक्टर की इंट्रीज के साथ इंटरफियर न करे। इस का मतलब मेरी समझ में नहीं आता।

इस के बाद क्लोज 14 में कहते हैं :

"Provided that the State Government may, in consultation with and after obtaining the advice of the Reserve Bank, specify the class or categories of posts in respect of which appointments may be made by the Board on such remuneration and other conditions of service as the Board may determine."

[श्री श्रीरं. बी. बो.]

लेकिन धर्म का जो प्राविजन है उससे मैं सहमत नहीं हूँ :

"and no regulation made under this Act shall apply to such posts in respect of matters so determined by this Board".

इसका मतलब क्या है? ऊपर तो कहे हैं कि वह अप्वाइंटमेंट करेंगे लेकिन बाद में कहते हैं कि बोर्ड द्वारा निर्धारित मामलों में जो इस तरह के अप्वाइंटमेंट किये जायेंगे उन पर इस ऐक्ट के अन्तर्गत कोई रेगुलेशन लागू नहीं होगा। इस का मतलब मेरी समझ में नहीं आता।

उसके बाद क्लॉज 28 में लिखा हुआ है:

In section 48 of the principal Act, for sub-section (3), the following sub-section shall be, and shall be deemed always to have been, substituted, namely:—

"(3) All regulations made under this section shall be published in the Official Gazette and any such regulation shall have effect from such earlier or later date as may be specified in the regulations."

मैं नहीं समझ पाता कि कौन से ऐसे रेगुलेशन हैं जिनका रिट्रास्पेक्टिव एफेक्ट होगा। इसके बारे में पन्द्रह बीस रोज पहले पार्लियामेंट में सवाल आया था। जो रेगुलेशन पार्लियामेंट के समने नहीं रखे गये हैं उनके सम्बन्ध को इन्डेफिनाई किया गया था, लेकिन वह कौन से रेगुलेशन थे इसका पता नहीं था। बाद में आपने अपनी बुद्धिमत्ता से उस वाद-विवाद को एंडजर्न कर दिया था। इसी तरह से मैं जानना चाहता हूँ कि कौन से रेगुलेशन हैं जिनका आप रिट्रास्पेक्टिव एफेक्ट करना चाहते हैं। मेरा केवल यही कहना है कि इस प्रकार का जो प्राविजन है वह बहुत डैन्जरस है। ऐसा प्राविजन नहीं रखा जाना चाहिये

क जो रेगुलेशन हमारे सामने नहीं है उनको रिट्रास्पेक्टिव एफेक्ट दिया जायेगा।

स्टेट कारपोरेशन जो हैं उनका कर्ज कैसा चलता है इसके बारे में कोई स्टडी नहीं की गई है। अलग अलग स्टेट में किस तरह से काम चलता है, पूरा पैसा किसना दिया जाता है, उसका यूटिलाइजेशन होता है या नहीं। जो नई स्कीम है पैसा देने की उसमें 75 परसेंट इंडस्ट्रीज ऐसी हैं जिन्होंने कर्जा वापस नहीं किया है क्योंकि यूटिलाइजेशन पर आपका लक्ष्य नहीं है। कोर्पोराइजेशन कैसा होना चाहिये इसकी कोई जानकारी नहीं है। आप स्माल स्केल और मीडियम स्केल इंडस्ट्रीज को कर्जा देते हैं और बैंक भी कर्जा देते हैं। मैं समझता हूँ कि मंत्री महोदय इसके बारे में खुलासा करेंगे कि कहां इंडस्ट्री शुरू करनी चाहिये कहां नहीं करनी चाहिये, पैसा का ठीक यूटिलाइजेशन होना है या नहीं और उसमें पूरा कोर्पोराइजेशन होता है या नहीं। अगर वह खुलासा कर दे तो ज्यादा अच्छा होगा।

यह जो कारपोरेशन का बिल लाया गया है उसके बारे में हमारी कोई आपत्ति नहीं है। बिल का उद्देश्य अच्छा है लेकिन जो वर्किंग है वह अच्छी नहीं है। स्टेट कारपोरेशन के भी उद्देश्य अच्छे हैं लेकिन वह अच्छी तरह से फलीभूत नहीं हो सकेंगे, इसी ही बात है।

मैं मंत्री महोदय से इतना ही पूछना चाहता हूँ कि उनके द्वारा देश में जो 19 स्टेट कारपोरेशन बनाये गये हैं उनको कितनी पैसा मिलेगा स्टेट से और कितना मिलेगा बैंक से। इसके बारे में कोई कोई टैरिफ रखा गया है या नहीं?

THE DEPUTY MINISTER IN THE
MINISTRY OF FINANCE (SHRI
MATI SUSHILA ROHTAGI); Mr.
Deputy-Speaker Sir....

AN HON. MEMBER: You should
thank them.

SHRIMATI SUSHILA ROHTAGI: In
the normal and correct procedure, I
would have liked very much to thank
every individual Member who has
participated in this debate and has
added to the stature and standing of
the debate as a whole.

At the outset I should like to say
that though many Members have made
valuable suggestions, many of them
were really beyond the cope and
ambit of the Bill. Before I go into
provisions of the Bill and reply to the
points raised about them about legal
and drafting points, may I take the
House into confidence about the objec-
tives and intentions of the Govern-
ment in bringing forward this Bill.

If the House thinks for a moment, it
will realise that three Bills have been
brought before the House; they are
really pioneers in a way. They have
added greatly to the statutes on bank-
ing and are in consonance with the
concept of nationalisation of banks.
In the conference which the Finance
Minister had in November last, certain
important suggestions emerged and
these three amending Bills are in the
nature of follow-up action in respect
of lending institutions as such and
irrespective of party affiliations Mem-
bers, I hope, would welcome the spirit
of enlargement and expansion which
is behind these Bills. If we understand
each other better, scope for differences
would become less.

Hon. Members should realise the
objectives of these Bills. There are
banking and financing institutions in
our society. There are other sectors
of society, industry, etc. who may be
big or medium or small who want to
enlarge the sphere of industrial ac-
tivity and want to secure more finan-
cial resources. If it is an entrepre-
neur, his case will have to be

scrutinised under the Industrial and
Regulative Trade Practices Act and
other relevant laws. If it is a core
sector or heavy sector, he is entitled to
loans within certain conditions. Co-
operatives cater to the weaker sec-
tions of society and they need special
emphasis. There may be a new
entrepreneur or a technologist or an
engineer and he may want to have an
industry started. There are medium
industries. If these people want to
expand greater resources have been
placed at the disposal of these lending
institutions.

You rightly intervened yesterday to
point out the scope of this Bill. The
Bill goes to the grass roots; so to say
and deals with smaller man's partici-
pation, small entrepreneurs. Money
should not stand in the way of these
people who have ideas and schemes.
They may want a little foreign ex-
change to set little ancillary industries.
The quantum of money guaranteed by
the SFC does not exceed Rs. 30 lakhs.
There was an argument that SFCs
cater to the big houses. That argument
automatically is untenable because it
goes upto Rs. 30 lakhs only. I do not
know how with this limit it can serve
the interests of monopoly houses. They
have to go to other agencies like IDBI
or whatever it is. This does not cater
to the requirements of monopoly houses
or big houses.

Another deterrent is that if the
total paid-up capital and that reserves
of an industrial concern are more
than Rs. 1 crore, it is not entitled to
any assistance from the SFC. That
also ensures that big industrial and
monopoly houses will not be able to
get any assistance from the SFC. The
primary task of the SFC is to look
after the medium and small industries.

The break-up I will give later.

SHRI R. V. BADE: There was a
complaint that the banks encroach
upon the business of the SFCs. Has
the Government looked into it?

SHRIMATI SUSHILA ROHTAGI: If
the hon. Member gives any specific

[Shrimati Sushila Rohatgi] instance, the Government would be happy to look into it because we shall not tolerate any discrepancy or overlapping or interference.

An important objective of the Bill is to bring into the ambit of SFCs a number of other concerns which so far have been precluded from the financing operations. There will be more facilities available to set up more ancillary industries. All these three Bills aim at promoting entrepreneurship, production and export and earning more foreign exchange for the country. That in itself is a very laudable object which any hon. member can take exception to, irrespective of the party to which he belongs. The three Bills form part of one entire total picture to promote industries, open out new avenues for new entrepreneurs and earn more foreign exchange for the country, which is something to be welcomed by every hon. member.

Now coming to the points raised in the debate, there was some criticism about the creation of a special class of capital by the State Government and the RBI. If we examine it, the charge is not tenable. We find that charges of regional disparity have been brought from time to time. We do know there is regional disparity and the Planning Commission, Ministry of Industrial Development, Finance Ministry and other concerned Ministries are trying to remove it some way or the other. The Planning Commission has already got the names of the backward districts in the country. A survey report has been prepared by the IDBI in collaboration with other financial institutions and they have even identified which particular industry can be started in the various backward districts. To a very great extent it is now the responsibility of the State Government, whether it is M.P., Assam, U.P. or Rajasthan, to fully utilise the resources placed at their disposal. The initiative lies in the other court. I think the SFCs can be really helpful in this matter. There has to be a greater coordination between the SFCs and the State Governments. The creation

of a special class of capital will encourage setting up of industries in backward areas because it does not involve any burden of dividend on the capital. Money can be lent at special concessional rates and this will go a long way in removing backwardness, provided full utilisation is made of it.

Another important feature is that there has been a 50 per cent increase in the borrowings from RBI. This liberalisation places more resources at the disposal of SFCs. This shows the intention of Government to make more money available for purpose of starting industries. Of course, it will depend upon how far we are able to utilise it. This increase by 50 per cent at one stroke should be really welcome.

An hon. member, who is not present at the moment, took objection to the amendment seeking to add the words "and after obtaining the advice of" after the words "in consultation with" in section 10, on the ground that it infringes on State autonomy. This is a federal structure and we realise that the autonomy of the States should be respected to the extent possible. It is not the intention of Government to do anything which in any way hurts the autonomy of States. Here we are only trying to take the expert advice of an expert organisation like the RBI in the appointment of the managing director who holds a key position. When we are placing more resources at the disposal of the SFCs and when there are greater responsibilities attached to the managing director, there is greater need for precaution and expert advice. In fact, this provision should be welcomed. In the past sometimes managing directors were appointed without taking the advice of the RBI and within a couple of months they had to go and the work had to suffer. It is in order to improve the standard of work and calibre of the people chosen as managing directors that this amendment is being made. This should be a very healthy

also keeping the autonomy of States in the proper perspective.

There is a slight relaxation about security and more importance is placed on the project approach. This is an extremely welcome feature. That shows the concept of banking after nationalisation. It is the intention of the Government that if it is a viable scheme, if it has a feasibility report and creditability behind it, the project should be allowed to go ahead and it should not be tied down by security alone, considering the urgency and need for production of that item. It means less emphasis on security and more emphasis on feasibility and viability, which is a welcome feature.

Another point raised by Mr. Panda was about the increase in the ceilings of the total assistance to a company. He also said the words "a company" have been used, which is a very general term. I would like to say that we do not want the financial assistance to be limited to a private company or a public limited company. We want to throw it open to all the industrial fields. It is upto the entrepreneurs to take full advantage of it. There are no reservations here, except that the quantum of money should not exceed Rs. 30 lakhs in the case of a limited company and Rs. 15 lakhs for proprietorship. These are the only ceilings. All companies are eligible to this financial assistance.

SHRI R. V. BADE: Out of 1,70,000 registered small-scale units, only 4,000 have received assistance from the SFC's. Why not the others?

SHRIMATI SUSHILA ROHATGI: I will come to that. I feel the Government stand is absolutely justified in so far as this provision is concerned.

Mr. most hon. members who spoke yesterday are not present, though I have got answers for all the points they raised.

A point which was raised yesterday by Mr. Chatterjee and which has been mentioned by Mr. Bade today is about section 28. Mr. Chatterjee said that this was in violation of the structures of the Supreme Court. This is not the case. The Law Ministry has not made any error while drafting the Bill. They have been cautious and there is nothing to show that they have been careless. As a matter of fact, I have the ruling of the Supreme Court before me. If hon. members want, I can quote it. It only justifies this section which we have put in here. Section 28 reads thus:

"All regulations made under this section shall be published in the Official Gazette and any such regulation shall have effect from such earlier or later date as may be specified in the regulations."

The point is, if there is any necessity for giving retrospective effect in the case of any revision of pay, allowances, etc., those people who are working here should not suffer. But it should be in consonance with the law here and it could be allowed to have retrospective effect. Therefore, what Shri Somnath Chatterjee has said is not tenable and is not substantiated by the ruling of the Supreme Court. It has laid down that,

"Parliament I can delegate its legislative power within the recognised limits. Where my rule or regulation is made by any person or authority to whom such powers have been delegated by the legislature, it may or may not be possible to make the same so as to give retrospective operation. It will depend on the language employed in the statutory provision which may in express terms or by necessary implication empower the authority concerned to make a rule or regulation with retrospective effect."

[Shrimati Sushila Rohatgi]

Therefore, the argument advocated by Shri Somnath Chatterjee is not right or in the light of the verdict of the Supreme Court.

Shri Bade would like to know the figures of the small-scale units which received assistance from these institutions. In 1971-72 about 4,700 units from the small-scale sector received assistance and the percentage works out to over 90 per cent. In terms of money, out of a total of Rs. 63 crores, Rs. 50 crores have gone to that sector, that is, about 75 per cent.

SHRI R. V. BADE: There are one lakh registered small-scale units and only 4,700 units have received assistance. Is the hon. Minister satisfied with this figure?

SHRIMATI SUSHILA ROHATGI: I would say 'Yes'. The SFCs have financed 15,500 units from their own funds. Then, because they act as agents, they have assisted another 15,000 units. Then, the SFCs do not handle loans of less than Rs. 10,000 which are handled by the Directorate of Industries. Further, SFCs are not the exclusive agencies. Scheduled commercial banks also give loans to small scale units. If you add up all those units, the total may come to 30,000 or 40,000.

A question was asked about the Talwar Committee. That committee is yet to submit its report. As soon as the report is received, it will be considered and necessary action taken.

So far as implementation is concerned, there are organisations like the Director of Industries of State Governments, and the Small Scale Industries Service Institute in every State. They provide the raw material and other services. The SFC has to co-ordinate with other agencies and play a positive role in conducting surveys and identifying potential areas and potential entrepreneurs to come forward with schemes for assistance. So, I would say that the ball is in the

other court. Hon. Members who are so keen that their States should prosper should know that these financial institutions are there to serve the entrepreneurs and industries. I would request hon. Members to take more interest in these matters. These institutions are at their disposal to assist new entrepreneurs and new industries.

SHRI R. V. BADE: The hon. Minister wants to put the ball in the other court. The Financial Memorandum attached to this Bill says:

"In regard to non-recurring expenditure, the Central Government will have to contribute capital to the special class of shares referred to in clause 4 of the Bill."

I want to know why the Central Government is giving more money to Maharashtra and Tamil Nadu and not Madhya Pradesh, which is a backward State.

SHRIMATI SUSHILA ROHATGI: I have dealt with this point while dealing with the Bill to amend the Industrial Finance Corporation Act. So far as Orissa is concerned, even though Shri Panda says that the Orissa Government has sent an application, to the best of my knowledge, no application has been received from the Orissa Government. It may be on the way. So far as Maharashtra is concerned, it happens to have a network of sugar co-operatives.

MR. DEPUT-SPEAKER: He wants more money to be given to Madhya Pradesh. You may consider it.

SHRI D. K. PANDA (Bhanjanagar): To what extent has the survey of industrial potentialities progressed? Without that, help to the small-scale industries is meaningless.

SHRIMATI SUSHILA ROHATGI: The IDBI has set up a survey team which has surveyed about 10 States. About 5 or 6 States remain.

ports have been prepared on industries which are suitable for particular districts in the backward regions, based upon labour potential and raw material resources. So, it is now for the State Governments to take the initiative.

MR. DEPUTY-SPEAKER: The question is:

"That the Bill further to amend the State Financial Corporations Act, 1951, be taken into consideration."

The motion was adopted.

MR. DEPUTY-SPEAKER: We will now take up clause by clause consideration. Yesterday Shri Somnath Chatterjee expressed certain reservations with regard to a number of clauses, which I thought had a certain amount of substance in them. I then suggested to him that he might seek to remedy them or improve them by suitable amendments, which he had sent in the morning. However, since he is not here, the question does not arise.... (Interruption). A copy of that has been given in advance to the Minister. I think she has covered them in her reply.

Now the question is:

"That clauses 2 to 15 stand part of the Bill"

The motion was adopted.

Clause 2 to 15 were added to the Bill.

Clause 16.—(Amendment of section 26).

Amendment made

Page 6, line 16,—

after "any arrangements" insert—

"under clause (a), (ca) or (g) of" (1)

MR. DEPUTY-SPEAKER: The question is:

"That clause 16, as amended, stand part of the Bill".

2936 LS—9.

The motion was adopted.

Clause 16, as amended, was added to the Bill.

Clauses 17 to 28, Clause 1, the Enacting Formula and the Title were added to the Bill.

Shrimati Sushila Rohatgi: I beg to move:

"That the Bill, as amended, be passed".

MR. DEPUTY-SPEAKER: The question is:

"That the Bill, as amended, be passed".

The motion was adopted.

MR. DEPUTY SPEAKER: Now, we take up the next item....

SHRI A. P. SHARMA (Buxar): On a point of submission.

SHRI SAMAR GUHA (Coutal): I want to make a submission.

MR. DEPUTY-SPEAKER: This is the most irregular procedure. I do not want to interrupt the proceedings of the House.

SHRI A. P. SHARMA: I want to take a minute only.

MR. DEPUTY-SPEAKER: This is not the way how the House should be treated.

SHRI SAMAR GUHA: Unless there has been some extra-ordinary situation, I would not have sought your permission.

MR. DEPUTY-SPEAKER: If you say it is extra-ordinary, it has to be listened to. We will hear what is extra-ordinary. But at the same time, I would like the hon. Members also to speak with responsibility and establish that it is really very extra-ordinary. But under the garb of "extra-ordinariness", to say all kinds of things will be most irregular.

SHRI A. P. SHARMA: Sir, since morning I could not attend the House because I was leading a procession of more than 1 lakh Railway employees, Posts and Telegraph employees....

MR. DEPUTY-SPEAKER: Just a minute. I think, this question was raised in the morning also. Is it so extra-ordinary now?

SHRI A. P. SHARMA: Yes, Sir.

MR. DEPUTY-SPEAKER: The question was raised in the House in the morning. It is not a new thing. I do not understand what extra-ordinary thing is there. This thing featured in the House in the morning. This is not a new thing.

What is extra-ordinary to me is that the thing which is over is being raised again.

SHRI A. P. SHARMA: I was not present in the House in the morning.

MR. DEPUTY-SPEAKER: That is no fault of anybody.

SHRI A. P. SHARMA: A procession of more than 1 lakh Railway employees, Posts and Telegraphs employees, Defence employees and other industrial employees of the Central Government have marched through the city of Delhi. They have assembled at the Boat Club....

MR. DEPUTY-SPEAKER: There is nothing new.

SHRI A. P. SHARMA: Now, what is extra-ordinary is that if the Government is not going to take seriously the problem for which these employees have assembled, that is, the bonus to be paid to the industrial employees of the Central Government, really an extra-ordinary situation will arise in the country within a couple of days....

MR. DEPUTY-SPEAKER: It is not yet extra-ordinary. You say, something extra-ordinary will arise

SHRI A. P. SHARMA: More than 1 lakh employees who have spent

their own money and who have come from all parts of the country have assembled here and that is, definitely, an extra-ordinary situation. They have assembled here to put up their demand for minimum bonus to be paid to them. I want the House to take notice of it. The Government should take notice of it. I demand that the Government should make a statement on this question.

SHRI SAMAR GUHA: Sir, I am thankful to you for giving me this opportunity. Why I say it is extra-ordinary is that in the morning, the hon. Speaker observed that these are daily happenings, and we contended....

MR. DEPUTY-SPEAKER: So, that observation is extra-ordinary?

SHRI SAMAR GUHA: There may be demonstrations, agitations, processions, near the Boat Club. But this does not happen every day that the employees of the Railways, the employees of the Posts and Telegraphs, the employees of the Defence and other industrial employees of the Central Government, from all parts of the country from Jammu and Kashmir, from Tamil Nadu, from country, not in thousands but nearly about 2 lakh employees have assembled....

MR. DEPUTY-SPEAKER: What is extra-ordinary?

SHRI SAMAR GUHA: They are not the employees of private concerns....

MR. DEPUTY-SPEAKER: Let me check the record. Mr. Guha, you made a submission on this very question in the morning. I will not allow you....

SHRI SAMAR GUHA: In half a minute I will conclude..

MR. DEPUTY-SPEAKER: This is not the way the House should be treated. I am told, all that was not

recorded. Although it was not recorded, you did make an attempt to make a submission. It is a question of procedure.

SHRI SAMAR GUHA: I have not made the point yet.

MR. DEPUTY-SPEAKER: I will listen for half a minute only. After that, I am going to order that nothing will go on record.

SHRI SAMAR GUHA: Why I say it is extra-ordinary is because these employees are the vital arteries of the Government. The Government should take this thing very seriously. The Railway employees, the Defence employees, the Posts and Telegraph Department employees, are the arteries of the Government and they are for the security of the country. If these people are agitated, then it may be not in the national interest. The Government should come out with a statement that they should also get bonus. They are also the workers of Government undertakings.

MR. DEPUTY-SPEAKER: I am very unhappy about the whole thing. There is nothing extra-ordinary. The only extra-ordinary thing is that this very same thing has been brought again here in a most extra-ordinary manner.)

We now take up the next item of business before the House.

14.50. hrs.

SICK TEXTILE UNDERTAKINGS (TAKING OVER OF MANAGEMENT) BILL

THE MINISTER OF FOREIGN TRADE (SHRI L. N. MISHRA): Mr. Deputy-Speaker, Sir, I beg to move:

"That the Bill to provide for the taking over, in the public interest, of the management of the sick textile undertakings, pending nationalisation of such undertakings, for the expeditious rehabilitation of such undertakings so that such rehabilitation may subserve the interests of the general public by the

augmentation of the production and distribution, at fair prices, of cheaper varieties of cloth, and for matters connected therewith or incidental thereto, be taken into consideration."

This Bill seeks to replace the Ordinance promulgated on 30-10-72 which the management of 46 sick textile undertakings was vested in the Central Government, pending their nationalisation.

As the hon. members of this House may be aware, from time to time, Government has had to take positive steps to overcome fall in production of textiles and resultant unemployment, arising in certain textile undertakings on account of mismanagement and other financial and technical difficulties. Under the provisions of the Industries (Development & Regulation) Act, Government has taken over the management of 57 textile undertakings, which had either closed down or were at the point of closure. Thereafter, a careful assessment has been made of the need for repairs and modernisation and working capital of these units. Large investments of public funds have been made to restore the units to a stage of profitable operation. As a result, members will be glad to know that annual production of over Rs. 200 crores of yarn and cloth has been achieved, and employment has been restored to 1 lakh workers. The mills under the management of the Central Government also exported textile goods worth over Rs. 8 crores last year. In respect of 45 units, detailed modernisation programmes have been framed involving an investment of Rs. 17 crores; and a major portion of the outlay has been spent. In short, Government is acting in a very serious and purposeful manner to rehabilitate the undertakings which have come under its control, so that production of textiles, which is an essential commodity, should be augmented and employment should be maintained at normal levels.

Moved with the recommendation of the President.

Bill

[Shri L. N. Mishra]

In addition to the above, Government has appointed a Committee to go into the problems of weak and marginal textile units and suggest measures needed to overcome the special difficulties faced by these units. Government will do its utmost to help such units to run efficiently and implement their modernisation programmes, wherever the existing managements show a genuine interest and constructive capacity to undertake such programmes.

Besides the 57 units brought under Government management under the Industries (Development & Regulation) Act, Government had been studying the situation in respect of certain other units as well, which were either lying closed or showed symptoms of "sickness" which, sooner or later, would result in the closure of the units. There were units wherein serious fall in production had already been noticed, and the mill-companies concerned were facing insurmountable technical and financial difficulties. There were certain units wherein, the companies concerned had given the undertakings on lease to third parties, on account of their financial difficulties, and it was obvious that the lessees were only interested in short-term gains and would do nothing to rehabilitate the units concerned on a long-term basis. In some other cases, Investigation Committees appointed by the Government had clearly recommended the take-over of management by Government, in public interest, but legal hurdles had been created by the vested interests and management could not be actually taken over by the Government. In another category of cases, the mill-companies owing the undertakings were ordered to be liquidated on account of financial difficulties, and the prospect was that the fixed assets of the units would be sold off by the liquidator, in whole or part. In yet another category of cases, Investigation Committees had been appointed to go into the problems of the undertakings, which were showing serious

signs of "sickness" and though the final reports had not been received, there was adequate evidence available to show that the units were, in fact, "sick" and could not be allowed to drift into complete failure and closure.

It was to solve the problems connected with the above types of "sick textile undertakings" that Government had to contemplate special measures, which led to the promulgation of the Ordinance, which the Bill under consideration seeks to replace. Under the Industries (Development & Regulation) Act, management of a sick unit can be vested in the Central Government for a period not exceeding 15 years. The question arose, what would happen to the large investments of public funds required to rehabilitate the units, after 15 years were over? Could Government afford to ultimately return the undertakings to the former managements and shareholders?

After careful consideration, it was decided that as far as sick textile undertakings are concerned, short-term remedies would no longer suffice, and nationalisation of the undertakings would have to be resorted to in the public interest. Another consideration favouring this decision was that once these units had been properly rehabilitated, a production-base would be available with the Government to augment the production of cheaper varieties of cloth needed by the common man. Government would thus be in a better position to ensure that this very important commodity is made available to the economically weaker sections of our community at the most reasonable prices.

While thinking on the above lines was in progress, a genuine apprehension arose that there might be an effort on the part of management of the undertakings whose nationalisation was being considered, to fritter away the assets of the undertakings on a large scale. This made it necessary for Government to take over the

management of 48 sick textile undertakings on an immediate basis by promulgation of the Sick Textile Undertakings (Taking over of Management) Ordinance.

The Bill provides that the management of the 48 sick textile undertakings taken over as per Schedule 1 having vested in the Government, the individual units will be placed under the control of Custodians to be appointed by the Central Government. It is also provided that Government may appoint a Custodian General in order to exercise overall supervision over the working of the Custodians and provide necessary guidance. In pursuance of this provision, the Government appointed the National Textile Corporation as the Custodian General for all the 48 sick undertakings. It is also provided that any money advanced to the undertakings by the Central and State Government for working capital and modernisation will have priority over other debts of the company concerned.

I have no doubt that the enactment of this Bill will go a long way in strengthening the ailing part of the textile sector which, we wish to ensure, is rehabilitated. This will enable us to maintain production and employment at maximum levels and also ensure production of cheaper varieties of cloth for the common man. Steps are also afoot to make some of these units export-oriented in the long run.

Sir, I move.

MR. DEPUTY-SPEAKER: Motion moved:

"That the Bill to provide for the taking over, in the public interest, of the management of the sick textile undertakings, pending nationalisation of such undertakings, for the expeditious rehabilitation of such undertakings so that such rehabilitation may subserve the interests of the general public by the augmentation of the production and distribution, at fair prices, of cheaper varieties of cloth, and for

matter connected therewith or incidental thereto, be taken into consideration."

Mr. Dinan Bhattacharyya.

SHRI DINEN BHATTACHARYYA (Serampore): Only a few minutes are left out....

MR. DEPUTY-SPEAKER: Use those three minutes.

SHRI DINEN BHATTACHARYYA: At the outset, I must that I do not know what exactly is the policy of the Government. Some time back a statement was given—I may be corrected, if I am wrong—that there is no contemplation on the part of the Government to nationalise the textile industry. This was a statement made by the Minister. Yet, it is contradictory to say that, to prepare the ground for nationalisation, they are taking these steps. This is also a political stunt. I would humbly appeal to the Minister not to mislead the people of our country. You will never nationalise the textile industry as a whole. That is your political base. You cannot charge these employers who have looted our country for so many years. After frittering away all the funds of the public, they are now sick. The whole industry is now sick because the purchasing power of the people has gone down and prices have gone up. So, how can you save this industry until and unless you nationalise the industry immediately? Do not allow these big sharks to further exploit and plunder our people. My first point is that the Government must immediately come forward with a categorical policy statement that they are nationalising the textile industry which is in doldrums. There are reasons for this. There is steel price equalisation policy; the price of steel is the same all over India. But the prices of raw cotton are not the same, on the same pattern as steel price. The West Bengal millowners have to pay more than what the Gujarat millowners pay for the raw cotton. The same is the case with Punjab. West Bengal millowners and Bihar

[Shri Dinen Bhattacharyya]
millowners also have to pay more....

MR. DEPUTY-SPEAKER: He will continue on Monday.

Now we take up the Private Members' Business.

15 hrs.

RIVER CORPORATION BILL*—

SHRI R. P. ULAGANAMBI (Vellore): I beg to move for leave to introduce a Bill to provide for the establishment of River Corporation for the regulation and development of Inter-State rivers and river valleys.

MR. DEPUTY-SPEAKER: The question is:

"That leave be granted to introduce a Bill to provide for the establishment of a River Corporation for the regulation and development of Inter-State rivers and river valleys."

The motion was adopted.

SHRI R. P. ULAGANAMBI: I introduce the Bill.

MR. DEPUTY-SPEAKER: Shri Bhogendra Jha—he is not here.

15.01 hrs.

NATIONAL RIFLE TRAINING SCHEME BILL

By Shri S. C. Samanta—contd.

MR. DEPUTY-SPEAKER: Now, we take up further consideration of the Bill of Shri Samanta to provide for compulsory training in rifle-shooting.

Shri B. R. Shukla.

SHRI B. R. SHUKLA (Bahraich): The aims and objects of this Bill are no doubt very attractive and alluring. They are also laudable. But I am afraid I have to oppose the passage of this Bill on the ground of its practical difficulties because the Bill envisages that there should be a provision for compulsory training in rifle-shooting. We are aware of many provisions, compulsory in nature. In the Constitution itself we have provided in the

Chapter on directive principle that there should be a free and compulsory primary education throughout the length and breadth of the country. But, even after a lapse of 25 years, this basic and elementary requirement of the country has not been fulfilled because of financial and other considerations. Now, therefore, my submission is that if this Bill is passed, then the State would have to require a huge financial allocation for imparting this training because persons between the ages of 18 and 30 years are required to be compulsorily imparted training in rifle-shooting. Now, wherefrom would such huge resources come? Already we have reached the point of saturation in the matter of taxation. We have not been able to provide two square meals a day to the teeming millions of this country. We have not been able to provide sufficient clothing. We have not been able to provide primary education. So, when these basic necessities have not been fulfilled on account of financial stringency, then to say that there should be a provision for compulsory training in rifle-shooting would be an idle dream.

Now, the second apprehension which occurs to my mind is the problem of law and order. Already, when there is a training which can be designated as paramilitary drills and when the country is in a state of turmoil and disorder because of the lathi training and for which an amendment to place a bar has been brought in the Indian Penal Code during the last session, then, if the people are imparted training to handle rifles, there would be chaos in the country in the present set-up. That is my apprehension.

Therefore, my submission is that there should be a provision for increasing the number of rifle clubs and they should be voluntary in nature and there should be put restrictions on the membership of those clubs. Only desirable elements should be accepted and admitted as members of

these voluntary clubs. We have a scheme of NCC for training the youth in the military science in the different Universities. There also, on account of the inadequacy of funds, all the student of the Universities or colleges have not been able to receive military training. Then, how can be a full-fledged scheme of imparting training to all and sundry in this country for persons between the ages of 18 and 30 years?

Therefore, while appreciating the concern of the very senior Member who has introduced this Bill and while appreciating the laudable motive behind it and the intention behind this Bill, I am afraid that we have not reached that stage of development in this country where the passage of this Bill is at all desirable and necessary.

MR. DEPUTY-SPEAKER: Before I call the next speaker, I notice that this Bill relates to the Ministry of Defence and also there is a letter from the Minister of Defence dated 18th July, 1972 through which he informed the House about the contents of the recommendation of the President for the consideration of the Bill. But I do not see anybody from the Ministry of Defence here. How can we go on?

THE DEPUTY MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI F. H. MOHSIN): I am here.

MR. DEPUTY-SPEAKER: You are not from the Defence.

SHRI F. H. MOHSIN: Part of it relates to the Home Ministry also and as the Minister of State in the Defence Ministry was otherwise busy, he asked me to handle it.

SHRI G. VISWANATHAN (Wandiwash): He must be present here.

SHRI F. H. MOHSIN: There is something with which the Home Ministry is also concerned because the Rifle Training Scheme which Mr. Samanta referred to, pertains to the Home Ministry. So, this Bill pertains to the Defence Ministry and the Home Ministry as well. It is not true that the Home Ministry has nothing to do with this Bill.

SHRI G. VISWANATHAN: We have no objection to Mr. Mohsin or any

other Minister from the Home Ministry sitting here in the House. Our objection is that one of the Ministers of the Ministry of Defence should have been present as you have rightly pointed out.

MR. DEPUTY-SPEAKER: I have not pointed out anything.

SHRI G. VISWANATHAN: But somebody from the Defence Ministry should be present. He said that the Home Ministry also is concerned with it. We have no objection to his being present.

MR. DEPUTY-SPEAKER: In any case, we have received no information that you will be handling the Bill, although I have no objection to your handling the Bill.

But I should point out that in all cases like this it is necessary that the Chair or the Speaker should be informed that the responsibility for this particular Bill has been transferred from this Minister to that Minister.

MR. RANA.

SHRI M. B. RANA (Broach): I rise to oppose this Bill I accept the object of the Bill that every man in India should know rifle-shooting but the compulsory part of it is the most objectionable. A thing is learnt more by voluntary methods than by compulsory methods.

Rifle is a weapon which we use now in the place of spears, arrows or swords. But everybody must know how to handle a rifle. The method of training them is not right because making anything compulsory makes it abhorrent to the people as a general rule.

Rifle training is already being given in so many fields, for example, in the Defence Services, then in the Territorial Army, the Home Guards, NCC and the Gram Rakshak Dal. Then there is the National Rifle Training Association and other clubs and they also organize civilian rifle training where elementary rifle training is imparted.

I have admired the object with which this Bill is introduced. But

[Shri M. B. Rana]

the way it is to be worked out is not right. I request that Mr. Samanta should either mend the Bill or withdraw it and leave this to voluntary organisations like the Gram Rakshak Dal etc. That would be a wiser course and more people will be trained in that way. Thank you.

THE DEPUTY MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI F. H. MOHSIN): Mr. Deputy-Speaker, Sir, I have heard Mr. S. C. Samanta and other hon. Members who have actively participated in the discussion on this Bill which has got a very laudable object of training the civilians in the rifle training so that they could form a second line of defence and with a view to strengthening and invigorating the youth of our country.

Sir, there cannot be any other opinion as far as the object of the Bill is concerned. Mr. Samanta has mentioned this in the Statement of Objects and Reasons for this Bill. He said he has brought forward this Bill with a view to train our youth within the age limits of 20 and 30 years, so that they could form a 'second line of Defence' to be of help if an emergency arises. And, the background for his bringing forward this Bill is this. The aggression of the Chinese in 1962 perhaps still haunts his memory. In 1962 when the Chinese committed aggression of our country, he feels, we had not so much of strength to counteract the aggression.

Sir, I beg to differ from him. India never lagged behind—either in strength or in numbers—in counteracting the aggression of the Chinese in 1962. The fact of the matter is that the aggression was surprising and also sudden, which was never expected by India, and that too, from a socialist country, (An hon. Member: So-called) so-called socialist country, with whom we had friendly relations. So, that was, if I may say so, rather a surprise attack. It was a stab in the back and India was taken unawares.

If any reverses had been there at that time, it was not because of want of sufficient men or want of strength of our army.

I do appreciate the mind of the Mover of the Bill that we have to be prepared for all emergencies. But I would like to point out that at present we do have such organisations in our country to train our youth. For example, we have got the Territorial Army which trains our youth in this line. It is composed of citizens between the ages of 18 to 35. It gives training to citizens who volunteer to receive such training in their spare time. In the event of any national emergency or war, they may be called upon to bear arms for the defence of the country. The present strength of the Territorial Army is 59,000. Added to that, we have got the N.C.C. (National Cadet Corps) which imparts military training to the able-bodied students studying in schools and in colleges and also the universities and its aims are to train and develop leadership among the students and build up character and comradeship among the students and also foster the ideals of service and to stimulate interest in them for the defence of the country and also to build up a sort of reserve for the armed forces. The current strength of the N.C.C. in the senior division is of the order of 6 lakhs. In the junior division, it is 7 lakhs. Thus it can be seen that we have got sufficient number of people undergoing training in the senior and junior divisions of the N.C.C.

In addition to this, we have got 2 more training schemes under the Ministry of Home Affairs also.

Hon. Members are aware that we have got the Home Guards Scheme also. Under the Home Guards Scheme, there is a provision to train 7 lakhs of people in the country.

Hon. Members are also aware that the border areas are also given training in the use of fire-arms wherever

we have got borders with other countries. This is the position as far as Home Guards are concerned.

Besides this, we have got a Civilian Rifle Training Scheme, on which the Member has emphasised. This Civilian Rifle Training Scheme came into force in 1954 consequent on a Resolution having been passed in the Lok Sabha to that effect. This was intended to train the members of the public on the use of fire-arms. The training was to be given under the supervision of police officers at police stations. The scheme was revised in the year 1963. A Central Board of Civilian Rifle Training was constituted in 1964. The period was 3 years. The term has expired and recently a new Committee is being appointed and orders are being issued in that respect.

26,000 rifles of 0.22 bore have been imported and supplied to the State Governments for this training. Up to the end of the last year, 64 lakhs of persons have been already trained.

Therefore, from all these existing schemes, hon. Members will appreciate that there are enough training facilities to train our youth in the Territorial Army, in the NCC and in the Home Guards.

So, I feel, we need not be so much anxious about our second line of defence.

And, added to these, we have got the Border Security Force also, about which hon. Members are also aware. They indeed played a prominent role for the defence of our country in the recent conflict with Pakistan.

I need not mention about the strength of our army so much now because, as is known to everybody, they have shown their bravery in every direction, both in the east and the west during the recent conflict with Pakistan.

We have therefore got sufficient strength to counteract any attack from any country. So, Sir, the Members need not be apprehensive about the second line of defence. We are already prepared. We have got sufficient strength of the Indian Army to counteract any attack.

While I do appreciate the intention of the Mover of the Bill which is intended for the security of the country, to train our youth etc., I would like the Hon. Mover also to appreciate the point of view that there is no need as such at present. We have got sufficient strength trained personnel already. Youth are also being trained in schools and colleges. Citizens also are given training under the Rifle Training Scheme. Citizens are having scope also to join Home Guards; they can join the Territorial Army. Therefore, there are enough facilities for those who desire and there is no need for compulsory recruitment or compulsory military training.

AN HON. MEMBER: There will be colossal expenditure.

SHRI F. H. MOHSIN: Apart from expenditure, I do not think it is necessary because I do not think that any apprehension should go round in the country to the effect that there is something ahead, that some dangers will arise for us and therefore we are preparing for such an act now and all that. Let not that impression go round because it would involve huge training in the country. I assure hon. Members that there need be no worry as far as the security of the country is concerned. As far as the defence of the country is concerned, we have got a very strong Army, Navy and Air Force. Our youth are also trained. Once they are trained in the use of rifles, we have to keep on training them. Otherwise, after many years, if they do not handle the rifle, they may forget. For example, I was myself a member of the University Officers' Training Corps in my college days; because the NCC senior division

[Shri F. H. Mohsin]

was called the UOTC or the UTC at that time. But after I left the college, I have not handled a rifle, and I do not know whether I shall be able to handle it again. What I mean to say is that once a person has got the training, he has got to keep up the training. For instance, if my hon. friend Dr. Karni Singh leaves off the practice for some time, I do not think that he would be so accurate in his shooting, and, so, he will have to keep up the training so that he would be well up in it all the time. Apart from the expenditure that this may involve, it is not necessary at the present moment.

I do not dispute the sincerity behind this Bill or the spirit behind the Bill. If need be, if such an emergency arises, if any such occasion arises, we may certainly consider bringing such a Bill, but at the present moment, I do not think that it is necessary and, therefore, I would appeal to the hon. Mover to withdraw this Bill.

SHRI S. C. SAMANTA (Tamluk): I am astonished to hear the hon. Minister asking me to withdraw the Bill. He has just now referred to the Lok Sabha resolution of 1954. That was my resolution as amended. The Government of that day under the Ministership of the Home Minister Dr. Katju had accepted it. What he said at that time and what the present hon. Minister has said are to be compared with each other. My hon. friend Dr. Karni Singh was present at the time of the debate on my resolution in 1954 and he would recall what had happened. I have moved this Bill only with the intention that some items should be codified and brought in the form of a Bill. The idea has been accepted by Government. The NCC was there, the Home Guards were there and everything else was there. And yet this resolution was passed. The resolution read as follows:

"This House is of opinion that with a view to inculcate discipline,

marksmanship, initiative, and leadership in the youth community, Government should immediately provide all proper and practicable facilities to rifle-training institutions in India."

This was the resolution passed in 1954. In 1963, the civil rifle-training scheme was renovated, as the hon. Minister was just telling us. I wanted to codify that renovated scheme and nothing else. Some of my friends who were speaking about expenditure said that there would be further expenditure and we would not have the necessary money for it. As Members of Parliament, we know how much we spend on the Defence and Home Ministries. If there be necessity, money will come as it is coming now.

My intention was to have a central board for the training scheme. That Central board and Central scheme were formed in 1954 after the resolution was passed. State Boards were also to be formed, but I think there are no State Boards.

As regards the civilian people, it is necessary that they should keep on being trained for years to come. They will be given training for six months, and after that they will know now to handle the rifle, and when emergency comes, they will be called and all at once they will join and wage the war.

With this end in view, I wanted to codify the civil rifle-training association. If Government think that the things that were mentioned in the resolution are being carried out, I shall be the first man to withdraw my Bill. If Government take the responsibility to see that civilian people will be called and they will be helped to go to the rifle-training institutions, then I shall have no hesitation in withdrawing the Bill. If sufficient assurance is given to me that the things that I have mentioned in the Bill would be taken up by Government, I am prepared to withdraw the Bill.

SHRI F. H. MOHSIN: As I have mentioned already, the central board has been formed, and we have requested the State Governments also to form such State Boards. There is no bar to any citizen being trained in the use of rifles. We do not bar any citizen from going to a rifle training institution and enlist himself as a member and get himself trained. But what we do not want is compulsory to train every youth between the ages of 20 and 30. We do not want the element of compulsion that everybody will have to get himself trained in the use of rifles. Certainly, these institutions are there to welcome them and give training to whosoever wants.

MR. DEPUTY-SPEAKER: Before I ascertain from Shri S. C. Samanta whether he would like to withdraw the Bill or not, I shall first put the amendments to the motion for consideration to the vote of the House and dispose them of first.

The question is:

"That the Bill be circulated for the purpose of eliciting opinion thereon by the 31st March, 1973."

The motion was negatived.

MR. DEPUTY-SPEAKER: The question is:

"That the Bill to provide for compulsory training in rifle-shooting to all able-bodied citizens between the age of twenty and thirty years, be referred to a Select Committee consisting of 10 members, namely, Shri S. M. Banerjee, Shri Dharnidhar Basumatari, Shri Jyotirmoy Bosu, Shri M. C. Daga, Shri Samar Guha, Shri Shyam Sunder Mohapatra, Shri S. M. Siddayya, Shri Shankar Dayal Singh, Shri Atal Bihari Vajpayee, and Shri Subodh Hansda, with instructions to report by the last day of the second week of the next session." (5).

The motion was negatived.

MR. DEPUTY-SPEAKER: Does Shri S. C. Samanta want to withdraw his Bill.

SHRI S. C. SAMANTA: I beg leave of the House to withdraw my Bill.

MR. DEPUTY-SPEAKER: The question is:

"That leave be granted to Shri S. C. Samanta to withdraw the Bill to provide for compulsory training in rifle-shooting to all able-bodied citizens between the age of twenty and thirty years".

The motion was adopted.

SHRI S. C. Samanta: I withdraw the Bill.

15.28 hrs.

CONSTITUTION (AMENDMENT) BILL

(Amendment of Eighth Schedule)

DR. KARNI SINGH (Bikaner): Mr. Deputy-Speaker, Sir, I consider it a unique honour to have the opportunity once again to introduce a Bill to get recognition for the Rajasthani language and to have it placed on the Eighth Schedule in its rightful place. In 1967-68, I had brought forward a similar Bill before this House.

I am very happy to say that since the last time I had brought forward my Bill before the House, the Sahitya Akademi has recognised Rajasthani on a par with the other languages of India. I believe that this happened last year.

I would like at the very outset to clarify my position. I am one of those who want to see that Hindi becomes the lingua franca of India, and that each and every citizen of India learn to speak Hindi. I should like to see Hindi as the link language. When I

[Dr. Karni Singh] bring before this House a Bill to have Rajasthani recognised I am not in any way trying to minimise the importance of Hindi or remove the cohesive language that we are trying to work out. But the fact remains that States all around Rajasthan, for that matter all over the country, have their regional languages, Punjab, our border State has Punjabi recognised; Gujarat, south of us, have their language. Maharashtra has its language. Of course South has a variety of languages and so has Bengal and Orissa and so on. It is not the intention of any Rajasthani, whether inside this House or outside, to try to do anything to bring about the disintegration of the country. Far from it. Our intention is and it has been accepted by the country that through the recognition of regional languages the cohesiveness in each State increases. Two crores or more speak Rajasthani today. For some unfortunate reason Rajasthani has not been recognised as a language and this is exactly what we want to correct. Only 34 per cent of Indians speak Hindi. I should like to see 100 per cent of Indians speak Hindi. But we have to recognise certain facts. If the argument is put forward that if Rajasthani were recognised today a great, big chunk of what may be called Hindi-speaking area will disappear, I think it is wrong, because whether you regard Rajasthan as a Hindi-speaking area or not, you have to contend with the basic fact that we Rajasthanis learn Hindi; we do not speak Hindi from our birth. We go to school or college and we have learnt Hindi. We do not object to that. One fact does remain that at the time of our birth in early school years we know Rajasthani which is our mother tongue, just like Punjabi, Gujarati or Marathi.

I believe the census figures are not out. But I was told that in the last census almost two crores of people were supposed to be Rajasthani speaking. They were scattered all over the world. I can tell you from my long

travels. I have been to Madras and Calcutta and I found people speaking Rajasthani as they were from our State. Even in Burma, Cambodia, Hong Kong, England, all over the place where Rajasthani people are, they generally speak in their own language. There is nothing bad about it, because after all the language that you learn from your childhood is the language in which you wish to speak.

I am no authority on linguistics and languages and I happen to be one of those lucky men who drew the ballot today to have my Bill before the House. But I will substantiate what I say by extracts from some of the world's topmost people, particularly some of our big leaders in the country whose pictures adorn the Central Hall today. I think that what they say will carry more force than what I say. If you will give me a little time I shall substantiate what I say from some of the learned quotations from our great leaders.

Mr. Nehru, the man I have always respected from my childhood, I shall quote first and foremost. At the Rajasthan Sahitya Sammelan in Jaipur, Pandit Nehru said:

"We must clearly understand that we desire the development of the provincial languages like Bengali, Marathi, Gujarati, Tamil, Telugu, Kannadi, Malayalam and Rajasthani".

Mark the word Rajasthani.

"In each province its own language comes foremost". "Some people talk of one nation, one culture, one language. That cry reminds me of some of the fascist and nazi slogans of old. We are one nation, of course. But to try to regiment it in one way will mean discord, conflict and bitterness".

It is often said by many persons that Rajasthani should not be recognised and then when I ask those people whether they have their own State language, they admit that they have. I should like to make this quite clear.

We Rajasthani are prepared to make any sacrifice for our nation provided there is a time-bound programme brought before this House that all the major languages of the country, within a period of ten or 20 or 30 years, will all be put away and that Hindi will become the only language of the country. In that case I am prepared to withdraw my Bill right now. But if it is the desire that other State languages should continue, I must respectfully submit that it is my desire as a citizen coming from Rajasthan and as a proud Indian that the Rajasthani language must also have its due share and given equal status with the languages of our neighbouring States.

Often the argument is put forward that in Rajasthan there is not one language; there are various dialects. I shall go into that a little later. I can say this much. No matter what language and no matter in what country you have dialects changes will take place. They say in Rajasthan Jaipuri, Bikaneri, Jodhpuri, Udaipuri, etc. is spoken but it is true that it is the same language, the same derivation. If you go to the United States and visit the Northern States and the Southern States, the same English is spoken differently and there are dialect changes; yet it is called English.

AN HON. MEMBER: It does not sound like English.

DR. KARNI SINGH: You ought to answer that. Take England. You go to Wales, Scotland, or the London area or Southern England. They do not speak English the same way; it is still the Queen's English. Therefore to merely say that just because dialect changes have taken place and so Rajasthani is not a language, I am afraid, is not fair. You go to the villages today. Little children speak Rajasthani; they do not speak Hindi. I want to say that children in every corner of the country should learn to speak Hindi but that does not do away with the fact that Rajasthani is our

mother tongue. How the States in the South have developed because of their language and how the States in the East have developed because of their language. Because children at the smallest age are able to grasp what is being taught. I can tell you from my experience that in the smaller classes—Mr. Nahata would bear me out because we come from the desert regions—in the desert regions the school teachers have to teach Hindi by translating it first into Rajasthani and then explaining it in Hindi. That is not unusual because after all the child cannot grasp it all that quickly.

Because of the richness of its literature too it has a right to be recognised as a language; its right for recognition cannot be disputed, in my opinion. We only have to go the great Meera Bhajans which are world famous today; many of them are in Rajasthani and she came from Rajasthan: we are proud of her.

Dr. Becomfield, an eminent America Scholar has in his book "Language" also recognised Rajasthani as one of the major languages and place it as the 25th language of the world in relation to the number of people speaking it. Another great authority on languages, the late Sir Asutosh Mukherjee says.

"But Bardic (Rajasthani) poems are also important as literary documents. They have a literary value and taken together form a literature, which better known, is sure to occupy a most distinguished place amongst the literature of the new Indian vernaculars."

Dr. Tessitori of Italy who visited Rajasthan 75-80 years ago, while reviewing the work 'Krishna Rukmanir-Vell' by Rathore Prithviraj of Bikaner—one of my ancestors, I am proud to say—says:

[Dr. Karni Singh]

"This Veli of Krishna and Rukmani by Rathore Prithviraja of Biakaner, is one of the most fluent gems in the rich mine of Rajasthani literature."

Look at some of the published works. I have a list of 200 books here, far too many to read out. I have collected a whole lot of books here; they are all books in Rajasthani and it cannot be said that this represents a minority. There are far too many. I would like to make another quotation from another very learned scholar the Chancellor, in fact the pounder of the Benaras Hindu University, Pandit Madan Mohan Malviya:

"राजस्थानी वीरों की भाषा है। राजस्थानी साहित्य वीरों का साहित्य है। संसार के साहित्य में इसका निराला स्थान है। वर्तमान काल के भारतीय नवयुवकों के लिये उसका अध्ययन होना आवश्यक है। इस प्राण-से-भरे साहित्य और इसकी भाषा के उद्धार का कार्य होना अत्यन्त आवश्यक है। मैं उस दिन की उत्तुम्क प्रतीक्षा में हूँ, जब हिन्दू विश्वविद्यालय में राजस्थानी का सर्वांगपूर्ण विभाग स्थापित हो जायेगा।"

The picture of the great man hangs in the Central Hall. I will quote another great man, Rabindranath Tagore:

"भक्ति रस का काव्य तो भारत-वर्ष के प्रत्येक साहित्य में किसी न किसी कोटि का पाया जाता है, परन्तु राजस्थान ने अपने रक्त से जो साहित्य निर्माण किया उसकी जोड़ का साहित्य और कहीं नहीं पाया जाता।"

I underline the word bhasha because they say Rajasthani is only a dialect and not a language.

"राजस्थानी भाषा साहित्य में जो एक भाव है, जो एक उद्देश्य है, वह केवल राजस्थान के लिये ही नहीं सारे भारतवर्ष के लिये गौरव की वस्तु है। राजस्थानी भाषा के प्रत्येक दोहे में जो वीरत्व की भावना और उमंग है वह राजस्थान की मौलिक निधि है और समस्त भारत के लिये गौरव का विषय है।"

Now, we have to go back a few centuries. Abul Fazil in his book Ain-e-Akbari writes:

"Throughout the wide extent of Hindustan, many are the dialect that are spoken and the diversity of these that do not exclude a common inter-intelligibility are innumerable. These forms of speech that are not understood one of another are the dialect of Delhi, Bengal, Multan, Marwar—what we now call Rajasthan—Gujarat. Telingana, Marhatta Karnatik, Sindh; Afghan of Shal (between, Sindh, Kabul and Kandhar), Baluchistan and Kashmir."

Coming to the yardsticks of a language, The Sahitya Academy has laid down certain requirements before a language can be recognised. They are structurally independent language, grammar, continuous history and tradition for three centuries, and a dictionary. I will go through these one by one. Regarding grammar, we have this pamphlet:

राजस्थान भाषा प्रचार सभा, जयपुर द्वारा आयोजित आधुनिक राजस्थानी गद्य के सर्वमान्य रूप-निर्धारण की समस्या विषयक विचार गोष्ठी।

This refers to all the grammar books that have been published. Every language must have a dictionary. I think very few hon. members in this House would perhaps know that we

have a huge compiled work, a dictionary, in Rajasthani language. There are three volumes but I have only two, produced by the very notable scholar, Sitaram Lalsa, from Jodhpur.

AN HON. MEMBER: Is it from Rajasthani to Hindi?

DR. KARNI SINGH: I think it uses Rajasthani to explain Rajasthani. Then comes the requirements of literature. I have already exhibited to you a book list of 200 books. Then there should be periodicals. I have got here a complete list of periodicals brought out in Rajasthani from various parts of Rajasthan like Rahstra Bharti, Bikaner, Ledesar from Calcutta, Rajasthani Vir from Poona, Parampara from Jodhpur, Shodh Patrika from Udaipur, Sanyukta Rajasthan from Ajmer and so on.

Another requirement of a language is daily newspapers. Here is Marwar Times a daily published from Jodhpur in Rajasthani. There is the requirement that a language must be spoken by a very large number of people. It is my estimation that 2 crores of people residing within the State and 1 crore outside speak Rajasthani. Of course there are many people in the border areas who will be bilingual or multilingual. In North Rajasthan, Punjabi is spoken; in south Rajasthan Gujarati is spoken. In eastern Rajasthan, we have Brajbasha. These are quite natural.

Another argument put up against Rajasthani is that we do not have a script, whereas Gujarati, Tamil and other languages have a separate script. Rajasthani uses the Devanagari script. To that, my answer is simple. Marathi uses Devanagari script and still it is a separate language. The same should apply to Rajasthani also.

There is one very important quotation I must give the House and that is from Dr. Tessitori, which further strengthens the claim of Rajasthani

about structural independence, grammar and continuous history and tradition of three centuries;

"In Western India Shaursehi Apabhramsha was succeeded by that form of language which I have chosen to call Western Rajasthani and other Old Gujarati. This was in use over the whole of Gujarat and Western Rajputana and flourished till about the end of the 16th Century A.D. when finally developed into two distinct vernaculars—Modern Gujarati and Modern Marwari."

Dr. Tessitori has also said in the introduction to his notes on the grammar of the Old Western Rajasthani with special reference to Apabhramsha and Gujarati and Marwari:

"जिस भाषा को मैंने प्राचीन पश्चिमी राजस्थानी नाम दिया है और इन पृष्ठों में जिसका विवरण देने जा रहा हूँ वह शौरसेन अपभ्रंश की पहली संतान है। और साथ ही उनकी आधुनिक बोलियाँ की माँ है जिन्हें गुजराती तथा मारवाड़ी के नाम से जाना जाता है।"

तथ्य यह है कि जिस भाषा को मैंने प्राचीन पश्चिमी राजस्थानी के नाम से पुकारता हूँ उसमें वे सभी तत्व हैं जो गुजराती के साथ साथ मारवाड़ी के नाम से पुकारता हूँ उसमें वे सभी तत्व हैं जो गुजराती के साथ साथ मारवाड़ी के उद्भव के सूचक हैं और इस तरह वह भाषा स्पष्टतः इन दोनों की सम्मिलित माँ है।"

What more do you want?

Then, there must be research institutions in any language. I have got here a list of 13 research institutions:

[Dr. Karni Singh].

Sahitya Samiti, Bissau; Rajasthan Basha Prachar Sabha, Jaipur, Sadul Rajasthan Research Institute, Bikaner, Bharatiya Vidhya Mandir Shodh Pratishthan, Bikaner, Prachya Vidya Pratishthan Sabha, Bikaner, Prachya Vidya Pratishthan, Jodhpur, Chopani Shodh Pratishthan, Jodhpur, Sahitya Shodh Sansthan, Barunda, Jodhpur, Rajasthan Sahitya Akadunj, Udaipur, Rajasthan Bhasha Prachar Sabha, Jaipur and so on. They are representative of the whole State.

Another thing is there should be movie films in modern time in any language. I know of at least three Rajasthan films:

नानी बाई रोमायरो
रोठोड़ अमर सिंह
रामदेव पीर

May be Mr. Nahata will mention a few others.

श्री मूल चन्द डागा (पाली) आप
राजस्थानी में बोलिये ।

DR. KARNI SINGH: Sir, if I have your permission, I will speak in Rajasthan. Last time I was stopped because it is not a recognised language. I will be glad to speak in Rajasthan. If the other members cannot have a simultaneous translation, it is not my fault.

AN HON. MEMBER: Please continue in English.

DR. KARNI SINGH: Yes. Another thing, is, the modern of instruction should also be Rajasthan. When the integration of the States took place 25 years ago, the leaders, mostly Congress leaders, decided that Rajasthan would be a Hindi-speaking area and consequently the claim of Rajasthan went over board. I have before me here.

राजस्थानी भाषा-प्रचार समिति ।

परीक्षाओं का नियम अर पाठ्यक्रम ।

This gives the syllabus for education. So, this is a thing which very much exists today.

All India Radio today also broadcasts programmes in Rajasthan.

I think we have fulfilled all the requirements laid down by the Sahitya Academy and I do not see why Rajasthan cannot be recognised, now that it has already received a certain amount of recognition as a result of the Sahitya Academy having recognised it as being on par with the other languages of India last year.

Take the richness of Rajasthan language. We have bardic, folk lore, historical khyats and baten, religious, drama (khyal and rammat), novel, biographies, stories, poems, translations, etc. An innumerable number of sources are available.

I cannot conclude unless I once more make reference to some great leaders. But, before I do that, will quote Shri Sukhadia, the ex-Chief Minister of Rajasthan, who wrote to me when I made a request about the Rajasthan language:

"After giving very careful consideration of the matter, therefore, we have recommended to the Government of India that the Rajasthan language should be officially recognised by the All India Sahitya Akademi and in other forums as one of the literary languages of the country."

Then the great Jawaharlal Nehru, again, at the All India Sahitya Sammelan at Dinaipur said:

"हमें यह बात साफ साफ समझ लेनी चाहिये कि बंगला, मराठी, गुजराती, तामिल, तेलुगू, कन्नड़, मलयालम

और राजस्थानी आदि अन्य प्रांतीय भाषाओं की तरफकी चाहते हैं, हर प्रांत में वहां की भाषा ही प्रथम है। हिन्दी या हिन्दुस्तानी राष्ट्रभाषा प्रवश्य है और होनी चाहिये, लेकिन प्रांतीय भाषाओं के पीछे ही आ सकती है।”

Having said all this, I can only say this much that we, the people of Rajasthan, are not destructive. We want to see this country become one strong, homogenous, great nation so that we can stand up with our heads high and say we are Indians. But the diversification of the various languages in the country cannot be ignored. As Shri Nehru himself has said, we want that a rightful place is given to all our languages. Then, like our neighbours in Punjab, Gujarat, Maharashtra and some other States who speak their own language, we can also proudly speak our own language. At the same time, make Hindi the *lingua franca* of India, make Hindi the link language of the country, thereby uniting the country. The Bill, therefore, seeks recognition of this language in the Eighth Schedule.

At this stage, I would like to clarify one point before anybody says anything to the contrary. It is not my desire at this stage that we should have the Rajasthani language to become the administrative language or the language for higher education. For that I would like the Central Government and the State Government to appoint a committee which will go into this question in great depth and then take their own decision whether the Rajasthani language, once it is given recognition, should be made into an administrative language or a language for higher education or not. That, I think, is a decision that should be left to experts.

So, I commend this Bill for consideration and passing by this august House and I hope that Shrimati Indira

Gandhi, who I know is very fair-minded, who is the daughter of the great Jawaharlal whom I have quoted, would be sympathetic to our cause and will see that this Bill is accepted and passed.

Sir, I move:

“That the Bill further to amend the Constitution of India be taken into consideration.”

MR. DEPUTY-SPEAKER: Motion moved:

“That the Bill further to amend the Constitution of India be taken into consideration.”

There is a motion by Shri M. C. Daga for circulating the Bill for purpose of eliciting public opinion. Would he like to move it?

SHRI M. C. DAGA: I beg to move:

“That the Bill be circulated for the purpose of eliciting opinion thereon by the 31 March, 1973.”

*SHRI MADHURYA HALDAR (Mathurapur): Mr. Deputy-Speaker, Sir, I rise to support this Bill of Dr. Karni Singh on behalf of my party. The Rajasthani language should find a place in the Eighth Schedule of the Constitution. But while advocating its inclusion in the Eighth Schedule, Dr. Karni Singh appeared to have an apprehension that a conflict may develop between Rajasthani and Hindi. This perhaps is not unfounded but there need not be any conflict amongst various languages. Dr. Karni Singh has produced proof of the publication in various newspapers and periodicals and books in the Rajasthani languages and has also quoted from the sayings of many celebrated persons in support of his arguments for inclusion of Rajasthani in the Eighth Schedule. All this effort was perhaps not necessary because it is but natural that a language spoken by over two crores of Indians should

*The original speech was delivered in Bengali.

[Shri Madhuryya Haldar]

justly be recognised and included in the Eighth Schedule. Any negation of this will be unreasonable and unjust. Only 15 languages have been included in the Eighth Schedule of the Constitution. The Rajasthani language should also have been included therein long ago. Along with this, I will also say, Sir, that the Nepalese language is spoken by a large number of people in the Darjeeling district of West Bengal. Keeping in view the aspirations of the Nepalese speaking people and the agitations entered upon by them for a long time for recognition of their language, the Nepalese language should also be included in the Eighth Schedule. Some time back when our Prime Minister visited Darjeeling, the Nepalese speaking people there agitated before her for recognition of their language. They had also given call for a 'bandh' in this connection and that bandh was totally successful. All this goes to prove that the people speaking different languages in our multi-lingual country aspire for recognition of their own language and for gaining equal status with other languages in the country. I will further say that in addition to Rajasthani and Nepalese languages, the Santhali language should also find a place in the Eighth Schedule. The Santhali language is spoken by a large number of people in the Santhal Parganas of Bihar, in the Midnapore district of West Bengal, and in a large area in Orissa. This language should therefore be accorded due recognition. I will also like to point out that although we have accepted English as our official language, this language does not figure in the Eighth Schedule. Sir, English is the mother tongue of the Anglo-Indians and this has also been accepted in Nagaland and Meghalaya as the State language. I will therefore urge that English may also be included in the Eighth Schedule.

I am of the view, Sir, that all the languages spoken by a substantial number of people in India should be included in the eighth Schedule. The

Government should advance all the facilities and encouragement to these language to flourish and blossom. The whole of India may be visualised as a beautiful flower with all the languages forming its petals. I will conclude with a well known quotation which says "Let the hundred flowers blossom."

SHRI AMRIT NAHATA (Barmer): Mr. Deputy-Speaker, Sir, whenever the demand for the inclusion of a particular language in the Eighth Schedule is raised, it is quite often misunderstood. The languages included in the Eighth Schedule are not State languages; they are all our national languages. The spirit of the Constitution must be understood very clearly. Hindi is our State language, inter-State language and link language. The purpose of the Eighth Schedule is that Hindi shall draw from and enrich itself from the languages mentioned in the Eighth Schedule. That is the letter and spirit of the Eighth Schedule of the Constitution. Now, why should anybody deprive Hindi of enriching itself and drawing from Rajasthani?

MR. DEPUTY-SPEAKER: Could not that be done without putting in the Eighth Schedule?

SHRI AMRIT NAHATA: If Hindi is doing it already, then why should anybody oppose the inclusion of Rajasthani in the Eighth Schedule?

16 hrs.

It is in the interest of Hindi to draw liberally from Rajasthani. Rajasthani is not a dialect of Hindi. You ask any linguist anywhere in the world and he will tell you that Hindi is a derivative from Apabhramsha whereas Rajasthani is a derivative from Souraseni. They are two diametrically opposite language families. Gujarati, Sindhi and Rajasthani belong to one family. All these three languages are derivatives from Souraseni. They have nothing in common with Hindi.

What are essentials for a language? They are, grammar, syntax and dictionary. As my learned friend, Dr. Karni Singh said, we have a lexicon in Rajasthani in four volumes. This dictionary contains 2 lakh words in Rajasthani language. In Hindi, for example, we have gender in verb.

राम जाता है । सीता जाती है ।

Many people, Bengali-speaking people, do not understand what is this. They often mix up masculine and feminine genders. Probably, south Indians also. If it is a small booklet, it is feminine; if it is a book, it is masculine.

बच रखा है । पुस्तक रखी है ।

In Hindi, we have gender in verb. In Rajasthani, we do not have it.

मैं जाऊँ,

whether it is a man speaking or a woman speaking. It is a qualitative difference from Hindi language. The syntax is different from Hindi language. Sanskrit is also like that.

Sir, the sub-conscious fear is that if Rajasthani is included in the Eighth Schedule and if about 3 crore people are considered as Rajasthani-speaking people, the number of Hindi-speaking people will shrink. Now, this fear is baseless. We are champions of Hindi. In this very House, whenever the question of Hindi arises, we have championed the cause of Hindi. Even now, while I support the cause of Rajasthani, I am for Hindi. Hindi should not depend for its claim of becoming the national language only on the numbers of the people who speak that language. On paper, you may say, 3 crores additional people speak in Hindi. But, in fact, they do not.

Today, if any doctor goes to Rajasthan, in any corner of Rajasthan, in any village of Rajasthan, if he does not speak and understand Rajasthani, he can never diagnose a disease. If a judge does not understand Rajasthani, he can never record evidence. If a

politician does not speak and understand Rajasthani, he can never win elections in any part of Rajasthan. If an administrator does not speak or understand Rajasthani, he cannot administer in any part of Rajasthan. *De facto* Rajasthani is the State language of the Rajasthan. In panchayati raj institutions, in gram panchayats, in panchayat samities, in zila parishads, the actual deliberations take place in Rajasthani. In courts, in offices, people speak Rajasthani. It is the spoken language of Rajasthan. Therefore, it is the rightful claim of Rajasthani to get an honourable place in the Eighth Schedule.

It is true Rajasthani has many dialects. So has Hindi. Hindi spoken by people in eastern U.P. is different from Hindi spoken by people in western U.P. Each language has its dialect. That proves that Rajasthani too is independent language. These language question cannot be decided on political grounds. The linguists, the authorities on languages, have all agreed that Rajasthani is a language. That is why the Sahitya Akademi has already awarded recognition to Rajasthani language. The authorities on languages are unanimous, right from Prof. Tassitorty to Tagore, from Nehru to Shri Jai Narain Vyas. Dr. Sunil Kumar Chatterji who was the first Chairman of the Language Commission and a few other literary figures all are agreed that Rajasthani is an independent language.

Last time when we discussed this question, Shri Gokhale said, he is not opposed to this demand but the fear is that many languages will clamour for inclusion in the Eighth Schedule. What is the harm? The more the diversity, the more the variety, the more the richness we have in our cultural and literary field of our country, the more enriched, the more beautiful and more glorious our national heritage becomes. In this cultural and literary garden of ours let many flowers of different hues bloom. That will

[Shri Amrit Nahata]

enrich our national life. Therefore, I am not of the opinion that more languages in the Eighth Schedule will mean disintegration. Integration and unity does not mean uniformity. Unity in diversity is the real unity. And we are of course, for unity. But that type of unity is a fascist unity. Nehru used to speak again and again emphasizing the richness, the variety, the diversity, that is there in our country.

Lastly, I would only give you one interesting illustration of how a politician was contesting elections in Rajasthan and who did not speak and understand Rajasthani. He went to a village of Rajasthan. A loud-speaker was fitted on his jeep. He started speaking in Hindi and he wanted to explain to the illiterate people of that village the distinction between democracy and autocracy, the difference between the feudal system and the democratic system. So, in Hindi he used to say:

संस्कृत और राजस्थानी का अन्तर
मसना चाहिये ।

He went on explaining the distinction, the difference, between various systems. Now, *Anter* in Hindi means, difference; but in Rajasthani, it means, scent. Some youngman was listening to that. He was newly married. When he went home he found his newlywed wife very angry. He asked, "Why are you so angry?". She replied, "That man selling scent came to the village. Why have you not brought a bottle of scent for me?". *Anter* was understood by the villagers as scent. He was explaining the difference between democracy and autocracy. But people thought that he was a pedlar selling scent. That is the story going round our various parts of the country.

Don't deprive our children from learning through their mother-tongue. All educationists all over the world

agree that the medium of instruction must be mother-tongue. You are handicapping millions of our children, you are retarding their intellectual growth, by fostering on them a language which they do not learn with mother's milk. Therefore, to do justice to school-going children, let Rajasthani be introduced as a medium of instruction so that our boys and girls also contribute their mite towards general overall national welfare.

SHRIMATI GAYATRI DEVI OF JAIPUR (Jaipur):

Mr. Deputy-Speaker, Sir, I rise to support Dr. Karni Singh's Bill. Dr. Karni Singh has given such an interesting speech and has given so many reasons why Rajasthani should be put in the Eighth Schedule. Mr. Amrit Nahata has also supported this Bill. So, there is not really very much for me to say except that I too like the rest of Members of the House do not feel that this should be a political issue. Nobody is arguing with the fact that we wish Hindi to become our national language. As speakers before me have said, it would be a very sad day if the Rajasthani children were not taught and brought up in their mother-tongue. I myself said when this issue of Hindi was being raised, that the people in Bengal from where I come would feel it very bad if one day their children could not read Bengali and have to read the Hindi translations. The same applies to Rajasthani. There is such a rich cultural heritage all over our country, and if we are going to ignore this, very soon we will find that children in this country, in the coming generations, have forgotten their mother-tongue. Sanskrit is now a dead language. Palli is now a dead language, and there are certain other dead languages in India. Let us not be responsible for being a party to making languages like Rajasthani and other rich languages of our country dead within a few generations. That is why, I would beg of the members of this House not to consider this as a political question but realise that, if we

want the cultural heritage in India to be varied and rich, the language of Rajasthan should be included in the Eighth Schedule.

श्री पद्मासाध बाबसाह (गंगानगर) :

उपाध्यक्ष महोदय, राजस्थानी के प्रश्न पर हमारे साथी डा० कर्णी सिंह ने जो विधेयक प्रस्तुत किया है उसका मैं हृदय से समर्थन करता हूँ। दरभस्स में राजस्थानी में बोला या उसके बाद जो रिपोर्ट उसकी आई वहां पर जोरो लिख दिया। चूंकि उन्होंने कहा कि यह भाषा हमारे संविधान में नहीं है इसलिये उसको लिखा ही नहीं।

16.13 hrs.

[Shri R. D. Bhandare in the Chair]

मैं आपका अधिक समय नहीं लेना चाहूंगा। इतना ही कहूंगा कि राजस्थानी भाषा में 7 लाख ग्रन्थ हैं और वह एक बहुत ठोस संजीदा भाषा है। मैं आपको राजस्थानी का एक उदाहरण देना चाहता हूँ यह बतलाने के लिये कि मैं राजस्थानी भाषा जानता हूँ। मैं जानता हूँ कि डा० कर्णी सिंह ने जो विधेयक प्रस्तुत किया है वह पास नहीं होगा क्योंकि जब वोट देने का अवसर आयेगा तब पार्टी के अनुशासन के नाते अपने दिल पर छुरी रख कर और मन को भस्म कर, आत्मा की हत्या करके हम को विधेयक के विरुद्ध वोट देना पड़ेगा, लेकिन यह हमारे दिल की बात नहीं होगी। राजस्थानी में कहा है कि :

गिर मोरां वन कुंजरां, आम्बा रस सुआ,
जन्मभूमि कट वचन और मायड़ भाषा विसर
सामुआ।

इस राजस्थानी में अंगार रस, वीर रस सभी कुछ है। राणा प्रताप के सम्बन्ध में इस प्रकार की कहावत है कि :

जननी तू ऐसा पूत जण जेड़ा राणा प्रताप
अकबर सुता औज के जाणे सिराने सांप।
राजस्थानी भाषा में एक ही शब्द के लिये
अनेक शब्द हैं। मैं आप से बतलाऊंगा कि

राजस्थानी में ऊंद और ऊंदनी के लिये सांड
सांडनी, टोड़ियो, टोड़ड़ी और जकियां
करमलिया आदि शब्द आते हैं, इसी प्रकार
नाय और बैल के लिये टोपड़ियो, टोपड़ी,
वाछड़ियो, वाछड़ी, डूडियो, डूडड़ा आदि
शब्द आते हैं, इसी तरह से भैंस और भैंसे के
लिये झोटा झोटी, कट्टा कंटी, पाडियां
पाडकी आदि शब्द आते हैं। चूंकि राजस्थानी
भाषा में सात लाख ग्रन्थ हैं इसलिये कम से
कम साहित्यिक दृष्टि से तो मान्यता दे ही
देनी चाहिये। आपने पहले संविधान में चौदह
भाषायें रखी थीं। उसके बाद संशोधन करके
एक और भाषा को मान्यता दी है। राजस्थान
में ढाई करोड़ लोग राजस्थानी भाषा को
बोलते हैं और बाहर एक करोड़ राजस्थानी
भाषा को बोलते हैं और बाहर एक करोड़
राजस्थानी भाषा भाषी लो रहते हैं। इस
तरह से अगर आप साढ़े तीन करोड़ लोगों
द्वारा बोली जाने वाली भाषा को मान्यता
नहीं देते हैं तो यह राजस्थान के साथ अन्याय
होगा।

कुछ लोगों ने कहा कि दक्षिण में कुछ
ऐसे लोग हैं जो अंग्रेजी का समर्थन करना चाहते
हैं और हिन्दी भाषा भाषियों की संख्या में से
राजस्थानी वालों को कम करके अंग्रेजी को
महत्व देना चाहते हैं। मैं अंग्रेजी के विरुद्ध
नहीं हूँ, न किसी की मातृभाषा अथवा प्रादेशिक
भाषा के विरुद्ध नहीं हूँ, मैं कहना चाहता हूँ कि
सारी भाषायें देश की भाषायें हैं। अपने अपने
प्रदेश में लोगों को उनको बोलने का अधिकार
है और वह वहां सब फूले फलें। लेकिन मैं राज-
स्थानी भाषा की सुन्दरता आप के सामने
वर्णन करना चाहता हूँ। जेठ वैसाख की गर्मी
के बाद असाढ़ के महीने में जब बादल थोड़ा
बरसते हैं तब तालों में थोड़ा थोड़ा पानी भर
जाता है। एक बार ऐसे ही समय दो सहेलियां
अपने सिर पर घड़े रखते हुए बरसात का
पानी भरने जा रही थीं। रास्ते में देखा कि
एक हरिण और हरिणी जो बहुत प्यासे थे

[श्री पद्मलाल बाह्यान्]

पानी पीने के लिये एक झील पर गये। दोनों में बड़ा प्रेम था। हरिणी ने हरिण से कहा कि पहले तू पी, हरिण ने कहा कि नहीं पहले तू पी। इसी तरह करते करते दोनों प्यास के मारे मर गये। उनको देख कर एक सहेली ने कहा दूसरी सहेली से कि यह दोनों कैसे मर गये।

खड्यो ने देख्यो पारधी लग्यो न देख्यो बाण
हूं तने पूछूं सविद्यां। किस विधि तज्यो प्राण।

तब दूसरी सहेली कहती है कि तू बावरी है।

जन थोड़ा नेहा घगा लग्या प्रीति का बाण
तू पी तू पी कहता दया दोनों तज्यो प्राण।

यह भाग राजस्थान की है मैं हृदय से सरकार से प्रार्थना करता हूं कि साठे तीन करोड़ लोगों की राजस्थानी भाषा को उसको मान लेना चाहिये। यहां पर श्री पहाड़िया है। वह राजस्थान में चुन कर आये हैं और डिप्टी मिनिस्टर बने हुए बैठे हैं, लेकिन राजस्थानी भाषा की बात की जाती है तब वह उसका विरोध करते हैं। यह उनके लिये शोभा की बात नहीं है। वह गवर्नमेंट के आदमी हैं तो न्यूट्रल रह सकते हैं, लेकिन इस तरह से राजस्थानी का विरोध करेंगे तो उनके लिये राजस्थान में प्रवेश करना मुश्किल हो जायेगा। उनको शर्म आनी चाहिये कि राजस्थान के प्रतिनिधि होकर वह राजस्थानी भाषा का विरोध करते हैं।

SHRI P. K. DEO (Kalahandi): Mr. Chairman, this country is a very rich tapestry in which various cultures and languages have been inter-woven to make it a beautiful whole, and among the various languages, 14 languages have got recognition and are found in the Eighth Schedule of the Constitution.

If you trace the history of the languages, you will find that a great work has been done in 1903 by Prof. G. A. Grierson. Regarding Rajasthani

language, he has published as many as twelve volumes and those have been re-printed after independence under the auspices of Dr. S. Radhakrishnan when he was President of India. Regarding Rajasthani, he writes:

"Rajasthani means literally the language of Rajasthan or Rajwara, the country of Rajputs. The name as connecting a language has been invented for the purposes of this survey in order to distinguish it from western Hindi on the one hand and from Gujarati on the other."

So, it is quite different from Western Hindi or Gujarati. To call it an offshoot or branch or dialect of Hindi will not be doing justice to Rajasthani. If you come to modern times, the expert view on the subject is this. Dr. Suniti Kumar Chatterji, the National Professor for Literature and now the President of the Asiatic Society of Calcutta, has written a book, *The Languages and Literatures of Modern India*, and there he has expressed his concern that in addition to the above, Sindhi, Rajasthani, Nepali, Bhojpuri and Mithili, among the other Aryan languages, deserve special treatment. Now, Sindhi has got its rightful place and has been included in the Eighth Schedule of the Constitution and that took place in the Third Lok Sabha when Shri U. M. Trivedi, the leader of the Jana Sangh, brought a non-official Bill to include Sindhi because a large number of refugees came after the Partition from Sind and they settled in this country. He wanted that their language should get a rightful place among the various national languages of this country and his non-official Bill was more or less accepted and after an assurance, he withdrew that Bill and the Government, *suo motu*, brought the Twenty-first Constitution (Amendment) Bill in which Sindhi was included among the national languages of the country.

It should be mentioned here that there is no Sind State now even though

(Amendment) Bill

in our national anthem we say Punjab, Sind, Gujarat, etc. There is no Sind State now.

Even then Sindhi has got its rightful place. Similarly, Rajasthani which is a very rich language and has a heritage of its own and Dr. Suniti Kumar Chatterji has given ample evidence that it should find its rightful place.

I congratulate my colleague, Dr. Karni Singh, my distinguished colleague, for bringing forward this Bill and it reminds me that in the late 19th century, when Orissa was a part of Bengal and accidentally, Calcutta became the capital of the British empire, as a spring board for their imperialist expansion, they wanted to include Oriya as a dialect of Bengali and they wanted to introduce Bengali as the court language and a circular was also issued. But, at that time due to the unique and patriotic service of Maharaja Ramachandra Bhanjdeo of Mayurbanj and Sir Raja Bir Basudeo Sudhaldho of Bamra under whose patronage the Oriya writers flourished and Oriya had its rightful place. And, when States were carved on the basis of language, the various groups of the Oriya-speaking people who were spread in the former Madras Presidency, in Madhya Pradesh and in Bihar and in Bengal, were all put together and the State of Orissa was formed in 1936 along with Sind.

Similarly, I take this opportunity to congratulate Dr. Karni Singh that he has espoused a very good cause and there should be no two opinions to support this Bill. I know it will be very difficult to get passed a non-official Bill with this thin attendance in the House. But the Government should come forward with an assurance and I request Dr. Karni Singh to withdraw his Bill so that the Government may come forward to bring their own Bill.

Unless these things are done and unless the various national languages get their rightful place in the country, dissimilar tendencies of dissension will spring up and we may become a party to it. Now, the question of Mulki Raj and Telangana are agitating the minds of my friend, Mr. Raghu Ramaiah and the M.Ps of Andhra Pradesh. We do not want that such things should happen. That can only happen if rightful recognition is made of Rajasthani language as a national language and it finds a place in Schedule VIII of our Constitution.

Thank you, Sir.

श्री मूलचन्द झागा (पाली) : राजस्थानी होने के नाते मैं बड़ी विषम परिस्थिति में पड़ा हुआ हूँ। लेकिन फिर भी जो बात मेरे मन में है और जिस को मैं ठीक समझता हूँ वही कहना चाहता हूँ। मैं किसी बात की चिन्ता नहीं करता। मैं समझता हूँ कि कभी कभी हम राजस्थानी राजस्थानी भाषा को समझते हैं या नहीं समझते हैं लेकिन अंग्रेजी में अपने भाषण करते हैं और बड़ी बुलन्द आवाज में कहते हैं कि राजस्थानी भाषा को मान्यता चाहिये। शुरू से अन्त तक यही राजस्थान वाले कहते गए हैं। मैं बड़े आश्चर्य में पड़ गया। मैं सोचता हूँ कि क्या वाकई में संविधान में जो व्यवस्था भाषाओं के सम्बन्ध में की गई है उसकी पूर्ति हुई है। आप आर्टिकल 344 और 345 को देखें। मुझे नहीं मालूम कि इन आर्टिकल्स का मतलब मेरे मित्र समझ चुके हैं या नहीं समझ चुके हैं। आर्टिकल 344 में कहा गया है कि इस कांस्टीट्यूशन के अमल में आने के पांच साल बाद और उस अवधि को पूरा हो जाने के दस साल बाद कमिशन बठेगा। आज पच्चीस साल हमें स्वतंत्र हुए हो गए हैं। मैं जानना चाहता हूँ कि कहां इस चीज को लाया गया है और कहां यह चीज आती है। आपकी स्टेट ने इन्दी को अपनी भाषा एडाप्ट किया

[श्री मूलचन्द डागा]

है। राजस्थान ने कहा कि हमारी भाषा हिन्दी होगी। कालेजों के अन्दर आपने टू लैंग्वेज फार्मुला रखा है। कहां उस में आपने मातृभाषा रखी है और कहां आप ने टू लैंग्वेज फार्मुला रखा है। हमारे बाळपाल जी ने बड़े जोश के साथ श्रंगार रस और बीर रस की कविताएं आपको सुनाई हैं। मैं जानना चाहता हूं कि किस कालेज या यूनिवर्सिटी ने इन भाषाओं या बोलियों के बारे में कहा है कि इनका अध्ययन होना चाहिये किस ने इनको रखा है। अगर आपको राजस्थान के टुकड़े टुकड़े करना है अगर आपको राजस्थान का विभाजन करना है तो आप यह कर सकते हैं। माननीय सदस्य ने कुछ हिम्मत के साथ लेकिन डरते डरते कहा है तीन करोड़ लोग राजस्थानी बोलते हैं। मैं चुपचाप उनके भाषण को सुनता रहा हूं और सोचता रहा हूं कि शायद वह बड़ी जिम्मेदारी से बात कह रहे हैं या कोई एनसाइक्लोपेडिया है। लेकिन मैं उन से पूछना चाहता हूं कि सिरोंही का सारा इलाका क्या गुजराती भाषा नहीं है? अगर आपने राजस्थानी भाषा को इस तरह से मान्यता दे दी है तो क्या वह इलाका आपके साथ रहेगा या वे लोग अहमदाबाद या गुजरात के साथ जाना पसन्द करेंगे। वे गुजरात में घुस जाएंगे। राव साहब भी विशाल हरियाणा की बात करते हैं। वे कहेंगे कि हिन्दी भाषी इलाके विशाल हरियाणा में मिलें और जहां हिन्दी बोली जाती है वे हरियाणा में आना पसन्द करेंगे। हमारे राज बहादुर जी भरतपुर के रहने वाले हैं। वहां ब्रज भाषा बोली जाती है। वे लोग कहेंगे कि हम राजस्थानी नहीं समझते हैं और हम ब्रज भाषा भाषी इलाके के साथ मिलना चाहते हैं। क्या आपने राजस्थान के टुकड़े टुकड़े करने की बात सोच रखी है?

भाषा राजस्थानी भाषा हमने कब मना किया है कि समुद्र न हो। राजा महाराजाओं ने यह भाषा दी है बड़े बड़े कवि आते थे जोकि उनके गुणगान करते थे उनकी शोभा बढ़ाते थे राज महलों में यह प्रचलित भी थी। आप इस भाषा को तथा इन बोलियों को ग्रन्थों में रखें साहित्य की भाषा बनाएं और इसको समुद्र करते चले जाएं। कोई मना नहीं करता है। जो बात मैं कह रहा हूं इसको कहने की कौन राजस्थानी हिम्मत करेगा? मैं जानना चाहता हूं कि कौन सी कोर्ट ने राजस्थानी में जजमेंट दिए हैं। आप हाई कोर्ट को देखें सेशन कोर्ट को देखें दूसरी कोर्ट्स को देखें। किस ने राजस्थानी में जजमेंट दिए हैं? जो वकील हैं वे बहस भी इस में नहीं करते हैं। बीकानेरी बोलने वाले हैं मेवाड़ी बोलने वाले हैं वे क्या राजस्थानी को अपनाएंगे? कोई मेवाड़ी बोलता है कोई मारवाड़ी बोलता है। ये भाषाएं आपकी भाषा से बिल्कुल अलग हैं। भीलवाड़ी जो बोलते हैं वह भाषा भी बिल्कुल अलग है। हर तीस कोस पर भाषा बदल जाती

श्री पन्नालाल बाळपाल : एक एक गांव और एक एक कोस पर भाषा बदलती है।

श्री मूलचन्द डागा : राजस्थान की अलग अलग बोलियां हैं। मेवाड़ी अलग भाषा है मारवाड़ी अलग है कुछ लोग बीकानेरी बोलते हैं कुछ शेखावटी भाषा बोलते हैं। आप कहते हैं कि तीन करोड़ लोग राजस्थानी भाषा बोलते हैं। कहां बोलते हैं?

यहां पर किताबें कोर्ट की गई हैं। हम लोग यहां लाइब्रेरी में जाते हैं। मैं आप से पूछना चाहता हूं सभापति महोदय, कि कौन सा पक्ष आपने वहीं राजस्थानी

[श्री मूलचन्द डागा]

में देखा है जो प्रकाशित होता है । दो चार नाम ले लिए जाते हैं । बंगाल में जो राजस्थान के लोग गए उन्होंने चूँकि उनकी दूकानदारी नहीं चलती थी इस वास्ते दूकान-दारी चलाने के लिए पाँच दस साहित्यकारों को, कवियों को इकट्ठा कर लिया और कह दिया कि राजस्थानी भाषा को प्रोत्साहन देना चाहिये और इसको सुरक्षित रखना चाहते हैं । लोग अपने जीवन में, अपनी दिनचर्या में कहीं इस भाषा को नहीं लाते हैं । इस भाषा की हिमायत करने वाले लोगों को कहते हैं, उनको सलाह देते हैं कि इस भाषा को अपनाओ । अगर किसी भाषा में दौलत है, साहित्य है, तो लोग उस को पढ़ेंगे, उस की तरफ लोगों का खिचाव होगा । किस ने पढ़ने से मना किया है ? (व्यवधान)

कांस्टीट्यूशन का आर्टिकल 344 इस प्रकार

"In making their recommendations the Commission shall have due regard to the industrial, cultural and scientific advancement of India."

"The President shall at the expiration of five years from the commencement of this Constitution and thereafter at the expiration of ten years from such commencementconstitute a Commission...."

आज पच्चीस साल हो गये हैं । पन्द्रह साल तक तो किसी ने यह नहीं कहा है कि राजस्थान वाले यह माँग करते हैं कि हमारी प्रादेशिक भाषा राजस्थानी होनी चाहिए, हिन्दी हमारी लिम्बा फ्रँका होनी चाहिए और तीसरी भाषा होनी चाहिए । ऐसा कोई फार्मूला एडाप्ट नहीं किया गया है । इस बिल को पेश करने वाले माननीय सदस्य स्वयं जहाँ कहीं भाषण देते हैं, वह हिन्दी में देते हैं ।

असल में बात यह है कि कुछ लोगों की यह माँग करने की आवश्यकता ही हो गई है कि उत्तर प्रदेश में ब्रज भाषा को स्थान दिया जाये, बिहार में भोजपुरी को स्थान दिया जाये आदि, हमारे देश में न जाने कितनी बोलियाँ हैं ।

माननीय सदस्य कुछ ग्रन्थ भी लेकर आए हैं । वह एक भी राजस्थानी की किताब बतायें, जो किसी यूनिवर्सिटी में, एम० ए० के कोर्स में, पढ़ाई जाती हो । श्री साल्वे बड़े गौर से भाषण सुन रहे हैं । वह माननीय सदस्य से पूछें कि उन्होंने राजस्थानी की कौन कौन सी किताब पढ़ी है । माननीय सदस्य ने कुछ अखबारों के भी नाम दिये हैं । वे हिन्दी में लिखते हैं और कह दिया कि वे राजस्थानी के हैं । वे खुद उन को पढ़ते नहीं हैं ।

DR. KARNI SINGH: I don't think it is correct to make personal remarks whether any Member reads something or not. He should state his case.

श्री मूलचन्द डागा : माननीय सदस्य, ने यह भी कह दिया कि तीन करोड़ लोग राजस्थानी भाषा बोलते हैं । यह सुन कर मैं बड़े आश्चर्य में पड़ गया, क्योंकि राजस्थान की पापुलेशन भी तीन करोड़ नहीं हुई है ।

मैं कहना चाहता हूँ कि अगर इस तरह भाषा का प्रश्न उठाया गया, तो राजस्थान में झगड़े पैदा होंगे । अगर हम ने राजस्थान को संगठित मजबूत और अभिन्न रखना है, तो उस की एक ही भाषा होनी चाहिए, और वह हिन्दी है । मैं चाहता हूँ कि डा० कर्णी सिंह राजस्थानी के अच्छे अच्छे स्तालर पैदा करें, उस का अच्छा साहित्य दें । अगर श्री बारूपाल दुनिया से चला जायें, तो अपना कोई शिष्ट तो छोड़ जायें । आज सारे विद्यार्थी हिन्दी पढ़ते हैं । आज राजस्थान

[श्री मूलचन्द डागा]

में प्राइमरी स्कूलों में राजस्थानी नहीं, बल्कि हिन्दी पढ़ाई जाती है। इस बिल के बड़े हिमायती, श्री अमृत नाहाटा, ने कहा है कि अगर राजस्थान में कोई हिन्दी बोलता है, तो लोग उस को नहीं समझते हैं उन के क्षेत्र में श्रीमती इन्दिरा गांधी के भाषण होते हैं, श्री अटल बिहारी वाजपेयी के भाषण होते हैं, राजनैतिक पार्टियों के बड़े-बड़े नेताओं के भाषण होते हैं, लेकिन वे सब राजस्थानी में नहीं बोलते हैं, बल्कि हिन्दी में बोलते हैं और लोग समझते हैं। आज हाउस में श्री बीरेन्द्र सिंह राव नहीं हैं, वरना विशाल हरियाणा और हिन्दी की बात करते।

SHRI MADHURYA HALDAR: While campaigning for election she travelled in the interior of West Bengal where people do not know A. B. C. of Hindi, still she spoke in Hindi there.

श्री मूलचन्द डागा : बंगाल के लोग सब हिन्दी जानते हैं। वे हिन्दी की पिक्चर्स खूब देखते हैं। (व्यवधान)

सभाति महोदय, मैंने एक प्रस्ताव रखा है कि इस बिल को लोगों की राय जानने के लिए सर्कुलट किया जाये, ताकि पता लग सके कि राजस्थान के कितने लोग माननीय सदस्य की बात का समर्थन करते हैं। मैं चाहता हूँ कि इस बारे में राजस्थान की राय जान ली जाये। मैं कहना चाहता हूँ कि सारा राजस्थान हिन्दी में विश्वास करता है और हिन्दी बोलता है। राजस्थान की बोली राज महलों तक रहे और वह आगे बढ़े, मुझे इस पर कोई एतराज नहीं है। लेकिन राजस्थानी का हमारी भाषा होने का सवाल ही नहीं है।

SHRI G. VISWANATHAN (Wandiwash): I am very glad that my hon. friend Dr. Karni Singh has brought forward this Bill once again, for the

second time, in the Lok Sabha. Last time in 1968-69, he brought this Bill. It was debated. But now I find a marked change in the debate. At that time the Members of the ruling Congress Party were opposed to the Bill. To my surprise most of them are supporting this Bill, except Mr. Danga. All the Members belonging to Swatantra Party or ruling Congress or Independents like Dr. Karni Singh are in favour of including Rajasthani language in the Eighth Schedule of the Constitution. I would like the Members from Rajasthan, apart from taking up this Bill and advocating the cause of Rajasthani, to persuade the Rajasthan Assembly to pass a Resolution for Rajasthani to be included in the Schedule so that they can take action immediately, as they cannot say 'No' to the unanimous resolution passed by the State Assembly.

What is the position of Rajasthani? I have gone through the census of 1961 and 1971. Other language-speaking people numbers are going up. But this Rajasthani-speaking group number is coming down at a very fast rate. According to 1961 census the number of urban and rural population, speaking Rajasthani stood as follows:

Male 77,46,357

Female 71,86,659.

Total 1,49,33,016.

You will be surprised to find the position in the 1971 census. According to the reply given by the Deputy Minister of Home Affairs on the 13th December 1972, only two days back, the total figure of Rajasthani-speaking people is 20,93,557. How can this be, Sir? It is nothing but a manipulation. It is connivance and conspiracy of this Government and there is subservient Government in Rajasthan. You prove it. How can you account this? It was 1,49,33,016 in 1961. How can it come down to 20 lakhs now? How can you account it? This is nothing but

manipulation, and what is the purpose? They have got ulterior motive. Some of the hon. Members may not agree with me. The motive is to inflate the figure of Hindi-speaking people, to boost up the figure of Hindi-speaking people; they manipulate and bring down the number of other language speaking people of the country. This is not good for the people of the country. For the Census Department, it is the Home Ministry which is in charge. Now, I would like to quote from Dr. Radhakrishnan and others, so that the Members who do not agree with me..

SHRI N. K. P. SALVE (Betul): If the hon. Member would just permit me, I would like to point out that Dr. Karni Singh has absolutely no quarrel if Hindi is introduced in all the States. He has already stated it.

SHRI G. VISWANATHAN: I differ from him. The hon. Member knows that I differ from him also on this subject.

SHRI SHIVNATH SINGH (Jhunjhunu): He cannot make these baseless charges. They may be speaking both the languages.

SHRI G. VISWANATHAN: If he disputes it, let him prove it. This was what Dr. Radhakrishnan said:

"There are no doubt some fanatical advocates of Hindi who champion its use in spheres where regional languages can very well do duty and who feel that acceptance of a single language for the whole country is necessary to intensify national unity. Such a proposal can come only from the people utterly ignorant of the great treasures of literature and tradition enshrined in these languages whose elimination will be a profound national loss. Some of our regional languages are spoken by millions of people whose cultural progress can be envisaged only in terms of their own languages and not in terms of Hindi."

Among the languages spoken by millions of people, I think about two crores of people are speaking Rajasthani, and naturally it should find a place in the Eighth Schedule of the Constitution. When we have included 16 languages in the Eighth Schedule, why should we reject Rajasthani its pride of place?

I would like again to point out the position in regard to two of the languages among the 16 languages included in the Eighth Schedule. Take the case of Sanskrit. According to the 1971 census, those who had declared Sanskrit as their mother-tongue numbered 2212, and those who had declared Sindhi as their mother-tongue numbered 12,04,878. A language spoken by 2000 odd people is included in the Eighth Schedule. I do not know why Rajasthani is being denied of its place. That is why I say that there is an ulterior motive.....

SHRI VASANT SATHE (Akola): That is not so; Sanskrit is the mother-tongue of so many languages.

SHRI G. VISWANATHAN: That may be so. I have no quarrel with it. But why should we reject Rajasthani? That is my argument.

I would like to quote what Dr. Suniti Kumar Chatterjee, undoubtedly an authority on languages, and a famous linguist had to say in this connection. I am quoting from the Report of the Official Language Commission. This is what he has stated:

"The recommendations will, in my opinion, bring about the immediate creation without intending to do so, of two classes of citizens in India—class I citizens with Hindi as their language, obtaining an immense amount of special privileges by virtue of their language only, and class II citizens who will be suffering from permanent disabilities by reason also of their language. This is bound to be the situation so long as non-Hindi-speakers like the Assam,

[Shri G. Viswanathan]

Bengal, Orissa, Andhra, Madras, Maharashtra and other peoples do not acquire a command over Hindi which can compare favourably with that of those persons who have Hindi as their only language of education....".

This is how we have created two kinds of citizenship in this country and this is worsening the situation.

10.44 hrs.

(SHRI N. K. P. SALVE in the Chair).

Again, I would like to quote what Dr. Suniti Kumar Chatterjee has said. He says:

"I honestly feel that I am seeing an incipient 'Hindi Imperialism', which will be all the more anti-national as Hindi has not yet acquired any pre-eminence over the other languages of India except its weight of numbers."

Here, I have a question to ask. According to the 1961 figures and the earlier figures in 1951, they used to bracket Hindi with other languages like Hindustani, Punjabi, Urdu, Maithili and say that 42 per cent of the people were speaking Hindi. But now an awareness of the languages has come, and a revivallism has come, and according to the 1971 census even according to the inflated figures, only 27 or 28 per cent are speaking Hindi.

Again, pointing out what the repercussion would be on the other languages, this is what Dr. Suniti Kumar Chatterjee says. If you are going to claim other languages as your language, what would it mean? Suppose I were to be a Hindi-speaking person, it would be a shame on me to claim somebody else's language as my language; it would be like claiming somebody's child as my own child.

Dr. Suniti Kumar Chatterjee then says:

"Those who habitually speak other speeches at home like Rajasthani,

Awadhi, Bagheli, Bhojpuri and even Maithili and Central Pahari, are now taking a hand at language-making in Khariboli Hindi frequently possessing neither the true Hindi (i.e. Western Hindi) inheritance nor the Sanskrit tradition. This peculiar situation has strong repercussions on the free and natural development of Hindi; its native speakers go one way, and those who have adopted it go another way. The result is largely a linguistic chaos.

According to the inflated figures, they are creating a chaos in the country.

Again, Dr. Suniti Kumar Chatterjee says:

"The situation was like this. North Indian peoples speaking different languages like Braj-Bhasha, Awadhi, Bhojpuri, Rajasthani, Garhwali, etc. took to Urdu (wherever English schools began first to function) and then to Khariboli Hindi, as their own speeches had not developed a prose style—they took up what was presented to them by the modern schools in the towns."

I think this replies to the point made by Shri M. C. Daga. Then Dr. Suniti Kumar Chatterjee further says:

"Now, they have persuaded themselves that because they speak and write Khariboli as the language of the school, they are a 'Hindi-speaking people' and their home languages are just 'dialects of Hindi'. Virtually, they are suppressing their home languages, the real mother-tongues, in favour of Hindi, which belongs properly to Western Uttar Pradesh, and Eastern Punjab and parts of Madhya Bharat, Madhya Pradesh and Rajasthan."

This is the real situation, according to him.

SHRI R. D. BHANDARE (Bombay Central): I would just like to make one correction. It is Cauhali and

not Gharwali; the term 'Gharwali' has a different meaning altogether.

SHRI G. VISWANATHAN: Since I do not follow the language I cannot pronounce it correctly. Even now, I do not follow what he is saying. I think even my hon. friend cannot claim to be proficient enough in Hindi; I think he has just started learning Hindi.

AN HON. MEMBER: Anyway, the difference between the two is the difference between Congress and DMK.

SHRI G. VISWANATHAN: What is the purpose of inflating the figures?

SHRI PLEOO MODY (Godhra): The difference is that between Garhwali and Gharwali. One is Garhwali and the other is Gharwali.

SHRI G. VISWANATHAN: The purpose is to show that more and more people are taking to the Hindi language. The purpose is that they want to have a claim that the real language of the majority of the people is Hindi. If we are going to deny the rightful place to Rajasthani and other languages, then what is going to be the repercussion. According to what Dr. P. Subbarayan has stated in his minute of dissent to the Report of the Official Language Commission, I find that:

"Hindi has been proposed only as the official language of India, but its enthusiastic supporters everywhere go much farther than that. They describe it as the National Language of India and give the impression that it is far superior to other languages and more worthy of being the official language. Our Prime Minister has pointed out that India has not one but fourteen National languages—he does not give any special pre-eminence to Hindi, and rightly so. Now that people in non-Hindi areas are faced with the task of learning Hindi with the idea of

making it replace English and they are being asked to help in the development of Hindi as something of a sacred duty they are naturally getting anxious and nervous and are reviewing their attitude towards Hindi."

SHRI SHAMBHU NATH (Saidpur): On a point of order. Are we discussing the inclusion of the Rajasthani language or are we discussing the question of Hindi?

THE MINISTER OF STATE IN THE MINISTRY OF LAW AND JUSTICE (SHRI NITIRAJ SINGH CHAUDHARY): On a point of order. I just want to know whether we are debating the question of Hindi or the inclusion of Rajasthani in the Eighth Schedule.

SHRI G. VISWANATHAN: I shall reply to that.

MR. CHAIRMAN: The point of order is for the Chair to reply to.

The hon. Member is making a point in reply to what Shri M. C. Daga had said, and saying that it is not as though Hindi is all pervasive, and, therefore, Rajasthani has to be given its own place....

SHRI SHAMBHU NATH: But he is bringing in the question of Hindi into this debate unnecessarily....

MR. CHAIRMAN: The hon. Member might disagree with him completely, but as long as he is relevant, it is open to him to make that point.

SHRI A. P. SHARMA (Buxar): He is not accepting even the correct pronunciation, namely Garhwali. Still he is saying Gharwali.

MR. CHAIRMAN: It is not necessary. Even if he makes an incorrect statement, as long as he is relevant, it is all right.

SHRI G. VISWANATHAN: What I am trying to point out is this. Here is a language which is spoken by about two crores of people and which wants to find a place of honour as we have given to 16 other languages in the country. We have accepted the theory of linguistic States. Apart from linguistic States even languages which are not spoken, which do not have a state of their own, like Sanskrit or Sindhi—we have honoured them by giving them a place in the Eighth Schedule of the Constitution.

AN HON. MEMBER: English is not one such language.

SHRI PILOO MODY: I may correct the hon. Member. English is the regional language of Nagaland.

SHRI G. VISWANATHAN: We have accepted all these languages and we should give due status to Rajasthani by including it in the Eighth Schedule of the Constitution.

At the same time I know that merely including it in the Eighth Schedule does not serve the purpose. It is for the Government of Rajasthan, the people of Rajasthan especially the representatives of the people of Rajasthan in that Assembly to come out with a unanimous resolution declaring Rajasthani as the official language of Rajasthan and saying that it should be included in the Eighth Schedule of the Constitution.

PROF. NARAIN CHAND PARASHAR (Hamirpur): Listening to the discussion for the inclusion of Rajasthani language in the Eighth Schedule of the Constitution gives the impression that it is some sort of a quarrel between Hindi and Rajasthani. In fact it is not and there is no quarrel. Let us set the record straight. Those who are demanding the inclusion of Rajasthani are also doing a national service. Because a language which is spoken on the soil of the country is as sacred as the country itself. The

Yajur Veda speaks of three goddesses Mother culture, Mother tongue and Mother country. Anybody who denies the sanctity of the mother tongue is as big a traitor as anybody who decries the sanctity of the motherland. Therefore let us accept the fact that mother tongue is the an object of veneration for the people who speak it and for the people who love it.

It is shameful for us that people from abroad should have come and worked on our languages and we should here decry our own language. It does not matter whether the number of speakers of a particular language is large or small. All that matters is that it is a living language. According to the answer to question No. 4173 tabled by me and answered by Shri F. H. Mohsin on the 13th of this month in the Lok Sabha Rajasthani has 20,93,557 speakers. These 20 lakhs of speakers are there according to 1971 census. According to 1961 census figure quoted by Shri Viswanathan the number was more. It is due to the reason that more and more people are claiming Hindi as their mother tongue. As a lover of Hindi I may issue one warning. The tendency to claim Hindi as the mother tongue is doing greater harm to Hindi in India than the biggest opponent of Hindi. Recently I had an opportunity of presiding over a conference of voluntary organisations of modern Indian languages organised by the Central Institute of Languages in Mysore. I could feel the pulse of the people under the impact of this tendency. The non-Hindi-speaking people were very much annoyed. If Hindi is to develop as an All India languages nobody has any objection and they would all welcome it. But the protagonists of Hindi must also realise that the development of the regional languages is a great step towards the development of Hindi. I want to quote from a book of Rahul Sanskritayan "*Prachin Nibandh Mala*" who says that the vocabulary thrown up by the regional languages of India would be for the benefit of Hindi and not for the detriment of

Hindi. Hindi would enrich itself if it calls upon the resources thrown up by the development of the regional languages spoken far and wide in India. Rajasthani would be one such language.

I would beg Members of Parliament each of whom represents 10 lakhs of people to consider the step taken by an august body like the Sahitya Academy. Is it manned by people who are ignorant in literature, who do not know the difference between Hindi and Rajasthani and the difference between a dialect and a language? It is headed by a national professor of India of the eminence of Dr. Suniti Kumar Chatterjee and it had accepted Rajasthani as one of the modern literary languages of India. What harm are people like Dr. Karni Singh doing by bringing it to the notice of the House? When the literature of that language is accepted by the highest scholars and eminent linguists of the country the law makers should also accept the verdict of such an expert body. When the national professor of India speaks, when eminent literary men and scholars speak I think it is duty of every Member of Parliament to listen to them with respect and see what they said.

The number of languages recognised by the Sahitya Academy whose founder President was Shri Jawaharlal Nehru, is twenty while the number of languages recognised by our Constitution is 16. What harm or damage have the speakers of those four languages which are not recognised in the Eighth Schedule of the Constitution done, I ask? Here is a point to consider.

Our Constitution, law, Government and Legislation all these are far behind the movement of literature and language. We cannot allow this to happen. The living languages of India and the speakers of these languages demand it as their right that those languages which are recognised by literary scholars and linguistic experts whom the world honours today, scholars of

the eminence of Dr. S. K. Chatterjee, must be enshrined and given their due place in the Eighth Schedule of the Constitution. By not doing so are we doing a service or a disservice? We are reducing ourselves to the most bitter kind of mockery when we deny them the right. There are persons like Shri M. C. Daga who deny the existence of their own mother tongue (Interruptions).

SHRI M. C. DAGA: You have not understood the point. Let me explain.

PROF. NARAIN CHAND PARASHAR: I did not interrupt you when you were speaking. I will explain what I mean.

MR. CHAIRMAN: No personal dialogue in the House

PROF. NARAIN CHAND PARASHAR: The question is why do we clamour for this? Why do we connect language with a particular religion and the dialect with the sect? Do we know the harm we are doing in this way by demanding all sort of divisions and by threatening others that if Rajasthani is included in the Schedule, Rajasthan would be divided? Rajasthan will stand united and India shall stand united, no matter what the number of languages in India are. If we do not take it into consideration history will pass an adverse verdict on us. Your census department can declare that there are 279 languages accepted as the mother tongue by their speakers in India who read, who live and who breathe and who dream in those languages. Should you not take this reality into consideration and accept the fact? According to the hon. Deputy Home Minister there are 279 languages which are spoken by more than 5000 persons each living in the villages and cities of India. I think the people who speak those languages are justified in demanding a place for their languages in the Eighth Schedule of the Constitution. I ask the hon. Minister for law one simple question.

[Prof. Narain Chand Parashar]

What is the Constitution meant for? Is it meant for reflecting the aspirations, hopes and dreams and ambitions of the people of India or is it meant to ignore those realities and facts which are reflected in the census figures voiced by the returning officers and the replies given to the questionnaires of people who went from door to door to collect informations? If you are going to ignore them what is the use of the census? If you do not recognise the reality of a living tongue mother tongue spoken in the villages of India in the postures and gardens of India you are doing a great injustice. So, I forcefully declare that Dr. Karni Singh is doing the right thing. It is an act of great service to India that he has pointed towards the inclusion of Rajasthan in the 8th schedule. There will be people in Himachal Pradesh who will claim the same thing for Pahadi and there will be claims by people speaking other languages also like Dogri in Jammu. Please make the Constitution a symbol of the aspirations and hopes of the people of India. If Russia can guarantee a large number of languages and still retain its sovereign and democratic character, India also can do it. Rajasthan would not be divided simply because we put one more language into the 8th schedule.

17 hrs.

Why should there be any demand for inclusion of any language in the 8th schedule? It is because, as the highest linguistic authority, Mr. Bloomfield has said in his Language which is called the Bible of Linguistics, a language flourishes by the support from the State. Otherwise, it will wither away. The country is witness to the fact that many languages have come and died because India did not have a government of the people belonging to this country to look after those languages. Languages have languished not because there were no speakers of those languages but because the Government was not supporting those languages. The State must support the language

spoken on the soil. Therefore, all the languages which are spoken on the soil are the right claimants for getting entry into the 8th schedule, on the attainment of a certain level of literary development regarded as sufficient by the expert body like the Sahitya Akademi and such of them as have been recognised by this august body must be included in the Eighth Schedule.

MR. CHAIRMAN: I want to ascertain the sense of the House. 2 hours were allotted for this Bill, but there are a number of speakers who want to speak. Does the House want to extend the time?

HON. MEMBERS: Yes.

MR. CHAIRMAN: All right. Time is tentatively extended by 1 hour. It will go to the next session.

SHRI RANABAHADUR SINGH (Sidhi): Mr. Chairman, Sir, I wholeheartedly support the most welcome move by Dr. Karni Singh. It comes to me as a surprise that even today in the 25th year of our democracy, we as a country have to take recourse to our written Constitution to deny the people what they demand. I feel that this is a legacy we have carried over with us from the British. The British were hard-pressed to rule a country which was thousands of miles away in distance and millions of miles away in terms of culture and thought from their country. For them it was basically important that they should have a language by which they could rule this country. I feel that we, after 25 years of independence, have outlived that stage wherein we have to take recourse to the Constitution to deny some people the use of their mother tongue. I feel that the dissipation that is latest in the demand for the mother tongue has been now a thing of the past for this country. I do not claim that this statement is true absolutely but I feel that our country as such has moved away from that stage wherein the mere question of a regional language would bring a part of our

country, way from the policy of our State.

Today in the world when almost the whole of Western Europe has gradually been demonstrating or dimming its national boundaries and bringing out a larger policy which is guided by economics, it seems to me that a developing and poor country like ours cannot afford the luxury of splitting up on this mere question of the languages. Therefore, I plead that it is time, and fitting time, too, to do that because never before in the history of our democracy have we had a government which is more suited to look to the crying needs of our people, a government which can at the moment if it wishes, move away from that old colonial stand wherein one language would try to rule over another. We can, at the present moment, give the people their right to speak their mother tongue in their own region and I say that it is time that the government did this because, basically, the people will remain backward unless they are able to express themselves in their mother tongue.

For this I present here a very small example, but a significant one. I feel that the things that are taking shape in Bengal, the speed with which Bengal has come up before us would not have been possible but for the fact that Bengal had had immense wealth in its literary heritage, which has been augmented and helped by a few luminous people like Rabindranath Tagore and others. At the present moment, Bengal is ten years ahead of the whole nation in politics in this country because Bengal has been able to make use of its mother tongue. Therefore I commend to the government to accept this most welcome measure, which has been presented before it, by Dr. Karni Singh.

श्री सुनील प्रसाद मंडल (सबसेनापुर) :

सभापति महोदय, आज एक बहुत महत्वपूर्ण प्रश्न इस सभा के सामने है और वरसों से, 1966 से हम इस पर विचार करते आ रहे हैं। भारत सरकार ने बड़े प्रशासनिक कार्य

2936LS-11.

किये हैं 16 भाषाओं की कोशिश करने में स्थान देकर देश की अर्थ और शिक्षा-वित्त, सभ्यता और संस्कृति की भाषा बढ़ाने में काम किया है। अभी हमारे माननीय सदस्य श्री विश्वनाथन ने कन्फ्रेंस किए करने की बहुत कोशिश की लेकिन उसमें वे विफल रहे। उन्होंने श्री पाराशर के प्रश्न की इस तरह से तोड़ मरोड़ कर रखा जिससे पता चलता था कि वह महान देश की महान भाषा को चाहते हैं। उन्होंने कहा कि हिन्दी साम्राज्यवाद की ओर बढ़ रही है लेकिन मैं कहना चाहता हूँ कि हिन्दी और संस्कृत आदि जो भाषायें हैं अगर उनको हम एक भाषाविद् की तरह देखेंगे तो पता चलेगा कि हम लोग किस तरह से भाषा के विकास में और उसकी उत्तरोत्तर वृद्धि में साथ देते रहे हैं।

अभी डा० कर्णी सिंह ने जो विधेयक रखा है उसके सम्बन्ध में मैं कहना चाहता हूँ कि मैं जानता हूँ कि संविधान में संशोधन के लिये कई बातों की जरूरत होती है। जिस ढंग से उन्होंने अपने बिल में राजस्थानी भाषा का प्रतिपादन किया कि इस कारण उसको संविधान में होना चाहिये, सरकार बार बार उसका उत्तर दे चुकी है। उन्होंने अपना जो स्टैंड रखा है वह बड़ा ही महत्वपूर्ण है। ऐसी हालत में मैं यह समझूंगा कि और भी जो भाषायें हैं, जैसे मैथिली है, राजस्थानी है, नेपाली है या जो भाषायें उत्तर-पूर्व में बोली जाती हैं, उनको भाषा निर्धारण के वैज्ञानिक दृष्टिकोण से हमको अपनाना होगा। उनकी व्याकरण क्या है, उनकी फाइलोलोजी क्या है, किस तरह से वह भाषायें निकलती हैं। इसके सम्बन्ध में डा० सुनीति कुमार चाटुर्ज्या की ओर से जो एक किताब निकली है सर्वे आफ इण्डियन लैंग्वेज उसको अगर हमारे साथी पढ़ें तो समझेंगे कि उन्होंने किस तरह से जेनेटिक रिलेशनशिप आफ इंडो आर्यन लैंग्वेज में दिखलाया है कि वेस्ट में कैसी भाषा बोली जाती है, नोर्थ वेस्ट में

[श्री समुदा प्रभाव मंडल]

कैसी भाषा बोली जाती है, मिडलैंड में कैसी भाषा बोली जाती है, साउथ वेस्ट में कैसी भाषा बोली जाती है। इसी तरह से हमारी जितनी भाषायें हैं लोगों की बोलचाल की उनको हथ डाल देना चाहते हैं। लेकिन राजस्थानी, नेपाली भाषा या मैथिली भाषा के सम्बन्ध में ऐसी बात नहीं है। चूंकि राजस्थानी की बात यहां चल रही है, मैं कहना चाहता हूं कि मैथिली भी बिहार में और नेपाल तक करीब 2 करोड़ लोगों द्वारा बोली जाती है। उसकी बड़ी सुन्दर और उत्कृष्ट व्याकरण और साहित्य है, जिसको सुनीति कुमार चाटुर्ज्या ने काफी महत्वपूर्ण स्थान दिया है। 1966 से ही अगर आप साहित्य अकादमी की ऐनुअल रिपोर्ट्स को पढ़ें तो पता चलेगा कि मैथिली को बड़ा ऊंचा स्थान मिला है। पहले पहल कलकत्ता विश्वविद्यालय ने ही इस बात को शुरू किया था कि इन सब भाषाओं को प्रश्रय दिया जाये और स्वराज्य के पहले भी यूनिवर्सिटी ने मैथिली भाषा का प्रतिपादन किया।

इतना ही नहीं, अभी श्री डागा और श्री विश्वनाथन ने जो जो क्राइटीरिया रखें, उन सबको बिहार सरकार ने बड़ा ऊंचा स्थान दिया है। वहां का जो प्रादेशिक सचिव कमीशन है उसमें उसको मान्यता दी गई है क्योंकि 2 करोड़ से अधिक लोग इस भाषा को बोलते हैं। जो भी इस सम्बन्ध में वैज्ञानिक आधार हैं और जो राजनीतिक दृष्टिकोण हैं उन सबके ब्याल से निश्चय किया जा सकता है कि राजस्थानी मैथिली, नेपाली या जो इस तरह की अन्य भाषायें हैं, उनको संविधान में मान्यता दी जाये। इसके लिए हम को अपने संविधान में संशोधन करना होगा। जो हमारे यहां की यह तीन चार प्रमुख भाषायें हैं उनको मान्यता दी जानी चाहिये।

इस कार्य के लिये मैं अनुरोध करना कि जो हमारे यहां के लिमिस्ट्स हैं, फोइला-सोजिस्ट्स हैं उनकी एक कमेटी बनाई जाये

जो इस पर विचार करे। हमारी साहित्य अकादमी के मिडलैंड ने सन 1966 से ही इसको मान्यता दी है और अपनी वार्षिक रिपोर्टों में देना भी शुरू किया है कि इन सब भाषाओं की प्रगति के लिये हमको प्रयत्न करना होगा। मैं श्री सम्भुनाथ से कहना चाहता हूं कि हमको भाषा के मामले में वैज्ञानिक दृष्टिकोण से देखना होगा। अगर इन भाषाओं के पीछे वैज्ञानिक आधार है तो हमारी बात को आपको सुनना होगा जैसा बिहार सरकार ने किया है।

मैं 12 मार्च, 1954 के दिन साहित्य अकादमी के इनागुरेशन के अवसर पर भाषा के सम्बन्ध में जो कुछ कहा गया था उसमें से दो या चार पंक्तियां पढ़ कर सुनाना चाहता हूं :

"The literary artiste has not merely to reflect the world, he has to redeem the world. He has not merely to portray the experience which he has, but he has to recreate that experience...."

If you do not allow all these living languages to come in the Eighth Schedule of the Constitution, how can this be done?

"...He has to enter into solitude, glimpse the vision of truth, bring it down to earth, clothe it with emotions, carve it into words. That is the purpose of literature. So long as we do not recognise the freedom of human individual to think, meditate and create as he chooses, literature will suffer decline. All this demands concentration and integrity...."

Integrity of art, integrity of judgment.

"All this demands concentration and integrity, which become difficult, if not impossible, if our minds are filled with sickness and violence or if we become puppets with stereotyped opinions."

We have to give up stereo-typed opinions.

इसलिये मैं डॉ॰ कर्ण सिंह से कहना कि आप इस बात को भारत सरकार पर

जोड़ में : जिस दिन से भारत सरकार अपने बड़ी कमी को रही है और जिस तरह से साहित्य संकायों की स्थापना करके और कमिशन बनकर भाषाओं को बढ़ा रही है, उससे यह दिन दूर नहीं जब राजस्थानी, मैथिली और नेपाली तथा अन्य भाषाय भी संविधान में आयेंगी और हो सकता है कि उसके साथ साथ 17, 18, या 25, 26 और भाषाएँ भी उसमें सम्मिलित हो जायें। मैं डा० कर्णी सिंह का आभारी हूँ कि उन्होंने इस सदन की भाषा के सम्बन्ध में चर्चा करने का मौका दिया।

श्री डी० सी० लाल (करोल बाग) : सभापति महोदय, आज जगह जगह प्रदेशों के अन्दर जो भाषा का सवाल उठाया जा रहा है, मैं समझता हूँ कि उसके अन्दर सबसे बड़ी कमी यह है कि हिन्दी को संविधान के बनते ही लागू नहीं कर दिया गया। अगर उसी समय हिन्दी को सरकारी भाषा के तौर पर चला दिया जाता तो आज जिस तरह से भाषा का मामला उठ रहा है वह नहीं उठता।

आप देखेंगे कि हिन्दुस्तान के अन्दर 75 फी सदी जनसंख्या देवनागरी लिपि में ही लिखती है। चाहे मराठी हो, चाहे गजराती हो, चाहे राजस्थानी हो, चाहे उसकी दिल्ली की भाषा कहा जाय चाहे पंजाबी कहा जाये, उसको लोग देवनागरी में लिखते हैं। लिखने का तरीका थोड़ा बहुत अलग हो सकता है। जिस तरह से देवनागरी में अ, इ, उ, आदि होते हैं उनको थोड़ा सा बदल कर लिख दिया, थोड़ा सा, डंडा हटा दिया या थोड़ा सा मोड़ दिया वह बात दूसरी है, लेकिन जहाँ तक भाषा बोलने का सवाल है आप यह देखेंगे कि पन्द्रह मील के अन्दर भाषा में फरक पड़ जाता है। मैं आपको राजस्थानी की बात बतलाऊँ। कहीं पर कोई कहते हैं, कहीं पर उसको कहठे कह देते हैं। इस तरह का फर्क भाषा में थोड़ी थोड़ी दूर पर ही ज़रूरी करता है।

यह कहा गया है कि राजस्थानी विधान सभा में राजस्थानी बोली जाए। लेकिन आप देखें कि राजस्थान में बज भाषी लोग भी हैं। उनका क्या होगा। मैं भी कहूँ कि इस भाषा में भी कार्यवाही हो। बज भाषा उत्तर प्रदेश में, मध्य प्रदेश में भी बोली जाती है? मेरा जन्म दिल्ली में हुआ लेकिन बज भाषा हमारे घर में बोली जाती थी। कदीमी हम राजस्थान के रहने वाले हैं। भाषा को लेकर जो वाद विवाद चल रहा है यह नहीं चलता अगर हिन्दी को राष्ट्र भाषा मान कर इसको लागू कर दिया गया होता और सरकारी कामकाज में इसका इस्तेमाल पूरी तरह से शुरू कर दिया गया होता। लेकिन आज भी 85 प्रतिशत काम अंग्रेजी में होता है। डी एम के वाले अंग्रेजी को ज्यादा पसन्द करते हैं बजाय हिन्दी के? लेकिन हिन्दी जानने वालों की जन संख्या 85 प्रतिशत है। लेकिन सरकार डर के मारे इसको लागू नहीं करती है सरकारी कामकाज के अन्दर। यह कैसा जनतंत्र है? जनतंत्र की भाषा को प्रपनाया नहीं जाता है, उसकी समस्याओं को हल करने के बजाय अंग्रेजी के पीछे हम चलते जा रहे हैं। चन्द आदिमियों से पता नहीं सरकार की क्यों डर लगत है। विधान सभा या लोक सभा का सदस्य जो अंग्रेजी नहीं जानता है उसको बड़ी कठिनाई कई बार होती है। उनको चूँकि अंग्रेजी का ज्ञान नहीं होता है इस वास्ते कार्य करने में बड़ी कठिनाई का सामना करना पड़ता है। वही कारण है कि प्रशासन के अन्दर भी तरह तरह की गड़बड़ होती है। बहुत से नोट अंग्रेजी में ऐसे लिखे जाते हैं कि याम अफसर नहीं समझता है। कुछ एक लोग ही जो चालाक होते हैं उनका दूसरा ही मतलब लगा लेते हैं। जिस तरह से कानूनों के अन्दर सीधी बात न कह कर गोलमोल भाषा का प्रयोग किया जाता है, क्लार्क आदि रख दी जाती हैं और जिस के बारे में यह कहा जाता है कि यह काम मोम की नोक जैसा है, चाहे इधर मोड़ लो या उधर माड़ लो, उसी तरह से अंग्रेजी को

[श्री डी० सोमन लाल]

आज भी रखा जा रहा है ताकि आम - आवामी इसको समझ न सकें। अंग्रेजों ने इसको इस वास्ते लागू किया था कि उनको हकूमत करनी थी। हम उस वक़्त गुलाम थे, कुछ कर नहीं सकते थे। अंग्रेजों ने जिस तरीके को चालू किया था उसको हम आज भी लागू किए हुए हैं। उस जमाने में आई सी एस हुआ करते थे। वे मालबारों के लड़के होते थे। 25-30 हजार रुपये से कम आई सी एस करने में नहीं लगता था। यह 30-40 साल पहले लगता था। आज तो दो डेढ़ लाख से कम नहीं लगेगा। गरीब आवामी स्वयं में आई सी एस करने की सोच भी नहीं सकता था। तब सरमायेदार अंग्रेजों के साथ थे। तब खान बहादुर, राय बहादुर, दीगर बहादुर होते थे जो कि सरमाएदार और मालदार होते थे। उनके लड़के ही डिग्रियां लेकर आते थे। उनको जो ट्रेनिंग दी जाती थी यह दी जाती थी कि गुलामों के उपर राज किस तरह से किया जाता है अंग्रेज हर जगह नहीं रह सकता था। वह हकूमत कर सके इस वास्ते उसने आई सी एस हमारे लोग तैयार किए। मुझे अफसोस है कि भारत सरकार आज भी वही तरीका अपनाए हुए है, वह गुलामों पर राज करने की ट्रेनिंग आई ए एस को दी जा रही है। जनतंत्र की दुहाई दी जाती है। मैं जानना चाहता हूँ कि अंग्रेजी को अपनाए रखकर क्या हम जनतंत्र को सुरक्षित रख सकते हैं? जिस को यूरोपेसी कहा जाता है, लालफीताशाही कहा जाता है यह वही है जो अंग्रेजों के जमाने में चलाता था यह वही तरीका है जो उन्हे के बल पर हकूमत करने का है। वह उन अफसरों का कसूर नहीं है। उनकी ट्रेनिंग ही ऐसी मिलती है। काम करने का प्रोत्साजन भी वही पुराना है। सब से बड़ा बौध इसमें हमारी सरकार का है चाहे यह मेरी अपनी सरकार है। लेकिन यह सब बात है। 75-80 फीसदी लोगों की भाषा में अगर काम काज किया जाए और उसी सिस्टम के मुताबिक सरकारी

कर्मचारियों की ट्रेनिंग भी दी जाए तो मैं समझता हूँ कि ये इमानदारी से काम करेंगे और आपका काम बहुत अच्छी तरह से चल सकेगा। तब कोई झगड़े नहीं होंगे।

आज राजस्थानी को डिमांड हुई है। कल ब्रज भाषा की हो सकती है। वे भी तीन करोड़ हैं। आपको ब्रज भाषा बोलने वाले झलवर में मिलेंगे, गुजरात में मिलेंगे, मध्य प्रदेश में भुरना, भिड़ आदि में मिलेंगे। तब आपको ब्रज भाषा के लिए भी कुछ करना पड़गा। मैं समझता हूँ कि ये सारी जितनी भाषाएँ हैं ये वरों तक सीमित रहनी चाहिए और कामकाज के अन्दर हिन्दी आई जानी चाहिए। ऐसा किया गया तो कोई झगड़ा नहीं होगा।

डी एम के के आई अंग्रेजी को हिमायत करते हैं। पता नहीं उनको इससे इतना मोह क्यों है? एक डी एम के मैनबर जो पार्लियामेंट के मैनबर नहीं थे वह मेरे मित्र थे मैंने उनको कहा कि आपकी हिन्दी से क्या दुश्मनी है। उन्होंने कहा कि हिन्दी ने हमारा बेड़ा गर्क किया है। वह भी मेरी तरह से गैंगूल्ड कास्ट के थे। मैंने कहा कि जिस भाषा की वजह से हम गुलाम इतने सालों तक रहे, उसकी तुम हिमायत करते हो? जब गुलाम बनाया होगा तब बनाया होगा लेकिन आज तो हम स्वतंत्र हैं। अगर कोई अब हमें दबाता है तो भाषा की वजह से नहीं। इस वास्ते से इस विदेशी भाषा को छोड़ें। मैं मानता हूँ कि हम को तमिल, तेलगू और दूसरी जो भाषाएँ हैं उनको सीखना चाहिए, उन पर जोर देना चाहिए। लेकिन हमारी मदर टंग अंग्रेजी नहीं हो सकती है, प्रादेशिक भाषा अंग्रेजी नहीं हो सकती है। अगर आप तमिल के लिए या किसी दूसरी भाषा के लिए डिमांड करेंगे तो हम उसका समर्थन कर सकते हैं लेकिन अंग्रेजी का समर्थन नहीं कर सकते हैं। मैं कहना कि जब तक अंग्रेजी देश से नहीं जाएगी, इसकी जड़ खत्म नहीं होगी तब तक देश बिल्कुल फलसूख नहीं सकता है। इस जड़ को निकालने के लिए

यह पकड़ो है कि सारे कामकाज के लिए
हिन्दी हो।

17.31 hrs.

HALF-AN-HOUR DISCUSSION

Experimental Nuclear Explosion for Peaceful Purposes

MR. CHAIRMAN: Now, Shri Samar Guha may raise his half-an-hour discussion. I have one request to make to him. At 6 p.m. we have to take up the discussion on student unrest. If he wants the hon. Minister to reply and he wants his other colleagues also to participate in the discussion, then he should be very brief. I would like to know how much time he wants.

SHRI SAMAR GUHA (Contai):
About ten to twelve minutes.

MR. CHAIRMAN: Then, I shall not disturb him for 12 minutes.

SHRI SAMAR GUHA: Today, I am not raising the issue of whether India will have nuclear weapons, tactical or strategic or nuclear missiles. Today, the whole debate that I want to raise is on the issue of the use of nuclear technology for peaceful and constructive purposes.

We are already using nuclear energy for health purposes, for preservation of food, and also for generation of power. But, of late, a new development has taken place in the international world about nuclear engineering or nuclear technology. The areas for which nuclear technology or nuclear engineering can be utilised have also been identified, as in the case of deep mining or surface-mining, particularly in our country in the case of copper, and non-ferrous type of mining such as for copper, zinc and lead of which there is a dearth, and also for Uranium finding and for exploration of underground gas and oil resources, and for the purpose of converting desert into a fertile land having cavity and irrigation facilities there and also

श्री शिव बाल सिंह (समूह) : राजस्थानी को संविधान के भाठवें शैड्यूल में स्थान देने की मांग को मैं उचित ही समझता हूँ। मैंने हमारी राष्ट्र भाषा हिन्दी है। कहीं भी हिन्दी पर आंच आती हो तो राजस्थानी उसके आगे अपना मुस्तक झुकाएगी। लेकिन राजस्थानी भाषा एक बहुत बड़े हिस्से में बोली जाती है और उसका एक इतिहास है, उसका अपना साहित्य है जो बहुत ही समृद्ध है। पुराने जमाने से यह साहित्य चला आ रहा है और समृद्ध होता जा रहा है। हिन्दी से इसका कोई कम्पीटीशन नहीं है। हिन्दी राष्ट्र भाषा हो, फनेफूले, यह हम चाहते हैं। हम यह भी चाहते हैं कि हिन्दी की छत्रछाया में राजस्थानी आगे पनपे। भाठवें शैड्यूल में आने से किसी भी भाषा को कई फायदे होते हैं। राजस्थानी उन फायदों से वंचित क्यों रहें? राजस्थान में बहुत से लड़के ऐसे हैं जो राजस्थानी सीखना चाहते हैं लेकिन चूँकि वह भाठवें शैड्यूल में नहीं हैं इस वास्ते उसको सरकार का प्रोटेक्शन नहीं मिलता है। जैसा एक माननीय सदस्य ने कहा कोई भी भाषा सरकारी प्रोटेक्शन के बिना आगे बढ़ नहीं सकती है। डी एम के के साथी ने कहा कि राजस्थान में राजस्थानी बोलने वालों की संख्या कम हो रही है। लेकिन उनका ऐसा कहने का मंशा यह था कि हिन्दी का जो केस बन रहा है उसको डिफीट किया जाए। उन्होंने अंग्रेजी के लिए केस बनाने की चेष्टा की। मैं आप की जल्दकारी के लिए निवेदन करना चाहता हूँ कि राजस्थान में राजस्थानी बोलने वालों की संख्या कम नहीं हो रही है। राजस्थान में ऐसे लोग बढ़ रहे हैं, जो हिन्दी, राजस्थानी और अंग्रेजी तीनों भाषाएँ बोलते हैं। जो हिन्दी भी जानते जानते हैं, वे अपनी माँ की हिन्दी भी कहेंगे हैं।

MR. CHAIRMAN: The hon. Member may continue on the next day.

[Shri Samar Guha]

for diverting the course of river for irrigation and navigation facilities and also for construction of dams. It is also possible to use it in mountainous areas to have rock-melting for making our highways. It is also possible to use it for making harbour and also for having canals.

There are other areas of large-scale use for civil purposes also. I have been raising this question for the last four or five years, and I should say that fortunately, on 20th April, 1970, in the course of the half-an-hour discussion which I had raised, Government had made a break-through, I should say, in their nuclear policy. They had accepted that if required, India would develop nuclear technology in the sense of nuclear blast technology for peaceful purposes. I would like to quote what Government have stated:

"We are not at all opposed to the use of nuclear energy for peaceful purposes when a meaningful application of real economic significance is identified. This was an important part of our opposition to the nuclear non-proliferation treaty."

This was almost, I should say, a breakthrough. That was the reason why we did not subscribe to that treaty; we wanted to preserve our freedom and our option as to whether and how we shall use nuclear technology for constructive and peaceful purposes.

This decision was taken by Government in 1970. It is almost two years since then. Why have Government not used nuclear technology or nuclear engineering for any peaceful or constructive purposes? The first reason given by Government is that the application of nuclear technology or nuclear engineering involves certain hazards, firstly, ecological hazards, secondly radio-active-fall-out which may endanger the life of the people. Thirdly, if we experiment in the rocky area, there may be rock melting or some kind of earthquake and there may be some change in the geophysical structure of that area where experiments may be made. What is the objective? For which purpose shall

we use nuclear technology? We have got to identify and see whether we can find oil reserve or metal reserves such as copper or uranium. We have not yet identified the area or objective or purpose for which nuclear technology or engineering can be used.

I quite understand the question of hazards. I have already said about identification of the objectives for which we shall use it. There is one most vital part. How would you use it? Suppose we have surmounted the problems or hazards that would follow the nuclear blast and we have identified certain objectives for which we shall use it. It is not like ordinary engineering technology, or expertise or know-how technology where we can purchase it. For our industrial development, metallurgy fertilizer, various purposes, etc. we can have our technology. But here is a case where no power in the world, Russia, China or France or any other country will give us any clue and expertise or technology, blast technology. Unless we develop our own technology for blasting its use for industrial purpose or constructive purpose does not arise. You take a decision. Two years have already passed. Why should you not try to develop the nuclear blast technology, know-how and expertise? What does it mean? If you have to develop it at least a few experimental blasts have to be undertaken. You have to design the apparatus and have fuel and also mark out certain areas where you can do it. The planning of it is known; design also is known. In Tarapur we have our own reactor; theoretically it is known. The nuclear fuel that will be required is the critical state. The minimum amount of nuclear fuel that will be required is also known. We have islands; we have deserts and we have mountainous areas where we can undertake the work. We have the indigenous know-how the stockpile of fuel and moderator and heavy water and all the necessary things as far as I could gather as a member of the consultative committee on atomic energy—all the essential requirements for undertaking experimental nuclear blasts. Strangely the Government is

not doing or atomic energy has not undertaken a single nuclear blast. What is the reason? I do not understand it. If you want to cook, even if you have all the other materials, if you have no stove or oven, you cannot cook. You cannot develop metallurgy unless you have a furnace. You cannot have propulsion into the air or sea or on land unless you have an engine. Similarly, if you are really serious about developing nuclear technology and nuclear engineering for constructive purposes, you cannot do it unless you have a series of preliminary nuclear experimental blasts.

Even today for deep copper mining, for tapping the uranium and lead reserves, for exploration of underground gas, for diverting some water channel, for converting desert into fertile land, etc., you do not have the know-how and technology. We have to develop that expertise ourselves. How will we surmount these hazards? We very badly need this technology for oil or gas exploration. Seismic surveys have shown we have got immense resources of oil and gas. Within a month or two, we have to explore them. How will you do it unless you know the technology? For that, you will have to undertake a series of nuclear blasts. Unfortunately that is not done.

If it is a question of expenditure, according to international calculations, for blasting a crude type of nuclear device, we shall require only Rs. 30 lakhs, for one preliminary nuclear testing. In our conditions, the cost will be still less. We have enough fuel—mostly plutonium and less of uranium. We have many engineering and industrial and other commitments. But we have not got the key with us to enter and implement those commitments. This key is to master the know-how and technology of nuclear engineering. For that purpose, a series of experimental nuclear blasts are absolutely necessary. I want to know from the Government why this preliminary experimentation for mastering this

technology has not been undertaken and what stands in the way.

श्री रामबल्लभ भारद्वाज (पटना) :

सभापति महोदय, मैं दो सवाल आप आपके मार्फत करना चाहता हूँ। पहला सवाल इस प्रकार है। क्या सरकार ने शांतिपूर्ण कार्यों के लिए परीक्षाणात्मक आण्विक विस्फोट की कोई पंच वर्षीय योजना निर्धारित की है? यदि हाँ, तो उस की मुख्य मुख्य बातें क्या हैं? यदि नहीं तो क्या सरकार इस प्रकार की कोई योजना तैयार करने का विचार रखती है?

(ख) आण्विक विस्फोट के परीक्षण को क्या उत्पादन वृद्धि के लिए उपयोग में लाने का विचार सरकार ने किया है? यदि हाँ, तो उस का स्वरूप क्या है?

SHRI D. K. PANDA (Bhanjangai): We are already utilising electrical and thermal power, which has become very costly and which is difficult to get during times of crisis or war. So, why not we take to generation and use of nuclear power for peaceful purposes like treatment of cancer, running of locomotives and propelling big cargo ships? For such purposes we can associate ourselves with such countries which have already produced and utilized it for peaceful purposes. What effective steps are being taken to have some such collaboration with countries like the Soviet Union, where they have already been utilizing it for peaceful purposes?

श्री विमल मिश्र (मोतीहारी) :

सभापति महोदय, मैं सरकार को धन्यवाद देता हूँ कि यह सरकार अब पीसफुल परपज के लिए बनाने को तैयार हुई है हालांकि इस सवाल को जवाहर लाल जी की जिनदगी में मैंने शुरू किया और भाज इंदिरा जी के जमाने में यह सरकार पीसफुल

[श्री बिभूति मिश्र]

परपञ्च के लिए आ गई है। दूसरी बात यह है कि पंत जी आज मंत्री हैं। पंत जी इससे पहले दूसरे परपञ्च के लिए बकायत करते थे कि इस का इस्तेमाल दूसरे परपञ्च के लिए होना चाहिए। आज तो वह मंत्री हैं। मैं आशा करूंगा कि जो इन का पुराना भाषण है दूसरे परपञ्च के लिए इस्तेमाल करने का, उस पर ये कायम रहेंगे। एक अभी किताब निकली है जिसमें लिखा है कि चाइना 15 वर्षों में भयानक से जानक न्यूक्लियर पावर से तगड़ा हो जायगा। यह किताब है चाइना एज ए न्यूक्लियर पावर इन वर्ल्ड पालिटिक्स बाइ ल्यो यूह यून लियू। यह 1972 में छपी है और 25 पृष्ठ में है। अब सवाल यह है कि हमारे पड़ोस का देश चाइना न्यूक्लियर पावर में जबर्दस्त हो गया। हम अपनी सुरक्षा के लिए अगर उसका इस्तेमाल करें क्योंकि हमारे ऊपर कोई हमला करने के लिए आता है तो हम बचाव करते हैं तो यह भी एक पीसफुल परपञ्च है, हम लड़ाई बचाते हैं, आप के पास छड़ी है, और मेरे पास भी छड़ी है तो न आप चलायेंगे न मैं चलाऊंगा क्योंकि दोनों को भय रहेगा, इसलिए यह भी पीसफुल परपञ्च है, पीसफुल परपञ्च नहर खोदना है, पीसफुल परपञ्च पहाड़ खोद कर खानों में से धातुएं निकालना भी है, तो मैं जानना चाहता हूँ कि सरकार इस का ब्लास्ट कब तक करेगी? ताकि लोगों को भरोसा हो कि यह सरकार ताकत रखती है और ताकत रखती है तो उसका सरकार प्रदर्शन करे। जब तक सरकार इस का प्रदर्शन नहीं करती है तब तक लोगों को विश्वास नहीं होगा।

एक बात यह भी है कि हमारे पास साइंटिस्ट्स हैं। लेकिन हमारी सरकार साइंटिस्टों पर शीव लगाए हुए है। साइंटिस्ट कहते हैं कि सरकार भ्रष्टा है तो हम बचावें। भाषा साहब ने, जब मैं

तो भाषा साहब ने पंडित जी के सामने कहा कि हम को हुकम दें तो हम बनावें। अब सरकार की पीसफुल परपञ्च में क्या दिक्कत है? एक दिक्कत मैंने सुनी है कि सरकार को अभी जमीन का भूदाँजा नहीं लग रहा है कि कहां ब्लास्ट करें। चाइना को जमीन मिलती है, यू एस ए का ब्लास्ट हो ही रहा है। तो हम को जमीन ढूँढ़ने में कितना समय लगेगा? हमारे यहां कहावत है कि पुण्य दोड़े दोड़े तब तक पाप हम को खा जायेगा। जब तक ब्लास्ट की बात खींचते रहेंगे तब तक चाइना आगे बढ़ जायेगा। उस किताब में लिखा है कि चाइना साउथ ईस्ट एशिया में प्रीडामिनेंस चाहता है इसलिए वह तेजी से जा रहा है। तो मैं सरकार से जानना चाहता हूँ कि सरकार कब तक आगे बढ़ेगी और मान लीजिए आप आगे नहीं बढ़ें और किसी दिन चाइना आगे तगड़ा हो गया, चाइना के प्रभाव में आ गए तो आगे आने वाली जनता हम लोगों को और सारे संसद सदस्यों को कोसेगी कि ये लोक देश को चाइना के मातहत करने के जिम्मेदार हैं। इस लिए मैं चाहता हूँ कि यह सरकार और कुछ नहीं तो पीसफुल परपञ्च के लिए ही कब तक ब्लास्ट करने की बात सोच रही है, ताकि हिन्दुस्तान की जनता को भरोसा हो कि यह सरकार कुछ करने जा रही है?

SHRI S. M. BANERJEE: (Kanpur): Sir, the hon. Member, Shri Bibhuti Mishra, is pleading with the Government that we should have atom bomb even for peaceful purposes. I do not know how atom bomb can be used for peaceful purposes.

MR. CHAIRMAN: Please formulate your question.

SHRI S. M. BANERJEE: My question is whether the Government is aware that the people of Vietnam, the people of North Korea, fought the

American imperialists without atom bomb....

MR. CHAIRMAN: That is not strictly relevant to the discussion. Please confine yourself at least to the subject under discussion.

SHRI S. M. BANERJEE: I want an assurance from the Government that they will not use the atomic energy for manufacture of atom bomb which is not needed in this country. We believe in the use of atomic energy for peaceful purposes. I want to know whether any help from friendly country will be sought for the development of nuclear energy for peaceful purposes in this country.

17.52 hrs.

[SHRI K. N. TIWARY in the Chair]

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI K. C. PANT): Mr. Chairman, Sir, from time to time, Shri Samar Guha has raised this question of the utilisation of nuclear energy for peaceful purposes in the House and we have also had some debates in the House, as far as I know, on the subject.

He referred in particular to what the Prime Minister said in the course of a Half-An-Hour Discussion on the subject on 20th April, 1970. That spells out the policy of the Government. The policy of the Government is well known. We are not in favour of going in for nuclear weapons but we are not opposed at all to the use of nuclear energy for peaceful purposes. This policy was spelt out very clearly by the Prime Minister. Now, my hon. friend, Shri Samar Guha, quoted her, where she has said that we are not opposed to the peaceful application of nuclear energy provided we can find proper use for it. She has also said that this is one of the important reasons why we signed a Nuclear Non-proliferation Treaty. She went on to say that in a country like India, at our stage of development, we should examine carefully

the economic feasibility of any application we make of nuclear energy for peaceful purposes and to examine whether the results achieved are commensurate with the effort and the cost put in and also to take into account the hazards, the radiation hazards, etc. to which Shri Samar Guha himself referred. Taking all these things into account, she said, and I quote:

"Should we feel that it is necessary for any particular project, we should not hesitate to do. But we must see the problem from all aspects."

Then, I think, towards the end somebody asked a question as to what purposes we can use this atomic energy. I think, Shri Ram Avtar Shastri asked that. We can use it for power; we are using it, even now, for power generation. We can use it for health purposes like treatment of cancer to which reference has been made by Mr. Panda. That is already used. We can use radio isotopes for other purposes also, in agriculture, for various scientific purposes, for various diagnostic purposes in medicine; and even for scientific experimentation, radio isotopes can be used and are being used. There is a very important field, and that is the field of food preservation where radiation can be used. The Bhabha Atomic Research Centre scientists have actually carried on research in this field and have done considerable amount of work, I would say, successfully. In fact, they feel they have reached a stage where they can go ahead and use radiation for preservation of food-stuffs. But we have been going a little carefully. There have been discussions between the Health Ministry and the Department of Atomic Energy. The Health Ministry has said that further experimentation is better before large scale radiated food-stuffs are permitted, and the basic reason is that the nutrition levels in India are so low and in these levels, it is necessary to carry on large

[Shri K. C. Pant]

scale experiments before one is sure that the population which consumes these radiated foodstuffs do not suffer from deleterious effects....

SHRI SAMAR GUHA: The discussion is pinpointed to 'experimental nuclear explosion for peaceful purposes'.

SHRI K. C. PANT: I am coming to that. I should try to meet some of the other points also.

Why I said all this was particularly to assure my hon. friend, Shri Samar Guha, that the Atomic Energy Commission is in touch with all the developments that are taking place in the world in the progress of technology, in the peaceful uses of atomic energy, nuclear energy, along with underground explosion and underground nuclear explosion, to which his question pointedly referred. They have been in touch with all these developments, both in the theoretical and in the experimental aspects. Both the aspects have been under review. He has taken great pains to clarify that, even though one may have theoretical knowledge, unless one experiments it is not possible to be sure that the theoretical knowledge can be applied successfully. This is quite true. But the economic angle which I referred to earlier, the question of the economic value of these explosions has to be studied in respect of the particular use to which it is put and the economic benefits that will flow, and the possible effect on the environment and the ecological aspects—all these have to be studied. Particularly he referred to near surface mining as one of the possible uses. Much of the radiation that will emanate due to such an explosion may be trapped in molten mass and in the rocks round about. But, he knows, if it is near the surface, a certain amount of radio activity can be released, can escape into the environment and, therefore, that certainly has to be taken into account and the fall-out has to be measured;

one cannot take a big risk unless one is quite sure of what one is doing. So, problems like these have to be studied and it is only after satisfactory answers to all these questions have been obtained that one can go ahead with an actual underground explosion.

18 hrs.

My hon. friend knows that underground explosions have been carried out in different parts of the world, but it is very difficult to say whether an explosion is related to the development of weaponry or it is devoted purely to peaceful purposes. One cannot know this only by gathering information about a test. But, by and large, one can say that the whole technology as yet is at the developmental stage and practical technology on economic values based on such uses has not quite emerged. He knows it very well. He follows the subject. He knows what is being done in other countries and it is not as though to-day we know of any country where rivers are being moved, where harbours are being created and where irrigation has been facilitated and where high-ways are being built and where large-scale civil engineering works are being done and dams are being constructed. All these uses have been referred to as actual uses of nuclear explosion. Now, he can point out the cases where this has been used in practice, either for recovery of oil or gas or for recovery of non-ferrous metals or either for leaching purposes underground or also for creating storage capacity underground, the various uses to which undoubtedly this explosion could be put, theoretically, because a nuclear explosion is nothing but an ordinary explosion on a much larger scale. Therefore, in engineering terms, certainly all these things are possible and these things can be done. But he knows nobody actually is doing any of these things because the technology is being developed. Our scientists are certainly keeping themselves informed about developments

in the world and about the possible applications of this technology to our conditions. My friend possibly knows that India has been taking an active part in international conferences dealing with this subject. There was a meeting held in connection with the Gas Buggy Test explosion in December 1967. India was represented in that. Another test explosion called Relison, took place in September 1969. Again India was associated with that. There was a Panel meeting....

SHRI SAMAR GUHA: In the report it is not clear. I want to know from you....

SHRI K. C. PANT: Let me finish.

SHRI SAMAR GUHA rose.

MR. CHAIRMAN: No, Mr. Guha, it is very bad. Any time you get up.

SHRI SAMAR GUHA: It is very difficult....

MR. CHAIRMAN: Not difficult. You get up and without taking my permission you begin to speak. This is a very peculiar thing in this House. Let him finish.

SHRI SAMAR GUHA: It is our fate that we have to be guided by such, what could I say

MR. CHAIRMAN: I am not allowing you. The hon. Minister.

SHRI SAMAR GUHA: If the hon. Chairman takes this position, I also know (Interruptions)

MR. CHAIRMAN: Let the Minister speak.

SHRI SAMAR GUHA: What is this type of House....*

MR. CHAIRMAN: Nothing will go on record. You should take the permission of the Chair and you can put the question only when I allow you. Let the hon. Minister please continue.

You should take my permission if you want to speak.

SHRI SAMAR GUHA: I seek your permission, Sir.

MR. CHAIRMAN: Yes, now you put the question.

SHRI SAMAR GUHA: There is a report about the meeting of the tests—Gas Buggy and Relison. There were two test explosions. When these experiments took place were we present? I want to know whether India's representative was represented at the time of the test or not.

SHRI K. C. PANT: Our representative was there at the meeting held in connection with these tests.

SHRI SAMAR GUHA: I said, at the time of the test..

SHRI K. C. PANT: Usually countries are reluctant to allow other scientists from other countries to be present at the time of the actual explosions. But I will check up. There is an international body, the I.A.E.A. in Vienna and they held a meeting on peaceful uses of nuclear explosions and there also India was represented. This meeting was planned to ensure the fullest possible exchange and dissemination of information in this field. So, I would like to assure the hon. Member that we are in touch with the situation, with the various developments in this field and we shall continue to be so and we are vitally interested in this field. And, the reason for our interest is that there are certain applications which are of interest to us. He has also spelt out a number of applications. I do not want to repeat them.

Sir, I have just got information that we were present at the site of this explosion, the Gasbuggy experiment, some distance away; they have to be some distance away, otherwise they would be blown up!

[Shri K. C. Pant]

I was referring to the interest of India. Among all these applications the one which is of obvious interest to us is the potential use of these explosions for mining operations in non-ferrous metals such as copper, zinc and lead. Now these are of interest to us. I may say, we have been following what other countries have been doing in this matter.

I do not want to go into the question of cost. He has raised the question of cost also. On the question of cost, one has to consider, whether one considers the actual cost of nuclear explosions or the cost of plants, or the nuclear material, the kind of research and development, etc. Costing in these things is a difficult thing. Even taking that into consideration, it is a point whether this would be beneficial or worthwhile, and that is what we have to see. The economic feasibility of peaceful nuclear explosions for any specific application requires a comprehensive and careful assessment of various factors, viz.,

- (i) the comparative costs of production and manufacture of nuclear vs. conventional explosives;
- (ii) the technical problems and cost implications of emplacing, mounting and firing the explosives;
- (iii) the cost of the pre-shot geological, hydrological, and ecological surveys; and
- (iv) the prospects of economically working the rubble left by an explosion.

These are some of the aspects which have to be studied before you actually go in for experimentation.

श्री बिभूति मिश्र : एक बात मैं पूछना चाहता हूँ। इंदिरा जी ने बयान दिया कि पीछफुल परफेक्ट के लिए कर सकते हैं तो कितना समय लगेगा इसकी कास्ट को फाइन्ड आउट करने में ? अतः काल तक तो नहीं चलेगा, कोई टारगेट होना चाहिए कि कितने समय में हो जायेगा ।

श्री क. सी. पंत : जानक काम तक तो नहीं चलेगा, लेकिन इन चीजों में तारीख देना मुश्किल है ।

SHRI K. C. PANT: It is very difficult to say that by such and such a date, the explosion will take place, nor is it in the interests of this House to know by which date we shall carry out an explosion or not, because these are things...

SHRI S. M. BANERJEE: I was going to suggest that nothing should go to the press today about this discussion, because these are all secret matters.

SHRI SAMAR GUHA: Secret in the head of Shri S. M. Banerjee only or in Shri S. M. Banerjee's laboratory only.

SHRI K. C. PANT: I think more secrets are attempted to be given out by friends opposite than by me....

SHRI S. M. BANERJEE: Not always opposite.

SHRI K. C. PANT: I am trying to spell out the difficulties in arriving at a quick decision, and I cannot really give a time-limit or a date, and I think that hon. Members who have taken interest in this subject not only understand that I cannot give the date but perhaps will appreciate it that I am refusing to give a date.

SHRI SAMAR GUHA: I want to be sure that it would not be inordinately delayed.

SHRI K. C. PANT: The only point which one has to remember in this is whether we are alive to the possibilities and alive to the potential usefulness and alive to the need to keep in touch with what is happening in the world and prepared to make use of whatever technology is offered by this technique or by this process for the benefit of our developmental programmes.

I can assure the House that we are live to all these things, and that our scientists are actively engaged in making the best use of nuclear science in all its aspects for peaceful purposes. stress peaceful purposes because my position has been made somewhat difficult by the intervention of Shri Bibhuti Mishra who had referred to certain views of mine in the past.

Shri Ramavatar Shastri had asked about a five-year plan. There is a five year plan for everything but that is not enough; we have a ten-year plan for this. In fact, there is a ten-year profile which I think he may have seen if he were interested in this subject, which spells out in detail what the plans are and have been, and in fact, we are now engaged in reviewing the progress made under the ten-year profile and how far we have succeeded in achieving the targets which have been set out in the plan.

My hon. friend Shri D. K. Panda had asked about marine propulsion. That is again one of the subjects which we are studying and which is under study, but again it is a subject in which I would request him not to make me say anything more.

I would like to end only by referring to one other point which does need a comment on my part, and that is in regard to the point made by Shri Bibhuti Mishra that Government are not letting the scientists have their way or they are not allowing the scientists to have their head or they are somehow suppressing them and not allowing them to progress. That is absolutely not correct. Government and the very brilliant set of scientists who are working in this field have in the past years constructed a structure in the field of nuclear science of which we can well be proud, and which is one of the finest of its kind in any developing country, and I would say one of the good scientific communities and structure in the world in the nuclear field. We

have to congratulate them, and we have to thank them, and I can assure my hon. friends that they and the Government work together; they are a part of the Government. We certainly do not restrict them in any sense, any sense of the term. Our policy is to use nuclear science for peaceful purposes and within that overall policy, whatever facilities they require, if they require additional allocation of funds, etc., in all these things the Government takes as liberal a view as it can consistent with the resources of the economy and we are all very much mindful of the fact that the good start which the country has made in the nuclear field, one of the modern fields of science should be kept up and should progress and we should try to keep in the forefront of this science which has great potentialities for the future.

18.16 hrs.

DISCUSSION ON STUDENT UNREST IN THE COUNTRY AND INCIDENTS IN DELHI UNIVERSITY ON DECEMBER 6, 1972—Contd.

MR. CHAIRMAN: We shall now take up further discussion on the increasing student unrest in the country, items 16 and 17 in the Order Paper today. Shri Jyotirmoy Bosu may continue his speech.

SHRI JYOTIRMOY BOSU (Diamond Harbour): In the front page of the Hindustan Times there is a photo which shows what deal the present students are getting from this Government. In this photo you can see a student lying on the ground, being beaten by eight constables and a magistrate is trying to stop it. This is the deal he is getting today. You get the news headline, one inch, on the front page: many hurt in police student clashes: Delhi university had been made a battle ground.

The trouble today is that they never try to go deep into the matter and this Government unfortunately lacks an analytical mind. Students have a

[Shri Jyotirmoy Bose.]

bleak future, no employment and the economic crisis that surrounds us today, surrounds them also. What is the root cause, the basic cause? In a useful editorial the *National Herald* has in its issue dated 25 September, 1972 commented as follows:

"Neither the universities nor the state administration have any readymade machinery to tackle student problems as they arise. Even legitimate demands—for drinking water provision and rest rooms for boys and girls, for example—are taken note of only after avoidable violence has occurred. In most of these cases, even if outsiders can be blamed for fomenting trouble or fanning the flames, the root of the malady is the incompetence of university or college authorities concerned, as also the tensions arising from conspiracies against one another by groups of teachers.....

And there are cases as in Kanpur, of college authorities getting high-handed and provoking students....

What is happening all over this state, as also in some others, is the strongest possible indictment of the whole educational system which has become completely unrelated to needs and offers nothing to hold the interest and attention of youth uncertain about the future,....

With each passing year the demand for more purposeful education for an ever larger number of boys and girls has made itself felt, yet there has been little serious effort to take a long-range view of the problem and reorganise the whole set-up."

There is no area in the country which is unaffected: Punjab, to start with, Haryana, U.P., Bihar, West Bengal, where Kalyani University is closed, Andhra, Rajasthan—in short no part of the country is unaffected and the Government is trying to look at the problems through the looking

glass of the police, posing it as a law and order situation. The Education Commission in its Report says that in their opinion no reform is more important than this and it adds:

"Judged from this point of view, it becomes evident that the present system of education, designed to meet the needs of an imperial administration within the limitations set by a feudal and traditional society, will need radical changes if it is to meet the purposes of a modernizing democratic and socialistic society—changes in objectives, in content, in teaching methods, in programmes, in the size and composition of the student body, in the selection and professional preparation of teachers, and in organization. In fact, what is needed is a revolution in education which in turn will set in motion the much desired social economic and cultural revolution."

It has been admitted in the Home Ministry Consultative Committee meeting held on December 12, 1972 that the Ministry have carried out an analysis, and it was circulated to Committee members.

The Home Ministry note states:

"According to analysis of the incidents in the current academic session, it was found that nearly a third of the instances of students unrest were related to demands for better academic facilities like posting of adequate qualified staff, admission of students in particular courses, take-over of mismanaged institutions by Government, better transport, etc. Another third of the incidents were attributable to issues like claims of failed students, college union elections, protests against dismissed staff, etc. The rest are instances of students taking up larger issues ranging from the domestic economic problems...."

Also the reasons are very clearly stated in a news item:

"Students cannot primarily be blamed for their violent behaviour on the university campus. The responsibility, if fixed, falls on teachers, university administrators, parents and the present structure of society, according to Dr. A. B. Ojha, a professor of psychology.

Dr. Ojha who is a scientific officer of the Directorate of Psychological Research, Ministry of Defence, says the student community as such may be contributing little to the rebel malady.

Unable to meet the demands which different social agencies make on them and when stirred on this account, onlookers label them as indiscipline. Things they do on the spur of the moment are mainly to take revenge from the society which has given them a tremendous load they are unable to cope with, he feels.

Dr. Ojha asserts that free and frank comments on past and present issues by the student community shows that they are as conscientious as their guardians, teachers and others who take solace in blaming them for the evil taking place on the campus."

This is what one should understand. It has been stated in the Report of the Education Commission:

"Education should be an instrument in the hands of the nation to transform society to socialism. Education in private institutions is not only used against the declared policies of the nation—socialism, secularism, and democracy—but also propagate outdated sectarian attitudes which breed communalism, casteism, superstitions and obscurantism. Educational institutions and hostels are run for the benefit of particular caste or religious groups in many places."

The insecurity of teachers is another reason. They are recruited in

July and dismissed in March and Government indirectly supports it. The college and university teachers' strike in Haryana is a glaring example. When teachers lose interest in education, standards go down. In ... and 1,000 professors were arrested and put as C class prisoners. A lady professor was murdered the other day. The students' union is banned there. I again quote from the Education Commission's report:

"Student unions represent an important way of providing student participation in university life outside the classroom. Properly organised, they help in self-government and self-discipline, provide a healthy outlet for students' energies and give the students useful training in the use of democratic methods."

Sir, you have fought for democratic movement all your life. You would be surprised to know that the student unions are banned in Haryana. Are we living in a democratic country?

The college teachers in Haryana have given a note and I am quoting from that:

"1. In Haryana private colleges are given affiliation by the university simply on political grounds which has resulted in the growth of large number of colleges which cannot provide minimum facilities to the students and leaders.

2. The set up of the University and the College Managing Committee is totally dominated by the vested interests. Teachers and particularly students lack representation on college managing committee. (Teachers representation on the university administrative bodies and the college managements is insignificant.) Thus the voice of the teachers and the students remain unheeded which result in occasional strikes in the private colleges.

[Shri Jyotirmoy Bosu.]

3. Lack of funds with the managing committee is another factor which has led to leaders and students trouble.

4. Since the managing committee lack funds, they cannot provide minimum facilities such as library facilities, drinking water, playground, indoor and outdoor games, educational tours etc. to students which is very essential for raising the academic standards.

5. Students union is banned in Haryana which means they cannot raise their voice against the authorities despite the fact that they pay more fee than the students studying in government colleges.

Another important factor which leads to students' dissatisfaction is the quick dismissal of the lecturers on false pretexts. Teachers are recruited generally in the month of July and dismissed on 31st March next year.

Grants by the Government of Haryana to private colleges are also given on political grounds. Some managing committees are financially sound and some are badly in need of funds and when grant is given on political grounds the poor managements remain Bankrupt and therefore cannot disburse salaries to their employees for months together and sometimes they are paid in instalments and even then they are asked to sign for the full amount...."

Coming to Delhi School government aided teachers, there has to be point to point salary increase. It is a legacy of the colonialism.

THE MINISTER OF EDUCATION, SOCIAL WELFARE AND CULTURE (PROF. S. NURUL HASAN): Sir, I would like a clarification. Are we discussing student unrest, which will include unrest of teachers of schools also; or are we considering mainly the position in the colleges?

SHRI JYOTIRMOY BOSU: Sir, you can expunge that particular line, if you like.

MR. CHAIRMAN: The Minister is right. The wording is:

"Further discussion on the increasing student unrest in the country.

Further discussion on the statement made by the Minister of State for Home Affairs in the House on the 7th December, 1972 regarding the incidents which took place in the Delhi University on the 6th December, 1972."

So, please do not make it very wide.

SHRI JYOTIRMOY BOSU: The Education Commission has very rightly pointed out:

"In our opinion, therefore, no reform is more important or more urgent than to transform education, to endeavour to relate it to the life, needs and aspirations of the people and thereby make it a powerful instrument of social, economical and cultural transformation necessary for their realization of our national goals. This can be done if education is related to productivity, strengthens social and national integration; consolidates democracy as a form of government and helps the country to adopt it as a way of life, hastens the process of modernisation and strives to build character by cultivating social, moral and spiritual values."

There are serious genuine grievances on the part of the students and teachers, which must be dealt with by the proper authorities. Now new colleges are opened and students are enrolled without having proper facilities. Because of the system of capitation, only the sons of the rich can get enrolment in some of the colleges, whatever their merit may be. The door of such institutions is closed for the poor. There is a terrific rise in tuition fees.

We have seen the instance of the Faridabad Medical College where 220 boys and girls have paid Rs. 20,000 each as capitation fee and tuition charges. The management of that institution has collected Rs. 44 lakhs, that money has been swallowed and the State has been patronising such people. Those students have made representation to the Government, to the Chief Minister of Haryana, but their grievances have not been remedied.

We had occasion to discuss what is happening at the Banaras Hindu University. The Yuva Congress are on the rampage. They have murdered Shri Uday Pratap Singh for political purposes.

There is foreign influence and infiltration of CIA. Delhi is an example. May I ask the hon. Minister what is the outcome of the talks with the Vice-Chancellor last evening?

For the Delhi University Students' Union elections, look how we corrupt them? Rs. 3 lakhs were spent; air flights were arranged; trips to hill stations were arranged. Still they got defeated. Some students say that the ruling party want to undo it.

There is police within the campus. When Prof. Nurul Hasan makes speeches here, at the same time, the police goes on beating up students inside the campus. The other day, on the 6th December, 1972, I am told—please correct me if I am wrong—that the Vice-Chancellor's room was filled with plain clothes' policemen long before the students came. It is the fault of the Government. I have got a note which says that the Vice-Chancellor writes a letter to Prof. Chakravarty on 8th December, 1972, "If we have not been able to set up the necessary bodies and procedures for the same, that is to say, to satisfy the student requirements the fault is of entirely ours."

One top leader of the Youth Wing of the Congress, of the ruling party, in a meeting in Delhi, during last week of November, had suggested that the Vice-Chancellor should be attacked. A ruling party M.P. patronising one section of the unruly element, as an outcome of the Congress factional fight, one of the top leaders of the ruling party, purchased, 35 Congress votes which just went to the Jana Sangh. Parallel politics are being run in Metropolitan Council. If the Congress had won Delhi University elections, one ruling Congress leader, M.P. thinks that he would have been the Chief of the Metropolitan Council.

How low they have gone. They have spent Rs. 3 lakhs on Delhi University Students' Union elections. Even the supply of drinks was made. One young boy Kaushik at first Independent 3rd candidate, opposing the Congress got Rs. 85,000 to join the Congress and he issued a statement in praise of the Prime Minister. One Bhagwan Singh, Jana Sangh supported candidate, on the eve of elections, was bought over by the Congress.

This is the sanctity of education. Even during British days, when you were fighting British people with your blood, Sir, the police did not enter educational institutions. Today, in West Bengal, there is no educational institution where the police has not got in. May I ask the hon. Minister: Is an attempt being made to create crisis and atmosphere to supersede the Delhi University Act? We want to know that.

There is police within the campus. jacking for which the students are being blamed was engineered by intelligence agent provocateurs. We want to know that. A high-powered Parliamentary Committee is a must to go into these affairs. The whole country is in ferment. The Professors, the school teachers and the students have all been given a raw deal by the present Government I condemn this.

[Shri Jyotirmoy Bosu.]

Government and I insist that a high-powered Parliamentary Committee must be set up to enquire into this matter because it relates to the future generation of the country. The future of the country depends on students. We must give them a fair deal, a kindly deal and a fatherly deal.

SHRI VASANT SATHE (Akola): Mr. Chairman, Sir, the subject that we are discussing today has wider implications and, therefore, we will have to take into consideration the wider context of the entire issue if we really want to find solution to these aberrations that we see today in the student world.

Basically after our Independence, we had hoped that we will bring about a basic change in our approach to education. Formerly, we used to criticise the foreign rulers saying that they gave education that suited them, that they wanted to produce slaves, clerks, to serve the Empire. Thereafter, our entire purpose should have been to create citizens who build a new India. That is the basic purpose of our education which ought to have been achieved.

Education, basically, has two purposes. One is to elevate the individual to give him a wider vision, a wider perspective. That is the basic purpose of education, the universal purpose of education, which ought to be there for the universities. You may recall that Sanskrit sloka which we used to learn in our school days in praise of Goddess Saraswati. It is said:

कविदत्तस्य सुखिनः ।
भवन्ति ते प्रसादः कविः ।
पश्यति सुखतयः ।
सा जयति सर्व्विती देवी ॥

That is the prayer we address to Goddess Saraswati:

"Praise be to the Goddess of learning with whose blessing the knowledgeable is able to perceive the whole earth as if it were a berry on the palm of his hand."

Has our education today in university or school, at any level, this purpose? Let us ask this question to ourselves.

Another purpose of education must be to equip the educated to be a useful member of the society, a useful citizen who will be able to play his role in the society. Are we giving that education? Is our education today purposive, job-oriented? What does a boy become after the education that he gets in school? I am not taking into consideration the kindergarten stage; from the age of 6 to the age of 16, the high school education that you give him, in ten valuable years how do you equip him? For what? Can he become a member of the society which is productive in any single field, contributing to the economic growth of the country? Can he become a wage-earning worker, a worthy member of the society? Actually today's education is making him unworthy of any work, unemployable instead of employable. That is what is happening. When boys reach the age of 16 or 18, why should every one want to go to University? It is just to get a degree because that degree promises him a job, a job as a clerk; even for the post of Peon..

MR. CHAIRMAN: This is about student unrest.

SHRI VASANT SATHE: I began by referring to the basic context I am spelling out the context. Unless you understand the basic malady, unless you diagnose the disease, you cannot treat the disease.

Why is there this student unrest today? Today the university-educated boys or college-educated boys do not see any hope in playing a useful role in life. They cannot get jobs; they cannot find any work. The entire

educational system, if you do not want this unrest, must be so re-oriented that every boy getting out of the university should be able to do something productive, should be able to produce some goods. Today even if he wants he cannot get. Of course, there is the other context with which you are not concerned. But it must be coordinated with the policy of the Government of providing employment, useful employment, purposeful employment. You cannot do that because we are still slaves of the vested interests in the country who are controlling the entire productive resources of the country. Unless you do this, your education is going to be aimless.

SHRI JYOTIRMOY BOSU: You are saying about the class character of the Congress Party. I congratulate you on that.

SHRI VASANT SATHE: I am talking of the basic issues.

Another important aspect is that the majority of the students today do not want violence or unrest. Let me say this. You also must be knowing it.

MR. CHAIRMAN: Please try to conclude.

SHRI VASANT SATHE: How much more time can I take?

MR. CHAIRMAN: Only two minutes more.

SHRI VASANT SATHE: I have spoken only for five minutes. The other member took 30 minutes. Anyway, I will obey you.....

MR. CHAIRMAN: You may finish in two minutes.

SHRI VASANT SATHE: If you want, Sir, I can sit down now.

MR. CHAIRMAN: You can finish your speech.

SHRI VASANT SATHE: Another important point which I wanted to mention was this. The majority of

the students in this country do not want violence, do not want unrest. Today they see a ray of hope in the leadership of the country. You must have seen that this age group, in which the university students are there, stood massively behind the leader of the nation. Why? Because they know that here is the leadership which can help them mobilise their energy to become builders of the nation. I would, therefore, submit that even in the university campus, it is only a handful who indulge in violence, provoked by people outside, provoked by people who are interested in provoking violence. The majority of the students do not want violence. But why are the majority of the students not with us? Why are the majority of the students not with the teachers? Why are the majority of the students not with the Vice-Chancellor? As the old Chinese saying goes, if the son goes wrong, punish the father. I would say, 'Yes, if Students go wrong, punish the teacher.' He is the real guilty man to-day. The Vice-Chancellor or the teacher—why are they not able to invoke the confidence in the majority of the students? That only means that there is something seriously wrong with our Vice-Chancellors and teachers. They also do not have....
(Interruptions)

MR. CHAIRMAN: No disturbance please.

SHRI VASANT SATHE: The last point I want to make is that we must involve the students and the student population in some nation-building mass programmes. That would be a very good method of channelling and mobilising the energies of the students. You know there are organisations and we cannot just wish them away. They catch the boys young, poison their mind, put them in narrow grooves in the name of nationalism; in the name of national patriotism, communal or otherwise. They do this by catching the boys at the age

[Shri Vasant Sathé]

of six or earlier. Now, by simply saying that this thing ought to be condemned, we cannot wish them away. What is the alternative you are providing? Where are they? Formerly, we used to have Akharas in every Mohalla where we could imbue the students not only physically but actually with certain values. But, today, what are the avenues for our young men to go to? Today, in the colleges you will find for extra-curricular activities, there is no place and all that the boys have to do or most of them do, is to go and stand in the street corner. That is also a major lacuna and a draw-back.

Lastly, in this context, you must give a feeling of belonging and participation to the students. If a student can be a citizen and even though he cannot vote today but if he is of the voting age, why cannot he be in the Senate? Why cannot he be in the College Council? Why cannot he be in the University-controlling executive or whatever body it is? Let him have that feeling of belonging and only then he will know directly where the shoe is pinching and the students' problems can be solved on the spot. That ought to be done. That is the last suggestion I would make if you want to solve this students' unrest.

Therefore, I submit that we have to tackle the students' agitation that way and as far as unruly violence is concerned, I think nobody has said that they support violence—even the other side said that—or encourage them. Therefore, as far as the stand of the Government against the hooligans, against the goondas, against rowdies and against those who commit violence is concerned, I support entirely the stand of the Government. Don't tolerate any goondaism or any violence on the campus, at least in the precincts of the University..... (Interruptions) But those basic questions have to be considered. You cannot tackle the students and their problems unless you look at them in the larger context.

Thank you very much.

SHRI SAMAR GUHA (Contai): I was feeling surprised by the number of statements that are made by the hon. Minister for Education on the floor of the House. A very soft man and himself a professor, how can he take such a strong attitude of iron-rod treatment with the students?

Also I was feeling surprised how the Vice-Chancellor of the Delhi University, coming from the teaching profession, should take the posture of a superintendent of police in dealing with the students. I got the answer to it yesterday and how the Education Minister and the Vice-Chancellor got the cue and where from. I got it yesterday.

I was simply stunned by the statement that was made by the hon. Home Minister when he said, 'Be harsh, be strict' like a bureaucrat. I think all the bureaucrats will be very pleased to hear him. What did he say? "Students' violence will not be tolerated in the University campus." They think as if the student unrest is a phenomenon of habitual criminality. The Home Minister spoke as if they were dealing with a set of habitual criminals. I am sorry to say that of late, particularly, in dealing with Delhi University and Banaras Hindu University regarding the student unrest, the Government has taken an attitude as if the problem of student unrest is a problem of law and order, a problem of political dereliction. I will firstly take up the second point. I want to get this information from the hon. Education Minister who has got cue from the Home Minister to be rigid, to be firm in their attitude to students. Let the ruling party answer this question about their political influence among the student community, by placing their hands on their hearts. Today, the revival of the ruling congress rests very largely on the active contribution of the student community in

favour of that party. The example is known to every one. There is the role of the Chhatra Parishad; there is the role of the Yuv Congress. I do not want to go into the details. If you go on harping on all these things, it will recoil on you. I do not want to use a strong language, but I wish that they should keep their house in order. I know other political parties also do it. When they started this in Delhi and Banaras Hindu University, we have pointed out, be careful; if you try to take up the active cooperation of the student community, it will recoil on you. The student community has got a general fraternity of service among themselves, a general affiliation among themselves, cutting across the party barriers. If you go on harping like this, it will recoil on you.

Secondly, about the question of violence, I want to know this from him. There is unrest everywhere; unrest is a sign of the times. If there is violence we will not condone it. If there is excess, we will not condone it. We will deplore it very much. You cannot equate student unrest and student violence with violence committed by other criminal elements. If you do that, you are committing violence against the fundamental nature of youth. Youth cannot be controlled by your iron law. That is the lesson of history.

Now, Sir, what is the basic reason for the student unrest in the country? It is known to the Education Minister. The basic reason is, the object, the ideal, and the system of education is very 'back-dated' and very 'outmoded', I should say. The whole system of education has almost virtually turned into a junk. It is not easy for me to go into the details. But I want to quote a few lines from their own words. Here is the report of the U.G.C. This has come out after the Kothari Commission Report. It says:

"Dissatisfaction has become particularly acute among students because of unemployment among the educated youth, particularly the growing unemployment of the technically trained personnel. The present system of education appears to lack any concrete aim or purpose and to be a mere ritual devoid of inner strength and reality....."

It further says that there is hence "a demand for a change in the syllabus, the structure of courses, the system of examinations and methods of teaching.....". This is to be seen:

"...in respect of outmoded and old-fashioned syllabuses or courses which do not appeal to the students. These courses are neither satisfactory in developing the intellect of the student nor in equipping him for the needs of society. The dissatisfaction of the students with society in general and with the existing academic opportunities in particular can easily be exploited by interested faction leaders within the academic community as well as those without and this leads to the eruption of agitations based on regional, linguistic or communal demands."

I would like to point out that the violence as it appears today is just a symptom; it is not the malady. The malady is deep-rooted, and the malady has been indicated by the UGC's report. If you consider the question from the point of view of students' participation, then there is a big job to be done. I do not want to quote further from the UGC's report. But I would like to ask Government what they have done with it. Have they dealt with this question? Have they been able to get students' participation? If they could have got it, then certainly, I would not say that everything would have been achieved, but at least a major part of the student's unrest could have been dealt with.

[Shri Samar Guha]

The hon. Minister had asked one question namely whether we were dealing with the teachers' problems or the problem of student unrest....

PROF. S. NURUL HASAN: My question was in regard to the school teachers.

SHRI SAMAR GUHA: I would like to point out how teachers' unrest can be converted into students' unrest. The Delhi students' trouble is a glaring example of this. The whole problem started from the Engineering College. It was the teachers of the Delhi Engineering College who were on strike. You will be surprised to know that there were very few students who wanted the college to be closed. They wanted the college to be reopened. They went to meet the Chief Executive Councillor of the Metropolitan Council. He told them to wait for fifteen days. And what did he do? He said 'I am dismissing all the professors and teachers and then bringing in new teachers, and then everything will be all right.' But everything was not all right. Within the next few days, when the students went there, what did they do? I shall not call him a gentleman, but I shall call him a person with a thick-headed behaviour. I do not want to use any stronger words. That person with the thick-headed behaviour created the first trouble. The first trouble was that he was not there. When the students went to meet him, he had escaped. I have got this from the Congress friends only. I have got all the information from my Congress friends only. I do not look at this problem from the party standpoint. The students were given a good beating when they went to see the Vice-Chancellor thinking that they could have their grievances redressed. The Vice-Chancellor had escaped, and the students got a good beating. The students then came away. Again, that jittery fellow did not meet them; I should say that the Vice

Chancellor is nothing but a jittery nervous fellow. He did not do anything.

The Lt. Governor then himself took the initiative. He had a talk with the members of the Metropolitan Council, and he almost solved all the problems. He agreed that the grievances of the Delhi Engineering College teachers were very genuine, because they wanted to be on the same salary scale and they wanted to have the same status as the university teachers. All the problems were solved. He said that the other demands would be negotiated. Then, he suggested to the vice-chancellor to keep in abeyance or to withdraw the rustication order. But he did not. On the 5th this happened. On the 6th,—as you know, the students always talk of something grandiose, and they talked of grandiose and the take-over of the university. When the students were going there, there was a big grandiose, and there was a big drama there. If only the vice-chancellor would have heeded the advice of the Lt. Governor, perhaps the problem would have been solved. But he did not. When the students were going to disperse, about forty to fifty plain-clothes people who were already in the room of the Vice-Chancellor pounced upon the students. The vice-chancellor had made at least half a dozen calls to the police to come to the campus. And the police came. What did they do? I do not want to say anything on my own, but I shall only quote from the newspapers. The report is:

"Two battalions of policemen were asked to descend on the Delhi University campus. They came teargassing, chasing crowds, harassing passers-by, cane-charging, ing, the stragglers, beating the students to blood, assaulting even the pressmen, insulting the lady-teachers, belabouring, bawling and abusing whosoever came in their way."

I am concluding. That is why I say it hurts me. The Vice-Chancellor also belongs to my profession. I always used to say about him: police superintendent. This jittery man has bungled every thing. You know this man rusticated two Jan Sangh and two Congress—perhaps he did not know—evenly balanced. He has been caught in his own mess. Yesterday four educationists, members of the executive council belonging to all parties, the two contending parties together, went to the Vice-Chancellor to make an appeal to him: make a review committee and keep the rustication in abeyance and the problem will be solved. The Vice-Chancellor said to the Lt. Governor: No, no; I will withdraw the rustication in the month of January, not now. This is his attitude to the students a man without having even a little bit of paternal affection or paternal perspective. How can you entrust such a man to deal with the students? We had our Acharya Narendra Dev. There was a teacher and the taught. The most important part is to deal with the students. I request the hon. Education Minister to give up the attitude of treating students with an iron rod and making it a law and order issue, political issue. Look not at the symptom but at the basic malady with which the whole students community is today infected.

SHRI C. M. STEPHEN (Muvattupuzha): Sir, I will not take much time. There are two problems before us: One is about the general student unrest in the country; secondly, the particular incident in the Delhi University. The first question is too large to be exhaustively discussed within the compass of a one hour discussion in Parliament.

I should say that I do not feel alarmed of the much talked about students unrest throughout the country. Looking back, this is not a new phenomenon at all. If only we took a retrospective view, it will

be possible for us to recollect that throughout the very years we have lived, we have seen from year to year, place to place, era to era student unrest breaking out in some form or another in different areas in the country.... (Interruptions). Most of us who are here were involved in our student days in this. May be on a national issue or individual issue.

What I am saying is that the general atmosphere in the country will find its reflection on the student community also. The unrest among the students is not a feature peculiar to India. You take any country, any part of the world. You find the student community in ferment in some form or another. India is not an exception. It is not the student community alone which is in ferment; different sectors of the community in the different countries, advanced and advancing, developed and developing in different stages of cultural development are all affected because it is a dynamic process. Progress does not stop anywhere. It is a dynamic thing, going from stage to stage. You are in a particular stage and your horizon widens and unrest develops. Discontentment and unrest, there will always be. Different demands may be met, but still many may remain. Without that, you may take it that society is dead.

19.00 hrs.

So far as this problem is concerned, different propositions have been put forth. It is not as if Government is unaware of it. Commissions have been appointed and proposals have been made. In different universities many proposals have been implemented. In Kerala the students wanted representation in the syndicate. It was accepted. They wanted representation in different councils. It was also accepted. Not only in Kerala but in many other universities also, many demands of the students have been accepted, though there may be difference in the degree of implementation.

[Shri C. M. Stephen]

But still, the student community is not perfectly satisfied and they still look forward to something more. That is inherent in the whole situation. If that is so, the major question is, how the elders are going to react to a particular manifestation. I am sure everybody will agree that the approach must not be the rule of the rod. No sensible government of police force can take that attitude. When there is a spontaneous outbreak, no body runs with a rifle or a rod. Those incidents are very few. Looking at the large number of educational institutions functioning from Kashmir to Kanyakumari, the spots of unrest are comparatively few. Let us not magnify it out of its proper context and proportion. It is not national sort of demonstration. It is limited to certain developments in that particular area, but even then an analysis must be made whether the mass of the students in that particular area want their studies to be interrupted. As Mr. Sathe pointed out, it is not the mass of students who want it. I am not putting the students who are responsible for the manifestation in the dock. That is far from my contemplation. I am only saying that the mass of students do not want it. Some people susceptible to emotions and machinations do a particular thing. If a particular incident takes place, what is the attitude the elders take? If my child misbehaves, I do not take a big rod and beat the child. I tell him that what he has done is wrong. If that is the role of the elders, have we played that role?

Take the Delhi University incident. A particular students' organisation makes an advance announcement, "We are going to march to the university to take over the administration." The announcement may be justified or not. But was there any political party in the country which came out and commented on it? Is it that you have approved of it? If it was not approved by any political party, as elders, was it or was it not our duty to react to that and tell

the students, "Your grievances may be genuine, but your programme of taking over the university is something we completely discountenance. We raise our voice against it. Stop it." So, no political party, which has not discharged that responsibility as elders, has got the right to point a finger of accusation at the students. It is not the students who are in the dock. It is the Congress, the Jan Sangh, the Communist Party or any other party which claims to be an adult which is in the dock. We have failed in discharging our responsibility, as elders, of mustering the moral courage to tell the youngsters that what they are doing is absolute-ly wrong. That has not been done. Let us stop playing to the gallery because this is a very delicate matter. It is the future of our children that we are playing with. One could understand that when the national movement was on, but not now. Then, it is not as if the government is not prepared to respond. The government, the mass of the people and the university, they are prepared to react, and they are reacting. But it will have to be solved stage by stage. The methods adopted for the purpose of solution also have to be different. If they do not accord with our concepts of civilisation and evolutionary process, then every party must say whether it approves of that procedure or not. Otherwise, we will not be discharging our duties and responsibilities. That is all I have got to say on this aspect.

Much was said about the Vice Chancellor. I do not know that gentleman. In my view the Vice-Chancellor should buck up moral courage and say "I am offering myself to be butchered; let the students do whatever they want". In that case, the students and also the public would have second thoughts. But when the political parties do not have the moral courage to say that their programme is wrong in the fear that the students might react against them, those political parties

have no moral right to expect of a lone Vice-Chancellor to offer himself to be massacred by the students. In this case the Vice-Chancellor did not run away from the scene. He waited. But then he found that the students were on the rampage and he was in mortal danger of being attacked and killed. So, he summoned the police.

When the Vice-Chancellor summons the police, saying that his life is in danger and some students are ransacking the university building, if he seeks the assistance of the arms of the law, can the government say that it is a matter between the Vice-Chancellor and the students and that we will not interfere? Could the police react in that way in such a situation? Here the question is not whether the Vice-Chancellor is correct or not. He may or may not be correct. The fact of the matter is that the Vice-Chancellor told the police that his life is in danger and the property of the university is being damaged by the students. When the police receive such s.o.s. from the Vice-Chancellor, how should it react? I would repeat that let nobody who at different stages did not discharge their moral responsibility to the youngsters, come forward with a sanctimonious demonstration of rising on the pinnacle of moral perfection and start lecturing others who, in their limited fashion are trying to discharge their responsibility as per their contemplation and visualisation.

Coming to the students, everybody knows that there is discontent among them. But that is not a problem concerning the students alone. Neither is discontent peculiar to Indian students alone. Discontentment there will ever be, so long as dynamic life and dynamic societies go on; perfection there will never be. But the discontentment has got to be solved in a democratic and peaceful manner. If violent methods are adopted for the solution of discontentment,

you will throw the society to pieces and progress will be retarded. So long as democracy functions here and there is responsiveness, there is an avenue for solving these problems. If you are trying to by-pass that, then there will be no future for us. I can understand the emotional students functioning or behaving in that way. But if those persons who are supposed to function with a sense of moral responsibility, if they in their anxiety to get cheaply bought political applause start encouraging such behaviour, they would be doing a disservice more to their children than to the students. This is my reaction on this subject.

SHRI RANABAHADUR SINGH (Sidhi): Mr. Chairman, Sir, in any democracy if certain upheavals like the one that we have just witnessed in this very city did not happen, then I feel that that democracy is dead. It has to come as a part of the evolutionary process wherein a nation gradually evolves its methods of education to take society to that particular place where the maximum benefit accrues to the maximum number of people.

I feel that it is a legacy of democratic processes that things are tackled as they want. One person has aptly named this process as *ad hoc* crazy. What happens in our country is no exception to this rule which is almost common in all democracies.

Twenty-five years after Independence, the question of student unrest has taken on a shape and, probably, we also at this stage are having more time on our hands wherein we can really apply ourselves to questions which have so long been begging to be looked into. So, at this moment, it is a welcome opportunity that the student unrest has caused a debate in our society and in this august House apart from the fact that other solutions which have exercised the Members of this House too and which have to be decried wherein the strong

[Shri Rana Bahadur Singh.]

arm of the law has finally tried to solve the student problem by the only method known to them.

I feel that it is in the context of this debate that a few points should be studied. All this debate that has taken place here has initially revolved round one basic aspect and that is economic aspect. Every Member has tried to make out that our education fails to provide job-oriented education to our young people. I do not think that a developing country like ours is in a position for the next 15 to 20 years to provide meaningful jobs to all the students who graduate from our universities. It is impossible. Our coffers have no money for that.

To talk all the time of providing job-oriented education to the students invariably creates the problem that we are putting it into their minds that once they come out of universities, they are fit to get jobs. The total thinking of students is an end product of our educational process. What is our educational process? When we talk about reforms, we only reach the stage wherein we try to create a job-oriented feeling for the students who come out of our universities. Even when we have created job-orientation feeling in our students, that they will get their jobs, that problem is something which must be looked into now because what we are facing as a student problem today is an accumulated result of our policies for the last 25 years and what is going to be the nature of this problem 20 years from now is manageable today.

So, when we talk about reforms in education, it is time that we stop giving mammon the central place in this whole theory. It is time that a student who goes to college should come out with something more in him that the mere single-mindedness of trying to get money to achieve a certain standard of life. I do not at this moment think nor do I plead that we

use the age-old soporific to dull the minds of students. That is not my plea. But I do feel that this job orientation and worship of Mammon that is inculcated in the students by our educational process should, at this time, be somehow reduced, and when a student comes out of the university, he should not be a wage-earning machine wanting the processes of that earning, but he should have that adjustment in him which as per our present thinking and our information those students do develop in the Western societies.....

MR. CHAIRMAN: He should conclude.

SHRI RANABAHADUR SINGH: This is the last sentence.

The more affluent societies in the West are producing a type of students with whom economics is no longer the basic primary factor. I do not think that it is quite achievable in the near future by us. All that I wish to draw the attention of the Government to is that they can only solve this problem by going deep into it and by not closing their minds to the fact that job orientation is not the only answer.

SHRI P. G. MAVALANKAR (Ahmedabad): Mr. Chairman, Sir, I welcome this debate on student unrest because I think it is very useful and necessary that we in this country discuss the problems that are faced by our young generation. This problem of student unrest is not peculiarly an Indian problem. It is a problem which is a global phenomenon and it arises out of many causes. It is also true that the university campuses all over the world today are, so to speak, *en rapport* with each other: if something happens in Brazil, it has its repercussions in Japan; if something happens in Europe, it has its repercussions in Asia. This, in a sense, is good because when students all over the place feel restless, they also know that they are belonging to

the new times where everybody thinks that he or she belongs to the new whole world. So, let us have this larger perspective in view.

Secondly, I do not think it will be right to look at this problem from any partisan or political angle. I concede that political overtures cannot altogether be avoided because this problem of student unrest is caused not only by educational factors but also by political, economic, social, cultural and religious factors—all kinds of factors have combined. But I want to view this problem from a strictly non-partisan angle; and if I may say in all humility, I have been teaching and lecturing in colleges and Universities for the last 23 years and, therefore, I may claim some knowledge of, and close acquaintance with, the problem of student unrest.

Student unrest is not necessarily bad or unhealthy. Indeed, some unrest is to be welcomed when the unrest is for change, for dynamism, for meaningful dialogue and for purposeful endeavour. It is only when unrest takes a turn towards violence and destruction that we feel that it is to be criticised and avoided. We must make a distinction between unrest and violence. It is very necessary that our young people should have a sense of law; they should respect public property and see to it that it is not destroyed. Therefore, unrest and violence have to be separated. Violence has to be punished. But I want to ask this hon. House and all concerned whether we are aware of the deeper violence, the violence which stems out of breach of promises by the elders, by the university bodies, by government leaders, by various political parties, the violence that stems from the delays caused by the machineries in the Government or University....

MR. CHAIRMAN: The hon. Member may try to conclude.

SHRI P. G. MAVALANKAR: I do not want to take much time. If you allow me a couple of minutes more...

MR. CHAIRMAN: He can take two minutes more.

SHRI P. G. MAVALANKAR: I was saying that we must be aware of the violence which arises from the deeper malady of the society.

Teachers also are responsible to an extent because unless there is quality and integrity on the part of the teachers, I do not think the students will be able to have the satisfaction of learning.

MR. CHAIRMAN: The hon. Member's time is up.

SHRI P. G. MAVALANKAR: Only two more points and I have finished.

I want to suggest that the unrest also is caused by the fact that there is a tremendous lack of communication between the teachers and the students and between the elders and the youth.

The dialogue with the students is so necessary, and, in certain respects, with the growing generation it is absolutely necessary. A very humane and a personal feeling of intense warmth and understanding for the students is required and the students must be made to feel that they are also being cared for by the elders and the educational authorities and, further, that the elders have a sense of concern for them. If all this happens, the problem of students' unrest can be, if not avoided, at least partly solved. We must also give our students a chance to participate in the various academic bodies and the various allied activities.

Let us not forget that the students are restless all over the world, not only because they are finding fault in the University matters. In fact, the youth the world over are restless because the youth of the modern times have a special interest which they have acquired and they have become hypocrisy-hunters. Wherever they see it, whether it be in the elders or

[Shri P. G. Mavalankar]
in the leaders, they spot them out
and revolt against them.

Therefore, I suggest that this problem of students' unrest should not be looked at only from the point of view of partisanship or from political overtones. We must look at it from the larger angle, from the international angle. Here, I would like to quote what Prof. Arnold Toynbee says in his very fine and recent book 'Surviving the Future'. He says the youth possess two qualities which they must contrive to retain:

"The virtues of youth are disinterestedness and open-uninterestedness. Hold on to them."

With these two qualities, if our younger generation can be encouraged to go forward, I am sure, all will be well with India and the world.

Thank you, Sir.

श्री एम. राम गोपाल रेड्डी (निजामावाद) : जो कुछ दिल्ली यूनिवर्सिटी में या दूसरी जगह हो रहा है वह बहुत ही दुःखदायक है। इसका कारण यह है कि हम लोगों में, टीचर्स में और विद्यार्थियों में सोचने की शक्ति कम हो रही है। यही एक चीज है। नेहरू जी ने कई बार कहा था कि मुल्क में किसी भी चीज की कमी हो जाए, कोई परवाह नहीं है लेकिन थिंकिंग पावर, सोचने की शक्ति अगर कम हो जाए तो बड़ी मुसीबत होगी। आज हमारी यूनिवर्सिटीज में सोचने की शक्ति कम हो गई है। बुद्धि जीवी जो है उनको इस ओर ध्यान देना चाहिये जो नहीं दिया जा रहा है। दो ही चीजें आज प्रमुख मान ली गई हैं। विद्यार्थी चाहते हैं कि बिना पढ़े लिखे कापी करके बे पास हो जाएं और लेक्चरर चाहते हैं कि बिना पढ़ाए उनको तनख्वाह मिल जाए। यही दो चीजें हो रही हैं। बद-किस्मती से कुछ पोलिटिकल हाथ भी उस में हैं। राजनीतिक दल और मजदूरों में, कर्मचारियों में जा कर काम करें तो कोई एतराज

की बात नहीं है लेकिन मेरी विनती है कि आप जरा इन लोगों से अलग ही रहे, इनको जरा इनके हाथ से बचायें और बच्चों को अपने हाल में ही रहने दें। मुझे नहीं मालूम कि श्री बसु जी के कितने बच्चे हैं, हम चाहते हैं कि उनके जो बच्चे हैं, जो पढ़ रहे हैं, वे उनकी तरह से ही अच्छे स्पर्किंग बने पढ़ लिख कर विद्वान बने। लेकिन मैं पूछना चाहता हूं कि अगर बच्चा हड़ताल करता है, पत्थर मारता है, बस जलाता है तो किस किस का बच्चा वह आगे चल कर बनेगा। जब हम इसको सोचते हैं तो जरा डर लगता है। आंध्र में बच्चे बहुत आजाद हो गये हैं, बमें जलाते हैं, वहां यूनिवर्सिटी बन्द होती रहती है। इस वास्ते मैंने अपने बच्चे को लाकर यहां दिल्ली विश्वविद्यालय में दाखिल करा दिया। पहले माल तो वह अच्छा पढ़ा लेकिन दूसरे साल यह हालत हो गई है। मैं चाहता हूं कि पालिटिक्स हमारे विश्वविद्यालयों में न पढ़ें। मेहरबानी करके हर आदमी अपनी हद में रहे। यह फ्यूचर जैनरेशन का सवाल है।

कहा जा रहा है कि विश्व में सब जगह ऐसा ही हो रहा है। विश्व में होता होगा लेकिन भारतवर्ष में नहीं होना चाहिये, यही मेरी आपसे विनती है।

THE MINISTER OF EDUCATION, SOCIAL WELFARE AND CULTURE (PROF. S. NURUL HASAN): Sir, a very large number of points have been raised by hon. Member. I would have liked to deal with each and every one of the points, but some of them have not found it worth their while to sit here and to listen to whatever submission I have to make to you. Sir, the most important criticism was made by Shri Jagannath Rao Joshi of the Jan Sangh.

SHRI HEMENDRA SINGH BANERJA (Bhikwara): I am here to represent him.

PROF. S. NURUL HASAN: If this is the Parliamentary tradition which we want to establish, I have no objection.

SHRI HEMENDRA SINGH BANERAJA: He has gone for some important work; I am representing him.

SHRI VASANT SATHE: This kind of proxy will not do.

PROF. NURUL HASAN: I will start with the points that have been raised by those hon. Members who have taken the trouble of being present here and then, in passing, I will take up points of those who are not present. First of all, I want to take up the point of my distinguished friend, Shri Jyotirmoy Bosu.

THE MINISTER OF PARLIAMENTARY AFFAIRS AND SHIPPING AND TRANSPORT (SHRI RAJ BAHADUR): You have well used the word 'distinguished'....

PROF. S. NURUL HASAN: The word 'distinguished' is correct and the word 'friend' is correct and he cannot deny this.

SHRI JYOTIRMOY BOSU: Thank you.

PROF. S. NURUL HASAN: I want to draw his attention to a slight inaccuracy of historical fact in what he said. He said that during the British days the Police did not enter the campus. I was a student during British days. I have seen police enter the campus. I have seen police beat us up all. In 1942 I was just a young lecturer trying to protect, to the best of my ability, the students of my university from police firing and from all the other beatings. And, Sir, there are any number of people of my generation and older in this House who could never have forgotten.

SHRI JYOTIRMOY BOSU: The British seldom entered educational institutions. Did you forget about Principal Dr. Erquhart refusing entry

of Sir Charles Teggard, Police Commissioner into his college? Sir Charles Teggard was later the Vice-Chancellor of Calcutta University.

PROF. S. NURUL HASAN: I don't think that my hon. friend should become an apologist for British rule.

SHRI JYOTIRMOY BOSU: I am not. You are following all their bad habits. You are making it still worse.

PROF. S. NURUL HASAN: I think that when such a serious matter is discussed, even for securing a debating point, factual inaccuracy should not creep in. The hon. Member made another very important reference. He quoted that one-third of the student disturbances were for better facilities, one-third were for failed students and dismissed staff and one-third for larger issues. Now, I want to crave your indulgence to refer to what is called the larger issues. These figures are tentative. No detailed survey could have been made in such a short time, but may be, it gives us some rough indication. Between the period June 1972 and November, 1972 there were 4136 cases reported of what may be called broadly, student unrest. Among these, the incidents of serious trouble because of regional, linguistic, communal, parochial and chauvinistic factors, were 1395. That is to say, more than one-third of the total incidents that have taken place have not taken place because of a demand for something which is progressive, because of any demand which has anything to do with the campus or the organisation of the university, but for issues which divide one section of our people against another.

This is a very serious matter, and I am putting forward this matter in all humility. Again, I have no intention to score debating points against various political parties. It is a matter for very serious consideration that within the short span of about six months or slightly under six months, there have been 1395 incidents where the issue is an issue which poses a threat and a

[Prof. Nurul Hasan]
danger to the advancement and progress of the country. It does not matter how we conceive of the advance, but anything which leads to a trouble on a parochial issue, or on a linguistic issue or for instance, the issue of the mulki rules has to be seriously considered. The mulki rules may be approved of or may not be approved of. But basically, what is the essence? How many of the jobs are going to one brother and how many are to go to the other brother?

SHRI JYOTIRMOY BOSU: That is the economic crisis created by you.

PROF. S. NURUL HASAN: That is not an economic crisis. Let him please try and understand. There is the role of ideology which is an important thing, and if the hon. Member has forgotten his Lenin, I cannot help him.

SHRI C. M. STEPHEN: He has never studied Lenin.

PROF. S. NURUL HASAN: I seek his forgiveness.....

SHRI JYOTIRMOY BOSU: Shri C. M. Stephen is the *sub-janta* for the Congress party in office.

PROF. S. NURUL HASAN: I seek the forgiveness of the hon. Member, because I should not have presumed that he had studied Lenin.

SHRI SAMAR MUKHERJEE (Howrah): The hon. Minister has not understood Lenin properly. He has understood Lenin very wrongly, because the economic basis is the primary thing in Lenin. Let him please try to go deep into the matter.

SHRI JYOTIRMOY BOSU: I never thought that I was going to throw pearls before swans.

PROF. S. NURUL HASAN: I can easily repeat this compliment. Once

upon a time I thought that the hon. Member had made a careful study. Apparently, under the responsibility of political leadership (Interruptions)

SHRI SAMAR MUKHERJEE: I am unfortunately constrained to say that that is why his place is on the other side.

SHRI JYOTIRMOY BOSU: I never knew that I had thrown pearls before swans.

SHRI RAJ BAHADUR: That is a very bad word. It may be expunged. He cannot use that expression.

SHRI JYOTIRMOY BOSU: * * *

MR. CHAIRMAN: That will not go on record. What he has said about Shri Raj Bahadur and the way he has put it will not go on record. He has got a very bad habit of putting it. Let it not be put on record. I am not allowing that to go on record.

SHRI JYOTIRMOY BOSU: He does not understand the English idiom. What can I do?

MR. CHAIRMAN: It is very bad.

SHRI JYOTIRMOY BOSU: It is an English idiom, Sir. I said 'swans'.

MR. CHAIRMAN: Let him leave it now, and let him allow the hon. Minister to continue.

PROF. S. NURUL HASAN: I would also like to draw the attention of Shri Jyotirmay Bosu to what Plekhanov has written and to what criticism of economism....

SHRI SAMAR GUHA: The hon. Minister should realise that we do not all subscribe to the economic theory of the development of either intellect or civilisation or the values of life. There are other contributions also. So, let him not harp on our ideological convictions. We do not subscribe to that theory.

*Expunged as ordered by the Chair.

SHRI SAMAR MUKHERJEE: Let him say so, but let him not refer to Lenin.

SHRI SAMAR GUHA: We have also got our ideological convictions.

SHRI M. RAM GOPAL REDDY: Lenin is not the property of anyone, but it is world property.

PROF. S. NURUL HASAN: The hon. Member appears to have taken a patent.

SHRI JYOTIRMOY BOSU: He means monopolists? They are their patron-saints.

PROF. S. NURUL HASAN: The point is that a dangerous ideology is developing, and it is necessary that we should take note of it, and we should at every necessary step put a stop to this sort of ideology for exploiting the masses of our students.

SHRI JYOTIRMOY BOSU: Let him explain it a little further. What is the ideology?

PROF. S. NURUL HASAN: There were two specific questions which Mr. Jyotirmay Bosu asked the Government. Does the Government intend to supersede the Delhi University? The answer is: Government has no such intention. Secondly, was hijacking an act of agent provocateur? I have already made the statement, when one of the hon. Members said that it was an act of agent provocateur, that it was not in accordance with the facts as were known to us. If the hon. Member has any evidence I shall be grateful if he would let me have that evidence because I will not tolerate any agent provocateur to create disturbances.... (Interruptions). Then there is to be a 'but' also. But if these statements are made light-heartedly they could create misunderstandings and a great deal of difficulty. Therefore, the Members must check up their facts before they make such statements.

SHRI JYOTIRMOY BOSU: What I said, I said with a full sense of responsibility.

PROF. S. NURUL HASAN: Another interesting point put forward by my distinguished friend Shri Jyotirmoy Bosu is that when he spoke he referred to lack of funds with the managing committees of private colleges. I never realised that he was such a defender of private enterprise in education. I would not like to comment any further.

SHRI JYOTIRMOY BOSU: I am not a defender of private education; I only stated facts.

MR. CHAIRMAN: That is how it becomes difficult; you do not co-operate with the Chair.

SHRI JYOTIRMOY BOSU: I fully co-operate.

MR. CHAIRMAN: Is this the attitude? We are sitting late all the time. In the place of two hours allotted, we have taken four hours and more. Still you are not satisfied and go on giving a running commentary on that.

SHRI JYOTIRMOY BOSU: Do you appreciate that I have not challenged the quorum (Interruptions).

PROF. S. NURUL HASAN: Shri S. N. Mishra pointing a finger at me asked: when Mr. V. V. John was assaulted in Jaipur did you raise your voice? My answer is a categorical yes. I immediately sent him a telegram and I did raise my voice because of the reasons I am going to discuss which I consider to be the basic and fundamental reasons.

SHRI JYOTIRMOY BOSU: The outcome of your meeting with the Vice Chancellor?

MR. CHAIRMAN: You cannot help yourself!

SHRI JYOTIRMOY BOSU: You have found it out; I am in full agreement with you.

PROF. S. NURUL HASAN: I do not think I have enough time to deal with the points of Members who are not present; therefore I shall leave them and deal with the other points

SHRI HAMENDRA SINGH BANERA: He has to reply to all the points raised by the Members of the House.

MR. CHAIRMAN: I cannot force the Minister.

SHRI HAMENDRA SINGH BANERA: On a point of order; certainly he will have to.

MR. CHAIRMAN: There is no point of order.... (Interruptions).

PROF. S. NURUL HASAN: I would like to refer to two small points before I go on to the fundamental points raised by Mr. Samar Guha. Firstly, the point which I thought in reply to the calling attention I made explicitly clear apparently has escaped his attention. On the 14th November, the students' group went to the university and for that, the hon. member used the words "the Vice-Chancellor escaped". The Vice-Chancellor had a previous lecture engagement at quite some distance from Delhi. When he returned after 7 o'clock in the evening, only then he heard what had happened. Therefore, the impression that the Vice-Chancellor escaped is factually incorrect.

I would very briefly deal with the problem of Delhi University before I take up the other problems. My colleague, the Minister of State for Home Affairs, has already discussed at length the incidents of the 6th December and therefore, I need not take further time of the House on that. But there are three or four factors which may be of interest to

the House which have happened. On the 6th December, after the students had given an ultimatum to the university that they want to take over the administration.... (Interruptions).

I cannot help admiring Mr. Bosu....

SHRI JYOTIRMOY BOSU: I have to keep the House amused to prevent the point of quorum being raised.

PROF. S. NURUL HASAN: There is a line in Urdu,

‘इस सादगी पर कौन न मर जाए ए खुदा’

اِس سادگی پر کون نہ مَر جائے اے خدا

The Vice-Chancellor wrote a letter to the Secretary of the Students' Union saying that he wanted a committee of teachers' and students' representatives to discuss all the problems facing the students. That letter was, I regret to say, rejected by the student leadership which happened to be at that time present. Subsequently the Vice-Chancellor requested the President of the Delhi University Teachers' Association to intervene and try to bring about normalcy. The Delhi University Teachers' Association approached the students' union and said, "Let us form a Joint Committee consisting of the representatives of our two associations and try to look into all the problems with which the university was concerned." The student's union sought clarifications on a number of points, which clarifications were given by the President of the Delhi University Teachers' Association. Until now unfortunately the students have neither responded to the invitation given by the Vice-Chancellor to join a teacher-student committee to look into the problems of the students nor have they chosen to join the committee proposed by the President of the Teachers' Association.

SHRI SAMAR GUHA: Withdraw the rustication order.

PROF. S. NURUL HASAN: I am coming to that.

I will now come to the restitution order. When a delegation of the representatives of students, which included all the office-bearers met me we agreed on three fundamental points in our discussions. The representatives of the students as well as myself felt that these were basic and fundamental points on which agreement was essential, and the students in their conversation with me agreed on them. These points are, firstly, that there is no place for violence and intimidation in the university; secondly, any student who is guilty of violence and intimidation should be rusticated from the university; and thirdly, because a person happens to be the elected representative of students, it does not, for that reason, give him any immunity from the normal processes of the rules of the university; that is to say, neither should any student be punished only because he is an elected representative, nor should he escape punishment only because he is an elected representative. The students agreed there is the threat of violence and in with these three propositions.

Then I put forward before them the point of view that the issue, therefore, is not the withdrawal of the rustication order per se the issue is whether against whom rustication order has been passed were, in fact, guilty or they were not guilty. That is the basic issue. I then told them that the university had appointed a three-member enquiry committee which went into the evidence. The evidence was made available to the students. They could have made such representation, or put forward such evidence or arguments, before the enquiry committee as they liked. But, except one student, the other four against whom notices had been given, did not care even to present themselves there. The enquiry committee, on the basis of facts, came to the conclusion that these students were guilty of violence and of incitement to violence.

SHRI HAMENDRA SINGH
BARNER: All motivated statements.

2936 LS-13.

SHRI SAMAR GUHA: This is a legalistic approach.

PROF. S. NURUL HASAN: We know who are the politically motivated people. We know exactly the people who are, at the present moment, creating trouble, who are the disruptionist elements among the students, who are preventing them from taking a path of reasonableness, responding either to the invitation of the Delhi University Teachers' Association or to the invitation of the Vice-Chancellor. The inner story is too sordid to be related here. I will spare the House this unpleasantness.

Then I said that the statutes of the Delhi University make it absolutely clear that any representation can be made to the Executive Council, any grievances can be represented to the Executive Council, and the Executive Council has every authority to look into any grievances of an individual student or a body of students and to redress those grievances, if it thinks fit. Therefore, I said that those who feel that action has been wrongly taken against them, let them go to the Executive Council, let them give their evidence before the Executive Council, put forward their argument before the Executive Council. If they feel that they have not been given a proper chance to defend themselves, let them bring out these facts before the Executive Council. As I have said, I have no reason to think that the Executive Council would not give them a very fair deal. I had further talks with the Vice-Chancellor and he has himself taken the view that the Executive Council will not only be fair but will also appear to be fair, which are both ingredients of justice. This how the matter stands in regard to students.

I now wish to take up the more fundamental question which has been

[Prof. S. Nurul Hasan]

raised by the hon. Members and to which, I think, every Member has made some contribution. It would not be possible for me to recount individual names and say that these are the important points that have been made by each of them. But I would like to take up the point which several hon. Members have made and that is the question of unrest and violence.

I would like the hon. Members to distinguish between unrest and violence. Violence is not merely a philosophical concept that has to be examined in a vacuum. If in an academic institution there is violence and there is a group of individuals who say, "If you do not do this, we will break open your head or we will force you to do this or do that", then the intellectual life of that institution will come to an end. This is the basic moral question: Is the university a place where ideas are put forward, where there is a dissent, where there is a cross fertilisation of ideas, where arguments are matched against arguments or is it a place where there is going to be the threat of physical violence? If the threat of physical violence continues, then no university will be able to function. Therefore, I would like to appeal to this House to distinguish between two types of problems, the problem of unrest on the one hand and the problem of violence on the other hand.

Violence is to be condemned in any democratic society. An academic institution can just not function in an atmosphere of violence. If there is violence, that violence will have to be put down. The question that has to be answered the question the Vice-Chancellor has posed to the teachers is: What do you do when there is violence? How do you stop it?

Everyone has condemned the entry of police into the campus from the opposite side. I have myself stated that I do not by any means feel happy when the police has to be called. But what does one do? If there is violence and intimidation, if there is a

small group of people and everyone has agreed that the bulk of students do not approve of violence....

SHRI SAMAR GUHA: That is one-sided version; the other side is also there. I can tell you that I did not meet anyone of party Members from the Opposition. But I met your party Members, a number of them, of the Metropolitan Council.

PROF. S. NURUL HASAN: The hon. Member must go deep into the problem. I could say quite a few things about his party. I am avoiding that. The people who owe allegiance to his party have not tried to distinguish it.

The question that arises is: Can a university function when there is the threat of violence and intimidation? My humble submission is, if there is the threat or violence and intimidation, no university can function. It has been said there is unemployment. Of course, there is unemployment. But on humanitarian grounds, are we going to take a view that if a person is not educated, then. If he is unemployed, no harm is done? But if a person is educated and he is unemployed, then Heavens have fallen!

SHRI JYOTIRMOY BOSU: Who told you? We are equally concerned for both.

PROF. S. NURUL HASAN: We do not take that view. There are the masses. Please do not forget that only 3.2 per cent of the young people in the age group of 17-24 are in any institution of higher education. The bulk of our people are outside. Therefore, as representatives of people, we should be deeply concerned with the problem of unemployment in general. The problem of unemployment is something that should cause anxiety to every representative of the people and that is quite a correct attitude. But to say that because there is unemployment among the educated youth, the educated youth has the right to do things which the uneducated youth does not have the right to

do, is not a correct attitude. They do not cease to be our children if they are uneducated. We cannot apply a different yardstick to those who have not had the privilege of going to a university. Our hearts should melt equally for the young people in general whether they are in the universities or not.

Then, Sir, a justification has been given about non-involvement. There are a few problems which have arisen. The decision that has to be taken is: are we going to treat the students as children or are we going to treat them as grown-ups? This is a basic and fundamental decision. We cannot in the same breath ask that the students should be treated as grown-ups and given a voice in decision-making in the university bodies and at the same time say that it is, after all, the buoyancy of youth. This is an argument whose contradiction worries me a great deal.

SHRI VASANT SATHE: Follow the traditional saying:

प्राप्ते तु षोडशे वरं
पुत्रं मित्रवदाचरेत् ।

SHRI SAMAR GUHA: We did not prepare the UGC report. It is the erudite scholars who prepared it. They have dealt with student participation in an elaborate manner.

PROF. S. NURUL HASAN: Another point has been made by my very good friend, Mr. Sathe. He asked, if he is a voter, why can he not be on the decision-making body. I hope, my hon. friend is not suggesting that any one who qualifies to be a voter should be on the decision-making body of a university.

SHRI VASANT SATHE: That has not been well taken.

PROF. S. NURUL HASAN: The point is that I am a firm believer in the involvement of the student with the various decision-making processes

of the university. But I am wanting this not because it is going to relieve unrest—that is an unrelated problem. My hon. friend, Mr. Stephen, referred to Kerala University where students had been given representation in the various university bodies any other university had given it. And yet, going back to those figures of June to November, out of 1729 cases of student violence in the whole country, 109 took place in Kerala; in the order, it stands at number three, with Andhra Pradesh 915 Punjab 187 and Kerala 109. I agree with the conclusion which many hon. members have reached that it is worthwhile associating university students with the processes of decision-making. But all that I am submitting is that this is not going to solve the problems of the student's unrest. It is necessary as an academic process.

20 hrs.

SHRI SAMAR GUHA: As a part of the process.

PROF. S. NURUL HASAN: and an educational process.

Some years ago, it was thought that in a university, the teacher teaches and the student learns. That theory has been completely given up. Now, it is considered to be a learning process where the teacher and the students both participate and there is a mutual give and take. Therefore, in view of this changed theory which is now universally accepted, it is necessary that the students should be involved in the process of decision-making and it is with this basic thinking that the Government have accepted and have recommended to the State Governments to accept the Gajendragadkar Committee's report which wants to involve the students, at every stage with the decision making process.

I also agree with the point which many of my hon. friends have made.

[Prof. S. Nurul Hasan]

that all unrest is not bad. I think a certain degree of unrest is essential if the community of students is to be alive. I think they are impatient. I hope that they do not like hypocrisy if they see it anywhere. I hope they have ideals which they wish to achieve. I hope that they are aspiring to make their country much better than what their elders have succeeded in making. All these things are welcome signs. We should not get worried about those things. We should try to produce a mechanism in which these aspirations, this unrest, this progressive unrest of the youth is able to channelise itself for the betterment of the society in general so that education really becomes an instrument of social transformation. I entirely agree with the point which several hon. Members have made that education must become an instrument of social transformation.

I have, on several occasions, claimed the indulgence of the House, to express my own dissatisfaction and that of my Government, with the existing system of higher education. I have used occasionally words which were stronger than what I should have used, particularly, in regard to the examination system. I even went so far as to say that though anyone else may have faith in this examination system, I have none. I know it from inside as my hon. friends here who know it from outside would bear me. But, having lost faith in the examination system and having submitted that we are trying to do everything possible, to persuade the academic community to bring about radical changes in the examination system—only recently, I have addressed letters....

SHRI SAMAR GUHA: In the teaching system.

PROF. S. NURUL HASAN: That is also equally important.

I am just giving one example. But what is worrying is that though the demand is not that this examination

system is inadequate, that it is not a test of the competence, and that, under the present system, people who have not succeeded in developing their intellect, manage to pass or manage to get high marks, the agitation that starts in some cases is: lower the standard of evaluation, make the question papers easier, make the pass percentage lower and things of that sort..

SHRI VASANT SATHE: Just give us the degree. That is what they want.

PROF. S. NURUL HASAN: If I may come back to figures—I do not wish to refer to these figures too frequently—there were 74 cases where this was the principal demand. This is a matter which requires very careful consideration. That the educational system deserves to be transformed so that it can contribute to the social transformation is an unexceptionable point with which I find myself, and my Government find itself, in total agreement. That it is necessary to change the examination system is another point with which we are in full agreement. That the change of the educational system would also involve making education more relevant, making education more creative, so that the energies of the youth can be properly harnessed and that they can be canalised for the welfare of society, is also a thing which I could very easily, readily and gladly concede. nevertheless most of the issues on which the unrest has expressed itself are issues which are far from those which my hon. friends have mentioned in this House.

SHRI SAMAR GUHA: Have a national seminar on all these issues; it will help.

PROF. S. NURUL HASAN: We have held several seminars. Several Commissions have already reported. Several meetings have been held. More meetings will be held, I can assure my hon. friend..

SHRI SAMAR GUHA: More confusion will be there..

PROF. S. NURUL HASAN: The hon. Member knows the famous story. After the First World War, when Lloyd George was faced with this very difficult question 'Should he demand reparation from Germany' which was a very technical question, he appointed a Committee of five experts, who were all economists and Prof. Keynes was one of those, and he got six conflicting opinions. Therefore, it is one of the glories of the academic profession that every individual does independent thinking. But we cannot always accept this advice. We will have to take a realistic view. We will have to take the issue in its proper setting. We will have to look at the whole issue in proper setting. When I say proper setting, I would submit, there are two points to be taken into account.

Firstly, we must go ahead with the process of changing the educational system.

Secondly, we should not tolerate violence, intimidation and threat of violence on campuses.

Thank you.

MR. CHAIRMAN: The House now stands adjourned to meet on Monday at 11 A.M.

20.08 hrs.

The Lok Sabha then adjourned till Eleven of the Clock on Monday, December 18, 1972/Agrahayana 27, 1894 (Saka).

LOK SABHA DEBATES

LOK SABHA

**Monday, December 18, 1972/Agrahayana
27, 1894, (Saka)**

**The Lok Sabha met at Eleven of the
Clock.**

(MR. SPEAKER in the Chair).

ORAL ANSWERS TO QUESTIONS

Assistance to Gujarat Relief Works

***484. SHRI SOMCHAND SOLANKI:**
the Minister of AGRICULTURE be

pleased to state the Central assistance being given or to be given to Gujarat State for starting relief works in drought affected areas in this financial year?

**THE MINISTER OF STATE IN THE
MINISTRY OF AGRICULTURE (SHRI
ANNASAHEB P. SHINDE):** A statement
is laid on the Table of the Sabha.

Statement

The ceilings of expenditure fixed for the purposes of Central financial assistance by Government during 1972-73, on the recommendations of the Central Study Team which visited the State in September 1972, are as under:—

(Rs. in crores)

(a) Relief Items

1. Relief works.	4.00
2. Drinking water supply—emergency arrangements	0.50
3. Preservation of cattle and provision of grass and fodder—emergency arrangements.	0.75
4. Gratuitous Relief and Public Health Measures.	0.25
TOTAL	5.50

(b) Loan Items :

1. Sinking new drinking water tubewells in the affected areas. . . .	0.40
2. Advance for purchase of fodder and grass.	1.00
TOTAL	1.40
GRAND TOTAL	6.90

In addition to the ceiling of Rs. 6.90 as adopted as above, Rs. 4 crores has been recommended to be adopted as short-term loan for agricultural inputs.

Under the Emergency Production Programme, administrative approval for 5 crores has been given for special irrigation programme, of which

Rs. 1.25 crores has been released. An amount of Rs. 2 crores has also been released as short term loan for agricultural inputs.

It is proposed to depute another team to the State Government to review the situation.

SHRI SOMCHAND SOLANKI: What are the criteria for allotment of central assistance to different States?

SHRI ANNASAHEB P. SHINDE: There are well laid down principles on the basis of which central assistance is given. First of all, according to the recommendations of the Finance Commission, a particular provision has to be made for meeting the requirements of natural calamities like drought and floods. If even before that provision is exhausted, the State Government come to the conclusion that additional assistance is required, they can approach the Centre to depute a central team. On the basis of on-the-spot studies and discussion with the State Government, the study team make recommendations. On that basis, we assist the State Government.

SHRI SOMCHAND SOLANKI: Though this year the failure of rain has not been so much as in 1968, comparatively people and animals are more affected by the drought. To tackle the problem of price rise, scarcity of drinking water and animal feed, in what manner do Government propose to assist the State?

SHRI ANNASAHEB P. SHINDE: Actually, I have laid a very elaborate statement on the Table mentioning a number of details. The hon. member will find these things there.

In addition, a fresh Central team could go to Gujarat and they could make fresh recommendations. Meanwhile, according to our information, the State Government are taking steps to provide the facilities.

SHRI SOMCHAND SOLANKI: How much has been the central assistance to Gujarat for drought-affected areas in comparison with such areas in other States?

SHRI ANNASAHEB P. SHINDE: I have mentioned in the statement that Rs. 6.90 crores was the ceiling recommended by the Central team. In addition, Rs. 4 crores was recommended by way of in-part, short-term, loans. Over and above that, as a part of the emergency production programme taken up by the Ministry,

which naturally provides employment and other things, a Rs. 5-crore programme was approved for Gujarat. Now the central team will go and if there is need, as naturally there is, because distress conditions are developing in some parts of the State, that team will naturally take care of these problems.

SHRI D. P. JADEJA: There are coastal districts in the State without river or under-ground water sources. Will Government consider setting up desalination units for these chronically drought-affected areas? Because there is no river valley scheme nor are there underground water resources there.

MR. SPEAKER: There is another question coming up somewhere.

SHRI ANNASAHEB P. SHINDE: The Gujarat Government has made substantial provision for providing drinking water. In addition to that, the Central team which has already gone there has made some provision. A fresh team which would be going there would also make substantial assistance available to the Gujarat Government for this very specific purpose.

SHRI P. G. MAVALANKAR: May I know when the next Central Team's visit to Gujarat is due and whether the Central Government is aware of the fact that there are areas in Gujarat which even in normal times are very difficult of access, and may I know what special assistance the Centre can give to those affected areas which even in normal times also are very difficult of access?

SHRI ANNASAHEB P. SHINDE: The Chief Minister of Gujarat has already written to us for deputing a Central team, but there are certain formalities which have to be complied with by the Gujarat Government. The Chief Minister has written to us. As soon as the compliance is there, the Central team would be visiting without any delay. Perhaps anticipating, I may say that during the next fortnight or three weeks, it should be possible if the necessary compliance comes from the State Government.

As far as the other aspect is concerned, it is well known. First of all, what is important is to provide work, employment, so that the purchasing power is provided to the people. Then, in Gujarat, cattle wealth has to be attended to. Particularly, in Kutch and Saurashtra regions, where the drought is in a very severe form, there, fodder and other things, and migrating camps, etc., have to be organised. That has been done, and even the Railway Ministry has agreed to provide concessional rates for transport of fodder. Then, there is the question of drinking water and supply of food. These are the items which are engaging our attention.

SEVERAL HON. MEMBERS rose—

MR SPEAKER: All are interested in Gujarat or in their own States?

श्री हुकम चन्द कछवाय : अभी मंत्री महोदय ने बतलाया कि जिन सूखा क्षेत्रों में स्थिति अच्छी नहीं है वहाँ लोगों को रोजगार देना बहुत जरूरी है ताकि उन के हाथ में पैसा आये और वह अपना गुजारा कर सकें। मैं जानना चाहता हूँ कि क्या सरकार ने कोई ऐसी योजना बनाई है कि कौन कौन से रोजगार उन को दिये जा सकते हैं या राज्य सरकारों ने अपनी अपनी योजनाएँ बना कर उस से पैसा मांगा है ? मैं जानना चाहता हूँ कि क्या समुद्र के जल की शुद्धि के बारे में कोई योजना है और क्या सरकार ने समुद्र जल की शुद्धि के लिये गुजरात सरकार को अलग से कोई पैसा दिया है ?

SHRI ANNASAHEB P. SHINDE: The Gujarat Government is one of the Governments in the country which has a good, effective administration, and they are taking a number of steps for providing employment, etc. There are several schemes, such as the plan schemes, drought relief schemes, crash employment programme, etc. Over and above that, steps are being taken as part of the drought relief to provide special employment to a very large number of people.

SEVERAL HON. MEMBERS rose—

MR SPEAKER: I think it is enough. Why are all of you getting up?

श्री हुकम चन्द कछवाय : मैंने प्रश्न पूछा था कि कौन सी योजनाएँ हैं जिन के द्वारा लोगों को रोजगार दिया जा सकता है, लेकिन उस का कोई सीधा उत्तर न दे कर मंत्री महोदय एक साधारण सा उत्तर दे रहे हैं।

SHRI ANNASAHEB P. SHINDE. As I mentioned, there are a number of specific items and programmes, and apart from that, there are a number of minor irrigation programmes, road construction works, etc. The Gujarat Government is attending to them. (Interruption).

MR SPEAKER: Mr. Giri, how are you interested in this?

SHRI S. B. GIRI: Regarding the answer given by the Minister, about the visiting teams, I wish to say that Telengana has been affected very badly.

MR. SPEAKER: Why do you bring in Telengana?

SHRI S. B. GIRI: Is the Minister aware about the drought there? We are not having drinking water even. People are starving actually.

MR SPEAKER: Next question. Shri Mishra

Nhava-Sheva Port Project

*485. SHRI JAGANNATH MISHRA: Will the Minister of SHIPPING AND TRANSPORT be pleased to state:

(a) whether Government have now given second thought on Nhava-Sheva Port project which are earlier cleared; and

(b) if so, the reasons therefor?

THE MINISTER OF PARLIAMENTARY AFFAIRS AND SHIPPING AND TRANSPORT (SHRI RAJ BAHADUR):

(a) and (b). A sum of Rs. 13 crores was provided in the Fourth Plan for Nhava-Sheva Project but no investment decision could be taken by Government so far because Bombay Port Trust were awaiting the report of its Consultants. After the report was received last year, Bombay Port Trust furnished a modified scheme to Government which is now under the active consideration of the Government. There is no question of having any second thoughts on the project.

SHRI JAGANNATH MISHRA: Sir, before I put my supplementaries, I crave your indulgence and permission to thank the hon. Minister for his announcement that he is not going to have any second thoughts over this project, and that it has already been given the clearance.

Now, I come to my supplementary question. May I know whether the Government have ascertained from the Chairman the position with regard to the execution of the project and, if so, what is the reaction of the Government thereto?

SHRI RAJ BAHADUR: Execution will be taken up only after modified proposals as submitted by the Bombay Port Trust are examined and approved and necessary provisions made therefor.

SHRI JAGANNATH MISHRA: May I know whether Nhava Sheva is the only project which can offer bigger draft for giant ships and if so, what is the reaction of the Government thereto? May I also know whether the Government has enquired into the reasons for decreasing traffic at the ports and the remedies proposed to be taken?

SHRI RAJ BAHADUR: The question of draft arises in relating to the size and tonnage of ships that are to be entertained at a particular port. As per the draft report that we have with us it is proposed to entertain vessels upto 80,000 DWT, even 100,000 DWT is conceivable. For that the Nhava Sheva Port would be

adequate. But the approach channel will have to be taken into account. I do not think the second part of the questions arises out of this.

SHRI P. R. SHENOY: May I know when work on this new harbour will commence?

SHRI RAJ BAHADUR: The consultants, Messrs. Berklin and Partners were entrusted with the work of studying the whole project in 1964. They submitted their report in May 1971, and the Bombay Port Trust has studied it and has given a modified proposal. It will certainly take time for the concerned Ministries, namely, the Ministry of Revenue and Expenditure, Ministry of Defence and other Ministries concerned to examine it. The whole question is about the projection of traffic. I am not going into details for the sake of brevity. I shall only say that after the examination is over and a decision has been taken about the size of the project, 6 berths or 3 berths, as now advised by the Bombay Port Trust the question will arise.

गुजरात में भूमिगत जल से रहित
भूमि

487. श्री महा दीपक सिंह शास्त्री: क्या कृषि मंत्री यह बताने की कृपा करेंगे कि :

(क) गुजरात में ऐसी भूमि का क्षेत्रफल कितना है जहाँ सिंचाई कार्यों के लिए भूमिगत जल भी उपलब्ध नहीं है; और

(ख) क्या सरकार का विचार वहाँ जल की खोज कर के ऐसी भूमि को कृषि योग्य बनाने के लिए कार्यवाही करने का है?

कृषि मंत्रालय में राज्य मंत्री (श्री ० और सिंह) : (क) और (ख) : सादर सूचना गुजरात सरकार से प्राप्त की जा

रही है। यह प्राप्त होने पर बचा-बीछ सभा पटल पर रख दी जाएगी।

श्री महराजोदय सिंह साहू : मंत्री महोदय ने अपने वक्तव्य में यह बताया है कि केन्द्रीय सरकार के पास इस प्रकार की कोई जानकारी नहीं है और राज्य सरकारों से वह जानकारी प्राप्त करने जा रहे हैं। मैं आप के द्वारा मंत्री महोदय से जानना चाहूंगा कि उन्होंने जो आगामी पंचवर्षीय योजना का नक्शा तैयार किया है वह किस आधार पर किया है? क्या उन के पास कोई माप दण्ड है जिस को ले कर वह पंचवर्षीय योजना का नक्शा तैयार कर सकें?

प्रो० शेर सिंह : प्रश्न यह पूछा गया था कि कितना एकरेज जिस में ग्रन्डर-ग्राउंड वाटर अवैलेबल नहीं है। पूरे एकरेज की सूचना मेरे पास नहीं है, इसी लिए मैंने कहा कि राज्य सरकारों से हम सूचना मांग रहे हैं कि कितने एकड़ जमीन ऐसी है जहां ग्रन्डर-ग्राउंड वाटर अवैलेबल नहीं है। जैसी सूचना आयेगी वैसी रख दी जायेगी। इस समय मेरे पास एकरेज नहीं है।

अध्यक्ष महोदय : वह तो राज्य सरकार को पता होगा।

श्री हुकम चन्द कछवाय : जब सरकार कृषि को इतना बढ़ाना चाहती है तब जो योजना बनाई गई है उस का कोई आधार तो होगा सरकार के पास?

MR. SPEAKER: After all the States must have given information to the Centre and he has asked for that information from the State.

श्री हुकम चन्द कछवाय : सवाल तो बहुत पहले का दिया हुआ है।

1994
Closure of G. B. Pant University of Agriculture and Technology, Pant Nagar

*485, SHRI DHAN SHAH
PRADHAN

SHRI PRABODH CHANDRA

Will the Minister of AGRICULTURE be pleased to state:

(a) whether the G. B. Pant University of Agriculture and Technology, Pant Nagar, is not functioning for the last two months on account of students' agitation in the campus;

(b) the main demands of the students; and

(c) the action taken by the I.C.A.R. as the co-ordinator of agricultural education to get the University reopened?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI ANNASAHAB P. SHINDE): (a) to (c). A statement is laid on the Table of the Sabha.

Statement

(a) Yes, Sir. There has been partial closure of G. B. Pant University of Agriculture and Technology due to strike by some sections of under-graduate students in Agriculture, Veterinary and Technology. They have been asked to join in early December. The Vice-Chancellor of the University has informed that the University will reopen on 12th December, 1972.

(b) The demand of the students are:—

(i) Organization of a students' union in the University.

(ii) The minimum attendance should be reduced from 85 per cent to 75 per cent.

(iii) There should be a students' representative on the Board of Management of the University.

(iv) There are two conditions for the award of P. G. Degrees:—

(a) The O.G.P.A. should be 4.00 out of 5.00; and

(b) If any student gets below 'B' in a credit course, he is dropped from the University. The second condition should be withdrawn as it is a great thing to achieve on O.G.P.A. (Overall Grade Point Average) of 4.00 out of 5.00.

(v) The 'E' grade should not be counted in the calculation of O.G.P.A. as when a student obtains 'E' grade in the course, he has to read it again (Punjab Agricultural University does not count 'E' grade whereas in this University a student has to repeat a course when he obtains 'E' grade and 'E' is also counted in the compilation of the O.G.P.A.

(vi) The conversion of O.G.P.A. of the College of Technology in the percentage of marks should be done in a way that the students of the University may not be put to any disadvantage in comparison to the Graduates of other Universities.

(vii) 60 per cent marks for passing (Remedial Courses).

(viii) The I.C.A.R. fellowship holders, as other fellowship holders should not be required to work for 12 hours a week.

(c) University has kept I.C.A.R. informed of the steps taken to reopen the University. The academic rules prescribed by the University at (ii), (iv), (v), (vi) and (vii) are in consonance with I.C.A.R.'s policy as enunciated in the Dean's Committee which was adopted by the Agricultural Universities in the 2nd conference held in 1965 at Ludhiana. University has referred demand (viii) to I.C.A.R. and it is under examination in consultation with the Council's Standing Committee of Edu-

श्री अन्नासाहेब प्रधान : क्या यह सच है कि विद्यार्थियों की एक मांग यह भी थी कि होस्टल में भोजन के दिन, फूड चोजिङ बहुत अधिक है जिन्हें कम किया जाना चाहिये ? मासिक भीसत 180 रुपया आ जाती है । गरीब विद्यार्थी जिन में अनुसूचित तथा अनुसूचित आदिम जातियों के विद्यार्थी भी सम्मिलित हैं वे इतना अधिक खर्च उठाने में बड़ी कठिनाई का अनुभव कर रहे थे । मैं जानना चाहता हूँ कि इस को कम करने के लिए सरकार क्या पग उठा रही है ?

क्या यह भी सच है कि इस विश्व-विद्यालय में कम से कम उपस्थिति 85 है जबकि दूसरे विश्वविद्यालयों में वह 75 है जिस में आई० आई० टी० भी आ जाता है ? इस विश्वविद्यालय में उपस्थिति का प्रतिशत 85 से 75 करने के लिए आपने क्या व्यवस्था की है ?

SHRI ANNASAHEB P. SHINDE: I am very glad to inform the House that the students have unconditionally withdrawn their agitation. In fact it is one of our prestige institutions doing fine work....

MR. SPEAKER: He is asking a specific question and you should answer that rather than giving a further handle to supplementaries. I am very sorry; when you go off the track, it is very difficult to control. He is asking whether there was some complaint about food.

SHRI ANNASAHEB P. SHINDE: They have withdrawn unconditionally all their demands, including this demand and they have said, "we would accept in the right spirit and good grace whatever punishment is awarded by the university." Therefore, these demands do not stand now.

श्री बलवीर प्रसाद : बरिष्ठ में इस प्रकार की बदमाशों को रोकने के लिए सरकार क्या पय उठा रही है ?

सम्बन्ध महोदय : अब तो वापिस के ली है। और घटना होगी तो फिर देखेंगे।

SHRI ANNASAHEB P. SHINDE: There is no problem now.

SHRI PRABODH CHANDRA: Is it a fact that whereas in the IIT to get a first division one has to get only 65 per cent, in Pant University, one has to get 75 per cent for first division, with the result that students going out of the Pant University are at a disadvantage in the sense that whereas students getting 65 per cent from other universities can say that they have passed in the first division, students passing out with even 70 per cent marks in Pant University cannot say that they have secured first division? Have the Government acceded to the percentage being the same in all the universities?

SHRI ANNASAHEB P. SHINDE: Universities are autonomous bodies. They do prescribe according to their best judgment and on the advice of Deans certain standards. I do not think we should interfere in this.

श्रीमती सावित्री श्याम : मंत्री महोदय ने स्टेटमेंट में बताया है कि यूनिवर्सिटी बारह दिसम्बर को खुल जाएगी। मैं जानना चाहती हूँ कि क्या वह खुल गई है ?

मैं भी इस यूनिवर्सिटी में कई साल एम्प्लॉयमेंट में रही हूँ। मैं जानती हूँ कि इस यूनिवर्सिटी के स्टाफ एण्ड रेग्युलेशन केन्द्रीय यूनिवर्सिटी के समकक्ष नहीं है। स्टेटमेंट में भी कहा गया है कि लड़कों की

सहायता के लिए डिमांड है इसे "University has referred demand (will) to the ICAR and it is under examination."

मैं जानना चाहती हूँ कि कब तक रिपोर्ट मिल जाएगी ? कब तक पता चल जाएगा कि यह डिमांड मान ली गई है या नहीं ?

पन्त यूनिवर्सिटी को और यूनिवर्सिटी के समकक्ष लाने के लिए आप कौन से प्रयत्न कर रहे हैं ?

SHRI ANNASAHEB P. SHINDE: First of all, I would like to say that the University has opened on the 12th and it is going on very peacefully. Let us not say or do anything which would disturb the peaceful atmosphere there. As far as the second aspect is concerned, the ICAR is examining it. They will naturally consult the Deans of all agricultural universities and advise on that basis.

बिहार में आपातकालीन खाद्य उत्पादन कार्यक्रम के लिए केन्द्रीय सहायता

* 490. श्री रामावतार शास्त्री :

क्या कृषि मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या बिहार सरकार ने आपातकालीन खाद्य उत्पादन कार्यक्रम को सफल बनाने के लिए 39 करोड़ रुपए की योजना बनाई है ;

(ख) यदि हाँ, तो क्या राज्य सरकार ने इसके लिए केन्द्रीय सहायता की मांग की है; और

(ग) यदि हाँ, तो उसकी मुख्य बातें क्या हैं और उस पर केन्द्रीय सरकार की क्या प्रतिक्रिया है ?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (BHRI ANNASAHEB P. SHINDE): (a) to (c). A statement is laid on the Table of the Sabha.

Statement

(a) to (c). With a view to making up the shortfall in food production caused by the unseasonal monsoon during the kharif season this year, the Government of Bihar formulated minor irrigation programmes estimated to cost Rs. 40 crores for which Central assistance was sought. They also

asked for a short-term loan of Rs. 31 crores for agricultural inputs. These programmes were examined in consultation with the State Government and only such of them were approved for Central assistance as could be completed by the 31st March, 1973 so that they could benefit the rabi and summer crops.

On the above basis, a total loan tance of Rs. 17.17 crores has been administratively approved by the Government of India to the Government of Bihar for the following minor irrigation programmes:—

(Rs. in crores)

1. Purchase and running of 500 new Emergency River Pumping sets	0.87
2. Commissioning of 638 existing State Tubewells	2.00
3. Erection of 149 kucha bundhs	0.18
4. Improvement and renovation of 1100 surface flow irrigation works	0.60
5. Construction of 500 new State Tubewells	5.47
6. Construction of 1000 large diameter wells	0.80
7. Construction of feeder channels in major canals	0.16
8. Energisation of 12,500 tubewells	5.00
9. 30 Barge-mounted river pumps	0.10
10. Installation of pumps on upper reaches of Soane Canal	0.35
11. Purchase of aluminium pipes for water distribution from State Tubewells where cast iron pipes are used because of delay in laid acquisition proceedings.	0.10
12. (i) Borehole Borings, (ii) Hand Pumps and (iii) Cavity Borings	1.00
13. Purchase of 6 new rigs with ancillary equipment and ancillary equipment for 3 existing rigs.	0.54
TOTAL	17.17

In addition, a short-term loan of Rs. 7 crores has been released to the State Government for purchase and distribution of inputs like seeds, fertilisers and pesticides.

श्री राजशेखर शस्त्री : क्या सरकार इस बात की बातने की स्थिति में है कि बिहार में अनावृष्टि के कारण धान की

फसल को हुई क्षति कितनी है तथा उस क्षति की पूर्ति के लिये रबी अभियान के संदर्भ में सरकार ने जो 24 करोड़ रुपया का इससे कुछ अधिक रुपया बिहार सरकार को दिया है, उसके आधार पर रबी की फसल की कितनी उपज होने की सम्भावना है ?

SHRI ANNASAHEB P. SHINDE: Under this programme 13.93 lakh hectares of land will be sown with wheat as against 40 lakhs acres. My reports are that the programme has gone through almost 100 per cent. In fact, they have exceeded the target. I cannot say anything at this stage about production because that will depend on winter showers and a number of other factors. But the present reports are very encouraging.

श्री रामावतार शास्त्री : केन्द्र ने मुँपांच सौ नए ट्यूबवैल लगाने के लिए पैसा दिया है । साथ ही 12500 ट्यूबवैल को एनर्जी देने के लिए पैसा दिया है । मैं जानना चाहता हूँ कि इन दोनों क्षेत्रों में कितना काम अभी तक हुआ है और साथ ही वहाँ खाद की कमी है और जिस की वजह से किसानों में बड़ी तबाही, खास तौर से उत्तर बिहार में मची हुई है, उसकी पूर्ति के लिए आपने कौन से विशेष प्रयास किए हैं ताकि उनको आसानी से खाद मिल जाए ?

SHRI ANNASAHEB P. SHINDE Final reports about the programme are still not available. But preliminary reports indicate that energisation programme and giving connection to tubewells is going on very well. As far as State tubewells are concerned, final reports are not available. But there seems to be some slack progress than expected. But we need not take a final view at this stage. About fertilizer, allotments were made according to whatever were agreed to in the zonal conference. We are trying to help the Bihar Government to see that the supplies are ensured to the extent assured by the Central Government.

SHRI A. P. SHARMA: From the statement it is seen that 500 new tubewells have been sanctioned by the Central Government. What was the demand made by the Bihar Government? How did the Central Government make this assessment of 500? As a matter of fact even if 5,000

tubewells are provided, they would not be adequate.

SHRI ANNASAHEB P. SHINDE: I can understand the anxiety, interest and patriotism of the hon. Member coming from Bihar. But this programme is only upto 31st March. If Bihar succeeds in building 500 tubewells by the 31st March, we will consider it a great achievement.

SHRI A. P. SHARMA: I am not referring to the completion of these tubewells. I am on the question of the Central Government sanctioning money. How many tubewells were demanded by the Bihar Government and how many have been sanctioned by the Centre?

MR SPEAKER: May I know from the hon Member from where he got this figure of 5,000? What is its authenticity?

SHRI A. P. SHARMA: I said that even 5,000 tubewells will not meet the requirements of Bihar. So, I wanted to know the number asked for by the Bihar Government.

MR SPEAKER: Do not put questions in a groping manner.

इस तरह हर सवाल पर परसिस्ट करना ठीक नहीं है । आप हमेशा ऐसा करते हैं ।

श्री राजेन्द्र प्रसाद दादव : क्या मंत्री महोदय को इस बात की जानकारी है कि कृषि प्रोग्राम में बिहार सरकार को मदद देने के बारे में जो भी आकड़े हैं, वे कागज पर ही रहते हैं, वे सर-जमीन पर नहीं पहुँच पाते हैं और न पहुँच पाये ह; यदि हाँ, तो वह इस बारे में क्या करने जा रहे हैं ?

SHRI ANNASAHEB P. SHINDE: So far as the emergency production programme is concerned, my report is that, substantially, the programme is going through well.

श्री आनसाहेब प्रसाद यादव : बिहार में पहले रबी की बोती पालीस लाख एकड़ में होती थी, लेकिन इस बार बिहार सरकार ने साठ लाख एकड़ में रबी की बोती करने का निर्णय लिया है। मैं यह जानना चाहता हूँ कि केन्द्रीय सरकार ने बिहार सरकार को उसी अनुपात में खाद और बीज भेजने का अब तक क्या प्रबन्ध किया है।

SHRI ANNASAHEB P. SHINDE: As I have already said, as far as the supply of seeds is concerned, whatever seed supply was asked for by the Bihar Government, we moved that on a very emergency basis.

श्री आनसाहेब प्रसाद यादव : मंत्री महोदय ने खाद के बारे में नहीं बताया है। जहाँ तक बीज का सम्बन्ध है, वह नेशनल सीड कारपोरेशन से नहीं भेजा गया है, एफ० सी० आई० के गोदाम से भेजा गया है।

MR. SPEAKER: This question is very general. You are asking specific question in between. If you want certain figures, you ask for statistical information. The proper notice should have been given.

SHRI ANNASAHEB P. SHINDE: In fact, I have already replied to this earlier that in Zonal Conference whatever the supply of fertiliser was decided, on that basis we are making supplies. But there is an overall shortage of fertilisers in the country.

Economic Betterment of SC & ST

*491. SHRI RAJDEO SINGH: Will the Minister of EDUCATION AND SOCIAL WELFARE be pleased to state:

(a) whether Social Welfare Department have programme for the uplift of the Schedule Castes and Scheduled Tribes in the Fifth Plan with an allotment of Rs. 142 crores; and

(b) if so, whether Government consider it advisable to earmark the whole amount in the Fifth Plan for the economic betterment of the Scheduled Castes and Tribes?

THE DEPUTY MINISTER IN THE MINISTRY OF EDUCATION AND SOCIAL WELFARE AND IN THE DEPARTMENT OF CULTURE (SHRI D. P. YADAV): (a) and (b). The Social Welfare Department has on the basis of the recommendations of the Conference of Ministers in charge of Backward Classes and Social Welfare held on the 23rd July, 1972 made a number of proposals for inclusion in the Fifth Five Year Plan. These include some proposals for programme which are specifically earmarked for the uplift of Scheduled Castes and Scheduled Tribes while many other programmes sponsored by other Ministries have been proposed for the betterment of the economic conditions of the weaker sections of the community, which will be of particular benefit to the Scheduled Castes and Scheduled Tribes.

SHRI RAJDEO SINGH: What are the proposals which the State Ministers put forward for the betterment of Scheduled Castes and Scheduled Tribes in their Conference this year?

SHRI D. P. YADAV: Allotment of land and agricultural development schemes, drinking water supply schemes, rural electrification, health and sanitation, cottage and small-scale industries, housing and house sites and communications are the major heads over which there have been proposals.

SHRI RAJDEO SINGH: May I know whether these proposals were finalised by the Planning Commission to be included in the Fifth Plan?

SHRI D. P. YADAV: These are still under consideration.

श्री हुकम चन्द कछवाय : शिक्षित क्रास्ट्स और शिक्षित ट्राइब्स के विद्यार्थी शिक्षा प्राप्त करने के बाद बेकार रहते हैं। क्या सरकार ने ऐसी कोई योजना बनाई है या राज्य सरकारों को इस मामले के आदेश दिये हैं कि शिक्षित क्रास्ट्स और शिक्षित ट्राइब्स के विद्यार्थियों को अपनी शिक्षा पूर्ण करने के बाद तत्काल नौकरी मिल जाये और वे बेकार न रहें ?

अध्यक्ष महोदय : इस बारे में दस बारह घंटे की बहस हो चुकी है। उस में ये सारी बातें आ चुकी हैं।

श्री हुकम चन्द कछवाय : सारे देश में इन जातियों की बहुत खराब दशा है।

श्री डी० पी० दाबड : केन्द्रीय सरकार और राज्य सरकारें दोनों मिल कर अधिकतम कोशिश में हैं कि शिक्षित क्रास्ट्स और शिक्षित ट्राइब्स के लोगों की मदद की जाये।

श्री हुकम चन्द कछवाय : मैंने यह पूछा है कि क्या केन्द्रीय सरकार ने राज्य सरकारों या संस्थानों को यह आदेश दिया है, या कोई नियम बनाया है कि इन जातियों के विद्यार्थियों को शिक्षा प्राप्त करने के बाद नौकरी देने की व्यवस्था की जाये। वे सालों तक भटकते रहते हैं। मेरे प्रश्न को टालने की कोशिश न की जाये।

MR. SPEAKER: Will you please sit down? The question is whether Government have allotted so much money for the uplift of Scheduled Castes and Scheduled Tribes. You were asking for the details of the Plan. You had the opportunity to ask it for a long time in this very session.

**Expanded as ordered by the Chair.

MR. SPEAKER: Order, please. This will not form part of the record. The question was very limited in its scope.

आप हाउस में किस तरह की लैंग्वेज यूज करते हैं? मैं सोचता हूँ कि बात कहां तक पहुंच गई है। माननीय सदस्य इस तरह की लैंग्वेज यूज करने में बड़ी बड़ाई समझते हैं। पार्लियामेंट में कुछ डेकोरम रखना चाहिए।

श्री हुकम चन्द कछवाय : अध्यक्ष महोदय, यह समस्या बड़ी जटिल है। बड़े लोग तो पैसा दे कर नौकरी पा लेते हैं, लेकिन ये लोग ऐसा नहीं कर पाते हैं। उन के माता-पिता उन की शिक्षा पर इतना खर्च करते हैं, लेकिन उस के बाद नौकरी न मिलने पर वे सालों भटकते फिरते

अध्यक्ष महोदय : माननीय सदस्य बैठ जायें। कुछ तो डेकोरम रखना चाहिए। यह ठीक नहीं है कि जो मुंह में आया, वह कह दिया।

SHRI C. T. DHANDAPANI: Out of Rs. 51,000 crores, in the Fifth Five-Year Plan, Government have allotted only Rs. 142 crores for the uplift of Scheduled Castes and Scheduled Tribes, which is a very meagre amount. Our Minister has just stated that Government have provided some facilities like electricity, water, land allotment, etc. These are the functions of the State Governments. I want a specific answer from the hon. Minister to this question as to what are the other steps taken by the Central Government apart from allocation of funds to State Governments. If he is in possession of the figures, I want to know what was the demand of the Tamil Nadu Government for this programme and what was the amount sanctioned to it.

MR. SPEAKER: The first part of the question is all right. If you want anything about Tamil Nadu, give notice of a separate question.

SHRI D. P. YADAV: These are the major heads.....

MR. SPEAKER: His simple question was this. The reply you gave in the beginning pertained to the programmes fixed by the States. What additional programmes have been adopted by the Government of India?

SHRI D. P. YADAV: These are the major heads. Under these major heads, specific items are put forward like post-matric scholarships, scheme of coaching students additional boarding grants, hostels, pre-matric scholarships. In this way, the heads are so many. It will not be possible at this stage to mention each and every item and the allocation also unless and until we get the final picture from the planning Commission.

THE MINISTER OF EDUCATION, SOCIAL WELFARE AND CULTURE (PROF. S. NURUL HASAN): There is a bit of confusion in the principal question. The figure, Rs. 142 crores, is the allocation in the Fourth Plan period. For the Fifth Plan period no definite allocation has yet been made by the planning Commission for any sector. All the proposals formulated by various Ministries and the State Governments are being considered by them.

श्री फूलचन्द वर्मा : अध्यक्ष महोदय, देश के हरिजन और आदिवासियों की समस्याओं को देखते हुए सरकार ने जो 142 करोड़ रुपये की धनराशि पांचवीं पंचवर्षीय योजना में रखी है, मैं समझता हूँ कि यह ऊँट के मुँह में जीरा के बराबर है। देश के अन्दर हरिजनों और आदिवासियों के लिये पिछले 25 वर्षों के अन्दर जो कार्य हुआ है, उस को ध्यान में रखते हुए क्या सरकार उन के उत्थान और विकास के लिये और अधिक धनराशि रखने का इरादा रखती है ?

श्री डी० पी० यादव : हमारा मंत्रालय इस बात से अचर्र चिन्तित है कि हरिजनों और आदिवासियों के लिये अधिकतम सुविधाएँ पहुँचाने की कोशिश करे। मैं माननीय सदस्य को आश्वस्त करना चाहूँगा कि मेरे मंत्रालय की तरफ से इस पर कोई कसर उठा नहीं रखी जायेगी।

W.H.O. Seminar on Rural Health Services

*493. **SHRI P. GANGADEB:**

SHRI P. M. MEHTA:

Will the Minister of **HEALTH AND FAMILY PLANNING** be pleased to state:
